[Chapter 3721: what sound](#)

This also benefited Qin Chen's spirit. Although You Qianxue and Ji Ruyue's perceptions were of little effect to him, under this fusion, he clearly sensed that his spirit was rapidly becoming stronger. Divine energy also becomes

More condensed.

Collecting yin and nourishing yang, this is a perfect fusion of heaven.

In the Jade Lake Holy Land, the spirits of the three people are converging, and the half-step Venerable Qi in the body also bursts involuntarily, merges and communicates, and flows on each other.

Boom! The cultivation bases of Ji Ruyue and You Qianxue below crazily improved, and they climbed to the half-step Venerable's pinnacle in one fell swoop. Waves waved in this jade pond holy land. Qin Chen, Qianxue and Ruyue squirmed each other, even though they were spirits. aspect

, But the two of them were flushed with drunken expressions on their faces. The two of them in the entire destiny were perfect without a trace of impurities.

Immediately, the two felt that their cultivation base was rising steadily, a warm current in the body blended with Qin Chen's breath, and a new thing emerged.

"Hmph, Qin Chen, it turns out that you and Qian Xue have been there a long time ago."

In the process of fusion, Ji Ruyue seemed to have peeked into some secrets, and said a little shamelessly, with a hint of dissatisfaction and jealousy in her tone.

"This....."

Qin Chen was embarrassed.

Qianxue smiled lightly and said, "Chen, what else are you talking about, please make Ruyue satisfied."

call! Qin Chen and Ruyue moved fiercely, constantly changing various postures at the level of nothingness. Ji Ruyue's long hair kept shaking, in a state of forgetfulness, almost screaming in his mouth.
, Between eyes blurred, face

More and more rosy, bursts of purple air flow radiated from the body, and when it evaporated, the purple air flow was condensed into runes one by one, making her own breath rise again to the extreme.

Boom!

Ji Ruyue suddenly screamed, her body shook, and the frequency of her body's movement unexpectedly matched the sky and the earth.

Do not! To be precise, the frequency of heaven and earth is beating with the holy yuan running in Ji Ruyue's body. This is the invincible supernatural power, the realm of heaven and earth.

Suddenly, an extremely ambiguous breath filled the Jade Lake Holy Land.

The fusion of the three souls, each combination of souls, will give the three souls a boost.

The practice this time gave all three of them unimaginable huge benefits.

The combination of the souls of the three and the strong aura filled the whole Jade Lake Holy Land, and there was an ambiguous voice resounding, echoing in the Jade Lake Holy Land.

"Boom!"

The strong breath rose to the sky, and the high-pitched and low groans came out, constantly surging, and they were clearly transmitted in the world of the Jade Lake Holy Land.

In the sacred place of Yaochi, Zhao Lingshan, Zi Xun, Guanghan Palace Master, Ji Hongchen, Wei Siqing and other women are practicing. All around them, a series of terrible auras rose. Under the aura released by Qin Chen's previous cultivation and the power of the Venerable's Saint Veins, the cultivation bases of the few people are rapidly improving, just like the Guanghan Palace. Lord, was already

The master of the mid-term peak, now, is more suitable for integrating the heavenly way, booming, fusing into this world, combining with the heavenly way, and becoming the late saint master.

And the fusion of her and Heavenly Dao has also activated Qin Ying, Murong Bingyun, Qin Tingting, Ao Qingling and others to realize their realm, and they have also made breakthroughs.

When everyone was immersed in the cultivation, suddenly a series of ambiguous voices resounded through their minds, which made them startled.

what sound?

Several people were in the midst of their perception of the way of heaven, their souls were separated and wandering in the way of heaven. At this moment, they felt this strong impact and they searched around unexpectedly.

Because this kind of voice is extremely weird, as if extremely joyful, and as if with pain, coming from the depths of the Jade Lake Holy Land. This surprised a few people. Could it be that Qin Chen and the others had something wrong with their cultivation?

As soon as this thought came out, everyone felt horrified.

It should be known that Qin Chen is the absolute core of the Chendi Pavilion today. If something happens to Qin Chen, Chendi Pavilion will definitely collapse without a fight.

Even in the fusion of sentiment and heaven, this kind of voice clearly spread into the ears of several people.

"No, didn't Qin Chen and Qian Xue get into trouble when they were practicing? Don't do it."

Palace Master Guanghan was taken aback.

Ji Hongchen and others were also shocked. At this moment, they are all in the epiphany. With their white bodies cross-legged in the pool of water, they naturally cannot move forward. When they move, they will become confused. But during the epiphany, the soul's perception is clearest, and they all try to perceive the depths. of

Qin Chen's state.

Although there are differences between men and women, at this time, they can't take care of that much. After all, life is a matter of life.

As the soul deepened, the voice became clearer and clearer, and it seemed to carry a certain weirdness. Because of this strange movement, the voice is not small, it seems that Qin Chen is roaring and roaring, and Qian Xue and the others are whimpering, but Qin Chen's voice is hearty, and the voices of Qianxue and Ruyue turn to Fengming, with joy in the whimper.

.

The sound came into the ears of many women outside, making them all stunned. But soon, Ji Hongchen and Palace Master Guanghan, the white necks of Yun Li, a lightly familiar woman, turned pink, and the soul of Qin Chen who was worried about Qin Chen also trembled slightly. In the pool, the eyes of several people were slightly blurred. A piece of land, floating out

The soul who had gone was retracted like an electric shock, biting his red lips and sticking there, not knowing what to do.

Murong Bingyun also stayed for a while, and immediately seemed to think of something. His face suddenly turned red, and he gritted his teeth and cursed: "Asshole! This bastard, this kind of bastard, it's dying to do this at this time."

She cursed and was very upset, but Shenhun tried to peek inside, extremely curious, and quietly wanted to pry out more when she avoided everyone.

Qin Ying was right next to Murong Bingyun, blinking her big eyes, listening carefully, frowning her pretty brows, and wondering: "Murong Bingyun, what are Qin Chen doing? What's the sound inside?"

"Um..." Murong Bingyun was caught off guard, and didn't know how to answer for a while, "Ahem, it's nothing...it should be cultivating inside, but the way of cultivating is somewhat special..."

Murong Bingyun couldn't say anything anymore.

This, how can she continue? After all, she is also a big girl, isn't she as pure as you? What should I do if I am mistaken for an old driver?

At this time, Wei Siqing and others were also puzzled.

"Master, Qin Chen and the others are okay?" Her spirit, after all, is weaker than Guanghan Palace, and it is not involved in human affairs. Naturally, there are not many thoughts and doubts.

[Chapter 3722: Do not understand style](#)

"It's nothing." Palace Master Guanghan flushed, "You continue to practice, Qin Chen will be fine."

"What does it mean is nothing?" Wei Siqing became anxious, "Master, you listen to Qin Chen's voice, so terrible, are you crazy? This is not good, you must help him."

"What to do with this kind of thing? You don't understand, Qin Chen and the others are just cultivating, don't think too much."

Palace Master Guanghan was speechless, so he had to say so, let her help? How to help? Is this kind of thing she can help? And does her spirit dare to go in? How embarrassing if you see something you shouldn't see.

Wei Siqing looked at Palace Master Guanghan anxiously, then looked at Ji Hongchen, and whispered: "Cultivation? Master... why are you blushing?"

"No!" Palace Master Guanghan opened his eyes and said nonsense, only feeling that his face was hot like a fire.

Ji Hongchen's face was also extremely ruddy.

at this time.

The movement inside was suddenly bigger and more violent, rumbling, and a terrifying aura filled out, this is the power of the venerable, and it spread into the ears of all the women.

This force, extremely powerful, bang, bang, Wei Siqing and others, who had just broken through to the mid-term Saint Lord, once again roared, rumbling, the power in the body, once again climbed, the rolling power of the Venerable's Holy Vein, surge into their bodies.

"Master, did Qin Chen break through the realm of the venerable? What a strong power." Wei Siqing exclaimed, looking excited.

"puff!"

Without waiting for Palace Master Guanghan to speak, Murong Bingyun chuckled lightly.

...

Boom!

