

## Valkyrie 3151

### [Chapter 3151: Happy cooperation](#)

"Then what do you want?"

"It's very simple. After the Guanghan Palace is broken, I will take the position of Palace Master Guanghan, but I can form an alliance with you, you have to swear to the heavens, after the event is completed, you can't persecute me, how?" Holy Master Feihong lightly Tao.

"Hahaha, Holy Master Feihong, you think too much, do you really think we can't attack Guanghan Mansion without you?"

The Lord of Niang suddenly laughed, clapped his hands, and said loudly: "Brother Shenzhao, Brother Xueyang, Brother Yuming, all of you come out and meet the old friend of Holy Master Feihong."

Between his clapping hands, three powerful breaths suddenly descended. The first breath was immense, with the power of faith, surrounded by a black halo, wearing a black robe, deep and mighty.

The second figure is full of blood and light, like the same blood god. When it appears, the blood is full, and the world is turned into a sea of blood.

The third figure is very upright, holding a jade slip, wearing a jade crown, and has an elegant temperament, but deep in his eyes, there is a hypocrite breath revealed.

These three people are not others, they are the master of Shenzhao, the master of Xueyang Palace, and the master of Yuming Palace of Yuming Palace.

The three powers of Shenzhaojiao, Xueyang Mansion, and Yuming Mansion are the top powers of Wen Hantian, and in terms of strength, they are the first echelon of Wen Hantian.

"Holy Master Feihong, you still dare to come here, aren't you afraid of dying here?"

"Sacred Master Feihong, you Qin Chen of Guanghan Mansion, kill my son, the God of God, my son is the reincarnation of the leader of my God, and will definitely become the character of the Lord, and he will die in the land of trials in the heavens. Do you dare to show up?"

These people slowly walked out, all at the initial peak, and the terrifying cultivation base close to the mid-term peak, the oppressive Feihong Saint Master could hardly breathe.

However, the Holy Master Feihong smiled coldly and did not move at all. "You guys, do you really think that you are not aware of this? If you are right, the reason why you are united is because the King of Niang is behind you. Sovereign Lord, right?"

The faces of Niwang Shengzhu and others changed slightly.

Holy Master Feihong said indifferently: "This seat has known about your refuge in the Yaomie Mansion from King Ren Mansion. Otherwise, why did you think that this man would seek your cooperation? This matter, if my Guanghan Mansion is passed on to the high level of the heavens, you I am afraid that several major forces will have trouble, but if you cooperate with this seat, you can ensure that you are safe and sound, and this matter will not cause waves."

"Furthermore, this seat can also work with you to annex other forces from Hantian, and follow the orders of the masters of Yaomie Mansion. Actually, this seat has worshipped many adults in Yaomie Mansion for a long time."

Holy Master Feihong is quite at ease at this time: "You are united, definitely not for such a small matter, not for being able to step into a higher realm, and to take control of a heaven. With this seat, you will be more It's easy, otherwise, you won't be able to do so."

"What a big tone, you are not afraid that we will kill you directly here? When I will join forces to attack Guanghan Mansion, I am afraid I can take you Guanghan Mansion in a short time, and no news will be sent by then. , As for you said we took refuge in Yaomie Mansion, what evidence do you have."

Shenzhao Guru and others sneered.

Holy Master Feihong laughed: "Of course you can do this. There is no evidence in this seat, but there is something you want in this seat."

"what?"

Everyone frowned.

"Based on your information, I'm afraid I've already known that Qin Chen is not in my Guanghan Mansion now, right? Even if you kill me and take Guanghan Mansion, you will only get a remote mansion, no big deal. Yes, but if you cooperate with this seat, this seat can find a way to find Qin Chen for you."

"you?"

Everyone was suspicious and sneered. Qin Chen did not return to Guanghan Mansion after the trial. They naturally knew and knew that Qin Chen was not a local master in Guanghan Mansion, so they were secretly depressed. After all, Qin Chen obtained the inheritance of Venerable Skyfire in his trials in the heavens. As long as he found Qin Chen, it was equivalent to finding the inheritance of Venerable Skyfire.

And once it is inherited from Venerable Skyfire, with their strength, it will no longer be an extravagant hope to step into the midst of Heavenly Sage.

Therefore, rather than saying that they are trying to avenge the saint son of their respective forces, in fact, it is only for themselves.

However, no one knew about Qin Chen's news. Holy Master Feihong said that he could find Qin Chen's whereabouts. Several people immediately sneered. If they really wanted to find Qin Chen, Guanghan Mansion had already found Qin Chen back.

Holy Master Feihong was extremely confident and said indifferently: "You may not know that Qin Chen is not a member of our Guanghan Palace, but he has a close disciple of our Guanghan Palace Master, and Na Qin The dust comes from the same place."

what?

How many people are shocked, what's the matter? How did they never know.

"This matter is the secret of our Guanghan Palace, you naturally don't know it, and the woman is now in a supreme inheritance that our Guanghan Palace Lord has obtained. If it weren't for this seat to lead the way, I'm afraid you would be occupied. Guanghan Mansion can't find the other party either."

Holy Master Feihong sneered: "In fact, this seat was originally going to search the woman for the soul. If the search for the soul learns that Qin Chen is really in collusion with the demons, then we will tell the world and hand over the woman, anyway. Then Qin Chen is not in our Guanghan Mansion. In this way, people from other forces in the celestial realm probably won't have their eyes on us."

"As long as we are willing to hand over Qin Chen's woman, let the people of the heavens see with their own eyes, and want that Qin Chen, our Guanghan Mansion will be able to clear the relationship and be safe and sound."

"But who knows that Palace Master Guanghan is actually obsessed with it. If that's the case, then this seat has no choice but to cooperate with you."

Holy Master Feihong sneered, "Actually, if we really want to find that Qin Chen, we don't need to throw him to other forces. After all, this son has great opportunities and great luck. We can join hands before he grows up. Refining him, using the technique of robbing the sky, taking away the inheritance of the Venerable Skyfire from him, giving him all his luck, wisdom, and strength, and then handing him over. In this way, we will not only eliminate Risks can also be used to break through to a deeper realm, killing two birds with one stone."

"As for the Palace Master Guanghan, you can also play with you. How about this proposal?"

The Holy Master of King Ren, the Palace Master of Xueyang, the Master of Shenzhao, and the Palace of Yuming were all stunned. Damn, this Feihong Saint Master is simply too shameless.

However, if this is true, they can give it a try.

"Hahaha." Several people laughed!

"Happy cooperation!"

### [Chapter 3152: Limitless](#)

Soon, the Holy Master Feihong left, and only a group of Saint Lord Ren Wang left on the court.

"How is it? How do you think about what Saint Master Feihong said?" Palace Master Xueyang looked over, with blood lingering in his eyes, flashing.

"I believe that Holy Master Feihong dare not lie to us. If everything said by Holy Master Feihong is true, then Qin Chen does have a woman who accepts inheritance in Guanghan Palace. It is a good way to attract Qin Chen. ."

"Then Qin Chen is also a person, knowing that he will be targeted after the end of the heaven trial, so he deliberately avoided, but as long as he holds his woman, he is not afraid that he will not come out."

"This time we attacked Guanghan Mansion, should we think of a reason? Otherwise, after the news reaches the high-level forces in the heavens, the other party may intervene."

"Reason? That's not very simple, just say that Qin Chen colluded with the demons in the heaven trial ground. I waited to find out the truth before attacking the Guanghan Mansion. Isn't that enough? We all asked Hantian's forces. With such a reason, there will be no problem with Guang Hantian."

The Holy Lord of King Ren sneered.

"Where is the Lord Slayer Lord of Yaomie Mansion? Isn't he going to do it?" Palace Master Xueyang frowned, "If Palace Master Guanghan runs away, I may not be able to stop her."

"Originally, it was necessary to take a long-term plan, but now that the Holy Master Feihong is responsible for the internal response, everything is okay. As for the Lord Slayer, he knows everything here. You can rest assured that as long as we take the Guanghan Mansion, Ask Hantian uniformly, Yao Mie Mansion will never treat us wrongly."

The Holy Lord of King Ren knows everyone's thoughts and said: "This matter, the Holy Lord of Exterminating Heaven is absolutely not allowed to intervene, and can only be controlled secretly. Everything can only be caused by us asking Han Tian himself. After all, the Demon Race The power is huge, and many top powers in the heavens have already ordered them. If things go too far and affect the reputation of Lord Yao Annihilation, we will never redeem it."

Everyone nodded, if Yao Mie Mansion could directly intervene in asking Han Tian's affairs, they would not be needed.

