[Chapter 4041: Escape into the Chaos River](#)

If Qin Chen expends a lot of energy to kill the Jumu Dizun, they can't understand it. It can only be said that Qin Chen is strong and surpasses the Jumu Dizun. Facing such a powerful person, so many of them will join forces. Still have confidence

Enough to face Qin Chen, and even kill the opponent is not impossible.

But Qin Chen opened his mouth and swallowed the Jumu Dizun directly. There was no news, and there was no refining process. This made them creepy and completely unable to understand the whole process.

Even if a strong Tianzun wants to refine a peak earth-zun, he is afraid that it will take some time. At least there is a refining process, right? But Qin Chen? Swallowing it in one bite, it seems that they have entered another void, so they are not afraid.

"Can this person be able to connect to another dimensional world? For example, some secret realms of the True Dragons?"

Someone was furious and thought of a possibility.

This is normal. At their level, they can communicate with many secret realms, and even strengthen themselves with the help of the power coming from the secret realms of various races.

However, it was quickly refuted.

"Impossible, if it is possible in the outside world, but here is the Vientiane God Treasure, the ancient and barren world, even the supreme power cannot penetrate, how can it communicate with the outside world?"

"What's the matter then?"

Many people are crazy, unable to understand everything about Qin Chen.

At this moment, Wan Yu Di Zun and the others have emerged from deep in their hearts with fear, an urge to retreat, this is a fear of facing unknown forces.

"Huh, Wanyu Dizun, Jiuyue Dizun, you are a human race, but you are doing evil and colluding with the demon race. Although my true dragon race is a neutral race, the most uncomfortable is your despicable people, death!" Qin Chen ignored the attacks of Wan Yu Di Zun and Jiu Yue Di Zun, letting the attacks of the two bombard him, and losing the attacks of the Wan Xing Zhong and Hao Tian Drums would hardly cause fatal damage to Qin Chen. , He launched the final attack on the two

When he hit, the chaotic aura around him was like dragons and tigers, rising up, and blasting out with a punch, the universe was condensed and compressed in his dragon claws.

The Earth Venerable Wanyu and the Earth Venerable Jiuyue retreated crazily, but Qin Chen's speed was so fast, no matter how fast they retreated, they could not escape Qin Chen's bondage. Instead, the billowing chaotic aura surged and penetrated into the two of them. In the body.

Seeing that the two would not be able to escape the fate of being killed.

At this moment, all of a sudden, the many masters of Yuanhun Dizun who led the Demon Race suddenly appeared beside Qin Chen, and the power came and killed Qin Chen.

The pinnacle of the holy demon race, the pinnacle of the dead demons, the pinnacle of the ghosts, some top demons, under the leadership of the deep soul, came to Qin Chen in an instant .

Their breath unexpectedly united and launched the ultimate ultimate move against Qin Chen.

He seized this opportunity to slay Qin Chen, otherwise, once they wait for the death of Wan Yi Di Zun and Jiu Yue Di Zun, then they will have no chance to kill Qin Chen. "Hmph, Yuanhun Earth Venerable, this deity has been waiting for you for a long time." Qin Chen didn't move his hand, turned his palm into claws, and grabbed the past. Suddenly, chaotic aura surged, bursts of energy overwhelming the sky, breaking the sky and the earth, palm strength Wherever I go, those are like black sun

The magic talisman was completely vanished.

boom!

The billowing chaotic aura also contained the power of the chaotic green lotus. This was the supreme magical power Qin Chen had realized and merged the fire of the chaotic green lotus with the power of the true dragon.

Click!

One claw resisted this vast blow, and Qin Chen directly grabbed Xiang Yuanhun Dizun with another hand.

"stop!"

"Bold!"

"Give me a quick stop."

Saint Demon Race, Dead Demon Race, Ghost Demon Race, and other demon races' top peak Earth Zuns, yelled and rushed to Qin Chen, and must not let Qin Chen kill the Yuanhun Earth Zun, otherwise, they will also suffer To the punishment. However, Qin Chen shook his body and laughed. Numerous magic crystals appeared in his hand. These magic crystals clattered and fused with the power of his true dragon, and instantly turned into a long whip. , With a bang, the whip twitched

, The void was blasted, and it broke directly.

"Devil's Sand!"

Yuanhun Dizun and the others were extremely frightened. What Qin Chen displayed was the sand of the demon that he had swallowed before. At this moment, in Qin Chen's hands, it turned into a long whip of demon, unexpectedly surging out the billowing demon. Family atmosphere.

what?

Many people were shocked. A true dragon clan actually spurred the sand of the devil. How could this be possible?

The most maddening person is Yuanhun Dizun.

"Boy, hand over the sand of the devil, you still have a way to survive, otherwise, you will undoubtedly die." Yuan Hun Dizun roared.

"At this time, you still have this kind of illusion, Yuan Hun Earth Venerable, you are afraid that you have cultivated for a long time, and your mind is broken by cultivation, right?"

Qin Chen's body moved, and the innocent dragon sword aura turned into a long river, bursting out, taking advantage of the devil's sand whip to fly away many peak demon gods, suddenly engulfed the deep soul of the earth, and shot endless Terrible magical blow.

Hum!

It seems that the ancient sacred mountain hits the pillar of heaven and earth, Hong Zhong Dalu's voice resounded, centering on the soul of the earth, the power of the chaotic dragon radiated out, the chaotic river burst into the sky and the waves, and all the void was completely vanished. .

boom!

Yuanhun Earthzun was blown out, vomiting blood in his mouth.

"Die me!"

Qin Chen shouted angrily, the sand of the devil swept out, the long whip danced in the void, and even the world, time and space were scrolled, the terrible sand of the devil quickly engulfed the Yuanhun Earth Venerable with the long whip Pulled quickly.

"Damn it, crack me!"

Yuan Hun Dizun hurriedly resisted, booming, the devilish energy in his body swept over him, trying to break free from Qin Chen's restraint.

At the same time, the peak earth sages of the other demon races are also killing towards Qin Chen.

But Qin Chen's figure shook, pulling the Yuanhun Earth Venerable, and he rushed directly into the Chaos River below, with a bang, and instantly entered the Chaos River.

"Damn it, Master Yuanhun Dizun must not die."

The demon's pinnacle elders looked furious and roared one after another, trying to break into the Chaos River. However, the power of this Chaos was too terrifying. The Chaos River was all the power of the Primal Chaos, and they did not dare to enter easily.

In the depths of the Chaos River, Qin Chen pulled the Yuanhun Earth Venerable into it, and the billowing chaotic origin aura surged. While resisting these chaotic auras, Qin Chen wanted to break free from the shackles of the sand of the devil.

"Haha, since you have come in, don't resist." In this chaotic river, Qin Chen occupied enough time and place to directly display the power of the Demon Tree of the Ten Thousand Realms. At the same time, the aura of the Lord of the Abyss was also fast. Spread out, control the sand of the devil.

[Chapter 4042: Swallow](#)

With a bang, the Yuanshun Earth Venerable could have resisted, but was suppressed by the power of the Ten Thousand Realm Demon Tree and the Lord of the Abyss, panic suddenly appeared in his eyes, he was suppressed in an instant, and then he was lashed by the Sand of Demon. Directly into the chaotic world

In the world. What is this still? When Yuanhun Dizun came back to his senses, he found that he had actually appeared in another piece of heaven and earth. At this moment, he finally understood why Qin Chen could swallow the ghost and worm earth and giant eyes, in his body. actually

Of course there is such a world.

It is a world of chaos. He was also one of the masters of the Abyssal Demon Clan. He figured out the situation in an instant. There was a chaotic world in Qin Chen's body. Just when he wanted to rush out of Qin Chen's chaotic world, he saw the void, Exuding the aura of abyss

The terrifying figure slowly walked out.