Throughout Guanghan Mansion, the terrifying Venerable Sacred Vein aura surged, and everyone's cultivation base was rapidly improving. Like Murong Bingyun and others, under Qin Chen's terrifying Venerable aura, everyone Stepped into the half-step Venerable status.

It can be said to be a blast.

Of course, the strength of Qin Ying and others is too weak after all, even if they have the Holy Veins of the Venerable, they have only stepped from the realm of the holy master in the early stage to the realm of the holy master in the later stage, and they are only in harmony with heaven.

Such a breakthrough in cultivation is already crazy in the eyes of others in the Four Great Heaven Realms, but here, it can only be regarded as ordinary. After all, Qin Chen absorbed the origins of the apex of Xidoro, and released the breath of the venerable, coupled with the soul perception of the heavenly soul forbidden technique, and the sacred vein of the venerable, and even issued it to everyone before practicing. The treasures such as the Heavenly Dao Shendan, right

Regular masters can make a breakthrough.

However, although they failed to reach a higher level, Qin Ying and others have an extremely solid foundation. They only need to consolidate the success of this practice, and they will naturally have higher development in the future.

And when Qin Chen and others were at the end of their practice.

Asked Hantianwai.

Boom!

A majestic body stepped forward and quickly stepped into the cold world.

"I'm asking Hantian here? I don't know what happened to the Chendi Pavilion. I can't think that the Yaomie Mansion has been destroyed by others. Who is it? It's abomination to dare to be in front of the deity so quickly."

This figure, with a flaming mountain-shaped pattern on the center of the eyebrows, bloomed with a breath of heaven, and it was the master of Daewoo Shenshan who came quickly.

"Hey, Hantian seems to be unharmed by this question. Didn't that person have time to do it?"

Seeing the intact question to Hantian, the master was suddenly delighted.

"Go to Guanghan Mansion."

He shook his body and went straight to Guanghan Mansion.

Guanghan Mansion. The Nine Life Demon Venerable was floating in the sky, suddenly raised his head, and a terrible divine rainbow bloomed in his golden pupils.

[Chapter 3723: Did it all](#)

"Master, someone is coming." Jiu Ming Yao Zun said in a deep voice.

The Venerable Daewoo Sacred Mountain sent by this time was also very strong, surpassing the Venerable Jiuyu.

Therefore, as soon as he entered Wenhantian, he was discovered by the Nine Life Demon Lord.

"Well, don't worry, kid Qin Chen and their cultivation should be over soon," said the **** cat, squinting his eyes, lying in front of the Jiu Ming Demon Venerable, turning over lazily, resting on his soft white skin. , Very pleasant.

In the Jade Lake Holy Land, the cultivation of Qin Chen and others has also reached the end. A whole line of the sacred veins of the venerable has been refined by Qin Chen and his group and become the power in their bodies. This breakthrough is actually not very effective for half-step venerables like Qingqiu Ziyi. Qingqiu Ziyi and others are already peak half-step venerables, and it is impossible to enter the realm of the venerable by this. It's just to strengthen one's own cultivation base,

On the contrary, it was Zhao Lingshan and others, who had enough power of the venerable in their bodies. Although they might not be able to break through in a short period of time, they could make their future path easier and more solid.

boom!

The endless sacred veins of the Venerable boiled, and under the madness of Qin Chen and others, this sacred vein of the Venerables became less and less, and finally, it disappeared all at once and dissipated in the air.

The holy spirit of the sacred endless boiling also completely dissipated.

"dust!"

You Qianxue and Ji Ruyue opened their eyes and snorted, their faces flushed, and they looked at Qin Chen shyly.

In the sacred place of Yaochi, the sparkling waves, the undulating surface of the water, the beautiful face is like a fish and a wild goose.

After this, endless shyness emerged on both of their faces.

Qin Chen opened his eyes and looked at the two beautiful carcasses, with a look of appreciation. They were really perfect bodies. The fire that had just been extinguished was about to rise again.

"You, close your eyes." Ji Ruyue's face was flushed, and the roots of her ears were red, as she said angrily.

"Hehe, I have done everything before, what are you afraid of." Qin Chen said with a smile.

"You... hate it, close your eyes." Ji Ruyue was even more shy, her eyes blurred and confused.

"Okay, okay, can't I close my eyes."

Qin Chen said with a smile.

However, as soon as he closed his eyes, he felt a burning body and quickly climbed up. The soft and silky feeling made Qin Chen a little unable to hold it.

"you....."

Qin Chen opened his eyes, but found that Ji Ruyue had crawled on him. Before Qin Chen could speak, he kissed Qin Chen, his body pressed against Qin Chen, and his fragrant tongue entered Qin Chen's mouth. Sentimental swimming.

"Well!"

Qin Chen was held firmly, his eyes rounded.

This... is too good to be given.

"Hmph, you and Qianxue have been intimates, and I am your wife too, so you can't favor one or the other." Ji Ruyue pouted. Her perfect body was exposed to the air, her pure white color was like the most exquisite porcelain, her skin could be broken by bombs, her flat lower abdomen had no fat, her slender legs unconsciously exposed in front of him, one hand covering the most Snow white

Her skin was slightly shy and eager to refuse.

Ji Ruyue's neck was flushed slightly, her delicate earlobes were also red, her beautiful eyes were like a disturbed pool of water, her breathing was rapid.

This is obviously going to be a real battle in this Jade Lake Holy Land.

"Qin Chen, is your cultivation finished?"

At this moment, there was a voice of inquiry not far away, the Venerable's holy veins dissipated, the suppression here naturally disappeared, and Zhao Lingshan and Zi Xun also gradually walked over.

"what!"

Suddenly, seeing the scene here, the two of them exclaimed, their complexions turned red, they couldn't move, and their bodies were burning with heat.

God, what did they see.

Too shy.

Qin Chen and Ji Ruyue actually declared adultery on this kind of occasion, really... can't they bear it? Don't they know that Palace Master Guanghan and the others are also in this Jade Lake Holy Land?

Now there is no Venerable's Saint Veins here, and the divine consciousness of the Palace Master and the others can be easily swept over.

But... Lord Palace Lord shouldn't spread the divine consciousness casually, right?

The two only felt hot on their faces, neither was walking nor approaching.

"These adulterers and women are too much, when I don't exist?"

Not far away, Murong Bingyun finally had a chance to swept over his spiritual consciousness, and saw Qin Chen naked and hugging Ji Ruyue, and suddenly became mad with anger.

"This pair of dogs and men is too much, too much."

Murong Bingyun was almost incoherent with anger.

Cough!

Qin Chen also felt embarrassed, he didn't want to come here with Ji Ruyue like this, it was Ji Ruyue who was too active.

Moreover, Qin Chen felt that several divine consciousness swept over at this moment, well, this one belonged to Murong Bingyun, doesn't this guy know that he can't see things that he shouldn't see? Looking back to see how I taught her.

And these two... are Qingxue Siyun and Qingxue Silan, my disciple, even the master dare to peep.

No, this divine sense belongs to Palace Master Guanghan, and Master Palace Master, you are the Palace Master of Guanghan Palace, so old and rude?

Under this circumstance, Ji Ruyue was also very shy, and hurriedly slipped off Qin Chen and dived into the pool, shy.

Qin Chen was just about to say something. Suddenly, his face changed suddenly and he looked up at the sky outside the Yaochi Holy Land.

A terrible breath is coming quickly.

"A strong man is here, ready to meet the enemy."

Qin Chen snorted, swished, and shook his figure, rushing straight out of the Yaochi Holy Land.

In the Jade Lake, clothing could not be attached, and Qin Chen could only pass through the Jade Lake holy land naked, although Palace Master Guanghan and others were there, but he couldn't control that much.

"this is....."

Palace Master Guanghan, Ji Hongchen and the others only felt a flower in front of them, it seemed that someone flashed in front of them, and Qin Chen flew past when he vaguely saw the white flower.

This kid Qin Chen.

Palace Master Guanghan was speechless, just about to say something, suddenly his face changed slightly, he raised his head hurriedly, and felt something was wrong, whoosh, the group of people went ashore one after another, put on their clothes, and quickly came outside the Yaochi Holy Land.

Boom!

