[Chapter 4511: Gate of Reincarnation](#)

What are the calculations of the ancestor of the abyss?

Guessing coldly in his heart, Qin Chen kept moving in his hands. He raised his hand, booming, and the terrifying power surged directly, and instantly absorbed the Devil Tree of Ten Thousand Realms into the Chaos World.

"You come in too."

Qin Chen spoke to the Lord of the Abyss, and when he raised his hand, the Lord of the Abyss also instantly entered the chaotic world.

Immediately afterwards.

Qin Chen rose up into the sky, and immediately wanted to leave here.

"Want to go? It's so easy to leave it to this seat!"

The existence in the yin and yang whirlpool felt that Qin Chen wanted to leave, and immediately snorted, and the terrifying death gas turned into a vast ocean, sweeping towards Qin Chen directly.

"Humph!"

Qin Chen's eyes flashed with cold light, his eyes flashed, and his heart moved.

"boom!"

In Qin Chen's body, a terrifying power of the Dark King's blood suddenly surged, and suddenly urged the power of darkness in the Ten Thousand Realm Demon Tree.

In an instant, an extremely terrifying dark power poured into Qin Chen's body in an instant.

boom!

Above the mysterious rust sword in Qin Chen's hand, a cold breath bloomed, and the breath of the Dark King's blood surged in an instant. At this moment, Qin Chen was like the same Dark King, and the terrifying Dark King's blood aura made the entire Demon Realm world shake. .

The terrible power of the Great Dao was directly suppressed.

The Demon Realm belongs to the universe, and the power of darkness belongs to a foreign power, and the origin of the universe will reject it. Now Qin Chen exerts the power of the Dark King's blood, which immediately attracts the suppression of the Demon Realm Heaven.

Rumble!

The terrifying Demon Realm Heavenly Dao directly imprisoned Qin Chen. This was the urging of the original will of the universe, and he felt that Qin Chen was likely to threaten the safety of the universe.

just.....

When this Demon Realm Heavenly Dao came to be suppressed, Qin Chen's brow wrinkled slightly.

"This Demon Realm Heaven... why does it feel so weak!"

Qin Chen frowned, a trace of doubt emerged in his heart.

The suppression of the Demon Realm Heaven's Path on himself was too weak, it was not like a huge realm at all, and it could only affect a small part of his dark aura.

This... actually shocked Qin Chen.

It should be noted that the demons are the top races in the universe, one of the two top races in the universe. The Demon Realm is also one of the most terrifying realms in the universe, and even one of them can be removed during the heyday.

It stands to reason that the power of the demon world should be extremely terrifying.

But now, the oppressive force of the Heavenly Dao is extremely weak, and the oppression of Qin Chen is also extremely subtle.

How is this... possible?

Qin Chen once felt the suppression of the power of darkness by the Heavenly Realm and the Origin of the Universe, and it was extremely powerful, but now this Demon Realm and Heavenly Dao is much weaker than the original strength of the Universe.

Weird?

His heart flickered, but Qin Chen's complexion remained unchanged. Boom, the Dark King's blood urged to the extreme. At this moment, Qin Chen was like a demon god, towering in the sky, directly bombarding the yin and yang vortex.

Moreover, in this force, Qin Chen transformed the chaotic green lotus fire, and instantly merged the demon race's disaster supreme calamity fire and the world extinction black lotus fire closer to the demon race.

The terrifying demon aura engulfed the power of darkness, directly surged, and suddenly collided with that terrifying death aura.

Boom!

He heard a deafening roar instantly. On Qin Chen's mysterious rust sword, black sword aura spread across the horizon, and the power of the Dark King's blood surged, constantly swallowing the death aura before him, and instantly annihilated the death aura. .

"What? You actually broke this blow from this seat? Impossible, who are you?"

The existence in the yin and yang whirlpool was extremely shocked, and his own blow would be severely injured by the general supreme, but the existence on the opposite side actually exploded directly, and these forces changed his color.

Moreover, a terrifying force of the dark clan swept over, rumbling, directly annihilating his death will, even trying to penetrate the yin and yang vortex, directly attacking his body.

"Hmph, I want to attack the existence of this seat through the gate of Yin and Yang reincarnation, how easy is it."

"The door of death, the door is wide open, my will, heaven and earth are dead!" The existence in the yin and yang whirlpool made a sound like a god, and saw the yin and yang whirlpool, it swelled suddenly, and there was a thud. The terrible death aura rioted, directly bombarding Qin Chen with the power of the Dark King's blood.

Extinguished.

However, after feeling the power of the Dark King's blood, the voice of the strong man was frightened.

"What a strong dark power? Who are you? A member of the Dark Race? Why did you attack the death gate of this seat? Do you want to tear up the agreement with this seat?"

There was a roar from the yin and yang whirlpool, which was obviously extremely angry, as if he had been betrayed.

"protocol?"

Qin Chen's heart moved.

Did the Dark Race and the Underworld really reach an agreement? Or is it just being alone with each other?

Qin Chen's eyes flickered, but he did not speak.

Because, he is now posing as a strong man in the dark race, if he speaks at will, saying that the wind is leaking, and he is identified by the other party, then it will be troublesome.

It is possible to expose yourself.

"Swallow!"

Qin Chen remained silent, secretly spurring the Avenue of Death, blasting, and the mysterious Rust Sword to show off his power, just continuously swallowing the terrible death energy that was previously split into his body.

The source of this death aura is extremely strong, and naturally it cannot be wasted easily.

boom!

Suddenly, the force of terror exploded, and the source of this death aura crisscrossed Qin Chen's body, destroying wantonly.

This power of death constantly annihilated the vitality in Qin Chen's body. It was extremely terrifying, as strong as Qin Chen's physical body, and could not easily bear it. Countless death wills were annihilating his vitality.

If you are an ordinary strong person, you are afraid that you will be killed directly by this death will, and you will die directly from the source of the soul.

However, how powerful Qin Chen's physical body is, the true dragon's origin is surging, and the power of life is so exuberant, this death will want to swallow him, it is extremely difficult and extraordinary.

As long as this death will can't kill him in the first time, then Qin Chen has enough chance to annihilate him.

"Avenue of Death!"

"Chaotic Qinglian Fire!"

boom!

Two terrifying forces surged, and Qin Chen urged the **** emperor totem at the same time, a mysterious totem power revolved, a little bit obliterated the source of death will in Qin Chen's body, and integrated into Qin Chen's own body.

boom!

In Qin Chen's body, a breath of death burst out, and the whole person turned into a **** of death.

This death will not only can't annihilate Qin Chen, but is increasing Qin Chen's strength. Today's Qin Chen, the power of the true dragon, the power of the human race, and the power of the demon race have all cultivated to an extremely terrifying level, and it is extremely difficult to improve it.

[Chapter 4512: The devil is here](#)

But Qin Chen's power of death was still relatively weak.

Although Qin Chen cultivated with the Dao of Death, he still couldn't accept enough death aura. If he wanted to improve, he could only perceive the power of the Dao. This speed would naturally be slower.

Now, after directly absorbing the origin of such a terrifying will to death, Qin Chen's death avenue immediately improved by leaps and bounds.

Boom!

Qin Chen is like a **** of death, standing proud of the world.

"Good, good, good!"

Qin Chen was excited.

Unexpectedly, this trip to the Sea of Chaos Gods and Demon Sea would yield such a gain. Although the encounter was in danger, the gain was extremely huge.

I have to say that the underworld powerhouse in the yin and yang vortex is extraordinary in strength. Just the source of death qi escaping through the yin and yang vortex will greatly improve and help Qin Chen.

After all, Qin Chen is no more than Tianzun now.

This trip to the Sea of Chaos Gods and Demon Sea was too cost-effective.

Not to mention the breakthrough of the Lord of the Abyss of the Demon Tree of the Ten Thousand Realms, the harvest of this death energy is just like ordinary.

boom!

Qin Chen's aura skyrocketed, and the darkness of his body expanded even more, like the **** of darkness.

"You... actually resisted the breath of death in this seat, who is your excellency?" The strong man in the yin and yang whirlpool was extremely angry, and his voice rumbling: "Such a strong dark atmosphere, your excellency must be from the dark clan. Top powerhouse, how? Back then, your dark clan powerhouse united with the demon ancestors of this universe, and settled with this seat

The agreement you made is going to be broken so soon? It's ridiculous, do you know that if you lose the gate of reincarnation in this seat, your dark race's plan to invade this universe will completely fail. "

The master of the power of death exclaimed angrily.

"Without this seat, you have planned hundreds of millions of years of hard work and conspiracy against this universe will be in vain and will fall short. Can you afford it?"

The person's tone was cold and murderous.

