

## Valkyrie 4521

### [Chapter 4521: Hooked](#)

Thinking that when they were carrying the pot for Qin Chen and fighting against the demon lord, Qin Chen feasted in the dark pool of this chaotic God and Demon Island.

In an instant, an endless and terrifying murderous aura surged from Mo Li's body, and his mentality was about to explode.

Luohu Demon Ancestor was also stunned.

Was he framed by this kid in front of you?

boom!

On Luohu Demon Ancestor, a terrifying murderous aura surged out instantly, blasting on Qin Chen in an instant.

"Boy, was it you who swallowed the power of the dark pool before us? If you don't make it clear today, the ancestor killed you, swallowed your essence and blood, and made you alive into a corpse general." Luohu Demon Ancestor murderous boiling.

"Senior Luohu Demon Ancestor calmed down his anger. It was indeed the younger generation who had acted the Supreme Demon Origin Formation first, causing the senior to be chased and killed..." Qin Chen said.

"Master Luohu Demon Ancestor, don't listen to this kid's sophistry, he will definitely deny..."

Chi Yan Demon Lord hurriedly shouted, but he was half-talking, and Chi Yan Demon was stunned.

What?

What did he hear?

Qin Chen admitted?

Mo Li was also startled.

Qin Chen actually admitted directly?

What the hell?

"Sure enough, it's you..."

boom! The terrible murderous aura on Demon Ancestor Luohu suddenly surged. He was angry. If it weren't for Qin Chen, he was devouring the coolness of the dark pool, the result? Because of Qin Chen, he was discovered by the chaos and demon lord the first time, chasing him frantically.

Coming now, I'm still angry. Facing Luohu Demon Ancestor's murderous aura, Qin Chen remained calm, but calmly said: "Senior calmed down his anger. Although Senior was chased by the Chaos God and Demon Lord because of this young man, this young man came here with Coming in sincerity, with the intention of atonement, and,

I want to give Senior and Brother Moli a great opportunity, enough for Senior, to be expected to restore the peak cultivation base of the previous life, and Brother Moli and Brother Chiyan are also expected to take an important step towards the supreme realm. "

Qin Chen was very calm, said in a deep voice, with a serious tone.

"Master Luohu Demon Ancestor, don't listen to him nonsense, just kill him." Chiyan Demon Lord roared.

"Qin Chen, do you think Senior Demon Ancestor Luohu will believe you?" Mo Li also said coldly: "Senior Demon Ancestor Luohu, don't be fooled by this kid." "Fuck?" Qin Chen smiled, "Demon Ancestor Luohu." Senior, is it a flicker? Senior should be able to tell and do it slowly. The junior only asks a few words from the senior. If the senior still thinks the junior is a flicker by then, he can kill the junior directly.

Rebellion is not rebellious. "

Qin Chen stood calmly in front of Luohu Demon Ancestor, his expression unmoved, he regarded death as home, as if he was left at the disposal of Luohu Demon Ancestor.

"Senior, don't believe him." Mo Li hurriedly said, this guy is King Huyou.

"Senior won't even have this discernment?" Qin Chen didn't care, but said calmly, "I don't even have time to listen to the younger generation's words?"

Luohu Demon Ancestor's eyes flickered, his hostility surged, he hesitated, but he didn't have the first time to do it.

"senior!"

Mo Li was in a hurry and hurriedly transmitted the sound.

"Hmph, don't worry, you think it's so easy to kill for this son? The old guy Honghuang Zulong is in this guy. First listen to what he said." Luohu Mozu said.

It's over.

Mo Li's heart suddenly sank.

He knew that Demon Ancestor Luohu had hooked Qin Chen.

"Where's the old thing about the ancient dragon?" Luohu Demon Ancestor sneered: "Where is he? Why doesn't he come out? He is the confidence you have to talk to the original ancestor like this?"

"Predecessor Honghuang Ancestral Dragon is in this young man, but he can't appear for the time being, because once he appears, he will be noticed by the ancestor of the deep demon, and it will cause trouble." Qin Chen said.

"Hahaha, he is a guy with only a soul left, not even Supreme. Even if he comes out, he won't attract the attention of the ancestor of the abyss. Does he think he was at his peak?" Luohu Mozu sneered. "Fine, my ancestor is too lazy to care about the timid person, for fear that he saw that the ancestor has restored the supreme cultivation base, so scared to come out." Demon Zu Luo sneered: "Okay, don't waste time, then The master of the demons must be coming, you want to ask

What, ask quickly. "

Luohu Mozu sneered.

He wanted to listen, what tricks Qin Chen could tell.

Mo Li and Chi Yan Demon Lord looked at each other helplessly, smiled bitterly at each other, and could only look at Qin Chen.

Because they all felt the terrifying aura on Qin Chen, with the strength of the two of them, it would be difficult to kill Qin Chen without the help of Luohu Demon Ancestor.

Qin Chen smiled, "Junior wants to ask Senior how much energy does he need to absorb if he wants to restore his previous life cultivation base?"

"You ask what this is doing." Luohu Demon Ancestor sneered.

Does this guy really think he can restore his strength? Qin Chen didn't mind, and said lightly: "Senior is the ancient \*\*\*\* and demon, the real chaos \*\*\*\* and demon powerhouse, with a cultivation base, reaching the peak, has already reached the pinnacle of this universe. If the junior is right, Senior thinks To restore the previous life cultivation base,

The power needed is old and bright, even if it is to kill a few of these chaotic gods, demon sea demon masters, and swallow their origin, they may not be able to restore their own cultivation to the peak. "

"It's still up to you?" Luohu Demon Ancestor was angry. If it weren't for Qin Chen, he would secretly steal the power of the dark pool in the Chaos Gods and Demon Sea. The Chaos Gods and Demon Lords were not strong enough for him to recover, but this saved the entire Chaos The power of countless powerhouses in Mohai for hundreds of millions of years can definitely

Let his cultivation base have a huge improvement.

Unfortunately, everything was ruined by Qin Chen.

"Since seniors need so much power to recover, then the power needed for recovery from the wild Ancestral Dragon is not less than that of seniors, right?!" Qin Chen said again.

"Boy, what on earth do you want to say?"

Luohu Demon Ancestor frowned.

"Senior Ancestral Dragon, let your aura feel for Senior Demon Ancestor Luohu." Qin Chen said calmly.

I heard the voice of the great ancestor dragon, which suddenly sounded between the heavens and the earth, "Magic Ancestor Luohu, you guys can't do it. After such a long time, have you restored your supreme cultivation base? It's too far from the original ancestor. "

Boom!

A terrible breath swept out of Qin Chen's body suddenly, it was the Primordial Ancestral Dragon.

As soon as this breath came out, Luohu Demon Ancestor's face suddenly changed, and he turned pale, and the Mo Li and Chi Yan Demon Lord on the side, even under this force, had difficulty breathing, as if they were about to Asphyxiation, violent death on the spot.

Fortunately, this force passed by in a flash, and after it appeared, it disappeared very quickly, which made Moli and the others slow down and looked at Qin Chen in amazement.

"Honghuang Ancestral Dragon, you...recovered? Impossible!"

Luohu Demon Ancestor's eyes revealed an incredible color.

The aura just now belonged to the great ancestor dragon, and the key was that the terrifying aura had reached the pinnacle supreme level.

how can that be?

The ancestral dragon restores the peak and supreme cultivation base? Demon Ancestor Luohu widened his eyes and couldn't believe it.

#### [Chapter 4522: Play a good show](#)

At this moment, Demon Ancestor Luo was shocked, and he couldn't say a word. It should be noted that if you want to restore to the peak supreme cultivation base, you need to consume too much energy. The primordial ancestor dragon is not inferior to him. Even if it kills a few supreme, it may not be able to recover easily, unless it is to kill Yuan. Demon ancestor, such a pinnacle

The strong.

However, even in their heyday, those peak-level powerhouses may not be able to easily beheaded. Now the cultivation base has not been restored, let alone.

But now...

The cultivation base of the great ancestor dragon was restored. How did this... exactly?

"Senior, is there any fraud in this?" Mo Li and Chi Yan Demon Lord also looked shocked, and hurriedly transmitted their voices.

The aura just now is as strong as they all have a sense of suffocation, which is absolutely unique to the top strongest among the supreme.

However, the aura of the prehistoric ancestor dragon just passed away in a flash, maybe it was just a lie to them.

Mo Li and Chi Yan Demon Lord couldn't believe that the prehistoric ancestor dragon who followed Qin Chen had recovered to its former peak.

"Is there any fraud?" Luohu Demon Ancestor looked ugly and shook his head, his face was extremely gloomy: "This should be true, the old ancestor dragon should be restored to the peak of the previous life. Even if it hasn't arrived, it will not be far away. ."

Luohu Demon Ancestor said solemnly.

"My lord..." Mo Li and Chi Yan Demon Lord hurriedly said, Qin Chen was too able to fool around, so their first thought after being shocked was suspicion.

"You don't understand." Luohu Mozu's face was ugly.

