

Valkyrie 4581

[Chapter 4581: Reproductive parents](#)

The terrifying soul impact instantly rushed into the soul sea of the flame demon supreme, and wanted to sneak into his soul sea.

"Want to break through the soul sea of this seat? Is this guy crazy?"

The Flame Demon Supreme looked terrified, he felt it, Qin Chen actually wanted to invade his soul sea, and at the soul level, kill him?

Too bold.

I can't believe it.

He is the supreme demon, does this guy know what he is doing?

A guy who is not even a supreme wants to kill his supreme soul through a soul attack, what is a joke?

Not to mention that Qin Chen's realm is weaker than him, even if Qin Chen's cultivation is higher than him, his majestic demon clan supreme, it is by no means easy to be destroyed.

However, Qin Chen's soul power continued to break through with the assistance of the power of thunder.

boom!

The Demon Tree of the Ten Thousand Worlds is surging with aura, and it is also breaking through the soul sea of the Flame Demon Supreme.

What's more, the Lord of Abyss Demon and Wanling Demon Venerable assisted in the suppression, and Qin Chen's soul power was like a broken bamboo, constantly invading.

At this moment, the flame demon supreme heart was filled with fright.

This guy actually wants to invade his soul sea?

Do you think you can kill yourself by breaking the soul sea?

too naive.

boom!

The soul sea of the Flame Demon Supreme instantly boiled.

Although he was frightened in his heart, he did not panic at all. In the crisis, he calmed down instantly, and there was a hint of ecstasy in the depths of his eyes.

The arrogant guy, this is really a glimmer of opportunity for him.

"The power of darkness."

The flame demon supreme roared, urging the power of darkness for the first time.

With a bang, the power of the billowing darkness soared into the sky, and the soul sea of the Flame Demon Supreme seemed to have turned into a stormy sea, and turned into an endless sea of magic soaring to the sky, covering the sky and covering the sun.

The terrifying power of darkness is like the ocean, extremely rich, and it is the highest power of darkness.

This top-level dark power turned into turbulent rocks to shake the sky, and went straight to Qin Chen.

But Qin Chen was not surprised at all, with a sneer at the corner of his mouth.

These demon guys are really a virtue. Whether it is the chaotic **** demon master or the flame demon supreme, do you really think that you can resist yourself by relying on the power of darkness?

"The Blood of the Dark King!"

The power of the Dark King's blood surged in Qin Chen's body, covering this dark power instantly and annihilated in an instant.

"Destroy his soul."

Qin Chen said coldly.

At the same time Qin Chen spoke, the terrifying power of the Ten Thousand Realm Demon Tree, the Lord of the Abyss, and the Ten Thousand Spirit Demon Venerable instantly poured into the mind of the Flame Demon Supreme, trying to destroy his soul.

The power of the three supreme levels poured down, how terrible, the soul of the flame demon supreme began to collapse in an instant.

"what?"

The flame demon supreme looks frightened, the opponent has such a terrifying dark power? Who is this person? Are you not from the underworld?

With anger in his heart, a hideous color suddenly flashed in the eyes of the Supreme Flame Demon.

"Fight!"

boom!

The terrifying soul sea in the mind of the Flame Demon Supreme rushed towards Qin Chen, and instantly launched a lore on Qin Chen.

He knew he would die if he persisted.

Although he had already inquired Lord Eclipse Yuan, but he didn't know when he would arrive. He was afraid that he would not be able to hold on. In that case, he might as well fight the opponent.

The power of the billowing soul poured out and directly poured into Qin Chen's soul sea, trying to suppress Qin Chen in exchange for a glimmer of life.

He saw that Qin Chen was the leader of this group.

Boom boom boom!

How terrible is the Supreme Soul of the Flame Demon Supreme? The momentum was like a broken bamboo, and it entered Qin Chen's body in an instant.

"Sure enough, it was hit."

Qin Chen smiled.

Perceiving Qin Chen's smile, the Flame Demon Supreme's heart suddenly rose with a trace of badness. next moment.

Boom!

In Qin Chen's body, the endless thunder light surged in an instant, turning into a thunder cage, instantly blocking the power of the Flame Demon Supreme's soul in his body.

"Venerable Skyfire, the body of the flame demon supreme will be handed over to you."

Qin Chen chuckled lightly. In the chaotic world, the soul of Venerable Skyfire was instantly pierced into the mind of the Flame Demon Supreme.

At the same time, a terrifying river of blood surged out, wrapping the body of the Flame Demon Supreme in an instant.

Is the ancestor of the blood river.

The blood river ancestor controls the blood ancestor's power, can control the blood in the body of all the strong, and with his help, can reduce the time for Venerable Skyfire to seize the body of the flame demon supreme.

"Don't worry about the dust, the subordinates will definitely fulfill their mission."

Venerable Skyfire looked excited.

After the resurrection of Wanling Mozun, he will also be resurrected, and he is also the body of a supreme-level powerhouse, not weaker than the flame demon supreme of the chaos demon lord.

boom!

Venerable Skyfire's body entered the body of the Supreme Flame Demon. With the strength of his soul, under normal circumstances, even mastering the empty flesh body of the Supreme Flame Demon was by no means an easy task.

But now with the help of powerful people such as the Demon Tree of the Ten Thousand Realms, the Venerable Demon of All Souls, and the Holy Ancestor of the Blood River, the soul of Venerable Skyfire has occupied the soul sea of the Supreme Flame Demon little by little. speed.

Venerable Skyfire himself is a powerhouse of the fire element, and he, who studied the power of the demon clan and darkness together with the demon lord of all souls, was familiar with the power of the demon clan.

Although he is a human race, he wants to become a real demon body with the soul of human race.

"what?"

The Flame Demon Supreme was completely horrified.

At this moment, his soul was trapped in Qin Chen's body, but his body was being taken away by others. Amidst anger, his soul power was going to retreat madly.

But how could Qin Chen give him a chance to retreat, the surging force of thunder, and constantly annihilated the soul of the flame demon supreme.

"what!"

The Flame Demon Supreme uttered a scream, and his soul was constantly being wiped out and annihilated.

The power of the Devil Tree of the Ten Thousand Realms rushed into Qin Chen's body madly.

At this moment, the Flame Demon Supreme finally remembered the power of the Demon Tree of the Ten Thousand Worlds, why it made him feel a sense of fear.

"Soul suppression? Ten Thousand Realms Demon Tree... Is this the power of the Ten Thousand Realms Demon Tree in my Demon Clan legend?"

"Do not!"

In the end, he let out a scream, and with a bang, his soul collapsed directly.

Qin Chen raised his hand.

A stream of pure soul power instantly penetrated into the body of the flame demon supreme.

boom!

The soul of Venerable Skyfire completely entered the body of the Supreme Flame Demon, and under the power of this pure soul, the aura of Venerable Skyfire also broke through the Supreme Realm in an instant.

"Less dust!"

'The Flame Demon Supreme' rose into the sky, with an excited expression, and saluted Qin Chen respectfully.

It is Venerable Skyfire.

Under Qin Chen's command, there was another supreme powerhouse.

"Haha, Senior Skyfire Venerable, you don't have to be polite, please hurry up." Qin Chen hurriedly helped Skyfire Venerable.

"No, this is what the subordinate should do."

Venerable Skyfire was excited. Although in terms of seniority, he is Qin Chen's senior, but Qin Chen is his benefactor. If it weren't for Qin Chen, he would have died of souls, and there would be another day of rebirth. It can be said that Qin Chen is his second parent. Over.

[Chapter 4582: Leave it to us](#)

Seeing Venerable Tianhuo's excitement, Qin Chen only smiled.

"Senior Skyfire Venerable, you have just taken the Flame Demon Supreme, and you haven't consolidated your cultivation base yet. It's better to go back to the Chaos World and consolidate your cultivation base."

Venerable Skyfire respectfully said: "Yes, less dust."

He was completely convinced by Qin Chen.

When he fell, he never thought that there would be a day of resurrection.

As soon as Qin Chen raised his hand, Venerable Skyfire had already entered his chaotic world.

Immediately afterwards, Qin Chen looked to the other side suddenly.

There is another supreme-level powerhouse on his side, and Qin Chen is quite happy in his heart, but the most urgent task is not to be happy, but to quickly solve the matter here.

Boom boom boom!

On the other side, Luohu Mozu and the three have surrounded the Supreme Black Tomb.

The terrifying chaos array shrouded and suppressed the Black Tomb Supreme, while Mo Li and Chiyan Demon Lord shot frantically, and streamers crazily fell on the Black Tomb Supreme.

Luohu Demon Ancestor urged the Chaos Array, and the chaotic rays of light poured out, constantly locking on the Supreme Black Tomb, puff, puff, and madly penetrating the Supreme Black Tomb.

"Flame!"

Seeing that the Flame Demon Supreme was directly taken away, the Black Tomb Supreme felt sad and screamed, and the dignified Flame Demon Supreme, the ancestor of the Flame Demon clan, was just taken away?