Originally, Qin Chen had already wasted enough time here. Seeing that the Demon Lord was about to arrive, he wanted to leave as soon as possible.

But at this moment, Qin Chen was shocked when he heard this.

Conspiracy against this universe?

Millions of years of planning?

What exactly is it?

Qin Chen could feel that the Demon Race, the Dark Race and this underworld powerhouse must have a big conspiracy against the universe.

This dark pool is by no means just used to cultivate strong demons.

But he couldn't find the clue, and now he heard the words of this strong man, Qin Chen's heart suddenly moved.

"Agreement? Huh, you alone are worthy to negotiate an agreement with my dark race?" Qin Chen sneered, his voice cold and cold.

Hearing that, the underworld powerhouse is even more murderous. "Do you...do you really want to regret it? This is an agreement made by your Dark Clan, the Demon Ancestor of the Demon Race, and this seat. This seat will weaken the Demon Realm's Way for you, so that you the Dark Clan can invade the Demon World better, and The devil world merges into one,

Take this to enter this universe, why, now this seat is doing so many things for you, you are like crossing a river and tearing down a bridge? "

"How easy is it."

"This seat is all my life, really thinking that this seat is alone? What is represented behind this seat, I am afraid that the entire dark race of you, dare not to despise, what are you? You have to consider the consequences."

boom!

In the yin and yang whirlpool, a terrible breath surged, and a terrifying death breath surged out, and even Qin Chen changed its color.

This force was too terrifying, and the death aura was so strong that just escaping it made Qin Chen's heart depressed.

At least it is also a pinnacle supreme.

The guy behind this yin and yang whirlpool is definitely a peerless powerhouse.

That's all, the key is what the other party said, which made Qin Chen's heart tremble.

"Weaken the Demon Realm, let the Dark Clan and the Demon Realm merge into one, and enter this universe. What is this?"

Qin Chen faintly felt that he seemed to have come into contact with some of the secrets of the Demon Ancestor.

The demons, the dark clan, and the underworld powerhouses are definitely plotting a big conspiracy.

This secret must be found out.

otherwise!

Qin Chen looked up.

It is quite certain that this secret is absolutely about how to destroy this universe.

Boom!

At this moment, a terrifying devilish energy was rapidly approaching over the Chaos God and Demon Island, and he wanted to come quickly.

It's the devil!

"Master, it's time to go, the demon lord is here, if I don't wait to leave in time, if I get trapped, I'll be in trouble."

In the chaotic world, the master of Yuanmo was a little anxious.

This is the Devildom.

Once the demon lord traps them, it's nothing more than the demon lord alone. If he asks the supreme of the demon clan to arrive, then...it will be dangerous.

Today's Qin Chen and the others are far from qualified to fight the entire Demon Race.

"Kid Qin Chen, it's time to leave."

Honghuang Zulong also said solemnly.

Qin Chen's eyes were calm.

Do you want to go?

There was a trace of hesitation in his heart.

It is true that if he leaves now, he will be able to get away, but the movement here is so huge that it is impossible to hide the devil ancestor.

Once the demon ancestor discovers the situation here, he will definitely be vigilant, and even block the demon world and search everywhere.

At that time, walking in the demon world by himself will be extremely dangerous.

Therefore, now is the only time to figure out the secrets of this demon world. Missing this opportunity and trying to figure it out in the future will become extremely difficult.

Thinking of this, Qin Chen's eyes suddenly resolute.

now.

Beyond the Chaos Demon Island, the vast Demon Sea is above.

boom!

A terrifying figure flew over, the terrifying supreme aura permeated, and it instantly descended on this world.

Finally, I rushed back...

An icy murderous intent burst into the eyes of the demon lord, and the whole person, like a demon god, descended directly over the island of the **** of chaos.

Boom!

The terrifying supreme demon energy swept across the entire world like a vast ocean, covering the entire chaos and demon island.

"It's Lord Demon Lord."

"Master Demon Lord is back."

On the Chaos God and Demon Island below, countless strong men were excited and excited, and their eyes showed excitement.

Under the terrifying breath of death, they couldn't move, and under the terrifying devilish energy, their livers and guts were torn apart, and they were unable to make effective resistance. Now that the demon master came back, it was as if they had found the backbone of the master in an instant.

One by one was extremely excited, and with the presence of Lord Demon, he would surely be able to find the source of this change.

"Sure enough, it is the breath of death in the dark source pool, damn, who broke into the land of death?"

In the sky, the demon lord's expression was furious and blasted, and the terrifying aura in his body surged, ignoring the orders of the many powerful men on the Demon Island to rush to the dark pool below.

With a bang, his power had already come before his people arrived.

Where the dead land is.

"Master, the demon master is here." The master of the deep demon said in shock.

[Chapter 4513: Forbidden Realm](#)

"I feel it too."

Qin Chen narrowed his eyes, his expression was still, and the breath of the Devil Tree of Ten Thousand Worlds surged in his body. He raised his hand, and the terrifying branches burst out, and the endless magic light bloomed, instantly sealing the world.

So that the breath of the demon lord could not be passed on.

The branches of the Ten Thousand Worlds Demon Tree seemed to form a cage, blocking the world and the dark source pool.

"Senior Honghuang Ancestral Dragon, is there any way to isolate the other's perception?" Qin Chen then asked.

"Yes, the black lotus fire that destroys the world can block everything. Combining this devil tree of ten thousand worlds, plus the blood river sacred ancestor of the blood river, can completely block the perception of the strong underworld."

Honghuang Zulong said in a deep voice, "Although this person's power is strong, but in another world, it only penetrates through the yin and yang whirlpool, his perception, in fact, can't get a glimpse of everything here."

Qin Chen nodded. Indeed, if the other party could perceive everything here, it would be impossible to recognize himself as a member of the Dark Race, because although he displayed the aura of the Dark King's blood, his face was that of a Demon Race.

The other party, it seems, can only perceive the identity of the strong outsider from the power attribute.

That would be easier.

Qin Chen was determined in his heart.

"In that case... execute the plan!"

Qin Chen's eyes flashed, and a plan was formed.

boom!

In his mind, the chaotic green lotus was cremated into a world-destroying black lotus, and the fire suddenly spread out, and at the same time evolved the aura of disaster, supreme disaster, and instantly enveloped the entire dead land.

In addition, the power of the Demon Tree of the Ten Thousand Worlds surged and blocked the world at the same time. At the same time, Qin Chen's blood power of the Dark King once again wielded the mysterious rust sword into this dead land.

Boom!

The sword light surged, stirring wildly in the dead earth, swallowing the soul aura in it.

"Huh? Your Excellency, what are you doing? I still dare to absorb the nutrients of this seat and look for death!"

The strong man in the yin and yang whirlpool felt Qin Chen's actions and was furious. The power of soul death that was continuously instilled was his nourishment and the reward he had agreed with the Demon Race.

Now that the other party has taken the nutrients away, it is simply unbearable.

"boom!"

The terrible breath of death swept out from it.

"The Dark Clan, do you really want to smash your face with this seat?" The underworld expert roared.

"Hahaha, tear your face? By you? You are just a dog used by my dark clan. My dark clan and demons are just using you. You think that without you, my clan will not be able to invade this universe. Is it ridiculous, my clan is strong

Great, how can you know. "

Qin Chen sneered, but the mysterious Rust Sword that was urging it did not stop at all.

The death breath was constantly being swallowed into his body by him, strengthening his strength.

"court death!"

The underworld expert roared, and suddenly, the yin and yang whirlpool suddenly expanded, as if opening a hole, a breath of death suddenly rushed out from it.

"Kid Qin Chen, be careful, this breath of death is not simple."

boom!

Death surges, trying to invade Qin Chen.

"Good to come."

Qin Chen shouted angrily, the Avenue of Death urged to the extreme, and quickly collided with this death aura, and frantically swallowed the power in it.

It's just that the power in this death breath is much more terrifying than just now, Qin Chen snorted, but he didn't retreat at all, but recklessly confronted it and swallowed it frantically.

While fighting against the underworld powerhouse, Qin Chen also looked at the Lord of the Abyss in the Chaos World.

"Mo Ye, stop the demon master, remember, try not to reveal your identity." Qin Chen said solemnly, "At least, stop him from breaking into this place."

"Yes, master."

The Lord of the Abyss shook his body and suddenly left the chaotic world.

The next moment, the body of the master of the abyss suddenly appeared outside the dark pool.

The moment he arrived outside the dark pool, a terrifying supreme aura had already descended above his head. This was a majestic figure, exuding the power of darkness from the cold, and it was the demon master.

At this moment, the Demon Lord came down like crazy, naturally seeing the Lord of Abyss Demon suddenly appearing.

