

## Valkyrie 2131

### [Chapter 2131: Old witch](#)

"So, things are still turning around?" Qin Chen was stunned.

"My opinion is to wait and see what happens. Things are going to happen later, and there must be a turning point. Moreover, Xiao Hei doesn't know where he has gone. He has never forgotten the Ancestral Demon Blood Sutra." Lao Yuan said.

Big black cat?

Qin Chen was speechless.

Indeed, the \*\*\*\* cat doesn't know where he ran. I remember that when I saw the Ancestral Demon's Blood Chronicle in the Guyu Realm, its excitement, but now there is no shadow, it will not have come to this hall. Right?

But since Lao Yuan said so, Qin Chen naturally wouldn't be reckless, and sneered: "If this is the case, let them bite the dog first, kill you or die!"

He turned his head, his eyes were already on Shangguan Gufeng.

Whoosh!

With a flicker, Qin Chen rushed towards Shangguan Gufeng.

And now that there is free time, it is better to weaken the strength of Misty Palace and kill the old thing like Shangguan Gufeng.

"What about Chen Qing..."

Emperor Jijing Dan and the others were all stunned when they saw Qin Chen's actions, and they were extremely anxious. At this critical moment, Qin Chen went to Shangguan Gufeng to be inexplicable.

"Chenqing, what are you doing?"

Ji Jing Dandi even said anxiously.

But Qin Chen turned a deaf ear.

"Damn it!"

Pill Emperor Jijing is angry, but there is no way, "In that case, everyone, let me stop this alien demon race, and I will never let them succeed."

After that, Emperor Jijing Dan took the lead to rush out.

boom!

Golden flames bloomed on him, and Emperor Pill of Extreme Mirror turned into a round of golden scorching sun, rushing towards the demon.

He didn't dare to rush into the battlefield between Shangguan Xi'er and the Heaven Devouring Demon Lord. For the present, he could only do something against the dark shadow demon of the alien demon race.

Best, to \*\*\*\* the Ancestral Demon Blood Sutra it controls.

This thing is a treasure of the alien demon race. If it is captured by oneself, it will definitely be of great benefit to attacking the alien demon race. It may even surpass Shangguan Xi'er's cultivation base. Just thinking about it, Emperor Jijing Dan will be excited. Endless.

"kill!"

Long Batian and the others moved too, staring fiercely at the blood meridian of the Ancestor Demon, one by one, like electricity, rushed fiercely.

Obviously he reported the same thoughts as Emperor Jijing Dan, and all rushed to the demon.

"Huh? A group of ants, noisy!"

The dark shadow demon's eyes flashed and a cold snort, a \*\*\*\* light flashed on its body, and suddenly, the ancestor demon's blood meridian gleamed and turned into a shield, wrapping it inside.

Boom!

The earth-shattering roar fell, and at the moment when the shield was formed, countless attacks fell, and the terrifying streamers transformed by many peak martial emperors smashed onto the red halo outside Quinn's body, and they did not move.

"Jie Jie Jie, it's useless, the Ancestral Demon Blood Scripture is a treasure of our clan, and with you human trash, it can't be broken at all!" The Dark Shadow Demon snorted coldly.

With a wave of its hand, hum, in the blood meridian of the ancestor demon, a horrible aura suddenly spread, which swept away in an instant. Only a puff sounded, Emperor Jijing Dandi and others vomited blood and retreated. The power of this ancestor's Demon Blood Sutra was too strong. With their cultivation base, not only was it unable to cause damage to the devil, but was easily blown out. , The \*\*\*\* magic is in them

The body was surging, and each of his eyes were blood red, screaming fiercely, and he could only run his true essence madly, repelling the \*\*\*\* breath.

puff!

A mouthful of blood spurted, and everyone looked pale and wilted.

Just the breath of the Ancestral Demon Blood Sutra bloomed, and they couldn't hold on.

How to fight this?

"Go, get out of here."

Jijing Dandi and others were furious, and came to the entrance of the hall, frantically attacking the passage of the hall, trying to escape from here.

They were already desperate. Once Shangguan Xier and the others could free their hands, they would not be able to escape, and they would all die here.

At this time on the field, Shangguan Xier and the demon madly targeted the Heaven Devouring Demon Lord, but Jijing Dandi and others no longer have the courage to attack the channel with all their strength to escape from here.

Only Qin Chen stared coldly at Shangguan Gufeng.

"Old witch, let's meet again!" Qin Chen sneered.

"Smelly boy, you dare to come to my door. You attacked my Misty Palace and killed the Soul Master. It was your kid who saved Fu Qiankun." From the moment he saw Fu Qiankun, Shangguan Gufeng had already understood Coming over, it was Qin Chen who attacked Misty Palace in the first place, but they thought it was the Lord of the Heavenly Emperor, but she didn't understand why Murong Bingyun fell into the Hand of Heavenly Emperor.

In the middle, could it be said that this kid in front of him is not related to the Xuanyuan Empire?

But if there is a connection, why does this child appear here without seeing Feng Shaoyu's trace?

These doubts made Shangguan Gufeng wonder how.

"Haha, what is it, what is it not?" Qin Chen sneered, full of murderous intent towards Shangguan Gufeng.

"Hmph, a dignified master of Emperor Martial, it's shameful that he just hijacked a junior from my Misty Palace."

Shangguan Gufeng mocked and said, obviously saying that Qin Chen had the ability to kill from Misty Palace, but he chose to hold Murong Bingyun. Thinking of Murong Bingyun's later experience, Shangguan Gufeng was angry.

Naturally, Qin Chen would not explain that he was actually far from being as strong as now.

"Old witch, today is your time to die." Qin Chen sneered, holding the Banyue ancient sword in his hand, and a ball of thunder blasted out from the Banyue ancient sword, slowly condensing into a thunder light on the sword body. Countless thunder patterns surging.

"Less dust, I'll help me."

Fu Qiankun coldly snorted and killed him too, his eyes were red, he was full of hatred for Shangguan Gufeng.

"Damn it, Swallowing Devil Lord, stop him."

When Shangguan Gufeng faced Qin Chen alone, she felt frightened. She saw Qin Chen fighting against the empress and wounding Shangguan Xi'er. If Fu Qiankun was added, she might as well simply Forget suicide.

"I....."

Heaven-swallowing Demon Lord hesitated, and to be honest, it was completely stunned, and everything that happened in the ancient temple made it doubtful about its own life. "Hmph, Swallowing Devil Lord, do you still want to rescue your ancestor? You have also seen that your ancestor wants to support you at all, but treats you as a substitute. If it gets out of trouble, you can't Go out alive, only follow us,

There is a silver lining. "

Shangguan Gufeng's words made Heaven Swallowing Demon Lord completely determined.

boom!

It exploded devilish energy, blocking Xiang Fu Qiankun.

It is impossible to follow the ancestors anymore, and for the present plan, we can only continue to walk the same way with Misty Palace to the dark.

Seeing Tian Swallowing Demon Lord stop Fu Qiankun, Shangguan Gufeng couldn't help but heaved a sigh of relief.

"Hmph, kill you, this one less person is enough."

Qin Chen held the half-month old sword and slammed over.

"Boom!"

Thousands of rays of lightning shot out, a piece of thunder sea electric prison, suddenly dispersed.

"Space Mine!"

Qin Chen let out a low cry, and within a radius of several tens of feet, everything was covered by lightning, and the entire sky turned into a sea of thunder. Moreover, the strength of Lao Yuan was instilled, causing Qin Chen's strength to skyrocket in an instant.

### [Chapter 2132: Sacrifice life](#)

"cut!"

He slashed with a sword, and the light of the sword pierced the sky, and suddenly the mighty sword aura was like a vast ocean, accompanied by a sea of thunder, pouring down towards Shangguan ancient wind.

Shangguan Gufeng's pupils shrank suddenly, a strong sense of crisis was born in his heart, his scalp numb, his eyes widened, he directly activated the Yuanshi Bell above his head, and suddenly protected the top of his head.

Hum!

The Yuanshi Bell burst out faintly bells, the mighty true Yuan swept away, and the misty Zhongying suddenly turned into ten feet high, protecting the ancient Shangguan style inside.

"Boom!"

The mighty sword light collided with the sky bell shadow, unparalleled power, vast as the sea, pouring down.

The world collapsed in an instant, a piece of true essence waved, and the fields were vast.

Shangguan Gufeng was so shaken that her whole body was cracked, and her mouth was vomiting blood, but she stubbornly held the Yuan Shizhong, hardly resisting Qin Chen's impact.

The sound of the bell is faint, and it will last forever.

"Boom!"

The shock of terror became more complicated, surging in all directions.

Everyone drew back for a thousand meters, staring in horror.

Those strong men who survived by chance, such as Emperor Jijing Dan and others, watched this scene in amazement, and their hearts trembled.

Is this really the fighting power of a young man? There was Shangguan Xi'er in front, the mountain stood up, and then Qin Chen and other young masters. After the waves came, Emperor Jijing Dan and others felt extremely bitter, and their hearts were full of disappointment.

