

Valkyrie 2451

[Chapter 2451: Soul self-destruct](#)

Hum!

The mysterious rust sword urged Qin Chen to hold the mysterious rust sword again, and a cold force suddenly diffused from the sword body, penetrated into Qin Chen's body, making Qin Chen cold all over, and goose bumps appeared all over his body.

After the mysterious rust sword swallowed Pu Caijun's soul, its aura became much stronger, and the cold dark luster flowing on it made Qin Chen feel a sense of palpitation. Qin Chen was immediately astonished. Whether this mysterious rust sword is a mysterious treasure, he has broken through the holy realm, and his strength is more than ten times stronger than before. Under the breath of this mysterious rust sword, he still feels a little jealous, this mysterious. The origin of Rust Sword

Qin Chen imagined it even more terrifying.

Qin Chen hurriedly urged the substantive soul and the rules of thunder. Suddenly, the coldness on the mysterious rust sword weakened a lot, and Qin Chen urged the mysterious rust sword, and the sword fell crazily.

call out!

The monstrous sword intent filled the sky, and suddenly, an invisible black shadow appeared in the void. This black shadow was very strange, exuding an aura that made Xiu Chengze quite palpating.

What kind of magic weapon is this?

Xiu Chengze suddenly showed nervousness, but thinking that he had released the power of darkness, he immediately became fearless again.

He didn't believe how much damage Qin Chen could cause to himself, not to mention that he couldn't escape even if he wanted to run. In front of Qin Chen, who controlled the two rules of time and space, he had to fight to the death.

Therefore, he urged the spear and jumped up.

boom!

The shadow of the guns collided with the mysterious Rust Sword. Suddenly, a terrifying force shot straight at Xiu Chengze through the spear.

what?

Xiu Chengze's eyes widened.

Click! The ancient talisman on his body shook violently, and a gap was directly opened. A terrifying force rushed into his body. His face suddenly changed, and his body burst open, a terrible coldness. Power in his body

Rampage, he can't fix it.

Jie Jie Jie!

As if there was a cold laughter resounding in his soul, Xiu Chengze felt an unprecedented panic in his heart.

"The mysterious rust sword is really so strong."

With a successful sword, Qin Chen snorted coldly, urging the mysterious Rust Sword to cut down continuously.

Puff puff! The sword light fell, Xiu Chengze madly resisted, but to no avail, the cold force struck, he was unable to resist, under such violent force, he had no chance to repair his physical body, he could only watch his body.

The body does not break apart.

"Xiu Chengze!"

Ling Luling on the side was completely frightened and rushed to help frantically. However, surrounded by **** cats, there was no chance at all. He could only watch Xiu Chengze's breath getting weaker and weaker.

"Do not....."

After Xiu Chengze endured a few swords, he finally couldn't resist it. He roared, his voice stopped abruptly, bang... his whole body exploded, and instantly turned into fly ash.

Whoosh!

A light of soul soared into the sky from the flying ashes, revealing a frightened face, Xiu Chengze's face. A strange ray of light flashed on the mysterious rust sword, swallowing Xiu Chengze's essence and blood, and he was obviously going to swallow the light of the soul. Qin Chen had already prepared, before the mysterious rust sword started to swallow it, he would collect it. Jade disc

, And raised his hand, om, a wave of soul power lingered in the palm of his hand, directly capturing the light of Xiu Chengze's soul.

"You... what do you want to do?" Xiu Chengze's soul said in horror.

doing what?

"Heaven Soul Forbidden Technique!"

Qin Chen sneered, directly urging the forbidden technique, wanting to discover Xiu Chengze's memory.

"Do you want to search for the soul? No, you can't do it. Let me go, and I will tell you what you want to know, otherwise, even if my soul is scattered, I won't let you succeed." Xiu Chengze roared, he The body is destroyed, but the soul is still there, not necessarily

There is no chance of rebirth, so I am begging for mercy and looking for a chance to live.

He believed that as long as he didn't want to, Qin Chen would never be able to successfully search for his soul. He was a master of the heavens, and his soul power was so strong that this kid in the lower

world could not imagine. He urged his soul power to madly resist Qin Chen's invasion, but it was useless. Qin Chen's soul was too strong. Although it was in the realm of the mortal sage, it was terrifyingly strong, not even better than the masters of the earth sages Xiu Chengze saw Weak, and Qin Chen's Heavenly Soul Forbidden Technique is more

It was extremely weird, bang, directly penetrated Xiu Chengze's soul, and began to search for the soul.

Suddenly.

Yaomie Mansion...

Dong Woo Yin!

Holy Lord! Each message was captured by Qin Chen, and in Xiu Chengze's soul, Qin Chen captured a trace of dark power. This trace of memory has just been captured and has not had time to observe, as if it touched some taboo, Xiu Cheng Ze's

The soul collapsed instantly.

"Do not!"

A sorrowful scream sounded, and Xiu Chengze's soul burst apart, and instantly disappeared.

"What the **** is this power of darkness that actually caused Yao Mie Mansion to put a forbidden technique in this Xiu Chengze's mind? Once it is touched, the soul will immediately destroy itself."

Qin Chen looked ugly and turned to look at Ling Luling.

Now there is only one Ling Luling left.

"Not good." Ling Luling's brows jumped wildly, and she was shocked, seeing Qin Chen beheading Xiu Chengze so easily, plus Liu Fengyu's delay in coming, wouldn't she understand what happened? Both Liu Fengyu and Xiu Chengze died in Qin Chen's hands, although she had Su Quan

The power of the ancient talisman of the adults, but only the last trace is left, can it be resisted?

"go!"

In panic, she urged the power of the ancient talisman and fled madly.

In terms of true strength, she was a bit stronger than Xiu Chengze, but it was only a bit tougher. After Xiu Chengze released the power of darkness, she was no longer weaker than him in strength.

But in the end he died in Qin Chen's hands, which had already explained something.

escape!

She urged the power of the ancient talisman, fleeing frantically, to leave here.

"Did you go?"

Qin Chen sneered, urging the rules of time and space, hum, Ling Luling suddenly seemed to be imprisoned in this void, it was impossible to avoid it.

"Huh!"

The mysterious rust sword was cast, and the black streamer instantly fell on Ling Luling's body.

"Om!" The power of the ancient talisman kept flickering, the faint one was almost invisible, and it was going to be shattered at any time, and Ling Luling finally realized the pain of Xiu Chengze at this time. This power was too terrifying, and the cold power could pass through. The power of ancient talisman poured into her body

, Opening his mouth is a spurt of blood.

Kill kill kill!

Qin Chen waved the mysterious rust sword and kept cutting it down. Every sword light contained the ultimate killing intent. He wanted to kill Ling Luling as quickly as possible.

Moreover, the **** cat was also helping out, and Ling Luling had only been beaten.

Bang bang bang!

Blood was constantly splashing out of her body, which was extremely tragic.

Click!

Finally, the light of the ancient talisman on Ling Luling shattered and dissipated completely.

"No, there is only one dead end if you go on like this." Ling Luling gritted his teeth, and a transparent ball suddenly appeared in his hand, smashing it to pieces.

[Chapter 2452: You must die](#)

boom!

A dazzling light shining sharply between the sky and the earth, Qin Chen only felt a strong spatial fluctuation flashing past, and a force that was so strong that he could even change his color was swept away.

"Be careful!"

Qin Chen roared, bang, a terrifying force had already hit him and blasted him out.

Rumble!

Terrible power swept through, and a big explosion occurred between the heaven and the earth. This sphere was definitely not limited to the power of the mortal sacred realm. Qin Chen only felt that his mind was roaring and his ears were buzzing.

puff! He spit out a mouthful of blood, stabilized his figure, his robe was shattered, and his skin was broken with countless cracks. There was blood slowly overflowing, and Qin Chen immediately operated the Indestructible Eucharist. Soon, these injuries healed and recovered. Bright and clean

.

"Less dust!"

Whoosh whoosh!

You Qianxue and the others hurriedly flew over: "Are you all right."

"I'm fine." Qin Chen shook his head. He raised his head, his eyes were extremely gloomy. In the void ahead, Ling Luling had disappeared, and he did not know where he had gone.

"Let her run away."

Qin Chen's face was blue, extremely ugly, and he said in a deep voice, "What was that just now?" "It's the origin crystal." The black light flashed, and the **** cat appeared next to Qin Chen, "The origin crystal is the origin of the holy realm master. , A kind of thing created by merging into the heavenly crystal, once urged, it can release the holy realm master very

One of the combat power, if I guessed correctly, the original source crystal should have been left by an earth saint master. "

"Earth Sage Master?"

