

Valkyrie 3001

[Chapter 3001: Ranked third](#)

"Is this person very strong?" Some people also showed doubts. Those who can come here are all the top tianjiao in a mansion like Zhou Wusheng, Wei Siqing, and Renwang Shengzi. They are all geniuses, naturally. They are all very proud, seeing the son of Shenzhao so arrogant

The fall will naturally make people feel uncomfortable.

Huh!

Shenzhao Shengzi's figure swayed, and as soon as he descended onto this guarded mountain, he looked at the light from the mountain, penetrated countless thousands of miles, and the persecution of the demon did not dare to approach, and he seemed very satisfied.

He stepped out in one step and came to the core open space on the top of the guardian mountain.

There is an extremely magnificent open space on the top of the guardian mountain. On the open space, there are many masters, each with extraordinary momentum, occupying a position.

However, it can be seen that although the strong in the open space are all master masters, they are also divided into several different levels. The ones in the outer and remote places are weaker, and the more core, the stronger the aura, and the more terrifying.

As soon as Shengzi Shenzhao fell, he slid directly towards the core of the open space.

"The Son of God, the Son of God, the highest-ranking Son of God, but I heard that your residence should be a relatively weak one in the Eastern Heaven Realm. You dare to go directly to the core place? Don't you know what is inferiority? ?"

A figure suddenly stopped Shenzhao Shengzi, with a sneer at the corner of his mouth, and said disdainfully.

The horrible aura of this person is obviously also a master overlord, wearing a sky blue robe, with a sky blue hair, exceptionally elegant and deep, between gestures, giving people a strong danger.

This is obviously also a worldly arrogant, overlord figure, dissatisfied with the posture of God according to the Son, and provocative.

Many powerhouses around showed a good show. Except for some top powerhouses who have long been famous, normal overlords come. If there are not enough numbers, people who come alone will almost be scrutinized.

"You blocked me, get out!"

Shenzhao Shengzi's eyes were indifferent, he didn't even look at each other, and said coldly.

"Do you know who you are talking to?"

The face of the person wearing the sky-blue Taoist robe changed suddenly, and the attitude of the **** according to the holy child changed his color, which was too arrogant.

"An ant-like thing is rampant in front of me. Give you a breather time to roll, otherwise you will regret it."

Shenzhao Shengzi said lightly.

"Hahaha." The man in the blue robes couldn't help but sneered at the sky that day: "Regret, it is you who should regret it. Since you have to die, then this seat will fulfill you. Remember, the one who defeated you is Guangyue. Fei Leng in Tian Heng Yang Mansion, I am in Guangyue Tian than you ask Han Tian

To be more than twice as strong, Fei Leng is ranked third in Guangyuetian. "

third!

Everyone's eyes narrowed. Guangyuetian is also a Holy Lord's Mansion in the Eastern Heaven Realm. There are more than 20 Holy Lord powers. In terms of power, it is indeed much stronger than Wenhantian where Shenzhaojiao is located. Guangyuetian ranks third, like Wenhantian. Place, most likely

Top Tianjiao ranked first.

Although Shengzi Shenzhao had some fame in Wen Hantian, he also heard Wen Hantian, and heard it in some surrounding areas, but compared with Guangyuetian, Wen Hantian was indeed a bit too weak.

"Guangyuetian third? Is it strong?" Shenzhao Shengzi raised his head, buzzing, a ray of light flashed across his eyes, making Fei Leng's heart suffocated, only feeling cold all over, and a kind of wild ancient beast was staring at him. Feeling, even want to turn around and run away.

However, he quickly expelled this feeling from his mind. He only felt that his face was dull, and he became angry. He is the arrogant of Guangyuetian, and he will be scared by a trash asking Hantian?

"Huh, you ask Hantian's disciples are scumbags, which arrogant of my Guangyuetian went to ask Hantian, is not the strongest?" Fei Leng was full of disdain.

Crazy, really crazy.

But when it fell in the ears of other people on the court, it didn't feel mad, but felt that it should be.

Different horizons naturally have different levels of self-confidence, just like in Tianwu Continent, people from the land of a hundred dynasties come to the land of the five countries, naturally with superiority.

"ridiculous!"

Shenzhao Shengzi sneered, his body moved, and his right hand suddenly raised. "Do you want to do it? Since you are looking for death, then this seat will make you perfect!" Fei Leng's figure moved, and the latter came first. He already rushed towards the Son of Shenzhao. He didn't care if there were other people around, just a punch. Violently, there is a big fuzzy

The symbol of Tao exudes light that can crush everything.

The light of the overlord's avenue flickered and burst into a shocking shock.

Suddenly, the other masters around quickly backed away. Once this punch force got out of control, the destructive power would be terrible. They all wanted to watch the excitement, but they didn't want to get involved in this kind of conflict.

Shenzhao Shengzi shook his head, and indifference flashed through the depths of his eyes, and he drew a finger out, a simple act, but it seemed to suppress the world.

"Dare to underestimate me!" Fei Leng roared, the avenue symbol on the fist face was also clearer, obviously more destructive.

Shenzhao Shengzi was still expressionless, greeted him with a finger.

boom! The first time the two confronted each other, the fingers and fists did not actually touch each other directly. Instead, they were separated by at least three feet. The avenues and Yuan Li of the two sides had already had a fierce collision, and then stagnated, and a wave of terrifying force and rules surged. Out, towards all sides

Fang pushed away.

puff!

Then everyone saw that the finger light that Shenzhao Shengzi pierced through the world, suddenly exploded the power of this Fei Leng fist, leaving a blood hole in his fist.

puff!

Finger air blasted in from the face of Fei Leng's fist, and then penetrated out from his back, the whole person screamed, fell heavily to the ground, blood flowed, shocking.

With one finger, Guangyuetian's third-ranked expert Fei Leng fell directly to the ground, severely injured, and convulsed.

"hiss!"

Suddenly bursts of air-conditioning sounded on the court. With one move, he defeated Guangyuetian's third-ranked Tianjiao, and asked Hantian when he was so strong? It's no wonder that this godzhao son is so overbearing and arrogant. They didn't know that the leader of Shenzhao was intercepted by Qin Chen several times before, and his heart was already murderous. Now someone is coming up to die, where can he be restrained? He didn't kill the opponent, just because he didn't want to arouse public anger and destroy his plan

That's it.