As Chaos Gods and Demons, they have a special method to identify each other's cultivation base, not only from the cultivation base breath, but also from the soul and physical perception, which can discern the other party's degree of recovery.

Although it was only a moment, the previous power was extremely solid, unlike an illusory simulation.  
but.....

Luohu Demon Ancestor was still unbelievable in his heart.

When he was in Vientiane Godzang, the Honghuang Ancestral Dragon was seriously injured, and there was only one soul left, just like him. How could he restore his cultivation all at once? Even he, after he came to the Demon Realm, he slaughtered wildly and swallowed several second-tier races of the Demon Race. This restored the supreme level cultivation base, but it was only just restored to the supreme level, far from the previous peak cultivation base. Not too far

And the physical body has not completely recovered.

But just now, he not only felt the pinnacle breath of the prehistoric ancestor dragon, but also felt the terrifying physical aura of the prehistoric ancestor dragon.

In other words, the great ancestor dragon really has completely restored his cultivation base, how is this possible? "Senior now believes that the predecessor of the predecessor Ancestral Dragon has not appeared?" Qin Chen said: "With the current cultivation base of the predecessor of the predecessor Ancestral Dragon, once it appears, it will inevitably arouse the devil's heavenly way and attract the attention of the ancestor of the abyss. , The predecessor of Honghuang Zulong

For the time being, he can only live in juniors. "

Luohu Mozu's face suddenly looked ugly. He just said that the Hongkong Zulong was afraid that he would not dare to come out. Who ever thought that the other party could not come out because of this.  
indeed.

Although the primordial ancestor dragon was an ancient primordial creature, a chaos \*\*\*\* and demon, it was not a member of the demon clan. Therefore, once his current cultivation base appeared in the demon world, it would surely cause the fluctuations of this demon world.

And this wave of fluctuations will definitely be sensed by the master Yuanmo ancestor of the current Demon Realm, so what Qin Chen said was not an exaggeration.

"How did the old thing recover the cultivation base?" Luohu Demon Ancestor said in a deep voice, his eyes blooming with brilliance.

That's it!

Mo Li and Chi Yan Demon Lord looked at each other, and their hearts sank.

They all heard the faint sense of anxiety in Luohu Demon Ancestor's tone. Although it sounds calm, in fact, they have bit Qin Chen's hook.

"How the Honghuang Ancestral Dragon can recover, naturally there is his way. The junior is only trying to tell Senior Luohu Demon Ancestor that the junior is not exaggerating, there is indeed a way to restore Senior." Qin Chen smiled.

"What way?" Luohu Demon Ancestor snorted coldly.

"I can't say for the time being, but if the senior agrees to cooperate with the junior, the junior will naturally not deceive the senior." Qin Chen smiled slightly, he knew that Luohu Demon Ancestor had already taken the bait.

"Hahaha, do you think I will believe you?"

Luohu Mozu sneered.

There was some desire in his heart, but on the surface he was still very arrogant.

He still understands the truth of the price. "Believe it or not that is the matter of the senior, but the younger generation, Mo Li and Chiyan Demon Lord know that the younger generation is not a good person, but it is definitely not the kind of person who does not believe in words." Qin Chen looked at it. Xiang Moli and Chiyan Demon Lord: "If you don't believe it,

, Senior can ask two people. "

Luohu Demon Ancestor immediately looked at Mo Li and Chi Yan Demon Lord.

Red Flame Demon Lord hurriedly said, "Senior, this guy is extremely cunning. Have you forgotten about the things in the Vientiane God Treasure?" Qin Chen smiled: "In the Vientiane God Treasure, Ben Shao said when he was cooperating with you. After that, depending on your ability, you didn't get anything. That's because your skills are not as good as others. You can't blame Ben Shao, right? In addition to several other cooperations, Ben Shao actually

All have the opportunity to kill you, but in the end did you all let you go? If Ben Shao is the kind of person who doesn't believe in words, how can he let you go? "

"Hmph, that's because you can't take us down." Chiyan Demon Lord said with an ugly face.

"Really? In Tianwu Continent, couldn't this young man be able to eat you? In the secret realm of Poison Pill Venerable that day, could young man be unable to eat you? And in that black market...even the Vientiane God Store..." Smiled coldly.

"You..." The Red Flame Demon was speechless.

"Okay, enough."

Mo Li snorted coldly at the Chiyan Demon Lord, his face gloomy.

Indeed, in those few times, Qin Chen did not act on them, not to mention whether Qin Chen would definitely be able to keep them and take them down, but Qin Chen did keep his promise in those few times and did not act on them.

In this regard, even if Mo Li looked at Qin Chen uncomfortably, he still had to admit that Qin Chen was a person who believed in his words.

"You said you can help Master Luohu Demon Ancestor restore his cultivation, but in this world, there is no good thing about falling pie out of thin air, huh, what on earth do you want to do?" Mo Li said coldly.

He knew that he could no longer stop Demon Ancestor Luo's tempest, so he could only start from other aspects.

"It's very simple." Qin Chen smiled, his eyes flashed: "What Ben Shao needs is the three who obey Ben Shao's instructions and perform a good show."

"acting?"

Luohu Demon Ancestor frowned.

Mo Li sneered, "What acting? That's just another way of saying it. Actually, you want me to wait and obey your orders, right?" After hearing this, Mozu Luohu also reacted instantly. Do you follow this guy's instructions?

#### [Chapter 4523: In case of being pitted](#)

Oh shit.

Qin Chen glanced at him magically, this guy was really shrewd.

No wonder it is really difficult to live till now.

If it was only the Demon Ancestor Luohu, Qin Chen would be easily agitated, but it would be a little difficult for them to add the magic power.

However, Qin Chen didn't refute, but nodded and said, "Forget it."

"Hahaha, you want me to wait to obey your orders, do you think it's possible?" Mo Li sneered.

"What's impossible?" Qin Chen looked at Moli like an idiot, and said lightly: "The world is full of benefits, and the world's hustle and bustle are all for profit. As long as it is advantageous, it is worth doing, isn't it? , You can be regarded as a genius, don't you even understand this truth, do you?"

"

Mo Li had an ugly face, squinted his eyes and said, "Then what do you want us to do?"

"Suppress this person."

Qin Chen pointed to the chaotic \*\*\*\* demon master who fought against the master of the deep demon in the dark pool.

"As long as you suppress this person, then the dark pool below and the power in the dark source pool deep in the dark pool can be shared with a few people. Just this little benefit, they should not be able to refuse, right?" Qin Chen said lightly: "The purpose of the three coming to Chaos God Demon Sea should be this dark pool, but now everyone has been exposed, with the strength of the three, they want to seize the power of the dark pool from the hands of the Chaos God Demon Lord. It's impossible, but if you and Ben Shao

Cooperation can be obtained now, why not? "

"However, the three have to make a decision as soon as possible. The ancestors of the deep demons have already learned the news here, and I am afraid that they will arrive soon, leaving us with little time.

"If you miss this opportunity, the three want to get the power of the dark pool again, I'm afraid it will be impossible."

Qin Chen is very calm in his spare time.

He believed that the advantages of this place, Luohu Demon Ancestor and they absolutely could not refuse.

All three of Luohu Mozu's eyes moved. Indeed, it was difficult for them to refuse this benefit.

"Suppress Chaos God and Demon Lord?" Mo Li also looked at the dark pool, and felt the aura of the Abyss Demon Lord. Mo Li was suddenly startled.

Is this guy Qin Chen's person?

by!

It's really possible!

Otherwise, how can Qin Chen enter the dark pool?

But when did Qin Chen have another supreme powerhouse of the Demon Race around him?

Thinking of the strong human beings defending Qin Chen, the real dragon guys had also protected Qin Chen in the Vientiane God Hidden, and now even the demon clan had experts protecting Qin Chen, Mo Li's expression was a bit embarrassing.

Damn, why is this guy so lucky.

"This person is a member of the Righteous Army?" Mo Li said in a deep thought, making a test.

In the Demon Realm, the only ones who dared to fight against the ancestors of the Abyss Demon were members of the Righteous Army.

"You also know the righteous army?" Qin Chen frowned and looked at Mo Li, his eyes flashed. "Hahaha." Mo Li thought he had seen Qin Chen's secret, and sneered: "Little Qin Chen, this seat has been with the Demon Clan for so many years, knowing what's wrong with the Righteous Army, let alone knowing the other party. I even know your righteous army

Of a station. "

Qin Chen couldn't help frowning and said, "Do you know a station of the Righteous Army? Where is it?"

The Righteous Dao Army might be related to Lian Xin Luo, the demon \*\*\*\* princess behind Sisi, and Qin Chen naturally wanted to know.

Seeing Qin Chen's expression like this, Mo Li's heart became more certain, and his expression became more relaxed.

Behind this kid was the Righteous Army. No wonder, if this Qin Chen dared to pit himself this time, he would directly spread out the location of the Righteous Army that he knew about. Then, I would see how arrogant this kid would be.

"This is a secret, I won't tell you easily." Mo Li said with his head straight.

"Huh, do you think I'm rare?" Qin Chen snorted coldly.