Qin Chen's eyes flashed, just one-tenth of the power of an Earth Sage master was so terrifying, if the Earth Sage master himself came, how strong would he be?

Although Xiu Chengze was known to be close to the earthly saint before, but the mortal sage was the mortal saint and could never be compared with the earthly saint master.

Of course, Qin Chen believes that even if an earth sage master comes, he may not have the power to resist. Although the power just now is terrifying, but it has not reached the level of killing him absolutely, as long as he cannot be killed at once, then There is still a fight.

"Essential Crystal, why didn't Ling Luling take it out earlier with this treasure?" Mo Yuanbai wondered.

If they take it out earlier, or take out a few more, they may not be so embarrassed. "Do you think this origin crystal is Chinese cabbage? You can have as much as you want?" The **** cat glanced at Mo Yuanbai silently: "If you want to refine this origin crystal, first of all, you need a heavenly crystal. Heaven also cherishes it very much, but there is not as much as you want. In fact, if you want to retain the power of the source in the heavenly crystal, you need the master of the holy realm to leave a trace of its core source, otherwise the power in it will soon be Disperse, and any core source is

It is extremely rare, and it is not that simple to come back from cultivation. "

"If I guessed correctly, there should be only this original crystal on that little Nizi just now." The **** cat said lightly.

"That's it."

Qin Chen suddenly felt relieved, otherwise, if Ling Luling threw ten or eight original crystals at him, even if he could resist it, he would be seriously injured.

"I can't manage that much. Fortunately for that guy, Chen Sisi is in danger now. Let's save Sisi first. You all go into the jade disc of good fortune." Qin Chen said quickly.

"Master, the guy was injured just now, and he can't run far. Why don't you go save someone and let us find that guy." Mo Yuanbai was murderous, and the realm master did not die that day.

"No, even though that person was seriously injured, in case of any hole cards, you may not be opponents, and the **** cat must follow, hurry up."

Qin Chen stopped talking nonsense, and immediately collected everyone into the Universe Good Fortune Jade Plate, his figure flickered, the void flickered, and Qin Chen rushed towards Chen Sisi's place.

Whoosh whoosh!

He urged the rules of time and space, and the speed was extremely fast. After a stick of incense, he directly rushed out of the area of the ancient battlefield, and then ransacked towards the altar where Chen Sisi was.

"Sisi, hold on, you must have nothing to do."

Qin Chen clenched his fists, his expression was extremely nervous and anxious, and he was sweating profusely, which was even more nervous than the battle between him and a master of the earth.

If thinking of something happened, he would never forgive himself.

And when Qin Chen hurried to Chen Sisi, in a corner of the ancient battlefield, a figure fell from the void, covered in blood and scarred.

This figure was Ling Luling, she fell heavily to the ground, extremely miserable, and there was almost no good place on her body.

"Damn it, **** it, our group of celestial masters have been made into such an appearance by this little man from the lower realm."

Ling Luling's face flashed with anger, resentment and hideousness, but it was still bitter.

"Damn boy, I will never let you go. As long as I break through the Earth Saint Realm, you will die, and this continent will be destroyed."

Ling Luling's spiteful curse, endless murderous intent surged in her heart, she moved her body with difficulty and came to a ruined wall, preparing to heal her wounds.

Click!

Click!

Click! The sound of subtle footsteps suddenly sounded in her ears. She shook her whole body, her muscles tensed, and hurriedly looked at the place where the footsteps were coming from. The next moment, her eyes solidified, and a flash of panic suddenly flashed through the depths of her pupils. , But disappear again in an instant

No, pretending to be extremely calm.

It was a figure, a figure she could not forget.

That **** from the lower realm-Shangguan Xier.

"Are you... actually alive?" Ling Luling said with an ugly expression.

"Chuck, Master Ling Luling, you are still alive, why would your subordinates die first?" Shangguan Xier chuckled lightly.

"Huh, what do you want to do? You don't want to do something with this saint, right? Don't forget, this saint is a strong man in the heavens, you have to weigh the consequences yourself." Ling Luling snorted coldly.

"Hey, Master Ling Luling has arrived now, and he is still so arrogant, the heavenly powerhouse, heh, so majestic." Shangguan Xier dismissed it, "Isn't Master Ling Luling wondering how this saint found here? ?"

Ling Luling was taken aback.

Yes, I finally managed to escape here, why did this guy appear here with such a coincidence? "Master Ling Luling, in fact, this sage has left you a long ago. No matter where you go, it is hard to escape the sage's tracking. Now you are the only one left with these breaths. Liu Fengyu and Xiu Cheng Zedu

died? That guy really has two times, and he can kill so many people, no less than this saint. "

Shangguan Xier licked her tongue and approached a little bit: "Ling Luling-sir, don't worry, I will be very gentle with you, giggle."

When the voice fell, Shangguan Xi'er was full of demonic energy and rushed forward.

"Shangguan Xi'er, you must not die..."

"Ah!" A sorrowful scream echoed in this ancient battlefield, like a ghost wailing, extremely stern and horrified.

[Chapter 2453: Soul Demon](#)

boom!

In the forbidden land, Qin Chen naturally didn't know Ling Luling's fate. In fact, even if he knew it, he didn't have the time to manage Ling Luling. Now he had only one thought in his mind, and that was to save Chen Sisi.

"Sisi, you must hold on."

Qin Chen's gaze was ferocious, his body was burning with blood, and a monstrous blood surged in his body, as fast as lightning.

He shuttled in the void, and with only a half-pillar of incense, he had already arrived in the nest where the Lord of Abyss Demon was.

"right here!"

He rushed in directly, and suddenly a wave of magical power surged, and a terrible magical energy rushed in. This aura contained the extremely powerful source of the magical way, which made Qin Chen's heart quite palpating.

"This is... the origin of Yuanmo!"

In the jade disc of good fortune in the universe, the **** cat felt the magic breath here, and his face was solemn.

"Yuan Mo origin, what is that?" Qin Chen said solemnly.

"It's the origin power of the Abyss Demon Clan, but isn't the Lord of Abyss Demon trapped in the Thunder Sea? How come there is an origin power here?"

There was doubt and solemnity in the voice of the **** cat. At this moment, Qin Chen had already sensed the location of the altar. He raised his head. It was an underground palace-like place, surrounded by pitch-black rocks. Qin Demon and Sovereign Phantom Demon stood in front of the altar with ugly faces. Inside the altar, Chen Sisizheng One

His face was suspended in mid-air in pain.

In front of her, there was a black ball, which kept emitting black halos. These halos poured into Chen Sisi's body like tentacles. Transform her body. And Chen Sisi also had a weird multicolored light surging up, as if it was preventing the invasion of the black ball. It is precisely because of this multicolored light that Chen Sisi persisted until now. Otherwise, the black ball would have already entered completely.

Into Chen Sisi's body.

But the colorful light obviously won't be able to resist it for long. Obviously, it won't be long before Chen Sisi will be penetrated into his body by the black ball, completely losing his mind.

"Qin Chen... are you here?"

Sect Master Illusory Demon felt the fluctuations in the outside world, turned around abruptly, and saw a flash in the void space. Qin Chen had already appeared in front of the altar and was shocked.

Qin Chen appeared too fast, and even with her cultivation in the holy realm, she couldn't react for a while, secretly shocked in her heart, his disciple was really amazing.

"Drive me!"

Qin Chen appeared in the main hall and directly hit the halo outside the altar with a punch. With a bang, the black halo outside the altar flickered instantly, and a terrifying force swept out. This force was even more terrifying than the original crystal that Ling Luling had displayed before. With a bang, Qin Chen was directly shaken away. Come, body

Torn by the power of terror, a trace of blood overflowed.

"what?"

Qin Chen was shocked, why is the defense of this altar so strong?

Under his full strength, the peak of the holy realm may not be able to withstand it, but this altar is unscathed, what is inside this altar.

"Big Black Cat, what exactly is this altar?"

Qin Chen immediately released the **** cat and the others. Suddenly, the hall was full of people. Qin Chen looked at the **** cat anxiously. He must let the **** cat come because the **** cat had a lot of knowledge. wide.

"It's Sisi!"

"Senior Cat King, what's wrong with Sisi?"

You Qianxue and Ji Ruyue both looked nervously at Sisi in the altar, and they all saw that Sisi was clearly in an extremely dangerous situation.

Whoosh!

The **** cat came to the altar and looked at the situation in the altar with an extremely solemn expression. Then he turned his head to look at the Illusory Demon Sect Master and said solemnly: "You tell me what happened before."

