

Valkyrie 4291

[Chapter 4291: What the hell](#)

"Patriarch Xiao, are you?"

Ancestor Ji Tianyao's face changed slightly, and he frowned.

But my heart sank. This Xiao Patriarch came here presumptuously. What is this going to do?

Could it be that he wanted to save his Ji family's face under the public?

Thinking of this, the ancestor Ji Tianyao felt gloomy. "Haha." After the Xiao Patriarch fell, looking at the many masters present, he couldn't help but nodded slightly and smiled and said, "Old Xiao Wuendi is the Patriarch of the Xiao Family of the Ancient Clan. My Xiao Family is the leader of the ancient world. This ancient world is from my Xiao family

In charge, when your friends came to my ancient world, they came to the site of my Xiao family. As the head of the Xiao family, I, Xiao Wujin, naturally warmly welcome all friends. "

"Say it!"

"House Master Xiao is polite."

"The ancient clan of the ancient world, Megatron Universe, is a leader-level force of my human race. I saw Patriarch Xiao today, and I really have an extraordinary bearing."

Many of the top powers present all said with a smile on their faces.

That's right, the ancient clan of the ancient world is indeed in charge of the Xiao family, and the Xiao family is also the ruler of the ancient world. Everyone is happy to give face. After all, the ancient clan has always lived in seclusion and seldom was born. In fact, not many have had friendship. .

However, although everyone had a smile on their faces, they looked at Ji's side, but it was a bit meaningful.

This Xiao family seems to be unkind, and I don't know how this Ji family will respond.

At this moment, the many powerhouses of the Ji family looked ugly.

Overwhelming!

As soon as the Xiao family came up, they gave the Ji family a dismount. They were clearly in the Ji family's clan, but they could open their mouths. The Xiao family was the leader of the ancient world. When they came to the ancient world, they came to the site of his Xiao family. Such words, Where to put his Ji family?

Many younger generations of the Ji family are even more angry.

However, although the members of the Ji family were angry, no one refuted it. The situation in the ancient world is indeed respected by the Xiao family. They did not see the Ye family and the Jiang family, and they all followed the Xiao family. Silence, act as a background wall?

In terms of strength, the Ye family and the Jiang family are still a little bit above the Ji family.

Therefore, Ji Tianyao can only suppress the anger in his heart, but this is the territory of his Ji family anyhow, and Ji Tianyao can't say that there is nothing at all.

Immediately, Ji Tianyao stepped forward and said with a smile: "Patriarch Xiao, it's windy outside, why don't we go to my Ji family hall for a banquet and talk while eating?"

This is to grasp some initiative.

Xiao Wujin glanced at Ji Tianyao faintly, and said lightly: "Why the ancestor Ji Tianyao should be anxious? Today is the day when the Ji family competes for martial arts. Now this recruiting is not over, why are you eager to withdraw?"

Ji Tianyao suddenly changed color. "Patriarch Xiao, what do you mean? My Ji family's martial arts contest has ended before." Ji Tianyao squeezed a smile on his face: "Previously, the two friends of the Xushendian and Tianzuo had won the championship, and my Ji family also Announced the result, difficult

Is the Tao Xiao family dissatisfied with the victory of the Xu Shendian and Tianjiao? "

Ji Tianyao's hair is tight. Doesn't this Xiao family also want to participate in the martial arts contest and destroy his Ji family's martial arts contest?

If so, his Ji family definitely cannot agree.

Earlier, Ji Tianyao had already announced the winner, so he also wanted to use the Void God Temple and Heaven's Work to oppress the Xiao Family, and also wanted to arouse the hatred between the Xiao Family and these two forces.

Sure enough, Qin Chen and Ouyang Chen's eyes were cold as soon as these words came out.

Whether it was Ruyue or Ji Xinyi, both of them must win. If the Xiao family wanted to stop the result forcibly, no one would agree to another contest to recruit relatives.

Shen Gong Tianzun was also sitting aside, leisurely, his eyes were a little cold.

Feeling the changes in the atmosphere here, Ji Tianyao was overjoyed, and sure enough, there were many benefits to combining Shangxu Temple and Tianwork.

"Haha." Xiao Wusuan sneered at Ji Tianyao, then looked at everyone present: "Don't worry, you don't have to come here to compete with you for the Ji family girl. Although Xiao has countless wives, he also knows the beauty of adulthood. The truth, Xiao Mou this time

Coming here has the same purpose as everyone, and that is for Xiao's own lifelong event. "

What does Xiao Wujin mean?

As soon as this statement came out, everyone on the court was at a loss.

The Ji family's expression changed.

I saw Xiao Wujin looking at Qin Chen, smiling and clasping his hands: "This should be the little friend of Qin Chen who worked in heaven? I saw the strength of the little friend before, and I was really amazed."

"Killing the Tianzun with the realm of the earth zun, it is rare in the past and the present, and it is difficult to produce one in a million years. Not to mention the arrogance of the world. In recent years, it has been the dragon of the true dragon in the Vientiane Gods. Chen, you have that outstanding military exploit."

"However, the true dragons are born with supernatural powers and possess talented supernatural powers. Little friend Qin Chen can do this, but it is a bit more difficult than those of the true dragons. The old are also extremely admired and admired."

Xiao Wudai smiled and said, his face was gentle.

"Patriarch Xiao is polite." Qin Chen said with squinted eyes, wondering what the **** was this Xiao endless?

Could it be that Long Chen and himself are the same person?

Not like!

But with so many people present, he ignored him, so what would I do?

Qin Chen was puzzled, but his expression remained motionless. He also knew that the Xiao family had a supreme powerhouse. Now in the ancient world, if there were no conflicts of interest, he did not want to conflict with the Xiao family. Xiao Wujin finished talking to Qin Chen, and then he gave Ouyang Chen a smile and said, "Little friend Ouyang Chen is not bad too, he deserves to be the Young Master of the Void God Hall. This time the martial arts contest wins the relatives, it is truly deserved. To cultivate such an outstanding young man

Talent, Xiao Mou is also very impressed. "

"Patriarch Xiao is too acclaimed, Chen'er, I still don't thank Patriarch Xiao." Xushen Hall Master smiled, but his smile was very flat.

Wouldn't a person like him fail to see that the Xiao family came to make trouble this time?

It seems to be boasting, who knows what is thinking in his heart.

"Ouyang Chen thanked the Xiao Patriarch." Ouyang Chen hurriedly saluted, facing such a strong man, he couldn't be as indifferent as Qin Chen. "Oh." Xiao Wujin sighed, "It is a blessing for the two young talents to tie the Ji family to the Ji family, but you may not know that Xiao actually married the Xiao family not long ago. Come, I want to be like the two little friends

, Who came to welcome you? "

Xiao Wudai smiled and looked at everyone in the Ji family.

What the hell?

Everyone present looked weird, and Patriarch Xiao came to Ji's house to welcome his relatives. It was incredible how he heard it.

But after Ji Tianyao heard about it, his complexion changed drastically. Not only were Ji Tianyao, Ji Tianqi, Ji Nan'an and other Tianzun powerhouses, but also pale, and these Tianzun powerhouses were staggered for an instant.

"Patriarch Xiao, this matter is between you and my family. There is no need to say it here. Why don't I wait until the next time I will discuss it." Ji Tianyao said, although the depression is very good, but the tone is deep. The trace of panic was still felt by Qin Chen and a few other people.

[Chapter 4292: This guy is not crazy who is crazy](#)

what's the situation?

Many people flashed their eyes, and all the old foxes felt something was wrong. "Haha, what? What's hard to say." The Xiao Patriarch laughed and said casually: "Is it not? A few days ago, my Xiao family hoped to marry your Ji family, and your Ji family did not readily agree. Do you? Let me think about it, you promised

The betrothed to the old man as the old man's eighteenth concubine, is the saint of your Ji family? "

"Patriarch Xiao."

Ji Tianyao changed color and hurriedly drank, and the other powerhouses in the Ji family also looked nervous.

Ji Tianyao's face is cloudy and uncertain, and he said in a deep voice: "Patriarch Xiao, my Ji family has been hardworking and diligent these years, but hasn't it been the face of the Xiao family? Today is the day when my Ji family is overwhelmed. Give the old man a face."

what happened?

Many people's eyes flicker, there is something in it.

The sage of the Ji family gave Patriarch Xiao a concubine, which is indeed a bit embarrassing.

But, it's not a big deal, right? Nowadays, the ancient people respect the Xiao family, and the Ji family lives in the shadow of the Xiao family. Sometimes, in order to compromise, it is normal to dedicate the women of the family to some powerful concubines.

What's more, it was dedicated to Xiao Wuxi, the Patriarch of the Xiao family. Although being a concubine was a bit awkward, it was okay.