How long has it passed?

The fear in Black Tomb Supreme's heart, unstoppable spread.

Even the Flame Demon Supreme has fallen, how long can he hold on?

"what!"

The Supreme Black Tomb roared, he felt the fear of death and began to go mad.

In his body, the billowing demon energy soared to the sky, that was the power of his demon clan's origin, spreading unscrupulously. With the strength of the Black Tomb Supreme, he should not have been so embarrassed, but now he is already seriously injured, plus he is suppressed by the Great Chaos

Array and the Demon Tree of the Ten Thousand Worlds, and the Luohu Demon Ancestor and Demon Li themselves are not strong Weak, immediately let Black Tomb Supreme

Embarrassed.

Bang bang bang!

He kept retreating, but there was nowhere to escape, just struggling to support it.

"You must die, kill me, Lord Demon Ancestor will definitely not let you go."

The Supreme Black Grave roared in anger, he was terrified, terrified.

The supreme strong, invincible, any supreme, can survive to the present, how much has he experienced?

The Supreme Black Tomb never imagined that he might die here.

He is unwilling!

But it's useless to be unwilling. Luohu Demon Ancestor turned into a **** and demon, banging, wrapped in a terrifying chaotic demon energy, which was overwhelming and covering everything.

Mo Li also fought, and madly killed the Chiyan Demon Lord.

Klang Klang!

Countless attacks fell on the Supreme Black Tomb, like a gust of wind and rain.

The Black Tomb Supreme also roared, he knew that he couldn't do it without fighting, and the devil source scattered in his body like a madman.

Had it not been for the protection of the supreme treasure of the black stone stele, he would have already fallen.

But even so, he retreated frequently, apparently he would fall away soon.

And at this moment, at the same time Qin Chen and the others took a shot at Black Tomb Supreme and Flame Demon Supreme.

In a distant place from here.

boom!

The Supreme Eclipse Yuan was in the shape of electricity, chasing it fast, and in front of him, in the endless void, a dark figure became clearer and clearer.

"Catch up."

Supreme Eclipse sneered with a sneer, and suddenly he slapped a palm with a bang. The big hand was like a sky curtain, directly tore the void open, and instantly grabbed the black figure in his hand.

It's just this capture, his face instantly changed.

Because this breath is very weak, it seems to exude a terrible breath, but in fact, it is not even the Supreme.

"Is it just bait?"

Supreme Eclipse's expression changed slightly, and he even caught the black figure in front of him, but before he caught it, with a bang, this figure suddenly burst open, turning into a billowing demon energy and dissipating. Into heaven and earth.

"This... is actually just a clone?"

The eyes of Supreme Eclipse Yuan suddenly became extremely ugly. He did not expect that the person he traced after exhausting his mind was only a clone.

And as soon as he was captured, he blew himself up on the spot, without giving him any opportunity for analysis.

"The power of Demon Gu? Could it be that the person who separated this clone was the descendant of the Gu God from the Demon Realm back then?"

Although he could not leave the clone of Demon Li, such a character, Supreme Eclipse, felt the aura of the clone of Demon Li True Gu in an instant.

Gu God is a legendary figure in the ancient Demon Realm, with great strength.

Unexpectedly, in this Demon Realm, there are even descendants of Demon Gu?

"Previously, the flame demon supreme and the black grave supreme seem to have sent a message."

Perceiving the power of the demon gu dissipating in the void, Supreme Eclipse Supreme's face was uncertain. As soon as he raised his hand, a communication treasure appeared in his hand. After sensing the information inside, Supreme Eclipse instantly changed color.

It is an emergency call.

"Could it be that the Flame Demon Supreme and the Black Tomb Supreme are tracking the real Suspended Supreme and their escape?"

Zhi Yuan Zhizun's face is ugly, if that's the case, then he will suffer a big loss.

"No, with the current state of the Flame Demon Supreme and the Black Tomb Supreme, I am afraid that it is very likely to suffer."

No matter how idiot the Eclipse Supreme is, he also knows that the Flame Demon Supreme and the Black Grave Supreme are seriously injured and in bad condition. If they encounter some powerful Supreme Experts, they will inevitably not be in danger.

"boom!"

Immediately, Supreme Eclipse didn't dare to hesitate, his expression was frightened, and he turned and rushed toward where he was when he came.

Hurry up!

He urged his speed to the extreme, rumbling, this abyss land directly rumbling rumbling, the space was torn by layers, and it was almost inconceivable.

If it weren't because it was in this abyss, if it was in the outside world, with the strength of the Eclipse Supreme, I am afraid that this side of the heavens will have a thousand armies to make changes, and the heavens will retreat.

And the other side.

Qin Chen's gaze had already fallen on the Supreme Black Tomb.

"Master, we don't have much time."

The Lord of Yuanmo looked at Qin Chen with a serious face.

It took a lot of time to set up an ambush before, but later, it took some time to seize the Flame Demon Supreme.

Although the whole process was extremely rapid, facing a strong man like the Supreme Eclipse, one must not have the slightest chance of luck, and must make a quick fight.

Although it is only a matter of time before they continue to let the Mo Li and the others do their hands, killing the Supreme Black Tomb is only a matter of time, but the key is that Qin Chen lacks time most, and can't wait so long.

"Moli, you are too slow to start. It has been given you so long, and it hasn't been resolved, so I can't blame it."

"Blood River Saint Ancestor!"

Qin Chen gave a cold cry!

"Yes, my lord!"

Jie Jie Jie made a strange laugh, and a monstrous blood light spread directly out, like a **** ocean, turning into a sky, and instantly enveloping the Supreme Black Tomb. "Qin Chen, what's left for us?" Mo Li's expression suddenly changed, and he cried out in anger.

[Chapter 4583: Want to blew up](#)

Qin Chen?

The Supreme Black Tomb suddenly turned his head and looked over in anger. Why is this name so familiar?

It's just that he didn't wait for the slightest thought in his heart, and a boundless ocean of blood had already enveloped him.

"Jie Jie Jie, how many people, why are you so stingy? I only need the blood power in this person's body, and the rest will be given to you."

The blood river sage ancestor gave a loud laugh, crashing, countless blood river power, along the black tomb supreme pores and seven orifices, instantly poured into his body.

That looks terrifying.

This is to directly deprive the blood power in the Black Tomb Supreme. Today's Blood River Saint Ancestor is only a half-step to the Supreme. Although it is infinitely close to the Supreme Realm, there is still some distance from the Supreme. However, he actually seizes the essence of a Supreme-level powerhouse and spreads it out. I am afraid that it will make the whole The powerhouses of the universe are

Shock.

"What kind of ghost is this? Get out!" Black Tomb Supreme looked horrified, roared, and boomed, the power of the demon source rolling in his body reached the sky, turning into layers of waves and sweeping away, and the rules of the demon clan were swept away. The force, turned into a series of magic soldiers, burst out, the scene is like

The end is coming.

Any devilish magic weapon contains the power to open the sky, as if to tear apart the abyss of this side, to break the chaotic world.

"Hmph, the gods and demons, suppress."

Demon Ancestor Luohu shouted angrily, urging a large formation to rumbling down, and seeing the blood river Saint Ancestor actually make a move, his heart was extremely unhappy.

One more person will inevitably let out a portion of the benefits.

Although the importance of the supreme essence and blood to him is far from that of the supreme demon source, who doesn't have too many good things?

However, Demon Ancestor Luohu also knew that at this critical moment, if he could not kill the Supreme Black Tomb as soon as possible, he was afraid that there would be even greater trouble, and Qin Chen would not let them continue to entangle him.

With a bang, Luohu Demon Ancestor's great array was suppressed, causing the power of the Black Tomb Supreme to stagnate. At this moment, the endless sea of blood that the blood river ancestor transformed into has poured into the black tomb Supreme's body. in.

"what!"

The Black Tomb Supreme uttered a roar to the sky, and blood was spattered all over his body, and countless blood spread out from his seven orifices and pores, and was constantly plundered.

Supreme, not only the soul has no leakage, but the body has already reached the state of no leakage. It is extremely difficult for the essence and blood of the body to be mobilized by external forces.

But under the urging of the ancestor of the blood river, the power of blood and essence in the black tomb supreme was swallowed madly.

"Who are you..."

Hei Tomb Supreme had a stern look, he was seriously injured and could not resist.

"Damn it."

Mo Li's eyelids jumped while watching.

Damn, Qin Chen was too much, he said yes to him, and actually let the Blood River Saint Ancestor come to grab him.

"The power of Gu God!"

Mo Li let out an angry shout, and with a boom, his entire body turned into a stream of light and blasted into the body of the Supreme Black Tomb in an instant.

"Lier."

The Chiyan Demon even showed anxiety.

"Dare you... dare to enter the body of this seat and die..."

The Supreme Black Tomb roared, his body rolled and burst, and he wanted to kill the magical Li.

