

Valkyrie 3591

[Chapter 3591: Goodbye lover](#)

Hum!

Qin Chen stared fiercely, spurring the mysterious rust sword with all his strength. He wanted to arouse the power in the mysterious rust sword to target Zhuge Rulong.

However, after entering this sword mound, the power in the mysterious Rust Sword seemed to disappear completely. He hibernated, no matter how Qin Chen urged, that cold force was never attracted, unable to activation.

At this moment, Zhuge Rulong is taking two precious treasures of the venerable. He is like the same god, towering and invincible, and the venerable aura is filled.

This posture is too domineering, powerful, but desperate.

"Young man, don't resist. Your strength is too weak. In my eyes, you are really like an ant. You can catch it with your hands. Maybe there is still a ray of life. Otherwise, you will definitely die."

Zhuge Rulong said, suppressing the two great treasures, opening his mouth toweringly, high above it, like a dragon looking down at the ants.

"Fuck your mother."

Qin Chen yelled at him, let him catch him without a door.

However, he was very worried, worried about Qianxue and Qingqiu Ziyi.

"kill!"

Qin Chen soared into the sky and fought desperately. You Qianxue and Qingqiu Ziyi also followed closely, and infinite power poured out to resist.

"ridiculous."

Zhuge Rulong drank coldly, countless lights of fate surging, blocking this world, at this moment, he was not in a hurry, very calm, because he concluded that Qin Chenqian's skills were poor and could not escape his palm.

Countless lights of fate flickered, forming a terrible cage, blocking everything and blocking the attack of the three Qin Chen. Even, he still has leisure, his eyes scanned the surroundings, revealing the faint murderous intent, making the other masters present to chill and explode their scalp, because they felt the terrifying murderous intent released by Zhuge Rulong. place

Some people have moved to kill and want to kill all of them.

In fact, Zhuge Rulong did move this thought.

Because Qin Chen is too extraordinary, his identity is extraordinary, if you can't let people know, don't let people know, if you leak the news, he will be very troublesome.

However, there are so many masters here, and people come in one after another, making Zhuge Rulong frown. It is too difficult to kill all the people here, even he can't do this.

Therefore, he withdrew the killing intent, which made many people breathe a sigh of relief, feeling that the stone pressing in their hearts had disappeared, but it was inevitable to be a little wary.

At this time, people from the outside world kept coming in, a door of nothingness flickered, and two figures walked in.

"Grandpa ancestor, this sword tomb is worthy of being the inheritance of the ancient Tongtian sword pavilion? Indeed, the power of kendo is amazing."

A pleasant voice resounded, and at the same time, Ji Ruyue and Ji Wuxue walked in.

"This is... the power of the Lord, be careful!"

The light of fate lingered one after another, Ji Wuxue walked in with Ji Ruyue, felt the terrible aura of this place, his face changed suddenly, because he felt the terrible power of fate.

Then, when he looked up, he saw a few terrifying figures in front of him. Zhuge was as high as a dragon, like a god, suppressing everything, and the light of infinite fate turned into a cage, blocking everything.

This shocked him. Zhuge Rulong, a member of the Zhuge family, actually killed himself in such a place. Moreover, who angered the other party? Actually fighting with Zhuge Rulong, is it a master of the realm of other top forces in the Southern Heaven Realm?

Ji Wuxue was puzzled, and at the same time he raised his head and saw three figures. Among them, one was extremely young, with a terrifying breath, and with a very familiar breath, as if he had seen it somewhere.

Beside that young man, there were still two peerless beauties who were so stunning that they eclipsed the world.

"Damn, who is this guy? There are two such big beauties by his side?"

Ji Wuxue said depressed, he was a handsome man when he was young, but compared with this person, he was far behind.

Moreover, the breath of these three people is not so good, but the power that radiates, even he is a little frightened, where is this genius, too strong?

The three people in front of them were actually fighting Zhuge Rulong.

Hearing this, Ji Ruyue also raised her head. For some reason, her heartbeat was extremely violent, and her eyes turned to the front.

In the next moment, her figure was struck by lightning, and she suddenly froze.

"Qin Chen!"

Ji Ruyue's figure trembled violently, and she blurted out, tears streaming down suddenly.

Her voice was hoarse, and her body trembled uncontrollably.

Is it a dream?

She couldn't believe everything in front of her, but this real feeling made her emotions explode irresistibly.

Can not help rushing up.

In the sky.

Qin Chen suddenly heard a lingering sound of dreams, and his figure trembled inexplicably. He slowly lowered his head, and a little bit, he saw a figure wearing a veil.

A beautiful figure appeared in front of Qin Chen.

Nina and Ting, the style is outstanding!

The two tender eyes converged in the void in an instant, as if experiencing endless reincarnation, and finally met again.

Time seems to be in this moment--

Everything stopped, as if frozen at this moment.

There are only two people with tearful eyes, their eyes meeting.

You Qianxue also trembled, and when she looked over, she saw a familiar figure.

"Ji Yue."

You Qianxue lost her voice.

"Ru Yue? Is it the woman the young master has been looking for?"

Qingqiu Ziyi was surprised, and looked down.

I saw a figure that was all over the world.

At this moment, Ji Ruyue looked at Qin Chen in the sky blankly.

A gushing emotion, uncontrollable gushing from the depths of my heart.

Is it him, is it really him?

She shouted silently in her heart, as if she wanted to vent her emotions.

Two lines of clear tears fell from the corner of her eyes uncontrollably, as if she couldn't stop it.

Since coming to heaven, her heart is extremely lonely.

Countless days and nights.

When she was the loneliest, the loneliest, the most helpless, and the most hesitant, even when she came to this strange heaven alone, or even when she was in painful practice in the family, she never thought about crying.

She is weak, but at the same time the most aloof woman in the world.

Among the Ji family, even the goddess in the minds of countless Ji family disciples.

But when she saw the person in front of her, an inexplicable emotion that made her whole body tremble, sprayed from the depths of her soul, she couldn't restrain it.

She wanted to cry loudly, but she dared not speak.

She was afraid that this was an illusion, and once she spoke, all of this would disappear.

"Qin Chen!"

She shouted loudly and rushed towards Qin Chen frantically, not caring about everything around her.

"What? This guy who is so much uglier than me is my good brother Qin Chen?"

Ji Ruyue murmured, "No wonder how it feels so familiar."

As he said, his expression was excited, his eyes turned a little red.

"Ru Yue, don't come over." And the moment Ji Ruyue rushed forward, Qin Chen's face changed and he hurriedly shouted.

[Chapter 3592: The power of the Tao](#)

Seeing Ji Ruyue rush up, Qin Chen's face changed drastically.

"Huh? Two more ants, these two guys?"

Zhuge Rulong saw Ji Ruyue and Ji Wuxue and recognized them, because in the periphery of Tiandang Mountains, Ji Wuxue and Ji Ruyue had the most outstanding temperament, which impressed him deeply.

But who ever thought that these two people were actually related to that Qin Chen.

"Huh, since it's here, just stay."

Zhuge Rulong gave a cold snort, lingering in the light of fate, like a god, watching everything.

"Ancestor, let me wait to take these two guys for you."

Sect Master Yunxiao and the others on the side were itching for a long time. Seeing this, they flew up one after another. Without Zhuge Rulong's command, they came to Ji Ruyue, obviously wanting to stay with Zhuge Rulong ancestor. good impression.

Boom!

Several masters made a strong move and quickly surrounded Xiang Ji Ruyue. The master of the ghost bat clan turned into a huge sky-reaching ghost bat and rushed straight forward.

But Ji Ruyue completely ignored them. At this moment, Qin Chen was the only one in her eyes, and nothing else.

"Oh, what an infatuated guy, there is no way, the granddaughter is older, as long as the man doesn't want the grandfather."

Ji Wuxue sighed and said, her eyes were red, and she looked at Qin Chen in the sky, feeling excited and unable to calm down.

"This guy, I ignore this seat." The patriarch of the ghost bat saw Ji Ruyue completely ignoring him, his eyes were cold and murderous, the power of the terrible ghost bat lingered around him, to block Ji Ruyue and restrain him.

However, at this moment, with a puff, a terrifying streamer swept across the void and pierced towards the eyebrows of the patriarch of Ghost Bat.

Suddenly, even Sect Master Yunxiao, a master who can be called a Half-Step Venerable, did not have time to be alert in advance.

The patriarch of the ghost bats was even more shocked. The ghost bats reacted quickly and perceived sharply. As a result, they were approached in front of him and killed him coldly.