However, now Ji Tianyao's state has changed the color of many people. Could it be that there are other hidden things in this? Patriarch Xiao looked at Ji Tianyao in amazement, "Ancestor Ji Tianyao, what do you mean? Although your Ji family competed in martial arts, you are united with many forces, but my Xiao family is the ruler of the ancient world, although your Ji family saint is for I'm Xiao Wujing as a concubine, and

She is the eighteenth concubine, but she does not shame your Ji family's reputation, right? "

Ji Tianyao's face was pale and uncertain, and his heart was frightened.

Xiao Wuxi held his chin and continued to chuckle and said, "Let me think, who is your Ji family saint? Ji Xinyi, right? I remember that Ji Xinyi was a saint for thousands of years, right?"

Suddenly, the expressions of everyone on the court changed.

boom!

Voices of various discussions spread out.

what's the situation? Ji Xinyi, who was used to compete in martial arts, had already given Xiao Wuquan as the eighteenth concubine? What is going on here?

On the ring.

Ji Xinyi's face turned pale.

The Ji family powerhouses also looked angry, but they didn't say a word.

This caused everyone to change their colors, thinking, it seems that this is indeed the case.

And the most ugly faces were the Void God Hall Master and Ouyang Chen.

Then Ouyang Chen couldn't help but stood up and said sharply, "Patriarch Xiao, what are you talking about?"

He couldn't accept it in his heart.

With great difficulty, he defeated countless Tianjiao and won the woman who was betrothed to someone else as a concubine, and it was an old guy like Xiao Wujin. How could he accept it?

Psychologically unbearable.

"Patriarch Xiao, don't talk nonsense, I am no longer the sage of the Ji family, and the sage of the Ji family is someone else." Ji Xinyi shouted sharply, angrily, and her hair scattered.

"Xin Yi, shut up." Ji Tianyao hurriedly shouted.

"Oh, yes, I forgot." Xiao Wujin patted his head, "Oh, this is my recklessness. I heard that your Ji family temporarily revoked your status as a saint and appointed I gave it to someone, sorry."

Xiao Wujin arched his hands at Ouyang Chen: "Little friend Ouyang, don't get excited, it's a misunderstanding."

Ouyang Chen breathed heavily, his face was ugly, but he didn't say a word.

Xiao Wudai turned around and said with a smile: "I have received a message from your elder Ji Nan'an, Ji family saint woman has been transferred from Ji Xinyi to another Ji family woman." "Yes, Ji Xinyi girl is the daughter of Ji Tianqi Patriarch. , Ji family's beloved treasure, gave me this old man to be a concubine. It is a bit difficult for the Ji family. It is better to give me some women who are not important and not valued by the Ji family as a concubine. This

In this way, you can build a good relationship with my Ji family without harming the interests of your own clan, yes, yes. "

"Let me think about it, what is the name of the newly appointed sage of the Ji family two days ago, a very strange name, it seems that the Ji family brought back to the Ji family from another place..."

Xiao Wujin said, but his eyes fell on Qin Chen who was not far away.

Qin Chen's heart suddenly sank, and his eyes were cold.

"Patriarch Xiao."

The ancestor Ji Tianyao roared, booming, the billowing breath bloomed on his body, and his breathing was short.

But Xiao Wuxi turned a deaf ear, just smiled and said: "Oh, I think of it, it's Ji Ruyue. It is said that the Ji family brought it back from the lower realm..."

boom!

As soon as Xiao Wujin's words fell, everyone only felt a chill that made their heart palpitations swept across. Everyone turned around in amazement and saw Qin Chen's eyes gloomy not far away, with a terrible killing intent on his body. Diffuse.

Rumble!

The world of this ancient world seemed to feel the terrifying aura of Qin Chen, roaring and shaking.

hiss! Many people changed their colors and looked at Qin Chen in amazement. What a terrible killing intent, this Qin Chen was such a fierce killing intent. It was the first time that they had experienced such a terrible killing intent from a young generation, as if they had experienced hundreds of millions of dollars. Kill the robbery, corpse mountain and blood sea

general.

"Hey, little friend Qin Chen, what's the matter with you?" Xiao Wujie looked at Qin Chen in surprise, and was also quite surprised at the terrifying murderous intent on Qin Chen. This is indeed terrifying, and it is more demanding than when I watched from afar. Even more amazing.

"Patriarch Ji, what the **** is going on? Why did Ruyue become the saint of the Ji family and was also betrothed to Xiao Wujin?"

Qin Chen ignored Xiao Wuxi, didn't even bother to look at him, just stared at Ancestor Ji Tianyao gloomily.

"Little friend Qin Chen, there are some misunderstandings on this matter, you turn around and listen to my explanation." Ji Tianyao hurriedly said.

Xiao Wujin looked at Qin Chen suspiciously, and said in surprise: "Hey, little friend Qin Chen, what's the matter with you? Ruyue, is that your wife and the saint Ji Ruyue whom the Ji family betrothed to me are the same person?impossible?"

"How could the Ji family do such a thing?"

Xiao Wujin frowned, and said, "Little friend Qin Chen, don't be nervous. I will ask the ancestor of the Ji family for you. Don't worry, I, Xiao Wujin, is not the kind of person who takes the favor of others and will not occupy other's wives. "

"To shut up!"

Qin Chen turned his head and glanced at Xiao Wuendi coldly, with a strong murderous intent in his tone.

How could he not know Xiao Wujie's intentions? This fellow is not a good thing either.

"what did you say?"

"Hmph, young junior, how dare you say this to my Xiao family Patriarch."

"What kind of education?"

Behind Xiao Wujin, many powerful people in the Xiao family suddenly changed color and shouted sharply.

The other strong players were also stunned.

day!

This Qin Chen is too arrogant, even the ancient realm Xiao Jiachao endless Patriarch dare to scold him, this is a lunatic.

However, thinking of Qin Chen's previous scene of killing Kuang Lei Tianzun, everyone was also surprised. This guy is not crazy, who is crazy?

[Chapter 4293: Retreat first](#)

Being choked by Qin Chen so much, Xiao Wujin's expression suddenly changed, but it was only a change, and in a short while, he had returned to normal. He coldly glanced at the masters under his command, and said coldly: "You all shut up, little friend Qin Chen is a person I admire, Xiao Wuxi, who is so angry that he is really in my generation. A role model, under anger, scolding an old man is also temperament

For this reason, Xiao Wujin admired such a young man the most in my life, and none of you should embarrass little friend Qin Chen. "

Xiao Wuxi immediately scolded the strong under his command and said, even arching his hand at Qin Chen and stepping back.

The Ye Family, Jiang Family Patriarch and others all looked at Xiao Wujin in shock. As the Patriarch of the Xiao Family, Xiao Wujin could control the Xiao Family, the strongest ancient clan in the ancient world, and they knew how overbearing and terrifying they were.

Not to mention that Qin Chen is just an earthly respect, even if they are the Patriarchs of the Ye Family and Jiang Family, the powerhouse of the top heavenly respect, this Xiao Wujie will not give such a good face. I can't expect to have such an attitude towards a young man like Qin Chen. kind.

The faces of other strengths present also showed weird colors.

As for the people of the Ji family, their complexion changed, and Xiao Wujin's retreat made things develop into a direct match between their Ji family and Qin Chen. Qin Chen didn't care about Xiao Wuxi's goodwill or ulterior motives. He just looked at the ancestor Ji Tianyao coldly, and said coldly: "Patriarch Ji Tianyao, what is going on? Where are Ruyue and Wuxue? And this Xiao What the owner said

What's going on in the end, if you don't give me an explanation today, your Ji family would never want to be well. "

Qin Chen's murderous intent was already rolling out.

To be honest, before the arrival of the Xiao family, Qin Chen had already felt that something was wrong with the Ji family. The absence of Ru Yue and Wuxue always made him feel weird and felt an uncomfortable feeling in his heart.

That's why he broke into the back of Ji's house, looking for Ruyue and Wuxue's traces.

It's a pity that I didn't find it, so I let go of my doubts and believed the words of the Ji family.

But now, Xiao Wuendi's appearance and Ji Family's performance made him finally understand why the Ji Family had that expression when they heard him looking for Ruyue and Wuxue before. In order to protect the saint of his Ji family, the other party actually dedicated Ruyue to the Xiao family's head as a concubine, and kept hiding from himself, even pretending to deceive himself to participate in the martial arts contest, and Qin Chen's anger in his heart was already like a rolling tide.

Can't contain it anymore.

This Ji family, **** it.

"Vice Hall Master Qin, there is a misunderstanding in this, it is not the case, please calm down, and the old man will explain it to you later." Ji Tianyao hurriedly said.

"Explain, what's there to explain?"

Qin Chen took a step forward. Boom, the murderous intent was already revealed in his body, and he said coldly, "Ancestor Ji Tianyao, Qin needs no explanation. Qin just wants to know where Ruyue and Wuxue are now. ?"