"Okay, so as not to have many dreams at night, then we will start now."

Whoosh whoosh!

This master of the holy master, disappeared into the void in an instant.

Guanghan Mansion.

The wind is turbulent, restless.

Palace Master Guanghan sat in the sacred place of Yaochi, her eyebrows closed tightly, her eyelashes trembling lightly, as if she was falling asleep.

The gentle day of the heavens spilled on her face through the gaps in the space of the Holy Land. The bright and beautiful face was like white porcelain, crystal clear, white in red, full of temptation.

This is a perfect woman, except for the lingering breath of ice and cold on her body, which feels like an iceberg, no matter how she looks at it, she is extremely moving.

Under the slender white neck, there is skin like sheep fat jade. She sits all over the holy liquid. The milky white holy liquid and her white skin reflect each other, giving a hazy beauty.

In the sacred liquid of Jade Lake, one must not wear clothes in order to cultivate, and Palace Master Guanghan is naturally the same. His white fat body is uneven and full of doubts.

Wow!

Holy liquid surged.

In front of the Palace Master Guanghan, Wei Siqing also sat cross-legged, with the cold and icy air lingering from her body, and the holy master's laws surrounded her, shuttled through the void, like a series of angry dragons.

I saw Palace Master Guanghan linger with a powerful aura of the Holy Lord and entered Wei Siqing's body. Immediately, this powerful pressure began to activate the magic fire power in Wei Siqing's body, and the chaos of heaven and earth. , The power in the sacred liquid of the Jade Lake madly poured into Wei Siqing's body.

If someone enters the underground of the Jade Lake Holy Land at this moment, you can see that the forbidden space under the Guanghan Palace has been opened, and the powerful and powerful aura rises to the sky. There is actually this strong holy vein under the ground, like an angry The dragon roared.

In the Jade Lake Holy Land, Wei Siqing is constantly absorbing the holy energy of the Holy Master's Saint Veins. He is absorbing faster and faster, and the number is increasing, becoming more and more violent. Tao grows like a geometric quantity.

The vitality of the Saint Lord's Saint Veins is no small matter, once it is absorbed, the flesh and blood of the whole body will become sacred.

This time, had it not been for Wei Siqing to show strong combat power and infinite potential, Palace Master Guanghan would never open up the Holy Master's Saint Veins so that she could directly absorb it.

"Frozen heaven and earth, eternal like one, magic fire into the body, Holy Lord Avenue!"

Wei Siqing also absorbed the power of the Holy Master's Saint Veins wholeheartedly, almost completely letting go of her body and mind. The demon fire power of Venerable Skyfire instantly permeated, causing her cultivation base to advance by leaps and bounds. The devilish fire breath has greatly inspired Palace Master Guanghan.

Palace Master Guanghan saw the endless void in front of her eyes, and the avenues were surging, allowing her to more clearly touch the realm of the middle stage of the Holy Master.

In the holy pond, Wei Siqing's whole body is almost integrated with the holy veins of the Holy Lord, regardless of each other, and her whole body is enveloped by demon fire, and there is a heart-palpating breath permeating her.

"Wei Siqing has indeed received a huge gain this time. Although the power of this magic fire is not strong, it contains the insights and inheritance of the great avenue of Venerable Skyfire. This inheritance is even a master of the Holy Master. It is also extremely coveted. I felt a point before in this palace and felt a little bit of sentiment. It's no wonder that the Feihong Lord was so impatient before that he wanted to make a plunder."

Palace Master Guanghan exclaimed.

She is really happy for Wei Siqing. Today's heaven is full of turbulence and dangers. She alone controls Guanghan Mansion. She seems to be domineering and arrogant, but she is actually walking on thin ice, trembling and trembling. If Guanghan Mansion can appear more Tianjiao and genius are undoubtedly a great thing for her.

"Unfortunately, Wei Siqing is still a little too young. Even if I let go of the Holy Master's Holy Veins at the bottom of the Yaochi Holy Land for her to absorb, she will at most only step into the half-step Holy Master's pinnacle realm, away from the Holy Master realm. There will be some gaps."

Palace Master Guanghan shook his head. The Holy Master Realm was too difficult to break through. Even with such a great opportunity for Wei Siqing, it would not be possible overnight.

In contrast, You Qianxue is more promising than Wei Siqing.

"Qianxue, she has entered the master's inheritance for several years. Back then, I only got a trace of the master's fur, and I have already entered the realm of the holy master. If that You Qianxue can really get the master's perfect inheritance, maybe a short time it is impossible to enter a very high level within, but in the future... it will definitely not be limited."

Palace Master Guanghan murmured.

The supreme lunar glazed glaze was one of the top giants in the heavens at the time. At the beginning, You Qianxue could cause fluctuations in the master's inheritance, and Palace Lord Guanghan himself was shocked.

#### [Chapter 3153: Walk for the sky](#)

Palace Master Guanghan thought silently, while watching Wei Siqing's cultivation.

Before her eyes, the atmosphere of the demon fire lingered, and various heavenly ways evolved, from which Palace Master Guanghan not only got amazing gains, but even saw her own destiny flow.

If Palace Master Guanghan had forcibly plundered Wei Siqing's magic fire inheritance, it would have been easy.

However, she didn't have any coveting, and her heart was calm as water.

"Ok?"

Suddenly, Palace Master Guanghan frowned, and she faintly felt a danger slowly approaching her.

"In danger? What's the matter?"

Palace Master Guanghan shivered all over.

Her face sank and her eyes were calm, she immediately pinched her fingers to try to figure out the source of the danger, but she found nothing.

This is a kind of telepathy, and it is impossible to calculate success.

However, this feeling lingered in her heart, letting her understand that this whim definitely had a reason.

"It seems that my Guanghan Palace is going to be unstable soon."

Boom! Before the mumbling of Palace Master Guanghan, Wei Siqing finally stopped absorbing, a mighty breath filled her body, and the whole person was like a goddess walking out of nothingness, her eyes opened. Among them, burst out

Thrilling light.

Wow!

She stood up, revealing a graceful body, a flat lower abdomen, a well-swept waist, tight thighs, drops of milky white sacred liquid slipping from her body, like a fairy with a lot of water, her whole body was full of radiance.

On her body, the icy breath lingers, and the way of the holy master flows, has already stepped into the realm of the peak of the holy master.

Hum!

She made a fist, and there was a strong aura condensed, giving her an urge to sweep everything.

If at this moment many half-step saint master-level old antiques in Guanghan Mansion make a move against her, Wei Siqing has absolute certainty that he does not need to unite with Wuling and others, and can easily take the opponent down.

"Master."

Wei Siqing stepped up excitedly. "Yes, you finally made a breakthrough." Palace Master Guanghan showed a relieved look, and looked at Wei Siqing tenderly: "Siqing, you are the future of my Guanghan Palace, you leave Guanghan Palace now, I will arrange You go to another place and stay incognito.

"

"Master, what are you?" Wei Siqing's expression changed and he had a bad idea.

What does it mean for Master to let himself go at this time? "I felt some kind of bad news before. Today's heaven is very chaotic. Our Guanghan Mansion is the center of the situation. If anything goes wrong, you are the future of our Guanghan Mansion, as long as you are still alive. , Then our Guanghan Mansion

There will be a day of re-emergence in the future. "

"No, Master, I won't go." Wei Siqing shook his head, his eyes firmly fixed: "The disciple is not the one who is greedy and afraid of death."

"I know you are not..." Palace Master Guanghan said lightly. Just as he was about to say something, there was a sudden hum, and a voice came from the outside: "Is the Palace Master here? Feihong has something to report."

"Holy Master Feihong?" Palace Master Guanghan frowned. This uneasy feeling became stronger and stronger. She raised her hand, and immediately a channel appeared between Yaochi Holy Land and the outside world to communicate with the outside world. Lord, what's the matter? My palace is practicing in retreat

, Can't be disturbed. "

"Back to the Palace Master, a very important thing."

Holy Master Feihong said immediately. Behind him, there are many entourages, all half-step Holy Master level old antiques. It seems that something big is really going to happen.

Palace Master Guanghan glanced at Wei Siqing and said, "No matter what happens, don't come out."

Huh!

She stepped forward and came outside the sacred place of Yaochi, and said: "Holy Master Feihong, what on earth do you have to do so urgently?" "Palace Master, there are indeed very important things related to the life and death of our Guanghan Mansion. "Holy Master Feihong said solemnly: "We have received the news that the Holy Master of King Ren Mansion has already brought many masters to come to our Guanghan.

