

## Valkyrie 2501

### [Chapter 2501: Time acceleration](#)

"The old man boasted that he had studied the ancient Yiqi Pill for many years, thinking that it should be no problem after refining it, so he agreed. Who ever thought..."

The ancient medicine master showed bitterness on his face.

Needless to say, his refining has naturally failed. "It's not a few days since the deadline. The old man has been asking the old man to fulfill his promise and hand over the Huanggu Yiqi Pill, but where did the old man get it... Although there are still some materials left to refine the Huanggu Yiqi Pill, the old man has done it several times. System, none

Success, it is still not clear what went wrong. "

The ancient medicine master shook his head repeatedly.

"Huanggu Yiqi Pill?" Qin Chen thoughtfully, and immediately sneered: "I think that Gu Fangzhai's intention is not in Huanggu Yiqi Pill, but in the ancient medicine hall."

The wry smile on the face of the ancient medicine master even worsened: "Shao Chen, you are right. In fact, from the beginning, Gu Fangzhai's goal was my ancient medicine hall, but the old man was too confident before, and he has made this situation. "

"Don't worry, leave this matter to Ben Shao, Huang Gu Yiqi Pill, wait for Ben Shao to study it carefully, and then see what the problem is." Qin Chen said.

"What, Shao Chen, can you refine it? But it's only three days now." Ancient Medicine Master was excited.

"Three days is enough, just the mortal pill, even if it is the peak of the mortal grade, this time is far enough."

Qin Chen was extremely proud.

"Little dust, what should I do in the ancient medicine hall?" The ancient medicine master stood up excitedly.

"Let's find a pill room for Ben Shao first, and Ben Shao must study it." Qin Chen's eyes flashed, he must first study the pill Dao of the heavenly realm. "Okay, little dust, the old man has a dedicated alchemy room in this ancient medicine hall. You can rest assured to study it. It can induce ground fire and communicate with the entire ancient medicine hall. You can watch everything that happens in the ancient medicine hall. To, there is less dust, you can always tell

Ask me to wait and do something, and I will take you there now. "The ancient medicine master can't wait.

"Good!" Qin Chen stood up.

"Little dust, please follow me."

The ancient medicine master led Qin Chen into the depths of the ancient medicine hall. As soon as he entered it, he immediately felt the strength of the ancient medicine hall. The space inside was layered on top of each other, like a maze, and there were secret rooms for elixir.

Moreover, in this deep space, there is a strong breath everywhere, and there is even a terrifying breath, close to Shang Gukong.

Huh!

A ray of light flashed, and an old man appeared in front of Qin Chen.

"Hall Master, these are..."

The old man exuded a terrible aura, he was actually an earth sage master. Needless to say, he was naturally the earth sage guest in the Ancient Medicine Hall mentioned by Shang Gukong. "Old Shun, this one is Shao Chen. My Ancient Medicine Hall has already belonged to Shao Chen, and joined Shao Chen's Chen Diao Pavilion. From now on, we are a family, Shao Chen, and you and me are yours. "The ancient medicine master introduced to both sides: "less dust, this one is

The Ai'an Shun Keqing of my ancient medicine hall, the master of the earth sage, is also the first master of my ancient medicine hall. "

"Oh? It turned out to be Ke Qing, and I will be lucky enough." Qin Chen smiled slightly, and looked at Ai Anshun's eyes with a gleam, not knowing what was thinking in his heart.

Ai Anshun's face changed slightly, as if to say something, but he hesitated and didn't say anything.

After a while, Qin Chen was taken to the alchemy room. This alchemy room is square, like a stone, but I don't know what kind of stone it is. It was built in the deepest part of the ancient medicine hall. Qin Chen noticed it with a slight movement of his spiritual thoughts. It was under the alchemy room. , There is a huge atmosphere of earth fire,

Obviously there is a formation that connects to the underground, providing a steady flow of energy.

Moreover, there is a formation here, together with the entire ancient medicine hall, it is the core center of the ancient medicine hall.

In this alchemy room, all kinds of things have everything, it is too comprehensive, even more powerful than the headquarters of the Heavenly Martial Continent Pill Pavilion, this is only an alchemy room with a medium alchemy power in Cangxuan City in the heavens.

It's amazing, it's amazing.

Qin Chen couldn't help nodding.

"Little dust, just study here. If there is any need, the old man will come over as soon as possible despite the instructions. As for these two, the old man will settle down."

After making arrangements, the ancient medicine master slowly retreated out and took Shang Gukong and Qin Tingting to another guest room.

Qin Chen scanned the surroundings and was about to study the alchemy. Suddenly, as if he had absorbed enough energy, the Universe Fortune Jade Disk shook with a thud, and even emitted a strong breath.

Is the transformation of Qiankun good fortune jade disc completed?

Qin Chen was overjoyed, and instantly entered the universe of good fortune jade disc. Suddenly, Qin Chen was stunned by the scene in front of him. The entire universe of good fortune jade disc had changed a lot. What appeared before his eyes was a vibrant world. . The original jade disc of good fortune from the universe was very empty, a barren world with nothing, but now, in the jade disc for good fortune from the universe, there is a lot of life, all kinds of rules circulating, and a space of its own, as if it really formed. A piece

world.

Moreover, the sacred aura of the heavens and the earth inside is incredibly rich, not even weaker than the sacred aura of the heavens.

The most important thing is that this world is full of the breath of time and possesses a lot of power of time.

"According to the \*\*\*\* cat, as long as the source of time is activated, a unique time secret can be formed. Try it first."

Qin Chen's eyes flashed, urging the origin of time, and suddenly, as if he was in a special space, the flow of time around it seemed to slow down, but here, he absorbed the holy energy and felt nothing. Hinder.

He picked up a copy of Alchemy and began to read it.

An hour.

Two hours.

Three hours!

When Qin Chen thoroughly read this classic book and understood it, three hours had passed.

But when Qin Chen opened his eyes and, when he returned to the real world, he realized that only a moment had passed.

"Thirty to one!"

After carefully distinguishing the time, Qin Chen was shocked.

In the outside world, only a tenth of an hour has passed.

Rely on.

At the beginning, the \*\*\*\* cat said that once the time mystery is formed, at least the ratio of ten to one can be achieved. Qin Chen originally thought that ten to one was already terrifying, but he did not expect it to reach thirty to one.

What does this show?

Outside the past year, Qin Chen has practiced for thirty years, which is too awesome.

Moreover, with Qin Chen's understanding of the origin of time, the time flow rate of the Universe Jade Plate can be increased, and in the future, it can even increase to one hundred to one, one thousand to one, or even ten thousand to one.

"Hahaha!"

Qin Chen couldn't help laughing. He was worried that there was not enough time, but now, there is no problem at all.

Whoosh! He once again entered the universe of good fortune jade disc, this time, he threw himself into the sentiment, and began to study the alchemy of this heaven.

### [Chapter 2502: Treasure](#)

And when Qin Chen was in the ancient medicine hall for insight.

In a luxurious mansion in the center of Cangxuan City.

A strong man exuding a terrifying aura came to a hall behind a mansion. This hall seemed to be in an endless void, connecting the holy veins beneath the entire Cangxuan City.

The entire hall is like a brand new space, extremely imprisoned, surrounded by powerful earth sacred laws connected into lines, absorbing the terrifying sacred veins of Cangxuan City underground, like a fairyland.

This mansion is exactly the City Lord's Mansion of Cangxuan City, and this middle-aged powerhouse is the City Lord Ao Lie who is known as the first person in Cangxuan City.

This is the power of the City Lord's Mansion.

The entire City Lord's Mansion has been integrated with the underground sacred veins of Cangxuan City. If you encounter an enemy, you can urge the sacred veins to fight against them, and exert their combat power several times. As soon as Cangxuan City City Lord Ao Lie came to this hall, some of the experts who had been waiting in the hall stood up, showing respectful faces. These people exuded a horrible aura. Each of them was an earth sage master, and the leader, It's the City Lord's Mansion

Cai Gaofeng, the housekeeper.

Ao Lie sat down on the first seat in the hall, and these masters sat down individually.

"Everyone, what do you think of Li Dongyu?" With a wave of his hand, City Master Ao Lie suddenly showed the image of the previous interview with Li Dongyu. The pores all over his body were sprayed with flames, raising his hands and full of breath, revealing the rules of the earth. "Awesome, unfathomable, the soul fire family is indeed extraordinary. Although this son has never entered the realm of the earth sage, he has already possessed the strength of the earth sage. I am afraid it will be a matter of time for me to enter the earth sage in the future. Repair base, but want short time

It's not easy to take him down in time. "An Ao family master said, his eyes flickered, seeking truth from facts, as if he was calculating, and he didn't feel ashamed of not being able to hold Li Dongyu. "This Li

Dongyu is indeed strong. With his talent, it is not a problem to become the top power in the earth. , The most important thing is that it is rumored that Li Wanxue, the princess of the Soul Fire family, was betrothed to Yunmengze, the son of Yunzhou Zhou. If our Ao family can marry the Li family

Home, I am afraid there will be no problems in returning to Yunzhou in the future. "

"Yes, the city lord, our Ao family, the power is not strong enough, because you are a peerless earth saint, if you can marry the soul fire family, it will indeed be of great benefit to my Ao family."

