[Chapter 4281: Harmony](#)

"Ji Ruyue?"

The Void God Hall Master also frowned, glanced thoughtfully at where he was working, his eyes suddenly narrowed slightly.

In just an instant, he already understood something. He immediately snorted: "Ouyang Chen is only interested in girl Ji Xinyi, and he is naturally not interested in Fairy Ji Ruyue. However, even so, this Kuang Lei Tianzun couldn't explain it well, and directly blasted my young master of the virtual temple. It would be too bad to treat me

Is the virtual **** temple in your eyes? Who gave him the courage? Thunder God Sect, hum, are you not afraid of destroying the Sect? "

The Void God Temple is a top-level Heavenly Venerable power, while the Thunder God Sect is just an ordinary Heavenly Venerable power. If he doesn't ask for an explanation, wouldn't he be laughed at. At this time, Daewoo Shenshan Mountain Master also stood up and smiled and said, "Vision Hall Master, Kuanglei Tianzun has a temper, you know, earlier, his Thunder God Sect has just lost a Tianjiao, so Kuanglei Tianzun has a temper. More irritable, more reckless

, As a friend, here, I will apologize for Kuang Lei Tianzun, and hope that there are a lot of Masters of the Void God Hall, don't worry about it. "

"Hall of Void God, your status is noble, why do you have the same knowledge as Kuang Lei Tianzun, and you will sell the face of this palace." The Master of the Star God also smiled. The head teachers of the two pinnacle Tianzun forces personally began to intercede, and the Lord of the Void God Hall changed a bit, and immediately snorted: "Huh, since the Lord of the Star God Palace and Dayu Mountain Lord is begging for the Kuang Lei Tianzun, then this seat will no longer care. But, if there is another time

, Don't blame my virtual temple for not giving face. "

When the voice fell, the Lord of the Void God Hall took Ouyang Chen and immediately returned to his seat.

Ji Tianyao's expression changed, and he said in a deep voice, "What do you mean by several people?"

The Star God Palace Master smiled slightly, and said, "Kuang Lei Tianzun, you can talk about it yourself." Kuang Lei Tianzun nodded and said: "Old Ancestor Ji Tianyao, although it is a little hard to tell, but for the happiness of this sect, To put it bluntly, in this martial arts contest recruiting relatives, this sect fell in love with Fairy Ji Ruyue of the Ji family, and admired him very much.

Therefore, I came to the stage to challenge and asked the ancestor Ji Tianyao to uphold justice. "

Ji Tianyao's face was ugly, and he said sharply, "Making a fool."

The other Ji's elders also changed color, and even Ji Tianqi looked upset.

Sovereign Thunder God, this is an old-fashioned powerhouse of their generation, who participated in the Ji family's younger generation's martial arts contest to recruit relatives. If passed out, the Ji family will inevitably become the laughingstock of the ten thousand races.

"Kuang Lei Tianzun, please leave quickly!" Ji Tianyao said coldly.

He was really angry. "Hey, ancestor Ji Tianyao, what do you mean?" This is, the Star God Palace Master suddenly sneered and walked out: "Your Ji family held a martial arts contest to recruit relatives, but that was to inform the major forces of the human race, Kuang Lei Although Tianzun is a little older,

He has not been married in his life, and is now single. There is nothing wrong with coming to participate in the martial arts contest, right? ""Not bad. "The Lord of Dayu also smiled: "Kuanglei Tianzun is a strong Tianzun, and he is also the lord of the Thunder God Sect. This mountain lord is very optimistic about the marriage between him and Fairy Ji Ruyue. What reason does Ji Tianyao ancestor refuse? What? also

says? Ji Tianyao's so-called ancestor's martial arts contest is just playing me and waiting? "If this is the case, then I will have to wait and talk to the ancestor Ji Tianyao, this time the martial arts competition, my young palace master of the Star God Palace, the young master of Dayu Shenshan, and the Lord Lei Ya of the Thunder God Sect are all dead. Here, if Ji Tianyao, what do you call

It's just a joke, but it's just an explanation and fairness for me and many other forces. "

The Master of the Star God Palace stood up and said coldly.

boom!

The terrifying aura of the pinnacle Heavenly Sovereign, outrageously released, circulating endlessly.

Ji Tianyao suddenly changed color.

This.....

At this moment, he was shocked and angry.

He is not an idiot, how can he not know the purpose of Kuang Lei Tianzun's coming up? It was Ji Ruyue, it was clear that the three major forces wanted to join forces to avenge Qin Chen and Tian's work.

Originally, if his Ji family had set a rule not to allow veteran strong players to participate, it would be fine.

But he didn't make this rule, because he couldn't imagine that someone like Kuang Lei Tianzun would take the stage to compete. If Kuanglei Tianzun once had a wife and children, he has enough reasons to refuse. The key point is that the Thunder God Sect Master Kuanglei Tianzun is devoted to martial arts practice. He has never heard of him having a wife in millions of years, nor has he heard that he has been passed down from generation to generation. But

single.

Therefore, after Kuang Lei Tianzun came to power, Ji Tianyao was shocked and couldn't refuse.

"hateful."

Ji Tianyao had all the thoughts he wanted to cry at the moment, and he secretly cried out.

What is this all about?

Because Ji Ruyue was alone, his Ji family was directly caught in such an embarrassing situation, and he actually made this appearance of the good martial arts contest.

Now, Ji Tianyao has only two choices.

One is to refuse the Kuanglei Tianzun, but this will offend the three major forces, and among them are the two top heavenly forces, the Star God Palace and Dayu Shenshan.

The three major forces have fallen to the young master, how can they be willing to give up with the Ji family?

The other is to accept the challenge of Kuang Lei Tian Zun. In this way, the Ji family will lose some face, and it will not be very good to spread out, but the risk is passed on to Qin Chen and Tian Zuo.

Ji Tianyao's heart turned anxiously, furious.

Both of these options have drawbacks.

When Ji Tianyao couldn't make a choice and was tangled inside.

The eyes of the rest of the powerhouses on the scene kept moving on Kuang Lei Tianzun and Qin Chen.

Although no one spoke, everyone knew that Kuang Lei Tianzun came to the stage to make trouble for Qin Chen, who might even kill Qin Chen by fighting.

"How about it, ancestor Ji Tianyao, Kuanglei Tianzun, as the Thunder God Sovereign, a strong Tianzun, marrying your Ji Family Fairy, shouldn't it be insulting your Ji Family?"

The Star God Palace Lord spoke again, smiling, but his eyes were very gloomy.

Ji Tianyao sighed. At this time, he had fully understood that it was impossible to let Qin Chen go by Star God Palace, Dayu Shenshan and Thunder God Sect. No matter what decision he made, this battle would inevitably erupt. Ji Tianyao hesitated, and finally said helplessly: "Since Kuanglei Tianzun is single and has admired Ji Ruyue for a long time, the old man naturally has no right to hinder him. However, the old man still hopes that everyone who comes to the stage to participate in the martial arts competition can

Enough for harmony. "

After saying this, Ji Tianyao turned around and backed away.

"Ancestor."

Ji Tianqi hurriedly transmitted his voice, but when he saw the cold eyes of the ancestor, he immediately stopped talking. In the audience, many people sneered. They all knew that what Ji Tianyao said was bullshit, and Kuang Lei Tianzun came up so shamelessly, how could he still regard peace as his preciousness.

[Chapter 4282: It's that Qin Chen](#)

"Haha, thank you Ji Tianyao for your fulfillment."

On the arena, Kuanglei Tianzun laughed loudly, then clasped his fists and said loudly: "Thunder God Sect Kuanglei Tianzun admires Fairy Ji Ruyue and challenges him. Who likes Fairy Ji Ruyue, this sect is waiting here.

In an instant, everyone on the court focused on Qin Chen in the audience.

In the audience, Qin Chen's face was green, his eyes were cold, and his heart was full of murderous intent.

How he didn't know, Kuang Lei Tianzun was deliberately targeting himself, deliberately trying to challenge, so that he could go up and kill himself.

This Crazy Thunder Heavenly Sovereign, obviously already the Sect Master of the Thunder God Sect, the Heavenly Lord powerhouse, in order to deal with himself, he didn't even want his face.

Even if he killed himself in the ring, he would be laughed at when he spread it out. Knowing that, he still went on stage and gave up his old face.

By the way, there are also the Star God Palace and Dayu Shenshan, the top Heavenly Powers of the human race, they are simply a group of shameless guys.

now.

The court was silent, although Kuang Lei Tianzun was talking to everyone with his hands, but everyone's eyes focused on Qin Chen.

They all want to know that Qin Chen can't get up.

"This Thunder God Sect Master is a bit too much." Shen Gong Tianzun said lightly, his eyes a little cold.

The grievances between the young people were directly torn to the skin of the older generation, and they were indeed rarely seen.

"Haha, didn't anyone come up? Oh,? By the way, I forgot. Someone on the court said that this Ji Ruyue belongs to his wife, and I don't know which squandered Ji Ruyue was. She was so arrogant before, but she didn't dare to come up. Up."

