

## Valkyrie 4311

### [Chapter 4311: End of the forbidden area](#)

Whoosh!

Without waiting for his voice to fall, the master of the divine work hall directly entered this restriction.

Suddenly, a terrifying force of Yinhuo haunted and directly descended on the Shen Gong Celestial Clan.

Such a strong Yinhuo power.

Shen Gong Tianzun's discoloration, as expected by Ji Tianyao, the power of Yinhuo here is extremely terrifying, and it is obviously higher than that of the outside world.

The power of Yinhuo will corrupt and invade his soul.

"roll!"

Shen Gong Tianzun yelled lowly, spoke the law and followed the rules, instantly repelling the power of the yin fire, and then focused his eyes on the depth of the power of the yin fire.

There seemed to be something deep there.

At this time, Ji Tianyao and others also entered this world one after another.

Hearing muffled hums sounded, as soon as the Tianjiao experts from the major forces came in, their expressions changed drastically, each of them murmured and turned pale.

Some warriors at the human respect level even had blood spilled from the corners of their mouths, and their souls were traumatized.

What a terrible Yinhuo power.

Many people are discolored.

"Quit quickly."

"The younger generation, leave here."

Upon seeing this, Tianzun, such as Tongtian City, screamed loudly, causing these Tianjiao to withdraw from this area.

"Chen'er, you also leave."

The Void God Hall Master said to Ouyang Chen.

Ouyang Chen was already a strong man at the Earth Sovereign level, but his face was still ugly at the moment, and the power of the Earth Sovereign was surging, trying his best to resist the power of the fire.

Although I can hold on in a short period of time, I am afraid that my soul will be damaged over time.

"Yes, the Lord."

Ouyang Chen didn't dare to stay here any longer, he hurriedly withdrew from this core area, and came to the outside of the prison mountain, which was relieved.

At this moment, many strong people on the scene looked at everyone in the Ji family. This Ji family, so cruel, actually sent his tribe members to this place to receive punishment. This kind of yin and fire power, like a tarsal maggot, is constantly trying to penetrate into each of them. It is as strong as these heavenly and powerful people, and it is a bit unbearable for a while. If it is replaced by ordinary people or earth Respect, how is it possible

Can bear it?

I am afraid that within a few days, it will fall directly under the erosion of this yin fire. The key is that the soul will suffer endless torture before it falls. This is simply a kind of torture.

Boom!

Shen Gong Tianzun's eyes were cold, and he directly pointed out his big hand, his entire palm was like a sky curtain, and instantly grabbed Ji Tianyao.

"Shen Gong Tianzun, what are you going to do?" Ji Tianyao changed color and hurriedly tried to resist.

However, the power of Shen Gong Tianzun suppressed, Ji Tianyao could not resist at all, and was instantly imprisoned here.

Snapped!

Immediately afterwards, Shen Gong Tianzun directly slapped out a slap, and slammed Ji Tianyao to the ground, his cheeks swollen and the corners of his mouth bleeding.

"Ancestor!"

Upon seeing this, Ji Tianqi, Ji Nanan and other Ji Family Tianzun were furious, and one after another, they stepped forward, helped Ji Tianyao, and looked at Shen Gong Tianzun in anger.

"Your Ji family, did you put the disciple who worked for me in this place? You are so bold."

Shen Gong Tianzun said with a cold voice.

He was really angry.

In this kind of place, even Tianzun can't stay for long, and even his supreme one feels a slight influence, but this influence is extremely subtle and can be ignored, but even so, the influence still exists, which shows its terrible.

And Ji Wuxue is nothing but the pinnacle of humanity, the one who has just broken through on the battlefield of ten thousand races.

As soon as Ren Zun Tianjiao of various major forces entered this place, his soul was injured and vomited blood. As a human respect, Ji Wuxue would suffer what kind of pain, Shen Gong Tian Zun could not imagine.

"If my disciple of Shengong Tianzun died here, I will destroy your Ji family today to comfort its spirit in the sky." Shengong Tianzun said coldly.

Ji Tianyao turned pale, stood up trembling tremblingly, looking at Shen Gong Tianzun in anger, but dared not to speak, but said nothing. "Well, the master of the divine work hall, even though Ji Wuxue is imprisoned here, it does not necessarily mean that he is dead. There is no fresh corpse here. Even if a venerable person falls, his corpse is afraid It takes thousands of years to be here

Rotten and weathered, he must be alive. "Xiao Family Xiao Wudao said, squinting his eyes, and then looking into the depths of this forbidden area: "What's more, my ancestor heard that Qin Chen, the deputy hallmaster of your daily work, has already arrived here. This person can even Tianzun. Beheaded, naturally won't fall here easily

, Now there is no trace of him here, so it is very likely that this person has entered the depths of this forbidden place. "

Having said that, Xiao Wudao looked at Ji Tianyao and said lightly: "Ji Tianyao, what is the depths of this forbidden area?"

Ji Tianyao's face changed slightly, and a trace of panic flashed through the bottom of his eyes, and said: "This prison mountain is the forbidden land of my Ji family, and there is nothing deep in this forbidden land."

"Nothing?"

Xiao Wudao smiled and squinted.

The panic in the depths of Ji Tianyao's eyes, no matter how well he concealed it, how could he not feel it as a supreme.

"Then Qin Chen, Ji Wuxue and others have probably already entered the depths of this forbidden area, Ji Tianyao, why don't you lead the way in front, take us in and take a look, rescue a few people, so as to calm down the anger of the master of the gods. otherwise....."

Xiao Wudao said indifferently: "Although I am the leader of the ancient world, I am afraid I can't intercede for you, and let the master of the Palace of Gods and Gods let go of your Ji family."

Ji Tianyao changed color.

From the side, Shen Gong Tianzun also looked over, and then looked at the depths of the forbidden ground.

How he didn't know the purpose of Xiao Wudao, obviously wanted to see the depths of Ji's forbidden land.

In the depths of this place, Shen Gong Tianzun vaguely felt a power that made his heart palpitations. Obviously, there must be something extraordinary in the depths of this forbidden area.

And this thing is probably also related to the ancients.

Although Shengong Tianzun is not an ancient clan, but for Qin Chen's comfort at this moment, he can't control that much.

"Ji Tianyao, lead the way, if Ji Wuxue and the others are still alive, it would be fine, otherwise? Then...huh!"

Shen Gong Tianzun let out a cold snort, murderous.

Ji Tianyao gritted his teeth, and in desperation, had to lead everyone on.

The Ye Family, Jiang Family, and the Void God Hall Master who were present all followed closely, very curious in their hearts.

This Ji Family Prison Mountain Forbidden Land is indeed extraordinary, I am afraid, there are some special things in it.

As everyone entered, the power of the fire in the depths of the Hell Mountain became stronger and stronger.

I don't know how long it took.

suddenly!

Boom!

In the void ahead, there was a billowing Yinhuo aura surging, and this Yinhuo aura turned into a real thing when staring at it incomparably, and around the Yinhuo, there was still a wave of chaotic aura.

This breath spread, and the many Tianzun powerhouses present also changed their colors, as if they couldn't bear it.

"Everyone, this is the end, and the old man has never entered." Ji Tianyao stopped. Shen Gong Tianzun raised his head, just about to speak, when suddenly, he frowned, vaguely, as if seeing something in the flames.

#### [Chapter 4312: Old man help you](#)

He stared at the past carefully, and suddenly, the billowing mental power swept out like an ocean.

Boom!

Shen Gong Tianzun, as the top refiner, how terrifying is his spiritual power? That vast spiritual power, like a sharp cone, directly reaches into this substantive flame.

Rumble!

The originally invisible mental power instantly appeared, showing a physical state, colliding with the power of the Yin Fire.

This power of Yinhuo seemed to have come alive, rushing straight for nine days, bursting out a breath of shock and awe.

"Ok?"

Shen Gong Tianzun changed his color slightly, his face condensed.

This yin fire is very strong.

With his current supreme-level mental power, it was enough to sweep Wuji, but he was shocked by his inability to break through the power of the fire.

Notice.

This place is the forbidden mountain of the ancient Ji family, inherited from ancient times, even if there are any treasures in it, after countless years, it should be eliminated a lot.

But now, this Yinhuo power can prevent his mental power from entering, although it is only a mental power, it is also shocking enough.

On the side, other powerful people such as the Void God Hall Master also changed color.

The aura from this yin fire gave them a strong heart palpitations, as if this yin fire was enough to destroy them and annihilate their souls.

how is this possible?

The discoloration of the Void God Hall Master and others is just a flame aura inherited from ancient times. With the strength of their peak heavenly sovereign, how can they be afraid?

What is this power?

"Hahaha, the master of the divine work hall, this power of Yinhuo seems to contain a special ancient chaos, it is better to let the old man help you."