In this stream of light, there was terrible coercion, which made his bat hair stand up, and a feeling of death came.

It was shocked in its heart, trying to avoid it as much as possible, and there was a dark light on its body burning up, it was a mysterious power burning that helped it escape death. But, all of this is useless. The streamer is too fast, as if it can penetrate the space. With a snorted sound, the terrifying streamer directly penetrates the black light on the patriarch of the ghost bat, and pierces the ghost bat as if it is in a no man The head of the patriarch, easily

Run through.

"what!"

The patriarch of Ghost Bat screamed, too suddenly, his head exploded directly, there was no resistance, and the dark blood was splashing.

At the same time, a ray of soul light rose up, with horror on his face, revealing the face of the ghost bat patriarch, trying to flee quickly. He couldn't believe it. He was also a master who was close to touching Venerable Half-Step, the top powerhouse in the Tiandang Mountains, but in an instant, it was too fast, and he was exploded, and there was no resistance. , It scared him and couldn't

Understand, what's the problem?

Its soul and light fled quickly, trying to escape from here and find a chance for resurrection. However, the streamer pierced through its head, permeating a weird force, blocking this space. Although its soul light escaped, the trace of power escaping from the streamer quickly penetrated into his soul light, making it A little bit of soul

The point is eliminated.

Do not!

The patriarch of the ghost bat was frightened and his body was destroyed. As long as the soul is still there, he can still survive, but if even the soul is destroyed, his soul will be completely scattered.

"Everyone, save me!"

It roared, and at the same time urged the secret method of the ghost bat clan to try to resist the invasion of this mysterious force, but it was useless. This force was like a dog skin plaster, integrated into its soul light, and could not be eliminated.

With a puff, the patriarch of the ghost bat screamed, the soul light burst, the soul flew away, disappeared.

"Karitsuki, go see your good times, grandpa will clear the way for you."

Ji Wuxue whispered, it was him who shot before.

"How could this be?"

Sect Master Yunxiao and the Sect Master of Blood Shadow Sect and Extreme God Sect were all shocked. They stopped and looked at Ji Wuxue. They were frightened and stared. With just one blow, the ghost bat chief was dead. What kind of monster is this?

"Venerable Half Step?"

Sect Master Yunxiao was also a master who had touched Venerable Half Step, felt the breath of Ji Wuxue's body, and muttered.

However, even the Half-Step Venerable is not strong enough to kill the ghost bat patriarch in a single blow, right? Half-step Venerable, not Venerable.

"Kill!" The three of them looked at each other, their eyes were fierce, and they were very furious. If it were other times, they would be cautious when facing unknown experts like Ji Wuxue, but at this moment, there is Zhuge Ru The ancestor Long is here, they naturally can't retreat, one

With fierce eyes, they came forward to kill, they shot.

"Resolve your dog legs first."

Ji Wuxue murmured, and then his body moved, booming, he stepped out in one step, and there was a palpable special power permeating his body, and then he punched the three of Sect Master Yunxiao.

Hum!

Inexplicably, the world was silent for a while, Mingming Ji Wuxue was only a half-step venerable, and the power that could radiate suppressed the world, giving people an unmatched feeling.

"Bang!" This mysterious force, very weird and powerful, instantly dissolved the power of the three people of Sect Master Yunxiao, and with a terrible chain of order, it entangled the three of them, wow, this chain of order Bright and inexplicable, with weird charms

Wen, wrapped the three people and sealed off the world. Sect Master Yunxiao changed color and was a little frightened. What kind of power is this, so weird? Before the attack arrived, it had already

penetrated into their bodies, giving their bodies a sense of **** and disintegration, as if they had mastered the Great Dao of Heaven and Earth,

At the moment they are all collapsing and being subverted.

The chain of order turns into a rainbow, directly penetrating their defensive power.

"Roar!"

The three masters of Yunxiao roared with fear in their hearts, and tried their best to resist, but in the sound of a pop, the light of their body protection was pierced, and the chain of gods directly penetrated their bodies, which was too easy.

"Only three doglegs, all die."

Ji Wuxue murmured softly.

puff!

The Sect Master of the Supreme God Sect burst open in an instant, dripping with blood. The chain of order, piercing through his body, directly destroys the origin of his body, and the whole person instantly transforms into a realm. All of this is done in the flash of lightning, as if there is no resistance. Ability.

puff!

Then the leader of the blood shadow sect was entangled by the chain of order, and his body quickly dried up, was pierced by many chains, the origin collapsed, and was crushed in the blink of an eye!

In the end, only Sect Master Yunxiao was still resisting, but he was also very weak. He could only hold on for a second longer than the Supreme God Sect Master and the Blood Shadow Leader, and the flesh collapsed, bursting on the spot amidst the horrified roar.

The three powerhouses fell in an instant! Everyone was stunned.

[Chapter 3593: Dog leg](#)

boom!

The audience was shocked, everyone was horrified, and the soul seemed to burst.

The impact of the fall of the three great masters of Sect Master Yunxiao was even stronger than that of Zhuge Rulong's ancestor.

Because Zhuge Rulong is a master of the realm of respect anyway, a true figure of the world, his strength is obvious to all, everyone can understand, the realm of respect, transcends the way of heaven, and is extremely powerful. But who is this man with a twilight, but extraordinary temperament? The three powerhouses were killed in an instant, including the Sect Master Yunxiao of the Tianyuan Sect. Who is the Sect Master Yunxiao? Sect Master of Tianyuan Sect, the true top figure of Tiandang Mountain,

The strongest.

In the entire Southern Heaven Realm, there is also a prestigious name, and at the same time, the patriarch of the ghost bat clan, the leader of the blood shadow sect, and the sect leader of the extreme gods who were beheaded at the same time, which one is not a person? But was beheaded just like this?

It's like killing a chicken and a dog, this scene is too scary. In addition, Ji Wuxue's aura was very strange, throbbing inexplicably, and shocking, exuding wisps of venerable aura, but everyone could feel it. Ji Wuxue did not really dominate the heavens. , Just a half-step statue

That's it.

But Sect Master Yunxiao, also a figure of Half Step Venerable, was beheaded like this? It makes people feel incredible.

For a time, the masters of all races in the sword stele forest were shocked, and the liger demon master among the five great demon masters also trembled, shocked in his heart, and sweating in his body.

"Huh?!" The four masters were beheaded, Zhuge Rulong's eyes were gloomy, and he stared at him coldly. He was also surprised. He is now fully suppressing Qin Chen's two great treasures, and he is proud of the master of Yunxiao. People shot, even if they can't take them, they can still be trapped

They, but who would have thought that in an instant, Sect Master Yunxiao died.

"It's really a few rubbish." He whispered, very unhappy, and at the same time, staring at Ji Wuxue. He had felt the extraordinariness of this person before and could not detect the breath of fate. Now, he is even more curious. , As if everyone connected with Qin Chen's destiny is

It is very ethereal and will not be captured.

"Let me see, what is so special about you!"

"Om!"

Zhuge Rulong took action and looked at Ji Wuxue. While suppressing the two great treasures and suppressing Qin Chen, he could also free his hands. Without saying a word, suppress Xiang Ji Wuxue. Suddenly, the sky and the earth boiled, eternal silence, and the endless light of destiny surging around. Many masters on the scene felt unable to breathe, retreated madly, and their bodies seemed to burst, but they did not dare to go away, they were all staring at it. A battle,

It's too difficult for them to encounter a battle at the noble level.

In particular, the Liger, Tiger, Demon Lord and others have even stagnated their sword intent perception. He is a half-step Venerable Master, stuck in this realm, and has never been able to cross the heavenly path. Now he can see the Venerable fighting, for him But it is a difficult opportunity.

boom!

The endless light of fate boiled and turned into a huge palm, suppressing Xiang Ji Wuxue, his eyes were cold, before the power of fate, all the past was just a cloud of smoke.

This kind of aura, such a kind of unhappiness, worry-free and merciless performance, is quite indifferent to all things in the style of a dog, overlooking all beings, without emotion.

"Hahaha, Zhuge old man, I'm afraid you won't succeed, cut it!"

Ji Wuxue laughed and burst out with a divine rainbow all over his body. The momentum was too violent. He held Yuan Shouque with both hands, and the purple air flow emerged, evolving into a battle sword, the sword is purple and shining, and the whole body is crystal clear, exuding a shocking atmosphere.

boom!