The fact that he was not beheaded by the **** of the gods with a single finger indicates that this person is strong enough, otherwise, if he comes as an ordinary overlord, he will definitely die.

"Guangyuetian's scum, but this is also rampant in front of this seat, ridiculous."

Shenzhao Shengzi retracted his finger, snorted coldly, calmly, without even looking at Fei Leng who was lying on the ground, turned and walked towards the core.

"Damn, damn, how dare you look down on me like this!" Fei Leng lay on the ground, his expression distorted, his blue head full of vigor and anger, madness.

boom! He soared into the sky, a blue aura wafted from his eyes, rising continuously, turning into a blue sickle.

[Chapter 3002: Yao Wuming](#)

"Vast Sky Scythe!"

Someone exclaimed, his face changed. You must know that that person is also an overlord, and his color has changed at this moment.

"I didn't expect Fei Leng to directly display the Haotian Scythe." "It is rumored that the Haotian Scythe is the top secret technique of Hengyang Mansion, the Holy Master's secret technique, Fei Leng has mastered half of the essence, and displayed it. Enough to destroy the sky and the earth, I heard that when Fei Leng was the half-step overlord, he used this Vast Sky Scythe

After beheading a master overlord, he is now the overlord, and his power must be stronger. "

"Who made Fei Leng irritated by the Son of God, this is a battle for reputation!"

Some overlord sighed, while others were gloating.

Although everyone is a human race, they also have a direct competitive relationship with each other. Now it is more a conflict between Guangyuetian and Wenhantian. Others naturally hope that the two sides fight as hard as possible, and it is best to lose both.

Fei Leng slammed out again. He hadn't made it yet, and the huge sickle behind him had already been cut off. It was obviously a phantom, but it was exuding a metallic cold light with a real substance.

"ridiculous!"

Shenzhao Shengzi clenched a fist with his right hand and punched in the sky.

哐!

It seemed that there was a thunderstorm on the ground, and then only wrinkles appeared in the space, moving layer by layer in all directions.

The Haotian Scythe was immediately affected, the castration was blocked, and then there appeared damage, patches of mottled, and then drifted away, and finally turned into countless fragments, blowing away with the wind.

Hiss, seeing the power of this punch, everyone gasped, and even the top talents showed shock.

With such a terrifying blow, Fei Leng was bombarded with a random punch, and the strength of Shenzhao Shengzi was unfathomable.

boom!

Shenzhao Shengzi smashed Fei Leng's Haotian sickle with a fist, and the fist surged and hit Fei Leng's chest again.

puff!

This time, Fei Leng's chest collapsed directly, and blood spurted out of his mouth, and even shards of the avenue spewed out from his mouth. The whole person fell heavily to the ground, painful convulsions, extremely embarrassed and miserable.

His origin was damaged by this blow. Everyone felt that Fei Leng's domineering aura became unstable, and it was obvious that the source was injured. This is undoubtedly a great blow to a Tianjiao. If the source cannot be repaired in time, it will be severely injured. Stop for countless years

If you stagnate, your realm will fall and become a waste.

"Looking for death again, I don't mind making you a dead person."

Shengzi Shenzhao glanced coldly, and went straight to the core of the mountain.

This time, no one stopped and talked nonsense anymore. They were all heavenly arrogances, and none of them were idiots. Naturally, they all knew the horror of God's Son.

The overlord of Fei Lengtang, and Guang Yuetian's third-ranked existence, was accidentally seriously injured by this person, damaging the origin.

This kind of strength makes people not scary.

For an instant, everyone gasped, and the Tianjiao with Guangyuetian, who were all the same enemies, stared at Shenzhao Shengzi with angry eyes, only feeling that Shenzhao Shengzi had humiliated Guangyuetian.

But the hatred belongs to hatred, but no one jumped out to challenge the Son of God.

Fei Leng is a lesson learned.

"Why Master Shao Jikang hasn't arrived yet?"

"Where is Fairy Guangcheng?"

The Tianjiao of Guangyuetian secretly spread the voice, and the sentiment was agitated.

Shao Jikang was the number one existence among the countless saints of Guangyuetian. This was a very mysterious person, but his strength was amazing. He always ranked first in Guangyuetian, and no one could shake it.

Fairy Guangcheng, the first beauty in Guangyuetian, and the second-ranked master in Guangyuetian. The strength of these two people is more terrifying than Fei Leng, especially Shao Jikang, whose fame is far above Fei Leng, and is quite famous in the entire Eastern Celestial Realm. Therefore, the Tianjiao of Guangyuetian believe that as long as these two people are present, they will be anywhere. One can help them

Guangyuetian found his place.

However, the eyes of everyone on the field were obviously not paying attention to the people of Guangyuetian, but all fell on the Son of Shenzhao.

However, when the Son of Shenzhao came to the core place, he immediately walked to one of the crowds. There were a few masters sitting cross-legged, including men and women, each with extraordinary aura, like the ocean, and was actually stronger than the previous Fei Leng a lot of.

These masters felt the footsteps and gaze of Shenzhao Shengzi, and one by one opened their indifferent eyes, and a terrible rainbow bloomed.

"Your Excellency came to me to confine the heavens, what is the so-called?" One of the leading overlords said coldly. Even though the son of Shenzhao had shown a terrible cultivation level before, this person was still very calm, that kind of self-confidence and calmness, not Pretending to be, but it did emerge proudly from deep in my heart

, Not afraid of God according to the Son.

"Have you not arrived yet, Yao Wuming, who is extremely sealed?"

Shenzhao Shengzi said lightly.

Hearing this, the expressions of these masters changed.

"What do you mean by Mr. Yao Wuming?" The man's eyes sank and said coldly.

When the other Tianjiao heard this, they all took a breath. This Shenzhao Shengzi was looking for Yao Wuming, and he even dared to call the name of Yao Wuming.

Is he looking for death? Yao Wuming, the top prince of the East Heaven Realm, the top arrogant of the Heavenly Yaomie Mansion, and a well-known top prince and powerhouse in the entire East Heaven Realm, plus the fierce reputation of Yaomie Mansion, the entire East Heaven Realm, any cosmic domain. Talking about the extremely closed city

Discoloration.

"If he comes, you tell him that I have something to do with him."

Shenzhao Shengzi said lightly, then turned around to the core place, did it cross-legged, silently calculating what. Everyone's face changed again when they looked at the Son of Shenzhao. No matter what the Son of Shenzhao looked for Yao Wuming, this courage alone is not owned by others. If you offend the Son of other heavens, it's just Trial in Heaven

If you need to be careful in the middle, then once you offend Yaomie Mansion, the power of the Holy Master you are in must become more careful.

