Chapter 301

"One!"

"two!"

The icy voice resounded above the Qin Mansion like the sadness and joy of death.

"Qin Feng is not in Qin Mansion, otherwise, he would have come out long ago."

Seeing that Nian Shuo was about to start, Great Elder Qin Cangyun gritted his teeth.

He couldn't take the life of the Qin disciple and risk it.

"Not in Qin Mansion?"

Nian Shuo frowned.

"You guys, search for me, Ling Zhong, you come to take the lead!"

Nian Shuo gave orders to a few strong Guixian faction.

"Yes!"

This group of strong men rushed into Qin's mansion in front of them, searching everywhere.

Among them, Ling Zhong is the leader. After all, among so many people, the others have only seen portraits, and only Ling Zhong has seen Qin Feng himself.

"you guys....."

puff!

A mouthful of blood spurted out, and the Qin family elders and others vomited blood on the spot, shaking all over.

There was humiliation in their eyes.

Shame, shame!

The Qin family has been in the country for so many years, when has it been so insulted? At this time, the entire Qin Mansion seemed to be undefended, allowing anyone to search, but was unable to stop it.

The people around were also sorrowful.

At the same time, my heart was furious, this Guixian faction was too arrogant, here is the Great Qi Country, not their Guixian faction, it is so blatantly and too presumptuous.

"Who is making trouble here?"

At this time, the actions here also attracted the city guards patrolling around and ran over immediately.

Seeing the accident at the door of the Qin family, the leading city guard was shocked, and was overjoyed: "Someone dared to make trouble in the Qin family. This is a great thing. As long as I help out, I might be able to fight with the Qin family. What's the relationship?"

However, the surprise in my heart has not yet settled. After seeing the scene in front of me, these city guards were all shocked.

"This... isn't this the second elder of the Qin family?"

"There are also three elders."

"Why are all injured?"

Qin Cangyun, the elder of the Qin family, rarely walks outside, so he knows not many people, but the second elder and third elder are quite vain. understanding.

The captain of the city guard was so frightened when he saw this scene, his heart was about to burst.

"you guys....."

Turning his head, looking at Nian Shuo and others in shock, what are these guys coming from? Even the Qin family dare to move?

"roll!"

Nian Shuo couldn't help crying coldly when seeing these city guards.

An invisible breath rushed into this group of people.

Puff!

A mouthful of blood spurted out. These city guards stepped back, their faces turned pale, one by one was so scared that they hurriedly withdrew from the crowd.

"Be careful, these guys are from the ghost fairy faction."

Some people can't help but send a voice reminder.

"Ghost School?"

The captain of the city guard was taken aback. Why did the Guixian faction come to King Daqi?

"Thank you for reminding."

Regardless of hesitation, the captain of the city guard hurriedly led the people out, turned and left.

Because they knew that this matter was not something they could intervene at all, they had to notify the commander as soon as possible, and inform Your Majesty that it is the best policy.

Whoosh whoosh!

In Qin's mansion, there was a sound of flying dogs, and it didn't take long for Ling Zhong and the powerful men to return.

"Return to Sect Master, Qin Feng is indeed not in the mansion."

Kneeling on one knee, Ling Zhong shook his head and said.

"Quickly, where did Qin Feng go?"

He grabbed the great elder Qin Cangyun, Nian Shuo's eyes were fierce, as if he would be killed on the spot as long as he did not speak.

"Your Excellency came to my Great Qi State to be wild, aren't you afraid that my Great Qi State royal family will be angry?" Qin Cangyun said angrily.

He didn't want to say where Qin Feng was, because he knew that Qin Feng was probably in danger.

As the first genius of the Qin family, Qin Feng is the future root of the Qin family.

"Hehe, don't you want to say it?"

As soon as he raised his right hand, Nian Shuo didn't talk nonsense, a suction was born from the palm of his hand, and a Qin family disciple was sucked into his hand, and he picked it up like a chicken.

"Give you three seconds. If you don't say anything, I will kill one person until you say it."

Nian Shuo doesn't believe it, if he really kills one by one, this guy will be too hard to say.

"Elder, save me."

The disciple was grasped by Nian Shuo, his true Qi in his body seemed to freeze, he couldn't mobilize at all, he couldn't even struggle, he could only shout in horror.

The elder's eyes were fierce, and he shouted angrily: "If there is a kind, you will kill me first!"

"Kill you? Haha!" Nian Shuo sneered: "It seems that you are very hard-spirited, very good, you guys, listen to my orders, as long as I count to three, the old man does not say, then you will start to kill, start with this A few juniors started to kill, didn't Qin Feng kill Wuji? Then I will let this Qin family be cut off."

"Yes, Sovereign!"

Several strong men of the Guixian faction stepped forward with a grinning smile, and came to a few disciples of the Qin family in their twenties, showing a grinning smile.

"One!"

"two!"

Nian Shuo started counting slowly, but Qin Cangyun kept his eyes closed.

"No, don't kill me, don't kill me!"

"I said, I said!"

"I know where Qin Feng has gone."

There is no need to count to three by recitation. A group of Qin's children have already screamed in horror, their faces pale and their souls are gone.

"you guys....."

The elder was so angry that he vomited blood, these guys are too spineless, right?

"Elder, don't blame us, Qin Feng is a disciple of the Qin family, and we are also disciples of the Qin family, we can't sacrifice us for Qin Feng, right?"

The disciples shouted.

Then, horrified at Nian Shuo: "Qin Feng, he went to Qin Chen's house, in the west of the city."

"puff!"

Can't help it anymore, the great elder spouted blood.

"Did you see that there are still many righteous people in your Qin family?" Nian Shuo smiled coldly, with a mocking tone, and then turned around and said: "You guys, take us over, if what you say is true, Nature can live, otherwise, one can't live."

"Yes, we promise to tell the truth."

"I will take you there now."

Although this group of people usually played well with Qin Feng, when it came to life and death, none of them had the courage.

I just want to find Qin Feng right away and get away by himself.

At the moment, under the guidance of these Qin disciples, Nian Shuo and others rushed towards the Qin family mansion.

"These useless beasts."

The elder Qin Cangyun was so angry that he vomited blood and almost passed out.

The people around are also speechless, too unethical. Is this still a disciple of the Qin family, a family of Wuxun?

"Grand Elder." A group of people from the Qin family hurriedly surrounded them, panicking: "What should we do now?"

Normally, they are very arrogant, but at this moment, it seems that they have lost their souls and have no idea at all.

"For today's plan, it is necessary to notify the Patriarch Qin Yuanxiong as soon as possible, and send someone to the palace to notify your majesty that he can send a master to come, so that he can resist the Guixian faction's attack." Qin Cangyun gritted his teeth and said.

Among them, he is the only one who can stay awake.

Chapter 302

At the moment, the Qin family, under Qin Cangyun's orders, began to take action.

Some people went to the Patriarch, some people went to the palace, and some people went to Qin Chen's house under Qin Cangyun's leadership.

Qin Cangyun held a fluke in his heart. Many of the masters of the Zhao family happened to be in the royal capital today, and there was a master of the Zhao family. Together with himself, he might be able to persist until his majesty sent a master.

As long as the royal master arrives, no matter how strong the Guixian faction is, it will never make waves here.

"Go, let's go and see too."

"Is the Guixian faction wanting to kill Qin Feng because of the fact that Nian Wuji was killed in the first attempt at the Big Five?"

"The Five Kingdoms Competition is a battle between geniuses. Life or death is up to you. The ghost fairy faction dare to avenge you."

"unacceptable!"

The crowd rioted.

As a citizen of the Great Qi country, everyone has a dream of becoming a powerful country in their hearts. Seeing other forces in their own country, as long as they are **** warriors, they cannot bear it.

Ever since, one pass ten, ten pass a hundred, the news that the ghost fairy sent to the Great Qi Kingdom to kill Qin Feng, instantly swept the entire capital city like a hurricane.

boom!

One stone stirred up a thousand waves.

The whole king was boiling instantly.

A warrior who received the news, like a chicken blood, rushed to Qin Chen's mansion frantically to witness this shocking moment.

There are still many warriors who are angry in their hearts, and have made up their minds to let the people of the Guixian faction know what the end of the wild in the Great Qi State is.

All of a sudden, the sentiment was surging.

This is the Qin family, the first martial arts family in the Great Qi Kingdom. If a family genius like this is beheaded by an outsider in the royal capital, it will surely become the laughing stock of other countries in the Northwest and be nailed to the shame for a lifetime.

Of course, there are also some smart people who can't help but wonder how Qin Feng and the others will go to Qin Chen's residence.

You know, Qin Feng and Qin Chen have always been wrong, and Qin Chen has also been expelled from the Qin family. The two sides are incompatible with each other.

Now Qin Feng and his party actually went to Qin Chen's residence, there must be many secrets in it.

