

Valkyrie 2961

[Chapter 2961: Invincible](#)

"what!"

Zhao Lianghan's whole body was burning with flames, a burst of purple flames, mixed with the green lotus demon fire, the yin and yang soul fire, the ice flames of the sky, and the golden flames of the sun, fused together, enveloping his body, cruelly Burn fiercely, refining. He suddenly made a move of life and death. Instead of harming Qin Chen, the yin-yang treasure wheel was captured by Qin Chen and grabbed the sacred treasure. He released the power of flame and counterattacked along the force of life and death. Contaminated by flames, burned miserably

Called Lianlian.

Zhao Lianghan screamed and rushed into the crowd of Heavenly Work Saints of Tianshan Mansion. Those Saints couldn't dodge and were slightly contaminated by the flames of Zhao Lianghan's body, and everyone suddenly changed into burning torches.

This flame can still be contagious.

Qin Chen's flames have already been continuously upgraded in the Zixiao Dousui Palace, with amazing power, especially the Yin and Yang soul fire, which acts on the soul, integrated into the fire civilization in the book of origin, and is sufficient to refine any master of the heavenly sage level.

With this infection, everyone turned into a person of flame, wailing in pain.

"What kind of flame is this? Huh? Beast, I won't let you be a ghost."

"No, this flame is too strong, come and help me put out the flame!"

"Quick, quick, join hands to show the way of water and ice to extinguish this flame."

The disciples of the three major holy masters who worked in the palace saw this scene, all of them were shocked, but after all, they were all people who had seen the world, and they immediately joined hands, screamed and flew high in the sky, displaying various magical powers.

"The Way of Misty Rain!"

"The sea is boundless!"

"Ice and snow!"

"Moisturize things silently!" All kinds of water magical powers were displayed, and countless water vapor avenues emerged between heaven and earth. Raindrops and nectar gradually suppressed the fire. It took a while before these disciples put out the fire, but The vast majority were contaminated with fire

The people of Yan were all scorched all over, lying on the ground, dying, some of them with weaker cultivation base, and even soon turned into coke, most of their lives were gone.

And Zhao Lianghan was the source of the flame. He had long used his magical powers to extinguish the flame, but he was also embarrassed, his hair was burnt away, his face was pitch black, even his

eyebrows were gone, he looked at Qin Chen in anger. He has already condensed the overlord's energy in his body, the Saint Yuan of the late Heavenly Sage, but when he was burned by this flame before, there was a feeling that he could not suppress it. Even the Saint Yuan in his whole body was burning violently, if it weren't for him to act decisively and burn fine

Blood and Shouyuan, forcibly urging the power of the overlord and the unpredictable supernatural powers, to extinguish the flame in time, I am afraid the consequences would be disastrous.

Just the flames on display made himself so embarrassed. Can you imagine the anger in Zhao Lianghan's heart? "Huh, attacking Ben Shao? This time, Ben Shao is just giving you a lesson to let you know what can be offended and what can't be offended. For the sake of a waste, against Ben Shao, you are seeking your own death." Qin Chenyi Only foot on Benhua

Rong, standing with his hands, his eyes swept away, making all the heavenly sons and daughters of the three major holy master's mansions creepy and chilling in their hearts.

These masters were all shocked and dumbfounded, and even that 杻, led the monster beast army, stopped the fight, stepped aside, looked at Qin Chen's power in shock, and was a little surprised. The strength of Ben Huarong and Zhao Lianghan is very clear. The three masters joined forces and almost killed it here, but in the hands of this new human disciple, they were defeated with three punches and two kicks, and they were in a panic. How not surprised

angry. It used to break through the realm of the overlord in the Lao Lao Sheng Vein, but was attacked by Ben Huarong and others. Although the breakthrough was successful, it was seriously injured as a result. Now that it feels Qin Chen's strength, fear emerges immediately in his heart.

.

This human being is invincible!

The most shocking thing was Xiang Wudi, who couldn't help but backed down again and again. He was afraid that Qin Chen would find his troubles, so after entering the trial land, he immediately found another disciple of Heavenly Work, joined them, wanted to find shelter and seek revenge from Qin Chen, but he didn't expect this to happen. One

result.

After not seeing him for a short period of time, Qin Chen's demonstrated strength is more than ten times stronger than when he suppressed him in Heavenly Work?

Xiang Wudi was full of resentment and jealousy.

"Brother Zhao, are you okay?"

As soon as Ying led the army of monsters and beasts to retreat, Chi Wenmin, the master of the work of Renwang Futian, flew over with many disciples and stood side by side with Zhao Lianghan. The Saint Yuan communicated with each other, and the terrible light had enveloped Qin Chen. A group of people.

"I'm okay, this... weird, be careful." Zhao Lianghan took the next healing pill, and the injuries on his body were quickly repaired, looking at Qin Chen with angrily and cold eyes.

At the same time, the holy sons of the three major holy master's palaces all acted and turned into an unparalleled array, united and enveloped Qin Chen and his group. There are so many holy sons working in the three holy masters' mansion, and they are all top masters, such as Xiang Wudi, Dao Zhengzhi, and top masters like Xu Yue. There are many half-step masters. These people joined forces before

The army of monsters and beasts, now joining hands, formed a large aura that immediately became incredibly deep, like a sacred mountain, under pressure.

In order to be able to run rampant in the celestial trial ground, these saint children have been laid out with formation plates and formation patterns. Everyone is a formation point in the big formation, and the power of joining together can kill the overlord-level master.

This is also where they have been able to successfully attack the army in the past.

At this time, Zhao Lianghan and Chi Wenmin knew Qin Chen's horror, and they immediately moved their minds and prepared to use the Saint Child Array to suppress Qin Chen.

Qin Chen's gaze suddenly shot over. "Qin Chen, don't be arrogant, you are already in the great formation of the saints of our three-day work, and cannot tolerate you in the wild, do you think that with your own strength, you can contend with all of our three-day work? Shengzi? Give Brother Hua quickly

Let go, otherwise, don't blame our ruthless men. "

Zhao Lianghan roared. "Qin Chen, do you want to go to a full-scale battle with our three major tasks? Tell you, as a disciple of the heavenly work, but you start with us, as long as we send the news back to the headquarters, you can't escape death, Guanghan Futian works Yaoguang Holy Lord

People can't save you. Even your forces, your family, and everything about you will be wiped out by Heaven's work, and the people in Guanghan Mansion, Tianyanzong, and Minghui Pavilion will also be dragged down by you and will all die. . "Chi Wenmin also shouted angrily, urging Sheng Yuan, everyone felt suffocation at once, and the space solidified.

[Chapter 2962: Take away the source](#)

"Zhou Wusheng, don't you want to keep Qin Chen obsessed? You are the big brother of Guanghan Futian, and you can't escape responsibility."

"Brothers and sisters, you quickly urge your body to communicate with our Saint Yuan, and hold your hands to suppress this dragon!" Zhao Lianghan shouted again.

Boom!

The breath that erupted from the heavenly work saints of the three holy masters was like a vast ocean, causing the people of Guanghan Mansion to change their colors, and even the faces of Wei Siqing, Qu Gaofeng, and Quan Muliu were a little unsightly. "These days, there are so many people who are not afraid of death." Qin Chen sneered, "Don't say that your three-day-worked saints work together, no matter how many saints, the combination of forces is not enough for me to kill. That's right. , Zhao Lianghan, it was you who made the shot on this seat just now, and what kind of yin and yang wheel was displayed. Did you sneak attack on Ben Shao? Now, I took your yin and yang wheel to show punishment.

There is also this Hua Rong who committed Ben Shao. It's a taboo, it's hard to escape death today, but Ben Shaonian is in the same family

For the sake of it, he collected his supernatural powers and refined his origins, so that he no longer had the courage to arrogant in front of Ben Shao! "While speaking, Qin Chen waved his palm, violently spurring Zixiao to speed the palace. Suddenly, a terrifying flame filled the sky, Qin Chen secretly urged the technique of patching the sky, the yin and yang wheel that was captured by Qin Chen. Constant tremor, Zhao Lianghan's imprint left in it,

The breath, madness was refined, so that Zhao Lianghan gradually lost control of the Yin Yang Baolun.