"Your Excellency, courage, dare to go wild in my sea of chaos, gods and demons, and die for this lord!"

Seeing the Lord of the Abyss, the Lord suddenly roared and roared, no matter who the Lord of the Abyss was, he did not hesitate, and hit the Lord of the Abyss with a direct punch, killing and decisively.

Angrily.

He didn't even feel like talking nonsense with the Lord of the Abyss, he just wanted to kill the Lord of the Abyss on the spot to relieve his hatred. It was the guy in front of him, who was too abhorrent. He stole his power in the dark pool, and together with the previous supreme powerhouse, he moved the tiger away from the mountain. As a result, he left the island of the gods and demon, causing the dark pool to be destroyed, and even alarming the dead.

Here, the devil's heart is filled with endless anger.

If Master Demon Ancestor knew that he had failed to protect the Underworld of Death, he would not be able to escape punishment, and hundreds of millions of years of feats would be ruined.

Can think of the anger in his heart.

boom!

The punch that contained the endless anger of the Demon Lord blasted down directly, as if a demon star descended, bursting out of bright magic light, and the terrible fist power swept across the world, and in an instant, it came to the Lord of the Abyss.

Before this punch came, the Lord of the Abyss had already felt a terrifying coercion, and his whole body got goose bumps.

"So strong!"

The Lord of the Abyssal Demon had a solemn gaze, and the Demon Lord in front of him was definitely not an ordinary supreme, and his strength was extraordinary.

Not trivial.

However, the Lord of Abyss Demon's eyes became solemn, but there was no hint of panic in his eyes.

"Forbidden Domain!"

The Lord of Abyss Demon snorted coldly, an invisible demon energy directly diffused from his body, covering the whole world in an instant.

Moreover, the lord of the Abyssal Demon's towering body also blasted out with a punch, heading up.

boom!

Two terrible fist powers collided, and only a thunderous roar was heard. The entire dark pool suddenly surged, rumbling, and the endless demon origin aura was wanton, and the sky-wide array patterns continued to flicker and shake violently.

A terrible shock wave burst out of the dark pool in an instant.

Puff puff! Outside the dark pool, due to the arrival of the demon master, many masters of the demon island are also following the demon master into this dark pool. They are immediately swept by this shock wave, and even the screams are not sent out, directly Bone to pieces, turned into powder

.

"what!"

There are also a group of powerful demon guards far away, all covered in blood, each one is dumbfounded, their expressions are frightened, and they retreat frantically.

Strong!

too strong.

This kind of coercion is absolutely supreme, and it is not something they can mix.

"Keep on the outside, guard the forbidden area of the dark pool, and prohibit anyone from entering."

A master of the demon guards coldly drank and swish, a group of demon guards, one after another, stayed away from here, while guarding outside the dark pool, no one was allowed to approach. It must be completely sealed off here.

[Chapter 4514: Scared like this](#)

These demon guards shot one after another, urging the big formation to guard this place.

The dark pool is extremely critical. Naturally, the demons of other chaotic gods and demon islands are not allowed to know the mystery, so as not to leak the news.

"What? It's actually blocked, and it's a supreme."

When these demon guards each retreated, in the dark pool, the demon master was also shocked, feeling the power of the master of the abyss, his face was ugly, and his expression was furious.

The other party turned out to be a supreme powerhouse again.

Coupled with the previous supreme, that is to say, where his chaotic **** and demon sea is, two supreme have already come.

But, when did the Demon Realm have so many more sages who dared to disobey the Lord Demon Ancestor?

"Could it be...the so-called righteous army?"

The Demon Lord looked furious. Now in the Demon Realm, the Demon Ancestor has absolute authority. Apart from the so-called righteous army, it is impossible for other supreme powers to dare to rebel against the authority of the Demon Ancestor.

If it's the righteous army, then... the other party's purpose is definitely to destroy Lord Demon Ancestor's plan.

Damn it!

They must not be allowed to succeed.

The Demon Lord looked cold and stern, looking at the Lord of Abyss Demon coldly, the Lord of Abyss Demon in front of him was shrouded in darkness and mist, and there was a mask on his face, so he couldn't see his face at all.

What makes the demon master strange is that the cultivation base aura on the opponent's body is not strong. It seems that it hasn't been long before breaking through the supreme, but for some reason, the aura escaping from the opponent's body makes the demon master feel a sense of shock.

It seems to be far above oneself.

"what happened?"

He was puzzled and frowned.

Obviously, he is only a strong person who has just entered the supreme level, why would he make his own, an old supreme, feel palpitations? This... weird.

However, despite the doubts in his heart, the movements in the hands of the demon master are non-stop.

"Hmph, just rely on you to dare to break into my chaotic island, today, you will definitely die!"

boom!

The demon master roared, and a terrible magic pattern burst out in his body, and with a bang, these magic patterns instantly merged with the surrounding dark pool, and suddenly a terrifying array aura rose into the sky.

Boom boom boom boom boom!

The black pillars, like the magic pillars of heaven and earth, stand up to the heavens and the earth. On each of the magic pillars, there are these terrible magic patterns, countless runes gleaming, and a darkness that seems to be able to suppress eternity. The devil energy violently suppressed the Lord of Abyss Demon in an instant.

As soon as he came up, the demon master displayed his own lore, uniting this supreme demon source formation to kill the master of the deep demon.

Because he knows well that there is still a supreme power in the outside world. Since the two are a group, once they get together, then he will be in trouble.

Although he is not afraid of each other, but if he wants to capture two people, the difficulty will be doubled immediately.

He must kill the guy in front of him as soon as possible before he can free his hands to deal with another guy.

The terrifying formation was suppressed, and the entire dark pool was activated. The terrifying aura of the formation instantly enveloped the Lord of Abyss Demon.

With a bang, the Lord of the Abyss was immediately besieged by the endless array.

"What a strong formation!"

The face of the Lord of the Abyss changed slightly.

Hum!

In his body, an aura of the origin of the Demon Race diffused out. As soon as this aura came out, it immediately collided with the aura of the Demon Race emanating from the Great Demon Origin Array, causing a shocking roar.

Actually he abruptly withstood the attack of this formation.

"Ok?"

The demon master snorted coldly, and while the formation was urging, his figure also moved, rumbling, and another punch, the sudden devilish energy instantly turned into a long river, this long river, traversing the world, as if traveling endlessly. The void plane of, instantly appeared in front of the Lord of Abyss Demon.

"Block, forbidden magic field, strengthen!"

The Lord of Abyss Demon roared. When the attack of the Demon Lord entered this world, his terrifying attack was suddenly suppressed, and it was immediately weakened by about one-third.

This is the power blockade and suppression of the upper demons against the lower demons.

However, the punch of the demon lord still blasted on the body of the abyss demon lord.

With a bang, the Lord of the Abyss was directly blown out, and with a muffled sound, the devilish energy on his body vibrated.

he got hurt.

"hateful."

The Lord of Abyss Demon looked irritated and felt cold in his heart.

In fact, if he releases all the power of the abyss, then he may not be able to take this blow.

The Demon Race is now the ruler of the Demon Realm, the royal family in the real Demon Race, and the origin of the Demon Race has a strong suppressing effect on other lower demons. However, in order to hide his identity, he cannot release the origin of the Demon Race. Because once it is displayed, it will definitely be seen through by the demon master.

"Ten Thousand Demons in the Sky!"

The Lord of Abyss Demon roared and blasted out a frantic punch at the Master of the Demon.

Boom!

The two demon qi collided, and immediately stretched out a huge explosion that stretched for hundreds of millions of miles. With a bang, even if it was guarded by the Supreme Demon Origin Array, the chaotic God Demon Island shook violently, splitting huge gaps, as if to Generally collapsed.

In fact, if it weren't for the location of the Dark Pool, with the Supreme Origin Formation guarding it, just a punch from two of them could explode the entire Demon Island of Chaos.

"Damn it, this guy, it's too difficult."

The devil became angry from embarrassment and his eyes were cold.

boom!

At this moment, above the sky in the distance, three figures were approaching quickly, and they were the three of Luohu Demon Ancestor.

"Master Luohu Demon Ancestor, someone is fighting."

Mo Li and the others came outside of the Chaos God Demon Island, and did not step forward for the first time, but watched from a distance, staring here.

"hateful."

"That guy is here again."

The Demon Lord felt the Demon Ancestor Luohu in the sky outside the Demon Island of Chaos, and his heart sank.

He had also fought against Luohu Demon Ancestor before. Although the aura of that guy was only in the Supreme Realm, he was extremely difficult to deal with. The devilish aura contained in this person's body contained the ancient chaotic aura, which was extremely terrifying. Take down the opponent.