And when the outside world is boiling.

In front of Qin Chen's mansion.

Zhao Feng and the others did not know that the Qin family had been knocked on the door and caused a terrible incident. People from the Guixian faction were coming here.

In her heart, she continued to sneer, imagining the excitement of Qin Chen kneeling in front of her.

"Qin Chen, get out of here."

A cold shout came from Zhao Feng's mouth and passed towards Qin Chen's mansion.

"How come Zhao Feng?"

In the mansion, Qin Yuechi frowned. She was worried that the masters of the Guixian faction would come to retaliate, but she did not expect that it was Zhao Feng and others who were waiting.

"Chen'er hasn't come out of the formation yet. In that case, I must also wait patiently. Anyway, Chen'er's assassination has already been reported. Lord Kang and the others should arrive soon."

Qin Yuechi knew that going out by himself would not solve the problem and would only arouse Zhao Feng's anger, so he stayed in his house and ignored it.

"Hmph, this Qin Yuechi would never go out at all. Today, she must be in this mansion. She thought she was pretending to be deaf and dumb, so she would be fine?"

Zhao Feng yelled a few times and sneered when no one agreed.

Of course, a trace of doubt also flashed in her heart. On weekdays, near Qin Yuechi's mansion, there will be city guards patrolling. It is said that it was arranged by Lord Kang. Why is there no one alone today?

"Father, why don't we just break in?"

"Never mind."

Zhao Zhen nodded. Since he is here, he is not ready to go back casually. Since the other party won't come out, he should just break in.

However, he vaguely felt that something was wrong with the mansion in front of him, but he didn't think too much, and he waved his hand: "Smash the door."

"Yes, Patriarch."

Immediately, a master of the Zhao family who followed Zhao Zhen, with a grinning face, slashed towards the gate of the mansion.

With a bang, the entire gate split in an instant, exposing the empty courtyard inside.

"Huh? This is..."

The mansion that Qin Chen bought was not big, so he entered and exited. As soon as the door was broken, he immediately saw the house in ruins.

"It seems that there has just been a battle here?"

A trace of doubt emerged in everyone's mind.

"Go, go in and take a look!"

With a wave of his hand, he was about to go in.

"Zhao Feng, you are so courageous, you dare to collude with the Guixian faction to assassinate Qin Chen, who gave you the courage?"

A loud shout of anger suddenly sounded, and then a large number of city guards suddenly rushed out from all around the street.

The leader was King Kang. Behind him, followed by Qin Yuanzhi, Liang Yu, Zuo Li and others, one by one rushed in anger and madness.

Whoosh whoosh!

This group of masters came to the outside of Qin Chen's mansion in an instant, staring at Zhao Zhen and Zhao Feng and others, and at the same time looking nervously into the mansion.

"Why did King Kang come here?"

Zhao Feng and the others were shocked when they saw such a large force coming. The news of their arrival was very cryptic, and no one else knew about it.

But after seeing Qin Yuanzhi in the crowd, Zhao Feng immediately understood.

"This **** Qin Yuanzhi dared to ruin my good deeds."

Qin Yuanzhi is the second master of the Qin family, Zhao Zhen and the others came too much, even if they conceal it again, it is impossible to hide it from Qin Yuanzhi.

In fact, after Qin Yuanzhi learned that Zhao Feng and the others had come to Qin Chen's mansion, he did not come to look for Qin Chen, but found King Kang the first time, because he knew that only King Kang could control Zhao Zhen.

But what he didn't expect was that as soon as he arrived at King Kang's mansion, he heard a report from the city guards that Qin Chen was assassinated by a profound master, so that King Kang and Qin Yuanzhi were so scared that King Kang and Qin Yuanzhi were out of their minds and hurriedly led troops to come.

And halfway through, I met another city guard who followed Qin Chen's orders and came to deliver the news. They told King Kang that the killer was from the Guixian faction and had been killed by Shao Chen. Shao Chen asked him, immediately To meet your majesty, let your majesty send a master.

King Kang was anxious about how he would go to the palace. He immediately arranged for Zhao Lingshan, who was receiving Liang Yu's guidance on the refining, to enter the palace, and he rushed to the Qin family mansion with a large number of city guards.

Just when he arrived, he happened to see the moment when Zhao Zhen and others smashed the door.

In an instant, the fact that Zhao Zhen and the Guixian faction colluded instantly filled his mind.

"Zhao Zhen, you are so courageous. As the Lingnan imperial family, you dare to collude with the Guixian faction to murder my genius in Daqi. Are you not afraid of being annihilated?"

King Kang was trembling with anger, a big hat was buttoned up instantly, and he walked into the mansion nervously at the same time: "Miss Qin, Shao Chen, King Kang is late, are you all right?"

His voice trembled, and his heart was very disturbed.

Although the city guards came to inform the news, but did not see Qin Chen's safety, his heart was always held.

"Little dust, are you all right?"

Liang Yu and Zuo Li also walked in nervously.

Especially Zuo Li, he only hated why he didn't patrol here today. If something happened to Qin Chen, he couldn't forgive himself.

Chapter 303

Lord Kang and the others are extremely nervous, but Zhao Zhen and Zhao Feng are at a loss.

Collusion with the Guixian faction to assassinate Qin Chen?

Where is this?

However, now that the scene is so weird, it made Zhao Feng and the others, for a time, not knowing what to say.

"Father, what do you mean by King Kang?" Zhao Feng frowned and sneered: "Even if we want to frame us and save that Qin Chen, we must find a better reason to collude with the Ghost Fairy faction. He can't figure it out. What will my Zhao family have to do with the Guixian faction?"

Zhao Zhen was also confused, but in his heart, he vaguely felt something bad, and shook his head and said: "Don't care about this, this mansion is indeed a bit weird. It seems that there has been a big battle just now."

"There won't really be people from the Ghost Fairy Sect to assassinate Qin Chen, right?"

Zhao Feng was taken aback and frowned, "No, even if you assassinate, you must assassinate Feng'er first. After all, the Guixian sent them to think that Feng'er was the one who killed their Young Sect Master Nian Wuji?"

"I don't know this, let's watch the changes first."

Zhao Zhen was also very puzzled, but he had always been calm and did not move his expression.

"Sanmei, Chen'er, we are here, don't worry, we are here, Zhao Zhen, don't want to hurt you."

Qin Yuanzhi took Qin Ying into the mansion and shouted.

"Second brother!"

Hearing the voices of so many people, Qin Yuechi immediately walked out of the house with a look of excitement.

"Sanmei, are you okay?"

A group of people hurried forward, seeing that Qin Yuechi seemed safe and sound, they couldn't help but relax.

"Thank you for your concern, I'm fine." Qin Yuechi shook his head.

"Where is Chen'er?" Qin Yuanzhi said again, and everyone else looked at it.

"Chen'er seems to be refining something in the formation." Qin Yuechi said.

Before the words fell, a figure walked out of the collapsed ruins and appeared in front of everyone. It was Qin Chen.

"Little dust, you are fine, it is great."

A group of people came up in surprise.

I heard that they were assassinated by a Xuan-level warrior, and they were also masters of the Guixian faction. Even with the security of the city guards, their hearts were still very disturbed. Now that Qin Chen is really safe and sound, the hearts of everyone Relaxed.

It seemed that there was some shackle, and it was opened at once, and a big rock in my heart fell heavily to the ground.

"Are you Qin Chen?"

However, before they waited long for their surprise, an indifferent voice came into everyone's ears.

Looking up, they saw Zhao Zhen and others walk in with a cold face.

Although there are not many people on Zhao Zhen's side, for some reason, as soon as Zhao Zhen walked in, the atmosphere on the court seemed to center on him, forming a special space.

"Profound level powerhouse, and it should be the late stage of the profound level."

Qin Chen frowned.

In the Great Qi Kingdom, the martial artist of the Xuan rank can be called a master, and one side is powerful.

And the profound level here refers only to the early stage of the profound stage, and above the early stage of the profound stage, there are middle and late stages.

In general, the powerhouses of the late Xuan level can be called the most peak power of the Great Qi Kingdom. There are not many such characters in the entire Great Qi Kingdom, very few.

It can be said that any warrior of the late Xuan rank can build a wealthy family in just a few decades, as long as he concentrates on his management.

This is the real horror of the late Xuan rank martial artist.

"Little dust, this person's name is Zhao Zhen, Zhao Feng's father, a member of the Zhao family in Lingnan, and the Zhao family in Lingnan, a big wealthy family in my Daqi country. Lingnan is also one of the richest counties in my Daqi country. In Lingnan, almost 70% of the economy and politics are controlled by the Zhao family. In addition, the ancestor of Zhao Zhen also has royal blood. He is a general from generation to generation. Your Majesty today may also call this Zhao Zhen. Uncle. Of course, these are all old calendars. The royal status of the Zhao family in Lingnan has long been cancelled. Now, it is just a rich family."