"Hmph, I see how long you can hold on."

Qin Chen sneered, but he was a little surprised that Shangguan Gufeng was able to withstand his own blow. His attack was integrated with Lao Yuan's power. Even Shangguan Xi'er would be injured, but he didn't expect Shangguan Gufeng to resist it with the Yuanshi Bell. .

However, Shangguan Gufeng was not Shangguan Xi'er after all. Qin Chen didn't believe she could stick to it. Yuan Shizhong was an ancient treasure. Every time it was activated, it would consume a lot of true yuan, and it was not endless.

not to mention.....

Qin Chen's eyes were cold, his left hand squeezed his hand, and saw runes flying out of his hand, like a butterfly, falling onto the Yuanshi Bell.

Hum!

The bell sounded faintly, and there was a slight looseness.

"what?"

Shangguan Gufeng was so scared that his soul flew away, and Qin Chen was actually vying for her control of Yuan Shizhong.

How did he do that? Shangguan Gufeng's eyes were round, and his heart was unprecedentedly furious. Yuan Shizhong had already been refined by her, let alone a kid like Qin Chen, even a half-step holy realm powerhouse like Shangguan Xier, don't want to looting. Control, but now Qin

Chen actually did it.

For a while, he was so scared that his liver and gallbladder were torn apart, and his face was pale.

"Xier, save me!"

Shangguan Gufeng could no longer maintain his composure, and shouted in horror, there was no blood under the Yuanshi Bell.

"Hmph, no one can save you!"

Qin Chen looked indifferently, speeding up the struggle for control of Yuan Shizhong. This thing was acquired back then. Naturally, he is very familiar with its internal structure and restrictions. To a certain extent, it even exceeds the ancient customs of Shangguan, so it can naturally plunder. .

"Not good, Auntie is dangerous." Shangguan Xier was frantically suppressing the Heaven Devouring Demon Lord. Her heart was filled with anger and anger. With her personality, she would naturally not take anyone's life in her heart, but Shangguan Gufeng is hers after all. Aunt, she naturally couldn't let go, and watched

Tell her to die.

"Devil, speed up refining!"

"it is good!"

The demon sat cross-legged, full of demonic energy, and it was desperate. The resistance of the demon Lord made him extremely difficult, and he did not dare to hide the slightest.

"You despicable people, do you really think that the demon master has nothing to do?"

The Heaven Devouring Demon Lord roared, feeling the more and more intense refining power, it became completely ruthless.

puff!

A mouthful of black blood spurted out and instantly turned into a weird and complicated rune. As soon as this rune appeared, a wave of fluctuations that made everyone's heart palpitating emerged in this world.

"Great Lord of Abyss Demon, I devour the sky, today I sacrifice the life of my bloodline, and beg from the Lord of Great Abyss Demon, come!"

The Heaven Devouring Demon Lord looked pious, and even ignored Shangguan Xi'er's shot, and worshipped toward the endless void.

Hum!

Suddenly, a mighty black light emerged from it, and those ancient characters, blooming magic light, suddenly brightened, completely blocking the refining power of the Ancestral Demon Blood Sutra.

"boom!"

Shangguan Xi'er blasted the devil's body with a palm, the magic light was vast, the ancient characters on the devil's body flickered, and there was no harm, only a trace of the original demon energy emerged from its body and merged into the void. in.

"What? What is the Heaven Devourer doing?"

This sudden scene made everyone stunned and shocked.

Is the Sky Devourer offering his life?

But how is this possible, it has been sealed for so many years, and it is lingering, it doesn't seem like a dedicated person at all, otherwise it won't last until now.

But it was clearly talking about sacrificing its blood and life, this...

"Ah!" As everyone trembled, a scream suddenly sounded. Everyone hurriedly turned their heads to see the horrified face of the Sky-Swallowing Demon Lord, only to see the void, strands of the original demon energy merged into its body. And the cultivation base of the Devouring Demon Lord is amazing

Speed up.

Boom boom boom!

The aura of the Swallowing Devil Monarch instantly became extremely terrifying, and the devilish energy exploded. The nearest Fu Qiankun was shocked and flew out, bleeding from the corners of his mouth.

In a short moment, the aura of the Heaven-Swallowing Devil Monarch has surpassed everyone on the field.

The demon is mighty, the Devouring Demon Lord is like a demon god, standing proudly in this hall, holding the invincible might.

"What's wrong with me? Why is my cultivation base restored? I completely restored the Demon Lord's cultivation base?" The Sky Swallowing Demon Lord was shocked.

"what!"

But then, it screamed again, because its body was burning, a trace of blood and life force, as it burned into the void, and was swallowed by the unknown space.

"no, do not want!"

The Heaven Swallowing Demon screamed in horror, struggling desperately, but to no avail, its body burned a little bit and disappeared little by little, as if it had turned into nutrients, and was completely integrated into this world.

"Hahaha, my descendants, since you are here, you should dedicate yourself to this demon master. It is your honor to dedicate your life to the great Master Abyss Demon."

The Heaven Devourer laughed wantonly, like crazy.

"No, ancestor, why, why..." Heaven Devouring Demon Lord's body continued to disappear, and gradually only one head was left. It looked at Heaven Devouring Demon Lord in anger, and finally understood why the ancestors got out of trouble. Patted myself, and there was a warm current pouring in, which is not It is helping oneself to improve the cultivation base, but, secretly made tricks.

"Ancestor, you are... so cruel!"

puff!

Silently, the swallowing demon prince flew into ashes, and the powerful demon prince turned into nothingness in full view.

The next moment, an extremely terrifying aura came, booming, in the hall, one by one ancient characters flickered, an aura that broke through the cosmos, and the world descended.

Click!

The seal formed by the Ancestral Demon Blood Sutra was suddenly shattered, and even the space thunder domain that Qin Chen transformed into shattered under this breath. A mighty magical might has come, sweeping across the universe, nine days of infinity!

### [Chapter 2133: Lord of Abyss](#)

With this breath coming, Qin Chen and the others stepped back, showing shock.

Lord of the Abyss, could it be that the powerhouse of the Abyss has come?

Qin Chen was shocked in his heart. He knew a lot, and naturally knew where this place came from. Compared with the crisis of the alien demon race, the abyssal demon clan is far more terrifying. Once the abyssal demon clan powerhouse really arrives, the entire Tianwu Continent will suddenly disappear.

This is a terrifying race that can be called the top in the heavens.

Shangguan Xi'er and the others obviously also knew the source of this place, and they were terrified one by one. They didn't expect the Heaven Devourer to summon the master of the Abyss Demon Race.

They didn't understand, didn't the Sky Devourer who came to plunder the secrets and treasures of the suppressed Abyssal Demon Race? Why can you communicate with the masters of the Yuanmo clan? What shocked Shangguan Xi'er and the others was that it is normal for the Sky Devourer to be alive. Even the Heaven Devourer Demon Lord can survive in the Heavenly Demon Secret Realm for so many years, and the Heaven Devourer only broke into this place tens of thousands of years ago. Space seal to alien demons

The terrible prolongation of the Demon Lord for tens of thousands of years is nothing.

But the powerhouse of the deep demon race was suppressed in the ancient times for tens of thousands of years, and its history is long, even surpassing the history of alien demon invasion, even hundreds of millions of years.

In such a time, according to the truth, these deep demons should have died long ago.

But now, Shangguan Xier and the others are nervous and terrified!

As for the Jijing Dandi and others who don't know what happened, let alone the others, only fear emerged in their hearts.

In their eyes, the Heaven Devourer is already an unrivaled existence, and now, the Heaven Devourer is actually offering sacrifices to the lives of his own bloodline to summon the Lord of the Abyss. What kind of existence is this?

What they saw and heard today completely shook their hearts.

In the main hall, only the Demon Lord of Heaven was looking up and laughing wildly.

"Hahaha, what a bunch of idiots, thinking that if you break into this place, can you swallow this demon master with the blood of the ancestor demon?"

The face of the Sky Devourer was full of sarcasm and sneer: "You won't even look at whose site this place is. Even if I broke into this place, I was suppressed. Just wait for you to dare to be so unscrupulous. Laugh." It shook its head, and looked at everyone's eyes as if looking at two idiots, "Do you think that the large array and blood of this place were swallowed by the demon master? Don't think about it, the demon master. If there are so many magical powers, how can you be trapped here so much?

Can't get out of trouble for years? "

The bodies of Qin Chen and others shook.

Yes! The Demon Lord broke into this place that year, but there was no news. In fact, it was sealed here. The previous devilish energy was large, and the essence and blood were absorbed. They subconsciously thought that it was the Demon Lord who caused the ghost, but carefully recalled, if it is Sky Devourer is so capable

If you are patient, how can you be sealed here for tens of thousands of years and cannot escape?

More importantly, such a mysterious palace could not be built by the Lord of Heaven Devourer.

