

Valkyrie 4321

[Chapter 4321: Reverse again](#)

Rumble!

The power on Ji Tianguang's body was rapidly disintegrating.

Moreover, the ancient chaotic formations also descended, continuously pouring into Ji Tianyao's body, making Ji Tianyao's body aura continuously improving.

"Hahaha, cool, so cool."

Ji Tianyao was extremely excited, excited and trembling all over, he had now stepped into the realm of half-step supremacy.

However, the half-step supreme is almost too far away from the real supreme realm. With his talents, he wants to truly enter the supreme realm. I don't know how long it will take, and even know that when he is old, he may not truly become a supreme supreme. .

Supreme, too difficult.

But now, as long as he absorbs the power in Ji Tianguang's body, he can directly break through to the supreme realm. How refreshing?

Why spend endless years, practice hard, and strive for such a chance to break through the supreme.

All you need to do is to swallow Ji Tianguang, everything can be accomplished in an instant.

"Ancestor!"

Ji Tianqi, Ji Nanan, Ji Xinyi and others were all dumbfounded.

Even they did not expect all this.

One is the ancestor of his own family, and the other is the ancestor of the family.

At this moment, Ji Tianqi and the others were dumbfounded.

Just looking at the ancestor Ji Tianyao's gaze, full of envy, full of longing, longing for strength.

"Lunatic, this Ji family is a lunatic."

Outside the Yin-Yang Hall, Patriarch Ye and Patriarch Jiang were all frightened and trembling, and the Hallmaster of the Void God and others were also shocked inexplicably.

"Animal, stop, if you don't have me, you are not the opponent of the Xiao family at all." At this time, Ji Tianguang was still struggling and roared fiercely.

Xiao Wudao did not die now, but was suppressed. If he died, Xiao Wudao would surely strike out again. But Ji Tianyao was fearless, and smiled grimly: "Yes, ancestors, you have solved Xiao Wudao for me. The current Xiao Wudao is just a half-waste person. I can do it if I absorb your power. Supreme, enough to kill this Xiao Wu in time

Road, hahahaha! "

"and....."

Ji Tianyao sneered: "My ancestor, for you, I sacrificed so many Ji family disciples. If you are the ancestor of the Ji family, you should judge yourself. You are sinful and contaminated with so much blood from my Ji family disciples, so why bother to live in this world? ?"

"Furthermore, you have laid out for countless years and set up dark hands here. Do you really think I don't know your purpose? Do you think you are the only one smart?"

"What do you mean?" Ji Tianguang said angrily. "What do you mean? Do you think I don't know?" Ji Tianyao said disdainfully: "Back then, my Ji family was divided into two factions. My line wanted to fight for the hegemony of the ancient world, but your line opposed it. In the end, I waited and forced the Ji family fought against the Xiao family, but unfortunately the most

Finally failed. And you, as the strongest person in my Ji family, actually fell down, your source was destroyed, and the avenue collapsed. In fact, you brought everything in my Ji family. "

Ji Tianyao looked savagely: "You were the strongest person in my Ji family back then, why did you lose? If you win, my Ji family is now the first family in the ancient world, but you have lost. The family has suffered for hundreds of millions of years. You brought it all."

"Animal." Ji Tianguang said angrily: "Obviously you want to fight for the hegemony of the ancient world. I am helplessly trapped by you, but you attribute the failure to others. How can there be an animal like you." "What? You were defeated by Xiao Wudao because of incompetence. Otherwise, the number one in the ancient world is now my Ji family." Ji Tianyao said frantically: "Yes, I forgot to tell you. The old man accidentally broke into this place and found the ancestor. ,

My ancestor asked me about the current situation of the Ji family. I once told my ancestor...My Ji family was mostly destroyed by the Xiao family, and I was the only one left to survive. You didn't doubt it. "

"but in fact....."

"Back then, after you fell, in order to be forgiven by the Xiao family, all the people in your family were hunted down by me, cramped and peeled, and sacrificed to the Xiao family, so that my line survived."

"Hahaha, now the Ji family, only the descendants of my lineage are left, everyone else has fallen."

"No, there are still remnants of sin that survived. It is the two people in the Hall of Yin and Yang today. They are the blood of the people who fled in the past."

Ji Tianyao sneered: "Now, you have sucked their lives in order to recover. This is the offspring of the extinct. The real beast should be you."

boom!

The audience was alarmed when he said this.

Everyone was dumbfounded.

Shameless.

There is such a shameless person in this world. Qin Chen and the others also had cold gazes, and they heard that it was Ji Tianyao's line that encouraged the Ji family to fight for the dominance of the ancient world, but the Ji Tianguang line was actually opposed to it, but Ji Tianyao's line was down, and helplessly involved in the ancient world. In the battle for hegemony, eventually

Ji Tianguang was defeated and suppressed by the Xiao family.

And Ji Tianyao's line, instead of thinking that he was doing something wrong, went crazy chasing down the people of Ji Tianguang's line and dedicated them to the Xiao family in order to survive, and the reason for the defeat of the Ji family was completely attributed to the defeat of Ji Tianguang. on.

Such a brazen person in this world?

The Master of the Void God Temple was stunned.

Where is the beast on Ji Tianyao's side? It's not as good as a beast.

"Hahaha, Ji Tianyao, do you really think you won?"

Suddenly, Ji Tianguang's expression suddenly became hideous.

"what?"

Ji Tianyao was taken aback, and felt a bit of a bad idea inexplicably.

"you....."

He just wanted to say something, but suddenly, banging, the whole hall of Yin and Yang, a series of terrible runes rose up, and instantly enveloped the whole hall.

"Ah!" These runes, like a stream of light, quickly entangled Ji Tianqi, Ji Xinyi, Ji Nanan and others. In a short time, the powerful vitality and blood of the powerful heavenly masters of the Ji family flowed out quickly. Start a little bit

Into Ji Tianguang's body.

"What? You..." Ji Tianyao looked over in disbelief.

I felt the steadily weak aura in Ji Tianguang's body, but he was agitated again.

"Huh, don't you think the ancestor didn't know all of this?" Where did Ji Tianguang still have the previous dead ashes, suddenly he stared at the rainbow, with a thud, Ji Tianyao suddenly kicked back, he suppressed Ji Tianguang's ancient chaotic array, In the severe tremor.

"What happened?" Ji Tianyao was furious. "Huh, Ji Tianyao, although the original ancestor was destroyed and the main road collapsed, he is not an idiot." Ji Tianguang disdainfully said: "You are not in a situation. Isn't it just for hundreds of millions of years, in the process of seeing me, you have secretly used it again and again. Means, to block this place, to pour me, a waste person, to use the opportunity of my resurrection to devour my power, and then to control the power of the black candle dragon beast and the magical peacock king, to achieve the supreme?"

[Chapter 4322: What a big show](#)

"Unfortunately, your conspiracy has long been seen through by the ancestor!" Ji Tianguang sneered.

"No, it's impossible, then why did you get caught?" Ji Tianyao asked in anger. "My ancestor doesn't do everything, will you continue to provide a steady stream of blood and life to my ancestor?" Ji Tianguang sneered: "Your plan is nothing more than setting up traps through the 10,000 and Ji family members who are constantly offering to you. Naturally will not see through, no

Where does the blood come from? "Now, you use your formation to restrict your ancestor, mobilize the essence and blood that the ancestor absorbed and imprints in your life, and swallow the power of the ancestor, but you forgot that there are Ji family members in this hall of Yin and Yang. People have the blood of the Ji family, but have never been

You set a mark, as long as the original ancestor absorbs their blood and life, it will be able to recover. Then, with the supreme power, it will be enough to break your conspiracy. "

boom!

Ji Tianguang's aura was prosperous, Ji Tianqi, Ji Xinyi and others began to shrivel at a speed visible to the naked eye, and the essence, vitality, and origin power flowed quickly.

"No... ancestors, spare us..."

Ji Tianqi and others shouted in anger, trying their best to resist. And Ji Xinyi's lowest level of cultivation is just the pinnacle of human respect, and it can't stop Ji Tianguang's swallowing. Her body quickly grows old. From a young girl, she quickly becomes an old woman who is extremely weak and lifeless.

thin.

This scene completely stunned everyone.

Rely on.

Older yin ratio, one yin ratio.

Everyone sucked in air-conditioning and was going crazy.

Today is really twists and turns.

A trap is surrounded by a trap, making everyone take a breath.

This Ji family is too cruel, too abnormal.

Ji Tianguang, in fact, knew Ji Tianyao's conspiracy a long time ago, but he remained calm, and even preferred to be imprinted by Ji Tianyao in his body, and swallowed up the people of the ten thousand races and the Ji family, in order to be able to resurrect.

And he also laid down methods here, not against Ji Tianyao, but against other people in the Ji family.

"Ancestor, save us."

At this moment, Ji Tianqi and others could not resist Ji Tianguang's engulfment even if they were the late Tianzun cultivation base, their flesh began to slowly age, their hair gradually turned pale and wrinkles grew.

Ji Tianyao changed color.

He already felt that as Ji Tianguang absorbed Ji Tianqi's power, his control over the imprints in Ji Tianguang's body became weaker and weaker.