Lord Kang explained carefully in Qin Chen's ear.

Lingnan Zhao Family?

Qin Chen sneered.

It seemed that Zhao Feng could not kill himself, and moved in as a savior.

"It's this young man. I don't know what is going on with you, old man? This is my Qin Chen residence. You are not welcome!"

Old... old man?

Everyone was fainted.

This is the patriarch of the Zhao family in the dignified Lingnan, the great Qi country.

Who would dare to call him that, even King Kang would not dare to call him that?

Everyone looked at Qin Chen weirdly, maybe there was little dust, and he could be so casual. It seemed that he never knew what fear was.

"Hmph, although the old man is in Lingnan, he has also heard of your arrogance. Seeing him today, he really deserves his reputation."

Zhao Zhen smiled coldly, and did not seem to be annoyed by Qin Chen's words: "The old man came today to ask for justice for my two grandchildren."

"Are you talking about these two wastes? How can they be fair?"

Qin Chen looked at the two brothers Qin Feng with disdain.

"Qin Chen, you don't want to be arrogant, you look good today."

Qin Fen jumped with anger.

In contrast, Qin Feng was much calmer, just staring at Qin Chen coldly, his eyes, like a poisonous snake, staring at his prey in loneliness, as if he would bite the opponent hard at every opportunity. Come with a piece of meat.

"What kind of justice? Do you dare to say? Your Excellency wounded my grandson Qin Fen into a useless person in the final exam of the Star Academy, and later in the Northwest Five Nations Grand Competition, I cut off my grandson Qin Feng with one arm. Already?" Zhao Zhen sneered.

"Zhao Zhen, at the end of the year-end exam of Tianxing Academy, it was Qin Fen who did it on his own to hurt others and was abandoned instead. As for Qin Feng, the Five Kingdoms Grand Contest, life and death are incalculable, and Qin Feng's skills are inferior to others, who can be blamed? Not to mention, Qin Feng's arm is said to have been cut off by people of the Guixian faction. What does it have to do with Qin Chen?"

King Kang couldn't help but yelled.

Zhao Zhen squinted his eyes and smiled coldly: "Kang Kang, this Qin Chen is not your son, what are you doing in such a hurry?"

At this time, Zhao Feng grinned and said, "Father, this is not necessarily true. Qin Yuechi eloped with others. No one has ever seen her man. Who knows whose species it is? Maybe it belongs to King Kang. Not necessarily, otherwise, why did King Kang take care of Qin Yuechi mother and son in this way?"

"You, presumptuous..."

King Kang was furious, "Come here, take them down for me."

He flushed, trembling with anger, and rolled his eyes.

He wasn't afraid of being gossiped about, but he was afraid that it made Qin Chen angry.

"This Zhao Feng, dare to say that, mother-in-law, it's damned."

Qin Chen's eyes also suddenly became gloomy.

Wow!

The surrounding city guards rushed up, drawing out their weapons one by one.

"Kang Kang, I advise you not to mix with this muddy water. Today, I just want to trouble Qin Chen. It has nothing to do with other people. You can get out of it."

Zhao Zhen's eyes narrowed, fearless.

Chapter 304

boom!

A terrifying aura erupted from the several powerful men brought by Zhao Zhen. The terrifying aura shocked everyone present, their color changed in amazement, and cold sweat broke out on their foreheads.

"Mysterious-level powerhouses, the ones that Zhao Zhen brought here are all mysterious-level powerhouses."

Everyone was shocked, their faces solemn.

Although there are masters in King Kang's Mansion, there are few who can compare with Zhao Zhen.

The most important thing is that on Zhao Zhen's side, the strongest is not the warriors he brought, but Zhao Zhen himself.

It is said that Zhao Zhen had already broken through the late Profound Stage more than ten years ago. After so many years, it must have been even more terrifying.

Even, this person is now at a high level of cultivation, I am afraid he is already one of the top people in the entire Great Qi country.

"Zhao Zhen, this is the royal capital, and you can't tolerate you in the wild."

Squinting his eyes, Kang Wang Zhao Jing's body was full of chills.

Even if the number of masters is not as good as Zhao Zhen, but in Zhao Jing's heart, he did not shrink at all.

"Zhao Jing, do you think you can stop me with you?"

Zhao Zhen sneered, and then he was too lazy to talk about it, and rushed towards Qin Chen as soon as his figure shook.

Whoosh!

His figure was like an afterimage, rushing into the crowd instantly.

"stop!"

"Bold!"

Zuo Li, Qin Yuanzhi and others were furious, and stopped one by one, blocking Qin Chen.

However, Zhao Zhen didn't care about it in the slightest. Between the opening and closing of his hands, he only heard a few loud bangs. Zuo Li and others couldn't hold on to even a round, so they flew out with painful humming.

Among them, Zuo Lixiu was the lowest, was directly shaken to the ground, vomiting blood.

Although Qin Yuanzhi was also a master at the early stage of the Profound Rank, they were not the enemy of Zhao Zhen Yihe. They retreated violently, with blood spilling from the corners of their mouths.

Even the strongest mid-level profound expert in King Kang's Mansion was also flew out by Zhao Zhenzhen, his face pale, and the blood surged in his body.

Strong!

too strong!

In front of Zhao Zhen, the many masters brought by King Kang could not resist for a moment, and they have already lost.

Amidst their anger, they still wanted to take action, but saw that the great profound level experts brought by Zhao Zhen took action one after another, stopping several people.

"Boy, you hurt my two grandchildren. I won't kill you today. I will just abolish your dantian, let you disperse your cultivation, and let you taste the taste of being a waste."

With a grinning grin, Zhao Zhen pointed to Qin Chen.

With this instruction, Void made a violent whine, and a strong energy, like a meteor piercing the sky, shot straight toward Qin Chen's Dantian, the speed was so fast that it was too late for people to react.

"Chen'er."

"Less dust!"

The crowd exclaimed, Liang Yu and others were shocked and rushed up to try to intercept Zhao Zhen.

But it's useless.

Zhao Zhen was too strong. With one finger, his energy pierced through the air, Liang Yu and the others couldn't resist at all, they could only watch that finger light, and rush straight towards Qin Chen's Dantian.

"No one can stop the person Zhao Zhen wants to abolish."

Zhao Zhen sneered, showing disdain and arrogance.

He has this arrogant capital.

The late Xuan-level martial artist was already the first person present, and among the crowd, even the strongest mid-Xuan-level master in the Palace of King Kang was not his enemy of several tricks.

It can be said that if Zhao Zhen wants Qin Chen to die, Qin Chen must die, and if he wants him to live, he can live.

"Father, destroy him!"

"Haha, Qin Chen, today you are dead."

Everyone was frightened and shocked, but Zhao Feng, Qin Fen and others were overjoyed.

They stared, looking excited, wanting to see the desperate and fearful expression on Qin Chen's face.

but.

They were disappointed.

Facing Zhao Zhen's powerful blow, Qin Chen didn't even have the slightest fluctuation on his face, as if what he was facing was not a blow that could dominate his life and death, but a breeze that passed by.

In fact, Qin Chen had already buckled the formation plate he had previously refined.

"It seems that the large formation previously refined is about to be used now, but unfortunately, I originally wanted to use it against the masters of the Guixian faction."

Qin Chen shook his head.

The hole card, the hole card, is that it cannot be exposed. Once exposed, the enemy will be prepared. Although the power of the formation is still there, it loses its sudden hole card function.

However, in the face of Zhao Zhen in the late stage of the Profound Level, Qin Chen had to use the formation method, because he knew that it was very difficult to resist the opponent based on his own cultivation base.

Seeing that Zhao Zhen's attack was about to come, the formation plate in Qin Chen's hand was about to be displayed.

Abruptly--

"Zhao Zhen, don't talk too much, dare to hurt my disciple of the Sky Star Academy, today, I will stop and show you Chu Weichen."

A rumbling cold drink came from not far away.

Immediately, a figure appeared in front of Qin Chen like lightning, with a palm blocking Zhao Zhen's finger light.

Boom!

The two energies collided in the void, and the terrible impact shook everyone back crazy, and the rocks on the ground crisscrossed and crisscrossed like a spider web.

"It's Dean Chu Weichen."

"Haha, Dean Chu Weichen is here."

Seeing the sudden old man, everyone was in ecstasy, and everyone was shocked.

The visitor is no one else, but the dean of the Star Academy, Chu Weichen!

Chu Weichen, able to serve as the Dean of the First Academy of the Great Qi State, is a strong self-cultivation, and he is naturally extraordinary.

As early as more than ten years ago, he also broke through to the late stage of the profound level, becoming one of the top powerhouses of the Great Qi Kingdom.

In addition, he is still enshrined by the royal family, able to enter and exit the royal library, and the number of exercises and martial arts he mastered is far beyond ordinary people.