Qin Chen stepped on his Huarong with one foot, his hands surging, and he squeezed the yin and yang wheel, his vitality surged in it, directly destroying all the branding and the core of the formation inside.

"what!"

Zhao Lianghan let out a scream, his soul imprint left in the Yin-Yang Treasure Wheel was blasted away by Qin Chen, and the entire seven orifices were bleeding out, and he roared in pain.

"Qin Chen, you dare to take away the yin and yang wheel of this seat." Zhao Lianghan yelled frantically. This yin and yang wheel, his life sacred treasure, was lost all of a sudden, his body and mind were greatly damaged, and his breath weakened.

Qin Chen sneered, ignoring it, and then scratched again in the void, a whirlpool appeared, Ben Huarong's body tightened, and he actually flew up and projected into his palm.

"Stop!" Zhao Lianghan and Chi Wenmin both shot at the same time, attacking Qin Chen in an attempt to rescue Ben Huarong.

"The pearl of rice also shines?" Qin Chen shook his head and blasted out two punches respectively. The two fists immediately rushed out like an angry dragon, forcing the two to retreat again and again, surging in blood, and could not enter Qin. Chen's body.

"Everyone listens to the order and starts the Conferred God Formation."

Zhao Lianghan and Chi Wenmin were both frightened and angry. They roared out loudly. All of a sudden, the holy sons and holy daughters who had worked for the three major days all shot together, and the power of the horrible light lingered, trying to suppress Qin Chen.

"Huh, you guys, did you forget us? The people from Guanghan Mansion obeyed the order and ended the battle."

Wei Siqing yelled coldly. In an instant, the masters of Guanghan Mansion swept one by one, they were already extremely skilled, turned into a big formation, and shot together.

"Hey." Zhou Wusheng shook his head, then his eyes became determined, and he rose up and joined the big formation.

"Haha!"

At the same time, the sound of laughter sounded, Qu Gaofeng and Quan Muliu also moved. They flew up one by one, forming a large array, banging, and the horrible array of light from the two forces collided, suddenly bursting out with a shocking roar. .

"What? It was actually blocked?" Zhao Lianghan and Chi Wen were shocked when their big formation was actually blocked by Wei Siqing and others. Their big formation was the Conferred God Formation. The sons and daughters of Tiangong are united, and the disciples of Tiangong are all

He is a master craftsman, has unique attainments in the formation, so the large formation constructed is far beyond the average master.

But now they were actually resisted by the people of Guanghan Mansion, so they were not surprised. They did not know that Wei Siqing and the others had come all the way, experienced many battles, and Qin Chen's guidance, the power of the united formation was not weaker than that of the Conferred God Formation, and even more in terms of combat. Be stronger, otherwise Qin

Chen will not take this group of people to find the Son of God according to God. If everyone has no means, it will simply lead them to death. Seeing the people from Guanghan Mansion make a move, Qin Chen did not speak, just raised his hand with a click, Ben Huarong flew over and was pinched by Qin Chen's neck, as if he was holding a chicken. There is a gurgling sound in the throat

.

Ben Huarong, the big brother of Xueyang Futian, was arrogant and disdainful of Qin Chen before, but now he is stepped on the soles of his feet by Qin Chen, pinched his neck and held it in his hands, struggling again and again, and he has to feel that the contrast is huge. .

"Qin Chen, you dare to touch a hair of Huarong, you won't let your day work!" Zhao Lianghan and Chi Wenmin were frightened and roared. At the same time, they looked at Zhou Wusheng and roared: "Zhou Wusheng, you want Guanghan Has Futian's work been removed? And you, how dare you act on our people who work, quickly capture that Qin Chen,

Make up for your demerits and forgive us for your sins. Otherwise, Guanghan Mansion, Tianyanzong, and Minghui Pavilion will not be able to protect you, and you will bring great disasters. "

Zhao Lianghan and Chi Wenmin stared at Wei Siqing and the others, frightened and angry.

"Great disaster?" Qin Chen snorted coldly, showing a cold smile: "You should worry about yourself, after Ben Huarong, it's your turn, none of them can escape."

"Brother Qin." Zhou Wusheng hurriedly yelled, "Don't kill, leave some affection for the work of the three holy masters, and see each other in the future, otherwise it will be really troublesome." "I know this." Qin Chen grinned. With a sneer, his eyes were cold: "I will not kill them, after all, they are the same family. It is too cheap to kill them. This young master wants to let them live better than death, and extract all their magical powers and origins.

Go, absorb, make them a waste. "Qin Chen grabbed Ben Huarong's head with one hand, Ben Huarong's face was blood-red, as if all the blood from his body had been taken away, and he roared: "Ah! Qin Chen, dare you to extract the magical powers of this seat, Heaven's work will not let you go, my lord of the Blood Sun Palace

, Will never let you go. "

Qin Chen did not move at all, lifted his palm, and boomed, and saw the endless rainbow light rising into the sky, Qin Chen forcibly extracted a powerful Heavenly Sage origin from the top of Ben Huarong's head.

Suddenly, all kinds of original auras filled the void, as well as various supernatural powers, which turned into fist-sized runes, which were melted into the body by Qin Chen.

"Ah!" Ben Huarong screamed and screamed, his breath quickly weakened. From the top powerhouse with the power of the overlord, he fell to the realm of earth sage, mortal sage, and even to the realm of mortals, because the origin of his body was completely destroyed. Qin Chen drew away, the whole like a deflated ball, his breath was extremely weak, and he drooped down suddenly, and there was no more saint breath.

[Chapter 2963: Kneel and talk](#)

Boom!

The terrifying aura suddenly entered Qin Chen's body. Qin Chen began to swallow and perceive the original aura and the power of this Huarong. Suddenly, Qin Chen flashed a more mysterious and profound aura.

This Huarong, as the top saint son of Xueyang Futian's work, has a naturally extraordinary cultivation base. He has even condensed the power of the hegemonic power of the late Heavenly Sage in his body. Such a rule and aura will help Qin Chen to break through the hegemony of the late Tianshen The cultivation base will also have some huge help.

However, Qin Chen now has a deep understanding of the rules and avenues. The strength of this Huarong only gives Qin Chen some insights. A large number of rules and powers are left in Qin Chen's body, not too much. usefulness.

"These powers don't have much use for me, but they can't be wasted like this."

Qin Chen's eyes flashed, he looked at Xu Yue, and said lightly: "Xu Yue, this Huarong's original power is given to you."

With a flick of his finger, this original power flew out and entered Xu Yue's body.

Xu Yue's body shook, and the clothes all over his body were hunting and hunting, like a banner in the wind, a breath like a mountain exuded, and Sheng Yuan skyrocketed every inch.

The martial arts practiced by Huarong is the top martial arts in the work of heaven. It penetrates into Xu Yue's body. After refining, with these supernatural powers, she can compete with the overlord master and enter the overlord realm faster!

"Okay, you can get out of here. This time it is for the sake of a fellow Tianzuo disciple, otherwise I will kill you directly, so that you will be destroyed." After devouring the power of Huarong, Qin Chen left. One throw, like a dead dog, threw Ben Huarong out.

boom!

Ben Huarong's body strength dissipated completely and completely turned into a waste. He was thrown by Qin Chen like a ground gourd. Under the breath of everyone, he couldn't stand up. Although he was not dead, he had no strength in his body. It's worse than death.

"Big Brother." The many sages of Xueyang Mansion exclaimed, and one after another flew up to support Ben Huarong, feeling the empty Saint Yuan aura inside Ben Huarong, and his heart was enveloped by a deep fear.

"Xiang Wudi, are you still hiding behind these people? As a disciple of my Guanghan Mansion Tianzuo, but betrayed Tianzuo, framed me and waited, get out!"

Qin Chen discarded his Huarong, glanced away, and saw the scum of Xiang Wudi among the many Saints, his eyes were cold.

"Qin Chen, don't mess around, I'm from the Xiang family of Guanghan Mansion, and I'm a disciple of Heavenly Work. You are already guilty of abolishing Senior Brother Ben Huarong now. If you move me again, the end will be even more miserable..."

Xiang Wudi's face changed, and he said in horror, his face extremely pale.

"Kneel down and talk!"

Qin Chen flicked his sleeves.

