[Chapter 4261: Perform task](#)

"Hahaha, wherever, Godgong Tianzun can come. It is an honor for my Ji family." Ji Tianyao said with a smile, then glanced at Qin Chen and said with a smile: "This should be a handsome young man who works for heaven. Sure enough, a talented person, not bad, not bad."

Ji Tianyao could not help smiling when he sensed the noble aura on Qin Chen.

It seems that the nature of the work this time is very big. The vitality of this young man is very immature, without the feeling of extremely old, obviously, he is an extremely young and strong man.

At such a young age, he has already broken through the realm of the venerable, and I am afraid that only a few people in their Ji family can compare.

However, the more Shengong Tianzun pays attention, the happier Ji Tianyao will be. At least, this means that his Ji family recruits son-in-law among the major forces of the human race, and there is still some temptation.

"Come on, two of you, please."

Ji Tianyao did not ask Qin Chen's name either. After all, although such a genius was extraordinary, in the eyes of Ji Tianyao, the ancestor of the Ji family, he could only be regarded as a junior.

Shen Gong Tianzun entered into the Ji family's clan with a smile.

The Ji family land is extremely magnificent and vast, and when entering it, there is a touch of chaos lingering.

"Kid Qin Chen, this place definitely has chaotic treasures. With this kind of breath, the body of the so-called Ji family should have the blood of an ancient top chaotic creature."

Honghuang Zulong said.

He is a primordial being, and he is naturally familiar with the breath of chaotic creatures.

At this time, Qin Chen and the two had been introduced into the meeting hall of the Ji family.

After Qin Chen entered the hall with Shen Gong Tianzun, he discovered that the hall was huge, and there was even a large open area in the middle. At this time, the hall was quite empty, and only the Ji family were present.

"Holy Master of Heavenly Work, come, please here."

There is a row of seats on the left and right in the hall, and there are some seats behind these seats.

Obviously, those sitting in the front row of seats should be people with identities, and those sitting behind should be people with lower identities, or attendants.

Needless to say, Shen Gong Tianzun and Qin Chen were directly taken to some of the front seats of these positions. If Tian Zuo couldn't sit in front of them, there would not be many people in the human forces who could sit in the front. .

As the ancestor of the Ji family, Ji Tianyao immediately chatted with Shen Gong Tianzun.

The two exchanged a few unnutritious words. Qin Chen couldn't help but couldn't help but said: "Old Ji Tianyao, I don't know who your Ji family is going to recruit this time? Can I see you later?"

Qin Chen was anxious, and now he thought that the Ji family was going to recruit the son-in-law Ji Ruyue, so naturally he didn't have a good face.

Hearing Qin Chen's words, Ji Tianyao frowned, and Ji Tianqi's faces became cold.

They admire Qin Chen and appreciate Qin Chen, but even if Qin Chen is so young, he is already a venerable, in the eyes of Ji Tianqi and others, he is also a disciple of Shen Gong Tianzun, and can only be regarded as a junior.

When the elders speak, how can the younger ones speak?

Seeing Ji Tianyao's expression of displeasure, Shen Gong Tianzun suddenly smiled and said: "Tianyao Patriarch, I'm sorry, this is my disciple of Tianzuo, named Qin Chen. I heard that Ji's family wants to recruit relatives by martial arts. Young people are obviously anxious. It's a bit."

"Qin Chen?"

As soon as this statement came out, Ji Tianyao, Ji Tianqi and others present suddenly changed color, and a trace of surprise flashed in the depths of their eyes.

Although they had never inquired about what Ji Wuxue said about Ruyue's husband, they knew by and large that Ji Ruyue's husband was a son of Qin Chen's heavenly work.

Is it the kid in front of you?

Ji Tianyao and Ji Tianqi's city mansion was extremely deep. Although shocked, they recovered their composure in just a moment. However, how could they hide Qin Chen's expressions.

Something is wrong.

Qin Chen was shocked in his heart for an instant. Is it true that the Ji family's contest to recruit relatives is Ru Yue? Moreover, the other party still knows his relationship with Kisaragi?

Otherwise, how to explain the shocking color deep in the opponent's eyes before?

"Old Ancestor Tianyao? I don't know who your Ji family is going to compete with in martial arts today? I am also quite curious. Why didn't Tianyao Ancestor bring it out to see you?" Shengong Tianzun didn't seem to notice anything, and still smiled. The way.

"Haha, that should be natural." Ji Tianyao smiled and glanced at Ji Tianqi: "Tian Qi, call out Xin Yi."

"Yes." Ji Tian nodded together, turned and left.

"Xin Yi?"

Qin Chen was startled, and glanced suspiciously at Ji Tianyao. Isn't Ruyue not the one who competed and recruited relatives?

Just thinking about it, Ji's inner house, Ji Tianqi has already walked out with a rather amazing woman. This woman has a graceful figure and extraordinary temperament. Her mouth is like Zhu Dan, her fingers are like onion roots, and her body exudes a faint chaotic aura, which is unique. The prehistoric style.

"This is the little girl Ji Xinyi, and the person in my Ji family who wants to use martial arts to recruit relatives like this."

Ji Tianqi smiled and said.

"Ji Xinyi has seen Lord Shen Gong Tianzun."

Ji Xinyi immediately stepped forward and saluted Shengong Tianzun.

Isn't Kiyuki?

Qin Chen was stunned. He had always thought that the Ji family was recruiting relatives by martial arts, and had always had a slight hostility towards the Ji family, but he did not expect that the Ji family wanted to recruit a son-in-law.

Could it be that I made a mistake? Too nervous before?

Qin Chen couldn't laugh or cry suddenly.

He raised his head and stared at Ji Xinyi's gaze, only to find that Ji Xinyi was also looking at him, but the other person seemed to be looking at him, with a smile on the corner of his mouth, and his eyes calm, but deep in his eyes, there was something vaguely A trace of curiosity, a trace of disdain.

Although Ji Xinyi's disguise was extremely good, how could he hide it from Qin Chen.

"Huh? The look..." Qin Chen was suspicious, does this guy know himself? When I came up, I showed that expression.

Combining the shocked expressions of Ji Tianyao's people before, Qin Chen's heart suddenly stunned, this Ji family is very likely to know him, and there is absolutely something to hide from him.

But what can the Ji family hide from themselves?

Qin Chen's heart was stunned, and he was too lazy to talk with each other, and immediately handed over his hands: "Old Ji Tianyao, Ji Tianqi Patriarch, the younger generation heard that Ji Ruyue and Ji Wuxue, who worked for me, are your Ji family disciples. Didn't you see Ji Ruyue and Ji Wuxue appear?"

Ji Tianyao and Ji Tianqi looked at each other and smiled suddenly: "So you know Wuxue and Ruyue. Wuxue and Ruyue are indeed my Ji family disciples. They just returned to my Ji family not long ago, but unfortunately, they both I went out to perform the task, and I am not in the mansion now, otherwise, would I not let them come out to meet the two of them."

"Going out to perform the task?" Qin Chen frowned, and said, "I also asked the ancestor Ji Tianyao to summon them back to see you. It is true that Ji Ruyue is my wife and Ji Wuxue is also my friend. The next junior came here for the sake of Juyue and Wuxue."

[Chapter 4262: Secret Clan Ji](#)

"Ji Ruyue is your husband?" Ji Tianqi frowned and said lightly: "Why haven't I heard that Ji Ruyue has your husband in my Ji family?"

"Junior and Ruyue are not acquainted in Ji's house. It's normal that Patriarch Ji hasn't heard of it." Qin Chen said lightly.

Ji Tianqi nodded and said, "So that's it, but Shu Ruyue and Wuxue can't come here this time, because Ruyue and Wuxue didn't do tasks in my ancient world, but left the ancient world and went to other places. ."

"Not in the ancient world? I don't know where?" Qin Chen felt even more puzzled.

Why is it so coincidental that Ruyue and Wuxue are not there?

"Forgive me for not telling me, this matter is the secret of my Ji family, so I hope to forgive me." Ji Tianqi said lightly.

"In that case, the Lord of God's Work Tianzun came this time, not for my Ji family's martial arts contest?" Ji Tianyao also smiled and looked at God's Work Tianzun.

Shen Gong Tianzun smiled and said: "It doesn't count. The Ji family's contest to recruit relatives is a big event. I am here to celebrate."

"Hehe, easy to say." Ji Tianyao squinted.

"Ancestor."

At this moment, a disciple of the Ji family came: "The strong men from other human forces are here, they are outside."

Ji Tianyao immediately bowed his hand: "Holy Master of God's Work Heaven, forgive me for resigning first. If I have any needs, even if I tell my disciples of the Ji family, my Ji family, I will definitely entertain you."

"Tian Qi, Xin Yi, let me meet other friends."