It can be said.

As long as he is there, Zhao Zhen wants to abolish Qin Chen again, it is tantamount to a dream.

In an instant, everyone's heart could not help but let them all down, as if they were coming from despair.

"Chu Weichen, do you want to stop me?"

Zhao Zhen's expression was solemn and ugly, and he felt deeply troubled.

"Qin Chen, are you okay?"

Ignoring Zhao Zhen, Chu Weichen immediately turned around and looked at Qin Chen with a look of concern.

"Thank you Dean Chu for the shot, the disciple is fine."

Qin Chen breathed a sigh of relief, and at the same time the formation in his hand had been quietly stored in the storage ring.

Since Dean Chu Weichen is here, there is no need to reveal his hole cards.

"This **** Chu Weichen, how come here so soon? What is going on?"

Zhao Feng and the others saw that Qin Chen was about to be abolished, and suddenly Chu Weichen appeared, destroying everything, and suddenly vomiting blood with anger.

After they came out of Qin's house, they rushed all the way to Qin Chen's mansion quickly, without stopping at all.

When they wanted to come, even if Qin Chen had many friends, when the other party arrived, they had already abolished him.

When the time comes, no one can say anything.

But unexpectedly, King Kang Zhao Jing and Dean Chu Weichen came so fast, only a little bit later than them, and their plan was instantly broken.

"Zhao Zhen, Qin Chen is a disciple of my Star Academy and a genius of my Great Qi State. Do you want to kill him, do you want to openly be an enemy of Tianxing Academy and Great Qi State?"

Seeing that Qin Chen was okay, Chu Weichen couldn't help turning his head and looking at Zhao Zhen. His words were full of murderous intent.

Chapter 305

boom!

A strong energy soared into the sky, and for a while, the entire mansion seemed to be blew by a seventh-level gale.

That terrible breath, all the Zhao family members who pressed it, had difficulty breathing.

"That fellow Chu Weichen, who has not seen him for so many years, has a deeper cultivation base."

With fear in his eyes, Zhao Zhen's face was ugly.

Previously, as long as Chu Weichen was so late a second or two, Qin Chen had been abandoned.

But now, thinking about abolishing Qin Chen again, the difficulty is by no means comparable to the previous one.

Can't help yelling: "Chu Weichen, Qin Chen is your disciple of the Star Academy, aren't Qin Feng and Qin Fen? My two grandsons were injured by that Qin Chen. You, the dean of the academy, have done it again. What? What qualifications do you have now to stop me from avenging my grandson?"

When he wanted to come, his grandson Qin Fen was abolished in the year-end entrance examination of the Star Academy, and Chu Weichen was also responsible.

"Zhao Zhen, don't confuse these two things."

Chu Weichen frowned: "Qin Fen was abolished. It was a public year-end exam. Moreover, after losing the game, he had to attack Qin Chen and brew his own bitter fruit. As for Qin Feng, he lost his right in the five-nation contest. Arm, the two are not comparable at all."

"It's not comparable!" Zhao Zhen sneered, "Since you have said so, I won't be nonsense. Qin Chen, I have to abandon it today. If you stop, you can stop blaming the old man for not remembering old feelings. ."

No matter who would stop him today, he couldn't change his determination to abolish Qin Chen.

"Hehe, it's a coincidence. Today, Qin Chen and Chu must also be guaranteed. If you do, let's see the real chapter under your hand."

Chu Weichen did not give in.

The two masters just confronted each other and looked at each other coldly.

The smell of gunpowder between the two sides is getting stronger and stronger, and the atmosphere is getting more and more tense.

At this moment, a cold and harsh shout suddenly sounded.

"Where is Qin Feng? Get out of here."

I saw from the front corner, a group of extraordinary powerhouses suddenly emerged, each with terrible murderous intent, and quickly approached.

Whoosh whoosh!

This group of powerful men instantly came to Qin Chen's mansion and stared coldly at the people in front of them.

It is Nian Shuo and others of the Guixian School.

Their arrival immediately broke the original atmosphere on the court and shocked everyone.

"Who are these guys? Why are they so strong?"

Feeling the breath of Nian Shuo and others, everyone was shocked and couldn't help but breathe in air.

The so-called layman looks at the excitement, while the insider looks at the doorway.

Many of the city guards at the prefecture-level cultivation base were not strong enough, so they only felt that the crowd in front of them was terrifying.

That's all.

However, Qin Yuanzhi and other profound-level powerhouses could feel the strength of the aura of the other group of people, and each was extraordinary.

Some of them, like a volcano, contain the power of terror, ready to erupt at any time.

Some people, like Wang Shentan, make people unable to see the depth.

Others are like a mountain, majestic and majestic.

The breath of each one was terrifying, and it was definitely not an ordinary profound-level expert.

"Where did this group of people come from? When did we come to such a group of powerful people in Daqi?"

Everyone shook their hearts and their eyes were solemn.

Moreover, as soon as the other party came up, he yelled at Qin Feng and rolled out, causing everyone to wonder inexplicably.

"Several adults of the Guixian Sect, Qin Chen is in front."

"Can you let us go now?"

"Your Excellency said just now, as long as I wait for you to find Qin Feng, I will let me wait, the dignified Guixian Sect master and elder, don't speak without words."

The disciples of the Qin family, as soon as they brought Nian Shuo and others to the scene, they hurriedly spoke in panic.

They looked worried, for fear that Nian Shuo and others would be unbelievable or trustworthy.

"Hmph, don't worry, what I promised after reading Shuo will naturally do what I say."

With a sneer, Nian Shuo waved a big hand, the few Qin family disciples were immediately thrown out by the masters of the Guixian faction, and fell to the ground one by one, crawling and hiding aside.

An adult of the Ghost School?

When everyone heard the dialogue between the two sides, they couldn't help but their eyes condensed, and each of them looked shocked.

Could it be that these masters are strong in the Guixian faction?

The Guixian faction is far away from the Great Qi State, and there is almost never a contact between the two.

At this moment, they, a group of powerful people, came to the King of Qi, what is the so-called?

Thinking of the looks, attitudes, and appearances of several people, they came to Qin Feng by name.

The hearts of Zhao Feng and others twitched fiercely, and their faces suddenly turned pale.

Could it be that Qin Feng has come to take revenge for Nian Wuji?

"Mother, be careful, the other party is a member of the Guixian faction, and that old man is Elder Ling Zhong who led the Guixian faction for the first time in the Five Nations Grand Competition."

Staring at one of the people in the crowd, Qin Feng looked solemn.

"Qin Xuan, what the **** is going on?"

With a heartbeat, Zhao Feng shouted angrily at the Qin family disciples hiding by the side.

"Back to the mistress, these are the masters of the Guixian faction. They came to the mansion before looking for Qin Feng. The elders did not follow them and were severely injured by several people. They threatened to slaughter our Qin family if they did not hand over Qin Feng. The few of us have no choice but to bring them here for the safety of the family."

Qin Xuan was obviously the oldest young man among the few, and couldn't help but panic and explain.

Zhao Feng is the mistress of the Qin family. In a fit of anger, they and their parents are in the Qin family. They might be struggling and life will become very sad.

"you guys....."

Although Zhao Feng didn't have any great wisdom, he was very smart and smart. He understood the ins and outs of the matter in an instant, and could not help but tremble with anger.

These guys were obviously greedy for life and fear of death, and they led the enemy over to survive.

Also said so grand-sounding.

Why did the Qin family raise such a bunch of waste?

"Master Sect Master, the one-armed boy is Qin Feng, and the boy in the crowd is Qin Chen."

Looking at the people in front of him, Ling Zhong hurriedly came to Nian Shuo and pointed out Qin Feng and Qin Chen.

"Did they both kill Wuji?"

Muttering in his mouth, a sharp light flashed in Nian Shuo's eyes, and a trace of resentment and hideousness was instantly revealed.

He recites Shuo and gets a son when he grows old. He has only Nian Wuji as a son in his life. He regards him as a treasure in his palm, and even plans to let him inherit his mantle and become the next lord of the Guixian Sect.

But he didn't expect that his son, whom he loved so much, was killed in the first test of the Five Nations Grand Competition. How could he not be angry?

For his son, even if he is an enemy of the entire Great Qi State, he is not afraid.

"good very good."

With a sneer at the corner of his mouth, Nian Shuo couldn't help but take the first two steps and came to everyone.

His gaze was like a wolf, staring at Qin Feng.

"You are the Qin Feng who killed my son Nian Wuji?!"

The cold voice, like the voice of death, entered the ears of everyone present.

Chapter 306

The voice was so cold and indifferent that many people present shuddered.

As if for an instant, it came to the twelfth lunar month of winter, feeling cold.