Kuang Lei Tianzun sneered and looked at Qin Chen: "I thought that guy was some kind of character, now it looks like he's just a tortoise, a coward, and he doesn't even dare to fight for his own woman. Just castrate him. Hahaha."

Kuang Lei Tianzun laughed.

Many people around sighed. It seemed that Qin Chen wouldn't go up anymore, but also, facing a Tianzun, going up is obviously a matter of looking for death, who would deliberately go for death?

But before everyone's thoughts fell, they saw Qin Chen in the crowd suddenly standing up.

what?

The expressions of all the powerful forces changed.

This kid...no?

Under the eyes of everyone, Qin Chen was seen walking towards the ring step by step, and at the same time said in a cold tone: "Since some people want to die, then I will fulfill him."

Whoosh!

With a flickering figure, Qin Chen had already appeared on the ring, facing Kuang Lei Tianzun.

Is this kid crazy?

Many powerhouses changed their colors and couldn't believe it. At the same time, they looked at God Gong Tianzun. They thought God Gong Tianzun would stop them, but Shen Gong Tianzun did not do so at all.

Didn't Shen Gong Tianzun know that after Qin Chen went up, he would definitely die?

This is Kuang Lei Tianzun, the lord of the Thunder God Sect. Although he is not a top-level figure in Tianzun, he is also a strong veteran Tianzun. He is extraordinary in strength. It is not comparable to those so-called earth-zun Tianjiao, half-step Tianzun.

Strong as Ouyang Chen of the Void God Temple, but with a single blow, he was blown away. Although Qin Chen was powerful, he was afraid that he would not have the ability to resist at all in the face of Kuang Lei Tianzun.

Do you want to die?

On the arena, Kuang Lei Tianzun saw Qin Chen coming up, his heart was ecstatic, deep in his eyes, a hideous color flashed, and he said coldly: "Boy, do you really dare to come up?"

"Is there anything I dare not, it's just a waste of heaven, you will know later, you can win if you have a high level of cultivation, because some people have cultivated for a long time, but all these years of cultivation have actually cultivated to the dog. Go on."

As Qin Chen spoke, a golden little sword appeared in front of him. Before he could finish his sentence, his killing intent had already started to climb. At the same time, the golden little sword also made buzzing noises. It seemed that he was expecting this battle even more than Qin Chen.

"Dare to die!"

Kuang Lei Tianzun didn't talk too much nonsense, he just wanted to kill Qin Chen, in case Qin Chen surrendered or flinched, it would be troublesome, and with an angry shout, Kuang Lei Tianzun instantly appeared in his hand with a blue warhammer.

boom!

The warhammer appeared, and the billowing thunder light surged. In an instant, this world turned into a sea of thunder. Above the warhammer, terrifying thunder light continued to flash.

"It's Thor's Hammer!"

"Kuang Lei Tianzun's treasure of fame."

"Hey, when this Kuang Lei Tianzun dealt with a junior, he actually used Tianzun's treasure directly, how much hatred is this?"

Seeing this hammer, many strong people changed color and sucked in air-conditioning.

In the face of younger generations like Qin Chen, Kuanglei Tianzun immediately mobilized his most powerful treasure, the Tianzun treasure Thor's Hammer, which did not give the opponent a chance to surrender or survive.

"kill him."

The Star God Palace Master and Dayu Mountain Master had cold eyes, and said with a cold voice in their hearts.

"Die."

Ji Xinyi also said bitterly.

On this ring today, she is the only one who is the most dazzling. Qin Chen and Ji Ruyue are all damned.

boom!

As soon as the Thunder God's Hammer Servant appeared in Kuang Lei Tianzun's hand, he had already slashed out at Qin Chen. The sky full of thunder light seemed to have spirituality, and the endless hammer shadows were enchanted, and Qin Chen was completely enveloped in an instant.

This blow was too terrifying, let alone an earthly respect, even a half-step heavenly respect, it will instantly turn into powder, an ordinary heavenly respect, if not observed for a while, will be seriously injured.

Kuanglei Tianzun has a hideous face, thunder is flooding, and the power of Tianzun erupts, he only wants to kill Qin Chen instantly, without giving Qin Chen any chance to breathe.

In the audience, the Star God Palace Master and Dayu Mountain Master were keeping an eye on Shen Gong Tian Zun. As long as Shen Gong Tian Zun had the idea of rescue, the two would intercept them immediately, and Qin Chen must die here.

What they didn't expect was...

Seeing such a violent attack by Kuanglei Tianzun, Tianzun Shengong didn't even move, and didn't even make a move.

how come?

The two were startled.

At this moment, they heard a cold voice on the stage.

"Wan Jianhe, Kai!"

boom!

In an instant, a terrifying sword aura permeated from the arena, even if it was obstructed by the ancient chaos array, all the strong on the scene felt a terrible kendo power permeating out.

Under everyone's eyes, everyone was horrified to see that a golden river of swords burst out of the ring space filled with endless thunder.

This golden river of swords, vast and mighty, turned into a turbulent occasion, bursting into the sky with thunder.

And above the sword river, nine small barren beasts and a huge terrifying sword beast roared, tearing through the thunder light, and furiously fighting against the Kuang Lei Tianzun.

"what?"

"what is that?"

Everyone's eyes widened, in disbelief, Jianhe roared, and directly charged Kuang Lei Tianzun's attack away.

In the sword river, a figure floats and sinks, permeating with the terrifying aura of Tianzun level, like a god, towering majestically. It's that Qin Chen!

[Chapter 4283: Comfortable](#)

Above the vast arena, the golden sword river surged.

In the Jianhe, a towering figure stands proudly, like a god, invincible, giving people a strong shock.

At this moment, everyone changed color and their eyes were round.

Whether it was the young powerhouses who came to participate in the martial arts contest or the older generation of Tianzun powerhouses, they watched this scene in disbelief, breathed in the air, and couldn't say a word.

what?

What did they see?

Qin Chen, a disciple of Heavenly Work, directly blasted the attack of Kuanglei Heavenly Venerable, and did not fall under Kuanglei Heavenly Venerable's attack. How could this be possible?

Everyone changed color, and there was disbelief in their eyes.

Because this has completely exceeded their imagination.

The Star God Palace Lord and Dayu Mountain Lord also looked shocked, and the stormy sea was rolled up in their hearts, and their faces were blue.

How could this little beast be so strong?

At this moment, the breath radiating from Qin Chen's body has definitely reached the level of the Celestial Venerable. Although his cultivation base does not seem to be the Celestial Venerable, the breath that radiates from the golden sword river is definitely the aura of the Celestial Venerable.

However, not many years ago, this little beast was only the pinnacle holy lord. Even if it has the inheritance of the Heavenly Sword Pavilion, even if it has been cultivated by the work of heaven, it is impossible to be so strong, right?

However, everything in front of them told them deeply that Qin Chen's power had far exceeded their imagination.

On the side, Shen Gong Tianzun gave a chuckle, watching the shocked expressions of the Star God Palace Master and the Dayu Mountain Master, and the corners of his mouth sneered.

Want to use martial arts to kill Qin Chen personally? Hehe, these guys really think too much.

Unless the Star God Palace Master and Dayu Mountain Master go up by themselves, perhaps Shengong Tianzun will be worried and want to stop it. Kuanglei Tianzun's trash Tianzun is not even the late Tianzun, and dare to underestimate Qin Chen. This is not a gift. What is it?

Shen Gong Tian Zun is very comfortable and comfortable, and he is the only one sitting there in the whole stand, shaking Erlang's legs, very comfortable and free.

On the ring.

Everyone below was shocked, but Kuang Lei Tianzun was even more shocked.

"you....."

He was furious, and he couldn't imagine that Qin Chen would be unscathed under his Thunder hammer.

"It's the golden sword river..."

In the arena, Kuanglei Tianzun's feelings are clearer than anyone else. He can clearly feel that the aura on Qin Chen's body is actually not a small distance from Tianzun. The reason why he can resist his own attack is entirely because of that. Golden Sword River.

"The top celestial treasure is definitely the top celestial treasure."

Kuanglei Tianzun took a deep breath, his tone was cold, his eyes became more and more ferocious, and he was rich and wealthy, and even the weapon of a disciple of the earth was stronger than his own.

Kill him, this top heavenly treasure is his own.

Although he was shocked in his heart, Kuang Lei Tianzun knew that since he had come up, there was absolutely no reason to retreat.

"What kind of patience is relying on treasures, this sect will let you know that no matter what treasure you have, in front of this sect, there is only one dead end!"

Roar! With a roar, the Thunder God Sovereign rushed madly, his face is hideous, the thunder bursting out in his body, his whole body seemed to have become a blue thunder god, thunder surging, and the warhammer in his hand burst out thousands of miles of thunder. ,against

Qin Chen fell down frantically.

boom!

He is angry!

Thousands of thunder lights, turned into oceans, poured down, and each thunder light was like a thunder spear, falling down at Qin Chen, piercing through the void.