But Mo Li roared, not afraid, no matter how terrible the force struck, it was completely swallowed by him and completely integrated into the flesh.

"what!"

In Mo Li's body, a shocking supreme aura permeated.

"Leave me some."

Demon Ancestor Luohu is also anxious, such a supreme, they eat meat, can't give him no soup, right?

The Chiyan Demon also hurriedly flew up.

Boom!

A few people were afraid that Qin Chen would continue to plunder, and they desperately swallowed the Supreme Black Tomb.

They are like parasites, constantly absorbing the power in the body of the Supreme Black Tomb.

"Ah, this seat is dead, don't think about it!"

The Black Tomb Supreme was frightened, and a hideous color suddenly flashed in his eyes. The next moment, Boom... An endless aura of killing suddenly burst out of his body, even in the abyss, the demon world's heavens are all it seems to be aroused.

"Want to explode?"

Mo Li, their expressions changed drastically.

The Supreme Black Tomb is about to explode, he has already felt that it is impossible for him to kill it. Instead of being harvested by these guys, it is better to explode and desperately die one by one.

However, Qin Chen, who had been motionless, sneered when he saw this.

I want to blow myself up at this time, have you asked him?

The Ten Thousand Worlds Demon Tree urged, crashing, and countless demon tree tentacles instantly completely wrapped the Black Tomb Supreme. As soon as the Ten Thousand Worlds Demon Tree came out, the power of the Black Tomb Supreme's insanely condensed power, instantly resembling a discouraged ball, was instantly punctured.

At the same time, the Lord of Abyss Demon, Wanling Demon Sovereign, all shot together.

boom!

A loud cry came, shaking the world!

Several supreme powerhouses joined forces, how could the Black Tomb supreme be able to resist, let out an unwilling roar, the next moment, the whole body was torn apart, and it exploded directly.

The blood surging surging, the aura of the blood river ancestor madly ascended, finally, after absorbing the blood of countless demon powerhouses, the blood river ancestor's aura finally broke through to the supreme realm.

Rumble!

In the sky, there seemed to be a cloud of blood condensed.

"You guy, actually restore the supreme cultivation base?"

Luohu Mozu's face was ugly.

In order to restore the supreme cultivation base, he did not know how much he had paid in this demon world, but he did not expect that the blood river ancestor had also recovered, which made him feel very uncomfortable.

On the other side, the terrifying supreme aura permeated Mo Li's body.

Originally, Moli was already a half-step supreme peak-level powerhouse. After devouring the black tomb supreme's demon source, Moli finally stepped into the supreme realm.

However, the supreme realm is not so easy to break through. If you want to completely become the supreme, the magic li needs a lot of original power, otherwise it will only be stuck in the half-step supreme peak realm.

Not only Demon Li, but the aura on Chiyuan Demon Lord also had a breakthrough.

Hei Tomb Supreme, a supreme-level powerhouse fell down, and many people were full.

Boom!

At the same time, a supreme demon clan fell, the demon realm's heavenly path suddenly roared, and the whole heavenly path seemed to cheer and was restored.

An inferior power rose from the black tomb supreme body, containing death aura, as if to enter a special cycle of death.

"Huh? The power of underworld reincarnation?" Feeling this power, Qin Chen frowned. He thought of the scene on the dead land of the Demon Island of Chaos Gods. Any demon master soul who fell in the Sea of Chaos Gods and Demons would be there. Appears in the dead earth, this is because the life created by the immortal emperor

The Gate of Death Reincarnation is competing with the entire Demon Realm and Heavenly Dao for power.

"Huh, in front of Ben Shao, I also want to fight for Ben Shao's things?" Qin Chen sneered, the rules of death in his body surged in an instant, and instantly swallowed the breath of death behind the Black Tomb Supreme, and integrated it into himself. In the body.

[Chapter 4584: illegitimate child?](#)

How terrible the death breath formed after the death of the Supreme Black Tomb, but now Qin Chen has instantly absorbed it into his body.

Boom!

Qin Chen felt that the rules of death in his body had become much stronger in an instant. There was a special power circulating in his body, which gave him a brand new understanding of death.

"interesting."

Qin Chen murmured.

What exactly is death? Is it a reincarnation of energy?

Qin Chen didn't know, if it were normal, he might still have time to get a sense of it, but now, he doesn't have this time at all.

Regardless of refinement, Qin Chen instantly put away the Devil Tree of Ten Thousand Realms, and when he raised his hand, the three powerhouses of the Lord of the Abyss, the Lord of All Souls, and the Holy Ancestor of the Blood River instantly entered Qin Chen.

Immediately afterwards, Qin Chen displayed the Chaos Green Lotus Fire, burning all the clues around him into nothingness, and began to clean up the battlefield little by little.

This is necessary, Qin Chen didn't want to leave any clues to himself, and was finally discovered by the people of the Demon Race.

And when Qin Chen and the others quickly cleared the battlefield.

The sky is far away.

Supreme Eclipse Yuan felt the frantic surging aura above the abyss, his face suddenly sank.

There is the supreme demon, who has fallen.

Wouldn't it be the two fellows, the Flame Demon Supreme and the Black Tomb Supreme?

The anger in the heart of Supreme Erosion Yuan is unprecedented, and if the Supreme Flame Demon and Supreme Black Tomb really fall, it will be troublesome.

The ancestor knew that he had to be hacked to death.

And it is not just the punishment of the ancestors, but also the disappointment of the ancestors.

The two supreme demon clan, who followed him, were actually killed by others. What's the use of the dignified head of the demon clan?

"Damn, who is it?"

The anger in the heart of Supreme Erosion Yuan is unprecedented, and desperate madness rushes towards Qin Chen's place. Layers of void are directly torn apart, and the abyss can't stop his figure, just like lightning.

"Everyone, Supreme Eclipse is coming soon, get out of here quickly."

In the meteorite zone, Qin Chen had cleared the battlefield and felt the murderous intent in the distant sky, his face changed slightly.

What a fast speed.

I'm afraid that it won't be long before the Supreme Eclipse will come, and I must leave.

"go!"

He gave a low voice, and his whole body instantly rose into the sky.

"Magic Li, Chi Yan, let's go too."

Demon Ancestor Luohu also hurriedly put away the Chaos Formation, and immediately followed with Demon Li and Demon Chiyan.

"Moli, separate a clone and head in that direction."

Flying through the air, Qin Chen pointed to the void somewhere in the distance and shouted coldly.

"it's me again?"

The corners of Mo Li's mouth twitched, damn, why do you always do the work?

His face was ugly, but he didn't say much, he directly displayed a real Gu clone and left quickly in the direction Qin Chen said, but his eyes were very ugly.

But Qin Chen swept in the opposite direction of the figure.

Seeing the direction Qin Chen was heading, Luohu Demon Ancestor suddenly changed his color, and said: "Kid Qin Chen, the direction we are going now seems to be wrong, right?"

He discovered that the direction Qin Chen flew was actually the direction they had come from before, and it was the place where the aura of the Supreme Eclipse was coming from. In this way, wouldn't it be possible to meet the Supreme Eclipse who came?

"Follow me if you want to survive, get out if you don't want to survive!"

Qin Chen was too lazy to explain, and snorted coldly.

Luohu Demon Ancestor's face was green, and he was actually taught by such a kid, which was a shame and shame.

"you..."

He grinned and squeezed his fists, wishing to turn around and leave.

But after so many experiences, Luohu Demon Ancestor also saw that Qin Chen, this kid, is very shrewd, and he will definitely not do things to find death.

"Senior Demon Ancestor Luohu, stop talking nonsense, let's go."

Aside, Mo Li patted him on the shoulder, expressing understanding.

Luohu Mozu's face was ugly, and he could only leave with Moli, and he was cursing in his heart. Damn, when he recovered, he wanted this kid to look good.

The group of people quickly flew by, but soon, Demon Ancestor Luohu relaxed, because he found that the direction Qin Chen had left was not straight along the other party's previous direction, but an arc.

Around came the location where the Supreme Eclipse had flew over.

In this way, at least it won't run into Eclipse Supreme.

Rumbling, the aura of the Supreme Eclipse Yuan constantly approached, like thunder. Although Qin Chen and the others had bypassed some, the absolute distance between each other was still close due to the relative distance between them.

"It's almost there." Qin Chen glanced around.

The terrifying aura in the distance is rolling over without any cover, and the encounter with them is about to be hidden, otherwise it will inevitably be discovered.

Qin Chen searched, and suddenly his eyes flashed, and he saw a huge meteorite in the distance.

"follow me."

Qin Chen's figure flickered, and several people immediately lurked behind the meteorite, converging their auras.

"Is this all right?"

The hearts of Luohu Demon Ancestor and the few people were all raised in an instant, and it was over, this time it was really over.

I thought Qin Chen had a good idea. This was clearly looking for death.

