[Chapter 3141: Celestial Vibration](#)

Among the demons, there are such good people?

For a while, various messages were transmitted, and it was reported that among the demons, not all were evil people. In ancient times, the demons were only one of the ten thousand races, and coexisted with the human races, and it was also regarded as one of the races in the heaven. The clan took refuge in the dark forces and was bewitched before launching a war against the ten thousand clan to unify the heavens.

However, this kind of news was quickly suppressed, as if it had never appeared before, and soon there was no more discussion in the heavens.

Because some of the top forces in the heavens have issued a command to not discuss characters like the Wanling Mozun. This is just one case. The demons attacked the Wanzu and acted against them. They were brutal and fierce, causing the collapse of the heavens and the destruction of the universe. It is the mortal enemy of all races and must be destroyed.

This is politically correct. Any force that speaks for the demons will be regarded as a traitor to the human race.

However, although the discussion on the surface has ceased, secretly, there are naturally some forces whispering, and there is even a Holy Lord force who accidentally spread the discussion.

In the middle of the night, this saint master force was bloodbathed, and the entire territory was enveloped by endless dark hands. It was a powerful power that shot this holy master's mansion directly.

No one knows who shot it, but it can be predicted that it must be the top master of all the major forces in the human race. The strong shot, overnight, this part of the Holy Lord's Mansion disappeared, and the place where it was was blasted into a turbulent flow. , As if it had never appeared before.

How can such a horrifying scene not shock people? A holy master force, in the heavens, it is definitely the backbone and respected by all, but it was wiped out overnight. Some people heard the roar and roar that shocked the sky in the night in the holy master's mansion, but it was endless. The rules were shrouded, no one could see the scene, and after one night, this Holy Lord power was completely reduced to ashes.

Let everyone chill and tremble.

For a while, there was a lot of noise in the human race, and no one dared discuss this taboo.

However, what happened during the trials in the heavens still spread rapidly in the heavens.

Some people call Qin Chen a hero, because he has snatched back the inheritance belonging to the human race in the hands of the demons.

Some people also think that Qin Chen is a devil, because Qin Chen's slaughter in the trial land has caused the fall of many top masters of the major forces and heavy losses.

In the heavens, undercurrents surge.

However, because of the rules of the celestial trial, some great powers spoke, so that the order of the celestial realm remained calm. The major realms seemed to disappear without any movement, as if they had acquiesced to all this.

The cold weather at the center of the storm naturally attracted the attention of countless people.

At this time, in Guanghan Mansion, in the mansion where the Lord Guanghan Palace was located, in an unknown void, some tyrannical figures were meeting.

This is the most secret place of Guanghan Mansion. Guanghan Mansion has been standing in the heavens for so many years, and naturally has its own foundation. In this void, a vast aura descends, and every strong person is haunting the sage. The main force.

The weakest people here are all peak overlord masters, and there are many half-step holy masters, and even a few figures like the scorching sun, sitting in the top position, are several living fossil-like holy master masters.

These masters of the holy masters are all real powerhouses in Guanghan Mansion. Guanghan Mansion is a holy master residence in the heavens. On the surface, only Guanghan Palace Master and one holy master sit in town, but in fact, there are still two old antiques. , Concealed, is the real heritage of Guanghan Mansion, the highest decision-maker, destroying these old antiques, then Guanghan Mansion is the real ruin.

"Palace Master, what do you think of this time? You know the information about the trial of the heavens this time, and I believe everyone knows it too. In our Guanghan Mansion, such an unparalleled figure appeared, Qin Chen. When this son was trying in the heavens, he was domineering and strong, and he actually won the inheritance of the sky fire, even half a step holy master master can beheaded, such a wizard, I have never appeared in Guanghan Mansion."

An old man with a strong aura said in a deep voice, his eyes were like eagle falcons, although his appearance was old and his hair was sparse, his aura was extremely domineering and mighty, his breath shook, as if it could smash the world.

This is an old antique in Guanghan Mansion. It is called Holy Lord Ke Yi. It has a lifespan that is much older than that of Guanghan Palace Lord. It is a supreme elder of Guanghan Mansion in the last term. Rumor has it that it has been sitting down. Who knows is still alive. And also became the Holy Lord.

This time he was also exploded in the heaven trial.

"Yes, Lord Palace, although you are the Palace Master now, but this time the incident is too much, and there is a lot of trouble. The old man is worried that this Qin Chen incident will even bring doomsday disaster to Guanghan Mansion. ."

Another old man spoke.

The figure of this old man is not tall, on the contrary a little short, but standing there like this, no one dares to underestimate him, naturally there is an indomitable majesty.

This turned out to be the former palace master of Guanghan Mansion, Holy Master Feihong.

The aura on his body is rotten, old-fashioned, as if about to enter the woods, but anyone can feel the infinite and terrifying power in his withered wood-like body.

At this moment, he was speaking to Palace Master Guanghan, Palace Master Guanghan sat in the center quietly, his aura converging, and there was a natural smell.

After many days of absence, Palace Master Guanghan's aura became even more terrifying. When he moved at will, the power he radiated shocked the heavens.

Originally, there are so many old seniors here, and ordinary newcomers, even if they are Palace Masters, have to hold back and show their humility, but Palace Master Guanghan remains unmoved. She can become the first Palace Master of Guanghan Palace. , The real power holder does not rely on giving way, not on election, but on strength.

She is a rising star in Guanghan Mansion over the years, and she is also the most hopeful person in Guanghan Mansion to enter the middle stage of the Holy Lord.

Although the current Palace Master Guanghan is still at the peak of the initial stage, the aura on his body has become more restrained, and he has a sense of motionlessness. Even the veteran Saint Lord Ke Yi and Saint Master Feihong have seen each other. The feeling of being suppressed was awe-inspiring.

If Palace Master Guanghan can really enter the mid-term Saint Lord realm, then it will be able to bring Guanghan Palace into a whole new realm.

Because of this, it is possible for Palace Master Guanghan to hold the position of Palace Master here, and no one has been able to shake it over the years, because even Saint Master Feihong and Saint Master Ke Yi would sigh inferiorly in front of Palace Master Guanghan.

[Chapter 3142: Search for them](#)

"This son you are talking about, I have personally seen this in this palace. It is indeed a celestial wizard." Palace Master Guanghan was silent for a while, and suddenly said: "It seems that my Guanghan Mansion possesses great luck, and it can be born like this. Even the Eastern Emperor Jueyi of the Eastern Emperor Family of the Western Heaven Realm, and Zhuge Xu of the Southern Heaven Realm Zhuge Family's Zhuge Xu, were defeated, and even got the heritage treasures left by the Venerable Skyfire. If this continues, I will be Guanghan There is bound to be ZTE's day in Fuzhong."

"I don't think it is necessarily?"

Na Feihong Sage Master suddenly screamed: "Palace Master, this person has caused a big disaster, do you know? In the heaven trial, this person is rumored to have killed the Eastern Emperor Jueyi of the Western Heaven Realm and Zhuge of the Southern Heaven Realm. Xu, even, I heard that the sacred son Yao Wuming of our Eastern Heaven Realm Yao Mie Mansion also disappeared after the heaven trial. It is said that he has a great relationship with this person. With Yao Mie Mansion's character, he will definitely look for the door. , I am afraid that all of us in Guanghan Mansion will be in distress."

"During the trials of the heavens, any mistake is not considered a fault. This is a rule formulated by the heavens for thousands of years, and the major forces have long acquiesced, not to mention that Zhuge Xu was indeed taken by Qin Chen under the eyes of everyone. Apart from the beheading, no one saw what Donghuang was absolutely unique and Yao Wuming, so why should it be Qin Chen's hand?"

Palace Master Guanghan glanced at Holy Master Feihong: "Furthermore, according to the rules of the heavens, not to mention that Qin Chen just beheaded a few Tianjiao, even if he killed the son of the nobleman, he would not be able to liquidate it afterwards. Why do we act on our Guanghan Mansion."

"My Lord Palace, you can't say that." Holy Master Na Ke Yi flashed his eyes and said: "We won't talk about the battle in the heaven trial, but when we heard that this person was in the heaven trial land, There is a woman named Chen Sisi who once showed off the Dao of the Demon Race, but then disappeared. If all this is true, then this person is probably not that simple. The origin of this person is unknown, although he appeared in our Guanghan Mansion. It's not the local power training of our Guanghan Mansion. If this person is a spy of the Demon Race, it's troublesome and we have to investigate."