"You...you are..." Yuanhun Dizun looked at the person in front of him in horror.

"Hehehe, I didn't expect the master to give me such a chance to improve. It just so happened that if I want to restore my previous cultivation base, I need to absorb a lot of strength. It's you, quack."

The Lord of the Abyssal Demon laughed loudly, and in his body, rolling magic power filled his body, waving the sand of the Demon Spirit instantly enveloping the Lord of the Abyss.

Do not!

In the screaming screams, the voice of the Lord of the Abyss became weaker and weaker, until it disappeared completely. As long as the strength of the Lord of the Abyss was absorbed, the strength of the Lord of the Abyss would definitely be able to recover more.

After Qin Chen took the Yuanhun Earth Venerable, he finally breathed a sigh of relief. The Yuan Soul Earth Venerable was the strongest of the previous group of Earth Venerables. Once the Yuan Soul Earth Venerable dies, the others naturally have no power to oppose him. "The remaining are Wanyu Dizun and Jiuyue Dizun, these two guys are bound to die." Qin Chen's eyes rose with a cold light, and he was about to leave the Chaos River. Suddenly, the sound of splashing water sounded, a golden flame, Swim quickly from a distance, approach

Qin Chen.

Tortoise of the blazing sun? Qin Chen was shocked. The flame-like existence was the Tortoise of the Scorching Sun. This was an extremely terrifying existence in the Chaos Galaxy. Even Qin Chen didn't dare to underestimate the other party now. If the Tortoise of the Scorching Sun did something to himself, Qin Chen was not sure that

I can take it down.

Many of his own cards, including the power of Primal Chaos, can't bring the slightest harm to this sun turtle.

The Tortoise of the Fiery Sun approached Qin Chen and did not attack Qin Chen. There was a faint expression in his eyes, and he sent complex messages, constantly waving his tail, just like a pet.

Qin Chen was a little startled, what is this blazing sun turtle going to do?

"My lord, this blazing sun turtle wants to enter your chaotic world and follow you out of here."

At this time, Holy Ancestor Blood River suddenly spoke.

"Leave here with me?" Qin Chen wondered. "Yes." The Holy Ancestor of the Blood River nodded. He has lived in the inner world of this dark star for hundreds of millions of years, and he is very familiar with this Tortoise: "The Tortoise likes to absorb the jade from the chaos. Breath, living with the tree of chaos here

, Now you put away the Chaos Jade Bi, and took away the Chaos Tree. I think it is for this reason that he has to follow you to leave. "Honghuang Ancestral Dragon laughed and said: "Hahaha, Human Race boy, this is a great thing. The Tortoise of the Fiery Sun feeds on the chaotic galaxy. It is an extraordinary thing. Since he is willing to leave with you, it can't be better. Moreover, this blazing sun turtle is okay

Nourish the chaotic galaxy and enter this chaotic world, there are only benefits, no harm. "

Qin Chen had a weird face, but he didn't think that the Divine Sun Turtle actually wanted to leave with him.

However, he would naturally not refuse such a good thing. He was about to use the power of space to put away the tortoise of the strong sun, when he saw the tortoise of the strong sun shaking his head and swimming towards the chaotic river in an instant.

What is the Tortoise of the Fiery Sun?

Qin Chen was puzzled in his heart, and followed the **** turtle to the chaos river upstream.

At this time, over the Chaos River, the apex Earth Venerables of the Saint Demon Race and other forces were frightened. They did not expect that the Yuan Soul Earth Venerable would be pulled into the Chaos River by Qin Chen, and there was no news.

No, if it goes on like this, Yuanhun Earth Venerable is definitely dangerous, and he must be rescued immediately.

The Saint Demon Race and other Peak Divine Venerables made a decision in their hearts, turned their heads, and saw Wan Yi Di Zun and Jiu Yue Di Zun who were about to leave here.

"Where do you want to go?"

In an instant, a group of demons masters surrounded the two of them and said with murderous aura.

"I... that kid is too perverted. Instead of wasting time here, it's better to leave here and make a long-term plan," said Wan Xudi with fear. The two of them are really scared, and they don't want to fight

with Qin Chen anymore. They have gained tremendous benefits here. Now the Vientiane God Treasure is about to be closed. As long as they leave here, they will surely be able to break through the realm of Heavenly Sovereign and become human

Why should the senior members of the clan fight here?

But if they want to leave, how can the peak of the demons willing to let them go? The Yuanshun Earth Venerable is still in the Chaos River and must be rescued. Looking at the murderous masters of the Demon Race, the hearts of Wanyi Dizun and Jiuyue Dizun are sinking. Now these masters of the Demon Race are afraid that they will be Has been red eyes, as long as they are strong

If you leave, you will definitely be attacked by these people. It seems that you can only follow them into the Chaos River and try to rescue the Yuanshun Earth Venerable, then find a chance to leave.

In desperation, Wan Yu Di Zun and Jiu Yue Di Zun had to follow the demon masters towards the Chaos River below.

boom!

Under the leadership of Divine Sovereign, the peak of the Saint Demon Race, these people instantly combined into a huge magic array and slew towards the Chaos River.

As soon as they shot, they collapsed the world and cracked the mountains and rivers. Under their blow, the avenue cracked and the stars fell.

The terrible aura was suppressed so that countless people present couldn't help but feel chills. The people who were shallow in the way were directly suppressed and left far away, even breathing became extremely difficult!

"Wow!"

The sound of the water sounded, and just as they were about to rush down, there seemed to be something to be killed in the Chaos River. They were shocked. This must be Qin Chen and Yuanhun Dizun.

"kill!"

They all drank coldly, staring at the things that were about to rush out from below. As soon as Qin Chen appeared, they would launch the most terrible attack, blasting Qin Chen into ashes, but in the midst of this sparkling fire, a huge **** The tortoise leaped up.

No one knows where this divine tortoise jumped out, as if it suddenly appeared, the blazing sun divine tortoise leaped up, and swallowed it towards the Wanyu Dizun in the sky with one mouth. At this moment, many of the peaks were shocked, and they wanted to escape, but when the turtles opened their mouths, they couldn't escape at all. They felt that they were the food in the mouths of the turtles, and they were all sucked. Went in.

[Chapter 4043: Stars off](#)

"No--" At this moment, the unwilling screams of many Peak Earth Venerables echoed in the mouth of the Divine Tortoise of the Sun, but unfortunately, they had no chance to regret it.

Rumble! They urged the supernatural powers crazily at the end of the Super Tortoise of the Sun, trying to break free, but the Super Tortoise of the Sun was eating the stars in the Chaos Galaxy. His inner world was so vast that it could swallow even a white dwarf neutron star. Wan Yi Di Zun etc.

How can one escape?

They were quickly swallowed into a dark world and disappeared.

The **** tortoise of the blazing sun swallowed many peak earth respects, as if not enough, as if many peak earth respects could barely fill their teeth.

In this way, a total of six or seven of the pinnacles were swallowed all at once, with no corpses to be seen or people alive. This scene immediately made everyone stupid. No one would have imagined that a huge turtle would suddenly appear in the Chaos River. Although some people recognized this as the Fierce Sun Tortoise in the Chaos Galaxy, no one knew this Lie. The sun turtle is like

This is terrible, even the peak earth respect can swallow it in one bite.

Moreover, more than one was swallowed.

What's even more unexpected is that this huge turtle swallowing many peak earth statues is no different from eating a bunch of bugs. It is easy, it seems that many peak earth statues are just a bunch of small bugs in his mouth.

"It's the Turtle of Chaos!" Someone screamed after regaining consciousness. At this moment, I don't know how many people are fleeing here. They are far away from the Tortoise of the Fiery Sun, and dare not approach at all.