A boundless Saint Yuan suppressed it, and Xiang Wudi was immediately captured by Qin Chen's volley. His bones shook again and again, furiously resisting, but powerless, completely powerless to resist Qin Chen's might.

When he was working in Guanghan Futian, Xiang Wudi was still able to challenge Qin Chen. In the end, Qin Chen used the time rule to defeat him, but now, Xiang Wudi's strength in the heaven trial is getting stronger and stronger. , But the gap with Qin Chen is getting bigger and bigger, and it's unreasonable.

"Brother Zhao, Brother Chi, save me!"

Xiang Wudi yelled in horror, trying to get help from Zhao Lianghan and Chi Wenmin, but the two of them had gloomy faces, but they didn't say a word. They watched Xiang Wudi being taken abruptly, and then knelt on the ground. The clothes were torn everywhere.

"what!"

Xiang Wudi knelt in front of the crowd, his face flushed. When he was kneeling on the Nine Sun God Profound Mountain, he secretly vowed that he would never kneel in front of anyone in his life. He did not expect to kneel again this time. Down, and still kneeling in front of Qin Chen, kneeling under the eyes of everyone.

"Qin Chen, I am from the Xiang family. If you treat me like this, the Xiang family will definitely not let you go. If you let me go, I promised to never be an enemy again."

Xiang Wudi felt the breath of death and roared.

"What kind of Xiang family? It's just a dominant force. Don't worry, when Ben Shao finishes the trial and returns to Guanghan Mansion, if your Xiang Family dares to trouble him, Ben Shao will kill all your Xiang Family directly."

Qin Chen's words shocked everyone present, and quickly wiped out a dominant force. This tone was maddening.

But think about it, Qin Chen even dared to give up Ben Huarong, the big brother of Xueyang Futian, how could he be afraid of a small overlord force.

"You have a chill in your heart, making trouble everywhere, making trouble, and fanning the flames. People like you will continue to stay. It will be a disaster for our work in Guanghan Futian. This time I won't be able to keep you."

"Brother Qin, be merciful!" Hearing this, Zhou Wusheng felt bad. Just when he wanted to stop, Qin Chen exuded a strong force to stop him from making a move, and then saw Qin Chen slap in the air.

Boo!

Xiang Wudi's body exploded like a rotten watermelon.

Many holy yuans were flying in the air, Qin Chen opened his mouth and inhaled, all these vitality was inhaled into the mouth, turned into a dragon, disappeared without a trace, just now, the majestic and roaring Xiang Wudi was directly refined and entered the universe. In the jade dish of good fortune, it turns into nourishing true energy.

Qin Chen's methods were extremely harsh, exhausting all his humiliating powers, first stepped Ben Huarong on the soles of his feet, abolished his cultivation base, and then attacked Xiang Wudi, his natural job, directly beheading and devouring him.

This series of methods frightened everyone.

How arrogant is this to openly slay a top-level son of Tiangong in front of many Sons of Tiangong? Domineering, arrogant?

"Ugh!"

Zhou Wusheng shook his head and sighed. Qin Chen beheaded Xiang Invincible so openly that the other party was guilty of death, but the news spread, so many people, how to blockade, then Qin Chen will be unlucky.

But the other two big day job masters are like earthy faces.

"This person is too powerful. When did Guanghan Futian produce such a ruthless man at work? The methods are so hot that they can't be offended at all. They are about to kill at every turn. Even Ben Huarong is more than abolished. He is so lawless. Are you really afraid of day work punishment?"

"What are you afraid of? What is needed most for Tianjiao is to cultivate Tianjiao. Although disciples are not allowed to fight against each other, you can see that this person is very well-measured. It just abolished Ben Huarong's cultivation base and made him become A useless person, on the contrary,

killed Xiang Wudi. Xiang Wudi was a person who worked in Guanghan Futian. As long as the Holy Master of Yaoguang appreciates it, would he really punish him for failing?"

"What should I do? This person shouldn't act on us?"

[Chapter 2964: Tao is different](#)

"It's all to blame for that Invincible. He joined us at the beginning. I heard him and several seniors say bad things about Qin Chen, which caused several seniors to be dissatisfied with Qin Chen. They wanted to stand up for Xiang Invincible and teach the other party. We are all in danger now

Among. "

"Yes, otherwise, for the sake of being a disciple of Heavenly Work, the seniors invite each other to kill this army of monsters. We may already be absorbing this high-grade holy vein of Heavenly Sage. ,tremble with fear."

"Damn, Xiang Wudi is indeed damn!"

"Then what should I do now, do you want to have a good word with this Qin Chen? I see his strength, I am afraid that he has reached the level of the overlord, and he is strong." "Overlord? How is it possible? Even Senior Brother Chi Wenmin did not Become the overlord, this son is the overlord? However, I heard that the godzhao Shengzi has become the overlord master, and has invited Ben Huarong and Chi Wenmin brothers

, Together to explore this treasure land, but all the seniors were jealous and refused. Qin Chen is said to be looking for the goddess son, is it really a master master? "

Many of the divine minds of the Saint Child who worked in the three days are fluctuating, watching Qin Chen's face have changed, and there is some fear.

Any saint with high strength, in front of Qin Chen a little low-key, did not dare to appear. "What? Zhao Lianghan, Chi Wenmin, Ben Shao cleared the scum for you. You should be happy, but you have a straight face? Do you still want to fight Ben Shao?" After Qin Chen killed Xiang Wudi, his eyes flashed. Sweep, look at Zhao Lianghan and Chi

Wen Min. "Qin Chen, you have abolished your Huarong, do you really want to live with us?" Zhao Lianghan and Chi Wenmin looked ugly: "Although your cultivation base is strong, but we have worked so many saints in three days, we really have to work hard. , You may not be able to take us easily. Moreover, you are just abandoning this Huarong, and there is still room for change. If you dare to kill us so many days of work, sooner or later, you will leak the wind. The work headquarters will line up law enforcement experts to come

You beheaded. "

The two of them were pale, they had already sensed their true beauty, the origin and strength in their bodies had all disappeared, and they had completely become a useless person. The fear in their hearts can be imagined. Ben Huarong, as the big brother of Xueyang Futian's work, is comparable to them in terms of strength, but thus became a useless person. If the two of them continue to confront Qin Chen, they will most likely face the same ending. My heart immediately surged

The fear that emerged.

Before Qin Chen showed great power and shattered their power between his fingers, he had already left an invincible picture in the hearts of the two of them.

The two retreated from deep in their hearts. "Hahaha, the two are talking and laughing. This young man is also a holy son of Heavenly Work, how could he do something that is against his nest." Qin Chen suddenly changed his words and said with a smile: "Before you were going to treat Ben young. Do it, so this young man was forced to fight back.

If the two are unwilling to fight in a big fight, then this young man will naturally not behead the two, right? "

Zhou Wusheng stopped by the side, and he couldn't help but breathe a sigh of relief. He was afraid that Qin Chen would kill all the disciples who worked here for three days. If this is the case, Lord Yaoguang could not keep him. "Yes, yes." Zhao Lianghan and Chi Wenmin were overjoyed when they heard it, and they said quickly: "Xiang Wudi, a kid who died, will die. This person is stubborn and instigates discord. Brother Qin is a master at Guanghan Mansion. Clean up the portal, that's normal

Lift. When we meet here in heaven, it is also fate. We should be in the same spirit. It is not a time of infighting. If we join forces, it is enough to seize many treasures in this treasure land. "Yes, Brother Qin, here is an ancient sacred vein of the highest grade of the heavenly sage. As long as we join hands to slay this sacred army, then we can obtain this sacred vein, the cultivation base will advance by leaps and bounds, and directly into the realm of the overlord. , In this treasure land sweep. "

The other party immediately convinced and said.

Suddenly, the far-off army showed a vigilant look.

"Forget it if you join hands, the ways are different and don't conspire, a few people who can take them with them and leave." Qin Chen waved his hand.

"Go? Where to go?"

Zhao Lianghan and Chi Wenmin were stunned, their faces were hard to look at, Zhao Lianghan suppressed his anger and said, "Brother Qin, don't you want to swallow this sacred vein of the heavenly sage alone? This is what we discovered." "It's what you found." Qin Chen nodded: "However, Ben Shao worked so hard before to understand the black sheep in the team for you. The credit is so great. This ancient sacred vein is regarded as a reward. Although it is only average, Ben Shao Mian

Strong laughed. "You..." Zhao Lianghan was trembling with anger. Qin Chen was a treacherous grab. They worked so hard and tried their best to attack the overlord Fang Tiao, and they were about to obtain this ancient sacred vein, Qin Chen. In a word, it's about to be taken away, Jane

Deceive people too much.