The ancestor Ji Tianyao continued: "These two people did go on a mission. They are not in my Ji's house at the moment. I sent a message to let them come back. However, they still have some time to come back, so I also asked the Vice-Hallmaster Qin to be calm. Don't be irritable." At this time, Xiao Wujin who had not spoken was suddenly surprised: "Doing the task? Hey, strange, the old man said when he heard Ji Nanan's transmission that, as long as the old man is willing, the Ji family can hold Ji Ruyue at any time. The old man's wedding also asked me

When the Xiao family marries Ji Ruyue, they must match certain betrothal gifts, such as the Celestial Vessel, etc.? Then, if Ji Ruyue is not in the Ji family, how could Elder Ji Nanan say such a thing? "

Ji Tianyao was already going crazy with anger, this Xiao endless, making trouble.

"Ancestor Ji Tianyao, said, where is Ruyue?"

boom!

The endless killing intent on Qin Chen could no longer be restrained. In the entire Ji family mansion, billowing murderous intent emerged, swallowing everything like a vast ocean.

This ancestor Ji Tianyao tried to lie to himself over and over again, but when did he still want to lie to himself? Ji Tianqi took a step forward and said in a deep voice: "Vice Palace Master Qin, this is my Ji family, and I can't tolerate you in the wild. Since my Ji family is engaged in martial arts competitions, it must be sincere, and I will give you an answer afterwards, but Now, I also invite Deputy Hall Master Qin Go back first. "

At this moment, Xiao Wujin brought the two masters of the Ye family and the Jiang family. Ji family felt a strong crisis and could no longer care about Qin Chen. Therefore, Ji Tianqi was not polite to Qin Chen, and directly scolded him. Leave.

Now, it's no longer the Ji family's contest to recruit relatives, but the Xiao family's problems with his Ji family, and they must first slash the mess and deal with other things.

"Ji Tianqi, go away." Qin Chen glanced at Ji Tianqi coldly and said sharply. "Looking for death, Qin Chen, the reason why my Ji family is polite to you is because of the face of Tianjiao. Although you are strong, you are only a junior. What if you can hunt Tianzun? My Ji family still has no turn to come. Saye, if you don't get out of the way, stop blaming my Ji family

You're welcome. "

Ji Tianqi was full of cold air. Although Qin Chen killed the Kuang Lei Tianzun, he was still a junior in the eyes of Ji Tianqi and other powerhouses.

Kuanglei Tianzun is strong, as the Sect Master of Thunder God, his strength is extraordinary.

But Ji Tianqi is also a strong late Tianzun, how can he be afraid of Qin Chen.

"Hahaha, you're welcome? Very good!"

Qin Chen's eyes were cold, booming, his figure shook, and suddenly moved, he directly rushed to the side of Ji Xinyi.

"what?"

Everyone in the Ji family was shocked, and even urged the ancient Chaos Formation to suppress Qin Chen. At the same time, Ji Tianyao and Ji Tianqi also started to fly Qin Chen.

It was just at this moment that Xiao Wujin suddenly took a step forward, as if unintentionally, stopping Ji Tianyao.

On the other hand, the master behind Xiao Wujin also moved quickly and stopped Ji Tianqi.

"No!"

Ji Xinyi's expression was frightened, and he shot Qin Chen brazenly, trying to stop him, but in the distance, Ouyang Chen looked surprised and suddenly stood up.

"sit down."

An invisible force suppressed Ouyang Chen fiercely. The Lord of the Void God Temple said indifferently:
"Watch the changes."

Although both Ji Tianyao and Ji Tianqi were stopped, the power of the Ji Family Chaos Ancient Formation was suppressed.

"Honghuang Ancestral Dragon, Blood River Saint Ancestor!"

Qin Chen gave a low voice in his heart.

"Hey, leave it to me and wait."

Honghuang Ancestral Dragon and Blood River Saint Ancestor smiled together, and immediately, Qin Chen's Chaos power was empty, as if disappeared out of thin air.

In the next moment, Qin Chen shattered Ji Xinyi's attack with a palm, and captured Ji Xinyi, who was already panicked, in his hand.

"Ji Tianyao, Ji Tianqi, if you don't tell the location of Ruyue and Wuxue today, then, your descendant of the Ji family, I am afraid that you will have a different head."

Hum! A small golden sword appeared in front of Qin Chen instantly, exuding a killing intent that reached the sky, and lay across Ji Xinyi's neck.

[Chapter 4294: Qin Chen, you are looking for death](#)

"Qin Chen, you are looking for death."

Ji Tianqi and the Ji family powerhouses were all trembling with anger, Qin Chen actually held her beloved daughter Ji Xinyi to threaten them, which made Ji Tianqi's anger uncontrollable.

boom! He took a step forward, and the terrible late stage peak power instantly enveloped Qin Chen, and the powerful murderous intent was like a vast ocean, condensed on Qin Chen, and he shouted angrily:
"Qin Chen, let go and relax, otherwise, even if you are a man of heaven, I have to kill today

I'll let you go out of Ji's house alive. "

"Let go of Ji Xinyi."

The other experts in the Ji family also roared.

"Deputy Hall Master Qin, things have not reached this point yet, please let go, everything is negotiable, don't act recklessly and destroy your own future." Ji Tianyao also changed color and said sharply.

He didn't want to make matters worse. This incident was clearly the punishment of the Xiao family's contest on his Ji family to recruit relatives. He wished his Ji family and Tian's work would face off.

In fact, Ji Tianyao was also angry with Qin Chen, too bold, too presumptuous, and even hijacked his Ji family.

If in other circumstances, Ji Tianyao, as the ancestor of the Ji family, had he ever been so angry? It doesn't matter who you are, what kind of power you are working in, or what kind of force, kill it.

But now, many human forces are there, and the three big families such as the Xiao Family are also watching jokes on the sidelines. Even if Ji Tianyao breaks his teeth, he can only swallow in his stomach.

At this time, you must not use your anger. Once you use your anger, it will be completely over.

Ji Xinyi was restrained by Qin Chen, her face turned pale, and she was very angry. She was firmly pressed in front of her by Qin Chen, struggling violently, and roared: "Qin Chen, you let me go." But no matter how she resisted, Couldn't get rid of Qin Chen's oppression. On the contrary, because of Qin Chen's hijacking of his delicate neck, there was a burst of pain. That graceful body was rubbing against Qin Chen. It was a very ambiguous thing, but Qin

Chen was indifferent.

Qin Chen pinched Ji Xinyi's neck with his left hand, and controlled the golden sword with his right hand. With his mouth close to Ji Xinyi's ear, he exhaled a man's breath and shouted: "Shut up, talk nonsense again, I will kill you."

Hum!

The golden sword qi trembled, and with a puff, the sword qi surged, and on Ji Xinyi's white neck like a swan neck, a blood stain suddenly appeared, and crystal clear blood penetrated. "No!" Ji Xinyi trembled and never dared to move again. The cold murderous intent, Senhan's sword aura was on her body, she could feel the intense murderous intent contained in Qin Chen's body, as if to tear her whole body apart It's normal to drive her

Did not dare to struggle for half a point.

Below Ouyang Chen saw this scene, his face turned pale, and he was about to stand up if he was distressed, but was coldly suppressed by the Void God Hall Master and sat down. Qin Chen's eyes were cold and murderous, his sword aura continued to spit out from Ji Xinyi's neck, and he said coldly: "Patriarch Ji, Patriarch Ji, give you one last chance and tell me where exactly are Ruyue and Wuxue? Both of them. What's going on

, Otherwise, this Ji Xinyi will die, this seat will kill you Ji family one by one until you tell me the truth. "

Madman, what a madman.

Everyone on the scene trembled and stunned as they watched this scene.

This Qin Chen is too mad, how could there be such an arrogant person in this world.

This is the land of the Ji family in the ancient world. In the mansion of the Ji family, the daughter of the head of the Ji family and the saint of the Ji family are held hostage. How can ordinary people do such a thing?

Before, Qin Chen powerfully killed Star God Palace, Dayu Shenshan Tianjiao, and even Kuanglei Tianzun, even though he was shocked and unexpected, but he could still count the past.

Contest and recruit relatives, the arena is arrogant, and there will be nothing if it is passed out. After all, the strong fight, life and death, Star God Palace and Dayu Shenshan, it is not easy to avenge Qin Chen without reason. thing.

But now?

What kind of lunatic can do such a thing when the Ji family is held hostage by the ancient Ji family?

Even if this Qin Chen was a man who worked in Heaven, he would not escape death in the end. If the Ji family killed Qin Chen here, there would be nothing to say about Work in Heaven, and Tian Zun Shen Gong could not help him.

Ji Tianyao was furious, and sternly shouted at Shen Gong Tianzun in the stands: "Shen Gong Tianzun, please let your Tian Zuo disciple stop."

He did not continue to discourage Qin Chen, because in his opinion, Qin Chen is a lunatic, and now the only person on the court who can stop Qin Chen is Shen Gong Tianzun.