Mansion, conquer us, wanting to avenge him, Wang Shengzi, who is in the Renwang Mansion. "

"what?"

Many of the masters of Guanghan Mansion who were alarmed were shocked. King Ren's Mansion actually wanted to attack their Guanghan Mansion. Does the opponent want to break the rules of the heavens and tear their skin?

"Holy Master Feihong, are you sure of this news?"

Saint Lord Ke Yi shook his body and appeared above the Jade Lake Holy Land, and said in shock. "Of course, you don't know that when I was the lord of Guanghan Mansion, I used to plant some chess pieces in Renwang Mansion. Many of these chess pieces are no longer there. But I have a chess piece that has developed into Up

A high-ranking member of the King's Mansion, he passed the news to me. "

Holy Master Feihong said in a deep voice: "Moreover, in the other party's information, the Holy Master of King Ren has already set off for a while, I am afraid that it will come to our Guanghan Mansion soon."

"This....."

Everyone was shocked and looked at Palace Master Guanghan. This was a big event.

Boom!

Just when everyone looked at the Lord of the Guanghan Palace, suddenly, the distant sky, the void suddenly fluctuated, and the next moment, a vast battleship appeared, the majestic battleship, such as the sky, came down in an instant Over the Guanghan Mansion.

These battleships were marked with the mark of King Ren's Mansion, and they came forcibly and domineeringly. The terrifying aura of the Holy Lord erupted from the warship of King Ren's Mansion.

"Hahaha, Palace Master Guanghan, don't come unharmed!" A loud laugh came from the battleship, and the next moment, a group of figures flew out from it, and the leader was like a human emperor. , Walking between the heaven and the earth, wearing a golden yellow robe, walking with dragons and tigers, is exactly the residence of King Ren

The Lord of the King And behind him, following the three extraordinary powerhouses, they are the masters of the King's Mansion. They are the three elders. They are old-fashioned and decayed. But the auras on his body are all at the level of the Holy Master. Lord Keyi, Saint Feihong

Lord, it's an old antique of King Ren Mansion.

This powerful aura came down directly, giving everyone a strong oppression in an instant. In the Guanghan Mansion, countless powerful men bowed their heads in horror. Under this force, they shivered.

When the Holy Lord descends, ordinary holy realm masters are almost like ants. If it is not for the sky above Guanghan Mansion, there is an astonishing large array covering, I am afraid that the breath of the king of holy masters alone can explode some ordinary holy realm masters. Ashes are gone.

"Holy Lord of King Ren, what are you doing? Don't you be afraid to provoke the anger of the heavens?" Holy Lord Ke Yi shouted angrily. "The heavens are furious?" The holy master of King Ren laughed: "Everyone, you Guanghan Palace, secretly colluded with the Demon Race and framed the Tianjiao of our Human Race. I am waiting to come here to walk the way for the heavens on behalf of the heavens. Hand it over."

#### [Chapter 3154: Sneak attack failed](#)

Niwang Sage Lord Ronglong said, he waved his hand, immediately, countless warships surrounded the entire Guanghan Palace, densely packed warships, like sharks, and the foremost warships were as large as stars, like stars. Dragon Whale

Generally, it was a main-class battleship in the ancient alchemy civilization, and its power was extremely terrifying. Renwang Mansion is rumored to have the blood of ancient kings. Therefore, the treasures in the Renwang Mansion are far beyond the ordinary holy main mansion. Like this main-class battleship, the general holy main-class forces are already very terrifying when it comes out. But suddenly moved

Three ships.

The three main-class battleships have rune lights on them, exuding ancient surging aura, and the holy light cannons are all aimed at the Guanghan Palace below, like a demon opening a huge mouth, emitting a faint seepage People shine.

All of the holy realm masters in Guanghan Mansion below stood up, and there was endless fear in their hearts.

The three main-class battleships, the Holy Light Cannon, can their Guanghan Mansion's large formation resist it?

Palace Master Guanghan also had a blue face and shouted angrily: "Holy Lord Ren, what are you talking nonsense, colluding with the demons? Ridiculous, do you think the high level of the heavens will believe your nonsense? My Guanghan Palace is leaning toward the human race, you are Want to add to the crime."

It was heavy in her heart, because that unpleasant feeling became stronger and stronger. Obviously, the Lord of King Ren had long left behind. Otherwise, the power in front of her would not be able to make

her feel so strong. crisis. "Hahaha, want to add to the crime? Palace Master Guanghan, don't make senseless sophistry, that Qin Chen colluded with the demons in the trial grounds of the heavens. This matter is not only my King's Mansion, but all the forces in the entire heavens. Can see clearly, today, I

The Holy Lord of King Ren will represent the justice of the heavenly human race and destroy your Guanghan Mansion. "

"Hands!" The Holy Master of King Ren didn't talk nonsense, the voice fell, and he shouted directly. In a short time, a mighty force descended, booming, from the many battleships, bursting out the impact of holy light. The horrible impact of the Holy Light instantly vanishes

The gullies and gaps that were torn apart instantly fell on the large formation of Guanghan Palace.

Rumble! The entire Guanghan Palace trembles violently, and the light bursts into the sky, forming a chain of gods of order. The chain is vertical and horizontal, and there are continuous ripples on it. These ripples expand rapidly, Guanghan Palace Caged instantly

Covered by a vast ocean of light swept across. In addition, the Holy Lord of King Nen also moved. He stepped out with a disheveled hair. The roots of his hair were crystal-clear, blooming with golden light. The blood of the King in his body surged, and the sky was blue. His whole body was shining, really like an ancient King , From the endless distance

Walking out of the predicament, aiming at the light below and pressing down hard.

Boo! The golden man Wang Qi and blood rushed to the sky, the sky was trembling, and the sky was trembling, like a golden sun exploding, like stars hitting the Dead Sea, on the large array outside Guanghan Palace, countless ripples surged, , The building below vibrated violently,

As if to burst.

In addition, the three old antiques behind the Lord of Nene also moved. They had few furs left, they were very old and about to fall into the earth, chicken skins and cranes, hair sparse, and there were few hairs left.

But before they shook, the decayed body seemed to explode as if the ocean exploded, and the vast aura soared to the sky, overwhelming the power of the three main-class battleships. From a distance, they looked like three luminous people God is attacking the common people.

boom! The formation rumbled and exploded continuously, and the breath of the four great master masters stunned the world. Although the Guanghan great formation has not been broken, layers of power have penetrated out, and the endless void in Guanghan Mansion Architecture, all in Long

Long trembled, and some small spaces even began to collapse.

The master of the Holy Master, destroying the heavens and destroying the earth, is too strong, and can surging through the heavens with every gesture, far beyond the imagination of ordinary holy realms.

"Damn it!"

The Palace Master Guanghan had a blue face, and he let out a long roar. If the Holy Master of King Ren and the others were allowed to destroy it like this, the entire Palace of Guanghan would be in jeopardy.

"Holy Master Feihong, Holy Master Ke Yi, you two, follow me to meet the enemy, the others, guard the big formation, and you must not let the big formation be broken."

Palace Master Guanghan screamed, and he was about to rise into the sky.

"Okay, Lord Palace, everyone, follow me to kill the enemy!" Holy Master Feihong roared, following Palace Master Guanghan, he was about to meet the Saint Lord and others in the sky, but he had not entered the battle area. The moment he approached Palace Master Guanghan, a fierce murderous intent suddenly passed from the depths of his eyes

.

At the next moment, a black dagger appeared in the hands of Saint Master Feihong, which was pierced towards Palace Master Guanghan.

"Holy Master Feihong, what are you doing?"

Holy Master Ke Yi was following behind Holy Master Feihong, when he saw this scene suddenly, he couldn't help being shocked and sternly spoke.

No one thought that the Holy Master Feihong would actually attack Palace Master Guanghan.

Everyone was stunned. Holy Master Feihong's sudden action was too fast. In a flash, the black dagger came to the back of Palace Master Guanghan. The death dagger glowing with black luster, like a cold fang, was about Penetrate fiercely into the Guanghan Palace

In the body of the Lord.

"Humph!"

Palace Master Guanghan suddenly snorted, as if she had eyes behind her, a Qianqiansu hand suddenly protruded from the void, and silently pinched the black dagger, and the dagger instantly appeared above it. Layers of thin ice.

"what?"

Holy Master Feihong was shocked, Palace Master Guanghan actually blocked his attack in an instant.

"you....."

