

Valkyrie 3231

[Chapter 3231: League Assembly](#)

"Yes, it was this seat's guidance that gave her a bit of transformation. If this seat guessed correctly, she is not far from the realm of the Holy Master now, right?"

Qin Chen said lightly.

"Senior really has a brilliant plan. Fortunately, Senior Sister Shuhui has been in retreat in the palace since she returned from the Celestial Trial. There are rumors that Senior Sister is assaulting the realm of the Holy Master, and she unexpectedly has such a relationship with Senior. If you have any instructions, please speak. The younger generation will go through fire and water, and will not hesitate."

Xu Zhijie complimented.

Originally, he came from a big power like Guangcheng Palace, and he didn't need to compliment anyone at all, but the strength Qin Chen showed was too terrifying, could he not be afraid of the mid-term Saint Lord? Even if it is bragging, I dare not look down upon it.

What's more, he was able to do things that the Mid-term Saint could not manage, and he could do it with just a few gestures. Xu Zhijie didn't dare to offend such a situation.

"Hehe, going through fire and water, it's not necessary for you. You came here this time mainly to see you Palace Master Guangcheng, because I have an amazing piece of information. I want to tell her that, as you, I should be able to help Ben Tell me about it and let me see the Lord Guangcheng. Of course, it's okay for me to break into Guangcheng Palace directly, but I don't want to do this, so as not to attract your hostility from Guangcheng Palace. After all, this seat is here. I came here this time to make friendship with you Guangcheng Palace. Can you do it?"

"This is no problem. Senior has treated me such a great kindness, and I can't handle this little thing. How can I return the kindness of senior?"

Xu Zhijie glanced at Qin Chen and found that his expression was indifferent, as if he had said that breaking into Guangcheng Palace was really easy, and he couldn't help but shudder.

He faintly felt that what Qin Chen said might be true.

If he refuses the other party, maybe this person will break directly into Guangcheng Palace.

"That's good." Qin Chen nodded.

"Senior, please come with the younger generation. The younger generation takes the senior to see my father. My father is also the Holy Lord. He is the Supreme Elder in Guangcheng Palace. Although the younger generation is a core disciple, the Lord Palace Lord is currently dealing with the next Guangyuetian. At the five-power alliance conference, the disciples are not qualified to interrupt directly, but the father of the junior can inform the lord of the palace so that the senior can see the lord of the palace."

"Five forces alliance conference?"

"Yes, this is the grand gathering of our Guangyuetian. The ancestors naturally know that the celestial realm today looks peaceful, but in fact the struggle in the big celestial realms secretly is very fierce. Our Guangyuetian is in the key place of the eastern heaven. A must-see, so there are often other forces in the universe trying their best to destroy our Guangyuetian, our top five forces, every once in a while, the alliance conference will be held to discuss the next countermeasures. This conference has lasted for tens of thousands of years, and the most recent conference was not long after."

Xu Zhijie explained, leading the way.

Qin Chen carefully searched the memories of the Jiuyou Sage Masters, and he saw some information from it, and this time the Alliance Conference, the Yaomie Mansion forces represented by the Jiuyous Sacred Masters, were about to attack the other two forces of Guangyuetian Hands-on, truly unified Guangyuetian.

This is an opportunity.

While meditating, Qin Chen followed Xu Zhijie to a teleportation formation in the depths of this space continent. This teleportation formation had an ancient atmosphere and was established in ancient times. With the help of the power of the huge space continent, it can continue to operate and teleport to the extreme. Far away.

As soon as he fell into the teleportation formation, Qin Chen felt the space change, but his spiritual mind was aware of the details, and was in control of everything at any time.

Xu Zhijie took a peek at Qin Chen and found that this person was calm and comfortable. He walked on the ground everywhere. He could not help but secretly admired: "This is the temperament of a big man, but I have the ability to not be afraid of Lord Palace Master. In this way, strength is the foundation of everything."

Booming, the teleportation formation stopped, Qin Chen walked out of the teleportation formation and saw a fairyland-like world, with holy energy surging everywhere, and there was a 30% airflow in the air here, which was pure holy energy.

Obviously, there are generations of supernatural powers who diffuse the pure holy energy into the surrounding environment for disciples to absorb, so that they can improve their cultivation.

This is much more powerful than the Yaochi Holy Land in Guanghan Palace, and it is no wonder that Guangcheng Palace is so much stronger than Guanghan Palace.

"On that mountain, my father is cultivating." Xu Zhijie pointed at a mountain from a distance.

Qin Chen had discovered that mountain long ago. It towered straight up into the sky, and the whole body was smooth. A simple pavilion was built on the top of the mountain. Inside the pavilion, a middle-aged man sat with his body and the heavens, and his breath was endless. The holy energy descended, merged into his body, and turned into the pure power of the Holy Master.

When Qin Chen came in, the middle-aged man opened his eyes abruptly and looked at Qin Chen, "Which fellow Daoist came to the humble house, and it was brilliant, huh? Zhijie, your cultivation level..."

"My father, this predecessor, is a great power of the Holy Master, who has promoted the child to the overlord level, and has the grace to rebuild the child." Xu Zhijie said respectfully.

"What? Help you improve your realm? How could it be possible? This is something that I can't do for my father?" The middle-aged man stood up, majestic, and an astonishing air current exploded all over his body. His eyes were puzzled.

"What a friend can't do, can't I do it?" Qin Chen said lightly, and suddenly he put his hand on his hand, and a huge whirlpool appeared on Qin Chen's palm. The middle-aged man was unstable, and Qin Chen sucked it!

"Ah! The power of the supreme real dragon!" In the face of this, the middle-aged man's face changed wildly. After a shock, a real dragon roared behind him, and the angry dragon shook, resisting the suction, and launched a counterattack.

But Qin Chen flicked his finger, and a star-like Saint Yuan suddenly exploded, smashing the nine-headed real dragon instantly, sweeping everything with terrifying destruction.

This is a divine power of the Holy Master, but Qin Chen shattered with his fingers, showing that the two sides are not of the same level at all.

"The origin of destruction!" The middle-aged man was shocked: "My friend can actually control the way of destruction and condense the origin of destruction?"

"Father, this senior once instructed Senior Sister Xing Shuhui. This time I came to see the Lord of the Palace, saying that there is something important to discuss with us in Guangcheng Palace." Xu Zhijie said: "I hope my father can take this senior to meet. Lord Palace."

"Have you ever pointed out the saint of Xingshuhui? My friend, you just made a move, and you have a strong cultivation base. Under Xu Xiong, you admire you with five bodies."

The middle-aged man Xu Xiong said: "However, my Lord Palace Master of the Guangcheng Palace is preparing for the alliance meeting of the five major forces. Generally, we don't see outsiders, but with your cultivation level, you will definitely be able to get the Lord Palace Master's introduction. I just don't know that you will come. What's the matter with me in Guangcheng Palace? I am abrupt in Xia, but I still have to ask beforehand, otherwise I will not be easy to explain."

[Chapter 3232: Year of the Monkey](#)

Xu Xiong is much more experienced than Xu Zhijie. Although he shocked Qin Chen's cultivation, he quickly recovered his composure. With Qin Chen's strength, he could easily break into Guangcheng Palace, but he relied on himself through his son. Referrals, it can be seen to Guangcheng Palace

There should be no hostility.

But this was only his speculation. He had to figure out the situation. In case Qin Chen was the enemy of Guangcheng Palace, he took the opponent into the depths of Guangcheng Palace. Once a war broke out, he could not bear the responsibility.

"This time, I am here for the life and death of your Guangcheng Palace."

"Life and death?" Xu Xiong's body was shocked. If an ordinary person said so, he would definitely disdain, but Qin Chen's strength had already shocked him before. Such a master would never be scornful.

"I don't know what is going on?" Xu Xiong asked. "Your Excellency only needs to take me there." Qin Chen said lightly, glanced at Xu Xiong, hum, and suddenly Xu Xiong felt a suffocating coercion sweeping over him, and his soul was imprisoned. Feeling, almost unable to move, my heart

It has been eaten immediately.

Qin Chen's strength far exceeded his expectations.

"You can rest assured, if this seat is hostile, you won't have to worry about it, you can just take me in." Qin Chen said lightly.

"Never mind, my friend helped my son ascend to the overlord state, I naturally have no shirk." Xu Xiong thought for a while, knowing that Qin Chen said all the facts, so he said, "Also invite my friends to follow me."