Yao Mie Mansion is a cruel character in the Eastern Heaven Realm who cannibalize people without spitting out bones.

Everyone was waiting here silently. One day later, a heavyweight figure finally arrived on the Taikoo Mountain.

Shao Jikang!

Hearing his name, this person can easily think of a handsome man, but in fact, this person has a full face and is extraordinarily fierce, and there is no way to connect him with the super strong.

It can be said that this is a successor to the Holy Master, who has received the initiation and inheritance of a Holy Master!

No one knows why a holy lord has to choose a disciple who looks so "unbearable", nor does he understand why the body was not repaired by the means of the holy lord. This is a trivial matter for the holy god, and it is impossible. Down to the Lord. But judging from the terrifying talent and amazing strength that Shao Jikang showed in Guangyuetian, it is very likely that this person has actually received the inheritance of the Holy Master, otherwise it would never be so terrible.

[Chapter 3005: Heritage of the Lord](#)

"This Qin Chen is the saint son of the Tiangong we asked Hantian Guanghanfu. It hasn't been long since he became the saint son of Tiangong, but he is arrogant and domineering. During this experience, this seat wants to integrate all the forces of Hantian and join Yao Wuming. The adult was under his command, but he didn't think of this person. He had a bad attitude and joined forces with Guanghan Mansion and other forces to fight against this seat. In the end, I asked Hantian Shengzi to suffer heavy casualties. Such people must die." Shenzhao Shengzi said coldly.

"The Son of Heaven? Although the Son of Heaven is strong, it is one of the top forces in the heavens, but it is only the Son of the Heavenly Working Division of the Holy Lord's Mansion in a small universe. What kind of waves can it cause? The Son of God, you Asking Hantian is just a small universe. The fight among you is just a child's play game. What threat can he bring to us? Alarmism!"

Shao Jikang and others sneered after hearing the words of God according to Shengzi so seriously, and did not take his words to heart.

"Hmph, don't take him to your heart, Qin Chen's methods are so harsh, even after this seat has become the overlord, he has no choice but to come here this time, but also wants to join forces with Yao Wuming. Kill this person, and this person is not the overlord cultivation base, I suspect that if this person enters the overlord realm, it can even sweep us."

"What, isn't the overlord yet? Impossible, how could there be such a perversion? Even if this person is the soul of the Holy Lord, it is impossible to be so strong."

Several overlords all screamed. On this "Guardian Mountain", many masters from all major heavens shook their heads and whispered.

"There is nothing impossible. This person's cultivation is against the sky, and he has time rules. If you underestimate this person, you will be in trouble." Shenzhao Shengzi threw a big bomb.

"What? Time rules."

One stone stirred up a thousand waves.

The rule of time is the most supreme rule of the heavens. In the entire eastern heavens, no one has heard of anyone mastering the rules of time, and even the Holy Lord can't do it. How could Qin Chen do it?

"Shen Zhao Shengzi, you said you want to join forces with this seat, what qualifications do you have to join forces with this seat?"

Suddenly, Yao Wuming moved, Om, a mighty force burst out of his body, and he blasted out a fist against the Shenzhao Shengzi.

Hum!

With this punch, the world was discolored, and the infinite rules were condensed in his palm, turning into the ocean of the avenue. The rich light of the avenue made every overlord feel shocked from the depths of his heart.

Strong, simply too strong, is this the Yao Wuming Lord who is known as the number one arrogant of the Eastern Heaven Realm?

Everyone was shocked. Although each of them was the overlord, in front of Yao Wuming, they actually felt insignificant, like the gap between a kitten and a tiger. They are also cats, but their strength is ten times worse. A hundred times more.

The masters of Guangyuetian were all excited, and couldn't wait to see the scene of Shengzhao Son being bombarded and killed.

But the next moment, everyone was shocked.

哇!

In the palm of the Son of God, the light flowing through the avenue actually resisted Yao Wuming's attack. The collision of two terrible forces made everyone almost unsteady.

"Ok?"

Yao Wuming's gaze condensed, and a deeper light flashed through the pupils of his eyes. Everyone felt that a breath of even more palpitation was born, which was the way of the Holy Lord.

Yao Wuming actually urged a trace of the way of the Holy Lord that he had mastered.

That magnificent palm was suppressed like a high mountain, and above the palm, the light of the avenue flickered wildly, shocking the world.

"The Way of the Holy Lord?"

Shenzhao Shengzi smiled coldly, and there was also a ray of light of the Holy Lord's Way in his body. With a bang, once again resisted Yao Wuming's attack, the two avenues of light collided with each other, even the guardian mountain All of the restrictions were also flashed out, thinking that there was an attack from outside, we must take a strong shot.

Huh!

But the next moment, Yao Wuming and Shenzhao Shengzi stopped their hands and drew aside each other.

"The Way of the Holy Lord."

Yao Wuming stared coldly at the Son of Shenzhao, with various lights flickering in his eyes.

Although he knew that the Son of God is very strong, he did not expect that the Son of God also mastered the way of the Holy Lord. His way of the Holy Lord was propagated to the outside world from the inheritance of the treasure of a Holy Lord. But in fact, there is another secret, which he obtained through other means.

But how does this God according to the Son of God master?

"Yes, it is the way of the holy lord. As the inheritance of the holy lord, this seat is the reincarnation of the seventy-eighth **** of the gods. He has awakened a trace of soul memory. Only then has he mastered a trace of the holy lord's way. Are you qualified to join hands with you?"

Shengzi Shenzhao said lightly, but he sneered in his heart. He also saw that Yao Wuming's holy master's way of origin was very strange, but he didn't mind. He found Yao Wuming and them, and jointly dealt with Qin Chen. One of the goals, in fact, the real goal, there are other.

What he wants is just to Yao Wuming themselves.

"Okay, okay, you are so capable, you are indeed qualified to join forces with this seat." Yao Wuming's eyes flashed, but he smiled.

Both of them have their own goals.

"Shen Zhao Shengzi, you said before that it is true that Qin Chen has mastered the time rules?" Yao Wuming said, his eyes solemn.

Time rules, even he was tempted.

"Nature is true." Shenzhao Shengzi said coldly, his eyes flashed, and said: "However, joining hands to deal with that Qin Chen is only one of the purposes of this seat. In fact, the real purpose of this seat is to invite you to go together. An ancient relic in the demon world, that relic was left by a human being."