At this time, Xiao Jiaxiao endless ancestor suddenly laughed, stepped out, and narrowed his eyes.

boom!

Suddenly, a terrifying mental aura burst out from the center of his eyebrows, and bombarded above this restriction with the spiritual power of Shen Gong Tianzun.

The mental power of this ancestor Xiao Wujin, after hitting the yin fire, was also blocked, and resisted firmly.

"what?"

Xiao Wuxi frowned. At this moment, even many strong men were discolored, and the two supreme strong men couldn't break through this yin-fire barrier?

"wrong."

"This is... the prohibition!" Suddenly, Shen Gong Tianzun and Xiao Wujin were concentrating, and saw that after the Yin Huo had endured the spiritual power of the two supreme ones, a series of simple and obscure prohibitions rose, and these prohibitions exuded vicissitudes of life. The breath, so ancient, turned into a path

Prohibition.

"It's ancient prohibition."

"Strange, this Yinhuo power seems to be naturally cultivated, why is it so restricted by ancient times?"

"Could it be who made it deliberately?"

For a time, everyone on the court changed color.

This power of yin and fire was so strange that everyone thought it was a special power born in this world, but was later found by the Ji family and set up as a forbidden place in the family prison mountain to punish sinners.

But now it seems that the power of Yinhuo seems to be formed artificially, if it is so, it would be shocking.

This power of Yinhuo can block even the spiritual power of the Supreme Grade. Which powerhouse of the Ji family was who arranged this force of Yinhuo back then?

Not supreme, I'm afraid it can't be arranged, right?

"Jiuyue and Wuxue, there are no traces. Could it be that you have entered the depths of this restriction?"

Shen Gong Tianzun's heart moved, and his mental power immediately turned into sharp blades, constantly bombarding him.

When Ji Tianyao saw this, he changed his color and hurriedly stepped forward and said, "Master of the Holy Worker, everyone, there are some secrets about my Ji family, which is a secret of my Ji family. Please stop, don't break open."

"Huh, what a secret."

Xiao Wujin glanced at Ji Tianyao coldly, and snorted coldly: "If a few friends who work today don't know whereabouts, life or death, as the leader of the ancient world, how can you ignore the difficulties of your fellow humans?"

"Holy Master of Divine Work, old man help you." When the voice fell, Xiao Wujin ignored Ji Tianyao at all, and suddenly raised his right hand, hum, above his right hand, a dark chaotic aura rose, and the power of chaos surged. It turned into a long snake in an instant, facing the yin fire in an instant

The force bombarded away.

Since the spiritual power cannot be easily broken, then using the power of the supreme is, with his current supreme cultivation base, how can he not break this restriction?

When Shen Gong Tianzun saw this, his face changed slightly, and he even stopped saying, "Old Ancestor Xiao, it doesn't have to be this way. There is obviously a damage to this restriction. You only need to increase your mental strength..."

The voice did not fall.

Boom! Xiao Wujie's attack has already fallen on the power of the fire. In an instant, the entire forbidden area of Hell Mountain rumbling and roaring, everyone only felt an unmatched aura sweeping over, bang bang bang, and many of the heavenly venerables who were present suddenly flew out by a shock, one He had bleeding from the corner of his mouth and his face turned pale.

They raised their heads in amazement, and saw Xiao Wujin's body that there seemed to be a black shadow appearing like a giant snake, exuding a prehistoric aura, resisting the power of the erupting flames in one fell swoop.

And the original restraining power of the Yinhuo power was also shattered by Xiao Wuxi's blow, instantly disintegrating, and completely collapsed.

Upon seeing this, all the Ji family present showed anger on their faces, knowing that the Xiao family was wreaking havoc here, but they were helpless.

"Master of the Holy Work, isn't this broken?" Xiao Wujin chuckled lightly, his eyes revealed brilliant, and he didn't care about the angry expression on the side of Ji's family. He quickly approached the place of flames step by step, boom, supreme. The power is permeated, and the rules between the world and the earth are agitated, even in this \*\*\*\* mountain.

The world seemed to be completely controlled by Xiao Wujin, and became a world under his control.

Xiao Wujin raised his hand, and the power of the yin-fire that broke the ban suddenly dissipated. The next moment, something that seemed to exist in the yin-fire suddenly appeared in front of Xiao Wujin and the others.

Everyone also looked up, but the next moment, everyone's expressions were dull.

"That's... Qin Chen!"

Everyone was dumbfounded and dumbfounded, only to see a figure looming in the depths of the fire, cross-legged, it was Qin Chen who entered the prison mountain first, and Ji Xinyi was lying there at Qin Chen's feet, breathless.

At this moment, Qin Chen was surrounded by roads of light, seeming to be fighting against this yin fire, and the yin fire in front of him was extremely rich, and there seemed to be something in that yin fire.

However, at this moment, Qin Chen's body was already wrapped in heavy Yinhuo, because Xiao Wujin broke the Yinhuo restriction, causing the Yinhuo on Qin Chen's body to dissipate a little, otherwise Qin Chen would be even more embarrassed in his current state.

But, how could these two guys get into this yin fire?

"Qin Chen!" When everyone was puzzled, the god-worker Tianzun was shocked and banged. He didn't hesitate, and his figure rushed out, rumbling, the terrifying power of the god-worker Tianzun surged, his In his hand, there was an instantaneous treasure of the highest heavenly treasure.

sword. The sharp sword slashed, and with a bang, the heavy flames on Qin Chen's body were directly split open.

### [Chapter 4313: Tianzun Medicine](#)

"puff!"

The fire was split, and Qin Chen, who had been there cross-legged, finally recovered himself, and immediately spewed out a mouthful of blood, his figure frustrated, and his face pale.

It seems to have been hit hard.

"Qin Chen, are you okay?"

Shengong Tianzun changed color, and hurriedly walked to the front. Around, the power of chaos and flames wanted to sweep over, but he was directly blasted away by Shengong Tianzun.

"Ji Xinyi."

But Ji Tianyao and others also changed color, and quickly followed Shen Gong Tianzun forward and helped Ji Xinyi up.

Shen Gong Tianzun hugged Qin Chen, and immediately took out an elixir in his hand. As soon as this elixir appeared, a colorful vision appeared between the heavens and the earth, and the amazing medicinal energy rose and turned into a vast scene.

"It's a Tianzun-level pill."

Everyone sucked in air-conditioning, one by one showing awe.

Even if it was Xiao Wuxi, his eyes flashed, and he was greedy.

Tianzun pill is extremely rare.

At the Tianzun level, there are actually very few opportunities to take pills.

The medicinal pill is to condense the energy of countless years between heaven and earth, forming a kind of heaven and earth treasure, but the powerhouse of Tianzun level has completely surpassed the ordinary rules.

The power of the Venerable in their bodies is almost endless. Once damaged, it is no longer ordinary physical damage, and the physical damage of the physical power of the Venerable can be easily repaired.

Therefore, ordinary pills have little effect on Tianzun.

This is also the reason for taking the pill after reaching the realm of the Venerable, because it is difficult for the Venerable to improve his strength by taking the pill.

However, not all elixirs are useless.

Only some treasures of geniuses that contain the laws of heaven and earth and the rules of the universe, such as chaotic fruits, heaven and earth fruits and so on, can have treasures for the venerable.

And this kind of treasure, any kind, is extremely against the sky, because it contains the special laws of heaven and earth, the rules of the universe, and even the origin of the heaven and earth. It is effective

for the respect of human beings, and it is effective for the respect of the earth, and it is also effective for the deity of heaven and even the supreme.

Therefore, after seeing Shengong Tianzun take out a Tianzun-level pill, everyone present will inevitably change color. If you want to successfully refine this kind of pill, at least it is a genius and strange treasure that contains the top rules of the universe and even its origin. Such a pill can be taken by a person at will, I am afraid that it may not be necessary to be able to be a god. Even if Supreme takes it by himself,

There was some help, but Qin Chen was healed now, no wonder everyone would be shocked.

Fortunately, it was Shen Gong Tianzun who took out the medicine, otherwise, it would inevitably lead to a fight.

This pill entered Qin Chen's mouth, Qin Chen's complexion quickly became ruddy, and his energy recovered a lot, his face was like golden paper, and his closed eyes slowly opened.

"Hall Master?"

Qin Chen stood up excitedly to salute.

"No need to be polite, are you okay?" Shen Gong Tianzun looked at Qin Chen nervously.

Everyone present was envious, letting a supreme care so much without regrets. But think about it, Qin Chen is not in the realm of Earthly Sovereign, so he has the ability to slash the Heavenly Sovereign. Once cultivated and breaks through the Heavenly Sovereign realm, he must be the number one person in the human race. Putting it in any power, he is afraid of holding it in his hand. In the mouth,

I'm afraid of any harm to him.