Now, this person has also come here, if these two people join forces...

that.....

However, what made the demon master suspicious was that the powerful demon clan who exuded chaos on his body did not come directly after arriving outside the Demon Island of the Chaos God. The supreme in front of him united his hands to act on him, instead, he was watching from a distance.

Strange, what do they want to do?

The devil frowned.

The sky is far away.

The three Mo Li floated in the sky.

"Master Luohu Demon Ancestor, there seems to be two terrifying supreme auras below, what shall we do next?"

Mo Li levitated beside Luohu Demon Ancestor, and asked in a deep voice.

The two supreme, if they rush forward, it will be dangerous.

Moreover, for some reason, Mo Li looked at the dark pool below, and there was always a feeling of anxiety in his heart, which made his face a little ugly and guilty.

"Li'er, what's the matter with you?"

On the side, Chiyan Demon asked with some fox questions.

The two auras below are indeed terrifying, but they shouldn't make Moli scared like this, right?

The supreme powerhouse, they are not unheard of.

Chapter 4515 Spirit Magic Stone

"I don't know what's wrong?" Mo Li's eyes also had doubts, "I don't know why, I have a feeling that there seems to be something that makes me jealous in this dark pool. When I think of rushing in, my heartbeat will be inexplicable. It's speeding up, it seems that something bad will happen."

"strange."

Mo Li frowned.

This feeling came after he entered the Chaos Gods and Demon Sea, and now it is even stronger.

"Feeling uneasy?"

Luohu Mozu narrowed his eyes and looked at Moli.

"This is very likely, it is a reaction of your instinct, because you sense the breath of fate, so it triggers some reactions in your body." Luohu Demon Ancestor said.

"The breath of destiny?" Mo Li frowned.

"You are a lucky person." Luohu Demon Ancestor looked at Mo Li: "At least, after my ancestor follows you, it is easy to feel that you have great luck, because no matter where you go, you can meet adventures, no matter where you are. In such a harsh environment, you can alleviate the dangers. Obviously you are the favor of fate. It is not an exaggeration to say that you are the proud son of heaven."

"Therefore, you are most likely to have a kind of luck that blesses the soul. Whenever something bad happens, your body will react."

Mo Li and Chi Yan Demon Lord nodded.

Indeed, both of them have good luck.

For example, when I ascended to the heavens from the Tianwu Continent, and then inadvertently broke into the Demon Realm, I directly entered the Demon Realm's extremely terrifying Meteor Demon Realm. Logically, based on the cultivation base of the two of them, in a place like the Meteor Demon Realm, it might take minutes There will be no dregs left to be eaten.

But the two of them abruptly were killed from the Meteorite Demon Realm, and they also got a huge chance.

This is just one of them. In addition, in places like Vientiane Godzang, their luck is good.

only.....

Mo Li suddenly thought of someone, and his face suddenly sank.

Qin Chen!

This bastard.

No matter where he goes, he can turn a good fortune and turn danger into an end. Only when he encounters the **** of Qin Chen, this law will fail. As long as he meets the opponent, he will always be unlucky.

Thinking of this, Mo Li suddenly felt aroused.

No way?

Could it be...

He suddenly looked down, his expression shocked.

Could it be that the guy below is Qin Chen?

How else would he feel this way?

"What's the matter with you?" Luohu Demon Ancestor asked with a frown looking at Moli.

Why suddenly, Mo Li's face became so ugly?

Not only Demon Li, but Red Flame Demon Lord also seemed to have thought of something, and hurriedly looked down.

Both of them thought of the same person, each of them got goosebumps, and their hairs were erected.

Damn it, isn't it really that guy?

The two of them stared at the Lord of the Abyssal Demon who was shrouded in the black mist for a long time, before the two of them breathed a sigh of relief, and immediately looked at each other, both with palpitations.

Damn, luckily it's not that kid.

I am so surprised!

They couldn't be more familiar with Qin Chen's breath, even if Qin Chen turned into ashes, they would definitely recognize it. Although the Lord of Abyss Demon's breath was extremely terrifying, and he hid himself, Mo Li could see at a glance. Out, the other party is definitely not Qin Chen.

I just said, as a human race, how could that guy come to the demon world, really scared myself, almost scared out of a heart attack.

"Master Luohu Demon Ancestor is nothing, what shall we do next?"

Mo Li breathed a sigh of relief, as long as it wasn't Qin Chen, it would be fine.

"Since you feel this kind of uneasy feeling... then don't go to the dark pool for the time being." Luohu Demon Ancestor said in a deep voice, he must not ignore the magical feeling.

He has a deep understanding of the other party's luck.

"Then let's take a trip for nothing?" Mo Li frowned.

"Run in vain, how is it possible?" Demon Zu Luo snorted, "The Dark Pool can't go. On this chaotic island of Gods and Demon, there are many powerful demons who have killed them, devouring their origin and strength, you and me. Can improve a lot."

"follow me."

Luohu Demon Ancestor's voice fell, without any hesitation at all, and he directly killed the Chaos God Demon Island below.

Mo Li and Chi Yan Demon Lord also lit up.

That's right.

Can't go to the Dark Pool, aren't there so many powerful people on this chaotic island? And among them, many people have dark auras in their bodies, and they have all entered the dark pool, and they are all great tonic.

"kill!"

Boom!

There is no need for Luohu Demon Ancestor's orders, and the three Moli have already entered the Chaos God and Demon Island below.

Suddenly, a miserable roar sounded on the entire Demon Island of Chaos Gods. Without the guard of the Demon Lord, how could they withstand the three of Luohu Demon Ancestor and a master of the Demon Race was quickly slaughtered, and then he was slaughtered. Swallowed quickly, like a straw.

This Chaos God Demon Island, which brought together countless powerhouses in the entire Chaos God Demon Sea, directly turned into a **** at this moment.

"what!"

The screaming screams are endless.

"Damn, these bastards."

In the dark pool, the demon lord perceives the actions of the demon ancestor Luohu, and is immediately furious.

These **** were not against him, but the countless demon masters who were slaughtering his chaotic island.

What a bastard.

The face of the demon lord at the moment was extremely pale, he stared at the demon lord in front, and he sensed the demon ancestor Luohu and the others at the back.

A heart sank completely.

"It won't work like this."

He felt cold in his heart, and when the other party killed all the people in his chaos and demon island, he would definitely come to target him, and he would be in danger at that time.

That's all, the key is death, and there is absolutely no room for loss.

"It seems that we can only send information to Lord Demon Ancestor."

The devil gritted his teeth.

Huh!

In his hand, a black magic stone suddenly appeared. On this magic stone, there was a simple magic pattern, and then the hand of the demon master suddenly squeezed it down.

"Damn it, it's the psychic magic stone of my Abyssal Demon Race."

Seeing this magic stone, the pupils of the Lord of the Abyss suddenly shrank.

boom!

He hurriedly wanted to stop.

But it was too late.

The black magic stone was suddenly pinched by the demon master, and with a snap, this magic stone burst to pieces suddenly.

An invisible force immediately spread out.

Seeing this scene, the face of the Lord of the Abyss completely sank.

The psychic magic stone is an extremely special magic stone of their deep demon clan. It has a special power that can be integrated with the demon world and can be used to store information. Once it is broken, it will cause a change in the demon world. A special method used by demons to communicate.

Anyone, anywhere in the demon world, can be sensed by the demon ancestor as long as he smashes the psychic magic stone, and the demon ancestor will instantly know what went wrong.

In other words, after the psychic magic stone is crushed, Lord Demon Ancestor will definitely know that something is wrong here.

It will inevitably come the first time.

This is troublesome.

The heart of the Lord of the Abyss was cold.

Chapter 4516 Heaven Secret

Within the territory of the demons.

This is a vast void of demons, with demonic energy soaring into the sky, like purgatory.

In this purgatory, many magic stars are floating, and endless demon energy emanating from these magic stars, turning into a vast river of magic, winding and flowing.

In the magic river, various visions manifested, there are stretches of mountains, vast rivers, there are floating stars, and visions are everywhere.

Among them, in the middle of the Demon River, there is a huge magic star, and on the magic star, a huge black figure that stretches across the entire constellation of stars manifests.

It is the ancestor of the Abyss Demon.

At this moment, the ancestor of the Abyssal Demon was sitting on top of the demon star, and in front of him, there was a majestic demon shadow kneeling respectfully on one knee, and this demon shadow was exuding a frightening atmosphere.

"How is it, is there any news?"

The ancestor of the deep demon said coldly to the demon shadow.