It's just that the more Qin Chen is like this, the more Mo Li thinks that Qin Chen is related to the Righteous Army.

"Okay, don't waste time, hurry up and cooperate or not, in one word." Qin Chen snorted coldly.

Suddenly, Luohu Demon Ancestor and several people looked at each other.

"can."

Luohu Demon Ancestor said solemnly.

Among other things, the temptation of the dark pool alone is worth it. "In this case, you will listen to my orders later and do not act without authorization." Qin Chen said coldly: "If you don't obey this young man's order and do anything indiscriminately, you should not blame him for spreading your existence in this demon world. When the time comes, An ancient top

Chaos God and Demon, many powerful people who want to come to the Demon Realm should be very interested. "

"Hmph, do you dare to expose me, then don't blame this seat for turning around and exposing you. If you want to come to the deep demon ancestor to know that you are in this demon world, you will be excited."

Mo Li's face was ugly, and he snorted coldly. Originally, he really had this idea, but now he suddenly became afraid. "Hahaha, are you afraid of this? In the demons, this few have internal responses, among the human races, this few have Xiaoyao supreme protection, even if the ancestor of the abyssal demon is killed now, there is the predecessor of the ancestor dragon, This young man can resist, but he may not be able to kill it.

At that time you...I was afraid it was difficult. "

Qin Chen glanced at Demon Li: "Mo Li, your cultivation level has improved so quickly? Have you killed a lot of powerful demon clan? Let the ancestor of the deep demon know that he will chop you off?"

Qin Chen sneered.

More than threats, who is afraid of whom?

"You..." Mo Li's face was ugly.

To be honest, the two sides are about to be exposed, Qin Chen does have more hole cards than him, whether it is Human Race, Primordial Ancestral Dragon, or Demon Race, there are people from this guy.

Oh shit.

Everyone has soared up from the Tianwu Continent, why is this guy so lucky?

Mo Li, who is depressed, is the same person, why is the difference in treatment so big?

Qin Chen glanced at Mo Li lightly, and said coldly: "As long as everyone cooperates well, Ben Shao promises that you will be grateful for this cooperation when you look back."

"Well, it's getting late, you will listen to my orders later."

Huh!

Qin Chen's figure shook and disappeared suddenly.

After Qin Chen left, the three of Mo Li immediately looked at each other and gathered together.

"Li'er, really want to cooperate with that kid?" Chiyan Demon Lord hurriedly said.

"That's right." Mo Li frowned: "It's not the first time we have cooperated. As long as there are benefits, it might not be impossible to cooperate."

"But don't you suspect that the kid is deceiving?" Chiyan Demon Lord said anxiously: "This person is clearly being chased by the ancestors of the Abyss Demon, but he appears in this Demon Realm and has to cooperate with us. Yes, in case he gets scammed by him..."

"Probably not." Mo Li shook his head, "No matter what, it is true that the ancestors of the Abyssal Demon chased him." Mo Li held his chin and said in thought, "However, what you said makes sense. This is Qin Chen's personality, Do not go to the Three Treasures Hall, appear in the Demon Realm just for the power of the Dark Pool? He is not a member of the Demon Race, so he must have another purpose, let me see....."

Mo Li frowned. A guy like Qin Chen is very shrewd, suddenly appearing here must have his purpose.

#### [Chapter 4524: Feng Shui turns](#)

Moreover, Qin Chen is still being chased madly by the ancestors of the deep demon. Once Qin Chen's identity is known by the ancestors of the deep demon, he will definitely be chased and killed by the ancestors of the deep demon. Kill, even the pinnacle human can't save

he.

The great ancestor dragon is strong, but the ancestor of the deep demon is not a vegetarian.

There is only one possibility that a gentleman can make Qin Chen appear here without standing under the dangerous wall.

That is, he came to the devil to define that he had an extremely important and important thing to do, and this thing was even enough for him to come over at the risk of his life.

What's the matter?

I have to say that Mo Li was extremely smart, calmed down, all kinds of thoughts flashed suddenly, thinking of what happened in the Vientiane God Treasure, Mo Li suddenly flashed his eyes.

"Could it be..."

"Because of Shangguan Wan'er?"

Moli's eyes lit up suddenly.

It's really possible.

Mo Li held his chin, that Shangguan Wan'er was the Sect Master of Illusory Demon Sect of Tianwu Continent, and was inextricably related to Qin Chen. Back then, Qin Chen and this person seemed to have a special ambiguity.

Could it be said that Shangguan Wan'er is Qin Chen's woman?

As soon as this thought came out, Mo Li instantly laughed, and his mind suddenly became clear.

"Hahaha, I understand." Mo Li looked up to the sky and laughed.

"Li'er, who do you know?" Chiyan Demon Lord was confused.

"I finally know why Qin Chen came to the Demon Realm." Mo Li's eyes flashed: "I came to understand and save Shangguan Wan'er."

"Shangguan Wan'er?" Chi Yan Demon Lord was puzzled.

"That's right." Mo Li was confident, as if he had grasped Qin Chen's handle: "So, cooperating with him is that if he dares to pit us, let's expose his purpose. Then, see how he handles himself?"

Mo Li's heart was open-minded and transparent.

"Qin Chen, Qin Chen, now, your purpose is known to me, it depends on how arrogant you are in front of this seat."

The more Mo Li thought about it, the more proud he was.

Finally got a game back.

"go!"

Immediately, Mo Li, Luohu Demon Ancestor and others flew quickly towards the location of the dark pool.

now.

In the dark pool.

Hum!

An invisible wave flashed quietly.

Qin Chen had already returned to the dark pool.

"the host."

The Lord of Abyss Demon is overjoyed. He has been fighting against the Lord of Chaos God and Demon for so long, and he can't reveal his identity, so he can't hold on anymore.

Feeling the arrival of Qin Chen at this moment, he was overjoyed in his heart.

"After a while, the Demon Ancestor Luohu will come to take action, you remember..."

Qin Chen quietly transmitted the voice, secretly instructing the Lord of the Abyssal Demon.

The Lord of Yuanmo widened his eyes and nodded repeatedly as he listened to Qin Chen's plan.

"Have you remembered?" Qin Chen asked.

"Subordinates remember, but can this succeed?" The Lord of the Abyss was a little nervous.

"Whether it is successful or not, it's just a matter of thinking, and I can't manage that much." Qin Chen said solemnly.

"Great!"

The Lord of Abyss Demon looked firm.

And when the Lord of Abyss Demon's eyes were determined, opposite, the heart of the God of Chaos suddenly suddenly burst, and in a vague way, he actually felt a hint of inexplicable danger.

"No, where's that guy?"

The Chaos God Demon Lord perceives it to escape suddenly, and he finds that the three Luohu Demon Ancestors, who were still killing everywhere on the Chaos God Demon Island, have disappeared from his perception at some point.

Could it be...

The \*\*\*\* of chaos turned his head hurriedly,

Vaguely, he looked at a void ahead, and the faint sense of crisis came from that void.

And when he looked at the void, the warning signs in the heart of the \*\*\*\* of chaos suddenly soared.

"roll!"

Boom!

Without even thinking about it, the Chaos God Demon Lord subconsciously blasted a punch towards the void, with a bang, and the billowing waves of fists were like a vast ocean, with a terrifying breath of supremacy, covering the void.

"Jie Jie Jie, did you think that your reaction was so sharp that you could perceive the existence of the original ancestor?"

Boom! When the void exploded, a figure suddenly flew out from that void. It was Demon Ancestor Luohu, who turned devilish into his body, and quietly concealed in this supreme demon source formation, so that the gods were chaotic. The demon master didn't even send it for a while feel.

It is Luohu Demon Ancestor's chaos hiding qi tactics.

As the Chaos God Demon, Luohu Demon Ancestor still has this ability.

It's a pity that his cultivation level is not enough, and he is still perceived as danger by the chaos and demon master.

Boom!

Luohu Demon Ancestor appeared from the void, and rushed towards the chaos demon master, and his body suddenly became huge, like the same demon god, majestic heaven and earth.

"Suppression!"

Boom!

The heavy and supreme power bombarded by the chaotic \*\*\*\* demon lord, like a huge ocean hitting the reef, was suddenly torn apart, and at the same time a terrible chaotic demon energy was suppressed, and the chaotic demon lord roared and carried it with a punch. Shape violent retreat.

It's just that his figure didn't retreat much. The Lord of the Abyss had already seized the opportunity and quickly came behind him, as if he had expected his actions earlier, with a terrifying breath of magic power, and suddenly he package.

The chaos \*\*\*\* and demon master suddenly felt a sink in his heart, and his breathing became difficult.

This is the suppression of the top demons.

"You... really belong together."

The chaotic \*\*\*\* demon master gritted his teeth, raging into the sky, hurriedly turned his back punch, banged, and collided with the attack of the abyss demon master, but he snorted.

Although Chaos God Demon Lord is strong, facing the siege of the two powerhouses, Luohu Demon Ancestor and Abyss Demon Lord, suddenly became a little strenuous.

After all, whether it is Luohu Demon Ancestor or the Lord of Abyss Demon, although they are not as good as him in cultivation, they are much better than him in demon power, soul, and true origin.