"The chaotic turtle..." Seeing the leaping sun turtle swallowing many peak earth sages in one bite, even the golden crow tribe and the experts of other races in the distance could not help but be shocked, they couldn't help but feel it. Hairy.

In fact, the people who felt hairy at this time were far more than the masters of the Golden Crow tribe. Those who had followed Qin Chen to chase the Tortoise of the Strong Sun were all hairy in their hearts, and they couldn't help but shudder.

When Qin Chen and the others chased this magical turtle, this magical tortoise had not resisted. They all thought that this magical tortoise was very gentle, but one of the earthly deity wanted to act on him, but he was directly crushed by him.

I'm afraid that Qin Chen and Yuanhun Earth Venerable who entered it before have already been swallowed by this blazing sun turtle?

Many people have this idea instantly in their minds. Many powerhouses who have chased the Tortoise of the Sun could not help but turn pale, because they are the people who have been chasing the Tortoise of the Sun for the longest time. They can say that in order to chase the Tortoise of the Sun and chase the entire Chaos Galaxy, they entered There is darkness here

The core of the stars. It can be said that they have hardly seen the Tortoise of the Fierce Sun attacking people all the way, even if the Tortoise of the Fierce Sun will attack people, they have never thought

that the Tortoise of the Fiery Sun will be so strong that it will swallow many peaks. Like swallowing a bunch of bugs

What a terrible thing this is.

At this time, everyone on the scene felt hairy. If they knew that the Tortoise of the Fiery Sun was so terrible before then, they wouldn't necessarily dare to chase the Tortoise of the Fiery Sun.

Imagine that the tortoise that swallows many peaks of the sun is by your side at any time, who dares to chase it easily? In case it is unhappy, it can swallow everyone with one mouthful! At this time, many people couldn't help but shudder when looking at the Supernatural Tortoise, especially those who had thought of attacking the Supernatural Tortoise in cold sweat. Fortunately, I did not catch up with the Tortoise of the Fiery Sun. Otherwise, the demon clan, the Star God Palace and the Daewoo Mountain

The fate of many pinnacles is a lesson for them.

After this Sun Turtle swallowed many peak earthly respects, he did not leave. Its eyes like the scorching sun stared at the rest of the powerful men present, and it swam towards this group of guys. .

"Go!" Where did the many masters on the scene dare to stay here, they disappeared in an instant, and their faces turned pale with fright. Even Wan Xu Di Zun and them were swallowed in one bite. With their strength, in case, Being targeted, not swallowed in one bite

Life? Although I don't know what happened to Qin Chen and Yuanhun Earth Venerable? But seeing such a scene, everyone still doesn't understand. These two guys are afraid that they have been swallowed. Although Qin Chen has shown strong strength before, it is comparable to this fierce sun turtle.

, But a lot of instant difference.

In an instant, the people here retreated far away.

boom!

At this moment, everyone saw that a figure suddenly rushed out of the chaotic river.

It turned out to be Qin Chen.

This real dragon kid is not dead yet? Everyone looked at the scene in front of them in disbelief, they couldn't believe it, and what made them even more unbelievable was still behind. After this real dragon kid rushed out of the Chaos River, he actually landed here steadily. The body of the blazing sun turtle

.

Damn, what happened?

Everyone was stunned.

At the bottom of the Chaos River, Qin Chen also saw the scene where the God Tortoise of the Fiery Sun swallowed a group of people of Wan Yi Di Zun, and he was a little confused. Respect them.

At this time, the **** tortoise of the strong sun looked at Qin Chen intimately, his eyes eager to try, and there was a feeling of asking for credit.

Qin Chen looked weird, this is really...

When the other people in the distance saw this scene, they couldn't help feeling aroused, and they were all hairy.

Unexpectedly, this real dragon guy still had such a method.

Seeing that the Lord of the Deep Soul has disappeared, if everyone does not understand that the Lord of the Deep Soul has been solved by this true dragon clan kid, then it is too idiotic.

When attacking Qin Chen earlier, the many peaks of the Yuanhun Earth Venerable thought that they had a chance to win, but he didn't expect that the Death God had already shrouded their heads. In the end, he didn't even know how he died.

However, what everyone did not understand was why Qin Chen could command the Tortoise of the Fiery Sun?

"Rumble..."

When many people felt horrified, suddenly, the entire world, a violent roar resounded, and the entire space inside the dark stars shook violently.

I saw the chaotic aura between the heavens and the earth raging and condensed together, and the chaotic river below also made a splash of water, and everyone present could hear it clearly.

I saw a whirlpool appeared in the center of the Chaos River, and the whirlpool began to shrink, and the whole world would be shattered.

"No, this space is going to be closed."

Many people woke up to all this in an instant, and rushed toward the void of the outside world one by one, because they felt that the power of this world was extremely restrained and seemed to be completely closed.

"Human race boy, this world is about to be closed, and the secrets of the outside world will also be closed. You must leave immediately."

Honghuang Zulong suddenly shouted. There was no need for the great ancestor dragon to speak, Qin Chen immediately raised his hand, and an invisible force immediately wrapped the tortoise in the chaotic world, and he also shook his body and disappeared here.

[Chapter 4044: Charge](#)

Rumble!

In an instant, the wind and clouds changed, the entire world, the billowing chaos aura exploded, and this dark star was shaking violently, emitting a rumbling roar.

"No, run away."

"Get out of here."

Groups of venerables of the ten thousand races could no longer consider too much, and rushed out of the range of the dark stars, toward the periphery of the core land.

Qin Chen quickly left the dark stars amidst the roar.

He looked around and saw that many venerables of the ten thousand races fled from here, densely packed.

Among them, the Golden Crow Prince, the Little Demon King and others, he saw clearly and left under protection, and the other venerables of the ten thousand races also left one after another, but they did not see Shangguan Wan'er and Moli. Qin Chen felt stunned. He didn't know where Shangguan Wan'er had gone. As for Mo Li, he didn't have to worry at all. This guy naturally had a way of fleeing. If he didn't guess wrong, he was afraid that he would have left here the first time. Find

To the Chiyan Demon Lord, I don't know where to go.

With the Demon Ancestor Luohu in his body, he was enough to walk sideways in the hidden realm of the Vientiane God.

"go!"

Qin Chen didn't have much time to stay here, his figure flickered, and he rushed directly out of the core of the Chaos Galaxy.

boom!

The next moment, in the dark stars below, the origin of the rolling Chaos River suddenly burst out, and the terrifying chaotic aura, accompanied by the black flame-like aura, rose to the sky.

"what!"

Many venerables couldn't hide, screamed one after another, surrounded by these powers, burning instantly and disappearing in smoke.

Before the outbreak, it was a treasure land, but once it broke out, it was Jiuyou Purgatory.

"Human race boy, quickly retreat, go to my dragon nest secret realm first." Honghuang Zulong said hurriedly.

He is really anxious, if the Vientiane God Treasure closes, his Chaos Dragon Nest will be in trouble if it is too late to collect it.

Without staying, Qin Chen rushed out of the vortex land and swiftly came to the Chaos Galaxy.

"Come!"

Qin Chen raised his hand abruptly towards the Chaos Galaxy below.

Boom! In an instant, the surging Chaos Galaxy below suddenly rushed out a huge wave that pierced the sky, and the billowing waves soared into the sky, like a pillar of heaven, Qin Chen directly ingested the water of the Chaos Galaxy into the Universe Jade Plate. Among,

A vast chaotic galaxy was formed.

This chaotic galaxy is extraordinary. It can form a chaotic ocean in the chaotic world. It can also be regarded as the habitat of the tortoise of the strong sun. Qin Chen will naturally not miss it.