"Master Hui Mozu, his subordinates have obtained a lot of information from my disciples. Today, there are many mobilizations in the human race, and on the battlefield of the ten thousand races, the large

camp of the human race alliance also has some mobilizations. The subordinates suspect that the human race It is very likely to launch an attack on our Demon League on the battlefield of ten thousand races."

This majestic demon's figure is above the sky, but in front of the ancestor of the deep demon, it is respectful and pious.

"Oh, launch an attack on my Demon League? Who in the human race has this courage?"

The ancestor of Yuanmo sneered.

For hundreds of millions of years, only his demons have attacked the human race, and no one has taken the initiative to attack his demons. Could it be that the human race alliance is so courageous?

"Master Hui Mozu, according to the information obtained by his subordinates, this operation is very likely to be done by Xiaoyao Supreme."

"Xiaoyao Supreme?" Yuanmo ancestor frowned, then sneered: "Can he represent Human Race?"

The lofty demon shadow's body was lowered, and respectfully said: "According to the information, not long ago, in the human race, the supreme divine craftsman made a big disturbance in the ancient world, and killed the ancestors of the ancient Xiao family, which caused dissatisfaction with the king of the giants and the supreme humans. , So the human ancestors convened a human council to target the supreme divine work."

"At the critical moment, Xiaoyao Supreme arrived, defeated the ancestor god, and the ancestor **** had to retreat. In the end, the Chaos Supreme shot and blocked the Xiaoyao Supreme. Otherwise, there will be a battle between the human race ancestor **** and Xiaoyao Supreme."

"However, after this battle, the ancestor **** also lost control of the Human Race Council. It is said that the right to speak of the Human Race Council is now under the control of Xiaoyao Supreme."

"Therefore, the subordinates suspect that this action was initiated by the Xiaoyao Supreme."

The towering figure respectfully said.

"Xiaoyao Supreme."

The pupils of the ancestor of Yuanmo constricted, and cold light burst out of his pupils.

It's this guy again.

Back then, if it hadn't been for the sudden emergence of this Xiaoyao Supreme, his demons would have dominated the universe. How could there be these things now, how could the human race's ancestor **** and other guys resist his invasion? The ancestors and others are just a group of idiots, those who succeeded less than failed.

of course.....

The ancestor of Yuanmo looked at the towering figure below his eyes, and his eyes were a little unkind.

Among the demons, besides themselves, are there some idiots? This guy in front of him can be regarded as the patriarch of the Yuanmo clan now, the supreme-level powerhouse, he deliberately handed the Yuanmo clan to his management in the future.

But what about him?

The design was not well done for a small Qin Chen, and it exposed the dark child he had hidden in the heavenly work for countless years, and even lost the space ancient beast clan, which is simply a waste.

Huh!

Every time he thinks of this, the ancestor of Yuanmo can't breathe well and his liver hurts.

If it wasn't for Mo Ye who entered the lower realm back then, was suppressed by that person, and didn't know his life or death, how could he hand the Abyss Demon Clan to the guy in front of him?

"Ancestor?"

This majestic figure looked up and felt the murderous aura of the ancestor of the deep demon.

"Useless things."

The ancestor of the deep demon was even more angry when he saw the opponent's unwillingness.

It's all waste.

"Well, any other news?"

The ancestor of Yuanmo frowned.

The towering figure breathed a sigh of relief and hurriedly said, "Going back to the ancestors, there is one more thing. Now the human heaven has been repaired a lot by the heavenly work and the supreme. It is said that the current heaven can already accommodate the powerful under the supreme level. If the person enters, the pinnacle Tianzun enters, and it doesn't matter."

"Ok?"

The ancestor of the Abyssal Demon stood up suddenly, "Has the heavens been patched to this level?"

Cold light burst out of his pupils, and the surrounding void suddenly stagnated, splitting apart with a thud.

The universe and heaven were all suppressed severely by the breath of the ancestor of the deep demon.

"What's wrong with Patriarch?"

The towering figure looked terrified, why did the ancestor pay so much attention to that human heaven?

Although the human heaven is a little special, it can accommodate countless people from the lower realms to ascend, but now many races of the Mozu Alliance can lead their tribesmen to their own realm, so there is no need to worry about these.

"Give me a stare at the Celestial Realm, remember that the realm was not a trivial matter that day, if there are other changes, you must notify the ancestor as soon as possible." Yuanmo ancestor said solemnly.

"Yes, ancestor." The towering figure said respectfully, hesitating, and said in doubt: "Old ancestor, is there anything special about the human heaven?"

"natural."

The ancestor of the deep demon gave him a cold snort: "The heavens are no small matter. It is not just a realm of this universe, but also a big secret. If the heavens are completely restored, then the plan of the ancestors, I'm afraid there will be some accidents."

The towering figure took a breath, what secret did the world have that day that could destroy the plan of the ancestor?

The ancestor of Yuanmo continued to sneer and said: "Now you don't need to pay attention to that Xiaoyao Supreme, but the intelligence of the heavens must be controlled. As long as I and that Xiaoyao Supreme do not break through the transcendence realm, it is almost impossible to win the other party. The ancestor continues with him. Staying entangled will only give Human Race a chance to develop."

"Hmph, as long as the ancestor's plan is successful, then it will be easy for the ancestor to control this universe."

The ancestor of the Yuanmo had a ferocious look in his eyes.

"Yes, ancestor... I don't know what the secret of the realm is..."

The towering figure asked in a low voice, with some curiosity in her heart.

"This secret is important. You don't need it yet...Huh?"

The ancestor of Yuanmo said casually, he was about to say something. Suddenly, his expression was shocked and he suddenly raised his head.

Hum!

An invisible force suddenly diffused, and was instantly captured by the ancestor of the deep demon.

"It's the breath of the psychic magic stone."

The eyes of the towering figure suddenly became round.

The psychic magic stone is extremely precious, unless it is some important supreme in the demon world, ordinary people are not qualified to get it. Once the aura of the psychic magic stone appears, it means that there is a problem in the important place of the demon ancestor.

who is it?

[Chapter 4517: Balrog Supreme](#)

The towering figure suddenly looked at the ancestor of Yuanmo.

"The Chaos God Demon Sea is the psychic magic stone of the Chaos God Demon Lord. What happened to the Chaos God Demon Sea?"

The ancestor of the deep demon looked frightened and furious, and a terrible aura suddenly surged on his body, rumbling, and in an instant, countless magic stars burst in the entire void, rumbling rumblingly, as if the end is coming.

Chaos God Demon Sea is a very crucial part of his plan. Therefore, he sent Chaos God Demon Lord to sit there. It is reasonable to say that there is no problem at all, but now, Chaos God Demon Lord actually crushed the psychic demon. Shi, what happened?

It is important to know that ordinary things are impossible to force the gods and demons to crush the psychic magic stone. Only things that threaten the dark and underworld will make the other party pay so much attention.

"No, death will never go wrong."

The ancestor of the Yuanmo was furious, and his figure suddenly rose to the sky, with endless killing intent boiling.

Below, the eyeballs of the towering figure became round.

Chaos God Mohai, something happened?

How could it be that there was an extremely important place in his Demon Realm, and there was still a chaotic God and Demon Lord sitting around, how could something go wrong?

Now that the Devil Realm is all under the control of Lord Demon Ancestor, who dares to disobey Lord Demon Ancestor and go to chaos the Gods and Demon Sea to make trouble?

Terran?

Do not!

If you can crush the psychic magic stone, if it is the top powerhouse of the human race, it must be at least a late-stage supreme figure, so that once the character enters the demon world, the master demon will definitely perceive it, and it is impossible. Missed.

But apart from the supremacy of the human race, who else would let the gods and demons crush the psychic magic stone?

Suddenly, a possibility jumped in the mind of this towering figure, causing him to be shocked.

Could it be... the Righteous Army?

As he was thinking about it, he heard a cold voice in his ears, resounding loudly.

"Trash, what are you doing in a daze? All the strong people near the area where the Chaos God and Demon Sea are located are rushing to the Chaos God and Demon Sea as quickly as possible. No matter what the reason, be sure to stop the chaos of the Chaos God and Demon Sea."

When the voice fell, the ancestor of the Yuanmo took a step and suddenly disappeared between the heaven and the earth.

He didn't even have time to talk too much nonsense with this majestic figure, so he was eager to leave.

Because the land of the gods of chaos is too important, it is related to whether he can control the demon world in the future.

Rumble!

I felt that the heavens of the entire Demon Realm roared, the ancestors of the deep demon traveled, the heavens and the earth shook, and the heavens of the Demon Realm throbbed, as if they were completely suppressed.

boom!

In the Demon Realm, the tens of thousands of races shook, and all the powerful demon races raised their heads in amazement, looking at the depths of the endless Demon Realm where the ancestor of the deep demon was, ancestor him...what happened.