The disciples who worked on other days were also angry, but they all dared not speak.

"Why, don't you still want to be enemies with Ben Shao?" Qin Chen's eyes were cold, and murderous intent appeared. "You were instigated by others to take action against Ben Shao. Shao Ben has been very merciful, let you go, do you have to be here? On top of a foreign object, and Ben Shao tore his skin? So it seems that Ben Shao is too kind

, You have to kill you one by one! "No, no, Brother Qin, you misunderstood." "Chi Wenmin hurriedly grabbed Zhao Lianghan and said, "This ancient sacred vein should have been Brother Qin's spoils. Brother Qin eliminated the black sheep for us. We are grateful, so how can we dare to mention anything?"

Going. "

"That's good, it's better that Brother Chi understands current affairs. Okay, your heavenly work disciples of the three major forces can go away." Qin Chen waved his hand.

"Yes!"

Chi Wenmin lowered his head and said, but his heart was full of anger. Then Zhao Lianghan couldn't suppress it, and he had to desperately, but he was stopped by him, "Go, leave here first, don't engage in anger, otherwise you and I will die here."

Under their comfort and suppression, Chi Wenmin took Zhao Lianghan and the Heavenly Work Son of the three major forces, and left immediately, disappearing in a flash.

"Brother Qin, you just let them leave like this?"

Qu Gaofeng flew up, frowning: "It's not that I want to mix with your daily work, but these two people are clearly unwilling. If you let them go like this, when there is a chance, they will definitely get revenge. , Won't let go." "Yes." Quan Mu Liu also said: "These two people have suffered such a big humiliation, and they will definitely try their best to find the place. If Brother Qin can't make it, you can let Let's do it. We are not people who work in the sky. Be careful. There should be nothing wrong. After all, this celestial trial is not allowed to settle accounts after autumn. This is the rule of past experience."

[Chapter 2965: Do you have a way?](#)

"Qin Chen, if you can't make the move, let us do it, and promise that you won't be involved." Wei Siqing also coldly snorted: "These people, they leave now, they must have resentment in their hearts, and they may even take refuge in foreign enemies. Specifically for us, set a kill

Hand, then it will be in trouble. "

Everyone reminded.

"No, Ben Shao has his own arrangements."

Qin Chen said lightly.

Everyone had to shake their heads.

Among them, Chen Sisi was the only one with a smile at the corner of her mouth, and she knew that Qin Chen must have his reason for doing this.

And just as they expected, Zhao Lianghan and Chi Wenmin took the three-day-worked saints to a remote place, and their eyes suddenly revealed a hideous color.

"Brother Chi, why did you stop me? The Qin Chen just now deceived people too much. It is an entire ancient sacred vein of the heavenly sage. If we get it, you and I will have the opportunity to directly enter the realm of the overlord. It's all gone now."

Zhao Lianghan furiously said.

"Brother Zhao, are you sure you are the opponent of Qin Chen?" Chi Wenmin said coldly.

"This..." Zhao Lianghan looked ugly: "Even if it's not an opponent, you can't just give in." "Hmph, you are stupid, if we continue to fight to death, with Qin Chen's cultivation base, plus Guanghan Mansion's Many masters, the two of us are bound to be in danger. Didn't you see the killing intent in the eyes of Naqu Gaofeng, Quanmu Liu and others?"

Don't worry if there is no firewood to burn, I let you leave, not because Qin Chen is really cheap, but after making a decision. "A faint light burst into Chi Wenmin's eyes.

"Brother Chi, do you have a way?" "Humph." Chi Wenmin snorted coldly, and a cold light appeared in his eyes: "Then Qin Chen was looking for the Son of God? Before the Son of God, he had been sending us messages and wanted us Join his team, if so, we will join the Son of God

Do, ambush them, whether it is Qin Chen or Guanghan Mansion, all will die. "

Zhao Lianghan couldn't help being surprised: "Well, it's not right. If we cooperate with the gods to kill Qin Chen and the others, and pass it to Heaven, we will frame our disciples, and we will be punished at that time, and the other saints may not be Will agree."

"Let the others leave first, and then the two of us will join the team secretly taught by God, how do the others know?" Chi Wenmin sneered: "As long as everyone in Qin Chen is killed, no one will know that it is us. Hands down."

Zhao Lianghan's eyes also lit up.

Whizzing! The two of them came directly to the disciples of the Three Heavenly Work and said coldly: "Everyone, because of that Qin Chen, we have lost an ancient sacred vein. At present, this treasure land is becoming more and more dangerous. Take this copy first. Huarong leaves here, exit

In this treasure land, the two of us will investigate the situation again, and we will notify you after we find the traces of the ancient holy veins. "

When the voice fell, the two of them did not wait for the other Saints to react, and they disappeared into the void when they shook their bodies, and went to meet the Shenzhao Saint Son in secret.

During the three days of work, the other saints looked at each other, but in the end they had no choice but to turn around and leave in anger.

"Okay, then Zhao Lianghan and Chi Wenmin really went to find the Son of Shenzhao."

Qin Chen had been calculating the aura of the two, feeling the actions of the two, and he was immediately happy, his eyes brightened.

This is also the reason why Qin Chen did not continue to kill Zhao Lianghan and Chi Wenmin. He heard the voices of these disciples and knew that Shengzi Shenzhao had invited the two of them several times, but because they were jealous and did not agree, Qin Chen deliberately let them go. With their dispositions, he would definitely not give up. But it's not his right

Hand, the only way is to unite God and illuminate the Son.

"Okay, very good, the gods will cover the secret of heaven, even if I can calculate it, it will take a lot of time. Now that Zhao Lianghan and Chi Wenmin lead the way, at least half of the hard work is saved."

Qin Chen was secretly excited, but before that, he had to get this ancient sacred vein of Heavenly Sage High Grade.

"Let's go, let's go and collect this Heavenly Saint High-grade Ancient Saint Vein."

Qin Chen's figure flickered, and he came directly in front of the army of Yinglu, ready to kill this group of monsters led by Yinglu. After many monsters felt the terrifying power of Qin Chen, their eyes all showed a vigilant look. The leading 樗杌 stared at Qin Chen for a moment, and suddenly snarled. The next moment, many monsters were here. Under the leadership of 樗杌

, Backed slowly, then suddenly turned around and disappeared here. Everyone looked at this scene in shock. The army of the sage actually retreated in front of Qin Chen, and even the ancient sacred vein of the heavenly sage was no longer needed. Obviously, the army of the sage was very clear about Qin Chen's horror. Fear and Qin Chen, be good

Go away.

"Very good." Qin Chen raised his hand with a bang, and suddenly, a huge palm flew out, grabbing the sacred vein of the heavenly sacred top grade from the ground, and saw the sky, A vast dragon-like holy vein runs across

The sky gives people a strong sense of shock.

The rich Heavenly Sage high-grade aura permeated, making everyone feel the comfort of the whole body, the Saint Yuan in the body was all about to move, and wanted to break through the original realm.

"The Saint High-grade Saint Vein of this day is really strong." Qin Chen exclaimed, his eyes flashed, and the infinite sword energy flew through his body. Hey, the Holy Vein in front of him was divided into hundreds of pieces. More and less, strong and weak, flew to every Saint Child and Saintess of Guanghan Mansion one by one

In front of him, Qu Gaofeng and Quan Muli are also a lot.

"Brother Qin, you..."