Everyone said one after another. "Huh, huh?" Ao Lie's eyes flashed, but he sneered: "That Li Dongyu is indeed extraordinary, but my Ao Lie's daughter is not something anyone can marry. I want to marry my Ao Lie's daughter. Bring out something real, let's talk about it, Li Jiahe

The marriage of the Yun family is just a rumor, and no one knows the truth or not. There are many ways in this. If it is true, why do you think the Li family should ask me to marry the Ao family? They really climbed into the Yun family, and they might not have a better destination. "

"My lord, do you mean that there is a problem with the marriage between the Li family and the Yun family?"

"The marriage between the Li family and the Yun family may not be a problem, but it is definitely not that simple for the Li family to find our Ao family." Ao Lie's eyes flashed.

"Is it for that treasure?"

A master was shocked. "It's very likely." Ao Lie sneered, "Otherwise, why did the Li family Li Dongyu come to Cangxuan City just to participate in my grand meeting in Cangxuan City? I'm afraid it's not that simple. I suspect that the Li family knew this secret. , Want to get a share

."

"Then it will be troublesome. If the Li family is also focusing on the treasure, I am afraid..." "It's not that serious, I am not a vegetarian, otherwise the Li family will not send their sons of the soul fire family to come, and It's to propose marriage, huh, my daughter, Ao Lie, is it so easy to marry? I don't have to sell her daughter.

To maintain the status of my Ao family. "

A terrible breath erupted from Ao Lie, which was astonishingly strong.

"Right." Ao Lie looked at Cai Gaofeng at the front, "I heard that Qingling ran around and was assassinated by the killer. What happened?"

Suddenly endless killing intent appeared on Ao Lie, and the whole world was trembling, as if he could not bear this murderous intent.

"My Lord, this is indeed the case."

Cai Gaofeng hurriedly walked out, and at the same time told what happened. "It's from the Wukong Organization? Humph." Ao Lie's eyes burst with chills, "The Wukong Organization asked me to join them

to stop it. It's really whimsical. The origin of the Wukong Organization is unknown. How can I Ao Lie? Join this kind of villain organization, yes,

You said that someone saved the little girl. Who is it? Have you checked his details? Is it also a piece of the organization? "

Ao Lie had a series of questions.

"My Lord, the subordinate has an image of that person, but as for his identity, it is difficult for the subordinate to distinguish."

After Cai Gaofeng finished speaking, he immediately took out a crystal, only to see an influence appearing, it was the scene of Ao Qingling being attacked and Qin Chen shooting. This was captured by a nearby person and was obtained by Cai Gaofeng.

"Ok?"

Seeing Qin Chen grabbing the Wukong organization killer's sharp sword and severely wounding the opponent with a punch, Ao Lie's pupils shrank.

"Everyone, what do you think?"

Ao Lie looked at everyone.

"My lord, this kid, so strong, that assassin should be a master of Wukong Organization. Although only the Mortal Saint Realm cultivation base, but the power is comparable to the Earth Sage, and even the powerhouse in the early stage of the Earth Sage can be killed. Hold it."

"Awesome, too amazing. Looking at the aura on that person, it seems that it is only the realm of the mortal sage. How is this possible? Is this hidden cultivation base?" "Yes, the killer of the Wukong organization is absolutely top-notch. A character, a strong Tianjiao, I didn't expect to be defeated simply by him. This is the Great Tianjiao, how come one appeared casually, and I feel that this is not his true strength

."

Many strong people around were shocked, and it was impossible to add more.

"My Lord City Lord, it's too weird, why suddenly I have so many masters in Cangxuan City, is there any fraud in this?"

"You must be careful to distinguish, but. This person's potential is too terrifying. If this person's revealed cultivation base is true, he will definitely be a top powerhouse in the future, not weaker than Li Dongyu of the Li family."

"My Lord City Lord, you must ask this person carefully to see what his origins are."

Everyone said one after another.

Ao Lie nodded and said coldly: "Cai Gaofeng, where is that person now? Isn't it in the city lord's mansion? I want to see it, huh, such a genius who has never seen it happened to save the little girl and said that there is no problem I don't believe it at all."

Cai Gaofeng showed a strange look on his face, "My Lord, the man is not in the City Lord's Mansion. After he saved the young lady, he quietly left."

"What?" Ao Lie said in shock, which was completely beyond his expectations.

### [Chapter 2503: Misty Palace collapsed](#)

Leave quietly, how is this possible?

Ao Lie was stunned, this was completely beyond his guess.

With such a strength, Cai Gaofeng would not fail to see the identity of Cai Gaofeng and the others. He must know that he saved the daughter of his city lord, ordinary people, when encountering such a thing, they have long wanted to flatter on the city lord's mansion and ask for benefits.

But that person quietly left, which clearly didn't want to have anything to do with their City Lord's Mansion.

"Is it because my guess was wrong? The other party really saved Qing Ling accidentally, without any conspiracy?"

Ao Lie frowned, and said solemnly: "Are you sure that the person left quietly, didn't you want to catch it?"

If it is trying to get caught, it means that the other party has nothing to ask for and needs to investigate well. "My lord, I did leave quietly." Cai Gaofeng respectfully said: "After that person left, the young lady told the old slave to find out the identity of the lifesaver. The young lady must thank him personally, and the old slave tried her best to finally get some information. , Those three are said to be

People of the Ancient Zhong Sect, look at this woman, Qin Tingting, the great disciple of the Ancient Zhong Sect, and these two people claim to be the Supreme Elder of the Ancient Zhong Sect. "

"Ancient Bell School?"

Ao Lie frowned, "Isn't that a small sect in the Tianmang Mountains? Among the many sects in the Tianmang Mountains, it can only be regarded as a middle school. When is there such a master?" Ao Lie has a wide range of knowledge, although the ancient Zhong sect is in Cangxuan City is insignificant, but it is also an earthly saint force after all. He has naturally heard about it. It's just that a arrogant such as Qin Chen has an extraordinary status even if he is placed in his city lord mansion. How could he be a member of the Ancient Zhong School?

Name Taishang elder.

"There is something weird in this." Ao Lie said solemnly: "Is it a fake Gu Zhong Sect's identity? If so, then you have to be more vigilant."

Cai Gaofeng smiled in the next first: "My lord, look at this one carefully."

The scene immediately shifted to the assassin's assassination, and Shang Gu Kong stood in front of Qin Tingting to resist the assassin's terrifying sword spirit.

"Earth Sage." Ao Lie's eyes condensed, "Hey, this holy yuan transformation technique seems to be similar to the ancient bell sect's holy yuan transformation technique?"

"My lord, this is the technique of the Saint Yuan Huazhong. If the old slave is right, this person should be Shang Gu Kong, the ancestor of the Ancient Bell School, but he has changed his face." Cai Gaofeng smiled. "So, is it really a member of the Ancient Zhong Sect?" Ao Lie was also surprised. If this person is Shang Gukong, then the other party may not necessarily have evil intentions. After all, the Ancient Zhong Sect is the old sect of Cangxuan City. , Passed down for tens of thousands of years, although the power is not very strong,

But it was indeed one of the oldest forces in Cangxuan City.

If the ancient Zhong school dared to design his Ao family, Ao Lie didn't believe it at all.

"Where are they now?" Ao Lie asked. "My lord, the old slave continued to investigate later, and finally found out. The three of them went to the ancient medicine hall in Cangxuan City, and later met with the master ancient medicine master of the ancient medicine hall, and finally stayed in the ancient medicine. Tang, what are the Gu Zhong School and Gu Yao Tang discuss

The old slave is still unclear, but the old slave has investigated and found that the ancient medicine hall has been the partner of the Gu Zhong Sect for tens of thousands of years. For thousands of years, all the medicines of the Gu Zhong Sect were purchased from the ancient medicine hall. ""Ancient Medicine Hall?" "Ao Lie smiled softly: "This city owner has heard that it is an ordinary alchemy power in Cangxuan City. The master ancient medicine master seems to have received some kind of ancient alchemy inheritance. Later, he established the ancient alchemy. Yaotang, have some

Fame, live tepidly in my Cangxuan City. "My Lord Mingjian." Cai Gaofeng laughed: "My lord, the old slave is sure. The three are in the ancient medicine hall now. I don't know how the adults are going to make a decision?" If an adult wants to see those three people, with a single order, Lao Nu will set the ancient medicine hall and the ancient bell school

All of them were caught, waiting to be sent. "

Cai Gaofeng salutes respectfully and is extremely pious. "No need." Ao Lie waved his hand, "It seems that these three people should have nothing to do with the assassination of the little girl. It should be a coincidence, but for the sake of caution, you spend some time and attention to the ancient medicine hall. If something happens, The first time to

I report. "

"The old slave listens to the order." Cai Gaofeng bowed: "By the way, my lord, there is one more thing..."