Once Ji Tianguang completely swallows Ji Tianqi and the others, then, as Ji Tianguang said, his dark hands on Ji Tianguang will completely lose control, and Ji Tianguang will directly resurrect and become the supreme powerhouse. By then, he will not escape death. .

"Damn it."

In Ji Tianyao's eyes, a fierce flash suddenly flashed.

Whoosh!

He shook his figure and suddenly came to Ji Tianqi and the others.

Ji Tianqi and the others were pleasantly surprised, and even eagerly said: "Ancestor, save us."

His voice was not over.

boom!

Ji Tianyao slapped his hand suddenly, and slammed on the top of his head, and saw Ji Tianqi's body, like a watermelon, directly exploded by Ji Tianyao, blood flew across, and the origin collapsed.

"father."

"Patriarch!!!"

Ji Xinyi's eyes widened suddenly. Aside, Ji Tiandao, Ji Nan'an and other Ji Family Tianzun were also panicked.

In the accompanying essence and blood, a soul power rose up and evolved into a figure.

It is the soul of Ji Tianqi.

"Ancestor, you..."

Ji Tianqi looked at Ji Tianyao in disbelief, with despair, anger, regret, and disbelief in his eyes.

He didn't understand why the ancestor wanted to kill himself instead of saving himself. "Tian Qi, don't blame the ancestors, only you are dead to prevent Ji Tianguang from swallowing. You can rest assured that your strength will be inherited by the ancestors. You sacrificed for my Ji family. My Ji family will always remember, Ji Although you can't see the splendor of the home, it's old

The ancestor will go down for you. "

boom!

Ji Tiandiao's savage eyes suddenly filled with the terrifying power of the half-step supreme. With a bang, Ji Tianqi's soul screamed, directly annihilated, and annihilated under the origin of the two chaotic creatures.

Immediately afterwards, Ji Tianyao waved a big hand, and the billowing aura permeated, even swallowing Ji Tianqi's exploded essence and blood and origin.

The billowing blood and origin quickly merged into his body.

He is competing with Ji Tianguang for Ji Tianqi's vitality and origin power.

"Ji Tianyao, you beast, even the future members of my Ji family will be killed. Do you still have a conscience." Ji Tianguang roared.

"Conscience? What is that?" Ji Tianyao sneered, "In this world, martial arts dominate."

"brute!"

Boom!

The two fought frantically, both trying to suppress each other.

Whoever suppresses it will win.

However, after all, Ji Tianguang has been in the business for many years, not to mention the Ji Xinyi and others on the side, being controlled by him, Ji Tianguang's aura quickly recovered.

Ji Tianyao's face changed, his eyes were faint, and he looked at Ji Xinyi and others.

"Ancestor!"

Ji Xinyi felt a chill in her heart, only to feel enveloped by endless fear, looking at Ji Tianyao in panic and trembling.

"Everyone, don't blame the ancestors, for the future of the Ji family, you all go to die."

Rumble!

Ji Tianyao made a fierce shot. In the desperate and horrified eyes of Ji Nanan and Ji Xinyi, Ji Tianyao directly exploded several people, and their flesh and blood flew across, and the rolling source collapsed, rumbling, causing a huge shock between heaven and earth.

It's a pity that here is the source of chaos to obscure the secrets of heaven, otherwise, if a few heavenly deities fall in the outside world, it will definitely cause the vibration of the universe and heaven.

"Swallow me!"

Ji Tianyao roared, and Ji Tianguang crazily swallowed Ji Xinyi and their origin.

He can't fight for the living, but can't he fight for the dead?

now.

Silence on the court.

Everyone looked at all this dully.

Crazy, the people of the Ji family are lunatics.

In order to achieve supremacy, even kill their own people, in their eyes, in order to become stronger, let alone their own people, even their own sons are willing to kill.

Are the so-called ancient tribes people who have no ethical shame?

Everything in front of you has an unprecedented impact on everyone.

"what!"

Ji Tianyao roared. Under his swallowing, the strength of Ji Tianqi and others was pulled by him. After all, when he killed a few people, Ji Tianguang's layout had been broken.

"Hahaha, my ancestor, the ultimate winner is me." Ji Tianyao laughed.

"is it?"

Ji Tianguang's face was cold, and he suddenly raised his head to look at the two figures on the left and right sides, Ji Ruyue and Ji Wuxue.

Ji Tianyao suddenly changed color, this Ji Tianguang, wouldn't he want to swallow Ji Ruyue and Ji Wuxue?

Ji Ruyue and Ji Wuxue are both descendants of Ji Tianguang's line. If they absorb the essence and blood of these two people, even though they are not high in cultivation, once Ji Tianguang is restored, then he will be completely It's over.

"The master of the divine work hall, Qin Chen, didn't make a move to kill this Ji Tianguang, he wants to swallow the power of Ji Ruyue and Ji Wuxue." Ji Tianyao suddenly turned his head and roared.

"Huh, it's late."

Ji Tianguang screamed, booming, two forces permeated Ji Wuxue and Ji Ruyue directly.

"Sorry, although the two are descendants of the original ancestors, in order to recover, the two of them can only swallow you up."

Ji Tianguang was just about to devour it.

suddenly--

"Fuck!"

An applause sounded, and Qin Chen, who had originally looked furious, stepped out slowly at this moment, clapping his hands and smiling.

"Wonderful, really wonderful, what a big show in the Ji family, it is really wonderful." Qin Chen said with a smile.

[Chapter 4323: See through the disguise](#)

what?

At this moment, everyone looked over in amazement, with a look of confusion.

What happened to Qin Chen's deputy palace master who worked this day?

Even Shen Gong Tianzun was a little curious.

Although he knew what Qin Chen should know, he didn't understand why Qin Chen behaved like this at this time.

Now that Ji Tianguang and Ji Tianyao are fighting for the most critical juncture, Ji Tianguang is even going to swallow Ji Ruyue and Ji Wuxue. Shouldn't Qin Chen be anxious and nervous, and make a strong move to rescue the two?

Why is it still this expression?

Before the scene where Qin Chen was crazy for Ji Ruyue, everyone still remembered it, but now Qin Chen didn't seem to be nervous at all.

Ji Tianyao, who was originally nervous, suddenly felt happy at this moment: "Vice Palace Master Qin, please act quickly to intercept Ji Tianguang. This person is not as good as a beast, and even his descendants are killed. If you are slow, Ji Ruyue and the others will definitely Danger."

Hearing that, everyone looked strange.

Fuck, say Ji Tianguang is not as good as a beast? Where are you better than Ji Tianguang.

Ji Tianqi and Ji Xinyi are still not all descendants of your direct descendants. In order to prevent Ji Tianguang from devouring them, they didn't mean to kill them, or even if they didn't stop, they directly swallowed their blood.

Tiger poison still doesn't eat seeds.

You Ji Tianyao hasn't done such a brutal thing yet.

It's worse than Ji Tianguang.

"Huh, pretend to be a ghost." Ji Tianguang snorted coldly: "Young man, I know that you have a relationship with my descendants of the Ji family, but I'm sorry, Ji Tianyao is an unscrupulous descendant and wolfish ambition. Can swallow these two Ji family descendants, to

Blame, you can blame Ji Tianyao. "

When the words fell, Ji Tianguang was too lazy to talk nonsense, booming, the terrifying atmosphere of ancient times bloomed, a decadent, but full of vigorous aura, soaring into the sky, directly rolling towards Ji Ruyue and Ji Wuxue.

"Qin Chen."

Shen Gong Tianzun's eyes condensed and looked at Qin Chen. If he didn't do anything, Ji Ruyue and Ji Wuxue would be in danger.

However, Qin Chen remained silent, just sneered, Shen Gong Tianzun was curious and looked up.

boom!

I saw Ji Tianguang's breath suddenly descending, and the rolling power came down instantly on Ji Ruyue and Ji Wuxue, but in the next moment, everyone changed color.

Boom boom boom!

After this terrible aura impacted on Ji Ruyue and Ji Wuxue, the two of them were not even shaken at all, let alone being directly swallowed by Ji Tianguang.

"impossible!"

Ji Tianguang roared.

How is this possible.

Ji Ruyue and Ji Wuxue broke into his world. It was obvious that he had trapped each other before, and he could swallow them. But why, suddenly, he lost the relationship with Ji Ruyue and Ji Wuxue. contact?

He changed color.

The others present were also shocked and looked at Qin Chen one after another.

At this moment, the idiot also understood that all this must have been done by Qin Chen.

But how did Qin Chen do it?

"Humph." Ji Tianguang roared, "I don't believe my ancestor."

You could see the billowing chaos aura surging, and in an instant, Ji Tianguang's body was surging with an astonishing blood aura, crashing, in this world, the original power of the Yin Candle Dragon Beast and the Huan Ling Peacock King began to be attracted.

This Ji Tianguang was actually using his own blood to mobilize two sources to crush Ji Ruyue and Ji Wuxue.

But the next moment, his face changed again.

Because no matter how he induced them, the two chaotic creatures that had previously completely accepted his control were completely out of his control.

His shock was very serious, and his entire body was erected.