"Yes."

Sect Master Illusory Demon glanced at Qin Chen and the others, secretly frightened, but did not dare to neglect. She, who was worried about Chen Sisi, immediately said what had happened before.

After hearing Sisi fighting Shangguan Xier desperately in order to avenge him, Qin Chen's heart suddenly hurt. Sisi, you are too stupid, why did you do this. Qin Chen's heart was full of self-blame and regret. He knew that Sisi was still in the abyssal demon secret realm, so he should send someone there to wait for Sisi to appear, but because of someone from the heavens, he couldn't have time. Arrangement, Qin Chen's heart is full

Blame yourself.

"So, Chen Sisi is here to accept the inheritance of the Lord of Abyss Demon?" Mo Yuanbai wondered: "Is this black ball the so-called inheritance?"

"This is definitely not a heritage."

Qin Chen stepped forward, his eyes cold and affirmative. If this is only the inheritance of the Lord of the Abyss, then Sisi has broken through to the holy realm. According to the Lord of the Abyss, Sisi is already able to complete the task of the Lord of the Abyss, but now, Sisi has been affected by this black The ball is tightly controlled, this

It's not like the so-called inheritance at all.

"Yes, this is indeed not an inheritance." The **** cat had a solemn face and said solemnly: "If the emperor has guessed it correctly, this should be the soul of the Lord of Abyss."

"Soul?"

Everyone was surprised. "That's right." The **** cat nodded: "This black ball should be the soul of the Lord of the Abyss. The Lord of the Abyss had Chen Sisi here for the purpose of allowing him to break through the holy realm. My own soul occupies Chen Sisi's body,

Thus resurrected. "

"How is this possible?" Everyone was shocked, so that this black ball was actually part of the soul of the Lord of Abyss. But if it is the soul of the Lord of the Abyss, it should be easy to seize Chen Sisi, a person in the sacred realm, not to mention that Chen Sisi is still breaking through the Holy Realm through the Lord of the Abyss, but why has it been Did not succeed

. "It's not impossible. It should be the colorful light in Chen Sisi's body that prevented the master of the abyss from seizing the soul. This colorful light is very special, and the emperor can't tell the origin, but it is clear that this colorful light Light, just subconscious

Chen Sisi was unable to mobilize the power of consciousness at all, so I am afraid that Chen Sisi will be taken away soon. "The **** cat's face is extremely solemn.

"I knew it."

Qin Chen gritted his teeth: "Big black cat, what can you do about it?" "Not yet. If you want to save Chen Sisi, you must first break the black guardian light outside the altar, and this guardian light should be unique to the Yuanmo clan. The light of the deep soul, even the emperor can't penetrate the past, it can only be broken by force

Take. "The **** cat shook his head.

It can shuttle through all realms, and even the jade discs of good fortune can't hold it, but it is not invincible, at least the light of the deep soul, it is still powerless. This is natural, the Yuanmo clan is a race that is also extremely terrifying in the heavens, and the light of the Yuanshun is a special power of the Yuanmo clan, and it is absolutely something that people can break.

[Chapter 2454: this is Love](#)

"I don't believe it anymore. There is a glimmer of light. Even if it is left by the people of the Abyssal Demon tribe, can't we break through so many?"

Qin Chen drew out the dark green demon sword, merged into the substantive soul power, and slashed it with one sword.

boom!

The sword energy pierced the sky, but the black light suddenly burst out with a terrifying force, which once again shook Qin Chen away.

But Qin Chen continued to take out the mysterious rust sword and slashed it frantically.

Hum! The mysterious rust sword burst into black light, and suddenly fell on the light of the deep soul. The black halo flashed slightly, but it was still unharmed, and the power bounced back this time was even more terrifying, and Qin Chen flew directly backwards. Go out and spout fresh

Blood, fell heavily to the ground.

The mysterious rust sword is strong, but in front of this deep soul's light, it is still a bit worse. At least, Qin Chen can't exert the full power of the mysterious rust sword.

"boom!"

Mo Yuanbai also used the sky fire to burn the light of the abyss, but it was useless. The sky fire that could melt gold and iron had no effect at all in front of the light shield of the abyss.

Lao Yuan also shot, the huge claws slammed up, and with a click, Lao Yuan's claws shook, and they were almost broken and rumbled, and his body was full of holes. "It's useless, we've tried it before. This altar can't be opened at all." The Illusory Demon Sect Master said anxiously. She and Qin Mo have already made many shots, and even Qin Mo even tried the power of Chaos Demon Nest. , Still can't break this altar.

"Less dust, let me come!"

Ji Ruyue walked up, hum, a purple halo suddenly burst out of her eyebrows, a purple spar appeared, and the vast purple light instantly wrapped her, and a terrible force revived on her.

At this time, the power of Amethyst was also the treasure left to Ji Ruyue by the ancestors of the Ji family.

You Qianxue and the others were suddenly full of expectations. They all knew the origin of this amethyst. It was the treasure left by the ancestors of the Ji family, a master of the heavens. This treasure might be able to break the light of the deep soul.

boom!

The purple halo circulated, and a terrifying force shot out, crashing on the altar.

Suddenly, the altar shook, as if it had suffered a huge blow, and it shook violently.

"effective."

Everyone was overjoyed.

And under this violent shaking, in the altar, Chen Sisi's eyes closed in pain, also trembling slightly at this time, as if trying to open them.

"Sisi!"

Qin Chen roared.

puff!

Suddenly, Ji Ruyue vomited a mouthful of blood, wow, blood spurted wildly, she flew out heavily, her breath languished, and she was obviously hit hard.

"Ji Yue."

Qin Chen hugged Ruyue in a hurry. At this moment Ruyue was covered with blood, looked at Qin Chen weakly, and said bitterly, "I'm sorry, I'm sorry."

She failed. She had already urged the power of Amethyst to its extreme, but it was still useless. She was even injured by the rebounding force. If it weren't for the protective effect of Amethyst, she had even been directly injured by this force.

Why is the light of the deep soul so strong?

"Kuritsuki, don't blame me, don't worry, I will save Sisi."

Qin Chen gritted his teeth and infiltrated a trace of soul power into the mysterious rust sword. Suddenly, a cold breath spread throughout his body. Qin Chen's pupils suddenly turned dark, and his whole body exuded a cold breath.

Qin Chen trembled violently, as if undergoing an extremely huge test, the mysterious rust sword in his hand burst out with a dazzling black light.

"cut!"

Qin Chen rushed up frantically.

Boom boom boom!

He kept swinging his sword, every sword used his full strength, the mysterious rust sword slashed on the black light, and the light of the deep soul fluctuated again, but it was not broken.

One sword.

Two swords.

Three swords.

Ten swords...

Qin Chen shot frantically. The counter-shock force transmitted by each sword spit out blood from him. He was covered with blood, but he still rushed forward frantically, and the cold force continuously transmitted from the mysterious rust sword kept on. Corrupted his body.

But Qin Chen didn't care. There was only one thought in his mind, and that was to save Sisi.

Even if you die.

He remembered his first meeting with Sisi.

That was in Demon Sword City.

Everyone rushed to the Demon Sword Tower together. At that time, Chen Sisi, a saint of the Celestial Gate, was a person who attracted much attention.

But Qin Chen at that time didn't have any feelings for Chen Sisi, but had a past with Ji Ruyue.

After the demon sword was passed down, Chen Sisi took the initiative to find Qin Chen.

"Your name is Qin Chen? I remember you."

She said this to Qin Chen, smiled sweetly, and then left, leaving only a faint fragrance, with endless aftertaste.

Later, everyone met again in Guyujie.

Both he and Sisi looked at each other in disbelief, not believing that the other person would appear here.

At that time, he and Sisi were still just ordinary friends.

Later, after the encounter of the Rainbow Way, Sisi rejected the emperor Fenglei's companions, but actively invited Qin Chen, but Qin Chen bluntly refused, even thinking that the other party was using her charm to charm herself.

But with the deepening of the two sides, the other side did not know when, had left a shadow in Qin Chen's heart, and after learning that Sisi had encountered the danger of Emperor Fenglei, Qin Chen rushed forward without hesitation.

After saving Sisi, the four experienced life and death together.

Until he was trapped in Guyu Realm.

The scenes of these scenes surged in Qin Chen's mind, and Qin Chen burst into tears.

For myself, Sisi has given too much, and even willing to give up his life, but what about himself?