The battle knife split out, the void split, and a dazzling cold light appeared, a blade of light seemed to cut through the eternity of the universe and illuminate the world.

puff! This purple sword exudes weird power. It slashed on the palm of Destiny's palm, making a fierce roar. Zhuge Rulong's palm of Destiny was directly cut open, the light of destiny spread, and a gap was cut open at the same time. , A weird

The power of eroding came, and the gap oozing with the light of fate bombarded Zhuge Rulong's palm.

what?

Zhuce Rulong was shocked, there was a gap in his palm, dripping with blood, he was injured again, and blood splashed in this void.

This knife was too domineering, invincible, and as powerful as Zhuge Rulong, the human being was also unstoppable, and was injured, and a strange force penetrated into his wound, which was actually destroying the power of the monk in his body.

"What power is this?"

He was shocked, this power is very special, it can eliminate the power of his venerable, even if the opponent is a half-step venerable, but after all, he has not crossed the heavenly path, how could it be possible to hurt him?

The others also changed color, secretly surprised.

"Kagitsuki!"

On the other side, Qin Chen and Ji Ruyue finally met, and the two looked at each other. In this case, both sides choked silently and their eyes were red.

"Karitsuki, why are you... here."

Qin Chen was both happy and worried, as if he was about to explode. Over the years, he had been lingering in his dreams and finally saw Ruyue. This was his most important purpose in coming to the Southern Heaven Realm, and now it has finally been realized.

However, he was also worried, because it was on such an occasion that he was worried about the safety of Juyue.

"Qin Chen!"

Ji Ruyue hugged Qin Chen fiercely. At this moment, she didn't want to think about anything, even if she was dead, she was willing to smell the familiar smell of Qin Chen, she just wanted to be with Qin Chen forever.

The two embraced tightly.

"Ru Yue, do you know? I have been looking for you. I heard that you were taken away by the Ji family and you are in the Southern Heaven Realm." Qin Chen said, feeling excited.

The longing for these years, at this moment, can't be restrained.

"Me too, this is not a dream."

Ruyue looked at Qin Chen with tears, and at this moment, she also saw You Qianxue on the side and said excitedly: "Sister Qianxue!"

"Ru Yue, Chen and I came to the Southern Heaven Realm to find you, but I have never found news of your Ji family." You Qianxue was also excited, greeted him, and took Ru Yue's hand, and the three stood together holding hands. , Very excited.

boom!

A terrible shock swept over, and the infinite light of destiny rose up, puff puff puff, and a wave of fateful air quickly approached Qin Chen.

"Master, be careful."

Qingqiu Ziyi drank low, and quickly shot to resist the light of fate, but she also flew out, spitting blood out of her mouth, and her figure was embarrassed.

"This is?" Ji Ruyue saw Qingqiu Ziyi's beautiful face, with a charm, and couldn't help being astonished. Could it be that she was also a woman with little dust.

"She is Qingqiu Ziyi, a master of the line of nine-tailed fairy foxes, who once saved Sisi." Qin Chen explained. "By the way, what about Sisi?" Ji Ruyue was shocked and looked around. "Qianxue, Sisi and us were both in Guanghan Palace back then, why did Sisi disappear?"

[Chapter 3594: Brothers together](#)

"Sisi her..." You Qianxue sighed, "This is a long story."

"Hey, it's endless, can you guys chat to see the situation, I have been fighting for you for so long, do you have a sense of ethics? So are you, Ruyue. When you see a man, do you care about life and death?" A complaint sounded, and everyone hurriedly raised their heads and saw Ji Wuxue and Zhuge Rulong fighting together. Boom, the two of them fought, and the blood was impulsive. Ji Wuxue was strongly suppressed by Zhuge Rulong, but he was lingering. The weird power is actually

Zhuge Rulong shuttled in the light of destiny, and he was not completely restrained by Zhuge Rulong, but he was still resisting.

"This voice, this face... why is it so familiar?"

Qin Chen was stunned. Before his attention was all on Ji Ruyue, seeing Ji Wuxue at the moment, his heart was inexplicably excited, and there was a vague possibility of rising.

"Brother Wuxue?"

Qin Chen lost his voice and said uncontrollably.

"Who is your Wuxue brother? Damn, Qin Chen, I treat you as a brother, but you soaked up my granddaughter, too much?"

Ji Wuxue cursed: "That's all right. You still met my granddaughter in front of me, but I confronted the enemy for you. Alas, it's really careless to make friends."

Ji Wuxue said, but her eyes were flushed, unable to suppress the excitement in her heart.

"Qin Chen, he is my grandfather Ji Wuxue, who has been to Ji's house more than three hundred years ago." Ji Ruyue said.

"It's really your brother Wuxue."

Qin Chen was excited and trembling, unable to restrain his joy.

"Hahaha, you fellow, I knew you weren't dead. I've been looking for you for these years, but I haven't heard from you." Qin Chen trembled, his eyes moist.

"Also, don't pretend, you would want to see me? Huh, I think it's a guilty conscience?" Ji Wuxue said with disdain, but her voice was trembling. It seemed that this could conceal her inner excitement.

"I went to Death Canyon not long ago to find out about you, my dear brother, you really didn't die." Qin Chen said excitedly. He looked at Ji Wuxue and didn't expect to see Ji Wuxue for many years. Ji Wuxue turned out to be a statue. Half-step venerable, Ji Wuxue was the first genius of the Ji family, and one of the top talents in the martial arts.

Much tougher.

It's just that Ji Wuxue is a prodigal son by nature. In fact, his talent in some aspects is not inferior to Qin Chen in his previous life.

"Huh, a bunch of ants, looking for death!"

Zhuge Rulong was really angry. Qin Chen and the others were talking like this in front of him, and they didn't even put him, the ancestor of Zhuge's family, in his eyes. The anger in his heart could be imagined. Zhuge Rulong's aura changed, his eyes became cold and stern, the light of fate bloomed on his body, and dense secret runes were emitted. A vast river of fate lingered out of the void, with a bang, his aura surged and he was lucky.

The light flooded.

"kill!"

He collided with the purple knife that Ji Wuxue slashed with his bare hands. Of course, he didn't touch the blade, because the purple knife was so weird that even the power of the venerable could cut it.

Instead, he hit the side of the knife body, the rules splashed and the sound was harsh. Extremely horrible.

Between his hand of destiny and the purple knife, there are densely packed patterns of order, all rules symbols, fierce collision, and the void is cracking!

The two fought in anger, facing each other.

boom! Ji Wuxue snorted and changed color. The endless runes of fate eroded, as if to wipe him from the long river of fate, behead him from the source of fate, and let him fall into this world, a terrible fate. Strength, he snorted, body

The shape retreats and the corners of the mouth overflow with blood.

"Grandpa Grandpa."

Ji Ruyue yelled, worried.

"cut!"

But Ji Wuxue's expression was very proud, his temperament was aloof, an inexplicable aura surged, and a divine rainbow burst out of the purple knife, traversing the void, leaving a gap in Zhuge Rulong's body, blood flowing like Note. The many experts around were shocked. Zhuge Rulong encountered an enemy here and was cut and wounded by a half-step venerable? In their hearts, Zhuge Rulong, as the ancestor and venerable figure of the Zhuge family, should be crushed and swept all enemies.

Talent right.

"What kind of power are you?"

Zhuge Rulong was shocked, hum, the wheel of fortune burst out, and slashed towards Ji Wuxue. He was really angry and felt the special strength of Ji Wuxue.

Ji Wuxue's complexion changed slightly, and she hurriedly put the purple knife across her chest, and with a bang, he was blasted out, and the air of fate penetrated into the body, his body seemed to be split, and he coughed up blood.

"Damn it, this old thing really has some means, and the power of destiny is really special."

Ji Wuxue spit out a mouthful of blood and said coldly, Venerable Master, he was not without a confrontation, but although Zhuge Rulong's energy and blood had decayed, the power of fate was too special and otherworldly, and he was injured.

In terms of strength, he still has a gap with the opponent.

With one blow, Zhuge Rulong made another move. The void here seemed to be violent, and the light of infinite destiny began to boil like a tsunami, sweeping over, shocking the world.

"Grandpa Grandpa."

Ji Ruyue yelled, a purple ancient sword appeared in her hand, and a sharp purple light slashed it out.

"Good brother, I'm here." Qin Chen knew that Ji Wuxue was in a critical condition, and suddenly urged the two great venerable Supreme Treasures, Bang Rong, Zi Xiao Dou Li Gong and Wan Dao Qing Jin Dan furnace continued to tremble. Broke free from the suppression, exuding the mighty breath of the venerable, trying to bite the opponent

.