Not only was he shocked, but Ji Tianyao also changed color on the side, because his original intention was to swallow Ji Tianguang, and then merge the original power of the black candle dragon beast and the magical peacock king to break through the supreme realm.

But at this moment, in this yin and yang hall, these two forces turned into two torrents, swiftly surging towards the bodies of Ji Ruyue and Ji Wuxue.

The sluggish bodies of Ji Ruyue and Ji Wuxue, who had been in a coma, rose rapidly.

Rumble!

It's like a transformation.

"Boy, what did you do?"

Ji Tianguang and Ji Tianyao both looked at Qin Chen in anger.

"Kill." Ji Tianyao changed color. Earlier, he tried to get Qin Chen to prevent Ji Tianguang from killing Ji Ruyue and Ji Wuxue, but at this moment, he took the initiative to retreat and kill them, because the two were immortal. The original power of the beast and the phantom peacock king is to

It was completely swallowed by Ji Wuxue and Ji Ruyue.

"Master of the Palace of Gods, you come to stop Ji Tianguang, Ji Tianyao hand it to me."

When Qin Chen saw this, his face became cold, swish, and he went directly into the hall of Yin and Yang and killed Ji Tianyao.

"boom!"

In his hand, the mysterious rust sword appeared, and the sword turned into thunder, and lightning slashed towards Ji Tianyao.

And after Ji Tianguang lost Ji Tianyao's oppression, he also got a breath, boom, the supreme might, and completely broke out.

"Old Ancestor Ji, since he has been dead for many years, why bother to resurrect?"

Shen Gong Tianzun chuckled and stepped into the hall of Yin and Yang. On his body, the nine peaks of Tianzun's treasure appeared all together, turning into a rumbling array, directly trapping Ji Tianguang and crushing it down.

"Huh, where's the junior, get out of here." Ji Tianguang roared, with ancient aura blooming on his body, trying to break through the suppression of Shengong Tianzun, but Shengong Tianzun urged the nine top heavens and treasures, these nine top heavens. If the treasure is suppressed, if Ji Tianguang is in his heyday, it may be suppressed,

But at this moment, it had not been fully recovered, and it was immediately suppressed.

"Damn it, broken!"

Ji Tianguang frantically urged the surrounding phantom Ling Peacock King and Black Candle Dragon Beast, trying to suppress Shen Gong Tian Zun, in this world, he should be invincible.

However, no matter how he mobilized, these two original powers were not controlled by him at all.

On the other hand, Qin Chen slashed at Ji Tianyao, and Ji Tianyao sneered. Although Qin Chen's strength is strong, he can kill the power of the Heavenly Sovereign, but in terms of true strength, it is only close to the level of the late Heavenly Sovereign. How can he block his half step Supreme?

As soon as he raised his head and roared, suddenly, an ancient peacock figure appeared in the void, rushing towards Qin Chen.

boom!

This ancient peacock exploded with a terrifying aura and directly landed on Qin Chen's head, smashing the sword aura that Qin Chen had cleaved with a bang.

"So strong."

Qin Chen squinted his eyes, as expected to be a half-step supreme, just a breath made Qin Chen feel difficult to breathe.

But Qin Chen didn't panic at all on his face.

"Please also the two seniors."

Qin Chen said to Xu Kong.

"Hahaha, human kid, you can see through the disguise of my waiting, you are very good."

Roar! Suddenly, between heaven and earth, two terrifying chaotic auras rose up, quickly forming a chaotic defense in front of Qin Chen.

[Chapter 4324: Ruined](#)

boom!

Ji Tianyao's attack blasted above the chaotic defense in front of Qin Chen, and he heard a bang, and the ancient peacock figure collapsed completely.

"impossible?"

Ji Tianyao was furious.

what happened?

He suddenly raised his head, looking at the world, on the other side, Ji Tianguang also raised his head in shock.

I saw two chaotic figures emerging from the endless sky. These two figures, majestic and extremely large, instantly enveloped the entire Yin Yang Hall.

That is.....

Everyone looked up in amazement, and saw two terrifying chaotic auras surging in the sky, and then two terrifying figures that obscured the sky appeared.

A vast dragon floats between the heavens and the earth, and on the other side, is a chaotic blood shadow like a **** or a monster.

boom!

Two terrible auras were suppressed, and everyone present sucked in air-conditioning and backed away, looking shocked.

"That is....."

Many people looked scared.

Supreme, this is definitely the breath of Supreme Grade.

Shen Gong Tianzun also frowned, staring into the sky intently.

In these two phantoms, he felt an extremely terrifying supreme aura, and this supreme aura even surpassed him.

Chaos creatures, ancient Chaos powerhouses.

Shen Gong Tianzun's heart trembled, and his vision was far beyond ordinary people. Naturally, he could see that the two huge figures in front of him were definitely chaotic creatures, and they were the supreme-level chaotic creatures, even among the supreme.

Where did the two supreme creatures come from?

Shen Gong Tianzun looked at Qin Chen suspiciously. Are these two guys unrelated to Qin Chen?

"Junior Qin Chen, met two seniors."

In the hall of Yin and Yang, Qin Chen saluted the two figures with respect.

"Huh, Human Race boy, you are very good. When you entered this place before, you should have already sensed that I was waiting, right? You didn't make a difference, and kept hiding until now, haha, my ancestor looks very pleasing to you, yes, Not bad."

The dragon-like chaotic creature, Long Long said, the breath that radiated, shocked the ages, the oppressive Ji Tianyao and Ji Tianguang's complexion changed greatly, and their faces turned pale.

This is the terrible pressure from the depths of the bloodline in the soul, and it fell on the two of them, suppressing the strength in their bodies.

Chaos creatures, this is definitely an ancestor-level Chaos creature.

Ji Tianyao and Ji Tianguang sucked in air.

"Two seniors, you are..."

Ji Tianguang and Ji Tianyao trembled.

The Ye Family, the Jiang Family, and all the strong people present all looked over in shock, with surprise in their eyes.

Why suddenly, such two supreme-level powerhouses appeared here? Moreover, the deputy palace master Qin who worked in heaven seemed to have known it early? What exactly is going on? "Hmph, tell you, this ancestor is the ancestor of this ancient world. You can call me the Supreme Dragon Ancestor." The dragon-shaped phantom said, "This one is the Supreme Blood Ancestor, with strength. Well, it's a bit worse than the original ancestor, but it's better than that.

It's too much. "

"Hmph, old stuff, what nonsense, the ancestor is not much stronger than you in terms of strength!" The demon-like blood shadow sneered.

boom!

The breath broke out, shocking everyone present backing.

At the same time, the dragon god-like figure came through, and the voice quickly rang in Qin Chen's ears: "Little Qin Chen, we are acting. Naturally, we should be more aggressive. Don't mind."

And Blood River Saint Ancestor said in a voice transmission: "My lord, this old thing is too much. Taking advantage of the banquet, it is so arrogant to the master. You must teach him well when you look back."

"Old Blood River, what are you talking nonsense."

Honghuang Zulong said angrily.

These two people are not others, they are the ancestors of the great ancestors and blood river ancestors.

Earlier, Qin Chen entered this hall, and when he broke the ban, he saw some clues. There was the Great Ancestor Dragon and the Holy Ancestor of the Blood River. Everything that Ji Tianguang did was easily given by the two chaotic creatures. Caught it.

Therefore, while Ji Xinyi was in a coma and pretending to break the prohibition, Qin Chen let the Honghuang Ancestor Dragon and Blood River Saint Ancestor quietly enter this Yin Yang Hall. In this hall, the original powers of the two chaotic creatures, the black candle dragon beast and the Huanling Peacock King, are dominated by the identity and strength of the primordial ancestor dragon and the blood river saint ancestor, naturally quietly, they have sneaked in and quietly controlled Lived two chaotic creatures

The origin of Ji Ruyue and Ji Wuxue were protected.

This is why Qin Chen has always been extremely calm.

With the control of the power of Chaos by the Primordial Ancestor Dragon and the Saint Ancestor of the Blood River, in this hall of Yin and Yang, even the supreme may not be the opponent of the two.

"Supreme Dragon Ancestor? Supreme Blood Ancestor?"

In the presence, the four great families of the ancient world looked at each other, and Xiao Wujin and others were also astonished. Do they have the inheritance of the two great chaotic creatures in the ancient world?

However, in ancient times, there were many chaotic creatures in the ancient world, and it is really hard to say.

"Two seniors, this place is the place where my ancestors of the Ji family have fallen, you..." Ji Tianguang said hurriedly. "Huh, what's the place where your ancestors of the Ji family fell? Shit." Honghuang Zulong cursed, "Back then, the Huanling Peacock King and the Dark Candle Dragon Beast were both my subordinates, your ancestors, but my subordinates, Now, his subordinates have fallen, his

Source, naturally will be taken back by me. "Actually, I have been observing for a long time before. Although I can swallow the power of my two subordinates, with my strength, it is useless if swallowed, and can't be improved much, so as an adult, I'm naturally going to serve me

People looking for descendants. "

"These two Ji family disciples are sentimental, righteous, courageous and strategic. I am very satisfied. Here, I am waiting for the decision to bestow the original power of my waiting for the two heroes of the human race, condensed!"