The towering figure didn't dare to neglect, and immediately began to set up a large array, hum, a terrifying large array appeared in front of him, one by one magic stone inlaid, this is a large communication array.

Although the supreme is strong, the demon world is too vast, and it is far from being able to cross a realm with one thought. Therefore, even if it is between the supreme, it is necessary to communicate in order to get the news.

In an instant, the messages were transmitted by the towering figure.

After doing all of this, the towering figure put away the communication formation, shook, and flew towards the place where the ancestor of the deep demon disappeared.

Between the devil world.

The ancestor of the deep demon looked furious, and his figure moved to the largest extent, as if he merged with the devil's heavenly path, rumbling, in this devil world, the infinite space quickly crossed under his feet.

His speed is extremely astonishing, and he is afraid that some peak heavenly masters may not even be able to capture the silhouettes of them, and they have disappeared into the sky.

However, the demon world is too vast.

Even at this speed, the ancestors of the Abyssal Demon could not rush to the Chaos Demon Sea in a short time, and could only send the strong people around the Chaos Demon Sea to support them at the fastest speed.

now.

Surrounding the sea of chaos and demon, in the dark magic valley, the devilish energy is full, like purgatory.

Boom!

suddenly.

A terrifying demon shadow soared into the sky. The demon shadow was towering, and there was a terrible black mist all over the body. In the black mist, a pair of dark magic eyes bloomed with a rainbow, staring at the chaotic sea of gods and demon in the distance.

"Chaos God Demon Sea, something has happened? Master Demon Ancestor made me wait as fast as possible?"

"go!"

This magical figure shook, and suddenly disappeared.

On the other side of the Chaos God Demon Sea, there is a land of red magma.

In this magma land, there is a huge demons race-the flame demon race.

The Flame Demon Clan is a newly advanced first-line demon clan with extremely noble status.

At this moment, in the territory of the Flame Demon tribe, countless members of the Flame Demon tribe who are burning flames are rolling, frolicking, and practicing in this lava field.

suddenly.

With a bang, the entire magma field burst apart. In the deepest part of the core of the magma field, in a deep lava pool, a flame demon figure of ten thousand feet tall suddenly appeared.

As soon as the flame demon figure appeared, the flames of the entire melting land suddenly boiled, and countless magma erupted, like a volcanic eruption, like the end of the day.

"It's Lord Flame Demon!"

"The ancestor, the ancestor actually left the customs."

A group of Yanmo people raised their heads in horror, crawling on the ground one by one, looking at the majestic and boundless figure above their heads, they felt endless heart palpitations in the depths of their souls.

The flame demon supreme.

The ancestor of the Flame Demon Clan, the true top powerhouse of the Flame Demon Clan.

The former Flame Demon Clan was only a second-tier demon clan, and it was precisely because of the emergence of the Flame Demon Supreme that the Flame Demon Clan suddenly jumped from a second-tier demon clan to a first-tier demon clan among the Demon Clan.

"Chaos God Mohai, there is turmoil?"

The Flame Demon Supreme frowned, staring at the location of the Chaos God Demon Sea intently.

"The ancestor ordered, it seems that I have to go as soon as possible. In case something goes wrong with me, the ancestor will be furious, I am afraid..."

The Flame Demon Supreme murmured.

With a bang, his figure was like a scorching meteor, which instantly pierced the sky, rushed toward the end of the endless heaven, and disappeared into the sky in the blink of an eye.

The two supreme powerhouses closest to the Chaos God Demon Sea received the order of the Abyss Demon Clan, and they were dispatched for the first time to rush towards the Chaos Demon Sea.

now.

The Island of Chaos God is located.

At the moment when the **** of chaos smashed the psychic magic stone, the demon ancestor Luohu suddenly lowered his head, as if sensing something, his brows wrinkled slightly.

"Just now, there seemed to be a vague force passing by."

Mo Li also said in a deep voice.

His magic body is special, and he can feel this special fluctuation. "Be careful, this should be some kind of special means of communication. It seems that this chaotic **** and demon master has most likely already notified the Demon Clan's ancestor of the deep demon. This place is extremely critical, and the ancestor of the deep demon will definitely arrive in person and pick it up. Down, I am afraid that the risk is great.

"The Demon Ancestor Luo Hu frowned and said.

[Chapter 4518: Need you to say](#)

"What? The ancestor of the deep demon will come in person? Master Luohu, the demon ancestor, then... shall I leave immediately?" The Chiyen Demon's face changed suddenly when he heard the words.

Mo Li also condensed his eyes.

The name of the person, the shadow of the tree.

They were not afraid of the Gods and Demon Lords, and dared to go wild in the Sea of Gods and Demons, but when they heard that the ancestors of the Abyss Demon were coming, they were extremely worried.

The ancestors of the deep demons hadn't arrived yet, they were already timid.

It's not that they are weak.

But... the ancestor of the deep demon is the leader of the entire demon clan, the real top powerhouse, is about to meet the ancestor of the deep demon, even if the demon is confident, he dare not say that he can escape from the ancestor of the deep demon. , Will inevitably be captured.

If Mo Li really thinks that his talent is invincible in the Devil Realm, and he can turn a good fortune every time, he will not live until now.

However, the Demon Ancestor Luohu narrowed his eyes and didn't have the first time to leave. He pondered for a moment, and then laughed coldly: "Don't worry, the ancestor of the deep demon ancestor also knows that even if he wants to come at the speed of the opponent, he can't do it in a moment. So, I have time to wait, first look at the darkness

Let's talk about the changes in the pool. "

Luohu Demon Ancestor looked down intently.

In the eyes of Luohu Demon Ancestor, no matter how strong the ancestor of the Abyssal Demon is, he is only a junior, so naturally he will not be too afraid. If his cultivation is fully restored, he has never been able to compete with the opponent.

How could this opportunity be given up so easily.

Mo Li and Chi Yan Demon Lord looked at each other, hesitated for a moment, and also nodded.

Indeed, this is a rare opportunity, just to leave like this is really unwilling.

Then wait a moment.

If you find something bad, it's okay to leave the first time.

When Luohu Mozu was paying attention to them.

In the dark pool.

The face of the Lord of the Abyss changed slightly.

Once the psychic magic stone is broken, the ancestor will definitely get the news. I am afraid that there will be changes in a very short period of time, and even will come in person.

"Little dust, be careful, the movement here has been known to the ancestor of the deep demon, and it is very likely that the ancestor will arrive after a while."

The Lord of the Abyss hurriedly transmitted the sound to Qin Chen in the depths of the Dark Origin Pool.

boom!

In the dark source pool, Qin Chen was confronting the existence in the dark underworld, and his expression was shocked when he heard the news.

The booming, billowing breath of death crazily poured into his body, and Qin Chen's body immediately burst out with an earth-shattering roar, and the chaotic green lotus fire urged to the extreme, refining strongly.

The existence in this dead earth is extremely terrifying. Although it is separated from the Yin and Yang vortex, Qin Chen can't take the opponent in a short time and take advantage.

Coupled with the fact that the ancestor of the Abyssal Demon was coming, his heart suddenly sank. Moreover, Qin Chen also vaguely felt that the existence in this dead land had some doubts about his identity. He tried several times, but the other party did not say any important information, and wanted to draw out the demon ancestor from the other party's mouth. Plan to be afraid

It is difficult.

Damn it.

Is it going to fall short in this way?

Qin Chen's face was ugly.

"Kid Qin Chen, we must leave as soon as possible."

Honghuang Zulong reminded.

"I know."

Qin Chenhan said.

He frowned and thought, already knowing that it was impossible to find out information out of thin air, unless... he could deceive some information.

Qin Chen raised his head, perceiving the Chaos God Demon Lord who was fighting against the Lord of Abyss Demon outside the Darkness Pool.

perhaps.....

A plan flashed through Qin Chen's mind.

"Blood River Saint Ancestor, you stay here, trap this person, and I will go back as soon as I go."

boom!

The ancestor of the blood river was released by Qin Chen at once, and the river of blood rolled over the world in an instant.

"My lord, with the current strength of his subordinates, I am afraid..."

Sensing the breath of death emanating from the dead earth, the face of the blood river saint ancestor changed slightly.

"Senior Sword Demon, you are here to assist Saint Ancestor of the Blood River, you must trap this person."

Qin Chen shouted at the mysterious rusty sword sound transmission, huh, the mysterious rusty sword fell into the hands of the ancestor of the blood river in an instant.

Immediately afterwards, Qin Chen shook his figure, and suddenly swept towards the dark pool.

"Sword Demon? You and I join hands to complete the orders of the adults."