"What's the matter?"

Ao Lie looked over.

"It's the young lady. The young lady has been telling the old slave to find her savior, and wants to thank her face to face, the old slave is here..." Cai Gaofeng smiled bitterly.

"What thanks?" Ao Lie slapped the armchair, angrily, "Isn't it enough for her to cause trouble? Cai Gaofeng, you stare at her. From now on, Qingling is not allowed to step on without my order. One step out of the city lord's mansion, did you hear that."

"Yes."

Cai Gaofeng laughed bitterly.

Qin Chen naturally didn't know his decision, and made the City Lord's Mansion put aside his doubts about him, even if he knew it, he wouldn't care. At this moment, he was as intoxicated as he was immersed in the alchemy world of the heaven.

When Qin Chen practiced hard.

The distant Tianwu Continent has already begun to change.

Misty Palace.

The largest power in Tianwu Continent, towering high and invincible.

It has stood on the mainland for more than three hundred years and has become a legend for generations. Today, the Misty Palace is miserable. The entire mountain gate has been blasted open and ruins are everywhere.

In the sky, a well-known top expert stood proudly, and the leaders were Qin Mo, Mo Yuanbai, and Fu Qiankun. Behind them were many forces in the mainland, and even the masters of the alien demons led by Lao Yuan.

The masters of the alien demons, mainly skeleton rudder master, Mokara, and others, bloomed with endless demonic energy, carrying an army of alien demons like a vast ocean, guarding outside the Misty Palace, becoming the main force in this battle. After the Chaos Demon Nest was absorbed by the Qin Demon, all the alien demons had lost the basis for their survival. The many alien demons who had set off stormy waves on the Tianwu Continent became the target of human slaughter. In the end, it was the skeleton rudder. Lord Him

They appeared and incorporated this army of alien demons.

Both Skeleton Rudder Lord and Mokara broke through to the realm of Demon Lord. Facing the crisis of life and death, these alien demons naturally surrendered easily, and instead became vassals of mankind, used to fight against all the forces in the world that resisted the Chendi Pavilion. Of course, Qin Mo did this for another purpose, that is, three years later, the heavenly powerhouses will come, whether it is to resist the dangers three years later, or to enter the heavens in the future and fight against the Yaomie Mansion. The demons are all

The power that can be absorbed. With the improvement of the origin of the Tianwu Continent, Mo Qin even faintly felt the call of the heavens, the \*\*\*\* cat said, this means that the heavens are also recovering, and all the rules of the whole heaven and earth are gradually improving. In the future, perhaps countless of the lower realms

The plane will once again be able to ascend to heaven. Of course these have nothing to do with Qin Mo. Qin Mo and their only purpose now is to destroy the Misty Palace.

## [Chapter 2504: Into the Dark Abyss](#)

"kill!"

The sound of a terrifying fight sounded, and under the attack of countless alien demons and major forces, the Misty Palace members were beheaded one after another.

"You shameful villains, if you hadn't murdered Lord Palace Master, how could our Misty Palace be destroyed?"

"Kill, kill you wicked people."

Countless masters of Misty Palace screamed in anger. They had been brainwashed by Shangguan Xier, and there was always only Misty Palace in their hearts, and they were all fighting desperately under such circumstances.

Buzzing!

Moreover, a series of formations are formed, this is the big formation of Misty Palace, which is madly resisting.

But it's useless. This time, even the head of the device palace, Gu Huamao, was invited by Qin Mo and the others. How could the small Misty Palace withstand the attacks of so many masters, not to mention several great saints. Environment master.

Rumble! With the roar resounding, all the endless gates collapsed. The once misty palace was magnificent and occupies many top resources such as the Tianshen Mountain, Tiansheng Pool, but now, it has become a ruin, and Qin Mo's eyes are cold. Looking at the floating ahead

Miao Gong, there is no mercy.

Over the past three hundred years, Misty Palace has done too much evil on the mainland, and there is no need for such a force to continue to survive on this continent.

Puff puff!

A famous Misty Palace powerhouse fought to the death. Although Shangguan Xi'er has fallen, Misty Palace has stood for hundreds of years on the mainland. Naturally, there are many masters, and even hidden masters. Each cultivation base is against the sky, with the cultivation of the peak Martial Emperor. for.

For example, the Long Po who once chased and killed the Confucian Emperor Wuhuang was old-fashioned, holding a bone stick and struggling to resist.

There are also many masters of the Law Enforcement Hall, such as Yuan Tuo Deputy Hall Master, as well as many top giants, Emperor Wu, and Emperor Wu. For hundreds of years, the Hall of Law Enforcement has attracted a large number of top experts in the mainland, forming an incomparably powerful force. power.

But it was useless. Under the team of alien demons led by the Skeleton Rudder Master, people in Misty Palace continued to fall and blood flowed into rivers. In fact, as long as Qin Mo and the others make a

move, it will be enough to break the Misty Palace in a very short time, but Qin Mo did not do so. He wants to destroy Misty Palace with the masters of the alien demons cultivated by the Misty Palace. This is a reincarnation. Also those different

For the atonement of the demons, Qin Mo asked them to use their own blood to atone for the people of the Tianwu Continent. Moreover, the human forces that were ordered to attack the Misty Palace were all forces that helped the misfortune. Although they did not completely take refuge in the Misty Palace, they have more or less contributed to the arrogance of the Misty Palace during these hundreds of years. Qin Mo needs them. for

Forgive your sins and pay the price they deserve.

"what!"

A famous strong man fell, and finally the Misty Palace collapsed. The countless people in the Misty Palace who were still alive looked at the big strong man in the sky in horror, and knelt in fear.

"No, don't kill us, we know we were wrong."

"Please, don't kill us."

"We are willing to forgive our sins as long as we can forgive us."

These people showed fear on their faces, and had been domineering in the mainland for countless years. At this moment, they finally felt the fear, tears streaming down their faces, begging, begging, just to survive.

But Qin Mo was expressionless and just ordered indifferently.

"Kill, don't keep one!"

Puff puff!

The next moment, blood flew across, and lives quickly passed by, being beheaded on the spot, extremely miserable.

Just a few hours later, the entire misty palace turned into a sea of blood, and the corpses were lying on their backs, extremely miserable, and there was no more movement.

Zi Xun, Zhao Lingshan, Lin Tian, and Zhang Ying all looked at the scene below and couldn't help but sigh in their hearts, but none of them felt compassionate.

Over the past three hundred years, Misty Palace has done too many evil things, and this is their due end. As for other forces, such as the Teng Family, the Death Demon Sect, and the Heavenly Ghost Sect, they all looked down in horror. They are all the top forces on the mainland, but no matter how top they are, they can't be compared with the Misty Palace, looking at the glorious moments. Palace, at the moment

It is such a miserable appearance, and everyone has inexplicable feelings in their hearts, like a rabbit and a fox.

"Little Huichen, Misty Palace has been completely destroyed." Skeleton Rudder came to Qin Mo and respectfully saluted. Qin Mo quietly looked at the misty palace that was turned into ruins, and couldn't

tell what it felt like, was it happy? No, from the moment Shangguan Xi'er was killed, all the grudges and grievances ended, and what Qin Mo did was only for the mainland

the future of.

He was silent for a moment, and then reached out with his big hand. Suddenly, the whole misty palace was completely exploded. The whole mountain was rumbling and trembling, collapsed crazily and turned to ashes.

"This....."

People from other forces are heartbroken. This is the Misty Palace. I don't know how many treasures there are in it that have been destroyed like this.

Under Qin Mo's shot, the entire Misty Palace was completely reduced to ashes and wiped out of the world.

"Little Chen, although the Misty Palace has been destroyed, Murong Bingyun of Misty Palace has disappeared, and his subordinates have not found each other." At this time, the black slave flew over and said respectfully.

Skeleton rudder masters are the main characters in the offensive, but it is the black slaves and the old man of Great Compassion who are really in charge.

"What? Murong Bingyun is not here?"