He pulled away and hurriedly backed away, but how could Palace Master Guanghan give him this opportunity? His body was shocked, and a crescent moon appeared behind Palace Master Guanghan. At the same time, there was also a fierce murderous intent, bursting Shoot towards the Feihong Holy Master.

In the crisis, Holy Master Feihong could only abandon the dagger in his hand, the invisible Holy Master's power resisted in front of him, with a bang, he was flew out by the terrifying power of the cold, wow, spouting blood, his face Suddenly wilted.

With one blow, Holy Master Feihong was injured. This time, Palace Master Guanghan was furious. With one blow, the origin of the Holy Master in the main body of Feihong Saint was damaged, and his face was as pale as a ruin.

"Holy Master Feihong, I didn't expect you to betray my Guanghan Palace." Palace Master Guanghan said with cold eyes.

"How did you know?" Holy Master Feihong wiped the blood from the corners of his mouth, staring at Palace Master Guanghan, his eyes shot out a cold and vicious color like a poisonous scorpion. "Qin Chen's woman, Qianxue, is a matter of my closed disciple. It is a secret in our Guanghan Palace. Not many people know it, but when the Lord of Benevolence came up, he bluntly asked us to hand over Qin Chen's woman. , There must be someone secretly colluding with him." Palace Master Guanghan said angrily.

#### [Chapter 3155: Guanghan Mansion is broken](#)

There is a look of grief in her eyes, "So I will do my best, and deliberately let you come closer, just to see who the traitor is, because the Lord of Niang wants to break through my Guanghan Palace, it must have internal response, but I Never expected,

This inside should be you. "

Holy Master Ke Yi was also shocked: "Holy Master Feihong, you...why?" He couldn't believe it, although he, like Holy Master Feihong, was an elder master of Guanghan Mansion, the Lord Guanghan Palace later came to power and showed arbitrariness. The aura of the elders did not give them power at all, causing him to have some

Dissatisfaction, therefore, together with Feihong Holy Master, put pressure on Palace Master Guanghan.

But he never thought that he would betray Guanghan Palace and the hometown where he was born and raised him. "Hahaha, why? Holy Lord Ke Yi, you actually asked why, since this woman came to power, what do you think she has brought to Guanghan Mansion? Everywhere I asked Hantian tree enemies, and also established Guanghan Mansion as a pure Land of women

, Hum, let her continue to squander like this, sooner or later, Guanghan Mansion will be destroyed in her hands. "

"And I did this for the future of our Guanghan Palace." Holy Master Feihong wiped away his blood and said coldly.

"So you cooperated with the Holy Lord of King Ren and the others to destroy my Guanghan Palace? Holy Master Feihong, is this what you call Guanghan Palace?" The Lord of Guanghan Palace looked cold.

"Hahaha, Palace Master Guanghan, you have colluded with the demons and acted against you. Today is your death date. Don't worry, you won't die so easily. Waiting to hold you...hehe, hehehe!"

The eyes of Saint Master Feihong suddenly showed a lustful light.

"You're looking for death!" In fright, Palace Master Guanghan shot towards the Holy Master Feihong and slapped it directly. Suddenly, a long river like moonlight appeared in the mighty void, rushing forward. , Will completely swallow the Feihong Holy Master in an instant

.

Bang bang bang!

Palace Master Guanghan suppressed the Holy Master Feihong from retreating again and again. Although everyone was the same as the early Holy Master, Palace Master Guanghan had half of his feet touched the characters in the middle of the Holy Master, and his strength was much stronger than the Holy Master Feihong.

On Feihong Saint Lord, there were ices immediately, and gray matter was slowly dissipating. This was the origin of the Saint Lord in his body.

"Hahaha, Palace Master Guanghan, you are still staring at me at this time, exploding!" Holy Master Feihong let out a long roar, and rainbow lights burst out in his body.

Rumble! The entire Guanghan Palace's large array actually roared, and above the large array, the dark light and shadow began to corrode the large array. The Feihong Holy Master seemed to detonate something special, causing the entire Guanghan Palace to grow bigger. The array is shaking quickly

Move, destroy.

"what?"

Everyone was stunned.

Holy Master Ke Yi was frightened and said: "Holy Master Feihong, what have you done?" "Hahaha, I was the governor of Guanghan Palace for tens of thousands of years. This is the grand formation of Guanghan Palace. This seat naturally understands clearly. As long as this seat is willing, wouldn't it be easy to destroy this wide cold array?" Holy Master Feihong was firmly suppressed, but his face

It was a grinning laugh, "Holy Lord Renwang, you still don't do it?"

Holy Master Feihong roared.

"Hahaha, do it!"

I heard the Lord Nioh laugh.

sensation! The entire Guanghan Mansion shook abruptly, and from the edge of the big formation, a series of terrible auras emerged. It was the three top masters of the Blood Sun Mansion, the Blood Sun Palace Master, the Shenzhao Master, and the Yuming Palace Master. In addition to the three of them, there is another

The figure appeared, and the breath was not the same as Palace Master Xueyang and others, but it was Palace Master Tianshan of Tianshan Palace.

The child tiger of the mountain mansion had also colluded with the blood sacred son at the beginning, but later fell into the hands of Qin Chen, and now the Tianshan Mansion is also secretly colluding with Xueyang Mansion and the others, targeting Guanghan Mansion.

In the eyes of all the Holy Lord's Mansion who asked Hantian, the Guanghan Mansion today is like a piece of delicious fat, and everyone wants to come up and take a bite.

These four top masters stood in the four corners of the Guanghan Mansion's big formation, and they all played their supernatural powers.

"Blood God Strike!"

"All things belief!"

"Long River Taotao!"

"Tianshan is coming!"

Boom boom boom! The \*\*\*\* light, the breath of faith, the jade-like river, the towering Tianshan, and four terrifying forces bombarded the four corners of the Guanghan Mansion at the same time. At the same time, the holy lord of the King of Nene was towering over the sky, together with the mansion of the King of Nene. The three holy masters

And the three main-class battleships, all shot together, and the mighty divine light poured down like a rainstorm.

Click!

Hearing a piercing roar, with the joint efforts of the Feihong Saint Master and many Saint Master masters, the Guanghan Array was finally blasted away.

"not good!"

Fear emerged in the hearts of everyone in Guanghan Mansion. "Hahaha, Palace Master Guanghan, your doomsday is here." Holy Master Feihong laughed, and when he waved his hand, he saw a half-step holy master rising up in Guanghan Mansion, just following Saint Feihong. The Lord's Jin Rongtian waited for the Supreme Elder, one

This started to make trouble.

Inside and outside!

To carry out a brutal and inhuman looting of Guanghan Mansion. "Holy Lord Ke Yi, what are you waiting for? Still not submitting to this Holy Lord, as long as you are willing to submit, this Holy Lord can give you a way to survive." Holy Lord Feihong said coldly: "In the future, I will join forces with King Ren Mansion, not only To be able to ask about the cold weather,

Even in the Eastern Celestial Realm, and even the entire Celestial Realm, you have made a great reputation, but if you have to resist, then you can blame this seat for being rude. "

"You..." Holy Master Ke Yi was frightened and angry.

"Holy Master Ke Yi, quickly take my disciples from Guanghan Palace to leave."

Palace Lord Guanghan was frightened and raged, soaring to the sky, with one person's strength, to block the King of Ren and the others.

"Hahaha, Palace Master Guanghan, you are too naive."

The holy master of King Ren laughed, many top holy masters, aimed at the palace master of Guanghan, all shot together, bang, palace master of Guanghan was shocked and flew out instantly, his robe was broken, his face turned pale, and the blood surged in his body.

With just one blow, she was injured, and blood fell from the corner of her mouth.

"Master!"

In the Jade Lake Holy Land, Wei Siqing couldn't hold back anymore, and rose to the sky. The terrifying half-step of the power of the holy master's peak swept through and was about to rush up. On the side, the Supreme Elder Jin Rongtian, who was aggressively targeting Guanghan Palace Master's lineage in the Guanghan Mansion, saw Wei Siqing, with a wicked smile on his mouth. He laughed, and directly played the Jinpeng Divine Art, and saw the Golden Wing Roc appear. Pounce on Wei Si

green. A group of elders on the side laughed and shot together. Before Wei Siqing made them lose face, he had long wanted to seize the opportunity to teach her a lesson. When the time comes, he will be captured, and he will be severely ravaged to enjoy the best in the world. thing.

### [Chapter 3156: Don't be nervous](#)

Wei Siqing's expression was frightened, and the breath of ice filled his eyes. Outside of his body, countless ice dragons appeared, turning into a vast ocean, and rushing towards these supreme elders.