Sure enough, as soon as he said this, everyone on the court looked at Shen Gong Tianzun.

Xiao Wujin frowned, and if Shen Gong Tianzun spoke, it would not be a good thing for the Xiao family, and his Xiao family still wished that Qin Chen's disturbance would get worse. Under the gaze of everyone, Shen Gong Tianzun sneered at the corner of his mouth, and said with a chuckle: "Stop? Why do my Tianzhu disciples stop? Not to mention that Ji Ruyue is Qin Chen's wife, so are Ji Ruyue and Ji Wuxue. My working elder, Qin Chen

As the deputy hall master of my day job, and the elder of my day job, Ji Tianyao, tell me why do you want to stop? "

The expressions of everyone in the audience changed drastically.

day!

Shen Gong Tianzun, is this going to be on the bar with Ji Jia?

Then Qin Chen is crazy, is Shen Gong Tianzun also crazy? As the master of Tiangong, he didn't know how much controversy he said this would bring to Tiangong, and how much trouble it would cause himself?

Ji Tianyao said angrily: "Shen Gong Tianzun, is your daily work preparing to be an enemy of my Ji family?"

Rumble!

The Ji family mansion shook, the ancient chaos array filled, and a strong murderous aura came out wantonly.

Ji Tianyao was really angry. It was enough for the Xiao family not to put his Ji family in his eyes, but he didn't even put his Ji family in his eyes at work this day?

"For the enemy?"

Shen Gong Tianzun smiled, his eyes narrowed.

For some reason, at this moment, everyone felt cold all over, as if being stared at by some wild ancient behemoth. Seeing the corner of Shen Gong Tianzun's mouth sneered, he sneered: "Just the Ji family, what qualifications do I have to be the enemy of my daily work? Now that the old ancestor Ji asked, then this seat will show that the attitude is good, Ji Wuxue and Ji Ruyue It's my daily work elder, Ji Jiajin

If I don't give these two people back to my work day, what can I do today? "

boom!

As soon as this statement came out, the audience was a sensation.

Crazy, everyone who works this day is crazy.

Many people were stunned.

What did this divine worker Tianzun eat before coming to the ancient world? With such a big sigh, stepping down on Ji's house, can he say this too?

The ancient Ji family is one of the four major families in the ancient world. Although the reputation is not as good as the heavenly work, the strength alone is not under the heavenly work. What's more, Shen Gong Tianzun and they are now in the Ji family land? Are you not afraid to annoy the Ji family, can you not leave the ancient world alive?

[Chapter 4295: Trouble now](#)

Sure enough, everyone in the Ji family went crazy after hearing this.

It's crazy to work this day.

No wonder this Qin Chen is so crazy.

The ancestor Ji Tianyao trembled all over, his complexion was pale, murderous and wanton.

He was angry and furious. For a long time, I can be regarded as giving enough face to Tianzuo. Although Tianzun Shengong has a high status in the human race, his Ji family is not vegetarian, not to mention that Ji Tianyao himself is not weaker than Tianzuo Shen, and he is even more present. The many gods of the Ji family

The strong.

In his Ji family ancestral land, as long as he is willing, he can completely kill the gods and gods, so where did the gods and gods have the confidence to say such things? Ji Tianyao roared in a cold voice: "Shen Gong Tianzun, I don't care why you say these things today. I have the right to let Qin Chen relax immediately. My Ji family will not be held accountable for the unity of the human race. Otherwise, I will stop. Blame me Ji Tianyao

Lost face? If you kill this Qin Chen by then, you can't say anything..."

Before he finished speaking, he was interrupted by Qin Chen's scolding.

"Old Ji Tianyao, don't force it. I count to three. If you don't hand over Wuxue and Ruyue, I will kill Ji Xinyi first."

Qin Chen's eyes and pupils bloomed murderously, urging the sword aura, and suddenly, the sword aura pierced Ji Xinyi's delicate skin.

"what!"

Ji Xinyi screamed, blood seeped out, and looked terrified, and roared: "Ancestor, save me, father, save me!"

"stop!"

Ji Tianqi yelled again and again, furiously and furiously.

"Qin Chen, let go of the little girl, or I will smash you into ten thousand pieces." Ji Tianqi roared.

"One!"

"two!"

Qin Chen ignored Ji Tianqi and the angry gazes of everyone in the Ji family, just counting coldly, killing intent surging.

Qin Chen claimed that he was not a bad person, but he was definitely not the kind of bad guy. If others didn't provoke him, he could say anything, but if he dared to touch the hair of the people around him, he would kill his family.

I care about you Ji family, Xiao family.

On the court, everyone breathed in and held their breath one by one.

Crazy, absolutely mad.

Many forces have put a label on Qin Chen and Shengong Tianzun, and they must not provoke them.

This kind of person, in the Ji family land, dare to hold the Ji family saint, threaten the Ji family ancestors and many powerful people, how can they not do anything?

Among the crowd, only the Master of the Star God Palace and the Lord of Dayu Mountain had ferocious eyes.

Kill, fight, if the people of the Ji family kill that Qin Chen, then that would be applauded, the best, even the god-worker Tianzun will kill with him.

As for the people of the Xiao family, they smiled at the corners of their mouths, watched a good show, didn't say a word, hum, want to gain more voice under the control of his Xiao family, is there such a good thing?

On the side, Ye Family and Jiang Family saw the sneer at the corner of Xiao Wujin's mouth, and their hearts were chilling.

Ji Tianqi roared, but did not dare to come forward easily.

"three!"

Finally, Qin Chen said with a cold look.

"It seems that your Ji family doesn't care about Ji Xinyi's life or death, since that's the case..."

Qin Chen urged Jian Guang: "Then die for me!"

boom!

The Jianguang riot will be cut down.

"I said, I said, I know where Ji Ruyue and Ji Wuxue are!"

Suddenly a horrified shout sounded, it was Ji Xinyi, shaking her mouth, her eyes desperate.

"Prison Mountain, Ji Ruyue and Ji Wuxue are now in the Prison Mountain Forbidden Land behind my Ji family. They violated the Ji family rules and are currently being punished in Ji Family Prison Mountain." Ji Xinyi said in horror.

She is still young and she does not want to die.

"Prison Mountain?"

Qin Chen's eyes condensed, and he suddenly remembered where he felt the terrifying dark flame aura before.

Is it there?

In the cold flames, Qin Chen did faintly feel the power of the avenue, but he couldn't see clearly. Could it be that it was Ruyue and Wuxue?

At this moment, Qin Chen's heart was full of regret. He had known that he should go directly to that strange place to take a look, maybe he would have found Ruyue and Wuxue.

"Heart Yi."

Ji Tianyao yelled angrily, feeling cold, and when it's over, it's troublesome now. Sure enough, when he heard that Ji Ruyue was in Prison Mountain, Xiao Wujin's eyes flashed, and he suddenly said in a cold voice: "Ancestor Ji Tianyao, what do you mean? That Ji Ruyue is a concubine dedicated to the old man, and Hell Mountain is your Ji A forbidden place for the family to punish those who have made a big mistake,

Once locked in the prison mountain, you will suffer the terrible flames in the prison mountain, and you will suffer endless suffering day and night, and you can't even control your life and death. This is the cruelest torture in the world. Hello, Ji family Bold. "

"what?"

Qin Chen originally thought that the prison mountain was a special place for prisoners, but now he knew that in the prison mountain, he had to endure the terrible pain of burning the soul.

Qin Chen felt the yin-fire aura before. Such a terrible yin-fire, even his soul may not be able to easily bear it, and what pain would Ruyue and Wuxue endure inside?

"Say, why are Ruyue and Wuxue imprisoned in Prison Mountain? Why do your Ji family treat them this way."

Qin Chen was angry and murderous. The terrifying sword aura slashed on Ji Xinyi's body, immediately tearing the bloodstain of his debut, and the sword aura contained terrifying soul power, which tortured Ji Xinyi's soul.

He was angry.

When he learned that the Ji family had taken Ruyue and Wuxue away, he didn't think much about it, because the ancients did not allow their disciples to walk in the universe.

Unexpectedly, after being brought back, Ruyue and Wuxue were imprisoned in such a painful prison mountain, which made Qin Chen not angry. Ji Xinyi was full of blood, and his soul seemed to have been strangled by billions of swords. He roared in agony: "They are not willing to marry the Xiao family. The Xiao family wants my Ji family to pay tribute to the saint, so the ancestors deprived them. As my saint,

Let Ji Ruyue inherit, but Ji Ruyue refused. She said she had a husband. Ji Wuxue also resisted. Finally, she was suppressed by her ancestors and imprisoned and entered the prison mountain. It was none of my business, ancestor, father, forgive me. "

Ji Xinyi shouted in pain.

"Karitsuki!"

Qin Chen's heart was full of pain.