Zhou Wusheng and others were stunned. "Although this ancient Saint Vein of the Heavenly Saint High-Rank is powerful, if it is really swallowed, it will only be enough for one or two people to break through

the overlord realm, and the breakthrough will take a lot of time. By that time, the Shenzhao Shengzi will have all inherited it. Will oneself

The cultivation base has been raised to the extreme. Instead of doing this, it is better to distribute it to you. Before you dedicate your holy veins to provide for the breakthrough of Ben Shao, Ben Shao will naturally not forget it. "Qin Chen said lightly: "Even though every sacred vein in front of you cannot allow you to directly break through to the next level, it can consolidate your cultivation base and transform part of your body's power into the power of the overlord. God according to the Son, will

He completely beheaded, and obtained the ancient treasures and the inherited treasures of the gods of the gods. By then, each of us will be able to break through to the realm of the overlord and move here. "

Qin Chen said generously. Everyone looked at Qin Chen in shock. Although they had dedicated their own saint veins before, they never thought that Qin Chen could allocate them to them so quickly. In their opinion, this ancient saint vein of the highest grade of heaven, Qin Chen should take a few top sacred children to enjoy, so that he can break through at the first time, but he didn't expect that they were all separated out at once.

[Chapter 2966: Shining](#)

In the hearts of everyone, they immediately felt strong respect, and truly felt the meaning of partner from Qin Chen.

"Brother Qin, no, this saint vein has been swallowed by you, because only Brother Qin can truly oppose the Son of God according to God. Even if we swallow it, we will only consolidate our cultivation. And if Brother Qin is alone Swallowing this sacred vein will surely be able to raise the cultivation base again, and by that time, the probability of killing the Son of Shenzhao will be greater."

"Yes, Brother Qin, you are our backbone. Only when you become stronger will we get more treasures. This first high-grade ancient sacred vein of the heavenly sage will be given to Brother Qin to enjoy."

"Yes, we believe that following Brother Qin, we will definitely get better and better."

Many saints said passionately, and there was a glow of blood in their eyes.

"you guys....."

Qin Chen looked at everyone here, felt their passionate heart, and was also strongly moved.

"Well, since you believe in Qin, then Qin is disrespectful. However, this ancient sacred vein of Heavenly Saint High-Rank cannot directly break through even if a certain individual Qin swallows it, but Qin needs to consolidate his cultivation, so he will charge half. It's better to enjoy the remaining half."

Qin Chen's voice fell, and he shot directly, puff puff puff, and immediately, the ancient holy vein before him was divided into two, half of which was swallowed by Qin Chen into his body, and began to slowly absorb it, preparing for the rush to the peak realm of the mid-term Heavenly Sage , The other half is divided into countless ways, falling into everyone's body.

boom!

When these sacred veins entered the bodies of these people, they were refined by Qin Chen's Zixiaodou Rate Palace. Suddenly, the power of the pure ancient sacred veins surged in everyone's body, and everyone felt it. , There was a terrible aura in the body, and the sound of dragons and tigers roared. The aura in everyone's body directly pointed to the realm of the overlord of the late Heavenly Sage, and there was a feeling of the same life as the world.

For a time, the auras of many saints and saints in Guanghan Mansion were connected, and the ocean was like a sea, which was more than several times stronger than before.

Everyone's strength has been improved, each other's success, uniting, is not as simple as one plus one.

"The aura of the disciples in Guanghan Mansion is too terrifying."

Qu Gaofeng and Quan Muliu felt the breath of everyone on the court, and they all secretly changed color.

They felt an unrivaled breath from this group of Guanghan Mansion disciples.

You know, in the realm where they are located, Guanghan Mansion is actually not top-notch. The disciples in it have even encountered group annihilation in the previous experience, but at this moment, the holy child holy Women, every one of them had a fighting spirit, just like Wang Yang, whose murderous aura was much stronger than their Tian Yanzong and Minghui Pavilion.

They have a feeling that if their Tian Yanzong and Minghui Pavilion disciples are now meeting this group of disciples from Guanghan Mansion, once they fight together, it will simply be for the sheep to join the tiger group and be slaughtered by one side.

"All this is the credit of Qin Chen, who is this person?"

Qu Gaofeng and Quan Mu Liudu secretly looked at Qin Chen and felt deeply impressed.

"Okay, everyone, let's go."

Qin Chen kept refining the ancient sacred veins of the top grade of the heavenly sage in his body.

Qin Chen flew and calculated as he flew, there was no pause between the flick of his figure.

"Brother Qin, are you sure that the God according to the Holy Child is in front, how come the more you go, the more barren you feel? And Brother Qin, you haven't made calculations for a long time."

After everyone followed, they saw Qin Chen taking them through various voids and cracks, and did not calculate it. It seemed that there was a feeling of being familiar with the road, and everyone was surprised.

"Don't worry, you guys don't need to calculate, naturally someone will take us there."

Qin Chen said with a smile.

"Take us over?"

Everyone became more surprised one by one.

"I feel the breath of the Son of God, such a strong power of faith."

Wei Siqing was about to speak. Suddenly, his face changed, and he saw the power of faith faintly spreading outwards in the evil spirit in front of him.

Some monster beasts rushed around, seeming to feel a great danger coming, and they all want to evade this power of faith.

Flop, flop!

A voice was transmitted from the power of faith, and Qin Chen saw that some tyrannical monsters were contaminated with this power of faith, and their eyes were blinded, losing their will, and then they began to kneel. On the ground, it is normal to pray. During the process of praying, the body begins to slowly dissipate, and finally turns into ashes and disappears.

The power in their bodies turned into the power of faith, entered the emptiness, and was swallowed away by unknown existence.

"The power of faith."

Qin Chen opened his eyes and saw that those powers of faith were ethereal and invisible, entered into the void, with special powers, making people seem to have entered a kingdom of faith, and surrendered to each other, prayed, and became this power of faith. Puppet.

The power of these beliefs spread from the depths of this ruin.

Some of them also penetrated directly from the void. Although there is the ancient evil spirit of the trial land in it, they are very domineering and full of invincible domineering.

Qin Chen saw it with his own eyes. An ancient fierce beast equivalent to a half-step overlord's peak state, roared fiercely, and shuttled out of the void. It itself rose with terrifying power, but under the erosion of this special aura, it actually, his body started to glow slowly, and his eyes were lost, and he actually started to pray.

It also has some of its own will, knowing that it is dangerous, struggling, roaring, and surging through the laws of the whole body, trying to force the power of faith out, but just as it stimulates the power, these powers of faith penetrate its body more quickly. It made its body more and more blurred, and eventually lost its will completely.

Without dozens of breaths, this ancient fierce beast half-stepped to the peak of the overlord glowed all over, sacrificing its own power into the power of faith, blending into this void.

"The light is shining!"

Quan Muliu took a deep breath, "These breaths of faith are exuded by the Son of God according to God. I have heard that the power of God according to teaching is the power of faith in the legend. The power of faith is a very special kind. Power is very weird, and ordinary people cannot practice at all. Only the ancient mystery taught by God can be used. This magical light is a way to display the power of faith. Once controlled, the power is not strong enough, and the will is not firm. I will become a believer of the other party and devote my life's skills."

[Chapter 2967: Power of faith](#)

"This supernatural power is the divine power of the ancient divine master. The divine son must have broken through to the realm of the overlord, and even mastered the divine power of his previous life, and his strength has greatly increased. He is swallowing the power of all things here and becoming his own power."

Quan Mu Liu said again and again, his face shocked.

"Huh! Let me see what is so powerful about this magical technique!"

Qu Gaofeng snorted coldly and slammed his hand out.

Hey, the power of faith in a large space was drawn by his Saint Yuan, and reached his front, wrapped around his palm.

Hum!

There was almost no suspense, the power of these beliefs penetrated into his flesh and blood, and his arms began to glow.

His will immediately began to be invaded by a wave of power, and the whole person's mind became confused, with a confused impulse.

"not good."

Qu Gaofeng's face suddenly changed, "My body can't resist this power of faith. This power of faith can not only act on the body, but also target the soul. It's so powerful, it's actually attacking my soul sea."

"Tianyan Sword Art, break it for me!"

Qu Gaofeng roared, and immediately burst out infinite sword energy from his body, and countless strengths poured out from his body, hitting his arm at once, to force out the power of faith that had penetrated into his body.

Suddenly, this power of faith began to be slowly forced out, but the speed was very slow. Fortunately, Qu Gaofeng only attracted a small amount of power of faith. If you were in the ocean of power of faith, even him Danger.

How to fight this?