The great ancestor and the blood river ancestor shouted together.

Suddenly!

boom!

The terrifying cold power of the black candle dragon beast, instantly like a vast ocean, quickly integrated into Ji Wuxue's body with the help of endless blood.

"what!"

Ji Wuxue uttered a sharp roar, and the dark and cold power of the black candle dragon beast continued to condense and enter his body, a breath of death permeated. This is the rule of death, the source of death.

It blends perfectly with that black candle dragon beast.

"boom!"

The aura on Ji Wuxue's body quickly climbed at this moment, stepped into the realm of Earthly Sovereign in one fell swoop, and was still improving.

And the other side.

boom!

The power of Huan Ling Peacock King was also instilled into Ji Ruyue's body by the great ancestor dragon. In Ji Ruyue's body, the terrifying power also quickly gathered.

The breath is rising steadily.

The peak of human respect, the respect of the earth, the mid-term of the respect of the earth...

It can be seen to the naked eye that Ji Ruyue and Ji Wuxue's originally weak aura is constantly enriching, and it is still violently improving.

"Do not!"

When Ji Tianguang and Ji Tianyao saw this, their expressions suddenly changed, and each one screamed in anger.

boom! The two rushed towards the Great Ancestor Dragon and the Saint Ancestor of the Blood River. The origin of this chaos was theirs. Once Ji Ruyue and Ji Wuxue were swallowed by Ji Ruyue and Ji Wuxue, their billion-year-old layout would be destroyed.

[Chapter 4325: Descendants of the Ancient World](#)

"court death!"

The Honghuang Ancestor Dragon and the Blood River Saint Ancestor shouted and shouted together, and two powerful forces instantly suppressed them. Rumble, this ancient Chaos Formation turned towards the suppression of the two powerful Ji Tianguang and Ji Tianyao.

"Do not."

Ji Tianguang and Ji Tianyao roared, but they were helpless. The reason why they were so strong was precisely because they had absorbed the terrifying power of the Phantom Ling Peacock King and Black Candle Dragon Beast.

Now, under the suppression of the Primordial Ancestor Dragon and the Holy Ancestor of the Blood River, the power within the two people is quickly suppressed, and constantly converges.

boom!

A series of chaotic ancient auras rose into the sky and turned into a vast ocean, flooding the world.

Bang bang bang!

Outside the Hall of Yin and Yang, Xiao Wujin and other powerful men were all shocked and flew out, all of them in shock.

But the chaotic aura permeated before him, but he couldn't see any clues at all.

In the Yin-Yang Hall, Qin Chen quickly transmitted the voice to Shen Gong Tian Zun and said, "Master of the Shen Gong Hall, this Ji Tianguang will be handed over to you."

The Master of the Divine Work Palace glanced at Qin Chen with a black line on his face. This guy actually ordered himself to come.

Is he the hall master or is he the hall master?

However, even though he thought so in his heart, the master of Shengong Palace kept moving with his hands, shaking his figure, and came directly in front of Ji Tianguang.

Rumble!

The nine top heavenly treasures were suppressed together, and Ji Tianguang was instantly enveloped.

"Master of the Palace of Gods."

Ji Tianguang roared: "If your daily work is willing to help me, the old man is willing to order the Ji family, surrender your daily work, and be driven by it."

At this time, Ji Tianguang can't think about it too much. Now, he has lost the blessings of the two chaotic creatures, and has lost the supreme power. In addition, he has been suppressed by the Primordial Ancestor Dragon and Blood River Saint Ancestor, and he can't resist God Gong Tianzun.

"Hmph, old man's work, how would you care about your Ji family? Ji Tianguang, you take the Ji family too importantly."

Shen Gong Tianzun snorted coldly, not paying attention, and the supreme aura broke out and directly suppressed it.

On the other side, Qin Chen's figure flickered, and instantly came to the ancestor Ji Tianyao.

"Suppression!"

Cang!

In Qin Chen's hands, a mysterious rust sword emerged, one piece was cut towards Ji Tianyao.

"Hmph, this seat is not Ji Tianguang's trash, you want to suppress me too."

Ji Tianyao roared, he was a true half-step supreme powerhouse, if he faced the divine worker Tianzun, he would naturally be afraid, but facing Qin Chen, he would ignore it in his heart.

His gaze flashed, and his heart was instantly on his mind, as long as he catches Qin Chen, there is not necessarily no room for escape.

Today, it is impossible to break through the supreme if you want to swallow the source of the chaotic creatures. However, after swallowing the blood of Ji Tianqi and others, he has also benefited a lot. As long as he can escape from here, breaking into the supreme in the future may not be hopeless.

Thinking of this, Ji Tianyao roared: "Kill!"

boom!

Half a step of the supreme qi exploded, directly rushing to Qin Chen.

"is it?"

Qin Chen sneered, and the power of the Primal Chaos suddenly exploded in his body.

"Roar!"

His body is majestic, and the power bursting out of the Primal Chaos instantly entangled Ji Tianyao.

Suddenly, Ji Tianyao felt a strong sense of oppression all over his body.

"What power is this?"

Ji Tianyao changed color.

How did he know that in other places, Qin Chen was naturally not his half-step supreme opponent.

But in this hall of yin and yang, under the suppression of the primordial ancestors of the primordial ancestors and the ancestors of the blood river, Qin Chen, who has the origin of chaos, has no fear of Ji Tianyao.

Go out!

The billowing original Qi exploded, and the aura of the Chaos Tree surged out of Qin Chen's body, entwining Ji Tianyao.

"Do not!"

Ji Tianyao felt the strength of the ancient people in his body, quickly passing by.

"Sure enough, this source of chaos has amazing suppression of the ancient chaos." Qin Chen was pleasantly surprised.

It should be known that the origin of chaos is a treasure that the Holy Ancestors of the Blood River cannot swallow and can only protect. How can the ancient power contained in Ji Tianyao's body be suppressed?

"Come!"

The chaotic air enveloped Ji Tianyao, instantly suppressing him in the chaotic world, disappearing.

On the other side, Shen Gong Tianzun also suppressed Ji Tianguang.

"My ancestor has been practicing hard for hundreds of millions of years. You are a junior, don't want to suppress me."

Ji Tianguang looked up to the sky and roared.

anger!

helpless!

"is it?"

Shen Gong Tianzun chuckled lightly. In this chaotic atmosphere, a quaint palace appeared, which was the hidden treasure hall.

The hidden treasure hall was turned into a towering palace, suppressed, and Ji Tianguang was immediately suppressed.

"Supreme Treasure?"

There was horror in Ji Tianguang's pupils, this god-worker Tianzun actually possessed the supreme treasure.

"This seat, even the space ancient beast clan Xuguo Sovereign dare to kill, you are only a half-dead, and you are trying to struggle? Close!"

In the hidden treasure hall, bright chains burst out, entangled Ji Tianguang in an instant, dragged him into the hidden treasure hall, and imprisoned him.

Suddenly, in the Hall of Yin and Yang, the two powerful Ji family were suppressed.

All of this was permeated in the chaos, so that the outsiders Xiao Wujin and others were completely unaware of it.

After doing all this, Shen Gong Tianzun raised his head and looked at the primordial ancestor dragon and the blood river saint ancestor.

He could feel that even though the aura on these two chaotic creatures was terrifying, he faintly did not dare to fight, his heart trembled.

But in fact, the power of these two people has a sense of vain.

"You should have laid these two guys?"

Shen Gong Tianzun looked at Qin Chen with a smile but a smile.

"Sir, Master of the Holy Work Hall, what did you say? The disciples don't understand." Qin Chen said in surprise.

"Hmph, you don't want to say it, you kid, it's very overcast."

Shen Gong Tianzun said with disdain, he could naturally see some clues.

However, he would not reveal Qin Chen, the origin of Qin Chen, others do not know, but he knew something from Xiaoyao Supreme.

Qin Chen's background is so great that even he has to change color.

Otherwise, how could he easily appoint Qin Chen as the acting palace master of Heavenly Work, really because of his talent? Naturally not.

At this moment, after Ji Ruyue and Ji Wuxue absorbed the power of the two chaotic origins, they cultivated together and finally reached an extreme!

boom!

With the breath of Tianzun, it diffused from the two of them.

Half-step Tianzun.

After absorbing the power of Huan Ling Peacock King and Black Candle Dragon Beast, Ji Ruyue and Ji Wuxue unexpectedly stepped into the realm of half-step Tianzun together, even more terrifying than Qin Chen's cultivation.

Moreover, it was only because the two of them had a low level of cultivation, they could only be promoted to a half-step Tianzun, otherwise the strength of the ancient chaotic creatures was enough to make Ji Tianyao break from the half-step supreme to the supreme level.

"Hahaha, I have already found the two descendants, and the people of the ancient world follow the orders. From now on, my descendants will be the descendants of the ancient world. If there is anyone who disobeys, this group will not be merciless."

boom! As the voice fell, the chaotic aura instantly dissipated between the world and the earth, turning into peace.