"Yes!"

Immediately after Ji Tianyao left, with Ji Tianqi and others, they left the main hall of the Ji family and went to meet at the door of Ji family.

"Master Tianzun, there is something wrong with this Ji family." As soon as they left, Qin Chen said solemnly: "Ruyue and Wuxue are Ji family Tianjiao, and both are venerables. What missions require them to work together. Go to finish? And, they happen to be not in Ji's house yet?"

Qin Chen's face was ugly. Although he didn't know what happened to Wuxue and Ruyue, he always felt something was wrong.

This is his instinct, he is very convinced.

"Hehe, I also want to know, what the **** is this Ji family doing?"

Shen Gong Tianzun narrowed his eyes and said.

"Hall Master, stay here, this Ji family won't tell the truth, so it's better for the disciple to find a way to find out."

With that said, Qin Chen stood up and wanted to leave here.

He was uneasy, ready to inquire forcibly.

"This is Ji family land, it is bound to be dangerous. Are you afraid of getting stuck in it?" Shen Gong Tianzun smiled.

"It's okay, the disciple has a way."

"Go, it's okay, if something goes wrong, I will take it for you."

Shen Gong Tianzun said with a smile.

Qin Chen nodded, stood up, and walked toward the depths of the Ji family's clan.

"Your Excellency, where are you going?"

As soon as Qin Chen left the hall where the empty space was located, two Ji family disciples immediately walked up, "Inside is my Ji family's clan land, please do not enter at will."

"Oh, I'm just a little curious about the ancient people of the ancient world, so I took the liberty to enter." Qin Chen smiled and said: "I will go back now, eh..."

Suddenly, Qin Chen glanced at the depths of the Ji family in shock.

The two disciples were taken aback and turned their heads hurriedly, but the next moment, Om, a powerful soul breath suddenly poured into their minds.

The two guarding here are also venerables, but under this breath of soul, they only feel dizzy and dizzy.

When he recovered, Qin Chen had disappeared.

"Huh? Where's that kid?"

"I don't know, were you still here just now?"

"Is it going back?"

The two venerables were a little puzzled, touched their heads, and misunderstood.

"This kid, the method is really decisive, a bit of a demeanor."

In the distance, Shen Gong Tianzun smiled and perceives all this, and then patted the table: "Come here, don't pour me tea."

The depths of the Ji family.

Qin Chen quickly entered it.

"Little Qin Chen, this is a good place."

Entering the Ji family ground, Hong Huang Zulong perceives the surroundings, his eyes glowing.

"Behind this race, there should be something good hidden, hiss, this breath should be no weaker than the chaotic creatures like me."

Honghuang Zulong and Blood River Saint Ancestor became excited.

At their level, the difficulty of recovery is naturally not small, but with the power of creation, after absorbing the power of the space ancient beast clan Tianzun, both the primordial ancestor dragon and the blood river sacred ancestor have recovered a lot.

"Kid Qin Chen, go, hurry to the back of this Ji family." Honghuang Zulong said excitedly.

"We are here to find Ruyue and Wuxue. Don't mess around."

Qin Chen let out a low cry and swept towards the depths of the Ji family.

All around, there were waves of chaotic auras, these auras formed a large secret array, transformed into a vast array of heavens, covering this place.

Moreover, in the clan, many strong men are patrolling and walking around. Today is the big day of the Ji family. Naturally, you need to be careful to prevent any accidents.

With this chaotic heavenly formation, and such a strong defense, ordinary people can't break into this place at all, even the pinnacle of heaven is the same, it is very easy to be found.

But Qin Chen is different. He absorbs the origin of chaos, and he is a powerful person who cultivates the power of chaos. In addition, there are two great primordial spirits, the primordial ancestor dragon and the saint ancestor of the blood river, and the strong born in the chaos. Naturally, he couldn't be difficult for him.

Qin Chen was cautious, avoiding many powerful men, and already came to the depths of Ji family land.

Huh!

The space flashed, Qin Chen concealed a space deep in the Ji family ground, and at the same time, in the center of his eyebrows, an invisible force of creation condensed, hum, suddenly, the eye of creation, instantly opened.

The Ji family land is extremely deep and there are many strong people.

Qin Chen is unfamiliar with the place of his life here, so naturally it is impossible to look around at will. If it is normal, Qin Chen can only take the risk of capturing the Ji family to torture, but this way, it is easy to expose.

But now, Qin Chen has the Eye of Creation, but he can see some clues through the Eye of Creation.

Hum!

The eyes of creation opened, and Qin Chen looked at the Ji family land instantly.

In the sky, regular avenues surged, and there were too many Ji family powerhouses. As soon as the eyes of creation opened, Qin Chen immediately saw that there were several powerful avenue auras hidden in the Ji family land. This was a Tianzun level powerhouse. .

Qin Chen secretly noted, at least, these places should not be rushed in.

Then, Qin Chen looked at other places, and when he looked at the entrance of the Ji family ground, he couldn't help but breathe in the cold air.

Just saw the terrifying power of the avenue soaring into the sky at the entrance of the Ji family ground. There are too many, densely packed, piled together, like a vast ocean, vast and vast, filling the entire eye.

How many strong heavens are here?

Qin Chen realized in an instant that these Heavenly Sovereign Avenues were most likely the powerhouses of the human race who came to participate in the Ji Family Martial Arts Competition this time, but the number of powerhouses coming here was too much.

[Chapter 4263: Power of Yin Fire](#)

Staring carefully, Qin Chen also did not find Ji Wuxue and Ji Ruyue's avenue.

Then, Qin Chen kept exploring, looking at the back of Ji's house.

"what is that?"

Qin Chen opened his eyes wide, and saw an extremely gloomy atmosphere behind the Ji family.

This seems to be a series of flames, but this flame exudes an icy breath, and it is extremely dark. Qin Chen just stared at the past with the eye of creation, and felt the soul in his mind, as if suffering a strong shock.

Such as falling ice cellar.

What kind of breath is this? Soul power? Or is it some kind of Yin attribute flame?

Qin Chen was shocked. He was the first to use the eye of creation to see things that were not the rules of the Dao.

This thing covered the entire back of Ji's family, like a magic cloud, covering everything, and it was so looming that Qin Chen didn't pay attention to it at first, and he needed to open the eyes of creation to see a hint.

"wrong....."

"There seems to be something else in the breath of cold flames."

Qin Chen urged the power of creation with all his strength to evolve the eye of creation. Suddenly, his gaze condensed, and sure enough, in the eye of creation that looked like a demon cloud, there were colorful halos.

This colorful halo, like a sharp sword with a handle, and like a series of sword feathers, colorful, looming, seems to be a certain kind of creature, wrapped in this endless cold breath, sealed in it.

In addition, in a vague way, Qin Chen seemed to see the power of the rules of the Great Dao appearing.

However, the power of the rules of the Great Dao was so fragile compared to the Yinhuo breath and the colorful feathers, that the power of the Great Dao was looming, completely obscured, and could not be distinguished at all.

"Could it be that the Ji family hides any peerless powerhouse behind here? Or is it a special treasure?"

Qin Chen frowned.

This breath was extremely terrifying, far above Heavenly Venerable. Although it was extremely vague, it was still spied out by Qin Chen, somewhat cautious.

Qin Chen turned his head and continued searching, but no matter how Qin Chen inquired, he never found Ji Wuxue and Ji Ruyue.

Hum!

The eye of creation was very expensive, and Qin Chen didn't retract the eye of creation until his head became dizzy.

"Wuxue and Ruyue, are they really not in Ji's house?"

He had searched with all his might, but he didn't see the power of the great avenue close to Ruyue and Wuxue, so he could only sigh. Ruyue and Wuxue might not be in this Ji's house.

"However, even if the two are not in Ji's house, there must be a problem."

"Go back first."

Huh.

Qin Chen shook his body and hurried back.

now.

There is already a lively scene in the Ji Family Hall.

People of many forces have come one after another.

The front row is naturally the top human race forces such as Star God Palace, Tiangong, Dayu Shenshan, Xushen Temple, and Kunpeng Valley, and the back row is the forces such as Tongtian City.

The major forces are divided into three, six or nine classes, and they are all the powers of Heavenly Sovereign, but in fact, there is a huge gap.

And Tiangong's divine worker Tianzun is undoubtedly the most popular among the most forces.

People of many forces stepped forward to communicate with Shengong Tianzun, showing respect.

There is no him, just because Tianzuo is in charge of the supply of treasures of the top powers of the human race.

"Humph."

It's just that the Star God Palace and other forces on the side looked at them, but they were quite uncomfortable. They are also the top celestial powers of the human race, who wants to be content with others?

"Why, the Lord of the Star God Palace can't be used to working in heaven?" On the side, the Lord Dayu Shenshan said with a smile.