Boom!

In the main hall, the endless coercion condenses, the aura of terror descends, and the majestic power shocks the Liuhe and the Eight Desolates, unparalleled in the world.

This breath was so terrible that Qin Chen, Emperor Jijing Dan and the others retreated one after another.

But even so, they still feel that their whole body strength and blood are infinitely suppressed, and they even have difficulty breathing.

boom!

Suddenly, a palpable breath of taboo power suddenly descended.

call!

The infinite coercion condensed, in this hall, condensed into a black figure of nothingness.

This is a stalwart figure with a height of several feet, full of black magic light, and it exudes a heart-palpitating atmosphere.

The moment this black shadow condensed and formed, the whole world trembled violently, as if to completely collapse.

"The legendary Deep Demon Race expert?"

Shangguan Xi'er was shocked, her eyes shocked.

Based on her perception, the strength of this magic light is probably even more terrifying than the Demon Lord.

"The deep demon clan powerhouse is coming?"

Qin Chen's face sank slightly.

"Little Qin Chen, this is just a projection, not a real body." Lao Yuan's voice resounded in Qin Chen's heart, also full of shock.

Qin Chen nodded, and he also saw that this was not the real body of the deep demon clan powerhouse, but just a magic light projection, but the mere projection breath was more terrifying than the aura revealed by the Heaven Devourer at this moment. .

"Junior Chuantian visits the great Lord of Abyss Demon."

As soon as this black shadow appeared, the Heaven Devouring Demon Lord even bowed respectfully, turning from a master demon master to a pious subordinate.

"Well, it's you, the little guy from tens of thousands of years ago."

The black shadow glanced at the Demon Lord, his tone indifferent.

In its eyes, the master demon master class is just a little guy.

The black shadow's voice contains endless power, rumblingly resounding in the hearts of everyone, every word and deed contains the power of rules, like the will of heaven and earth is surging. The Lord of the Devouring Demon smiled flatteringly and hurriedly said respectfully: "The great Lord of the Abyss is the younger generation. The younger generation has fulfilled the promises you once promised. He has brought in the human blood you said you need, and sacrificed the devouring of my race. Blood and life, please Yuan

Lord of the Demon, can..."

It looked worried, obviously not as proud as it was before, and it trembled and cautious.

"Are you afraid that I won't be able to fulfill the promise I once made?" The Lord of the Abyss swept away the Heaven Devouring Demon Lord, and the Heaven Devouring Demon Lord suddenly did not dare to speak, but bowed his head in anxious manner.

"Back then, you broke into the realm of the deity and wanted to seize the power of the deity. The deity only punishes you a little. You have not obliterated you. It is only sealed for tens of thousands of years. Since the deity has promised, it will naturally not be violated."

The Lord of Abyss Demon raised his hand.

Hum! The ancient characters bloomed one by one on the body of the Demon Lord, detached, and rotated into the air, and then the ancient characters merged, in this endless void, suddenly opened a black hole, beyond the black hole, deep and mighty, surging endless thunder, unexpectedly Of Thunder sea.

Qin Chen and the others shook their hearts, waving their hands, opening up the passage between this place and the sea of thunder, how powerful is this?

"Thank you, sir!"

The Heaven Devouring Demon Lord was excited and hurriedly saluted, but without looking back, he rushed into the passage and disappeared quickly.

Shangguan Xi'er, Demon Ling and others' eyes sank, their expressions anxious, but they didn't dare to stop them, they just stared nervously at the dark shadow above their heads, like a big enemy.

Seeing the shadow faintly glanced at the people, Qin Chen and the others only felt their bodies tremble, as if they were being stared at by a wild beast, their whole body erected.

"Well, what should I do with you?"

"Is it like the little guy before, sealed here, or, just killed..."

The black shadow murmured, talking to himself, as if talking about a trivial thing, as if in his eyes, the life and death of Qin Chen and others were only between his fingers, nothing at all. Just like humans, do they care about stepping on a few ants?

#### [Chapter 2134: Not enough](#)

Shangguan Xi'er and the others' expressions condensed, they were extremely vigilant, and the Lord of the Abyssal Demon shot, none of them could guarantee that they could resist it.

Hum!

A breath after another haunted everyone, and immediately alarmed the Lord of Abyss Demon. It glanced at everyone and couldn't help laughing.

Everyone was taken aback.

"If the deity wants to make a move, do you think it can be resisted by you?" Although the black shadow can't see his face, it feels like a mocking expression on his face, as if he is mocking everyone's overweight.

It looked faintly, among the pupils, a divine rainbow suddenly burst and fell on everyone.

"So strong!"

At this moment, Qin Chen felt his whole body restrained by an invisible force, almost unable to move.

Everyone sucked in air, and the other side only looked at them, and they could make them look like a big enemy. As the other side said, if the other side really has the heart to do something, can they resist it?

Without seeing the Heaven Devouring Demon Lord, he was also sealed here back then, making it difficult to resist.

"Hahaha!" Sombra laughed again.

"Forget it, don't mess with you, see Zai you waited to open the deity's palace and activate the deity's inheritance, the deity is in a good mood, so I will give you a way out."

The shadow of the shadows changed.

Everyone looked excited, is there a turning point?

"In this way, you only need to come in and give away the treasures on your body, if you can satisfy the deity, the deity can let him go."

The shadow said lightly.

Bring in treasures?

The hearts of everyone sank, this is a robbery.

But at this time, does anyone dare to say a word?

Compared to dying here, obviously offering treasures is enough for anyone to accept.

However, what kind of treasure must be offered to satisfy the other party?

Soon Sombra gave the answer.

It glanced at the Ancestral Demon Blood Sutra in front of Guan Xi'er and the demon, and said lightly: "This book is related to the deity. If you hand over this book, the two will be free."

hiss!

As soon as you come up, you will ask for the Ancestral Demon Blood Sutra, will Shangguan Xier and the strange demon master agree?

At this moment, everyone looked at him, wanting to see the answers of Shangguan Xier and the devil.

"This....."

Shangguan Xi'er hesitated for a moment, and then immediately said, "The juniors are willing."

He actually agreed.

Everyone was taken aback, Shangguan Xi'er promised too refreshingly, right?

But looking back, everyone was surprised again. At this time, what can I do if I don't agree?

It was that demon who was anxious in his heart. Shangguan Xi'er promised that it was normal. After all, this ancestral demon blood meridian could not be controlled by her, but this thing is the treasure of its alien demon race. If it is lost from its hands, what will it rely on to control it? The alien demons in the world?

But does he dare to say nothing at this time?

"Junior, willing!"

The demon said with a bitter face and trembled.

Hum!

It lifted the control of the Ancestral Demon's Blood Sutra, allowing it to float in the void.

Losing control, the Ancestral Demon Blood Sutra seemed to know his own destiny, and suddenly burst of blood, trying to escape from this place, but the ancient characters suddenly fell, turning into stars, suppressing the blood in the Ancestral Demon Blood Sutra.

Hum!

The blood light and the ancient characters quickly entangled, but how can the Ancestral Demon Blood Scriptures withstand the suppression of the ancient characters, just a few breaths, it is completely suppressed, unable to move.

"The two can go now." Sombra said lightly.

"Palace Master!"

Shangguan Gufeng hurriedly shouted nervously.

The demon gritted his teeth and shook his body, instantly disappeared into the passage and disappeared.

"You really let them go?"

Jijing Dandi and the others were startled, ecstatic in their hearts.

Does this mean that they also have the hope of leaving? Shangguan Xi'er didn't leave the first time. She saw a fiery light flashing in her eyes. She took a step forward and knelt on the ground in an instant. He respectfully said: "My lord, the officer Xi'er on my concubine is like today's Wu Mainland. The first person, the majesty

, The concubine body is extremely admired, the concubine body is willing to follow the adult, but also hope that the adult can take in the concubine body and saddle the adult with meager power. "

She was slightly lowered, showing a shy face, dazzling, and amazed everyone.

Rely on!

This Shangguan Xi'er is too shameless, even this is all right?

Everyone was stunned. Is this a trick of beauty? Misty Palace and the alien demons couldn't collude, and now even the master of the abyss wants to collude. This method is stunned and beyond words.

No one would have thought that Shangguan Xi'er could be so shameless.

But Shangguan Xi'er turned a deaf ear to everyone. Is it wrong to pursue the strong? In this world, everything is imaginary, there is power, and it is real. As long as she follows the master of the abyss, she will be able to step into the holy realm, and even enter the heaven. It has a great position in the heaven, compared to when What illusory palace lord, wouldn't it be strong?

Ten times a hundred times?

She believed that with her opening, the Lord of the Abyss would most likely agree to her. After all, her identity as the first person in the Tianwu Continent was of some use to the other party.

What's more, she is confident of her appearance.

She raised her head, her eyes twinkled with radiance and she was stunningly beautiful.

The beauty of the human race is universal in the world.