Blood River Saint Ancestor held the mysterious rust sword in his hand, instantly sensed the soul of the sword demon hidden in the mysterious rust sword, and said solemnly.

"Huh, do you need to say?"

The Sword Demon snorted coldly.

The Blood River Saint Ancestor was startled.

Damn, what is this guy, dare to be so arrogant to yourself?

"I'm just a junior, don't you think you are invincible? Isn't it blocked by someone in the sword? If it weren't for the order of an adult, and the original ancestor has not fully recovered his strength, before the change, the original ancestor directly killed you."

Blood River Saint Ancestor said unhappy.

He is the ancient chaos **** and demon, how can he be so angry?

"Only you? Humph!"

The Sword Demon snorted coldly. He also knew the identity of the Saint Ancestor of the Blood River, and naturally also knew the strength of the Saint Ancestor of the Blood River.

Back then, he had already embarked on the path of detachment, belonging to the powerhouse of the pinnacle supreme level.

He was still a little afraid of the great ancestor dragon who had recovered most of his strength, but he was not afraid of the blood river sacred ancestor who had only recovered a little bit of strength.

"Damn, power guy."

Holy Ancestor Blood River cursed angrily.

The younger generations now are too immoral, don't know how to respect the old and love the young, they are becoming more and more arrogant.

However, they scolded and scolded, Qin Chen's instructions, they naturally did not dare to neglect, and combined forces such as the Ten Thousand Realm Demon Tree and Calamity Fire to fight against the breath of death.

boom!

The terrible breath of death spread, and directly blasted into the blood river Saint Ancestor's body.

But who is the Blood River Saint Ancestor? That is the ancient Chaos God and Demon. Although the cultivation base has not been restored, it is not the death energy that can be killed directly. The two sides are immediately in a balance.

In the dark pool.

Huh!

A figure appeared, it was Qin Chen.

He looked up at the Abyss Demon Lord and Chaos Demon Lord who were fighting in the sky, his eyes narrowed slightly.

At this moment, the Lord of Abyss Demon is fighting frantically with the Lord of Chaos Demon. It is obvious that the Lord of Abyss Demon is at a disadvantage, but because of the power of the Abyss in his body, he still has enough strength to support him.

"the host!"

As soon as Qin Chen arrived, the Lord of Yuanmo sensed Qin Chen's existence, and his expression couldn't help being excited.

"The Lord of Abyss Demon, entangle him, don't let him discover that Ben is missing." Qin Chen secretly transmitted the voice.

"Yes, master."

Although he didn't know Qin Chen's purpose, the Lord of Yuanmo decisively carried out Qin Chen's orders.

Boom!

The Lord of Abyss Demon fought back desperately, and the terrifying devilish energy soared to the sky.

"This guy, don't you want to die?"

The **** of chaos frowned, the guy in front of him, clearly inferior to himself, but he was so crazy, wouldn't he be afraid of death?

However, he was not worried in his heart, instead he was always alert to the Demon Ancestor Luohu from the outside world. As long as the two did not join hands, once the Master Demon came, these two guys could not escape. Therefore, he is very calm.

[Chapter 4519: Very insulting](#)

When Qin Chen saw this, he didn't make a move, and didn't make a rash move. Instead, he set his sights on Mo Li and others who were slaughtering wildly in the Chaos God Demon Island.

An invisible wave quietly diffused out of this dark pool.

"Ok?"

When this wave of fluctuations spread out, the **** of chaos frowned.

Just now, some fluctuations seemed to flash past.

"kill!"

It's just that without waiting for him to investigate carefully, the Lord of the Abyss suddenly shouted, killing him like crazy, rumbling, and the terrible demonic energy covered the fluctuations, and the terrible power eroded, so that he had to do his best. withstand.

The guy in front of him is not strong in cultivation, but his strength is not weak. If he is too careless, he will be in trouble if he capsizes in the gutter.

Before the ancestor came, he must be steady. Once the ancestor arrived, no matter who he was, he would not escape death.

This is his current state of mind.

Don't ask for merit, just ask for no fault, otherwise, once the ancestor arrives, he must be killed.

Boom!

The Lord of Chaos Demon and the Lord of Abyss Demon are fighting together madly.

At this moment, Qin Chen had quietly left the dark pool and entered the Chaos God and Demon Island.

On the Island of Chaos Gods and Demon.

Mo Li is slaughtering the powerful demons here.

A powerful demon clan was killed by him and swallowed with blood. The aura on his body, rising at a speed visible to the naked eye, has reached the limit of Tianzun, and even faintly, there is a tendency to break through to the supreme.

Of course, this is just an illusion. Tianzun breaks through the supreme, and the difficulty is so high that people can imagine it, and it is definitely not a matter of overnight.

If you want to break through the supreme, even if Mo Li kills all the powerhouses of Chaos God Demon Island, it may not be able to do it because of lack of understanding.

Of course, if you can really kill all the strong here, get a lot of origin, and swallow all the absorbed power and origin, even if you can't break through the supreme, it is still possible to step into the half-step supreme realm in the future.

Therefore, Mo Li slaughtered frantically.

But at this moment...

Mo Li, who was slaughtering frantically, suddenly seemed to feel a breath coming. His slaughter body suddenly stiffened, and his instinctive cold hair stood up, and a feeling that made his heart frightened, lingered in an instant.

"who?"

boom!

Mo Li turned around suddenly, and blasted at a void behind him. With a bang, the void exploded directly. The rules of the rolling space exploded, and the invisible demon energy seemed to be transformed into a demon snake. Drilling around in the void, frantically searching.

"Li'er, what's the matter?"

boom!

The Red Flame Demon Lord who was sweeping the formation nearby flew over, his face changed slightly, and he asked nervously.

"Someone."

Mo Li said in a deep voice, he squinted his eyes, his pupils were full of cold light, and his eyes quickly peeked around, trying to find out the power that made his heart palpitations.

It just got nothing.

"Someone?"

The Chiyan Demon looked at it intently, and there was nothing in front of him, nothing but nothing.

Red Flame Demon Lord frowned: "You...you can't read it wrong, right? Where is anyone here?"

"Have you read it wrong?" Mo Li frowned.

"You must be wrong, Li'er, you should be too nervous because you killed too much."

Chi Yan Demon Lord said with a smile, and took Mo Li's hand.

The palms are soft, with warmth, and the red sleeves add fragrance.

And at the moment when Chi Yan Demon Lord held Demon Li's hand, suddenly, there was a sharp look flashing under Chi Yan Demon Lord's eyes, and he heard a bang, and a terrible demon fire quickly spread out from Chi Yan Demon Lord's body. , In an instant, this piece of heaven and earth was sealed off.

The surrounding area of thousands of miles was covered by the billowing magic fire, and the magic fire in the void burned, burning the void to reveal the void black holes.

Demon Fire Realm, Chiyan Demon Lord's gifted supernatural powers, top demon energy realm!

Chi Yan Demon Lord and Mo Li have always had the same mind. The two are invincible tacitly. On the surface, Chi Yan Demon Lord is suspicious of Mo Li's words. In fact, Chi Yan Demon Lord uses the conversation between the two to paralyze others.

If someone is lurking around, he will definitely relax after hearing his words, and when the opponent relaxes, he will display his strongest magic fire domain. As long as the opponent is in this area, it will definitely be in him. In the realm of magic fire, you can see the clues.

Mo Li and Chiyan Demon Lord looked around frantically at the moment when the Demon Fire Realm was swept away.

The void was burnt and distorted, but there was no abnormality in the surrounding area of thousands of miles, and it didn't look like a human being at all.

Is there really no one?

Mo Li's face was ugly and frowned. Did he really feel wrong?

Do not!

The feeling that made his heart palpitations was absolutely impossible for him to perceive it wrong, as if a boulder was pressed against his heart, and there must be someone around him.

"Friend, come out and see you."

Mo Li said in a cold voice, while secretly transmitting Luohu Demon Ancestor.

"Hahaha, magic, long time no see, what a coincidence, why, seeing old friends, is that welcome? It's a bit too much."

at this time.

In the void, a chuckle sounded, and immediately after seeing the void covered by the magic fire, a figure slowly appeared, it was Qin Chen.

Qin Chen looked at the demon fire domain around him, and said with a smile: "Chiyen Demon Lord, your demon fire power has become more and more subtle, if it wasn't for this young master who is also the top demon fire controller, he might have discovered it. awesome."

Qin Chen said with a chuckle, with a look of appreciation.

"You... Demon Qin."

The eyes of Demon Chiyen suddenly rounded, and he made a sound of anger.

"Qin Chen, is it you?"

Mo Li's eyeballs also bulged out, and his whole body got goose bumps, and his face was instantly black like the bottom of a pot.