"Don't you think you are accustomed to seeing each other?" The Star God Palace Master sneered, "In terms of identity, this god-worker Tianzun was just a fire-burning boy who was an ancestor of a craftsman. He only inherited the property made by the craftsman to become a job for this day. The Lord of the Palace, and has become Tianzun, in terms of true talent and strength, how does this guy compare to me?"

"That's all, this day's work, relying on the background of the craftsman's work in the past, has been keeping the Star God Palace underneath me, and I don't want to think that if the old man could get such a big inheritance, he would have broken through the supreme long ago This god-worker Tianzun has been stuck in the realm of Tianzun for so many years, and he has been unable to break through."

"On the treasures obtained from the human race, I am afraid that this day's work is many times longer than I have waited, right?"

The Star Palace Master sneered.

As a top-level Tianzun force, Tiangong occupies so many resources, it will naturally provoke the dissatisfaction of other forces, such as the Star God Palace, such as Dayu Shenshan.

These are all top forces that are expected to become the supreme level of the human race, and they naturally fight each other.

"Hehe, how can there be any way? Now, this god-worker Tianzun is still in favor of Xiaoyao Supreme, but he is very prestigious." Dayu Shenshan Mountain Lord smiled, but his eyes showed disdain: "This is everyone's own. Fate."

The two were talking in secret, their eyes were very cold.

However, this time, the two came to marry the Ji family and didn't say much. They just looked at Shengong Tianzun as just one person, and were slightly puzzled.

This time everyone came here for the purpose of martial arts competition, so why is Tianzun Shengong just one person?

At this time, on the Ji family's side, Ji Tianyao and Ji Tianqi watched more and more forces arrive, but until the end, after no supreme-level forces appeared, they couldn't help but their eyes dimmed slightly.

"Ancestor, all the clan forces that I am waiting for to receive the message have arrived." A Ji family disciple stepped up and respectfully said.

After Ji Tianyao waved his hand and let the other party go down, his face was a little ugly.

He originally thought that, according to the Ji family's name and the temptation of the ancient clan, one or two supreme powers might come, because in the ancient world, there are only supreme powers. It is possible to confront the Xiao family.

Unexpectedly, there was no supreme power, which made Ji Tianyao, who was still imaginative, shook his head.

The gap between the forces is too great, and all the major forces have ratings. For example, the peak Celestial powers such as the Star God Palace cannot be on the same level as the ordinary Celestial powers such as Tongtian City.

For another example, as the same power of the venerable, the Heavenly Venerable Heavenly Work Divine Works dare to teach the guardian veteran at the entrance of the ancient world, but the Heavenly Powers such as Tongtian City dare not move anything when encountering such a situation.

On the surface, it looks the same, but in reality, the gap is huge.

Originally, Ji Tianyao thought that relying on the strength of his own Ji family's top heavenly power, coupled with the identity of the ancient clan of the ancient world, might be able to attract one or two powers.

If you can marry the supreme forces, then you don't have to worry about the Xiao family's targeting at all.

But who wants to have...

Ji Tianqi shook his head and sighed: "Ancestor, now it seems that we can only choose a partner from the forces of Tianjiao, Xingshen Palace, Dayu Shenshan and other forces."

Ji Tianyao also nodded: "It can only be so, but that Ji Ruyue has been selected by me to dedicate to the Xiao family. I am afraid that this day's work will be..."

[Chapter 4264: Beginning of recruitment](#)

"It doesn't have to be a day-to-day work. It's best to be able to work day-to-day. It doesn't matter if you don't work day-to-day. The Star God Palace and other forces are also good. However, I think that although Qin Chen is Ji Ruyue's husband, I heard that Ji Ruyue is only from

The inferior plane soars, this Qin Chen is most likely the husband Ji Ruyue knew when he was in the inferior plane, how much affection can he have? "

Ji Tianqi smiled and said, "Maybe this time the martial arts contest invites relatives, he might be attracted to Xinyi."

"Hope." Ji Tianyao nodded.

At their level, women, partners, are like clothes over there, and they don't care at all.

Only strength is their only pursuit.

When the two talked, they both looked at the location of Shen Gong Tian Zun, and were amazed at the contacts of Shen Gong Tian Zun who had to work for Tian Zun, seeing the people coming and going from all the major forces.

At the same time, he was a little nervous about his decision to dedicate Ji Ruyue to the Xiao family.

This... will nothing happen, right?

"Huh, why didn't Qin Chen see any figure for a long time?" Ji Tianyao suddenly frowned and said.

Ji Tianqi said in doubt: "Since I waited to come in, Qin Chen has not been there, so the subordinates will ask."

Ji Tianqi raised his hand, and immediately called a disciple who was guarding the scene to ask.

As he spoke, Ji Tianqi's face suddenly became hard to look, and he cursed: "I haven't seen you for so long? Why don't you find it for me? A bunch of waste."

Ji Tianyao frowned and said: "What's the matter?"

"Ancestor, the people said that Qin Chen left since we left, and tried to go to the backyard of my Ji's house. After being stopped, the clansman said that the kid would disappear if he didn't pay attention." Ji Tianqi suddenly appeared on his forehead. I had a cold sweat.

Ji Tianyao's face was ugly and said: "It's gone? How could a good living person suddenly disappear? Could it be that he broke into our Ji's backyard?"

"Is it impossible? My Ji's mansion is full of ancient clan formations. Even if the kid breaks in, he will be spotted for the first time. Some clansmen have already come to report..."

"No, give the order immediately and let the people inquire carefully."

Ji Tianyao said coldly.

He was indeed a little guilty, because Ji Ruyue and Ji Wuxue were imprisoned in the prison mountain behind their Ji house. After giving the order, Ji Tianyao and Ji Tianqi immediately came to Shengong Tianzun, and said with a smile: "Hall Master Shengong Tianzun, my Ji family's martial arts contest is about to begin. I don't know where the young Qin Chen in the Guidian has gone. Place? Why didn't you see anyone for a long time

shadow? "

"Qin Chen?"

This statement came out.

On the side, the Star God Palace Lord and Dayu Mountain Lord suddenly condensed their eyes, bursting with cold light.

The person who recruited relatives from work this day turned out to be that Qin Chen.

The two looked at each other, and cold light burst into their eyes. They couldn't be more familiar with the name Qin Chen. At the time when the forbidden area of the Tongtian sword pavilion was opened,

they sent their subordinates to go. As a result, all the subordinates disappeared. Only Qin Chen lived from the forbidden ground of the Tongtian sword pavilion.

Get out.

This was just on the surface, and in the dark, the clone of the Star God Palace Master and the Dayu Mountain Master was also annihilated in the forbidden ground of the Tongtian Sword Pavilion.

Later, the Star God Palace and Dayu Shenshan also sent the venerables to the Guanghan Mansion of the Eastern Heaven Realm to search for Qin Chen. As a result, the two venerables sent by the two major forces also disappeared and disappeared.

Regarding Qin Chen's information, the Star God Palace Master and Dayu Mountain Master knew better than any Tianzun present.

"This kid is here too."

There was a burst of cold light in the pupils of the two of them.

Shen Gong Tianzun smiled and said: "Hehe, I work for Qin Chen, so I should just leave and stroll around. As for where I am, I am not very clear as the master of the palace. I should be near this hall." Nearby?" Ji Tianqi squinted his eyes and said: "The people I waited for have already looked for, but there is no trace of Qin Chen, the master of the heavenly supernatural power, I have already stated clearly, Ji Wuxue and Ji Ruyue went out to perform the task. The martial arts contest will begin immediately

, Look, did you call that Qin Chen back..."

"Patriarch Ji has something to do with me?"

Before he left his words, a chuckle sounded, and when he turned his head, he saw Qin Chen smiling and standing behind them, with a gentle expression on his face.

"I was panicking just now. I just wandered around. The Ji family deserves to be an ancient clan in the ancient world. The mansion is magnificent." Qin Chen said with a smile, "Isn't it causing trouble to Patriarch Ji?"

"This...no, no."

Ji Tianqi glanced at Ji Tianyao, and immediately laughed.

"Everyone, since they are all almost there, then my Ji family's martial arts contest will start soon. Please bring your own students to do it well."

Ji Tianqi shouted loudly, then turned and walked towards the open space in the center of the hall.

Qin Chen sat down beside Shengong Tianzun.

"How?" Shen Gong Tianzun asked with a smile.

Qin Chen shook his head.

Shen Gong Tianzun was a little surprised, frowning slightly.

not far away.

The Star God Palace Master and Dayu Mountain Master glanced at each other slightly, and couldn't help but frown.

"Ji Ruyue..."

The two murmured.

How can this name be so familiar?