[Chapter 4326: Meet again](#)

In the hall of Yin and Yang, the billowing power surged, and the aura of the Primordial Ancestral Dragon and Blood River Saint Ancestor disappeared instantly.

Aside, Shen Gong Tianzun glanced at Qin Chen, with a smile drawn at the corner of his mouth.

Because, at the moment when the Primordial Ancestral Dragon and Blood River Saint Ancestor disappeared, he vaguely felt that these two auras flashed away on Qin Chen's body.

He wouldn't believe it if it was said that these two ancient chaotic creature powerhouses had nothing to do with Qin Chen.

"Boom!"

The Primordial Ancestral Dragon and the Saint Ancestor of the Blood River disappeared, and the power of the billowing Chaos was wiped out.

"What happened inside just now?"

"Where is the ancestor Ji Tianyao?"

"And the ancestor of Ji Tianguang also disappeared."

Outside, the Void God Hall Master and others all looked over in shock.

At the same time, their eyes fell on Ji Ruyue and Ji Wuxue.

At this moment, Ji Ruyue and Ji Wuxue both exude a terrible aura. Although they are only half-step Tianzun, they give the Xiao family, Jiang family, Ye family and others a terrible sense of oppression. Compression in the depths of the blood.

The next moment, Ji Ruyue and Ji Wuxue's eyes opened together.

"dust!"

"Qin Chen?"

Ji Ruyue and Ji Wuxue looked around suspiciously, as if they hadn't recovered from the confusion, and then, their eyes instantly fell on Qin Chen, all with excitement.

With endless joy on Ji Ruyue's face, she rushed over frantically, and Ji Wuxue flew over with excitement.

"dust!"

At this moment, Ji Ruyue had no thoughts in her mind, there was only one, and that was to rush into Qin Chen's arms.

"Karitsuki!"

Qin looked at Ru Yue excitedly, and the two suddenly hugged each other in this void. Qin Chen hugged Ji Ruyue hard, a familiar softness and sweet fragrance into his arms, the moment Qin Chen held Ji Ruyue, Qin Chen suddenly felt fulfilled. Although for various reasons, he couldn't meet Ji Ruyue, but today his hard work

The force finally succeeded.

Although he exposed a lot of his abilities, Qin Chen still felt it was worth it.

At this time, he was already a recognized Tianzun powerhouse, Tiangong's acting palace master, even if the top power wanted to move him, he had to worry about it.

From the battlefield of ten thousand races, to heavenly work, to the ancient world.

Along the way, Qin Chen paid a lot and worked hard, but when he hugged Ji Ruyue, he felt that it was all worth it.

Ji Ruyue was hugged by Qin Chen's powerful arms and felt the familiar smell on Qin Chen's body. She had completely forgotten what to say to Qin Chen, only to cry.

The feeling of loneliness that she couldn't bear in the prison mountain for a long time, the sense of helplessness in a strange family, finally left her at this moment.

She found Qin Chen, that was her man, no matter what happened in the future, she didn't want to leave him.

She couldn't bear the loneliness and loneliness, she couldn't bear the days without Qin Chen.

She wanted to shout out loud, but she really couldn't say a whole word.

When she rejected the ancestors of the Ji family, she was actually extremely brave in her heart, because she knew that Qin Chen would definitely come and find it, she firmly believed.

Tears fell crazily from the corner of her eyes.

She felt that the tears she had shed in the past few days were more than all the tears she had before combined, tears of despair and sadness, tears of excitement, tears of surprise, and tears that could not express the long-lost reunion.

She now understands that she is a woman after all, and all her feelings and emotions are expressed in tears, without a word.

She believed that Qin Chen would understand her.

"Don't cry, everything is over. After I pick up Sisi, we won't be separated again." Qin Chen felt sorry for Ji Ruyue's haggard face and tired eyes.

Ji Ruyue only knows to cry, she has a thousand words, but at this time she can't speak a word.

Even if she had had many hardships, she felt it turned into a cloud of smoke at this time.

It was already a shocking joy for her to see Qin Chen in her lifetime, and to be able to wait with Qin Chen for this was the expectation for countless times. Not to mention, at this time she was already in his arms.

Wanting to die for Sisi, Ji Ruyue felt a pain in her heart. Yes, she and Qin Chen were so uncomfortable not long after they were separated. What about Sisi?

When Sisi was taken away by Lian Xinluo in the trial place in the heavens, I don't know what happened to her?

"By the way, where is Qianxue?" Ji Ruyue woke up in shock.

"Qianxue is okay." Qin Chen looked at Ji Ruyue gently.

At this time, the Void God Hall Master and others watched this scene in shock, and even opened their mouths. At this time, no one could see that the relationship between Ji Ruyue and Qin Chen was very different, and they were like glue and paint, they were real husband and wife.

It is ridiculous that the Ji family still wants to dedicate Ji Ruyue to the Xiao family. Now, Ji Ruyue and Ji Wuxue both exude a terrible chaotic aura, plus Ji Tianguang and Ji Tianyao have disappeared, plus the words of the Supreme Dragon Ancestor and the Supreme Blood Ancestor, how can everyone not understand, Ji Ruyue and Ji Wuxue

After getting the inheritance of the origin of the chaotic creatures here, he became the real strong.

A group of people outside the hall of Yin and Yang just looked at them like this, shocked in their hearts.

"Ancestor."

At this time, Xiao Jia Xiao Wu Endless and others rushed into the Yin and Yang Hall with excitement. Now the chaotic aura in the Yin and Yang Hall has disappeared, and the Xiao Jia Xiao Wudao ancestor fell down all over his body.

The members of the Xiao family immediately transmitted the power in his body to Xiao Wudao, so that he gradually regained consciousness.

"Where are the two beasts, Ji Tianyao and Ji Tianguang?"

Xiao Wudao roared as soon as he woke up.

Boom!

The breath of the supreme class spread directly.

"No, Chen, this is the Ji family's prison mountain forbidden land, how did you get in? Be careful, the Ji family won't let us leave easily."

Until this time, Ji Ruyue recovered from her excitement and looked around in amazement.

"Don't worry, in the future, there will be no Ji family in this ancient world."

Qin Chen snorted coldly.

At this time, Ji Wuxue also flew over: "Qin Chen, did you do something serious again?"

At this moment, Ji Wuxue felt the surging cultivation level in his body, his eyes swept across the scene, and there was some speculation in his heart.

"Come, Wuxue, Ruyue, let me introduce him, this is the master of heavenly work."

Qin Chen said with a smile, and brought the two of them to Shen Gong Tianzun.

"Master of the Holy Work Palace?"

Ji Ruyue and Ji Wuxue were shocked and hurriedly stepped forward to salute.

"Hehe, no need, don't give me the courtesy." The master of Shengong Hall smiled.

On the other side, Xiao Wudao also heard what Xiao Wujin said and knew all this.

"You mean? Two chaotic creatures appeared here earlier, giving the origins of the black candle dragon beast and the magical peacock king to these two guys?"

A billowing murderous aura filled Xiao Wudao's body, and the supreme aura pressed toward Ji Ruyue and Ji Wuxue fiercely. Now he, the bloodline power of the ancient celestial robbery in his body has disappeared, how willingly, instantly murderous, to target Ji Ruyue and Ji Wuxue.

[Chapter 4327: Will not agree](#)

boom!

Xiao Wudao took a step forward, and suddenly the power surging from his body, the supreme aura swept over like the ocean, covering the sky and the sun.

Supreme, the real top powerhouse in the universe.

Xiao Wudao recovered so quickly, even if he just woke up from a coma just now, his originally shriveled, vitally damaged body had already agitated once again.

The billowing power in this ancient world rushed into his body like an ocean.

"So strong."

The Void God Hall Master and the others sucked in cold air. At this moment, they once again felt the awakening of an overlord.

It is no wonder that the supreme-level powerhouse will become the top core force of all races, suppressing an era, it is really supreme is too strong.

Xiao Wudao, who was clearly before, was still dying and depressed, but just for a short while, Xiao Wudao quickly recovered and once again suppressed the ages.

"Hand over the source of chaos."

Xiao Wudao screamed, booming, his big hand poked out, his eyes were like stars surging, and above his palm, the misty and chaotic energy surged, grabbing and shooting at Ji Ruyue and Ji Wuxue, like A world is covered, the sky is falling apart.

"Ok?"

Qin Chen raised his head suddenly, and cold light burst into his eyes.

This Xiao Wudao, do you want to die? I just killed Ji Tianguang and Ji Tianyao, this Xiao Wudao can be regarded as his own rescue. It can be said that he is regarded as the lifesaver of Xiao Wudao. I never thought that this Xiao Wudao had just regained, so he directly confronted Ruyue and Wu for the treasure. Snow hands,

Are people in this ancient world so shameless?

Feeling this terrible aura, the half-step Tianzun-level aura in Ji Wuxue's body instantly surged, and there was a terrible chaotic power blooming.

His eyes were cold and he was about to resist.

However, do not wait for him to take action.

"Humph!"

A cold snort suddenly sounded between the heavens and the earth, and he saw Shen Gong Tianzun taking a step forward, his big hand blasted out, and a huge palm immediately collided with the palm that Xiao Wudao blasted out.