The words of Lord Ke Yi also attracted many discussions from the experts in Guanghan Mansion.

"I also heard about this, but there is no actual evidence." Palace Master Guanghan coldly snorted: "This palace has heard that this time in the heaven trial, the inheritance of our human race's Venerable Skyfire was unexpectedly demonized. The clan was eyeing, and even was almost taken away by the demon. At the last moment, it was that Qin Chen took the initiative and regained the inheritance of Venerable Skyfire from the hands of the demon. Moreover, this person had also confronted the demon when he tried in the heavens. Clan Tianjiao launched a killing precept, you say that he is the spy of the Demon Race, it is too arbitrary."

"As for the identity of this son, it is indeed a bit strange, but this son only appeared in my Guanghan Mansion. It is not a disciple of my Guanghan Mansion, but a disciple of the Tiangong Division. You see, this is the Tiangong Division. A letter sent to me by the Holy Master of Light, the Holy Master of Light of Light has also cultivated to the initial peak Holy Master realm, only one step away from the mid-term Holy Master, and is still a disciple of a great figure in the heavenly work, this person has already spoken. , To protect Qin Chen."

While speaking, Palace Master Guanghan flicked his sleeves, and a letter flew out.

Holy Master Na Feihong moved the letter, and the letter fell into his hand. In an instant, a vast and majestic force emerged from the letter, condensing it into a phantom.

This phantom is exactly the appearance of the Holy Master of Yaoguang, the power is surging, like a vast ocean, even the Holy Master Feihong can't hold it, and the breath is suppressed.

"How can you have such a powerful force?"

Holy Master Feihong said in horror: "Even if the Holy Master of Light is the Holy Master at the initial peak, the old man is also an old-style Holy Master. He has been immersed in the Holy Master realm for many years, and his cultivation is close to the initial peak. It's just a shadow, can you actually suppress the old man in terms of breath?"

Holy Master Ke Yi also showed a shocked look, very shocked.

The other party was just a phantom, which made him and Holy Master Feihong feel palpitations, which completely exceeded his expectations.

"Palace Master Guanghan, friends of Guanghan Mansion, you are polite." As soon as the Holy Master of Yaoguang appeared, he was extremely chic: "The news of Qin Chen has already been known to me."

Although this son represents Guanghan Mansion, But it's a disciple who works for me. I know that he has caused an astonishing disturbance in the place of trial in the heavens. Everyone is under great pressure. But I hope that all my friends will look at the face of my daily work and don't make a big fuss. If someone wants to trouble you, you can bring the other person to my daily work. I have already sent a message to the headquarters. If you dare to move my daily work disciples, you can come and try."

Boom!

The voice fell, and the body of the Holy Lord of Light disappeared instantly.

"How about it, everyone?" Palace Master Guanghan said indifferently: "Although the Holy Lord of Light is only the head of the Heavenly Work Division of my Guanghan Mansion, in fact, it was delegated from the Heavenly Work Headquarters. It is rumored that this person is in Heaven. The work headquarters also has a backstage. After this incident, the Holy Master Yaoguang has already contacted the Tiangong headquarters for the first time, asking for help, and asking the senior officials of the Tiangong headquarters to take action to rescue Qin Chen."

"Since the Holy Master Yaoguang who worked that day said so, do you have to target Qin Chen?"

The Lord of Guanghan Palace said coldly.

"Then Holy Master Yaoguang, is there a backstage in the top level of the work?"

Many masters, strong men, and living fossils were all shocked.

"I've heard of this. In fact, this Holy Lord of Light is an arrogant **** in the Tiangong headquarters, but he acts too domineering, escapes, causes troubles and causes troubles, so he is delegated and has to temper his temper."

"I have also heard about this rumor. No wonder this person is so terrifying in strength. For such a strong person, the initial peak Holy Lord will certainly not be their end point, not to mention that if Heaven's work is angered, our Guanghan Mansion will not be able to hold it. ."

"Master Palace, what should we do now?"

A strong man talked a lot, and some of them asked.

"What should I do? It's better to figure out the cause of the matter first. It's better to summon many disciples of our Guanghan Mansion's trial in the heavens this time and ask them about the specific situation. They are the parties and they know the most."

"Yes, Lord Palace, I heard that this person also has a woman named You Qianxue, who seems to be a newly-accepted disciple of the Palace Master. I am afraid that this news has already spread in the heavens. In my opinion, it is better to send that You Qianxue also called. If Qin Chen is really a spy from the Demon Race, then You Qianxue will definitely know some secrets. You only need to search for the person to find the truth."

Holy Master Feihong sneered a few times.

"This is a good idea. We don't know the origin of Qin Chen. As long as you search for the quiet snow, you can naturally know the truth. There are also people in the Chendi Pavilion. I heard that Qin Chen

established a place in our Guanghan Mansion. Chendi Pavilion is his direct line, and they can also know some information by searching for their souls."

As soon as this remark came out, some strong men under the command of the Feihong Holy Master agreed and sneered again and again.

[Chapter 3143: Met sister](#)

Palace Master Guanghan frowned: "Qianxue is in retreat, so she can't bother."

Seeing what Holy Master Feihong and the others wanted to say, Palace Master Guanghan sank and waved his hand, "Let's do it, first call Wei Siqing and the others over to see how Qin Chen is. After Wei Siqing comes back, I fell into a retreat. As for the other disciples, they didn't enter the final world of demons and didn't understand a lot. It seems that only from Wei Siqing can we understand the truth."

"First understand the specific truth of the matter, and then make a decision on how to deal with it."

Lord Guanghan Mansion said coldly.

Holy Master Feihong's face sank, he glanced at Holy Master Ke Yi, but didn't speak anymore. After all, Guanghan Palace is still the master of Guanghan Palace.

In the secret realm of Jade Lake in the depths of Guanghan Mansion, Wei Siqing is practicing in the holy liquid of Jade Lake.

She was shrouded in a unique divine light, surrounded by countless icy auras. Behind her head, there was a round of immortal light, which seemed to be the great sun of the heavens, rising slowly, and it could break through all barriers.

This time in the celestial trial, although Wei Siqing is not at the top in her cultivation level, she is definitely one of the group of people who have gained the most because of following Qin Chen. Her body contains the aura of demonic fire given by Qin Chen. After the heavens, he immediately entered retreat.

Originally, Wei Siqing was only the overlord of the late Heavenly Sage. Later, in the monster world, he broke into the ruins of the venerable and advanced by leaps and bounds, already touching the peak realm of the late Heavenly Sage.

Later, he received the demon fire from Venerable Tianhuo given by Qin Chen. After returning to the heavens, Wei Siqing's cultivation base had reached the peak of the late Heavenly Sage, and even began to deduct it towards the realm of the Holy Lord.

In her mind, the various combat experiences gained in the trial land of the heavens, and even the various battles in the monster world, the magical powers, the rules, and the essence of each martial art are all in her mind. Presumably, combined with the magic fire breath, inextricably linked, formed her own sentiment.

Her body is full of auras. If a master sees her at this moment, she will be surprised, because the aura of Wei Siqing's body has a smell of the Holy Lord. Obviously, in this short period of more than a month Here, Wei Siqing actually touched a trace of the holy lord's way, and even started to move halfway towards the holy lord.

Of course, it is not so easy to truly master this path of the holy master and step into the half-step holy master. Fortunately, there is endless power in the holy liquid of the Jade Lake, and even the top one in Guanghan Palace. The holy vein of the Holy Lord is also deep in the holy liquid of the Jade Lake, enough for Wei Siqing to practice.

Boom!

I saw Wei Siqing stood up suddenly, her body trembled, and circles of cold air radiated out, unexpectedly forming a series of icy yin dragons, and each icy yin dragon exuded the power of yin. The void on this side was frozen.

"Ice Chiron!"

These ice dragons roared continuously and turned into an invisible aura, guarding Wei Siqing's body, setting off Wei Siqing like a god.

Noble, sacred and elegant.

A trip to the celestial realm changed Wei Siqing's temperament drastically.

In addition, Wei Siqing's palm is highly condensed with a bit of killing intent at his fingertips.

Boom!

Suddenly, the world on this side seemed to begin to collapse and collapse, as if the heavens were torn apart, condensing into a small point, condensing towards Wei Siqing's fingertips.

Between heaven and earth, everything seemed to have disappeared, only Wei Siqing's slender jade finger was the one that destroyed the world.

This is exactly Wei Siqing's stunt, and the top supernatural power she has mastered. According to rumors, once it is displayed, it can fall into thousands of worlds, so that countless creatures will be charcoal, cleansed, and cleared. It was created by a top supreme power in ancient times.