Venerable Terra!

boom!

The audience was boiling, everyone's eyes were horrified, and all of them were almost mad. This was more exciting than Qin Chen's time rules.

The rules of time are too difficult to master. Even if they kill Qin Chen and refine his origin, they may not be able to master the rules of time because of this, but the treasures of the Lord are different. Lord, the rumor is still the Lord The top master above.

"The Venerable Inheritance... Are you talking about the Venerable above the Holy Lord?"

Many people trembled.

At their level, you can already hear about this level.

"Brother Shenzhao, you are too righteous, you have the inheritance of the venerable, and you did not tell Qin a voice, and plan to unite so many masters to kill Qin. It is not interesting enough. Ben Shao just took away some of your belongings. Inheritance, why bother about it?"

Suddenly, a domineering and majestic drama voice came through.

There was a boom.

The void above the guardian mountain suddenly shook, and two figures appeared above the guardian mountain.

[Chapter 3006: Absolutely secret](#)

The leading person, with a vague temperament, is full of ancient aura, like a demon, towering toweringly, domineering infinitely, his pupils, as if containing the stars of the universe, give people a strong sense of shock. And beside him, stood a beautiful woman, with noble temperament, like a fairy from above the nine heavens, high above the sky, surrounded by the terrifying atmosphere of the great avenue, that appearance and temperament will even make the famous beauty of the East Heaven Realm

The Baihua Fairy was suppressed, and it made people feel like a group of flowers turned pale.

"Qin Chen!" The leader of Shenzhao was taken aback. He never expected that Qin Chen would actually be here, especially Qin Chen's words, so that the master of Shenzhao instantly understood that his previous words had been captured by this son, but in this case, Qin Chen actually dare Appear, let him be like

Why not be surprised.

"What, he is Qin Chen?"

Many of the top masters on the guardian mountain have changed their faces. Such characters have appeared directly here?

"Are you Qin Chen?"

Yao Wuming also raised his head and looked at Qin Chen, quite surprised. The silent appearance of Qin Chen hadn't even been noticed for the first time by him before. This ability alone was enough to make him pay attention.

But Qin Chen had obviously heard their previous conversation, so this kid actually dared to appear?

Yao Wuming immediately became curious about Qin Chen.

"It's Ben Shao, this one should be Yaowuming adult of Yaomie Mansion? He is famous and famous." With a boom, Qin Chen and Chen Sisi fell down in an instant and fell among the guardian mountain. He Standing in the crowd with Chen Sisi, Yao Wuming and Shenzhao Shengzi, surrounded by countless Tianjiao experts, did not feel uncomfortable.

Now, unrestrained, as if in his own field, the wind is light.

What a heavenly pride.

Just this dignity is enough to shock countless people, and they admire them in their hearts. In this case, they dare not enter the crowd. "Hahaha, it really is a heavenly arrogant man. Before, Brother Shenzhao said that your Excellency is extraordinary, and this seat is still a little skeptical, but now it is true." Yao Wuming's eyes flickered and he looked at Qin Chen, only to feel that the other party was in the cloud and mist. Distinguish

The real power, let alone Qin Chen, even Chen Sisi on the side could not see the clue.

"Qin Chen, you dare to come here." Seeing Qin Chen's generous fall, the master Shenzhao immediately became vigilant in his heart, and said with a cold voice, his heart turned anxiously. I don't know what Qin Chen is selling in the gourd? Do you want to combine with Yao Wuming to target yourself? Where is he

The confidence from inside? The master of Shenzhao knows very well that as long as he tells all the secrets of Qin Chen, Yao Wuming and others will certainly not let go of this piece of fat, but there are some secrets that the master of Shenzhao cannot tell at all because he himself is also involved. Violent

Revealing his identity as the soul of the Holy Lord, he will certainly become the sweet bun in the eyes of Yao Wuming and others.

Who doesn't want to get a soul that has lost the power of the Holy Lord, but has the sentiment of the Holy Lord? Once refined, it is enough for any overlord to realize the way of the holy lord.

The **** master is very vigilant, is it possible that Qin Chen wants to tell this secret and let the Tianjiao present to target him? In this way, not only will all his plans be destroyed, but he can only run away again in embarrassment. But the matter has not yet reached this point. Although the Master Shenzhao wants to kill Qin Chen directly here, he still suppresses his anger, wanting to see what Qin Chen sells, and what he wants to do? Big deal, when the time comes, both parties will

It came out, a dead fish broke the net.

"Brother Shenzhao, there's something that the young man didn't dare to come here. I've only disappeared for a moment. Why? Is so hostile to him? Everyone is the arrogant of the Eastern Heaven Realm. If there is anything you can't say, you must let others see joke?"

Unexpectedly, Qin Chen smiled faintly when he heard the words of the leader of Shenzhao: "You and I are all Tianjiao who ask Hantian, should unite and help each other to fight against the monsters in the monster world, why bother so carelessly?" Qin Chen said with a smile: "Ben Shao In the past, you did **** a piece of your holy veins and looted some treasures. Personally, it is indeed endless, but now everyone is in the world of demons and is a human race, so they should share the same enemy.

What's more, your Excellency also got the inheritance of his previous life. As the reincarnation of the Holy Lord, shouldn't he be such a magnanimous person? "

"Qin Chen, what do you want to do?" Shenzhao teacher looked at Qin Chen coldly and asked in a cold voice.

What just took away a great array of Saint Veins? Qin Chen not only took away his chances, but also destroyed the plans he had laid out for thousands of years. Now he understates what he intends to do? "What? Brother Shenzhao don't understand?" Qin Chen smiled and looked at the teacher of Shenzhao:

"The enemy should be settled and not be settled. This young master just wants to reconcile with Shenzhao brother, and join hands with the nameless adults to enter the monster world and kill them. Demon, win glory for our human race, by the way, compete for the inheritance of the venerable that Brother Shenzhao said before. I think Brother Shenzhao, although you are the reincarnation of the holy lord, you are also a master of my human race. Naturally, you want to kill the demons and win glory for our human race. Right? Or Shenzhao brother

Would you rather fight in your nest, take refuge in the demons, and do things that make your loved ones hate your enemies? Ok? "

The word "um" Qin Chen asked with a deep question, his eyes were cold and stern, and the heart of the **** master who was watching was jumping wildly.

