

Valkyrie 2831

[Chapter 2831: Allocation Hall](#)

Qin Chen shook his figure and entered the palace directly.

"Xiang Guan, I am from Bi Yaozong, and my father is the deputy master of Bi Yaozong. This is the eternal Qingtian tea that is unique to Bi Yaozong. Every piece of tea needs to be poured with evergreen holy water to grow. Each tea tree can grow a leaf in one year. I heard that you like to drink tea. After my father knew about it, he specifically asked his disciples to offer it to you. Such a good tea can only be a person like you. In order to taste the flavor."

"Guan Shi, I am a member of the Xu family of Pill King of Guanghan Mansion. This is the Nine Resurrection Pill refined by my father, and he smelted ninety-nine and eighty-one resurrection plants. Once taken, the soul of the user can be baptized. According to Different cultivation bases can grow up to 30%. My father told me to honor your old man."

"Xiang Guanshi, I am..."

In the palace, there are many warriors. These warriors, whose breath is in the realm of Peerless Earth Saint and Half Step Heavenly Saint, respectfully, standing in front of an old man in front of the counter, with flattery and respect in their eyes.

And the old man, wearing a stewardship suit, with the Heavenly Sage aura surging from his body, and his cultivation base at the peak of the early days of Heavenly Sage, sitting carelessly at the forefront, it was obviously the steward of this hall.

"Senior, this one is the manager in charge of the allocation of the newcomer's Dongfu." Lin An said tremblingly.

Qin Chen glanced, and it was already clear.

These disciples in front of them are obviously all disciples recruited by the Martial Arts Department this time, and they present gifts to be able to allocate better Dongfu.

The role of a cave mansion for a warrior is really crucial. Different cave houses have different holy auras between heaven and earth. If they can be assigned to a cave with abundant holy auras, the speed of cultivation will be at least higher than that of ordinary cave houses. It can even change the fate of a disciple in the future.

Therefore, even if these disciples are bankrupt, they must offer gifts and strive to be assigned to a good Dongfu.

However, among these disciples, Qin Chen did not see Ao Qingling.

Qin Chen's figure shook, and he had already arrived in front of the old man.

"Huh? If you come to distribute the Dongfu, you just retreat to the back, don't you know the line?" The old man played with the various treasures in his hands. Depending on the level of the treasure offered, the Dongfu allocated to others is naturally different. Do not lift.

"Who is your excellency? Don't go back soon."

"Hmph, I'm running wild in front of the steward, don't you know the line?"

"Go back quickly, or you won't blame me for waiting."

Many disciples immediately yelled and wanted to show themselves in front of the manager in order to make a good impression.

"roll!"

Qin Chen's tongue burst into spring thunder, and he let out a sound, rumbling, and suddenly, these peerless earth sage, half-step heavenly sage cultivation disciples, all seemed to have been struck by thunder, all trembled, and they were violently shocked. He lay down on the ground.

"what?"

Na Xiang Guan Shilian raised his head and saw Qin Chen and Lin An, and felt the aura of the two of them, and immediately became clear in their hearts, and immediately knew that these two were not new disciples.

"Who are you two? This is the Martial Arts Department's Dongfu Distribution Hall. Who gave you the courage to be arrogant here."

Xiang Guan suddenly stood up, yelled angrily, and exploded coldly and murderously.

"Do you want to be in charge? Don't be restless." Qin Chen squinted his eyes and teased his fingers. "I'll inquire about one thing. In this general election of the martial arts disciples, several women came from Yunzhou, called Ao Qingling and Qin Tingting. , Li Wanxue, I don't know where I was assigned? I hope to tell."

Qin Chen said lightly, not wanting to fight in front of the warrior department manager.

Unexpectedly, as soon as Qin Chen said this, Xiang Guan's expression suddenly changed, his eyes flickered, and he sternly said: "Who is it, your excellency? I will assign the hall and the disciples. What do you do with you, leave quickly, otherwise, Don't blame the old man for being polite."

"Huh? This person has a problem."

Qin Chen saw the other party's eyes flickering, and immediately knew that the other party was tricky, and his heart sank.

"It seems that Young Master Ben has to be rough." Qin Chen suddenly took a hand, hum, hum, and a huge whirlpool appeared in Qin Chen's palm, and suddenly the manager was unstable, unexpectedly Was sucked by Qin Chen!

"Ah! Extinguish the innocent body, breaking dawn fist!"

Facing this, Na Xiang Guan's face changed wildly, and before a shock, a towering figure appeared behind him, and a light like a dawn, resisting the suction, to launch a counterattack.

But Qin Chen flicked his finger, and a shadow of the sky-shaking finger shot up into the sky, blasting out suddenly, shattering the light like dawn.

This was a great supernatural power of the Heavenly Work Martial Arts Department, but Qin Chen shattered between his fingers, showing that the two sides were not at the same level.

"what!"

Then, the old man was sucked into his hand by Qin Chen, and shouted: "Who are you? I am in charge of the military department. You move me and cannot escape punishment."

He struggled fiercely, but in Qin Chen's hands, it was like a sparrow being caught in a net and couldn't fly out no matter what.

Lin An on the side was already stunned. He only felt that his scalp was numb and his body was trembling. He thought Qin Chen had come, but just asked the other party. He didn't expect that he would just shoot like this. It was lawless and bold.

It is a big crime to be cruel to the steward of the warrior ministry, and he, the leader, will also be implicated and severely punished.

"Let's talk about it, where did Ao Qingling and the others go? You must know their whereabouts, just say it!" Qin Chen said in a cold voice, with murderous expression in his eyes.

"Ah, kid, you are dead, dare to do something to me, the elders will not let you go, elder, save me!" yelled at the steward.

Boom!

As the voice fell, a terrifying aura suddenly spread across the distribution hall. At the same time, a tyrannical force swept out from the depths of the hall, penetrated the layers of space, and instantly descended in front of Qin Chen.

"Young man, who on earth are you? I ran wild in my distribution hall, acted boldly, quickly put down Xiang Zun, and knelt down to admit his mistake."

An old voice rumbled, motivating the rules of heaven and earth, and then in the depths of the void, a figure appeared vaguely. This was an old man with endless light shining on his body. He turned out to be a strong man in the middle of the heavenly sage, who guarded this distribution hall. One of the military ministers is old.

Boom!

He penetrated the void, stepped forward in an instant, appeared in the hall, swept across his palm, and the terrifying power instantly fell on Qin Chen, trying to suppress him with a punch.

This is the elder guarding the distribution hall. With his cultivation base, a single move can kill a disciple in an instant. Qin Chen, the warrior at the peak of the early days of Heavenly Sage, is naturally no exception.