It's because they are too close to the Supreme Eclipse, and the location where the two meet is not far away. With the cultivation base of the Supreme Supreme Eclipse, as long as the powerful spiritual consciousness is deliberately swept over, the probability of discovering them is at least six. Into the above.

For a while, everyone's heart was held in terror.

"Lord of the Abyss, are you sure that the Supreme Eclipse will not find us?" Qin Chen asked the Lord of the Abyss with his dignified eyes. "Master, please don't worry, the fellow of Supreme Eclipse has always been ignorant of his head and tail. He must be hiding not far away from him if he can't guess. If he finds that the Supreme Flame Demon have fallen, he is afraid that he will be crazy. Rush over, not at all

Will care about other surroundings. "

"I hope so." Qin Chen said silently.

In the distance, the breath of the Supreme Eclipse Yuan is getting closer and closer, and you can even see the terrifying figure faintly.

It's near.

It's closer.

Contacted!

Qin Chen's heart suddenly lifted.

With a bang, he saw the body of the Supreme Eclipse rushing through the void thousands of miles in front of them, and didn't care about the others beside him, and directly passed Qin Chen and the others, rushing towards the meteorite area frantically.

The speed of Lu Yuan Supreme was extremely fast, and in the blink of an eye, it had disappeared from Qin Chen's perception.

"Is this over?"

Mo Li and their original nervous expressions were stunned for an instant, and they poked their heads out from behind the meteorite, their faces dull.

Really... Hidden by them?

Damn, is this Supreme Eclipse really the patriarch of the Abyss Demon Race?

At this moment, Mo Li's speechlessness in their hearts was beyond description, and they even seriously doubted the identity of Supreme Eclipse. This is too idiotic, right? No matter how confident he is, he should at least perceive the surroundings with his divine sense. How can there be such a reason for rushing over? How did the ancestor of the Yuanmo let him be the patriarch? Could it be that this person is the illegitimate child of the ancestor of the Abyss?

[Chapter 4585: Kill those bastards](#)

To be the patriarch of a clan, not to mention extraordinary strength, at least to be shrewd, but along the way, this Eclipse Yuan Supreme gave them the feeling that they were reckless and simply a fool.

"go!"

Qin Chen didn't stay at all when the Supreme Eclipse Yuan left, his eyes flashed, and everyone left quickly.

After a while, Qin Chen had already arrived outside the vast array of space outside the void of flowers.

Here again?

Mo Li's eyelids twitched, and he was slightly surprised. At this moment, he understood Qin Chen's thoughts.

have to say.

Qin Chen was so cunning that he actually ran back here again.

And here, the Supreme Eclipse has already searched for it before, and the possibility of coming back will become extremely low.

Perhaps some savvy powerhouses would not let go of any possibility, but Mo Li guessed that with that Eclipse Supreme's brain, he would never think of this.

"Quickly, don't you have to arrange another space teleportation array, what are you doing in a daze?"

Qin Chen coldly shouted at Luohu Demon Ancestor.

Luohu Demon Ancestor's eyelids jumped wildly, wishing to spray Qin Chen to death on the spot, really treating himself as a servant?

"Why? Not willing? Not willing to get out of here!"

Qin Chen squinted his eyes coldly.

These guys are so uncomfortable, if it is not because they don't want them to be caught by the Supreme Eclipse, causing themselves to be exposed, I don't bother to care about them. Honghuang Zulong also coldly snorted: "Luohu Demon Ancestor, don't hurry up, I'm here for a long time, what Qin Chen asks you to do, just do it quickly, a waste of time is just joking about his own life, huh, so much experience. If you want to come, you also know Qin Chen

The kid's ability. "

"Damn, lick the dog!"

Demon Ancestor Luo Hui glanced at his mouth, trying to say something, but in the end he didn't say a word.

He quickly shot, and the formations of stones fell, and they were quickly arranged around.

And at this moment, Supreme Erosion Yuan finally came to the location of the meteorite zone.

Whoosh.

He instantly entered the meteorite zone.

Feeling the aura around him, Zhi Yuan Zhizun's face finally changed, and the muscles on his face trembled.

It is the breath of the Supreme Fall.

boom!

He raised his hand, and countless auras around him kept surging over.

"It's the breath of the Supreme Black Tomb..."

His heart sank.

Because he knew that the Supreme Black Tomb must be dead, otherwise it would be impossible for this kind of breath to remain.

A supreme-level powerhouse, not long after the ancestor gave it to him, he actually fell. Is this a supreme? The top powerhouse in the universe is not a cat or a dog, and the heart of the Supreme Eclipse completely sank.

Ruined.

The ancestor must hack him.

"By the way, where is the Flame Demon Supreme?"

Supreme Eclipse hurriedly sent the information tremblingly. He wanted to know the life and death of the Supreme Flame Demon. Now the Supreme Black Tomb must be dead. Can the Supreme Flame Demon definitely not die?

However, no matter how he communicated, the Flame Demon Supreme remained silent.

"I do not believe..."

Supreme Eclipse's voice trembled.

How long is this?

Both the Flame Demon Supreme and the Black Tomb Supreme have fallen?

Are these two guys pigs? Is it so simple?

who is it? Who is it?

Roar!

The Supreme Eclipse Yuan looked up to the sky and roared, completely angry, and the roaring roar poured out in all directions.

At this moment, the anger in his heart couldn't be concealed.

far away.

The space beyond the Void Flower Sea remains outside the array.

Luohu Demon Ancestor's space teleportation array was finally arranged again.

At this moment, a roar of thunder rolling in madly from a distance.

Qin Chen looked into the distance, this place was extremely far away, but the fluctuations in the rules still came, and the huge roar drew this heavenly way, and Qin Chen saw it all. A smile appeared on the corner of Qin Chen's mouth: "Is this guy really an idiot? I'm still yelling at this time, aren't we afraid that

we know his position? This one, not only split the troops and left, but also gave us a chance to kill two
The name is supreme, it's still here

Yelling...this idiot, don't you have any hidden thoughts? "

Qin Chen was surprised.

To be honest, before Qin Chen deliberately flew in the direction of Supreme Lu Yuan, he still took a big risk.

If you change to clever people such as Shen Gong Zhi Zun, I am afraid that they have been discovered long ago, or it is because the master of Yuan Mo said that this person is not very bright, upright, and high-sounding, instead of discovering it, Qin Chen also decided try it.

Who knows, it was really hit by the Lord of Abyss Demon.

Qin Chen laughed, "This fellow from the Abyss Demon Clan looks stupid!"

Mo Li was also speechless, "Not very stupid, or too stupid. To say an idiot is a compliment to him."

Mo Li didn't even understand how that person became the patriarch of the Yuanmo clan and cultivated to this level.

Qin Chen nodded slightly: "Yes, but it's good to be stupid. If he wasn't stupid, we wouldn't have the chance to kill the two supreme, or even get a huge gain, then the Black Tomb supreme will die, you guys, you guys can be regarded as earning!"

The corners of Mo Li's mouth twitched. Damn, I'm ashamed to say that you took the biggest gain by yourself, okay?

Not to mention the help of the Flame Demon Supreme, and the blood of the Black Grave Supreme was detained from them, Mo Li felt a disadvantage when he thought about it.

You know, attracting people and arranging formations, they can do nothing less.

"Let's go."

Qin Chen smiled, his figure shook, and he entered directly into the space teleportation formation, Luohu Demon Ancestor and others also stepped into it.

The next moment, with a bang, the large array started, and the group of people disappeared instantly, and then the large array burst apart and turned into a broken appearance, floating with the fragments of the previous broken large array. What changes.

In the meteorite zone, after the roar of the Eclipse Supreme, he quickly sensed the aura of the departure of the magic avatar, and then followed it up.

"I must kill those bastards."

Eclipse Yuan Zhizun angrily shouted.

And in another void outside the abyss, Qin Chen and his group instantly appeared, and then directly lurked on a flying meteorite, followed the meteorite and disappeared into the boundless sky with a whistling sound.

After about half of the incense, Mo Li said solemnly: "My clone has fallen again."

But at this moment, Qin Chen and the others had already left the land of the abyss, directly entered the meteorite demon realm, and then quickly left this demon realm along a passage of the meteorite demon realm.

Entered into the vast devil starry sky.

"Finally escaped."

The group was relieved.

The Supreme Eclipse is not the ancestor of the Abyss Demon. Now that he has entered the vast Demon Realm, the Supreme Eclipse can not integrate with the Demon Heavenly Way like the ancestor of the Abyss Demon. Wanting to find them in the vast Demon Realm is tantamount to finding a needle in a haystack.

However, Qin Chen also knew that now was not the time to relax. Although the ancestor of the Abyss Demon had left, they would still be in danger as long as the ancestor of the Abyss Demon returned. You must get yourself safe as soon as possible.

[Chapter 4586: Do you want to find a princess?](#)

In the endless starry sky, Qin Chen flew quickly.

Now although he escaped from the Meteorite Demon Realm and temporarily escaped from the control of Supreme Eclipse, Qin Chen's heart was still heavy.