"I'm okay." Qin Chen stood up and shook his head with difficulty. His body was full of aura, and the originally weak body recovered quickly. In a moment, he was almost healed.

"hiss!"

Many people inhaled air-conditioning. What kind of Tianzun-level pill did Shen Gong Tianzun give Qin Chen just now? Is this too terrifying? Healed in the blink of an eye?

Qin Chen glanced around, with palpitations in his eyes, and then said, "Thank you, Lord Hallmaster, for helping me, otherwise the disciples are afraid..."

"Hehe, you don't need to say more about these words. What is the relationship between you and me." Shen Gong Tianzun waved his hand and didn't care. Seeing that Qin Chen was indeed fine, he frowned and asked, "By the way, why are you here? what happened?"

Everyone raised their ears, and everyone was very curious about Qin Chen's presence here.

At this moment, a famous Tianzun has already stepped into the range of the power of the yin-fire, feeling this terrible power of the yin-fire, one by one changing colors.

This Yinhuo breath is indeed terrifying, no wonder that Qin Chen's strength is seriously injured, and if they enter it, it may not be much better than Qin Chen.

Fortunately, now that the ban on the power of Yinhuo has been broken, the power has been significantly weakened, and there are two supreme powers, Xiao Wujin and Shengong Tianzun, and everyone enters with peace of mind.

Seeing Shen Gong Tianzun's caring gaze, Qin Chen did not dare to hide it, and said: "Hall Master, I left the Hall of Biwu before and took Ji Xinyi into the prison mountain, trying to find Ruyue and Wuxue..."

Hearing this, everyone looked at Ji Xinyi one after another, only to see that Ji Xinyi didn't die, and under Ji Tianyao's treatment, they also slowly woke up and turned around, but they were extremely weak.

Seeing everyone on the field looking over, Ji Xinyi shrank into Ji Tianyao's arms like a quail, with a frightened expression. He didn't know what damage he had suffered before that made him look like this. I heard Qin Chen continue: "The disciple entered this prison mountain all the way, but never saw Ruyue and Wuxue at all. Until later, when I saw this dark and fire place, the disciple felt the breath of Ruyue and Wuxue here. Although blocked by the fire, but not

He was willing to give up, so the disciple tried to break the formation. Fortunately, the disciple saw that the fire was controlled by the restriction, so he broke the corner of the restriction and entered it. "

Shen Gong Tianzun Huang Rao, Xiao Wujin and others also nodded secretly.

No wonder, there was indeed a small place above the previous restriction that had been broken, and it turned out that Qin Chen did it.

No wonder Qin Chen could enter it.

However, thinking of this Yinhuo prohibition, even the spiritual power of the Supreme Grade could not easily break open, but Qin Chen could find a way to lift the prohibition and enter it.

It also gave everyone a deeper understanding of Qin Chen's strength, and the deputy palace master Qin who worked that day was afraid that it was even more terrifying than everyone thought. I heard Qin Chen continue: "In this Yinhuo big formation, I did feel the aura of Ruyue and Wuxue, so I tried to go deeper into this place. Who knows, the Yinhuo aura inside is getting stronger and stronger, and the disciple is helpless. , Had to stop and try to resist,

I don't know how long it took to resist, the Lord Hallmaster, you came over. "

"That's right." Speaking of this, Qin Chen suddenly frowned: "The disciple also discovered a rather strange thing. After Ji Xinyi entered this place of yin and fire, he seemed to be affected much weaker than his disciple. Ji Xinyi's cultivation has long since turned into ashes.

"

Has this matter? Immediately, after listening to Qin Chen's words, everyone was shocked and looked at Ji Xinyi.

#### [Chapter 4314: The end of the fire](#)

Everyone was very curious before, in this place of fire, even a heavenly arrogant like Ouyang Chen couldn't hold on, it was just outside the core land.

But now, Ji Xinyi and Qin Chen entered into the flames together, and even Qin Chen, a Tianjiao who could kill the Heavenly Sovereign, had to be given a Tianzun-level pill by Shen Gong Tianzun to recover.

Ji Xinyi is just a pinnacle of humanity, and he has not fallen, which is everyone's doubt.

Now that Qin Chen said this, everyone couldn't help but look at Ji Xinyi curiously.

"Ji Xinyi, was that what Qin Chen said just now?"

Ji Tianyao frowned and looked at Ji Xinyi. At this moment, Ji Xinyi was very embarrassed, her soul was damaged, her breath was weak, she looked a little frightened by everyone watching like this, and she didn't know how tortured by Qin Chen, she trembled: "The ancestor, indeed, as that Qin Chen said, This Qin Chen broke into prison

The mountain has been searching for Ji Ruyue and Ji Wuxue, but neither of them are in the prison mountain, and later found here..." "Then Qin Chen didn't know how to break it, and the prohibition in this place of flames was blocked. He broke a corner, and he led me into this place of yin and fire. Because the disciple couldn't bear the place of yin and fire, he soon passed out and woke up... old

Your ancestor is here. "

Ji Tianyao nodded.

So, what Qin Chen and Ji Xinyi said were the same.

Ji Tianyao looked at Qin Chen, his eyes flickering. After Ji Xinyi was unconscious, he didn't know if Qin Chen saw anything. If he saw something, then...

"Right, ancestor." Suddenly, Ji Xinyi shouted.

Ji Tianyao was shocked and looked down.

Is there any concealment that Qin Chen said earlier?

"Old ancestor, Qin Chen killed Grandpa Ji Xin and two elders of my Ji family at the gate of Prison Mountain before..." Ji Xinyi said with a frightened expression.

"I know this." Ji Tianyao breathed a sigh of relief, thinking there was something important.

"You rest first, this matter will be discussed later."

He handed Ji Xinyi to Ji Tianqi, and said in a deep voice, "Tianqi, you will take care of Xinyi."

"Yes, ancestor!" Ji Tianqi hurriedly said.

Ji Tianyao glanced at Qin Chen again, this kid probably couldn't find anything, at least it sounded like the two explained the same thing.

Ji Tianyao breathed a sigh of relief in his heart.

"Ok?"

But when Ji Tianyao breathed a sigh of relief, Shen Gong Tianzun and Xiao Wujin blinked.

There are circumstances.

This Ji Tianyao seemed to have a certain sense of relief.

How can you feel this way?

According to the truth, although Ji Xinyi is fine now, but Ji Ruyue and Ji Wuxue have not been found yet, he should still be very frightened and nervous.

How could there be such a sense of relief, and it was only after hearing Qin Chen's statement and verifying his words.

It's hard to say, what's the secret in it?

Thinking.

Just listen to Qin Chen said: "Hall Master, Ruyue and Wuxue, absolutely in the depths of this dark and fire place, I can feel their aura, Lord, they should not be dead yet, please save them. ."

Qin Chen looked anxious.

Shen Gong Tianzun raised his head and looked into the depths of the Yin Huo. There was indeed something in it.

"No!"

Unexpectedly, Shen Gong Tianzun hadn't spoken yet, Ji Tianyao's expression changed, and he blurted out quickly, his expression a little nervous. Seeing everyone frowning and looking over, Ji Tianyao was shocked, knowing that he had behaved too much, and hurriedly reduced his mood, saying: "This place of dark and fire is nothing special. It is just a place left by my ancestors of the Ji family to punish criminals. The power of Yinhuo here is too strong. If you stay for too long, you may be hurt, then Ji Ruyue and Ji Wuxue, it is very likely that Ji Ruyue and Ji Wuxue have broken the prohibition on the prison mountain, and after leaving the prison mountain, Ji will definitely launch The whole Ji family, find two people to forgive

. "

"Huh?" Xiao Wujin narrowed his eyes, turned his gaze, and said with a sneer: "Ji Tianyao, you can't worry about things here now. Your Ji family has destroyed the stability of the ancient world and offended the work of heaven. Let my Xiao family be in charge. This Ji Ruyuehe

Although Ji Wuxue is a member of your Ji family, in terms of relationship, it is not as good as Qin Chen who worked this day. Since this person said that the two are in the depths of this gloom, I am afraid it is very likely. "

After speaking, Xiao Wujin ignored Ji Tianyao's obstruction at all and slammed forward.

boom!

On his body, a dark giant snake phantom suddenly rose up. This giant snake phantom was extremely misty and exuded an aura of primitive and ancient times. The breath was so terrible that even the gods of heaven were a little palpitated.

"It's the blood of the ancient family of the Xiao family."

"The ancestor Xiao Wujin can be so manifest, hiss, can he return to the ancestor after breaking through the supreme?"

The Ye Family, Jiang Family, Ji Family and other ancient clan families all changed color and looked shocked.

Because they knew very well that this giant snake phantom was not a supernatural power or power evolution, but the bloodline evolution in Xiao Wujie's body.