The black shadow stared at Shangguan Xier, showing interest, but immediately, it smiled coldly: "You are not qualified!"

Shangguan Xier hurriedly said: "My lord, my concubine is the first person in the Tianwu Continent. The Misty Palace and the Law Enforcement Hall under his command command the Tianwu Continent. He is willing to obey the orders of the adults and will never defy anything."

Shangguan Xi'er still wanted to express herself.

"Wait for you to enter the holy realm, let's talk about this again." Soi Ying said indifferently: "Now, leave this place, otherwise, you don't leave."

It has an indifferent tone, without a hint of emotion.

"Holy realm?" Shangguan Xi'er's heart shook, feeling the anger of the other party, she didn't dare to continue to entangle her, raised her head, and said with firm eyes: "Please rest assured, when the concubine breaks through the holy realm, she will definitely come. Go to the adults."

After saying this, she didn't look back, and instantly disappeared into the passage.

Do I have the qualifications to surrender to his subordinates when I become a holy land?

Everyone smiled bitterly and showed bitterness.

It's not that it's really ironic.

In the eyes of others, what they are pursuing hard is just a qualification for entry.

Everyone sighed slightly, and immediately all stared at the black shadow fiercely. At this moment, they couldn't think too much, and just wanted to leave here.

"strange."

On the jade disc of good fortune in the universe, Lao Yuan suddenly said something, with a hint of doubt in his voice.

"What's wrong with Lao Yuan?" Qin Chen couldn't help asking.

"Nothing, it's just that something is weird."

Lao Yuan murmured, with doubts in his tone, but he couldn't figure out what was wrong.

"My lord, I would like to hand over the Supreme Yuan Shizhong, and I also ask the adults to spare the lives of the younger generation."

Seeing Shangguan Xi'er leaving, Shangguan Gufeng was anxious, and hurriedly stepped forward and presented the Yuan Shizhong. She looked at the black shadow with anxiety, her heart was very nervous, this was the strongest treasure she could bring out.

### [Chapter 2135: It's time to go](#)

If even Yuan Shizhong is not satisfied with the other party, Shangguan Gufeng can't figure out what kind of treasure she can bring out.

Jijing Dandi and the others also condensed their gazes, feeling nervous.

To be honest, although they are hostile to Shangguan Gufeng, they don't want Shangguan Gufeng to fail.

Because they are all at the same level as Shangguan Gufeng, the treasures they can take out are only at the same level as the Yuanshi Bell of Shangguan Gufeng. If Shangguan Gufeng can't pass it, then it is difficult for them to hope to pass.

After all, no one of them has such treasures as the Ancestral Demon Blood Sutra.

The black shadow glanced faintly, and an invisible force passed by the Yuanshizhong, and the black shadow opened his mouth and said: "Yuanshizhong? A gadget, you use this thing to honor the deity?"

"My lord..." Shangguan Gufeng knelt on his knees, his voice trembling: "This is already the strongest treasure that the younger generation has brought out. Please let the sire give the younger generation a chance."

At the dignified misty palace, he was kneeling down and begging for mercy.

Ji Jing Dan Di and others all have a sense of sorrow for the death of rabbits and foxes. They can predict their own destiny, and they may not be much better than this ancient Shangguan.

"Well, although it's just a gadget, it's a treasure for the sake of the deity's good mood."

The shadow said casually.

As soon as this remark came out, Shangguan Gufeng suddenly raised his head with excitement, "My lord, did I pass?"

"Yes, but you go to the side and wait first, and the deity will inform you to leave." Black Shadow said lightly.

Shangguan's ancient style expression suffocated. Although he didn't understand why she didn't let her leave like the palace lord, he still respectfully said: "Yes, thank you, sir, thank you!"

She was so grateful that she stepped aside.

With the lessons learned from Shangguan's ancient history, everyone stepped forward one by one.

"My lord, this is the younger Jin Kuihuo, willing to dedicate it to adults."

"My lord, this is the junior's Qixuan Dou Tianxing instrument."

"grown ups....."

Pill Emperor Pill, Lou Zimo and others, one after another took out their treasures from the bottom of the box.

They were extremely worried, for fear that the shadows would be dissatisfied with the treasures they took out.

"You, what treasures are you going to offer!"

Soi Ying ignored everyone, but directly looked at the Sovereign of the Illusory Demon.

"I?"

Sect Master Illusory was taken aback, because she hadn't taken out her treasure yet.

"That's right." Soi Ying smiled indifferently: "Your Excellency also touched a trace of the threshold of the Holy Realm. You won't even be unable to take out a decent treasure."

what?

This person also touched the threshold of the Holy Land?

Everyone was shocked and looked at the Illusory Demon Sect Master. No one thought that the Illusory Demon Sect Master could hide so deeply, even if it was the critical moment just now, he did not display his full strength.

The body of the Phantom Demon Sect Master shook, gritted his teeth, and a black translucent stone appeared in his hand.

As soon as the stone appeared, it exuded heart palpitations and burst out with unparalleled power.

So strong!

Everyone only felt that there was a terrible fluctuation affecting his thinking, and his soul was shaking, as if countless illusions appeared.

"This breath... Sect Master of Magic Demon!"

Long Batian looked faintly, and said in surprise. He is also considered to be the ancestor of the mainland's top forces. He has naturally come into contact with the Sovereign of the Illusory Demon. Before that, the Illusory Demon Sovereign has not shown her true aura, but when this stone appeared, her aura was completely exposed, and Long Batian instantly She recognized

Came out.

The bodies of Emperor Ji Jing Dan and others were shocked. The man in black was indeed a member of the Demon Sect, and he was actually the most mysterious Phantom Demon Sect in the Demon Sect.

The Phantom Demon Sect, which has only been established on the mainland for more than two hundred years, has grown by leaps and bounds like the Misty Palace. In these two hundred years, it has become one of the top forces in the mainland.

Moreover, the identity of the Illusory Demon Sect Master is very mysterious, no one knows her true identity, but she has always stood on the mainland, and any force that has a covetous heart for the Illusory Demon Sect will have no good end.

This is the position that was only exchanged for the secret twists and turns and treacherous fights.

The Sovereign of Illusory Demon is like a mystery, making people from many forces confused.

Now, everyone finally understands why the Phantom Demon Sect can stand on the mainland and become one of the top powers in the mainland in just two hundred years. Its suzerain turned out to be a top powerhouse who has touched the holy realm.

hiss!

Everyone couldn't help but breathe in air-conditioning. Once this news was posted on the mainland, it would inevitably cause a violent sensation, and even make the Phantom Demon Sect one of the top forces in the mainland in one fell swoop.

"The Magic Sovereign..."

When Shangguan Gufeng heard about the identity of the Sovereign of Illusory Demon, his expression was startled, and he seemed to look at him in shock, with a trace of speculation and suspicion in his eyes. "Magic Heart Stone? Unexpectedly, there are such treasures on this continent. No wonder you can touch the threshold of the holy realm on this Tianwu continent." The shadow was surprised, "Unfortunately, this thing can only let you have reached this point without being able to go further. Now, it's in the deity, which is of little use."

The Lord of Abyss Demon smiled slightly, put away the black magic stone, and said, "You can go now." Sect Master Phantom was taken aback for a moment, but he didn't expect that he could leave directly.

"Yes."

She shook her body in a hurry, rushed into the passage and disappeared.

Shangguan Gufeng's heart sank, and there was a panic for no reason. Why can I leave after the Phantom Demon Sect Master dedicated the treasure, but she could not leave after the treasure was first offered?

Is there any problem here?

"Hehe, it's almost there, everything that should be left is gone, and everything that should be kept is left."

The face of the Lord of the Abyss suddenly showed abusive expression, and with a wave of his hand, the channel leading to the outside world was suddenly closed and completely disappeared.

"grown ups....."

Shangguan Gufeng suddenly became anxious, what does the Lord of the Abyss mean?

Others also sank their hearts and were shocked.

What does it mean to leave, and leave all the things that should be left?

"You don't have to worry, the deity opens the passage, it takes too much energy, and needs a little rest. Well, the treasures you took out are not bad. Don't worry, the deity will let you go."

As soon as the Lord of Abyss Demon raised his hand, the many treasures flew towards it.

"No, kid Qin Chen, this guy has no plans to let everyone leave."

At this time, Lao Yuan's furious voice sounded from the bottom of Qin Chen's heart: "It is going to refine all the rest."

"what?"

Qin Chen was shocked and buzzed. As Lao Yuan's voice fell, the world of heaven and earth suddenly shook. A terrifying force and artistic conception instantly controlled the world.

The space around Qin Chen and the others in the main hall seemed to be frozen. Everyone in the main hall, including Qin Chen, couldn't move, even their spiritual power could not extend. At that moment, an invisible swept across, absorbing the essence and blood in their bodies, and swallowing everyone into a corpse.

#### [Chapter 2136: Unimaginable strong](#)

"Senior, what are you doing?" Pill Emperor Jijing cried out in horror.