[Chapter 2833: Found someone](#)

"It's over, alarmed the elders."

Despair emerged in Lin An's eyes, Qin Chen would be defeated by the elder of the distribution hall, and he, as an accomplice, would also be suppressed here and subject to capital punishment.

However, Qin Chen's eyes suddenly flickered with cold light, a breath of aura was slightly shaken, and a breath of eternal glory appeared behind him. The glory of the gods surged, and the power of the elder of the hall had just touched his body. They collapsed one after another. "Allocation hall elder? Humph, accept bribes from disciples, control the cave, ask for benefits, corpse position vegetarian food, I think you are behind the scenes, the sin is unforgivable." Qin Chen's voice spread with his body, the next moment, Appeared on

In front of the old man.

collapse! It seemed that the sacred mountain of the heavens had collapsed, and the sacred pillar supporting the heavens and the earth was smashed by Qin Chen. There was no suspense. The guard elder of the martial arts department was hit by Qin Chen and completely knocked out, with blood frenzied in his mouth. Spray, breath away

The chaos, even the original law of Heavenly Sage, was bleak and smashed into pieces.

boom! The old man slammed against the wall of the distribution hall, and then stopped. The bones in his body blasted, and he turned over in the air, with his head disheveled. He opened his mouth and spit out dozens of blood. The blood was even with traces of blood. Destructive

The breath is obviously the root cause of the body is destroyed, the origin is greatly damaged.

With one move, an elder of the military department actually vomited blood and was seriously injured.

"what?"

Lin An, Xiang Zun, and the many other disciples present, they almost jumped with their eyes. I can't believe my eyes, one by one, just like seeing a ghost, especially Na Xiang Zun, who used to yell before, but now, his eyes are white and he can't say a word, like leaving the water. Fish, only half left

Fate.

Who is the guard elder? Although they are not the top elders in the military department, they are also strong in the middle of the heavenly sage. They can sit in a hall, which is extraordinary, famous and famous, and the cultivation level is unpredictable and extraordinary.

But now, they were hit by a single move, and it was impossible to even fight back. Qin Chen's strength made them incredible and could not believe it.

Although it is said that seeing is believing, ears are fictitious, but now that they have seen this scene with their own eyes, they feel that what they see is fictitious, because this is beyond their ability to understand.

Even the saint sons of the warrior department, even though they said that their cultivation bases are invincible and invincible, they have never said that they can shake the guard elder into flying.

"Naughty animal!"

Suddenly, the knocked-up old man flew up, roaring and roaring, his hair flying, like a mad **** or devil, his blood was flowing, and the vast life span of his body was burning: "The sky is shattered and the earth is destroyed.

The void burned, and endless ashes fell, and they were sprinkled. In the ashes, there seemed to be a series of magical shadows, which fell down and formed a power against the sky, sweeping towards Qin Chen to kill the eternal age and destroy the heavens and the earth. .

"Unexpectedly performing a taboo technique!" When Xiang Zun looked at it, he couldn't help shaking. "Elder Zuan, this supernatural power of ashes for all ages is a taboo technique of our military department. If you practice indiscriminately, you will be punished by Heaven's work!"

boom! His spiritual thoughts had just been sent out, and he saw an incredible scene again. Qin Chen's face was expressionless, his big hand grabbed into the air, a horrible killing aura surged out, and the horrible killing aura wiped out the eternal life and turned into thousands of palm shadows. Explosive volume, just grab

, The supernatural powers of the eternal ashes were all shattered, and all of a sudden disappeared.

Then, Qin Chen grabbed and photographed with a palm of his hand, no matter how Elder Zu'an avoided it, he was caught and photographed by Qin Chen, pinched his neck suddenly, and lifted it up abruptly.

"Ahhhhh...boy, I will break your body into pieces."

This elder roared again and again, and constantly displayed his magical powers, trying to break free from Qin Chen's shackles, but no matter how he displayed his magical powers, he couldn't escape Qin Chen's palm, like a dead fish.

"Hmph, still struggling, give me stability."

Qin Chen snorted coldly, a destructive force poured into the elder's body, and immediately, the elder's legs kept kicking in the air, his eyes turned white, and endless fear emerged in his eyes.

Seeing this scene, Na Lin An almost fainted, breathing heavily in his chest, feeling suffocated. "God, the elder Zu'an who guards the distribution hall was carried in his hands like a dead fish. What is the origin of this kid. How could it be possible that this is a giant in the middle of the heavenly sage, the outer door elder of the warrior department. Beat, too strong

Now, how could there be such a strong genius in this world. "

Lin An yelled wildly in his heart, hysterical, he never thought that Qin Chen's strength was so high, he thought that Qin Chen's strength was better than Xiang Zunguan's, but unexpectedly, he suppressed it with just a few fingers. An outside elder.

After the shock, it was endless fear. This is the outer door elder, so arrogant, so fiercely slapped, the warrior ministry will never let them go. That kid is looking for death, seeking his own way.

And the many disciples present were so scared that they shivered in the hall, and they didn't even dare to move, for fear that Qin Chen would trouble them and pinch them to death like ants. "Elder Zuan? The

guard elder of the Allocation Hall? Humph." Qin Chen held Elder Zuan in his hand and sneered, "As the guard elder of the Allocation Hall, then you must know where Ao Qingling and the others have gone. Hurry up, give you three breaths

If you don't tell me the time, I don't care what you are in charge or the elder, and you will be cruel, this young master will directly kill you. "

Uuuuu... This elder Zu'an hesitated and was speechless. His life and death were between Qin Chen's thoughts, and the Saint Yuan in his body was blocked. At this time, he finally felt Qin Chen's Horror, I also felt that in Qin Chen's body, it seemed like

He couldn't resist the vast power of the heavens. How could there be such a powerful Tianjiao in the Martial Arts Department? No, it is impossible. He has heard of the saint son of the Martial Arts Department, but none of them is similar to the young man in front of him. Could it be that this son is the best talent in the Art Refining Division? ? And only from the Refining Division

Geshi Tianjiao has such a terrifying breath.

Tian Jiao is heavily guarded, and it is extremely difficult for outsiders to break in. Qin Chen appears here. He is not a member of the Martial Arts Department or the Refining Division. Moreover, these Tianjiao are basically of the Saint Child level. Elders can mess with it. At the critical moment of life and death, Elder Zu'an's mind was exceptionally clear. At this moment, he couldn't even think of hatred. In the face of such irresistible power, hatred was useless.

[Chapter 2834: Won't let you go](#)

"Unexpectedly, the few women in Yunzhou have such backgrounds. I knew that I shouldn't intervene in them. Now I'm asking for trouble."