One is the outstanding one among the ancient Chaos Gods and Demons, and the other is the descendant of the Yuanmo Clan who is now in charge of the Demon Race. The demon energy levels in both of them are much stronger than the Chaos God and Demon Lord.

"Hey... this kid, such a strong demon power, which race is this person from the demon clan?"

Demon Ancestor Luohu also looked at the Lord of Abyss Demon unexpectedly, and could feel the aura of terrifying demon power contained in the main body of Abyss Demon.

However, this is not the time to consider these.

"kill!"

Luohu Demon Ancestor and the Lord of Abyss Demon, simultaneously killed the Demon Lord of Chaos.

"Jie Jie Jie, Chaos God and Demon Lord, before you suppressed the ancestor, now, Feng Shui takes turns, you are not so lucky."

Luohu Demon Ancestor laughed out loud and shot with all his strength.

Hum!

This side of the world was completely controlled by Luohu Demon Ancestor and the Lord of Abyss Demon.

The two of them used the Chaos Demon Qi, and the other spurred their own talent demon power, and immediately formed a terrible Demon Realm, imprisoning the world.

"Damn it, Supreme Demon Origin Array, Kai!"

Chaos God and Demon Lord also felt the crisis, and his heart was extremely anxious. Why hasn't the Lord Demon Ancestor come yet?

He roared, rumbling, the devilish energy billowing in the dark pool rushed into the sky, and the terrible formations aura suddenly rose into the sky. The supreme demon source array was urged to the extreme by him in an instant.

[Chapter 4525: Seize the Supreme?](#)

boom!

This array was extremely terrifying, and immediately shook the siege of Luohu Demon Ancestor and Abyssal Demon Lord. Amidst the kaka roar, the demon realm of the two together was roaring violently, and it seemed that it was about to be exploded.

"In the large formation laid down by Lord Demon Ancestor, this lord is invincible."

The chaotic \*\*\*\* and demon master roared, "No matter who you are, once the master demon ancestor arrives, you will not escape death."

However, his voice has not fallen yet.

"broken!"

Just saw two figures quietly appearing in the three corners of this supreme demon source formation.

It is Mo Li and Chi Yan Demon Lord.

Hum!

The two displayed a series of formations at the same time, booming, and instantly these formations merged into the big formation, and then the two of them cross-legged in the big formation, urging them

with all their strength, and the breath of the big formation suddenly The speed visible to the naked eye decreases.

"what?"

The gods and demon masters were so shocked that their eyes were almost bursting.

This is the big formation that Master Mozu personally set up, and it will be weakened by these two guys who are not even supreme. How can it be?

Not only the Demon Lord of Chaos God, the Demon Ancestor Luo Hui's eyes condensed, showing a shocked face.

"That kid, indeed has some patience."

This formation was given by Qin Chen to Demon Li and Chiyan Demon Lord. Once activated, it immediately showed an astonishing effect, rapidly weakening the Supreme Demon Origin Formation.

It should be understood that he has personally come to this Chaos God Demon Sea many times, although he also has some understanding of this Supreme Demon Origin Array, which can be solved a little, but compared to Qin Chen's methods, it is actually a little worse. It can be seen that he The shock in my heart.

boom!

Mo Li and Chi Yan Demon Lord urged the formation, and suddenly felt the strength of the surrounding formation weakened by a quarter.

My heart is also secretly shocked.

Although it is only a quarter, but for the master duel, the power of this quarter is enough to change the entire battle.

The Lord of Abyss Demon and Luohu Demon Ancestor seized the opportunity to rush towards the Demon Lord of Chaos God.

"Damn, do you think you are determined to win?"

boom!

The chaos \*\*\*\* demon master roared, and a black flag suddenly appeared in his hand. As soon as this flag appeared, countless yin wind and demon aura surged all around, and the demon power on the chaos \*\*\*\* demon master was flourishing.

"Chew the sky and capture the magic flag!"

The Lord of the Abyss suddenly said in shock.

This thing is a treasure of the Abyssal Demon Race. Once activated, it will have a strong deterrent effect on the other powerful Demon Races. As long as it is a Demon Race under the Abyssal Demon Race, under the Devouring Demon Banner, the soul will be Was suppressed.

Master duel, once one party is suppressed, it will instantly fall into a disadvantage.

"Hahaha, your Excellency still knows the demon flag of the devil, yes, this thing is the treasure bestowed by the ancestors, and it is also the basis for the lord to stand in the chaotic sea of gods and demon, and kneel down for the lord."

boom!

This magic flag rose into the sky, and suddenly the billowing magic power swept everything.

"Ah!" I heard countless screams, and there were still some hidden powerhouses in the entire Chaos God and Demon Island. At this moment, all of them screamed in horror, and their bodies collapsed, frightened souls and bodies. The origin of the collapse is like a canopy

The general Devouring Sky and Demon Banner swallowed instantly.

If the Devouring Sky and Demon Banner wants to exert its power, it must devour the soul of the strong. Although the \*\*\*\* of chaos is extremely distressed by the strong under his command, at this moment, he can't control so much.

The souls of the remaining Demon Race powerhouses on the Chaos God Demon Island were swallowed, and countless magic patterns suddenly bloomed on the Heaven Devouring Demon Flag, with great power.

boom!

The terrifying magic power suddenly enveloped the Lord of Abyss Demon and Demon Ancestor Luohu.

"Hahaha, see how arrogant you are."

The chaos \*\*\*\* demon master roared and roared, full of confidence.

Under the world of this demon world, no demon clan can withstand the pressure of the Devouring Sky Capture Demon Banner.

However, when the billowing magic power was suppressed, his eyes suddenly became round.

boom!

The billowing demon might, like a vast ocean, was swallowed by the supreme powerhouse in front of him, and the demon ancestor Luohu on the other side was barely suppressed.

"you....."

The Lord of Chaos Demon looked at the Lord of Abyss Demon in anger.

how can that be.

How can anyone absorb the magic power in the Devourer's Banner?

In the entire world, unless it is a strong person of the Abyssal Demon Clan, otherwise...

"No, you... are you from the Abyssal Demon Clan?"

The Lord of Chaos God suddenly looked at the Lord of Abyss Demon in anger.

"Hmph, use the Sky Devouring Demon Flag to suppress this owner, but you can't figure it out, the way of the deep demon, suppress this owner."

Suddenly, the Lord of the Abyss gave a cold snort and a rumbling sound, and the endless Way of the Abyss surged out of his body. The horrible Way of the Abyss suddenly enveloped the Heaven Devouring Demon Banner in the hands of the God of Chaos Demon Lord. .

As soon as I heard the humming sound, the light on the Sky Devouring Demon Banner was so bright that it was suddenly controlled by the Lord of the Abyssal Demon, and the terrifying power in it was ruthlessly suppressed on the body of the Chaos Demon Lord. As a result, the aura of the master of the abyss fell sharply.

"The Way of the Deep Demon, who are you?"

Chaos God Demon Lord said in horror, his expression furious.

"Who is the owner? Can't you tell? The \*\*\*\* of chaos, the demon Lord, when he sees the owner, he still doesn't kneel down."

The Lord of the Abyssal Demon suddenly revealed his original face. The terrifying power of the Abyssal Demon instantly swept and blasted, combined with the coercion of the Heaven-Sweeping Demon Flag, causing the Lord of the Chaos Demon to tremble, and his legs were involuntarily weakened. .

Lord of Abyss Demon.

The person in front of him turned out to be the Lord of the Abyss, the descendant of the Abyss Demon Clan who had disappeared in the Demon Realm for hundreds of millions of years.

how can that be?

The chaos \*\*\*\* and demon master's mind was trembling, unable to restrain himself, and for a moment his soul was a little confused.

However, he was a supreme-level powerhouse after all, and while he was dazed, he woke up in an instant.

"Lord of Abyss Demon, you are so bold, do you want to disobey Lord Demon Ancestor?"

The \*\*\*\* of chaos roared.

No matter how noble the Lord of the Abyss is, he is only the descendant of the ancestor of the Abyss. The demonic energy in his body is constantly surging, and he wants to break free of control.

However, at the moment when he was about to resist.

boom!

Behind the \*\*\*\* of chaos, a figure suddenly appeared, as if appearing out of thin air, a right hand suddenly patted the head of the \*\*\*\* of chaos.

It was Qin Chen.

Qin Chen had been hiding in the dark until this critical moment, and he suddenly made a move. The terrifying power rushed into the mind of the \*\*\*\* of chaos and demon in an instant, madly impacting his soul.

"Do not!"

Chaos God Demon Lord looked terrified, and he did not expect that there was a strong man hiding in this void, and this person was so terrifying that he could hardly reflect.

The terrible soul impact instantly rushed into his supreme soul sea, and wanted to dive into his soul sea.

"Want to seize the owner?"

Chaos God Demon Lord looked terrified, he felt it, the guy in front of him actually wanted to invade his soul sea, did he want to take him away?

Too bold.

I can't believe it.

He is the supreme demon, does this guy know what he is doing?