As far as they knew, the ancestor of the ancient Xiao family was a giant snake born in chaos, but they didn't know what it was.

Not to mention that they don't know the bloodline of the Xiao family. Even if it is the bloodline of their own clan, they actually don't know much, because the bloodline of the ancient clan has become thin and imperfect after hundreds of millions of years.

Some things can only be vaguely learned from family historical data.

Now, feeling the rich aura of the ancient race on Xiao Wujin's body, and seeing the looming figure of a giant snake like a god, the strong among the three ancient races are all discolored and excited.

Is it possible to evolve the blood of ancestors by breaking through the supreme?

If so, how strong is Xiao Wujin today?

Not only the people of the ancient race were shocked, but at this moment, the other powerhouses on the scene also changed color. The aura on Xiao Wujin's body was too terrifying, and formed a sense of resistance to courtesy with the yin fire here.

"My ancestor wants to see where the two friends who worked this day went to, so as to save them from danger."

Ignoring the shock on the faces of the people around him, Xiao Wuxi spoke in a high-sounding voice, and then suddenly hit the flames in front of him with a punch.

I heard a boom.

The Yin Huo was attacked by the dark giant snake breath, and it faintly issued a cold dragon roar, frantically preventing Xiao Wu-endi's bombardment.

However, Xiao Wujin was too strong, the terrifying chaotic giant snake surging, and the terrible power of Yinhuo was broken a little bit by him.

With a bang, finally, the yin-fire barrier blocking everyone's eyes was completely dispersed, and a place like an underground hall appeared in front of everyone.

In the next moment, the scene in front of him made every strong man wide his eyes, revealing a look of shock.

I saw that in this hall, two distinct forces formed two distinct barriers, separating the left and right. Among the two forces, a man and a woman, two figures, were bound by two different forces. In the center of the hall, a withered figure was sitting on the stone platform in the center of the hall, exuding an astonishing and decadent aura.

#### [Chapter 4315: Ji Tianguang](#)

This figure did not know how many years he had been sitting here, his body exuded a simple and old aura, and it seemed that there was no life at all.

But even so, the billowing aura on this person is like a torch in the ages, emitting a breath that makes everyone's heart palpitating.

"Supreme?"

"Is this supreme?"

Many people are shocked.

This is just a corpse. It can exude such a terrifying aura. How strong was he when he was alive?

Unimaginable.

At least, the Lord of the Void God Hall, they all sucked in cold air. This person had definitely surpassed the pinnacle Heavenly Sovereign level during his lifetime, otherwise it would be impossible for such a terrifying aura and power to erupt.

For a while, everyone looked at Ji Tianyao, and in the Ji family's prison mountain, such a terrible and dead figure appeared, so that everyone was not shocked and shocked.

This matter, I am afraid that only Ji Tianyao ancestor of the Ji family knows some clues.

"Ji Yue, no snow."

Seeing the two figures inside at the moment, endless anger suddenly appeared in Qin Chen's eyes.

boom!

He rushed forward frantically, but a terrifying force was transmitted from the hall, with a chaotic aura, and Qin Chen flew out suddenly.

"hateful."

Qin Chen was angry, looked at Ji Tianyao savagely, and shouted: "Ji Tianyao, what is going on?"

The two bound figures are not others, but Ruyue and Wuxue.

At this moment, the two of them were in a coma, without movement, and were obscured by two different chaotic auras. In their bodies, there seemed to be a wave of power that dissipated the world.

"Hehe." Xiao Wudao suddenly turned his head and looked at Ji Tianyao with a smile, "Ji Tianyao, your Ji family still hides the sinner Ji Tianguang who was the enemy of this seat in the past, you are really brave!" Wudao looked at the withered figure in front of him with emotion, "Back then, your Ji family

was the enemy of my Xiao family, and it was Ji Tianguang who led it. Unfortunately, in the first battle, Ji Tianguang was interrupted by me and his life was exhausted. I don't know where I am.

The ancient world has never found it, because this person has already left the ancient world, or the soul is buried elsewhere, unexpectedly he is in this \*\*\*\* mountain. "

A strong breath exuded from Xiao Wudao's body.

"Ji Tianguang!"

Suddenly, many strong people present changed their colors, revealing a look of shock.

Patriarchs of the ancient tribes, Patriarch Ye and Patriarch Jiang, were also shocked with shocked expressions. Because of this name, they are very familiar. Ji Tianguang is exactly the half-step supreme who led the Ji family and the Xiao family to fight for control of the ancient world. It is a pity that Ji Tianguang is led by Xiao Wudao because of the chaos inside the Ji family. The Xiao family is strong

The person ambushes, but the Ji family's support is delayed.

In the end, Ji Tianguang was seriously injured and the main road was destroyed. He did not know his life or death.

But from the day Ji Tianguang was defeated, the Ji family plummeted and was pursued and killed by the Xiao family. In the end, he had to become a running dog of the Xiao family, driving and killing half of the people in the clan before gaining the right to survive in the ancient world.

And because of that battle, the Xiao family also established the reputation of the first family in the ancient world, and gave birth to Xiao Wudao, the supreme and powerful person.

In retrospect, this was no longer known how many tens of thousands of years ago. Later, the ancient world was calmed down, and the Xiao family had been looking for the trace of Ji Tianguang, but there was no news.

However, when Ji Tianguang was interrupted by Xiao Wudao in the past, his origin was damaged, and the Xiao family knew that his fate was not long before, so he didn't care too much.

Unexpectedly, this Ji Tianguang was here. "Old ancestor Xiao Wudao, Ji does not know what else you are talking about. Why is the body of the ancestor Ji Tianguang of my clan here? Ji also doesn't know. I think the ancestor was seriously injured back then, so I can only sit down here. I knew the ancestor was here some time ago,

The ancestors will be buried, and the ancestors will never be violently corpses here. "

Ji Tianyao hurriedly lowered his head to explain, but his eyes flickered.

"Don't know?" Xiao Wudao chuckled lightly.

Is he really an idiot?

Xiao Wudao sneered: "Seeing old friends from the past, it is inevitable that I still feel a little emotional. In that case, today, I will bury this Ji Tianguang."

When the voice fell, Xiao Wudao took a sudden step forward.

"Ancestor Xiao Wudao can't."

Ji Tiangang hurriedly stepped forward to stop it.

"roll!"

Xiao Wudao sneered coldly, flicked his hand, and with a bang, Ji Tiangang was immediately shocked and flew out, blood overflowing from the corner of his mouth.

The Supreme Heavenly Sovereign as strong as him, in front of the Supreme Sovereign Xiao Wudao, there is almost no ability to resist.

Xiao Wudao sneered, staring at the lonely figure, and suddenly raised his hand: "Old friend, since you are dead, you should die more thoroughly. Why do you want to die like this?"

When the words fell, Xiao Wudao slammed his hand at the ruined figure.

But at this moment...

Hum!

This withered figure, the old man who didn't know how many years he died, suddenly raised his head, and a dazzling divine rainbow burst out of his eyes.

Rumble!

In an instant, in the entire hall, the two completely different forces of Yinhuo and Five Lights surged like Tai Chi, and a powerful aura recovered from the withered body.

Shocked the eternal sky.

boom!

The earth-shattering roar resounded, everyone only felt a breath of suffocation, and they were all shocked to see that this withered figure suddenly protruded out of their palms.

The palm of the hand was open to the sky, combined with the power of yin and yang, it suddenly resisted Xiao Wudao's attack.

Boom!

The sky and the earth roared, and eternal silence.

Everyone changed color and backed away, with incredible expressions in their eyes.

Shengong Tianzun also waved his hand, his face was solemn, and with a buzzing sound, a force blocked the impact and protected Qin Chen, but a sharp light burst out of his eyes.

This withered figure is still alive.

"Ji Tianguang, is he still alive?"

The Patriarchs of the two ancient clan families such as Patriarch Ye and Patriarch Jiang were all dumbfounded and uttered in shock. Xiao Wudao snorted coldly, his eyes bursting with cold light: "Ji Tianguang, you weren't dead. Moreover, when your main road collapsed and your origin was destroyed, you have never thought that you have been restored to this point in the past few years. If it weren't for the original ancestor today Found out

Before long, you will be able to get out of trouble and become supreme, right? "

what?

Not only did Ji Tianguang not die, but his cultivation base was restored. Want to become supreme?

At this moment, many people present were shocked.

Ji Tianguang opened his eyes. In these pupils, some vitality was gradually restored, and he said lifelessly: "Xiao Wudao, back then, you destroyed my road and destroyed my Ji family. Today, why bother to kill him?" Hahaha, after you get out of trouble, will you let the Ji family come and kill me again?" Xiao Wudao coldly snorted, "If it weren't for this little brother of the God-worker Tianzun today, I'm afraid I don't know this yet. Thanks to this little brother."