"Humph!"

Qin Chen snorted coldly, his eyes were cold, and his sword aura was impelling. In an instant, the Wanjian River roared and surging, turning into billions of sword lights, and violently colliding with the sky full of thunder.

Boom boom boom boom!

The sword light collided with the thunder spear and burst out with a shocking roar, and the momentum that burst out made everyone change color, and everyone was shocked.

This momentum is terrible, and it's tens of thousands of miles in vertical and horizontal directions. If it weren't for the space of the ancient chaos array of the Ji family, the entire Ji family mansion would have been exploded and turned into powder.

Even so, the Ji family mansion was still roaring and trembling, as if it was about to burst open.

"Stable formation."

Ji Tianyao hurriedly let out a low cry. The many masters of the Ji family immediately used the power of the ancient clan to stabilize the large formation underneath, so that the whole formation remained unmoved.

This battle is terrible and amazing.

Rumble!

The sky and the earth shook, everyone in the stands changed their color, staring carefully, they saw that Qin Chen had urged billions of golden sword auras and fought against Kuang Lei Tianzun. One side was the vast golden sword river, vast and endless.

On one side is the endless thunder, like the ocean, pouring everywhere.

The two terrifying forces collided, and the aura exploded, which was enough to change the color of many Tianzun powerhouses present.

Wow!

Qin Chen stood proudly in the golden sword river, and on him, many sword auras moved, and various sword intents surged.

There are killing sword intent, eternal sword intent, fire sword intent, water sword intent, death sword intent, destruction sword intent...

Every sword intent contains the power of the sky and the earth, as if it can drown everything.

Strong, it's too strong! If Qin Chen could break through the attack of Kuanglei Tianzun at the beginning, and come out strong, it may be just a dying explosion, then now Qin Chen and Kuanglei Tianzun are fighting together, and the combat power displayed has truly reached Tianzun

do not.

At this moment, it wasn't just the celestials who were present in shock.

Ancient world.

Over the vast ancient mountain range, in the endless chaotic void, some powerful men exuding terrible aura loomed.

These powerful men are hidden in the void, as if they are integrated with the ancient world, standing proudly in this world, lonely and indifferent.

On the chests of these strong men are embroidered with a font, one side is leaf, usually ginger!

It was the strong men of the Ye family and the Jiang family.

They also knew about the Ji family's martial arts contest and recruiting relatives, but they came, hiding in the void outside the Ji family to observe.

"Awesome, is this child really just an earthly respect? The strength is so strong that he has definitely reached the level of heavenly respect."

"Unbelievable, with the cultivation of the earthly respect, against the strong heavenly ones, how many years hasn't the human race heard of it?"

The Ye family, the strong man of the Jiang family, couldn't help but marvel.

What is Tianzun?

That is the real powerhouse in harmony with the sky.

Any race, as long as they have a Celestial Venerable, can have a territory on the battlefield of ten thousand races, and can make their race enter the ten thousand race list, and will not rank too weak.

In the universe, Tianzun represents a threshold.

It is also in all races.

With Tianzun, you can be called a top power, and there are so many people who are eligible to participate in Human Race meetings.

Such as Thunder God Sect, Tongtian City and so on. Although they may not have much say in the Human Race Conference, being able to sit here already means that they are different from the other venerables who can only follow orders and act.

[Chapter 4284: Four big families](#)

Because it is too difficult to have Tianzun level combat power.

This is a symbol of status, a symbol of glory.

Today, Qin Chen, a disciple of Heavenly Respect, has exploded out of the strength of the Celestial Respect. Even the Ye Family and Jiang Family, who are the ancient clan, have changed their colors and shocked their hearts.

"Hehe, Tianjiao, Shen Gong Tianzun did find a good disciple."

Suddenly, an indifferent chuckle sounded, with indifference and majesty, so that the expressions of the powerful Ye Family and Jiang Family were changed.

The Ye Family and Xiao Family strong men turned their heads and saw a group of strong men exuding the terrifying atmosphere of the ancient race coming slowly, stepping into the void. The leader was a middle-aged man looking at eagles and birds.

"Patriarch Xiao!"

Seeing the visitor, the strong from the Ye family and the Jiang family hurriedly saluted.

The person who came was the Xiao family, the current ruler of the ancient world.

"The Ye family, the Jiang family, are they very elegant?" Patriarch Xiao said with a smile. As soon as the words came out, the Ye family and the Jiang family all changed their colors. The leader of the Ye family's Patriarch immediately smiled and said, "Patriarch Xiao, today is the big day for the ancient Ji family to compete in martial arts. The Ji family is the fourth of my ancient family. One of the big family, such a thing, I

Naturally, I am more concerned. "

"Exactly, the Ji family is also quite proud. It is actually a martial arts contest to recruit relatives. This is a spectacle that my ancient world has not had in many years." The Jiang family also hurriedly said.

"interesting."

Patriarch Xiao smiled faintly, "It seems that the Ji family feels that our ancient world has too little vitality and vitality, so deliberately wants to add some vitality to our ancient world, not bad."

Patriarch Xiao smiled and said, but his eyes flashed coldly.

The Ye Family and the Jiang Family looked at each other, but they didn't say a word, just laughed. Anyway, they were just watching the show, and it must be the Xiao Family who did it first.

However, the hearts of Ye Family and Jiang Family were also shining.

They came here to watch the battle. Why did the Xiao family also come here? With the status of the Xiao family, if you do not move, you will surely shake the sky.

Could it be said that the Xiao family is about to do something against the Ji family?

Suddenly, the Ye family and the Jiang family looked at Patriarch Xiao. Behind Patriarch Xiao, the elders of the Xiao family and several powerful men were all present with extraordinary momentum.

This made the two of them feel stunned.

I am afraid that there will be some changes in the ancient world.

Immediately, the Patriarchs of the Ye Family and the Jiang Family dared not neglect, and while standing in this void, staring at the Ji Family, they also hurriedly secretly transmitted the sound.

now.

Ji Family Mansion.

On the ring, Qin Chen and Kuang Lei Tianzun are fighting together into a ball.

Boom!

Thousands of thunders turned into oceans, rushing endlessly, the more and more frightened Kuang Lei Tianzun's heart was for the Vietnam War.

For a while, he actually failed to win Qin Chen.

How is this possible?

He is the real Tianzun, and he will not be able to take Qin Chen as a junior, making him frightened.

"Eat my trick, thunderstorm!"

Rumble!

The Kuang Lei Tianzun was angry. In the pupils of his eyes, thunder light bloomed. The boundless thunder light gathered in his hands, condensing the power of the thunder to the extreme. At this moment, the power of the Tianzun gathered crazy together. Tianzun imprisoned.

Wow!

In the void, a warhammer that pierced the sky appeared, took control of the sky, and slashed down at Qin Chen.

After a shot fell, all the rays of the void were restrained, and above this warhammer, the violent lightning swallowed everything.

This is the terrifying thunder secret technique of the Thunder God Sect, which provokes the thunder light in the body, integrates the heavenly treasures with itself, and even drives the power of qi and blood.

Everyone knew that Kuanglei Tianzun was completely furious, and Tianzun's combat power broke out completely.

If Kuang Lei Tianzun had a little restraint before, then now, he is completely violent.

"Fucky boy, die for me."

boom!

The thunder light poured out, and the Thunder God's Hammer quickly grew in size, like a sacred mountain, about to smash the heaven and the earth, and smash it on Qin Chen's Wanjian River.

哇!

Wan Jian River shook, thousands of golden sword auras violently trembled, and the thunder light swam away, quickly spreading towards Qin Chen.

Above the surging golden sword river, thunder light wandered, like a thunder dragon, which can easily annihilate the strong.

In the audience, everyone was concentrating, and many people stood up and suddenly looked over.

Because they all knew that Kuanglei Tianzun was going crazy.

Anyone who is well-known Tianzun powerhouse, can not be underestimated.

On the arena, Qin Chen gave a cold snort and his eyes were cold. In his body, sword aura bloomed, ten sword beasts roared in the sword river, rushing out, and colliding with that Thunder God's hammer with a bang, resisting countless lightning live.

"What? Blocked?"

Many people are discolored.

The Star God Palace Lord and Dayu Mountain Lord are also furious, why can't even Kuang Lei Tianzun's secret technique win each other?

No, it's the golden sword river.

At this moment, the eyes of the Star God Palace Lord and Dayu Mountain Lord flickered wildly, vaguely feeling something, and looked at the golden sword river carefully.

Above Jianhe, ten terrifying sword beasts roared, bursting out an aura that made the general heavenly princes feel a little palpitating.

Top Tianzun treasure?

The eyes of the two of them were frightened. At this moment, they finally understood why Qin Chen was so strong because of this golden sword river.

"The top heavenly treasure?"

At this time, many people in the audience could also see that Qin Chen's Wanjianhe breath was clearly above that Kuang Lei Tianzun's Thunder God Hammer.

This.....