He could imagine the scene of that scene at the time. In order to improperly be a saint, Ruyue would definitely rebel against the Ji family. With Ruyue and Wuxue's character, he was suppressed by many powerful Ji family, lonely and helpless. How painful was the heart back then?

Qin Chen felt pain in his heart when he thought of it.

Sorry, Kisaragi.

I am late, today, I must rescue you.

"Go, let's go to Hell Mountain now."

Qin Chen carried Ji Xinyi, his figure shook, the power of the space surged, and instantly stepped into the void and swept to the back of Ji's house.

"Stop him!"

Ji Tianyao shouted angrily.

"Swish swish!"

A famous Ji family expert, instantly rose into the sky.

"Go away!" Qin Chen roared, Wan Jianhe burst out instantly on his body, booming, at this moment, Qin Chen did not hesitate or pause, the power of Wan Jianhe instantly urged to the maximum, all kinds of sword auras ran into the void.

[Chapter 4296: Big face](#)

Suddenly, the billowing golden sword river swept out, and the sword aura surged like a vast ocean, instantly swept towards the group of Ji family masters in front of him.

"Bold."

"court death!"

Many masters in the Ji family roared, one by one, they made a strong move, one after another to stop them.

"The origin of time!"

Qin Chen did not dodge or avoid, directly urging the origin of time.

Hum!

The void paused, and the eternal silence.

"Not good!" Patriarch Ji Tianqi roared, his heart sank, and many Tianzun powerhouses looked frightened and stopped them.

Qin Chen's move can kill even Kuang Lei Tianzun, how can the ordinary people of their Ji family resist?

"Be careful."

The ancestor Ji Tianyao was also furious and roared, killing him instantly, slapped towards Qin Chen with his palm.

However, it was too late.

Boom!

The golden sword river surged and blasted forward instantly.

Under the urging of the source of time, the void stagnated, and many masters of the Ji family were thrown out one by one in the golden sword aura of Wan Jianhe, vomiting blood on the spot.

There were two masters of the earthly masters with weaker cultivation base, and they were directly strangled into pieces under the power of Wanjianhe.

Puff puff!

There were a total of four or five masters of the earthly masters, who were seriously injured and retreated. Two earthly masters directly exploded their bodies, buzzing, and the two soul lights directly rose up into the sky.

This is the soul will of the two masters of the earth, wanting to escape.

Wow!

But Qin Chen's sword aura continued to swept across the ocean like a sea.

"Get away!" Ji Tianqi roared, and finally arrived in time. With a bang, a giant hammer suddenly appeared in his hand, slammed, the giant hammer blasted out, and the atmosphere of chaos was permeated. The

billions of sword aura between the heavens and the earth, in Ji Tianqi's bombardment The next moment was exploded, crackling

In the sound, countless sword qi shattered directly.

Ji Tianqi made a move and directly collected the soul will of the two earthly superiors to prevent them from being beheaded.

However, seizing this opportunity, Qin Chen flickered, did not continue to love the battle, and flew quickly towards the depths of the Ji family mansion.

"Damn it, stop him." Ji Tianyao was furious and rumbling. He reached out with his big hands, like a canopy covering the sky and the sun. He grabbed the camera, and the atmosphere of chaos was filled. The Ji Family Chaos Ancient Array present also burst out one after another. Hongguang, to block Qin Chen in this Fangtian

Ground.

He was angry, completely angry.

Qin Chen hijacked his Ji family powerhouse, and even beheaded his Ji family master. If he didn't take action, how would his Ji family gain a foothold in the universe and survive in the ancient world.

How powerful is Ji Tianyao as a peak heavenly powerhouse and ancestor of the Ji family?

Within a single grasp, the heavens and the earth changed color, the eternal chaos, and the entire Ji family's land, there was a surging chaotic aura. These chaotic auras carried a suffocating aura, and the many human powers in the presence of the Tianzun strong, all changed color.

So strong.

too strong!

Ji Tianyao, the ancestor of the Ji family, had never made a move before, but when he made a move, the aura that broke out caused them to change the color of these powerful heavenly masters, and their souls were palpating, as if they were about to fall under the opponent's grasp.

The ancestor of the Ji family is as strong as ever.

Qin Chen is going to be unlucky.

Many people glanced up and looked up.

Although Qin Chen's strength was strong, it was still far from the aura that Ji Tianyao showed today. This blow, combined with the ancient chaos formations of the Ji family ground, is afraid that even the strong Tianzun will fall. .

Seeing Ji Tianyao's attack was about to fall.

suddenly.

"Ji Tianyao, you can kill my disciple from work day?"

boom!

The endless aura boiled, and a figure suddenly appeared in front of Ji Tianyao. This figure, towering like a god, appeared with six arms, and with one blow, Ji Tianyao's attack was intercepted and shattered to pieces.

It is the God of God.

No one knows when Shengong Tianzun made the move, but as soon as he made the move, he revealed the top power of the pinnacle Tianzun, and in one move, he smashed Ji Tianyao's attack.

"Shen Gong Tianzun, you are looking for death."

Ji Tianyao roared, his heart furious, but with the help of Heavenly Master, he couldn't hurt Qin Chen at all. He could only urge his Ji family's ancient chaos array to suppress Qin Chen, trying to kill Qin Chen on the spot.

Ancient Chaos Array? Qin Chen sneered. This Chaos Power is extremely terrifying to the other top human forces, and its suppressing power is extremely strong, but for Qin Chen, who has the origin of Chaos, absorbs a large amount of Chaos Power, and the Chaos World has the ancestors and dragons.
Blood river

As far as Saint Ancestor's two great chaotic creatures are concerned, they are nothing at all.

"Chaos, escape!"

Qin Chen quietly moved the origin of the chaos. The chaotic aura from this ancient chaotic array could not hurt him at all. The shield aura that escaped occasionally was instantly swallowed by the Primordial Ancestral Dragon and the Holy Ancestor of the Blood River.

"go!"

Qin Chen urged the rules of space, and immediately, the endless void seemed to have disappeared out of thin air. Qin Chen's figure shook and disappeared directly into the hall of Ji family martial arts competition.

"This is... space shift."

Many people are discolored and space shifted, which represents an extremely terrifying perception of the rules of space, and they may not be able to do so if they are stronger than some of the strongest. What's more, here is the Ji family land, with ancient chaos arrays everywhere, and the void of the ancient world is filled with chaotic cracks everywhere, if you move to a dangerous place or chaotic crack in a big array, it must be The end of the head in a different place

.

Who is moving here is undoubtedly holding his head in his hands, but Qin Chen can not only move, but also move toward the depths of the Ji family, which makes many people change color. Is this kid looking for death?

At this moment, there was already chaos in the entire hall.

Qin Chen led Ji Xinyi in a sprint, then Ji Tianqi led the Ji family master to intercept, then Qin Chen shot, and directly released the ultimate move, until Ji Tianyao shot Qin Chen, and then was blocked by Shen Gong Tianzun.

The whole process is long, but in fact it is only a moment.

And at this moment, many of the Ji family's elders were injured, and even the bodies of two of the elders were bombed, and their souls were almost annihilated, which was extremely miserable. If it weren't for Ji Tianqi's action, I'm afraid that a few strong Ji family would die here. Now, although none of the Ji family has fallen, the two earthly elders were physically destroyed and their souls severely wounded. I don't know how much time it would take to repair them. , Consumption

How much resources are spent.

Face slap.

Big face slap!

At this moment, an endless anger rose from Ji Tianyao's heart.

Shame, an unprecedented shame.

In front of the many top forces of the human race, many Tianzun powerhouses and Tianjiao, their Ji family faced the attack of a junior of Tian Jiao. Instead of beheading the opponent, they let the opponent escape. The Ji family also lost two elders. When such news spreads, his ancient Ji family is afraid that he will lose face, and will become a laughing stock of the human race and even the ten thousand races.

[Chapter 4297: Why bother](#)

"All the members of the Ji family listened to the order and intercepted Qin Chen. If you see it, kill him."

The ancestor Ji Tianyao roared, his body was filled with chaos, and his murderous intent surged, and he could no longer care about working well with Tian.

He must kill Qin Chen to boost the morale of his Ji family.

"Yes, ancestor."

As soon as Ji Tianyao's voice fell, in the hall, a series of angry roars sounded, Ji Tianqi, Ji Nanan and other Tianzun powerhouses, shouted together, murderously soaring, and turned into billowing essence and wolf smoke, which lasted for a long time.

boom!

Countless murderous surgings turned into a rolling wave in the sky.

"hiss!"

The hearts of many powerful human race forces were shocked, and everyone could see that the Ji family was completely angry, and the battle was imminent.

Boom boom boom!

I saw in the Ji family, a master of Heavenly Sovereign ascends, each exuding a terrible aura, and the leader is Ji Tianqi, the Patriarch of the Ji family, murderous and ferocious like a murderous god.