Qin Chen rushed to the altar frantically, time and time again, he was covered with blood and endless chills surged through his body, but he didn't mean to stop, he must rescue Sisi.

Unless he died.

"Less dust."

You Qianxue and Ji Ruyue looked at Qin Chen with choking, and their hearts were like a knife. They didn't want to see Qin Chen's painful move. They even wanted to stop Qin Chen, but they didn't do so.

Because they know that they must not be so selfish.

For Qin Chen, Sisi was willing to enter the demon and die willingly. They couldn't just watch Sisi being taken away in front of them and becoming the incarnation of the Lord of Abyss Demon.

Boom boom boom!

You Qianxue and Ji Ruyue also moved, rushing towards the light of the deep demon frantically.

Mo Yuanbai and Lao Yuan moved too, Qin Mo naturally moved long ago, booming, rushing towards the altar frantically, fearing death.

Puff puff!

Everyone kept vomiting blood, but no one backed away. This scene was too tragic, like moths leaping on the flames, knowing that they were dead, they didn't hesitate and didn't back up.

The Phantom Demon Sect Master looked dull.

She was deeply shocked in her heart.

Is this love? She looked at Qin Chen. At this moment, her heart was shaken like never before. At this moment, she finally understood why Sisi would desperately avenge Qin Chen after knowing the news of Qin Chen's fall.

[Chapter 2455: I'm here to save you](#)

They are all willing to die for each other.

She couldn't understand this kind of feeling.

Do not.

She used to be unable to understand, but now, she can understand, because she is willing to die for "him".

boom!

The Phantom Demon Sect Master also rushed forward, making a crazy shot. The strong counter-shock force made everyone vomit blood, but everyone rushed forward.

In the altar, Chen Sisi was finally awakened by the movement, and opened his eyes in pain.

Her gaze was opposite Qin Chen, her eyes suddenly rounded.

"Dust...less dust..."

An unprecedented light burst into her eyes, and two lines of tears rolled down.

Is she dreaming?

Why did I see less dust. She opened her eyes strenuously, but the pain in her whole body made her unable to open them. A strong sense of crisis lingered, and terrible power crazily wanted to seep into her body. At this moment, Chen Sisi did not know where the power came from. Open hard

Closed his eyes.

boom!

Colorful lights burst out from her body.

She finally opened her eyes vigorously.

It is less dust.

There is really little dust.

There are thousands of snow.

There is still like the moon.

They are not dead, are they here to save themselves?

Or is he in heaven now?

Do not!

The intense pain and the surrounding environment made Sisi understand that he was still in the forbidden land, and Chen Shao hadn't died, he hadn't died.

"Sisi, I'm here to save you, I'm here to save you."

Qin Chen shouted, blood and tears remained, and the power in his body surged wildly.

"Little dust..."

Sisi saw Qin Chen who was covered in blood, and his heart was full of pain, stop, stop if there is less dust.

She wanted to shout, but she couldn't make a sound.

She would rather Qin Chen be well than Qin Chen hurting herself, even if she died, she would not let Qin Chen hurt a single hair.

no way!

boom!

Chen Sisi's pupils suddenly turned into multicolored colors. The terrifying multicolored light burst out in an instant, and in that multicolored light, a figure of a godlike woman appeared vaguely, like a supreme god.

Click!

The light barrier of the deep soul around the altar suddenly made a fine cracking sound.

Hum!

At the same time, Qin Chen's mysterious little sword that was integrated into his heart seemed to have been stimulated. A terrible breath surged from Qin Chen's body and suddenly poured into the mysterious rust in his hand. In the sword.

Suddenly, the endless cold power was swept away, Qin Chen only felt full of power, and the sword fell crazily.

boom!

The light of the deep soul made a violent roar, and finally was torn open a hole, and that one hole, rapidly expanding, with a bang, the black light on the entire altar burst, and a terrible atmosphere of the deep monster swept out.

"Leave Sisi for me!"

Qin Chen roared, his eyes red, and he rushed towards the black ball.

But the black sphere was forced out by Chen Sisi's colorful light at this moment, exuding an endless cold breath, and an angry consciousness swept out from it.

"Damn, you all deserve to die, dare to destroy the good deeds of the Lord of the Abyss, if so, I will devour you first."

boom!

The black ball instantly retreated from Chen Sisi's body, turned into a black light, and rushed towards everyone.

"Rewind everyone."

Qin Chen roared, a terrible aura erupted from his body, and he shook Mo Yuanbai and the others out, slamming his sword on the black ball.

boom!

The black sphere shook sharply, and a gap appeared on it, and the sphere suddenly split, and a surging black soul light escaped.

"Ah, damn, what kind of weapon is this that can hurt the Lord of the Abyss, well, the Lord of the Abyss will swallow you first."

Whoosh!

The black light was like electricity, instantly submerged into Qin Chen's body.

"Less dust!"

You Qianxue and the others were shocked and rushed crazy.

boom! In Qin Chen's mind, the soul sea suddenly shook. Qin Chen's soul power had reached the realm of materialization. It can be said that compared to the masters of the earth, they are only strong, but in front of this black soul light. , But like a sea in a storm

In the face, the wind was raging and could not be resisted.

A gloomy light radiated from Qin Chen's body, and he was being taken away by the black soul light.

"Hahaha, such a strong body, the Lord of the Abyss likes it, Jie Jie Jie."

This consciousness was so excited that it instantly sank into Qin Chen's soul sea.

Hum!

At this time, Youkong Bingyan and Qinglian Demon Fire appeared instantly, trying to resist this soul light's seizure, but it was useless, this soul light was too strong, and easily tore the defenses of the two great sky fires.

boom!

Immediately afterwards, the source of time appeared, and the terrifying breath of time dissipated. It finally found a host, how could the soul of the Lord of the Abyss occupy Qin Chen's body.

"Huh? The origin of time, how can this kid get the origin of time? Who is he?"

This soul light was shocked at first, then overjoyed.

"Jie Jie Jie, I didn't expect the main body to bring me such a good body. Taking away this body is equivalent to controlling the origin of time. Maybe you don't need to go to the heavens to move rescuers to rescue the main body. ."

This consciousness fluctuated violently, as if it were an independent individual, and had no direct connection with the Lord of the Abyss in the Thunder Sea.

Hum!

Black light bloomed, and this soul light was actually fighting against the origin of time, competing for Qin Chen's soul. The power of the time origin was originally not weaker than this soul light, but the time origin has been suppressed for countless tens of thousands of years. Now it is extremely weak and has not been repaired. It was immediately taken advantage of by this soul light. A black light flashed, unexpectedly short. Block

After the time origin, he entangled it, and then the soul light sank directly into Qin Chen's soul sea, trying to control the time origin by controlling Qin Chen.

at this time.

Hum!

In Qin Chen's mind, the ancient book appeared. Boom, as soon as the ancient book appeared, a dazzling light suddenly burst out, and that light shone above the soul light, and the soul light of the Lord of the Abyss suddenly screamed and twisted in pain.

"What treasure is this?"

It was furious, roared, and tried to rush into the depths of Qin Chen's soul sea to escape, but at this time, endless thunder light appeared in Qin Chen's body, and an aura that shook the world and shook the world exploded. Out.

"This is... the power of adjudication, how can you have the power of celestial adjudication... you are a descendant of his'..."

The soul light of the Lord of Abyss Demon roared in horror. Under the thunder light, it exploded with a blast. In the endless thunder light, a black weak halo suddenly rushed out of Qin Chen's mind, swish, and plunged directly into the void. ,Disappear.

The black light on Qin Chen's body dissipated, and the whole person opened his eyes weakly and fell down staggeringly.

"Less dust!"

A group of people hurriedly rushed forward, among them a figure, tearful eyes, hugged Qin Chen all of a sudden.

"Less dust!"

She burst into tears, her eyes full of anxiety.

"Sisi!"

Qin Chen stretched out his hands and hugged the other party's smooth face, gently hugging him: "Sisi, don't be afraid, I'm here, I'm here to save you." Qin Chen said softly, his teary eyes dim!

[Chapter 2456: Stop now](#)

"Little dust, you are not dead, you really are not dead..."

Sisi's emotions fluctuated violently, and she wept without hesitation, tears staining her cheeks.

She hugged Qin Chen hard, buried her head in Qin Chen's arms, breathing Qin Chen's breath greedily.

Warm heat, lingering figure and breath... She whispered and cried. This gentle woman who is not afraid of facing the Lord of the Abyss, facing Shangguan Xier dared to make a bold move, is so in front of Qin Chen The delicate and fragile.