However, this blow was once destroyed by Qin Chen's original supernatural power.

But at the moment when Wei Siqing performed the show, ghosts and gods wailed, the sky quashed, shattered the sky, and time and space reversed.

There is a sense of groundbreaking.

This is the unique attack formed by Wei Siqing in the trial grounds of the heavens, countless battles, countless fights, and comprehension. Moreover, after comprehending the demon fire of Venerable Skyfire, Wei Siqing has added more The aura of killing and decisiveness made people feel deeply jealous.

In addition, the aura of the ice dragon on Wei Siqing's body became more and more terrifying, and the aura of the saint master lingered crazily.

"Okay! My perception of the way of the Holy Lord has entered a whole new level. As long as I have enough time to step into the realm of the Holy Lord, it is just a matter of time. Of course, I want to become a Holy Lord, But it's still very difficult. My current accumulation is far from enough. I need more experience and hard work, and even mental experience."

Wei Siqing secretly said.

Suddenly, as soon as her heart moved, she felt that someone had entered the Jade Lake Holy Land.

"who is it?"

Wei Siqing frowned.

She is the master sister of Guanghan Palace, and received the order of the palace lord to come to retreat. Someone disturbed her unexpectedly. Could it be that something big happened in Guanghan Palace?

"Hahaha, I deserve to be the top genius of my Guanghan Palace, and the current master sister of Guanghan Palace."

An old woman stepped into this Jade Lake Holy Land and appeared in Wei Siqing's training ground. This is a top-level Supreme Elder in Guanghan Mansion, a half-step heavenly sage master, who rarely appears in normal times. Things are too much today. I came to discuss before I got older.

As soon as this old woman entered the Jade Lake Holy Land, she saw dozens of terrifying cold dragon auras rising at a glance, as well as the breath of the astonishing holy master's way, she couldn't help being surprised.

Wei Siqing has actually stepped into this realm? Qin Chen's strength was still unexpected by this great elder.

"It turned out to be the elder Hailian, and Si Qing had met the elders." Wei Siqing hurriedly saluted, she naturally saw that this old woman is a reclusive master of Guanghan Palace, and there are very few old elders. Appears, but once Guanghan Mansion has a crisis, it will be born.

"Wei Siqing, come with me. The Palace Master and the others will summon you and ask you about some things in the heaven trial." The elder Hailian directly explained his intentions: "Follow me."

"Yes, Supreme Elder." Wei Siqing thought that something major had happened in Guanghan Mansion. He was relieved to know that after the trial was over, except for the Lord Palace Lord, he immediately entered the retreat. Having seen many high-levels, it is time to return to the palace lord.

"Let's go!"

The Supreme Elder Hailian took Wei Siqing and immediately left the Jade Lake Holy Land.

"Sister Wei!"

"Senior Sister!"

"I have seen Senior Sister!"

On the way, Wei Siqing met the other Tianjiao members of Guanghan Mansion who had entered the trial ground with her. These people seemed to have been summoned, and their cultivation bases were also advancing by leaps and bounds. Several of them entered the late Heavenly Sage. Seeing Wei Siqing, everyone greeted him excitedly.

[Chapter 3144: Foreigner](#)

In the heaven trial, they were all dominated by Wei Siqing and forged a deep friendship. Now seeing Wei Siqing, they are naturally extremely excited.

Especially that Wuling, who has also entered the late Heavenly Sage, can be called a series of surprises, and it is extremely excited.

"Senior Sister, what do you think the Lord Palace told us to do in the past? I heard that many of the reclusive seniors in our Guanghan Mansion have left. Isn't something major happening?"

Wuling said excitedly.

"I think it's because of the trials in the heavens. The palace lord and others must have come to us to inquire about the trials in the heavens." "I heard that the old palace lord of our Guanghan Palace has left the customs this time, and it is said that they took office. The palace lord of, that was all tens of thousands of years ago. I can't imagine that the old palace lord was still there. At that time, Guanghan Mansion was probably not what it is now.

"

A group of people talked.

The old woman looked at the chirping and intimate appearance of many disciples, and couldn't help but sigh at her back then. This group of young talents is really energetic. Does the future of Guanghan Mansion fall on this group of people?

The old woman felt the vigorous vitality, as if seeing the bright future of Guanghan Mansion. "This predecessor, are you also the elder of our Guanghan Palace?" Wu Ling looked at the elder Hailian Taishang: "Senior, you must have done a lot for our Guanghan Palace back then. I don't think that this time you will bother you. , Seniors, rest assured that

The Hou Guanghan Palace will be guarded by us. You only need to practice and break through with peace of mind. If Senior, you can also break through the realm of the Holy Master, then my Guanghan Palace will definitely go to the next level. "

"Yeah yeah."

The other female disciples also smiled. The old woman touched her heart slightly, and sighed: "Your old name is Hailian. You can just call my name directly. The lord of the palace will inform you of the past, mainly because this time there is a man named Qin Chen in Guanghan Mansion. A major event broke out in the trial land. The old palace master and a group of people will severely punish that Qin Chen, so you don't have to be nervous when you ask you about the situation, but after seeing the old palace master, you should lower your voice a little, the old palace master's temper Not so good, try to be clear with Qin Chen

Yes, otherwise, I'm afraid there will be disaster. "

"Of course, there should be no problem with the current lord of the palace to protect you, but you must also understand that although the old palace lord has retired for many years, after all, there are still a group of old antiques to support him. You still need to pay attention to him. Attitude." "What? The old

palace master wants to punish Qin Chen severely? Brother Qin is in the trial place, regardless of danger, rescue us, lead us to find various resources, we have the opportunity to break through, and Qin brother is also fighting for our human race Got a lot of glory and beheaded Xu

Many demons and the many enemies against our Guanghan Mansion, this time because of Qin Chen, our Guanghan Mansion has become famous, so the palace lord actually wants to punish Qin Chen severely? "

Wei Siqing's brows suddenly rose, and suddenly a surging murderous intent suddenly spread out, rumbling, there was a breath of ice in her body, and a terrifying pressure swept out, even Hailian All shocked.

The other disciples also looked upset and unbelievable.

In the trial place, they were all saint sons who followed Qin Chen. Naturally, they knew Qin Chen's contribution in the trial place, and the old palace master's actions were too chilling. "Don't worry too much. You are the direct descendants of my Guanghan Palace. There will be nothing wrong. I heard that Qin Chen is just a disciple who works in heaven. Although he may be in the trial place and have friendship with you, you are also No need for an outsider

, And angered the old palace owners. "

"outsider?"

Wu Ling raised his eyebrows and was about to speak, but was interrupted by Wei Siqing: "Wu Ling, needless to say, elder Hailian, thank you for your kindness, we will pay attention later."

Wei Siqing's eyes were firm. When she opened her mouth, Wu Ling and other disciples who were originally angry and wanted to argue all kept silent, showing an extremely unified discipline, Hailian was surprised again.

The master sister of this year is so majestic.

At this time, the anger in Wei Siqing's heart could no longer be suppressed. How much did Qin Chen pay in the land of trials in the heavens for the Guanghan Mansion and the Human Race? He could have acted alone, without a helper at all, but he froze for the Guanghan Mansion and paid a lot, but now, someone directly asks for the needle.

To him, in the name of protecting Guanghan Mansion, Wei Siqing was immediately irritated.

The current Guanghan Mansion was too decayed, so decayed that she angered her.

She felt that she had an obligation to wash everything for Qin Chen.

She followed behind the elder Hailian, and soon came to the deepest meeting place in Guanghan Palace.

"Go in, the palace master and others are waiting for you." Hailian said.

Wei Siqing took many Tianjiao saints from Guanghan Palace stepped into the meeting space. As soon as he walked in, he immediately felt that his whole body was staring at him, as if he hadn't kept a secret.

All kinds of gazes came over, as if they were looking at them.

"Huh? This is the foundation of our Guanghan Palace? There are many masters and half-step holy masters. These two... are so strong. Are they the two holy masters hidden in our Guanghan Palace?" Wei Siqing gazes Looking up, she immediately felt a lot of terrifying power. Although she was the master sister of Guanghan Palace and a direct disciple of Guanghan Palace Lord, she actually didn't know many masters who lived in seclusion. After all, she had not yet succeeded Guanghan Palace Master.

Mantle time.

Wei Siqing's gaze fell on Palace Master Guanghan, and he saluted: "I have seen Master."