The two quickly took out the information about Qin Chen they had found, and one of their confidence immediately caught their attention. It was about Qin Chen searching for information about his wife when he was in Guanghan Mansion.

Could it be...

The two looked at each other, and there was a hint of speculation in their hearts.

"Yes."

There was a sneer in the eyes of the Star God Palace Master, and immediately began to secretly transmit a voice behind him, and at the same time, he sneered at Qin Chen.

"Ok?"

Qin Chen felt a faint hostility, and couldn't help turning his head. He immediately saw two powerful men exuding terrible aura, staring at him with a smile, but there was a hint of coldness in that smile. .

These two people?

Qin Chen frowned, the aura on these two people made him feel quite familiar.

"These two people are the Master of the Star God Palace and the Master of Dayu Mountain."

Shen Gong Tianzun said lightly.

Qin Chen's pupils shrank suddenly.

It's no wonder that the Star God Palace Lord and Dayu Mountain Lord are so familiar.

Qin Chen sneered. The Star God Palace Master and Dayu Shenshan had been secretly aiming at him, why, now in this Ji's family, they are also interesting to him?

At this moment, Ji Tianqi was already standing on the open space in the center of the hall. "All of you who are here today come because of the happy events of my Ji family. My ancient family Ji family has been hidden for many years, but now the human race is in distress and the ten thousand races are fighting for supremacy. My ancient family also knows the great responsibility. Decided to compete in martial arts for my daughter of Ji Tianqi

Erji Xinyi chooses her son-in-law from among the heroes of the human race, for marriage. "

"In this move, my Ji family also hopes to forge friendship with your friends. Regardless of whether the election of a son-in-law is successful, my Ji family is willing to cooperate with the heroes of the human race and make some contributions to our human race and the ten thousand race."

Suddenly, everyone on the court nodded. I have to say that Ji Tianqi's remarks are beautiful.

[Chapter 4265: Marriage relationship](#)

However, before Ji Tianqi could speak again, suddenly a loud laugh came from the crowd, and then he saw a burly Tianzun standing up behind him: "Patriarch Ji, I? Waiting for you to come, Then naturally I want to join the Ji family

It's just that the Ji family competed to recruit son-in-law. There was only one daughter of the head of the Ji family. I was waiting for so many people to be present, I'm afraid it's not enough. "

"Hahaha."

As soon as this statement came out, the audience burst into laughter.

There are not a few of the coming forces, indeed, how can one Ji Xinyi divide them?

There are forces such as the Star God Palace, and these forces are probably here to make soy sauce.

Ji Tianqi frowned slightly. Just listen to this burly Tianzun continue to smile and say: "This seat is not intended to demolish the Ji family's stage, but hope that Ji family can be happy today. I think that Ji family must be more than Ji Xinyi, a genius woman. I have heard that Ji Ruyue is also a genius in the Ji family. Ji Xinyi, the daughter of the Ji family, I don't think about Thunder God Sect, but my Thunder God Sect is willing to use a Celestial Vein and a Thunder Real Pill as a betrothal gift. I hope to meet the Ji family, and hope that the Ji family will live well...

"The Thunder God Sect's Kuang Lei Tian Zun hadn't finished speaking, and everyone around was talking about it. It's not that this Kuang Lei Tian Zun actually took a different path. Before Ji Jia Ji Xinyi tried to recruit relatives, he wanted to hire other women from the Ji family. Is talking about this

Kuang Lei Tianzun is really a big hand.

In order to marry a girl from the Ji family, he was willing to spend such a large capital. The Thunder God Sect is just an ordinary Celestial Power. A Celestial Vessel is already extremely terrifying. Even if it is a Celestial Power, I am afraid that there are not many. It can actually be directly taken out. Moreover, I am willing to take out a Thunder True Pill.

. It is rumored that the Thunder Real Pill can only be condensed in the Thunderbolt Black Pool of the Secret Realm of the Thunder God Sect. You can perceive the Thunder Avenue and hold the power of Thunder. A Thunder Real Pill can increase by 20% even after being consumed by a strong Tianzun. Fighting power

.

Such treasures, Thunder God Sect actually took out.

For a time, the audience was boiling.

Who is this Ji Ruyue? How did the Thunder God Sect know that Ji Ruyue is in the Ji family? Are you willing to afford such a big capital? Seeing Kuang Lei Tianzun laughed, his expression was rough, and he said, "Patriarch Ji, my Kuang Lei Tianzun is also a vulgar person, but I really want to propose a marriage. My Thunder God Sect's Venerable Lei Ya can be considered a Tianjiao figures are now respected

It shouldn't be too humiliating to the Ji family disciples. "

In the center of the hall, Ji Tianqi and Ji Tianyao's eyes condensed.

what happened?

Why does everything have Ji Ruyue's share?

This Ji Ruyue was the blood that they had brought back from Guanghan Mansion when they first sensed the blood of the clan, and rarely went out. According to the truth, not many of the major forces of the human race knew about it. Why did the Thunder God Sect make a special trip to propose marriage?

What's up?

For a while, Ji Tianqi didn't know what to say. Aside, Qin Chen felt cold in his heart and looked at this Kuanglei Tianzun. Why did this Kuanglei Tianzun specifically target Ruyue? Haven't heard of what Ru Yue has to do with this Thunder God Sect? Or, the opponent is in the sub-Secret Realm of the Vientiane God Hidden Realm

Know like the moon?

While he was puzzled, Tianzun Shengong smiled lightly: "This Thunder God Sect has a good relationship with Star God Palace. I heard that Kuang Lei Tianzun has experienced many secret realms with Star God Palace Lord in the past, and they are both human forces. alliance."

Star Palace?

Qin Chen's eyes became cold, and he looked at the Star God Palace Master.

The Star God Palace Master felt Qin Chen's gaze, but he smiled slightly, but it was cold and indifferent in the depths of his smile.

"What a Star God Palace." Qin Chen pressed his anger, and he already understood that what Thunder God Sect was in the Vientiane God Store sub-Secret Realm had fancy Ruyue, it was the Thunder God Sect who secretly instigated the Star God Palace Lord to come forward, deliberately disgusting my own.

If I don't come today, I'm afraid this Star God Palace would not think of Ruyue.

"This Star God Palace is looking for death." Qin Chen's heart was cold, and his murderous intent had been completely moved.

He didn't come to the door, but the Star God Palace took the initiative to come to him. And Ji Tianqi and Ji Tianyao also had ugly eyes. He couldn't think that the Thunder God Sect had offered such a generous offer, and it was just a betrothal gift, Thunder True Pill, this is extremely rare, at least not in the Ji family, this is the Thunder God Sect. of

Zhenzong treasures.

And there is also a Heavenly Venerable Saint Vein, this Thunder God Sect's big arm, and such a good thing as the Heavenly Venerable Saint Vein, even the Heavenly Venerable power doesn't have much.

For any Tianzun forces, this is the resources of the forces and the future of the sect.

He wondered why the Thunder God Sect was willing to spend so much to marry his Ji family.

Could it be that he fancy something about his Ji family?

What's more, what made Ji Tianyao's heart moved even more was that after the fact that there was no supreme power among the many forces in the dark road this time, his heart was already a little low.

Because the Xiao family is too strong, even if he can marry a certain pinnacle heavenly power, he can't resist the Xiao family, but if he can marry the two powers, his confidence will obviously double.

At this time, Ji Tianyao is even considering whether it is worthwhile to dedicate Ji Ruyue to the Xiao family. Anyway, sooner or later, there will be a conflict with the Xiao family. This time the martial arts competition will also arouse the dissatisfaction of the Xiao family. Why not win over a top power in them. On the ship? When Ji Tianyao's complexion changed, Qin Chen stood up and said coldly to Kuanglei Tianzun, "I'm sorry, Kuanglei Tianzun, Ji Ruyue is my wife. Today I am here to pick you up. Her, so you will

Take back your dowry. "

"Boy, who are you?" Seeing Qin Chen stand up, Kuang Lei Tianzun suddenly let out a cold snort.

"I am Ji Ruyue's husband. Your Thunder God Sect wants to marry my family Ruyue. I'm sorry, it's impossible, so please go back, put away your betrothal gift, and the little Jiujiu and bad ideas in your mind."

Qin Chen said in a strong tone. Although he knew that Ji Tianyao and the others might not agree to the requirements of the Thunder God Sect, no matter whether they agreed or not, he would not let the Ji family speak.

Kisaragi is his wife, and no one can calculate Kisaragi in front of him.

Wow!

Hearing Qin Chen said that Ji Jia Ji Ruyue was his wife, many forces present were shocked.