As if all the toughness and all the domineering had disappeared, in front of Qin Chen, she only showed her most gentle side. "Yes, Sisi, I'm not dead, I'm sorry, I just found you now, I'm sorry." Qin Chen said softly, touching Sisi's protein-like cheeks with his hands, his eyes full of tenderness, he hugged Sisi, The hug is very gentle, but the arm is uncomfortable

The Lord's tightening: "I'm sorry, these years have made you worry day and night, you have suffered..."

Qin Chen felt a pain in his heart. It was really painful. Knowing that Sisi had endured so much pain, he hated himself, why didn't he go to Sisi the first time, but it was fine for Sisi, otherwise he would never forgive himself.

Sisi shook her head, choked and said: "As long as there is little dust, you are safe...Anything..." Her shoulders trembled violently, and the cry of trying to suppress it lasted for a long time before it finally eased... Then she suddenly remembered that there were others there. Next, he quickly got up from Qin Chen's chest, but his hands were still firmly holding his arms, as if for fear that he would leave suddenly again

.

Hum!

A terrible breath rose in Chen Sisi's body. This was a kind of heavenly breath. At this moment, Chen Sisi was like a **** of heaven, giving people a superior breath.

"The ruthlessness of the sentient..."

Sovereign Illusory Demon looked at Sisi in shock. The aura on Sisi was exactly the aura of Ruthless Dao, but the ruthless Dao at this moment was far more terrifying than the ruthless Dao she knew. That kind of aura made the Illusory Demon Sovereign Extremely shocked.

Sisi turned the ruthless way into the compassionate way. Can this way be transformed?

This method of changing the avenue shocked the phantom master.

"Qianxue, Ruyue, are you okay? It's really great." Sisi wiped away the teardrops and smiled. Before in the altar, she saw the scene of Qianxue and Ruyue making crazy shots, and her heart was full of emotion.

Qianxue and Ruyue also whimpered with tears, "Sisi, it's really nice that you are fine, you don't know how much Chen Shao is worried about you, now it's fine, the three of us are finally together again."

"Yes, our three sisters are finally together again." Sisi said with emotion. She remembered the scene where the three of them experienced together in the ancient Yu world, and remembered the scene in the Demon Sword Inheritance. I remembered the scene where Qin Chen saw the three of them in the ancient Yujie space pool.

His face flushed with shame.

Today, they gathered again.

Everything is like a dream.

"Sister Qianxue and Sister Ruyue, your Hao Sisi will always be remembered. From now on, the three of us will never be separated." Sisi whispered.

"..." You Qianxue's eyes waved, her lips moved lightly, as if she wanted to say something, but she also didn't say anything.

Thousands of words, all in no words.

Looking at Qin Chen, the three of them couldn't help but plunged into Qin Chen's arms one after another. Their robes were stained red with blood, and the three beautiful faces that were enough to make the heavenly banished immortals all had tears rushing freely.

"Little dust, this is not a dream, is it really you?"

Sisi hugged Qin Chen tightly, unwilling to let go, she still couldn't believe everything in front of her, she couldn't believe that Qin Chen really appeared by her side.

"Little dust... Little dust... Little dust..." She shouted over and over again. Compared to the demureness of Qianxue and Ruyue, her feelings were like bursting a bank, and she couldn't stop crying.

Qianxue and Ruyue also hugged Qin Chen from left to right, and refused to let go for a long time. Qin Chen's chest was up and down, and warm breath was flowing everywhere in his body.

"It's me, it's really me."

Qin Chen murmured, his heart aching more and more.

The three women were so perfect, beautiful faces, like a fairy in the sky, and they all loved him so deeply, Qin Chen didn't dare to think about it. It would take several lifetimes to pay off the love debt he owed.

"Sisi, don't cry, I am here, and I will never let you leave me again." He said softly.

He secretly vowed that he would no longer make his woman worry about crying.

"Let her cry." Qianxue raised her head and choked up: "Sisi has suffered so much for you. Now, she can finally rest assured, she is happy."

"Okay, okay, this is too envious of people, don't look at there are so many people around."

An untimely voice rang from the side, and the **** cat poked his mouth, teasing.

A group of people worked so hard and finally broke through the light of the deep soul, and then Qin Chen hugged and hugged each other, and the dog food was too much.

Sisi's face flushed, but the three of them were unwilling to let Qin Chen go.

"Why don't I give you a place, or let you go to the Universe Jade Plate to do business first?" The **** cat said with a smile.

"What business..." Qin Chen was speechless.

"It's that..." Big black cat slapped haha: "Don't you tell me that a big man doesn't know anything about business? Maybe these three girls know better than you."

Sisi and their faces blushed.

Qin Chen was speechless and cursed: "Go, go, go away, why, you are envious, do you want me to find you a female cat?"

"Cut, Lord Cat, I will be short of objects? I think when your Lord Cat crossed all major planes back then..."

"Okay, okay, stop, stop quickly."

Qin Chen hurriedly called to stop, once this **** cat brags, no one can stop it. The **** cat smiled and said: "Okay, no kidding, but the soul of the master of the abyss is not dead, and the realm master doesn't know what happened that day, plus the Misty Palace Master should also Are you right here? Should everyone do business?"

Up? "

Its look seemed a little serious.

Qin Chen and the others immediately woke up. Indeed, Sisi was rescued, but it didn't mean that everything was relieved. First of all, the soul-separation of the Lord of the Abyss must die. Secondly, the master of the heavens must die, and Shangguan Xier, who has done so many bad things, will naturally not let her live. The most important thing is Qin Chen. The emotions that I know from Xiu Chengze

Newspaper.

Trouble, great! "Now everyone should take a break. Heal the wounds and heal the wounds. After recovering some, then deal with the souls of the Lord of the Abyss. They must not be allowed to continue to cause disasters. After they are resolved, the heavens will come, I am afraid That's us

The biggest disaster in Tianwu Continent. "Qin Chen's face is extremely solemn.

[Chapter 2457: Master of Heaven](#)

"From the heavens, what comes from the heavens?"

Mo Yuanbai and the others were all taken aback. After all, only Qin Chen was searching for the soul. Only Qin Chen knew about Yao Mie Mansion, and Chen Sisi didn't even know anything about the heavenly people.

Qin Chen did not hesitate, and immediately said the memory he had obtained.

"No, no..." The faces of Mo Yuanbai and others were frightened.

"Are you sure, it was a troop sent by the palace lord?" The **** cat also had a solemn face.

"That's right, it's a guy named Dong Yuyin, who is responsible for attacking the lower realm in Yaomie Mansion, and Ling Luling and their immediate superiors, the real powerhouse in Yaomie Mansion." Qin Chen's face turned pale, his eyes were on. With coldness.

He knew only this, because Xiu Chengze blew himself up too quickly, he didn't get a lot of information, and many details were vague.

"Yao Mie Mansion?" the **** cat whispered.

"Big black cat, do you know what?" Qin Chen hurriedly looked over. "The first level of the palace is in the heavens. It is extremely terrifying. The palace masters of a palace are often masters of the Holy Master level, and the commander-in-chief sent by him to attack the lower realm is absolutely terrifying. It should be...Heaven Saint level." Big black cat Ken

Fixed way.

"Tiansheng?"

Everyone couldn't help but breathe in air-conditioning, this is not a level at all. "In Na Xiu Chengze's memory, in addition to that Dong Yuyin, there is also a top expert team led by Dong Yuyin. There are seven leader-level and more than thirty guards." Qin Chen said solemnly: "And In the memory of Xiu Chengze, these people, which

I am afraid that the strongest Ling Luling is at the guard level, and the status of the seven leader-level masters is above them. "

Everyone was shocked again, and their faces were extremely ugly.

This news really shocked them.

Ling Luling, such as the pinnacle masters of the mortal sacred realm, would be able to sweep the Tianwu Continent if one came, and now, there were still thirty Ling Lulings and their level masters on the road.

There are more than 30 masters in the mortal sacred realm, and the seven leaders are most likely to be from the holy realm. As for the top Dong Yuyin, it may even be a master in the sacred realm.

Everyone almost suffocated just thinking about it.

This is almost impossible to resist.

If they come to an Earth Sacred Realm, they may resist desperately, but when so many masters come all at once, how can Tianwu Continent resist?

No matter how strong Qin Chen is, it is impossible to deal with so many masters.

"Kid Qin Chen, how long will these guys come?" the **** cat said solemnly.

Qin Chen's face was green, and said: "This is the memory of Xiu Chengze, probably, in three years..."