Damn, this kid is threatening me. As long as I aim at him, I have to tell the arrangement of this seat back then, hate it!

The **** of the gods was so angry that Qin Chen, a fellow who wasn't even the overlord, dared to threaten him, a former master master, lawless. However, as soon as these words came out, Godzhao Guru really did not dare to tear his face with Qin Chen here. If Qin Chen knew the truth, then he would be over, even if he killed Qin Chen, but once he wanted to take The news of the demon corpse of the saint master of the Shemo clan spread,

It will also attract the attention of great figures in the heavens, and will come in person, imprison him, and ask the truth.

Unless he can swipe everyone here and not let the news go out, but under the prohibition of the guardian mountain, this is impossible.

"Turn warriors into jade silk? Humph!"

Although the master of Shenzhao hated his teeth and wanted to kill Qin Chen on the spot, he didn't dare to move.

Yao Wuming glanced at the master of Shenzhao in surprise, his eyes flickered. There must be a problem between the two.

Before, Shengzhao Shengzi kept saying that they would unite them to kill Qin Chen, but now that the other party has come directly, Shengzhao Shengzi acknowledged it. In the seemingly simple dialogue between the two, there is absolutely hidden confidence that only two people know. There is absolutely a secret between these two.

[Chapter 3007: Umbrella of Reaper](#)

However, Yao Wuming didn't care about it. What he cared about was the news that Shenzhao Shengzi had previously said that Qin Chen mastered the rules of time.

Time rules, no one is unmoved, even the Holy Lord. "Haha, your Excellency is so courageous that he dared to break in here. Before listening to Brother Shenzhao's words, Your Excellency is capable of reaching the sky, and the half-step overlord cultivation base is enough to shock the world and even sweep the heroes. I don't know if it is?" Yao Wuming fiddled with it

Pointing, said with a smile.

"Sweeping the heroes?" Qin Chen smiled slightly, glanced over the many arrogant and powerful people present, and smiled modestly: "Brother Yao just listen to this kind of thing. In front of Brother Yao and the tianjiao, who dares to claim to have swept the world? male?"

Everyone nodded one after another, only to feel that Qin Chen was pleasing to the eye a lot. In fact, Qin Chen's defiant posture made many overlord Tianjiao somewhat dissatisfied. Unexpectedly, Qin Chen's voice changed, and then he said: "It's a bit overwhelming to sweep the heroes, but among all the people present, except for Brother Yao and Brother Shenzhao who can give Ben Shao a high look, the other Tianjiao are also so-so. That's it, even if it swept him

Men, it's not worth mentioning in front of Brother Yao. "

"what?"

"What are you talking about?" There are many overlord Tianjiao on the scene, their faces are all hard to look, this Qin Chen is too arrogant, even said that there are so many people present, only Yao Wuming and Shenzhao Shengzi can let him take a high look, the others are not worth it. Mention, this is simply hitting them on the spot

His face didn't put him in the eyes at all.

"Your Excellency has a big tone, pass it."

Hum!

A terrible aura rose up, it was Shao Jikang, who stared at Qin Chen coldly, his eyes were very unfriendly, and a mighty aura surged from his body, shocking the wastes.

"It's just telling the truth." Qin Chen smiled lightly. "Huh, it is so, then I will check your cultivation level, whether it is really so strong, so that all of us are not worth mentioning in your eyes." Shao Jikang's breath was instantly locked. Qin Chen, without waiting for Qin Chen to send

Then, his fingertips grabbed it in the air, and a very strong death air flew out.

Boom!

Death comes, the end is destroyed.

A huge kingdom of death appeared in front of Qin Chen, and it was directly enveloped. It was empty on all sides, and the air of death fell down. This is the way of death and one of the top avenues in the heavens.

Everyone has death, and Tianzun is no exception. Once the avenue of death is mastered to the extreme, it is possible to master the death of all realms, life and death are within the other's thoughts.

As soon as this trick came out, everyone present was shocked and sighed that Shao Jikang, the first arrogant of Guangyuetian, was indeed well-deserved. Everyone was shocked. Who would dare to block the way of death? "Want to try my cultivation? Just such a simple way of death also wants to trap me?"

Fantastic." Qin Chen calmly, stepped on his foot, burst out with a punch, immediately, the core in his body Origin's magical powers were inspired, countless

The origin and annihilation of the world flashed in Qin Chen's heart.

Afterwards, the countless sacred elements in his body shook with each other, and an eternal and infinite, yet endlessly recurring origin mood appeared on Qin Chen's fist.

Qin Chen waved his hand, playing the origin magical power he had enlightened, which belonged to his true Dao.

Punch out.

The way of origin is invincible.

A huge storm swept the kingdom of death. The kingdom of death formed by the way of death of Shao Jikang, the first arrogant of Guangyuetian, was smashed by Qin Chen with one blow, and Qin Chen's fist, with unfailing power, once again penetrated and directly enveloped the opponent. body.

"Not good!" Shao Jikang backed up again and again, and flew up in one step, close to the end of the world, beside him, a river of death appeared. No matter how fierce an attack, he would disappear into the river of death.

"Changhe appears, and death is immortal!"

He roared wildly and stroked his hands continuously, and the river of death grew bigger and bigger.

"This is the long river of death, the vision of the arrival of a different degree! According to rumors, this long river of death is a dead river in the underworld. Once you master the way of death, you can communicate with the underworld and draw out the death of the underworld. Long river, and that long river

, Contains the death ideas of countless fallen powerhouses in the heavens, and is infinitely powerful, capable of bringing anyone into despair. "

"Furthermore, it is rumored that once this trick is used, it will always be invincible. There is no solution to death. No one can avoid death. The same is true of the Holy Lord. Therefore, no one can break the river of death, because no one can break the river of death. Can surpass death!"

Many overlord masters on the field said in shock, with deep fear and admiration for Shao Jikang in their tone.

"What is the river of death? Always invincible! In front of this young man, nothing is always invincible, the only constant is the origin!"

Qin Chen's original supernatural powers have now reached the level of proficiency. At this moment, a trace of destructive power has been incorporated. Suddenly, the mighty aura of destruction surged, as if to destroy the entire guarded mountain.

"Destroy the artistic conception, sweep invincible, death will also destroy me, the origin of magical powers, the origin of all things, where there is no origin, where is death?" Qin Chen yelled, stepping out, his body and fists directly tore the river of death in one fell swoop. The endless river of death, formed by

the evolution of countless ways of death, sacred elements, supernatural powers, and rules, completely collapsed, scattered in the void, and turned into invisible

.