He was the most angry one. His daughter Ji Xinyi was held and taken away by Qin Chen. Her murderous aura was the most fierce, and her anger was concentrated. In a flash, she was going to the depths of the Ji family to kill Qin Chen.

Behind him, a full four of the five Jijia Tianzun, all rose up into the sky, followed closely behind, threatening.

This changed the color of many ordinary Tianzun forces. The Ji family, worthy of the top Tianzun forces, easily mobilized at least five or six Tianzun forces, and replaced them with forces such as Tongtian City and Thunder God Sect.

It's just that these heavenly masters just moved, and a figure has appeared in front of them without knowing when.

It is the God of God.

Shen Gong Tianzun holds the six top-level heavenly treasures, stands proudly in the void, outlines a smile at the corner of his mouth, and chuckles: "Everyone, why should you be so anxious, it is better for everyone to stop and have a peaceful conversation."

Words fall.

boom!

Shengong Tianzun shot, the terrifying peak Tianzun's power instantly suppressed, how powerful is the explosion of the six top Tianzun Supreme treasures? Facing five or six Ji family Tianzun, Shen Gong Tianzun did not fear at all, and directly shot and swept the attack.

Rumble!

Ji Tianqi and the others only felt an irresistible and terrible force pouring out, their complexions changed drastically, and a terrible sense of crisis rose in their hearts, and they hurriedly resisted.

Cang Dang!

He heard a deafening roar, and everyone felt that their eardrums were about to be shattered, and they backed back, urging the power of the venerable to resist. Then everyone was shocked to see how the six powerful Ji family, who were still murderous before, rushed up, how they were blown off, and all of them retreated wildly, their faces turned pale, and there were two of them. Tianzun with a lower cultivation base is even more wow

He spit out a mouthful of blood, his face was pale and his breath was empty.

With one blow, the six great heavenly veterans were directly blasted off, including the late heavenly venerable powerhouses like Ji Tianqi.

Let everyone present horrified.

However, there was also a hint of ecstasy in the depths of their eyes.

It is the Lord of the Star God Palace and the Lord of Dayu Mountain.

The two of them were so humiliated by Qin Chen and Shen Gong Tianzun, they wished that Shen Gong Tianzun and Ji family would fight and die here.

When Ji Tianyao saw that Shengong Tianzun actually took action against his Ji family Tianzun, there was anger flashing in the depths of his eyes, and he couldn't hold back anymore, and his expression roared: "God work Tianzun, you must be an enemy of Ji family. "Hehe." Shen Gong Tianzun chuckled, and said with a gentle smile: "Old ancestor Ji, what are you talking about? I have said before, your Ji family is not qualified to be an enemy of my heavenly work. As for the reason why I shot, I just don't want your Ji family to fall

It's deeper and the wrong one is even more outrageous. This seat is also for your Ji family's good. "

Many powerful people in the Ji family suddenly vomited blood.

What kind of **** logic, this god-worker Tianzun shot his Ji family and condoned the murderer of his Ji family, it was for his Ji family's benefit?

ridiculous. Ji Tianyao was very angry, and shouted: "Tiangong Tianzun, you are looking for death by yourself. Your deputy hall master of Tiangong did evil in my Ji family, killing my strong Ji family, and you, as the master of Tiangong, not only did not stop. But let you work all day

Acting against my Ji family is already a war against my ancient Ji family. Although my Ji family is hidden from the world, it is not to be bullied. Kill! "

When the voice fell, Ji Tianyao stepped forward, and in his body, the strength of the rolling ancient clan bloomed.

It seemed that a wild and wild beast awoke in Ji Tianyao's body, and slashed away at Shen Gong Tianzun.

"kill!"

"kill!"

At the same time, many Ji family powerhouses also yelled together, with the shots of Ji Tianyao's ancestors, they rose up into the sky, murderous.

In their bodies, the billowing atmosphere of the ancient race permeated, pouring like a vast ocean, and instantly merged with the power of the chaotic ancient race released by Ji Tianyao.

Rumble!

The world shook, and the entire Ji family was roaring, trembling, and blasting towards Shen Gong Tianzun.

How terrible is the power that burst out of the Ji family's many powerful people? Indescribable, obviously, Ji Tianyao and other Ji family powerhouses were completely furious, and they wanted to kill Shen Gong Tianzun.

As for the identity of the master of Tianzun Tiangong's Palace of Divine Workers, they have completely abandoned them. Tiangong was so wild in his Ji family and killed it. The Human Race Council asked him, and his Ji family also had sufficient reasons to argue.

Everyone saw that between the heaven and the earth, hundreds of millions of chaotic ancient auras were rising, blasting towards the heavenly master of God.

"No, Godgong Tianzun is afraid it will be dangerous."

At this moment, everyone on the court palpitated and was shocked.

reckless.

Too reckless!

Although Shengong Tianzun is strong, it is only the pinnacle Tianzun. Now in the Ji clan, he should act low-key. Now he has angered the Ji family. Many powerful people have joined forces. , And even fall.

Alas, for the sake of two elders and a deputy hall master, why bother?

When everyone sighed, Shen Gong Tianzun smiled when faced with the attacks of many powerful people in the Ji family.

"Good to come."

Shengong Tianzun chuckled, and the six top Tianzun treasures all fell in his hands.

Knives, guns, swords, halberds and clubs broke out simultaneously.

Boom!

The aura of the mighty Tianzun treasure was violent, and you heard a roar that shattered the world. Ji Tianyao led many Ji family powerhouses in a joint blow, and was stopped by Shen Gong Tianzun alone.

boom!

Around, roaring, the hall rumbled and roared, and the whole hall instantly turned into powder.

Many of the top Human Race powers brought their subordinates, backed together, their faces were horrified, and they looked up at the sky.

That divine work Tianzun, like the same god, with one person's strength, resisted all the strong in the Ji family.

what?

Many strong men sucked in air-conditioning, their faces shocked. Shen Gong Tian Zun, too strong, even one person resisted the attacks of all the strong in the Ji family, how could this be?

[Chapter 4298: Ancient power](#)

At this moment, everyone was shocked and stunned. There was only one thought in their minds, that is, the God of God, so strong!

And how could it be so strong?

It should be noted that Shengong Tianzun is a good peak Tianzun strong, but Ji family, just the ancestor of Ji Tianyao, is also the peak Tianzun strong, the top figure in Tianzun, and it is reasonable to be no weaker than Shengong Tianzun.

In addition, the Ji family so many Tianzun teamed up, not to mention the one-shot killing the Divine Worker Tianzun, at least it would hurt the opponent, or even severely wound the opponent.

But the result.

Shocking!

how is this possible?

Ji Tianyao fell on the ground, also furious, roaring, unbelievable, his eyes shocked.

So many powerful people in their Ji family have joined forces, and they can't take the gods of heaven alone. What are you kidding?

However, in the current situation, how could the Ji family back down. Once backed down, they would be despised by the many forces present, and even become a laughing stock.

"Ji Jia Erlang, start a joint battle and kill the enemy with me."

Ji Tianyao roared and began to fight.

Rumbling.

In his body, the billowing chaos aura permeated. At this moment, several Ji Family Heavenly Venerable Powerhouses quickly gathered around to form a simple and simple array surrounding Ji Tianyao's side.

The chaotic auras rose from the bodies of several heavenly veterans, and these chaotic auras surged and flowed, turned into a whirlpool, and merged into Ji Tianyao's body.

"kill!"

Ji Tianyao roared and shot again.

Hum! Under the gaze of all eyes, everyone felt a colorful breath rising from Ji Tianyao, with the power of chaos, Qiang Qiang, Qiang Qiang, in the power of Chaos, it seemed that there was a sword light flashing, and the sword aura had not yet swept through. Has made everyone present

The skin of the powerful person was erected, as if it had been cut by a blade.

"What kind of power is this?"

Many people changed color and gave out shocked sounds.

Aside, Xiao Wujin's eyes narrowed, and Patriarch Ye and Patriarch Jiang also shrank their pupils.

This is the strength of the ancient Ji family.

As the ancient clan, they naturally know that the reason why their four big families can become the top clan of the ancient world is because of inheritance and blood.

Their four great families all inherited a top-level chaotic bloodline from the ancient times, so they can become the four great ancient families that will not fall for hundreds of millions of years.

Now, Ji Tianyao has begun to mobilize his ancient power.

kill!

Ji Tianyao roared, fused with the power of the top ancient clan, and slashed at the divine worker Tianzun. This breath was too special, as if it could penetrate everything and was unparalleled.

For an instant, the world seemed to be cut off.

Under the terrible Chaos Sword anger, Ji Tianyao roared, "Shen Gong Tianzun, this is what you forced me."

Boom!