#### [Chapter 4316: Half Step Supreme](#)

After the words fell, Xiao Wudao looked at Shengong Tianzun and said indifferently, "Hall of Shengong, this Ji family imprisoned your Tianzui disciple, how about, if you and I join forces today to kill this old thing? A damned person? , Why bother to come out alive?"

Shen Gong Tianzun frowned and was meditating.

suddenly.

"Master of the Holy Work Palace, don't promise him, just wait to watch a good show."

A vague voice suddenly resounded in Shengong Tianzun's mind, and Shengong Tianzun's expression was startled. This voice was Qin Chen.

It's just that Qin Chen was so angry and anxious because he saw Ji Ruyue and Ji Wuxue being tied here before, and he didn't know his life or death. Why was his tone so calm at this moment?

This kid.

what the hell?

Shengong Tianzun was a little shocked when he saw the scene of the Ji family. He even wanted to join hands with Xiao Wudao to rescue Ji Ruyue and Ji Wuxue first, but at this moment, his heart moved.

Others call him Lao Yinbi.

However, Shen Gong Tianzun himself knew very well that he was not necessarily better than Qin Chen compared to Yin Ren.

At the beginning, in the secret realm of the Tiangong headquarters, he incarnates as an ordinary person and hides beside Qin Chen's mansion. The purpose is to seduce the spies of the demons and target them.

He was already very forbearing.

But Qin Chen?

In the face of life and death crisis, in fact, he had already seen some clues, but pretended to be innocent, and deliberately attracted Xu Gu Zhizun's attack.

Bet your own life.

Although he won the bet in the end, Shen Gong Tianzun also knew clearly that Qin Chen, this kid, regardless of his young age, was too overcast.

If he is an old silver coin, then Qin Chen is a small silver coin.

Don't laugh at anyone.

Therefore, at this moment, he suddenly heard Qin Chen's voice transmission, without the anxiety, panic, and fear before, and his heart suddenly moved.

Did this kid see something?

This is not impossible. Qin Chen came a long time earlier than him. He was also curious before, how could he be trapped in the flames so easily with Qin Chen's means, now that he thinks about it, it is indeed a bit weird.

He immediately calmed down and said solemnly to Xiao Wujin: "When the ancients, this seat will not interfere."

"Never mind." Xiao Wudao glanced at the master of Shengong. He is a veteran supreme. He is naturally not afraid of the supreme who has just broken through. As long as Shengong Tianzun does not destroy him, then he doesn't care about it. No shot.

Seeing Xiao Wudao's attention leaving, Shen Gong Tianzun looked at Qin Chen and said through the voice: "Smelly boy, what is going on?"

Qin Chen didn't explain, but just a voice transmission: "Hall Master, just look at it, this Ji family matter is unusual, and it will be clear right away."

"God is mysterious."

Shen Gong Tianzun's face is ugly, this kid is bolder and his wings are stiff.

At this time, there was no slightest injury.

wrong.

Shen Gong Tianzun's face suddenly turned pale.

by.

If Qin Chen was pretending to be injured, wouldn't his previous Tianzun pill be in vain?

I have suffered a lot.

At this time, after receiving the refusal of Shen Gong Tianzun, Xiao Wudao coldly looked at Xiao Wujin and other disciples of the Xiao family, and shouted coldly: "The disciples of the Xiao family, the Ye family, and the Jiang family listen to orders, kill Ji Tianyao and others, clean up Portal to the ancient world."

Boom!

When the voice fell, Xiao Wudao didn't wait for other people to reply, and directly grabbed and photographed Ji Tianyao and others.

He actually ignored Ji Tianguang in the hall, but wanted to kill Ji Tianyao and others first.

"Old Ancestor Xiao." Ji Tianyao suddenly flashed a hideous look in his eyes, and shouted sharply: "The people of the Ji family follow the order and urge the big formation."

"Boom!" I heard the rumbling roar resounding through the heavens and the earth, and then people were shocked to see that between the heavens and the earth, terrible chaotic rays of light rose up, these chaotic rays of light turned into simple and mysterious. Runes suddenly formed a sky

The big formation, rumbling surging, wrapped all the strong people present in it.

And this chaotic light formed a terrible defense at the same time, quickly resisting Ji Tianyao and the others.

He heard a thunderous roar, the ancestor Xiao Wudao's attack fell on the chaotic light, and was actually blocked by the two forces of yin and yang here, and the blow of the supreme ancestor Xiao Wudao failed. Boom and kill anyone in the Ji family.

"what happened?"

"what happened?"

At this moment, everyone changed their color and looked around in amazement. The Hallmaster of the Void God and others felt that they were locked in a void, their complexions changed drastically, and they all shot one after another, trying to blast through the chaotic yin and yang array and rush out of the prison mountain.

However, no matter how they act, they can't shake this chaotic yin and yang array.

The strength of this big formation exceeded everyone's expectations.

"Supreme class big formation."

Qin Chen and Shen Gong Tianzun also looked at the surrounding large formations, with solemn expressions in their eyes. In this prison mountain, there was a supreme large formation, which shocked their hearts, unbelievable.

"Hahaha, Xiao Wudao, since I came to the prison mountain of my Ji family today, don't even think about going out."

Ji Tianyao looked up to the sky and laughed, with a cold expression in his eyes.

At this moment, Ji Tianyao, where there is still the slightest timidity, trembling, but an endless terrifying breath erupted.

boom!

If Ji Tianyao before, swallowed his anger and shrank, then Ji Tianyao now is like a \*\*\*\* of the world, full of energy.

In his body, an aura that made the heart of the Void God Hall Master and the others palpitated rose, vaguely surpassing the realm of the pinnacle of heaven, and even marching towards the supreme.

"Half-step supreme? No, it's a bit worse, but I have already touched this state."

Shen Gong Tianzun's eyes narrowed.

Everyone was shocked, this Ji Tianyao was already close to the half-step supreme, this guy, hidden is too terrifying, no one has ever known.

Until now, facing life and death, it was finally exposed.

Everyone looked at God Gong Tian Zun. Before, they thought that God Gong Tian Zun was tolerant enough, but now it seems that Ji Tianyao is far more tolerant than God Gong Tian Zun.

"Hmph, you finally exposed, Ji Tianyao, you can really bear it."

Xiao Wudao looked at Ji Tianyao coldly, and said with a sneer: "I thought it would be able to withstand it by approaching half a step to the Supreme? If the ancestor had guessed correctly, you should have known Ji Tianguang here already?"

"Over the years, your Ji family has been resuscitating Ji Tianguang, and even working hard for Ji Tianguang's resurrection." "The corpses of the ten thousand races that died in the prison mountain outside are not spies of the demons, nor are you Ji Tianguang. The sinners of the family, but the innocent people of your Ji family looted from the battlefield of ten thousand races, the purpose is to absorb the

The power of life, so that Ji Tianguang of your Ji family can survive until he wakes up. "

Xiao Wudao sneered. As soon as this remark came out, the audience was shocked.

### [Chapter 4317: Ancient chaos](#)

At this moment, everyone was shocked, unbelievable.

All the people who died in the ten thousand clan were actually brought back from the ten thousand clan battlefield by the Ji family, in order to... nourish the Ji Tianguang ancestor of the Ji family?

Thinking about it carefully, it seems that it is really possible.

In an instant, everyone changed color, incredible.

It's no wonder that they were all curious before, why are there so many powerful men from the Ji family in the prison mountain of the Ji family, the prison mountain is imprisoning the sinners of the Ji family.

But at this moment, everyone understood.

All the sinners were brought by the Ji family to draw the power of life and use them to resurrect the ancestors of the Ji family.

The Ji family has actually arranged such a game for hundreds of millions of years.

"Hahaha, Xiao Wudao, you are not too stupid, you are worthy of being the ancestor of the Xiao family, a supreme figure." Ji Tianyao coldly snorted, and a divine rainbow burst into his eyes.

He stepped out step by step, his breath continued to rise, and finally, he completely entered the half-step supreme realm.

The billowing chaotic aura lingered around him, like a \*\*\*\* and demon.

"Ji Tianyao, this matter is a matter of your ancient world, it has nothing to do with me, so let me out quickly." Kunpeng Valley Master and others changed color and shouted.

At this moment, they felt the half-step supreme aura on Ji Tianyao's body, and their hearts were palpitating and shaking.

no doubt.

Next, there will be a terrifying battle here, concerning the Xiao family, the Ji family, and the ancients.

However, they don't want to participate in the battle of the supreme level at all. If they rush into the battle at this level, they are very likely to fall.

"Hahaha."

Xiao Wudao looked up to the sky with a long smile, coldly glanced at the Lord of the Void God, the Lord of Kunpeng Valley and many other powerful people, and sneered: "Idiot."