These supreme elders only felt that an infinite force of ice was permeating, and their bodies were shaken, and they were blown out in an instant. Even some of the elders were transformed into ice sculptures under the breath of the ice dragon. , Fall down.

With just one blow, Wei Siqing repelled these half-step Saint Master level Supreme Elders one after another.

These elders looked frightened and angry, and many people backed pale, their eyes full of disbelief.

How long has it been since Wei Siqing's strength has increased so much, and in an instant, defeated all of them? Jin Rongtian opened his mouth and spit out blood, staring at Wei Siqing bitterly, and his heart became more and more angry. In his opinion, it must be the Palace Lord Guanghan who gave Wei Siqing the best resources in the entire Guanghan Palace, otherwise Wei Si Qing can never break through so fast , And these veteran elders, all they get is some ordinary resources.

Otherwise, they would have already entered the realm of the Holy Lord.

The resentment in his heart became stronger, and he was angry and afraid of Wei Siqing.

After repelling these super elders, Wei Siqing didn't care about continuing to shoot, soaring directly into the sky, rushing towards Palace Master Guanghan.

"Get back."

Holy Master Feihong grinned and blasted out with a palm, and Wei Siqing was blasted out immediately. Although she broke through half a step into the realm of the pinnacle of the Holy Master, how could she compare with such powerful Saint Master Feihong? Down, was suppressed.

"Master sister."

Many sage gates of Guanghan Palace rose into the sky, frightened and furious, and shouted that they wanted to rescue them. However, they were suppressed by the masters of Saint Master Feihong and fell into a precarious situation.

"Stop!" Palace Master Guanghan was frightened, looking at Wei Siqing who was blown out, and the countless disciples of Guanghan Palace below began to be surrounded.

She fought hard and wanted to rush out, but she failed. The King of Sage and other masters surrounded her, and did not give her a chance to rush out of the encirclement.

Palace Master Guanghan is the most powerful Holy Master in the entire Guanghan Mansion. As long as he traps him, others can't make waves. "Holy Master Ke Yi, you have also seen it. Palace Master Guanghan will definitely die today. Do you have to fight me to death or not? You and I are the only remaining master masters in Guanghan Palace. Why not save your strength, etc. After I take control of Guanghan Mansion,

Then build Guanghan Mansion, you are also a saint master, knowing the truth that people who know the current affairs are brilliant. "

Holy Master Feihong said coldly, at this time, he was still persuading Holy Master Ke Yi.

Holy Master Ke Yi showed hesitation and pain on his face, looking at the disciple of Guanghan Mansion who was being chased and killed, his heart was filled with grief.

At this moment, in the Jade Lake Holy Land, a void flickered quietly, and a figure suddenly appeared in the Jade Lake Holy Land.

A soaring breath haunts the Jade Lake Holy Land, this figure is exactly Qin Chen who soared from the Tianwu Continent.

"Is this the heaven?" In the Universe Good Fortune Jade Plate, everyone felt the aura of the Yaochi Holy Land, but the next moment, everyone's expression changed, and the sky above the Yaochi Holy Land, the rumbling roar continued to resound. And with many angry sounds

, The sound of fighting is endless.

"not good!"

Qin Chen's face changed suddenly, he instantly sensed the battle outside the sacred place of Yaochi, his face was shocked.

Unexpectedly, he hurriedly hurried, but he was late.

His soul power quietly released, and he immediately sensed the masters in the sky such as Feihong Holy Master, Ke Yi Holy Master, Guanghan Palace Master, Renwang Holy Master, Shenzhao Master, and so on, and his face immediately showed a solemn expression.

So many holy masters. Now Qin Chen is no longer the chick he used to be. He has obtained the corpse of the war clan, and has broken through half a step to the peak of the holy lord. He clearly perceives the terrifying aura of the gods and the masters, these people are definitely in the holy lord. Outstanding

It is by no means an ordinary Holy Lord. "What happened in Guanghan Mansion that provokes so many holy masters? That guy has the breath of the king's son, is it the manor of Ren Wang's mansion? And this black-robed old man, who haunts the power of faith, is it a god

The person who teaches? And this powerful man with blood and light, Palace Master Xueyang? "

After Qin Chen sensed the breath of these people, he quickly matched the numbers, and at the same time slowly understood the identities of these people.

"Kid Qin Chen, what shall we do now?"

Hum! The void flashed, and the \*\*\*\* cat appeared beside Qin Chen. He laughed. Instead of worrying at all, he showed excitement: "This is the heaven, the emperor's favorite place, excitement, everywhere Holy Lord War, hehehe

. "This besieged woman is what you call Palace Master Guanghan?" Tsk tsk, her body is good, and her cultivation level is not weak, she is actually a figure at the peak of the holy master's early stage. Hey, no, she has already touched a trace of the holy master's mid-stage realm.

Day, is another master. "

Although the \*\*\*\* cat is in the sacred land of Yaochi, it clearly perceives everything in the outside world, and said with a shake of his head.

"Qin Chen, go and save Lord Palace Master."

Hum!

But Murong Bingyun suddenly appeared beside Qin Chen, his expression anxious about to rush out.

Palace Master Guanghan was kind to her, and now seeing Palace Master Guanghan in such a crisis, how could she not be anxious in her heart.

"Don't move." Who knew that before she rushed out, Qin Chen grabbed her and shook his head, "Don't be impulsive."

"You..." Murong Bingyun looked at Qin Chen angrily, and said angrily: "Qin Chen, didn't you see the Lord Palace Master, you are already going to die? Unexpectedly, you are such a person, and you will not be saved."

Qin Chen glanced at Murong Bingyun suspiciously, and said faintly: "When did you become so enthusiastic? Don't worry, Palace Master Guanghan can't die at the moment, and who said I can't save you, you go up like this. Just die, idiot."

Qin Chen severely knocked Murong Bingyun's brain.

With Murong Bingyun's talent and strength, it is enough to be able to compete with ordinary early holy masters, but once encountering the holy masters of King Ren, they will definitely be directly suppressed just like Wei Siqing. This way, it is undoubtedly self-defeating. Dead end.

It must be considered long-term.

Moreover, Qin Chen still doesn't know what's happening here, why all of a sudden, so many forces in the cold sky suddenly attacked Guanghan Mansion?

Also, how is Qianxue? A lot of questions lingered in Qin Chen's mind.

### [Chapter 3157: Take you](#)

Qin Chen must figure out the situation first.

He looked up, just in time to see Jin Rongtian waiting for a half-step for the holy lord, chasing Wuling and the others to the Jade Lake Holy Land.

"It's Wu Ling and the others." Qin Chen's eyes suddenly brightened. I only saw outside the Yaochi Holy Land, Wulin and other saints of Guanghan Palace, all covered in blood and embarrassed, approaching the Yaochi Holy Land. In the Yaochi Holy Land, there is the 33rd Heavenly Fantasy Array of Guanghan Palace. The master of the palace arranged it, although none

The law resists the strong of the Holy Master level, but it can get rid of Jin Rongtian and other Holy Masters.

But Jin Rongtian and the others are the veteran half-step holy masters of Guanghan Mansion. How do they not know the secrets in the Yaochi Holy Land, naturally it is impossible for Wuling and the others to escape into the Yaochi Holy Land, and they quickly surrounded them in a circle. "Hmph, don't resist, you can't escape. With so many adults taking action, you are still obediently caught, throwing away the dark, and there may be a glimmer of life." Jin Rongtian said coldly. He was seriously injured by Wei Siqing before, covered in blood. ,

There is a long gap on his face, dripping with blood, and it looks particularly hideous.

He roared and used the technique of taboo, and in an instant, a horrible golden rainbow burst into a golden palm, and it came to Wu Ling and the others.

"Do not!"

Wuling and the others showed a look of despair.

Seeing that they were about to be captured by Jin Rongtian, suddenly, a figure appeared silently beside Jin Rongtian, knocked Jin Rongtian out with a bang, and grabbed him directly like a chicken.

The originally desperate Wu Ling and the others were instantly dull.

Not only them, but the remaining half-step saint masters who chased Wuling and them also showed a look of horror, especially when they saw that the figure was swept out of the sacred place of Yaochi, they were even more surprised. Inexplicable. The Yaochi Holy Land is a forbidden area of Guanghan Palace. Except for the saints of Guanghan Palace Master, no one can enter at all, let alone men. This is because they are dissatisfied with Palace Master Guanghan. The reason is, now

There was a man who flew out from the sacred land of Yaochi, and knocked Jin Rongtian fainted with one palm.