Moreover, this is also the reason that Qu Gaofeng's cultivation base is strong, and the Tianyan Sword Art is against the sky. If you are replaced by ordinary half-step overlords such as Xiang Wudi, you will be like that ancient beast, and will be assimilated in an instant. "Everyone, be careful, this power of faith is very powerful. It is very likely that the Holy Son of Shenzhao is practicing in the depths of this void and displaying supreme magical powers. As long as the masters who are close to him and attempt to disadvantage him will suffer from this power of faith. Invasion, thereby transforming

For his strength. "Qin Chen immediately said decisively. He also stretched out his hand like lightning, grabbing into the power of faith. During Qin Chen's grasp, a lot of power of faith was entangled in his palm, and it began to spread. To enter his body,

Assimilate his body. However, Qin Chen just smiled coldly, his arm shook, and he displayed the realm of the integration of heaven and earth, the ancient aura revolved, and the power of faith was absorbed by Qin Chen, and he began to realize that various essential powers were Qin Chen spied,

A page of faith began to appear in the book of origin in Qin Chen's body. Qin Chen's book of origins is simply the most terrifying thing in the world. It can be used to condense and condense all the experiences. Not only various avenues, civilizations, and even various magical powers, magic soldiers can condense pages belonging to his special civilization. , Jean Qin

Chen knows all the great roads in the world.

boom!

This power of belief was forced out by Qin Chen's ridiculous aura, unable to enter Qin Chen's body at all.

With this move, it became clear that Qin Chen's strength was completely above the peak of Tian Yanzong's song, and it was more than one level different. "The power of faith can actually be solved by Brother Qin. It doesn't take a little bit of effort. It seems that Shenzhao Shengzi has no reliance this time, and Shenzhao Shengzi has arranged this power of faith, which has blocked many strong people. Enter and we can

Entering it easily, to kill him, he is restraining himself. "

Qu Gaofeng laughed. "Yes, I can completely break the power of this layer of faith, so that everyone is not petrified." Qin Chen said: "Shenzhao Shengzi is indeed making a cocoon. He did this, but instead gave us the opportunity to understand his Real location, however, this

It is nothing that one less person can resist the power of faith. I have realized the magical functions and laws of this power of faith. Now, this young man will teach you a soul formula that can restrain the soul impact of this power of faith. "

"With your cultivation, as long as you resist the impact of your soul and stay firm in your will, you can easily resist the invasion of the power of faith without fear of these."

"Furthermore, this power of faith, Ben Shao knows the rules of operation, huh, any means is a manifestation of the power of the celestial world, and it can become Ben Shao's own power in front of Shao Ben."

As Qin Chen spoke, he opened his mouth and took a breath. The power of faith was poured into his body like a long whale sucking water, and it was swallowed, digested, and nourished.

At the same time, Qin Chen's eyebrows flashed, an invisible soul light swept into everyone's body, and a soul tactic immediately appeared in the minds of everyone present. Under the operation, he really felt the impact of the power of faith weakened. Many, many.

"go!"

Qin Chen's figure flickered and entered the depths of the space. Everyone followed behind. He immediately saw that the space was a barrier formed by the power of faith, and there were ruins everywhere, forming a maze. These ruins labyrinths are very hard and almost indestructible. Zhou

Wusheng slammed them up, and the ruins exploded and shattered in the air, but in the deeper space, there were still layers of ruins stacked on top of each other, actually endless.

I don't even know where the Son of God is hidden.

"Brother Qin, this Shenzhao Shengzi is too cunning. He actually hides in the depths of the ruins. When he finds it like this, when will he get it."

Everyone looked ugly.

In this space, there are layers of ruins and labyrinths, which contain mystery, and before you know it, you will be fascinated by the power of belief in it, causing mental disorders and mental confusion.

Even if Wei Siqing, Zhou Wusheng, Qu Gaofeng, Quan Muliu and others enter this ruined place at once, they all have a taste of being inseparable and difficult to penetrate.

Can't find the direction at all, where to find the trace of the Son of God?

"It's okay, Ben Shao can easily figure out the position of the **** according to the son." Qin Chen took a step forward and smiled coldly, standing in front of Quan Muliu and Wei Siqing, causing the two women to tremble. With a sense of oppression, I saw Qin Chen's hands flicking, and many scenes suddenly appeared in front of him. The power of faith surged and spread continuously.

, In the end, in the picture, a vague figure began to appear. On top of that figure, there was an ancient mirror, which was a mirror of the gods, and below, the son of gods sat cross-legged, and then lowered his head, the son of blood, etc. People keep praying.

This is exactly the picture of Shenzhao Shengzi practicing in the depths.

It was calculated by Qin Chen.

"Okay, okay, I know where you are. Look behind the Shenzhao Shengzi, what is that? Sage veins, so many ancient Sage veins?" Suddenly, Zhou Wusheng roared, and his eyes showed shock. color.

[Chapter 2968: Sacred Line](#)

Everyone saw in the depths of the picture, there was a glow of glow, and in the glow, everyone saw that the sacred veins traversed there, bursting out dazzling light.

These sacred veins can only be seen at the tip of the iceberg, but they give people the feeling that they are endless and mighty. They are many times more than the ancient sacred veins they had obtained before.

"Where is that? How can there be so many ancient holy veins?"

Everyone was shocked.

"Brother Qin, this is the ancient sacred vein in the information I got, it is a community of ancient sacred veins!"

Zhou Wusheng roared.

Everyone was extremely excited. With so many ancient Saint Veins, how many of them are enough to break through?

"Go, go!"

Many people yelled, if these ancient saint veins were absorbed by the Son of God, what would the Son of God be strong? "Everyone, follow me, and then be careful." Qin Chen said coldly, "Sisi, you are with me, and Sister Wei, Brother Zhou, Brother Qu, Brother Quan, you guard by the saint sons. , The remaining sons, combined into a big array, thousand

Don't disperse, so as not to be hit, you can form a formation alliance, which is equivalent to a master overlord, who can assist me in the battle with the Son of God. "

Zhou Wusheng and the others had been prepared for a long time. Many disciples in Guanghan Mansion looked at each other and spit out their own holy treasures. The holy yuans were connected together and communicated with each other.

Boom!

Suddenly, many saints united into a large array, forming a whole, bursting out an aura of destruction. Among the many saints present, the weakest cultivation base was also the peak of the mid-term Heavenly Sage, touched a trace of the master of the overlord realm, and some people, half of their feet entered the overlord realm, and some of them had the power of the overlord in their bodies. As long as chance

Can step into the realm of overlord.

These people unite, and the power formed is unparalleled, and it is not inferior to a true late Heavenly Sage overlord.

"Let's go!" Qin Chen snorted, and in a moment, he shuttled through the void and swished. He sensed the power and flew quickly. The power of faith in front of him became stronger and stronger. After about a half of the incense, he was in the ruins. In the middle, a clearing suddenly appeared in front of him,

Then he saw the figure of several major forces such as Xueyang Mansion. On the clearing ground, the masters of Xueyang Mansion, Renwang Mansion, Shenzhaojiao, etc., all knelt on the ground and prayed religiously. Among the crowd, there were even two masters, Zhao Lianghan and Chi Wenmin. In front of everyone, the gods

The saint son stands majestically, with his head hanging from the mirror, like a god. The power of prayer and prayer of the Blood Holy Son and others has been continuously integrated into the Shenzhaoshengzi and Shenzhaojing to restore the cultivation of these two people. What shocked everyone most is that in the ruins behind the Shenzhaoshengzi, flowing on the ground With nine vast rivers

, Forming a nine-pole picture.

And these nine rivers turned out to be nine ancient sacred veins, surging with terrible sacred veins, which turned out to be the ancient sacred veins of the top grade of the nine heavenly sages.

God according to the Son of God swallows the power of the faith of the people and the ancient sacred veins of these nine heavenly sages, the aura in his body is as strong as the great sun in the heavens.

Click!

Qin Chen and the others fell instantly, down-to-earth, and landed on this open space. Qin Chen felt that under the ruins, it seemed that there was a huge devilish energy that was suppressed by the Son of God.

"Dust! There is a strange and magical power under the ruins!"

Sisi secretly said that she has the avenue of the Abyss Demon Race, and is most sensitive to magic.

"I feel it now."

Qin Chen flashed his eyes and said, looking around, thinking about something in his heart.

As soon as Qin Chen and the others appeared, everyone present was shocked. They opened their eyes as well as the Divine Son, and looked over them one by one.