Above the vast sky of the Guanghan Mansion, a figure appeared. As soon as he appeared, the heavens and the earth rumbling and roaring, the heavens surging, erupted with terrible murderous intent to suppress it.

Klang!

A series of thunderbolts fell on this person, but it was unable to kill him. This figure, facing the bombardment of the heavens, was not afraid of it, and there were divine patterns blooming in every gesture, shocking the world.

"Another one is coming." Palace Master Guanghan and others inhaled cold air, staring at the sky one after another. The aura of this master was not much better than the previous Xidoruo, and it was clearly a peerless master.

[Chapter 3724: The heavens come](#)

"Huh? How can this Guanghan Palace have such a strong breath of venerable?"

The face of the venerable Daewoo Shenshan changed slightly, and his figure shook as he was about to enter the Guanghan Mansion. Suddenly, in the Guanghan Mansion, terrible divine lights rose up, forming a terrible formation to resist. In front of him.

"Venerable Great Formation?"

As soon as this person's eyes sank, he saw a figure rising into the sky from the Guanghan Mansion below, it was Chaos Poison Venerable.

"Under the Chaos Poison Sovereign, I don't know the seniors, why trespass into my Guanghan Mansion?" Chaos Poison Sovereign said respectfully.

His heart is numb, how come there is another master who respects the pinnacle, how many enemies the master has provoked? "Chaos Poison Venerable, this name seems to have been heard before. It seems to be a Venerable from the Southern Heaven Realm. By the way, in the message sent from Shenshan, a Venerable Master who attacked the Zhuge Family is named Chaos Poison Venerable. With the people of ten thousand races

How could it appear here? "

The venerable Daewoo Shenshan wrinkled his eyes, and suddenly, his eyes burst with excitement.

"I heard that the Poisonous Primal Chaos Venerable was seriously injured when he attacked the ancestral land of Zhuge's family, and was later rescued by Qin Chen of the Ten Thousand Clan Sect. Could it be that Qin Chen was also here?"

Thinking of this, the eyes of the Venerable Dayu Shenshan suddenly filled with endless excitement.

Boom! He reached out with a big hand, and immediately grabbed and photographed the Guanghan Mansion below. Between the heavens and the earth, a towering mountain emerged, like the ancient sacred mountain, towering so majestic, covering the sky and the sun, with a bang, it turned the big formation in front of him. Tear open a hole

, At the same time, the big hand carries the terrifying breath of the mountain, the supreme rune power flickers, and will take the Chaos Poison Venerable in one fell swoop.

Chaos Poison Venerable's complexion changed drastically. Although he relied on the great formation of Guanghan Mansion, facing a master at the pinnacle of Human Venerable, he was still frightened.

boom!

The chaotic aura bloomed in his body, and he wanted to resist the attack of the opponent's Daewoo Shenshan Venerable, but the opponent's big hands were so powerful that he couldn't easily resist it, his muscles creaked, and his whole body roared.

If he hadn't possessed the power of chaos, the ordinary Venerable would have been captured long ago.

"Your Excellency should be the venerable Daewoo Sacred Mountain? He has a big temper, and if he doesn't agree with him, he will directly act on my Guanghan Mansion. Isn't it too much to put the world's masters in his eyes?" The sound of giggling chuckles sounded, and an enchanting figure appeared in the void. It was the Nine Life Demon Venerable. With a chuckle on her face, her eyes were slightly opened, her claws were cut out, the supreme momentum flowed, and the world suddenly moved, Lei Clouds billowing,

To bring down the catastrophe and erase her.

Venerable Daewoo Shenshan was shocked, this is definitely the prestige of the pinnacle of humanity!

Moreover, the demon spirit lingers on the opponent, who turned out to be the venerable demon clan.

by! by! by! When did a peak person appear in Guanghan Mansion? And it's the Venerable Demon Race, Nima, is this Guanghan Mansion the birthplace of the Venerable? There is a Chaos Poison Venerable that is not counted, but a top demon Venerable actually appears. When will it be with the monster?

Got involved.

"Humph!"

Of course, the Venerable Daewoo Sacred Mountain is not afraid. He comes from the Daewoo Sacred Mountain and has an extraordinary status. He is not an ordinary Venerable casual practitioner. There is also a big power behind him.

boom!

Above his eyebrows, a terrifying phantom of the sacred mountain of flame emerged, and the monstrous mountain shadow bloomed, and the whole figure turned into a sacred mountain, and walked towards the Jiu Ming Demon Venerable.

Bang!

The two masters of the pinnacle of humans made a spell, and the Nine Life Demon Lord smiled faintly, and then stepped back quietly, his body aura condensed and became very charming and strange.

The Venerable Dayu Shenshan retreats tumblingly under his feet. Every step back, the world is groaning, as if he is unable to bear it and collapses. After a few steps, he can resist it.

Seeing this scene, Qin Chen and the others who had just rushed out of the sacred ground of Yaochi were all speechless and excited.

This newcomer Daewoo Shenshan actually lost to the Nine Lives Demon Venerable, and the Nine Lives Senior was really strong!

Venerable Daewoo Shenshan's expression also changed drastically. He took a sigh of relief and said with a cold stern look: "This deity is Venerable Jueshan of Dayu Shenshan, who is your excellency?"

"Under the Nine Life Demon Venerable, a not worth mentioning demon veteran." Jiu Ming Demon Venerable said with a chuckle, but excessive humility is pride, especially after he has shown the strength that I am afraid of.

"Nine-Life Demon Venerable? You are... a clan of nine-tailed cat demon?" Venerable Jueshan's eyes sank, his face changed slightly as he said coldly.

Obviously heard of the origin of the Nine Life Demon Venerable.

"Well, your Excellency actually heard of me, giggle, is my Jiu Ming so famous?" Jiu Ming Yao Zun said with a light smile.

Whoosh whoosh.

At this time, Qin Chen's people flew out from the Yaochi Holy Land.

"This kid... really is Qin Chen!" Venerable Jueshan stared at Qin Chen, and suddenly recognized Qin Chen from the image that the mountain master gave him. He was immediately excited, and the person the mountain master gave him. It's to figure out the origin and trace of Qin Chen, but he didn't expect to see him here.

Qin Chen, as long as Qin Chen is brought back, this is more effective than anything else.

"This place is where my Eastern Celestial Realm Guanghan Mansion is located. Who will give you the right to intervene in my Human Race? Is your Demon Race wanting to be an enemy of my Human Race?" Venerable Jueshan said coldly.

"Only you are worthy of representing the human race? Jueshan, are you putting gold on your face too much?" Jiu Ming Yao Zun said with a light smile.

Venerable Jueshan's face was blue, his eyes squinted, and he said coldly: "Nine Life, do you really want to be an enemy of my Dayu Shenshan?"

"Where is the noisy guy, don't hurry up and get away."

A black shadow flashed, and the **** cat appeared on the shoulder of the Nine Life Demon Venerable, disdainfully said.

"Master." Jiu Ming Yao Zun said respectfully.

the host?

Venerable Jueshan was shocked. He had never heard of the master of the Nine Lives Demon Venerable, could it be a certain power of the Demon Race? It's just that the black cat in front of me has never heard of it.

Humph, play tricks!

Venerable Jueshan narrowed his eyes. Although he didn't know the origin of the **** cat, there are two master masters in Guanghan Palace, which made him instantly feel extremely difficult.

If he attacked, he would not be completely sure. Rumor has it that the Nine-Tailed Cat Clan has several lives, which is extremely difficult.

It's just that, letting him retreat like this will naturally not work.

Could it be that the previous battle in the Eastern Heaven Realm was a battle between the Nine Life Demon Lord and which one?

Just as Venerable Jueshan squinted his eyes, thinking about how to solve it, suddenly his face changed slightly and his head suddenly looked up.

Boom!

Above the Eastern Heaven Realm in the distance, a series of terrible auras rose up, and the heavens shook and shook, and a series of terrifying figures continued to traverse along the void channel.

This is an extremely powerful figure, each exudes a terrifying aura, each is a master of the venerable, from some top forces in the heavens. Venerable heavens, come to ask the cold sky!