As he spoke, he took Xu Zhijie to fly, Qin Chen flicked his sleeves and followed him closely.

Boom! The three of them flew forward in the void, constantly moving forward, passing through the layers of space, Qin Chen immediately discovered that the dojo of Guangcheng Palace actually had a pattern similar to the surrounding stars, layer by layer, like stars holding the moon. Until the deepest core

Ground.

Suddenly, time and space were distorted, and Qin Chen and Xu Xiong came to the front of a huge square. There was a plaque on the square, which was a thousand feet long and wide, exuding the atmosphere of a boulevard, with three large characters written on it, Guangcheng Palace.

In the square, people come and go, but most of them are women, beautiful and beautiful, Yingyingyanyan, and some men, all with extraordinary aura, they are all geniuses. "My friend, this is the real core place of our Guangcheng Palace. The lord of the palace is here. In addition, some of the best saints and children will also practice in it. As for the cultivation peaks of the old man, That's just an ordinary mountain

The peak is nothing but an important place. As for the most central part of Guangcheng Palace, only the confidant of the Lord of the Palace can enter. Like Fairy Guangcheng, once he breaks through the Holy Master, his status is definitely higher than that of the old man. "

Xu Xiong introduced that after landing on this square, some disciples saw him and saluted him. After all, the status of the Holy Lord was extraordinary. "The aura here is indeed different." Qin Chen looked around, unexpectedly there were some places that couldn't be seen clearly at a glance. Obviously there was a large array surging, which required careful analysis and could not help but nod secretly. It is no wonder that such a powerful force can become a Guang Moon and sky

The top power.

The disciples here are all at least the giants of the middle stage of the Heavenly Sage, and there are also many masters of the later stage of the Heavenly Sage, and even some half-step holy masters, and there are extremely large numbers. Obviously only the real core figures can enter here.

"Guangcheng Fairy Xingshuhui is in this Guangcheng Palace?"

Qin Chen asked, he closed his eyes and calculated, and as expected, he felt the aura of Fairy Guangcheng in the depths of this dojo.

At the beginning, Fairy Guangcheng was controlled by his special means, and he incorporated the magic fire of Venerable Skyfire. As long as he approached, he would naturally feel it.

"Well!"

"I can feel the location of Fairy Guangcheng." Qin Chen's eyes flashed and his figure shook. As soon as he got up, he entered the depths of Guangcheng Palace and appeared in a mysterious area. Here, the endless sage The qi is surging, it is very rich, let people breathe, and then feel the body

Shengyuan is eager to try.

Qin Chen could tell at a glance that this was a place similar to the Jade Lake Holy Land, and Fairy Guangcheng was cultivating in this holy land. Under this holy land, there was an astonishing sacred pulse surging, exuding a surging breath.

"Sir, wait a minute."

Xu Xiong's expression changed instantly when he saw Qin Chen's actions, he rushed over, but he couldn't catch up at all. When he caught up, several people had already entered this special place. "Oh, your Excellency is too reckless. This is the secret realm of my Guangcheng Palace. It is a special place. Even I can't enter at will. Your Excellency breaks in so rashly. If the Lord of the Palace finds out, I will be scolded. I leave, go to the palace

Lord Lord, go. "

Xu Xiong said with an anxious look on his face. It's just that as soon as his voice fell, someone flew up from the holy ground below. This is a group of female monks, all cold and arrogant. The hair on top of the head is tied into a colorful phoenix, ethereal and agile, and a kind of flying wings. Feel, and the body

Shang actually conveyed the aura of a holy master, who were all half-step holy master characters. The weakest was also the peak of the late Heavenly Sage, and he was obviously the true core disciple of Guangcheng Palace.

These people were talking about something, and when they saw Qin Chen in the sky, their expressions suddenly changed.

"Elder Xu Xiong, why did you appear here, and you... Xu Zhijie, why did you appear here? As you are, it seems that you can't enter the territory of Guangcheng Immortal Pool, right? Who is this one? ?"

The leading woman's face changed slightly, and she immediately said angrily.

"It's Sister Caiwei!"

Seeing the leading woman, Xu Zhijie's expression showed admiration, and her eyes were colorful, but at the moment when she heard the woman's anger, Xu Zhijie's face suddenly changed: "Sister Caiwei, this is a misunderstanding..."

Xu Xiong also hurriedly said: "Caiwei, this one is a friend of our Guangcheng Palace. I am preparing to take him to see the Lord Palace Master. I came here by accident. Everything is just an accident. I will take him there immediately. See Lord Palace."

Xu Xiong said that he would take Qin Chen away.

"Well, Fairy Guangcheng is cultivating here? With this breath, cultivate at this speed and break through the Holy Lord, the year of the monkey? It will take at least a hundred years, too slow!"

Above the sky, Qin Chen remained calm, feeling a breath in the fairy pond below, and couldn't help but shook his head slightly.

When he came here, he had already made contact with Fairy Guangcheng, and he naturally knew the state of Fairy Guangcheng. After Fairy Guangcheng returned to Guangcheng Palace from the Celestial Trial, his cultivation was indeed advancing by leaps and bounds. He is now in retreat and is attacking the Holy Lord. realm. Calculated according to the normal time, it will take about a hundred years. For any power, the appearance of a saint master in a hundred years is already one in a thousand, but in Qin Chen's view, it is too slow.

[Chapter 3233: Send Buddha to West](#)

Even Quan Muli and the others have broken through the realm of the Holy Master. According to their talents and resources, the Fairy Guangcheng born in Guangcheng Palace is definitely above them, but they are still half-stepping the Holy Master's hard work, really slow. .

"Friend, what are you talking about?"

Xu Xiong couldn't help being stunned when he saw Qin Chen motionless.

"I said it was too slow, nothing more, a good person will do it to the end and send the Buddha to the west. I will help her."

Qin Chen's voice fell, and suddenly raised his hand. Suddenly, in the palm of his hand, an invisible force condensed, representing the terrifying aura of the holy master's way, surging violently, and pressed his palm against the fairy pond below. .

"What are you doing?" The expressions of Senior Sister Caiwei and the others changed suddenly, and they rushed up to stop them one by one, but they couldn't get close to Qin Chen at all, so they were already shaken out by this force. One by one, the skirts on the body flew up, springing up

, His face flushed, and his hair scattered.

Boom! The terrifying power released by Qin Chen was suppressed violently, immediately igniting the large formation in the fairy pond. Suddenly, the sun was shining, ten thousand roars, endless holy yuan gushing out, and the entire fairy pond was rumbling and shaking. The entire Guangcheng Palace is fierce

roar. This is the great formation in the fairy pond, protecting the holy veins in the fairy pond, but in Qin Chen's eyes, such a great formation is not worth mentioning. His power quietly shook, and he actually penetrated this heavy array. Suddenly entered the fairy pond,

Entered a certain place in the fairy pond, which is the place where Fairy Guangcheng practiced.

boom!

The entire fairy pond is roaring, gushing into the sky.

Xu Xiong's face suddenly became pale, and Xu Zhijie was also dumbfounded.

"Senior, you...what are you doing?"

Xu Zhijie looked terrified, so scared that his soul was almost gone, his whole body was erected, and his back was covered in cold sweat, and he was almost scared to pee.

They broke into the land of the fairy pond, already violating the rules of the Guangcheng Palace, and now Qin Chen is still working on the fairy pond below, directly detonating the power of the fairy pond, it's over, it's over.

Xu Xiong also turned pale, his eyes turned black, and he almost fell over.

by!

What evil star did he bring in.

And the saints of Guangcheng Palace all looked at Qin Chen angrily, furious, and hurriedly sent messages and issued warnings.

"Senior, you are hurting the old man."

Xu Xiong couldn't wait to hit and die here, and he couldn't explain how to explain it.

The movement here will definitely alarm the other holy masters of Guangcheng Palace. Once impeachment is initiated against him, he will be over.

Sure enough, as soon as his thoughts fell, a mighty breath rose in the Guangcheng Palace.

"Who is going wild in my Guangcheng Palace, eh? Xu Xiong, it's you, so brave, you brought outsiders to my Guangcheng Palace to do something, are you planning to betray the palace?"