This so-called death river drawn from the underworld was vulnerable to Qin Chen's supernatural powers.

Qin Chen was incomparably powerful, and his divine might was rolling, coming down, no one could resist. "What? What kind of boxing is this? Supernatural power? I have never seen it before, so ferocious?" Even Yao Wuming of Yao Mie Mansion made a jump in his eyes. In his pupils, he quickly calculated that he wanted to take Qin Chen. 'S magical calculations are thorough and peek into

A hint of mystery.

However, it was empty, and Qin Chen's supernatural powers were nowhere to be found.

"Ah, the **** of death will live forever, and the dead will be enveloped!" At this moment, Shao Jikang knew that he was in an extremely dangerous situation. He never expected Qin Chen to be so fierce! Such power is unmatched! At this critical juncture, he finally revealed his peerless evil spirit

Style.

A dark ghost umbrella appeared above his head. This is not a supernatural power, but a holy treasure, the highest treasure, the umbrella of death!

It is rumored that this is the undead umbrella used by the death gods of the underworld. Once it is sacrificed, it can block death, let people not be disturbed by death, and can resist all enemies.

This is a top defensive treasure.

Shao Jikang was shrouded in the umbrella of the **** of death, located in a mysterious void, enough to be invincible. This is their pinnacle sacred treasure of Guangyuetian. Although it is not a treasure of the holy master, with Shao Jikang's master cultivation level, it is enough to urge the sacred treasure of this day to the extreme, erupting the divine power of the peak of heaven.

[Chapter 3008: To be a friend](#)

"The Umbrella of the God of Death, he actually brought out such a treasure. According to rumors, it is a treasure in the underworld with the magical powers to block death. Once this treasure is sacrificed, it will block death and become invincible. Land, and, to death

The power of the way of death will also increase several times. "As expected of Guangyuetian's top enchanting evildoer, it can actually activate the Umbrella of the Death God, you see, the Umbrella of the Death God has not been completely activated, it is the heavenly treasure, only the top overlord can activate it. Master Shao Jikang is trying here

The overlord realm that only broke through in the land of refining can truly release the power of the Umbrella of Death. "

"Awesome!"

Everyone was shocked, and the Baihua Fairy frowned, feeling that this treasure was difficult to crack.

"What the Umbrella of the God of Reaper, the chicken dog, don't you want to know this young man's time rules, just let you see, the time rules, break it for me!"

Roar! Roar! Roar!

Qin Chen suddenly burst into a roar, and his whole body became taller. In his body, the mystery of time bloomed, and the time between heaven and earth seemed to stagnate for a moment!

boom! At the next moment, Qin Chen's fist blasted out, operating the original magical powers, taking advantage of the moment when time was stagnant, punching into the umbrella of the death god, the ear-piercing roar sounded, and everyone returned from the passage of time. Come over, then just

I was shocked to see that the Umbrella of the Death God was blown away, and Shao Jikang, who was covered by the Umbrella of the Death God, was directly shocked, his face was pale, a mouthful of blood spurted out, and the sky was red.

Qin Chen stood on the spot, an invisible aura spreading, making everyone back.

A heavenly sacred treasure, an unpredictable treasure, was so swept away!

Originally, in the past, when Qin Chen's cultivation level was less than half a step overlord, if he didn't use the time rule, he should be in the same position as Shao Jikang after breaking through the overlord.

Because Shao Jikang is also a genius at the level of a good evildoer, Guangyuetian's top arrogant, and Heavenly Sage Treasure, mastering the way of death.

But now, Qin Chen broke through the half-step overlord and realized the rules of the overlord, the origin of supernatural powers, the meaning of destruction, and many supernatural powers, all otherworldly, with the qualifications to sweep the overlord, above the genius and evildoers.

As long as it is not Yao Wuming, Shenzhao Shengzi, who has mastered a trace of the way of the Holy Master, the ordinary overlord, no matter how strong, he can easily sweep.

"Brother Qin, please be merciful!"

Finally, Na Yao Wuming made a move, and his figure shook, he shot a sky-marked sky track, and actually set the shaking Shao Jikang in the air, and then slowly landed.

Qin Chen also closed his fist, all his breath was converged into his body and became incomparably ordinary. It seemed that he hadn't reached the overlord, but because of this, it made people deeply jealous.

"The magical power of time, this child is really the rule of time. Did you feel it just now? Under his influence, the time between heaven and earth seemed to stagnate for a thousandth of an instant."

"I feel that, although it is only a one-thousandth of an instant, a momentary matter, but the strong against the enemy, the millisecond must compete. This one-thousandth of an instant is enough for the top masters to perform shocking attacks."

"Terror, too horrible, how could it be possible? This is a time rule that even the Holy Lord cannot perceive. This is a Tianjiao who is not an overlord, how can I master it?"

Many people were shocked, watching Qin Chen's complexion change. Although it was only a thousandth of an instant, it was enough to tell the winners and losers for these top players.

Even Yao Wuming flashed his eyes. Qin Chen's time rules changed his color, but fortunately, he could only affect one-thousandth of an instant. At this time, his mind was quickly calculating and analyzing how to resist Qin Chen's time rules. s method. "Everyone, what time rules do you want to see?" Qin Chen stood proudly on the court and smiled coldly. "Any one of you wants to see, just come up, then Shao Jikang is lucky. It depends on Brother Yao's face, Ben Shao. Give him one, you are not so

Good luck, irritate Ben Shao, and Ben Shao won't give any face to him, just beheaded, you all have to be prepared. "

"you....."

Many of the strong people present changed their colors and went furious. This Qin Chenqiang was strong, but he was really crazy.

They are all the pride of the sky, the world's strongest, although Qin Chen has shown enough combat power to make them deeply jealous, but who can bear such humiliation? "Master Yao Wuming, look at what this person is saying. It's too arrogant. This son is lawless and so arrogant. It is as arrogant as the Son of God said, let him continue to be arrogant. All of us To be killed by him, Yao

The nameless lord, you have to call the shots for us and kill this Qin Chen. "

In Guangyuetian, an overlord shouted loudly.

"Really?" Yao Wuming looked at the overlord, and suddenly, with a shot, the overlord was caught out of the crowd and fell into his hand, looking at him with a surprised look.