Three years! "This is too short." Everyone felt heavy, and Mo Yuanbai said in a low voice: "With so many masters, if they are only at the level of the Earth Saint, perhaps with the strength of the Master, they can resist it, but the master of the Heavenly Saint Realm, unless the Master Break through to the realm of the holy earth, even

Only after reaching the pinnacle of the Earth Sage realm can there be a chance to fight, but... in just three years, how could Master break through to the pinnacle of the Earth Sage? "

Qin Chen's heart sank.

Earth Saint Peak? His cultivation base breakthrough speed is indeed fast, but, no matter how fast, he cannot break so high all at once. You must know that it took him three years to break through from the Martial Emperor realm to the Ordinary Saint Realm, and now from the Ordinary Saint Realm I want to break through to the Holy Land

, The difficulty is higher. "Three years is indeed very short." The **** cat looked at Qin Chen: "Your cultivation speed is indeed fast, but in three years, it is impossible to reach the peak of the Earth Sage, or even break through to the Earth Sage. Suddenly, at the holy level, the cultivation base is sudden

It's calculated based on a hundred years. It's just three years. It's too short, not to mention..." The **** cat shook his head: "Although Tianwu Continent is a source continent, it is only a low-level plane after all. Plane, generally the limit is reached by practicing to the peak of Van Sage, at least I have never heard of it, who can break through to the lower plane

In the realm of Earth Saint, this is affected by the strength of the plane, and no one can break it. "

"unless....."

"Unless what?"

Everyone looked over.

But the **** cat didn't say any more, "Don't think about it so much, let's solve the remaining people from the heavens, and the soul of the Lord of the Abyss."

"Well, don't think about it for now." Qin Chen nodded. He also knew that the matter was of urgency, so he quickly sat cross-legged and repaired his injuries.

Hum!

He was running the indestructible Eucharist, and the injuries on his body healed at a very fast speed. The original broken body was healing at a speed visible to the naked eye.

After a while, Qin Chen's injury was already healed.

This.....

Everyone looked at Qin Chen in shock, feeling extremely abnormal.

"Big Black Cat, let's set off now, you are all advancing to the universe and making jade discs." Qin Chen said decisively. When everyone recovers from their injuries, they don't know when, maybe Ling Luling and others have sneaked away.

"As for you..." Qin Chen looked at the Illusory Demon Sect Master and hesitated: "Also enter the universe and make the jade disc. When there is a binding force, you just don't resist."

Qin Chen echoed Feng Shaoyu's words, but at this time, Qin Chen didn't have time to carefully investigate the identity of the Illusory Demon Sect Master.

Hum!

The invisible power came, and Chen Sisi and others were instantly included in the jade disc.

Qin Chen flew up and left this place of inheritance.

call!

He shook his figure and instantly came to the forbidden land.

"Kid Qin Chen, you have absorbed the origin of time, and you are also a child of the plane, plus the origin of heaven and earth happens to be in this forbidden land. You only need to communicate the origin of heaven and earth to capture their breath."

This is also the magical effect of the origin of heaven and earth, as Qin Chen, the son of plane, in this heaven and earth, it is tantamount to the son of luck.

According to the instructions of the **** cat, Qin Chen immediately communicated with the origin of the heaven and earth, and suddenly, a thought suddenly swept away, as if covering the entire forbidden place.

A frightening aura appeared in Qin Chen's mind.

This is the aura of many Primordial Wild Beasts in the Forbidden Land, and the number of them makes Qin Chen secretly speechless.

However, Qin Chen could only vaguely sense the existence of the opponent, but could not clearly sense the strength and position of each Primordial Desolate Beast.

But this feeling is simply too strange, giving Qin Chen a feeling of heaven and earth in his hands.

"Kid Qin Chen, don't be stunned, look for it quickly."

Accompanied by the **** cat's low drink, Qin Chen immediately perceived it carefully, and suddenly, a breath of human beings and demons suddenly poured into Qin Chen's mind.

It's Shangguan Xier.

Moreover, at Shangguan Xier's location, a familiar celestial power was slowly dissipating.

It is the breath of Ling Luling.

"Ling Luling was actually killed by Shangguan Xier?"

Qin Chen was shocked immediately.

Hum!

At the same time, a terrifying demon soul aura was swiftly sweeping towards Shangguan Xier's position.

It is the soul of the Lord of Abyss Demon.

The soul of the Lord of the Abyss was looting towards Shangguan Xier.

"Not good! The soul of the Lord of the Abyss wants to seize Shangguan Xi'er."

Qin Chen was shocked, and immediately rushed towards Shangguan Xier's position. The soul of the Lord of the Abyss must not be able to seize Shangguan Xi'er. The current Lord of the Abyss cannot leave the forbidden land. But once he seizes Shangguan Xi'er and puts it on Shangguan Xi'er, he can Leaving the forbidden land, when the time comes, the world is so big, the difficulty of finding the other party is definitely increased by ten times.

[Chapter 2458: Fighting Shangguan Xier](#)

call!

Qin Chen rushed towards Shangguan Xier's place at an astonishing speed. He urged the rules of space and time to the extreme. The speed was as fast as a shuttle in the void. One step would be countless miles.

However, the Master of Abyss Demon's soul separation speed is also very fast, swish, the black streamer seems to have crossed the distance of space, not much slower than Qin Chen.

Qin Chen's color changed, the soul of the Lord of Abyss Demon was too strong.

Moreover, the opponent is still in a state of serious injury, and it is just a soul split. If the main body of the abyss rushes out, what will it be like?

Qin Chen had a feeling that this was definitely a combat power surpassing the Heavenly Sage level.

"Damn, damn, faster, faster..."

Qin Chen flew madly, his holy essence in his body seemed to burn.

Somewhere deep in the ancient battlefield.

Shangguan Xi'er sat there cross-legged, a terrifying holy source aura surged through her body, and this holy source aura circulated in her body, causing her cultivation level to slowly improve.

boom!

suddenly. In Shangguan Xi'er's body, it seemed that something had broken, and her cultivation level skyrocketed. Originally, she had already broken through to the Holy Realm. Now her aura has become more powerful, and she has stepped into the middle of the Holy Realm, and even the Holy Realm. Mid-level peak

World.

This speed is simply amazing.

Moreover, a series of terrifying soul auras flowed through Shangguan Xi'er's body, strengthening her soul aura.

boom!

With a terrible breath flowing, Shangguan Xi'er stood up, her robe surging, her hair all over the sky, and she was dancing wildly.

"Breakthrough. I didn't expect this palace to break through again. It seems that the bloodthirsty method of this alien demon is really extraordinary. After the improvement of this palace, it has such a miraculous effect." Shangguan Xi'er showed a hideous smile on his face. .

"As long as this palace kills that kid Qin Chen again, this palace can rule the entire Tianwu Continent and enter a higher level plane."

Two halos of blood and black surged on Shangguan Xier's body. The aura of human beings and demons continued to flow, and there was also a mighty aura surging. This was the pure holy source aura of the heavens, and it became the body of Shangguan Xi'er. A force.

"What we need to do now is how to find Qin Chen."

Shangguan Xi'er had a cold gaze, just about to fly by, when suddenly in the distance, a terrifying aura quickly appeared and rushed towards her.

This was a figure exuding a terrifying aura, it was Qin Chen.

"Finally arrived before the Lord of the Abyssal Demon splits the soul." Qin Chen stared at Shangguan Xi'er in the distance, and felt the cultivation level of Shangguan Xi'er at a glance, secretly frightened in his heart, this Shangguan Xi'er really did. Awesome, silently, he has already broken through to the peak of the middle stage of the mortal realm.

, I am afraid that this person is already the strongest among the native warriors in Tianwu Continent.

Thinking of the scenes in the previous life, Qin Chen had murderous intentions in his heart. Such a woman could do anything for her strength, even willing to become the Lord of Abyss Demon and the servant of Heaven. Qin Chen didn't dare to agree with this kind of person.

"dead!"

Qin Chen sacrificed the mysterious rust sword quickly, without leaving any hands at all, and struck Shangguan Xi'er with a sword like lightning.

boom!

The terrifying sword qi exploded, and he wanted to kill Shangguan Xi'er as quickly as possible.

"Qin Chen?"

Shangguan Xi'er also saw Qin Chen's face at this moment, and then saw that Qin Chen didn't say a word, and directly acted on her. Shangguan Xi'er's eyes suddenly fell cold, and endless sword light lingered. Shangguan Xi'er only felt the whole body cold, as if she was like a man on her back, and a strong crisis emerged in her heart. The sword light that pierced the sky, like a deep pool To swallow her completely

Bite in. Shangguan Xi'er was suddenly shocked, how could Qin Chen's cultivation level be so terrible? This is impossible. Before in Guyu Realm, Qin Chen's strength was between her and her. Now she has broken through the Holy Realm and swallowed the two heavens.