Qin Mo's eyes suddenly condensed. "Yes." The Skeleton Rudder Master also spoke at this time: "The subordinates have seized some of the high-levels of the Misty Palace, but they don't know where Murong Bingyun is going, and since Murong Bingyun's catastrophe broke out, the Chaos Devil's Nest When it comes, it is already away

Opened the Misty Palace, lost track, and had been away for a long time. "

Where can this Murong Bingyun go?

Qin Chen frowned.

However, this Murong Bingyun is just a small character after all.

Even if the Tianwu Continent recovers, she also has the opportunity to break through the holy realm, so what? As long as she dares to appear, Qin Mo will have the confidence to kill her instantly.

"Let's go."

Qin Mo turned around, he didn't have much time to waste here.

"Let's go to the next place."

Qin Mo said coldly.

"Where?"

The people of the major forces were stunned, and the Ji family was also stunned on the side. They were naturally very lucky that they had taken refuge in the dust at the earliest. Otherwise, the Ji family would have been razed to the ground like this misty palace.

"Dark Abyss."

Qin Chen spit out four words.

"Dark Abyss?"

Fu Qiankun's eyes also burst into cold light.

The Dark Abyss is a secret place in the Tianwu Continent, and also a shameful place in the Holy Land of Blood. Not long ago, a semi-saint master like Yan Licheng came out of the Dark Abyss, colluding with Misty Palace and plotting against Qin Chen.

Now, it's finally time to settle accounts after Autumn.

"Doesn't the Dark Abyss pretend to be the only pure land in Tianwu Continent? With a few foundations, there will be no pure land in Tianwu Continent." Qin Mo's eyes were cold.

[Chapter 2505: That's it](#)

Boom boom boom!

Under Qin Mo's order, the mighty team finally moved. This time the expedition was naturally dominated by alien demons and major forces.

Like the battle of Misty Palace, this is their battle of atonement.

The mighty team, like a locust, traversed the Martial Domain. After several days of trekking, they finally came to the Dark Abyss.

This is an extremely barren and desolate place, full of miasma, desolate and uninhabited everywhere, ordinary warriors enter it, they will immediately be poisoned and die, and only the Emperor Wu, the level of Emperor Wu, can barely resist.

At the entrance of the Barrens, there is a stone monument with a few large characters written on it: Dark Abyss, the Land of Death, and the offenders die!

"ridiculous."

The Skeleton Rudder master laughed grinningly, and slapped directly with the bone whip.

Hum!

At this moment, a misty black light lit up, actually blocking the lashing of the skeleton rudder and main bone whip. Swish, swish, in the barren land of endless darkness, suddenly densely populated figures appeared, standing proudly in the endless black. In the mist.

These figures, each exuding a terrible aura, turned out to be Wudi level powerhouses.

"hiss!"

The masters of the major forces in the mainland, such as the Fuji family and the Death Demon Cult, took a breath. This dark abyss is too terrifying, there are so many masters.

Although at a glance, it is impossible to see how many strong people are here, but the terrible killing intent is enough to show the terrible darkness of the abyss. Unknowingly, there is such a terrifying force in the Tianwu Continent. This force has completely surpassed the so-called top forces on the continent such as the Death Demon Cult and the Teng Family, and even the Misty Palace in its heyday. phase

Mentioned.

No, it's not on the same level, but only strong and not weak.

Because, in the endless darkness, among the vast figure, three magnificent figures came out.

These are three majestic powerhouses, two old men, one middle-aged, each of them erupted like an ocean, and it was these three auras that resisted the attack of the Skeleton Rudder Master.

"Holy Land!"

"Holy realm powerhouse!"

"Absolute Saint Realm master!"

"There are three holy realm masters in the Dark Abyss, how is this possible?"

Everyone was shocked, and the top powers of the Ji family, the Teng family, and the mainland were all shocked beyond recognition. Although the origin of Tianwu Continent has been restored, and there will be opportunities to break through the holy realm between heaven and earth, the major forces in the mainland today, except for Fu Qiankun who entered the holy realm from the semi-sage, the rest include the original Tianlei City Tianxun President Gongsun Zhe

The others, at most, broke through to the semi-sacred realm, and none of them broke through the holy realm.

But in this dark abyss, three holy realm masters suddenly appeared, which made everyone not shocked and shocked.

Even these three people did not include the Dark Abyss master Yan Licheng who had buried Qin Chen with Feng Shaoyu in the Holy Land of Bloodline.

How strong is this dark abyss?

Everyone was shocked, and it was the first time they saw the true strength of the Dark Abyss.

"You distinguished guests come to my dark abyss, I will wait for a long time to welcome you, and please forgive me."

Among the three holy realm masters, a roar of laughter sounded, and an old man walked out with a smile at the corner of his mouth, facing the army of Chendi Pavilion without fear.

"Who are you?"

Fu Qiankun frowned and said solemnly. "This should be President Fu Qiankun of the Holy Land of Blood." The old man looked at Fu Qiankun and smiled slightly: "I'm just a small character in the Dark Abyss. In front of the adults, that is not worth mentioning. , But in the abyss of darkness,

Everyone gave us three names, Lord Yuan. "

"Old man, I am the Lord of the Three Abysss of the Dark Abyss." The old man pointed to another old man, and said with a smile: "This one is the Lord of the Two Abyss of our Dark Abyss, and the one in the middle is my Dark Lord. The Great Abyss Lord of Yuan."

"I waited for the three people. I heard that the Dark Abyss had a misunderstanding with the adults of the Martial Domain, so I came out in person to resolve our previous misunderstanding."

The old man smiled and talked in front of Qin Mo and the others, with no expression of fear at all. This is natural. Saint-level masters are rare in the mainland. These three people can break through the holy realm so quickly after the heaven and the earth are restored. Obviously, the strength is even higher than that of Yan Licheng, before the heaven and the earth are restored. At least a semi-sage master,

Naturally arrogant.

"misunderstanding?"

Fu Qiankun sneered.

"Yes, there is a little misunderstanding." The old man smiled.

The Skeleton Rudder master snorted coldly, "Old man Fu, talk nonsense with them, just go in."

"Hold on." The old man chuckled, then looked at the Qin Mo in the crowd: "This one should be the Master Qin of the Chendi Pavilion, right?"

Today's Qin Demon has returned to the appearance of his body, but his aura is even more evil.

Qin Mo smiled. Interestingly, several saints ran out from the abyss of darkness. The corners of his eyes flickered, and he sneered: "It's this young man."

He wanted to see what the \*\*\*\* was this Dark Abyss selling? "Haha, it seems that I have found the righteous master." Master Sanyuan laughed: "I heard that Pavilion Master Qin is so invigorating and moving the crowd. Everything is because of some minor misunderstandings between me and Pavilion Master Qin. Waiting for coming today is to meet Qin Ge

Mainly resolve this misunderstanding. "

"Oh? I don't know how you want to resolve it?"

Qin Mo smiled.

"Come here." The Lord Sanyuan laughed suddenly, and then screamed. Immediately, the figure of the black mist behind the Dark Abyss dispersed, and a passage was opened. Then, a figure was bound by two peak martial emperors. Escorted out.

"Yan Licheng!"

Fu Qiankun's eyes were cold. The person who was \*\*\*\* was Yan Licheng who had killed Qin Chen and Fu Qiankun in the sacred place of bloodline control.

Today, Yan Licheng is tied there, but the aura on his body is extremely terrifying, like a deep abyss, like the three masters of the dark abyss, breaking through the holy realm and becoming a saint.

"cut!"

Master Sanyuan's palm shook, and suddenly, a terrifying palm light flashed, and with a puff, one of Yan Licheng's arm was cut off, and with a puff, he was strangled into nothingness. "Pavilion Master Qin, it was this Yan Licheng who offended you at the beginning. My Dark Abyss was not strict in discipline, which caused trouble to Pavilion Master Qin. Today, the old man cut off his arm and let him know the truth of being a good man. I hope that Master Qin will have a large number of them.

, My Dark Abyss and Martial Territory, still the well water does not offend the river, to be a friendly neighbor, of course, if Pavilion Master Qin wants to come to our Dark Abyss as a guest, I will also sweep the couch to welcome each other, how about? "

Lord Sanyuan said with a smile on his face, with an extraordinary bearing.

"It's over?"

Qin Mo said suddenly.

"Ok?"

Master Sanyuan was taken aback.

"I said, this is over?" Qin Mo said with a smile.

"Then I don't know what Pavilion Master Qin wants?" The smile on Master Sanyuan's face narrowed, and his eyes gradually sank.

"What do I want?"

Qin Mo smiled. Hey, he saw his figure suddenly flashed and disappeared into the void suddenly. Then, hey, a dark shadow appeared in front of the Lord Sanyuan, and a terrifying iron fist blasted at him like a king ocean. Come.