Deprive yourself of it, but he can't figure it out. At the supreme level, no one will be easily taken away. This is almost impossible. The supreme soul has no loopholes, and it is impossible to be invaded or taken away by others.

#### [Chapter 4526: Upright](#)

At this moment, the chaotic \*\*\*\* and demon master was frightened and angry.

This guy actually wants to seize himself?

ridiculous!

Although frightened, there was no panic in his heart. In the crisis, he instantly calmed down. He was also a supreme powerhouse at any rate. What scene did he not see?

boom!

The chaotic \*\*\*\* and demon master snorted coldly, and the soul sea in his mind surged, like a stormy sea, turning into an endless sea of magic soaring to cover the sky.

And in the power of the soul, a terrible power of darkness surged out. The power of darkness was so terrible, and it was as dense as ink that couldn't be melted, and even Qin Chen felt his heart palpitations.

"Hahaha, I want to seize the owner, whimsical, and die for the owner."

The \*\*\*\* of chaos and demon master roared and banged, this dark power was attracted by him, and in an instant, the dark power turned into a terrifying spear, and the rocks shook the sky, and it was bombarded with the power of Qin Chen's invasion.

The power of the billowing darkness instantly annihilated Qin Chen's soul.

And, from the power of darkness, faintly, a magnificent voice resounded: "Dark people, no blasphemy!"

This voice was cold, magnificent, terrifying, and booming, Qin Chen's soul was constantly oscillating under this breath.

This is the power of darkness within the main body of the gods and demons.

boom!

Outside, he saw Qin Chen slapped on the right hand above the head of the \*\*\*\* of chaos, a trace of invisible dark power rushed into Qin Chen's body quickly, and he was eating back Qin Chen.

"Is this guy crazy?"

"I want to seize the chaotic \*\*\*\* and demon master, a lunatic, don't he know that the supreme and strong, the soul has no leakage, it is extremely difficult to seize the house." "Yes, if it is an ordinary supreme power, there is hope of seizing the house , But the people of the demon race have terrible souls. The most important thing is that all top demon masters have the power of darkness dormant in their bodies. The stronger the demon masters, the source of the power of darkness in their bodies.

The stronger the quality, and rushing to win the house will only set fire to the body and seek a dead end.  
"

not far away.

The three of Demon Ancestor Luohu, Demon Li, and Demon Chiyan were all dumbfounded when they saw this scene, and they looked unbelievable.

Qin Chen is too reckless!

Rush to the point that he wanted to seize a supreme powerhouse.

As the demons, they have been in the demon world for so long, and they know so much about the current demons. Even if they are they, they would not think of taking a supreme master, at best, it is the origin and origin of the people who devour the demons. Essence and blood.

Because they all know that the core Demon Race has the power of darkness. This darkness power is combined with the soul of the other party. It is extremely difficult to seize the house. It is like taking chestnuts from the fire, and it will easily burn the body.

boom!

I saw the power of darkness pouring out from the mind of the \*\*\*\* of chaos and demon master that made everyone's heart palpitating, and suddenly enveloping Qin Chen, the power of billowing darkness surged over Qin Chen, crammed into his body. , To swallow backwards.

And this dark aura is so terrible that even Moli and the others felt their heart palpitations, just perceiving them from a distance, their cold hair stood up, and there was an illusion of falling into an abyss of endless darkness.

Luohu Demon Ancestor's eyes were shocked: "The dark power in the main body of this chaos \*\*\*\* and demon is definitely from a certain top power in the dark clan, and the cultivation base is at least the pinnacle supreme."

The Demon Ancestor Luohu said in a solemn expression. He hadn't been born for hundreds of millions of years. Could there be so many powerful men in this world?

"A Dark Race master at the peak supreme level? Hey, Li'er, do you think that Qin Chen's soul will be annihilated, instead of being annihilated?"

Looking at Qin Chen who was wrapped in the power of endless darkness, Demon Chiyan's eyes widened.

This Demon Qin, wouldn't he just die like that?

"Would you like, let's do it now and help that chaotic \*\*\*\* and demon master? Take the opportunity to give that kid Qin Chen..." Chiyan Demon Lord narrowed his eyes and said with a cold voice, raising his right hand and cutting it down with a knife. Gesture.

This is a good opportunity to kill Qin Chen.

As soon as this thought came out, Red Flame Demon Lord himself was shocked.

"Master Chi Yan, are you floating?" Mo Li silently looked at Demon Lord Chi Yan and killed Qin Chen? Unfortunately, he can figure it out.

I saw Mo Li's eyes flicker, staring at Qin Chen with a frown, "If you say that other people, such a demon supreme will definitely die, but he is Qin Chen... the only person in the world that can suppress this seat. The proud son of heaven."

Mo Li gritted his teeth.

When this sentence fell, Demon Chiyan was shocked.

Yes, that's Demon Qin.

Would you die here so easily?

"What's more, since this seat has agreed to cooperate with him, he will not use such villain methods. Although this seat has been defeated by this person countless times, I am not convinced by Mo Li..." Mo Li looked up at the sky. The look in his eyes is ferocious: "I am the top genius in this universe, the real protagonist, even if I want to kill this Qin Chen, I must be upright and upright. Otherwise, my heart will be impenetrable and my thoughts will be impenetrable. seat

A fair fight and beheaded can be used to kill the inner demon, and the future is boundless. "

Mo Li looked resolute and proud.

Although he was a villain after entering the devil's way, he was also an upright villain. Everything he did was forced by fate.

He wanted to kill Qin Chen upright, this kind of sneak attack was not what he wanted.

"Go, seize the opportunity and devour the power of the dark pool."

Mo Li gave a low cry, swished, and instantly sank into the dark pool below, booming, and directly began to swallow the power of the dark pool.

If you don't seize this opportunity, what are you waiting for?

Their task is to help Qin Chen and suppress the God and Demon Lord of Chaos. They have already done it. As for whether to help Qin Chen seize the God and Demon Lord of Chaos, it is not part of their cooperation.

boom!

Suddenly, the power of the endless and terrifying dark pool was quickly swallowed by Mo Li and them.

"Gu \*\*\*\* is coming!"

In addition, a terrifying whirlpool surged up in the magic li, it was the power of the magic gu in his body, madly swallowing all the power around him, and quickly strengthened himself.

the other side.

The Lord of the Yuanmo flew anxiously to the vicinity of Qin Chen, the way of the Yuanmo urged, covering all directions, with an anxious expression.

Can the master's plan really succeed?

He looked anxiously at Qin Chen, who was enveloped by the power of terrible darkness.

At this moment, Qin Chen was in the power of billowing darkness, but his expression was not the slightest surprise.

"really....."

Qin Chen's eyes were cold, feeling the terrifying power of darkness constantly pouring into his mind, and suddenly smiled coldly.

boom!

A dark power that was no less inferior to the dark power that invaded Qin Chen's body instantly soared into the sky.

It is the power of the Dark King's blood.

The power of the Dark King's blood turned into a cage, instantly enveloping the power of darkness coming from the chaotic \*\*\*\* and demon lord.

"what?"

On the opposite side, the \*\*\*\* of chaos was shocked in his heart, this kid also has the power of darkness in his body, and it is not inferior to the darkness in his mind.

How can it be? At this time, the heart of the chaos \*\*\*\* and demon master seemed to be rolled up by a stormy sea.

[Chapter 4527: Please enter the urn](#)

Without waiting for any actions from the God of Chaos and Demon Lord, the power of the Dark King's blood in Qin Chen's body instantly wrapped the terrible power of darkness, and with a bang, the two powers of darkness collided with each other, evenly matched.

"blocked?"

The chaotic \*\*\*\* and demon master looked frightened, and then a trace of hideousness flashed in his eyes.

"Fight!"

boom!

The terrifying soul sea in the head of the \*\*\*\* of chaos rushed towards Qin Chen suddenly, along Qin Chen's right arm, instantly entered Qin Chen's mind, and wanted to launch a lore on Qin Chen.

He sensed that the dark power in Qin Chen's body was extremely terrifying, and could actually block the dark aura in his mind, but between the two, it was equivalent to being evenly matched, and no one could do anything about it.

In the outside world, there are powerful people such as the Lord of the Abyss. Although it is difficult for outsiders to intervene in the soul clash, how can the Lord of the Chaos God be sure that the Lord of the Abyss has no other means.

Therefore, in the midst of the crisis, the Demon Lord of Chaos God did not hesitate to directly urge the soul to attack, and instantly blasted his soul into Qin Chen's body to annihilate Qin Chen's soul.

"Although your dark power can block the dark aura of this lord, the lord is a supreme soul, and the lord does not believe that you can stop it."

The \*\*\*\* of chaos roared.

He did it.

It is an extremely dangerous behavior to put one's own soul into another's body, not to mention his effort to do so, once it fails, it will be extremely dangerous.

But at this critical moment, he can't manage that much.

When the power of darkness is equal, as long as his soul can gain the upper hand, he can instantly defeat Qin Chen and win a round, so he has to gamble.

boom!