Wealth is too big and big.

Many people are speechless, even some of the top-level heavenly treasures may not have them, and they can't ask for it, but what about Qin Chen? It was just an earth-sovereign, and he even possessed a top-level heaven-sovereign treasure.

Many people want to cry without tears.

People are simply maddening than people, and work day is too tyrant.

"What can you do with the treasure? Today, this sect will kill you?"

Kuang Lei Tianzun was completely angry, hum, three thunder crystals that were like pills appeared quickly in his hand.

As soon as these three thunder crystals appeared, a dazzling thunder light burst out.

"Thunder Real Pill!"

"It's the Thunder True Pill of the Thunder God Sect."

Everyone was shocked, Kuang Lei Tianzun quickly swallowed three true pills into his mouth.

I saw his arms swell rapidly, and the lightning burst out of his body became more flaming, as if it had turned into a pond of thunder.

boom!

These thunder lights quickly condensed and turned into thunder whips, sweeping towards Qin Chen.

"Five consecutive whips of lightning!"

Kuang Lei Tian Zun roared, burning the power of the sage, and, the Thunder hammer urged to the extreme, combined with five thunder light and lightning, it fell down again at Qin Chen.

At this moment, the aura on Kuang Lei Tianzun's body soared instantly.

"Wow!"

In the audience, countless Tianzun stood up in shock. At this moment, the aura they felt from Kuang Lei Tianzun changed their color.

"What about this kid, who has the top treasure of Heavenly Sovereign? It's still going to die." The Star God Palace Lord and Dayu Mountain Lord looked terrifying, staring at Shen Gong Tianzun.

[Chapter 4285: Lightning Five Strike](#)

At this moment, the aura released by Kuang Lei Tianzun, even the strong Tianzun was discolored, and he did not dare to be light-hearted.

How can Qin Chen resist?

It's a pity that such a top-level arrogant who can resist the heavenly sovereign in such an earthly-sovereign realm is about to fall here today.

The Star God Palace Lord and Dayu Mountain Lord stared at Shen Gong Tian Zun, for fear that Shen Gong Tian Zun would stop them.

What surprised them was that, in this case, Shen Gong Tianzun was still motionless, but very leisurely.

Could it be...

The two hurriedly looked up.

Klang Klang Klang Klang!

Five thunder lashes, like five thunder pillars, blasted towards Qin Chen, flooding the ring, unable to avoid it.

"almost."

Under the thunder light, Qin Chen sneered at the corner of his mouth.

"Five consecutive whips for lightning? It's ridiculous, cast Thunder in front of me? Doesn't this Thunder God Sect Master know that my strongest attack is Thunder?"

The power of ruling!

Qin Chen drank low, and there was a thunderstorm in his body.

Suddenly, everyone in the audience was shocked.

what happened? Hasn't Kuang Lei Tianzun's attack still fallen? Why did thunder light escape from this kid's body?

Many people didn't see it clearly for a while, thinking that the thunder in Qin Chen's body was the evolution of Kuang Lei Tianzun's attack.

But there are still many strong people, but they can see clearly in an instant.

That is.....

In Qin Chen's body, the power of adjudication surged, and the whole person turned into a thunder giant, and on his body, the Haotian Divine Armor quickly emerged.

Although the Vast Sky Divine Armor was not needed at all, Qin Chen could kill Kuang Lei Tianzun, but in order not to be too alarming, he deliberately displayed the Vast Sky Divine Armor.

However, this time, the Haotian Divine Armor was illuminated by the power of Qin Chen's ruling, just like a thunder armor.

boom!

Two big thunder giants face each other in the void.

"kill!"

Qin Chen burst into tears, and the Wanjian River, which had previously turned into a vast sword river, quickly condensed at this moment and turned into a golden long sword that stretches to the sky. Above the long sword, sword energy surged and slashed at the Thunder God's hammer.

At the same time, the thunder light surged in Qin Chen's body and quickly merged onto the Wanjian River, and the law of thunder surged wildly.

"Hahaha, ridiculous, cast the rules of thunder in front of this sect, get an axe at the class door, and die for me!"

Kuang Lei Tianzun shouted, and five thunder whips quickly wrapped around Qin Chen.

Boom boom boom boom...

The terrifying thunder whip, like a pillar of heaven, turned into five divine dragons, and quickly entangled Qin Chen.

Crackling!

Thunder flashes.

The thunder light whip contained terrifying thunder power, to tear Qin Chen and shatter Qin Chen's body.

"Hahaha!"

When Kuang Lei Tianzun saw this, there was ecstasy in his eyes, big and small.

"Go to hell!"

He urged the lightning five consecutive whips to explode directly to Qin Chen.

But what changed his color was that no matter how he urged the lightning five consecutive whips, he could not explode the thunder armor on Qin Chen's body.

What kind of treasure is this?

Kuang Lei Tianzun was shocked. The Lightning Five Strikes was one of his strongest tricks. Even the strong Tianzun could be seriously injured and killed, but he couldn't kill Qin Chen?

The top heavenly treasure.

This is definitely another top treasure of heaven.

In the midst of the anger of Kuang Lei Tianzun, the lightning long sword in Qin Chen's hand was already violently cut out.

"Block it."

Kuang Lei Tianzun roared, and Thor's Hammer blasted out.

With a boom, the Thunder God's Hammer collided with the Thunder Giant Sword in Qin Chen's hand. The endless thunder light spurted out, and Qin Chen's golden long sword shook the Thunder God's Hammer away suddenly.

A terrifying force of thunder directly extinguished the thunder displayed by the Kuang Lei Tian Zun, and quickly wrapped around the body of the Kuang Lei Tian Zun.

"how is this possible?"

Kuang Lei Tianzun's hair was horrified, and his entire body was erected.

Because Qin Chen's thunder power contains the ancient annihilation power, which actually surpasses his thunder power, and constantly annihilates his power.

"impossible!"

Kuanglei Tianzun was unbelievable, Qin Chen was only a ground-sovereign, even if he cultivated with Thunder rules, how could he be the opponent of the Thunder God Sect Master, he was a strong Tianzun.

No, why should the origin of this thunder force be above your own origin?

Crackling!

The flesh and blood on Kuang Lei Tianzun's body quickly exploded under the power of the ruling, making a scream.

"That is....."

Outside the ring, Ji Tianyao's eyes widened, feeling the power of judgment on Qin Chen, showing a look of horror.

Not only him, but some veteran Tianzun powerhouses on the field also changed color. The breath of thunder power released by Qin Chen gave them a rather familiar feeling, as if they had seen it somewhere before.

"Damn, brat, I'm fighting with you."

Kuang Lei Tianzun roared and wanted to struggle.

But at this moment.

The origin of time!

Hum!

Qin Chen urged the time rule, and in an instant, the time in this world was stagnant.

The power of the law of heaven in Kuang Lei Tianzun's body also stopped for a moment.

It was after such a momentary pause that Qin Chen's eyes were cold, and the thunder sword in his hand had already penetrated into Kuang Lei Tianzun's body.

"The power of adjudication, swallow!"

Qin Chen drank low.

The power of judgment surged, and the power of thunder in Kuang Lei Tianzun's body was like a cathartic flood, which was quickly swallowed by Qin Chen.

It should be understood that Qin Chen's power of adjudication is not even afraid of the thunder of heaven and earth.

boom!

The terrifying power of thunder quickly flooded Qin Chen's body, increasing the power in Qin Chen's body.

"Do not....."

Kuang Lei Tianzun roared in anger and wanted to break free, but it was of no avail. He was the origin and quickly passed away.

next moment!

boom!

His whole person turned into a thunder light and burst into pieces, and a breath of soul rose from this thunder light. It was the soul of this mad thunder **** who wanted to escape here.

"not good!"

The Star God Palace Master and Dayu Mountain Master changed their colors, and when they shook their bodies, they had to shoot.

"Two people, the fight is not over yet, so, isn't it?"

Shen Gong Tianzun chuckled, and at some point, he had already arrived in front of the two of them, stopped them, and smiled.

"I think....."

On the ring, the power of the soul of Kuang Lei Tianzun quickly roared, this is to admit defeat.

Wow!

Just before he could speak out, a terrifying sword river passed by, and the soul of Kuang Lei Tianzun was instantly annihilated and disappeared into the void.

Cang Dang.

A huge thunder hammer fell from the sky and landed on the ring. At the same time, there were also Kuang Lei Tianzun's storage ring and some broken clothes.

As for the Kuang Lei Tianzun itself, it has completely disappeared.

Putting away the Thunder God's hammer and storage space, on the ring, the thunder light quickly annihilated, Qin Chen's Wan Jianhe was also converged by him, turned into a golden sword and disappeared, and the Haotian Divine Armor also converged into his body.

"Is there anyone else who wants to challenge?" Qin Chen said indifferently, looking at all the dumbfounded people in the audience.

[Chapter 4286: Ji Family Remnants](#)

now.

Qin Chen just stood on the ring.

Very calm, very calm, with a smile on his face, like a harmless child.