"Pop!" Yao Wuming slapped him directly and slapped him out, his face exploded, blood flowed, lying on the ground seriously injured, convulsing: "I admire the spirit of Brother Qin, you are actually Dare to provoke discord, an old **** is a bad one

Pot of soup. "

"This...what's going on? Why would Master Yao Wuming speak for Qin Chen? What is the situation?"

"How can this be? Yu Wen is the overlord of Guangyuetian, who always looks at Yaomie's mansion, why did Master Yao Wuming suddenly teach him? Why did he speak for Qin Chen, what happened?"

Seeing Yao Wuming's shot, blasting Guangyuetian's Yu Wen into serious injuries, everyone was shocked.

No one can guess what Yao Wuming is doing?

"Okay, Brother Yao is really a strong man, knowing what is the best way to deal with it?" Qin Chen smiled slightly after seeing this scene, "It seems that Ben Shao's proposal should be accepted by Brother Yao."

Qin Chen's eyes flashed. His purpose was to break into this dazzling and obscure team, to see what the other party wanted to do, and the inheritance of that venerable person, which also made Qin Chen calculate in his heart. It was also his sudden The reason for this.

Now I saw that Yao Wuming had taken the bait. "An existence like Brother Qin, who is astonishing and brilliant, will not become the peak overlord in the future. It will be easy. It is even possible to aspire to the peerless holy lord, kill the demons, and establish a prestigious name for us in the eastern heaven. For the sake of

Little things, enemy of you? As you said, one more friend is better than one more enemy. Only a character like Brother Qin is worthy of being friends with me and Brother Shenzhao. "Yao Wuming smiled, his eyes flickered, and no one could guess what he was thinking at the moment.

Chapter 3009: Conceited

"Brother Yao is indeed a confidant." Qin Chen smiled again: "It seems that Brother Yao is going to cooperate with me and fight against the demons together to obtain the inheritance of the Venerable?" "Of course, the inheritance of the Venerable , How about we split equally? However, there are some powerful masters here, such as the family of the Eastern Emperor in the Western Heaven Realm, the Eastern Emperor Jue One who is known as Wu Jue, and the wisdom star Zhuge Xu of the Southern Heaven Realm.

Said to be the best in the world, the strength is also extraordinary. "

Yao Wuming smiled and said: "Originally, I was a little concerned about these two people, but now with the help of Brother Qin and Brother Shenzhao, the three of us can work together to restrain these two people and sweep Invincible in this trial land. ."

"If this is the case, then as Brother Yao said, divide up the treasure together." Qin Chen smiled slightly and looked at the Son of Shenzhao: "I don't know what the brother is like."

"Humph."

Shengzi Shenzhao coldly snorted, murderous intent surging in his heart, but he no longer openly confronted Qin Chen, because he knew very well that if the confrontation continued, there would be no good results. This Yao Wuming was obviously ready to cooperate with Qin Chen.

But that's all, originally his goal was Yao Wuming and the others. Since this Qin Chen wanted to die, he would kill him together after the meeting.

Shenzhao Shengzi's eyes flashed coldly, and various calculations began to be deduced. "If this is the case, let's go, Brother Shenzhao, the inheritance of the venerable you mentioned earlier should be the Venerable Skyfire of the ancient human race? Do you know the place where the Venerable Skyfire fell, so it seems that it depends on Brother Shenzhao You led the way." Yao

Wuming turned his head to look at the Son of Shenzhao.

Before, it was him, the inheritance of the Venerable.

Venerable Skyfire?

Qin Chen's eyes flashed, thoughtfully. "Huh? Did Brother Yao Wuming also know about Venerable Tianhuo?" Shengzi Shenzhao showed a look of surprise, his eyes seemed very surprised and shocked, but he quickly converged. This kind of performance immediately became Yao Wuming And Qin Chen caught

. Yao Wuming smiled faintly, with a hint of pride in his expression: "Venerable Skyfire is the top powerhouse of my human race. How can this seat not be heard? It is rumored that in the ancient times, this trial place was a battlefield between humans and demons. , The core place of the invasion of the demon race, many masters of our clan fight **** battles to resist the invasion of the demon masters, so there will be so many treasures and inheritance. And the Venerable Skyfire is the top master of our clan who fell here, So your Excellency mentioned before

, This seat naturally guessed, in fact, the real purpose of this seat is to find the place of inheritance of Venerable Fire that day. "So that's the case, and that's right. With the identity and status of Brother Yao, it is reasonable to hear the news of Venerable Skyfire. Yes, what this seat is talking about is the inheritance of Venerable Skyfire. The identity of the reincarnation of the Lord is Yao. Brother should know that the previous life of this seat is

Falling here, left information about Venerable Skyfire, so this seat will understand the information of Venerable Fire that day. "Shen Zhaosheng sighed and said: "I originally thought that Venerable Tianhuo's secret was only known to this seat, but I didn't expect Brother Yao to understand, so I don't need to explain more. The specific situation of Venerable Fire that day is not very clear to me, but he Approximate location of the fall

, I understand, since I am waiting to join forces, let me lead the way. "

God according to the Son of God flew first.

"Hehe, this Shenzhao Shengzi thought that the secret of Venerable Tianhuo is only known to him. As everyone knows, as a nameless lord Yao, how can he not understand?" "But the Shenzhao Shengzi is not without help. In addition, although Lord Yao Wuming knows the news of Venerable Skyfire, they don't know the specific place of his fall. It can also save a lot of trouble if he is led by the Son of God.

."

"That's true, go."

Some experts in the Eastern Heaven Realm secretly talked about it, and they flew up one after another.

Qin Chen also led Chen Sisi, followed behind this group of people, captured the proud spirit of these people, and couldn't help but shook his head secretly. These guys are too underestimated by the Son of God. The performance of the Son of God is just pretending. The inheritance of Venerable Skyfire may be true, but there is definitely some conspiracy lying there. These guys are still proud, not too much. police

Ti Xin, how did you become a Tianjiao? However, Qin Chen would not explain, because he knew that not only was Shengzi Shenzhao carrying a ghost in his heart, but Yaowuming was actually not a good thing. Maybe he had made many arrangements in the monster world. Everyone calculated each other. Use it

Up.

The crowd flew across the sky, and at this moment, they could see the camp.

Qin Chen and Chen Sisi were in a team, and Shengzhao Shengzi led the way alone. As for the others, Zhongxing Pengyue was basically by Yao Wuming's side, forming a huge group.