The soul of the chaos \*\*\*\* and demon master was like a monstrous ocean, and instantly blasted into Qin Chen's soul sea.

At this moment, Qin Chen's eyes suddenly burst out with a cold glow.

"You've been waiting for this."

Qin Chen roared.

"Power of Thunder!"

At the moment when the soul of the \*\*\*\* of chaos and demon invaded, Qin Chen suddenly urged his true trump card-the power of thunder!

boom!

In an instant, Qin Chen's soul sea was occupied by endless thunder, and the billowing thunder annihilated everything and instantly wrapped the soul of the \*\*\*\* of chaos.

"what!"

The God of Chaos and the Demon Lord uttered a screaming scream for a short time, and his soul was constantly being wiped out and annihilated. He felt the power of the thunder around him in horror, and he was terrified.

What kind of power is this, and why his supreme-level soul can't resist it.

What shocked him even more was that not only was his Supreme Soul unable to resist, even the dark aura that entered Qin Chen's mind first could not resist the power of thunder. He was constantly bombarded and quickly turned into pure. The power was swallowed by the blood of the Dark King in Qin Chen's body.

"Not good, retire!"

Chaos God Demon Lord was so scared that his soul flew away, and he hurriedly wanted to withdraw from Qin Chen's soul sea.

"If you want to go, it's so easy. Don't go if you come."

Qin Chen looked fierce and roared, and the thunder in his mind surged wildly, with a thunder, blocking the retreat of the \*\*\*\* of chaos and demon lord.

And, with a bang, Qin Chen directly displayed the Temple of Ten Thousand Dao Refining Temple, a simple furnace tripod, appearing between the heaven and the earth.

The furnace tripod opened, and Qin Chen crossed his knees in an instant, frantically refining himself.

The Temple of Ten Thousand Paths Refining God is made from treasures such as the Zixiao Dousizong Palace and the Divine Soul Pill Lord's All Things Quartet Ding. It belongs to the supreme class furnace tripod. At this moment, the chaos and the demon Lord are suffering even more, and their souls are constantly disappearing.

"Do not!"

At this time, the \*\*\*\* of chaos finally realized that Qin Chen was not trying to seize him at all, but directly refining his soul.

It's ridiculous that he actually took the initiative to leave the body, giving the other party a perfect opportunity to refine.

"It's not that easy to refine the owner."

"Ontology, return!"

The \*\*\*\* of chaos roared.

boom!

Outside the Ten Thousand Ways Refining Temple, the body and soul of the \*\*\*\* of chaos resonated with his soul and roared violently. The \*\*\*\* of chaos was to use the power of his body to turn around the world.

The supreme and powerful, the soul has no leakage, and the body is united with the body, even if the soul is separated, it can also control the body.

"Hmph, I expected you to have this hand, the Lord of Abyss Demon, didn't do it yet."

"Yes, master!"

The Lord of the Abyssal Demon was prepared long ago, and the way of the Abyssal Demon suddenly urged and suppressed the Lord of Chaos.

"Venerable Demon of All Souls, Venerable Skyfire, go!"

Immediately afterwards, Qin Chen shouted, releasing the spirits of Wanling Demon Venerable and Skyfire Venerable in an instant.

The souls of the Venerable Demon of All Souls and Venerable Skyfire, after absorbing the power of countless sources of darkness, and being nourished by the Demon Tree of the Ten Thousand Realms, had already reached an extremely terrifying point.

The two souls turned into streamers, and instantly entered the body of the chaos \*\*\*\* and demon master, actually trying to occupy his soul sea.

"you guys....."

The \*\*\*\* of chaos is finally terrified at this moment.

On one side, Qin Chen controlled his own soul, on the other side, there were other souls who wanted to occupy his body. This was from two different dimensions and wanted to kill himself.

Once successful, then not only will one's soul fly away, but one's own supreme-level physical body will also become the furnace of other people, and become the flesh of other people.

"Do not!"

The Lord of Chaos God roared, terrified.

The other party, so meticulous.

He furiously resisted, trying to break through Qin Chen's bondage, but the power of thunder was too terrifying, and he kept annihilating his soul, and he saw the soul of the \*\*\*\* of chaos and the demon master, being constantly annihilated at a speed visible to the naked eye, a pure soul. The power was instantly swallowed by Qin Chen.

At the same time, a part of the shattered soul power was also instilled by Qin Chen into the body of the God of Chaos and Demon Lord, and was swallowed by the Lord of All Souls and the Lord of Skyfire.

The terrible roar resounded throughout the world.

Below, the Demon Ancestor Luo and Mo Li who crazily devoured the power of the demon source in the dark pool were all dumbfounded.

The Lord of the Abyss, the Temple of Ten Thousand Ways of Refining, Qin Chen, together with the power of Thunder, the blood of the Dark King, and the combination of the Lord of All Souls and the Lord of Skyfire, even if the Lord of the Gods of Chaos is strong, there is nothing he can do at this moment. Watching his own soul, it was annihilated a little bit.

Originally, with his strength, even if Qin Chen was strong, it would be difficult to annihilate his soul. It is ridiculous that he took the initiative to attack Qin Chen, and Qin Chen seized the opportunity to refine it on the spot.

"I hate it!"

The chaos demon screamed in regret.

He had known this a long time ago, he should resist fiercely, no matter what his strength, it would be no problem to insist on the arrival of the ancestor of the deep demon, but he chose a path of death, abruptly ruining his life.

Seeing the soul of the chaotic \*\*\*\* and demon master roaring and struggling there, Qin Chen's eyes were cold.

All of this is actually under his control.

Before enslaving the Eternal Demon King, Qin Chen discovered that there was a terrible dark power in the opponent's mind. The Eternal Demon King was nothing but a pinnacle heavenly sovereign, and Qin Chen almost missed it.

#### [Chapter 4528: Really lost](#)

Now, against such a supreme chaos and demon master, how can he recklessly seize the house or enslave the other party? This is simply impossible.

Therefore, he deliberately seduced the souls of the chaotic gods and demon masters in a situation of seizing their homes, and then used the power of thunder to trap the opponent, and let the abyssal demon masters cooperate with the ten thousand spirits and the sky fire to occupy the opponent's body. Beheaded such a supreme-level powerhouse like the \*\*\*\* of chaos.

Forcibly, everything about him was refined.

"Venerable Ten Thousand Spirits, Venerable Skyfire, the physical body of the God and Demon Lord, you two quickly make a choice. Only one can occupy it, and the other must withdraw from control."

Qin Chen drank coldly.

A physical body can only be occupied by one person.

This is the truth.

"Myriad spirits demon lord, this chaotic \*\*\*\* and demon lord is a member of the demon race, and the exercises and physical body he cultivates are extremely close to the previous you. Only by occupying his physical body can you exert the true power of his physical body. "

Without waiting for the Lord of All Souls to speak, Lord Skyfire did not hesitate to directly withdraw from the body of the God of Chaos.

"Great!"

Wanling Mozun did not hesitate either. He and Heavenly Fire Venerable had been close to each other for so many years, and naturally understood each other's minds and knew what the best choice was.

Boom!

Qin Chen perceives the soul of Wanling Demon Venerable, and quickly merges with the body of Chaos God Demon Lord.

"All Souls Demon Lord, I'll help you."

With a decent sound, the furnace tripod opened, and Qin Chen flew out from it in an instant, rumbling, thunder light surged around him, and the billowing supreme soul aura surged. This is the supreme soul of the \*\*\*\* of chaos and the demon master, to him There is amazing help and improvement.

However, Qin Chen did not completely absorb it. Instead, he directly penetrated part of the power into the body of the \*\*\*\* of chaos and demon master, and into the soul of the demon lord of all spirits.

boom!

I saw the soul of the Wanling Demon Venerable, rising at an astonishing speed, and a breath of supremeness directly diffused.

The terrifying soul of Wanling Demon Lord, while rapidly ascending, also directly sits in the soul sea of Chaos God and Demon Lord, and his soul instantly merges with the body of Chaos God and Demon Lord.

Boom!

Faintly, an endless terrifying aura exuded from the body of the chaos \*\*\*\* and demon master, as if he was resurrected again.

"Wan Ling, I have seen less dust."

'Chaos God Demon Lord' knelt down on one knee to Qin Chen, bowed and bowed, his expression was excited, his eyes were extremely hot.

It is the Wanling Mozun.

After falling for hundreds of millions of years, he was resurrected again, and he directly robbed a supreme-level physical body, his strength increased more than a thousand times, ten thousand times?

"Not bad."

Qin Chen laughed as he looked at the "Chaotic God and Demon Lord" in front of him.

Under his command, there is another general.

"Senior Wanling, you are not welcome. Now you, your soul has not really entered the supreme. However, when you completely merge with the body of the chaos and demon master and absorb the power of his soul, I am afraid that you will become the supreme completely, gratifying. Congratulations."

Qin Chen laughed.

Although the aura exuding from the body of the current Wanling Demon Venerable is of the supreme level, Qin Chen knows that this is because the body of the chaotic demon master itself is the supreme level, plus the absorption of chaotic gods by the miraculous demon lord. The soul of the demon master escaped from the supreme-level aura.