At the same time, many sky fires in Qin Chen's body billowed out and eroded.

Moreover, in his body, there were vaguely strange totems rising up, it was the power of totems, at this critical moment, Qin Chen finally urged the power of totems.

This is Qin Chen's hole card, which can't be used easily, but at this time, he can't take care of that much.

For Qianxue, for Ruyue, for good brother Ji Wuxue, for Ziyi, Qin Chen is desperate.

kill!

Qin Chen was in the shape of electricity, beheaded.

At this moment, You Qianxue and Qingqiu Ziyi also moved, and the two moved together, one stimulating the water of the nine poles and the other stimulating the power of charm.

The five masters are dispatched together.

boom!

In the violent collision, Zhuge Rulong was surrounded by the light of destiny, and the vast force of destiny resisted the attacks of several people.

puff!

However, during the attack, a figure suddenly tore the light of destiny, it was Qin Chen. The power of totem in his body flickered, exuding an overriding aura, blended into Qin Chen's sword aura, with amazing power, instantly tearing Zhuge Rulong's defenses, snorted, and the terrifying sword light penetrated everything. Beheaded, all

Ge Rulong's complexion changed drastically, his figure dazzled, and he immediately avoided the vital point and was stabbed in the shoulder.

With a puff, blood splashed, Zhuge Rulong was injured, embarrassed, and his shoulder blades were pierced.

"impossible!"

Zhuge Rulong was furious, looking at his shoulder? A late-stage holy master actually injured himself.

"What?" Even Qin Chen himself was shocked, never thought that the power of totem could have such an effect, it was terrible!

[Chapter 3595: Change goal](#)

boom!

Qin Chen was pleasantly surprised, the power of totem surged in his body, killing Zhuge Rulong. "This guy Qin Chen actually tore through Zhuge Rulong's power, how did he do it?" Ji Wuxue also looked at Qin Chen in shock, and even the special power inherited from the ancient Ji family was just for him. Can be more at ease when facing Zhuge Rulong

Just a few.

But Qin Chen, a late-stage holy lord, could tear apart Zhuge Rulong's defenses, it was incredible.

"court death!"

Zhuce Rulong was completely angry, and his hair fluttered like a **** or devil, as if an ancient behemoth had revived, and the air was surging into the sky.

Rumble!

The billowing power rushed in all directions, bang bang bang, where the power rushed through, everyone back and forth, staggering under their feet, and many people even sat down on the ground.

You know, those who can come here are all masters above the pinnacle holy master level.

Everyone has a deeper understanding of the horror of Qin Chen and Ji Wuxue. The strength of this group of people is indeed terrifying.

It's incredible, only the late-stage holy master, the half-step Venerable, has the strength to rival the Venerable, so once they break through the Venerable, how strong will they be?

Just thinking about this possibility, everyone is breathing hard.

Even the five great demon masters were shocked and sucked in air-conditioning. Such a world-famous arrogant, they have never heard of the demon race, is the talent of the human race really so terrible?

Qin Chen almost created a history, perhaps a record that no one can break forever.

Zhuce Rulong snorted, holding the wheel of fortune, glowing with the luster of fate.

He cultivated the rules of destiny. With this hands-on, the endless avenues of destiny were flooded with rivers, wrapped around him, and turned into ninety-nine rivers, majestic and majestic, showing the demeanor.

In the later period, the saint master can be able to integrate into the heavens and mobilize the rules themselves, and after becoming the venerable, the power of the rules is naturally more terrifying.

Zhuce Rulong was the Venerable who suppressed the Dao of Heaven, and the Dao of Heaven is the manifestation of the rules. A rule represents the will of the heaven and the earth.

Many people with lower cultivation bases can't breathe under this power, and even some people are lying on the ground, and they can only madly activate the power of the rules in their bodies to fight against such power.

"war!"

Qin Chen knew that he couldn't retreat. He shot frantically and came out strong. This time, he once again mobilized the totem power in his body, and a faint pattern appeared all over him.

This pattern was very vague, but as soon as it appeared, the sky and the earth shook, and even the power of the venerable seemed to be suppressed.

"I see, what is that...?"

Zhuge Rulong stared at Qin Chen, vaguely saw some scenes, and sucked in air-conditioning. What was that? A vague and weird pattern, similar to the power of the totem of the horrible existence in the virtual sea, is it that kind of power? He was shocked, the existence of terror in the void sea easily obliterated the demon corpse ancestors of the demon race. Such masters have exceeded the realm of human respect, and even more than earth respect, enough to easily kill him, but now, Of this weird totem

Li, unexpectedly appeared on Qin Chen such a late saint master, how not surprised him.

Huh!

His breathing started quickly, and the light of fate surged in his eyes, his expression excited. Even he was shocked by the existence in the virtual sea. It was rumored that several top powers in the heavens had entered the virtual sea, and they had never discovered the virtual reality of the virtual sea. It was obvious that the other party was terrible, but now, such a power appeared in Qin Chen. Body, if it is

How much improvement will he get when he gets it?

I can hardly imagine it.

The power of this totem is very secret. Zhuge Rulong relied on the power of destiny to vaguely observe that no one else knew it.

boom!

Qin Chen fought with Zhuge Rulong, sword light like a rainbow, beheaded.

Zhuge Rulong shot, and collided with Qin Chen, feeling the terrifying power of the totem, and was even more shocked. This force could suppress the noble origin in his body. Otherwise, it would be easy to use the opponent's later Saint Master's cultivation base. Can be crushed and killed by him.

day?

How did it do it?

The stronger Qin Chen became, the more excited Zhuge Rulong became. This kid was a huge treasure, a huge treasure that could bring the Zhuge family back to the top.

"Boom!" When Qin Chen and Zhuge Rulong fought each other, Ji Wuxue and others were also moved, and they slew one after another to besiege Zhuge Rulong. The two sides fought, and the terrible coercion erupted. Many masters on the scene stepped back, unable to feel

Comprehend the sword intent in the forest of sword steles.

The two sides fought and kept fighting. Although Qin Chen and his party were crowded, they were still suppressed and beaten by Zhuge Rulong.

But when Qin Chen displayed the power of the totem, the two sides actually had an evenly matched posture, confronting each other, everyone could only see the endless brilliance flashing underneath, and there was continuous thunderous loud noise. Some people wanted to take off and watched from a close distance, but found that they couldn't take off at all, because all around the world was filled with the terrible pressure of Zhuge Rulong and Qin Chen fighting against each other, and they would be hit hard when they vacated. , That naturally only

There are ashes.

In the sky, Qin Chen did his best.

However, even if the totem power was urged, Qin Chen could barely protect himself, and could not kill the venerable.

Venerable, surpassing the way of heaven, not to mention the monsters like ancestor Zhuge, holding the wheel of fortune, the precious weapon of Venerable, with many methods.

At the realm level, Qin Chen was completely suppressed, which made him very disadvantaged. Even with the power of time origin and totem, it would not have a reversal effect.

"The cultivation base is still too low."

Qin Chen sighed in his heart, now he is only in the late stage Saint Lord realm, barely close to the late peak Holy Lord, if he really breaks through the half-step noble realm, maybe he can really suppress the noble.

This has shocked many people, but Qin Chen still feels that it is not enough.

"boom!"

In the battle between the two sides, Qin Chen made a frantic move, sometimes with injury for injury.

He relied on his terrifying physique to fight against Zhuge Rulong.

Zhuge Rulong also frowned, because he realized that Qin Chen couldn't be helped in a short time.

"This kid is too weird. In that case, let's start with other people."

His eyes froze, staring at others.

Among them, Ji Wuxue had a headache, and this person was also a troublesome figure, which made him difficult, but You Qianxue, Qingqiu Ziyi, and Ji Ruyue made his eyes bright.

This should be Qin Chen's woman, right? As long as these three women are captured, Qin Chen is not afraid to catch them.

Although these three women are also extremely abnormal, they are much better than Qin Chen.

boom! He reached out with his big hand and directly captured and photographed Xiang Ji Ruyue and several people.

[Chapter 3596: This old man](#)

"not good!"

Qin Chen was shocked when he saw this, Zhuge Rulong was so despicable, he was staring at You Qianxue and the others?

This is really shocking and furious in his heart.

boom!

