

Valkyrie Domination

Chapter 3 Mrs. Zhao

"Little bastard, dare you yell at me!"

A layer of anger quickly climbed on Rouge's face, and his whole body was shaking with anger, and even the "little bastard" was scolded.

In the palace, many servants and servants called him a little **** when discussing Qin Chen privately, but when facing Qin Chen, basically no one dared to call it that way.

After all, Qin Yuechi is also the daughter of King Dingwu and the eldest of the Qin family.

But when Yanzhi was angry, she couldn't care about anything. She pointed Qin Chen with her finger, and said with a mocking expression: "I call you Master Chen, you really think you are a master, I am!"

Qin Yuechi's face turned pale and pale, looking at Rouge angrily and said: "Rouge, what is your name Chen'er? Remember your identity, just a maid!"

"Yeah, Miss, did you put your score to me?" Rouge looked at Qin Yuechi coldly, and sneered with confidence: "Miss, don't jump out in a hurry. Madam had expected you to be trustworthy. , I'm staying, come here, take the eldest lady to the living room for me, don't let the lady and the distinguished guests wait too long."

"boom."

As soon as Rouge's voice fell, the door of the room was kicked open. Two guards from the Qin family walked in from the door and quickly came to Qin Yuechi.

"Miss, come with us."

The two guards raised their heads and looked at Qin Yuechi coldly, with a hint of greed passing deep in their eyes, and they were going to pull Qin Yuechi.

Qin Yuechi was born with beauty and a country full of beauty. Although these years have not been good, his stunning appearance has become more and more fresh and refined. Which man from the Qin family talked about the eldest lady, not coveting, and fascinated.

In this case, a little bit of oil, it seems that no one can tell, right?

"I see who dares to touch my mother."

Qin Chen quickly took a sword from the wall.

Cang!

The long sword is unsheathed.

He took a step forward and stood in front of Qin Yuechi, with his long sword standing obliquely, two icy rays of cold light shot from his eyes, like sharp blades falling on the two guards.

An inexplicable aura bloomed from Qin Chen.

The two guards only felt cold all over, as if they were being stared at by the **** of death. A cold air rushed from the ghost vertebrae to the sky, causing a layer of goose bumps all over the body. Breathing became difficult, and the movements of the hands were also As a lag.

what happened?

The two guards looked at each other and felt unbelievable. At this time, Qin Chen's appearance and aura had not changed, but they were inexplicably feared.

It seems that if you don't obey him, you will encounter a nightmare.

The two couldn't help looking at Rouge.

"You two rubbish, one Qin Chen frightened you? Don't forget, who is in charge of this family, and if you don't bring the eldest lady to the living room, madam blames it, can you afford it?"

If the rouge gas didn't hit it, how these two guys were getting frightened by the little **** Qin Chen.

The two guards also felt that their faces were dull, and they were actually frightened by Qin Chen. Although Qin Chen is a young master, he is not as good as an ordinary housekeeper in terms of status, and he has always been timid, even a chicken dare not kill. One, if this spreads out, how will they still be in the Qin Mansion in the future?

Thinking of this, one of the guards immediately snorted and said coldly: "Master Chen, please take care of yourself. I am waiting for Madam Zhao's order to take the young lady to the living room. If Master Chen dares to stop, I will stop. Blame the two of us for being impolite."

Unexpectedly, Qin Chen stood motionless, with a long sword standing in front of him, with cold eyes, and said every word: "If you don't want your life, try moving my mother!"

His voice seemed to pop out of Jiuyou Hell, making the footsteps of the two guards stagnate again.

Qin Chen looked at Rouge again, with a stern voice and said: "And you, arrogant and domineering, dare to be arrogant in front of my mother, believe it or not, I will exile you for three thousand miles and become an official prostitute.

Rouge's complexion became stiff.

If there is a real trouble, Mrs. Zhao may be fine, but their servants and guards will never end well.

"Oh, who is going to exile whom?"

A harsh sound suddenly sounded, and then a series of footsteps came from outside the door.

A group of servants in brocade robes stepped into the room first, standing on both sides, followed by a graceful and elegant middle-aged woman in palace costumes walking in from the crowd.

This person is wearing a gold-stranded cloud robe, a red agate coral jade hairpin on his head, four or five gemstone rings on his ten slender fingers, gold and silver, so he is not rich.

Beside him, there was a middle-aged man with a wretched appearance, a bloated figure, and a very wealthy dress. As soon as he came in, his eyes fell on Qin Yuechi's body, his squinted eyeballs turned straight, only his mouth did not fall. Ha Lazi.

"lady."

When Yanzhi saw this person, his previous arrogant expression suddenly faded, his face turned pale, and his eyes were a little horrified and bent down.

This person is the mistress of the Qin family, Zhao Feng and Mrs. Zhao.

Next to her, is the notorious merry prince of Daqi-Qi Wang Zhao Qirui.

Madam Zhao took a cold look at Rouge and snorted coldly, "I can't do a little thing well, how did I teach you in the past?"

Rouge hurriedly knelt on the ground in fright, and said with a pale face: "The slave and maid are incompetent, please madam to punish me."

"Go away first, shamelessly."

"Yes, ma'am." Rouge hurriedly stepped aside, trembling, looking at Qin Chen bitterly, but sneered in her heart: "Huh, little beast, now the madam is here, how arrogant you are?"

Madam Zhao looked at Qin Chen holding a long sword, and said coldly: "Unexpectedly, my nephew has been in a coma for a few days, and he has become so courageous. Not only does he dare to kill him, but also exile my people for three thousand. Here, as an official prostitute, hehe, really ambitious. People who don't know thought it was the eldest son of my Qin Mansion who spoke."