What's the matter, the martial arts contest has not yet begun, and the Thunder God Sect and Tianjiao's disciple actually argued over another woman? Who is this Ji Ruyue? What makes everyone more puzzled is that the Tianzuo disciple brought by Shen Gong Tianzun actually said that Ji Jia Ji Ruyue is his wife. When did Tian Zuo and Ji Jia have a marriage relationship?

[Chapter 4266: Representative days work](#)

"Ji Ruyue is your wife? Hahaha, ancestor Ji Tianyao, how come the old man hasn't heard of this? Also, this person is your Ji family disciple? Why is this person above your Ji family's martial arts contest, this person can replace you Does the Ji family make a decision? The old man has to ask

understand. "Kuang Lei Tianzun coldly snorted, ignoring Qin Chen, but staring at Ji Tianqi and Ji Tianyao.

Obviously, this person was instigating the relationship between Qin Chen and the Ji family.

Sure enough, the faces of Ji Tianyao and Ji Tianqi suddenly sank. Although Qin Chen came from the sky and had an extraordinary identity, Qin Chen's actions now clearly did not put his Ji family in his eyes. This was something his Ji family could not bear. Ji Tianyao stared at Qin Chen with a cold face and said, "Your Excellency, although you are a disciple of Tianzuo, but my Ji family is also an ancient clan in the ancient world. It's not like everyone can think about it? Too much? There is also Tianzun Shen Gong Hall Master, this is the martial arts contest of my Ji family. As a guest, can you restrain your disciples..."

Everyone looked at Shen Gong Tianzun.

Indeed, as a disciple of Tianzuo, Qin Chen directly scolded Thunder God Sect Sect Master Kuanglei Tianzun on such an occasion, and decided on behalf of the Ji family. It was indeed a bit too far.

No matter what power Qin Chen came from, he was just a disciple, belonging to a junior, and there was no place for him to speak here.

Many of the people here are the powerful celestial powers of the major forces. Although they also bring the young talents of their respective forces, they are all powers of the venerable level, but it does not mean that these young talents can be with them. It's on par. Under the gaze of everyone, Shen Gong Tianzun suddenly laughed: "Ancestor Ji Tianyao, Qin Chen is not just a disciple of my day job. I forgot to introduce this person. Now he is serving as the deputy head of my day job. At the same time, Serving as Acting Master One

Here, Qin Chen, say hello to the many seniors of human races present, and I still need you to talk to the seniors in the business of my daily work. "

what?

Is this person the deputy hall master of Tiangong, and the acting hall master?

For a moment, the whole audience was in an uproar, and everyone was stunned.

Ji Tianyao and Ji Tianqi were also shocked.

They all thought that Qin Chen was just a saint and disciple of Heavenly Work, and at most just a deacon.

But who would have thought that it turned out to be the deputy head of the heaven work?

Are you kidding me?

What kind of power is Heavenly Work, the top-level Heavenly Venerable power, an extremely powerful force in the Human Race, and its deputy palace master must at least be a Heavenly Venerable master, but what about Qin Chen? At such a young age, how could it be possible to serve as the Vice-Hallmaster of Tianwork?

wrong.

Suddenly, some people thought of some information.

I remember that not long ago, there was information from Tianjiao that a person with the origin of time defeated many strong people in Tianjiao and caused a lot of sensations. Is this Qin Chen?

The Star God Palace Master and Dayu Mountain Master also sank in their hearts, Shen Gong Tianzun is trying to support Qin Chen?

The ancestor Ji Tianyao had just said that Qin Chen was a disciple, and he needed to stay back. He turned his head and said that Qin Chen was the deputy hall master and the acting hall master.

It's ridiculous, who doesn't know that Tianjiao doesn't have the entire position of acting as the host.

Obviously, Shen Gong Tianzun meant to support Qin Chen hard, saying that Qin Chen was actually at the same level as the overlord of the many forces present.

Not to mention, it's hard to say who is more worthy of friendship between ordinary Tianzun forces like Thunder God Sect, Kuanglei Tianzun who is the lord, and Tiangong's acting temple master.

For a while, everyone looked at Ji Tianyao.

Ji Tianyao's face was ugly, and he was full of anger in his heart. Unexpectedly, the Thunder God Sect's Sect Master had a fight with Qin Chen, who was working in the sky, but Shen Gong Tianzun still supported Qin Chen, which made Ji Tianyao a headache.

He said in a deep voice: "Well, everyone, today is a good day for my Ji family to compete for martial arts. Since everyone is here, it is for Ji Xinyi. Then, it is better to conduct the martial arts contest first. After the end, what else do you have? Talk again."

He is ready to use drag words.

"Ancestor Ji Tianyao, regardless of the result of Ji Xinyi's martial arts contest, but Ruyue is my wife. This will never change. I hope that some people present will not use Ruyue's ideas with ulterior motives."

Speaking of Qin Chen glanced at Kuang Lei Tianzun and the others, he didn't have a good face to show to the other party, is the Sect Master of the Thunder God Sect?

"Old ancestor Ji Tianyao, look. People who don't know think that Qin Chen is the ancestor of the Ji family? When is it the turn of an outsider to call the shots of the Ji family?"

Kuang Lei Tianzun coldly snorted, and his eyes were extremely cold. If it weren't for Qin Chen's God-worker Tianzun, a junior dared to speak to him like this, he would have slapped him to death. "Ji Yue is my Ji family disciple. Even if it is my Ji Tianqi's daughter Ji Xinyi, whoever she marries, she will have to compete in martial arts, and it will require the betrothal gifts from all major powers to match and marry. Vice-Hall Master Qin, is it because you work from heaven I want to be strong

It's OK to decide whether my Ji family will stay or not? "It was Ji Tianqi who was talking. He originally saw Qin Chen a little unpleasant, and now he is even more angry, and said to Shen Gong Tian Zun: "He Tian Zun Shen Gong, do you give me an explanation for this matter? Although my Ji family is not as famous as Tian Jiao

Human race, but also the ancient race of the ancient world, the deputy palace master Qin who works for you is so excessive, right? "Furthermore, as far as I know, Ruyue ascended from the lower realm. Soon

after entering the heaven, I was taken to the Ji family land. Qin Chen, who works for you, is either her husband in the lower realm or The heaven has known people not long. I do not

Regarding Ruyue's status in the lower realm before, and now she will be a member of my Ji family, then who she wants to marry, whom she will marry, no one has the right to persecute, only my Ji family can decide. "

"If anyone dares to deliberately cause trouble in my Ji family martial arts contest, I will never stop, Ji Tianqi."

Ji Tianqi became angry from embarrassment.

What is this all about.

A good martial arts contest to recruit relatives, for the sake of Ji Ruyue, this situation broke out before it even started.

The people around have already heard it. Ji Tianqi may also know the relationship between Qin Chen and Ji Ruyue, but now the Ji family strongly believes that regardless of Ruhe, Ji Ruyue is a member of his Ji family, so he must follow his Ji family's advice. command.

Qin Chen's face sank, and said coldly: "Patriarch Ji meant that Ruyue has nothing to do with me? As for Ruyue, I don't need to think about it at all, right?"

Ji Tianqi's tone paused. If someone else said this, he would immediately go back, "So what?" But in the face of Qin Chen, especially the Shen Gong Tianzun next to Qin Chen, he really didn't have the courage to say this. In other words, Qin Chen now has God's work Tianzun by his side, and behind his back is Tian's work.

[Chapter 4267: Look down on my day job](#)

What his Ji family recruited in this martial arts competition was to find a collaborator. How could he not even find a collaborator, so he offended a day's work first. However, Ji Tianqi's embarrassment did not last long. The Star God Palace Master stood up and said, "According to the rules of the Celestial Realm, Ji Ruyue is from the lower realm and originally belonged to the Ji family. Since he has returned to the Ji family, then Even if the secular relationship is broken. Even if she had a relationship with the deputy palace master Qin before, those relationships have passed. Moreover, after entering the family, the first point of my generation of warriors is to be headed by the family. Ji Tianqi is the Ji family. Patriarch, naturally has the power to decide Ji Ru

Although you belong to the moon, although you are the deputy head of Tiangong, you have no right to change the rules of my human race. "

In the heavens, the sect, and the family are undoubtedly the most important. Many sects and the future of the family's children are determined by the high-level clan and the high-level clan, and there is indeed little freedom.

This can be regarded as an unspoken rule of Ten Thousand Clan.

In today's situation of tens of thousands of races fighting for hegemony, there are very few family disciples who can decide their own destiny.

"Haha, the Star God Palace Lord is right. If I had a disciple under Daewoo Shenshan who dared to be so arrogant, I would have been slapped to death for fear of death. What about my wife and husband? I would take some relations in the lower realm to talk about it, hehe, ridiculous ."

Daewoo Mountain Master also sneered.

hiss.

How is this going?