With big hands, Ji Ruyue and others' complexions changed slightly because they found that their pressure on their bodies was greatly increased, and they were trapped by many rivers of fate, and their bodies could not move. Qin Chen and Ji Wuxue were furious, and tried to stop Zhuge Rulong, but Zhuge Rulong was a master. Even if they could hurt Zhuge Rulong, they wanted to bring a fatal threat to Zhuge Rulong. Extremely difficult, the other party is completely

You can ignore them.

"Do you want You Qianxue and the others to be included in the Universe Good Fortune Jade Plate?" Qin Chen's heart was chilled, and this way, the small world in him would be exposed. When the time comes, the Ten Thousand Worlds Demon Tree will not be able to keep it, because, He must desperately.

The most regrettable thing is that although the Eternal Sword Master is a disciple of the Heavenly Sword Pavilion, but in the sword mound today, it is no longer the Heavenly Sword Pavilion of the past. A lot of experience of the Eternal Sword Master is useless here and cannot bring much help.

"It seems that I can only fight." Qin Chen's heart sank. Now that it is for this purpose, there is no need to cover it up. He is fierce in his heart, and has already decided to put You Qianxue and the others into the universe and make a jade disc, and then flee here. , As for whether he can escape, he doesn't know.

Big deal, fight to the death when the time comes.

boom!

Qin Chen rushed to the three of You Qianxue, ignoring the storm of fate around him, his body was bombarded with blood, just when he was about to transmit Ji Ruyue and the others into the jade disc.

"Grandpa Grandpa, we finally passed the sword formation. This place is really a blessed place. My sister has used this to break through the pinnacle holy master realm, and even touched the power of the nobleman."

A clear voice resounded.

At the same time, not far away, a golden door of nothingness opened, and three figures came out from it. The leader was an old man, and behind him were two beautiful girls.

boom!

As soon as the three of them appeared in this world, a terrible fateful atmosphere suppressed them. Some people came here one after another before, but everyone who entered this place would be suppressed by the light of destiny, and was frightened inexplicably.

However, as soon as these three appeared, when Zhuge Rulong's fate swept over, the leading old man snorted coldly, his eyes were cold, and he slammed out with a punch.

☹!

The sky and the earth roared, and the light of Zhuge Rulong's fate was blown away by the opponent's punch, bursting like thunder.

It is another Venerable.

Everyone was shocked.

Qin Chen and the others even turned their heads and saw a familiar girl, looking at Qin Chen excitedly.

"Master!"

The girl exclaimed and flew towards Qin Chen excitedly.

"Si Lan?"

Qin Chen was startled. Why was she here? Qin Chen's gaze fell on the other young woman beside Silan and the old man who exuded the power of the terrifying sage, Qin Chen's heart moved.

Could it be...

Seeing this old man, Zhuge Rulong's face suddenly changed.

"Qingxue Guhua." He said with chills in his eyes, and his heart sank, it was bad.

"Hahaha, Zhuge Rulong, an old dog, I didn't expect to see you soon, you bullied a few juniors here, and you are not afraid of being laughed out of your teeth." Qingxue Guhua said, but stared at Qin Chen in amazement. color.

Is this the master Qingxue Silan is talking about? It was extraordinary.

Who is Qingxue Guhua? He could see the situation on the court at a glance. He could feel that Qin Chen and Zhuge Rulong had been fighting for a while, and all of them were extremely embarrassed, with scars on their bodies.

However, among Qin Chen's five people, there was no venerable, and the highest cultivation level was only two half-step venerables, and there were three others, all of whom were late-stage saint masters.

Such five people can come and go with Zhuge Rulong, and it seems that the battle has not ended for a long time, which makes Qingxue Guhua not helpless.

"Little friend, you should be Qingxue Silan's master Chen Qing, right? Old man Qingxue Guhua, the ancestor of the Qingxue family, thank you for helping me in the Qingxue family!"

Qingxue Guhua said with a smile, his body moved, he first stopped the excited Qingxue Silan, and flew her to her sister Qingxue Siyun, and said through the voice: "Siyun, look at her, Don't make a rash move and step back."

At the same time, Qingxue Guhua's figure swayed, walking towards the battlefield step by step, growing lotus step by step, and orderly **** patterns bloomed under his feet, like a blossoming lotus.

"Damn it!"

Zhuge Rulong's face changed, and the power of destiny was cut out frantically. On his body, terrible blood burst out, and the breath of life was passing by.

He was actually burning his life.

Suddenly, the endless roaring light of destiny rose up, soaring in an instant, and madly wrapped towards Qin Chen.

puff! Qin Chen's body split on the spot, and blood flew across it, but Qin Chen breathed a sigh of relief because Zhuge Rulong gave up on Ji Ruyue and the others, instead targeting Qin Chen again, because he knew that if he didn't take advantage of it now Take Qin Chen down,

Then there would be no chance to win Qin Chen again.

He reached out with a big hand, a terrible energy storm swept across, the palm of fate blocked everything and enveloped Qin Chen.

"what?"

Qingxue Guhua was still chuckling, but her color changed at this moment. Zhuge Rulong burned his life. Is this guy crazy? Qingxue Guhua and Zhuge Rulong are both veteran powerhouses many years ago. They know each other's status very well. Although they are venerable and have a long life, they have entered a period of decay after endless years. At the end of life

It's not long enough.

Every drop of their essence and blood, every lifespan is extremely important. If they consume a little more, they may fall before the other person. It can be said that everyone is extremely rare for their lifespan.

But now, Zhuge Rulong is willing to burn his lifespan in order to capture Qin Chen. This obviously means that in Zhuge Rulong's mind, the master of Silan, Chenqing, is definitely a more important person than his life. .

"boom!"

Almost at the moment when Zhuge Rulong shot, Qingxue Guhua also moved. On his body, the endless power of the Venerable boiled and raged, like the same deity, killing it powerfully, and his lifespan surged.

He actually burned his longevity directly.

Because he knew very well that Zhuge Rulong, an old thing, since the other party made this decision, he must never let him succeed.

"This old man!"

Zhuge Rulong was angry and anxious, and wanted to take Qin Chen down completely. Qin Chen felt the endless pressure sweeping over him, and his body was trembling faintly, and it was about to crack. The power that a venerable erupted from burning his lifespan was terrible.

[Chapter 3597: Gathering of Venerables](#)

However, the more anxious Zhuge Rulong became, Qin Chen realized that things might have turned around.

"Zixiaodou Rate Palace, Ten Thousand Dao Qingjin Pill Furnace!"

boom!

The two terrifying treasures of the venerable tremble violently, resisting in front of him. At the same time, at the same time, Qin Chen suddenly urged the origin of time in his mind and triggered the rules of time.

Hum!

The flow of time between heaven and earth on this side quickly solidified.

Time rules? Qingxue Guhua was frightened, but even if there was a time rule, Zhuge Rulong took the first shot and still took the first opportunity. The huge palm was already pressed, and with a bang, Qin Chen urged the Zixiao Dou Li Gong And the violent shaking of the Wandao Qingjin Dan furnace

, Was blasted out suddenly.

The destiny hand continued to catch and shoot Qin Chen, Qin Chen immediately urged the power of totem, endless murderous intent surged in his eyes, and the mysterious rust sword in his hand rose into the sky with endless sword energy.

puff!

The sword energy was above the clouds, and the power of the totem was too strong. Qin Chen burst into bleeding fog, dripping with blood, but he was also able to resist Zhuge Rulong who was burning blood.

hateful!

Zhuge Rulong was irritated, frustrated, and wanted to continue his shots, but at this time, Qingxue Guhua's attack had swept through, and a terrible attack came to him instantly.

Boom!

The two sides fought against each other, and the earth fell apart, and Zhuge Rulong was directly shocked to retreat again and again. The two of them turned pale and snorted because they both broke out with all their strength.

Seizing this opportunity, the five Qin Chen immediately gathered together.

"Dust, are you okay?"

Everyone looked at Qin Chen worriedly.

"Everyone is okay?"

Qin Chen quickly took out a piece of pill and handed it to everyone, and everyone quickly swallowed it down. Suddenly, the breath on his body eased a little.

Seeing this, Qingxue Guhua moved slightly, and fell by Qin Chen's side, and said, "Is little friend okay?"

"Thank you Senior for helping me." Qin Chen immediately arched his hands.

"You don't need to be polite, the old man also wants to thank you for saving my Qingxue family members." Qingxue Guhua said lightly, "rest assured, there is an old man, this Zhuge Rulong can't deal with you."

"Qingxue Guhua, you old man."

Zhuce Rulong squinted his eyes, frustrated and angry. As soon as Qingxue Guhua came, his plan to take Qin Chen and the others was immediately interrupted. There was Qingxue Guhua and Qin Chen. , It is impossible for him to capture Qin Chen.