"what?"

The Master Sanyuan was shocked and hurried back, but before he could react, Qin Mo's iron fist had already hit him.

boom!

Like a rotten watermelon, the Master Sanyuan couldn't even scream out, so he was exploded, instantly turned into powder, completely wiped out.

"In the early days of the mere mere sacred realm, I also pretended to be in front of this young man, something that did not live or die!" In front of the Lord Sanyuan, Qin Mo's figure flashed and appeared proudly, speaking with disdain, his tone contemptuous.

## [Chapter 2506: Sell family](#)

"In the early days of the mere sacred realm, did you pretend to be forced in front of this young master?"

Between the heaven and the earth, the rumbling roar resounded, and both the Martial Domain side and the Dark Abyss side were stunned by this horrifying scene.

One move, only one move, Qin Mo beheaded the Three Abyss Lord of the Dark Abyss, directly exploding into nothingness.

This is not surprising.

How not to be astonished.

This is a holy realm master, a peerless expert who has not been born in Tianwu Continent for thousands of years, when was it so easy to be beheaded?

"The third brother."

"Master Sanyuan!"

The Ji Family, Death Demon Sect and other forces were shocked, while the Dark Abyss side was furious. The Great Abyss Master and Er Yuan Master roared, and the eyes burst with unprecedented anger.

"Boy, kill my third brother in the Dark Abyss by sneak attack and kill me."

Boom!

The Great Abyss Master and Er Yuan Master suddenly moved, booming, two terrifying holy auras rose up into the sky like spirits and wolves, and the mighty power swept wildly, shocking nine heavens and ten earths.

And Yan Licheng, who was tied up, broke free all of a sudden. Om, a pill appeared in his hand and swallowed it all at once. Suddenly, the arm that had been severed quickly moved with flesh and blood, and a new one grew out of it. Arm.

Broken arm rebirth.

Obviously, this dark abyss possessed the pill for rebirth from the broken arm, and this cut off one of Yan Licheng's arm in full view, otherwise, would Yan Licheng be so willing to submit?

"Hehe, rebirth with Broken Arm, it's a bit interesting, it seems that you are ready to fool Ben Shao from the beginning of the Dark Abyss."

Qin Mo smiled.

There was no sincerity in this dark abyss, but it was just a play in front of him.

"Smelly boy, die for me. Today, Ben Yuan mainly threw your bones and ashes, and smashed you into thousands of pieces. My dark abyss is the orthodox of Tianwu Continent."

Boom!

Master Da Yuan and Master Er Yuan were madly killed, and a terrible aura surged in their bodies, and they quickly slammed into Qin Mo's front.

But Qin Mo was motionless, his mouth just sketched a mocking smile.

Seeing that the attack of the two was about to fall.

boom!

A violent aura surged, and Lao Yuan suddenly appeared in front of Demon Qin without knowing when, the huge blood-colored claws were like a blood-colored mountain, colliding with the attack of the Great Abyss Master.

"boom!"

The earth-shattering roar rang out, and the Great Abyss Master was blasted out by Lao Yuan in an instant, and the blood in his body surged, and Lao Yuan's Heaven and Earth Genesis Qi continued to pour into his body, puff puff puff, shaking his body, passing The pain came.

what?

Master Da Yuan looked at Lao Yuan in anger.

On the other side, Skeleton Rudder Master and Mokara also suddenly appeared in front of Qin Mo.

"Get out of the way, this guy is mine." Skeleton rudder master waved the bone whip and shouted at Enchanted Kara. "Old bone, you just let me go, this guy, I handed over to my old demon." Mokara was unwilling to show weakness, staring at the skeleton rudder master, and hurriedly shot. The two were actually fighting for the right to fight with the Eryuan master. No one is far behind, the result is two things

The fearful attack fell on the master of Er Yuan at the same time.

puff!

The robe on Lord Eryuan's body was directly exploded, and his body was blasted out like a cannonball, a mouthful of blood spurted out, and the bones in his body were cracked.

In a short while, Master Da Yuan and Master Er Yuan were shocked and injured.

"This...this...this..."

Outside the Dark Abyss, many of the top forces in the Martial Domain all saw their scalp numb and goose bumps all over their bodies.

When the three saints of the Dark Abyss appeared before, the allied forces of Wuyu were really shocked. The three saints, if you add Yan Licheng, they are the four saints, such a force, Enough to sweep the entire continent.

But after the real fight, everyone was stunned. The Lord of the Three Abysss was beheaded by the Qin Mo, and the Lord of the Great Abyss was blocked by the source beasts of the Alien Demon Continent, and now, the two major demon leaders of the Alien Demon Race were actually fighting for the right of

the opponent of the Lord of the Two Abyss. I don't pay attention to the powerhouse of the Dark Abyss at all,

How can this make everyone not shocked, how not shocked?

"Impossible! How could you be so strong?" Wu Yu was shocked, and Dark Abyss was panicked. Yan Licheng and the others looked at Lao Yuan, Skeleton Rudder and others in horror. These foreign powerhouses bloomed from their bodies. The breath completely overrides them, giving them a strong shock

sense.

"Nothing is impossible, everyone in the Dark Abyss, don't you think that only you can break through the holy realm in this world?"

Whoosh!

Among the crowd, a figure flew out, it was Fu Qiankun, his face was proud, and he reached out to stop Mo Yuanbai who was about to be sent out, "Yuanbai, this Yan Licheng, leave it to me."

Mo Yuanbai smiled slightly and stopped, "Since Fu Lao you have spoken, what can I say?"

Fu Qiankun showed his gratitude, huh, his figure flickered, and he appeared in front of Yan Licheng instantly.

"Yan Licheng, the grievances between my bloodline holy land and your Yan family and the abyss of darkness will be completely settled today."

A terrible breath gradually surged over Fu Qiankun.

"You...you are colluding with other races to target the warriors in my Tianwu Continent. These are the major forces in the tribe and martial arts. Do you really want to get along with these tribesmen?"

Lord Great Abyss roared at the powerful forces of the Martial Domain behind Qin Mo, his expression mad.

"Selling family?"

Qin Mo smiled, but his smile was extremely cold. He walked forward step by step, his eyes cold: "You said we sell clan, that's good, when Misty Palace colludes with foreign races and enslaves the major forces of my Tianwu continent, where are you? "

"When alien races invaded the Tianwu Continent, blood flowed into the whole continent, and countless people fell and died, where is your dark abyss?"

"When the powerhouses of the heavenly realm come and use my Tianwu Continent as a hunting ground, where are you people in the Dark Abyss when doing evil?"

"You keep saying that you are a human race, but you occupy this dark abyss and develop silently, trying to control the entire continent. You are not worthy of being a human race..."

"You, only sell the clan!"

Qin Mo's eyes burst into icy cold light, and he coldly waved his hand at the many forces behind him.

"kill!"

He breathed out an icy cold front, and his eyes were as cold as ice that never melted.

"My Young Master wants to completely eradicate this malignant tumor that has been entrenched in the Tianwu Continent for thousands of years, and reset the light to the evil that has been bred in the dark. If there are rebels, don't keep one, kill it!"

"kill!"

boom!

Following Qin Mo's order, the major forces and the army of foreign demons moved frantically, like a mighty ocean, rushing into the abyss of darkness.

boom! Like the turbulent waves hitting the embankment, the army of the martial arts and the army of the dark abyss collided fiercely.

[Chapter 2507: Leave quickly](#)

"kill!"

"Kill all these people in the dark abyss."

"Kill, kill, kill!"

In the Martial Domain, countless forces rushed over frantically, and immediately rushed into the dark abyss army, blood flew horizontally, and for a while, blood flowed into a river.

"Quack, brat, come on, let's have fun."

Skeleton Rudder swung his bone whip, his pupils were burning with dark flames, and Mokara grinned slyly, and pounced on the Eryuan master.

But Lao Yuan entangled the Great Abyss Master, and the huge claws kept falling, and the Great Abyss Master was constantly blasted out, vomiting blood in his mouth.

Fu Qiankun confronted Yan Licheng, while Qin Mo, Mo Yuanbai and the masters of Chendi Pavilion stood quietly and proudly in this world, watching this fight, silently.

The Dark Abyss is indeed powerful, the Great Abyss Master, the Er Yuan Master and Yan Licheng are all Saint Realm masters.

But what about this?

In front of Qin Mo and the others, who had even fought against the heavenly masters at the peak of the early days of the Holy Realm, the sage of the Dark Abyss, in the eyes of Lao Yuan and them, was just a child who was just learning to walk, without any challenge ability at all.

They have even killed the masters of the heavens, how can they care about the saints who have just broken into the holy realm because of the restoration of the origin of the heavens and the earth?

"what!"