I saw the rapid condensing of the chaotic galaxy water in the chaotic world, and in an instant it turned into a vast ocean.

In the distance, the tens of thousands of powerhouses who flew out from the core of the chaotic galaxy saw this scene with awe.

The billowing chaotic galaxy water was a long dragon, constantly being swallowed by Qin Chen and disappeared. This scene, like a miracle, made everyone's heart horrified.

This is horrible. It should be noted that this chaotic galaxy is just like the ghost galaxy. It is very sinister. They, the masters of the earthly masters, dare not break in easily. They are not willing to get a trace of them for fear of life danger, but what about Qin Chen? But like a whale sucking water, it will roll

The rolling chaotic galaxy water just sucked into his own body, and I was afraid that Tianzun would be stunned and shocked when he saw this scene.

Qin Chen didn't want to expose too much here, but he couldn't care too much because of limited time.

boom! The billowing chaotic galaxy water was sucked into the chaotic world by Qin Chen, forming an ocean of chaotic galaxy. However, the vast chaotic galaxy water here is like endless, no matter how much Qin Chen absorbs, there is not much change.

.

When the water of the chaotic galaxy in front of him seemed to drop a little bit, Qin Chen stopped swallowing it.

It's almost there, and then swallowed it down, Qin Chen's chaotic world has already felt a bit of pressure, after all, the time for this chaotic world to be opened is too short, and such a vast ocean of galaxy is enough for the Fiery Sun Tortoise to survive happily here.

Sure enough, in the chaotic world, the God Tortoise of the Fiery Sun was walking excitedly here, and suddenly he blew a few times, and the God Turtle of the Fiery Sun opened his mouth, unexpectedly swallowing the seven or eight peaks that were previously swallowed by Wanyu Dizun and Jiuyue Dizun. All the earth respecters vomited out.

After the seven or eight earth veterans vomited out, they lay dying in the chaotic world, extremely embarrassed.

The Fierce Sun Turtle turned and sank into the chaotic galaxy, bit a star in it, quack quack quacked, and disappeared.

"where is this place?"

They lay in this chaotic world, one by one, they were horrified, weakly inquiring.

"Quack, the master is really kind to me, and I have brought food again."

A gloomy voice rang, and the next moment, the Lord of Abyss Demon suddenly appeared next to the powerhouses such as the peak of the Holy Demon Race, showing a hideous sneer.

Qin Chen also saw everything that happened in the Chaos World, but he didn't have much time to deal with them now. After putting away the Chaos Galaxy, Qin Chen hurried to the Dragon Nest.

The entire void is shaking, and void cracks appear everywhere.

This is a precursor to the closure of Vientiane God Store.

Qin Chen rushed madly, turning into a bright glow, urging the power of time and space, and finally arrived at the Chaos Dragon Nest after a while.

"Trendy boy, I will cooperate with you."

The wild ancestor dragon flew out, booming, the dragon ball blooming on the dragon ball, the terrible wild dragon instantly enveloped the chaotic dragon nest and soul lake below.

Boom boom boom! Suddenly, the entire Chaos Dragon Nest vibrated violently, and the dragon's nest vibrated. Under the attraction of the Chaos World and the aura of the ancestor dragon, this huge dragon nest slowly rose up, that breath, even if it was Qin Chen now also

All felt a strong shock.

"Old Blood River, help me quickly."

Honghuang Zulong roared. In the chaotic world, the aura of the blood river saint ancestor swept out, blessing on the Honghuang ancestor dragon, the next moment, the chaos dragon nest was finally brought into the chaos world a little bit, and appeared in the chaos world. A mountain

Above.

Wow!

And that lake of souls, also wrapped in it, directly entered the world of chaos, forming a lake of souls.

Qin Chen instantly felt a heavy sense of saturation in his chaotic world.

This Chaos Dragon Nest and Soul Lake were too terrifying. If it weren't for the help of Senior Ancestral Dragon, Qin Chen alone would really not be able to take it.

"Hahaha, it's successful, the ancestor will finally leave here and see the sun again, haha, hahaha!" The great ancestor dragon hovered above the soul lake, excited, tears of the old.

[Chapter 4045: Goodbye master](#)

The Blood River Saint Ancestor was also very excited, leaving here, this is what he has dreamed of for hundreds of millions of years.

Qin Chen collected many treasures, breathed a sigh of relief, banged, and left the ruins of this place directly into the vast Vientiane God Treasure.

Whoosh!

Qin Chen found a direction and quickly flew past.

I don't know how long it has been flying, Qin Chen stopped in a hidden valley, and then sat cross-legged, seeming to be waiting for something.

After a while, in the distance, two streamers flew quickly from different directions.

The body of these two streamers was surging with the aura of the magic Dao, and the body exuded the terrifying power of the nobleman.

"Lingyuan."

"Tu Moyu?"

When the two met, there was a look of surprise on their faces.

These two are not others, they are the Lingyuan of the Holy Demon Race and the Tu Moyu of the Dead Demon Race.

"Unexpectedly, your cultivation base has broken through to the pinnacle of humanity, and it is only one step away from the earthly respect."

"Haha, are you the same with each other?" Lingyuan and Tu Moyu looked at each other, and smiles appeared in their pupils. They were enslaved by Qin Chen in the trial place in the heavens, and later, in the void tide The two in the sea returned to the Demon Realm through the passage of the Moon Demon Race, and returned to their own

Race, these years have become the top devil in their own race.

This time I also got the opportunity to enter the Vientiane God Store. Before, they were all in the dark stars, and suddenly received a soul message asking them to come to this place. The two of them were a little wary at first, not knowing who called them. Now seeing each other, their hearts suddenly flowed.

There was a hint of ecstasy.

Is it the master?

When did the master come to this Vientiane God to hide.

Tu Moyu was better, at least in the Wala Zerg camp, he had already learned the news of Qin Chen's arrival on the battlefield of ten thousand races, but Lingyuan didn't know at all, so he was excited.

The two quickly entered the valley.

In the valley, the billowing aura surged, and the two looked up and saw a figure sitting cross-legged in the middle of the valley. This figure lingered in the chaos, and the breath radiating from it was earth-shattering.

"the host?"

The two said in confusion.

"Well, you two finally came."

This figure turned around, it was Qin Chen, but at this moment, Qin Chen still maintained the appearance of a true dragon clan, and immediately surprised Tu Moyu and Ling Yuan.

"you....."

There was a look of horror in their eyes.

Why don't they know each other? Isn't this the true dragon clan powerhouse who slaughtered the Quartet in the dark stars, and beheaded their sacred demon clan and the peak of the dead demon clan? Why are you here?

The two of them had a chill in their hearts, and they had completely cooled down, booming, surging magical power, and they were about to flee here.

They never expected that the one who summoned themselves was turned out to be the powerhouse of the true dragon clan.

"Why, don't even recognize me?"

Qin Chen smiled, the true dragon aura on his body was restrained, and the scales scattered, revealing the human face.

"Lord...Master...It's really you, why are you..."

Both Tu Moyu and Ling Yuan were stunned, and never expected that the true dragon clan powerhouse who had previously killed all sides in the dark stars turned out to be their masters.

Although Qin Chen used the Ten Thousand Worlds Demon Tree to control the two, they belonged to the enslaved party. They couldn't find Qin Chen's position based on their soul aura, only Qin Chen could perceive them.

"Yes, it's me. You two are good. Both of you are the pinnacles. Breaking through the earth is just around the corner." Qin Chen looked at Tu Moyu and Lingyuan. These two people are worthy of the top demon of the two races. Under the transformation of the Realm Demon Tree, his talent is amazing. He has not seen him for many days. Compared to himself, he is no less inferior. He is actually a pinnacle human master, even vaguely.