He looked at the many powerhouses present, there were Tianjiao and Tianzun.

It seems to be greeting a very common thing: "Is there anyone else to challenge?"

A very calm sentence.

But just such a sentence made everyone present horrified and their scalp numb.

terrible!

too terrifying.

Qin Chen was surrounded by lightning surging, and the arena where a terrible battle had erupted before gradually returned to calm.

However, the Thor's Hammer that fell to the ground and was deeply trapped in the ring, and the fragments of the sky and shattered Thunder Heavenly Sovereign, made everyone deeply understand that one Heavenly Sovereign had died.

Tianzun, the top powerhouse of ten thousand races.

On the battlefield of 10,000 ethnic groups, it is enough to start a large-scale war that affects the lives and deaths of hundreds of millions of people in a ethnic group.

But now, Kuang Lei Tianzun, the lord of the Thunder God Sect, this strong Tianzun, fell on the ring of the ancient Ji family because of a martial arts contest.

Amazed!

fear!

Upset!

Various emotions surging in the hearts of many strong players on the field, constantly shaking.

Even Ji Tianyao, the ancestor of the Ji family, was shocked, his eyes rounded, and his heart was shocked.

How could this guy be so strong?

In the realm of Earth Zun, he actually killed a Heavenly Zun?

What kind of arrogance is this?

It's simply unpredictable.

As an ancient tribe in the ancient world, Ji family possesses chaotic blood, strong strength, and different talents. Tianjiao of this bloodline tends to have an advantage over other human races of the same level.

But even Ji Family Tianjiao didn't dare to say that he could kill the strong of Heavenly Sovereign in the realm of Earthly Honor.

No, let alone the realm of Earthly Sovereign, even if it is the realm of Heavenly Sovereign, it is not easy for one Heavenly Sovereign to kill another Heavenly Sovereign.

But now...

upset!

remorse!

Knowing this a long time ago, Ji Tianyao wouldn't be able to marry Ji Ruyue to the Patriarch of the Xiao family if he was killed. If he could win Tian's work and win such a Tianjiao, his Ji family's confidence in the ancient realm would increase by 50% out of thin air.

What are you going to do to recruit relatives?

But it was a little late now, because the information that Ji Ruyue wanted to give to the head of the Xiao family was actually sent to the Xiao family by Ji Nanan not long ago.

It is not so easy to take it back again.

Damn it!

At this moment, Ji Tianyao's thoughts flowed wildly, meditating to see if there was any way to ease the relationship between the Ji family and Tianjiao, and the relationship with Qin Chen.

For example, releasing Ruyue and Wuxue from the mountain of prison, or for example, giving them to the Xiao family in exchange?

However, it is difficult to operate.

Not only was Ji Tianyao shocked, but outside the Ji family, and in the distance in the void, the Xiao family, Ye family, Jiang family and other people were also stunned.

"Unbelievable!"

"incredible!"

This group of people was shocked, shocked, and silent.

The ancient tribe of the ancient world has been inherited from ancient times and claimed to be a real human race with noble blood. Therefore, although the ancient race claimed to be a human race for hundreds of millions of years, they deliberately separated themselves from the ordinary human race outside.

Because of disdain.

But now, they were all shocked by Qin Chen's strength.

They have thought of countless possibilities.

For example, Qin Chen was beheaded by Kuang Lei Tianzun.

For another example, Qin Chen was respected by Kuang Leitian and was forced to concede defeat.

Or, Qin Chen withstood the attack of Kuang Lei Tianzun and was rescued by Shen Gong Tianzun.

The most exaggerated possibility is that Qin Chen and Kuang Lei Tianzun are evenly matched.

But they never thought of the possibility that Kuang Lei Tianzun was severely beheaded by Qin Chen.

dream.

Shocked!

It's unbelievable.

"Qin Chen?"

The Patriarch of the Xiao Family murmured, his eyes exploded with brilliant light, and turned his head to look at the Ye Family and Jiang Family: "Where is the Tianjiao that suddenly appeared? Do you know?"

Such a Tianjiao should have been Megatron Humans long ago, why there was almost no news before, suddenly such a person appeared?

At this time, Patriarch Ye was shocked and said: "Patriarch Xiao, this son is from the heavens of the human race. It is rumored that he is the holy son of Heavenly Work. Later, he received the inheritance of the Heavenly Sword Pavilion. When he was in the realm of the holy master, he was taken Send out Demon Lord to chase after him."

Although the ancient world was closed, it was not unheard of outside the window. Qin Chen's information was not top secret, so the Ye family quickly found some.

"Tongtian Sword Pavilion?"

Xiao Patriarch's eyes narrowed.

This is an incredible force.

The top power of the ancient human race, in the ancient times, was not weaker than the horrible existence of craftsmen. The human swordsman leader, its ancestor sword ancestor, was even more powerful.

In ancient times, the demons colluded with the dark people, and suddenly launched troubles against some of the top forces in the universe that might threaten them.

Tongtian Sword Pavilion is one of them.

But as a result, although the Tongtian sword pavilion was destroyed, the Demon Race also suffered heavy losses, and even a leader of the Dark Race was rumored to have fallen in that battle.

This information is considered secret among ordinary human races, and classified, but it is not a secret in front of experts in the ancient world like the Patriarch of the Xiao family.

"No wonder, it turned out to be the inheritance of the Heavenly Sword Pavilion!"

The Patriarch of the Xiao family was a little surprised, but in this way, some explanations made sense.

What kind of power is Tongtian Sword Pavilion? In the ancient times, how could a force like the Thunder God Sect challenge the Tongtian Sword Pavilion, fearing that it would be possible to wipe out the Thunder God Sect from the world with a small finger.

"Interesting, did Qin Chen fancy the Ji family Tianjiao? Is Ji Xinyi?" The head of the Xiao family's eyes flickered. The Ye Family Patriarch shook his head and said: "No, I heard that it was a woman named Ji Ruyue. This person was not originally from the Ji family. It is rumored that she had risen from the lower realm. It should be the remnants of the Ji family that year. He was later discovered by the Ji family. , Retrieved from the human heaven

, It is said that he and this Qin Chen are husband and wife, and there are rumors that this Qin Chen also soared from the lower realm. "

As Patriarch Ye said, a light flashed deep in his eyes. He deliberately pointed out the remnants of the Ji family, because Patriarch Ye knew well why the so-called remnants of the Ji family entered the lower realm. It was not because the Ji family failed to compete for the ancient world. Under the oppression of the Xiao family, the current Ji family The tribe can't chase

In other words, this ancestor of Ji Ruyue was actually forced to enter the lower realm because of the Xiao family back then.

The Xiao family is regarded as the enemy of Ji Ruyue's ancestor.

Therefore, he deliberately pointed out that if the Xiao Family is jealous of Qin Chen and goes against Heaven's Work, wouldn't his Ye Family be more stable in the ancient world? "The remnants of the Ji family, it's unexpected that they can still be in the upper realm. Interesting? And it's Qin Chen's wife, my human race, that Xiaoyao Supreme has also soared from the lower realm, and will become the human supreme in less than ten thousand years. But there is Xiaoyao Supreme

The second style. "Patriarch Jiang also said, seemingly random, but in fact he has no scheming.

[Chapter 4287: Really interesting](#)

The Xiao family should be panicked. If this Qin Chenzhen and Ji family become relatives, work and cultivate one day, and become the second of Xiaoyao Supreme, then the Ji family's status and strength will inevitably be greatly improved, threatening the Xiao family.

Xiao family, what should I do?

Kill this Qin Chen, obliterate a threat, or...

Patriarch Jiang and Patriarch Ye both chuckled in their hearts. No matter what, as long as the Xiao family and Ji family remain hostile, they will still have a chance.

"Ji Ruyue?"

Hearing this, the head of the Xiao family's eyes flashed, but he thought of an interesting thing.

"Interesting, really interesting."

Patriarch Xiao smiled. He glanced at the Patriarchs of the Ye Family and the Jiang Family, his eyes showing a hint of profound meaning.

Haha, what thoughts do these two families really think he doesn't know?

If his Xiao family was so easy to get in, he wouldn't be the boss of this ancient world.

However, at this moment, what happened here has exceeded the original expectations of the Xiao Patriarch, and even related to the remnants of the Ji family. This matter must be reported to the ancestor.

He can't be the master himself.

Immediately, the Xiao Patriarch secretly spread the information.

now.

Ji family!

Qin Chen stood proudly on the arena, and the surroundings were silent.

"Why, is no one coming up?"

Qin Chen said lightly.

However, they looked at each other on the court and no one responded at all.

Fuck!

Who else wants to come up now?

The younger generation, needless to say, go up to be killed in seconds.

How can the older generation of strong people find it boring?

I didn't see that even the Thunder God Sect Master had fallen on it. They went up, not to mention whether it was Qin Chen's opponent, even if they could defeat Qin Chen, they would offend God's work and such a top arrogant for a woman who had never seen him before. Does it make sense?