The Kunpeng Valley Lord and the others changed color.

Fuck, who do you scold?

Do you think you can swear casually?

Xiao Wudao sneered: "This Ji family has been here for hundreds of millions of years. The purpose is to revive the ancestors of their Ji family. Haven't you seen the corpses of the ten thousand races here? Among them, there are not only ten thousand races but also human races. , Even his Ji family."

"In order to revive the ancestors of the Ji family, the Ji family dare to sacrifice even their own clansmen? Have you seen the two Ji family disciples? What sinners? It's just a name of the Ji family, all prepared for the resurrection of Ji Tianguang nourishment."

"Now that you all broke into the depths of this prison mountain, do you think the Ji family will let you leave safely?"

Xiao Wudao sneered again and again, are these top human race forces really all idiots? What do you think?

Hearing that, everyone present changed color.

They actually guessed this possibility, but they didn't want to admit it. After all, no one wanted to be involved in the disputes between the ancients, especially for them, there was no benefit. Ji Tianyao snorted: "Everyone, don't listen to Xiao Wudao's nonsense. My Ji family has been lurking for many years, just to regain what originally belonged to my Ji family. You are the leaders of the major forces in the Human race. How can my Ji family Don't be afraid

Is the Human Council sanctioned? "

Right.

Everyone nodded.

The Ji family's fight against the Xiao family can still be regarded as a dispute in the ancient world, and it can be reconciled in the Human Race Council, because in the eyes of the human race, the ancient family of the ancient world, which has been hidden from the world, is actually regarded as a power, and the Xiao family is the ancient Representative of the ancient people.

The dispute between the Ji family and the Xiao family is still reluctant. As long as there are sufficient reasons, the Human Race Council can be persuaded by turning around.

But if the Ji family dared to kill the many other heavenly powers in their presence, the Human Race Council would surely be furious, and suppressed, how could the Ji family be in a fight against the entire Human Race?

"Then please ancestor Ji Tianyao let me wait out first." The Void God Hall Master and others said solemnly.

Ji Tianyao looked like a cold star, and said coldly: "Not for the time being, my clan Chaos Array, after opening, can not be easily closed. I can only aggrieved you to wait here, and wait for my Ji family to destroy the Xiao family, and then invite you to leave here. "

Ji Tianyao gave a cold snort and waved his hands.

Rumble!

Suddenly, between the world and the earth, a huge array of rolling chaos surged, and the power of the yin and yang released a terrible murderous intent to directly suppress the people of the Xiao family.

At this moment, the world changes color, and the connection between the world and the universe seems to be severed because of this. Only the terrifying ancient power of chaos is constantly shaking. "Huh, do you think you can be invincible if you break through Half-Step Supreme? It's ridiculous, what Half-Step Supreme, Supreme is Supreme, you just touched the threshold of the Supreme, but you are always suppressed by the origin of the universe, not reaching the Supreme? You forever

Far from knowing how strong the Supreme is. "

Xiao Wudao didn't panic at all, he walked out step by step, a giant snake phantom appeared in his body, and then he killed Ji Tianyao forcefully.

"dead!"

Rumble!

Many powerful players in the Xiao family also shot together with Xiao Wudao.

Cang Dang!

The world was thundering, and the power of the supreme was permeated, bombarding the chaos array, the entire chaos array shook violently, rumbling, as if about to burst.

But immediately, this ancient chaotic array gradually calmed down.

what?

The people of the Xiao family changed their colors, but the ancestor's blow didn't break the big formation laid by the Ji family?

how is this possible?

Although the Ji family's big formation is very strong, it can be called the supreme-level big formation, but the ancestor Xiao Wudao is now shooting.

Xiao Wudao, a strong man who had become a supreme man countless years ago, actually failed to break this chaotic array.

At this time, Shen Gong Tianzun frowned and said: "This formation contains the power of chaos, which seems to be able to cover the power of the universe."

That's right, in this ancient chaotic array, Shen Gong Tianzun vaguely felt that the perception of himself and the origin of the universe had become much weaker.

Although the supreme is suppressed in the universe, and can even influence and suppress some of the supreme rules of the universe, but after all, it is not detachment. The supreme-level power can also mobilize the power of the universe in the universe.

It can even mobilize some of the power of the supreme rules of the universe.

This is the core strength of the Supreme, the essence that is far above the Supreme.

But now, this ancient chaotic formation actually cut off part of his connection with the origin of the universe, which also caused the supreme power to be suppressed.

"Xiao Wudao, it's useless, you can't break this place."

Ji Tianyao shouted angrily.

"is it?"

Xiao Wudao's eyes were cold, and he felt the suppressing force.

"It's ridiculous. It's really interesting to isolate the power of the rules of the universe with the ancient chaos array, and it will definitely suppress the supreme." At this time, Xiao Wudao did not panic at all on his face, but sketched out a mocking smile: " But, don't you know, my ancient family, who inherited the blood of ancient chaotic creatures, can be called the chaotic family? You chaos

The ancient formation can suppress other Tianzun, how can it suppress me Xiao Wudao? "The voice fell, and countless black ancient chaos burst out of Xiao Wudao's body.

### [Chapter 4318: Awe-inspiring](#)

Wow!

All the black chaos and ancient spirits quickly turned into a pitch-black python.

This giant python, meandering boundlessly, hovered on Xiao Wudao's head, exuding an aura of destruction of the universe.

what is this?

Everyone changed color, showing awe.

Previously, the chaotic power emanating from Xiao Wudao's body was not very obvious, and even the bloodline of chaotic creatures was not clear.

But now, the black ancient python above Xiao Wudao's head is extremely clear, opening his cold eyes, as if he could see through the stars of the universe.

What kind of creature is this?

Rumble!

Above this phantom, the billowing chaotic aura exploded, and the ancient chaotic array arranged by the Ji family suddenly roared in shock.

"what?"

"what is this?"

Ji Tianyao screamed in anger, his eyes shocked.

"Huh." Xiao Wudao sneered, and stepped forward, "You are just a half-step supreme. If you don't reach the supreme, the blood is not purified, how do you know the true ability of my ancient race?"

"This is my ancestor of the Xiao family, chaotic creature, ancient celestial robbery python!"

boom!

When these words fell, the world shook and time shook.

Ancient celestial robbery?

This name is too domineering.

Just spit out his truth, it caused a sensation in the world.

The universe is the universe in all directions, and the universe has always been the universe.

This dark chaotic ancient python called itself the ancient robbery python, and it must have been earth-shattering in the ancient times. "You ancient Chaos Formation is useless with me. Today, your Ji family has framed many Heavenly Powers of the Human Race and imprisoned the disciples of Heavenly Work. It has also intercepted and killed countless members of our Human Race Alliance for hundreds of millions of years. My Xiao family is an ancient world. Leader, get rid of today

Your Ji family, your Ji family is afraid that this place will be destroyed. "

Xiao Wudao coldly said, leaning out his big hand, and immediately the breath of the ancient celestial robbery snake shocked the universe, and with a bang, it directly tore the ancient chaotic array of Ji family apart.

The ancient robbery python, originally a chaotic creature, is now invincible in this chaotic array.

"not good."

Ji Tianyao changed color and roared: "Ji family disciple, follow me."

Whoosh whoosh!

Under the leadership of Ji Tianyao, a group of people from the Ji family quickly retreated back to the hall of Yin and Yang.

"Want to go, did you go?"

Xiao Wudao sneered, stepping out step by step, really like a \*\*\*\* and demon, entering the hall of Yin and Yang, unmatched, and swept invincible.

too strong.

"Is this the Supreme Strong?"

The Void God Hall Master and the others all sucked in air-conditioning.

The ancient race is worthy of being an extremely terrifying race in the human race. It has been hidden for many years. Although it is rarely born, it still has a certain right to speak in the human race council.

In the past, they did not understand, but today, they deeply feel the terrible of the ancients.

As the descendants of ancient chaos creatures, the ancient tribe possessed astonishing methods.

Xiao Wudao stepped into it step by step, bombarded away, unmatched in strength, and even wanted to kill Ji Family and Ji Tianguang together.

"Hahaha, Xiao Wudao, are you really invincible? Old ancestor, do it soon!"

But at the moment when Xiao Wudao stepped into the hall of Yin and Yang, Ji Tianyao's originally panicked face suddenly showed a frantic smile and shouted at Ji Tianguang.

Divine light suddenly burst out of Ji Tianguang's defeated eyes.

Boom!

The earth shook.

In this hall of yin and yang, two forces, one black and one splendid, swiftly revolved, and suddenly formed a cage, which suddenly enveloped the phantom of the ancient celestial snake on Xiao Wudao's head.

Boom boom boom!