"Your Excellency, how can you be in the Jade Lake Holy Land."

One of the elders immediately said solemnly.

"You don't know me?"

Qin Chen touched his nose. He didn't have a long time in Guanghan Mansion. Although he was so famous, many old antiques didn't know what he looked like.

But Wu Ling and others on the side were all stunned: "Qin...Qin Chen..."

There was ecstasy on their faces.

"What, you are Qin Chen?" The expressions of those half-step holy master Laoguo changed, and he hurriedly shouted, but before they could speak, Qin Chen raised his hand suddenly, and several people opened their mouths suddenly. Stagnant, a mighty sacred yuan, instantly washed over their bodies, poof

Puff, these few prestigious antiques in Guanghan Mansion, the half-step holy master of the supreme elder level, were exploded in an instant, and countless half-step holy master laws rushed into the void.

"Receive!" Qin Chen didn't waste anything at all. He directly collected the laws and blood of several people into the Universe Good Fortune Jade Plate. Although Qin Chen didn't like it, these blood, blood, and laws were for the people of Tianwu Continent. Even to Tu Moyu and other dead demons, they

It is a great tonic.

"Don't be nervous."

Qin Chen whispered to Wulin and the others, and when he rolled his figure, he engulfed Wulin and the others into the Yaochi Holy Land.

The Jade Lake Holy Land is extremely mysterious, even if it is the divine sense of the Holy Master, it is difficult to penetrate easily, and Qin Chen's own concealment methods are not only visible.

"Qin Chen, and... Murong Bingyun... Why are you two here?"

Wu Ling and the others were stunned. Since the end of the heaven trial, Qin Chen and the others have disappeared. No one knows where the two went, and never thought that the two were actually in this Jade Lake Holy Land.

Had the two of them been in the sacred place of Yaochi from the beginning?

But if this is the case, Lord Palace Master and Big Sister Wei Siqing also didn't know why. "My matter is very complicated. I don't have much time to explain to you. By the way, why would the forces such as the King's Mansion act against Guanghan Mansion?" Qin Chen frowned and said, half-talking, but shook his head and said: "Forget it, just search for the soul

Fast. "

boom!

Qin Chen stuck out his palm and directly squeezed Jin Rongtian's head. Jin Rongtian, who was in a coma, woke up in an instant, with a look of anger on his face, "You... bold...ah!"

He screamed, the soul in his mind was instantly swallowed by Qin Chen, and immediately countless memories began to appear in Qin Chen's mind.

With Qin Chen's current cultivation base, it is too simple for Soul Searching Jin Rongtian to be such a half-step holy master.

Countless memories emerged, and Qin Chen finally understood the ins and outs of the matter.

"Is it still because of me?" Qin Chen's gaze was cold, and he looked up at Saint Master Feihong and the others, because from Jin Rongtian's memory, he even saw Saint Master Feihong and others even have to do something with You Qianxue.

These guys are looking for death.

Qin Chen had endless fears in his heart. Fortunately, he rushed back as soon as possible. Otherwise, once Guanghan Palace fell, Qin Chen didn't know what would happen.

At this time, above the sky, the Lord of King Ren and others surrounded Palace Lord Guanghan and looked down coldly.

"Holy Master Feihong, don't waste time, you said that Qin Chen's favor is in this Guanghan Mansion. Find out quickly."

The Holy Lord of King Ren said with a cold voice. "My Lord Saint Lord, don't worry, I only know that Qin Chen's affection is in our Guanghan Palace, and most likely it is in the Yaochi Holy Land. As for where it is, I'm afraid it's the only way to win Guanghan. The palace owner only knew, but

, Qin Chenzi also has a Chendi Pavilion in this Guanghan Mansion. It is said that Qin Chen established a power, among which Qin Chen's confidant, this seat can take down the Chendi Pavilion first. "

Holy Master Feihong said loudly.

"Chendi Pavilion?"

The Holy Lord of King Ren frowned and looked at Palace Master Tianshan: "Tianshan, go and take down the Chendi Pavilion. Remember, none of them can be let go. As for the Holy Master Feihong..."

The Holy Lord of King Ren said coldly: "You still control this Guanghan Mansion first, and you must not let the people of Guanghan Mansion escape."

"Then I will go."

Palace Master Tianshan laughed. Anyway, there are Saint Lord of Ren Wang and others, enough to control Palace Master Guanghan, his figure swayed, and he immediately rushed to the location of Chendi Pavilion. He also knew the information of Chendi Pavilion in advance.

"court death!"

Qin Chen's eyes became icy in an instant: "Very good, anyway, I don't break through the realm of the holy master, and there is still a lot of holy master's rules, so I will take you." Qin Chen shook his body, quietly disappeared into the void, and lurked towards The location of Chendi Pavilion.

## [Chapter 3158: Hidden Killer](#)

"Hahaha, go, follow Palace Master Tianshan to find the Chendi Pavilion."

"Hehehe, I heard that the Chendi Pavilion was a force established by Qin Chen, and he definitely collaborated with the Demon Race, and even knew where Qin Chen was, took the Chendi Pavilion, and asked about the origin of Qin Chen."

Immediately there were a lot of powerhouses rushing towards the Chendi Pavilion in Guanghan Mansion. They wanted to work on Chendi Pavilion. Obviously, the other party had already made enough preparations and knew what Qin Chen had established in Guanghan Mansion. Their chance of escape.

Chendi Pavilion. Today's Chendi Pavilion has been thoroughly developed in Guanghan Mansion because of Qin Chen's relationship, occupying the prosperous area of Guanghan Mansion, and it is usually quite a city, especially because of the cooperation with Wangu Tower. Xun in Guanghan

It developed rapidly and prospered.

After the trial in the heavens, Qin Chen's news made Chendige extremely hot, but Ao Lie and others quickly sensed the crisis and became extremely low-key for the first time, just developing business.

But because of Qin Chen's sake, Chendi Pavilion was still being watched, and inexplicable people came every day, not trading, just watching.

As soon as Guanghan Mansion was attacked, Ao Lie quickly evacuated Ao Qingling, Chen Sisi and other core personnel, preparing to leave Chendi Pavilion.

"Everyone, follow me. As long as they work in the sky, these people in the Renwang Mansion will definitely not dare to continue to take action. There is only the only safe place at this time."

In front of Ao Lie and the others were the masters of Heavenly Work, such as Zhou Wusheng, Xu Yue, and Chimei. The people with Chendi Pavilion quickly evacuated.

However, as soon as they were halfway through, a group of half-step holy master masters from Guanghan Mansion had already stopped them.

Zhou Wusheng's face changed, and he said angrily: "What are you doing? We are people who work in heaven. Do you want to fight my work? You are so brave." "Work in heaven?" The leading old man grinned. "According to the rules of the heavens, daily work must not interfere with local affairs. This is an iron law. Those who leave the Chendi Pavilion, you can leave the work day. Otherwise, your daily work violates the rules.

Husband arrested the people who worked for you. "

"Huh, these people behind me are all disciples of my Tianyu Martial Arts Department, and they have all been registered with my Tianyu Martial Arts Department. What reason do you have to intercept and leave quickly, otherwise my Tianyu headquarters will be furious and you will be troubled. Evasion of punishment."

"It seems that you are reluctant to give up, since that's the case, they all took it down."

The leading old man sneered, waved his hand, and suddenly many powerful men surrounded him.

"Rush out." Zhou Wusheng whispered to Ao Lie and the others. The next moment, he moved directly, booming, and the half-step holy master's breath erupted. After Zhou Wusheng returned to work in heaven, he was promoted to half-step holy master's. Realm, the strong way of the Holy Lord permeates the body, bang

Bang Bang, these ordinary half-step holy masters were not his opponents at all, and they were shocked and flew out.

"Fleeing in the direction of Heavenly Work, the Minister is rushing back. As long as he enters Heavenly Work, the forces such as the Royal Mansion should be a bit jealous. When the Minister returns, everyone will be safe."

When the scene was chaotic, Qin Chen was already lurking here in the void on the side, with no aura, like a ghost. The emptiness of space power around him is pervasive. Although the space origin of the Tianwu Continent cannot exert the same power as the Tianwu Continent in the celestial realm, the Tianwu Continent is after all the same source continent as the celestial realm. Once the space origin is displayed, one

The general saint master could not imagine Qin Chen's location.

"Kid Qin Chen, I didn't expect you to also build the Chendi Pavilion in the heavens. Well, there are still a few beautiful women. Qin Chen, don't you want to build a huge harem in the heavens?"