Boom!

The world trembles and eternal death.

Kaka Kaka...A piercing sound of cracking resounded throughout the world, and everyone saw the hall of Yin and Yang that had trapped Xiao Wudao before. There were countless cracks in a sudden, and the glow of sunlight swept through hundreds of millions. , With a bang, the entire prison mountain blasted violently

Ming, rumbling and shaking.

"not good!"

"Rewind!"

Outside the hall of Yin and Yang, the Hallmaster of the Void God and others changed their colors and backed up one after another, displaying the aura of the pinnacle of heaven one by one, protecting themselves.

next moment!

Boom! In this ancient world, Ji's Prison Mountain, which has been standing for hundreds of millions of years, burst directly into pieces. Without the Hell Mountain guarded by the black candle dragon beast and the magical ling Peacock King, how can it withstand the two great The collision of the supreme strong, directly burst into pieces, countless

The huge stone fell from the sky and smashed into the surrounding Ji family mansion.

Boom boom boom!

In the ancient world, it seems like the end is coming.

"Xiao Wudao, you are so bold, do you dare to do something to my Tianzuo disciple, and seek death?"

Shen Gong Tianzun's eyes were cold, and he walked out step by step, his eyes cold.

He was also angry.

This Xiao Wudao, previously trapped by Ji Tianyao and Ji Tianguang's restraints, almost swallowed his essence and life. If he and Qin Chen hadn't solved the Ji family, he was afraid that he would definitely fall here.

Unexpectedly, this Xiao Wudao didn't know how to be grateful, and as soon as he woke up, he wanted to do something to his daily work disciples. Such an ungrateful, wolfish and ambitious person made Shen Gong Tianzun also cold in his heart.

"Shen Gong Tianzun, there is nothing to do with you here. Leave quickly. This matter is an internal matter of my ancient world. If you dare to intervene, Xiao Mou must write to the Human Race Council and sue you for a crime of undermining human unity."

Xiao Wudao said in a cold voice, tall and tall.

call!

I saw the power of the ancient world flooding into his body throughout the ancient world, making his figure even more majestic.

The ancient world is the territory of the ancient race. Xiao Wudao has been operating here for hundreds of millions of years, so he naturally has this confidence.

"Inside the ancient world?" Shen Gong Tianzun refused to give a step, his eyes were cold, and rumblingly said: "Ji Ruyue and Ji Wuxue are the people who work for me, so how come you talk about the internal affairs of the ancient world."

"Furthermore, if you hadn't been here before, you were afraid that you would have died after Ji's house. Could it be that the dignified supreme of the ancient world was actually an ungrateful generation?"

Shen Gong Tian Zunhan said. "Hahaha, ungrateful? It's ridiculous, what kind of grace do you have to me? You are just trying to seize the treasure of my ancient world, destroy the rules of the human race, and kill Ji Tianyao and Ji Tianguang. The old man doesn't care about you destroying my ancient world. ,
Actually

I dare to say that I am kind. "

Xiao Wudao let out a cold snort and stepped forward, murderously.

Although, he just woke up, his blood was taken away, and his origin was weak.

However, as a veteran expert in the ancient world, he didn't put Shen Gong Tian Zun in his eyes at all. In his opinion, Shen Gong Tian Zun was just a junior.

As for Shengong Tianzun's rescue, he doesn't think so. When he was in distress and asked Shengong Tianzun to take action, Shengong Tianzun did not take action. Now, even though he was killed because Shengong Tianzun killed Ji Tianguang and Ji Tianyao. And unblock.

But that was all just for the god-worker Tianzun to plunder his ancient treasures.

Of course the most important thing is, how can the origin of the chaotic creatures of the ancient world fall into the hands of others? The entire ancient world, only Xiao Wudao was qualified to swallow it.

If he can swallow the origins of the black candle dragon beast and the phantom ling peacock king, not only can he replenish the strength he lost due to the loss of the blood of the ancient robbery python, but also can follow one step further, and even enter a more powerful realm.

Don't say that it is Godgong Tianzun who is here, even if Xiaoyao Supreme is here, he will never let the other party take away the origin of his ancient chaotic creatures.

Boom!

Xiao Wudao has a towering figure, stepping out, murderous and ancient aura.

"The people of the ancient world listen to orders and arrange a large array. If the people who work in the sky don't hand over my things from the ancient world, they will act with me and kill foreign enemies." Xiao Wudao shouted sharply, his voice thunderous.

Below, Patriarch Ye, Patriarch Jiang and others changed their colors.

With Xiao Wudao on one side and Shen Gong Tianzun on the other, he was suddenly embarrassed.

"Ancestor." At this moment, Xiao Wujin's face changed slightly, and he hurriedly said: "These two are the descendants of the Supreme Dragon Ancestor and the Supreme Blood Ancestor. You just woke up, the ancestor, and you don't know." The Dragon Ancestor and the Supreme Blood Ancestor? The original ancestor is the supreme of the ancient world, the descendant of the ancient tribulation pythons. I have never heard of the Supreme Dragon and the Supreme Blood Ancestor in this ancient world. According to the original ancestor, it must be This day's work set a trap, and Ji Tianguang and Ji Tian

Yao died, and let his subordinates swallow the chaotic creatures of my ancient realm. The so-called Supreme Dragon Ancestor and Supreme Blood Ancestor are just blindfolds laid down by Heaven. "

Xiao Wudao rumblingly said, stepping forward. "The master of the divine work hall, the origin of the chaotic creatures is the thing of my ancient world. Your Excellency has eradicated rebellion for my ancient world, and you have crossed the boundary. However, your Excellency Nianzai also contributes to my ancient world. I don't bother to care about it, but the things in my ancient world must be returned to my ancient world.

[Chapter 4328: War of the Ancients](#)

Xiao Wudao said coldly, waving his big hand, and saw that the endless chaotic aura in the ancient world turned into vast sky pillars, rumbling, the power of the ancient world was suppressed by his side. Formed a cage of heaven and earth

.

"Hmph, ridiculous, Xiao Wujin, you are looking for death."

Shengong Tianzun coldly snorted, booming, inside his body, nine top-level Tianzun treasures all appeared, instantly transformed into a large formation, swept out.

Cang Dang!

The world shook, and Xiao Wudao and Shen Gong Tianzun collided crazily.

boom!

The entire Ji family ancient land shook violently, the sky fell apart and the ground broke, and countless buildings collapsed.

"what!"

In the Ji family territory, there was a screaming sound, and many Ji family disciples fled frantically, looking terrified.

Although there is a terrifying ancient chaos formation in the Ji family's ancestral land, but without the blessings of Ji Tianyao and other Tianzun powerhouses, the current Ji family can't resist such a terrifying supreme-level power at all, as if they have become purgatory.

The screams resounded all over the world.

Rumble!

Xiao Wudao and Shengong Tianzun fought, one spurred the ancient chaos in this ancient world, and the other spurred the nine heavenly sages and treasures. The two sides fought together, and the world suddenly fell apart.

"Everyone in the ancient world obeyed the order and killed me."

Xiao Wudao's roar came from the sky.

Many powerful people in the Xiao family looked towards Xiao Wu Endi.

Xiao Wujin's eyes were cold, "Do it!"

Boom.

He shook his figure, and rushed directly to Qin Chen and his party.

Although he did not approve of the actions of the ancestor Xiao Wudao, since the ancestor had already started and gave orders, as the head of the Xiao family, he naturally had to follow the orders.

"The Ye family, the Jiang family follows the order to protect the safety of our ancient world and do it."

Xiao Wujin shouted sharply at the Ye Family and Jiang Family.

"Hmph, whoever dares to do it, the Ji family is his footsteps."

Qin Chen stood up suddenly, his eyes cold.

This Xiao family is looking for death!

"Hmph, hold him first."

Xiao Wujin snarled, ignoring the Ye Family and Jiang Family, leading the Xiao Family masters, rushing towards Qin Chen. Although Ji Wuxue and Ji Ruyue broke through to the half-step Tianzun realm, they are stronger than Qin Chen in terms of aura, but in Xiao Wujin's view, Qin Chen is the biggest threat. Ji Ruyue and Ji Wuxue are just the Ji family. It's just two juniors, not at all

Of what.

Even if it had obtained the origin of the ancestors of the Chaos and obtained a breakthrough, it was incomparably vain, and it was not justified.

On the contrary, it was Qin Chen who had previously calculated Ji Tianyao and Ji Tianguang, so that he had to look down.

"kill!"

Xiao Wujin slapped his palm, and the world shook suddenly.

"cut!"

A mysterious rust sword appeared in Qin Chen's hand, slashed out with one sword, and suddenly, the sword's light burst into the sky, turning into a sword formation, and swept out.

Immediately after.

"Wan Jianhe!"

Rumble!

The vast golden sword gas turned into a golden sword river, swept out, and headed towards Xiao Wu-Endless.

Xiao Wujin was not afraid at all, the peak of Heavenly Sovereign aura surged, directly tore Qin Chen's sword aura, and slashed his palm on the Wanjian River with a bang. Suddenly, the golden sword river made a violent sound, trembling violently, and shaking endlessly. .