"Your Excellency, you are absolutely mistaken. At home, Qin's mother Zhao Feng, your son said Promise, not my son Qin Feng killed him, but this little beast Qin Chen. Don't be deceived by this little beast. ."

Taking the first two steps hurriedly, Zhao Feng pointed to Qin Chen and shouted viciously.

Although the cultivation base is not high, it does not affect Zhao Feng's judgment.

Who is the other party? But the dignified ghost fairy sect master?

What power is the Guixian faction?

One of the top sects of the five northwestern countries, in a rage, even the five great powers such as the Great Qi Kingdom must be frightened.

Will its suzerain be weak? At the very least, it was at the level of Lingwu King Xiao Zhan.

What's more, he also brought so many strong ghosts and immortals, once it was determined that Qin Feng was the murderer, if he started, Feng'er would definitely be dangerous.

So immediately, I wanted to lead the disaster to Qin Chen.

It would be great if he could kill Qin Chen with the help of the Guixian faction.

However, what character Nian Shuo, how could Zhao Feng just say nothing?

Can't help but smile coldly: "Don't worry, Qin Chen and Qin Feng are both suspected of killing Wuji. Today, this sect came here to avenge my son Wuji. Since I don't know who the murderer is, then these two people, I have to die today."

When the voice fell, Nian Shuo couldn't help taking a step forward.

boom!

The invisible strength rose to the sky, shaking everyone present, kicking back.

"The rest of you have retreated to this sect. Today this sect only wants to kill the murderer who killed my son Wuji. Others, ignore it, but if you don't want to retreat, just stop blaming this sect. Up."

He could tell at a glance that there were many people present who were not weak in cultivation. There were five or six light profound level masters, and two of them were even in the late stage of the profound level, which was extraordinary.

It is really troublesome to fight.

"Your Excellency, I have already said that the Nian Wuji of your Guixian faction was not killed by my son Qin Feng, but the poisonous hand of Qin Chen. Don't find the wrong person, let the real murderer go unpunished."

Zhao Feng was extremely anxious.

Why don't these guys have brains? Saying that Qin Feng is not a murderer, but also aggressive, it is simply too much.

"Zhao Feng, what nonsense are you talking about? With Chen'er's cultivation base at that time, how can you kill the Young Master of the Guixian Sect? You want to excuse Qin Feng and find a better reason."

Seeing Zhao Feng constantly pointing the finger at Qin Chen, Qin Yuechi couldn't help yelling.

Others also frowned, especially the many people of Qi State who were attracted by the movement here, and they all looked angry.

This Zhao Feng wanted to excuse his son, there was nothing wrong with it, so don't keep things on Qin Chen.

How much did Qin Chen make his first test in the Five Nations Grand Tournament? For this personal matter, Zhao Feng not only didn't help, but even wanted outsiders to kill Qin Chen, which was too vicious.

Even ordinary people have this idea, let alone Zuo Li.

"Zhao Feng, everyone knows that Qin Feng is the first genius of our Great Qi Kingdom, and in the blood spirit pool baptism, the cultivation base has also broken through to the middle of the heavenly rank, is the strongest of our Great Qi Kingdom, you say he Not killing Nian Wuji, too fake, right?"

"Yes, Chen Shao is so much younger than Qin Feng, how could he be the opponent of the Young Sect Master of the Guixian faction?"

"Yes, look at Qin Feng, he broke his arm in the Grand Competition of the Five Nations. Everyone knows that among the geniuses of the Five Nations, there are very few who have reached the mid-celestial stage like Qin Feng. I think this arm is very likely to be the same In the battle of Nian Wuji, he was cut off by the opponent."

Liang Yu and others sneered again and again, and looked at Zhao Feng mockingly.

"Don't be silly, my Feng'er's arm was clearly cut by Qin Chen, and the Sect Master of the Guixian Sect was also killed by Qin Chen. This is what Feng'er saw with my own eyes. What are your sophistry? ."

Zhao Feng jumped into thunder and went crazy with anger.

Because from Qin Feng's mouth, she had long known the ins and outs of things, and knew that Nian Wuji was killed by Qin Feng.

"is it?"

"That's what you said there. Are we really idiots?"

Everyone sneered and sneered.

Zhao Feng was so angry that he vomited blood. For the first time, he discovered that his son was too famous, and it was not a good thing. Everything would be pulled upwards, and he couldn't explain it clearly.

"Enough, don't talk nonsense here, whether it is Qin Feng or Qin Chen, they will die today."

Frowning, too lazy to listen to Zhao Feng's nonsense, Nian Shuo shook his body and rushed directly to Qin Feng, with a huge palm like a fan, and hooded him.

Boom!

A terrible energy swept through, Nian Shuo deliberately prevented everyone from taking action, and the strong real power swept away. The people Zhao Feng, Qin Fen and others around Qin Feng were pale, and their bodies were like flying flies. The air rushed away.

Above the open space, only Qin Feng was left, his face was pale and his eyes were grim.

He hated, hated that he was not strong enough to be so abused.

If possible, everything he has endured today will be personally repaid.

"This person's eyes."

Nian Shuo's heart was shocked, even in the face of his own attack, this son was still rebellious, his eyes, like a poisonous snake, waiting for an opportunity, extremely terrifying.

"Boy, at this time, you dare to have such a look, are you unwilling in your heart? When you killed my son Wuji, why didn't you think about it!"

The look in Qin Feng's eyes made Nian Shuo think of his son. Nian Wuji used to be just the same unruly.

There was a great pain in my heart, and my palm fell suddenly.

"Stop, you have something to discuss."

At the moment of crisis, a figure came to Qin Feng and let out a burst of shouts.

It is Zhao Zhen.

His eyes were solemn, his hands were flat on his chest, and he lifted up fiercely, the powerful Profound Stage late stage true power bloomed, trying to intercept Nian Shuo's attack.

"Go back to me!"

Nian Shuo sneered, palm strength suddenly increased.

He had known for a long time that the other party would not kill Qin Feng easily and would definitely stop him, so he waited for Zhao Zhen to take action.

Boom!

One palm and two arms suddenly collided in the void, a huge roar came, and the entire ground was shaken.

Click!

The ground under Zhao Zhen's feet instantly cracked, like a stretched spider web.

Pedal!

Zhao Zhen's face was pale, and the whole person couldn't bear this huge force. He backed up abruptly, leaving a deep footprint on the ground with every step back, and went back more than ten steps before finally stopping.

Puff!

The blood in his body was surging, Zhao Zhen couldn't bear it anymore, a mouthful of blood spurted out, and the whole person's breath instantly wilted.

"Just because you want to stop me?"

Opposite, Nian Shuo remained motionless and smiled coldly.

Chapter 307

what?

At this moment, everyone was shocked. Seeing the two people with a significant gap, they were all shocked.

how come?

Can't help shaking his head, feeling unbelievable.

One move, only one move.

Zhao Zhen, who had been extremely domineering before, could be called the number one strong on the field, was so defeated.

He is a strong man in the late Xuan-level stage.

Can't make a move in Nian Shuo's hands?

Are you kidding me?

Everyone was shocked and confused.

"Patriarch Zhao..."

In the distance, the Qin family's senior elder and others finally arrived, seeing the scene on the court, staggering, almost not falling to the ground.

In their opinion, Zhao Town of the Zhao Family in Lingnan is also a powerful late-stage Xuan-level powerhouse. Even if it is not an opponent of Nian Shuo, it is certainly not much worse. Although it cannot remain undefeated, it persists for a hundred or two rounds. It must be no problem.

The news of the Guixian faction's wanton use here will definitely reach His Majesty's ears as soon as possible. Once the royal master arrives, it is absolutely impossible for the Guixian faction to try to do it again.

It is beautiful to imagine, but the reality is extremely cruel.

With just one move, Patriarch Zhao was repulsed, even vomiting blood and seriously injured, how could he insist on coming to the royal master?

Everyone was shocked, but Zhao Zhen was the most shocked.

"Horrible, terrible, is this the strength of the top power in the five northwestern countries?"

As the great elders thought, although Zhao Zhen didn't think he would be Nian Shuo's opponent, he was both a late-stage Xuan-level martial artist, so how could he fight against each other.

In fact, he hadn't spoken before, and when he started at a critical moment, he was also holding the idea of fighting the top powers of the five northwestern countries.

However, the result made him feel desperate.

Under Nian Shuo's palm, the majestic true power was like waves, constantly sweeping, and instantly smashed the true power of his body, even too late to resist.

Terrible, terrible!

At this moment, there was only fear in his heart.

Facing the shock of everyone, Nian Shuo's face was still calm and indifferent, as if she had only done a trivial thing before.

He took a step forward, raised his hand and palms of both hands, he had already caught Qin Feng again.

"Feng'er, stand back."

With a roar, Zhao Zhen rushed again.

Even if he wasn't an opponent, he couldn't just watch his grandson, who died tragically under him.

boom!