"Huh?" Palace Master Guanghan glanced at Wei Siqing, and immediately found that the aura on Wei Siqing's body was extremely deep, and there was an aura of diving into the sea.

"The power of the holy master, Wei Siqing, you have mastered the way of the holy master? This is a precursor to half a step into the holy master." Palace Master Guanghan swept Wei Siqing's body and found out immediately With many mysteries, the heart moved slightly, and he blurted out: "You have realized this realm so quickly in more than a month's work? You are so young now, if

This can break through half a step of the Holy Master in a short period of time, and the possibility of becoming a Holy Master in the future is extremely high. Within ten thousand years, there will definitely be another Holy Master in my Guanghan Mansion. "

"What? This Wei Siqing is going to break through half a step of the Holy Master? It's really the power of the Holy Master!" "How did she master it? Although this person is the master sister among the many disciples of Palace Master Guanghan, he is entering the heaven. Before the trial land, isn't it the mid-term peak giant state of the talented sage? Normally, after the trial, being able to become the late overlord is already very impressive. How can this child's cultivation base be so strong?"

[Chapter 3145: Bewitched](#)

"I heard that when Wei Siqing just returned to Guanghan Mansion, it seemed that he was only in the late peak overlord state. It has only been more than a month, and he has mastered a trace of the power of the Holy Master, which is shocking."

"With this speed, let alone ten thousand years, within a hundred years, you will become a half-step holy lord, and within a thousand years, you are expected to touch the realm of the holy lord."

At the moment, many half-step holy masters, pinnacle overlords, as well as the Feihong holy masters and Ke Yi holy masters were shocked, and their eyes revealed awe.

Especially after they felt the cultivation level of the other disciples behind Wei Siqing, they were all surprised, because besides Wei Siqing, the other saints of Guanghan Palace also had many overlords who entered the late Heavenly Sage. realm.

You should know that in the past trials of the heavens, it is rare for the entire Guanghan Palace to successfully break through the late overlord realm with one or two. In many cases, Guanghan Palace was squeezed out and suffered heavy losses, and not many people came out alive. But this time, the more than ten Tianjiao in Guanghan Palace who entered the trial ground of the heavens had almost no loss. Not only Wei Siqing mastered a trace of the way of the holy lord, but the rest of the holy children, nine out of ten, all entered the sky. The post-holy stage state makes people like

Why not be surprised.

Could it be that this time there is a trial in the heavens inherited by the Venerable, which is ten times more treasures than before?

"Wei Siqing, how do you master this sacred master's way?" Palace Master Guanghan asked. "Enlighten Master, the reason why the disciple can master the way of the Holy Master is entirely because Qin Chen, before the end of the trial, Qin Chen bestowed some of the inheritance demon fire of Venerable Skyfire to the disciple, so that the disciple could be in a short time Within, comprehend the way of the Holy Lord, cultivate

For rapid progress. "

Wei Siqing said lightly.

"What? Qin Chen's sake?"

The Feihong Saint Master's face suddenly sank. Before he began to tell the bad things about Qin Chen, this Wei Siqing actually spoke for Qin Chen.

"Qin Chen?" Palace Master Guanghan was silent for a while: "So, he helped you a lot this time in the heaven trial?"

"Yes." Wei Siqing said respectfully: "Master, the disciple heard that someone wants to punish Qin Chen severely. Here I want to tell Master that Qin Chen is our benefactor in Guanghan Mansion, no matter who wants to target Qin Chen, No disciple would agree." Wei Siqing said solemnly: "This time in the heavenly trial, the situation is treacherous. All forces are targeting our Guanghan Mansion. We have asked the Hantian King's Mansion, Xueyang Mansion, Shenzhaojiao, etc. , There are also forces such as Yaomie Mansion in the Eastern Heaven Realm. In the past, our Guanghan Mansion

In the trials of the heavens, they were often targeted and suffered heavy losses, but this time, thanks to Brother Qin, with his help, our Guanghan Mansion was able to not lose too much. "Furthermore, thanks to Qin Chen, we were able to stand out among the many holy lord's mansions this time in the heavenly trial. The disciples were lucky enough to enter the precious land of Venerable Skyfire and Ten Thousand Spirit Demon Venerable, and obtained many heritage and resources , If it wasn't Brother Qin

, I am afraid that the disciple has already been in a different place. "

"Although the disciple does not know who is going to target Brother Qin and severely punish him, as a person with a conscience, the disciple cannot do such a thing. If our Guanghan Palace wants to be ungrateful, shed the grudge and kill the donkey, the disciple will be the first Don't agree."

Wei Si gave a sonorous, determined voice, instantly spread throughout the meeting place.

The audience was silent, everyone was stunned. The silence was silent, and they looked at Wei Siqing in disbelief. No one thought that Wei Siqing, the master sister of Guanghan Palace, would say such things.

What is meant by the disciple's first refusal? As the master sister of Guanghan Palace, does she want to challenge their seniors? "Bold, Wei Siqing, do you know what you are talking about?" Suddenly, among the half-step holy masters that Holy Master Feihong started, one of the Supreme Elders spoke up. This elder had a sharp voice, and seemed to have Wei Siqing's torn taste was fierce and violent: "Is this the

master sister of our Guanghan Palace? Lawless and bold, for the sake of a little bit of petty profit, I even speak for that Qin Chen. I think you are the same I have cultivated to the point where I don't know where

went. "This half-step holy lord, angry: "What makes you the first to not agree? That Qin Chen colluded with the demons, killed my human masters, and sneaked into my Guanghan Palace. That is ulterior motive. If you don't speak clearly today, I think you are the Guanghan Palace master.

Sister, there is no need to continue doing it. "Yes, huh, I think that Qin Chen's demon fire deceived your mind, maybe your mind has been deceived by that Qin Chen, the demon fire Qin Chen gave you, do you think the other party is kind?" I think it is to control you. According to me, it is better to hand over the magic fire on you and let me wait to see what traps are there. Moreover, the demon fire of Venerable Skyfire can only be discerned by the Supreme Elders. When it falls into your hands, it is a bright pearl cast in the dark and handed over to the Supreme Elders. Say no.

You will be able to go one step further and one more Holy Lord. "

Another half-step elder of the Holy Master level spoke.

"Yes, hand over the demon fire, you are now bewildered by that Qin Chen, in that demon fire, there must be a trace of the demon clan, we are for your good."

"Hand it over, let me wait for details. If there is no problem in this thing, we will naturally return it to you. After all, as seniors, we will not **** you from a junior." "Master Palace, Now you can believe it, even our big sister in Guanghan Palace was bewitched by that Qin Chen, what else could Qin Chen not be a spy of the Demon Race? No wonder he would offend so many forces, he clearly wanted to pull us Guanghan House into the water.

"

Sentences and cold shouts sounded one after another, all of them were some old elders, squinting, and then putting pressure on Palace Master Guanghan and Wei Siqing.

"Hmph, you just said, this is why you want to add to the crime, you say that Qin Chen is bewitching me, then I have to ask, when Qin Chen is helping us resist powerful enemies, you people What have you done?"

"When our Guanghan Mansion was suppressed by other forces, what did you do?"

"It is unfair, I know very well in my heart, Master, no matter what, this time, Qin Chen has a great kindness to our Guanghan Mansion, and the disciple will never say that he is not."

Wei Siqing said coldly. "Hmph, I think you have been brainwashed by the other party, and you are completely obsessed with it." A half-step holy master Taishang elder stepped up, and a vast aura broke out all over his body: "Well, I will catch you first, and take you first. Take out the magic fire in the body to see

What is the clue in the end. "

Boom! This elder Taishang made a bold move immediately after the voice fell, and Sen Han's palm directly grabbed Wei Siqing.

[Chapter 3146: Jinpeng Shen Jue](#)

This super elder was finally furious. In his anger, his breath was full, and the terrifying power of the half-step holy lord on his body, instantly swept like a vast ocean, and was viciously caught at Wei Siqing.

He was just a small disciple, although he was a direct disciple of Guanghan Palace, and now the master sister among the disciples of the Master of Guanghan Palace, she was so arrogant and domineering in front of her, and she didn't know how to respect the elders, and she couldn't find death. He slapped Wei Siqing with the palm of his hand, banging, and the power of the entire void was mobilized by him. In the air, it turned into a huge Jinpeng phantom, this Jinpeng phantom, half of the body. Outside of the void, half of the body went deep into the void. The Golden Wings didn't know how many tens of thousands of miles away. With a scream, the fierce aura stunned nine days and ten places. In an instant, the entire deep space of the Guanghan Palace was full of golden light, it seems Covered by the wings of the Golden Wing Roc, threatening to enter

Into another time and space.