"Qin Chen... why are you here so soon?" Zhao Lianghan and Chi Wenmin, who worked in Tianzhou, saw the figures of Qin Chen and others. They were shocked. At the same time, their faces flushed and felt extremely embarrassed because they were kneeling on the gods of the gods. In front of the son, provide the power of faith. If this is spread out, Tianjiao will be angry

To remove them.

Those who work in the sky, kneel down to the ground, kneel down to the teacher, kneel down to their parents, but never kneel to outsiders.

Moreover, if the two are forced to do nothing, who hasn't had a setback yet? But the two of them are now willing to kneel in front of the Son of Shenzhao, which is simply a shame.

"Zhao Lianghan, Chi Wenmin, you actually kneel on your knees and look at the saint son, what about your faces? Are you worthy of being our disciples?"

Zhou Wusheng said angrily, with blue veins bursting on his forehead.

"Shen Zhao Shengzi, it is this group of people who plundered our holy veins before."

Zhao Lianghan and Chi Wenmin's eyes suddenly became savage, and they sacrificed everything, and said grimly: "Shen Zhao Shengzi, as long as you kill this group of people, I am willing to take the Tianzui disciple and take refuge in your command. Respect."

"traitor."

Zhou Wusheng roared.

"Humph."

However, Zhao Lianghan and Chi Wenmin were indifferent. When the matter reached this point, there was nothing more to say than you.

On the side, the Blood Sacred Son also looked at Qin Chen and the others ferociously, with endless killing intent in his heart.

"There is a way to heaven, you don't go, there is no way to hell. You have to break in. You don't think that your group of ants can find here so quickly, and you, Qu Gaofeng and Quanmu Liu, you are for Tian Yanzong and Minghui Pavilion brings harm."

Shengzi Shenzhao opened his eyes, his eyes indifferent, high up, like a dragon looking down on the ant.

"God according to the Son of God, you perversely act, everyone gets punishable!"

Qu Gaofeng and Quan Muliu shouted coldly. They saw the scene where Zhao Lianghan and others were kneeling there, and they knew that there would be no good end to follow the gods, and it was definitely worse than following Qin Chen. "Shen Zhao Shengzi, I finally met. You offended Ben Shao before, and Ben Shao will naturally not make you feel better. However, because Ben Shao can find this place so quickly, I am very grateful to the two wastes of our day's work and brought me. Here, stop talking nonsense, come here

Kneel down, as long as you surrender to Ben Shao now and become Ben Shao's dog, Ben Shao can consider leaving you a dog life. "

Qin Chen looked at Shengzi Shenzhao, indifferent to the surroundings, a mocking smile was drawn at the corner of his mouth.

"Boy, do you dare to talk to Master Shenzhao like this and look for death!"

The disciples who were taught by the gods all roared. "Kill Killing King Shengzi, is you this fellow? If you have some strength, you don't know how high the world is, you dare to talk to Lord Shenzhao like this, and you don't need Lord Shenzhao to deal with things that don't know how to live or die. You don't need Lord Shenzhao to do anything. You can crush you with one hand.

Everyone. "Suddenly, a powerful aura surged out, and among the crowd, a man who was kneeling in the first row with the Holy Son of Blood, Zhao Lianghan and others stood up with a look of disdain on his face.

[Chapter 2969: The pupil of birth and death](#)

"Ok?"

Qin Chen looked at this man, and the man also looked coldly, his eyes were like fairy swords, and in his pupils, there seemed to be a world coming and going, directly assassinating Qin Chen's mind. The average expert was given a look. I'm afraid my mind is about to collapse.

"The pupil of birth and death!"

Wei Siqing was taken aback. Seeing the young man's eyes, he couldn't help being shocked and said aloud.

"What? Really the pupil of birth and death? This is a natural killer. It can control the soul, and can even see through and restore the magical power of any warrior in the same realm. It is unpredictable."

"It is the son of Zhuang Hongliang of Yonghe Prefecture. It is said that this person can control the life and death of a person when he is born. A group of midwives at the mortal level saw his eyes during delivery, and the soul was instantly swallowed. During the delivery process Died on the spot."

"Unexpectedly that he also took refuge in the Son of God? It is said that the person possessed by the pupil of birth and death is invincible in the same realm. This is a natural strong man with invincible power and fighting at the same level. This person can easily see through others. How terrible is this supernatural power?"

"This Zhuang Hongliang can be regarded as one of the top sons of our mansion, and the future heir of Yonghe Mansion, is actually willing to take refuge in the son of Shenzhao? Humph, really lowering his status."

Qu Gaofeng, Quan Muliu, and others were also surprised. They never expected that people like Zhuang Hongliang would willingly surrender to the Son of God.

This kind of person has noble status and strength against the sky. Although he has never fought with them, he is also a leader at the same level as them in this realm, and he is willing to be the servant of the Son of God.

Moreover, the other party is still a top-level Tianjiao with the pupil of birth and death. Although this Zhuang Hongliang is not the reincarnation of an ancient powerhouse, this kind of eye pupil is like a natural spirit body, Taoist body, etc., ordinary forces cannot find it at all. Only one can be born out of 10,000 Tianjiao.

Such a Tianjiao, each one will become a great figure in the heavens in the future, inheriting the great power born from the great fortune, and it is not known how many times stronger than the average warrior.

"Yes, it is this seat, what do you know, Lord Shenzhao is the reincarnation of the ancient holy lord, and now he has inherited it. Only enough strength is needed to break through the realm of the holy lord. He is a true man of destiny. I am waiting to follow He, in this trial land, will surely be able to sweep the invincible."

Zhuang Hongliang said proudly, he was not ashamed of following the God of God, but rather proud of it: "Your name is Qin Chen, right? I heard that you defeated the Holy Son of Blood, beheaded the Holy Son of King of Humans, and even the Huarong Sheng who worked in heaven. Everyone dared to be cruel, huh, I want to see what you can do."

Zhuang Hongliang's voice fell, and the invisible power lingered out of his pupils, and a strange aura was immediately permeated between the world and the earth. He looked at Qin Chen deeply, his eyes were extremely deep, and seemed to make people completely intoxicated.

In silence, the contest had already begun. Zhuang Hongliang's pupil of birth and death quietly urged, quietly, and swallowed Qin Chen's soul.

"Zhuang Hongliang, don't be careless, this Qin Chen is not as simple as you think."

Seeing Zhuang Hongliang's contemptuous expression, the blood sacred son was immediately startled and said hurriedly.

Zhao Lianghan and Chi Wenmin also became solemn and looked over.

"The pupil of birth and death, just this point?"

Qin Chen sneered. Suddenly, his eyebrows split open, one of his vertical eyes opened, and an invisible soul wave burst out.

"Heaven Soul Forbidden Technique!"

Hum!

The terrifying soul fluctuation, centered on Qin Chen, turned into a sharp arrow-like soul light, burst out, ripples in the void, directly piercing this Zhuang Hongliang's eyes.

Boom!

When Qin Chen's soul was urging, he was caught off guard, no one expected, and no one expected that Qin Chen was so ferocious, and the soul power he exerted was so great.

After two consecutive loud noises, the eyes of Zhuang Hongliang, who possessed the pupil of birth and death, suddenly exploded out of thin air and became two blood holes. The explosive power of the eyeballs filled the air with a tragic smell. , Full of blood.

"what!"

Zhuang Hongliang, the sage son of Yonghe Palace, let out a scream, trembling all over, covering his eyes with his hands, and howling: "My eyes, my eyes, my pupils of birth and death, why are they abandoned? I can't see it anymore, it's impossible, what did you do to me?!"

Zhuang Hongliang, the sage son of Yonghe Mansion, covered his eyes and screamed sorrowfully, as the blood flowed across the fingers of his hands, shocking. "

It turned out that Qin Chen's soul fought back in an instant, blinding Zhuang Hongliang's eyes.

Qin Chen's Heavenly Soul Forbidden Technique contained infinite mysteries, and its soul power was so powerful that it could shock even the overlord master, and it broke out on the spot with lightning speed, and the overlord could not resist it, let alone him.

Although the pupil of birth and death is powerful, how can it be compared to the ruthless Qin Chen?

"What is the pupil of birth and death, in Ben Shao's eyes, it's just rubbish, you want to fight Ben Shao based on your ability, Ben Shao wants to kill you, just a few seconds."