At this time, no one could remain calm, and everyone was terrified.

An unprecedented death crisis shrouded everyone's hearts.

"My lord, I have already donated the treasure, why are you doing this?"

"My lord, I am willing to surrender to you, please forgive me for my life."

"grown ups....."

Everyone screamed in horror.

As for the ordinary peak martial emperors like Lu Zian and Feng Kang'an who were lucky enough to survive, the skin on their bodies was rapidly aging, and their blood was lost, and they were about to fall here.

"Damn it."

Qin Chen was also full of anger, he didn't expect this Abyss Demon Clan would not be trustworthy and would devour them.

"Everyone, is it useful to beg for mercy?" Qin Chen icily shouted, "I have a chance to join forces. If I die here, I will die. What are you waiting for? Do you want this Abyss Demon Clan to wait for me? The blood is completely swallowed, will you resist again?"

Qin Chen's long voice echoed in this hall.

"but....."

Everyone trembled, let them confront the Lord of Abyss? Just thinking about it makes me tremble. This is a master of heaven who can easily seal the Sky Devourer. Can they resist it? I'm afraid the other party can easily crush them with one finger, right?

"You are really..."

Qin Chen was angry, this group of people was hopeless.

"If you don't resist, then don't resist!"

"Lao Yuan help me." Qin Chen roared from the bottom of his heart.

Boom, the voice fell, and a terrible source force poured into Qin Chen's body, and Lao Yuan knew the crisis, and was desperately desperate.

Boom!

In Qin Chen's body, the thunder bloodline exploded, and the swallowing force was instantly eliminated. Around the body, endless thunder light surged, and the spatial thunder domain burst out suddenly.

A terrible breath rose from his body.

"what?"

Qin Chen was stunned. With the help of Lao Yuan, he actually broke free from the blood swallowing of the Lord of the Abyss, and even broke away from the constraints of space.

Is this Lord of Abyss Demon so weak?

Do not!

It cannot be said that the Lord of Abyss Demon is weak. The power that Qin Chen has exploded now has reached the semi-holy level, almost the same level as Shangguan Xi'er. This is the Lao Yuan bursting out with all his strength, continuously conveying his combat power.

However, this still exceeded Qin Chen's expectations. With the strength of the Lord of Abyss Demon, wouldn't it be impossible for even the Holy Realm to resist?

"I understand."

"Kid Qin Chen, this guy is not as strong as he imagined." Lao Yuan's furious voice sounded, "It is just a projection. Before allowing the Heaven Devourer and others to leave, it was not because the Heaven

Devourer and others had contributed. Own treasure, but because this person is simply unable to deal with so many semi-holy realm powerhouses, he can only

Let the other party leave. "

Lao Yuan's voice rumbled, echoing in Qin Chen's mind.

In fact, without Lao Yuan speaking, Qin Chen had already reacted, because he found that the devouring power of this dark shadow was not even stronger than the devouring power of the Heaven Devourer, even if it was strong, it was also limited.

If the Lord of Dignified Abyssal Demon only had this strength, it would be a joke.

"No wonder..."

Qin Chen was completely stunned. At this moment, he also understood that when Lao Yuan said something was wrong before he came over, he also felt that something was wrong.

With the strength of the Lord of the Abyss, it should be easy to suppress the Ancestral Demon's Blood Sutra, but when the demon gave the Ancestral Demon's Blood Sutra before, the Lord of the Abyss took a few breaths to suppress it. It does not meet its strength at all.

If the Lord of Abyss Demon is as terrible as it appears, it should be done within a few seconds.

But at that time, everyone was shocked by the terrible fear of the Lord of Abyss Demon, and in the attitude of Devouring Demon Lord towards it, no one could see what was wrong.

"However, if the strength of this Abyssal Demon Lord is not as terrible as imagined, why would the former Sky Devourer Lord be sealed here?"

Qin Chen couldn't understand.

In fact, if it hadn't been for the attitude of the Demon Lord, everyone would not be so afraid of the Lord of the Abyss. "I can't figure this out." Lao Yuan was puzzled. This is where it most puzzled. With the shrewdness of the Lord of Heaven Devourer, if it weren't suppressed by the Lord of Abyss Demon back then, he would not have such an attitude at all. , So that everyone was shocked instantly

Live, lost the courage to resist.

But no matter what, Qin Chen saw hope again.

"kill!"

He was in the shape of electricity and burst out loudly, and the terrifying thunder light lingered around him, spreading the power of restraint in this hall in an instant.

Chen Qinghe...

Emperor Jijing Dan and others only felt that the thunder light came, and the power of restraint on their body had been weakened a lot, and the shock in their hearts could be imagined.

"Everyone, what are you still doing? This Abyssal Demon Lord is not as terrible as I expected. If he is caught with his hands, he will really wait to die."

Qin Chen shouted angrily, spurring Banyue's ancient sword, and slamming towards the Lord of Abyss Demon with lightning.

"Hey, there is still a semi-sacred realm strong here? No, you are not a semi-sacred realm. You have a special power in your body. What is this?"

The Lord of the Abyss swept towards Qin Chen, revealing shocked doubts, and then he sneered, "You alone want to deal with the deity? Get out!"

A word came out, the thunder blasted, and Qin Chen's chest was hit by a terrible force of rules, he spouted blood, and flew down in embarrassment.

But at this moment, Emperor Jijing Dandi and others finally woke up, no longer fantasizing, burning their blood and blood, and bursting out all their combat power.

They also fight.

"kill!"

"Fight!"

"The Lord of Abyss Demon didn't plan to let me wait to leave at all."

Roars sounded one after another, and on the other side, experts such as Pill Mirror Emperor and Shangguan Gufeng roared and rushed out directly.

Rumble!

Many top powerhouses attacked the Lord of Abyss at the same time.

Between the heavens and the earth, the turbulent Zhenyuan attack, like a turbulent tsunami, blasted towards the Lord of the Abyss.

That terrifying power has changed the world, the sun and the moon, and the world is proud of.

Because everyone is desperate, burning their blood, and even burning their lives.

They all know that if they don't work together to solve the Lord of the Abyss, they will undoubtedly die.

At this moment, they were all angry. The Lord of Abyss Demon didn't intend to let them go, but actually deceived the treasures on them.

"ignorance!"

The Lord of the Abyss was as calm as a cold pool, sketching a sneer.

Huh!

In its hand, a black spear suddenly condensed, with an astonishing cold glow on the tip of the spear, and the spear was purple and transparent.

Shocking!

The Lord of the Abyss held a black spear and made a sharp stroke.

At that moment, all the power of rules between heaven and earth seemed to be destroyed by it.

Whoops!

In the void of the main hall, a virtual crack appeared, and the forbidden space power burst out of it, sucking all the surrounding True Qi attacks into it and shattering it.

"This is the strength of your teamwork?"

The Lord of the Abyss sneered coldly.

"The ignorant ants also want to shake the sky?"

The terrifying and shocking weather that it exudes made all the strong on the field suddenly sink. With a single blow, it smashed everyone's joint attack, and the Lord of the Abyss was not as weak as everyone thought!

### [Chapter 2137: Useless work](#)

However, everyone could also see that the Lord of the Abyss was not as powerful as he had imagined.

A master who is as strong as the holy realm may easily obliterate them, so there is no need for such trouble.

"Sure enough, this Abyssal Demon Lord is not as strong as we guessed it."

Qin Chen breathed a sigh of relief, but he was suspicious in his heart and muttered, "Strange, if the Lord of the Abyss is not so strong, why is the Lord of Heaven Devouring so frightened?"

Qin Chen couldn't understand.

"That's because even the Heaven Devouring Demon Lord doesn't know that the power of the Abyss Demon Lord is already so weak."

At this time, a voice rang in Qin Chen's mind.

Hearing this voice, Qin Chen's heart suddenly burst into ecstasy.

"Big black cat, where are you?" Qin Chen said excitedly, it was clear that the \*\*\*\* cat was talking.

Damn, after the dead cat entered this ancient magic land, he didn't know where he died, but he didn't expect to come to this hall.

"This emperor is naturally in this hall." The \*\*\*\* cat's voice was playfully, but also solemn, and it said solemnly, "Kid Qin Chen, listen carefully, Yuanmozu is the heaven. The strongest demon clan, the deep demon clan was a disaster to the heavens back then, and even the top forces in the heavens swallowed their anger and were extremely jealous.

Shame, however, the Yuanmo clan is not invincible. It hit the iron plate in the Tianwu Continent, suppressed by a top powerhouse, and sealed for hundreds of millions of years. "During these hundreds of millions of years, the master of this deep demon race has been sealed by endless thunder day and night, and its strength is weakening day by day. The residual power it bursts out to seal

, And tried to rely on the alien demons to absorb many masters, so as to absorb the blood and restore strength. "

"It's a pity that the alien demon are not a native race of the Tianwu Continent. After the failed attack on the Tianwu Continent, the masters of the alien demon disappeared. As a result, this space sealed land has not been a strong person for tens of thousands of years."