In the meantime, he has already touched the threshold of the earthly respect.

Of course, there is still some time before entering the earthly respect, after all, how easy it is to break through the earthly respect realm.

"Compared to the master, my talent is not worth mentioning." Tu Moyu and Ling Yuan knelt on one knee and said with a wry smile. They are bitter from the heart. After they return to their races, they enjoy endless resources. I thought it could bring a lot of help to the owner, but now it seems that the owner does not need their help

, Even the pinnacle earth-sovereign who led them into this place was beheaded by Qin Chen, the two sides were too far apart.

"Haha, you don't have to belittle yourself."

Qin Chen raised his head and looked at the Vientiane God Store that was about to collapse and was about to be closed. He raised his hand and quickly brought Lingyuan and Tu Moyu into his chaotic world.

"here is....."

Tu Moyu and Ling Yuan had also been in Qin Chen's jade disc of good fortune, but they were shocked to see the chaotic world again.

"The purpose of my summoning you this time is to allow you to improve your cultivation as soon as possible and make some contributions to me in the devil world."

Qin Chen's eyes flashed, the voice fell, Qin Chen raised his hand, and suddenly the chaotic aura in this chaotic world lingered and turned into the pure original chaotic power, which quickly poured into Tu Moyu and Lingyuan's In the body.

"what!"

The two suddenly uttered a painful sound, and this tumbling chaos origin poured into the two of them, quickly changing the origin structure of the two, and the aura on their bodies rose frantically in a vague manner.

Qin Chen is improving the cultivation of the two.

Although with the talents of Tu Moyu and Lingyuan, it is not difficult to leave the Vientiane God Treasure and return to the Demon Realm to break through the realm of the Earth Zun, but at least it will take a while.

In the big clans like the Dead Demon Race and the Holy Demon Race, although the human respect and the earth respect are only a small difference, the actual status is very different.

Only after entering the earthly respect can it be regarded as truly entering the backbone of a race.

Only by achieving Tianzun can you enter the high-level decision-making level.

Now, what Qin Chen has to do is to let Tu Moyu and Ling Yuan enter the backbone power level as soon as possible, have more power to speak among the two clans, and can mobilize more power.

And when Tu Moyu and Lingyuan were absorbing the power of the tumbling Primal Chaos, Qin Chen also stepped out and quickly came to an open space.

In that empty ground, Wan Yu Di Zun, Jiu Yue Di Zun and others were lying there dying, while the Lord of Abyss Demon looked at these people in time, and when they saw Qin Chen, all of them were shocked and shocked. The color.

"Human race?"

"how is this possible?"

Seeing Qin Chen's face, the eyes of Wan Yu Di Zun and the others showed anger and disbelief.

"Hey, I have seen the master."

The Lord of the Deep Demon bowed respectfully, which made these guys even more terrified and shocked.

"You two, come here."

Qin Chen didn't bother to pay any attention, raised his hand, and directly took away the two peak earth sages of the Dead Demon Race and Saint Demon Race, and disappeared here.

"What do you want to do?" The two peak earth sages of the Holy Demon Race and the Dead Demon Race said in fear. Before they could finish their words, they had already seen Tu Moyu and Lingyuan in the chaos, one by one. Zi stared round.

[Chapter 4046: The end of the gods](#)

"Why are the demon sons of my dead demon race and the demon son of holy demon race here?"

At this moment, the eyes of the pinnacle of the dead demon clan and the pinnacle of the holy demon clan were full of fright.

At this moment, Tu Moyu and Lingyuan are floating above the sky, absorbing the power of the rolling origin, it is not like they were captured and brought here.

"Hehe, you don't need to know this. Tu Moyu and Lingyuan are the demon sons of your demon race, and they are also the hope of your race in the future. For your race, I believe you two should be willing to sacrifice their own?"

Qin Chen said with a smile.

"What do you want to do?"

The pinnacle Dizun of the Dead Demon Race and Saint Demon Race feels cold, and there is a look of horror in his eyes.

"dead!"

Qin Chen was too lazy to answer. He just raised his hand and boomed. In an instant, the terrifying chaotic aura directly exploded the two of them. The power of the billowing dead demon race and the power of the holy demon race turned into a vast ocean, rushing in quickly. Into the bodies of Tu Moyu and Ling Yuan.

"what!"

The two screamed, and the experience, soul, strength, law, and origin of the whole body were all bit by bit swallowed by Tu Moyu and Lingyuan.

"Do not!"

In the end, the two of them wrapped their souls and were completely swallowed by Tu Moyu and Ling Yuan.

Boom! After Tu Moyu and Lingyuan swallowed the peak of their power, the aura on their bodies quickly rose. Originally, Tu Moyu and Lingyuan had already raised their power to the extreme, and now they have swallowed such a wave. The power of terror

After that, the breakthrough finally began.

The billowing power poured into their bodies, causing them to directly break through to the realm of the earthly respect. A terrifying aura permeated from the two of them. At this moment, Tu Moyu and Lingyuan, although they were only the cultivation base of the earthly respect, the breath that they could exude was even more terrifying than the two peak earthly statues before. Absorbed a large amount of

After the power of Chaos Origin, the two got an amazing transformation.

"Wow!"

Qin Chen raised his hand and instantly two Chaos Fruits fell into the hands of Tu Moyu and Ling Yuan.

"You two, eat this Chaos Fruit."

"the host....."

Tu Moyu and Ling Yuan looked at Qin Chen excitedly. This is the fruit of chaos, so did the master give it to them? "After all, you two made the breakthrough after swallowing the peak earth sages of your races. Now you have refined their origins and rules. Although they are well concealed, they may not be seen. Once you are The top powerhouse of the two races

It is not good to figure out anything. "Qin Chen is very careful in doing things. Both the Dead Demon Race and the Saint Demon Race are the top races in the Demon Race. There will inevitably be the top powerhouse in the universe. These powerhouses have extraordinary methods. The clues of it will make Tu Moyu and Ling

Yuan is in danger.

But as long as the two of them swallow the chaotic fruit, relying on the terrible power of chaos in the chaotic fruit, they can conceal the source of the refining rules in the two people, and prevent it from being calculated. .

Facing an opponent like the Demon Race, Qin Chen naturally did not dare to be careless.

"Thank you, Master." Tu Moyu and Lingyuan swallowed the chaotic fruit one after another, and the roaring chaotic aura bloomed from their bodies. After a while, the vanity of the two of them when they broke through completely disappeared, and their cultivation was also Completely consolidated, even from the peak

The respect of the earth is not much different.

This is just a cultivation base, in terms of strength, Tu Moyu and Ling Yuan have already reached the level of the peak earthly respect. I am afraid that the average peak earthly respect will not be the opponent of the two.

"You go."

Qin Chen had already sensed that the Vientiane God Cang from the outside world was making a roar, and cracks appeared one by one in the void. It was obvious that the Vientiane God Cang had ended and the exit was emerging, and everyone would be rejected immediately.

"Master, your subordinates are waiting for your order at any time."

Tu Moyu and Ling Yuan saluted Qin Chen respectfully, and then quickly left the valley and disappeared.

"I should leave too."

Qin Chen looked at the cracks in the sky, this time the Vientiane God Zang, he had gained too much, and his cultivation had reached the peak of the human respect, only one step away from the earth respect.

However, Qin Chen suppressed and did not break through the earth respect. The Vientiane God Store, after all, is a very secret place. When Qin Chen broke through the Venerable here before, he vaguely felt a terrible thunder aura permeating the void, but because of the Vientiane God Store, he never blasted. fall

Come, and then gradually disappear.

It's just that this terrible thunder suppressing breath still exists, and I don't know when it will suddenly drop.