Qin Chen directly used the heavenly soul forbidden technique, exploding Zhuang Hongliang's eyes, and smiled coldly, not caring, the clouds were light and breezy, and he didn't care at all, "For things like ants, Ben Shao will destroy your eyes first. , Let you lose the capital of pride."

The audience was shocked and silent, only Qin Chen's voice reverberated, arrogant and domineering, other than that, it was the screams of Zhuang Hongliang.

"What? Zhuang Hongliang's eyes are blind! His pupil of birth and death! The natural **** pupil was broken like this, and it was completely abolished."

"How can this be so powerful at a glance? What magical power is that?"

"Why is this Qin Chen so strong?"

The masters, such as Blood Sacred Son, Zhao Lianghan, and Chi Wenmin, who had suffered losses in Qin Chen's hands, were shocked one by one, their scalp was numb, and the whole body was cold.

Although they knew that Qin Chen was terrible, they didn't know that Qin Chen was so terrible.

"Qin Chen, don't be arrogant, this is the cultivation place of the Lord Shenzhao Shengzi, and you are not allowed to go wild."

Zhao Lianghan roared.

"Shen Zhao Shengzi, in the eyes of Ben Shao, it is nothing more than an ant." Qin Chen said coldly: "Zhao Lianghan, Ben Shao, because you and I are both disciples of Tian's work before, let you go, but I can't think of you. I don't know how to repent, and prepare to unite with God to frame Ben Shao. If this is the case, I won't be able to keep you."

Qin Chen's voice fell, his figure shook, and across the infinite void, he suddenly appeared in front of Qin Chen.

"Qin Chen, you don't want to be mad."

Zhao Lianghan yelled, and layers of breath in his body suddenly exploded, and a huge palm was already knocked out by him, suppressing Qin Chen.

[Chapter 2970: Squeezed](#)

"Hmph, I want to resist and die for me!" Qin Chen's entire body suddenly became extremely tall, his whole body bursting with a breath of ancient times, thick as the great sun of the demon world, eternal and immortal, his figure shook, and he shot up with electricity. , Reached the air, facing the terrifying palm, his face appeared

Cruel smile.

The palm of Zhao Lianghan's full-strength blast, as soon as it touched Qin Chen's ancient aura, it collapsed every inch, and the ice and snow melted completely. His power could not bring any harm to Qin Chen at all, and was fragile and vulnerable. There was an incredible look in Zhao Lianghan's eyes. How could it be possible that Qin Chen hadn't been so strong before? How could it suddenly become so terrible? Even more lofty and terrifying than when the Huarong was abolished before

. "Zhao Lianghan, do you think that this young man showed his true strength before? It's ridiculous, don't you understand? Ben young let you go before, just to use your hands to find this godzhao son, in fact, in Ben young's eyes , You but

It's an ant that can be pinched to death at will. Before this young man, you just concealed your strength. As a Tianjiao disciple, you colluded with outsiders and framed my Tianjiao person. Ben Shao had a reason to clean up the door, kill you, and kill me! "

Qin Chen's power swept across the void like a storm.

Fast, incredibly fast. Qin Chen blasted a punch, and a magnificent black palm appeared in the sky. The power of the fist was as fast as his divine mind, and appeared in the air like the king of the ancients, showing an overwhelming advantage, and the whole body was lingering in the ancient spirit. Between, infinite power

The amount is condensed in his palm.

boom!

Zhao Lianghan shook in the air, and the qi of his body was dissipated by Qin Chen's strength. The Heavenly Sage Law felt like it was not working. He had experienced countless battles throughout his life, but he had never encountered such a tyrannical breath. oppression.

"What is this? Why is it such a tyrannical power? Is this still a human? It is beyond the existence of an ordinary overlord!" He roared wildly, and countless palm shadows changed from his palms. In his body, the breath of life and death surged wildly. It moved, and it was shot in a row, just like the ancient gods and demons, destroying the heavens and the earth, the holy origin pouring out, the entire void shook violently, the void was

A feeling of destruction.

Zhao Lianghan went mad, burning Saint Yuan, burning essence and blood, and even burning soul, desperate to strike.

The endless breath sensation, haunting the breath of life and death, the countless saints below were shocked.

"Is this the top son of Tianjiao? Too strong!"

"Zhao Lianghan is mad. With this blow, I have a feeling that it can blow me up."

"This is how many punches he hits in an instant, and every punch has the power of the top saint son. Then Qin Chen really angered Zhao Lianghan."

Between heaven and earth, many Saint Sons were discussing, especially the Saint Sons of Xueyang Mansion and many other forces, with sneers drawn from the corners of their mouths.

I saw that between the vast world, countless palm shadows, suddenly blasted out of Zhao Lianghan's body, forming a terrifying storm.

But Qin Chen held his palm, and under the cover of the dense ancient aura, countless cells in his body were running, and a wave of power brewed in it, exploded, and the power rose again.

Between the lightning and flint, no one reacted, Qin Chen just punched.

Boom!

This fist, like the infinite ancient sacred mountain of the heavens, exploded at once, all collapsed and destroyed, the day fell, the heavens fell into eternal darkness, and all the shadows of the fists that Zhao Lianghan displayed were all shattered in an instant.

Everyone saw that Zhao Lianghan's whole body was beaten by the power of Saint Yuan, and the whole person flew out in the air. A blood hole appeared on his chest, and blood spurted out of his mouth.

With a single punch, Qin Chen actually punched the body of Zhao Lianghan, the top saint son.

"what!"

Zhao Lianghan let out a miserable scream, showing an unbelievable look. He felt a destructive force exploding in his body.

Huh!

In the next moment, a god-like figure appeared directly at the place where Zhao Lianghan flew up. It was Qin Chen with a sneer in his eyes. He raised his right hand and directly pinched Zhao Lianghan's head.

"Ah, you let me go, Godzhao Shengzi, save me!"

Zhao Lianghan roared, struggling desperately, but could not move, the power in his body was fading quickly.

"Save you? Zhao Lianghan, you have offended Ben Shao. No one can save you from the sky and the earth. Leave me to pieces!"

boom!

When he squeezed, Zhao Lianghan's head burst like a rotten watermelon, and Zhao Lianghan's whole person was also bursting, bloody, bloody, and stumps flying around, and Qin Chen's strokes were divided into pieces and five horses. . A top saint of heavenly work, the power of the overlord was condensed in his body, and only one step away was the real overlord giant's Geshi Tianjiao. After being breathed by Qin Chen, he pierced his body on the spot and squeezed his body alive. Brutal?

How cruel?

Although everyone knew Qin Chen's toughness, no one expected that Qin Chen, a bookish-looking young man, suddenly turned into a demon, and then squeezed Zhao Lianghan through it.

"Give me!"

After squeezing Zhao Lianghan, Qin Chen was spinning in the air, and countless black holes appeared all over his body. Those torn blood, stumps and arms, countless Heavenly Sage Origins, entered his body one after another, and they were directly refined.

"Zhao Lianghan."

Chi Wenmin trembled all over, his body was hairy, and he felt a chill rising from the soles of his feet, and his whole body was stiff. "How is it possible? How did Qin Chen become so strong? When he first entered the trial land, although he was strong, he was not so exaggerated. Now, he killed such a strong Zhao Lianghan in one breath. Who? Isn't it the same

It's a pity that you beheaded me in an instant? "

"Am I dreaming?" The Blood Sacred Son and others roared in disbelief. They followed the Shenzhao Saint Son, practiced hard, and their strength had improved somewhat. They thought they could compete with Qin Chen, but Qin Chen exploded Zhuang Hongliang's birth and death in an instant

Tong squeezed Zhao Lianghan, causing the fear of Qin Chen in the heart of the blood sacred child to haunt him again, and his whole body was chilly.

The atmosphere on the court became quiet again.

"Qin Chen, you are too mad. In front of me, people who dare to kill me, do you really think I will not kill you?"

Shenzhao Shengzi's eyes suddenly burst out with a dazzling light, and the body that had been sitting cross-legged slowly stood up, screaming, in his body, a horrible aura revived, like the same ancient beast, Start to wake up.

Boom! The strong aura was suppressed, and the top masters such as Wei Siqing felt a terrifying aura, as if facing an ancient giant beast.