A scream of screams sounded, and in just a moment, the Great Abyss Master and the Two Abyss Masters of the Dark Abyss were beheaded one after another, bursting open and turning into blood mist.

Their eyes were full of unwillingness.

Saints, they broke through the Saints not long ago, and their hearts were extremely swollen. They even summoned the masters of the Dark Abyss and made a plan to break out of the Dark Abyss and rule the entire Tianwu Continent.

But before such a plan could be implemented, they faced such a tragic ending.

"puff!"

On the other side, Fu Qiankun also seized the opportunity to kill Yan Licheng with one palm.

Countless rain of blood spilled, he was covered in blood, standing proudly between the world, his eyes were deep, and he sighed.

How many years has it been?

The shame of the Holy Land of Blood was finally washed away by him, and his heart was filled with sadness inexplicably.

From now on, the Holy Land of Blood will follow the Tianwu Continent into a new history.

"No, please, don't kill us."

"Spare us, we are willing to surrender."

"Don't kill us."

Seeing the fall of the saint on one's side, all the powerhouses in the Dark Abyss screamed in horror, full of fear, and begged for forgiveness.

But Qin Mo's eyes were cold, and he just said coldly: "Kill, don't leave one."

All the major forces in the Martial Domain looked at Qin Mo with horror, this dark abyss surrendered, and I did not expect Qin Mo to kill such a big intention.

Qin Mo glanced at the crowd with cold eyes: "Do you think Ben Shao is cruel?"

He sneered: "The ordinary people of the Dark Abyss can be forgiven, but these top masters must die."

"Everyone is responsible for the rise and fall of the mainland. When the Tianwu Continent is in crisis, what are these powerful men doing? They live in a corner and practice secretly. They are not enemies, just to dominate the mainland in the future. Such people should be killed! "

Qin Mohan said.

The hearts of everyone were distressed, but no one dared to refute it.

This is simply a massacre.

In just a few hours, all the Wudi-level powerhouses in the Dark Abyss fell, and none survived.

"Ji Hongchen, the next exploration and sorting out of the Dark Abyss will be entrusted to your Ji family. You can order the major forces in the Martial Domain to clean up the entire Dark Abyss. I just want to see that soon, the Dark Abyss Yuan will be a pure land."

Qin Mo told Ji Hongchen that he didn't have much time wasting in this dark abyss.

"Yes!"

Ji Hongchen hurriedly bowed and bowed, but his heart was excited. Thanks to Ruyue, the Ji family could take refuge in Qin Chen early. Otherwise, this time in a catastrophe, the Ji family will inevitably be destroyed with the destruction of Misty Palace.

After dealing with Misty Palace and Dark Abyss, Qin Mo quickly left with Mo Yuanbai and the others.

The reconstruction and restoration of the entire continent will naturally be completed by black slaves, and the most important thing for Qin Mo and them is to go to the heavens and find Qin Chen and them.

Of course, under the advice of the \*\*\*\* cat, Qin Mo and the others did not go to the blood \*\*\*\* sea and enter the heavens immediately, but once again returned to the forbidden land. With the current Qin Mo and their strength, it is too weak to go to the heavens. When they reach the heavens, no one knows what dangers they will encounter. So their strategy is to explore the forbidden land. In the forbidden land, there are countless heavenly powers. Treasures

Here, they can break through their strength and enter the heavens again.

At this moment, Qin Chen in Cangxuan City naturally didn't know what was happening in the Tianwu Continent. In his jade disc of good fortune, he constantly felt the alchemy of the heavens and quickly improved himself.

one day.

Ten days.

A month.

Two months.

During these two months, Qin Chen's alchemy level has been rapidly improved every day, especially some ancient medicine masters' classics, which made Qin Chen suddenly enlightened and gave him a lot of inspiration.

In two months, Qin Chen's alchemy level had advanced by leaps and bounds, and even faintly touched the threshold of the Saint Grade Master.

Qin Chen felt that if he hadn't had enough cultivation level, he would definitely be able to step into the realm of Earth Grade Pill Master and refine the Earth Grade Pill.

And just when Qin Chen was completely immersed in the alchemy.

Boom!

Suddenly, there was a wave of fluctuations in the ancient medicine hall, which awakened Qin Chen from the jade plate of good fortune in the universe.

Huh!

He shook his body, appeared directly in the alchemy room, and instantly sensed what was happening in the ancient medicine hall. In the ancient medicine hall at this moment, a few extraordinary people are surrounding the ancient medicine master, "I said the ancient medicine master, the time is about to come, when will you hand over the Huanggu Yiqi Pill? Even if you can't. It's okay, as long as you vote

Thanks to my Gu Fangzhai, our two families became a family, and my Gu Fangzhai would naturally let this matter go. Otherwise, hum, ancient medicine master, don't blame the old man for not warning you. "

This leader, whose cultivation reached the early stage of the Earth Sage, exuded a terrifying aura, and said to the master of ancient medicine.

On the side of the ancient medicine master, Ai Anshun, Shang Gukong and Qin Tingting were all there, their faces were extremely gloomy, but no one dared to refute them.

Gu Fangzhai, they have also learned about it, is a force far beyond the ancient medicine hall, and its master is a master in the middle of the earth sage. Such a strong person can turn the ancient medicine hall and the ancient bell. Who would dare to provoke the faction?

This is also the reason why Gu Fangzhai dared to be arrogant about this. There is no way to change who is justified and strong. "Ouyang Cheng, don't worry, I will definitely give you the Huanggu Yiqi Pill, but now the time has not come, please leave quickly." The ancient medicine master said, holding back his anger.

#### [Chapter 2508: Capture the assassin](#)

"It will definitely be given to us? There is only one last day left. Tomorrow is the deadline for the contract. Ancient medicine, don't waste your time. You can't take out the ridiculous pill at all. In that case, why not give it up early. Medicine Hall, join me

Fang Zhai, is there any point in continuing to resist? "Then Ouyang Cheng sneered, with disdain on his face: "Today, the old man is going to accept your ancient medicine hall, don't waste time, just hand over the title deed, and surrender. "

This Ouyang Cheng was aggressive, with a cold killing intent.

"I said ancient medicine, don't you want us to do it?"

Along with Ouyang Cheng's sneer, several Gu Fangzhai warriors behind him also sneered one step forward.

"you guys....."

The ancient medicine master's face changed slightly, and Shang Gukong was also anxious, but he didn't know how to solve it.

at this time--

"Hmph, your excellency is so loud, who said that we can't take out the pill of the ancients. People who know, know that you are Gu Fangzhai, people who don't know, think Gu Fangzhai is a bandit and villain?"

A cold snort sounded, booming, and immediately, the restriction inside the ancient medicine hall was opened, and a figure walked out of it.

"Less dust!"

Shang Gukong and others were overjoyed and hurriedly saluted.

Ouyang Cheng and the others were taken aback. Could it be that Gu Yaotang is in favor of any big forces? Turning his head and looking, he saw that it was a young man whose breath was not in the late Mortal Saint realm, and he had never seen it in Cangxuan City.

Hmph, the guys who don't know where come from, also want to lie to them?

"Why, if you find someone to play the double reed, you don't need to hand over the ancient medicine hall? Guyao, the old man tells you that there is an agreement between our two families, even if it is reported to the city lord mansion, the result will be the same." Ouyang Cheng sneered.

"You don't need to report to the city lord's mansion, you go back and tell you Zhai lord, tomorrow, my ancient medicine hall will definitely hand over the ridiculous ancient Yiqi Pill, as for now, you can go away."

Qin Chen said lightly.

"Your excellency, who are you?" Ouyang Cheng coldly snorted.

"It doesn't matter who Ben Shao is. Don't blame Ben Shao for being unceremonious." Qin Chen's eyes sent a chill. "Hahaha, your excellency is such a big tone." Ouyang Cheng sneered, his eyes suddenly turned: "By the way, the old man heard that the young lady of the City Lord's Mansion was assassinated not long ago, and that an assassin broke into Cangxuan City. Now after the assassination, , Your ancient medicine hall

Suddenly there are a few more strangers and the origins of these few people. It is very unclear. Now the old man has reason to suspect that you are related to the assassination of Miss City Lord's Mansion. Haven't you honestly explained it in front of the old man? "

This Ouyang Cheng actually slandered Qin Chen and the assassination of the City Lord's Mansion.

"Yes, there is little dust. I think it is a fake name. Your identity is fake. It is very likely that you are a killer group, or even a wanted criminal in Guanghan Mansion. You should be clear beforehand."

"Take out all your martial arts and exercises to take a look. Let us know your details thoroughly! Everyone is responsible for arresting the wanted criminal. This is the order of Guanghan Mansion."