Elder Zuan was horrified, and finally spoke: "This young hero, the three Ao Qinglings, in Jiuyang Shenxuan Mountain, the old man assigned them to Jiuyang Shenxuan Mountain."

"Nine Sun God Xuanshan?"

Qin Chen felt a chill in his heart and said coldly, "Isn't this the cave house occupied by Murong Tian?" "It was the Son of Murong Tian who asked us to distribute this way. The Son of Murong Tian has an extraordinary background and rises against the trend. Those few people, the old man is in the warrior department, do not have much background, Murong Tian Shengzi arranged like this, the old man just obeyed orders

Matter. "

Elder Zuan screamed again and again: "The Son of Heaven Murong is himself a talented arrogant in the middle of the Heavenly Sage. His cultivation is stronger than that of the old man, and he is also a character of the Son of God and has a background. I can't help it."

"Huh, there is no way? Let's just say, what benefit does Murongtian give you?" Qin Chen said coldly.

"No....."

Before he finished speaking, the elder Zuan screamed under Qin Chen's suppression: "I said, that Murongtian gave the old man ten heavenly low-grade saint veins."

"Just for the ten low-ranking saint veins of the heavenly rank, you actually let a few new female disciples of the martial arts department, the sheep enter the tiger's mouth, what kind of elder do you have the face? How to be a teacher?"

A terrifying murderous intent appeared on Qin Chen, as if death had descended. "Senior..." Lin An, who was shocked and stunned, finally jumped up: "Senior's men are merciful and let Elder Zuan and Xiangzun take care of them. After all, they are the elders and stewards of our military department. You kill them, trouble. Not small, originally"

"We account for reason, but if you kill them, then we will lose reason, don't kill. "

Lin An was so scared that his soul was almost gone. If Qin Chen really killed the elder Zuan, then everything would really be irreversible. No matter what Qin Chen's origin, he dared to kill an elder in the warrior department, no force could tolerate it. Such a thing. "Well, what I meant was that I didn't want to kill in the warrior department, otherwise I wouldn't be so easy to talk." Qin Chen's eyes flashed, but he calmed down, "However, these two guys can avoid the death penalty. Fleeing, Ben Shao took all the things on them, and it was some stolen money. And you two, go back to the warrior department and explain your crimes, otherwise, when Ben Shao returns from the Nine Sun God Profound Mountain, you will see It's not that simple if you didn't confess your guilt. You need to know

Dao, in the eyes of Ben Shao, the two of you are like dead dogs, and Ben Shao wants to kill you as if killing a chicken, effortlessly, go away. "

After throwing it away, Elder Zuan and Xiang Zun Guan rolled out like a gourd, banging against the wall of the hall.

The two lay on the ground in horror, their throats gurgled, their eyes were full of fear, and they could not speak.

"You, take me to Jiuyang Shenxuan Mountain."

After that, Qin Chen took Lin An, swept away, and already flew high into the sky, rushing to the Nine Sun God Profound Mountain.

Whizzing!

The two traveled quickly, and the Nine Sun God Profound Mountain was a well-known cave in the warrior department, and it was one of the top caves in the warrior department. Lin An had naturally heard of it. He was led by Qin Chen, pointing the way, and his heart was depressed again and again. He is now involved in this battle. Now he can only pray that Qin Chen has a great status and a great position, and can defeat Murong Tian. Son, otherwise, then he

It's in trouble.

He did so many things with him, and the blame came from the top. A little disciple of him couldn't resist at all, so he would be punished.

Now Lin An's fate has all been tied to Qin Chen's body.

Boom! Under Lin An's guidance, Qin Chen traveled through the void, and countless restraints felt the Saint Child Token of the Refining Division on his body. They voluntarily gave up. This made Lin An feel more at ease. All signs indicate that Qin Chen is very likely. Is also one of the day's work

A great person, and has never seen it in the warrior department, so it is very likely that it is from the refining division.

After a while, in the distance, a magnificent mountain appeared.

"Senior, that is Nine Sun God Profound Mountain." Lin An shouted.

"Very good." Qin Chen looked at the mountain peak with electricity, and saw that there were many cave houses within the mountain peaks. Outside of each cave house, there were dense restrictions, and he could not see the true situation. In the depths of the mountain, there is vague Taoism

The breath is surging, and the strong dormant.

"So many Dongfu, where are Ao Qingling and the others?"

Qin Chen furrowed his brows and shook his figure before he fell on the mountain peak.

This mountain peak, as Lin An and the others said, the heaven and earth's holy aura is indeed quite rich and thick, but compared to Qin Chen's own cave, it is at least twice as bad.

"That Murongtian Saint Son's cave is in such a place?" Qin Chen frowned. Compared with his own Qingtian Peak, this Nine Sun God Profound Mountain is too far apart, right? "Senior, although the Nine Suns Shenxuan Mountain is famous, the cave mansion of the Son of Murong Tian is not here. The Son has a separate mountain, and each person is an independent one. More than twice as rich as Jiuyang Shexuanshan

Above, the reason why this Nine Sun God Profound Mountain is famous is that it is the topmost among ordinary disciple Dongfu. After all, Shengzi Mountain is not something ordinary people can enjoy. "Lin An hurriedly said.

"That's it."

Qin Chen nodded, it was almost the same. In this way, the sacred aura of Heaven and Earth of the Saint Child of the Martial Arts Department should be twice as much as the sacred aura of Heaven and Earth of the Saint Child of the Refining Division, which is also in line with the identities of both.

As Qin Chen said, his spiritual thoughts had already swept the gap, booming, Qin Chen's spiritual thoughts were as violent as the ocean, madly sweeping and spreading out, disturbing the sky.

Click!

The entire mountain's restraint was trembling, and Lin An was tingling scalp as he watched.

"Huh? Found it."

Suddenly, Qin Chen's gaze condensed, his face was ugly, and his figure shook, leading Lin An and flew towards an area deep in the mountain.

In that area, there are a few cave houses, and outside the cave houses, there are seven or eight disciples standing there, divided into two groups.

Each of these disciples was the cultivation base of the peak of Tiansheng's initial stage, and belonged to the core disciples of the Heavenly Work Martial Arts Department. Each core disciple was very powerful, arrogant, and extremely proud, staring coldly at the caves ahead. "Three, why are you so stubborn? In our martial arts department, the Son of Murong is the real man of destiny. It is your blessing that you can be regarded by the Lord of the Son. As long as you promise the Son of Murong, you will be glorious. Rich, let alone

You enjoy it, isn't it better than your own hard work? "A man with a big cloak and a feather crown, dragging two thunderballs in his hands, rolling back and forth, crackling, shining thunder and lightning, staring coldly at the cave in front, his face is dumbfounded.