The master has stepped into the realm of the mid-term peak of the mortal realm. What makes Shangguan Xier more confident is that she broke through with both human and demons. The more difficult it is to break through the Holy Realm, the greater the harvest after the breakthrough. In terms of strength, Shangguan Xier is confident that she is enough to compete with the master of the heavens. Regardless of top and bottom, but now Qin

Chen's attack hadn't arrived yet, and she had given her such a strong sense of crisis, so she was not surprised.

She felt violent in her heart, ignoring her words, buzzing, the diamond bracelet in her hand had already been sacrificed, Boom, the snow-white diamond bracelet light soared, and quickly flew out, the dazzling brilliance bloomed, and slammed towards Qin Chen.

Boom!

With this smash, the heavens and the earth seemed to break apart. This diamond bracelet bloomed endlessly, covering the sky and obscuring the sun. In this ancient battlefield, a strong glow broke out, and the blazing aura shocked the nine heavens and ten earth. Qin Chen snorted coldly. The Nine Star Divine Emperor Art in his body worked to the extreme. He had known that Shangguan Xier had such a holy treasure, but Qin Chen did not take it too seriously, but did not expect that after breaking through the holy realm, this King Kong The power of the bracelet

It was so terrible that it was no less powerful than the blood spear he got from Pu Caijun.

No, not only not inferior, but even worse than others, where did Shangguan Xi'er get such a treasure?

I was shocked, but the movements in Qin Chen's hands kept moving. The black light surged on the mysterious rust sword, and the monstrous sword light crashed down on the diamond bracelet that Shangguan Xier blasted.

Suddenly, an endless explosion was born, with a terrifying explosion.

boom!

The diamond bracelet's light shuddered and buzzed, and the rays of light bloomed on it, and even ancient characters appeared, each of which was as large as a mountain and extremely heavy.

But no matter how powerful the diamond bracelet is, in front of the mysterious rust sword, after all, I checked some, and the bright white light continued to dim and was constantly eroded by the power of the mysterious rust sword.

Shangguan Xi'er's face changed drastically. She could feel the power of the diamond bracelet, and at the same time could sense the terrible impact Qin Chen released. Her attack was going to be defeated by Qin Chen. How could this be possible? With a bang, finally, the diamond bracelet was directly blasted away, banging, the huge bracelet was blown out, and fell to the ground, with a bang, a pit was smashed in this ancient battlefield, and The long sword in Qin Chen's hand is no longer hesitant

Yu fell off.

Shangguan Xi'er was frightened and furious, banging, her body surging with demon energy, instantly turning into a demon, releasing endless demon energy, which was like a curtain of sky, trying to block Qin Chen's mysterious rust sword.

But it was useless. Qin Chen's mysterious rust sword could kill even Ling Luling and other celestial masters. How could it be blocked by Shangguan Xier? No matter how strong Shangguan Xier was, it was only equivalent to Ling Luling's heyday.

puff!

With just one blow, Shangguan Xier's chest was cut with a huge wound, and the whole person flew out in embarrassment, blood spurted from his mouth, and fell to the ground fiercely. With a sword, Shangguan Xi'er was seriously injured and almost fell.

[Chapter 2459: Identity revealed](#)

"Huh? This Shangguan Xi'er didn't die?" Qin Chen frowned, Shangguan Xi'er's defense was really strong. Just now, when the sword was resisted by the diamond bracelet by 70% of its strength, it fell on Shangguan Xi'er. , Only 30% is left, but even 30% is not trivial, I didn't expect

Shangguan Xier actually blocked it, and Shangguan Xier's demonized defensive power was simply terrifying.

In the jade disc of good fortune in the universe, everyone also clearly saw this scene, secretly shocked, this Shangguan Xi'er is really strong, can actually block Chen Shao's sword without dying.

Everyone gritted their teeth, wishing that Qin Chen slayed Shangguan Xi'er with a single sword. Only the Sect Master of Illusory Demon had a complicated expression and bitterness in his eyes.

She wanted to kill Shangguan Xi'er and avenge Qin Chen, wishing Shangguan Xi'er to die, but when Shangguan Xi'er was about to die in front of her, Sect Master Illusory Demon couldn't tell how she felt inside.

She remembered the scene when she was a child, the eldest sister was like a mother, and her sister was like a mother in her mind, but later, for power, the sister actually murdered Pochen Wuhuang. From then on, the sisters turned against each other.

Sovereign Illusory Demon's hands gradually tightened, and the eyes of hatred burst into light. No, **** sister, she shouldn't kill Pochen, she has too many ways to gain strength, but she used the most cruel one. Kind.

Unforgivable.

Two drops of tears rolled from the corner of the eyes of the Sovereign Illusory Demon, and the eyes of the tears were extremely determined, and her sister's actions could not be forgiven by her.

At this moment, Mo Yuanbai snorted coldly from the side: "This Shangguan Xi'er really deserves to die. If it hadn't been for her to betray Master, and the Master who had been killed by Feng Shaoyu had fallen, Master wouldn't have been displaced and had eaten so much. bitter."

As soon as this statement came out, the body of the Phantom Demon Sect Master suddenly shook, as if being electrocuted.

"Pavilion Master Mo, what are you talking about? Why was Qin Chen betrayed by Shangguan Xier and Feng Shaoyu?" Chen Sisi and the others were all taken aback.

Mo Yuanbai himself was stunned, "Don't you know? Master he... is the Emperor Wuchen."

He was shocked. They didn't even know, right? When it's over, did he say something wrong? Will Master kill himself if he knows it?

"You mean Chen Shao is the famous Bro Chen Wuhuang who shook the mainland three hundred years ago? How is this possible?"

Chen Sisi and the others were dumbfounded, unbelievable in their hearts.

Pochen Martial Emperor, a world-famous powerhouse, what they have in their hearts is only worship, but now Mo Yuanbai says that Qin Chen is the Pochen Martial Emperor 300 years ago, this...

The eyes of the three were shocked and shocked.

"No wonder..."

At this moment, You Qianxue, Ji Ruyue, and Chen Sisi all understood in an instant, especially You Qianxue, whose body was shaking, suddenly realized.

Since the beginning of the Five Kingdoms, Shao Chen has shown incredible talent and strength. In front of Shao Chen, it seems that there is no difficulty, and it seems that any problem can't trouble him.

But now, the three of them finally understood that if Xiao Chen was the rebirth of Wuchen Wuhuang three hundred years ago, then everything would be explained.

Pochen Wuhuang, the most dazzling star in the history of Tianwu Continent for nearly a thousand years, the dream lover of countless women, and the idol of men.

Unexpectedly, Chen Xiao, it turned out to be the reincarnation of Pochen Wuhuang.

No wonder he hated Shangguan Xier and Feng Shaoyu so much.

Everything is connected in You Qianxue and their minds, Xiao Chen, he... It's really hard to hide them.

"You... are you all right?" Mo Yuanbai was very nervous, did he tell any secrets he shouldn't tell?

He was also too excited, seeing that Shangguan Xi'er was finally about to slay the law, his emotions could not be suppressed.

"It's okay." You Qianxue and the others laughed, and the shock faded, but they all looked calm.

The three of them glanced at each other, smiling at the corners of their mouths, as if they were not affected by the news at all.

Yes. When they reached the point where they were able to face their true heart, they all knew that what they loved so much was the one Qin Chen in front of them, whether he was the Pochen Martial Emperor three hundred years ago or a small Qin in the Great Qi State. Disciple, to her

They are not important, they only know that it is Qin Chen that they love.

Regardless of birth, old age, sickness, or death, no matter how their faces change, their hearts are connected to each other, and there will be no changes due to changes in each other's identities.

This is true love.

The three looked at each other and all smiled.

Mo Yuanbai breathed a sigh of relief now, otherwise the master would have to kill himself when he knew about it.

"What? What did you say?"

But before Mo Yuanbai could release his breath, a trembling voice rang from the side. It was the Illusory Demon Sect Master. She looked at Mo Yuanbai in disbelief and trembled: "What did you say?"

Everyone looked at the Illusory Sovereign in doubt, what happened to her?

Chen Sisi and the others are excited. This is normal, but what is the excitement of your Illusory Sovereign?

"Master, what's wrong with you?"