"This Jin Rongtian Jinpeng Divine Art has been cultivated to the point where it reached its peak. As soon as Jinpeng came out, the void oscillated, and everything in the world was covered by this Jinpeng, amazing!"

Many old antiques in Guanghan Palace were shocked.

boom!

The golden Dapeng eyes burst with divine light, like two golden lightning bolts, coming straight towards Wei Siqing, turning into two fairy swords, which were cut out and cut the golden broken stone.

The golden lightning was about to strike Wei Siqing.

Suddenly, Wei Siqing gave a cold snort, and suddenly stood up, and banged, before her, a cold ice dragon suddenly appeared, and the dragon roared and swung its claws.

boom! boom! Immediately the sword energy surged, the golden light shone, and the turbidity separated. The two golden fairy swords, bombarded by the claws of the Frost Chiron, immediately froze, sealed, and then exploded, and the Frost Chiron, even more soaring into the sky, Roar and roar, Yona Jin

Color Dapeng collided.

Boom! The world was full of vigor, with the breath of the power of the Holy Master lingering, and I saw that the golden roc displayed by the elder Jin Rongtian was severely grasped by the ice dragon, and the body was covered with golden feathers. Splash, neigh, then disappear

.

"what?"

Everyone was shocked, each of their shocked eyeballs burst, and the Jinpeng God Art of the Supreme Elder Jin Rongtian was broken? Is this so **** everyone?

I can't believe my eyes, some people even have their mouths closed, like a dead fish! Who is Jin Rongtian? Although not a figure of the Holy Lord, but it is also a great figure in the last era of Guanghan Mansion. His cultivation base is unpredictable. He walked among the heavens and worlds. He was a top figure of the Holy Lord. Once, he was also with Ke Yi.

A master of the Holy Master level, unfortunately, after the Holy Master Ke Yi broke through, he was still the Supreme Elder.

In fact, in that era, there were many overlord Tianjiao, and eventually some fell and some broke through. Only Holy Lord Ke Yi became the Holy Lord, but there were many half-step Holy Lords, and Jin Rongtian was one of them. One of the best. Now, it is such a famous half-step holy master in Guanghan Mansion, who was actually broken by a junior of Wei Siqing with one move, and Wei Siqing was only the overlord of the peak of the late Heavenly Sage not long ago. That's it, such a

The scene is too unbelievable, reaching a point where it is impossible to believe it.

Although it is said that seeing is believing and hearing is not, but now these people have seen this scene with their own eyes and still refuse to believe it. Because this has exceeded the limit that the mind can bear.

"brute!"

Suddenly, Jin Rongtian, who was defeated by his supernatural powers, flew up fiercely, like a demon like a god, with his hair flying, and the huge sacred yuan burning on his body: "Jinpeng is born, all transformations are unified!"

He was angry, the dignified elder, his supernatural power was destroyed by a younger generation, his face was lost, and if he didn't get it back, he would end up living in shame.

It is almost impossible for a character like him to become the Holy Lord, and the only thing left is face.

Suddenly, ghosts were crying and howling, golden light masterpieces, between the whole world, a more terrifying Jinpeng neighed out, this Jinpeng, the whole body burned with golden light, this is Jin Rongtian's holy essence and blood is burning.

This is a taboo technique to kill Wei Siqing.

"Unexpectedly display a taboo technique!"

When many elders and old antiques saw it, they were all shocked, knowing that Jin Rongtian was fighting.

boom! His power, magical powers, just released, he saw an incredible scene again, Wei Siqing flew up, her body, a breath of terror bloomed, a frozen world, the power of freezing everything surging. Out, immediately after

, On Wei Siqing's fingers, the infinite ice force instantly condensed, a pressure to destroy the world, instantly surged.

Ice Fallen Worlds! Wei Siqing's stunning mastery, as soon as she pointed it out, the vigorous fighting intent was like destroying the gods and killing the Buddha, and it instantly hit the golden-winged roc.

The next moment, the whole golden-winged roc was directly bombarded. Broken, a majestic force emerged, that

Jin Rongtian climbed onto a thin layer of ice and spouted a mouthful of blood.

Pedal! Jin Rongtian stepped back again and again, his face was pale, it was obvious that he had suffered a lot. Wei Siqing defeated Jin Rongtian with one move, standing proudly above the sky, coldly looking at each other: "Jin Rongtian is too elder? What qualifications do you have to punish me? Although you are the elder of our Guanghan Mansion, half-step saint Lord, but, looking at the history of Guanghan Mansion, what achievements have you made? Have you defended my Guanghan Mansion from foreign enemies? Have you raised power in the heaven for my Guanghan Mansion? I only saw you in my Guanghan Mansion. The inside of the mansion is brave, and enjoy the resources of my Guanghan Mansion for free. Apart from these, you

What's the merit? "

"When Brother Qin and I were fighting in the trial land of heaven, what were you doing?"

"When Brother Qin and I were protecting countless disciples in Guanghan Mansion, what were you doing?"

"Now, you want to seize the resources from me, magic fire, what qualifications do you have?"

Pedal!

Jin Rongtian stepped back after being asked, hesitated, couldn't speak, his face was pale, frightened, and fear emerged in his eyes.

"Bold, Wei Siqing, what are you doing? No matter how big or small, you are a disciple, even the elder Tai dared to teach you, it is lawless and unforgivable."

Boom!

At this moment, in the meeting space, under the command of the Feihong Holy Lord, several more elders stood up, and some overlord figures all stood up together, angrily.

They are all the veterans of Guanghan Mansion, Lao Gu, and Wei Siqing's words, it is not only Jin Rongtian, but them.

In an instant, these many Supreme Elders and Old Antique slapped Wei Siqing at the same time. Immediately, countless divine rainbows appeared between heaven and earth, turning into a vast torrent, not only blocking Wei Siqing's icy air, but also counterattacking back to severely punish the opponent.

[Chapter 3147: All dross](#)

The vast supernatural powers, like a net of heaven and earth, are vast in all directions, enveloping Wei Siqing and suppressing it.

Wei Siqing actually squeezed the heroes and experienced the battle in the heavenly trial ground. He was not afraid of any half-step holy masters, but with one person, it was impossible to fight against so many elders and old antiques.

"Sister Wei, don't be afraid. These old things are too much. We have worked so hard and fought to the death. As soon as they came up, they wanted to take away the resources from us with unreasonable charges. What a shame."

"Sister Wei, we will help you."

Ho Ho Ho! Suddenly, behind Wei Siqing, Wu Ling and others stood up, each of them had sharp eyes and firm expressions. The overlord's breath on their bodies rose to the sky. In a flash, they merged with Wei Siqing's breath. Together, formed a

An unprecedented solid battlefield.

All the powers merged together and instantly entered Wei Siqing's body.

Battlefield! This is the battle formation Qin Chen taught them in the Heaven Trial Land. They have experienced the training in the Heaven Trial Land. They have long been very proficient, very mellow, and can be combined together and blended perfectly in a moment. , Broke out unprecedented

The shocking power.

Boom! I felt the aura on Wei Siqing's body, rapidly rising, forming an unshakable force, slapped the attack of the many elders, and banged, the power of many elders and master masters , All of a sudden

Rout. In the entire space, the figure was shaken off, and many old antiques with low cultivation bases, such as the overlord old man at the peak of the later period, spewed a mouthful of blood, all in embarrassment. Even the leading old man, who had endured Wei Siqing's most terrifying power, was suddenly hit, and a terrifying power came. He roared, trying to resist, but was still caught by the ice The force invades, the brows are formed

Frost opened his mouth and spouted blood.

what?

Many masters who didn't make a move were all shocked, and stood up one by one, with horrified eyes, almost crazy.

What did they see? Wei Siqing brought a group of saints from the Guanghan Palace, and actually defeated many half-step saints' Supreme Elder? There are many overlords! If Wei Siqing is an opponent of Jin Rongtian, she can still explain it by her own arrogance, then bring these overlord brothers

Son, it is maddening to be shocked to beat so many half-step holy masters.

What kind of ghost battle array is this, so strong?

"What is too elder, I think all of them are dross!"

Many saints roared and said, their gazes were firm, their fighting spirit soared to the sky, and that vast power went straight into the sky, turning into a vast ocean.

This is too strong, such a breath, enough to shatter the sky, and all things return to the ruins.