Can live to this day, which one is the brain of the worm? Moreover, in their capacity, it is not easy to find beautiful women?

Even if it is really interesting to the Ji family, challenging the virtual temple Ouyang Chen and defeating the opponent to win Ji Xinyi is much safer than challenging Qin Chen.

Of course, there are also people who are interested in Qin Chen's top heavenly treasure. However, the Thunder God Sect Master's five lightning whips failed to break Qin Chen's defenses, everyone has already seen that the previous thunder armor on Qin Chen's body is definitely also a top-level heavenly treasure, plus there is a time source. Such supernatural powers, he

We go up, there is hope for defeating Qin Chen.

But it was difficult to kill Qin Chen under Shen Gong Tianzun's eyelids.

The gain is not worth the loss, the gain is not worth the loss.

For a while, Qin Chen shocked everyone present.

Seeing that no one was speaking, Qin Chen immediately looked at the Star God Palace Master and Dayu Mountain Master with angry and shocked eyes, and sneered: "Two, do you want to come up in person?" Qin Chen sneered: "You two, not always Do you really want to kill me? At the beginning, in the heritage of the Heavenly Sword Pavilion, the two Venerables under his command wanted to kill me, but they failed. Later, the two sent Xidoruo and Jueshan separately.

Lord, still want to kill me, still want to kill me. "

"Forgot to say, the reason why Xidoruo and Venerable Jueshan disappeared is actually killed by me."

"Now, the two of them let their descendants die, and even the Thunder Lord Sect Master was encouraged to die by the two."

"Next, are the two going to do it yourself? If you don't do it, I'm afraid that when I grow up, the two will have no chance."

Qin Chen sneered, sneered here.

"boom!"

Suddenly, the audience shook.

One stone caused a thousand waves!

what?

There is such a thing unexpectedly, Star God Palace and Dayu Shenshan have long wanted to kill this Qin Chen, and, have already lost two groups of people?

No wonder.

At this moment, everyone suddenly understood why Star God Palace and Dayu Shenshan had been true to Qin Chen since the beginning. It turned out that the two parties had long ago had grievances.

"Palace Master Star God, Mountain Master Dayu, it turns out that your two great forces have been secretly hunting and killing my Heavenly Son?"

boom!

A terrible aura rose up, it was the god-worked heavenly sovereign, murderous, six top heavenly sovereigns, supreme treasures, hanging above his head.

"If you don't give me an explanation today, I will blame myself for being rude."

Facing the two top powerhouses, Shen Gong Tianzun was not afraid at all, but couldn't wait to do it.

On the court, many people changed their colors and retreated one after another.

madman.

People who work this day are crazy.

Nowadays, the two races of humans and demons in the universe are fighting, and no human forces can easily fight, but if the Star Palace and Dayu Shenshan really have secretly dealt with the gods of heaven, it is hard to say.

Change to any force, can't bear it.

It's just that even if you can't bear it, you don't need to be in this Ji family land, just can't wait to do it, right?

The Star God Palace Lord and Dayu Mountain Lord also changed color at this moment, and shouted: "Shen Gong Tianzun, are you crazy?"

Is this madman his opponent by himself?

The Star God Palace Master and Dayu Mountain Master were ruthless in their hearts. At this moment, even a thought came up, desperate to kill Qin Chen, anyway, with the gods of heaven, unable to stop them.

However, the two finally held back, because this was the Ji family, and the Ji family would never allow them to do so.

really.

Ji Tianyao hurriedly changed color, banged, and the ancient chaos array filled with terrible aura, suppressed, and suddenly all the strong on the scene felt a terrible force oppressing it, making it difficult to breathe.

Here is the Ji family site.

"Shen Gong Tianzun, Star God Palace Lord, Dayu Mountain Lord, this is my Ji family, please solve any grievances outside, don't do it here." Ji Tianyao shouted sharply, with the peak Tianzun breath lingering on his body, and the ancient chaos permeated. Murderous.

He was really angry.

Nowadays, his Ji family recruited relatives, and several human talents have died. Not long ago, even the thunder **** sect master fell here. If this matter spreads out, it will inevitably cause a huge sensation in the human race and cause his Ji family Criticize.

If one of the ancestors of the three major forces of Tiangong, Xingshen Palace, and Dayu Shenshan falls, his Ji family will be completely finished, and the Xiao family will seize the opportunity to represent the ancient world and severely suppress and repair. "There is also Deputy Hall Master Qin. You have won this battle. If there is no one to challenge, Deputy Hall Master Qin is invited to go ahead. As for the Star God Palace Master and Dayu Mountain Master, not to mention that these two people do not meet their status They are all people who have had wives and children.

No, it will not be betrothed to them. "

Ji Tianyao said coldly: "And all the friends present, if we send the younger generation to come up, my Ji family welcomes it, but if it comes to power in person, my Ji family will not allow it."

Ji Tianyao's eyes were cold, and the Thunder God Sect Master had fallen. He was already sweating. If the trouble continues, his Ji family will definitely become a target.

Even now, it's like a farce. What he feared most now was that his Ji family was seized by the Xiao family and gave the opponent a chance to make a move.

[Chapter 4288: Posted soon](#)

Seeing Ji Tianyao's ancestor so intense expression.

Many Ji family powerhouses in the rear looked ugly and knew the worries of the ancestors.

Originally, martial arts and recruiting relatives were a great benefit to the Ji family, but now it turned out to be like a farce.

"Since the ancestor Ji Tianyao has spoken, the younger generation will definitely follow his fate." Qin Chen smiled immediately and went on. However, before returning to his seat, Qin Chen turned his head and looked at the Star God Palace Master and Dayu Mountain Master, and sneered: "If the two of you are not convinced, you can continue to send people to assassinate the Deputy Palace Master, even personally. You can do it, but do it

Before you can think about the consequences, prepare a few more coffins, and save too many dead people to lie down. "

After speaking, Qin Chen sat in his seat, too lazy to look at them.

"You..." The Star God Palace Master and Dayu Mountain Master were furious, wishing to kill Qin Chen on the spot.

This bastard.

Arrogant.

Too arrogant!

The Star God Palace Lord and Dayu Mountain Lord are both the top powers of the Human Race, and even in the Human Race Council, they have some say in it, which can be regarded as high powers.

When was someone so mocked?

At this moment, the Star God Palace Lord and Dayu Mountain Lord wanted to smash Qin Chen to death on the spot.

However, with the presence of Shen Gong Tianzun, Ji Tianyao and others, they still held back their anger and sat down again, but the murderous intent in their hearts was extremely strong.

The scene of watching eased, Ji Tianyao finally breathed a sigh of relief. He said loudly: "My Ji family competes with martial arts, waiting for you so many heroes, Ji Tianyao is extremely honored, this time the martial arts contest is here, Ji Xinyi, I don't know who else is willing to take the stage, and the virtual temple Ouyang Chen Lord

If there is no one in World War I, then today's martial arts contest will be over. "

"My Ji family, there will be a banquet for you all."

Ji Tianyao now just wants to hurry up and end the martial arts contest, don't continue to make trouble.

The field was suddenly quiet, and after so many experiences, no force was willing to let them challenge Qin Chen.

As for Ouyang Chen, in fact, those who have the strength to challenge are almost the same, and the rest are opponents who know they are not Ouyang Chen.

What's more, after going through such a scene, everyone can see that even though this is an ancient tribe in the ancient world, this luck is a bit bad.

"Well, since no one is on stage to challenge, then the winners of today's martial arts contest are Qin Chen from Heavenly Work and Ouyang Chen from Xushen Temple. Congratulations to both of you, please also come on stage."

Ji Tianyao even announced.

On the side of the virtual temple, Ouyang Chen looked excited, looking at Ji Xinyi on the stage.

Ji Xinyi is a standard beauty, and has an ancient bloodline with extraordinary temperament. The reason why Ouyang Chen is challenged is that there is an ancient goddess who wants to meet the Ji family. Ouyang Chen himself is actually very satisfied with Ji Xinyi.

A strong man like him, ordinary women can't get his eyes at all.

With joy in his heart, he hurried to the stage.

But Ji Xinyi felt Ouyang Chen's fiery and excited eyes, but she was a little dissatisfied and angry.

If there was no Qin Chen's performance, then Ouyang Chen, as the Young Master of the Void God Temple, and so young, was already a master of the earthly respect, Ji Xinyi was also quite satisfied.

But the appearance of Qin Chen made Ouyang Chen bleak, no matter how they were compared, Ouyang Chen was far worse than Qin Chen.

The two of them stood on the ring, and everyone was staring at them. It was Qin Chen, and there was almost no shadow of Ouyang Chen.

But Ouyang Chen didn't have such embarrassment in his heart. He was sweet in his heart, as if drinking honey, looking at Ji Xinyi excitedly, immersed in the joy of embracing the beauty. "Ji Xinyi, come up here." Ji Tianyao yelled, and at the same time he said to Qin Chen and the people present: "Because Ji Ruyue is not in my Ji family and is on mission, so today, we can only let Ji Xinyi represent my Ji family. Hexu Temple Ouyang Chen

Get married. "

"Yes."