Boom! Accompanied by the rumbling voice, Qin Chen's eyes flashed, and he felt a terrifying force in the depths of different degrees of time and space, breaking through the sky: "Huh! Xu Xiong, you are bold enough to take people into the fairy pond without permission. Alarmed Xianchi Shengmai, sin is unforgivable, first

Take you down and bring it to the palace lord, just in time for the palace lord to take care of you! "

boom! A piece of time and space was torn apart in an instant. One of the fists was suppressed against Xu Xiong. Xu Xiong's expression changed and he immediately protruded his huge palm. The real dragon's energy rose from behind him, but this one Huge fist, invincible,

The strong blast fell, and Xu Xiong's true dragon spirit was smashed.

Deng Deng Deng, Deng Deng Deng!

Xu Xiong's face changed suddenly, and he stepped back a few steps, his face was pale, as if he had suffered a little bit of injury.

At the same time, in the depths of the split time and space, a man in yellow clothes, with a tiger-backed waist and a raging waist, was overwhelming. His big hands grasped the four directions of the sky.

He was actually a powerful man of the early peak of the Holy Master, his breath was like the ocean, too terrifying, and his body, as if to blend with the heavens, was obviously a powerful man who was heading for the mid-term Holy Master.

Such a master is very rare in a world like Guangyuetian. When asked Hantian, he is the most powerful palace master in the palace. After all, there were also three or sixty-nine holy masters in the early stage, and this person is definitely the most The strong one.

"Zuo Rongtian!"

Seeing the incoming person, Xu Xiong's face was pale, his eyes sank, and anger and hatred emerged in his heart. "Yes, it's me, Xu Xiong, you have never dealt with me, but after all, you and I are the holy masters of Guangcheng Palace. Before this, I had tolerated you for the sake of the overall situation, but who would have thought that you would bring outsiders? Destroy the place of my fairy pond in Guangcheng Palace, it looks like

, You finally revealed a sinister purpose before the Alliance Conference, let's talk, which force did you send? I was allowed to do such things that would destroy the foundation of my Guangcheng Palace. Today, I will take you down. "

This Zuo Rongtian obviously had a grudge with Xu Xiong. As soon as he came up, he gave Xu Xiong a big hat that could not be rebutted. If he was held back, Xu Xiong could not escape.

While talking, Zuo Rongtian glanced away, staying on Qin Chen for a while, and feeling the Holy Master's Law lightly, but could not see Qin Chen's true strength, he thought he was an ordinary master. "Zuo Rongtian, don't be arrogant. I brought this friend here this time to see the lord of the palace on important matters. Don't spit people. Although you are the early peak holy lord, you are only too elder. I am not qualified to convict me." Xu Xiongling

Cold road. "Not qualified to condemn you?" Zuo Rongtian looked disdainful, "Although you and I are both too elders, but this time you committed too much trouble, do you know that fortunately, the saint of Shuhui is in this fairy pond Cultivating in the middle, is breaking through the realm of the Holy Lord, maybe because of you

The intrusion of Xingshuhui has led to the failure of the saint of Xingshuhui to break through the Holy Lord. The saint of Xingshuhui is a direct disciple of the lord of the palace and one of the future heirs of our Guangcheng Palace. You destroy the breakthrough of the saint like this, What is it? "

"You... **** mouth!"

Xu Xiong trembled with anger, but his heart sank.

Zuo Rongtian's accusation was very targeted. Once something happened to the Holy Journey of Fortune-telling, then he was really hard to tell and was absolutely unable to escape punishment.

At this time, the movement of the land of Xianchi has attracted the attention of many masters, and people are standing proudly watching the confrontation between the two saint masters.

"Your name is Zuo Rongtian?"

Suddenly, in this quiet time, Qin Chen spoke, and he looked at Zuo Rongtian coldly, a strange light radiating from his eyes. Not because of anything else, but from the memory of the Holy Master of Jiuyou, he knew that this Zuo Rongtian was actually a **** that Yao Mie Mansion broke into Guangcheng Mansion. It had been drawn by their Yao Mie Mansion and became People from Yaomie Mansion.

[Chapter 3234: Luo Qingyi](#)

He didn't think there was a way to heaven, and he didn't go to hell. He insisted on breaking in, and even provoke him.

Qin Chen smiled coldly in his heart, this Zuo Rongtian was seeking his own death. "Who are you? No matter who you are, you dare to sabotage the cultivation of my holy lady of the Guangcheng Palace Xingshuhui, with sinister intentions. Today, this seat will replace Guangcheng Palace to take you down." Zuo Rong was cold and cold. He scolded, booming, he stepped forward, suddenly terrible

Shengyuan's lingering on his body, severely suppressed Xu Xiong and several others.

"Elder Xu Xiong, do you want this seat to act, or do you obediently grab it and wait for the Lord Palace Master to send him out?"

Zuo Rongtian sneered coldly, gaining the upper hand in momentum.

"Elder Zuo Rongtian is really domineering, and Elder Xu Xiong is not an opponent." "Of course, where is the difference in level? Elder Zuo Rongtian is the holy lord at the peak of the early stage, half of his feet stepped into the middle of the holy lord. And the Holy Master Xu Xiong is only the early Holy Master, don't underestimate this level, the power between the two may be poor.

More than a few times. "

"I heard that the two elders have always been at odds. I didn't expect to see this battle today." "Humph, but this time Elder Xu Xiong did a little too much. He brought Xu Zhijie to the forbidden area of my Guangcheng Palace. It's fine, I even brought an outsider over. I saw this person working on the fairy pond below my Guangcheng Palace.

It may be sent by other forces to prevent the Master of Xingshuhui from breaking through. The wolf's ambition and the evil intentions. "There is also such a thing, Fairy Guangcheng, is the leader of our Guangcheng Palace, an undisputed genius, especially this time in the celestial trial, which has yielded huge gains. Now I heard that it is even hitting the Holy Lord Realm. Is the future pillar of my Guangcheng Palace

, One of the heirs of the palace lord, if something happens to her, it will be serious. This is the foundation of my Guangcheng Palace. "

Around, many disciples of Guangcheng Palace were all talking about it.

"Xu Xiong, you heard it too, just grab it with your hands, don't let this seat do it yourself!" Zuo Rongtian sneered and said coldly.

Boom boom boom! At this moment, a terrifying aura descended on Qin Chen, and Qin Chen felt the surrounding void tremble, and a series of terrifying holy master auras surged. It turned out to be a master of holy masters, in the blink of an eye, this fairy pond was nearby. Gathered at least seven Eight masters of the Holy Master.

Although these were only the holy masters at the early stage and at the peak of the initial stage, they represented the terrifying strength of Guangcheng Palace, much stronger than the strength of Guanghan Mansion.

"What the **** happened?"

When these holy master elders appeared, they were puzzled at first, and then when they heard what happened, they all showed anger.

It is a serious matter to bring outsiders into the forbidden area of Guangcheng Palace and destroy the saint woman's breakthrough!

"Pluck, this is true?"

A master of the saint master said coldly, and his whole body burst out with terrifying intent, coldly staring over.

"My dear elders, this matter is true. The disciples did see with their own eyes the outsiders brought by Elder Xu Xiong to the Xianchi in my palace, and even triggered the Xianchi riots and undermined the cultivation of Senior Sister Xing Shuhui."

Caiwei and the others also looked at Qin Chen and them coldly, with anger in their eyes. With so many masters around, they were full of confidence.

Both Xu Xiong and Xu Zhijie's faces changed, and they didn't know what to say.

This time, they were killed by Qin Chen.

"Xu Xiong, you are so bold that you dare to collude with outsiders."

"Fine, take him down, let it go."

"Xu Xiong is also the elder of my holy master in Guangcheng Palace. I didn't expect to do such things."

"Ugh!"

A holy master elder, either sighed, or angered, or surging with murderous intent, the invisible power blocked this void.

"Elders, listen to my explanation." Xu Xiong hurriedly said. If he doesn't explain, it will be over.

"No need to say more, take it!"

How could Zuo Rongtian give Xu Xiong a chance to directly order the shot.

"Hmph, a group of frogs at the bottom of the well!" Qin Chen suddenly sneered: "They are all saints, I think everyone is blind."

"what did you say?"

Many of the elders of the Holy Lord in Guangcheng Palace looked over in anger, lingering in murderous intent, this kid is too courageous, dare to speak like this, and look for death? "Isn't it? Said that the old man sabotaged Fairy Guangcheng's cultivation and prevented her from breaking through. Fairy Guangcheng had been under the guidance of the old man. Otherwise, if today, the old man took action, it was to give her guidance and make her breakthrough faster. None

Knowing, and making such a joke, it is really not asking right from wrong, not distinguishing innocence, ridiculous, really ridiculous. "

"Let Guangcheng Fairy break through faster?"