The \*\*\*\* cat appeared beside Qin Chen, teasing.

Qin Chen glanced at the \*\*\*\* cat, this guy has never been reliable.

"Kid Qin Chen, here comes."

Suddenly, the \*\*\*\* cat stopped talking and looked into the distance.

Qin Chen also looked up, and saw the sky in the distance, a figure suddenly struck, it was Palace Master Tianshan.

"Huh, how many ants do you want to resist?"

Palace Lord Tianshan appeared in the sky momentarily, seeing the rebelling Zhou Wusheng and others, he couldn't help but sneered, stepped out, his palm was empty.

Suddenly, a vast force enveloped Zhou Wusheng and the others. The Zhou Wusheng and others who were still in constant resistance and wanted to rush out here were instantly imprisoned in the void, unable to move.

"Not good!" Zhou Wusheng and the others all showed despair on their faces, their expressions frightened, struggling, banging, banging, with the half-step of the holy master's power, madly hitting, but they couldn't break through the Tianshan Mountain at all. Palace Master's bondage, Palace Master Tianshan is after all

The lord of a mansion, even if he was Tianjiao, Zhou Wusheng was only a half-step holy lord, how could he resist the Tianshan palace lord.

But the resistance of Zhou Wusheng and others made Palace Master Tianshan dissatisfied.

"Hmph, the ants actually want to go against the sky."

Palace Master Tianshan stepped down, his eyes were indifferent, and a vast wave of fluctuation swept out in his eyes, instantly enveloping Ao Lie. "These are the high-levels of Chendi Pavilion? Huh, first search for souls and see if you can get some useful information." Palace Master Tianshan said with a sneer, and the invisible fluctuations began to slowly penetrate into Ao Lie's soul. Read Take the message from his soul

.

"what!"

Ao Lie suddenly screamed in pain, his face twisted, and a cold sweat.

"father."

Ao Qingling roared, with tears on his face, frantically struggling, trying to break out of the shackles, but couldn't get rid of Palace Lord Tianshan's space domain. Zhou Wusheng also roared angrily, but could only watch this scene happen. Even the half-step elders of the saint master are a little frightened. They search for the soul abruptly, which is very dangerous. If one is not careful, Ao Lie will be severely injured in the soul, become an idiot, and the soul will be scattered and fall directly. This method is very cruel.

It is not something ordinary people can use.

"Kid Qin Chen!"

The \*\*\*\* cat looked at Qin Chen. Murderous intent surged in Qin Chen's heart, but his eyes were extremely calm. There was no ups and downs of killing intent on his body. Like the same hidden killer emperor, his eyes were extremely calm. At the moment when Palace Master Tianshan was preparing to search for his soul, Ao Lie was highly concentrated. Qin Chen

Moved suddenly.

"kill!"

boom!

Qin Chen rushed out from the space like an angry dragon, bang bang bang, and saw that the void in front of Qin Chen's eyes suddenly exploded, and the violent void exploded in front of Qin Chen. The stunning body was crushed.

"Kill!" Qin Chen roared and shook the world. All the void around him was shattered like a mirror. At the same time, a mysterious rust sword appeared in Qin Chen's hand, and a terrible cold light filled it.

[Chapter 3159: Nailed in the void](#)

As soon as Qin Chen came up, he displayed the most powerful killer move, even the mysterious rust sword was refined.

The purpose is to try to get rid of a holy lord tycoon first and give the opponent the strongest blow.

Of course, Qin Chen was only urging the mysterious rust sword, and did not provoke the terrible cold force in the mysterious rust sword, but even so, a terrifying murderous aura like heaven exploded.

"What?" Although Palace Master Tianshan was immersed in the soul search of Ao Lie at this time, after all, the soul search had not yet started. With his cultivation base of the Holy Master, he was still the first of all to react. Shocked, he stopped searching for souls and sensed for the first time

In the presence of Qin Chen.

Then I saw a sharp sword glowing with pitch-black luster, with an endless cold breath, appearing in front of me like lightning.

"Who would dare to attack this holy master?"

Palace Master Tianshan shook his body, and the power of the terrifying Holy Master instantly permeated. The space around his body condensed in an instant, as hard as an iron block, and his eyes revealed a mocking light.

He had already felt Qin Chen's breath, half-step to the peak of the Holy Master, a small half-step to the peak of the Holy Master, he wanted to sneak attack himself, too naive.

"Humph!"

He raised his hand, grabbed Qin Chen and took photos, confining Qin Chen like Zhou Wusheng and Ao Lie, and then lifting it up like a chicken.

"Kill!" Qin Chen's heart was indifferent. The original magical powers, destruction sword intent, killing sword intent, and eternal sword intent in his body burst out in an instant. Four consecutive swords struck Palace Master Tianshan. This sword aura contained him. The skill of life, with the eternal sword

The Lord's eternal sword aura, and in the sword aura, I also felt the origin of everything in the world.

Swish Swish!

Between the four swords, the sword qi was like a divine light, and it instantly sank into the space domain of Palace Lord Tianshan.

puff!

Just as the hot knife pierced the butter, the mysterious rust sword easily pierced the space domain, and if it entered the realm of humans, the world was overwhelmed by this sword intent.

"What?" Palace Master Tianshan was furious, and there was horror in his eyes. What kind of magical powers the other party displayed, he easily tore his own space constraints, he could no longer remain calm, grabbed his big hand, five fingers Above the roots, the rainbow erupts

, Like a sky pillar, must pinch the mysterious rust sword pierced by Qin Chen to prevent Qin Chen's assassination.

But Qin Chen just turned it lightly, poof, the mysterious rust sword easily tore the holy yuan erupting from the palm of Palace Master Tianshan, and directly penetrated the palm of Palace Master Tianshan.

"what!"

Even though Palace Master Mountain reacted for the first time that day, he still failed to display his strongest strength, so he encountered a sudden attack by Qin Chen. The mysterious rust sword penetrated his palm, and the whole person let out a scream. .

But Qin Chen's attack did not stop. Four consecutive swords were slashed on his body, and various terrifying laws and divine ways erupted, making him feel like he was completely torn from the body to the soul, and he fell into the boundless hell. .

Puff puff!

The cold power of the mysterious rust sword, combined with Qin Chen's various magical abilities and sword intent, instantly penetrated Palace Master Tianshan and penetrated into the void.

Zhou Wusheng and others reacted at this moment, and saw such a horrifying scene, a black shadow shot out like lightning, and in an instant, it nailed Palace Lord Tianshan to the void and penetrated the place.

"Qin... Qin Chen!"

At this time, Zhou Wusheng and the others saw the person who shot, it turned out to be Qin Chen.

"Dust...less dust..."

Ao Qingling, Chen Sisi and others were completely stunned. It was Shao Chen who had been thinking of them to save them, and tears filled their eyes.

"Ah... you are Qin Chen? Kill, this sage killed you." Palace Master Tianshan was furious, booming, a terrifying mountain appeared in his body, shaking out, and knocking Qin Chen's sword aura away. Get out.

puff!

Palace Master Tianshan squirted blood wildly, the rules of the holy master shook, and divine light spurted from his eyes, and all the power in his body burst out.

The wound on his body, like a black hole, could not be healed under his holy master's law, but instead was constantly spewing out damaged original matter. "Damn, you're so cruel, I'm not reconciled, my Tianshan divine body, invincible, was attacked by your stinky boy, how could it be possible, what is your secret? Why do you have such magical powers? life,

Cut off most of it all at once, I am not reconciled, how could this happen. You are a small half-step to the peak of the Holy Lord, that is the ant, how could the ant hurt me such a dragon. "Palace Master Tianshan originally wanted to attack Qin Chen, but he sensed his own situation, and he was immediately

frightened. His body was decayed like never before, and the wounds pierced by the sword qi were terrifying. The cold power of

Spread in his body.

"kill!"

Qin Chen didn't give Palace Master Tianshan a chance to escape at all. The infinite sword energy rose up and turned into a mighty sword formation, surrounding Palace Master Tianshan, turning into a cage, and crushing it.

Boom!

The infinite sword energy once again converged into a thick divine sword light, penetrated through the hole, Palace Master Tianshan roared, and a majestic sacred mountain appeared on his body. The shadow of the sacred mountain was vast, trying to resist Qin Chen's attack.

"The time rule!" Qin Chen urged the time rule, and the phantom of the sacred mountain suddenly became slow. Qin Chen seized the opportunity to directly tear all the body of Palace Master Tianshan while the sacred mountain was not formed. Even Qin Chen felt his holy master

The sources are beginning to crack.

puff!