If Qin Chen breaks through the realm of earthly respect in this Vientiane God Treasure now, it will definitely attract even more terrifying visions, which is obviously not in Qin Chen's interests.

"If you want to break through the earth, you have to leave here and find a secret place in the battlefield of ten thousand races."

Qin Chen's eyes flickered and said to himself.

"However, I am afraid that the body of the true dragon clan will not be able to be revealed." Qin Chen used the identity of the true dragon clan Long Chen to make a lot of noise in this Vientiane God Treasure, killing Yuanhun Dizun and others. If it is exposed to the outside world, Qin Chen is afraid that it will directly provoke the chasing and killing of powerful people of thousands of races.

Don't dare to appear to the outside world as a true dragon.

call!

I saw Qin Chen's body, a **** light suddenly appeared. At this time, Qin Chen had become a foreigner with an eagle-faced face, and the **** light on his body surged, like a sage in the universe. The person is average.

"go!"

In the next moment, a terrifying force enveloped Qin Chen, and instantly repelled Qin Chen out of the Vientiane God Treasure.

now!

Vientiane God is hidden outside.

Many powerful people of the ten thousand races have been waiting here, and they looked shocked at the Vientiane God Store that opened the exit, swish, and horrible auras continued to fly out from it.

"Out."

"This time the Vientiane God Zang is over."

The masters of the ten thousand races all looked at the whirlpool above their heads in shock. From that whirlpool, many masters who had experienced the Vientiane God Tibetan experience flew out one after another.

Some of the top races suddenly cheered when they saw the people from their own race, but the races that did not see the strong leader of their own race came out, and they were all fearful, and their hearts poured into their throats. The Vientiane God Store is very dangerous. What's more, during this time of the Vientiane God Store experience, at the entrance of the Vientiane God Store, the power of thunder robbery suddenly appeared, although this thunder force does not know when. It has disappeared, but because of the appearance of this terrible thunder tribulation, the Vientiane God Treasure has attracted the attention of the powerful people of all races.

[Chapter 4047: Tianzun shocked](#)

Some of the ten thousand races even dispatched top experts to prevent accidents.

call! Qin Chen felt that he was surrounded by a terrifying force of the gods hiding in all things. In the next moment, his whole person entered the endless void. In this vortex, Qin Chen continued to rotate. When he recovered, Qin Chen found out that he had appeared

On the battlefield of ten thousand races.

"here is....."

Qin Chen looked around suspiciously, suddenly shocked in his heart.

Because, he found that the place where he appeared was actually the place where he entered the Vientiane God Treasure.

"Such a coincidence?"

Qin Chen was puzzled, "Or say..."

You should know that there are many entrances to the Vientiane God Cang. When Qin Chen entered the Vientiane God Cang, he flew around the Wala camp for many days before reaching an entrance of the Vientiane God Cang.

In fact, the entrance of the Vientiane God Treasure is located in various places on the battlefield of the ten thousand races. The place Qin Chen enters is an entrance, and there are many entrances in other places of the Vientiane God Treasure. From these entrances, as long as you see the vortex of the Vientiane God Store, you can enter the Vientiane God Store through this whirlpool. This is also what Qin Chen never met with Tu Moyu, Qianxue, and Shangguan Wan'er before entering the whirlpool. The reason

Now, because the entrances they enter are completely different, although they can see each other outside the whirlpool, they are not in the same place at all.

Originally in Qin Chen's imagination, the Vientiane God Treasure was closed, and everyone should have left at random, but he did not expect to appear in the position where he had entered.

Is this a coincidence? Or does it mean that no matter from which entrance anyone enters, once they leave, they will return to the previous entrance position?

Qin Chen hurriedly turned his head and boomed. At this moment, near the wasteland where Qin Chen was, a group of figures began to appear.

"It's them?"

Qin Chen's eyes fell on two of them, and his pupils suddenly shrank. When the Vientiane God Treasure was opened, Qin Chen was stunned by seeing Wan'er at the mouth of the whirlpool. When a group of people saw this, they immediately attacked Qin Chen and tried to kill Qin Chen, but Qin Chen was killed by Qin Chen. Several people were beheaded on the spot, but a few

People survived, and the two people who appeared here are the two who survived at that time.

At the beginning, these two people were just ordinary people, but now I saw them again, and they all broke through to the realm of the earth. Obviously they have gained a lot of benefits from the Vientiane God Store.

After seeing these two people, Qin Chen's heart sank instantly.

He instantly understood that the transmission mechanism of the Vientiane God Treasure would appear on which side it entered.

"not good!"

A cold sweat broke out behind Qin Chen in an instant.

At this time, in various places on the battlefield of ten thousand races, the strong men of the top powers are all sitting here, quietly waiting for the appearance of their respective powers.

Where is the Yaozu.

A group of monster masters with terrible auras waiting here quietly, looking nervous.

Boom!

Suddenly, in the vortex ahead, a number of figures appeared, the Shadow Charm Earth Sovereign, the Heavenly Wolf Earth Sovereign, including the Golden Crow Prince, the Little Demon King, and other large groups of monsters returned one after another, exuding a powerful aura. .

"Haha, I'm back."

"The breath of Master Shadow Charm is so terrible, has she broken through the heavens?"

"Lord Sirius also seems to have a heavenly breath."

Many Yaozu people are excited.

In addition to the Shadow Charm Earth Sovereign and the Heavenly Wolf Earth Sovereign, there are other peak Earth Sovereign powerhouses of the Demon Race, also stepping out, each exuding a terrifying aura.

Among the crowd, although the Golden Crow Prince and the Little Demon King are much worse in cultivation than the Shadow Charm and the Heavenly Wolf, they are not bad at all in terms of status, and there are many clansmen surrounding them. , Excited.

"Haha, it seems that you have gained a lot this time." Among the monster race, a rumbling roar resounded, and a powerful monster from the monster race walked over with a terrifying aura, surrounded by a terrifying aura, like a **** Only, powerful people like the suppressed Shadow Magic Earth Sovereign and Sirius Earth Sovereign are all breathing stagnant

Endless.

"I have seen Qianbao Tianzun!" Yingmei Dizun and others saluted them. This person is Qianbao Tianzun, the real high-level monster of the monster race, and the commander of the monster race on the battlefield of the tens of thousands of people, even if the shadow charm respects them. Come from different monster races, their identities are extremely noble, but in Qianbaotian

In front of Zun, the attitude is quite respectful.

"Well, let's go back." Qianbao Tianzun glanced at Prince Jinwu and others, his eyes brightened: "Haha, my demon clan's damaged disciples this time are about the same as before. It seems that the Vientiane Shenzang this time is not too big. Too dangerous."

Qianbao Tianzun said with a smile.

"Sir Qianbao Tianzun, I will report something important." Yingmei Dizun hurriedly said.

"Don't worry, let's go back to Daying. This place is still a bit dangerous. The Lord is ordered to take you back to Daying. When everyone is safe, we can talk about the things in the Vientiane God's Treasure."

The Heavenly Wolf Divine Venerable hurriedly said, "Master Qianbao Tianzun, this matter is extremely important, because this time the Vientiane God Store is different from the past, and something big has happened."

"Oh?"

Qian Leopard Tianzun look over? What major event, so that both the Shadow Magic Earth Venerable and the Heavenly Wolf Earth Venerable have such an attitude, have to say it here? "Master Hui, this time the Vientiane God Store, I have discovered a place of chaos and many treasures, and in that land of chaos, I have discovered a river of chaos, in the center of the chaotic river, Contains the terrible source of chaos

, There is also a top chaos treasure, and there is a tree of chaos. "

"What, Chaos Supreme Treasure? The Chaos Tree?" Qianbao Tianzun's expression suddenly changed, and he even asked, Chaos Supreme, this is a treasure that all these Heavenly Lords must be crazy about.