[Chapter 2835: Sweetheart](#)

"Sister Qingling, you and I have known each other for so long, can't you still trust me? I have done wrong things before, but as you said, my life was given by Qin Chen. I have been blinded once. I won't be blind for the second time. Don't worry.

I will die, I will die before you. "

Li Wanxue gritted his teeth, her eyes determined.

"Well, no one will die. If you have a little foundation, no one will die."

Boom!

At this moment, an indifferent voice sounded, and the prohibition in the cave was suddenly torn open a gap, and two figures came out of it.

"Dust...less dust!"

Seeing the people coming, Ao Qingling, Qin Tingting, and Li Wanxue were all stunned. They couldn't believe their eyes, "Little dust, you... why are you here?"

They rubbed their eyes frantically, thinking they were dazzled. "Why can't I be here?" Qin Chen looked at Ao Qingling and the three of them, and couldn't help but smile, showing distressed expressions, "It's me, don't worry, it's okay, everything is okay, I have done everything about you I heard that there is a small amount of money, you don't

There will be nothing. "

Qin Chen said coldly, his eyes colder than ever.

"Little dust, it's really you."

Ao Qingling cried with joy, and could no longer hold Qin Chen's emotions anymore, and suddenly hugged Qin Chen: "Little Chen, you have finally come to work, worry about us."

"Less dust."

Qin Tingting also hugged Qin Chen abruptly.

Li Wanxue hesitated, her face flushed, and she gritted her teeth and hugged Qin Chen.

Feeling the masculine aura on Qin Chen, the three of them were filled with happiness, and they felt more at ease than ever before.

"This....."

Qin Chen raised his hands in embarrassment, and then hugged him as he said. Lin An's nosebleeds are about to squirt out. Ao Qingling and the three are peerless beauties, each body is convex and backward, and the key is different. Some are shameless, some are embarrassed by the three. Just thinking about it, Lin An has some

Nai can't hold the blood in the body, and the nose has to be bloody.

"Dust, is this the ordinary follower you are talking about?"

In the jade disc of good fortune in the universe, Chen Sisi's murderous voice came into Qin Chen's ears.

"Ahem, Sisi, let me explain..."

Qin Chen was immediately embarrassed and hurriedly explained through a voice transmission.

"Puff...well, I am teasing you, Chen, your followers are really good to you, you can't live up to their trust..."

Sisi said suddenly, with infinite emotion, she also heard the conversation between Zhu Qingling and the others. Once upon a time, didn't they also trust Qin Chen so much, would they always believe him?

Qin Chen seemed to have a kind of magic power that could make anyone willing to entrust himself to him, even for his life.

"Little Chen, I'm sorry, we were too excited just now." Ao Qingling and the others felt the changes in Qin Chen, and they stepped back a few steps, their faces flushed, and they were a little embarrassed, but thought that they had embraced them earlier Qin Chen, his heart is full of sweetness again, how much he wants time to remain still at that moment, forever

Does not pass.

But they knew that all of this was an extravagant hope, and their eyes were much saddened.

"Okay, it's okay."

Qin Chen smiled bitterly and shook his head. There are three women in a play, what can so many women sing like?

Boom!

When the atmosphere was very embarrassing, all of a sudden, the whole cave began to shake, and the cave seemed to be shaken.

"Three, have you figured it out clearly, Master Murong Tian Shengzi has no time to waste on you."

An icy voice came from outside the cave.

"Less dust."

Ao Qingling and others looked panicked.

"Let's go, go out and have a look." Qin Chen sketched a sneer at the corner of his mouth, and a cold chill flashed across his eyes.

Boom!

He took Ao Qingling and the others, and flew out from the cave mansion.

Outside the cave, the thunder ball surged in the hands of the man who approved the Greatcloak, and a series of lightning flashes converged from his palm. It was obvious that he had sent the bombardment just now. His eyes were indifferent, and he was indifferent to the world, and his heart was cold. It seems that these women are toasting and not eating fine wine, and that is nothing. When he breaks the cave, he can directly seal and take it to the son of Murong Tian. Anymore

The woman who is fancy is impossible to escape from his palm. He sneered in his heart and was about to make another move. He saw a few figures flying out of the cave. He thought that Ao Qingling had figured it out, but before he could smile, he saw the cave. In, there are actually two men

.

His face suddenly changed.

There was a man in the women's cave that Murong Tian Shengzi liked.

"Lin An, why are you? When were you in the cave mansion? You are so brave, you dare to covet the woman that Master Shengzi likes, I think you don't want to live anymore."

Seeing Lin An, the man's face suddenly changed, and a strong murderous aura swept out, obviously he knew Lin An.

Lin An's legs softened, but in front of Qin Chen, he had confidence and couldn't help but said, "Shao Chengping, I advise you to leave quickly. This adult is the sweetheart of the three girls. You should take someone away quickly. "

"My sweetheart?"

Shao Chengping, the man in the cloak, looked at Qin Chen and couldn't help laughing, his eyes were cold and impatient. "I don't care why you are in Dongfu or what your purpose is, but you dare to move the woman Murong Tian Shengzi likes. That is looking for death. It seems that I have to show you a little bit. Although in the sky work, we Can't kill, but you

We have done unforgivable things, and I must let you know the fate of offending the Son of Heaven. "

"Shao Chengping, talk nonsense with them, beat them half to death, waited for a long time to work, and find a chance to kill them."

Another core disciple barely threatened.

"Do it, suppress him, and drop the Nine Sun God Profound Mountain!"

The core disciple wearing a crown of feathers on his head and a large cloak suddenly roared and grabbed with his right hand. The void suddenly collapsed and cracks appeared everywhere. He unexpectedly displayed a unique skill to control the gods and demons.

This is another ancient school of Heavenly Work, which is exactly the same as the great supernatural power of the ashes of all ages. It can destroy the ten directions, reverse the ten thousand ways, destroy the sky and destroy the earth, and the gods and demons can change the world.

This punch directly killed Xiang Qin Chen, and between the explosions, the aura of ancient destruction appeared everywhere, as if the gods and demons were roaring, and the sky and the sky were trembling.

"Brother Shao's photo-control gods and demons are more exquisite. It is rumored that this fist, controlling the way of gods and demons, shocks the world, is known for its explosive power, and is famous in the ancient world. It is one of the supernatural powers of our Heavenly Work Martial Arts Department."

"Senior Brother Shao got the guidance of Master Murong Tianshengzi to teach skills. Of course, the tide will rise, and soon, he will be promoted to the upper class, and even break through the middle stage of the Heavenly Sage, and then he will be able to hold a high position in the heavenly work."

"Master Murongtian, in order to take charge of the martial arts department in the future, we must establish a lot of masters as subordinates, and we are the subordinates of the adults."