"Presumptuous and lawless, as a disciple, I was so disrespectful to the elder Taishang in my Guanghan Mansion. It was so disrespectful, so let me kneel down." Suddenly, a rage sounded, rumbling, and everyone watched. Then, the old palace lord Feihong holy lord finally stood up angrily. As soon as he stood up, the stars shook, the sun and the moon would fall, and billions of stars would burst. From him, A tyrannical force was passed out, and he caught Wei Siqing and the others.

Everyone felt their minds swaying, the world shattered, and they felt the endless insignificance, as if they were in the raging waves. From the waves, a huge palm flew out, shattered the void, and came directly to Wei Siqing. The top of his head.

Above the palm of the hand, the lines fell sharply, it was the power of the Holy Master, fused with the heaven and the earth, and for a moment, everyone seemed to be in the kingdom of the Feihong Holy Master, and they felt like they were completely controlled.

Between the shots of the Feihong Holy Master, it turned out to be the top-level Holy Master's way, with all rays of light blooming, which was his original magical power, Feihong Dragon Art.

I saw the great lights wandering around, like real dragons, each real dragon is a super dragon energy that stands up to the ground, minions, bodies, and dragons are constantly creating worlds one after another.

The shocking dragon gas bombarded Wei Siqing, and immediately, the battle shield composed of Wei Siqing and others exploded like glass, and space debris flew everywhere.

The Holy Master's shot was really extraordinary, and it was much more aggressive than that of the Holy Master, the overlord, ten times, a hundred times better than that.

"Warcraft for eternity!" Wei Siqing roared, still not admitting defeat, fiercely, with many saints, even when facing the saint master, he roared again and again, and a vast light and shadow appeared on her head. It's the one blow they have integrated into their full combat power, and

The Feihong Dragon Art of the Feihong Holy Master was bombarded together. In the battle of eternity, the shock of the sacred element, the power of the holy lord, is not trivial. Just when they contacted, Wei Siqing and others felt as if they had been suppressed infinitely and their whole body was imprisoned. The battle of eternity not only could not be resolved. Opposing dragon

Xing Zhenqi was defeated by the opponent instead.

"Is this the power of the Holy Master? It's more than ten times stronger than me!" Wei Siqing vomited blood and flew upside down, her eyes frightened. Her cultivation level was too low. If she could break through to the half-step Holy Master, she would never be so. Embarrassed, if they can become the pinnacle of the half-step holy lord, and Wuling and the others have also stepped into the half-step holy lord, she is even sure to fly

Hong Shengzhu confronts.

But now, she is still too weak, even if it is a combined battle formation, she can't fight against a holy master like Feihong Holy Master.

"Ok?"

Holy Master Feihong snorted coldly, his face was pale, because before his move, Wei Siqing and the others hadn't been abolished, but his expression remained the same, he kept pressing on every step, his eyes appeared murderous, and he suddenly faced Wei Siqing and the others. Shot again,

"Kneel down!"

Holy Master Feihong, everything is under his control, once again stepped out, grabbed with a big hand, and enveloped, the Holy Yuan of Feihong Dragon Art was suppressed, and Wei Siqing and the others were about to be captured and suppressed. "Hmph, I didn't expect this child to get some demon fire. The cultivation base is so terrible that even this holy master can fight one or two. If the demon fire of Venerable Skyfire in her body is obtained by me, how strong will it be? Uncertainty can make rapid progress in one fell swoop

In. "

Seeing that Wei Siqing was about to fall into her own hands, Holy Master Feihong was also overjoyed, but his face remained calm, ready to directly refine the magic fire in her body once Wei Siqing was captured.

However, at this moment, suddenly, an extremely terrifying aura swept from the side.

"enough!"

It was Palace Master Guanghan, who had been silent for a while, and finally started at this moment. Suddenly she stood up, her eyes seemed to have the sun, moon and stars rotating, and in her body, there was a vast divine shadow that appeared slowly and looked directly at the Holy Master Feihong.

[Chapter 3148: Go back as soon as possible](#)

Boom!

The breath of Palace Master Guanghan directly oppressed the Holy Master Feihong. "Palace Master Guanghan, don't worry about it. Although this man is no longer the Palace Master of Guanghan Mansion, this guy, at a young age, dare to attack us. Control, if you don't care now,

When her status is higher, doesn't she have to rebel? "

Holy Master Feihong heard Palace Master Guanghan's drink, but didn't move at all. His eyes burst with cold light, and he continued to suppress Wei Siqing. Obviously, he would ignore Palace Master Guanghan's ultimate move and want to win Wei. Siqing.

"Holy Master Feihong, you are too presumptuous, stop."

Palace Master Guanghan sank, banged, and patted her palm. Suddenly infinite starlight lingered all over her body, concussed and exploded, pressed towards the Feihong Lord, and immediately exploded the opponent's Saint Yuan. Moreover, Palace Master Guanghan's aura permeated, instantly enveloping Wei Siqing and others, and guarding Wei Siqing and others under her own space power. As Palace Master Guanghan, she has the strength to reach the sky. In an instant, The moment Wei Siqing and their injuries

Give a cure.

"Palace Master Guanghan, are you going to fight me? I see you are also dizzy."

Holy Master Feihong was furious and looked at Palace Master Guanghan coldly. He taught a disciple, Palace Master Guanghan also stopped him. He was also the former Palace Master of Guanghan Mansion anyway, so he didn't put him in his eyes. His body Shocked, came again, murderous.

"Holy Master Feihong, it's you who are dizzy when I see, go back."

Palace Master Guanghan yelled, with boundless majesty, his palm crit: "Jade Lake Qiongxian!"

Hum!

There were countless fairy sounds in the void immediately.

Yaochi Qiongxian, the supernatural powers of the ten thousand realms, the many powerful people present, the elders, and the old antiques were all dizzy and felt the majestic power of the Lord of the Guanghan Palace. Palace Master Guanghan is the current Palace Master of Guanghan Mansion. At the peak of the initial stage, he is about to touch the characters of the mid-term Holy Lord. He is so prestigious. Over the years, he has led Guanghan Mansion to leave a shocking reputation in Wenhantian. The main mansion, there is absolutely nothing

Compromise, which also led to Wen Hantian, many of the Holy Lord's Mansion were full of hostility towards her.

But he couldn't take her down easily, and his teeth itch with hate.

This shot immediately showed amazing power.

With one move, the galaxy collapsed, the heaven and the earth turned into the Yaochi Immortal Palace, Qiongxian was misty, and the stars flashed everywhere in the whole heaven and earth.

"What is this?" Holy Master Feihong looked astonished, and only felt that he had fallen into a land of reincarnation, and had encountered a disaster of extinction. Watching Palace Master Guanghan's Jade Chi Qiongxian shrouded, the stars flickered everywhere, and his body was shaking. , To break the shackles of Palace Lord Guanghan

, But it's useless, the stars keep rotating, shrouded in layers, unable to break free.

He was so frightened in his heart that he didn't expect that Palace Master Guanghan could be so strong, no wonder he was so overbearing, he was extremely confident in himself, and he didn't care about anyone's opinion. He roared hysterically and tried his best to resist. But the Jade Lake Qiongxian destroyed everything, pointed directly at the source, and landed, before the power arrived, his body would have an impulse to split. This is the Guanghan Palace taking the initiative to anger,

Under the full eyes of everyone, give the Holy Master Feihong a disarm, kill the chicken and the monkey.

In Guanghan Mansion, the current Guanghan Palace Master is the authority. No previous former palace master or too high elders can disobey her majesty.

"Stop!" Seeing this scene, Lord Ke Yi was still watching the show, but at this time I really couldn't sit still. He was also a veteran Lord. Although he didn't target Wei Siqing before, he left it to Palace Lord Guanghan. Liwei go down, he and Feihong Holy Master are two old brands

The Holy Lord will be completely marginalized. Who else will dare to take refuge in them in the future?

Suddenly, he jumped up, his body descended, his giant palm volleyed, and thousands of Dao Qi, converging into the laws of heaven, and the majesty of the Holy Lord, greeted Qiongxian in Yaochi.

Boo!

The two powers collided in the air, Palace Master Guanghan did not move, but Saint Master Na Ke Yi retreated.

what?

He was shocked and shocked.

"broken!"

Holy Master Feihong seized the opportunity and immediately shot his hand. With a wave of his palm, the whirlpool suddenly rises, and a holy river flows above his head, condensing power, and shocked in the air, "Feihong Dragon Fist!"