Zuo Rongtian sneered, "Your Excellency is joking?"

Qin Chen glanced at him, did not speak, but said to the depths of Guangcheng Palace: "Palace Master Guangcheng, your Excellency has been watching the theater for a long time, should he come out?"

As soon as Qin Chen's voice fell, a cold voice came from the depths of Guangcheng Palace.

"Zuo Rongtian, Xu Xiong, you are all the elders of my Guangcheng Palace. It is too shameless to argue in Guangcheng Palace. If you have any questions, sit down and talk!"

Boom!

At the same time, a force radiated from the depths of the Guangcheng Palace and turned into a vast moonlight bridge, with the vast holy energy oscillating in it.

"The Lord Palace took action."

Seeing this kind of power, everyone knows that Luo Qingyi, the real character of Guangcheng Palace, Guangcheng Palace Master, personally intervened.

The expressions of everyone became respectful. Then Qin Chen saw that from the end of the Moonlight Bridge, a girl-like woman walked out slowly. She looked only seventeen or eighteen years old, with a green appearance, but a closer look revealed that this There is a wave on the body of the young girl

Eternity does not change, the law of eternal youth is flowing.

This is the Avenue of the Holy Lord, the real power.

Mysterious and unpredictable, you can integrate into the heavens at any time, merge yourself and the heavens into one, and explode terrible power. This is a terrifying method unique to the mid-term Holy Master.

There is no doubt that this young girl is Luo Qingyi, the master of Fairy Guangcheng and the lord of Guangcheng Palace.

As soon as this woman appeared, the heaven and the earth turned into a moonlight heaven and earth, and everyone seemed to be in the cosmic starry sky, surrounded by moonlight breath.

"Master Palace!"

Many disciples of Guangcheng Palace saluted respectfully, and the elders of the Holy Master who were wrapped around the scene also bowed their hands in salute and looked respectful.

"Palace Master, you let me take down this guy." Zuo Rongtian saluted the Palace Master Guangcheng, then his eyes shot coldly, and he was about to do something to Qin Chen.

"Don't worry." Guangcheng Palace Master said lightly, and she said to Xu Xiong: "Xu Xiong, you are also the veteran elder of my Guangcheng Palace, let's talk, why do you bring outsiders into the forbidden area of my Guangcheng Palace? Do it, don't give an explanation, don't blame this palace for being kind!"

"Her eyes flashed with clean light, exuding a cold breath, and her eyes looked at Qin Chen at the same time, revealing a solemn color.

[Chapter 3235: Senior, why are you here](#)

Because she found that she could not see through Qin Chen's cultivation.

How is this possible?

She is the mid-term Saint Lord, the top powerhouse of Guangcheng Palace, and even, she has been in the mid-term Saint Master for many years, and she is only one step away from the mid-term peak.

It can be said that as the Palace Master of Guangcheng Palace, one of the five forces of Guangyuetian, she is one of Guangyuetian's top powerhouses.

Can't see through Qin Chen's cultivation level unexpectedly.

This is also the reason why she has long been aware of the abnormality here, but has been looking at it from the depths of the palace, and did not take the first shot, because she was investigating Qin Chen's strength, but she did not expect that Qin Chen could see through her purpose at a glance. .

At this moment, she has been calculating the origin of Qin Chen.

Such a master, with an extraordinary background, what does he intend to break into the Palace of Guangcheng? Xu Xiong breathed a sigh of relief. As long as the Lord Palace Lord is willing to listen to his own explanation, everything will be saved. He hurriedly stepped forward and respectfully said: "Your Lord Palace, the subordinates did not deliberately bring people to make trouble. But this friend said that he had pointed

Fortunately, the saint of the book collection, and asked the lord of the palace to discuss important matters, the subordinates saw that this person was true, and then they brought this person in. As for the land of the fairy pond, it was completely a misunderstanding. "Hahaha, just a misunderstanding?" Xu Xiong, you are also the early holy lord, too elder, is this excuse too ridiculous? "Zuo Rongtian smiled coldly," This person said that he had pointed the Holy Lady of Fortune Book Fair, did he really point it? Saint

Is it a disciple from the Lord of the Palace, who needs guidance from outsiders? Nonsense. "The Lord of the Palace, the subordinates did not directly believe by listening to the other party's words, but saw it with their own eyes. My son Xu Zhijie is just a giant in the middle of the heavenly sage. The subordinates have always had a headache for my son's inability to enter the realm of hegemony. But at this person's advice

Below, my son directly broke through the realm of the overlord, convinced his subordinates, and then brought him into the palace. Such a superior person, his subordinates believe that this person should not be slanderous. "

"What? Xu Zhijie became the overlord, is this person pointing?"

Palace Master Guangcheng condensed his eyes, even she couldn't easily do such a method. Seeing that the Lord Palace Master faintly believed, Zuo Rongtian's expression suddenly changed slightly, and he hurriedly said, "Master Palace, how can there be an expert in this world who can make people break through the realm of the late hegemony with just a few seconds? Even if there is, I am afraid that he has displayed something. Strange methods, in my opinion, this person deliberately sneaked into my Guangcheng Palace, with ulterior motives, most likely he wanted to destroy the foundation of my Guangcheng Palace, and even suspected that this person was sent by the other four forces deliberately against us. The spies of Guangcheng Palace, also please

Lord Master Ming Jian, let the old man take him. "

Zuo Rongtian said angrily.

"It's ridiculous." Qin Chen sneered, glanced at Zuo Rongtian disdainfully, and mocked: "Have you ever seen a spy who helped your Saintess of Guangcheng Palace break through the realm of the Holy Master?"

"Help the saint to break through the saint lord? Huh, where, why didn't the old man see it? The old man only saw you doing my hand at the fairy pond of the Guangcheng Palace. Maybe fortunately, the saint of Shuhui has gone crazy because of your interference. Not necessarily, Lord Palace..."

Zuo Rongtian said coldly, but his face suddenly changed slightly before his words fell.

Not only him, but all Guangcheng Palace experts present, all looked up in astonishment.

Boom!

I saw that above the sky of Guangcheng Palace, a series of terrible coercion came down, billowing dark clouds surging, and thunder was born.

"This is... Holy Lord Thunder Tribulation?"

All the masters of the Holy Master in Guangcheng Palace took a breath, and they all realized that this turned out to be the Thunder Tribulation of the Holy Master. It will only be triggered when the Holy Master breaks through the realm of the Holy Master. The last test of the Lord.

Could it be...Everyone bowed their heads and looked below the fairy pond, each with their faces shocked, and the aura that aroused the heavenly robbery was transmitted from this fairy pond, and now

in this fairy pond, except for the lucky book sage Female, almost no one else has the possibility of a breakthrough,

Could it be that the saint of Xingshuhui is going to break through the realm of the saint master?

hiss!

At this moment, everyone sucked in air-conditioning and looked at Qin Chen in amazement.

The harvest of the saints of Xingshuhui in the heaven trial. As the senior officials of the Guangcheng Palace, they naturally know what they know, and they also know that the Lord of the Palace, in order to cultivate the saints of the Xingshuhui, even the top fairy pond in Guangcheng Palace Let the other party practice and absorb. However, they all know that the Holy Master Realm is not so easy to break through. Even if it is a half-step Holy Master who has mastered a trace of the Holy Master Avenue, it will take a long time to truly enter the Holy Master Realm. Perception and accumulation

.

Just like the saint of Xingshuhui, everyone knows that although she will almost certainly be able to enter the realm of the holy master, at least it needs to be consolidated for a hundred years before it can truly hit the realm of the holy master.

But now...everyone is looking at Qin Chen. Except for Qin Chen's hand at the Xianchi before, nothing has changed. Now, the saint of Xingshuhui has begun to survive the calamity of the Holy Master. As he said, it was because of his guidance that led

A breakthrough for the saints of Lucky Shuhui?

No matter how everyone guesses, the most important thing at this moment is obviously the tribulation of the saint of Xingshuhui.

Rumble!

In the sky, thunder tribulation came, and the next moment, a thunder light surged directly into the depths of the fairy pond of Guangcheng Palace. The thunder light was extremely terrifying, as thick as a thigh, with a black air of destruction, let Everyone changes color.

This thunder robbery is terrifying.

It should be understood that when they broke through the realm of the holy master, they also encountered thunder tribulation, but they had never seen such a terrifying thunder tribulation. The thunder tribulation that came at this moment was at least several times stronger than when they broke through the realm of the holy master. .