"The future is infinitely bright." Many disciples present shouted in excitement.

[Chapter 2836: Extraction rule](#)

This brother Shao is the best of these disciples, the peak figure in the early days of Heavenly Sage. Between this punch, the endless power enveloped, turned into three shadows in an instant, and each shadow exerted control. Gods and Devils, rolling in

, Hit a torrent of ghosts and gods, like gods and demons, blatantly killed. He was terrified. From the moment Qin Chen and Ao Qingling walked out, he knew that he had failed to complete the mission of Lord Murong Tian Shengzi this time, so he displayed the most outstanding means as soon as he came up. Don't give Qin Chen half

A chance to fight back.

"dead!"

The triple photo-control God and Demon Jue was shot out in a flash, targeting Qin Chen's upper, middle and lower three routes, covering his entire body and giving no chance to escape.

"it is good!"

Many disciples roared. This blow from Senior Brother Shao Chengping enveloped the void in all directions. It was amazingly powerful and would surely be able to capture and suppress that kid.

At this moment, Qin Chen moved, he gave a sneer, squeezed his fist in his palm, lifted it up, and the horrible killing aura surged with three punches. These three punches were silent, but every punch hit Shao Chengping's body, booming! After three punches, Shao Chengping's two avatars exploded in an instant, and at the same time, the body was also exploded with the holy energy, which was originally magnificent like a **** and demon.

Suddenly burst open, just like being hit by a big mountain, torn apart abruptly.

"Ah!" The screams screamed. The power that Shao Chengping blasted was directly blasted into his body by Qin Chen's punch. In his body, countless bones shattered and blood flew across. The whole person flew out hysterically and fell heavily

Falling to the ground, he instantly became a blood man.

Those disciples who were yelling with excitement before, watched Shao Chengping's body explode, seeming to slow down the scene countless times. The horror, surprise, and hysterical howling on Shao Chengping's face were clearly visible.

"come!"

With just three punches, Qin Chen defeated Shao Chengping's violent shot. At the same time, he stepped forward, his claws were like a dragon, went deep into the air, and took Shao Chengping into his hands like a dead dog.

"You, what kind of cultivation is this! How come you can defeat the photo-control gods and demons without using any magical powers? Impossible!" Shao Chengping was carried by Qin Chen like a dead dog, hysterical and unbelievable, screaming . "This is nothing, because my strength is far above you. Today, you who are the running dogs of Saint Murong Tianzi, for the sake of you are disciples of the martial arts department, I will not kill you, but you have disturbed me. People must be punished

Punishment, in this way, I will extract ten thousand heavenly sacred laws from each of you to make up for your sins! "

Qin Chen lifted his palm and directly pressed it on Shao Chengping's Sky Spirit Cover.

"Ah!" Shao Chengping immediately let out a scream, his whole body trembled madly, and the Heavenly Sage Laws with the thickness of thumbs were extracted, and then they were melted by Qin Chen and turned into the purest. The origin of the Heavenly Sage, dripping in the palm of your hand

Slippery rotation. A full ten thousand, ten thousand heavenly sage laws were forcibly extracted by Qin Chen! Shao Chengping's whole person, like an over-indulgent person, his face was pale and pale, his strength was gone, his whole body was like a deflated ball, and he shriveled in an instant and moved.

Can't move.

Extracting ten thousand heavenly sacred laws is equivalent to killing half of his life, and no matter how much he cultivates in the future, he can't make up for it. Most of the foundation is lost, even if the panacea is swallowed, it will not help.

Even if the qualification is invalid.

In the future, he will only be able to be an ordinary disciple in Tianjiao, and don't even think about it in the mid-term achievement of Heavenly Sage. Even when the time comes, he will be appointed by Tianjiao to be the most ordinary messenger, and the dust will fall from the clouds.

"Ten thousand heavenly sacred laws, the genius of Shao Chengping's return to the Martial Arts Department, who has only such a weak law power, is too disappointing."

Qin Chen refined the extracted Heavenly Sage Law in his hands, forming a gleaming orb, in which various auras surged, extremely powerful, but compared with the power of the law in Qin Chen's body, it was too far behind. Reasonable plan.

"Senior Brother Shao unexpectedly has taken the Heavenly Sage Law in his body..."

"Devil, this guy is the devil."

"When has such a freak appeared in our military department?"

"Lawlessness, too lawless."

When the remaining disciples saw this scene, they were so shocked that their entire bodies stood up, and there was endless fear in their hearts. Qin Chen's shot was too harsh. They only wanted to suppress Qin Chen and teach him a lesson. Unexpectedly, the other party directly extracted 10,000 Heavenly Sage Laws from Brother Shao. Once these rules were gone, Brother Shao almost become one

A waste.

In panic, both Murong Tian's subordinates and Fu Zixi's subordinates looked in panic. They did not dare to confront Qin Chen, and turned around to flee here.

"You guys! Do you still want to run?"

Throwing Shao Chengping on the mountain, Qin Chen looked at the other disciples with a sneer, a faint light burst into his eyes.

Boom!

He said that immediately, the entire space of the Nine Sun God Profound Mountain seemed to freeze in an instant, everyone was imprisoned here, unable to move, the power of the Saint Yuan in the body seemed to be frozen, and could not be mobilized at all. stand up.

"Why is this person so ferocious!"

"It's too strong, what kind of spatial knowledge is this, why can't we move?"

"No, is this a peerless evildoer? Brother Shao has now been abolished, and 10,000 Heavenly Sacred Laws have been directly lost. If we are the same as Brother Shao, I am afraid that our status will not be preserved in the future."

"Sacred Son Murong Tian, take action quickly and save us."

"Master Fu Zixi Shengzi, save us quickly."

"Ahhh, why can't we move anymore."

The remaining disciples roared in horror and wanted to leave here, but found that no matter how they flew, they couldn't fly out of here. The void was imprisoned, and they were like flies imprisoned in this world. "Want to run? It's impossible. People who dare to move me must have this consciousness, and let you run away like this. How will I stand in the future? Don't say it's you, even if it's Murongtian behind you Shengzi, Fuzixi Shengzi, also

It's hard to escape Ben Shao's accountability. "

Qin Chen stood on the Nine Suns God Profound Mountain with flying hair. He looked at a group of disciples who screamed in horror, as if watching a group of flies, "Die all to me!"

In the body, suddenly the peacock flew out of seven or eight Changhong like a screen. Changhong swept across, flew to those disciples, and instantly fell on them. Suddenly, endless screams resounded. In the bodies of these disciples, the heavenly holy laws were extracted. Everyone is Ten thousand, no more, no less, all were taken out in an instant.