"The Moon Palace is coming, Guanghan Guishu!"

Palace Master Guanghan snorted again, the Heavenly Palace shook, and the holy river above Feihong Saint Master exploded. Before the power even came out, he spit out a mouthful of blood, backed back again and again, with a look of embarrassment and shaved heads, like a ghost.

"Who wants to move?"

Palace Master Guanghan repelled both Holy Master Feihong and Holy Master Ke Yi with two moves, staring at the two of them, and said with a cold voice, murderously lingering on his body, without anger.

All of a sudden, there was silence on the field. In this space, the atmosphere was shaking, and everyone was silent.

"Palace Master Guanghan, what do you want to do?" Holy Master Feihong gritted his teeth. "Huh, Wei Siqing is a disciple of this palace, but this palace wants to ask what you want to do? Now that you have asked the specific situation clearly, why do you have to do it?" Guanghan Palace said: "This palace has decided Anymore, my Guanghan Mansion, won't be

If the main mansion compromises, if there is a kind, they will come to the door. "

"Palace Master Guanghan, you are obsessed with not understanding." Holy Master Feihong exclaimed, "Let's go."

In an instant, he took people away.

"Ugh."

Holy Master Ke Yi shook his head, looked at Holy Master Feihong, and also at Palace Master Guanghan. He really didn't know what to say, so he turned and left.

"Retreat all."

The Lord of Guanghan Palace said coldly.

In an instant, everyone was gone.

"Si Qing, what you said before is all from the bottom of your heart?" Palace Master Guanghan looked at Wei Siqing.

"Back to the palace lord, everything is true." Wei Siqing bowed and saluted. "Okay." Palace Master Guanghan nodded, "Siqing, you are doing a good job. With your current cultivation base, you are only one step away from the Half-Step Holy Master. Let's go, you first go back to the Yaochi Holy Land, right away in this palace. Come here to help you break through the half-step holy lord, so,

You will break through the realm of the Holy Master in the future, and it will be more timely. "

After Wei Siqing and the others left, Palace Master Guanghan shook his head, "I didn't expect that Qin Chen was such a character, but where did this person go after mysterious disappearance? Let me wipe his **** in Guanghan Palace. Really are....."

She shook her head speechlessly.

"Master Feihong Holy Master, should we just forget it?"

In another piece of world, several half-step saint masters gritted their teeth and said to the Feihong saint master. "Forget it? Huh, how could it be forgotten, that Palace Master Guanghan is already out of the times, so special, very good, doesn't she want to take charge of the entire Guanghan Mansion with one hand? That holy master let her all previous efforts be abandoned, It looks like it's time to find someone to change

Change the evil spirit of Guanghan Mansion. "

His figure flickered, disappeared in an instant, and left Guanghan Mansion, heading for another mansion.

Tianwu continent.

The sea of thunder.

Rumble!

The endless thunder light converged on Qin Chen's body, and Qin Chen's eyes opened suddenly, and the way of the Holy Master on his body was quickly restrained and majestic.

"I don't have enough resources, and it's been some time since I returned to the Tianwu Continent. I have such a big disturbance in the trial land. I don't know what happened to Qianxue. I must return to the heaven as soon as possible." Qin Chen stood up. , The eyes are deep, like a **** or devil.

[Chapter 3149: Yaochi Channel](#)

After coming out of Death Canyon, Qin Chen has been cultivating in Tianwu Continent, comprehending all the resources, and the various forces in his body have merged and reached a whole new level. Not only Qin Chen, but Yao Wuming, Su Quan, Tu Moyu, Lingyuan, and Murong Bingyun have also received Qin Chen's Holy Master Demon Fire inheritance. The breath on each body is like the ocean and is more profound. Only one step away from the realm of the Holy Lord

remote. But this is already their limit. At their level, if they continue to stay in the Tianwu Continent, it is impossible to break through and become the Holy Master, because the resources on the Tianwu Continent are too scarce, except for the one left by Qin Chen. Holy vein

Apart from that, there is no other holy lineage at all.

But if you want to break through the realm of the Holy Master, the Holy Master's Saint Vessel is an indispensable thing. It is not enough to absorb the holy energy between heaven and earth.

Qin Chen also tried to enter the forbidden land to find the traces of the holy vein of the holy master, but the forbidden land is full of broken ruins. Although there are many ruins with amazing heritage, there is no holy vein of the holy master. breath.

Then the only way is to return to heaven.

"What? Qin Chen, are you going back to heaven?"

Tianlei City, after learning that Qin Chen was going back to the heavens, everyone was stunned, and they all showed their reluctance. "Yes, there is no way to go back this time." Qin Chen said solemnly: "We are in the heavens, and there are many enemies. Although the crisis in Tianwu Continent is resolved, the people who are unable to protect Yaonifu will not be able to get it. Su Quan's news, will think again

The method came to Tianwu Continent, instead of waiting for the enemy to attack, it was better to take the initiative to attack. "

"Besides, Qianxue and the others are still in the heavens. I will not go back for a long time because Qianxue and the others will be in trouble."

Qin Chen also wanted to stay in Tianwu Continent for a while, but there was no way, time was not allowed.

Qin Chen doesn't know what's going on in the heavens today, especially Qian Xue who is still in the Guanghan Palace, and Ao Qingling. They don't know how much risk they will face. Qin Chen already feels a faint feeling in his heart. Worry.

This kind of feeling in the dark made Qin Chen more determined to seize the time to go to the heaven.

When he reaches his level, he will not have a plain feeling of being born. Everything has a certain metaphor.

"Okay, don't cry one by one. Going to the heavens is a good thing. This time, kid Qin Chen will take some people to enter the heavens and develop. If you need to go to the heavens, you can take the initiative."

The **** cat laughed hehe: "The vastness of the heavens is far beyond your imagination. When the heavens are reached, it is the real stage. What do you know."

After staying in Tianlei City for the last night, Qin Chen set off the next day. Before leaving, Qin Chen left a lot of resources in Tianlei City, but now Tianlei City has become a powerful city after Qin Chen's arrangement. Dong Yuyin and other masters of Yao Mie Mansion were arranged by Qin Chen. Staying in Tianwu Continent, and Yao

Several unknown people followed Qin Chen into the heaven.

In addition, Zhang Ying, Lin Tian, Qin Ying, Fu Qiankun, Mo Yuanbai, Skull Rudder Lord, Mokara, and others were also included in the Universe Jade Plate by Qin Chen, and went to the heaven together.

In Qin Chen's vision, in the future, he will build a huge force in the heavens, and these people will be his right-hand man.

Whoosh!

Qin Chen urged the space rules, and in a flash, he had appeared in the Misty Palace.

Today's Misty Palace has long since changed its appearance. After being bombarded by Qin Mo into ruins, it later established a region where many forces in Tianwu Continent united, which was very magnificent.

In one step, Qin Chen entered the Heavenly Sacred Pool in the depths of Misty Palace.

"Tianshengchi."

Qin Chen looked at the Heavenly Sacred Pool in front of him, and instantly released Murong Bingyun from the Universe Jade Plate, "Let's go, where did you enter the Yaochi Holy Land? Take me over." Murong Bingyun was depressed. Looking at Qin Chen, she now feels that Qin Chen is more and more of herself as a maid, but she does not dare to disobey Qin Chen at all. Instead, she enjoys the feeling of being wanted very much. She flies in the front and leads Qin. Dust enters the sky

In the holy pool. Originally, Qin Chen really wanted to know where the passage at the bottom of the blood sacred place, Blood God Sea, led to the heavens, but in order to prevent Qianxue and Ao Qingling from encountering danger, Qin Chen must return to Guanghan Mansion as soon as possible. Flying in the Heavenly Sage Pool

The ascending channel is unintentionally the most convenient channel, directly leading to the Yaochi Holy Land in Guanghan Mansion. The Heavenly Sacred Pool is very deep, with holy liquid lingering in it, which is very similar to the Yaochi Holy Land in Guanghan Mansion. However, compared to the Yaochi Holy Land, the water in the Heavenly Sacred Pool is much weaker. It is a treasure for warriors below the holy realm. There is almost nothing above the Holy Land

Too many effects.

"Chichichichi!"

As soon as the two of them walked into the Heavenly Sacred Pool, the robes on their bodies began to corrode and made a sneer, which made both of them look a little embarrassed. Because you must take

off your clothes to enter the Heavenly Sacred Pool, otherwise, the power in the Sacred Pool will not be in direct contact with your skin, which will cause great damage to your body. Moreover, the holy pool liquid in the Heavenly Sage Pool will melt any material of clothing. , On two people

The amount of clothing quickly dwindled.