There is such a terrifying thunder robbery in this world?

Everyone changed color, and Palace Master Guangcheng also changed slightly, with his fists clenched, revealing a look of worry, surprises in his heart.

Hi, they are about to give birth to a new Holy Lord in Guangcheng Palace.

Surprised, it was Fairy Guangcheng's Thunder Tribulation that was too terrifying, it was comparable to the Thunder Tribulation she had overcome back then, even slightly terrifying.

Can Fairy Guangcheng be able to hold it?

Qin Chen on the side was calm and didn't care.

Fairy Guangcheng has his own breath, and has also received his own magic fire power and source guidance, which would have attracted the attention of the heavens and caused a more terrifying thunder.

However, once through the thunder tribulation, her harvest will be extremely huge, and will be stronger than the average Holy Master.

Moreover, Qin Chen believed that it was not a problem for Fairy Guangcheng to survive the thunder with his own aura.

Under the eyes of everyone, endless thunder light descended, and the dark thunder continued to fall, pouring into the fairy pond, making people change color, under the thunder light, in the fairy pond, an extremely terrifying aura slowly rose.

Finally, at a certain moment.

Boom!

A clear and beautiful figure soared into the sky, splitting the thunder, swallowing the endless Saint Yuan, and stepping into the realm of the Saint Lord in full view.

It is Guangcheng Fairy.

"Master!"

She broke through the Holy Master, turned her head to look at Palace Master Guangcheng, with joy on her face, she just made a sound when she suddenly saw Qin Chen again, she was even more surprised.

"Senior, why are you here?" She shook her figure and suddenly came to Qin Chen, her expression respectful, and she was surprised.

[Chapter 3236: Wudao](#)

Under the gaze of all eyes, Fairy Guangcheng broke through the realm of the Holy Master, and it was not the Palace Master Guangcheng who flew first, but Qin Chen. This scene made everyone stunned and dumbfounded.

Especially Fairy Guangcheng's surprise expression made everyone faintly believe what Qin Chen said before.

It's just that they still don't understand. Even if Qin Chen pointed out Fairy Guangcheng, he wouldn't make Fairy Guangcheng so excited, right?

"Fairy Guangcheng, don't be unharmed. You can't think of a few days before you have broken through the realm of the Holy Master. It's gratifying."

Qin Chen said with a smile, with bright eyes and gentleness, like a senior looking at his junior. "Thank you Senior for your help. The breath just now belongs to Senior? No wonder the junior was in a critical moment of retreat, and couldn't break through the shackles with painstaking effort. Suddenly a familiar breath descended, helping the junior to step into the realm of the Holy Lord and break through the shackles.

If it was the senior who made the move, then the explanation would make sense. The senior pointed out and rescued the disciple twice, and the disciple was grateful. "

Fairy Guangcheng said again and again, extremely excited, her face blushing, where she looked like a Holy Lord who had just broken through, and she looked like a little woman who saw her lover, making people stunned.

Especially Xu Zhijie, Caiwei and others, their eyes are almost bursting. As the most outstanding saint and Tianjiao of Guangcheng Palace, Fairy Guangcheng has always been very arrogant. This is a kind of arrogance from the bones. When you see anyone, even the elderly, you don't lie. When did you take the initiative? And lively

Now, this broke many of the disciples who had a crush on Fairy Guangcheng.

Fairy Guangcheng, she... won't be good at this, right? Like uncle? But the person in front of him is no longer an uncle, he is almost an uncle.

This taste is too unacceptable.

The vicissitudes of breath on Qin Chen's body was obviously a living fossil, and the old predecessors made many disciples speechless.

"Shuhui, what's going on? Who is this person?" Palace Master Guangcheng frowned and asked, she was also very curious about Qin Chen at this time, if Qin Chen said that she pointed Fairy Guo Guangcheng, she will believe what she is suspicious, so now, she completely believes it, but Shuhui

She has been in Guangcheng Palace. When did she meet her and accept the guidance?

"Ah, Master." Fairy Guangcheng seemed to have reacted to the occasion at this time and hurriedly saluted: "Master, the disciple was too excited before and neglected Master. I also ask Master and the elders to forgive me. Master, this predecessor has been kind. Disciple Yu, do you remember Master

Did the disciples go out to practice and break through the giants? "

"Break through the mid-term giant of Heavenly Sage?" Palace Master Guangcheng pondered slightly: "That was... more than five hundred years ago, right?" "That's the time." Fairy Guangcheng nodded: "The disciple was stuck at the peak of the early days of Heavenly Sage. Realm, suffering from the inability to break through the mid-Tiansheng giant realm, so I went out to experience, but in the process of experience, I encountered danger, and got into a demon, and almost died. At the critical moment, this senior saved the disciple, and he said that the disciple was bound to her. He gave the disciple a random instruction. It is precisely because of the guidance of the predecessors that the disciple can understand the law of the giant and break through the mid-term realm of the sage in one fell swoop.

An Ran returned to the palace. "

Fairy Guangcheng "thinks back" now, still looking scared.

"There is such a thing?"

Palace Master Guangcheng showed a look of consternation. She knew about Fairy Guangcheng's experience when she went out to practice, because she knew very well that at the critical moment of breaking through the realm, instead of practicing hard, it is better to understand the world. Fairy Guangcheng didn't let her down either. After going out for some experience, she returned to the mid-Tiansheng stage. She was busy with other things at the time, and didn't ask too much, just gave Fairy Guangcheng more. Support and permissions, also add

With her determination to cultivate Fairy Guangcheng, she didn't expect that there was such a thing. Fairy Guangcheng lowered his head and said: "At that time, the disciple was afraid that Master would worry about you, so he didn't say much. In fact, his guidance to his disciple in his predecessor not only allowed him to break through the mid-term giant realm, but also had a great effect on his later cultivation ,positive

It was because of seniors that the disciple found the way he wanted to go in the future. "At that time, in addition to pointing the disciple, the senior also left a life-saving talisman for the disciple. This time in the heaven trial, the disciple was attacked by the demons in the ruins because of the talisman bestowed by the senior. , Survived,

It can be said that the senior has saved the life of the disciple twice. Before the disciple broke through the realm of the holy master, it was also because he felt the breath of the predecessors, felt the same in his heart, and communicated with heaven, and he was able to succeed in one fell swoop. "

"That's why the disciple was so excited when he saw Senior, and he asked Master to punish him, but Master, how could Senior Wudao be in our Guangcheng Palace? Is Senior Wudao a friend of Master?"

Fairy Guangcheng asked with a puzzled look.

Senpai?

Everyone looked over, it turned out that this holy lord was named Wudao.

"There is a way in the sky, and the world can only hold one or two of them, but I feel that there are many ways in the sky, one, a hundred ways, a thousand ways, and none of them can be described as one or two of me. It is meaningless!"

Qin Chen smiled slightly, his body was sullen, but the aura on his body melted into the world, giving people a feeling of boundlessness.

by!

Too pretending!

Xu Zhijie only felt his scalp numb. The meaning of this is very simple. It means that everything in the world has its own way, and even the heavenly realm has its own way. The average warrior can only master one or two of the way of heaven, and can only master a certain way, but this guy, I realized that the world, all

It is no longer possible to describe him with ordinary Tao, so he can only name him Wudao.

This is so awesome, dare to say so. "Wu Dao?" Zuo Rongtian's face was ugly, his eyes narrowed, and cold light burst from the depths of his eyes: "Your excellency, the world can't describe your one or two? It's ridiculous, Lord Palace, although This person did know Fairy Guangcheng, but his origins were very strange. Fairy Guangcheng's account was quite problematic. If so many things happened back then, would Fairy Guangcheng not tell you the Lord of the Palace? Subordinates doubt, There may be something tricky in it, so please check it carefully.

. "

This is naturally tricky.

Qin Chen pointed out Fairy Guangcheng five hundred years ago, but it was because he had enslaved Fairy Guangcheng, and made it up deliberately by taking advantage of Fairy Guangcheng's experience.

Only when Zuo Rongtian said this, Fairy Guangcheng's expression changed.

"Boom!" A terrifying aura rushed out of Fairy Guangcheng's body. Suddenly, the heavens and the earth changed color, and the astonishing aura permeated. Fairy Guangcheng instantly transformed from a lively girl into a cold female killer.

[Chapter 3237: Not knowing yet](#)

"Elder Zuo Rongtian, I am honored to write to you that you are the elder of the palace. You can slander the disciple, but you must not slander the innocent senior. If it were not for the innocent senior, the disciple would have fallen many times. You mean, disciple Do you collude with outsiders to harm my Guangcheng Palace?"