Qin Chen's mysterious rust sword once again penetrated Palace Master Tianshan into the void, nailing it there like a dead fish. The terrible killing mood, the origin of magical powers, and the technique of patching the sky began to refine Palace Master Tianshan's power.

The origin of Dao Dao Saint Master began to be refined and entered Qin Chen's body.

In addition, Qin Chen's urging soul impact, imprisoning Palace Master Tianshan's soul.

"what!"

Palace Master Tianshan felt that his life was passing quickly.

"I'm dead, am I going to die like this? No! Impossible!" Palace Master Tianshan turned into a mountain phantom and skyrocketed again. At this moment, Qin Chen's continuous attacks smashed all of his supernatural powers to protect the Saint Yuan. He Shengbao, his body was shaken, and he was willing to be blasted away by his nailed flesh, breaking away from Qin Chen's bondage.

, And then soared up and turned into a black sacred mountain, the black ancient aura of that sacred mountain emanating toweringly, breaking through the obstacles, must flee here. However, just before he soared, a terrifying spatial force had already enveloped him, sneered sneered, Qin Chen peeped it with his hands, turned into a black palm of the Saint Yuan, descended from the sky and landed on this black mountain. Shun that black sacred mountain

Caught in time. Moreover, among the black palms, black tentacles stretched out, piercing into the body of Palace Master Tianshan, absorbing the power in his body.

[Chapter 3160: Suppress the Palace Lord](#)

It is the Devil Tree of Ten Thousand Realms.

Qin Chen instantly imprisoned Palace Master Tianshan with the power of the Demon Tree of the Ten Thousand Worlds through his own Saint Yuan's power.

If in the past, the power of the Ten Thousand Realms Demon Tree was unable to trap a strong Holy Master, then the Ten Thousand Realms Demon Tree that has been trained is already strong enough to cause damage to Palace Master Tianshan such as the powerful Holy Master. .

"Ah...what the \*\*\*\* is this, Qin Chen, you kid..."

Palace Master Tianshan felt that his body was completely restrained, unable to move at all, and the life force in his body was madly flowing. Qin Chen's icy voice passed over: "Palace Master Tianshan, don't resist, you are dead today. All the essence of life has been taken by me, becoming one of the energy sources for Ben Shao to break through. I want to refine you. Will you dare to treat me from now on?"

The hands of the Lord of Dust. "

The black sacred mountain was transformed and condensed by the power of Palace Master Tianshan's life. The big hand that Qin Chen sacrificed to him was caught in his hand, unable to move. Although Palace Master Tianshan is a mansion and one master, the Holy Master is strong, but under Qin Chen's countless sword anger, his body was slashed, and his soul was also injured by Qin Chen's mysterious rust sword, and the heavenly soul forbidden technique was imprisoned. Coupled with being trapped by the Devil Tree of Ten Thousand Realms, almost

There is no force to fight back.

"No... this is... the power of the Demon Race, you are really related to the Demon Race!" Palace Master Tianshan roared again and again, he felt the power of the Demon Race in the Ten Thousand Realms Demon Tree, and roared in fright. But it was useless. Qin Chen sucked his body into the jade disc of Universe Good Fortune a little bit, and Palace Master Tianshan was still resisting.

The impact force of, almost broke free from Qin Chen's hands again, if it were not for the assistance of the Ten Thousand Realm Demon Tree, Qin Chen would not have been able to completely trap the Tianshan Palace Master.

This is a holy master powerhouse, the master of a mansion, asking about the existence of Hantian, such a master is no small thing.

"Good fellow, with such a terrifying power, I can't easily refine it at all. Without dozens of hours, I can't even think about it. Even under the acceleration of time, it will consume a lot of energy." Qin Chen was secretly shocked. , Even though he broke through to the half-step holy master's peak, but after sensing the power of Tianshan Palace Lord, he found that in a hurry, the holy master palace owner is the holy master palace master, and the power in the body is too much stronger than the half-step holy master.

That's a lot, this is a hundred times, a thousand times improvement, if you forcibly want to swallow a holy master when you haven't reached the half-step holy master peak, it will definitely hurt yourself seriously.

It's better now, although it can be refined, but at least dozens of Celestial Years are needed.

However, Qin Chen has time acceleration, so naturally he is not afraid. For several years in the celestial realm, under the acceleration of time, it will only take a year at most. What's more, Qin Chen also has the magic tree of ten thousand realms, which can be faster with the help of the sky patching technique.

Even Qin Chen was not refining alone.

"boom!"

The whole process was long speaking, but in a flash, Palace Master Tianshan was caught by Qin Chen's big hands, and then dragged into the Universe Jade Plate with the Ten Thousand Realms Demon Tree.

"This is... the sacred treasure of the small world, you actually have a small world on your body, you are preparing to trap this seat and refine this seat, no... this seat is the supreme Holy Lord, kill me!" After Palace Master Tianshan entered the Universe Good Fortune Jade Plate, he didn't give up. He wanted to rush out of the Universe Good Fortune Jade Plate. The whole Universe Good Fortune Jade Plate was full of rumblings, and there was a tendency to explode. Fortunately, the present Universe Good luck jade disc, prestige

The power is endless, and Zixiaodou leads the palace to suppress it, not ordinary power can destroy, otherwise it may not be able to trap a holy master.

"Yao Wuming, Tu Moyu, Su Quan, Lingyuan, Murong Bingyun, what are you waiting for? Don't do it quickly..."

Whoosh whoosh! In the jade disc of good fortune in the universe, a group of figures suddenly appeared. It was Yao Wuming and other top masters. Under the leadership of Qin Mo, they instantly came to the Tianshan Palace Lord who was crazy about to rush out, and began to seal all of the Tianshan Palace Lord. Holy Lord

The law, the essence of life.

In addition, countless tentacles of the Ten Thousand Worlds Demon Tree also wrapped up, turned into canes, and penetrated the body of Palace Lord Tianshan.

"You..." Palace Master Tianshan looked at the sudden appearance of Yao Wuming and the others, one by one was stunned. What did he see? How many human Tianjiao at the peak of the Holy Lord, and... the Tianjiao of the Demon Race? How could there be so many masters in Qin Chen's small world? he

It's crazy. Yao Wuming and others are not ordinary half-step holy masters. They are the top tianjiao in the entire heaven. Although they are only half-step holy master peak cultivation base, they dare to fight against ordinary holy master masters. Now Tianshan Mansion The Lord was seriously injured, immediately

Was severely suppressed by them.

Hum! Palace Master Tianshan uttered a painful roar, and he refused to give in! At this moment, a mighty divine might descended suddenly, and I saw a simple palace fall, it was the palace of Zixiaodou, suppressed on the head of Palace Lord Tianshan, and helped Qin Chen.

Refining. Many Tianjiao teamed up to refine an early peak holy master. Palace Master Tianshan couldn't resist immediately. He let out a desperate scream. All of his will was instantly wiped out. The huge memory entered Qin Chen's body. Species

This kind of manipulation of mountains is condensed in the book of origin.

The book of origin, a "Civilization of Tianshan" was born. And the towering mountain shadow incarnate by Palace Lord that day was directly integrated into the jade disc of good fortune in the universe, forming countless towering mountain energy, the huge law of the holy master rushed like a dragon, and the pure life essence is just like Wolf Smoke One

So billowing.

Whether it is Qin Chen, Yao Wuming, or Tu Moyu, the aura of the Holy Master's Tao is rapidly improving.

This is like taking a big tonic.

In an instant, the aura of the saint master's way on Qin Chen's body became more solid and thick, like a vast ocean.

"Sure enough, I want to come to the heavens. Only in the heavens can I have enough resources to break through."

Qin Chen was delighted, in Tianwu Continent, how could there be such a great master master for him to absorb? Swallowed?

This is really, Qin Chen and the others are full when a holy master falls. "Little Qin Chen, the most powerful thing you have right now is Venerable Skyfire's Zixiao Dou Li Palace, but this Zi Xiao Dou Li Palace, you still can't refining, this is the treasure of the Venerable, the power you need for refining is incomparable. It's huge, and any stimulus needs to consume infinite sacred yuan. But now Palace Master Tianshan's power can just be used, as long as the power of the Palace Master Tianshan's law is infiltrated into the Palace of Purple Clouds, You can use more Zixiao Dou Li Gong power to make your combat power

Stronger. "The \*\*\*\* cat didn't do anything. It just watched the entire battle in the jade disc of good fortune in the universe. When the battle ended, it suddenly spoke.