Now he has been exposed, only to leave the Demon Realm to ensure safety.

However, Sisi hasn't found it yet, how can he leave.

Sisi must be found as soon as possible.

"Hanging supreme?"

Qin Chen murmured, this is the only hope that Sisi can be found at the moment.

Whoosh!

Qin Chen's figure shook, disappeared suddenly, and directly entered the chaotic world.

At this time, in the chaotic world, the Suspended Supreme was already in endless shock.

died?

Both the Flame Demon Supreme and the Black Grave Supreme are dead?

These are the two supreme-level powerhouses, one is the patriarch of the Flame Demon clan, the other is the leader of the Black Tomb, the two supreme-level powerhouses, the top figures in the demon world, have they fallen like this?

He was in a trance, unable to withstand the shock of his heart.

After so many years, how many victories have been won by the Righteous Army and the Demon Race? In the early years, there were still some results, but in recent years, the Righteous Army has been suppressed, and there is no room for survival.

But now?

The two supreme beings were directly beheaded by Qin Chen, and this kind of impact was like a violent wind and huge waves, and the impact was fiercely in the heart of the suspended supreme.

When was the supreme so easy to kill?

Where did these guys come from?

Just when he was shocked in his heart, suddenly, a terrible breath appeared and suddenly appeared in front of him.

It's Qin Chen.

"See less dust."

"the host!"

"grown ups."

As soon as Qin Chen appeared in the Chaos World, the Lord of the Abyss, the Holy Ancestor of the Blood River and others stepped forward to salute, looking excited.

Qin Chen didn't say anything, just smiled and looked at Xuankong Supreme, a chair appeared behind him, and he sat down directly with a relaxed posture, and then looked at the other party.

With a smile on Qin Chen's face, he smiled for a while, but the Xuankong Supreme was trembling with a smile.

This was the existence of the Supreme Flame Demon and the Supreme Black Tomb that had been directly killed before. He had seen it with his own eyes, and there was absolutely no falsehood.

"You...who are you guys on earth?"

Venerable Xuankong looked at Qin Chen in front of him, as well as the Lord of Abyss Demon, Wanling Demon Venerable and Venerable Skyfire who were suspended between the heavens and the earth, with anxiety and tension in their eyes.

"Who are we?" Qin Chen smiled, looked at Wanling Demon Venerable, and motioned.

Wanling Mozun immediately stepped forward, looked at him, and smiled: "Your Excellency hasn't seen it yet? Actually, just like you, I belong to the existence of the ancestors against the abyssal demon."

"You... also resist the existence of the ancestors of the deep demon?"

Suspense Supreme stared wide-eyed.

Is it the righteous army?

impossible.

Although the members of the Righteous Army didn't fully know them, at least they had heard of them, and there were absolutely no people in front of them.

What are they doing?

Suspense Supreme's eyes flickered, and his heart was suddenly extremely vigilant.

Wanling Demon Sovereign obviously saw the vigilance in Xingkong Supreme's heart, and said lightly: "In fact, to some extent, I also belong to the righteous army."

"You are also righteous army?" Suspense Supreme said solemnly: "Impossible."

I am in the Righteous Army and I have never heard of them. How could it be the Righteous Army!

"Nothing is impossible. Next, Wanling Demon Sovereign, from... Wanling Demon Race, but the next year was not as prestigious as the predecessor, so the senior may not know the junior at all, but the senior must have heard of the Wanling Demon clan where the junior belongs. !"

"You are... from the Wanling Demon Race?"

Unbelievable appeared in the eyes of Xuankong Supreme. He looked at Wanling Demon Sovereign in shock, with a look of shock in his expression: "This, how is it possible? Wanling Demon Clan, hasn't it been annihilated long ago..."

The Wanling Demon Clan was a powerful frontline demon clan that rebelled against the Abyss Demon ancestors. It is a pity that under the powerful methods of the Abyss Demon ancestor, the entire Ten Thousand Spirit Demon Clan has fallen, and almost none of them survived.

But now, some people from the Wanling Demon Race have survived. How can Xuankong Supreme not be shocked? "It may be that my life should not be destroyed by the ancestors of the demon. The ancestors of the abyss invaded the demon world by the dark clan. My ancestors of the demon were desperately resisting in the demon council, but the ancestor of the abyss was suppressed and the whole army was destroyed. The younger generation survived, hiding in the dark

, And studied the power of the dark clan with his friend, the human race Skyfire Venerable, and managed to escape the danger. Later, the junior and the Skyfire Venerable were attacked and killed and almost died..."

There is a hint of emotion in the voice of the Wanling Demon Lord, "If it hadn't been for Young Chen to enter the heaven trial ground and save my soul, I would have been annihilated long ago, let alone resurrect and become the supreme."

Wanling Mozun felt the surging breath in his body, somewhat emotional, and somewhat shocked.

Because of Qin Chen, he not only survived, but also became the supreme, continuing the inheritance of the entire ten thousand spirits and demons.

boom!

In the body of Wanling Mozun, a terrible soul aura permeated. Although he was the body of a chaotic **** and demon lord, his soul aura could not be faked, directly verifying his identity.

Sure enough, the breath of Wanling Demon Race.

"You... are really the 10,000-spirited demon clan."

Suspense Supreme looked shocked: "In other words, they are all my righteous army?"

"All right."

Qin Chen raised his hand to stop the Wanling Demon Venerable from continuing to speak, then looked at Xuankong Supreme, and said lightly: "Xuankong Supreme, we have already answered your question, and now it should be you to answer our question."

Qin Chen spoke, everyone was silent and stood aside, with a respectful expression. This made Xuankong Supreme's heart stunned, and he felt a strong sense of deterrence and oppression inexplicably. Under Qin Chen's gaze, he actually had a faint feeling of palpitations, because he knew that among this group of people, Qin Chen was the leader. , A group of supreme,

They all obeyed Qin Chen's orders.

"What do you want to know?"

Qin Chen said lightly: "It is rumored that the righteous army was established by the devil princess Lianxinluo. I want to know the position of the devil princess Lianxinluo!"

Everyone on the side was shocked. When Qin Chen came to the Demon Realm, he actually came to find the Demon God Princess to refine his heart?

"Do you want to find a princess?"

Suspense Supreme looked astonished, and immediately shook his head, "I don't know."

boom!

As soon as his voice fell, Qin Chen suddenly raised his hand, and a terrifying force blasted the Xuankong Supreme, blasting him directly away.

puff!

Suspense Supreme spouted out a mouthful of blood, his expression instantly turned pale, his expression frightened, and he looked at Qin Chen wilfully.

At that moment, he even had the feeling of facing death, as if he had seen the god, who was about to crawl under Qin Chen's feet, had no thought of resisting, and would be annihilated by a single blow. how can that be? Even in the face of the top supreme, he would not feel that way.

[Chapter 4587: I am a human](#)

What he didn't know was that this was the Chaos World, Qin Chen's world. Here, Qin Chen really looked like a god, and no one could disobey his thoughts.

Suspense Supreme looked at Wanling Mozun in horror, his eyes seemed to say: Didn't you say that you are also a righteous army? Why do you still have to do it to him?

Wanling Mozun's expression was indifferent, without saying a word, indifferent to the expression of Xuankong Supreme, as if he hadn't seen it. Qin Chen stood up, looking cold, and stepped forward slowly. His steps fell on the ground, like the voice of death: "You must remember that the previous you, including your entire clan, have been targeted by the Void Demon Clan. If it weren't for this seat, you're dead now,

Even your race has been destroyed. "

"This seat saved you and your people. It can be said that the life of your whole family is mine. Whatever you ask you, you will answer whatever. Otherwise, I will kill you and kill your whole people. understand."

"Are you not the righteous army?" Xuankong Supreme looked furious.

"Senior Wanling Mozun is a righteous army, but I am indeed not, I am a human race." Qin Chen said lightly.

"Are you a human?"

Xuankong Supreme looked at Qin Chen in disbelief, although he also saw that Qin Chen didn't seem to be like a demon, but a human race, but when this came out of Qin Chen's mouth, he was still shocked.

"Why does the Human Race appear in the Demon Realm? Even if the Human Race is destroyed, you can only survive in the universe, or is it that your Human Race has already taken refuge in the Abyss Demon ancestor?" Xuankong Supreme's expression instantly became extremely vigilant, and he looked at Qin Chen coldly. .

"Who said that the human race has been destroyed?"

Qin Chen snorted coldly. "Isn't it annihilated?" Suspended Supreme said in doubt: "When the demons were chasing me and waiting, I also inquired about some of your human races. The human races were retreating in the battlefield of ten thousand races, and the heavens in the rear territory were also destroyed. , The Mozu was already fast

Attacked to the Human Race base camp, and now so many years have passed, even if the Human Race has not been destroyed, I am afraid it is only a corner, and it is no longer possible to fight the ancestors of the Abyssal Demon. "

"How long have you not left the land of the abyss?" Qin Chen frowned.