At this moment, he regrets very much in his heart. He didn't burn his lifespan, burn his blood, and display all his hole cards.

Otherwise, it might be possible to take down Qin Chen before Qingxue Guhua arrives, but now, everything is too late.

Of course, in fact, he can't be blamed. A veteran like him has entered the end of the decay period. He is closed all year round, and he rarely walks outside, just to not consume his life. How can he burn his life as soon as he comes up? yuan.

However, let him give up Qin Chen directly, but he was not reconciled.

"Qingxue Guhua, this son has no relationship with you, hand over this person, the deity will let you enjoy more than a year." Zhuge Rulong said in a cold voice.

Qingxue Guhua sneered: "Old Zhuge dog, do you think I will listen to you?"

Zhuce Rulong said coldly: "Qingxue Guhua, you don't know who this person is. There are many secrets in this person, which are related to the future of my heaven. If you do this, you are helping the gang to abuse him."

"Oh?"

Qingxue Guhua glanced at Qin Chen, Qin Chen's extraordinary temperament shocked him, and at the same time he understood that Zhuge Rulong's shot against Qin Chen definitely calculated something. However, Qingxue Guhua just laughed: "Old Zhuge dog, you are really shameless. Such geniuses, no matter what secrets are in them, are all good things in my heavenly realm. As a venerable, for your own selfish desires, The top heaven of my heaven

Pride, still have the face to stand here? "

"Are you looking for death?" Zhuge Rulong said Senran, "You have at most a thousand years of life. The deity doesn't mind sending you on the road sooner."

Qingxue Guhua laughed: "Yes, the deity does not live much longer, but you are not much better. It is not a problem to drag someone into the water before you die. Do you want to be with the deity?"

Qingxue Guhua sneered and said that he was not afraid of Zhuge Rulong at all.

The two sides have been fighting for tens of thousands of years, and they are very clear about how much each other is.

"Master!"

At this moment, Qingxue Silan and Qingxue Siyun came to Qin Chen's side. Looking at Qin Chen, Qingxue Silan's small eyes were extremely excited, and her beautiful eyes flashed.

"You little girl here, aren't you afraid of danger?"

Qin Chen reproached that he already understood that it should be the news that he helped the Qingxue family, which aroused the curiosity of Qingxue Guhua's ancestors, so he offered to help. He remembered this kindness.

Ji Ruyue looked at Qingxue Silan and Qingxue Siyun, pouting her mouth, and they were two more beautiful embryos. Wouldn't Chen Shao find a few more women in the heavens?

boom!

But at this moment, a door of the void appeared not far away, and at the same time, several horrible auras rose up and stepped into this place.

Are three top masters.

Moreover, these three people all exuded the aura of suppressing the heavens, and they turned out to be the three nobles.

Rely on.

When are there so many venerables in the heavens? It's usually hard to see one of them, but now there are several of them all at once. It should be noted that there are not many venerables among the four great heavenly realms today. It does not mean that no venerables have been born in these years. Although the celestial realm is broken, not many venerables have been born, but there are actually some, but most of them Sir, all gone

Ten thousand races battlefield, went to fight the demons. After all, after the four heavens are broken, the rules are scattered, and the heavens are actually not complete. The Venerable cultivates in the four heavens and it is extremely difficult to improve his strength. On the contrary, the battlefield of the ten thousand races is the place where the ancient ten thousand races will win the battle, and the fallen powerhouse Numerous and

It belongs to the land of chaos in the heavens, the land of origin, so almost most of the venerables will go to the battlefield of ten thousand races and some forbidden lands in the chaos of the heavens to prevent the dark forces from invading.

But now, several of them suddenly appeared.

Everyone looked up, and when they saw the faces of these three people, they suddenly came over.

Venerable Jiuyu, Venerable Star Destroyer, Venerable Yeguang!

The coming person turned out to be the venerable of the three top forces in the heavens.

Previously, because of the time of the virtual sea, these three nobles had been investigating in the four great heaven realms, but it is not surprising that they are here now. As soon as these three appeared, their eyes focused on the Qin Chen who were present. At this moment, Qin Chen still looked vigilant. The two great treasures were not put away. They hovered over his head, guarded around him. The three big masters saw that one by one

A magical rainbow burst out of the light.

Because, these two precious treasures, the three of them are very familiar with them.

"That is the sacred furnace displayed by the young man who the ancestor of the devil corpse once chased and killed!" Staring at the Ten Thousand Dao Qingjin Pill Furnace, the three of Venerable Star Destroyer were shocked.

[Chapter 3598: Celestial disaster](#)

The Venerable of their three top powers, the reason why they appeared in the Southern Heaven Realm was to investigate the Void Tide Sea Demon Corpse ancestor who chased and killed the Tianjiao of the Human Race not long ago, and wanted to investigate the origin of the young man.

It's just that they exhausted their minds, and in the end they couldn't find the other party, and even asked the ancestor Zhuge to calculate, and they still got nothing.

But who would have thought that they actually saw the mysterious sacred furnace that had appeared in the void before.

Is this person the genius who was hunted down by the ancestor of the devil corpse?

The gazes of the three nobles all fell on Qin Chen, their gazes burning, and a divine rainbow bloomed. Under the gaze of the three of them, Qin Chen looked embarrassed, but his posture was extraordinary. He lingered around his body with a horrible rainbow of rules, heroic, and extraordinary. This posture was very scary, and Qin Chen still lingered with terrible auras. This stock

The breath is clearly only the realm of the late Holy Lord, but it brings some throbbing feelings to the three big masters.

This son is extraordinary!

The three venerables had such an idea at the same time.

Then, the eyes of the three great masters fell on Zhuge Rulong and Qingxue Guhua again, and when they saw Zhuge Rulong Empress, they couldn't get angry.

"This Zhuge Rulong really figured out something, and actually kept it from us."

The three venerables were angry. They looked at them and saw that Zhuge Rulong was aiming at Qin Chen and the others. They immediately decided in their hearts that Zhuge Rulong must have calculated something, otherwise it would not be so coincidental. They would do something against Qin Chen. .

"I have seen three Venerables."

Seeing the people coming, Qingxue Guhua immediately arched his hands.

He is also a Venerable, and at the same time the ancestor of the top powers in the Southern Heaven Realm, but compared to the Venerables of the three top powers, his identity is still a bit worse.

"It's okay."

Venerable Jiuyu waved his hand, stared at Qin Chen, then looked at Zhuge Rulong, and snorted coldly: "Old ancestor Zhuge, what a coincidence, I actually saw it here. I don't know what happened here. Isn't it true? Need to explain it to me?"

Venerable Jiuyu looked unhappy and said with a sneer. Zhuge Rulong's heart sank and he was in trouble. He did not expect to see the three venerables here. Obviously the other party had guessed something, but he was also very bachelor. He turned his eyes and kept thinking in his heart, and said with a smile: "Nine Venerable Yu laughed, old

The husband had previously sensed that the place of the sword mound had changed, so he came to investigate. Unexpectedly, I saw this person, Venerable Jiuyu, don't you want to find the young man who was tracked by the ancestor of the devil in the void tide sea? The old man has been found. "Hmph, I still need you to find it now." Venerable Jiuyu snorted coldly, staring at Qin Chen, his eyes faint, and said lightly: "Your Excellency really asked me to wait to find him. I don't know who is your Excellency, why was he chased by the ancestor of the devil? Hidden in Tibet, you can tell

Am I waiting? "

Huh!

Venerable Jiuyu stepped out and walked towards Qin Chen, banging, a divine rainbow surged across his body, and the Venerable's breath filled him.

"Who is your excellency?"

Listening to the unpleasant tone of Venerable Jiuyu, Qin Chen frowned. This person didn't even know him. He was so angry when he came up?

Can Venerable Jiuyu not be angry? The three of them tried their best to find Qin Chen, but found nothing, naturally unhappy in their hearts.

What happened in the Void Tide Sea was so violent that in the eyes of Venerable Jiuyu, Qin Chen should take the initiative to find it and appear in front of them obediently instead of letting them look for it.

"Chen Qing, this person is Venerable Jiuyu from Dayu Shenshan, one of the top forces in the heavens. When I see Venerable Jiuyu, he still doesn't pay respect. Venerable Jiuyu, little brother Chenqing, is not sensible, and I hope to forgive him."

Qingxue Guhua hurriedly rounded off Qin Chen.