Billowing chaotic aura, annihilating everything. With this blow, everyone on the scene changed their colors, and many strong people regressed, including the strong people like the Void God Hall Master. They were also shocked. This Ji family can become one of the four ancient tribes, and the strength is really extraordinary. The breath coming out is too terrifying

.

In this Ji family land, he, who is also the pinnacle of heavenly power, is afraid that he would not dare to be light-hearted.

Ugh!

At this moment, the master of the Void God Hall and other powerhouses shook their heads. Shen Gong Tianzun was too reckless. The two disciples who worked for Tian worked with the Ji family.

After all, this is the Ji family land, the base camp of the Ji family, no matter how strong you are, how can you be the opponent of the Ji family?

While sighing, the terrifying aura released by the ancestors of the Ji family has already come to the God of God.

Shen Gong Tianzun chuckled, and between his brows, there was a faint smile: "Is the strength of the ancient Ji family?"

He has always heard that the ancient clan is extraordinary and inherits the ancient chaotic bloodline, but he has never seen it before. Today, he is fortunate to have seen it.

With a chuckle, Shengong Tianzun urged the six top-level Tianzun treasures to merge together and lightly bang.

boom!

Eternal boiling.

The void on this side burst directly, and there was a roar from the entire ancient world, as if the sky had collapsed.

The aura formed by the explosion swept away, blasting the many Heavenly Venerable Powers on the court far away, and hurriedly displayed the power of the Heavenly Venerable to protect the Heavenly Pride under his command.

But even so, there was still a strong Tianzun who was injured, the blood surging in his body, almost spurted out a mouthful of blood, his complexion turned pale.

They looked up at the sky in amazement. It was terrible and terrible. It was just the aftermath of the attack by the ancestor Ji Tianyao, which shocked and injured them from a distance, as if they were strangled by billions of swords.

So what kind of scene will God Worker Tianzun who is at the core of the attack, is it severely injured directly, or is it broken on the spot?

However, when they raised their heads, on the field, countless strong men's faces changed.

what?

Above the sky of the Ji family mansion, the endless terrible impact dissipated, and the god-worker Tianzun held the six top heavenly treasures, standing proudly in the sky, and once again resisted it.

How is this possible?

Many people are going crazy.

Even Xiao Wuquan, the head of the Xiao family, changed color and sucked in air-conditioning.

This divine work **** is evil. With the power of the ancient family of the Ji family released, it is afraid that he, the Patriarch of the Xiao family, has to be careful and dare not easily stop it. In his opinion, although Tianzuo's divine worker Tianzun is strong, even relying on many treasures can Resist, be afraid of injury, even

Seriously injured.

But in the end, everyone's eyes were shocked.

Among the crowd, the Star God Palace Lord and Dayu Mountain Lord also looked at each other, their eyes solemn.

This god-worker Tianzun is simply terrifying.

They are also shocked.

At this moment.

When Shen Gong Tianzun blocked the Ji family master in the sky above the Ji family hall.

The depths of Ji's mansion.

Qin Chen's figure rushed, flying all the way, penetrating layers of void.

He could feel the roars coming from behind, and vaguely heard the roars of Ji Tianyao's ancestors, knowing that it was the master of the heavenly masters who had made the move.

However, Qin Chen didn't have the slightest thought of worrying about Shen Gong Tianzun in his heart.

Others didn't know, but Qin Chen knew very well about the strength of God-worked Tianzun, and he had quietly broken through to the realm of supreme. Even the Xuguzhi of the space ancient beast clan was overshadowed by God-worked Tianzun. To the extermination.

No matter how strong this Ji family is, can there be room for the ancient beasts to be strong?

The space ancient beasts are among the top 100 races in the universe's ten thousand races list, and the Ji family is just one of the top celestial powers among the human races.

Unless the four ancient tribes join forces, or the ancestor of the ancient leader-level family of the ancient world, Master Tianzun might still have some trouble. As for the others, Qin Chen will not worry about him.

The Ji family should be worried about this old yin ratio.

Whoosh whoosh!

Carrying Ji Xinyi, Qin Chen flew like a moon and Wuxue with worries in his heart, flying frantically in this Ji family land, and hurried to the prison mountain. "Qin Chen, slow down your speed. This is the mansion of my ancient family Ji's family. There are countless large chaos arrays in our mansion. If one is accidentally wrapped in chaotic cracks, then we are done."

[Chapter 4299: Where the Hell Mountain is](#)

Seeing Qin Chen anxiously, frantically urging the space rules to move and fly towards the prison mountain, Ji Xinyi was shocked and frightened, reminding him cowardly, and his entire body stood up.

Madman, really a madman, isn't this guy afraid of dying in this chaotic crack?

"Shut up, you just need to show me the way, it's not your turn to interrupt here."

Snapped!

Qin Chen shook his hand and gave Ji Xinyi a slap. Suddenly, her cheek was swollen and her mouth was bleeding.

Ji Xinyi was filled with shame and anger, tears streaming down, but she did not dare to say a word, but looked at Qin Chen with incomparable resentment, wishing to smash Qin Chen's body into pieces.

She, the sage of the Ji Family, the daughter of the Patriarch, has ever suffered such suffering and suffered such humiliation.

However, nowadays, she is a knife, and she is a fish, she can only bear it.

She just screamed crazily in her heart, if she waited for her chance to get out of trouble, she would definitely have to cramp Qin Chen's skin, frustrate her bones, and smash her body into pieces.

Although Qin Chen was reckless, he was not an idiot. He also knew that the Ji family was very dangerous in the depths. Therefore, when he moved, the Haotian Divine Armor was already moved by him and covered his body.

Although Ji Family Chaos Ancient Array seldom caused him any harm, Qin Chen had always been vigilant and would naturally not take risks.

If Ru Yue and Wuxue are not rescued, how can he be in danger?

He glanced at his own Ji Xinyi with bitter eyes, sneered in his heart, Ji Xinyi, who is still pretending to be a good person, is ridiculous.

Although this Ji Xinyi is a woman, Qin Chen doesn't treat her as a woman at all. Generally, a woman who is pure and extremely beautiful like Ji Xinyi can pretend to be so pitiful that ordinary people can't resist it. But Qin Chen was unmoved, because he had long since learned from Ji Xinyi's performance in the martial arts contest, and even encouraged Ouyang Chen to stand for her, even knowing that Ouyang Chen is not his opponent, he even asked Ouyang Chen to die for her. See, this

Ji Xinyi is not a good thing at all.

The reason why he still keeps Ji Xinyi now is only because he still needs Ji Xinyi to show the way. If Ji Xinyi doesn't know whether to live or die, and has to die, then Qin Chen doesn't mind fulfilling her.

suddenly.

Snapped!

A chaotic crack appeared in the void and instantly smashed on Qin Chen's shoulder.

boom!

Qin Chen's whole body was suddenly blown out, but Qin Chen quickly recovered from flying, without looking back, leaving instantly, there was no injury on his body, and Ji Xinyi, who was carried by Qin Chen, was all over his hair. Han, dumbfounded.

She couldn't understand the horror of the chaotic cracks in the ancient realm. Even the strong Tianzun would be seriously injured when he was bombed. Qin Chen was unscathed. This made Ji Xinyi's fear impossible to restrain.

What kind of monster is this guy?

Immediately afterwards, Qin Chen continued to fly wildly.

Occasionally a few terrifying chaotic cracks hit Qin Chen, most of which were resisted by Qin Chen Haotian Divine Armor, and some were absorbed by the Primordial Ancestor Dragon and Blood River Saint Ancestor, and could not cause Qin Chen at all. .

Qin Chen was not afraid of the chaotic cracks that were enough to make Tianzun a headache, and even severely wounded.

With such crazy movement and flying, Qin Chen passed the back of the Ji family mansion all the way, and with only a half-pillar of fragrant work, he had already arrived at the Ji family prison mountain.

In front of him was a somewhat desolate mountain. As soon as Qin Chen approached, he felt a cold breath surrounding him, causing Qin Chen to feel cold.

"The Jijia Prison Mountain is located, stop."

At this moment, two icy voices sounded, and two strong men exuding the aura of peak earthly respect quickly appeared and stopped in front of Qin Chen.

They are the elders of the Ji family guarding the prison mountain.

Prison Mountain is the forbidden area of the Ji family, used to punish sinners, so the guards at the gates of this place are only two top-ranking strong men, and they are almost not valued in the Ji family.

Here, no one will come once in a century or a thousand years, but no matter what, no one is allowed to enter the prison mountain without the Patriarch or the ancestor's edict, even if it is not possible outside, the two naturally have to be loyal to their duties.

What's more, the visitor was an outsider they had never seen before.

"Where are Ji Ruyue and Ji Wuxue?" Qin Chen asked murderously with cold eyes.

"Saint Ji Xinyi?"

The two elders did not pay attention to Qin Chen's words at all. Instead, their eyes fell instantly on Ji Xinyi, who was extremely embarrassed, and even caused some damage to Ji Xinyi's clothes during Qin Chen's flying, exposing large white and greasy skin. Content.