"Those treasures were taken away by a young expert from the true dragon clan..." The Heavenly Wolf Divine Master replied.

"The people of the true dragon clan took it away?" Qianbao Tianzun was shocked, and at the same time, his eyes condensed and frowned: "Are you sure it was taken away by a young master of the true dragon clan? With your strength, can't it be that you can't compete for a true dragon clan? People? Besides, those who enter the Vientiane God's Treasure are apart from you

, And the top powerhouses of the human race, the demon race, etc., will they watch the chaos treasure be taken away by the true dragon race? "

Qianbao Tianzun instantly grasped the key to the matter. "That's what we are going to say. This time, the Vientiane God Zang, the Demon Race has suffered heavy losses. Not only the peak of the Saint Demon Race and the Dead Demon Race, but also the Yuan Soul Earth Master of the Abyss Demon Race have fallen. In the Vientiane God Store, everyone was killed by the true dragons. In addition, the Star God Palace of the Human Race and the Goddess of the Nine Mountains of the Dayu Mountain also died tragically in the God Store of Vientiane, and they were also killed by that Killed by a true dragon master."

[Chapter 4048: Demon Wrath](#)

"what?"

Qianbao Tianzun was shocked.

What happened to the Vientiane Godzang this time?

He instantly understood that something great had definitely happened this time in Vientiane.

"Say it."

He said with a shocked look.

Suddenly, the Shadow Charm Earth Sovereign and the Heavenly Wolf Earth Sovereign had briefly said what happened in the Vientiane God's hideout.

And the more Qianbao Tianzun listened, his expression became more serious, and he never expected that this time the Vientiane God Cang had such a terrifying event.

"Quickly, get to the top of the clan." Qianbao Tianzun immediately shouted, his expression shocked.

He instantly understood that this was about to happen. Yuanhundizun and others had fallen into the Vientiane God Treasure. The Demon Race would never give up, and the battlefield of the Ten Thousand Races was bound to launch a major earthquake.

Even if Qianbao Tianzun is a Yaozu Tianzun, he would not dare to take such a big event, he must report it to the upper level.

The Golden Crow Prince and the Little Demon King also began to contact the senior officials and send out information. In the battlefield of ten thousand races, the battle situation is changing rapidly. Among the high-level people of all races, naturally there are means of communication. Once a major event

occurs, the various races can communicate with each other, and the high-level monsters can also send strong people to come. Message first

Time passed out.

"Om!"

A light suddenly lit up on a piece of communication formation in Qian Bao Tianzun's hand.

"this is....."

Qianbao Tianzun looked solemn.

"Everyone is silent, this is a message from the Demon God Temple of the Demon Race."

The Demon God Temple is the top power of the Demon Race. It is the highest meeting of the Demon Race composed of the highest levels of the major races of the Demon Race. Now the Demon God Temple communicates the future, and it must be the highest level of the Demon Race that has instructions.

Everyone's breathing was stagnant, and Qian Bao Tianzun also held his breath, not daring to breathe, and began to communicate with the formation.

He saw Qianbao Tianzun nodding his head constantly, saying "Yes" constantly, and after a while, he quickly put away the communication formation. "All of you, leave immediately and return to the Yaozu camp. The Yaozu high-level officials have orders to monitor the battlefields of the ten thousand races and monitor the actions of the Demonites. The high-level Yaozu will immediately discuss with the high-level humans to discuss this situation. Determining the matter of the gods

And the matter of the True Dragon tribe will also be discussed immediately. "

Qianbao Tianzun said in a deep voice, his expression serious.

Feeling the solemn expression of Qianbao Tianzun, everyone knew that this was about to happen.

What happened in Vientiane Godzang this time is too critical, and all ethnic groups must be energetic.

Although the loss of the Yaozu is not great, the Yaozu is also one of the human alliances and naturally has its own abacus.

"Now, you go back to the camp immediately, no one is allowed to act rashly without high-level orders." Qianbao Tianzun said with a serious expression.

"What about you, sir?"

Prince Jinwu hurriedly said. "The high-level has already ordered that after sending you back to the camp, I will investigate the true dragon tribe's whereabouts as soon as possible, and find out the whereabouts of this person. No matter what, we must find this person before the demons and other races. Trace, control yourself

On hand. "

Prince Jinwu was shocked: "Master Qianbao Tianzun, shouldn't my Demon Race do anything to him? This person is in the Vientiane God Treasure, and he didn't do anything to kill my Demon Race."

Prince Jinwu hurriedly said, that the true dragons and Lord Cat knew each other, and Prince Jinwu naturally wanted to speak for each other.

Qianbao Tianzun said in a deep voice: "This matter is not for me to decide, but the above means that this person cannot be allowed to fall into the hands of other races such as the demons. Now the high level has dispatched other Tianzun to come and search for this person. Qianbao Tianzun squinted his eyes: "The law of Vientiane God's Treasure is that wherever it enters, it will leave from wherever it is. If the True Dragon Clan really leaves the Vientiane God's Treasure alive, he must now appear in him. Enter the position, regardless of whether he is from

No matter which entrance he entered, someone will definitely have seen his trail. As long as he finds the location of the entrance he entered, he can find the person and block it. "

"I will send you home first."

Qian Bao Tianzun instantly led Yingmei Dizun and others, leaving one after another.

After he sent the Golden Crow Prince and the others back, he also had to join the team searching for the True Dragon Clan as soon as possible, and it was only a matter of time before he found the position where the True Dragon Clan entered with the demon clan's position on the battlefield of ten thousand races.

"Little Demon King, this matter must be notified to the ancestors." Prince Jinwu and Little Demon King looked at each other, their faces were solemn, if Qin Chen was just a member of the True Dragon Clan, they would naturally not care, but the True Dragon Clan If you know Lord Cat King, you must inform your ancestors about this, at least with them

The identity of the ancestor of the clan can fully influence the decision-making of the Yao clan.

And when the Yaozu quickly made arrangements.

Where is the demon!

boom!

The billowing murderous aura surged, and the world of the Fang Mozu instantly turned into a sea of murderous intent.

"Damn it, true dragon clan, dare to touch my demon clan, you deserve death."

"To kill, you must find the true dragon clan member, and you must not let him leave the battlefield of ten thousand clan alive."

"Find him and smash him into pieces."

At the entrance of the demon clan, many masters of the demon clan roared into the sky, and the people of each demon clan looked frightened and murderous.

In front of these demon masters, many demon venerables who participated in the Vientiane God Zang experience were panicked and frightened.

Such a strong killing intent, makes everyone discolored, unbearable.

Tu Moyu and Lingyuan are among these demons, but their eyes are calm and silent. With their status, they naturally don't need to be afraid of being punished.

However, when the two of them saw the woman at the front of the team with a terrible and dark aura on her body, there was a trace of shock in their eyes.

"This is the person the master asks them to take care of?"

Before they left, Qin Chen had told them that they had the opportunity to keep an eye on Shangguan Wan'er, and it was best to figure out Shangguan Wan'er's status, identity, and position in the demons.

"Everyone, you will return to my demon camp immediately, and the others will immediately mobilize and look for the true dragon tribe. He must be alive." A demon **** said in a cold voice.

Boom!

The world is shaking, and the words are the same.

"Noisy."

Shangguan Wan'er was suppressed by this terrifying power of Tianzun, her eyes were calm, and she said coldly, the dark power surging on her body actually resisted the pressure of the demon's Tianzun's breath.

"Ok?"

Many masters of the demons stared over, showing surprise.

Upon seeing this, the Demon Race Tianzun suddenly showed an unpleasant look on his face. He is the Demon Race Tianzun, and now one of the commanders of the Demon Race on the battlefield of ten thousand races. How dare this person disobey his authority in public?