"Millions of years." Xuankong Supreme looked at Qin Chen suspiciously, not knowing what his words meant.

"In these millions of years, have you never left the land of the abyss?" Qin Chen looked at Xuankong Supreme with weird eyes.

"Not bad."

Xuankong Zhizun's face was ashamed and angry. He knew the reason for Qin Chen's eyes. He had been trapped in the abyss for millions of years and never left. This must be said to be an extremely sad and shameful appearance.

"No wonder."

Qin Chen's expression eased slightly, a sad life.

For millions of years, I have never left the land of the abyss, like being trapped in a cage, no wonder I don't know everything about the outside world. "Your information is outdated. In these millions of years, the Human Race has not been captured by the Demon Race. Not only has it not been captured, but it has also prevented the Demon Race from continuing to invade and re-confront the Demon Race on the battlefield of the Ten Thousand Races. Human race, even already occupied

A touch of initiative. "Qin Chen said slowly.

"The Human Race blocked the Demon Race's invasion and gained the battlefield initiative? How is this possible?"

The Xuankong Supreme opened his eyes wide, with an incredible expression in his eyes. He looked at Qin Chen suspiciously, thinking that Qin Chen was lying to himself.

"Nothing is impossible, I don't need to lie to you, and I can't lie to you. Looking back, you can find a demon at will and ask. As for the purpose of sneaking into the demon world, it is to find the woman in this seat." Qin Chen said lightly.

"Your woman?" Xuan Kong Supreme looked stunned. "Yes, my woman, she is the descendant of the Demon Princess in your mouth. Therefore, this seat must find the demon Princess Lianxinluo. If you block me, I will kill you. I don't care if you are the righteous army or What not to be my friend

, That is my enemy. "

"The princess..."

Suspended Supreme exclaimed.

"how can that be!"

He lost his voice, with an unbelievable look on his face. Qin Chen turned into a human appearance, "I am a human, do you think it is necessary for this seat to lie to you? Your purpose is to resist the ancestors of the deep demon, to prevent the dark race from invading your demon world, and to maintain the universe, and the purpose of my human race It's the same, so

In this regard, we have no conflict, and you don't have to cover up for Lian Xinluo, because there is no need. "

"If that Lianxinluo is indeed incarnate in order to fight against the dark race, then my human race should stand on the same front as you in terms of position."

"What's more, as far as I know, your righteous army has been completely suppressed by the demons, and it is difficult to survive."

"Whether you are for the development of the race, to survive, or to fight against the ancestors of the Abyssal Demon, cooperating with this seat is your only way out, and you have no reason to fight against this seat."

Qin Chen said lightly.

Suspense Supreme looked sluggish, some whispered, and some desperate, but after a while, he shook his head and said: "You are a good human being, but it doesn't mean that you and us are in the same group."

"What do you mean?"

Qin Chen frowned.

"Do human beings stop the dark race and safeguard the universe?" Xuankong Supreme sighed.

Qin Chen's gaze narrowed: "You mean, there are spies in the human race who were bought by the demons?" "Buy?" Xuankong Supreme shook his head, his expression flashing inexplicably: "You think you can attract them by relying on the demons alone. Is the Dark Clan? Impossible. As far as I know, there are people in your Human Clan who colluded with the ancestors of the Abyssal Demon, even if they were

Nian and the Yuanmo ancestor plan introduced the existence of the Dark Clan together, and was one of the decision makers of the entire plan. "

"what?"

Qin Chen was shocked, and Venerable Tianhuo suddenly looked over.

Human race, there is the existence of colluding with the ancestors of the deep demons to introduce the dark race? is it possible?

"You mean, for the invasion of the dark clan, I have a strong human clan to make suggestions in the rear?" Qin Chen said solemnly, his eyes cold and stern.

At this moment, he thought a lot.

"That's right." Xuankong Supreme nodded: "Otherwise, do you think that with the ancestor of the deep demon, you could instantly break through the many important places of the human race and paralyze the many top powers of the human race in one fell swoop?" "Your human race, the strength is not weak, it was a peace in the past. The demons are also top-level races. Although the ancestors of the deep demons are strong, they can't instantly destroy the top powers of your human race. Among them, there must be people who lead the way.

"

"This person, tell the ancestors of your human race all the information, and even lead the way secretly, so that the ancestors of the abyss can succeed in one fell swoop and instantly annihilate many of your human race's top powers." "If it weren't for your human race's top powers, such as The forces of Tongtian Sword Pavilion, Craftsmanship, and Tianji Sect were directly destroyed before the start of the war. How could the ancestors of the Abyssal Demon grow up in such a short time, dominate the Demon Race, and directly occupy the entire universe

, Break the heavens. "Xuankong Supreme said slowly, revealing a shocking secret.

[Chapter 4588: Just do it](#)

Qin Chen has awe-inspiring eyes and a serious expression.

What Suspended Supreme said is not impossible.

In fact, he has always wondered why the human race was so strong back then, not weaker than the demons, why they were breached by many top forces at the beginning of the war, resulting in almost no resistance to it.

Although the Demon Race had the help of the Dark Race, and the ancestors of the Abyssal Demon had planned for a long time, the resistance of the Human Race was too weak.

At this moment, I heard the words of Xuankong Supreme, if there is a top powerhouse in the human race who colludes with the demon race, then everything is explained.

The demons were prepared for a long time, together with the help of the dark race, and if the human internal traitors were added to help, under such circumstances, the human race suffered heavy losses, it is extremely reasonable.

"who is it?"

Qin Chen looked over coldly, with a serious expression.

The first thing that came to his mind was the ancestor god.

Because the ancestor gods are the top powers handed down from ancient times, and they are also one of the few people who were the top powers of the universe back then, and have been passed down to the present.

Under the leadership of the ancestor gods, the human race was retreating steadily. If it hadn't been for the birth of Xiaoyao Supreme, the human race was afraid that it would have been completely destroyed under the leadership of the ancestor god.

He is the most suspicious person.

In countless years of human-devil wars, too many powerful men have fallen, but the ancestor **** has survived and lived well, so he has to doubt.

"I don't know who it is." Xuankong Supreme shook his head: "But as far as I know, before the ancestors of the deep demon were sent out, your human race had internal responses, and this was the only way

to paralyze the many forces of your human race. What princess Lianxinluo accidentally heard, but it's just confession.

I was just a small role in the year, and I didn't know much about it later. "

"Princess Lianxinluo?" Qin Chen was shocked. He didn't expect this. He learned from Lianxinluo.

"Yes, it is exactly what the princess said. Back then, the ancestors of the deep demon led the dark clan into the demon world and destroyed the peace of the demon clan. In order to resist the dark clan, the princess transformed herself into a way and forcibly blocked the entrance of the dark clan."

"But the princess once said that she did this only to delay the invasion of the Dark Clan. One day, when her power is exhausted, she will no longer be able to stop the Dark Clan. By then, it will be the time for the Dark Clan to completely invade the Demon Realm. ."

"Furthermore, the princess also said that if there were traitors among your human races, she wouldn't have reached this point." Xuankong Supreme shook his head, then looked at Qin Chen solemnly: "You said your woman is the descendant of Princess Lianxinluo. , Do you have any evidence? You also know that for the inheritance of the demons, my righteous army has been willing to fight against the ancestors of the deep demons for so many years, and suffered heavy casualties.

Not a person who is afraid of death. "

"If you want to threaten me with a race, you don't have to. I am not even afraid of death. Although I am not willing to be annihilated, I will not tell you the secret of the righteous army for the sake of sluggishness. I want me to tell this secret, your previous Those are not enough."

Suspense Supreme said coldly: "Unless you can make me believe you completely, otherwise, if you want to kill or slash, just do it."

Suspense Supreme looks like he is not afraid of death.

"presumptuous."

Wan Ling Mozun suddenly furious.

Venerable Skyfire's eyes also burst into cold light.

The Lord of the Abyssal Demon took a step forward, and the aura of the Abyssal Demon rose.

Qin Chen raised his hand to prevent them from coming forward, staring at the Xuankong Supreme, and couldn't help but smile: "Interesting, is it possible to resist from the ancient times to the present, is not afraid of death?"

"If you want you to tell the secret, this seat has a way. Do you think it will be okay if you don't want to tell it? If you want it, you can even enslave you." Qin Chen said coldly.

Suspense Supreme looked at Qin Chen.

Enslave yourself?

ridiculous.

I am the supreme and powerful, so how easy is it to be enslaved? Even if it is an existence like the ancestor of the abyss, he dare not say that he can easily enslave himself?

"You do not believe?"

Qin Chen smiled and raised his hand.

boom!

This side of the world suddenly broke out with a shocking roar, and the breath of the Demon Tree of the Ten Thousand Worlds burst out in an instant.

Rumble!

Endless magical energy floods this world.