"Tens of thousands of years of attrition should have reduced the power of the master of the Abyssal Demon Race. Now, he can only project a projection. Although this projection can scare people, the actual power is even greater than the Holy Realm. Not as good."

"So, it didn't dare to offend the Heaven Devourer, Shangguan Xi'er and others, but let them go, leaving you alone."

"As long as your blood is swallowed, this Abyss Demon tribe can restore a certain amount of power, communicate with the heavens, and summon their tribe to come, and then they can be completely released."

"And now, the power of this Abyssal Demon Clan is actually not strong."

The words of the \*\*\*\* cat echoed in Qin Chen's mind, leaving him stunned.

It turned out to be such a thing!

"Big black cat, what should I do now?" Qin Chen said solemnly.

"What can be done? It is naturally a projection of the Lord of Abyss Demon that has been destroyed. Only by killing it can there be a chance to leave."

"how about you?"

"The emperor naturally has things to do."

Qin Chen had a black line on his face. This dead cat is too unreliable. Is there anything more important than dealing with this Yuanmo tribe?

In Qin Chen's depression, the Lord of the Abyss had already sneered and came to the crowd, holding a black spear, his eyes jokingly.

Jijing Dandi and the others sank, but their eyes became more determined.

"Everyone, it's a critical moment now, I don't think you need to hide it anymore."

"Only by killing the Lord of the Abyss, I can wait to leave this place."

"Everyone, it's time to use all your strength!"

"Fight!"

The ferocious voice of Emperor Dan Di Jijing sounded.

Boom boom boom!

The attack was completely wiped out, not only failed to allow Emperor Jijing Dandi and others to give up, but the heart became even more hideous.

In an instant, various attacks emerged one after another, turning into dense streamers, and once again rushed towards the Lord of Abyss Demon.

Buzzing buzzing...

Lou Zimo raised his hand, various array flags flickered, and endless array flags lingered, quickly blending into the void of this ancient temple, forming a large array.

He hates it, if it weren't for being tricked by the Lord of Abyss Demon into Qixuan Dou Tian Xing Yi, the formation he could arrange would be even stronger.

Others were also furious, and various attacks emerged one after another, forming a double-teaming trend.

"Useless work!"

Facing all the powerhouses on the entire continent joined forces, the Lord of the Abyss smiled indifferently.

When all the strong people on the scene heard this sentence, they felt that their body and mind were greatly insulted.

"Wind-rolled clouds!"

Polar Mirror Dandi waved a fan of flowing clouds!

The power of the invisible space around him condensed and poured into the fan in his hand.

Hum!

In the fan of the flowing clouds, the radiant glow formed a terrifying spatial force, and it was rolled out violently.

"Destroy the World Longwei!"

Long Batian roared, his blood was evaporating, and his blood pulse was surging. A fierce dragon appeared in his hand. The mighty dragon turned into a lifelike fierce dragon shadow, roaring out.

"Chi Yan burst scroll!"

Red Flame Demon Lord's hands condensed blood and black red flames, and the flames flickered, condensed into black whirlwinds, swept out.

Mo Li also took action, and the two of them couldn't imagine that one day they would join forces with the human masters to deal with the powerhouses of the Heavenly Abyss Demon Race.

"World Promise!"

"Shattered Light!"

Gongsun Zhe, Zhai Xiangming and others also performed their tricks.

This time, all the powerhouses present almost used all their combat power and displayed various powerful martial arts.

Even Pill Emperor Jijing took out one of the nine-tier pill of Pill Pavilion for everyone to take to increase combat power.

This is a joint blow from everyone.

There was a thunderous rumbling between the sky and the earth, and the endless destruction energy was crushed towards the master of the abyss.

"Huh, it looks like I have to show you some color!"

The Lord of the Abyss snorted coldly facing all the demigods' attacks.

call!

The Lord of Abyss Demon performed a wonderful step, and instantly rushed into the crowd.

"What? He actually took the initiative to meet our attack?"

Emperor Ji Jing looked shocked and couldn't believe it.

Boom!

The Lord of Abyss Demon rushed towards many powerful men, and voluntarily rammed everyone's attacks.

Boom!

The Lord of the Abyss suddenly flashed black divine light, and a stream of black gold water flowed out, forming a heavy force that was as deep as the sea around the Lord of the Abyss.

The attacks of many powerful men fell on the armor of the Lord of Abyss Demon, and they were swallowed without causing much impact.

"With your attacks, it is impossible to break the deity's defenses!"

The Lord of the Abyss sneered and waved the black spear in his hand.

"Back, join forces to resist!"

Ji Ji Dan Di suddenly shouted.

He did not expect that the Lord of the Abyss took the initiative to hit everyone's full attack, and he was still intact.

Although the opponent did not show the ability to kill everyone in a flash, compared to the previous Sky Devourer, it was only strong or not weak, and still terrifyingly strong.

"Take this opportunity to attack him!" Qin Chen, who had been ready to go, had his eyes brightened and moved quickly, booming. He used the space thunder domain, once again with the power of Lao Yuan, his figure appeared like a ghost and appeared like lightning. Behind the Lord of the Abyss, a sword slashed down strongly.

[Chapter 2138: miser](#)

Zizi!

Lightning surging, lightning flashing, as if the end of the day.

"Chiyan Demon Lord, Ben Shao has recognized you, are you still cutting corners?"

At the same time, Qin Chen roared, and immediately transmitted his voice to the Chiyan Demon Lord.

Qin Chen knew very well that there were still heaven-defying treasures on the Red Flame Demon. When he was in the ancient Yu Realm, he relied on that treasure to escape the explosion of the Foreign Demon Race Continent and escaped from the Guyu Realm.

This time it dared to follow it in secret, Qin Chen didn't believe that it had only the strength it showed.

"What? There are alien demon kings here?"

Among the crowd, the Chiyan Demon had a solemn expression. At this moment of life and death, it knew that there was no point in hiding it. Does it really have to wait until it is about to die?

"Humph!"

Chiyan Demon Lord gritted his teeth and was desperate now.

Hum!

A black magic bottle suddenly appeared above its head, the magic bottle blooming with mysterious magic power, and the terrifying magic power poured into it, causing the magic light on the magic bottle to flicker, and the black lines continued to rise.

"What? This is the breath of the alien race? There are still aliens here?"

Feeling this magical power, everyone was shocked and looked at Demon Lord Chiyan in amazement.

This power is very similar to the previous powers of the Heaven-Swallowing Demon Lord and the Heaven-Eater Demon Lord, which resembles the magic power of a foreign demon race.

"Everyone, this seat is with you." Chiyan Demon Lord gritted his teeth, his eyes red.

"Unexpectedly, there is a fellow from the alien demon race here!"

The Lord of Abyss Demon glanced at the Chiyan Demon with a little interest.

"Oh? You hid such a treasure."

The pupil of the Lord of the Abyss shrinks slightly, frowning and looking at the Sky Swallowing Devil Bottle.

boom!

A terrible breath erupted from the sky-swallowing devil bottle, and it shot at the master of the abyss in an instant.

"Hmph, stop it to the deity!"

The Lord of Abyss Demon raised his hand, hum, a black light appeared before it, and immediately, the black light rose up, instantly blocking the terrible impact in the magic bottle.

"boom!"

But the power of the magic bottle was extremely astonishing, and the Lord of the Abyss shook his body and backed ten feet.

"Okay, this is the time!"

Qin Chen's sword had already fallen, and it seemed that he had predicted the direction of the Lord of Abyss Demon's retreat.

Boom!

The sword light rose, and instantly smashed into the Lord of the Abyss.

"Boy, I've been waiting for you."

The Lord of Abyss Demon sneered, and lifted his palm to hold Qin Chen's attack abruptly in his hand. The sword light in his palm kept exploding, and the stars flickered, like the end of the day.

Seeing that his attack was blocked, Qin Chen was not surprised at all, but his eyes flashed.

call out!

A figure appeared beside the Lord of Yuanmo, Fu Qiankun.

The power of his bloodline rose, burning his own bloodline, and a mighty breath swept out like an ocean, and instantly blasted on the Lord of the Abyss.

"bingo!"

Qin Chen was overjoyed. He didn't even think about what damage he could cause to the Lord of Abyss Demon when he shot this time. The reason for joining forces with Lord Chiyan Demon was to create opportunities for Qian Kun.

Rumble!

Fu Qiankun used the bloodline secret technique to attack the Lord of the Abyss by using the bloodline power to besiege it.

The power of terrifying blood exploded frantically on the body of the Lord of the Abyss.

"Despicable humans."

During the explosion, the Lord of the Abyss snorted angrily, a terrifying shock swept over, and Fu Qiankun was shaken out with a bang, bleeding from the corners of his mouth.

The power of the bloodline dissipated, and the Lord of the Abyssal Demon walked out, the magic light on its body flickered, turning into anger from embarrassment.