Chen Sisi walked up with some doubts. But Sect Master Illusion Demon didn't realize it. He just looked at Mo Yuanbai excitedly, his voice trembled, his body fluctuated, as if he had suffered a huge shock, even his body was trembling: "You said Qin Chen is three hundred years old. The front

Emperor, is this true..."

"That's right, you?" Mo Yuanbai hesitated.

"Pochen, Qin Chen... Hahaha, I should have thought of it, I should have thought of it."

Sect Master Illusory Demon's eyes were full of tears. She was excited because Qin Chen was still alive. Bro Chen, you were still alive.

She laughed, laughing at herself stupid, yes, she should have thought of it long ago, whether it was from Fu Qiankun or from Mo Yuanbai, she should have thought of it long ago. Qin Chen once told the whole world in the Holy Land of Blood that he was a disciple of Pochen Martial Emperor. At that time, he believed it, but he didn't think about it. If Qin Chen was really just a disciple of Pochen Martial Emperor, Fu Qiankun would simply Won't be that way

degree.

At the beginning of Illusory Demon Sect, Qin Chen and Fu Qiankun's attitudes were like two old friends. If Qin Chen was really a disciple of Pochen Wuhuang, then the relationship between the two would definitely not be like this, but they didn't. think too much.

It's ridiculous, it's so ridiculous.

Flop.

Sect Master of Illusory Demon knelt on the ground, tears flowing unscrupulously, Chen, you are still alive, you are still alive.

Her perception penetrated the Universe Jade Plate, and Qin Chen had already killed Shangguan Xier again.

"Shangguan Xi'er, you can stop me with a trick, it's really powerful, but back then, you combined Feng Shaoyu with me, and today is your death date."

Qin Chen's eyes shone with cold light, and another sword fell madly. At this moment, the soul of the Lord of Abyss Demon is still thousands of miles away, and it only takes a few breaths to get there, and Qin Chen wants to completely kill Shangguan Xi'er between these few breaths.

[Chapter 2460: Shangguan Xi'er died](#)

boom!

The terrifying aura surged across the heavens and the earth, and the heavenly sword gas turned into a light, a light that cut away the evil in the world, and fell crazily.

"puff!"

The terrifying sword light fell, Shangguan Xi'er hurriedly urged the diamond bracelet, bang, the diamond bracelet burst into a dazzling light, flew from a distance, and instantly blocked her.

Under the chopping of the mysterious rust sword, the diamond bracelet trembled violently, and might be slashed at any time. Shangguan Xier's eyes were frightened and roared: "No, Qin Chen, I was wrong, I knew it was wrong. "She banged, knelt on the ground, and confessed in pain: "Qin Chen, have you forgotten how we fell in love? How many ups and downs have you forgotten, how many days and nights, you and I are gentle and lingering, I don't I believe you don't have me in your heart, you still

Do you love me? "It was Feng Shaoyu at the beginning, and everything was forced by Feng Shaoyu... In order to get me, he put medicine in my tea, and I was helpless, so I was committed to him. In fact, I really love you only. One, really, the only thing I'm right in this life

A man has moved his heart, it is you. "Shangguan Xier shouted anxiously, regaining her former innocence, tears streaming down her face, and on top of her beautiful face, she begged to look at Qin Chen, her pitiful eyes looked like the former Shangguan family was destroyed. When she found herself crying

Looks like.

This scene touched Qin Chen's heart.

His thoughts returned to three hundred years ago in an instant, everything is like smoke, water and clouds, like a dreamy shadow.

"Oh, you love me?"

Qin Chen laughed and laughed up to the sky, but there were tears in the corner of his eyes.

Such a woman still has the face to say that she loves herself? "Qin Chen..." Shangguan Xier said in pain: "Give me a chance, a chance to change my mind, you must still love me, right? We were so affectionate back then, how could we not love it all at once. You don't believe me, hard

Do you still believe in yourself? You are Pochen Wuhuang, the top figure in the mainland. If I didn't have you in my heart, I would have been by your side for so long, but you would never see it? "

Shangguan Xier regrets so much, she is confessing, in fact, she really regrets it in her heart. Qin Chen's heart shook, and there were tears in the corners of his eyes. Yeah, this is the point he didn't understand. He is the Emperor Wuchen. Although he is devoted to studying the alchemy and blood, he is not ignorant of people, otherwise he would not be in many alchemy Among the disciples of the pavilion, he saw Mo at a glance

Yuanbai.

Back then, there was so much affection between himself and Shangguan Xi'er. Why did it all change overnight? He still hasn't figured out how deep a woman's mind could be?

He looked at Shangguan Xi'er. It was this woman who accompanied him back then, but killed herself cruelly for profit. Why can a woman do this cruelly? Does she have no feelings?

"Dust, do you still love me? You were seriously injured during the trip to the forbidden land. I was with you and took care of you for three days and three nights. Did you forget?"

Shangguan Xier cried.

Qin Chen was shocked.

When he broke into the forbidden land, in order to find out the problem of his blood, he was seriously injured in the forbidden land. It was Shangguan Xier who took good care of him and accompanied him day and night.

Qin Chen still remembered those scenes clearly, Shangguan Xi'er felt sorry for herself and her eyes were red from crying.

But in an instant, she changed, colluding with Feng Shaoyu and harming herself, how could a woman's heart become so fast, Qin Chen still didn't want to understand.

In the jade disc of good fortune.

You Qianxue and the others were silent.

The hearts of the three of them were faintly aching. They didn't care about Qin Chen's past, but when they heard this scene, their hearts were still full of pain. They were not jealous, but full of regrets. Why was it not themselves who accompanied Qin Chen in the first place.

"No, it's not."

The Sect Master of Phantom Demon shook his head frantically, and his figure suddenly appeared outside the Universe Jade Plate.

Qin Chen was startled, why did Sect Master of Illusion Demon come out?

"sister....."

Sect Master Phantom Demon looked at Qin Chen with complicated eyes, then turned to look at Shangguan Xi'er, his eyes full of disappointment.

"Sister, you disappointed me so much. Until now, you still want to lie to him. It was me who accompanied Chen all the time. Sister, why did you lie and why you couldn't really reform yourself."

Sect Master Illusory Demon said painfully, tears flowing wantonly.

Qin Chen looked at the Illusory Demon Sect Master in shock, and at this moment, his soul also sensed the aura of the Abyssal Demon Lord's soul light, and was close at hand.

Qin Chen's eyes suddenly cold.

"Shangguan Xi'er, no matter what your reason or purpose is, you can't escape death today. From the moment you and Feng Shaoyu joined forces to kill me, everything has gone back."

After the words fell, Qin Chen instantly instilled his soul power into the mysterious rust sword.

boom!

A horrible sword light soared into the sky, accompanied by an endless and terrifying aura of killing, and even blended into the cracked sky **** mark, time origin, and thunder bloodline.

The hatred of three hundred years, the grievances of three hundred years, have been integrated into this sword.

Everything should be over.

boom!

Under the sword light, the diamond bracelet was slashed openly, and the endless sword aura was like a vast ocean, completely engulfing Shangguan Xi'er.

"Do not!"

Shangguan Xi'er let out a miserable scream, and her body burst open. Her human and devil body could not resist Qin Chen's sword. This sword merged with Qin Chen's full strength and cut the past. Cut off Qin Chen's fetters for more than three hundred years.

This is his farewell to the past, and the farewell to the past.

After this sword, he will be a brand new Qin Chen.

Boom boom boom boom! The endless sword aura roared, the world shook, and the ancient battlefield was blasted through a hundred-meter-long gully. In the endless sword aura, Shangguan Xier's body was shattered and turned into powder. At the same time, a soul power soared into the sky. Trying to escape Here, but it's useless, in this sword aura that can kill everything, Shangguan Xi'er's soul only had time to let out a scream, and it was completely wiped out.

Cang!

The bright diamond bracelet that was thrown out lost its luster and fell onto the desolate ancient battlefield.

Qin Chen held the mysterious rust sword in his hand and watched the scene quietly.

He doesn't know how he feels. At this moment, his heart seems to have stopped beating. Today, he finally understands the hatred of three hundred years.

"sister!"

Sect Master Phantom Kneeled on the ground, tears streaming down his face.

boom!

At this moment, the soul light of the Lord of Abyss finally arrived, and seeing this scene was filled with anger.

"Smelly boy, since you don't give this seat a living, then this seat will fight with you." The master of the deep demon was furious and rumbling. In the sky, endless black fog appeared, and the sky of the ancient battlefield became gray. Zi became pitch black, a terrifying cold breath, instantly condensed in the sky.