[Chapter 2838: A big shot](#)

"Ah!" These disciples screamed sternly, but Qin Chen was indifferent. He now knew that the Martial Arts Department was different from the Refining Division, and the Refining Division was relatively gentle. Allow too much fighting, you die

live. But the Martial Arts Department is different. In order to cultivate for himself, Murong Tian actually robbed Dongfu and even doubled the female disciples of other Martial Arts Departments. However, the Martial Arts Department did not punish them at all. The weak and the strong

.

As long as you are strong enough to occupy the truth, the warrior department will only open one eye and close one eye. Originally, the world of heaven is a world of strong men. The disciples of the Tiangong martial arts department are also a world where strong men compete. If you can't bear it, you will only become a handyman who manages some things in Tiangong in the future.

, Is the deacon, in charge, and stronger, you can become an elder.

These are all fighting together.

If you are strong, you can act unscrupulously.

"Holy Son Murongtian, come quickly to rescue us."

"Shengzi Fu Zixi, save us."

"Ahhhh, come and save us." These disciples who had been out of Ao Qingling's cave before screamed like a pig at this moment. They were imprisoned by Qin Chen's power and could not move at all. The holy law of the whole body is drawn like flowing water, vitality

Elapsed, dying, all screaming frantically.

"Humph."

Qin Chen snorted coldly. In the palm of his hand, he melted the heavenly sage laws of many disciples together, forming four groups of radiant light of the laws, exploding with a shocking aura.

"Qingling, Tingting, Wanxue, you three are only one step away from Heavenly Sage. Let me help you."

Qin Chen urged the technique of patching the sky to refine these heavenly sacred laws, and then directly photographed them. Suddenly, these heavenly sacred laws were like an angry dragon, and Qin Chen was instantly beaten into the bodies of three women.

"And you, Lin An, lead the way for Ben Shao, and there are hard work, and it will give you a little benefit."

Qin Chen raised his hand and slammed the remaining little heavenly law into Lin An's body.

He wants to be clear about grievances, grievances, grudges, and grudges.

Ho Ho Ho!

There was an endless explosion in the four people's bodies. The terrifying Heavenly Sage Law seemed to explode their bodies, causing the four people's bodies to swell up suddenly, seeming to burst on the spot.

"Refining for me!"

At the critical moment, Qin Chen squeezed his hands and urged the sky-repairing technique, and runes continuously penetrated into the bodies of the four.

Roar!

Qingling, Tingting, and Wanxue spit out divine rainbows from their seven orifices. Under the refining technique of patching the sky, they absorbed the many laws and powers of these core disciples. The rumbling, the breath of the body suddenly swelled, and it broke through in an instant. To the realm of Heavenly Sage.

The boundless and magnificent heavenly sacred aura came down, and the three of them roared again and again, becoming extremely sacred, noble, changed appearances, and breathtaking.

The three heavenly saints were thus born.

Originally, Ao Qingling, Qin Tingting, and Li Wanxue were only one step away from the early days of Tiansheng after undergoing the training of the Martial Arts Department, but now, Qin Chen directly allowed the three of them to get a breakthrough, surpassing a lot of penance. .

As for Lin An, the aura on his body also had a breakthrough, making him a point more diligent.

"Ahhhhh...this is our law..."

Many core disciples roared in despair, their eyes cracked, and their eyes breathed fire. Originally, they still hoped to regain their law power, but now, everything is too late.

"Master Murong Tian Shengzi."

"Master Fu Zixi Shengzi."

"Help us!"

These disciples all roared madly. It seems to have heard their call, boom! There was a loud noise in the sky, and countless nearby mountains shook. Qin Chen's whole body shook, and he felt two incredibly powerful forces coming down from the sky, suppressing them, as if

Suppress yourself forever and sink completely.

He looked up at the sky.

I saw a huge palace with purple air, like a palace of gods inhabited by gods. The palace is full of purple air lingering everywhere, or it is extremely peaceful, the powerful heavenly sage atmosphere surrounds the eternity, as if there are gods living in it and descending into the world. On the palace, a slight movement, the breath that burst out, collapsed the sky and collapsed.

Extremely, the flame aura from above caused many holy auras in the Nine Sun God Profound Mountain to boil.

The entire mountains, lingering purple air.

Heavenly Sage Supreme Treasure, Zixiao Tusui Palace! When Qin Chen's eyes were cold, he saw the cracks of the Nine Sun God Profound Mountain beneath his feet. That day, the power of the Holy Treasure Zixiao Douxing Palace was actually trying to crush and transform the entire Nine Sun God Profound Mountain. For the dust, arrogant, domineering, unreasonable! This

It was the feeling that this Heavenly Sage Treasure gave Qin Chen when it appeared. Originally, Qin Chen had seen many treasures of the Heavenly Sage level in the Treasure Treasure Sanctuary, but as soon as this Zixiao Doulu Palace appeared, Qin Chen knew that this treasure was the ultimate treasure of the late Heavenly Sage. It's worth at least eight in the Treasure Temple

A treasure of ten thousand contribution points.

A saint child of the warrior department can actually come up with such a treasure, no wonder it is so against the sky. And at the moment when the Zixiao Douzhi Palace appeared, booming, a figure appeared on the other side of the sky, boundless imperial aura soaring into the sky, this is a towering body, like the **** of eternity, standing proudly there, with a pair of eye pupils Like the emperor came, burst

Issued endless majesty.

Two atmospheres, one on the left and one on the right, stood proudly in the sky, looking coldly, and booming, the holy energy of the entire Nine Sun God Profound Mountain was boiling and almost exploded.

"Ah!" In the Nine Sun God Profound Mountain, there are many caves, dozens of them, and Ao Qingling and the others occupy only three. In the rest of the caves, there are other core disciples who have not appeared before. , Watching the battle with fear, this time,

I couldn't hold back anymore, one by one flew out of their caves in horror, hovering in the distance tremblingly, looking at them in horror.

"Who is your excellency? I dare to seduce my disciple from Murongtian's humiliation and report the name, but I have to find out who it is that dare to challenge the authority of my son." In the palace of purple qi soaring to the sky, there was a voice like the emperor of the world, very cold and very calm, without a trace of anger, some just arrogant and indifferent. People who despise everything in this world, imitate

The Buddha is the emperor who dominates the world, and anyone who dares to violate his will must bear his punishment.

"Huh, where did the kid come from, the person who moved me to Fu Zixi, it was you Murongtian who challenged me before, and now there is such a guy who moved my subordinates, it seems that I am in Fu Zixi's retreat for too long. , Anyone would dare to step on me." On the other side, the emperor-like powerhouse surging with golden light and imperial aura, carrying the boundless emperor's majesty, invincible.

[Chapter 2839: Zimei Real Fire](#)

Boom!