Qin Chen lingered out a space force from his body, wrapped himself and Murong Bingyun, and the liquid in the Heavenly Sacred Pool was immediately repelled from the robe, causing no damage to them.

"Go on."

Qin Chen said lightly.

After dozens of breaths, Murong Bingyun took Qin Chen to a place deep in the Heavenly Sacred Pool.

"I was here at the beginning, and I was suddenly swallowed by the power of a space, and then I entered the ascending passage and entered the Guanghan Mansion." Murong Bingyun said.

"Here?"

Qin Chen looked up and looked around. It looked ordinary here, and it didn't look like there was any spatial passage.

Qin Chen directly communicated with the origin of Taiwu Continent, and immediately, the origin of time and space dissipated. Qin Chen once again looked at the void here, and immediately felt that there was a kind of power in the void, connecting an unknown world.

"found it."

Qin Chen's gaze condensed, booming, and the power of time and space in his body instantly shot out a spatial streamer.

In an instant, a dark passage appeared between the heavens and the earth, and from that passage, the power of the holy liquid escaped and merged into the heavenly holy pond.

It is the power of the Yaochi Holy Land. Qin Chen was taken aback. It turned out that the Heavenly Sacred Pool was formed by the power of the Yaochi Holy Land. It is no wonder that it is very similar to the Yaochi Holy Land in Guanghan Mansion. It is precisely because there is a mysterious space passage here that makes the Yaochi Holy Land The power of the holy liquid slowly penetrated through the void, and it took thousands of years to cause the Heavenly Sacred Pool to appear here.

[Chapter 3150: Inside and outside](#)

Then how did this spatial channel appear?

Qin Chen thought for a long time without understanding, so he didn't bother to think about it. He took a step forward and instantly entered the space channel and disappeared.

Just when Qin Chen walked along the space channel to the Heaven Realm Guanghan Mansion.

Above the endless sky outside Guanghan Mansion, there is an infinite void that stretches for hundreds of millions of miles. The layered space is permeated. You can see that the whole world seems to form a circular barrier, exuding a majestic atmosphere. .

If you stand outside this barrier and look down, you can see that there are countless such realms in the entire heaven realm, vast and mighty.

The void of the heaven is actually divided into multiple heavens, and Wenhantian where Guanghan Mansion is located is a heaven that contains many Holy Lord Mansion.

And the position between Tianyu and Tianyu is separated by a heavy barrier.

In every heaven, there are many forces.

Depending on their strength, each force occupies a different area, and they fight secretly with each other in order to obtain more territory and more resources.

Guanghan Mansion is asking about the position in the cold sky, and the rest are in the middle and outer positions, and the most middle force will undoubtedly get more resources.

At this time, in Wenhantian's place near the center, there was a magnificent territory. This territory was the top power in Wenhantian, where King Ren's Mansion was located.

In the depths of King Ren's Mansion, on a deep throne, sat a dignified, deep-eyed, majestic man with a domineering atmosphere.

This is the palace lord of the King Ren Mansion, the holy master of the King Ren, and the master of the early peak holy master, who has a prestigious reputation in Wen Hantian.

At this moment, in front of the Holy Lord of King Ren, there was an old man sitting, and this old man was not someone else, turned out to be the Feihong Lord of Guanghan Mansion.

"Holy Master Feihong, you came to see me today, but are you here to plead for Wang Shengzi, the man who killed my son, Qin Chen, the son of Guanghan Mansion?"

The Lord of Nene was silent first, and then suddenly spoke, an overbearing and majestic aura filled the surroundings, causing the body of a fossilized old man sitting in front of him to tremble. "Holy Master Feihong, you are so courageous, you dare to come to my King's Mansion at this time, aren't you afraid of death?" The holy master of King Ren was murderous, and instantly stood up: "You Guanghan Mansion killed my son Wang Shengzi, This hatred, don't share heaven, I am King

If you don't completely obliterate your Guanghan Mansion, it's hard to understand the hatred in my heart. "

The Lord of Nene roared angrily.

"Holy Lord Niu wait a minute, this seat is here today, not to fight with you, but to resolve our grievances."

Holy Master Feihong stood up immediately, his face was pale, and the breath of the Holy Master of King Ren was extremely terrifying. A slight shock made him feel difficult to breathe. He was indeed the

veteran early peak Holy Master, half of his foot stepped into the mid-term Holy Master. The top figure of the Lord.

In Asking Hantian, the strength of King Renwang is absolutely top-notch, and it is said that his ancestor has the bloodline of King Ren, and Tiansheng has a strong oppression on the human masters. "Huh, resolve grievances? This grudge can't be resolved at all. Although according to the rules of the heavens, my son died in a trial in the heavens and could not seek revenge at all, but everyone knows that there are generations of grievances between my King's Mansion and your Guanghan Mansion. If I send troops to your Guanghan Mansion

, The heavens can't be said, in this cold world, the old man is the rule. "The King of Ren said fiercely: "This matter, there is no discussion, unless you hand over the Qin Chen who killed my son Wang Shengzi, and your Guanghan Mansion joins our Mansion, and becomes our subordinate force. . Moreover, I heard that you are all female disciples in the Guanghan Palace. This time there is another person named Wei Siqing in the Celestial Trial. He is extraordinary and is also one of the murderers who killed my son. Ravaged hard, swallowed her Yin Qi, and your Guanghan Palace

Many of the female disciples have to be obediently stripped off in the sacred place of Yaochi, let this seat be ravaged, under the kindness of this seat, maybe they can spare you Guanghan Mansion. "

As the Holy Lord of the King of Nene spoke with naked threats, overbearing and arrogant, he wanted all the female disciples of Guanghan Palace to be naked and accept his ravages.

What a pervert is this? Most people can't say such a thing.

King of Humans, is this really the blood of King of Humans? It's not as good as a beast.

Holy Master Feihong squinted his eyes, and said lightly: "Holy Lord Ren, this seat is here today with sincerity. You can agree to these conditions, but my promise is useless, my palace in Guanghan Palace Lord, I'm afraid I may not agree."

"Are you playing tricks on me?" Saint Lord Ren Wang said coldly.

"I'm not fooling you, this is stating a fact. Palace Master Guanghan will not agree to what you said, but it is not completely impossible." Holy Master Feihong's eyes flashed.

"Oh?" The Holy Lord of King Ren looked over.

"If you can make me the Palace Master of Guanghan Mansion again, then I can guarantee that all your requirements can be guaranteed, and even my female disciple of Guanghan Mansion will let you pick it." Feihong Holy Master Yin Compassionately said.

what?

Everyone in King Ren's Mansion was shocked, what else did the Feihong Holy Master say? Did he really come instead of the people from Guanghan Mansion?

"You... came here privately?"

What kind of character is the Holy Lord of King Ren, he understood in an instant, Holy Lord Feihong wanted to regain control with his own hands.

This person is more ruthless than himself.

"Hahaha, Holy Master Feihong, I didn't expect you to be such a person." The Holy Master Ren said coldly: "Are you making terms with me?" "Holy Lord Ren, my sincerity is full, otherwise you might not know. , The palace lord of our Guanghan Mansion is already the holy lord at the peak of the initial stage, and has vaguely touched the realm of the holy lord in the mid-term. If she is dedicated to opposing you, she is afraid

afraid....."

"You have touched the mid-term Saint Master Realm? You mean, this Saint Master can't hold your Guanghan Palace Master? So you use her to press me?" King Ren's eyes sank.

"No, no..." Holy Master Feihong sneered, "Where do I dare to oppress you, Holy Lord of King Ren? This seat is just telling the fact that the strength of Palace Master Guanghan is indeed beyond your imagination. If you don't believe it, look. ..."

While speaking, a light and shadow appeared on Saint Master Feihong, which turned out to be the scene of Palace Master Guanghan suppressing him and Saint Master Ke Yi.

The Holy Lord of King Ren brushed it, stood up, his face showed a solemn expression, staring at the Palace Master Guanghan in the picture, "This Palace Master Guanghan has reached this level?" "Yes, Lord Niu, you can now believe in the sincerity of this seat? Although I believe that you can oppress my Guanghan Mansion, if my Guanghan Mansion resists with all my strength, I am afraid that your Mansion will not have good fruit. But if there is me inside and outside, it's different. Then I only need to kill the Palace Master Guanghan, you can easily kill Palace Master Guanghan." Holy Master Feihong sneered.