It's really him.

What a bastard.

Oh shit.

He should have thought of the feeling of heart palpitations and nausea, besides this guy, who else could give him this feeling?

Mo Li's face was grim, and his murderous aura suddenly emerged.

Qin Chen chuckled softly: "Magic, meet old friends, don't you need to be so nervous?"

He glanced around and smiled: "It's too conspicuous here. Let's go and change the place."

Whoosh!

Qin Chen's figure flickered, and instantly swept towards the Demon Island below, with Demon Li facing his back, he did not worry that Demon Li would kill him from behind.

"Li'er, what shall we do now?"

Demon Chiyen's face was pale, his eyes turned green when he looked at Qin Chen's back, "Or, let's go now. If we meet this guy, it won't be a good thing."

"Hmph, let's go down and have a look, this guy is too arrogant, if I leave like this, doesn't it mean that I am afraid of him?"

Mo Li looked at Qin Chen's unguarded back, shaking with anger, his eyes cold.

Qin Chen's move didn't hurt much, but it was extremely insulting.

"Also."

Red Flame Demon Lord nodded, and said coldly: "We have been in the Demon Realm for so many years, and we have achieved extraordinary breakthroughs in our cultivation. The Supreme is not afraid, and even that guy will fail."

[Chapter 4520: Junior come to help you](#)

"Go, see what this kid is going to do."

Chiyan Demon clenched his teeth.

Oh shit!

If they just turned around and left, it would be obvious to outsiders that they were afraid of Qin Chen.

Even if lizi loses, face can never lose.

"Whizzing!"

The two of them shook their bodies, and followed Qin Chen's figure to a remote place in Chaos God Demon Island.

"Qin Chen, you are a human race, how dare you break into the realm of the demon world and seek death?"

As soon as he came up, Chiyan Demon snorted coldly, his tone was cold.

In terms of words, Qin Chen must be suppressed.

Qin Chen didn't speak at all, looked around, and quickly squeezed his hands.

Buzzing!

I saw a wave of invisible demonic energy permeating out, instantly blocking the world and isolating all the breath here.

In an instant, Mo Li and Chi Yan Demon Lord instantly felt a terrifying force of suppression, covering this world, even with their strength, they could not penetrate this barrier to perceive.

"what you do?"

The Scarlet Flame Demon, who was still talking proudly before, saw this scene, and was shocked, and jumped up, where there is the previous arrogance and domineering.

"Shield the breath of that chaotic **** and demon lord, what are you afraid of?"

Qin Chen coldly glanced at the Red Flame Demon Lord. "Crimson Flame Demon Lord, remember that in the Tianwu Continent's Heaven Demon Secret Realm, you were a top-level demon ruler and you dare to fight. How come you have reshaped your body after coming to the heavens, but you have become more and more timid? Surprised? Suddenly, so never seen the world.

"

Qin Chen said with disdain.

"you....."

Red Flame Demon Lord was angry, and was trembling with Qin Chen's words.

"Speaking of you, isn't it?" Qin Chen sneered: "The young master just blocked the void casually to prevent the aura from leaking. You just made a fuss, how will things happen in the future, how can you become the supreme demon?"

"I....."

Chiyen Demon Lord was so angry, but he didn't dare to refute, but his face turned pale with anger.

"Well, Qin Chen, stop talking nonsense, why are you here?" Mo Li took a step forward and said coldly.

He couldn't see Qin Chen bullying the Chiyen Demon Lord.

"Hahaha!"

"Cool!"

But at this moment, a big laugh suddenly came, a bang, a figure descended, it was Luohu Demon Ancestor.

The devilish energy surging on his body swallowed a large amount of the power of the masters of the Demon Island Demon Race, his cultivation level was slowly improving.

It's a pity that the strongest Demon Race powerhouse in the Chaos God Demon Island is nothing more than the Peak Celestial Venerable. Compared with the average Demon Race, it is much more powerful, but for his supreme demon, it is still too weak. "Moli, Chiyen, why are you two nesting in this place? I just secretly sent a message to the ancestor. The time is urgent. We don't have time to waste. The powerful demon clan may arrive at any time. There are some remnants of the demons, kill them directly

, It can also improve a lot of cultivation. "

Luohu Demon Ancestor said loudly, walking like a demon, and after entering the isolation formation under Qin Chen's cloth, his brows suddenly frowned: "Huh? What a subtle isolation formation, it's you..."

Luohu Demon Ancestor's eyes fell on Qin Chen, suddenly startled.

"The younger generation has seen Senior Demon Ancestor Luohu. Here, I would like to congratulate Demon Ancestor Luohu for his cultivation and restoration to the supreme state. It is gratifying."

Seeing Demon Ancestor Luohu appeared, Qin Chen immediately smiled at Demon Ancestor Luohu and said with his hands.

"You kid, why are you here?"

When Demon Ancestor Luohu saw Qin Chen, his face suddenly turned green.

He also suffered from Qin Chen's loss.

This kid is simply a rascal. At the beginning of the Chaos River in Vientiane Godzang, he and Qin Chen joined forces to suppress the Holy Ancestor of the Blood River together with the Primordial Ancestor Dragon. As a result, the suppressed Holy Ancestor of the Blood River was directly taken away by Qin Chen. Other than that, The origin of the chaos in the chaotic river is also

Taken away by Qin Chen.

It made them work hard for a long time, they only drank a little oily water, and Qin Chen ate all the meat, so why not be angry?

Seeing Qin Chen now, Demon Ancestor Luo Hou suddenly thought of the original things, and his face suddenly became ugly.

In the face of Luohu Demon Ancestor's unkind tone, Qin Chen didn't take it seriously, just smiled and said: "Junior appeared here, in fact, it is here to help Luohu Demon Ancestor senior."

"Help me? Can you be so kind? Humph!" Luohu Demon Ancestor snorted coldly.

This guy looks kind, but actually has a bad heart. "Junior is indeed here to help Senior Luohu Demon Ancestor. Although Senior has broken through the supreme realm, he still has a long way to go before he can restore his own cultivation base. If he wants to completely restore his cultivation base, he must absorb a lot of origin. Can't bear before

Such an ancient top powerhouse with the talents of Tian Zong was buried in the world, and even the Demon Breaker of this Chaos God Demon Island dared to bully Senior, and came to help Senior specially.
"

Qin Chen said sincerely.

"I believe in your ghost, can you help me?"

The Demon Ancestor Luo Hui rolled his eyes, if he hadn't cooperated with Qin Chen, he would still believe in Qin Chen, but he who had cooperated with Qin Chen would not believe that Qin Chen would be so kind.

"Senior Luohu Demon Ancestor, you laughed, the younger generation is indeed here to help you."

Qin Chen's face was serious.

Seeing Qin Chen continuing to say this, Mo Li hurriedly took a step forward and said in a deep voice, "Senior Demon Ancestor Luohu, don't be fooled by this kid. This guy is very sinister. How can he help us?"

Thinking of the fact that the Demon Ancestor Luohu was fooled by Qin Chen in the Vientiane God Treasure, Moli hurriedly reminded him that he was really afraid that Demon Ancestor Luohu would continue to be fooled.

"Haha, don't worry, my ancestor is so shrewd, how can I be fooled by this kid? You are too worried about my ancestor."

Luohu Demon Ancestor said proudly.

Mo Li was speechless, and he didn't know which guy Qin Chen could not find North after he was boasted.

Just listen to Luohu Demon Ancestor sneered, "Come to help me? It's up to you?"

Luohu Demon Ancestor's laugh is very arrogant. After the cultivation base is restored to supremacy, he is now fearless, and sneered: "Even if it's the old ancestor dragon behind you, you dare not say that you can help me. What is it."

"By the way, where's the old thing about Honghuang Zulong? It's still on you? Why doesn't it come out?"

Luohu Demon Ancestor stared at Qin Chen and sneered.

Seeing that Demon Ancestor Luohu treated Qin Chen this way, Moli was relieved immediately.

No way, he was frightened. "Master Luohu Demon Ancestor is wise, that kid, not even the supreme, wants to help you, and doesn't take a **** to follow his own virtues." Chiyen Demon Lord hurriedly made up his knife and said with disdain: "Even the subordinate Suspect, we were chased by the devil just now

, This is Qin Chen framed. "

Speaking of which.....

Red Flame Demon Lord himself was stunned.

Aside, Mo Li was also startled.

The two looked at each other, and there was an angry expression in their pupils.

by!

This.....

It's really possible.

If the guy who fought against the chaotic **** demon master was Qin Chen's person, wouldn't it mean that they were chased and killed by the demon master before, they were carrying the pot for Qin Chen?

Oh shit! Their tempers were about to explode.