Endless purple gas and golden light bloomed, the attack of the two broke the universe, the sky was condensed, and all the spaces were collapsing, transforming into the land of purple gas, the realm of the king.

"Boy, you kneel down for me!" The two yelled, and a terrible burst of qi was generated around Qin Chen. Each burst of qi was the destruction of a country. Murong Tian laughed, and the laughter was cruel, urging Zixiao. Dust Palace, this purple palace, trembling spiritual fire, contains a breathtaking breath, heaven

Between the earth, a magnificent palace stands majestic, representing the taste of heaven. The endless purple flames pouring down, the masses of flames give people a strong feeling of suffocation. You must wrap Qin Chen in it and refining it. You must refining Qin Chen with a single stroke. , Capture, don't give Fu Zixi anything

Opportunity to shoot.

joke!

Those who offended Murongtian, when did Fu Zixi take action together?

"Awesome, this is the real purple flames of Master Murong Tian Shengzi..."

"The Palace of Zixiao Dousui is rumored to be a top-level alchemy hall in the ancient times, and the palace of an ancient emperor against the heavens, and it is infinitely powerful."

"Murong Tian Shengzi's Zixiao Dousidi Palace is just an imitation from ancient times, but even if it is an imitation, it is infinitely powerful, with a purple flame, capable of burning the sky and boiling the sea and annihilating everything."

"This kid is unlucky. He dared to offend Saint Murong Tianzi. With this blow, Saint Murong Tianzi can refine and kill him and turn it into ashes."

Many disciples roared, shocked, excited, and screaming frantically.

"Hey, Zimei is really hot? Interesting? Hahaha, it's a pity that you are playing with fire in front of this young man. Isn't this not using martial arts in front of Tianzun, and making pill in front of Pill God?" Qin Chen was shocked facing the boundless flames. Suddenly he rose up tall, a group of fires rose from behind, a breath of infinite fire source surged from his body, rumbling, the whole person seemed to have become a fire god

All kinds of flame aura flew together, this was the aura of Qinglian Demon Fire, Youkong Ice Flame, and Da Ri Jinyan.

Three breathtaking flames appeared in Qin Chen's body, constantly surrounding them, rising all together, tearing all the purple auras apart, Qin Chen seemed to have transformed into the great sun of the heavens, and the body of flame was just a punch.

Boom!

The sound that shook the world burst the world. Murong Tian's Zixiaodou led the palace with a violent roar, trembling and banging, countless purple flames flying and turning into fire dragons, roaring towards Qin Chen, as if the ancient dragon world had been opened, Purple flame giant

The dragon will destroy this world and bring endless flames.

"Exit!"

Qin Chen sneered, and instead of retreating, he went straight up, and then punched again.

Puff puff!

The voice resounded like a broken bamboo.

The endless purple flame dragon was completely broken, and everyone saw Qin Chen punching the enemy, the tall and stalwart body shook forward, the world shook, and Murong Tian immediately retreated.

what?

Everyone yelled frantically and couldn't believe their eyes. Under a single blow, Saint Murong Tian went back? Obviously at a disadvantage.

"This is your proud capital? It's too weak, what kind of son, shit, kill me!"

Qin Chen roared and punched again. Suddenly, endless killing aura surged. It was the killing fist, but after experiencing the guidance of the Eternal Sword Master, Qin Chen's killing fist seemed to penetrate eternity, Go straight to the essence.

"Block me."

Murong Tian's expression changed, and he hurriedly urged Zi Xiao to turn into an endless purple halo, wrapping him around.

Boom!

In the next moment, Qin Chen's unparalleled and mighty fist might collide with that Zi Xiaodou Ligong, Murong Tian's body shook wildly, and he felt that the Saint Yuan in his body could hardly be suppressed, and his blood was surging. Self-restraint.

"What's going on? Why is his Saint Yuan so powerful?" Murongtian's body shook, and the palm that controlled Zixiao Dou Ligong almost couldn't control it. He spit out several mouthfuls of black blood and almost collapsed.

"Damn it, boy, no one can disobey my Murongtian's Shengwei."

Murong Tian's fierce heart had been aroused, and Zi Xiao Dou Li Gong suddenly hovered above his head, and purple lights descended, turning into layers of armor, wrapping himself layer by layer.

"The purple sky armor, immortal and invincible!"

His body is also rising steadily, making a final counterattack.

"Kneel down!" Qin Chen strolled in the courtyard, swaying at will, igniting the infinite power in his body, pressing with one hand, the flame surrounding his body suddenly condensed and turned into three flame stars, blue, white and gold. Three flame stars, in his palm

Rotating in the heart, containing the fire source of the ten thousand realms, slowly oppressed. Immediately, the purple armor on Murongtian's body burst on all sides, his clothes exploded, and people became embarrassed and couldn't help roaring again and again, but helplessly, under the three big flame stars, they kept falling down and fell on the ground, actually really want

Kneeled down.

"what!"

He roared, and urged Zixiao Dou Ligong with all his strength. In his eyes, an endless world of flames erupted, trying to resist Qin Chen's oppression. But it's useless, Qin Chen sneered, the ancient body urged, the endless wild ancient aura, like carrying countless mountains from the heavens, suddenly pressed on Murongtian's body, click, his knees were pressed and bent. , Bang Yi

He couldn't hold on anymore, he knelt down abruptly in front of Qin Chen.

Murongtian, who had risen strongly among the saints of the warrior department, was invincible, just like that, knelt before Qin Chen.

Time seemed to be forbidden for an instant, and all the disciples' eyes widened in disbelief, and their scalp numb in shock.

The next moment, the shocking noise rushed into the sky.

"Kneel... Kneel down... Saint Murong Tian actually knelt down!"

"What's the matter? Am I dazzled? Or I'm crazy and have hallucinations. How could Saint Murong Tian kneel down?"

"Who is it, who is this person? Too strong, unparalleled strength, when did our martial arts department appear such a monster?" "Shengzi Murong, such a proud figure, actually kneeled down, he has always been proud I am the master of the world, and I will become the Holy Lord Tianjiao in the future, and I am not a world. Now I actually kneel down in front of so many people. From then on

, Where does he have a face in the warrior department? "

"I can't lift it up. He can't lift his head in this life. In this life, he is too arrogant. He has harmed many female disciples of our martial arts department. He finally encountered a ruthless character. It is a cycle of heaven and retribution." Xu Many roars sounded frantically, and everyone present was as crazy as they were. The audience was boiling, seeing Qin Chen pressing Murong Tian down on his knees, no one was shocked or mad.