Ji Xinyi came up, gritting his teeth.

She walked in all styles, her posture was light, and she had to say, like a fairy in a painting.

As the saint of the Ji family, he still has this temperament.

However, she looked at Qin Chen, but it was very unpleasant.

It's not that Qin Chen hates Qin Chen, but, why would such a peerless genius like Qin Chen like a country girl like Ji Ruyue, what's so good about that kind of woman?

Why?

Such a genius should have fallen under my pomegranate skirt.

Yes, it must be because he hasn't seen me and my excellence that he was attracted by a woman like Ji Ruyue.

Ji Xinyi thought in her heart and slowly came to the ring.

Qin Chen saw this Ji Xinyi looking at him frequently, with a weird heart, but he didn't think much about it. Instead, he said to Ouyang Chen, "Congratulations, brother Ouyang."

"Brother Qin is with the same joy." Ouyang Chen was very happy in his heart, and hurriedly bowed his hand to Qin Chen, then hurriedly turned and walked towards Ji Xinyi.

Upon seeing this, Ji Xinyi frowned, and couldn't help becoming increasingly dissatisfied with Ouyang Chen.

Why is this Ji Ruyue man so extraordinary, this Ouyang Chen is like a dog licking?

No, Ji Xinyi, only the strongest man is worthy.

Thinking of this, Ji Xinyi ignored the approaching Ouyang Chen, but went straight to Qin Chen, with a smile at the corners of his mouth, a pair of Shui Lingling eyes that seemed to be able to speak, rippling Qiubo.

Qin Chen only smelled a fresh fragrance, and listened to Ji Xinyi with a smile and said: "The heroic appearance of Young Master Qin in the ring before is really exciting, and I admire him very much."

Ji Xinyi said with a smile, leaning forward, and suddenly a touch of whiteness appeared in front of Qin Chen, dazzling his eyes.

This snow-white, white sting, makes people's mind swaying.

"Haha, Miss Xinyi is absurdly praised, Qin just killed a few small pieces, nothing." Qin Chen said with a smile.

He was puzzled in his heart, but his face remained calm, and he was not moved by Ji Xinyi's beautiful appearance.

Upon seeing this, Ji Xinyi moved forward, and the huge whiteness of snow almost affixed to Qin Chen's body, and said with a chuckle: "Master Qin is joking. It is the way that Master Qin is not afraid of power and oppression. A true hero in Xinyi's mind." "Alas, sister Ruyue is also really lucky. I didn't expect to have a friend like Gongzi Qin. Actually, sister Ruyue and I have a good relationship. Although sister Ruyue is from the lower realm, her identity and blood are a little humble. , But sister Ruyue has a good heart,

She is also a good girl. "Speaking of Ji Xinyi, sighed, "It's a pity that sister Ruyue doesn't have the orthodox Ji family bloodline, nor is it an orthodox daughter of the Ji family. She can receive the strong support of the Ji family like me. Actually, I am right. Gongzi Qin admires it

. "Ji Xinyi's tone was soft, and he was about to stick to Qin Chen.

[Chapter 4289: Things have changed](#)

Suddenly, everyone in the audience changed color.

What's the situation with Ji Xinyi?

Her blind date should be Ouyang Chen, why did she chat so happily with Qin Chen? Moreover, listening to Ji Xinyi's words, she seemed to be very interested in Qin Chen, would she not like Qin Chen who worked in heaven?

However, this idea came out.

Everyone understands, think about it carefully, relying on Qin Chen's previous terrifying performance, as well as the unparalleled talent and strength, if they are women, are they afraid that Qin Chen will also be attracted?

Ouyang Chen, who was only pitiful on the side, his face instantly turned pale and awkward.

What was even more surprising was that Ji Tianyao and Ji Tianqi on the side didn't even respond.

In fact, Ji Tianyao wanted to stop it at first, but when he saw Ji Xinyi actively tempting Qin Chen, he couldn't help but move.

He still knows Ji Xinyi's charm very well, the sage of the Ji family, almost all the younger generation of the Ji family, no man is not interested in her.

Now that Ji Ruyue is imprisoned in Houshan, it is impossible to release it easily, and it has been betrothed to the Xiao family. If this Ji Xinyi can seduce Qin Chen, Qin Chen will change his mind and fall in love with Ji Xinyi.

This is a good result.

By then, Ji Xinyi could be betrothed to Qin Chen, and Ouyang Chen, his Ji family could find another woman, and promised to the other party, so everyone was very happy.

Ji Xinyi exhaled like blue, her red lips approached Qin Chen, full of endless temptation.

She chuckled in her heart, not believing that Qin Chen would not be tempted by herself.

Unexpectedly, Qin Chen's face changed suddenly at this moment, and he said sharply: "Ji Xinyi, please respect Ruyuefang, please pay attention to your identity. Can Ruyue be something you can argue with?"

boom!

A terrible breath bloomed from Qin Chen, oppressing Ji Xinyi.

What identity is humble? Ji Ruyue's identity is something that Ji Xinyi can arbitrarily discuss.

Anyone can humiliate him, but he can't humiliate Ru Yue, his woman.

Pedal!

With the breath of Ji Xinyi in Qin Chen, he immediately took a few steps back, her temples scattered, her expression furious.

This lunatic.

Ji Xinyi's face flushed, and she was anxious.

Damn, this kid is simply too hateful.

"Master Qin, what are you doing?"

Ji Xinyi wanted to go wild on the spot, but took a deep breath and finally suppressed the anger in his body, his chest rose and fell, and a smile said: "Master Qin, what are you doing?" Qin Chen looked at Ji Xinyi coldly. , Said: "Ji Xinyi, your man is over there. From now on, I don't want to hear any bad things about Ruyue from your mouth. If it weren't because you and Ruyue are both members of the Ji family, the deputy palace master will not forgive you.

"

Qin Chen snorted coldly.

"You..." When did Ji Xinyi have suffered so much, was humiliated by others, gritted his teeth and looked ashamed: "Qin Chen, you are too much, so what good is Ji Ruyue? Isn't it the saint who replaced me? The place of woman, to be sent..."

"Xin Yi, shut up!"

Ji Tianyao's expression changed, and he hurriedly passed the sound secretly, interrupting Ji Xinyi's words.

Ji Xinyi also knew that she had made a mistake, so she closed her mouth and said nothing. "What? What is Ruyue going to be sent to?" Qin Chen's eyes were cold, and suddenly he felt something wrong. Boom, a terrifying breath burst out from his body, and instantly blasted on Ji Xinyi's body, which was immediately restrained. Ji Xinyi, oppress her

Difficulty breathing.

"Deputy Hall Master Qin, stop!"

Ji Tianyao hurriedly stepped out, and the terrifying atmosphere of the ancient chaotic formation suddenly fell, preventing Qin Chen from attacking Ji Xinyi. The vast aura that radiated made Qin Chen step back two steps, his expression slightly changed.

Ji Tianyao, as the ancestor of the pinnacle Tianzun, is too strong and aura.

"Haha, Deputy Palace Master Qin, Xin Yi has no ill intentions. As for what she said earlier, it is related to the inheritance of my Ji family, which made you misunderstand." Ji Tianyao said with a smile, with a gentle face.

"misunderstanding?"

Qin Chen's eyes flickered, he was not an idiot, his intuition made him feel that there was something in the Ji family that was hiding from him.

"Xin Yi, are you okay?"

On the other side, Ouyang Chen hurriedly stepped forward and said to Ji Xinyi worriedly.

Ji Xinyi looked at Qin Chen coldly with resentment in his eyes, and then said to Ouyang Chen: "I'm fine, but I was bullied by that Qin Chen. As my future husband-in-law, shouldn't you go up and replace him? Am I asking for justice?"

Ouyang Chen was stunned, glanced at Qin Chen, and at Ji Xinyi, and said, "I..."

"Why, don't you dare?" Ji Xinyi said faintly: "He is a disciple of Heavenly Work, and you are a disciple of the Void God Temple. Are you afraid that the Void God Temple will not be successful?"

Ouyang Chen's face was hard to look at immediately. He really liked Ji Xinyi, but he also knew his strength. If Qin Chen only killed the Young Master of the Star God Palace and the Young Master of the Dayu Shenshan, he would still have the courage to go up with Qin. Dust clash.

But Qin Chen even killed the Thunder God Sect Master on the spot, how could he use force with Qin Chen.

Ouyang Chen's hesitant appearance made Ji Xinyi's heart more angry and dissatisfied. Why did Qin Chen dare to attack the forces such as the Star God Palace for Ji Ruyue, but his husband and son didn't even dare to seek justice for himself? She angrily said: "Ouyang Chen, are you still not a man? Your fiancée was bullied, but you don't even have the courage to go up there. Even if you are not as strong as the other party, don't you even have the courage to be fair to your fiancée? "

Or is it that my future husband-in-law is just a scumbag? "

Ouyang Chen heard this and suddenly blood surged.