[Chapter 3725: Void Temple](#)

In the void, the entire sky above Asking Hantian was surging with a bright aura. This was really amazing, the heavens were shaking, and the heavens were roaring.

The entire Eastern Heaven Realm seemed to be trapped in the last days.

Because, this time entering too many venerables, the Heavenly Dao of the Eastern Heaven Realm was a bit unbearable, and the Heavenly Dao made a roaring sound, and countless cracks appeared, as if to shatter.

Boom! The endless aura was suppressed, and everyone in Guanghan Mansion was shocked, and their hearts throbbed, because these noble auras, even though they were still far away, came across the void and were about to descend to Guanghan Mansion, vaguely, You can see a

The figure shuttles in the long river of void.

This breath is too scary. Even the Heavenly Dao of the Eastern Heaven Realm can't bear it. Qin Chen, Ji Wuxue and others are okay, but the old man Qin Batian and others are just ordinary heavenly sages. How can they resist? His complexion was pale, and his heart was jealous.

"Ok?"

Venerable Jueshan's complexion also changed. He stared at Qin Chen, boomed, his figure swayed, and his right hand was lifted. Suddenly, the rules in front of him were condensed and turned into a majestic mountain. The sacred mountain road shook, covering the entire Guanghan Palace.

"presumptuous!"

Jiu Ming Demon Venerable snorted coldly, this Venerable Jueshan is really bold, in front of him, he still wants to do something to Qin Chen, he doesn't know what to say, is he really lacking in temper? Boom, she shot, a few dark claw cracks emerged in the void, flashing a terrible luster, and with a swish, they bombarded the majestic ancient sacred mountain displayed by Venerable Jueshan. On the sacred mountain, the **** pattern bloomed, obviously It's Daewoo Sacred Mountain

A certain secret technique of, on the lofty ancient sacred mountain, in addition to the rules condensed, there are more terrifying runes flashing, resisting the attack of the Nine Life Demon Venerable.

However, the sacred mountain attack of Venerable Jueshan couldn't fall, and he was held in the air, rumbled and shattered the void.

"In front of this demon, Lord Jueshan, do you want to touch anyone?"

"is it?"

Venerable Jueshan sneered.

Boom, among the black mountains, a fierce tiger roared, as big as a mountain, condensed into a regular phantom, attacked Qin Chen, shocked for nine days, and directly penetrated the attack of the Nine Life Demon Venerable.

"What?" The Nine Lives Demon Venerable changed color. I didn't expect that Venerable Jueshan's magical powers would have such an effect. It could evolve secondary magical powers, so that she could not detect it for a while. Although this level magical powers are not as good as this ancient mountain So majestic and terrifying, but also

The venerable level, once hit Qin Chen, it would be dangerous.

"Be careful!" The Nine Life Demon Venerable yelled, and he was about to stop him, but Venerable Jueshan sneered. He was prepared for a long time, buzzing...In his body, ripples filled his body and evolved into a seat. The phantom of the mountain, rolling towards the Nine Life Demon Venerable

Go, don't give Venerable Jiu Ming the slightest chance to make a move.

"Senior Nine Lives, don't worry."

A mysterious rust sword suddenly appeared in Qin Chen's hand, hum, and a divine rainbow bloomed above the rust sword, his eyes became cold and stern, the terrifying kendo mood of the Tongtian sword pavilion merged into his body, and then he slammed the sword at the tiger. Beheaded away,

"Haha, this kid is really looking for his own death." Venerable Jueshan was originally worried that the Poisonous Chaos Venerable would stop him, so he kept staring at the Poisonous Venerable Chaos. Now that Qin Chen wanted to fight his magical power attack, he was suddenly overjoyed. How can Qin Chen's strength resist? Easy

He was swallowed up by his own supernatural powers, captured, and when the time came, even if other venerables came one after another, he would not fear anyone.

Dayu Shenshan, that is one of the top powers in the heavens, in the Eastern Heavens, which is the highest level of human beings, Venerable Jueshan is not afraid of anyone.

puff!

However, in the next moment, Venerable Jueshan changed color, Qin Chen slashed the sword energy, cut off the sky, and instantly tore the phantom tiger image away, and the smoke disappeared.

how can that be? Venerable Jueshan widened his eyes and watched this scene in disbelief. Although his fierce tiger phantom is only a secondary supernatural power, it is not trivial. The average Venerable may not be able to easily resist this move and will be repelled. Even injured, but right now

Qin Chen is obviously just a half-step venerable...

Well, no, why is the breath on this person so strange?

Venerable Jueshan stared at Qin Chen. The cultivation level on Qin Chen's body was obviously only a half-step Venerable, but it gave people the feeling of being like a real Venerable, with the venerable aura flowing through him. Weird, there is such a weird person in this world?

Obviously he is only a half-step Venerable, but he can truly master his power.

"Sure enough, it's no wonder Lord Shanzhu is so concerned."

Venerable Jueshan's heart was awe-inspiring, and he immediately shot again. He put out his big hand, and immediately stretched out his hand and grabbed it towards Qin Chen. Boom, this time, he urged all his strength to capture Qin Chen.

Snapped!

It's just that his hand hasn't been caught yet. The Nine Lives Demon Venerable has already prepared this time. The sharp claws glowing with a black destructive aura protruded and waved at him heavily. The Venerable Venerable Qi that displayed him instantly Torn.

Boom!

A terrible roar echoed crazily in the sky above Guanghan Mansion.

"Hahaha, this Guanghan Mansion is really lively."

At this moment, a loud laughter sounded, and a man suddenly appeared across the void, surrounded by four-color light.

Klang Klang, the power of the Heavenly Dao bombarded him to expel him.

It's a Venerable again!

The four-color rays of light gleamed around the body, like being guarded by endless rules, extremely powerful.

Venerable Jueshan showed a solemn look, even if he came from the Daewoo Sacred Mountain, he did not dare to underestimate the other party, because the other party is obviously not small, and who can achieve the position of the lord, who is not the one with amazing talents? .

"Venerable Tianfeng, your speed is actually faster than that of the deity. Why, after all these years of retreat, you have made a breakthrough?"

Before Venerable Jueshan and the others could speak, another rumbling laugh sounded, and the void suddenly tore apart, and an old man who was full of spatial aura and haunting the bright light came out.

As soon as he appeared, the surrounding void was collapsing and shrinking, forming a unique domain around him. What is peculiar is that in this domain, even the power of the heavens can't penetrate, just the roar of the outside world.

"Venerable Escape!"

The Venerable Tianfeng who came first squinted his eyes and said, obviously familiar with the Venerable later.

"The old man imaginary temple escapes, this is..."

After Venerable Dunkong arrived, his eyes fell on Venerable Jueshan.

"Dayu Shenshan Jueshan." Venerable Jueshan said solemnly, Xushen Temple, this is also a big and famous power in the heavens, not much smaller than their Dayu Shenshan.

"It turns out to be the famous Venerable Jueshan. I have heard of the great name for a long time. I saw it today, and it was a good meeting, a good meeting!" Venerable Dunkong smiled and arched his hands.

[Chapter 3726: Qin Chen is the key](#)

"You're polite." Venerable Jueshan also nodded. The other party is from the Void God Temple, so it should not be underestimated.

"Is this a young talent Qin Chen who made a name for himself in Southern Heaven and was chased by the ancestors of the demon corpse?" Venerable Dunkong looked at Qin Chen: "I heard that your Excellency is the talent of my human race. Go to my imaginary temple!" "Venerable Dunkong, your wishful thinking is also great, Qin Chen, I am Venerable Tianfeng from Kunpeng Valley. My Kunpeng Valley is somewhat interested in Your Excellency. Why not come to Kunpeng? How about a trip to Gu?" Venerable Tianfeng also smiled, laughing loudly, no

The rules of exhaustion moved all over him, really like the end of the day.

"Huh!" Venerable Jueshan's eyes were cold, and the two of them actually solicited Qin Chen directly in front of them. Are they going to fight against his Dayu Shenshan, or... know something?

"Two people, it's hard to follow my fate. I have lived well in the Eastern Heaven Realm, and I don't want to go to other places." Qin Chenhong said.