So many people are divided into three camps. "Dust, why do you want to cooperate with this Shengzhao Shengzi and Yaowuming? Yaowuming is a member of Yaomei Mansion, and he is very likely to have collusion with the demons, and the Shengzhao Shengzi, taking us to the depths of the monster world, Surely uneasy and kind, why bother with them

Xu and Wei Snake, you and I join forces, and let the gods and the son of God and Yao Wuming be strong enough to kill them. "

With a bang, Qin Chen and Chen Sisi once again entered the world of monsters, and suddenly a strong spirit of monsters lingered, Chen Sisi flew, and secretly communicated with Qin Chen's spirit. "We can join forces to kill Yao Wuming and Shengzhao Shengzi, but we are not completely sure. The most important thing is that there are other human race people here, unless we behead all the Tianjiao of the Eastern Heaven Realm. Otherwise just let go

So, if the news goes back to Yaomie Mansion, then we are in danger. Under Yaomie Mansion's wrath, Guanghan Mansion will be destroyed. This is only the worst way. "Furthermore, killing them just like this is not the most advantageous way. These two people have a big secret. This secret is much more important than killing them, whether it is the secret of Venerable Skyfire known by the gods. Yao Wuming knows

The secrets of the collusion between Yaomie Mansion and the Mozu are very important. "Qin Chen's eyes flashed: "If we kill Yao Wuming, Yao Mie Mansion will only be missing a celestial arrogant, not even the Holy Lord, at most anger, but actually harmless, but if we can follow Yao The nameless hands get the glory

The intelligence of the collusion between Mie Mansion and the Demon Race can destroy the entire Yao Mie Mansion after returning to the heavens. "

Sen Han's killing intent surged in Qin Chen's eyes: "Yao Mie Mansion is fighting everywhere in the lower realm and destroying countless planes. I must let this Yao Mie Mansion pay the debt." "That's it." Chen Sisi said. Only then did she understand, but she still frowned: "Dust, Yao Wuming is fine, but you really believe that the **** of the gods will be so kind to take us to the inheritance of Venerable Skyfire?"

[Chapter 3010: Good talk](#)

Hearing this, Qin Chen smiled, his eyes deep: "Whether Shengzhao Guru is kind, it doesn't matter, what matters is whether there is really the inheritance of Tianhuo Venerable here." Qin Chen glanced at Guru Shizuo. , With indifferent eyes: "I only want him to take us to the place of inheritance of Venerable Skyfire, although I don't need to say that I know that this person takes us there, there must be some conspiracy, there is very likely to be some arrangement, but these arrangements can frame To this young master, I have to say two things, and I have a feeling that Godzhao's desire to seize the ancient demon corpse is likely to be related to the inheritance of Venerable Huo that day. Although I can't figure out how they are related, these two things thing,

It is definitely not independent. "

"I want to see what kind of medicine is sold in the gourd of the **** of the gods."

Qin Chen sneered secretly in his heart. At the same time, the leader of Shenzhao and Yao Wuming who were flying in front were also communicating with each other: "Brother Yao, would you actually agree to Qin Chen's request? You have made a wrong decision. This son is absolutely ambitious. What kind of uneasiness,

When we get to the place of inheritance of Venerable Skyfire, you must be careful of this person. "It's okay, the stronger he is, the better, I can also suppress him." "Yao Wuming sneered, "But, Brother Shenzhao, you are everywhere and against that Qin Chen, you should have suffered a lot from this person, right? What heritage did you take away from this person?

, Hate this person so much? Even willing to take out the inheritance of Venerable Skyfire to seek our cooperation? It shouldn't be explained by the sacred vein array that Qin Chen said? "This... Brother Yao, you think too much. This person is indeed just a piece of my saint vein array that has been looted, but my saint vein array has amazing power, and even allows my cultivation to enter in one fell swoop. To the overlord realm at the peak of the late Heavenly Sage, if not

It's him. I can even trespass into the land of Lord Huo's inheritance alone, and I don't need to cooperate with Brother Yao. If you say such a big enmity, how can I not report it? ""Oh, is it so? Isn't it because I have to thank this person? "Yao Wuming smiled coldly in his heart, really treat him as an idiot? There are definitely other secrets between Qin Chen and Shenzhao Shengzi, but he doesn't care, because he also has his own fight.

Count. "Brother Yao, don't you still believe me?" The leader of Shenzhao shook his head, with killing intent in his eyes: "If there are other hatreds, there are indeed, it is that Qin Chen killed many saints of my God. There is even the blood yang under this seat

Mansion, the many saint sons of King Ren's Mansion, by the way, Brother Yao, as far as I know, the Mansion of Ren King should have cooperation with your Yaomie Mansion, right? Based on this, Brother Yao shouldn't cooperate with Qin Chen either. "

"The King Ren Mansion and our Yao Mie Mansion are cooperating, where did you hear that? Nonsense." Yao Wuming's eyes suddenly chilled.

Yao Mie Mansion secretly contacts and colludes with other forces in the heavens. This is a taboo among the top forces in the heavens, and it is easy to be targeted by some top forces. "Brother Yao don't care, don't conceal it. This is what Wang Shengzi, a member of the King's Mansion, told this seat, saying that he is the descendant of your Yaomie Mansion, and that he is the descendant of the Holy Lord. Cooperation." Shenzhao leader said lightly: "Today's heaven is a stagnant water, dominated by many top forces such as Tianjiao, our major realms can only survive in their shadows. Once the major heavens have top tianjiao, eventually Will be recruited by these top forces,

Becoming their lackeys, hum, the situation in this heaven should also change. "Hahaha." "Yao Wuming laughed suddenly, and looked at the teacher of the God Zhao: "What Brother Shenzhao said, I don't understand at all, but Brother Shenzhao wants to cooperate with my Yaojie Mansion, it is not without the opportunity, now we are not just cooperating. What? Wait

Once they fall into it, they cannot escape.

"Master Yao Wuming, what should I do now?"

Everyone looked at Yao Wuming and regarded him as the backbone. "Hmph, don't pay too much attention to these demons. Our top priority is to enter the depths of the world of demons and find the inheritance of Venerable Skyfire, instead of killing here. There are many treasures in these demonic kingdoms, but unfortunately, they are formed here. They are all dead veins and demon veins. Without purification, our human race can't cultivate at all. The gain is not worth the loss. Instead of wasting time here, it is better to hurry up."