Xiao Wudao changed color, constantly stimulating the blood of the ancient robbery python, trying to blast through the yin and yang cage, but this yin and yang cage was not moved at all, but the ancient robbery phantom, in the yin and yang cage. Under the oppression of the people, constantly struggling.

"No...this...this is not Ji Tianguang's power, what is this?"

Xiao Wudao changed color and looked at the yin and yang breath in anger.

"Hahaha, Xiao Wudao, you are in the middle."

Ji Tianyao laughed frantically: "Xiao Wudao, what do you think my Ji family arranged for this place? To trap and kill you, it's ridiculous, you didn't know, but you entered in a high-sounding way, hahaha, today, you will die undoubtedly."

"Ancestor!"

In the distance, Xiao Wujin and others changed their colors frantically, desperately bombarding the yin and yang breath, but as soon as their power touched the yin and yang force, suddenly, in the yin and yang breath, there were two terrifying breaths. A phantom appeared.

One of the phantoms, colorful, was actually a peacock, full of divine light, the phantom feathers unfolded, and the universe was shaking.

And the other phantom was a dark dragon-shaped creature, exuding a cold aura. This dark dragon-shaped creature radiated from the path of the fire in the prison mountain.

Hum!

The attacks performed by these two forces on the people of the Xiao family swept across...

"what!"

Suddenly, a scream sounded, and a Tianzun in Xiao's family couldn't dodge, and was directly swept in, with a bang, and instantly shattered. In the body's blood and soul, a faint black air current was directly swallowed by the force of yin and yang.

It is the blood aura of the ancient robbery python.

Although Tianzun could not return to the ancestors and condense the ancient blood, the disciples of the Xiao family actually possess the blood of the ancient celestial snake, but they are different in strength.

After this Xiao Family Heavenly Venerate fell, the ancestral power in his body was immediately swallowed by these two terrifying chaotic creatures.

Not only the power of blood in his body, but also the phantom of the ancient celestial snake on Xiao Wudao who was surrounded by two terrifying chaotic creatures, was trapped in it and was attacked frantically.

"puff!"

A mouthful of blood spurted out, and Xiao Wudao looked at the top of his head in horror, and roared: "What is this? Two chaotic creatures, your Ji family, as far as I know, they should be inherited from the ancient blood of a certain chaotic bird. Why are there two? The breath of chaotic creatures."

Xiao Wudao roared, extremely frightened. "Hahaha." Ji Tianyao looked savage, and said coldly: "Yes, my Ji family does inherit the blood of the ancient chaotic birds. You said before that you can never feel the blood of your ancestors unless you reach the supreme. Actually, I'll wait for Ji family bloodline

I already knew that it was the blood of the ancient phantom feather peacock. "

"The ancient chaos creatures, the Phantom Ling Peacock King, is the ancestor of my Ji family, and the other force is the black candle dragon beast that killed the ancestor of my Ji family's chaotic creatures, the Phantom Ling Peacock King."

"Do you know that this place is the place where my ancestors of the Ji family, the Peacock King Huanling and the black candle dragon beast, died?"

boom!

As soon as this remark came out, the audience shook.

Xiao Wudao's eyes widened in shock and anger. Here is the place where the ancestors of the Ji family have fallen?

"Hahaha, your Xiao family, although it is now the first family in the ancient world, do you know that in the ancient world, my Ji family was the only king of the ancient world?" Ji Tianyao roared, majestic and win-win.

#### [Chapter 4319: Billions of years of layout](#)

At this moment, Ji Tianyao was full of spirits, and the chaotic energy surged like a \*\*\*\* or a devil.

He raised his head to the sky and laughed, his voice rumbling, telling a secret. "At that time, several great chaotic creatures in the ancient world besieged my Ji family's ancestor, Huanling Peacock King, and my Ji family's ancestor, Huanling Peacock King, fought to the death. In the end, they were beheaded by another giant black candle dragon beast, but they were dying. Before, my ancestor of the Ji family, Huan Ling, Peacock King also cut

Killed the black candle dragon beast, both sides fell here. "

"In that battle, my ancestors of the Ji family and the black candle dragon beast fell here. On the contrary, your ancient celestial robbers, the chaotic creatures hiding behind, lived to the end. It's ridiculous, how ridiculous."

Ji Tianyao roared.

"This power of Yinhuo is the original power of the black candle dragon beast, and why did my Ji family Ji Tianguang ancestor collapsed and the origin was destroyed, but it can be resurrected? It is precisely because this place has my Ji family ancestor, the Magic Ling Peacock The origin of the king." "Ancestor Ji Tianguang is here to heal his wounds after knowing this secret, but he knows that even if you are completely resurrected, with the ancestor's supreme cultivation base, it may not be able to kill you. Therefore, he deliberately set this must The place to kill, the remaining power of the two chaotic creatures

, Can kill your Xiao family ancient robbing python, swallow it. "

"By then, the power of your Xiao family will become the nourishment for my Ji family, and my Ji family will also return to the peak of the ancients."

Ji Tianyao said savagely, his eyes frantic, like crazy.

The overall situation is now set.

He flew freely.

In the Hall of Yin and Yang, the Ji family, Ji Tianqi, Ji Nanan, Ji Xinyi and others, were all excited and shocked.

This place of Hell Mountain was actually the place where their ancestors of the Ji family had fallen. It was incredible and could not be imagined.

They have always, Prison Mountain is really just a forbidden place for their Ji family, a place used to punish sinners, but they did not expect that this place is actually related to their ancestors of the Ji family.

Unexpectedly, the ancestor Ji Tianguang did not die, but secretly repaired it here.

What everyone did not expect was that this place turned out to be a trap site specially set up by the ancestor Ji Tianyao to trap the ancestor of Xiao Wudao.

At this moment, everyone was shocked, dumbfounded, and swayed.

ruthless.

Too ruthless.

In order to design to kill Xiao Wudao, the Ji family has arranged a game for billions of years. Over the years, they have been silently preparing for it. How can they stand?

Patriarch Ye and Patriarch Jiang both changed their colors.

Over the past countless years, how the Ji family was suppressed by the Xiao family, their two ancient tribes naturally know and understand that if it is them, if they know that their ancestors are not dead, but they will be resurrected, they will choose to forbear. ?

I'm afraid I can't.

After all, billions of years of forbearance, forbearance to the end, I am afraid that the ambitions and ambitions are worn away, what is the meaning of such forbearance?

But the Ji family did it.

The Ji family knew that even if Ji Tianguang was resurrected, even if the supreme cultivation base returned, he would not be able to kill Xiao Wudao, and would fight against the Xiao family at most, so they chose to dormant.

Dormant for hundreds of millions of years.

The reason is to introduce Xiao Wudao into the Ji Family Prison Mountain today, enter the trap, and enter the Yin-Yang Hall.

With the origins of the two great chaotic creatures, the Peacock King and the black candle dragon beast, swallowing the chaotic blood of the ancient celestial snake in Xiao Wudao's body, one weakens Xiao Wudao's strength, and the other is used to resurrect Ji Tianguang. .

The combination of the two can kill Xiao Wudao here.

This kind of method and the layout of these billions of years have made everyone not shocked or shocked.

Ji family, terrible!

"No, it's impossible." Xiao Wudao roared, furiously struggling, and the supreme power exploded, trying to rush out, but in the world, the darkness and the splendid two forces bite Xiao firmly. The power of the innocent ancient celestial robbing python is rapidly consuming his body

The power in the middle made him immobile.

This is not Ji Tianguang and Ji Tianyao, two top powerhouses besieging Xiao Wudao, but the Magic Ling Peacock King and Black Candle Dragon Beast are attacking the Ancient Tribulation Python.

It's a battle of chaos!

"Ji Tianyao, how do you know that the ancestor is coming? Impossible! Give me a break!"

Boom boom boom!

Xiao Wudao frantically urged the supreme power to break the seal.

"Xiao Wudao, don't waste your efforts, you can't escape." Ji Tianyao laughed up to the sky, "Indeed, I don't know when you will enter the depths of my Jijia prison mountain and enter this trap. , What I think is to marry the people of the Ji family into your Xiao family first, while dispelling your Xiao family's murderous intentions, deliberately secretly

Leaking the matter of breaking through the half-step supreme, when the time comes, when your Xiao family is angry, you will definitely do something against my Ji family, and then introduce your Xiao family into this prison mountain, and discover the secrets of the prison mountain little by little. "

"But in this way, how to deceive you into entering this hall of Yin and Yang is a troublesome thing, because you have enough time to observe this hall of Yin and Yang, and you may even discover the essence of Yin Fire."

"But I never expected that the martial arts contest held by my Ji family actually attracted Master Shengong Hall. Moreover, Master Shengong Hall was actually the supreme powerhouse, and the Star God Palace Lord and Dayu Shenshan actually wanted to use me. Xiao family, work for the sky."