In the distance, above the sky, a full-length ancient tree appeared. Above the ancient tree, endless magical energy surged, as if turning this world into a demon world.

As soon as this power appeared, the Suspended Supreme instantly felt that his soul seemed to be pressed by a huge layer of power, and the whole person could not breathe.

This is the power of the Devil Tree of Ten Thousand Realms.

The Demon Tree of the Ten Thousand Realms is the sacred tree of the demon clan, and the Demon God enlightened under the Demon Tree of the Thousand Realms.

And in this chaotic world, Qin Chen, relying on the suppression of the heavens and the earth, and the suppression of the Ten Thousand Realms Demon Tree, could completely enslave the Vast Supreme.

It's just that it takes a lot of energy to disperse Qin Chen's soul breath, which Qin Chen doesn't want.

Now that the Ten Thousand Worlds Demon Tree came out, the Suspended Supreme suddenly had difficulty breathing, and he looked towards the sky in amazement.

"This is..." His pupils contracted, and suddenly thought of a possibility, he said in shock: "The Devil Tree of Ten Thousand Realms."

As the top powerhouse of the Demon Race, he naturally knows the Demon Tree of Ten Thousand Realms, but this tree has already dissipated in the ancient times, how could it appear here?

"Yes, it is the Devil Tree of Ten Thousand Realms." Qin Chen said lightly.

Hearing this, Xuankong Supreme's breathing suddenly rose, and he looked at Qin Chen in disbelief.

"This seat has the Devil Tree of Ten Thousand Realms, do you think I can't enslave you?" Qin Chen's expression was indifferent, "What if you add this to it?"

Hum!

Qin Chen urged the Demon Tree of the Ten Thousand Realms, and suddenly an invisible soul suppressing breath appeared in the Lord of the Abyss, and a terrible soul curse appeared. The Lord of the Abyss bowed to Qin Chen and said: "Master ."

"Soul slavery."

Seeing the soul curse mark on the Lord of Abyss, Xuan Kong Zhizun sucked in air-conditioning.

No wonder, the Lord of the Abyss will surrender Qin Chen.

Suspense Supreme had always suspected Qin Chen before, even if Qin Chen killed the Nether Demons, as well as the Flame Demon Supreme and the Black Grave Supreme, he did not let go. The reason was the Lord of the Abyss.

Because the secrets he knows are too important, it is related to the survival of the righteous army, how can he easily tell others because of the death of the flame demon supreme and the black grave supreme.

Although the identities of the Supreme Flame Demon and the Supreme Black Tomb are noble, they are far inferior to the survival of his entire righteous army.

But now, after seeing that the Lord of Abyss Demon was actually enslaved by Qin Chen, Xuan Kong Supreme was shocked.

Because he knew the identity and status of the Lord of the Abyss, he was the descendant of the ancestor of the Abyss, even the son of the ancestor of the Abyss, and the successor of the ancestor of the Abyss.

No matter what strategy the ancestors of the Abyss, they would never give treasures such as the Demon Tree of the Ten Thousand Worlds to a human race, or even let a human race control their descendants of the Abyss Demon Race.

As soon as Qin Chen raised his hand, bang, instantly, the countless demon aura dissipated, and everything around him returned to calm. The soul curse on the forehead of the Lord of Abyss also disappeared.

[Chapter 4589: Unborn Demon Realm](#)

"With these, do you think it's impossible for me to enslave you?"

Qin Chen said coldly.

Suspense Supreme suddenly stopped speaking, showing a bitter smile.

It is true that the supreme-level powerhouse is extremely difficult to be enslaved, but it is not that it cannot be enslaved. It is just that the supreme-level powerhouse has no leakage in the soul, and has long reached the realm where only the soul can live forever.

For example, people such as the Great Ancestor Dragon and Luohu Mozu can survive from the ancient Kaitian era to the present through the power of their souls. They have not been annihilated through countless epochs, showing the power of the soul of the supreme powerful.

However, this does not mean that the supreme strong cannot be enslaved.

The Demon Tree of the Ten Thousand Realms is a sacred tree of the Demon Race, this thing can suppress the soul of the Demon Race powerhouse to a great extent, and the Demon Race Powerhouse cannot resist the invasion of the Demon Race Demon Tree at all.

With the Devil Tree of the Ten Thousand Worlds and some special methods, it is not impossible to say that the other party can enslave oneself.

"I believe it." Xuan Kong Zhizun was bitter, shocked in his heart.

At this moment, he completely believed in Qin Chen, at least, he believed that Qin Chen was definitely not under the command of the ancestor of Yuanmo.

"Now, can you tell me where is Lian Xin Luo?" Qin Chen said lightly, with a calm expression, but giving the feeling of Xuan Kong Supreme, there was endless oppression.

Qin Chen had already shown his sincerity enough, if Xuankong Supreme didn't know what was good or bad, then Qin Chen had no choice but to make a ruthless hand.

"Princess Lianxinluo... is in the Wusheng Demon Realm!"

Suspense Supreme hesitated in his heart, but in the end, he still murmured.

"The Unborn Demon Realm?"

Qin Chen frowned.

But the Lord of Abyss Demon was suddenly startled, "Are you sure you are in the Unborn Demon Realm?"

Wan Ling Mo Zun also showed a shocked look on the side. Qin Chen looked at the two of them, and saw the Lord of Abyss Demon said: "Master, Wusheng Demon Realm is the most terrifying secret realm in my Demon Realm. Just like its name, entering it, ten deaths without life, I have never heard of it. Someone can come out alive after going in, so

Known as the Unborn Demon Realm. "

This guy, don't you want them to die?

Murderous aura suddenly appeared in the eyes of the Lord of the Abyss. Suspended Supreme connected: "The Inanimate Demon Realm is indeed dangerous, but it is not ten death and lifeless. It is just because the Inanimate Demon Realm is a place where the Demon God sits and transforms, contains the power of the Demon God, so outsiders can't enter, and refine the heart. Princess Luo is the Demon God

Female. "Back then Princess Lianxinluo suppressed the Dark Clan and entered the Demon Realm, while a trace of her remnant soul entered the Inanimate Demon Realm, and found a place for our Righteous Dao Army to survive in the Inanimate Demon Realm. Survive in the Unborn Demon Realm

Methods. "

"So not only is Princess Lianxinluo in the Wusheng Demon Realm, but the headquarters of our Righteous Dao Army is also located in the Wusheng Demon Realm."

The Master of Abyss Demon glanced at each other, and they all could see that Xuan Kong Supreme didn't seem to be lying.

"Whether you live in the Demon Realm? What are you waiting for, Lord of the Abyss Demon, you should know where the non-life Demon Realm is and lead the way." Qin Chen said.

"Hold on." Xuankong Supreme hurriedly said.

Qin Chen looked over suspiciously.

"Now you can't go to the Wusheng Demon Realm."

"Why is this?"

"The Wusheng Demon Territory is extremely special. With the help of Princess Lianxinluo, my righteous army relies on the special features of the Wusheng Demon Territory to thrive there and resist the ancestors of the Abyss Demon, but in the end it was discovered by the ancestors of the Abyss Demon.

"Although the ancestor of the Abyssal Demon is capable of reaching the sky, he can't break into the Inanimate Demon Realm, so he has arranged a great array of Abyssal Demon outside the Inanimate Demon Realm, and no one can enter or leave at will. Will be backlashed by the whole big array, that big

The formation has been transformed by many supreme-level powerhouses into the guardian of the formation eye, even if the supreme-level powerhouse breaks in, it will undoubtedly die. "

"If the supreme-level powerhouse enters, it will definitely die?"

Qin Chen was shocked by all of them.

"The supreme-level powerhouse sits in the front line, what you are talking about, is it the twelve capital sky demon evil formation?" The pupil of the master of the deep demon shrank.

Xuan Kong Supreme nodded, "It seems that it is the great formation of the twelve capitals!"

"If this is the case, it will be really troublesome." The face of the Lord of the Abyss instantly became extremely solemn. He said in a deep voice: "Master, the Twelve Capital Heavenly Demon Slayer Formation is the top-level formation of my Abyssal Demon Clan. It is the pinnacle supreme-level formation. Once it breaks into it, it will be enveloped by the endless power of the Demon Slayer. Entered into a piece of evil spirit directly. Trapped completely

, Unable to break free. "

"This is a big battle array."

The Lord of the Abyss had a solemn expression.

"Is there any way to crack it?"

The Lord of the Abyssal Demon shook his head: "Almost none." "Master, you don't know that the refining of the Twelve Metropolis Demon Formation is extremely difficult. There are twelve formations in total. Each formation must be controlled by the Supreme Level power is in charge, that is to say, if you want to refine this formation, you must have twelve Supreme

The corpse of a strong-ranked person can only be arranged successfully. Even the top-level supreme breaks into it. It is dangerous. With my cultivation base, I am afraid that..."

The Lord of Abyss Demon didn't continue speaking, but everyone obviously knew what he meant.

"The corpses of twelve supreme powerhouses are sitting here?"