The others were also fainted. Seeing Venerable Jiuyu, and still so proud, this kid is too arrogant, right?

"I have seen Venerable Jiuyu."

Qin Chen said, but his heart was very cold, because before Venerable Jiuyu looked at him, his eyes were very sharp, especially when he stared at Zixiao Dousidi Palace and Wandao Qingjin Pill Furnace, his eyes were even more exuding. Faint light.

"Chen Qing? Is this your real name?" Venerable Jiuyu frowned. "Haha, Chenqing, this is just a pseudonym for him, don't you recognize the other treasure of the Venerable on this person? Zixiao Dousiligong, that is the treasure of Venerable Skyfire who colluded with the demon clan back then. During the trial in the heavens, he was

A kid named Qin Chen got it, what Chen Qing, if I guessed right, this person is Qin Chen from the Eastern Heaven Realm. "

"Qin Chen?"

Hearing this name, many people's expressions showed confusion, but Venerable Yeguang's eyes flashed.

If he remembers correctly, Qin Chen, who was passed on to the Heaven Trial, was his disciple, right? In that incident, there was still some disturbance in the work of the sky, because it is rumored that Qin Chen was recruited by the Holy Master of the Light of Light in the Guanghan Mansion of the Eastern Heaven Realm, and the Holy Master of Light of Light made a mistake in the work of Heaven and was punished. To the East Heaven Realm, his line is in the sky

Work can be considered quite status.

He is also familiar with the master of Yaoguang Holy Master.

"Are you Qin Chen? My daily job disciple?"

Venerable Ye Guang took a step forward and frowned.

"Junior Qin Chen, I have seen Senior Yeguang Venerable!"

Qin Chen stepped forward and said respectfully, anyway, he couldn't hide it. Naturally, he should take the initiative to speak out at this time.

"What, really this person?"

"Trial in the heavens? It was only more than ten years ago. Wasn't this person just a celestial saint back then? Why is he already a later saint in just over ten years?"

"What kind of cultivation speed is this?"

Everyone was taken aback.

Even Venerable Yeguang and the others were secretly shocked. Such a speed of cultivation is invisible to the top forces in the heavens.

Qingxue Silan also looked at Qin Chen in shock. Master was only a celestial sage more than ten years ago, and came from the Eastern Heaven Realm? She was shocked in her heart, but also annoyed at the same time, "Chen Qing, hum, the big bad guy, Master, actually told me a pseudonym."

She was depressed. "You guys just came here. In the days of the heaven trial, this person was inherited by the Venerable Skyfire who was in collusion with the demon clan. He also killed my Zhuge Xu Shengzi from the Zhuge family. Before this person was chased and killed by the ancestor of the devil in the Void Tide Sea. , The deity carefully calculated,

This person's future is related to my great destiny in the heavens, and it is the source of my disasters in the heavens. That's why the deity will take action and try to capture him, but he is blocked by Qingxue Guhua. You guys came just right, and joined hands with me to take this person down to find out his true identity. "

Zhuge Rulong said suddenly.

As soon as this remark came out, everyone was shocked and they all looked at Qin Chen, the source of the disaster in the heavens?

"You fart." Ji Wuxue suddenly shouted, "What is the source of the celestial disaster, I think you are the celestial disaster." Qingxue Guhua also narrowed his eyes and said coldly: "Zhuge Rulong, you are a senior, so slanderous A junior, is it too much?"

[Chapter 3599: Slander Qin Chen](#)

"Defilement? I am the descendant of the Heavenly Secret Sect. I think that when my Heavenly Secret Sect gave my life to the heavens, would I deceive you?" Zhuge Rulong said with a sneer: "On the contrary, it is you, Qingxue Guhua, who has repeatedly justified this person , Is it related to this person? Everyone, in my opinion, no matter what this person's background is, his breakthrough in cultivation is too weird and must be captured first.

As for whether it is an evil, it is not too late to investigate carefully. "

As soon as these words came out, the faces of You Qianxue suddenly changed.

A Zhuge Rulong has already caused them a headache and is hard to resist. If Venerable Jiuyu and others make another move, how can they resist? As soon as this remark came out, Venerable Yeguang frowned and said indifferently: "Zhuge Rulong, have you ever said what you said? Whether Venerable Skyfire colluded with the demons, the heavens have not yet been finalized, but it is known that the reason why Venerable Skyfire Practicing the Demon Clan's exercises is just

In order to suppress the Dark Clan, let alone this person was chased by the Demon Corpse Ancestor in the Void Tide Sea. If he really colludes with the Demon Race, how can the Demon Race people chase and kill him. "Venerable Yeguang, this is a bad word." Zhuge Rulong said: "I know that this person is a disciple of your heavenly work, but my heaven has now been infiltrated by the demons very much. If it is a person with a clear origin, I will naturally not doubt it, but this person

But his identity is weird. If he is really a spy of the demons, it will inevitably cause great harm. The meaning of the deity is to take him down first and find out his true body. If it really has nothing to do with the demons, just let it go, I believe this person can understand it. "

Zhuge Rulong said lightly.

Qingqiu Ziyi's expressions have changed. If Zhuge Rulong and the others are really caught, wouldn't it be left to the other party's disposal? At that time, people will be the knife and I will be the fish, how to argue?

"The deity feels that Zhuge Rulong has some truth in what Zhuge Rulong said." Venerable Star Destroyer, who had not spoken before, suddenly spoke. Boom, his voice fell, and he did not give everyone time to react. He stepped forward and faced Qin Chen directly. Grabbing it, suddenly, a huge star palm appeared in the sky, all over the sky

The stars are pouring down like squally rain.

"Venerable Star Destroyer, stop!"

Qingxue Guhua's face changed, and immediately shot, Boom, the power of the Venerable swept, bang, bang, bang, bang, bang, bang, bang, and countless saints around were flew out, one by one changed in amazement.

"Qingxue Guhua, what are you doing? Venerable Star Destroyer wants to capture this child, do you dare to stop it?" Zhuge Rulong yelled coldly, moved, and blasted directly.

"Get it first."

Venerable Jiuyu also said, stepping forward, his breath filled.

boom!

The three venerables directed at Qin Chen and the others, and their terrible aura immediately rose to the sky. Qin Chen and the others only found it difficult to breathe, and their eyes were cold.

These venerables, don't you ask the innocent ones?

Ji Wuxue was annoyed and even wanted to argue, but when he saw the faint divine light in the eyes of Venerable Star Destruction and Venerable Jiuyu, he shut up again.

He understood that the other party didn't know the loopholes in Zhuge Rulong's words, but in the face of a character like Qin Chen, even the venerable couldn't keep calm, and had to catch first and know all his secrets.

Boom!

The three veterans burst into the sky, countless rules are surging, no action is required at all, the world is trembling, the void is cracking, the rules are turbulent, sweeping towards Qingxue Guhua, Qin Chen and others .

"Qingxue Guhua, hand it in, you can't stop it!" Venerable Star Destroyer said coldly. He was obviously just the height of an average person, but everyone looked at him as if they were looking up at a star that was billions of feet high. Only for worship.

"Ugh!"

Qingxue Guhua sighed leisurely, he was also a Venerable, how could he not understand Venerable Star Destroyer's purpose.

"If you want to fight, then fight!" He didn't say much, as if he had made a firm decision. If he wanted to hand someone, he would have already handed it in. He has run out of time. Within a thousand years, he will inevitably fall. His Qingxue family will also decline, because so far,

Their Qingxue family has not yet born a new venerable.

Once he falls, his Qingxue family will be swallowed, and he does not know why, seeing Qin Chen want to bet on him, this is a kind of intuition.

Instead of this, it is better to fight, and as for the result, he can't control it either.

"You guys talk nonsense with him, just take it directly, if Qingxue Guhua insists on stopping, take him down and ask."

Zhuge Rulong spoke up.

"Never mind, just win together."

Venerable Jiuyu also said, his voice is domineering, full of the majesty of the Venerable, and immediately caused most of the people to kneel down.

"Go away."

Venerable Star Destroyer even started directly, pressing out his big hand, like stars flashing and exploding, a terrifying coercion swept across, and the whole world roared.

Only a few half-step Venerable level masters can be exceptions, they are all top-notch powerhouses.

"You guys, go right away, I don't know how long I can stop them, I can only resign."

Qingxue Guhua secretly voiced Qin Chen and said, she suddenly shot, pressing it with one hand, turning into a grinding disc that covered the sky and sun, and went to suppress the Venerable Star Destroyer.