What virtual temple, Kunpenggu, he has never heard of it, who knows the purpose of these guys? Are you really inviting yourself? I'm afraid not necessarily.

"Hehe, it's not for you anymore." Venerable Dunkong smiled, but in his smile, there was a strong warning.

"The two, the Void God Temple and Kunpeng Valley are also great forces in the celestial realm. Is it too much to force a junior?" Jiu Ming Yao Zun said coldly.

"Nine Life Demon Venerable, you are a demon clan, how do you intervene in the affairs of my human clan?" Dunkong Venerable sneered. "Nine-Life Demon Venerable, I don't know how you are related to this Qin Chen, but you are the Venerable Demon Race, and there should be nothing to do with this son." Venerable Tianfeng smiled and looked at Qin Chen: "So , Also ask Jiu Ming Yao Zun not to intervene in this matter again, and hand this child

I'll wait. "

Jiu Ming Yao Zun shook his head: "This is hard to forgive."

"Nine-Life Demon Venerable, you are embarrassing me to wait!" Venerable Tianfeng sighed, with an embarrassing expression on his face, "But you are not aware of the territories of my Human Race, and are enemies of many of our Human Race. Is it unwise?"

"Haha." Nine Lives Demon Venerable smiled, she was really afraid of the opponent's strength, and she really didn't want to be an enemy of the three big masters, but if there was a real battle, she wouldn't be able to persuade it at all.

"Then only see the real chapter under the hand." Venerable Tianfeng said.

"Learn it!" said Jiu Ming Yao Zun proudly.

She never dared to look down on the other party, but she was full of confidence in her own strength, not to mention that the master was here, even if she was fighting against the three nobles, she was not afraid.

"Hahaha, let me get in too."

Boom!

With a chuckle, I saw another man stepping into the sky. He was obviously not very tall, but the sky seemed to be crawling under his feet, with Ruixia ten thousand feet, and four-colored lights all around him.

Another master of venerable!

Seeing the Jiu Ming Demon Venerable look at him, this Venerable smiled with a gentle smile: "Sect, Venerable Heaven!"

"Haha, Brother Tianfang, you all came so fast, why, do you dare to get the benefits before I wait?"

boom!

A terrifying roar resounded, and a burning cloud appeared on the horizon, and then I saw the fire flying over at an astonishing speed, and then the clouds dispersed, revealing a tall monk.

He was naked to the upper body, with a string of Buddhist beads on his chest, faintly flowing light from the avenue, exuding pressure.

"Da Lei Yin Temple, Shi Wuming!" said the monk, his voice rumbling and thunderous, and many of the masters of Guanghan Palace were dizzy underneath.

The majesty of the venerable is earth-shaking, and a single thought can shake down the stars in the void.

And, with the arrival of Venerable Tianfang and Shi Wuming, the empty passage in the distance continued to tear.

Boom boom boom!

A respected master, traversing the cold sky, descended one after another.

Klang Klang!

Heavenly Dao burst into thunder when it debuted, tearing the world apart, and the entire Eastern Heavenly Realm rumbling and trembling, as if to be destroyed.

After the restoration of the four heavenly realms, although they could accommodate the top masters of the human beings, there were too many nobles who appeared at this moment. They unscrupulously exuded their own aura, and the forces that suppressed the eastern heavens roared and trembled constantly.

Jiu Ming Yao Zun's eyes tightened involuntarily, finally showing fear.

Venerable is too difficult to achieve, but she can become a Venerable, which one is not a master in the top, if facing one or two, she still has enough confidence, but so many Venerables suddenly appeared, so that her heart is also one Shen. Everyone in Guanghan Mansion was also terrified. At this moment, many venerables descended to Guanghan Mansion, and the terrible aura permeated, making the entire Guanghan Mansion roar and tremble. They just stood proudly in this void and broke out. The breath coming out,

It shocked the universe forever, making the entire Guanghan Mansion feel like it collapsed on the spot.

"Grandpa Grandpa, what should I do now?"

Ji Ruyue stood nervously beside Ji Wuxue, her expression furious, how she could not have imagined that so many venerables would come to Guanghan Mansion.

Chaos Poison Venerable was also horrified. These were the Venerables of many top forces in the heavens, and even he was afraid and trembling.

"Everyone, are you here for Qin Chen?"

Someone laughed.

Everyone's eyes fell on Qin Chen one after another.

"This person was killed from the land of the sword grave, and it is rumored that he has the inheritance of the Tongtian sword pavilion?"

"It is rumored that this person was chased and killed by the people of the Demon Race, and entered the Abyss of Burial Sword with many masters. In the end, even Venerable Star Destroyer, Venerable Jiuyu never walked out of the land of the sword grave, but he came out alive. ."

"Before there was a war of venerables in the Eastern Celestial Realm, I am afraid I cannot get away from this person."

"There must be a big secret in this child, and I will definitely bring it back. You don't know if you don't know. When I arrive, Venerable Jueshan of Dayu Shenshan is about to capture this person."

The voices of conversation sounded one after another, and countless eyes fell on Qin Chen, flashing a faint cold light.

Which one is easy to be a figure of the Venerable? Although their trip was a battle of venerables before they came to the Eastern Heaven Realm to investigate, after they arrived, seeing this scene, they all understood that the key to this matter was probably in front of Qin Chen.

There must be a big secret here.

Because, after they arrived in the Eastern Heaven Realm, they had already inquired about and got a shocking news. Among the venerables who had fought in the Eastern Heaven Realm before, it was most likely Xidoro from the Star God Palace. Both the Star God Palace and Dayu Shenshan are the top forces that have entered the land of the sword grave with this son. Now, after this son came out of the land of the sword grave, both the Star God Palace and Dayu Shenshan have sent masters to come. Nothing tricky, kill him

We don't believe it either. Therefore, they all stared at Qin Chen, knowing this person is the key.

[Chapter 3727: Each has a taste](#)

"Nine-Life Demon Sovereign, you are the Sovereign Demon Race, don't interfere with my human race disputes, I just want to wait for this, and quickly retreat, otherwise, your Jiu Ming Demon Sovereign can not afford it."

Venerable Tianfeng pointed to Qin Chen and said.

"If the Nine Lives Demon Venerable doesn't allow it, then only soldiers will meet each other, but with the Nine Lives alone, I'm afraid I will be powerless."

The Nine Life Demon Venerable changes color, so how can she resist so many Venerables?

"Nine-Life Demon Venerable, how?" Venerable Dunkong said loudly, every word turned into a Taoist talisman.

He is too powerful, and he speaks like the law, but he can control the world, and the heavens are pushed out, shaking violently.

This kind of momentum is really amazing and desperate.

"Everyone is here for me?" Qin Chen stepped out and said coldly, facing so many venerables, his eyes were cold and not afraid.

If there were only one or two, he might still be able to resist, but with so many sages, he knew that no matter how strong he was, he couldn't resist it, and even implicated Ru Yue and others.

"Not bad!" said Venerable Tianfeng Hong.

"But Ben Shao is just one person, so many of you, who do you want Ben Shao to follow?" Qin Chen sneered.

This.....

Everyone looked at each other. Indeed, there were too many sages present, and it would be inappropriate for anyone to take Qin Chen away.

"Well, I have an idea, you fight, whoever can win the final victory, I will go with, how?" Qin Chen said lightly.

"Hahaha, this kid, actually wants me to wait for cannibalism, do you think we can hit this little aggressive general?" Venerable Tianfeng sneered.

"No matter what, take him down first."

Boom!

Venerable Dunkong made a move, and he reached out with his big hand, as if traveling through the void, and he came to Qin Chen in an instant.

Suddenly, a figure flashed past and appeared in front of Qin Chen, resisting the blow, it was the Nine Life Demon Lord.

boom!

The terrible impact swept through, and the entire Guanghan Mansion was violently shaken. In the distance, an area of Guanghan Mansion burst into nothingness, causing countless casualties.

"Nine-Life Demon Venerable, do you really want to wait for me as an enemy?" Venerable Dunkong said coldly.

The Nine Life Demon Venerable did not speak, but Qin Chen walked up with cold eyes and said: "Your Excellency is the Venerable Escape from the Void God Temple?"