Wanling Mozun and others changed their colors, and Qin Chen also sucked in air-conditioning.

No wonder it's so scary.

Twelve supreme-level powerhouses, this is not a cat or a dog, any one is an existence against the sky.

Even for some of the top ten races in the universe, searching the entire clan may not be able to find the twelve supreme-level powerhouses.

However, it was not an accident that the ancestors of the Abyssal Demon had fought in the universe for so many years and were able to produce the bodies of twelve supreme powers.

"Is there really no way?" Qin Chen's face was ugly, his expression resolute.

No matter what, in order to think, he must go to the Wusheng Demon Realm.

"It's not that there is no way at all." The master of the abyss flashed his eyes: "There is a way, but it is difficult, and it is almost impossible to complete."

"What?" Qin Chen looked over in a deep voice. "Devil soul source device, as long as you get my deep demon clan's supreme demon soul source device, you can break through the twelve capital demon evil formations, because the demon soul source device contains the supreme power of my abyss demon clan and can assimilate all attributes. As long as the magic soul generator is present, you can

Break through the large array of twelve capitals, without being bothered by the large array. "

"It's just that the Demon Soul Source Device is located in the Forbidden Demon Prison of my Abyssal Demon Race. If you want to take the Demon Soul Source Device from the Infinite Demon Prison, the difficulty is no simpler than breaking through the Twelve Capital Heavenly Demon Slayer Array."

Demon soul source device?

Qin Chen's eyes flickered, he had heard of that treasure.

Wan'er seems to be in the Infinite Demon Prison.

"go!"

Qin Chen said suddenly.

"Master, where are you going?" The Master of Abyss Demon was shocked, and everyone else looked over in confusion.

"Where else can I go? Naturally, it is the Infinite Demon Prison."

Qin Chen's tone was cold, and he had already made a decision. With a flickering figure, Qin Chen suddenly appeared outside the chaotic world.

[Chapter 4590: Do as you think](#)

Just do it!

Qin Chen knew very well that now the ancestors of the deep demon and the supreme eclipse are not in the deep demon clan, it is he who took Wan'er, the source of the demon soul, and the best chance to find Sisi. After passing by, he will never have a chance again.

With the Lord of Abyssal Demon, he may not be impossible to take away the Demon Soul Source Device.

"Master, are you really going to the Infinite Demon Prison?" The Master of Abyss Demon said in astonishment.

On the side, Xuan Kong Zhizun and others were also shocked.

Qin Chen nodded, his eyes firm.

But it was not reckless.

The Infinite Demon Prison was the base camp of the Abyss Demon Clan, and it was dangerous, even if the Lord of the Abyss was leading the way, Qin Chen still felt the danger.

Especially even though the ancestor of the Abyss Demon left, Supreme Eclipse is still here, once Supreme Eclipse returns to the Abyss, then...

Must think of a way so that Supreme Eclipse cannot go back.

What can be done?

Qin Chen thought.

Once the Supreme Eclipse can't find their traces, it is very likely that they will return to the Abyss Demon Clan, and this will be dangerous.

Unless, let people lead them away.

Thinking of this, Qin Chen's eyes flashed, and suddenly he glanced at Mo Li, Luohu Mozu and others.

Suddenly, a trace of goose bumps emerged inexplicably on the people of Mo Li, and they felt a kind of extreme danger.

"Wow!"

Several people hurriedly flew away and flashed aside.

"These guys have really sharp reactions!"

Qin Chen smiled, but a hint of unfavorable plans for Moli and them flashed in his heart. Unexpectedly, a few people would react like this.

The son of luck?

Qin Chen thoughtfully.

Moli's luck has always been good. It would be impossible to walk all the way from the Tianwu Continent to the present, if he didn't have enough luck.

"Several people, what are you doing?"

His thoughts flickered, but Qin Chen smiled and treated Mo Li humanely.

"Hmph, Qin Chen, did you want to be disadvantageous to us just now?" Mo Li snorted coldly.

"Several people are joking. Now that several of you have experienced so much with this seat, how can you be disadvantaged by this seat?"

Qin Chen smiled and stepped across the first two steps: "If this seat wants to disadvantage you, I won't give you most of the benefits of the Black Tomb Supreme before. Wouldn't it be unnecessary?"

Feeling Qin Chen approaching, Mo Li took a few steps back in a hurry?

"is it?"

The three of them wondered why Qin Chen's words sounded so unreliable. "Okay, don't waste time. Although I waited to escape from the Meteorite Demon Realm, the Abyss Demon ancestor also left the Demon Realm for some special reasons, but the crisis I was waiting for has not been resolved. , Can act with this seat,

This seat will surely protect you all. "

Qin Chen said with a smile, and tried his best to invite.

"Humph."

Demon Ancestor Luohu snorted coldly. Originally, he really planned to follow Qin Chen, but now, after feeling the faint danger, he was unwilling to be with Qin Chen after killing him.

How long has it been since the Chaos God Demon Lord, the Flame Demon Supreme, and the Black Tomb Supreme, the three supreme demon races died in Qin Chen's hands. If they continue to follow Qin Chen, who knows what will end?

The three supreme demons, what kind of identity and strength this is, in front of Qin Chen, they didn't realize that they would be much better than the supreme Flame Demon. "Ahem, this is not necessary." Demon Zu Luo's eyes flashed, and he took a step back, and said: "Now this seat has recovered a lot and can protect itself. If you continue to follow you, it is quite wrong. After all, The threat of Eclipse Supreme has not been resolved

, Disperse and leave to get the attention of the other party, it is better to wait for me to part ways first, there will be a period later. "

Speaking of Demon Ancestor Luohu waved his hand, he greeted Mo Li and Demon Lord Chiyan, Mo Li and Demon Lord Chiyan immediately approached, their expressions a little wary.

Qin Chen frowned, "A few of you don't seem to believe in this seat? Do you think that this seat will attack you?"

"Otherwise?" Demon Ancestor Luo murmured in his heart, but hurriedly said: "Hehe, if anything, I just don't want to drag you down."

"Oh, that's the case..." Qin Chen sighed, "I don't want to force it, but now the Demon Realm is dangerous, it's not right..."

Qin Chen frowned suddenly, and said suspiciously, "You guys, don't you want to abandon this seat and go to the races of the Supreme Flame Demon and the Supreme Black Tomb?" Qin Chen's expression was on his face. Suddenly became serious, and said solemnly: "I can warn you that you can leave, but you must never go to the races of the Supreme Flame Demon and the Supreme Black Tomb, where there are many dangers, if you go there rashly

, Once there is a disturbance and attracts the attention of the Supreme Eclipse, you will definitely be captured by the Supreme Eclipse. At that time, it does not matter if you die, but if you expose this seat, huh, don't blame this seat. "

Speaking of this, a trace of murderous intent suddenly emerged from Qin Chen.

Demon ancestor Luohu and Mo Li looked at each other, and hurriedly said, "Your Excellency has been thinking too much. How can I do such a reckless thing? Now that the crisis has not been resolved, I have not had time to escape from the demon world, so how can I continue to stay? Here." "That's good." Qin Chen seemed to be relieved, nodded, and said with a regret: "Since some of you have to leave, then this seat won't be retained, but if some of you have no way to go. , You can go to Terran to find this seat, although this seat cannot determine the person

Family affiliation, but it's okay to take in a few people. "

Mo Li sneered in his heart, and went to Human Race to find you? The ghost goes.

With a smile on his face, he said, "Don't worry, I'm all from the Tianwu Continent. If there is danger, I will definitely come and find it."

After speaking, Mo Li, Luo Hu Mozu and others arched their hands at Qin Chen, swished, and disappeared into the vast starry sky.

Seeing the backs of several people leaving, Qin Chen showed a faint smile at the corner of his mouth.

"Kid Qin Chen, are you letting them leave now?" Honghuang Zulong asked Qin Chen suspiciously.

"Otherwise? Kill them?"

Qin Chen smiled slightly, "The Demon Ancestor Luohu seems to have a lot of nerves, but what do you think is the probability that you will shoot them directly and kill them, and then not alarm the Supreme Lord of Erosion?"

Hong Huang Zulong fell silent immediately.

Now Luohu Demon Ancestor's cultivation base has recovered a lot, although he is far behind him, but the possibility of wanting to kill them silently is almost zero.

Once Luohu Demon Ancestor knew that they were bound to die, they would fight desperately, and as the top God and Demon among the three thousand ancient Gods and Demons of Luohu Demon Ancestor, they still didn't know what methods they could use. "You should be very clear that the Demon Ancestor of Luohu is an ancient Chaos God and Demon. These powerful people are no better than the

supreme demon races such as the God of Chaos and the Supreme Flame Demon. They have cultivated to reach the sky, and the methods are not the same as the Supreme Eclipse. I'm afraid it's even more terrible, if it's so easy to kill, it won't survive from ancient times to the present." Qin Chen said lightly.