Many people around were breathing air-conditioning. Why did Star God Palace and Dayu Shenshan suddenly speak for the Thunder God Sect and Ji Family?

It is not uncommon to speak for them, but this is something that offends Tianzuo. Isn't it afraid of Tianzuo's dissatisfaction?

All the powerful forces present were not idiots, and the eyes flickered on this matter, and immediately felt that it was not easy.

Ji Tianyao and Ji Tianqi also condensed their eyes, secretly surprised in their hearts.

Star God Palace and Dayu Shenshan are actually speaking for themselves, did you hear me right? If the other party recruits relatives for the sake of fighting, looking for the favor of the Ji family, it really makes sense, but they do it, but they will offend God's work.

Today's Ji family, with such a big face, let Star God Palace and Dayu Shenshan offend Tian to work to please their Ji family?

If they were married, it would be nice to say, but now the martial arts competition has not yet begun.

Ji Tianyao felt something wrong in an instant.

At this moment, he already had a faint regret in his heart. He had known that Qin Chen's identity was so special that he would not allow Ji Ruyue to become a saint and dedicated it to the Xiao family.

But now it's already a little late, the news has been announced, and Ji Ruyue and Ji Wuxue have also been imprisoned in the prison mountain behind. No matter what happens next, you must not let the person in front of you be called Qin Chen. The kid knows.

Otherwise, things will definitely become troublesome. Thinking of this, Ji Tianyao said solemnly: "The Star God Palace Lord and Dayu Mountain Lord said that no matter what, Ji Ruyue's belongings should be decided by my Ji family. As for how my Ji family decides, I hope little friend Qin Chen, Stop arguing for now, then

It's the next thing. "

For a time, Qin Chen actually fell into the realm of fighting alone.

Qin Chen's heart sank. He knew that if he wanted to take Ruyue away with his current strength, he must be reasonable. Even if it is such a nonsensical truth, he knows that the other party is using it, but since it exists, he must face it.

If Qin Chen is strong enough now, he just said, "I'm going to take Ru Yue, so what can I do."

It is a pity that his strength is not enough to say this at all. After all, although his power is strong now, even Tianzun can kill him, and he is not afraid of Kuanglei Tianzun.

However, it is still a bit troublesome for the Master of the Star God Palace, the Lord of the Dayu Mountain, or Ji Tianyao. In fact, Shen Gong Tian Zun could have come forward, but the Ji family took advantage of the news of martial arts competitions and attracted so many forces. If Shen Gong Tian Zun acted hard for him, even if he really took Ruyue away, he would be against the sky. Work brings hidden dangers

. "Very well, since the Ji family wants to get married, the Thunder God Sovereign also wants to raise a disciple to raise a marriage, that's okay. Since Ji Xinyi can recruit a martial artist, I think Ruyue should do the same. If the Ji family really cares about Ji Ruyue and cares about her marriage , Is it

Is Ruyue not as good as Ji Xinyi? Can't we compete in martial arts? "

Qin Chen said lightly: "So, I agree with the words of the Thunder God Sovereign. It is better to kiss and kiss today, and to be happy. A Ji Xinyi is not enough for us to have so many forces. It is better to add Ji Ruyue."

The voice fell.

Qin Chen walked directly to the center of the main hall and said coldly: "Ji Ruyue is Qin Chen's wife. If you are interested in Ji Ruyue, you can come up, and I Qin Chen will take it all."

Ji Tianyao and Ji Tianqi's expressions were hard to look at immediately, this Qin Chen was too much.

On the side, Ji Xinyi was even more angry, and the atmosphere was cold, all because of Ji Ruyue, who was obviously her martial artist to recruit relatives, and now it was a mess.

"Holy Master of Heavenly Works, this Qin Chen is yours." Ji Tianyao looked at Heavenly Works of God. Shen Gong Tian Zun smiled slightly: "I think Qin Chen is right. It's better to add joy to Ji Xinyi. I didn't like Ji Xinyi in my daily work, but Ji Ruyue, who was originally my disciple who worked in my daily life, was talking about the sect. And the family has the right to decide on the disciple

, I suggest that Ji Ruyue also participate in the martial arts competition to recruit relatives. I wonder what Ji Tianyao's ancestors would like? "

Ji Tianyao's heart sank.

I've said too much before, Ji Ruyue is also a Tianzuo disciple, and logically, Ji Ruyue should also have the right to make decisions.

"Haha, it's so good. I agree." Sect Master Thor laughed.

"Lei Ya, go up and let the kid know that my disciple of the Thunder God Sect is not a vegetarian. In this world, it is not only the top celestial powers that can cultivate the top strong."

"Yes."

Suddenly, a venerable person walked out of the Thunder God Sect, murderous, with a sneer at the corner of his mouth, and with a swish, he came directly to the open space in the center of the hall.

When Ji Tianqi and Ji Tianyao looked at them, their faces completely sank.

This time, it was all messed up.

Now that he comes out like this, his Ji family is in a dilemma. "Why? Patriarch Ji Tianyao disagrees?" At this moment, Shen Gong Tianzun suddenly sneered: "Could it be said that only your daughter Ji Xinyi of Patriarch Ji Tianqi can recruit relatives by martial arts, but my Tian Gong disciple Ji Ruyue can only let your Ji family be married? difficult

Is my identity as a disciple of my day job, so rubbish? Does the Ji family look down on my day job? "No, naturally there is no such meaning. "Ji Tianyao's face changed slightly: "Hall Master Shen Gong Tianzun, you have misunderstood, how can my Ji family look down on Tian Zuo?" Heavenly work is the dominating existence of the human refining power, and my Ji family admiration is too late.

"Ji Tianyao said so, already secretly groaning in his heart.

[Chapter 4268: Cry secretly](#)

But even if it was secretly crying, he had to say so. "Then Ji Tianyao ancestor, what do you mean? I'll just say it well today." Shen Gong Tianzun coldly snorted: "It's not that my divine craftsman is messing around here. Ji Xinyi of your Ji family can freely choose a son-in-law, compete with martial arts, and I work

Ji Ruyue does not have this treatment. Doesn't this mean that my disciple who works every day has no status? "

"I hope that ancestor Ji Tianyao can give an explanation today."

Shen Gong Tianzun said lightly.

At this time, his tone was not so harsh, but the dissatisfaction in his voice had been conveyed clearly. "Holy Master of Heavenly Works, this is what..." Ji Tianyao hurriedly explained: "The reason why Xin Yi she would contest and recruit relatives was because of Xin Yi's own request, because Xin Yi said she admired the major forces of the human race. Young talent, so, think

I have to take this opportunity to find a suitable husband-in-law for myself, but Ruyue has never said that, so..."

"Oh? That's why I'm worried?" Shengong Tianzun said lightly.

"Exactly." Ji Tianyao said: "How can I look down on Tianjiao." "That's good." Shen Gong Tianzun nodded, "However, you all said before. As a disciple of the Ji family, Ruyue? It's my elder who works every day...should follow the arrangement of Ji's family and my day's job. In that case, this seat proposes that it is like the moon

There is also a martial arts contest here today. The elders who work for me should naturally marry the strongest among the major forces. I think, Ji Tianyao ancestors should not refuse, right? "

"This..." Ji Tianyao looked hesitant, but secretly groaned in his heart.

He had set up a condom before, and immediately put himself in.

"Ji Ruyue is your working elder? Why haven't I heard of this?" Ji Tianqi frowned at the side, and said in a deep voice.

Shen Gong Tianzun glanced at Ji Tianqi, and said lightly: "Why, do I need to get Ji Tianqi's Patriarch your consent to be an elder in my work day?"

"The old man didn't mean that." Ji Tianqi frowned and said: "As far as I know, the elders who work in the sky must be strong in the earth, and the realm of the monk like the moon..." "How about the earthly? Isn't it possible? Not only that Ji Ruyue, but Ji Wuxue is also the elder of my Heavenly Work, and this Qin Chen is not Tianzun. According to principle, the Deputy Hall Master of My Heavenly Work must be of the Tianzun level, but it is not the same as canonized.

Vice-Hall Master, what can you do?" Shen Gong Tianzun said lightly.

Ji Tianqi was speechless.

At this moment, everyone had come to understand that Shen Gong Tianzun was clearly showing his head for Qin Chen under his command.

If Ji Ruyue is really a working elder, it is not entirely unreasonable that the work that day has some advice on the marriage of the other party. "Ancestor Ji Tianyao, what is my previous proposal? Let Ji Ruyue also participate in the martial arts competition. The final candidate, naturally you and I decide, how?" Shen Gong Tianzun looked at Ji Tianyao indifferently, "Or the elder who works for me, Not qualified to compete

Recruiting relatives can only be assigned by your Ji family. If so, then this seat will have to discuss with Ji Tianyao ancestors. "

Speaking of this, Shen Gong Tianzun has already exuded a cold breath.