In addition, a terrifying peak of Heavenly Sovereign power broke through the golden sword river and struck Qin Chen.

"Hmph, Haotian Divine Armor." Qin Chen snorted coldly, the power of the tumbling chaos surging, and immediately, an armor appeared on Qin Chen's body. The power of the pinnacle Heavenly Sovereign blasted on the armor on his body and was swallowed by the Haotian Divine Armor. A small part of the force rushed into Qin Chen's body, unable to give Qin Chen

Come fatal injury.

"Huh? What!"

Xiao Wujin was shocked and unbelievable.

Qin Chen is just a pinnacle, even if there is a top-level Celestial Supreme Treasure like Wan Jianhe, how can he withstand a blow from his pinnacle Celestial Venerable?

Xiao Wujin was frightened, but Qin Chen was cold.

I think he was in the battlefield of ten thousand races and was blocked by the demon **** of the spirit demon clan. At that time, he could not resist the attack and killing of the devil **** who was the pinnacle god. A casual blow could cause him serious injury, even Fall.

now.

Xiao Wujin, who was also the pinnacle of heaven, could easily cause him no harm with a blow.

Before he knew it, Qin Chen was already strong to the realm of the patriarch of a powerful race in the universe.

And when Qin Chen and Xiao Wujin were fighting together, the other powerhouses in the Xiao family all rushed towards Qin Chen. As long as they held Qin Chen, the master of the Palace of Magical Skills would definitely stop.

"Qin Chen, leave these guys to us."

However, before they came to Qin Chen, Ji Wuxue suddenly snorted and killed the group of powerful heavenly masters in the Xiao family.

Not only Ji Wuxue, but Ji Ruyue also shook his body and jumped out.

"Hmph, two half-step Tianzuns, no matter what, hold on to you first and hand over the origin of the ancestors."

Elder Xiao Family Tianzun sneered and threw lightning at the two.

Ji Wuxue's complexion was boundless, a breath of death surged in his body, and besides that breath of death, there was a layer of terrible Yinhuo power.

The power of the black candle dragon beast.

boom! The terrible breath of death permeated out, and instantly entangled the elders of the Xiao family. Those elders urged the power of the yin fire, and immediately extinguished the power of the yin fire, but what changed their color was that the power of the yin fire was extremely extreme Terrible like

The tarsus maggots could not be removed in a short time.

Ji Wuxue seized the opportunity and blasted out with a murderous look.

not good.

The elders of Xiao's family changed color, backed hurriedly, each vomited blood, embarrassed.

A group of Tianzun elders were actually forced back by a half-step Tianzun, their faces flushed, and they were full of shame and anger.

In the distance, the Lord of the Void God Hall changed color, this Ji Wuxue is so strong!

Although it was only a half-step Tianzun, but the displayed strength was not weaker than the old Tianzun strong.

Why are there so many perverts in daily work?

Shocked.

suddenly.

"Exit!"

boom!

In the sky, the sky was shaking and roaring, and everyone hurriedly looked up, and saw that the god-worker Tianzun was like a **** and devil, urging the nine top Tianzun Supreme Treasures, smashing countless ancient chaos, and directly blasting Xiao Wudao out.

"Ancestor?"

Xiao Wujin and others were furious, the ancestor was not actually an opponent of Shen Gong Tianzun.

"Xiao Wudao, dignified ancestor of the ancient world, but so." Shen Gong Tianzun snorted coldly, like a **** or devil.

"Shen Gong Tianzun, don't be arrogant, your ancestor is just being robbed of your blood. Do you think you are determined to win?"

Xiao Wudao became angry from embarrassment.

boom!

In his hand, a shield with ancient aura soaring into the sky appeared. This shield was filled with vast ancient aura and bloomed with a terrifying and supreme aura.

Supreme treasure?

At the scene, many people changed color, one by one in shock.

This shield is very weak, and I don't know what material it was forged, but as soon as it appeared in the void, it exploded with a terrifying and supreme aura, suppressing the world, and the strong men of all the major forces in the presence felt a strong suffocation. .

This is not the supreme treasure? Only the supreme treasure weapon possesses the aura that suppresses everything and makes the pinnacle heavenly sovereign enough to be shocked.

[Chapter 4329: Wrapped into Zongzi](#)

At this moment, this shield appeared, and there was a terrible supreme aura surging in the heavens and the earth, and the suppression made everyone on the scene retreat crazily, one by one with horror.

"The gods are supreme, in this ancient world, the ancestor is truly invincible."

Boom!

Xiao Wudao roared, his stature was majestic, as if a **** or demon stepped out, he strode this shield across his chest.

"Huh, what supreme treasure? It's just a beast scale." Shengong Tianzun sneered, showing disdain.

He is a top craft refining master, how can he not see that the thing in Xiao Wudao's hand is not a shield, nor a supreme treasure, but a part of an ancient chaotic creature, a scale.

Could it be the scales of the ancestors of the Xiao family, the ancient robbery python?

Shen Gong Tianzun secretly guessed in his heart.

"what?"

The Void God Hall Master and the others were shocked, their expressions were shocked, just a scale, they all burst out such aura, how strong is this ancient chaotic creature in the ancient world?

From the side, Qin Chen also saw that it was indeed a scale. I remember that when he entered the Vientiane God Treasury, he picked up a scale, which should be some kind of ancient and powerful creature. It even seemed to be the ancestral dragon. It was also used as a shield by him. Later, it was refined into the body and condensed into reality. Dragon's

Body.

Unexpectedly, in Xiao Wujin's hands, there was also a scale of the ancient celestial snake, and it should be a scale that contains the power of the source, so it can bloom with a supreme aura.

In ancient times, there were many supreme powerhouses, and the three thousand gods and demons born in the chaos were all supreme-level figures.

In addition, there are many chaotic creatures that are also of the supreme level, and this ancient celestial snake is obviously also.

Even if they were just such a scale, they were not easily resisted by the pinnacle Heavenly Lord, and contained the supreme aura.

"Hmph, the supernatural workmanship, this is your own death, no wonder others."

Xiao Wudao was furious, and the terrifying power of the supreme blended into the scales. Suddenly, the power of the chaos from the ancient world condensed crazily, bursting out with a shocking roar.

"town!"

The black scales flew out violently, turning into a huge mountain, suppressed, and pressed against the Godgong Tianzun.

This scale, rising in the wind, seemed to contain the majesty of the entire ancient world, unmatched.

"not good."

Ji Wuxue, Ji Ruyue and others all changed color and leaned against Qin Chen.

"Qin Chen, the master of the Palace of Divine Work is in danger." Ji Wuxue said with a change of color, he could feel the terrible scales.

"Don't worry, the master of the Palace of Divine Work is superb and can handle it." Qin Chen said with a light smile.

The Ye Family and Jiang Family also changed their color slightly. They hadn't done anything before. If the Xiao Family really defeated Tian Zuo, they would come back and be punished.

"Patriarch."

Ye Family, Jiang Family master, looked at their Patriarch one after another.

The two masters changed color, and their faces hesitated.

Suddenly, when I saw Qin Chen not far away, I saw Qin Chen, his face was calm, and he didn't look anxious at all, and his heart suddenly condensed.

Patriarch Ye and Patriarch Jiang glanced at each other, and said in a deep voice, "Be safe and not impatient."

The death of Ji Family had given them a strong shock. The layout of Ji Tianguang and Ji Tianyao for hundreds of millions of years was directly destroyed by Tianjiao. They believed that Tianjiao would not be defeated so easily.

really.

At this moment, a loud laugh suddenly rang out, resounding through the world.

"Xiao Wudao, your dignified ancestor of the Xiao family in the ancient world, the first person in the ancient world, actually took a beast scale as a supreme treasure. It is extremely ridiculous and extremely poor." The master of the Palace of Gods walked out step by step, looking at the one that fell from the sky. Dark scales, no fear, hearty laugh: "Well, people in the country have never seen the world and don't know what treasures are. Today, I will let you see what is the supreme treasure.

Things. "

"Out!"

The master of the Palace of Divine Works yelled and banged, and in his body, a majestic and simple palace suddenly burst out, suddenly suspended in the sky.

When this quaint palace appeared, the billowing supreme aura rushed into the sky, and the whole ancient world was roaring.

"what is that?"

"What treasure is this?"

The countless strong people below are shocked, looking up at the sky.

call!

The palace grew rapidly, like a shrine, hitting the black scales fiercely, arousing the supreme aura soaring to the sky.

There was a loud bang, and the entire ancient world was trembling and almost exploded. The black scales exuding the supreme aura trembled violently, and the hidden treasure hall that was displayed by the master of the magical work directly shook out.

Xiao Wudao's face was frightened, and his expression was shocked, and he said sharply, "The Treasure Hall."

The Treasure Hall, the top treasure of Tiangong, has been suspended in Tiangong, and is handed down from ancient craftsmen.

Terran, many top powerhouses have heard about it, how can they not know, how can they not?

"A little bit of vision, Xiao Wudao, this is the supreme treasure, your scales, not even semi-finished products, are also arrogant."

The master of the Palace of Gods Work laughed loudly, urged the Treasure Hall, and shouted, "Go."