"There is even a master who touched the threshold of the holy realm? Human beings are really cunning."

The Lord of Abyss Demon's eyes were cold, with an icy color, and his body was dark and bright.

Obviously, it suffered a blow from Fu Qiankun, and it was not unharmed.

Buzzing!

Seizing the opportunity, Lou Zimo urged the array of lights, and a series of restraints quickly entangled the Lord of the Abyss, trying to restrain its actions.

"In this way, contain its actions and consume!"

Emperor Ji Jing shouted, his expression excited.

The displayed strength of Chiyan Demon Lord and Fu Qiankun made him very excited, and if this continues, he may not be able to find a chance.

"Huh, play with you, do you really think you are great?"

The Lord of Abyss Demon snorted coldly, his body suddenly burst out with a palpitating magic light power.

Hum!

The magic light of the Lord of the Abyss dimmed suddenly, as deep as the night, with pitch-black secret patterns floating on it.

"What power is this?"

Ji Jing Dandi's expression was shocked.

"What a terrifying magical aura."

"Is this the power of the heavenly powerhouse?"

Under this force, everyone felt a strong pressure.

Although this is only a projection, it is after all a master of the Heavenly Abyss Demon Race, at least a master above the Holy Realm level, and its power level far exceeds the cognition of everyone in Tianwu Continent.

At this time, everyone on the field was stunned by this powerful magic light power, even the Chiyan Demon Lord with the power of a foreign demon race, could not face the Lord of the Abyss at this time.

"Come on? Haha!"

The Lord of the Abyss was completely dark, with flashing secret patterns, like a demon god, standing proudly in the sky, his body swayed, and he directly killed everyone.

"not good!"

Everyone was shocked, their scalp numb.

They want to resist.

But the speed of the Lord of the Abyss was too fast, like a ghost, it swept into the crowd quickly, unstoppable.

puff!

The first to suffer was Zhai Xiangming.

The president of the dignified Xingzhou Chamber of Commerce, at this moment, was like a quail, instantly penetrated by the claws of the Lord of Abyss, squeezing his heart all at once.

"what!"

Zhai Xiangming screamed, his body exploded and turned into blood mist, and the blood mist merged into the body of the Lord of the Abyss, making its breath more solid.

"Retreat!"

Ji Jing Dandi tremblingly shouted, shocked, and despair appeared on everyone's faces.

In the face of such a powerful opponent, their resistance will not help at all.

No one can resist the Lord of Abyssal Demon's move. Only Qin Chen, Chiyen Demon Lord, and Fu Qiankun can cope with it. Fall.

"Big black cat, where did he die?"

Qin Chen roared in fright, looking for the trace of the \*\*\*\* cat.

And Qin Chen's actions also aroused the doubts of the Lord of Abyss Demon.

"Damn, you kid killed the emperor."

The depressed voice of the \*\*\*\* cat sounded.

Qin Chen's eyes flashed, and he found that the place where the \*\*\*\* cat's voice came from was actually the place where the blood of the ancestor's demon was.

At this moment, the \*\*\*\* cat was hiding behind the Ancestral Demon Blood Sutra, secretly collecting the Ancestral Demon Blood Sutra.

Around the Ancestral Demon's Blood Sutra, the treasures that everyone had previously donated, such as Jinkuihuo, have all disappeared, and they don't know where they went.

"|....."

Qin Chen almost didn't spout a bit of old blood.

This dead cat is still stealing the baby at this time. It's too much money.

"Huh? There is actually a beast pet here, stealing the treasure of the deity." The Lord of the Abyss also saw the \*\*\*\* cat, and suddenly showed anger.

[Chapter 2139: Refining Ancestral Demon Blood Sutra](#)

The Lord of the Abyssal Demon was so frightened that, without a moment's attention, he let the \*\*\*\* cat take away all of its treasures, almost even the Ancestral Demon's Blood Sutra.

"Dead cat, die for me."

The Lord of the Deep Demon roared, and immediately grabbed the \*\*\*\* cat.

The \*\*\*\* cat is lying on the Ancestral Demon's Blood Sutra, the power of the space is lingering, and the attack will hit it. Suddenly, the suppressing force on the Ancestral Demon's Blood Sutra was broken open by the Big Black Cat at the last moment. The Ancestral Demon Blood Sutra disappeared instantly.

Boom!

The terrifying attack fell, and this shot of the Lord of the Abyss fell into the air. There was an astonishing roar in the hall, but the \*\*\*\* cat had disappeared.

"What, this space power?"

The Lord of Yuanmo condensed his eyes, revealing a shocked face.

To escape from its attack, the power of this black cat is extremely strange.

"Huh!"

Next to Qin Chen, the \*\*\*\* cat appeared, holding the Ancestral Demon Blood Scripture and came to Qin Chen.

"it's here!"

The Lord of the Abyss snorted coldly, shook his figure, and rushed forward.

"Big black cat, you are harming me." Qin Chen was depressed, almost vomiting blood, this dead cat is really strong in revenge.

The \*\*\*\* cat was also dissatisfied. It glanced at Qin Chen and said anxiously: "Smelly boy, what are you still doing in a daze to release Lao Yuan."

"what?"

Qin Chen was taken aback, but the moment the \*\*\*\* cat spoke, Qin Chen already understood its meaning. The Universe Jade Disc flashed, and an astonishing spatial force filled the air. At the same time, the whole body was blood-red in the void. The scary monster appeared.

"Hahaha, Lao Yuan, I can finally come out and breathe."

Roar!

Lao Yuan laughed, a terrifying aura permeated the hall, and then, a paw containing a \*\*\*\* halo came out fiercely and collided with the Lord of the Abyss.

boom!

Compared with Qin Chen's borrowing of Lao Yuan's power, Lao Yuan's own shots were far more powerful. Under the blow of Lao Yuan, the Lord of the Abyss shook his body, and his magic light kept flashing.

"what?"

The sudden appearance of Lao Yuan shocked everyone on the court.

Demon Chiyan's eyes protruded and he was almost stared.

Kakoka, where does the source beast in this hall come from?

It shook inwardly and couldn't believe its eyes.

"It's the source beast in the ancient Yu world, so this kid released it?"

Red Flame Demon Lord looked at Qin Chen in shock. Although he saw this scene with his own eyes, he still couldn't imagine why the Dignified Origin Beast would be with this kid and obey the orders of this human being.

This is an ancient source beast, a master demon master, a \*\*\*\* beast of a different demon continent born to raise it.

"Lao Yuan, kill this guy." The \*\*\*\* cat said with a cold snort, akimbo.

Holy Beast?

When the Lord of Yuanmo saw Lao Yuan, his eyes condensed and his heart was also frightened.

I thought that there were no characters among the remaining people, but I never thought that not only was there a half-holy master left, there was actually this heaven and earth elementary beast from a certain continent.

Fortunately, the cultivation base of this Heaven and Earth Element Beast was not at the peak, otherwise, with its projection, it would inevitably fall into danger.

"Hmph, Yuan Beast is just right. It has swallowed you, and the deity can recover more strength."

Heaven and earth elementary beasts are born by nature and can only be born when the heaven and earth are opened up. It contains a trace of the original power of the heaven and earth in which it is located, and it is even more tonic than the human essence and blood of the humans present.

"kill!"

The Lord of the Abyss moved forward violently, and instantly fought with Lao Yuan.

Rumble!

With an astonishing roar, it can be seen that Lao Yuan is extremely strong, and it is inextricably difficult to fight against the Lord of the Abyss, but when you look closely, you can see that Lao Yuan is completely at a disadvantage, and he can still Resist, but retreat step by step.

"Kid Qin Chen, you come to refine this Ancestral Demon Blood Sutra."

The \*\*\*\* cat yelled coldly: "Just rely on Lao Yuan, not the opponent of this Yuanmo tribe."

"Refining Ancestral Demon Blood Sutra?"

Qin Chen was startled. "Hmph, of course, you have refined Lao Yuan's blood soul crystal soul, with the original aura of the alien demon continent, even without the parasitic seed, you can refine this ancestral demon blood sutra, as long as you refine the ancestral demon. Blood meridian, mobilize the power in it, so you have the opportunity

Will defeat the Lord of Abyss Demon. "

The \*\*\*\* cat explained that his face was painful, and at the same time, a complicated technique had poured into Qin Chen's mind.

It is the method of refining the Ancestral Demon Blood Sutra.

"Remember, this Ancestral Demon Blood Sutra is a treasure of the Cat King, and it is only temporarily lent to you."

The \*\*\*\* cat hurts.

"Ancestral Demon Blood Sutra!"

Not far away, Chiyan Demon Lord flashed his eyes, revealing a greedy color.

"The kid of the alien demon race, if you want to die, try the idea of hitting the Ancestral Demon Blood Sutra."

The \*\*\*\* cat's eyes flashed, and the cold voice said, the fierce gaze made the Chiyan Demon shudder.