If you don't agree with each other, you will have to kill.

At this time, Ji Tianyao had been framed here by Shen Gong Tianzun, unable to advance or retreat.

The reason why the Ji family competed to recruit relatives was to be able to unite with the top human race forces against the Xiao family.

But now, if you don't agree to the request of the God-worker Tianzun, I'm afraid that the union has not yet started, and you will have offended Tianwork. Ji Tianyao took a deep breath, weighed it for a moment, and said helplessly: "If this is the case, the old man announces here that in addition to Ji Xinyi today, he will also recruit relatives for Ji Ruyue. Any young talent who is interested in my Ji family Ruyue, All can

Participate in the competition. "

After Ji Tianyao announced the same thing about recruiting relatives for Ji Ruyue's martial arts competition, he secretly groaned in his heart, because Ji Ruyue had already been betrothed to the Xiao family, where would he have a second Ji Ruyue?

However, if he didn't say that, he would directly offend Tian's work today. Instead of the effect of martial arts recruiting relatives, he had offended a top-level heavenly power first.

Moreover, it was offending Tianjiao, the most special Tianzun force in the human race, so he could only agree to it.

At this moment, Ji Tianyao was extremely depressed, and stared at Ji Tianqi fiercely. If it weren't for Ji Tianqi to make Ji Ruyue a saint, first give it to the Xiao family, how could there be such a troublesome thing today. I knew that this Qin Chen was the deputy head of the heavenly work, and was backed by the god-worker Tianzun. Ji Ruyue's work in Tianzun was so important. Where did their Ji family still need to work hard to recruit relatives and marry other heavenly forces. Work day by day

All right.

Among the many top heavenly powers of the human race, Tianjiao is undoubtedly the top ones.

"Okay." Shen Gong Tianzun laughed, his breath receded, but he stopped talking.

That's all he can do for Qin Chen.

"Old ancestor Ji Tianyao, I don't know how talented Ji Ruyue is, so that the two young talents of Detian Job and Thunder God Sect are fighting so much, it is better to shout out."

"Yes, this person is not only the Ji family Tianjiao, but also the Tiangong elder. It must be no trivial thing. I am very curious now."

"Hahaha, please ancestor Ji Tianyao call it out."

Seeing that the atmosphere has eased, many powerful people present could not help shouting. They are really very curious at the moment, which makes Qin Chen so concerned, and makes the Star God Palace and Dayu Shenshan face Ji Ruyue who is working on the sky, what kind of national beauty and heavenly fragrance, all the country and the city, can make these big The top heavenly power,

So much. Ji Tianyao smiled bitterly: "Everyone, I'm really sorry, Ji Ruyue is currently on a mission outside, so I can't be there, but don't worry, my Ji family disciples, each of the stunning heavenly fragrances, Ruyue, she has been in my Ji family for less than a hundred years, and is now a respect

The realm of the scholar, I must not let you down. "

Less than a hundred years old, are you a sage?

hiss!

There was a lot of air-conditioning in the audience. If it was like what Ji Tianyao said, then this Ji Ruyue is really extraordinary. Compared with this Ji Xinyi, I am afraid it is only strong but not weak.

At this moment, Ji Xinyi had been completely forgotten by the side. She stared at Qin Chen angrily, bursting into flames in her eyes.

For a martial artist who is such a genius as Qin Chen, it is not absolutely impossible for her to say that she does not envy Ruyue, but it is this guy who messed up her martial arts contest, and now everyone has only Ji Ruyue in their hearts. .

"Ancestor." At this time, Ji Tianqi also came to Ji Tianyao's side, anxiously transmitting: "Ru Yue, she has been canonized as a saint, and betrothed to the head of the Xiao family, so..."

[Chapter 4269: Unpredictable](#)

"Shut up." Ji Tianyao gave Ji Tianqi a cold look: "What can I do? If not, I'm afraid this god-worker Tianzun is going to make trouble with my Ji family directly. Now that the arrow is on the string, I have to send it, although Ji Ruyue also Will participate in martial arts competitions, but

She is not here, what to do when the time comes, and to discuss again, but now it can be so. "

At this time, everyone's eyes fell on Qin Chen and Venerable Lei Ya in the center of the hall. "Thank you, ancestor Ji for giving Ruyue this opportunity." Qin Chen said loudly, and at the same time he said to the people of the major forces present: "My friends, and all the masters and sect masters, I have already said that Ruyue is My wife, since the Ji family has

Decided to recruit relatives for Ruyue's martial arts contest, then I will tell you the ugly words in front. Ruyue is my wife, so I will win her martial arts contest. If you are interested in Ji family girls, you can go to Jijia Ji Xinyi. . "Qin Chen glanced at everyone present: "Ji Xinyi is the daughter of the Ji family's Patriarch. I think you all come to participate in the martial arts contest, not only to find a daughter-in-law, but also to cooperate well with the ancient Ji family. Ji Xinyi undoubtedly

Is the best object. "So, as long as your disciples go to Ji Xinyi's place, there will never be any contention underneath. However, if anyone present dares to think about Ruyue, then the ugly thing will be said first, so those who dare to come up. , Never under

You will be polite. Don't blame me, Qin, for being polite. "

"Today was originally a great day for Xinyi Girl, and I also came to congratulate it. It was not here to fight. The friends who want to hug Xinyi Girl back home can challenge anyone, but don't challenge me."

When Qin Chen said this, his voice suddenly became cold, "If you have an idea for Ruyue, you don't have to challenge others, just challenge me Qin Chen, and I will continue." After speaking, Qin Chen glanced coldly again. Kuanglei Tianzun and the Star God Palace Master, then stared at the Mountain Master Dayu, and said word by word: "No matter who you are, if you dare to move like a moon, come to me, Qin Chen, but don't regret it then. ,do not

It is unpredictable. "

After saying this, Qin Chen stood directly in the open space in the middle of the hall, without saying a word. Ji Xinyi's face was blue again with anger. She didn't expect Qin Chen to speak so domineeringly. Although Qin Chen said that other people could challenge her for her, the limelight was all Ji Ruyue's presence when Qin Chen was like Ruyue. This one

The main character has now become a supporting role.

How can you not be upset in your heart?

Which woman, who doesn't want to be the eye-catching one herself, shows off in front of all the strong, like a princess?

But now?

Not only was she angry, but the face of Venerable Lei Ya on the side was even more pale, because he was already standing on it, but Qin Chen never looked at him from beginning to end.

The hall has fallen into a short period of stagnation, it is really a domineering speech, if there are dozens of disciples of the forces who want to move Ji Ruyue's thoughts, he will challenge everyone to fail?

However, no one spoke at this moment, because apart from Qin Chen, the genius of the Thunder God Sect Venerable Lei Ya was already standing above the hall at this moment.

Everyone wants to see what Venerable Lei Ya said. "Vice-Hall Master Qin is really domineering, but he's too arrogant. Why Ji Ruyue is your woman? It's ridiculous. It's ridiculous. It's the strong one who embraces the beauty, but Lei Ya, the **** of thunder, wants Come try it, yours

Is the strength as domineering as your tone? "

After talking about Lei Ya's body, a terrifying power of the sacred person has already diffused out, and suddenly, this world, endless thunder surging, as if turned into a sea of thunder.

moment.

Everyone near the center of the hall retreated one after another, and at the same time a large array of chaotic aura rose up, covering the world.

Everyone knows that this is the Ji family's big formation, in order to prevent the energy from leaking out during the battle and destroying the Ji family's mansion. After all, the power that erupts from the venerable fight is not trivial.

Originally, Qin Chen had ignored this Lei Ya. Seeing him dare to walk up at the moment, he suddenly sneered in his heart. It was just an idiot. That Thunder God Sect was also an idiot, and was used as a gunman by the Star God Palace.

But since he was looking for death, Qin Chen didn't mind fulfilling him.

Lei Ya laughed at Qin Chen as he walked around, and at the same time clasped his fists and said to Ji Tianyao and all the Tianzun present: "It is inevitable that there will be damage to the competition. I don't know if the junior is injured or killed Qin by mistake. What about the Hall Master?"

"Humph!" Ji Tianyao didn't speak, but the Star God Palace Master said with a cold snort: "Since you don't have the ability to be killed, you deserve it. Otherwise, go down and don't be embarrassed."

"What about Master Tiangong?" Lei Ya looked at Tianzun Shengong. After all, Qin Chen was a disciple of Tianzuo. Shen Gong Tian Zun smiled slightly, and said to Lei Ya: "Palace Master Star God is right, he is not as skilled as humans, and he deserves death. Although Qin Chen is the one who works for me, I can promise , If he died in the competition, I

You don't want to be held accountable, what do you think of Kuang Lei Tianzun? "

"It's just what I want." Thunder God Sect's Kuang Lei Tianzun sneered.