An ancient rune appeared on this millstone, surpassing the height of the rules, as if revealing the true meaning of heaven and earth.

Those Peak Lords and Half-Step Venerable suddenly widened their eyes and looked carefully. This is the Venerable appearing to cast a spell. If they can touch a little way, they may be able to open the door to the Venerable.

The Venerable has transcended the rules, but he cannot use the rules without acting for him. This is Qingxue Guhua's own way.

Venerable Star Destroyer was naturally not afraid, and greeted him with his fists.

boom! boom! boom!

The battle between the two great masters was terrible, and the world was torn apart by life, as if the end of the famine was coming.

But when Qingxue Guhua shot, Zhuge Rulong and Venerable Jiuyu shook their bodies and attacked Qin Chen.

"go!"

Qin Chen shouted sharply, urging the time rules, hum, the flow of time between heaven and earth stopped abruptly, the next moment, Qin Chen turned into a streamer, and led You Qianxue and others crazy toward the depths of the sword monument forest.

"Hahaha, want to go, have you gone? The time rules are really mysterious!"

Venerable Jiuyu laughed and stared at Qin Chen, just staring at him twice made Qin Chen feel that his skin was about to burst.

"The power of totem!"

Qin Chen said softly, and immediately, a powerful force boiled in his body, spreading like a noble-level aura.

At this moment, he fully urged the power of the totem, and did not leave any hands at all.

The power of the totem is more than enough to resist the pressure of Venerable Jiuyu, after all, he does not need him to resist the direct attack of the opponent. "Huh!" Venerable Jiuyu shot, leaned out with one hand, and instantly came to Qin Chen, who was as huge as a star, and wanted to capture Qin Chen.

[Chapter 3600: Wanjian worship](#)

Qin Chen's heart was cold, and he used the Nine Star God Emperor Art to circulate wildly, and the mysterious power revived in his body, exuding a breath of heart palpitations on the surface of Qin Chen's body.

He boasted that he could withstand the blow of Venerable Jiuyu.

"Oh!" But at the moment when Venerable Jiuyu's palm was about to touch Qin Chen, a sigh sounded, and then a figure appeared, Boom, it was Venerable Yeguang, he raised his hand, his palm lighted, and said The formation pattern appeared, actually acting in the palm of his hand

Turn into a map of heaven and earth.

boom!

The two sides fought, and the terrible breath collided, really like the end of the day.

"Venerable Yeguang, what are you doing?"

Venerable Jiuyu said coldly, his eyes cold, a little unhappy.

"This child is a disciple of my daily work, no matter what, the deity can't watch you do it. You guys stop doing it. If you want to know anything, just ask, why bother to fight." Venerable Ye Guang said in a quiet tone. "Yeguang, you don't want to swallow this kid in your day job, do you? Let him speak? Haha, do you think it's possible? This person is your day job, and I am afraid that Daewoo Mountain will be kept in the dark by then. Huh? I still grabbed it, how many people will I wait

It is better to ask together. "

Venerable Jiuyu said, his gaze was cold, he killed it, and his huge palm with the terrifying breath of Venerable crushed everything.

"Jiuyu, what is it to bully a junior, since that's the case, the deity can't be indifferent." Venerable Yeguang shook his head and said, hitting Venerable Jiuyu.

Venerable Jiuyu couldn't wait to take down Qin Chen, but faced with such masters as Venerable Yeguang, he didn't dare to be careless, so he had to give up his attack on Qin Chen and instead resisted Venerable Yeguang's attack.

boom!

In the battle between the two sides, they were both well-informed people. They fought against each other for a time, and they were evenly matched.

Everyone exclaimed again and again, but they didn't expect that the strength of the nobles was among the first ones. No one could do anything for a while. They were all restraining each other, and they could not have the absolute upper hand. Venerable Yeguang and Venerable Jiuyu are also down. Both of them are the venerables of the top power. Similar cultivation bases are understandable, but Qingxue Guhua is the ancestor of the Qingxue family and has entered the end of the decline period. , I don't know much about sitting

Few times, even under the attack of Venerable Star Destroyer of the Star God Palace, he was not inferior at all.

"Qingxue Guhua, are you crazy? For the sake of a young man, do you die?"

Venerable Star Destroyer had cold eyes. He knew very well that Qingxue Guhua was old and his blood decayed. He should not be his opponent. He should be far stronger and stronger than the opponent.

However, He Qingxue Guhua made a fierce move, and his moves were all with the purpose of ruining together. He did not have the consciousness to accompany the other party to die together, and he did not even want to suffer a heavy injury. Naturally, Qingxue Guhua was temporarily suppressed.

But this situation won't last long. Under their fighting pressure of this level, Qingxue Guhua's weakness of declining energy and blood will explode soon, and he will be repelled by him soon.

But he couldn't wait any longer. The purpose of the three great masters all wanted to win Qin Chen, but it was better for him to win than others, and he took the initiative.

"Do you really think it can't help you?" Venerable Star Exterminator moved really angry, his eyebrows cracked, and a dark star fell out. The star burst out with core coercion. Suddenly, all the people present had a breathing difficulty, and their bodies felt bad. The feeling of exploding.

"Kill!" Venerable Star Destroyer urged the black stars, the heavens and the earth shattered, and the terrible black stars bombarded, like the end of the day, and the many peak saints around only kneel down and worship.

This is the core of the stars, the treasure of the Venerable Star Destroyer!

The core of this star is made by smelting the core of tens of thousands of top stars in the Star Palace. It is extremely heavy. The core of this star is equivalent to the weight of thousands of stars. To retreat.

Qingxue Gu Huaning greeted her with fists, bang bang bang, the star core collided with the fist Qi, shocking billions of miles.

After several hundred attempts, the two sides ended this round of confrontation. I saw layers of blood gushing out of Qingxue Guhua's fist, and the venerable aura was filled, and his aura was also withered a lot, obviously. Great loss of vitality.

Qingxue Guhua frowned slightly, his blood decayed too badly, otherwise he would never be hurt by the other party.

However, he just blocked the attack of Venerable Star Destroyer, preventing the opponent from crossing the thunder pond for half a step.

On the other side, Venerable Yeguang blocked Venerable Jiuyu, and he was much more relaxed.

However, in addition to the two great venerables, Zhuge Rulong was left alone, and the situation immediately returned to the beginning. Qin Chen faced Zhuge Rulong.

boom!

This Zhuge was killed like a dragon, laughed fiercely, and lost Qingxue Guhua to see how Qin Chen could resist.

This time, Zhuge Rulong didn't care, but directly burned his Shouyuan, and wanted to capture Qin Chen without giving Qin Chen any chance to escape.

"Fight!"

Qin Chen's gaze was fierce, and the endless origin surging in his body crazily instilled into the mysterious rust sword in his hand. At the same time, Qin Chen opened his mouth and spit out blood on the mysterious rust sword. Since coming to the land of the sword grave, the mysterious rust sword has been silent. In the past, the mysterious rust sword can always release a terrible murderous aura at critical moments, but this time, he was indifferent, so Qin Chen directly wanted to use his own essence. Blood, activated

The mysterious rust sword.

Because he knew that this mysterious rust sword was extraordinary, he wanted to devour his own blood, but he had never succeeded.

"Haha, what are you doing, do you want to harm yourself?"

Zhuge laughed like a dragon, not understanding Qin Chen's actions. Qin Chen didn't answer, but his eyes grew colder. When his blood blended into the mysterious rust sword, hum, the mysterious rust sword that had never moved, instantly lit up with **** runes, and suddenly burst out. Extremely scary

Breath.

boom!

Like a recovery, in the entire ancient sword, there is an inexplicable coercion.

Moreover, a terrible swallowing force wanted to absorb Qin Chen's essence and blood, and even Qin Chen's soul had to be sucked in.

"Ah!" Qin Chen roared, the mysterious rust sword was activated, and terrifying power poured into his body. This cold power was so amazing that he felt that his whole body was unconscious, and the pain was extremely painful. .

Rumble! And at the moment when the mysterious rust sword burst out with a terrifying aura, the entire transparent giant sword in the forest of sword steles was roaring, erupting a terrible sword intent, and a wave of sword intent, like the ocean, rose into the sky, booming. , Countless sword intent rises

Here, hundreds of thousands, trembling in the void, turned out to be like worshipping a mysterious rust sword.

"Huh?" The abnormal change here caused Venerable Star Destroyer and Venerable Jiuyu to look over in an instant, their eyes condensed, and there was a shock in their hearts.