This time, there seemed to be a wild beast in his body awakening, and an astonishing domineering force rose into the sky.

It is the power of his fourth grade bloodline.

At the same time, other Zhao family powerhouses, under his command, pounced out.

Although the cultivation bases of these Zhao family powerhouses are all around the early stage and peak of the Profound Stage, when they start together, they are powerful and extremely powerful.

"metropolitan!"

On the side, many masters of the Guixian faction couldn't help but speak, and at the same time stepped forward to make a move.

"No need to!"

But seeing Nian Shuo waved his hand to tell them not to step forward, at the same time, a cold light shot from his eyes and suddenly rushed into the crowd.

Bang bang bang!

"what!"

"Uh!"

The screams of screams sounded in an instant, and accompanied by the astonishing sound of clashing, many of the Zhao family's powerhouses all screamed and flew out and fell heavily to the ground.

Their faces were painful, they howled and rolled on the ground, each of them broke and fractured, and vomited blood.

In just one or two breaths, all the Profound level masters of the Zhao family were all knocked into the air, and one by one fell to the ground with serious injuries, unable to fight again.

Then, Nian Shuo's gaze fell on Zhao Zhen.

"Fucked!"

With a sneer, the voice was still reverberating, Nian Shuo had already rushed to Zhao Zhen's body, a palm of both hands, like lightning, imprinted on Zhao Zhen's body.

Hum!

The bloodline light on Zhao Zhen's body shook violently, and finally couldn't bear the huge force, it burst out with a bang, and Zhao Zhen himself flew out again in embarrassment.

This time, he was even more miserable, his shirt burst to pieces, blood was sprayed all over his body, and he became a blood man.

"father!"

Zhao Feng exclaimed, his heart ached like a knife, and he looked terrified.

The other people around were all stunned at this moment, looking at Nian Shuo like a ghost, couldn't help feeling shocked.

"Is this the master of the Guixian faction, the top powerhouse in the northwest?"

Strong, too strong.

Zhao Zhen, whose cultivation base was in the late stage of the Profound Rank, could be regarded as one of the top powerhouses in the Great Qi Kingdom, but in Nian Shuo's hands, he was not an opponent at all, and the gap was too big.

Not a level at all.

Can a Xuan-level martial artist be so strong?

Everyone felt incredible.

"If you dare to stop, next time, it will not be severely injured, but dead!"

The icy voice echoed in the void, as if from Jiuyou, Nian Shuo with a cold expression, step by step towards Qin Feng.

"No, don't hurt my wind."

Zhao Feng roared, like a lioness guarding her cub, rushing up.

"roll!"

However, Nian Shuo slapped her away and fell heavily to the ground, disheveled and embarrassed.

"lady."

The elders were all taken aback and looked nervously, but they didn't dare to step forward.

"mother."

Qin Feng also trembled in his heart.

"Do you feel desperate?"

Nian Shuo walked towards Qin Feng step by step, with a terrifying aura like a big mountain suppressing him.

The corners of his mouth were icy, hatred shot into his eyes, and Nian Shuo said coldly: "But you know, when you killed my son Wuji, was his heart as desperate as you?"

"Today, I want you to pay for the debt and go to Huangquan to accompany my Wuji."

Raising the palm of his hand, Nian Shuo gathered his true power and slammed it down.

"Fenger run!"

Zhao Feng got up and shouted in anger.

"Wow!"

There is no need for Zhao Feng to remind, Qin Feng had this intention long ago, and an astonishing aura burst out of his body, breaking away from Nian Shuo's shackles and rushing outside.

"Humph."

Nian Shuo snorted coldly and patted his palm quickly.

"broken!"

Qin Feng roared, and at the critical moment, he swallowed a pill suddenly, and at the same time, an astonishing bloodline burst out of his body, blasting towards the rear with a punch, trying to resist Nian Shuo's attack.

"Hehe, ridiculous."

Nian Shuo sneered. A young man with a broken arm actually wanted to resist his own attack. Didn't you see a master like Zhao Zhen before, was he blown away by his palm?

However, what Nian Shuo didn't expect was that when the two palms touched each other, a strange force suddenly rose in Qin Feng's body, which actually blocked his attack abruptly, and at the same time, accelerated with the help of the thrust of this attack. get away.

"Huh? Late Heavenly Stage?"

Nian Shuo was surprised.

Before, he didn't want to slap Qin Feng to death with a palm, so he didn't use his full strength at all, but he didn't expect that Qin Feng would stop him? Instead, with his own attack, it became the thrust of his escape.

Moreover, Qin Feng's cultivation was actually not in the middle of the heavenly rank, but in the latter part of the heavenly rank.

"Can you escape?"

Although Nian Shuo was surprised, there was no expression on his face. With a sneer, Nian Shuo's palm suddenly gave birth to a terrible suction.

"Long Palm!"

Qin Feng's stature, not advancing but retreating, was abruptly sucked over.

Chapter 308 Heaven's Oath

"Good boy, there are two times. No wonder it can kill my son Nian Wuji."

Sucking Qin Feng in front of him, Nian Shuo's eyes were cold.

He didn't expect that Nian Wuji's cultivation base was not in the middle of the heavenly rank, but the latter.

At this age, there are very few people who can practice cultivation to the late stage of the heavenly rank in the entire hundred-year history of the five northwestern countries, and almost everyone can become the strongest among the Xuan-rank martial artists.

What a genius kid.

The stronger Qin Feng became, it was Qin Feng that made Nian Shuo more certain to kill his son.

"This guy broke through again?"

In the crowd, Qin Chen was also slightly surprised.

He knew very well that when Qin Feng was in the first test of the Five Kingdoms, his cultivation was only in the middle of the heavenly rank. Obviously, he broke through again in the more than half a month after returning to the Great Qi Kingdom.

Even Qin Chen couldn't help but be surprised. I have to say that Qin Feng's talent is indeed very high, and it is definitely not an illusion.

Although it can't be compared with those powerhouses in Wuyu, in the five northwestern countries, they definitely exist against the sky.

"Qin Chen, take this opportunity to leave here, otherwise, after killing Qin Feng, his target is you."

Unlike Qin Chen's consideration, Chu Weichen was worried about Qin Chen's comfort.

Even a strong man like Zhao Zhen is not an enemy of Nian Shuo's move.

Although his strength is a bit stronger than Zhao Zhen, he still doesn't have the confidence to stop the opponent.

"Less dust, why don't you leave secretly, we will help you stop the other person."

Liang Yu, Qin Yuanzhi and others also secretly reminded.

"No need to."

They thought that Qin Chen would agree, but they didn't expect Qin Chen to refuse.

"You... don't be arrogant."

Chu Weichen and the others were anxious in their hearts, but did not dare to show much on their faces, for fear of being caught by Nian Shuo.

"Don't worry, I have my own opinion."

Qin Chen shook his head, his face firm.

How could a strong like Yi Nian Shuo fail to notice here? It's okay if he doesn't move. When he moves, the other party will definitely take him. When the time comes, Dean Chu and the others may not be able to stop the other party, but it will be even more dangerous.

Moreover, according to time, Zhao Gao should have already received the news. If he really wants to make a move, the rescuers sent should be almost here.

Instead of leaving now, it's better to stay here and respond to changes.

Nian Shuo's hand was raised high, hanging over Qin Feng's head.

He only needs to fall gently to kill Qin Feng.

"When you killed my son Wuji, did you ever think that there will be this moment!" Nian Shuo's eyes flashed with resentment.

"No, no, Nian Wuji was not killed by me, but by Qin Chen."

No matter how arrogant he was in his heart, in front of death, Qin Feng finally couldn't maintain his usual calmness, and there was panic in his eyes.

He is still young and does not want to die.

"You didn't kill it? Do you think I would believe it? Of the entire Northwest Five Kingdoms geniuses, you are the most likely to kill Wuji. As for Qin Chen, don't worry, he will die after you die."

Nian Shuo will not leave any regrets for herself, since both of them are suspected, then both of them must die.

Moreover, he was slightly puzzled, this Qin Chen, previously he had also sent Li Yang and Zuo Dao to assassinate, why the other party was fine, but Li Yang and Zuo Dao disappeared.

But he didn't think too much. Perhaps Li Yang and Zuo Dao saw that there were many masters here, and they didn't have time to start. They were going to go back and report to themselves, but they missed it again.

The top priority is to kill this Qin Feng first.

boom!

There is a terrible concentration of true power in the body, in the palm of Nian Shuo's palm, shocking coercion blooms, that aura is so strong, let alone Qin Feng, even a martial artist of the Xuan rank will be beheaded instantly, with different heads Place.

Seeing Nian Shuo's palm was about to fall.

"No, I swear, I, Qin Feng, swear to the will of Tiandao, Nian Wuji was not killed by Qin Feng, but by Qin Chen. I have seen it with my own eyes. If there is a falsehood, the sky will thunder and it will not die!"