Venerable Lei Ya arched his hand at Tianzun Shen Gong and said, "Thank you Master Tian Zun Shen Gong for your guidance, the younger generation knows." When Venerable Lei Ya raised his hand, a thunder ball floated on top of his head. The thunder spear of the human treasure level appeared in his hand, and then he looked at Qin Chen faintly and said: "I just fancy Ji Ruyue, what can you do?"

It's Ji Ruyue's husband. Lei has seen you displeased a long time ago. Today I will let you know that a hero can only hold a beauty. ""as you wish. "Qin Chen exudes an icy breath, and the killing intent diffuses when Venerable Lei Ya said that he likes Ruyue, and even the rest of the powerful sitting in the hall can deeply feel Qin Chen. Endless killing

machine.

Some disciples with lower strength even fought a cold war involuntarily.

"What a powerful killing intent." Many Tianzun experts are secretly stunned. They swept out of Qin Chen's killing intent. Everyone knows that this Qin Chen should not only be powerful for refining weapons, but definitely a murderer. The role of hemp.

However, although Qin Chen had a terrifying aura, only the aura of the human being was exposed. The flow of chaos in his body covered up all the cultivation base of his peak earthly respected person, and even the peaked heavenly respected person who was present could not detect it.

"Haha, it's just a human being, and this one is afraid that you won't succeed? Die to this one!" Although Qin Chen's killing intent was extremely terrifying, Venerable Lei Ya did not take it seriously. In the realm of Venerable, He is not afraid of anyone at all, he is very confident of his own strength.

[Chapter 4270: Only chance](#)

boom!

As Venerable Thunder's voice fell, the thunderball above his head burst out with endless thunder power, and the vast thunder drowned everything, turning this hall into a sea of thunder.

At the same time, a thunder light burst out from the thunder spear in his hand. This thunder light was so strong that it caused some masters of the earthly realm to feel a little numb.

In an instant, Venerable Lei Ya turned into a thunder, like a thunder giant, and the breath that emanated made everyone discolored.

"What a strong breath."

"This power of thunder is the **** of thunder and lightning, and it has a strong affinity for thunder avenue by nature."

"This person is afraid that he has already cultivated into the Thunder God phantom of the Thunder God Sect. It is no wonder that he is so confident and terrible. If this child has enough opportunities, after ten thousand years, the Thunder God Sect may not be able to produce an extra Tianzun master."

Many people present were discussing.

Who can come to the ancient Ji family, who is not a top expert, has an extraordinary vision, and he can see that Venerable Lei Ya is extraordinary at a glance.

Don't even think that Venerable Lei Ya is only in the realm of human respect, but the aura that it exudes is probably comparable to that of earth respect.

"Boy go to die!"

In the endless thunder, the eyes of Venerable Lei Ya burst into thunder, and the thunder spear in his hand blasted Qin Chen fiercely.

With one blow, the sky fell apart and the earth shattered and died forever.

"Power of Thunder? Ridiculous! Six Reincarnation Sword Art of Life and Death!" Dare to hit Ruyue's attention, Qin Chen had no other thoughts, only endless killing intent, his eyes were cold, and he directly spurred Wanjian River's treasure, but he It didn't fully activate Wanjianhe, but only activated a little bit on Wanjianhe.

power.

Suddenly, a sword light burst out of the golden sword in Qin Chen's hand, and he slashed at Venerable Lei Ya without hesitation.

Reincarnation of life and death, endless dying, Qin Chen cut out with this sword, only killing the enemy, not seeking the future life.

Venerable Lei Ya saw that what his opponent had slashed out was just a small sword, to be exact, it should be a golden small sword that didn't look very eye-catching.

But when the golden sword burst out of the sword light, a hint of fear rose in his heart at this moment, a sword aura that pierced the sky, covering the sky and the sun, cutting everything, as if cutting the sky and the earth. broken.

He woke up instantly, and Qin Chen in front of him was so powerful that he was absolutely terrifying.

At the moment, he roared and roared, and the power of the venerable in his body was burning, and on the thunder spear, the billowing thunder light pierced the sky, slashing away at Qin Chen frantically.

boom!

Two terrifying forces collided in the void, and Venerable Thunder Ya suddenly found out in horror that his power of thunder, as if he had sensed something incomparably fearful, was trembling.

It was as if the courtier had seen the emperor, it was as if the ant had seen the dragon, and even the movement of the nobleman in his body became discolored and slow, and even unable to condense.

What kind of swordsmanship is this?

What kind of knife is this? Venerable Lei Ya felt frightened.

But the speed of Qin Chen's sword is too fast, and its power is too amazing. There is a tragic trend of indomitable. It seems that this sword will not kill him, the other party will go to heaven and earth, and the six reincarnations will not stop.

"No..." Venerable Lei Ya yelled out the word 'no' in despair, and he felt the lightning spear he exploded in an instant burst. Not only that, after the sword light smashed his lightning spear, even more it was cut on the thunderball above his head.

Venerable Lei Ya only heard a loud bang, and the Thunder Orb, a treasure of the Thunder God Sect above his head, exploded in an instant. He wanted to hide, but it was too late. A terrifying sword light had completely enveloped him.

puff!

The blood mist sprayed out, and Venerable Lei Ya hadn't even had time to react, he was already beheaded by Qin Chen.

Chi Chi Chi Chi...

The sword light surged, and Venerable Lei Ya's thunder-like body was directly shattered, and the soul sea in his mind was instantly annihilated under Qin Chen's sword light, and the smoke disappeared and turned into dust.

The hall fell into silence for an instant.

One sword killed a Venerable Tianjiao, who was also the Holy Son of Thunder God Sect, Venerable Lei Ya.

At this time, Venerable Lei Ya burst into pieces, and the countless flesh and blood that fell on the ground instantly turned into ashes. It was torn apart by the sword energy that had not completely dissipated. The shape was tragic, leaving only a dark black blood stain. , Dead without a whole body. The Heavenly Venerables of the major forces took a breath. When have they seen such a powerful Venerable? One sword slayed a pinnacle Venerable Tianjiao. This sword still smashed the opponent's thunder spear and thunder bead to pieces, and then fell from the center of the eyebrows.

.

The two great venerable treasures could not stop each other's killing intent.

Those who are as strong as Lei Ya, are inevitable.

Domineering, too domineering.

How much resentment does it take to have this kind of terrorist killing and powerful explosive power?

"Lei Ya!"

Kuang Lei Tianzun, who had a smile on his face before, let out a roar of anger at this moment, his eyes were furious, his figure swayed, and he was about to rush into the open space in the center of the hall.

"Humph!"

Suddenly, a cold snort sounded, Tianzun Shen Gong raised his hand, and suddenly, a terrifying peak Tianzun's power filled, and instantly blocked Kuang Lei Tianzun.

"Why? Kuang Lei Tianzun, compete with each other, it is normal to have deaths and injuries, the dignified Thunder God Sect Master, shouldn't be so uncomfortable, should you be foolish? But only a disciple died, why bother to make such a fuss."

Shengong Tianzun glanced at Kuanglei Tianzun lightly, and said with a smile.

"you....."

The Thunder God Sect Master looked furious, his face was pale and uncertain, the blood in his body was surging, he almost vomited a mouthful of blood, and could not speak for a long time.

Indeed, the death and injury of the martial arts has already been said before, how can he retaliate for this?

What's more, how can he dare to retaliate with the divine worker Tianzun?

The rest of the heavens around were also dumbfounded, their eyes shocked.

What does it mean to die a disciple, making a fuss?

This Lei Ya Tianzun, but Kuang Lei Tian Zun's closed disciple, the true heir, such a character, in the entire Thunder God Sect, is very few, one of the few, dead such a person, Kuang Lei Tian Zun does not know how long it will be distressed.

This God of God is really cruel.

Everyone dared not underestimate God's work Tianzun, this guy hid the knife in his smile.

On the other side, the Ji family was completely shocked.

A disciple of the Thunder God Sect died, Kuang Lei Tianzun couldn't deal with Tian's work, and he would certainly be dissatisfied with his Ji family.

After being silent for a long time, Ji Tianyao said dryly: "In the first battle, Vice Palace Master Qin worked to win." Palace Master Star God also had a gloomy expression dripping with black water, his eyes staring at Qin Chen coldly. , He never thought that Qin Chen was so powerful, he was only the peak Saint Master cultivation base, and now although he is a Venerable, he actually killed Thunder with a single sword.

Lord Ya.

This person must not stay, once he grows up, where is the existence of the Star God Palace? This son must die, and this contest to recruit relatives is the only fair chance for his Star God Palace.