The real soul breath of Wanling Mozun is only half a step supreme.

However, after he has completely absorbed the power of the soul of the \*\*\*\* of chaos and demon, he will enter the supreme level, which will be a nailed matter, and this process is actually extremely short.

"That kid, really took the chaos \*\*\*\* and demon lord away?"

Below, the Mo Li and others in the dark pool were completely sluggish and stupefied.

Even the power of devouring the dark pool can't even take care of it.

This... it's hell.

It was almost impossible to seize the body of a supreme-level powerhouse, but Qin Chen... actually did it.

day!

Even the Demon Ancestor Luohu was also shocked, staring at Qin Chen with glamour, dumbfounded.

He glanced sharply, and suddenly a thought flashed in his mind.

I... Did you follow the wrong person?

If it is Qin Chen who is following, maybe it is really as Qin Chen said before, restore the ancient peak cultivation base?

This idea came out.

Demon Ancestor Luohu was shocked himself.

"Congratulations, master, congratulations to all spirits demon lord."

Whoosh!

The Lord of Abyss Demon also flew up and bowed to Qin Chen excitedly.

The master's plan actually succeeded.

Qin Chen didn't have much excitement on his face, but his eyes sank, and he said solemnly: "Don't waste time, hurry up and implement the next plan."

He wasted too much time in order to seize the chaotic \*\*\*\* and demon master, and if he wasted it, he was afraid that... the ancestor of the deep demon was about to arrive.

The time must be quickened.

"Yes!"

The Lord of the Deep Demon and the Venerable Wanling Demon nodded, and immediately followed Qin Chen into the dark source pool.

But at this moment...

Boom!

In the distant sky, a billowing demon energy swept over, and the dark demon energy was like a vast ocean, and it quickly approached here from the periphery of the chaotic demon sea.

A supreme strong came.

Qin Chen's heart sank suddenly.

However, it is not the ancestor of the Abyss Demon.

A faint sense of crisis lingered in Qin Chen's heart, but it was not too strong to breathe. It can be seen that the ancestor of Yuanmo is still a long way away from here.

"Magic Ancestor Luohu, this person is handed over to you, stop him."

Qin Chen shouted sharply at the Demon Ancestor Luohu in the dark pool below.

"Damn, why?"

The Demon Ancestor Luohu was dumbfounded and looked angry.

"Hmph, when Ben Shao suppressed the Chaos God and Demon Lord, you absorbed the power of the dark pool so freely. Now, it is natural time for you to contribute."

"What's more, don't forget that I am waiting for the agreement. You must obey my orders. If you stop the opponent, you can also make the Demon Li and the Chiyan Demon gain something and continue to improve their cultivation. Otherwise, wait until this supreme arrives. I'm afraid you will all have to be forced to leave."

Qin Chen drank coldly.

"What about you?" Luohu Demon Ancestor was dissatisfied.

"Ben Shao has more important things to do, and you can rest assured, Ben Shao speaks less and believes, if you block the other party, Ben Shao will definitely restore your cultivation and never break your words."

boom!

When the voice fell, Qin Chen dived directly into the depths of the dark pool and entered the dark source pool without turning his head back.

"This kid..."

Luohu Demon Ancestor gritted his teeth, shaking with anger.

He hesitated, and in the end, he rose up into the sky and rushed directly to the demon supreme who came quickly.

"Damn, just listen to this kid, if you dare to play with me, my ancestor will not spare him lightly."

The Demon Ancestor Luohu cursed while attacking forcefully.

"Huh, who is in the wild in the sea of gods and demons? Where is the master of the gods and demons?"

This supreme arrived, his breath burst, and the whole person was like a \*\*\*\* or devil, stepping forward, and shouted coldly to the Demon Ancestor Luohu.

"You are a big ghost."

With a bang, Luohu Demon Ancestor had a grumpy temper, and immediately blasted out with a fist, killing him.

#### [Chapter 4529: Speed up the plan](#)

Damn, didn't you see that my ancestor was in a bad mood? People who are still there, don't you put the ancestor in your eyes?

Boom!

I saw a huge palm covering the sky and sun, slapped directly at the demon supreme.

The Mozu Supreme looked dumbfounded.

In this demon world, there are people who are so presumptuous and dare to directly do it on themselves.

"roll!"

This demon supreme roared, and in his body, a terrible magic sun rose up, like a scorching sun, the rays of the magic sun burst into darkness, covering the world.

"court death!"

With a bang, the demon supreme and Luohu Demon Ancestor's big hands collided with each other, and suddenly there was an earth-shaking roar, and a terrible shock wave formed around the two of them, causing the two to retreat together.

"what?"

The supreme demon clan changed color and looked at Luohu Demon Ancestor intently. Who is this person? What a vigorous devil.

Demon Ancestor Luohu was filled with joy. After devouring the power of a lot of dark pools, Demon Ancestor Luohu clearly felt that his strength seemed to have improved significantly.

hiss!

Sure enough, the robbery is so cool. Relying on your own recovery and cultivation, you don't have to wait until the year of the monkey.

"It's you \*\*\*\* who disturbed my ancestors."

Boom boom boom!

Seeing the demon supreme that struck, Luohu Demon Ancestor looked upset and shot frantically, and the two sides instantly fought together.

at the same time.

In the source pool of darkness.

The ancestor of the blood river urged the mysterious rust sword, and under the blessing of the devil tree of the ten thousand worlds, it fought wildly against the strong in the dark underworld.

Outside the source pool of darkness.

Qin Chen had already descended with the Lord of Abyss Demon and All Soul Demon Lord.

"You two... follow the plan."

Qin Chen whispered to the Master of Abyss Demon and the Voice of the Ten Thousand Spirit Demon Lord, and then his figure shook, and he suddenly entered the dark source pool.

"My lord, you are finally back."

When the Blood River Saint Ancestor saw Qin Chen, he was surprised and the company let out a sigh of relief.

Qin Chen won't come back, he can't hold on anymore. Although it is a chaotic \*\*\*\* and demon, it is only a half-step supreme after all, and the cultivation base has not been fully recovered. If it weren't for the help of the sword demon and the ten thousand world demon tree, it would have been soon Can't help it.

"Kid Qin Chen, hum, if you don't come back, the two of us will be exposed."

The sword demon was also speechless.

"Hehe, the two seniors are both extraordinary, so you won't be able to hold on so quickly, right?"

Qin Chen said lightly.

"Senior, I'm just a sword, how much can you expect with a sword?"

Sword Demon Road.

Qin Chen was speechless.

Damn, now do you know that you are just a sword?

"come back!"

Qin Chen didn't talk nonsense either. He knew very well that there was not much time to waste at all. He directly raised his hand, and the Blood River Saint Ancestor swished and was taken into the Chaos World by him.

Qin Chen looked at the yin and yang whirlpool coldly, and had to speed up his plan.

And at this moment, outside the Dark Origin Pool.

Mo Li and Red Flame Demon Lord, who had absorbed the power of the demon source in the dark pool, also quietly followed Qin Chen to the outside of this dark source pool, secretly watching the terrible movement in this dark source pool.

Feeling the vast aura inside, Mo Li and Chiyan Demon Lord couldn't help taking a breath. In the depths of this dark pool, there is such a rich source of land, but who is the strong man who is fighting Qin Chen? With such a strong breath of death, Mo Li and Chiyan Demon Lord dare not get close, each one \*\*\*\* coldly.

gas.

They knew that there was a strong one in it.

The two of them were shocked and couldn't help but glance at each other. The original dissatisfaction with Qin Chen was swept away.

This...Thanks to Qin Chen, if it weren't for Qin Chen to come to the dark pool to inquire first, it would be them, and the Demon Ancestor Luohu rushed into this place, once they were surrounded by the Gods of Chaos and the Demon Lord, it would be more fortunate.

In the dark source pool, Qin Chen naturally also sensed Demon Li and Demon Lord Chiyan, but he did not do anything, just stared at the yin and yang whirlpool.

time is limited!

"Senior Sword Demon, let me do it."

Qin Chen grabbed the mysterious rust sword, and said coldly, a terrible source of power in his body was suddenly instilled into the mysterious rust sword, and then, facing the yin and yang vortex in the dark earth, he smashed down frantically with a sword.

"cut!"

Qin Chen burst into laughter.

Boom! This time, Qin Chen released all his strength. Suddenly, above the sword light, the endless and terrifying demon energy instantly condensed, and in it, the power of the rules of the demon race bloomed, combined with the power of the mysterious virtual sword. , Crashing down on

Above the yin and yang whirlpool

With a bang, the yin and yang vortex shook violently, and a burst of death air madly escaped from it.

With a click, a tiny crack appeared on the yin and yang whirlpool under Qin Chen's attack.

As soon as the crack came out, the yin and yang vortex was instantly unstable and shook violently.

"Damn, who is your excellency?"

The strong man in the underworld in the yin and yang whirlpool roared ferociously, and his mouth uttered a terrifying roar.

Damn it.

He spent countless years to establish the gate of reincarnation of life and death, is it about to collapse like this.