"Okay, you ancient medicine. Not only did you breach the contract, you even dared to harbor the assassin. It seems that today's ancient medicine hall can hardly escape punishment."

The Gu Fangzhai warriors behind Ouyang Cheng all smiled grinningly, their eyes shot sharply, and they buttoned their hats, making it clear that they would have trouble with Qin Chen.

"What are you going to do? Young Chen is a guest of my ancient medicine hall. Are you a provocation?" The ancient medicine master angrily said.

"Our Gu Fangzhai is a force in Cangxuan City, and we have the responsibility and obligation to maintain the rules of Cangxuan City. Now that there are restless figures, we must review it clearly. The Ancient Medicine Hall is also part of Cangxuan City. Can we not respect the orders? criminal?"

Ouyang Cheng smiled.

"Criminal, in a few words, I actually became a criminal?"

Qin Chen smiled and shook his head: "I really can't figure out why Gu Fangzhai sent a group of you over here, and Gu Fangzhai's master is really stupid like a pig."

"Looking for death!" Ouyang Cheng's face changed suddenly, a sword light appeared in his hand like a ghost, and in an instant, countless sword lights assassinated Qin Chen's whole body, and then he grabbed it with one hand. An aura enveloped Qin Chen, making him unable to move

Got.

"The mighty secret sword, the mighty sword domain!"

The ancient medicine master was surprised.

This is Ouyang Cheng's ultimate killing method, enveloped with sword energy, and then display the secret sword to penetrate the hole. Suddenly, assassins appeared one after another, which was difficult to guard against.

Especially, while Ouyang Cheng took the shot, the other ancient Fangzhai powerhouses actually shot at the same time, pressing down, adding another layer to Ouyang Cheng's aura.

The remaining people are all masters at the pinnacle of the mortal sacred realm. Together, they have enough aura to suppress the masters in the early days of the earth sage so that they cannot move, completely suppressing them.

They obviously found an excuse to kill the chicken and the monkey directly, behead Qin Chen, and let the ancient medicine hall surrender. The faces of Ouyang Cheng and others all showed a grin. Anyway, the origin of this person is unknown. After the suppression, even if there is something wrong, it can be said to share the worries of the City Lord's Mansion and find the assassin. Anyway, the Ancient Medicine Hall has no background, even Suppressed

, No one dared to say anything.

"I said, all of you are stupid like pigs." Qin Chen stood up, and the secret swords that had assassinated him disappeared invisibly. These secret swords are all self-condensed sword energy. The attack power is even stronger than that of the ordinary Earth Sage's initial attack, reaching the top of the Earth Sage's initial stage.

The extent of the peak.

However, this couldn't hurt Qin Chen at all.

The Triple Sword Region, which stood up in Qin Chen, exploded. With his breath flying, Qin Chen was no longer the face of a good person at this moment, but a violent murderous aura bursting out of his body. Every gesture and gesture has the power to shock the world, triple sword domain. , Can't suppress at all he.

"Whoever provokes me will pay the price. I don't care about you." Qin Chen came to Ouyang Cheng as soon as he moved, and walked in the past like a ghost and a ghost. In the future, a punch!

Click!

Ouyang Cheng was taken aback, but the reaction was extremely quick, and the fist wind approached his body, and he immediately shot the fascinating "Divine Might Comes to the World!" A stern divine might descended into the world and condensed into various shocking visions.

But Qin Chen didn't care how powerful he was, he was just a punch.

When the two fists collided, Ouyang Cheng's whole body shook, and a mouthful of blood spurted out. His whole body was throbbing with a violent noise, and his body began to crack, and his bones were broken. His body flew out of thin air, hit the wall of the ancient medicine hall, and bounced to the ground, rolling repeatedly, unable to control himself.

#### [Chapter 2509: Suppress with one hand](#)

"Between heaven and earth, everything returns to the original."

At this time, the remaining few masters of the Fan Holy Realm peak in Gu Fangzhai were frightened, and they shot one after another to help Ouyang Cheng. The people of the ancient Fangzhai are indeed very powerful. They are all top masters. Although they are only the peak of the Mortal Sacred Realm, each cultivation base is not weaker than the ancient Zhong Sect leader Mu Daoxuan. Between shots, these strengths are sudden. Time is very weak, but can continue to be

Expanded, and finally gathered into a terrifying universe in a square inch.

The astonishing ancient aura enveloped Qin Chen as the universe expanded. Qin Chen didn't know how to do it, his big hand grabbed back, his five fingers condensed, the killing fist lingered, and suddenly, the space collapsed inward, cracking the strength of several people's joint efforts, and the last step was taken, and the whole person was like a sky outside Peak, hit hard

These people.

boom!

When Qin Chen moved, it was as if a mountain was surging, and the power was astonishing, and the terrifying floating shadow enveloped the world and hit these people fiercely.

what!

These Gu Fangzhai masters hurriedly backed away and screamed, but it was too late, especially the leader who was the first to bear the brunt, and his expression was distorted.

"Do not!"

With a bang, the person screamed and was directly hit by Qin Chen. The whole person exploded and fell apart. A master at the pinnacle of the mortal realm was directly knocked and exploded. How tragic it was. Vice screen?

"No, go back quickly!"

The remaining top masters in the late Fan Sacred Realm showed horror, seeing that the situation was not good, and their bodies hurriedly flew backwards. But Qin Chen sneered at the corner of his mouth, his eyes were cold, and he grabbed the void from a distance. Suddenly, a huge palm appeared to the world. Above this palm, countless space secrets lingered, as if it had turned into a mighty kingdom of God, containing the world. ten thousand

Objects, covering the entire hall of the ancient medicine hall, all of a sudden enveloping those masters of ancient Fangzhai.

In Qin Chen's palm kingdom, no matter how struggling the mortal sacred realm pinnacle masters were, they couldn't move at all, like a bird in a cage or a fish in a fishing net, entangled to death.

"Get me back!"

Qin Chen pulled!

These Gu Fangzhai masters were frightened, they were taken back by life, and landed in front of Qin Chen, Qin Chen pinched their heads like an eagle with five fingers and one claw.

"You...you...can't kill us, we are from Gu Fangzhai!"

puff! puff! puff!

Before the voices of these people were over, Qin Chen's palms had already been pressed hard, and suddenly, the heads of these people were exploded like rotten watermelon, the bones of their bodies were also twisted to pieces, and their bodies were like mud, limp.

The many masters of Gu Fangzhai were all beaten to the ground by Qin Chen's injuries and killings within a few words.

"This...this...this..."

The ancient medicine masters, Ai Anshun and other masters of the ancient medicine hall all stared at their eyes, just like a duck pinched by the neck, unable to make any sound, and their shocked legs trembled.

Rely on.

What did they see?

While Qin Chen was angry, he directly killed many masters of Gu Fangzhai. Is this going crazy?

Even Shang Gukong and Qin Tingting, who had seen Qin Chen fiercely, were shocked, their hearts beating wildly.

This is Gu Fangzhai, Cangxuan City's middle alchemy power, how can Qin Chen kill their people like this?

Some guests in the ancient medicine hall were shocked to see them, as if they were a wooden chicken, unable to move. "You..." Ouyang Cheng collapsed on the ground, looked at Qin Chen in horror, and said with a trembling: "You dare to kill my Gu Fangzhai people, it's over, you're over, do you know what you did? The rebellion doesn't mean it, and you will die. , It's over, you're over, now you only have one chance to survive, that is, to obediently surrender and submit to my Gu Fang Zhai, the old man may be able to say a few good things for you because of your good talent, otherwise, wait for my Gu Fang Zhai The Lord has come to get news, you cannot escape death, you must die

suspect. "

Ouyang Cheng roared. "Haha, there is no doubt that you will die? If you offend me, you will be rebellious and seek your own death." Qin Chen sneered, stepping out, "Do you think you still have a way to survive today? I didn't kill you in the first time, not planning to let you go. A way out uh, if

It is Ben Shao who is going to refine your earth saint origin! "The other party has hit the door, how can Qin Chen let Ouyang Cheng leave? In Cangxuan City, everything must be ruled and lawful. Now Qin Chen is the master of the ancient medicine hall, but the people from Gu Fangzhai broke in Gu Yaotang forced his hands on him and slandered him as a thorn

Guest, even if this lawsuit hits the city lord's mansion, Qin Chen is not afraid.

"What? You want to extract the origin of the land from me, it's just a wishful thinking, dare you!"

Ouyang Cheng roared and banded, his body was full of terrible rules, angered into anger, while roaring, he didn't know where the strength came from, and hurriedly fled out. But how could Qin Chen let him run away, sneered, extremely fast, grabbed with his left hand, forming a whirlpool, and a terrifying swallowing force appeared. In the swallowing whirlpool, there was lightning surging, flashing, accompanied by With terrible power,

It was about to pour into Ouyang Cheng's body deeply, plundering his earthly origin.