Feeling death coming, Qin Feng cried out in horror, his right hand was raised, his expression solemn, and he swore to heaven.

"It's the oath of heaven!"

"This Qin Feng dares to even make such an oath."

"Could it be that Nian Wuji was really not killed by him?"

When everyone around saw this scene, they couldn't help but talk and were surprised secretly.

The oath of heaven is a martial artist who uses his will to swear to heaven.

This kind of oath, although it is not true that it will be struck by lightning after it is made, but it is not easy to make.

Because once the will of martial arts is used, the foundation of the martial artist will be shaken. Once there is the slightest deception, the martial artist will have a heart demon in his heart. Although it will not be like the sky and thunder, but in the future, if you want to make progress in cultivation, you will become extremely difficult.

Even if he rushes to practice, his will will collapse and he will die.

Therefore, ordinary warriors, even if it is an urgent matter, will not arbitrarily make a heavenly oath.

"Ok?"

Hearing this, Nian Shuo couldn't help but frown.

What is his vision? Very accurate.

At this moment, although there was a trace of unwillingness and anger between Qin Feng's eyebrows, the tone of swearing was very sincere, and it affected the martial arts power in his body, not like a fake.

"What you said is true?"

Nian Shuo didn't care whether Qin Feng died or not. What he cared about was who was the real murderer.

If you can't kill the real murderer, you can't let your son stare at Jiuquan.

"I, Qin Feng, even made the oath of heaven, don't you believe it? That Nian Wuji was indeed killed by Qin Chen, not only Nian Wuji, Cao Heng, the third prince of the Great Wei Kingdom, was also killed by Qin Chen. I was there and I saw it clearly."

"Actually, I wanted to use their opportunity to fight to kill Qin Chen, but this Qin Chen was too cunning. Not only did he kill Nian Wuji, but he also pretended to be seriously injured. When I stepped forward, he suddenly attacked the killer. , Cut off my right arm, if it weren't, how could I be so embarrassed in the Demon Ancestor Mountain Range."

Nian Wuji gritted his teeth with a hideous face, staring at Qin Chen.

He hates.

In his opinion, Qin Chen brought all of this to him. If it weren't for Qin Chen, how could he break his arm, if it wasn't for Qin Chen to kill Nian Wuji, how could the master of the Guixian faction come over? Let him lose face in front of everyone.

Now, he issued the heavenly oath, no matter whether he lied or not, there was already a demon in his heart, a demon who humiliated and survived.

This heart demon will have a huge impact on his future life.

And all this is because of Qin Chen.

At this time, Qin Feng would never have thought that if he hadn't followed all the way and wanted to kill Qin Chen, would he have fallen to where he is today?

"boom!"

When Qin Feng said this, the whole audience was in an uproar.

Everyone was shocked.

Looking at Qin Chen and Qin Feng one after another, they were shocked.

Chapter 309 Qin Feng's Death

Could it be Qin Chen who killed Nian Wuji?

Qin Feng made a vow of heaven, and with such an expression, everyone had to suspect that it was Qin Chen who killed Nian Wuji.

"Boy, what can you say?"

Looking at Qin Chen, Nian Shuo's eyes shot a cold light.

"Sir, do you believe in survival?" Qin Chen said flatly.

"Qin Chen, dare you say that if you have the ability, you will also take the oath of heaven!"

Qin Feng roared, staring at Qin Chen.

"In order to humiliate and survive, I made a vow of heaven. Only the weak can do this kind of thing. You Qin Feng has no backbone. How can I, Qin Chen, be like you."

Although he didn't know much about Nian Shuo, Qin Chen knew very well that with the other party's previous behavior and character, whether he took the heavenly vows or not, he would do it to himself, so why bother.

What's more, no one in this world can force him to swear by Qin Chen.

"Your Excellency, did you hear that this person dare not even make the oath of heaven, who is the murderer, it's clear at a glance."

Qin Feng shouted frantically.

"Your Excellency, you have also seen that, your young master of the Guixian Sect was not killed by my son, but this Qin Chen, everything is this Qin Chen, and, your Ghost Sect should have just sent someone to assassinate Qin Chen, right? , I am afraid that the people you sent have already been killed by this Qin Chen, don't you want to avenge your ghosts?"

Zhao Feng also seized the opportunity and hurriedly explained. At the same time, she thought that when she first arrived, Qin Chen's mansion had just experienced a battle, and she thought of King Kang and others saying that she had colluded with the ghost and immortal faction and assassinated Qin Chen. She immediately seized the opportunity and tried Let Nian Shuo shift the target.

"Could it be that you are not the murderer?"

Lowering his head, Nian Shuo looked at Qin Feng.

"It's not me, it's really not me. Although I was there at the time, my goal was only Qin Chen."

Ecstasy rose in Qin Feng's eyes. Knowing that his words had worked, he just wanted to say something...

"boom!"

Suddenly, Nian Shuo took a palm shot, and the invisible palm force rushed into Qin Feng's mind. Qin Feng's voice stopped abruptly, and the vitality in his eyes disappeared instantly.

"Did you kill it, so what? Since you were there at the beginning, it means that you have the opportunity to prevent Qin Chen from killing my son, but you didn't do it. You deserve to die."

Nian Shuo sneered, and said flatly, as if he had just killed a trivial person.

"Wind... Feng'er?"

The screams resounded across the sky, and Zhao Feng rushed forward like crazy.

"boom!"

However, without waiting for her to move forward, an elder of the Guixian faction had already shaken her out, fell to the ground in embarrassment, and vomited blood.

"Back to you!"

With a cold smile, Nian Shuo waved a big hand, Qin Feng's body flew to Zhao Feng feebly, and was hugged by Zhao Feng.

"If you dare to act rashly, even kill you."

The whole body bloomed with cold murderous intent, killing one is killing, killing two is also killing, if it weren't for the Great Qi Kingdom, Nian Shuo wouldn't mind, killing everyone here to avoid future troubles.

"No, Feng'er, you will not die, you will not die."

He took out all kinds of pills from his body and poured it into Qin Feng's mouth. Zhao Feng's face was full of tears, like a madman.

Seeing all this, Zhao Zhen felt a pain in his heart, but he did not dare to move at all.

"Now it is your turn."

Turning his gaze away from Qin Feng, Nian Shuo looked at Qin Chen.

"Wow!"

He shook his body and rushed into the crowd, rushing towards Qin Chen.

"Be careful with less dust."

"Qin Chen, be careful!"

Chu Weichen and others appeared in front of Qin Chen for the first time, one by one, looking shocked.

"Only you, want to stop me."

Nian Shuo sneered, there was a cold burst in his eyes, booming, he folded his hands together, and slammed a punch suddenly, and saw a huge fist in the sky turning into a tornado, sweeping out, wherever he passed, the world changed color, Cover the sky and cover the sun.

Terrible, terrible.

Before the punching force arrived, only the breath came, and Chu Weichen and others' complexions changed drastically, but at this time, none of them backed away, and they shot wildly one by one.

Various fist lights, palm prints, sword light, and sword shadows flickered in the void.

Boom!

But it was useless, the terrifying black tornado swept past, and many Profound Level masters such as King Kang's Mansion and Qin Yuanzhi were all shaken out, vomiting blood in embarrassment, and they were not the enemy of a single move.

The only better one is Chu Weichen, but his face is also pale, his breath is suspended, and his feet recede again and again.

"Huh! Two things!"

Nian Shuo frowned, he knew the power of his punch very well, and the average late-stage Xuan-level martial artist could not take it.

Just like Zhao Zhen before, he is not his enemy at all.

But now, he was actually stopped by this guy, showing that the opponent's strength was extraordinary, not an ordinary Xuan-level late-stage warrior.

But what about it, whoever prevents him from killing Qin Chen, he will kill anyone.

"call!"

His body soared, Nian Shuo's mouth sneered, his figure suddenly turned into black afterimage lightning, and rushed into the crowd.

"No, Qin Chen, go quickly, I'll stop him."

Chu Weichen was shocked. Under the shaking of Nian Shuo, he only felt that the shadows in front of him were so dark that he couldn't see the other party's true body. Obviously, the other party displayed a very advanced body technique.

With such strength, it is impossible for him to defeat the opponent.

The only way is that he tried his best to hold the opponent, and Qin Chen seized the opportunity to leave.

"Want to go, is it that easy?"

Whoosh whoosh!

The ghost immortal sent Ling Zhong and others, one by one, violently looting, falling around the mansion, surrounded the most central Qin Chen and others.

at this time.

The masters of the Zhao family and the people of the Qin family had already withdrawn from the mansion, while the city guards were just surrounded by a distance, but did not dare to join the battle group. Therefore, the Qin Chen mansion was not so crowded.