Absolutely not!

"Boom!"

A breath of death that was so terrifying that Qin Chen would suffocate, burst out suddenly. Vaguely, there seemed to be a vague figure forming outside this yin and yang vortex, but, before this figure was condensed and formed, between heaven and earth, a terrifying cosmic origin force escaped, slammed, and faced each other. That phantom

It was severely suppressed.

This figure was suppressed in an instant and fluctuated continuously, as if it was about to burst open in an instant.

When the alien breath outside the universe comes, it will be madly suppressed by the origin of this universe.

"This breath..."

From afar, the Demon Li and the Red Flame Demon Lord in the Dark Origin Pool held their breath, and they didn't even dare to breathe for a moment.

"Asshole!"

Under the suppression of the origin of the universe, the strong underworld roared frantically.

With the current plan, unless he can descend into the Demon Realm, this yin and yang vortex will definitely be destroyed by Qin Chen.

But he also knew that if he forcibly descended into the Demon Realm ahead of time, it would cause extremely huge damage to his own body, and under the oppression of the origin of the universe, it would even cause him irreparable damage.

No matter which choice it is, it is a huge loss for him.

However, at this moment, he also worked hard. If it does not come, the gate of life and death that has cost him countless efforts will definitely be destroyed. By then, his hundreds of millions of years of hard work will be lost.

Hum!

I saw that terrible phantom, withstanding the suppression of the origin of the universe, still trying to consolidate.

This is clearly to be forced to come.

An aura that made Qin Chen's heart palpitations filled instantly.

"So strong!" Qin Chen squinted his eyes and changed color. It was just a vague clone. Before it came completely, Qin Chen had goose bumps on his body, and he felt a strong crisis.

### [Chapter 4530: Tianyuan Supreme](#)

This is an aura that far surpasses Qin Chen's current cultivation base, and is definitely a top powerhouse among the supreme.

"This power... at least the pinnacle supreme, God, what kind of guy did Qin Chen provoke?"

Mo Li and Chi Yan Demon Lord were dumbfounded and dumbfounded.

This guy is too troublesome, right?

It is simply a lunatic to provoke a powerhouse of this level at every turn.

"Boy, no matter who you are from the Dark Clan, when this seat comes, I will not be able to save you."

The underworld strong man roared, even if he was struggling to damage his origin, he would forcibly come.

Just when this person's clone is about to come desperately...

Boom!

Suddenly, from outside the dark source pool, two terrifying supreme auras diffused in an instant.

"That is....."

Mo Li and Chi Yan Demon Lord hurriedly turned their heads to look at them, and they were taken aback.

I saw two figures rushing over quickly, exuding a terrifying breath of supremacy.

It is the Lord of Abyss Demon and the Lord of Chaos Demon.

At this moment, the two men were full of murderous aura, their eyes staring at Qin Chen angrily, as if extremely furious, and the terrifying supreme murderous intent was madly crushed against Qin Chen.

This made Mo Li and Chi Yan Demon Lord look confused.

Aren't both the Lord of the Abyss and the Venerable Demon of the Spirits belonged to Qin Chen? How could he show such murder to Qin Chen? Damn it!

"Senior, come here slowly, so as not to destroy the dark underworld, I'll wait to help you."

The Lord of Abyss Demon and Wanling Demon Sovereign slayed frantically, while roaring, the rage rumbling, instantly spread to the dark underworld.

In the next moment, two figures already appeared in this dark source pool.

Boom, a terrifying supreme aura erupted from the two of them at the same time, one with the earth-shaking way of the abyss, and the other with the rich atmosphere of the chaotic sea of gods and monsters, shocking the world, and violently impacting Qin Chen.

"Damn it!" Qin Chen roared, facing the attack of the two supreme powerhouses, his expression was angry, but he did not resist. Instead, a shocking roar erupted from the mysterious rust sword, facing the underworld powerhouse who had not yet condensed into shape. Doppelganger, make every effort to slash down

.

With a bang, the clone of the underworld powerhouse was instantly cut open and shattered all at once.

"Ahhhhh..."

This underworld expert made a loud noise, and was almost mad, and the breath of death poured out like a vast ocean.

However, Qin Chen slashed the underworld powerhouse with a single sword, and the attacks of the Lord of the Abyss and the Demon Lord of Chaos had also come, blasting Qin Chen out suddenly, a mouthful of blood spurted out on the spot, and his body was injured.

"Damn, you guys are out of trouble?"

Qin Chen looked at the Lord of Abyss Demon and Wanling Demon, with a frightened expression. "Hmph, it's you guys, you guys of darkness are so bold and dare to betray my demons. Today, your treacherous tricks have failed, Lord Tianyuan, trap this person as quickly as I can, and wait for the ancestors to arrive. Refining and refining, has solved the hatred in the heart.

"

Wanling Mozun said angrily at the Lord of Abyss Demon.

"Great."

The Lord of the Deep Demon snorted coldly, united with the Wanling Demon Lord, and instantly killed Qin Chen.

Boom boom boom!

The two of them joined forces, and the terrifying power of the Abyssal Demon covered the sky and the sun, turning into a big net, and slaying towards Qin Chen.

"Damn it, it seems that my family plan has failed today. Let's go." Qin Chen uttered a long whistle, boom, and the endless power was instantly absorbed into his body. The power of the Ten Thousand

World Demon Tree and the Calamity Fire was also suppressed by Qin Chen. , A breath of Dark King's blood rose to the sky, with a bang, instantly tearing the seal of the Lord of Abyss Demon

Locked and rushed out directly.

"chase!"

The Lord of Abyss Demon looked furious and wanted to chase and kill Qin Chen where he had disappeared.

"My lord, don't chase the poor, beware of fraud."

Wanling Mozun hurriedly stopped the Lord of Abyss Demon.

The Lord of Abyss Demon's eyes flashed, and he seemed to have thought of this, he even stopped, and then gritted his teeth abruptly and roared, "I am so angry."

the other side.

Qin Chen dived directly into the Dark Origin Pool, and instantly appeared beside Mo Li and Chi Yan Demon Lord.

"scare!"

The two of them were startled, their expressions were wary, for fear that Qin Chen would suddenly act on them.

"Shut up, don't say anything."

Qin Chen gave a cold snort, but was too lazy to pay attention to the two of them. He lurked in the dark source pool and even looked towards the dead land.

Mo Li and Chi Yan Demon Lord saw that Qin Chen did not intend to do anything with them, they were relieved. They even held their breath and looked at the dead land in the distance. Obviously, they were also very curious. What is the purpose of Qin Chen's work? What is it.

Beyond the darkness.

The Lord of Abyss Demon and the Lord of Chaos God immediately looked at the yin and yang vortex where the dark underworld was located.

"My lord, are you okay?"

The Lord of Abyss Demon looked respectful, and hurriedly folded his hands to the Yin-Yang whirlpool and said, "The juniors are late for rescue, and let these treacherous villains destroy the dark underworld of the adults. I feel ashamed in my heart. I hope the adults will forgive me."

"Who are you?"

In the yin and yang whirlpool, the underworld expert asked doubtfully, his tone annoyed.

His uncondensed clone was forcibly slashed by Qin Chen with a sword, which would have some damage to his origin, and his heart was so angry that he had not even recovered.

"Junior Abyss Demon Clan Tianyuan Supreme, I have seen seniors!" The Lord of Abyss Demon continued.

"Tianyuan Supreme?" The underworld expert said coldly: "I haven't heard of it!"

"Senior has never heard that juniors are normal. Juniors are the newly advanced supreme of the Yuanmo clan 30 million years ago." The Lord of Yuanmo said respectfully.

God is the newly promoted supreme 3,000 years ago!

Mo Li and Chiyan Demon Lord were dumbfounded, what are you pretending to be, you are obviously the Lord of Abyss Demon in Tianwu Continent, okay?

Tucao returned to Tucao, at this moment, the two of them glanced at Qin Chen lurking aside, and a thought suddenly emerged in their hearts.

This kid, isn't it a yin person?

As soon as this thought came out, the two of them were stunned. This... is really possible.

Suddenly, Mo Li and Chi Yan Demon Lord hurriedly looked at the Yin and Yang vortex. They have already seen that the strong man who exudes the terrible breath of death seems to be on the other side of this yin and yang vortex, and this person does not seem to be a person in this universe, otherwise the emptiness of the clone aura before, will not be affected. universe

The origin is such a strong suppression.

Now, his clone is shattered, and he can only rely on his breath to distinguish the strong from the outside world. I heard an anger exuding from the yin and yang whirlpool, "Sovereign Tianyuan, very good, tell this seat what is going on? Why do people of the dark clan act on the gate of life and death in this seat, you monsters Does the clan want to tear

Is it an agreement with this seat? "

boom!

The yin and yang vortex vibrated, and the terrible death aura surged. After learning the identity of Mo Li, the underworld powerhouse seemed even more furious. Because he had already felt the aura of the master of the abyss, it was indeed the way of the abyss, it was the aura of the master of the universe demon world, the aura of the abyss, this kind of aura could not be disguised by others at all.