[Chapter 2840: Check it out](#)

"Ah, ah, I am the supreme overlord, how can I kneel down, beast!" Murong Tian also felt that he was kneeling, the boundless shame poured out from deep in his heart, his face turned blood red, then turned purple. , The pupils and the pores of the face spit out purple flames: "Boy, I don't share the same spirit with you!

From then on, you are my Murongtian's biggest enemy, and Guanghan Mansion's biggest enemy, and you will never recover. "

"Nine turn round rate, purple flame, all things return to the ruins, immortality and annihilation, I want to take you together into the world of desperate flames, and endure endless soul torment and refinement."

Murong Tian started desperately.

He played the strongest killer move, Zihuo annihilated. That Zixiao Dousiligong seemed to be completely integrated with his body. In his body, Zimei real fire was spit out everywhere, flashing and unpredictable, performing the magical power of destroying the world, and wanting to destroy the world. , All turned into a world of purple inflammation, enduring endless

Smelting and torture.

He wants to use the purple sky to lead the palace and refine this entire world.

"No, Saint Murong Tian is desperately trying his best. With this trick, the Nine Sun God Profound Mountain will probably collapse, be destroyed, and be refined by the endless purple ignorance. He is desperate, regardless of life and death. Shame must be washed away."

"Retreat, everyone quickly retreat, don't be wrapped in this purple flame world, otherwise it will be forever."

Many disciples showed fear and retreated madly.

"You want to work hard, have you asked me?"

Qin Chen's hands were suddenly intertwined, and the three major flames were completely displayed by him in an instant. His big hands seemed to penetrate the endless void and **** out at once.

"Boom!" A terrifying barren ancient power descended from the sky, annihilating everything, and with a terrifying flame power, it directly destroyed the boundless world of purple flames, and then the mood of annihilation refining was also dispersed, and replaced by one. The dazzling barren ancient seal

Yin, wrapped that Zi Xiaodou led the palace round and round.

"Heaven Soul Forbidden Technique, break!"

Qin Chen drank low, his tongue was spring thunder, and suddenly, a terrifying soul shock swept across, directly bombarding Zi Xiao Dou Li Gong.

"what!"

Murong Tian let out a scream, blood flowed out of the seven orifices, and the whole figure turned into a ghost, extremely miserable, Qin Chen's soul attack directly shook his contact with Zi Xiao Dou Li Gong.

"The technique of patching the sky, refining!" Then, Qin Chen urged the technique of patching the sky, banging, and Zi Xiaodou rated the restrictions in the palace, and he was shattered one by one. In an instant, he wanted the Nine Sun God Profound Mountain Capital The huge shadow of the heavenly palace that was swallowed, suddenly shrank, became smaller, and finally turned into a palm-sized purple

The Setian Palace, spinning round and round in Qin Chen's hands, bloomed with purple light, very cute.

"No, how could this be? Why did my purple fire annihilation have no effect? You took away my Zixiao Dousui Palace, this is my sacred treasure, you can't take it, how can you take it, ah Ahhh!"

Murong Tian's seven orifices flowed wildly, his face was half crazy, half panicked, hysterical, like a lunatic.

His desperate killer move was defeated in this way, and even the sacred treasure of his life was lost. This was something that had never happened before. "Hmph, nothing is impossible, just kneel here, confess, and reflect. Don't worry, I won't kill you for the time being, but when will you really understand your mistakes? If you know that you have repented, I will give you Chance to survive. Yao

Wu Yangwei, those who dare to move me do not know whether they live or die. "

Qin Chen pressed it with one hand, and the endless wild aura formed a series of restraints, and he pressed Murong Tian to his knees. No matter how hard he struggled, he couldn't move and couldn't break free.

Dignified son, at this moment, it is like a dead dog, the contrast between front and back makes people go crazy.

"My God, Murong Tian Shengzi's purple fire annihilation has been destroyed, how strong is this guy?"

"Have you heard that he wants Murong Tian to kneel here to confess and recognize his own mistakes. If it is me, I am afraid that he would rather commit suicide than bear such shame."

"How can an arrogant person like Murong Tian Shengzi endure such humiliation, kneeling here and confessing, it is more painful than killing the other party, this is the character of the Shengzi, how can he bear it."

"Too overbearing, this kind of insult is more unbearable than a physical blow, and it will even become a crazy man."

When many people saw Qin Chen's harsh methods, they backed away, for fear of being caught by Qin Chen and enduring such insults, it would be better to die.

In the depths of the warrior department, at this moment, there are also a lot of divine thoughts communicating, as if they are discussing something.

"Has it been found out?" "It has been found out. The one who did it is called Qin Chen. The newly promoted holy son of the Refining Division, along with Ao Qingling and the others, are from Yunzhou. According to the original assessment data, Qin Chen has a name The forces of Chendi Pavilion, Ao Qingling, Qin Tingting, and Li Wanxue, are all

Under his Chendi Pavilion's subordinates, Murongtian wanted to forcibly rob them for double cultivation, which made Qin Chen angry. "

"What? He is Qin Chen, that ancient sacred tower broke into Yunzhou Tianjiao on the ninth floor? Didn't he and Ao Qingling join the work of heaven in a batch? How could he become the holy son of the refining division?" "I was also very surprised. I deliberately investigated. This son violated the reporting rules of the Refining Division because of his own private affairs. As soon as he came in, he was the first son of the Nan family, the top disciple of the Refining Division. Nan Tianyi and Feng Liuyun, the young master of the Feng Liu Pavilion, targeted them. As a result, Qin Chen was so strong that he directly suppressed the two of them, causing Nan Tianyi and Feng Liu Yunsheng to kneel on the square of the division of the refiner. They were later refined. The head elder of the division took a fancy to, and was directly promoted to the holy son, and served

He was named the chief disciple of the new disciple this time. "

"What? Are you sure, chief disciple?"

One vibration sounded. "Yes, it's the chief disciple. That's not a big deal. I also got a new message. Before this, I had answered many quest questions in the refining division's answering area, which has caused a sensation in the refining division. There are many refiners

The minister is always looking for him, who knows that he has come to our military department. "

"hiss!"

The sounds of inhaling air-conditioning come and go one after another, which shows the vibration in the hearts of these people present. "This son... evildoer, what should we do now? So Tianjiao, if we make a move, I am afraid that the elders of the refining division will be dissatisfied. After all, it is Murong Tianli of our martial arts department. That's it

Kneeling all the time? I'm afraid he will be **** alive. "What can I do?" This son can't be an enemy. Go to Chu Ye. He still has some friendship with this son. Perhaps he can say a few words. As for Murongtian,

I can only blame him for being too arrogant, but this is also a thing for Murongtian. Good thing, if he can withstand this blow, don't be alive, and be brave in shame, it will be a huge breakthrough, and his future will be limitless. "