Around, an earth-zun of the Flame Demon race saw this, his eyes flashed, and he immediately took a step forward, his eyes were cold and said: "Your Excellency is also a member of my demon race, with such strength, when the deep soul earth-soul was slaughtered by the true dragon race, you Where is it?" He scolded with indifferent eyes and a cold tone.

[Chapter 4049: Dark Night Youshang](#)

"Is it necessary to explain to you?"

Shangguan Wan'er glanced at her coldly, turned around, and left here.

"You... are looking for death!" The Flame Demon Clan's pinnacle gaze was cold, and the devil energy on his body rushed through the sky. In an instant, this world was enveloped by the vast magic light, and in the endless magic light, it seemed that there was a ghost crying. The sound of the howling of the gods sounded, and the terrible demons sorrowed

The origin of Shangguan Wan'er is very mysterious. Everyone only knows that this person's identity is unusual, but the real origin is only known to the few demons commanders on the battlefield of ten thousand races. How can they not be surprised by showing such strength at this moment? A peak of the Flame Demon Clan that touched the threshold of the Heavenly Sovereign was defeated so easily. Is this person's strength too terrifying? What's more, this person dared to act in front of the flame demon clan's peak earth sage, the courage

Is it too big?

"Huh!" Sure enough, seeing the screams of the peak of the Flame Demon Race, the Demon Race Molten Sky Master who came to sit here had cold eyes, and after a cold snort, he suddenly raised his hand and boomed, a terrifying Flame Demon Race The power of Tianzun lingered out and enveloped the flame demon

The pinnacle of the clan tried to extinguish the power of darkness on his body, but what changed him was that the power of darkness of Shangguan Wan'er was so peculiar that even a master like him could not extinguish it easily. "Huh?" His eyes were cold. In his body, the burning flames of the flame demon sprayed out and turned into a terrifying power of the heavenly sovereign. He spoke the law and enveloped this world. In an instant, this world seemed to be completely controlled by him. , Became his private domain

.

puff! Under the strength of his tumbling Flame Demon Celestial Venerable, the dark aura on the peak Earth Venerable of the Flame Demon Race finally extinguished, but his body was already scarred and horrible.

"It's kind of interesting!" The Demon Lord Tianzun said with a sneer, but in the smile, there was endless coldness, rumbling, and the sky and the earth shook in a short time. This Demon Lord Tianzun's aura was towering, bursting out like a transformation A **** of heaven, terrifying

His Tianzun's molten flame aimed at Shangguan Wan'er and swept away instantly.

His heart was furious, because Shangguan Wan'er's behavior was too arrogant. Even though he was of extraordinary origin, he was also a demon god, the real high-level existence in the demon clan was too presumptuous.

Without giving the other party a lesson, how can he convince the public in the future?

With a bang, in an instant, the billowing molten flame demon gas swept toward Shangguan Wan'er like a vast ocean covering the sky and covering her completely.

"not good!"

Both Tu Moyu and Ling Yuan changed color, and their pupils shrank.

This is Tianzun's shot, can this master let the woman they stare at? However, even in the face of Demon Clan Tianzun, Shangguan Wan'er's expression is still indifferent. In her body, a special dark aura swept out of her body, a source of power containing the dark top rules permeated. To Shangguanwan

Around the body, there appeared a bunch of dark butterflies. These butterflies bloomed with gorgeous dark murderous intent, and they were so beautiful that they were flying and dancing like death.

Countless Demon Butterflies continued to fly, and then condensed into a dark dagger. This dark dagger exuded a heart-pounding dark light, suddenly tearing open a gap in the heaven and earth demon energy controlled by the Molten Flame Heavenly Lord.

what?

Many people were shocked and stunned. What did they see? Shangguan Wan'er, an earthly respecter, broke through the world controlled by Molten Flame Heavenly Lord. How could this be possible?

No matter how strong the Earth Zun is, it is impossible to fight against the Heaven Zun.

However, Shangguan Wan'er did it.

"Dark Origin Rules-Dark Night Youshang?"

Molten Tianzun also looked shocked and uttered in amazement. Then, his eyes were cold and booming, and a terrible Tianzun storm swept out of his body, as if to destroy the world, and swept towards Shangguan Wan'er.

Hum! A dazzling black light flashed on Shangguan Wan'er's body. Her body suddenly became dark and transparent, as if she was in another void, transformed into a magical glass body, and the power of the demon celestial being displayed by Molten Flame Heavenly Lord. Cut

, As if no longer the same world.

"Molten Flame Tianzun, are you going to fight me?" Shangguan Wan'er surrounded the Demon Butterfly, holding a dark jade dagger, and said indifferently, with a faint light blooming in her eyes, cold and deep, completely controlling the dark power.

[Chapter 4050: Fengqi Wanzu Battlefield](#)

When Molten Tianzun heard the words, his eyes flashed, and in an instant, the terrible Molten Devil Qi between the heavens and the earth disappeared, and the Molten Tianzun suddenly burst into laughter.

"Hahaha, I was joking. How could this Tianzun do things with your Lord? This Tianzun is just curious.

What gains did your Lord get in this Vientiane God Treasure? After all, you are the person arranged by Lord Mozu. Your Excellency shot.

"

All the murderous auras diminished in an instant, and Molten Yan Tianzun said with a smile, as if it was not him who had just shot, but in the depths of his eyes, there was a gloomy light flashing, light and dark intertwined.

Is this person arranged by Lord Mozu?

In an instant, everyone on the court changed their colors, looking at Shangguan Wan'er in amazement, one by one was shocked.

It's no wonder that she has such confidence that she dared to take action with the Molten Flame Heavenly Venerate, the person arranged by Lord Demon Ancestor, the identity must be extraordinary.

Is it a member of the Deep Demon Race? However, everyone searched their minds, and they had never heard of such a female expert in the Abyss.

"That's all right, since the Vientiane God Treasure has been closed, why not go back to camp immediately?" Shangguan Wan'er's dark aura receded and said coldly. "Don't worry, let's set off right now, but this Tianzun is a little curious, I don't know where the real dragons were when they were slaughtering the Yuansun Divine Respect? If you can do it with your strength, the Yuan Spirit Divine Respect them I'm afraid..."

..." Rong Yan Tianzun said, narrowing his eyes.

"Do I need to report to you?" Shangguan Wan'er gave him a cold look: "Besides, Yuan Hun respected their deaths, what is it to me, don't say that I am not here, even if I am here, why do you want to Save them?"

After speaking, Shangguan Wan'er turned and left quickly.

"This....."

Many demons at the scene were stunned. Wasn't this guy arranged by Lord Mozu? Isn't it a member of the Abyssal Demon Race? If so, Yuan Soul Di Zun is also a master of the Yuan Demon Clan at any rate, and he can even say such things.

Molten Tianzun's eyes flashed, but he didn't say much, and immediately took Tu Moyu and many other master masters of the demon ancestors to the demon clan camp.

At the same time, all the masters of the entire Demon Race in the Ten Thousand Race Battlefield have also been mobilized and began to search for the location of the True Dragon Race.

With the strength of the Demon Race, finding the entrance of the True Dragon Race is definitely easy. When the time comes, the Demon Race will definitely hate it on the spot.

It's not just demons and demons.

Terran is also searching for Qin Chen's location.

"Kill, anyone who dared to move my Star God Palace, my Star God Palace, will never forgive him. He must be broken into pieces."

"My Daewoo Sacred Mountain, have you ever suffered such humiliation, killing my Daewoo Sacred Mountain Jiuyue Dizun, the true dragon clan? What a courage, if you move my people, my Dayu Sacred Mountain will let your true dragon clan disciples bear endless anger ."