"Exactly!"

"You killed so many people in my Guanghan Mansion, didn't you realize it was too cruel?" Qin Chen said angrily.

These top human race forces are too much to take the lives of the people of Guanghan Mansion into consideration. With one blow, at least one hundred thousand people died in the affected area.

"Hahaha, too much? It's just some ants who died." Venerable Dunkong said, his eyes high, and he didn't take the dead people in Guanghan Mansion to heart. "Why do you think you can live with peace of mind in these four heavens and live a good life? It's all because I waited for the top forces of the heavens on the front line of the ten thousand race battlefield to resist the invasion of the demons for you. Otherwise, the four heavens would have been Fell,

Where are you there? cruel? Hmph, the heavens are all guarded by me, and if I wait to pay so much, it is natural to win the power of life and death. "Venerable Dunkong said proudly. When he spoke like this, the others around him didn't have any words or expressions, and they obviously agreed with him. In the eyes of them, the four heavens are just the back garden of their human race. It's just some extremely humble ants

If it weren't for their benefit, the four heavens would have fallen long ago, and where are they still living here.

Qin Chen's heart was cold, and he couldn't think that among the top human race forces, there was such a concept, which made him chill.

"Okay, stop talking nonsense, come here, don't worry, the forces such as the Void God Temple are also for the sake of the human race, and they won't treat you, but there are some things to understand. Take them back and ask them."

Venerable Dunkong said so, he shot again, staring at Qin Chen, and grabbed the camera.

boom!

The endless breath is boiling, the rules are moving, and there is a rumbling roar everywhere.

Jiu Ming Demon Venerable's eyes were cold, and he was about to do it, but Venerable Tianfeng moved, and he appeared next to Jiu Ming Demon Venerable. Suddenly, the infinite wind rules lingered, sigh, sigh, and aroused the wind. To tie an enchantment, you must restrain the Nine Life Demon Lord.

Between the palms of Venerable Tianfeng, the infinite wind force gathers and condenses to form a cage.

At the same time, the masters such as Venerable Tianfang and Shi Wuming also took a step forward, approaching this place, preventing the Venerable Chaos from taking action. On the contrary, Venerable Jueshan sneered in his heart, stood aside, did not do anything, because he knew that there was only one Qin Chen. Although the other Venerables watched, they would never be able to watch Venerable Dunkong take Qin Chen away. Let them solve the Nine Lives Demon Lord

Say it again.

boom! Venerable Dunkong urged endless space rules. Suddenly, Qin Chen felt like he was trapped in an endless quagmire. He couldn't move his whole body. The power of the surrounding space was crazily bound, and even the heavens Power is repelling,

Formed the unique realm of Venerable Dunkong.

"not good....."

"Dust!" You Qianxue and the others all exclaimed, their expressions changed drastically, and they wanted to take action, but the other sages suppressed it and banged, even if it was a large broken array formed by the supreme lunar glaze aura. Directly burst into pieces, the number of these sages

There are too many, how can an aura of the supreme lunar glaze that I don't know how many tens of thousands of years ago be able to resist?

What's more, this was activated by You Qianxue.

With such a breath, even Ji Wuxue and others felt aggrieved and could not resist this terrifying pressure.

Because these are the venerables of the top forces in the heavens, they are too strong, and they are definitely not waiting, unless they all break through to the realm of the venerable, they will have the power to fight, and now, under the suppression of so many masters, how do they move?

"Hey, this little Nizi has an extraordinary aura. It seems to be some kind of ancient inheritance power. Hey, this kind of aura is terrifying in nature. Is it the descendant of the ancient top power?"

You Qianxue and the others wanted to resist, and they immediately alerted many of the noble masters present, and Shi Wuming and others all looked at them, showing different colors.

Whether it was You Qianxue or Ji Wuxue and the others, the breath made them feel a little special, and their hearts were a little throbbing, which was definitely not trivial.

Moreover, the beautiful temperament of You Qianxue, Ji Ruyue and others also made these venerable masters have their eyes flashed and a little moved.

It should be noted that they are all masters of the venerable, running rampantly on the battlefield of ten thousand races, and they are considered to be the top leaders of the human race. They have seen countless beauties, but at this moment, seeing You Qianxue and Ji Ruyue and others, still feels excited and throbs. There were not only You Qianxue on the court, but Palace Master Guanghan, Ji Hongchen, Wei Siqing, Murong Bingyun, Qingxue sisters, and others, each had their own flavors and superb temperaments, which made them move.

[Chapter 3728: The meaning of that one](#)

"Unexpectedly, coming to this Eastern Heaven Realm, there is such a harvest?"

These venerable gazes flickered, and they were all moved. However, you have to win Qin Chen first, to figure out the specific situation of the Eastern Heaven Realm. As for the other women, they are not allowed to take photos. They want to use their strength and contribution to the Heaven Realm. These women are not obedient to give away. Hug

Give yourself?

Thinking of this, their eyes fell on Venerable Dunkong and saw how to capture Qin Chen.

boom!

The terrifying space rules haunted Qin Chen, making Qin Chen unable to move.

"Are you going to kill again?"

Qin Chen's heart was cold and angry. He couldn't imagine that all the top human forces were actually this virtue. Although not everyone in the room wanted to do it on him, the Venerable Escape and the others still ordered He was disappointed.

It is impossible for him to follow these guys back to their power, unless he dies.

boom!

A terrible aura surged in Qin Chen's body. Even in the face of so many venerables, he would resist it, just hoping that the **** cat could take others away.

At this moment, You Qianxue and others' eyes all fell on the **** cat, looking at it hopefully.

Because, if anyone present can change the situation, only the **** cat.

"Damn, why are you looking at me?" The **** cat muttered in the distance, "Let the cat master, I think of a way, um, what is this breath?"

Suddenly, the **** cat's eyes flashed and looked at the void in the distance, revealing a strange color: "It's actually..."

Whoosh!

The **** cat flickered and disappeared into the void, disappearing out of thin air.

In the sky, Venerable Dunkong shot and grabbed Qin Chen.

Qin Chen's eyes were cold, he had already activated the mysterious rust sword in his body, and was about to fight against...

"stop!"

Boom!

An angry shout sounded, and a fairy light flickered in the distant void, and then a figure suddenly appeared, penetrating the void, and directly descending here, a pagoda appeared in his hand, exuding the breath of the venerable.

He is also a venerable, and also a master of human apex.

He shot, the pagoda shined, and the mighty aura shook the world, and the blow of Venerable Dunkong was immediately blocked.

A pagoda was suspended in the sky, with primitive symbols on it, exuding the aura of sang mulberry, and a powerful breath of sage spread, as if a supreme being had descended.

"Ok?"

Venerable Dunkong and others looked at the people in surprise, including Venerable Jueshan also showing a surprised look, because they all recognized the origin of the pagoda in front.

Ancient Santa!

Day work is the treasure.

"Ancient Sacred Tower, is this person a master of heavenly work?"

Qin Chen was surprised and looked at the figure in front of him.

"Master!"

The Holy Master Yaoguang even exclaimed, his expression full of excitement.

The person here is not someone else, but the Master of the Holy Master of Light, the Venerable Mantra.

Venerable Mantra, the top-level person in the heavenly work, has a prestigious reputation in the heavens hundreds of thousands of years ago, and is a top crafting master.

Naturally, many forces know Tianjiao on the battlefield of ten thousand races and provide treasures of sage soldiers. Venerable Mantra glanced at the Holy Lord of Yaoguang, with relief in his eyes. He, a little disciple, was sent to the Guanghan Mansion in the Eastern Heaven Realm because of a mistake that year. He did not expect that after so many years, he had grown to this point. Relieved,

Heart cheerful. However, he did not speak, but looked at Venerable Dunkong and the others lightly, saying: "Everyone, this person is a disciple of my daily work. If you have any needs, please come to my work and ask, why bother in the Eastern Heaven Realm. Fighting, killing, destroying heaven

stable. "

He Hongsheng said, facing the many masters in front of him with one person.

"Hahaha, Venerable Mantra, this person is a disciple of your daily work, how can I not know?" Venerable Dunkong said solemnly.