Indeed, his strength is not as good as Qin Chen, doesn't he even have the courage to seek justice for Ji Xinyi?

Thinking of this, he gritted his teeth and said: "Okay, I will go up and ask for justice for you, and I will let you know that your husband-in-law is not a scumbag."

A faint smile appeared at the corner of Ji Xinyi's mouth, and he said in a low voice, "Then be careful, Qin Chen is very powerful, don't get hurt."

"I know." Ouyang Chen was all sweethearted by Ji Xinyi's words. Immediately stepped forward and said solemnly: "Brother Qin, the strength you showed before is indeed admirable and worthy of my respect. However, what you did to my fiancée Xinyi just now made me very Disappointed, you and I will become Ji's son-in-law is also a family, so I hope you can apologize to Xinyi. "

Qin Chen was still immersed in the words Ji Xinyi said before, and his heart was a little gloomy. Now that he heard Ouyang Chen's words, he couldn't help but glance at Ouyang Chen speechlessly.

Is this Ouyang Chen an idiot? For a woman, just come up to trouble yourself?

Before Qin Chen could speak, the hall master of the Void God Hall said coldly from below: "Chen'er, come over and talk."

When Ouyang Chen saw his master shouting to himself, he continued: "Master, I am..."

"Come here!" The Void God Hall Master shouted.

Ouyang Chen didn't dare to disobey Master, so he hurried down.

On the ring, Ji Tianyao's face suddenly changed when he saw it. Things seem to have changed!

[Chapter 4290: The arrival of the three big families](#)

Qin Chen couldn't help but smile faintly when he saw Ouyang Chen being called back. Of course he saw that Ouyang Chen's temperament was actually a tendon. He came out to argue with himself, obviously because of Ji Xinyi's provocation.

But Ouyang Chen is an idiot, the Master of the Virtual God is not an idiot, the Lord of the Virtual God and the God of God have no hatred.

He let Ouyang Chen come on stage to compete in martial arts, just to get married with the Ji family and get some benefits.

But it wasn't that Ouyang Chen had nothing to do to offend Qin Chen and Tian's work, so seeing that Ouyang Chen was about to argue with Qin Chen, he was immediately called back by the Void God Hall Master. Sure enough, after Ouyang Chen was called back, the Hallmaster of the Void God said something to him. Ouyang Chen suddenly sat down with a frustrated face, and the Hallmaster of the Void God stood up and said, "Vice Hallmaster Qin, I'm the young master of the Void god. The lord is ignorant, if offended

Vice Palace Master Qin, also hope that Vice Palace Master Qin will forgive me. "

Qin Chen hugged his fists and said, "Brother Ouyang is really temperamental, and he is so angry that he is so angry that Qin still admires him."

The Void God Hall Master is the top powerhouse of the human race, the pinnacle Heavenly Sovereign, so to give Qin Chen face, Qin Chen will naturally not have trouble with others, he is not a fool, and makes enemies everywhere.

The Lord of the Void God is obviously very satisfied with Qin Chen's answer. It is not that Qin Chen is afraid of Qin Chen to prevent Ouyang Chen from quarreling with Qin Chen, but it is not necessary, and he does not want to be used by Ji Xinyi.

The Master of the Void God Hall smiled and said: "The Deputy Hall Master Qin is polite, and I hope that the Deputy Hall Master Qin and Shen Gong Tianzun will come to my Void God Hall in the future."

"It's easy to say." Qin Chen said with a smile, and then stopped talking. After the Void God Hall Master said this, he folded his hands and said to Ji Tianyao: "Ancestor Ji Tianyao, today my young Void Hall Master won the martial arts contest, and when I look back, my Void God Hall will bring a betrothal gift to Ji's family to propose marriage. But now Ouyang Chen is fighting

After fighting for several games, he also suffered some injuries. For the time being, he needs to heal his injuries for a while. I hope to forgive me. "

Ji Tianyao's heart was stunned. He knew that the Lord of the Void God was a little dissatisfied with his Ji family, and he immediately said: "Where is the Lord of the Void God, since Ouyang Chen has won the martial arts competition, he will soon become the son-in-law of my Ji family. My Ji family is in ancient times. Business for so many years

, There are also some special healing treasures, which I will give to Ouyang Xian nephew when I turn around, so that he can recover from his injuries as soon as possible. "

The Void God Hall Master nodded, but didn't say anything.

Ji Tianyao breathed a sigh of relief, he was afraid that Ji Xinyi would make such a fuss. If the Lord of the Void God was unwilling to let Ouyang Chen and Ji Xinyi get married, it would be troublesome. Fortunately, the other party didn't mean it for the time being.

Although this competition has caused some bad influences, it also brought some troubles. But Ji Tianyao is still very satisfied with being able to get married with the Void God Hall. The Void God Hall Lord himself is the ancestor of the Peak Heavenly Sovereign, with extraordinary strength, and the inheritance of the Void God Temple has a long history. There are also many strong Heavenly Sovereign powers.

They are weak in Star God Palace.

"Well, today's martial arts contest is over. The Ji family thanks the masters and Tianjiao of the major forces for coming to join us. If you are willing, please stay, and my Ji family will host a banquet for you immediately."

Ji Tianyao said with a smile to everyone.

Today's martial arts contest was successfully completed. The only trouble was Qin Chen. He didn't know how to deal with Ji Ruyue's affairs.

Fortunately, he temporarily stalled, and he could always think of a way back.

"Haha, then I'm welcome to wait."

"I heard that the ancient world gave birth to a special Tao fruit, and today I can take it orally."

The heavenly masters of the major forces all said with a chuckle.

"Everyone please..." Ji Tianyao immediately arched his hands and smiled.

It's just that his voice hasn't fallen yet.

Suddenly--"Hahaha, today the Ji family is so lively. I heard that it is a big day for martial arts and recruiting relatives. This is a big event in my ancient world, Ji Tianyao, you, the ancestor of the Ji family, are not interesting enough. I'm not invited to wait, why? I'm afraid

I'm waiting for food to be poor for your Ji family? "

"Hahaha!"

Boom!

In the distance, a loud sound of laughter was transmitted, and with this sound of laughter, a terrifying breath suddenly appeared from the distant void and descended on this world.

"this is....."

Everyone looked up and looked towards the sky in amazement.

I saw a group of powerful people stepping in the sky, and these powerful people all exuded the unique atmosphere of the ancient world. Judging from the clothes on their bodies, they were obviously ancient people of this ancient world.

On the chests of these strong men are embroidered with a small character, the leader is "Xiao", and after the Xiao family, "Ye" and "Ginger".

Xiao family, Ye family, Jiang family?

All the major forces on the scene were all stunned.

The Ancient Clan is one of the top powers of the Human Race, and has a great say in the Human Race. Among the ancient races, the four most powerful families are the Xiao family, the Ye family, the Jiang family, and the Ji family.

Although the ancient tribe is secretive, and the ordinary warriors of the human race do not know its situation, the many powerful men present are all heavenly forces and naturally understand it.

Among the ancient tribes of the ancient world, the Ji family is not very strong, but the real strong is the Xiao family. It has the supreme seat. In the leadership position of the Human Race Council, there is a position of the ancient Xiao family. Everyone knows the Ji family's situation today, and they have been suppressed by the Xiao family for years. The reason why many forces have agreed to martial arts to recruit relatives is that they first want to use the Ji family to connect with the ancient people inherited from the chaos. ; Second one

, I also want to join forces with the Ji family to be able to grasp some of the right to speak in the ancient world.

After all, now the Ji family is the weakest and needs foreign aid the most. Forces like the Xiao family simply disdain to join forces with the external Tianzun forces.

But who would have thought that when the Ji family was competing in martial arts, the other three families of the ancient clan, Xiao family, etc., were unexpectedly uninvited.

interesting!

Those Tianzun forces that have never won in the martial arts contest, all showed a slightly abusive smile while watching the show, only the Lord of the Void God, his eyes narrowed slightly.

Of course, the most ugly face is Ji Tianyao and other strong Ji family.

Why are the Xiao family and others here?

In Ji family's heart, he was frightened and shocked, but he dared not show it.

"It turned out to be Patriarch Xiao, Patriarch Ye, Patriarch Jiang, what kind of wind is blowing the Patriarchs today? It is an honor for Patriarchs to come to my Ji family. My Ji family is truly brilliant. "

Ji Tianyao hurried forward and said with a laugh.

"Come on, everyone, please come inside. My Ji family is just hosting a banquet. I want to entertain friends from all over the human race, Xiao Patriarch, come here too. It happens to represent my ancient family and communicate with many human forces. ."

Ji Tianyao was very polite, and hurriedly led the people to the hall.

"Wait, why should Ji Tianyao ancestor worry?"

Boom! Patriarch Xiao and a group of people fell, and each of them was filled with horror. The leading Xiao Patriarch chuckled at the corner of his mouth and waved his hand to stop everyone's footsteps.