At this moment, Qin Chen had already refined the Ancestral Demon Blood Sutra according to what the \*\*\*\* cat said.

Hum!

A terrible breath rose from Qin Chen's body. Qin Chen had refined Lao Yuan's blood soul crystal soul, so there were no obstacles in refining the Ancestral Demon Blood Sutra.

As the power of the Ancestral Demon's Blood Sutra was refined, a terrible breath was revived from the Ancestral Demon's Blood Sutra.

"How can this kid really refine the Ancestral Demon Blood Sutra?"

The Red Flame Demon Lord in the distance saw it with a shock.

The Ancestral Demon Blood Scripture is the treasure of the alien demon race. Only the master of the demon master can truly refine it. Even the previous demon spirits are simply controlled. They cannot be refined before they become the demon master.

Although it also wanted to obtain the Ancestral Demon Blood Sutra, it also knew that even if it obtained the Ancestral Demon Blood Sutra, it would not have much effect on it, and it would not even be as useful as the Sky Swallowing Demon Bottle.

But now, Qin Chen as a human being can refine the Ancestral Demon Blood Sutra, which suddenly collapsed the Chiyan Demon's worldview.

"A humble human, what are you doing!"

The Lord of Abyss Demon also felt the power emanating from Qin Chen's body, and he couldn't help shouting, furious in his heart.

Huh!

It shook his body and wanted to rush out of the fight with Lao Yuan, rushing towards Qin Chen frantically.

"Stop it!"

Jijing Dandi and others screamed.

Although they don't know what Qin Chen is doing, they all know that only by joining forces can they survive here.

Therefore, they must not allow the Lord of Abyss Demon to harm Qin Chen.

Boom boom boom!

They shot frantically, together with the old source, to block the Lord of the Abyss. At this moment, countless \*\*\*\* lines appeared on Qin Chen's body. During the process of refining the Ancestral Demon Blood Sutra, the Ancestral Demon Blood Sutra seemed to be awakened, twisted with his True Essence, unpredictable. The strange power that is shocking,

Use it now between heaven and earth.

Suddenly, this twisted force seemed to undergo some kind of sublimation.

boom!

A terrifying ultimate power, immediately used in the world.

"The power of the sacred realm... is wrong, because this child's cultivation level is too low and he is not yet in the sacred realm. He is only so close to the sacred realm. He actually refined the blood of the ancestor demon." Chi Yan Demon Jun murmured, with a look of horror and a dull expression.

#### [Chapter 2140: Dead yet](#)

This force was so terrible that the Chiyan Demon was so jealous that he wanted to kneel down and submit to Qin Chen.

Maybe it won't be obvious to other people, but for Chiyan Demon Lord, this alien demon race, this piece of power is nothing, as if it does not exist, and it seems to affect the world, like the master of the world.

"Is this the power of the semi-holy level?"

Qin Chen felt this power, and his heart was extremely shocked. At this moment, he seemed to merge with the world and transform into the world.

Qin Chen knew that this was not his own power, but the power of the Ancestral Demon Blood Sutra, but this did not affect his ability to feel the strength of this power.

"What are you doing in a daze?"

The \*\*\*\* cat is not angry.

"go with!"

Qin Chen vomited lightly.

Boom!

At this moment, the battle between Lao Yuan and the Lord of the Abyss was also divided, and the huge body of Lao Yuan was instantly shaken by the Lord of the Abyss.

At this moment, the power Qin Chen displayed had already struck instantly.

"This power?"

The Lord of Yuanmo condensed his eyes.

When he faced that power, its body, blood, and soul seemed to be threatened, trembling slightly.

At this time a force that can threaten it.

"Did Chen Qing break through the semi-sage?"

"What a terrible power."

"Why do I have the feeling that I can be killed easily."

Under this power, Pill Emperor Pill and other powerhouses were even more shocked and in awe, as if they were about to surrender under this power.

"The magic pattern flashes!"

Faced with a strong sense of crisis, the Lord of Abyssal Demon immediately used top level physical skills.

Huh!

The Lord of the Abyss dragged a string of shadowy figures in the void, instantly moving a long distance away.

But when its figure stopped, in front of it, the power of emptiness, mystery and dominance appeared directly.

"how is this possible?"

The look of the Lord of the Abyss shocked.

This force simply shattered the space, ignoring everything, and directly descended on it.

Boom!

The center of the explosion formed a dominating force that controls the heavens and the earth, and a terrifying energy storm spread.

At the center of the explosion, a spatial black hole was formed, drawing all matter and energy near the void of the hall.

The black magic energy completely swallowed the Lord of the Abyss, and the darkness flickered.

"What a terrifying power!"

"Did you die?"

Many top powerhouses present were shocked, staring at the center of the black hole storm.

At this moment, even Qin Chen himself was stunned.

At this moment, he seemed to realize a mysterious power. He couldn't tell what it was. This power, detached from everything, was above his own power.

"The power of the Holy Realm?" Qin Chen murmured. Although the power he exploded at this moment was infinitely close to the Holy Realm, Qin Chen knew that this was not his own power, but the power of the Ancestral Demon Blood Sutra, which can be passed through the Ancestral Demon Blood Sutra. , But he can understand this force more clearly

the amount.

Qin Chen was even more shocked to discover that his mind seemed to catch something inexplicable, making the power in his body eager to move.

"It's done!"

The \*\*\*\* cat showed joy.

Unexpectedly, Qin Chen could master the Ancestral Demon Blood Sutra sooner than he thought. He is indeed a kid who refined the blood soul crystal soul, ha ha, his \*\*\*\* cat's eyes are really good.

It should be noted that the refining of the Ancestral Demon Blood Sutra is not a simple matter. Didn't you see that the demon had mastered the Ancestral Demon Blood Sutra for so many years, but it was just simple manipulation and could not be completely refined?

Non-demon master level master, was naturally rejected by the Ancestral Demon Blood Sutra. Qin Chen has refined the blood soul crystal soul, and possesses a trace of the original power of the alien demon continent, so that the demon master can refining the Ancestral Demon Blood Sutra at the same time, but there is only hope. Can he really obtain the Ancestral Demon Blood Sutra? Qin Chen's recognition already.

Now, Qin Chen succeeded, and the \*\*\*\* cat was greatly relieved.

"Such power, although not reaching the holy realm, the Lord of the Abyss seems to be extremely weak, should he succeed?"

When everyone was frightened, they all looked at the explosion and looked expectant.

Boom!

Suddenly, there was a deafening noise from the center of the black hole explosion that was gradually calming down.

"You guys, this is looking for death!"

The lord of the abyss uttered an extremely angry roar.

Huh!

The body of the Lord of the Abyss flashed out directly.

Its whole body is constantly flashing, light and dark, it is obviously traumatized, and its breath is weaker than before, and it seems a bit unstable.

It was hurt.

However, it did not fall, the magic light was still distorted, just a projection, not even a clone, but it blocked such a terrifying blow from the Ancestral Demon Blood Jing.

"Boy, you angered me."

The Lord of Abyss Demon roared, the magic light on his body flickered, and he was recovering with difficulty.

It looks terribly ugly.

In its eyes, these people on the field are dregs inferior to ants, and now, it was hurt by the scum, and the anger in his heart can be imagined. It is a master of the dignified Demon Race. It is a top-level existence in the heavens. Although it has been suppressed for countless years, its breath is extremely weak, and now it can only display the weakest projection, but it is not the ants of these lower planes. Up to of.

Therefore, the inner bed is even stronger than the physical trauma.

What surprised it even more was that the projection after being hit hard by that mysterious force recovered extremely slowly.

"That blood book is a holy thing, how could it be controlled by an ant?"

The Lord of the Abyss was so furious that he couldn't understand.

"It's not dead?"

Everyone looked astonished. If the vanity power was replaced by them, it would have disappeared in ashes and there was no dregs left, but it hit the master of the abyss demon sturdily, and it only caused some damage to its breath.

"What a powerful force!"

Lao Yuan was also shocked.

The power released by Qin Chen's refining of the Ancestral Demon Blood Sutra was shocking. If he hit it, he would be seriously injured, and would even fall into a deep sleep.

But the Lord of Abyss Demon blocked it.

In terms of defense, even if it's just a projection, this Abyssal Demon Lord is stronger than it has never recovered its peak strength. Is it true that the powerhouse of the heavens is so strong?

This is just a projection!

The \*\*\*\* cat's face also showed dignity, grandma's, the remaining power projected by the Lord of the Abyss is more than it expected.

"Even so, but the Lord of Abyss Demon is also injured. As long as Chen Qing continues to take action, he will definitely be beheaded."

There is hope in the hearts of Jijing Dandi and others.

"Is this the power of the heavenly powerhouse?"

Qin Chen looked at the Lord of Abyss Demon and was shocked in his heart.

The power he released just now made him feel shocked and felt unable to handle it, but the Lord of the Abyss was resisting it. Sure enough, the heavenly powerhouse is extraordinary.