Fairy Guangcheng said coldly, the murderous intent all over the sky, this aura was too terrifying, like a vast ocean, drowning everything.

Many of the elders at the Holy Master level present slightly changed their expressions. Fairy Guangcheng's aura is too terrifying. Is she really just breaking through the realm of the early Holy Master? Compared to their veteran early holy masters, they are not weak at all.

Palace Master Guangcheng's eyes brightened.

"Well, let me just say a few words. Since your Excellency is indeed my benefactor of Guangcheng Palace, and it is said that I have important matters to this palace, then come to the main hall of my Guangcheng Palace to discuss."

The master of Guangcheng Palace's voice fell, hum, a rainbow light appeared under her feet, like a moonlight bridge, and instantly stepped into the depths of Guangcheng Palace, she stepped up, like a girl picking lotus, her posture was gentle, and it was gently shocked. Down, walk along the Moonlight Bridge into the depths of Guangcheng Palace.

"Huh! Senior Wudao, please come with me."

Fairy Guangcheng snorted coldly, and led Qin Chen onto the Moonlight Bridge into the depths of Guangcheng Palace.

The elders such as Xu Xiong and Rongguang also followed one by one. As for ordinary disciples, Saint Son and Saint Daughter, naturally they could only stay outside and talk about each other.

The palace of Guangcheng Palace is very magnificent, but it is also very simple and simple. As soon as Qin Chen and others entered, they saw that the Lord of Guangcheng Palace was already sitting on a chair deep in the hall, waiting for everyone to enter.

"Brother Wudao, what happened before was obviously just a misunderstanding. Your Excellency made an effort to make my Saint Lady of Guangcheng Palace break through the realm of the Holy Master. It is my benefactor of Guangcheng Palace." Palace Master Guangcheng squinted his eyes. , Speaking in detail, her voice is very soft, combined with her immature face, there is really a girlish sense of sight.

However, the faint aura radiating from her made everyone clearly understand the terrifyingness of Palace Master Guangcheng.

At this time, the palace lord of Guangcheng spoke, Zuo Rongtian, Xu Xiong and others stood aside and did not speak, but Zuo Rongtian's cultivation base was even higher than that of Xu Xiong. He also stood at the front of the main hall. One of the most powerful masters outside Guangcheng Palace Lord, listened silently.

"Brother Wudao, I heard Elder Xu Xiong say that you have important matters to discuss with this palace. I don't know what the important things are mentioned by Brother Wudao." Palace Master Guangcheng looked at Qin Chen with deep eyes. It seems that you want to see through him thoroughly.

Qin Chen nodded and glanced around, "My Lord Palace, there are so many people here..."

"Huh, I'm all the Supreme Elder of Guangcheng Palace, master of the Holy Master, what is important, do we need to avoid us? Master Palace, don't be fooled by this guy, I think this person is most likely someone else The spies of the four major forces." Zuo Rongtian suddenly sneered.

"Okay." Palace Master Guangcheng glanced at Zuo Rongtian displeasely, and then stared at Qin Chen: "Brother Wudao, don't worry, here are the elders of the Holy Master of my Guangcheng Palace. Speak out, no What is the problem."

Qin Chen nodded and said, "In that case, the old man said, the old man came to Guangcheng Palace this time, one is to see Fairy Guangcheng, and the other is to tell Palace Master Guangcheng that there is a certain influence. It has penetrated into Guangyuetian, and it is necessary to unite with other forces. At this alliance meeting, it will be detrimental to Guangchenggong and unify the entire Guangyuetian."

"What? A force has penetrated into Guangyuetian, is it going to be against us?"

Palace Master Guangcheng, Zuo Rongtian, and everyone else looked at Qin Chen.

"What kind of power?"

Palace Master Guangcheng's tone suddenly fell cold, his eyes flickering, obviously guessing Qin Chen's intentions.

Qin Chen looked indifferently, and said lightly: "Yao Mie Mansion!"

"what?"

Everyone was shocked!

If Qin Chen's words just made many Holy Lord elders disdain, then everyone's expressions changed as soon as the three words of Yao Mie Mansion came out.

Yaomie Mansion is one of the most ambitious forces in the Eastern Heaven Realm. It has always been fighting. Although there is no obvious evidence, they are still a little aware of Guangyuetian's high level, not to mention that Guangyuetian is still the east. The most important place in the heavens.

"Who is your excellency?"

Palace Master Guangcheng stood up suddenly.

"It doesn't matter who I am. What's important is that the old man has seen through the Yaomie Mansion's conspiracy. This time I came here to help Guangcheng Palace Master and destroy the Yaomie Mansion's plan. He came with goodwill. Palace Master Cheng has trusted the old man, this time the old man will let Yao Mie Mansion's plan completely fail." Qin Chen said lightly.

"Hahaha, it's really ridiculous, you said that Yaomie Mansion has penetrated into Guangyuetian, why don't you know?" The first person who came back to his senses was Zuo Rongtian, the character of the early peak of the Holy Lord, for a while. Laughed and looked at Qin Chen with a playful look: "Your Excellency, not to mention whether what you say is true or false, even if it is true, your tone is really big, and you can destroy the conspiracy of Yao Mie Mansion? See if you are talking nonsense. With the power of Yaomie Mansion, you really have to deal with our Guangyuetian intentionally. Even the Lord of the Palace may be calculated. You actually said that the conspiracy that can destroy Yaomie Mansion is really arrogant. Incomparable."

"Yes, it is really ridiculous, Lord Palace, the old man thinks this person is absurd and weird, this person is very likely to enter my Guangcheng Palace and have another conspiracy."

"Elder Xu Xiong, did you find such a frustrated person to enter our Guangcheng Palace? This person's origin is unknown. I think he is the spy of other forces, so he should be against our Guangcheng Palace."

"Please also the Lord Palace Master to be aware of the details, distinguish right from wrong, and let us take this person."

Behind Zuo Rongtian, several elders of the Holy Lord walked out, and each sneered.

"Senior." Fairy Guangcheng immediately passed on his spiritual thoughts. Qin Chen waved his hand and stepped forward. He did not look at Zuo Rongtian and the holy masters around him, let alone anyone else, just his eyes. The master of Guangcheng Palace who is like a young girl: "Guangcheng Palace Master, you are the master of Guangcheng Palace. You should know many things in Guangyue Heaven, and you also know the prodigal ambition of Yao Mie Mansion. I don't believe it, Yao Mie The government has never contacted you."

Qin Chen smiled suddenly: "In fact, the old man dared to conclude that the people of Yaomie Mansion had promised some benefits to you, Lord Palace Master, but you must have been rejected by Lord Palace Master, didn't you? You have been targeted by people from Yaomie Mansion, you still don't know it."

"Believe old man, this time, Yao Mie Mansion's conspiracy and tricks at the Alliance Conference have been seen through by the old man. As long as you and I join hands, you can destroy the Yao Mie Mansion's conspiracy and completely rescue Guangyuetian. The Lord Palace Master You are also good. I believe that Palace Master Guangcheng is a wise man and should know what the old man means."

[Chapter 3238: Too scary](#)

"Furthermore..." Qin Chen pointedly said suddenly: "Using Yaoni Mansion's means, you couldn't win over Guangcheng Palace Master before. You will definitely think of other ways to place your own chess pieces in this Guangcheng Palace. And the chess pieces of Yaomie Mansion are at least Holy Master Level

The Supreme Elder, that is to say, among the elders present, there may be chess pieces for Yaomei Mansion. "

These remarks were calm and light, as if Yun Dan Fengqing didn't care at all, but the words were pearly and uttered.

"presumptuous!"