After all, the opponent is a man of heaven, and his virtual temple is not easy to fight against.

"When this person was in Guanghan Mansion, he joined our Tiangong branch and became the saint son of my Tiangong branch. I think with your well-informed level, you won't be unclear." Venerable Mantra said. "It turned out to be this." Venerable Dunkong nodded and said, "I will naturally hear about this, but as everyone knows, he is only a disciple recruited by the Heavenly Work Division of Guanghan Mansion. I wait to know, anyone who wants to really

Join Tianwork, such as going to Tianwork's headquarters to be baptized, and tell the world that you haven't been there yet? Therefore, this son can't be regarded as a true disciple of your daily work, but just a preparatory status. "

It's extremely difficult to enter a top-level power like Tianjiao. Even if Qin Chen is already the holy son of the Guanghan Mansion branch, in principle, he is not a real disciple of Tianjiao. Otherwise, in the world, Tianjiao's disciples are Too much.

In the eyes of the world, only those who have come out of the headquarters of Tiangong, or have entered the headquarters for further training, and have announced to the outside world are the real disciples of Tiangong.

"No matter what, Qin Chen is my daily work disciple. If you come to Guanghan Mansion as a guest, I promise you and welcome Qin Chen, but if you come here to fight hard, I will never agree."

Venerable Mantra said solemnly.

"Venerable Mantra, are you afraid that you are talking in a dream?" "Hmph, although you are a man of heaven, but this person, I suspect that this person has some demon secrets, so I want to bring it back for interrogation. Whether you are a disciple of the day job, anyone has something to do with the demons, I have the top power in the heavens.

Grid to investigate. "

"Why, do you want to fight me and wait so many people alone?"

Venerable Dunkong and others sneered.

Although Venerable Mantra is from heaven and has an extraordinary identity, with so many of them here, is it still afraid of Venerable Mantra?

Even if it's a day job, it can't rule them so many top forces.

"Everyone, the deity came here, not only to bring the meaning of my heavenly work, but also the meaning of that one." Venerable Mantra said in a deep voice.

"Who?"

Everyone was startled, and immediately shot a divine rainbow in their eyes, revealing a solemn color:
"You mean..."

"Yes, the meaning of Master Xiaoyao." Venerable Mantra said.

boom!

Suddenly, there was a burst of uproar on the field, meaning Xiaoyao is supreme.

This name is extremely heavy, and it is deeply pressed on everyone's heart.

Many people even stepped back a few steps, showing a sense of anxiety.

"Huh, what about Xiaoyao Supreme? He is just a person who has ascended from the lower realm. When will the power of my heavenly realm depend on his face?"

Venerable Escape snorted coldly.

In the eyes of these veteran top forces in the heavens, they are extremely dissatisfied with Xiaoyao Supreme.

"Who is saying bad things about the master?" When Venerable Dunkong's voice fell, suddenly, a cold voice resounded throughout the Eastern Heaven Realm.

[Chapter 3729: Forget about business](#)

who?

Everyone was shocked, this voice resounded directly over the entire Eastern Heaven Realm, rumbling rumblingly, pouring into their minds, and could not even cover them.

Rumble!

This deep sound resounded in the minds of many apex masters present, as if it sounded in their ears, the entire Eastern Heaven Realm creaked, and there was a feeling of being crushed by this sound.

This kind of breath was too terrifying, and everyone present twitched fiercely in the depths of their souls, and there was a sense of oppression on the life level.

Especially the meaning in the other party's words made Venerable Dunkong and others terrified.

Say bad things about the master?

Who is this owner? Could it be Xiaoyao Supreme?

hiss!

Some news of Xiaoyao Supreme emerged in their minds, and many people were so shocked that they breathed in the air again and again, and their faces were extremely pale. Isn't it the one who has arrived?

"Who is pretending to be a ghost?" Venerable Dunkong couldn't help but said in a deep voice.

"Venerable Dunkong, silently, if it is that person, I am afraid that there will be catastrophe..." Venerable Tianfeng hurriedly spread the word. "What are you afraid of, the Eastern Heaven Realm can only bear the breath of the peak of human respect, how can that one come here? If it is forced to come, the Eastern Heaven will be broken again and become the dust of the universe. No one can afford this responsibility. ." Escape from the sky

The person snorted coldly.

This is his confidence, because he knows that the strong beyond the peak of human respect cannot come at all, and those below the peak of human respect, he is not afraid.

"Well, it's crazy. In front of this seat, I dare to speak evil words of my master. It seems that this seat rarely walks in the heavens, and no one remembers my majesty."

boom!

An invisible force came, and the ancient sacred tower in the hands of Venerable Mantra suddenly flew out, hum, the ancient sacred tower bloomed with a divine rainbow, rumbling in the void, and constantly shaking.

In addition, a special power formed in the ancient holy tower, forming a void plane channel. From that plane channel, a vast figure seems to be slowly walking, with a bright golden rainbow blooming, Hua Thousands of light.

It was just a figure, and the Eastern Heaven Realm rumbling and roaring, it was about to explode on the spot.

This breath is too terrifying, suppressing everything, even the venerable Chaos Poison Sovereign can't hold it, Qingqiu Ziyi and Jiuming Demon Sovereign are even more qi and blood surging in their bodies, snorting, the arrival of this figure actually arouses The blood of the demon in their bodies.

Could it be that one?

Jiu Ming Yao Zun's heart was shocked.

Qin Chen was really shocked, such a terrifying aura... definitely far superior to the Nine Life Demon Venerable and the Venerable Escape, which is by no means the pinnacle of Human Venerable.

Who, who is coming here?

Isn't the strong man who surpassed the peak of human respect not afraid that the heavens will collapse and turn into ruins again?

"Venerable Mantra, what are you doing? Use the power of the ancient sacred tower to force that one to come. This is to destroy the heavens. Don't you fear being punished?"

Venerable Dunkong roared, this breath is too terrifying, it really makes the other party come, and don't know what devastating damage it will cause, he roared: "Everyone, follow me to prevent this person from coming."

Hey, he shot one after another, rumbling, a terrifying aura soaring into the sky, like a dragon flying, blasting towards the ancient sacred tower, to prevent the opponent from breaking in.

However, the aura revealed in the ancient sacred tower was still increasing, making his power inaccessible at all, and just a escaping force blocked the attack of Venerable Dunkong.

too strong.

Under this momentum, the sky will creep.

Boom, there was a dark cloud billowing above his head, and the tribulation was forming, and huge cracks appeared faintly, like open black hideous small mouths.

This is the reaction of the heavens of the heavens, an extremely powerful creature is about to enter this plane, making the heavens and the earth like a great enemy.

The existence of the venerable level is not under the control of the rules, and it has destroyed the balance.

However, Heavenly Dao, a master of the peak level of the human respect, can at least bear it, but once it surpasses the peak realm of the human respect, with the power of the heavenly realm today, it cannot bear it, and may even burst on the spot.

Is this man crazy? Does he want to risk the world?

Zhu Nu, Ji Wuxue and others were shocked when they saw this scene, and under this supreme aura, everyone felt their feet soft, and even felt like they were about to sit on the ground.

At this moment, in that plane, a magnificent figure finally came out.

Hum!

With golden light blooming, this is a man with an extremely handsome face, a golden robe, very luxurious and public, with long golden hair flying all over his head, unruly. But these are all secondary. His aura is too majestic and rumbling. He appears in this world, banging banging, and the whole world is asking the cold sky. The eastern celestial realm is roaring, and the thunder clouds are getting denser and denser, as if to Blast down the energy of the whole world, heaven and earth

The tremor is as broken.

"Master Jinlin..."

"Golden Scales..."

The faces of Venerable Dunkong and others were horrified, one by one they uttered in amazement, and their eyes were full of fear and anger.

The person here is the top powerhouse of the legendary monster race, Jinlin!

Rumor has it that this golden scale, like a unicorn but not a unicorn, or a dragon but not a dragon, is the subordinate of Xiaoyao Supreme. Back then, he followed Xiaoyao Supreme to ascend from the lower realm and became the top powerhouse in the demon world step by step, possessing endless power.