It was almost impossible for Qin Chen to take advantage of the chaos to escape.

"Kill it, kill it, it's better to kill that Qin Chen, and then you will suffer both losses and all die here."

Outside the mansion, the members of the Zhao family and the Qin family looked at Qin Chen and Nian Shuo in the mansion with anger and resentment.

Their hearts were full of resentment, whether it was towards Qin Chen or the Guixian faction.

Wish to lose both sides, all died here.

boom!

Chu Weichen and Nian Shuo fought together instantly.

Nian Shuo's palm of the shadows burst out with terrible power.

At the beginning, Chu Weichen could still rely on his strong strength and combat experience to support him, but soon he fell into a disadvantage, constantly parrying under Nian Shuo's terrifying body skills.

boom!

After a long time of defense, flaws were finally revealed. Chu Weichen finally couldn't avoid it, and was shocked by Nian Shuo's palm, vomiting blood and flew out.

"Dean Chu, are you okay?"

Everyone was anxious and gathered around.

"You are the dean of the Tianxing Academy, the First College of the Great Qi State? That's all, and don't make senseless resistance, you can't stop it, don't let me help it, kill you with one palm."

After the fight, Nian Shuo also knew the identity of Chu Weichen, but a sneer was drawn in the corner of his mouth.

After that, he leaped up and flew down towards Qin Chen, like a predator goshawk.

At this moment, no one present can stop Nian Shuo.

Qin Chen had a crisis.

Chapter 310

Is Qin Chen going to die too?

Seeing this scene, everyone's hearts were raised, full of sorrow.

Not only Qin Yuanzhi and the others, but all the onlookers around them also had a sad expression and their hearts were bleeding.

Regardless of Qin Feng and Qin Chen, the people of the Guixian faction dared to ignore their Daqi Kingdom so much, and openly kill the Daqi King, and they killed the top genius of the entire kingdom.

This behavior, undoubtedly, deeply hurt the hearts of everyone present.

As long as they are citizens of Daqi, there is nothing not to be angry.

But there is no way.

They can do nothing but anger.

Even Dean Chu Weichen of the Tianxing Academy was defeated by the opponent, who else could stop the opponent?

Can only watch, Qin Chen died in the opponent's hand.

Many people did not even dare to open their eyes, bowed their heads in pain, or closed their eyes.

They didn't want to see that scene, the scene where the genius of the Great Qi Kingdom was beheaded by outsiders.

Too painful!

"stop."

Seeing Nian Shuo's attack was about to fall.

suddenly.

A violent shout rang out, and a figure suddenly burst from the street in the distance. This figure was so fast that the sound had not yet arrived, but the man had already arrived in the mansion.

Nian Shuo's face changed a little when she heard angrily, and the speed of her palm falling instantly accelerated.

I want to catch the assassin when the opponent arrives.

But the opponent's speed was extremely astonishing. At the moment of the moment, he appeared in front of Qin Chen and slapped Nian Shuo.

boom!

The terrible energy formed a circle of shocks visible to the naked eye. Under this shock, the walls of Qin Chen's mansion collapsed suddenly and exposed to everyone's eyes.

Pedal!

Within tens of meters, all the martial artists around, even the Xuan-level martial artists, couldn't help but change their colors. Under these two energies, they felt difficult to breathe.

As for ordinary heavenly and prefecture-level warriors, they were even more unbearable, each of them turned pale, even bleeding from the corners of their lips.

When the shock dissipated, everyone could see clearly that a middle-aged man wearing a blue martial robe stood proudly in front of Qin Chen. His eyes were cold, his eyes bloomed with cold light, and he was not angry and mighty.

"It's Lingwu King Xiao Zhan!"

"Master Xiao Zhan is here, great."

"Haha, this Guixian faction is going to be unlucky now."

Seeing the people coming, the crowd shook wildly, and immediately overjoyed.

The person here is not someone else, but the Lingwu King Xiao Zhan.

Lingwu King Xiao Zhan, with a noble status, is known as the God of War of the Great Qi Kingdom, and has an irreplaceable position in the hearts of the people of the Great Qi Kingdom.

Known as the number one master of the Great Qi State.

His appearance undoubtedly gave everyone present a booster, and one by one heaved a sigh of relief. In the eyes of everyone, as long as Lingwu King Xiao Zhan came forward, there was nothing that could not be solved.

"Fenger!"

At this moment, a grieving roar sounded, and a figure suddenly rushed forward, and instantly came to Qin Feng's corpse, roaring in fright.

It is Qin Yuanxiong.

"Qin Yuanxiong, you have only come now to see our boy, who has been killed by that Nian Shuo and Qin Chen, where have you been just now? Is there any wind in your eyes?"

Zhao Feng cried bitterly and yelled at Qin Yuanxiong.

"Patriarch." When the elders saw Qin Yuanxiong, they also surrounded them.

"Damn it."

Qin Yuanxiong hammered the ground hard, his eyes red.

"Kill me Feng'er, I want you to die."

Roar!

With a roar, Qin Yuanxiong rushed towards Nian Shuo, banging, a terrifying aura erupted from his body, he turned out to be a strong man at the mid-Xuan level peak, his amazing fist turned into a roaring tiger, and he rushed towards Nian Shuo.

"ridiculous."

Nian Shuo sneered and struck a backhand.

boom!

How did Qin Yuanxiong come here? How did Qin Yuanxiong flew out, spouting a mouthful of blood, and fell heavily to the ground.

"Patriarch."

The great elder group hurriedly gathered around, grabbing Qin Yuanxiong, who was still going forward, with a sad expression.

The powerhouse at the peak of the mid-Xuan rank is already a top powerhouse in the Great Qi Kingdom. Moreover, Qin Yuanxiong is still young, and it is not without a chance to enter the late-Xuan rank in the future.

However, in the face of masters like Guixian Sect Master Nian Shuo, it was not enough.

The opponent is the supreme master of the top sect of the five northwestern countries, and his cultivation is so high that even in the entire five northwestern countries, they are all famous and terrifying.

And Qin Yuanxiong, at most in the Great Qi State, had an extraordinary reputation.

The gap between the two cannot be justified.

Seeing the dignity and peace, the people in power in the entire Great Qi State were not the enemy of the Guixian Sect's suzerain. Many people in the Great Qi State also felt sad and desolate.

The only fortunate thing is that they also have Lingwu King Xiao Zhan, the number one master of the Great Qi Kingdom.

With him, everyone believed that the people of the Guixian faction would no longer be arrogant.

"Da da da!"

At this time, a lot of footsteps and horse hooves sounded, and the crowds in the distant street suddenly separated. A group of warriors wearing sharp armor and holding weapons came running and blocked the entire street.

The armors on their bodies are very sophisticated, and their weapons also shine with cold light. Compared with the city guards brought by King Kang, both in terms of equipment and spirit, they are much stronger.

It is the imperial guard of the Great Qi State.

Immediately afterwards, the Guards separated a road, a carriage, and slowly moved forward to the open space outside Qin Chen's residence.

Walking down from above, a middle-aged man wearing a dragon robes and a magnificent figure.

Beside him, guarding several extraordinary powerhouses, each with extraordinary strength.

"See Your Majesty."

"Long live your majesty, long live."

Seeing the middle-aged man, almost all the people knelt down and shouted excitedly.

The person here is the current Majesty of the State of Qi-Zhao Gao.

"Your Excellency, this place is the capital of my Daqi King. Your Excellency has acted wantonly in my Daqi State. You don't put my Daqi State in your eyes?"

After glanced at the people present, Zhao Gao's eyes flashed after seeing the fallen Qin Feng's corpse. Finally, his eyes fell on Nian Shuo and other strong ghosts and immortals, and a cold light flashed in his eyes.

"Zhao Gao!"

Nian Shuo glanced at Xiao Zhan, then at Zhao Gao, and couldn't help but frown, "If I remember correctly, Ben Zong has told you in advance that you shouldn't get involved with my ghost fairy faction, right? Do you have a full-scale war with my ghost fairy faction?"

"Bold!"

"presumptuous!"

"Before your majesty, how do you talk?"

Seeing that Nian Shuo didn't put His Majesty in his eyes so, the group of powerful men beside Zhao Gao couldn't help but yell.

Zhao Zhen and others frowned. Listening to what Nian Shuo said, the Ghost Fairy Sect had already known Zhao Gao after coming to the capital. Why did Zhao Gao come so slowly in this case? ?

If he came earlier, Qin Feng would not die at all!

Not only them, but Qin Chen and the others frowned, glanced at each other, and clearly understood this.

He waved his hand to tell the strong around him not to speak, Zhao Gao snorted coldly, squinted his eyes and said: "Your Excellency, the King of Daqi, is doing a lot of action to kill the geniuses of my Daqi Kingdom. I still want me to ask, it would be too much. ridiculous."