Wow! From the hidden treasure hall, countless bright chains flew out quickly. These chains were densely packed, and instantly imprisoned the world, booming, vaguely visible, and the entire ancient world seemed to be trapped, one after another, the void chains were trapped. day

Ground, instantly entwined the black scales.

"Not good, close."

Xiao Wudao hurriedly urged the black scales and tried to take them back, but it was useless. The black scales trembled violently and couldn't break free at all. This is natural. The hidden treasure hall is so powerful that even the ancestor of the space ancient beast clan who controlled the origin of space cannot easily break free. It is just a scale of a chaotic creature, not the deity of a chaotic creature. How can it be earned?

Take off?

"Damn, the supreme workmanship, return me the treasure." Xiao Wudao roared, and reached out with his big hands. The power of the ancient world was gathered in his hands and quickly shot out to regain his own treasure.

"Hahaha, Xiao Wudao, you can't protect yourself, are you still thinking about treasures?"

The master of the divine work hall sneered, urging the hidden treasure hall, sternly: "sleepy!"

Wow!

In the void, countless chains seemed to come from another layer of void, quickly winding towards Xiao Wudao.

"not good!"

Xiao Wudao hurried back.

"Can you escape?"

Shen Gong Zhizun sneered, "The origin of space, imprisonment!"

Hum!

From the hidden treasure hall, a terrible spatial force suddenly permeated, this spatial force permeated, and the void of the ancient world suddenly solidified.

This absolute power was the power of the supreme level. Suddenly, Xiao Wudao was imprisoned in the void in an instant.

next moment.

boom! Numerous chains directly locked him, tightly bound, and wrapped like a zongzi.

[Chapter 4330: Ask for benefits](#)

"Ancestor!"

Below, Xiao Wujin and others showed horror.

On the side, the Lord of the Void God Hall and the Lord of Kunpeng Valley, were also shocked and dull.
day.

What did they see?

The dignified ancestor of the ancient world, Xiao Wudao, the ancestor of the Xiao family, the veteran supreme powerhouse, was actually suppressed by a rising generation like Shengong supreme, and tied there like a zongzi.

Such a scene is too shocking, making everyone dull and unable to believe it.

Although the master of the Palace of Gods broke through the supreme realm and was powerful, no matter what, it was only in modern times that he broke through the supreme.

At least, thousands of years ago, they hadn't even heard the news of the master of the Palace of Gods breaking through the supreme...

And Xiao Wudao, that is the veteran supreme powerhouse.

The supreme of the ancient world, the leader of the ancient world.

The existence of the Megatron Human Race belongs to the veteran powerhouse in the Human Race Council.

But it is this class of strong that is not actually the opponent of the Master of Divine Work.

Shocked.

incredible!

Everyone can't believe it.

"Ah, break it for me."

What was even more unbelievable was Xiao Wudao, who was surging with ancient aura, chaos soaring into the sky, and roared, "Break it for me!"

Boom boom boom!

In his body, the power of the rolling supreme surging, trying to break through the restraints.

But Shen Gong Zhizun smiled coldly: "Xiao Wudao, don't waste your efforts, you can't get rid of it."

In the hidden treasure hall, the terrifying supreme aura continued to permeate and suppressed strongly.

"Ah, the supreme divine workmanship, if the blood of the ancestor is not taken away, if you have a supreme treasure, how can the ancestor be trapped by you?"

Xiao Wudao roared with a grim face and unwilling expression.

This is true. If Xiao Wudao's power of the ancient celestial snake had never been swallowed, and never disappeared, it would really be possible to break free with his cultivation base to use the supernatural power of the ancient celestial snake of chaos.

Even the master of the divine work hall could not easily trap him.

Or, if there is no Supreme Treasure Hall such as the Supreme Treasure Hall, the Supreme Master Shen Gong could not easily restrain him.

However, in this world, there is no if.

"Come!"

The master of the divine work hall chuckled and urged the hidden treasure hall to put away the black scales. However, the black scales trembled violently, and they were still resisting. For a while, they couldn't easily overcome it.

"what."

Shen Gong is supreme and light.

The aura of this scale is not strong, but it contains an ancient chaotic will that has never been subdued.

Xiao Wudao laughed and said, "Shen Gong child, this thing is the relic of my Xiao family ancestors, how can you surrender it."

"Really?" The master of the divine work hall sneered, lowered his head, looked down at Ji Ruyue and Ji Wuxue, and said with a chuckle: "The scales of the chaotic creatures have some meaning. You two, contain the origin of the chaotic creatures and can be manipulated. The power of the ancient world suppressed this thing for this seat.

"

"Yes, the Lord."

Ji Ruyue and Ji Wuxue took the order and rose into the sky.

"Wait a minute."

Suddenly, Qin Chen's figure flickered, stopped the two of them, looked at the Master of Shengong with a smile, and said with a chuckle: "Master, Lord of Shengong, look, Ruyue and Wuxue have just gotten out of trouble, and their injuries have not yet healed. Work, shouldn't it be a bit..."

Qin Chen rubbed his fingers, his expression was obviously meant to be the master of the divine work hall.

Below, the Hallmaster of the Void God was dumbfounded, when is this?

Supreme battle, where is Qin Chen? Are you asking for benefits?

Oh my God.

This guy is not only a lunatic, but also a money fan. Qin Chen was calm, and there was nothing to be embarrassed about. Ruyue and Wuxue had just gotten out of trouble, didn't they still have no treasures on them? As the master of heavenly work, the master of the divine work hall has a pile of treasures on his body. The nine top heavenly treasures are by no means all his treasures.

Things.

Qin Chen was sure that there were at least a lot of top-level Heavenly Venerates and Supreme Treasures in Tianzun Shengong, and Qin Chen had to ask Ru Yue and Wuxue for some benefits.

With Ruyue and Wuxue's current strength, they were not afraid of ordinary Tianzun, and even suppressed it strongly. If there is another top Tianzun Supreme Treasure, then Qin Chen will be more at ease in the future.

"You kid..."

The master of the divine work hall is speechless, this guy is too shameless, right?

Is asking for benefits so grandiose? I worked so hard to accompany him to find a wife in the ancient world, and didn't say anything in return, actually blackmailing him? The Master of Divine Work rolled his eyes and said with a smile, "Are you sure? Then I can let go of the black scales. Anyway, the black scales are things of chaotic creatures. Although powerful, they are nothing to this seat." Alas, I still wanted to research

Investigate and study, make a treasure and give it to your daughter-in-law, as a betrothal gift for the wife's wife, if you don't want it, then forget it. "

what?

Qin Chen's eyes suddenly brightened.

Damn, it turns out that this treasure was prepared by the Master of the Holy Works of God for Ru Yue? That's right, the master of the divine work hall already has a treasure house, which may not be worth seeing. Moreover, the scales of the ancient robbery python may not be as good as the master of the divine work hall, but Ruyue is different. He himself is Ji A family member who has the power of the ancient world,

It's easy to urge it. "Ahem, Lord Shen Gong, you have misunderstood, Ru Yue, Wu Xue, the Lord of Shen Gong is my Heavenly Work Master, who has always been proud, and the two elders who are also Heavenly Work Lord, do things for the Lord Master. It's a matter of fact, don't hurry up to suppress that black

Color scales. "

Qin Chen urged again and again.

On the side, Ji Wuxue had a black line.

He finally understood why Qin Chen could break through so quickly after he came to the heavens, and there were so many treasures, so shameless, can there not be many treasures?

The two wanted to laugh in their hearts, but they kept on holding their hands, quickly flying across the sky, urging the origin of the chaotic creatures.

Yo!

Suddenly, above Ji Ruyue's head, a phantom Ling Peacock King appeared, exuding a misty atmosphere, and the terrifying chaotic creatures were suppressed by the origin.

On Ji Wuxue's head, a black candle dragon beast phantom appeared.

The two forces permeated, and instantly suppressed the black scales.

The black scales were dragged into the treasure hall by the master of the divine work hall.

"Damn it, Zhuzi!"

Xiao Wudao roared, snorted, spurted out a mouthful of blood, his face was like golden paper, frightened and angry.

"Ancestor!"

Below Xiao Wujin and the others, their expressions were frightened, and one by one rose to the sky, trying to rescue Xiao Wudao.

However, the Master of Divine Work shook slightly, the supreme aura was filled, and he easily shook Xiao Wujin and the others out, fell in embarrassment, and vomited blood.

"Damn it, the Xiao family obeyed the order and punish the enemy."

Xiao Wudao roared.

Rumble!

I saw the sky in the distance, the ancestral land of the Xiao family, a series of terrible auras rising, and it was the many powerful people of the Xiao family who flew all over, in order to protect the family, and even many ancestors and human respects came desperately and desperately.

Qin Chen frowned, turned his head and looked at the Ye Family and Jiang Family. "The Ye family and the Jiang family, your two big families are the ancient realm families, and the Xiao family is tyrannical and

innocent. Today, I work hard to come to the ancient realm to support justice. As the two ancient families, why not take this opportunity to overthrow Xiao Domestic tyranny has returned to the ancient world

? "Qin Chenhong said.