It is one of the top powers of the monster race in the battlefield of ten thousand races, how can it appear here?

Rumble!

The heavens and the earth of the Eastern Heaven Realm are sensational, the violent roar is endless, and there are explosions everywhere. Heaven cannot withstand its pressure and is destroying.

"Jinlin, as a monster clan, you forcibly broke into the Eastern Heaven Realm, causing the Heaven Realm to break again and enter destruction. Don't you fear sanctions?"

Venerable Dunkong roared, his expression frightened, they did not expect that such a strong person like Jinlin really dared to forcibly break into the Eastern Heaven Realm.

"Noisy!"

Jinlin glanced at Venerable Dunkong with disdain, puff, an invisible force suddenly poured into Venerable Dunkong, Venerable Dunkong suddenly vomited a mouthful of blood, his face was pale, he stepped back, his eyes filled with panic.

Just a look, he was actually injured.

The other venerables looked at this terrifying figure in anger, daring not to speak.

Rumble!

The East Heaven Realm kept roaring, as if it was about to burst, and it was really overwhelming. A breath of origin was dissipated. This was the origin of the heavenly power and it was about to collapse.

"I forgot about business!"

Jin Lin suddenly raised his head to look at the sky, hum, in its hand, a treasure like a square appeared. This treasure was actually spewed with colorful rays of light, it was extremely beautiful, and it contained an extremely terrifying source of power.

As soon as this treasure appeared, the originally rioting East Heaven Realm suddenly exuded a scorching breath, as if the heavens were all staring at this square. Qin Chen felt that if Heaven's Dao was conscious, his breathing would be extremely heavy at this moment.

[Chapter 3730: Origin of the universe](#)

what is this?

Qin Chen was startled, staring at the tetragonal body, and felt that the tetragonal body also had a strong attraction to him, and it also had a strong attraction to the magic tree of the ten thousand worlds in the jade plate of good fortune in the universe, which made his mind drawn.

This is definitely some kind of top treasure.

Ji Wuxue and the others all raised their heads one after another, just after a glance, their minds were drawn in, and they forgot that there were countless noble masters around.

"this is....."

Venerable Jueshan and the others also saw this square, and just like Qin Chen, they showed a daze.

Qin Chen had completely recovered, and couldn't help but cried out, what kind of thing is this, which actually made his mind fall into it.

"The origin of the universe!" He just listened to Venerable Dunkong blurted out.

The others also recovered. When they heard this name, they all shook and trembled. It was obvious that their inner excitement was no small thing.

"Yes, this is the origin of the universe, what do you want?"

Jin Lin smiled and held the quadrilateral, and looked at Venerable Jueshan and the others.

Suddenly, the excitement in the eyes of Venerable Jueshan and others disappeared. Damn, there is a monster like Jinlin blocking here, who dare to do it?

However, their eyes were still hot, and they couldn't move away for a long time. The origin of the universe, this is a legendary thing, similar to the origin of the heavens, born in the universe, this origin is the core of the universe, also known as the core of the universe, whether it is the devil, the underworld or the four heavens, all belong to the universe. of

Part of it has the origin of the universe.

However, this source is very cherished, and it is impossible to obtain it easily.

It is equivalent to the origin of the heavens, who can easily get it?

"Where does this golden scale come from the origin of the universe? Does he want to use this origin of the universe to extract the origin power of the Eastern Heaven Realm?"

"This is betraying the human race, it's too much."

"I know, this Jinlin is a monster, wolfish ambition."

Venerable Dunkong and the others were excited in their hearts, but their eyes were cold, they secretly transmitted voices, and their eyes were fiery. Because they all know that if they can refine the origin of the universe, their cultivation level will surely advance by leaps and bounds. Not to mention, it is not difficult to step into the realm of earthly respect. The most important thing is that once the origin of the universe is swallowed, they can even be able to Control

This world can become the master of this world.

of course.

The origin of the universe in Jinlin's hands is not complete and very backward. It should have been drawn from a broken universe, and it should not be too high.

But even so, it is also a treasure against the sky, enough to make the high-levels of their major forces fight for the scalp.

Qin Chen also learned the origin of the core of the heaven and earth in the memory of the Heavenly Poison Pill Venerable at this time, and couldn't help but tremble secretly.

Does this golden scale want to use this core of heaven and earth to extract the origin of the Eastern Heaven Realm? This is not impossible. The origin of the universe in Jinlin's hands is not complete. For these treasures, if they want to grow, they must absorb the origin of the same level, and the origin of the heaven and earth, which has not been completely restored, is the most suitable for absorption. ,
Once

This cosmic origin absorbs and blends into it, and maybe it can be repaired completely. By then, it will be more beneficial to experts like Jinlin.

Qin Chen's eyes were cold.

Only in this way, the Eastern Heaven Realm is really over.

"Hmph, are you afraid that you are thinking that this seat wants to swallow the origin of the Eastern Heaven Realm?" Jin Lin smiled coldly, glanced at the crowd, and boomed, it suddenly threw out the origin of the universe in its hand, and then an invisible force burst into it. .

Click! Click!

Suddenly, the origin of the universe burst into pieces, and the power of the cosmic origin swept in all directions.

I saw the power of the Heavenly Dao of the Eastern Heaven Realm, madly absorbing this cosmic origin power that was blasted away.

Rumble!

Along with the constant swallowing of the Heavenly Dao of the Eastern Heaven Realm, the Eastern Heaven Realm, which was originally trembling, has gradually stabilized, and its aura is rapidly repairing.

"This is... the Heavenly Dao of the Eastern Heaven Realm is absorbing the power of this core origin."

Qin Chen was shocked.

The others were also stunned.

Finally, under the eyes of everyone, the power of the Heavenly Dao of the Eastern Heaven Realm completely absorbed the power in this square.

In the dark, Qin Chen felt that the aura of the entire Eastern Heaven Realm had become more stable and powerful, and even the cultivation level in his body had an urge to break through.

Of course, this is just an illusion, but it shows that the level of the Eastern Heaven Realm has risen in this moment, becoming more complete.

Hum!

At the same time, an invisible force descended on Jin Lin's body, and the terrible aura on Jin Lin's body was quickly closed.

In just an instant, he became no different from ordinary people, and the oppression of Heavenly Dao on it also suddenly lost the target of bombardment, and soon dispersed.

Qin Chen was stunned. This Jin Lin was definitely a top-ranked master, but it was amazing to be able to deceive the sky.

No, it was not deceiving the sky, but was recognized by the Heavenly Dao of the Eastern Heaven Realm.

Because the Eastern Heaven Realm was nourished by the origin of the universe brought by the golden scales, to a certain extent, the power of the golden scales was also incorporated into it, making the confrontation between each other less intense.

"That's it."

Jin Lin smiled slightly and looked calm, looking at Venerable Dunkong and others.

Suddenly, the whole body of Venerable Dunkong and his party stood up, and their souls were in shock.

"how is this possible!"

Someone murmured.

The golden scales brought the origin of the universe, not only did not absorb the origin of the Eastern Heaven Realm, but instead integrated this origin of the universe into the Eastern Heaven Realm to strengthen the power of the Eastern Heaven Realm. This selfless dedication made everyone stunned.

"Hmph, do you all think this is going to be like you? The origin of this universe is collected by my master who has exploded an ancient realm of demons on the battlefield of ten thousand races. Great heaven, repair the four great heavens

Yes, I am waiting on the front lines to fight for the heavens, but what about you? It's ridiculous and arrogant to enter here, regardless of the endurance of the Eastern Heaven Realm! "

Jin Lin looked at Venerable Dunkong and others indifferently.

"The master commanded that all the powers of the heavenly realm, masters, should not enter the four great heavenly realms rashly. You are not leaving quickly?"

Jin Lin said coldly.

This is expelling everyone.

"Why?" Venerable Dunkong said solemnly, "Senior Jinlin, what you have done, I will call you senior, but the four great heavens are the four great heavens of my human race. I will wait to enter this place. It's not so rashly, but there are reasons for it. Even though Senior Xiaoyao was one of the leaders who repaired the heavens, it doesn't mean that these four heavens have become his private land? This place is still my human domain."