Zuo Rongtian's expression changed: "Well-in-law, wolfish ambition, dare to provoke divorce, what kind of place do you think our Guangcheng Palace is, how dare you speak such a rant and stir our relationship with Guangcheng Palace." "Palace Master Guangcheng, the young girl waved her hand and stared at Qin Chen: "My palace did not believe what you said, but it did not completely disbelieve it. This palace is just curious. Dare to say that as long as you join hands with you, you can destroy the Yaomie Mansion's conspiracy. The strength of the Yaomie Mansion is second to none in the entire Eastern Heaven Realm. The last time someone looked for this palace, it was the Nine Nether Lord of the Yaomie Mansion. The strength of You Shengzhu really wants to do something to my Guangyuetian,

I'm afraid it can't be destroyed by ordinary people, right? You dare to be sure that you can deal with the masters of Yaomie Mansion? "

"Really? Not enough strength..." Qin Chen said with a smile: "Holy Master Jiuyou? What is he? Palace Master Guangcheng, I will show you what my strength is? Since the old man can come. Here, naturally has his own confidence." "Huh, pretending to be a ghost, I don't think you are a good person. If you want to use our Guangcheng Palace to seek benefits, please don't talk nonsense here. Lord Palace, there are also subordinates. Discuss with you about important matters, this person's words, subordinates really can't listen

When I went, I dared to say that there were spies from Yao Mie Mansion in the Guangcheng Palace, which was simply to instigate discord and make a fuss. The subordinates still had important matters to discuss with the Lord Palace Master, so the subordinates took the action and captured this guy to see what this person meant. "Zuo Rongtian couldn't help hearing it. His eyes were cold, and his sleeves suddenly flicked. A tyrannical force directly bombarded Qin Chen, booming, and suddenly the horror of the early peak holy master's breath enveloped Qin Chen. , To suppress and capture Qin Chen,

Seriously injured here.

With Zuo Rongtian's strength, with a furious move, it was enough to directly kill a master master here, even a holy master like Xu Xiong.

However, Qin Chen's eyes suddenly flashed with cold light, and a breath was slightly shaken, and the mighty aura of the heavens appeared behind him, and the forces that attacked him collapsed. "Zuo Rongtian, you, as the Supreme Elder of Guangcheng Palace, face the benefits of life and death in the palace, and you do not pay attention to it, and you target the old man again and again, hehe, you think the old man doesn't know, in fact, you are the internal response of Yaomie Mansion. The old man is right, Yao Mie Mansion should promise you to help you ascend the position of Palace Master of Guangcheng Palace, let you break through the mid-term Saint Master realm. Unfortunately, your vision is too bad, even the strength of the old man I can't tell, still want to be the lord of Guangcheng Palace? I think your life expectancy is dying

If you run out, you can't be a palace master. "

Qin Chen's voice spread with his body, and the next moment, he appeared in front of Zuo Rongtian.

collapse! It seems that the ancient sacred mountain of the heavens collapsed, and the pillars of the heavens were broken by Qin Chen. There was no suspense. The peerless master Zuo Rongtian was hit by Qin Chen and completely knocked out, with blood spurting in his mouth. A body of supernatural powers scattered,

Even the original law of the peak holy master in the early stage was dim.

puff! He flew out for dozens of miles and hit the hard wall of Guangcheng Palace. Only then did Zuo Rongtian stayed, turning over and rolling in the air, with his head disheveled, and vomiting dozens of blood in a row. With a dark color, obviously

It is that the original material structure in the body is destroyed, and the vitality is greatly injured.

With one move, the Supreme Elder of the initial peak Holy Master level unexpectedly vomited blood and was dying.

"what?"

Xu Xiong, the many Holy Master Elders present, and even Palace Master Guangcheng almost jumped in shock.

The eyes that couldn't believe it, the eyes of many elders all at once solidified, as if they had seen a demon. Who is Zuo Rongtian? Although he is not the mid-term saint master, he is also a well-known big figure in the Guangcheng Palace. He has an unpredictable cultivation base and walks in the heavens and worlds, all coming and going freely. Now he is hit by a single stroke. Fly, connect

It is impossible to fight back, that person's Saint Yuan is too unbelievable, reaching a point where it is impossible to believe it.

Although it is said that seeing is believing and hearing is not, but now these people have seen this scene with their own eyes and still refuse to believe it. Because this has exceeded the limit that the mind can bear.

"Naughty animal!"

Suddenly, Zuo Rongtian, who was knocked into the air, flew up like a demon, with his hair flying, blood flowing, and his huge lifespan burning: "Heaven and earth return to the origin, all things turn into gods, kill me!"

The ghosts were crying and howling, and a rain of blood fell in the void. In that **** rain, suddenly a head of ghost shadow appeared. It was a terrifying ghost shadow condensed by the power of many laws, carrying the majesty of the world, landing down and killing. Invincible existence.

"Unexpectedly performing a taboo technique!" Xu Xiong saw it, and his whole body was shocked: "Zuo Rongtian, are you afraid of being punished by the sect? This magical magic technique is our taboo technique!"

boom! As soon as his divine thoughts were sent out, he saw an incredible scene again, Qin Chen expressionless, his big hand touched the air. A power to comprehend the origin surging out, a towering tall phantom appeared in the air, only a shock, the heavens

The magic shadows are all shattered, and the wind is like a remnant cloud, and the smoke disappears.

Then, Qin Chen slapped it, no matter how Zuo Rongtian dodges, it was of no use. He was slapped away again, and the blood sprayed even harder.

"Come here for me!" Qin Chen grabbed the void and displayed the dementing hand, and saw the endless holy yuan revolving. His hand had already pinched Zuo Rongtian's neck, and he held it up in the air. No matter how this great man changes his supernatural powers, he can't get away from him

palm.

Zuo Rongtian's legs kept kicking in the air, his eyes bulging like fish bubbles, and a look of fear gradually appeared on his face.

When Xu Xiong and the others saw this scene, they almost fainted with fright, breathing heavily in their chests, a smell of suffocation.

Damn, fuck, fuck!

A saint like Xu Zhijie is going crazy looking at him. What did he see? Qin Chen held them Guangcheng Palace Supreme Elder, Zuo Rongtian, the master of the initial peak Saint Master level, picked it up like a chicken by the throat, which was too scary.

[Chapter 3239: Don't you think it's weird](#)

"Sure enough, he didn't speak big words. This kind of strength is too strong. He captured Elder Zuo Rongtian with a snap of his fingers. At least he is the mid-term saint master, or even the best among the mid-term saint masters, otherwise it would be impossible. Take the left cleanly

Rongtian, Elder Zuo is now captured by him like this, life is better than death! "

The father and son Xu Xiong and Xu Zhijie roared in hysterics deep in their hearts.

"It really made this palace amazed. I didn't expect the Xingshuhui to have received such an expert's guidance from your Excellency. It's no wonder that she can practice so fast. Your means really made this palace sigh."

Suddenly, the palace lord Guangcheng, who looked like a young girl, spoke. Her tone was calm and she walked slowly, but her heart was not as calm as she seemed.

In the scene just now, the changes in her heart were also earth-shaking. Even if she was to defeat Zuo Rongtian, it would take some effort. Even if the opponent fights back desperately, she must be cautious to avoid injury.

But now Qin Chen made a move, downplayed, and directly defeated Zuo Rongtian with two strokes. What kind of method was this? Even the average mid-term holy master can't do this. Is this person the holy master of the mid-term peak? "Let's let Zuo Rongtian go. He is the Supreme Elder of our Guangcheng Palace, the master of the Holy Master. You killed him, you are completely enemy of my Guangcheng Palace, I am afraid this palace will have to do something against you, no matter what, You are my benefactor of Guangcheng Palace, I don't want to

It broke the relationship between us. "

Palace Master Guangcheng said lightly.

"Well, I originally meant that I didn't want to kill in Guangcheng Palace. Otherwise, I would not come to see you through Elder Xu Xiong. With the old man's cultivation skills, if I want to break into Guangcheng Palace, I am afraid that no one can stop."

Qin Chen said proudly, with arrogant confidence in his tone.

If Qin Chen was in this attitude at first, no one believed it, but now that he showed his strength, the court was silent, and no one thought Qin Chen was bragging anymore. "However, Guangcheng Palace Master, it is not the old man who wants to frame Zuo Rongtian, but this person. As far as the old man knows, it is the spy that Yao Mie Mansion arranged in your Guangcheng Palace." Qin Chen said coldly: "To tell you the truth, trash like Zuo Rongtian, old

Killing him is like killing a chicken, but since Palace Master Guangcheng has spoken, the old man will hand this person to Palace Master Guangcheng for your disposal. "

boom!

Qin Chen's voice fell and he threw it away. Zuo Rongtian was thrown on the ground by Qin Chen like a dead dog, unable to move.