"As a result, you actually attracted you Xiao Wudao directly, even directly into the depths of my prison mountain."

"What a surprise."

Ji Tianyao showed excitement: "Under the presence of many of the top human race forces, and under the attention of the Master of the Divine Worker, you Xiao Wudao unexpectedly had no intention of discerning it. Going directly into this Yin and Yang Hall is really God's help."

Ji Tianyao laughed wildly, his voice rumbled, and he was unbeatable.

"hateful."

Xiao Wudao was furious, booming, and constantly making moves, but he couldn't break free at all. In his body, the power of blood was swallowed frantically.

"Ah!" He snarled up to the sky, furious, turned his head to look at Shen Gong Tianzun, and said in anger: "Master of Shen Gong, what are you still hesitating? This Ji family framed your Tianzhu elder, and even wanted to kill. I wait, if Ji Tianguang and others succeed, you guys here

Everyone must die. "

Shengong Tianzun's expression changed, and Xiao Wujin and others were excited to look at Shengong Tianzun.

Being present at the moment, the only thing that can change the situation is Shen Gong Tianzun.

Ji Tianyao's complexion changed slightly, and he shouted: "The master of the divine work hall, why do you need to help Zhou be abused? This matter is a grievance between my Ji family and the Xiao family. It is a matter of my ancient family. If you intervene, you will be with me. Home is the enemy, why bother?"

"There are also your many forces. My Ji family has no grievances and no grudges against you. Today, my Ji family only destroys the Xiao family. As long as the Xiao family dies, everyone will leave safely."

Ji Tianyao said to the many forces present.

Shen Gong Tianzun's eyes flickered.

Qin Chen took a step forward and said angrily: "Ji Tianyao, as long as you let go of Ruyue and Wuxue, I don't need to intervene in my daily work." Ji Tianyao said solemnly, "No problem, but you can't let it go for the time being. You should feel it too. These two are not dead yet. I originally planned to dedicate Ji Ruyue to the Xiao family, but who knew that the two of them broke into this place and their blood was swallowed by the ancestor Ji Tianguang."

## [Chapter 4320: Old ancestor](#)

"But don't worry, Ji Tianguang's ancestor has already recovered. With the blood and vitality of Xiao Wudao, it is enough to be completely resurrected. Therefore, as long as Xiao Wudao dies, Ji Ruyue and Ji Wuxue can wake up. If Xiao Wudao is not dead, Ji Tianguang

In order for the ancestor to recover, the breath that broke out would inevitably swallow the life force in the two of them. "

"So even for these two people, you must never do it."

Ji Tianyao shouted, making Shen Gong Tianzun and Qin Chen both discolored.

After hesitating for a moment, Qin Chen gritted his teeth and said, "Okay, I promise you, but if Ruyue and Wuxue have any accident, this young master will kill your Ji family even if he kills the universe."

Qin Chen shouted.

"Young man, don't worry, this ancestor swears by the ancestors of the Ji family that he will never hurt these two." Ji Tianguang said lightly.

"In that case, I won't intervene in this seat anymore." The master of Shengong Hall flashed his eyes and said lightly.

"you....."

The people of the Xiao family are all discolored.

Xiao Wudao was also frightened, this god-worker Tianzun was unexpectedly unable to save him.

"Hahaha, Xiao Wudao, what means do you have, even if you show it, today is the last day of your Xiao family. Your ancestor, killed him."

Ji Tianyao sternly shouted at Ji Tianguang.

"Xiao Wudao, back then, you cut off my main road and annihilated my origin. Today is the time of your death."

Ji Tianguang drank coldly, booming, in the body, divine light bloomed.

At this moment, this strong man who should have died long ago, unexpectedly burst out of endless divine light in his body.

The two yin and yang forces quickly merged into Xiao Wudao's body.

"what!"

Xiao Wudao screamed.

The skin of his body quickly dried up, his hair gradually turned gray, and his whole person was slowly aging.

Although this process is extremely slow, it is visible to the naked eye, making everyone discolored.

"Ancestor."

Xiao endless roared.

boom!

He shot and tried to rescue Xiao Wudao, but it was useless. Instead, the power in his body was absorbed by this hall of yin and yang, his aura was lost, he almost fell, and he had to back down again and again in horror.

Everyone felt it, and the power in Xiao Wudao's body was slowly disappearing.

A supreme, like a fish on a chopping board, was slaughtered.

"Boom!"

At this moment, Ji Tianguang's old and decayed breath was slowly disappearing, and a kind of life force was blooming.

He is devouring Xiao Wudao's power and reviving himself.

Terrible, terrible.

The Ji family is terrible, and everyone is discolored.

In the previous martial arts contest, the Ji family was suppressed by many forces, such as the Tianjiao and Xiao family. Everyone felt that the Ji family was even going to be annihilated.

Who knows that the peaks will turn around. In the blink of an eye, the Ji family has become so terrible, revealing sharp minions.

"For so many years, this seat is finally about to recover."

Ji Tianguang was excited and rumbling. In his body, the billowing aura surged, Xiao Wudao on the side was already unable to struggle, the power of the ancient tribulation python had been swallowed completely, hanging like a corpse in the Yin Yang Hall Among.

However, Xiao Wudao is a supreme powerhouse after all. Although he is trapped, he will not die for a while, but it is only a matter of time. Only waiting for Ji Tianguang to fully recover is enough to kill him easily.

"boom!"

In Ji Tianguang's body, the life force was rising and his essence was full, and the two forces of yin and yang were gradually entering his body and controlled by him.

Once a lot of power is integrated into his body, he can come back from the dead, seeing his body slowly stand up and recover again.

But suddenly--

collapse!

In Ji Tianguang's body, it seemed that something had collapsed, and a breath of corruption and death enveloped it again.

"How is this going?"

Everyone was shocked.

Ji Tianguang was also furious, and said, "What is going on?"

Buzzing!

I saw the power of the ancient formations lingering around him, quickly wrapping around his body, suppressing his power.

what happened?

Many people are discolored, incredible.

Is it Xiao Wudao's handwriting?

Everyone looked at Xiao Wudao, but Xiao Wudao was firmly suppressed, and he had no ability to fight back.

What is going on here?

"My ancestor."

Ji Tianyao also changed color and rushed forward, looking anxious.

However, as soon as he arrived in front of Ji Tianguang, he suddenly raised his right hand, banged, and spurred the Sifang Ancient Formation, and slammed on Ji Tianguang's head.

"what!"

In Ji Tianguang's body, the life force and terrifying supreme aura that had been continuously flooded before quickly dissipated and surged towards Ji Tianyao's body.

"Ji Tianyao, what are you beast doing?"

Ji Tianguang roared.

"Hahaha, what are you doing?"

Ji Tianyao looked up to the sky and laughed, "My ancestor, what do you say I am doing? Of course, it is devouring your power. You have been dead for so many years, why do you want to survive? Isn't it good to die obediently?"

Ji Tianyao has a hideous face, like a demon.

"what happened?"

On the field, everyone was stunned.

Why did Ji Tianyao and Ji Tianguang fight on their own?

"Ancestor."

Ji Tianqi, Ji Xinyi, Ji Tiandao, Ji Nan'an and other Ji Family Tianzun were all shocked and furious.

"Shut up and retreat to me." Ji Tianyao said grimly, and then looked at Ji Tianguang with a sneer: "My ancestor, you are a person who has died once, why do you have to think about resurrection? For so many years, juniors have been supporting Your nutrients, you have lived for so long, it's almost

Now, it's time to leave some opportunity for our young people. "

"What...what do you mean?" Ji Tianguang said in anger. "Hahaha, what do you mean you don't understand?" Ji Tianyao said grimly: "You are old. In order to resuscitate you, you must swallow the original power of the black candle dragon beast and the ancestor Phantasmal Peacock King, and even absorb this. The supreme power of Xiao Wudao.

"

"But, this is too wasteful. Collecting everything with you, including the lives and blood of thousands of races over the past countless years, and the people of my Ji family, you are just coming back from the dead, just a supreme. The potential has been exhausted."

"In order to resurrect you, my Ji family will lose future development, why bother?" "If you give me all your power, it will be good? Not only can I step into the supreme realm, but I can even become this universe in the future. The top powerhouse in China has gained the power of the three chaotic creatures. My ancient race will stand again in this universe.

Zhou Zhong. "

"So, my ancestor, I am the future of the Ji family."

"For the Ji family, you still don't resurrect, go to die, you die, these powers can belong to me, haha, hahaha."

Ji Tianyao looked up to the sky and laughed.

"You beast." Ji Tian was shaking with qi. On the side, Ji Tianqi and the others were also shocked. Everyone couldn't believe it. For the sake of strength, Ji Tianyao even pitted his ancestor.