Although Ji Xinyi was no longer a saint not long ago, after all, they have been saints for thousands of years. The two of them have been guarding here for many years, and they have become used to calling for a while.

It's just that they couldn't believe that Ji Xinyi, who used to be the first beauty in the family, would be so embarrassed at this moment, with high cheeks, swollen and improperly swollen, and even the corners of his mouth were still overflowing with blood.

"Who are you? Let go of Ji Xinyi."

锵锵!

This pinnacle earthly respected powerhouse immediately activated his weapon and looked at Qin Chen murderously.

"I'll ask again, where are Ji Ruyue and Ji Wuxue? Are they in this prison mountain?" Qin Chenhan said.

The two pinnacles still did not answer, but the terrifying breath of the earth swelled on their bodies, and they sternly shouted: "Quickly let go of the saint Ji Xinyi, and there is no **** you are looking for here, there are some in the prison mountain. , It's just the sinner of the Ji family, should kill a thousand

The guy with the knife. "

The two men yelled while secretly surprised. What happened, what happened in the family? Before, they also felt the slight fluctuations from the family hall, but they also heard that today seems to be the day of family contests and recruiting relatives, and many top human forces have to live it.

Come.

So I didn't take it to heart.

But I didn't expect to see this young man who had never seen Ji Xinyi, the daughter of the Patriarch, come to the Prison Mountain. If he wanted to reach the Prison Mountain, he had to pass the family mansion. How did this guy break through?

"You two guys are looking for death!"

Qin Chen's heart was cold, these two guys dared to call Ruyue so, the killing intent in Qin Chen's heart erupted like a volcano in an instant.

Did not get the answer he wanted, Qin Chen didn't have the mind to talk with these two elders. Boom, Qin Chen directly raised his hand, Wan Jianhe urged, a terrifying golden sword river roared out, and instantly swept towards these two elders. Named the pinnacle to respect the strong.

"Not good." These two peak-earth veterans instantly felt an endless and terrifying sword intent eroding. Under this sword intent, the two felt like sailboats on the sea, and they could be broken into pieces at any time. , Suddenly his eyes appeared in horror, crazily trying to resist.

[Chapter 4300: Ji Family Old Man](#)

Boom! But it was useless. The mighty golden river of swords enveloped the two of them, and they swallowed them in an instant. Kakaka, the sound of sword aura sweeping sounded, these two apex masters even screamed. What didn't come out, instantly turned into

Hui Fei, even the soul was strangled into nothingness and turned into Hui Fei.

"Huh, I'm looking for death by myself."

Qin Chen snorted coldly, while Ji Xinyi he was carrying was terrified, with horror in his eyes. This guy is just a devil.

Qin Chen had no expression on his face and was just a mere respect. It didn't matter if he didn't show the way for himself. He obediently stepped aside and acknowledged. Although Qin Chen had a murderous heart, he was not the kind of person who killed innocent people.

But if they insist on insulting Ru Yue, don't blame Qin Chen for being rude.

In Qin Chen's mind, no one can insult the people around him.

boom!

These two earthly honours fell and turned into ashes, and immediately there was an inexplicable chaotic aura haunting them.

"This power..." Qin Chen frowned.

The Ji family's bloodline did seem to have some doorways, and within the scope of this prison mountain, it seemed particularly clear.

In the chaotic world, both the Honghuang Ancestral Dragon and the Blood River Saint Ancestor were startled.

"Hey, this power seems to be a little supplementary."

"swallow!"

call!

A swallowing force surged in the chaotic world, and suddenly, this strange chaotic aura was sucked into the air by the Primordial Ancestral Dragon and the Holy Ancestor of the Blood River.

"Damn, the old ancestors of the wild ancestors, you have absorbed too much, right."

"Why Dripping Blood, you still want to make a sign with me?"

"Hmph, I am still afraid that you will not succeed."

Honghuang Ancestral Dragon and Blood River Saint Ancestor suddenly disputed over who absorbed more and who absorbed less in the chaotic world.

Boom!

As the two talked, they fought.

No way, the two are too boring in the chaotic world. They make a few gestures at every turn, which is their habitual operation.

"Honghuang Ancestral Dragon, Blood River Saint Ancestor, is this chaotic aura very special?"

Qin Chen frowned. After all, these were just two earthly sages. How powerful could they escape?

Before, the two had never argued like this for a little strength.

The two stopped instantly, Hong Huang Zulong frowned and shook his head and said: "Qin Chen boy, in fact, this chaotic aura is special and special, and neither special nor special."

"Old things, speaking of the important points, adults do not understand them." The ancestor of the blood river spit out, and then said to Qin Chen: "My lord, the reason why I am arguing about this chaotic aura is because this chaotic aura is the same as ours. pulse."

"The same vein?" Qin Chen was puzzled.

What do you mean? "Okay, let me talk about it." Honghuang Zulong said solemnly: "In fact, it's very simple. The so-called ancient Ji family in the ancient world has blood inheritance. It should also come from ancient times, like us. , A strong man born in chaos

. "Therefore, although the two people you killed before were only earth-sovereigns, the ancient chaotic aura contained in their bloodlines is a tonic for me and the blood river, and directly The kind of supplement that can be absorbed.

"

Qin Chen was stunned, no wonder.

The current Primordial Ancestral Dragon and Blood River Saint Ancestor are all attentively restoring their own cultivation bases. Anything that can restore their strength and cultivation base is extremely rare, no wonder they care so much.

At the same time, Qin Chen also understood. He could not imagine that this Ji family really inherited the blood of an ancient powerhouse, and that the one who could make the Great Ancestor Dragon and Blood River Saint Ancestor feel that they came from the same origin must come from some extremely powerful Of chaotic creatures.

In other cases.

Qin Chen may still have some thoughts on tracing the source, but now that Ruyue and Wuxue are still in this prison mountain, Qin Chen can't take care of that much.

After slaying the two elders, he ignored Ji Xinyi, who was pale, and moved towards the depths of the prison mountain.

"Who would dare to run wild in my ancient Ji family?" But at this moment, another roar sounded, and a powerful man with a terrifying aura exuding a terrifying aura in Qin Chen urged Wanjian River to strangle two big Ji family land. After the respect, suddenly rushed out from the prison mountain in front, and instantly fell on Qin Chen

before.

This is a powerful man with terrifying aura, Tianzun's cultivation base, his aura is very ancient, like an old man with a decadent aura flowing on his body.

His hair is sparse, and on his scalp, there are only a few sparse white hairs. His skin is dry and thin, and his eyes are sunken, like a skeleton. It feels like half of his foot has entered the coffin. May die.

In addition, his eyes had many whites and few pupils, staring at Qin Chen like a ghost.

The old man's expression suddenly changed when he felt the falling aura of the Ji family powerhouse around him and Ji Xinyi in Qin Chen's hand.

"You are... Ji Xinyi? The girl from Ji Tianqi's family?"

The old man changed color.

"Grandpa!"

Seeing the old man, Ji Xinyi hurriedly shouted, looking terrified and pitiful.

"To shut up."

Snapped!

As soon as Ji Xinyi spoke, Qin Chen slapped her fiercely. As soon as Ji Xinyi showed a pitiful expression, Qin Chen knew Ji Xinyi's mind. He obviously saw a Tianzun master and couldn't wait to ask for help.

However, Ji Xinyi had seen herself kill Kuang Lei Tianzun. Now that he saw this old man, he still dared to ask for help. Obviously, he didn't care whether he was dead or alive.

"Boy, who are you? Dare to run wild in my Ji family, where is Ji Tianqi's kid? Where did you die? And where did all the people from the Ji family go?" The old man was thrilled when he saw Qin Chen teaching Ji Xinyi this way. He was furious, and said to Qin Chenhan at the same time, "Boy, let go of Ji Xinyi, or the old man will imprison you in the Shan Yin Fire Pond, let you burn your body and smelt your soul, but this hell

All the sinners who are punished in the mountains are average, and their souls live forever and cannot be transcended. "

This old man is an old antique of the Ji family, and he has run out of life, so for these years he has been retreating in Hell Mountain to continue his life. No one knows when he will sit down.

Therefore, he didn't know what had happened to the Ji family recently, but he saw that Qin Chen, who was obviously not from the Ji family, treated his Ji family like this, so it was strange that he had a good temper.

It is another Ji family Tianzun, and he is the Tianzun who sits in Hell Mountain.

Qin Chen's heart surged, his murderous intent went straight into the sky, and he immediately sternly asked, "Where are Ruyue and Wuxue who were imprisoned not long ago?" "Where is the wild dog, let go of my family Ji, immediately Self-decision, self-confidence, this is not the place for you to find sinners." The old man was grumpy, and said that Qin Chen was going to self-decision, and he had sacrificed a black long knife in his hand.