"Don't think about it!"

Ouyang Cheng roared and roared, inside his body, layers of terrible rules exploded, like layers of rules boiling, to explode this ancient medicine hall, rushing out of here, the swallowing vortex formed by Qin Chen never stopped. The tremor seemed to be blown away.

Qin Chen sneered, bowing left and right, and a terrifying black cauldron appeared in his hand, which was suddenly pressed down.

It's Zhenmo Ding.

boom!

When the Demon Suppressing Cauldron fell, it immediately suppressed the void, and Qin Chen's void thunder and lightning claws had also been inserted into Ouyang Cheng's body.

what!

Ouyang Cheng wailed in pain, and the earth saint origin on his body was constantly passing by.

With super tyrannical power and devil-like plundering methods, Qin Chen actually forcibly deprived Ouyang Cheng of the earthly origin of his body and supplemented himself. The origin of the earth sage is the insight of the earth sacred realm powerhouse on the way of heaven. A sense of the rules of the world and the essence of life, and the core energy of the sacred element condensed by the combination of the soul of the sacred element, after the transformation, it derives Earth Sage Origin

.

Every time an earth-sage strong person condenses a source of power, then it means that he has a deeper understanding of the way of heaven, and the stronger his strength.

But when the origin of the earth sage is condensed to a certain level, it can attack the position of the heavenly sage.

It is also the master of the early days of the earth saint, the amount of the origin of the earth saint in the body represents how strong the strength of the master of the earth saint is. This is a standard for measuring the master of the heavens.

Qin Chen was only a strong man at the peak of the late Mortal Saint realm. According to the truth, he could not refine the origin of the earth sage level, because the earth sage origin was far beyond the ordinary sage origin, and the power was more than one star. But Qin Chen was different. He was a mortal sacred realm that relied on the origin power of the Origin Continent to break through. Based on various rules, an ordinary sage far surpassing the heavenly realm, with his vigorous strength, it was not impossible to refine the Earth Saint Origin.

#### [Chapter 2510: Go through fire and water](#)

However, Qin Chen did not even think about directly refining Ouyang Cheng's original power, because if he refines too much of the earth saint origin, it is very likely that his cultivation will be forced to the earth saint realm by the earth saint origin. , This state is unstable

, Is a method of pulling out seedlings and promoting growth, and will grow into a holy sage at best in the future, and will not be able to enter the realm of the holy master.

Naturally, Qin Chen would not be so short-sighted.

He chose not to refine the source directly, but at the same time he felt the power of the rules in the source of the other party, and did not integrate the power of this rule into his body, but regarded it as a kind of perception and a kind of experience.

In this way, he not only understood the rules of the Earth Sage Realm and improved his strength, but also did not affect his foundation, which can be described as killing two birds with one stone. The origin of the earth saint was quickly deprived. Qin Chen's body showed an earth saint-level aura everywhere. The saint yuan in Ouyang Cheng's body was constantly declining, his face turned yellow, as if he had been drained of blood. , But I snapped

, Falling on the ground, can only pant, can't move.

The aura on his body has been declining continuously, and it has even degraded to the mortal sacred realm, and the loss is too great, even if it is restored to the original state, there will be no possibility of seeking the heavenly sage.

However, Qin Chen robbed Ouyang Cheng's origin of the earth sage, and did not refining, but to realize that, immediately, the rules of the earth sacred appeared in his mind.

"Is this the origin of Earth Saint?"

Qin Chen's eyes flickered, thoughts surging in his mind, countless regular runes flowed, countless data and insights flowed in an instant, but he did not swallow even any original power.

He only needs to absorb the rules and perceptions in it. As for the origin of the earth sage, he doesn't need it at all.

In an instant, Qin Chen had a complete understanding of the Earth Sage level. Although his cultivation level had never progressed, he had once again made rapid progress at the level of rules, which would completely reflect his combat power. "It's a pity, it's a pity, this Ouyang Cheng is only a warrior in the early days of the Earth Sage. He is too weak. His understanding of the rules of the Earth Sage is very shallow. In some aspects, it is not even as good as me, but it is not bad, at least in some aspects. , Still gave me

A lot of inspiration. "

Qin Chen's eyes flickered again and again, and Zhizhu was holding it, full of wisdom. "You...you actually robbed the old man's earth sage origin." Ouyang Cheng lay on the ground, like a dead dog, the hatred in his eyes could hardly be poured out of the three rivers: "Unfortunately you still dare not kill. I, I'm the senior of Gu Fangzhai, kill

With me, Gu Fang Zhai will never die with you. "

Qin Chen couldn't help but sneered. At this time, Ouyang Cheng even dared to speak harshly.

"Don't dare to kill you?"

Qin Chen smiled, and then, puff, he blasted out with a punch, and suddenly, like a dead dog, Ouyang Cheng burst open in an instant, turned into powder, and rained blood on the ground.

Qin Chen let out a long breath and shook his head: "I really don't know how to live or die."

"Little dust, you... actually killed Ouyang Cheng." In the hall, the ancient medicine master was shaking and his eyes widened. This is Ouyang Cheng, the master of the earth, killed him, the ancient medicine hall and the ancient prescription. Zhai will no longer have any room for transformation, and the two sides will never die.

The child is on a dead end, and there is no room for turning around.

"Kill you kill, why, master of ancient medicine, do you still want to make peace with Gu Fangzhai?"

Qin Chen sneered. In his body, the Earth Sage origin that had never been refined suddenly emerged again. This was the Earth Sage origin he had swallowed. The rules had been understood by Qin Chen, but the power origin was still there.

Qin Chen couldn't use this power, but it could be given to others.

He glanced, his eyes fell on Shang Gukong.

"Lao Kong, I'll give you this thing." When the voice fell, Qin Chen kept pointing directly on this holy origin, and then the holy origin began to collapse, turning into a great net of origin, and falling into it. Shang Gukong's body was covered, and immediately the breath of Shang Gukong's whole body boiled

When he got up, the divine light from his eyes was three feet long, piercing the void, and his strength greatly increased.

boom!

Shang Gukong's original vain strength suddenly solidified, and suddenly stepped into the peak realm of the early earth sage, and stabilized, bang bang bang, his body bursting sound, this is the whole body meridians are transforming and reshaping.

Not only did Qin Chen fail to refine Ouyang Cheng's earth saint origin, but instead spent energy to help Shang Gukong refining, this at least saved him thousands of years of hard work.

Shang Gukong's original origin had already begun to float because of the imminent life of his life, but after refining Ouyang Cheng's original power, not only the original origin was consolidated, but he also stepped into the early peak of the Earth Sacred Realm, and his strength suddenly increased several times.

This is equivalent to the painstaking practice of Ouyang Cheng for tens of thousands of years, and all of it has been poured into his body at once. How can there be little change?

"Little dust!" Shang Gukong looked at Qin Chen in shock, almost knelt down with excitement. "It's okay. If you give Qin Tingting and the others, it will only let them pull the seedlings and encourage them, and limit their future realm. It is you, and you are the master of the earth. This source will only allow you to consolidate your cultivation, without any Not right. As for

Ben Shao, I will sooner or later cultivate into the Earth Sage, this ordinary Earth Sage origin, Ben Shao still looks down upon him. "

Qin Chen waved his hand: "If you follow me, you should have tolerance and work hard. Don't talk about Earth Sage in the future, even if you break through Heaven Sage, it's not impossible."

Shang Gukong hurriedly knelt down and said, "Thank you, little dust, my old man, I will only follow little dust in the future.

"Haha."

Qin Chen raised his hand, and an invisible force immediately helped Shang Gukong up, "Go through fire and water, you don't need it, follow Ben Shao, you just wait to eat fragrant and spicy food, and step onto the pinnacle of life."

The ancient medicine master and others were shocked and inexplicable.

There were also some guests in the Ancient Medicine Hall, who collapsed completely to the ground at this time, and they were overwhelmed by Qin Chen's powerful methods.

Seeing Qin Chen's eyes swept, these people all backed away in horror, for fear that Qin Chen would kill them all like a chicken. "Don't panic, you all are the guests of my ancient medicine hall. Ben Shao has a clear sense of grievance and grievance, but he is not a wicked murderer. Just self-defense, Ben Shao

All the previous pictures have been recorded, even if the law enforcement team from the City Lord's Mansion came, Ben Shao was not afraid. "

"Well, there is still something going on in my ancient medicine hall today. I have to close my business behind closed doors. You all leave quickly." Qin Chen waved his hand, and immediately these guests crawled out in a hurry, not even daring to look back. I only feel that I have taken my life back.