"Zuo Rongtian, is what Brother Wudao said is true? Have you ever been in contact with anyone in Yaomie Mansion?" Palace Master Guangcheng said coldly. "My Lord Palace, please don't listen to this guy instigating divorce. This person is wolfish ambition, bad intentions, ill-intentioned, and sinister conspiracy. I, Zuo Rongtian, are committed to Guangcheng Palace. It is to divide our Guangcheng Palace and let us in Guangcheng Palace fall into chaos and kill each other. The subordinates now understand that this person may be the spy of Yaonii Palace and wants to unify Guangyuetian, so he performed this special performance. As soon as it came out, Elder Xu Xiong and Xingshuhuisheng

The female has been bewitched by this person, and the lord of the palace is asked to observe the details. "

As soon as Zuo Rongtian's spiritual thoughts were unlocked, he immediately yelled frantically, frustrated, and said harshly.

He looked anxious, as if he was really thinking about Guangcheng Palace.

"Yes, Lord Palace, don't be fooled by this person. Elder Zuo Rongtian has always been loyal to us in Guangcheng Palace. How could he be an agent of Yao Mie Mansion."

"That's right, it's this person, whose origin is unknown, coming at this critical moment, and possessing such a terrifying strength, it is very likely that he is from the Yaomie Mansion."

"Master Palace, you must be careful not to be confused."

"Palace Master, think about it. Elder Zuo Rongtian dedicated his life to Guangcheng Palace. How could he be a spy? How could he be?"

Several elders of the Holy Lord on the side all spoke together, speaking for Zuo Rongtian, one by one filled with righteous indignation and extremely angry.

"Hahaha."

Qin Chen laughed suddenly.

Everyone is inexplicable, is this guy stupid? What's the inexplicable laugh? "My lord, have you found one thing strange?" Qin Chen smiled quietly, "Yao Mie Mansion wants to infiltrate Guangcheng Palace. It is naturally impossible to rely on Zuo Rongtian alone. There must be other high-level people Buying, but every time the old man said that Elder Zuo Rongtian was bought by the Yaomie Mansion, several elders were very excited, as if the old man was talking about them, don't you feel a little strange?"

[Chapter 3240: Nine Nether Stone](#)

As soon as Qin Chen said this, the expressions of several holy master elders on the court suddenly changed.

Huh! Xu Xiong and the other elders also turned their heads suddenly and looked at the few people in the crowd. Indeed, whether those elders were outside the former fairy pond or in this hall, once Qin Chen talked about elder Zuo Rongtian It's spies, these people are enthusiastic

, Each was excited, as if talking about themselves.

Qin Chen didn't pay attention to it before, but looking back now, it was indeed a bit weird.

In particular, there are two elders, who are usually low-key, but when faced with this incident, they acted too radically.

"You...you spit people."

"What do you mean, your excellency? Could it be that we are also spies of Yao Mie Mansion?"

"It's silly, telling things, it's time to kill!"

These people felt the sight of everyone, and their expressions changed drastically. Each showed a look of anger and rumbling. There was a terrible murderous intent on them. They did not wait for Palace Master Guangcheng to speak, they wanted Thunder to take action and kill Qin Chen. .

"Stop it!"

Palace Master Guangcheng drank coldly, stopped a few people, and looked at Qin Chen: "Do you have evidence?"

"Master Palace?"

The expressions of these elders of the holy master changed, and they all exclaimed.

"Of course there is evidence. Without evidence, would the old man make such a conclusion?"

Qin Chen laughed, and a dark green spar suddenly appeared in his hand. The spar was glowing with dark green light, green and glowing, like a ghost.

As soon as this spar appeared, many of the elders including Zuo Rongtian's expressions changed, and their eyes showed incredible light, as if they had seen something that scared them.

"go!"

The next moment, these elders of the holy masters roared, and for an instant, a dazzling Huaguang burst out of their bodies, and they flew away quickly without looking back at Guangcheng Palace.

This is going to escape.

"Hehe, several people, what are you running?!"

Qin Chen chuckled, but didn't do anything, because he knew that these people couldn't escape. Sure enough, before these people had time to escape, they suddenly buzzed, and bursts of light suddenly filled the hall, stopping these elders, bang bang bang, these elders hit Above this ray of light, I can't escape

go with.

"Shen Yuan Great Array?"

The expressions of these people changed, and they looked at the Palace Master Guangcheng below in shock, "Master Palace..."

"Brother Wudao is right, what are you doing?"

Palace Master Guangcheng raised his head, his eyes were cold, and the pupils of this girl who seemed to be only seventeen or eighteen years old suddenly became extremely cold, as if it contained endless ice.

The next moment, she suddenly shot, and moonlights rose up from her body, turning into dazzling divine light, surrounded all these elders, and quickly pulled them down.

"what!"

These elders all uttered painful roars. The moonlight pulled all the elders of the holy masters and fell to the ground fiercely. Moreover, Palace Master Guangcheng pierced out with his right hand, and the terrifying holy yuans were like sharp blades with the same handle. Penetrated these people fiercely

The Holy Master Origin violently penetrated these people into the ground, and the chains of avenues blocked these people.

Looking at Xu Xiong and other Holy Lord elders, eyelids jumped. Qin Chen raised his eyebrows. This Guangcheng Palace Master was really ruthless. When he didn't see the clues before, he didn't change his expression. Once he did it, he moved with thunder. The powerful methods make people feel abnormal, but it is, only this. Characters can become

For the lord of the first house, otherwise how to suppress so many masters in Guangcheng Palace.

"Brother Wudao, let's talk about it, what is the dark green spar in your hand?" Palace Master Guangcheng sat down again and said calmly, his eyes flickering, and he was very calm.

"Hahaha, admire."

Qin Chen laughed, and had to say that this Palace Master Guangcheng was absolutely unique in his temperament and strength. Compared with the Nine Nether Saint Master and the Wild Saint Master, he was only strong but not weak.

No wonder this Guangyuetian consumes so much energy of Yaomie Mansion, it is not easy to surrender such a universe. "This thing, called the Stone of Nine Nethers, is a treasure of the Nine Nether Lords of Yaomie Mansion. Through this stone of Nine Nethers, the Nine Nether Lords can use their own power of Special power is planted in the main body, forming a unique mark, corresponding

As the power of a contract, the Jiuyou Saint Master of Yao Mie Mansion often planted these methods when wooing others. "

Nine Nether Stone?

Palace Master Guangcheng glanced at the Jiuyou Stone, then glanced at Zuo Rongtian and the others, "You mean, Zuo Rongtian and the others have the power of the Jiuyou Stone?"

Qin Chen smiled faintly, without talking nonsense, urging the Stone of Nine Nethers, and suddenly, a strange dark green rune appeared in the bodies of Zuo Rongtian and the elders of the holy masters, which was like a contract, branded on it. In the human body.

The face of Guangcheng Palace Master suddenly showed an icy color, and Xu Xiong and other remaining Holy Master Elders were even more unbelievable. Their Guangcheng Palace Saint Master was controlled by Yao Mie Mansion.

Many elders were afraid of fear. If Qin Chen hadn't seen through the elder Zuo Rongtian and others, wouldn't their Guangcheng Palace be really dangerous?

Unconsciously, their Guangcheng Palace had reached the edge of danger.

"why?"

Palace Master Guangcheng also looked at Zuo Rongtian and others, but a look of grief and anger emerged in his heart.

She did not understand.

"Palace Master, it's not that we want to take refuge in Yaomie Mansion, but that we can't resist the Nine Nether Lords. The Nine Nether Lords used this Nine Nether Stone to control us. We were forced."

Zuo Rongtian shouted immediately. "Hahaha, forced?" Qin Chen smiled: "Palace Master Guangcheng, the old man has forgotten to say that although the Nine Nether Stones do have the effect of compelling contracts, they must be planted if they are willing. Next, Lord Guangcheng, you can do it yourself

Untie it, yes, the old man still has a formula for controlling this Nine Nether Stone. "

Qin Chen's voice fell, and directly threw the Nine Nether Stone to the Palace Master Guangcheng, and a mantra passed through the sound transmission. The Palace Master Guangcheng urged the formula, and instantly understood the effect of the Nine Nether Stone.

"At this time, you actually deceived this palace." Palace Master Guangcheng shouted angrily, and his slender jade hand stuck out. The white jade-like plain hand fell like lightning and patted Zuo Rongtian's head in an instant. Puff, Zuo Rongtian, who was the peak holy lord in the early stage, was instantly exploded. Various holy lord rules

Haunted in the void, exuding a magnificent breath.

"Ah, Lord Palace, forgive me, forgive me."

A soul soared into the sky from the law of the Holy Master, Zuo Rongtian shouted in horror, but was wiped out into nothingness by Guangcheng Palace Master. There was blood on the court, and everyone was silent.
