

## Valkyrie 4601

### [Chapter 4601: Discussion Void](#)

The Lord of Abyssal Demon's extended hands swept towards the sky magic star very casually. Suddenly, the dark magic light exploded by the sky magic star seemed to be drawn, and they stopped raging, becoming bright and dark, as if Lord of the Abyss

The control is average.

The power of all demons quickly dissipated.

These magical powers did not disappear, but retracted into the sky full of magic stars, still shining, but they were exceptionally quiet and peaceful. As the elder of the Abyss Demon Clan, the top powerhouse, Elder Demon Heart has also been to the Penal Hall many times. As the oldest powerhouse of the Abyss Demon Clan, Elder Demon Heart has seen too many people of all races here. The painful and wailing appearance in the array, even ten thousand

The devil's great array is terrible.

If he weren't for the traction, even if he rushed in with his strength, he would be severely wounded by the violent power of ten thousand demons in an instant, and he would even lose his soul.

But now, he has seen too many riots in the Ten Thousand Demon Array, but it is the first time that he has seen such a meek force of Ten Thousand Demon.

No, it should be said... it was the first time he knew that the power of ten thousand demons could be so docile!

The calm and shining demon light shone on the body of the Abyss Demon Lord, but there was no trace of violence or oppression. In the incredible peace, there was still a point of surrender.

And the power in the demon star comes from the ancestors of the demon clan of the heavens and the deep demon!

"Ten Thousand Demon Stars, how many years have you seen this constellation? Are everything okay?"

The Lord of the Abyss murmured, looking at the sky full of magic stars.

Back then, when the ancestor of the Abyssal Demon sacrificed and practiced this great formation, he also watched from the sidelines. The ancestor of the Abyss regarded him as his successor, far surpassing the current Supreme Eclipse, and he would not hide everything from him. .

Even in this ten thousand demons formation, the ancestor of the abyss was handed over to the master of the abyss for a moment. After all, as the heir of the abyss, how could he not control the punishment of the abyss?

"Brother Necromancer, let's go, and Elder Demon Heart, you are also an old man of my Abyss Demon Clan, don't you need an invitation from this seat?"

The Lord of Abyss Demon said lightly.

Qin Chen stepped into the Ten Thousand Demon Formation, and also felt the terribleness of this formation, such a great formation, I was afraid that it would be urged with all his strength, unless it was the Great Ancestral Dragon who made the move, I was afraid that he would also be trapped in it. The Lord of Demon can easily control it.

Unexpectedly, but reasonable.

In the chaotic world, Wanling Mozun and others were also shocked. It is no wonder that the Lord of Abyss Demon had just made such a proposal at the beginning. In this ancestral land of the Abyss Demon, the Lord of Abyss Demon really knows everything and knows everything.

The Lord of Abyss Demon and Qin Chen did not stay in this ten thousand demon array, but continued to move forward, walking in this pitch black void.

"..."

Elder Moxin stayed on the spot for a while, before his eyes trembled and quickly moved to keep up.

When he passed the Ten Thousand Demon Array, his figure slowed down, and suddenly he stretched out his hand, his palm facing a magic star in the Ten Thousand Demon Array, infused with his original power.

But then, his face suddenly changed.

Because the magic star that the palm is facing, under his traction, there is no response, as if it is completely out of his control.

This made him feel frantic. It should be understood that he is the elder of the penalty hall, and the reason why he dared to step into this ten thousand demons is because he has a special traction power and can easily control this ten thousand demons. But now, he uses his own traction. Force trying to control this great magic

During the battle... there was no response!

When he turned his eyes and looked at the back of the Lord of the Abyss, his eyes were already shaking violently involuntarily, as if countless storms raged in his heart, he was in a state of confusion.

Who is this son?

The control of the Ten Thousand Demons Array is actually above his penalty elder?

Unheard of.

Except for the ancestors and patriarchs of the entire Abyssal Demon Clan, even those reclusive old antiques, as long as they do not serve as the elders of punishment, are afraid that they will be far inferior to him in the control of the Ten Thousand Demon Array, right?

Shocked in his heart, Elder Demon Heart flickered, already following the Lord of Abyss Demon and Qin Chen, stepping into the depths of the Demon Array, and walking towards the discussion void of the penalty hall.

This is the depths of the penalty hall, in charge of the entire demon world, and even the real place of punishment for the demon alliance and all races. This is a place that makes the demons fearless. In the entire Demon Realm, no demons want to come here. The dead demons, the spirit demons, the holy demons... even the ancestors of the frontline demons are hearing about the punishment hall. After the name, it will be muddy

Body chills.

Now, the Lord of Yuanmo and Qin Chen came alone, stepping in alone, not afraid.

After the tens of thousands of demons, Qin Chen and others finally came to a vast starry sky. In the starry sky, a series of dark figures sat cross-legged, towering high in the sky, exuding a heart-palpitating breath.

Feeling the breath of these powerful men, Qin Chen's heart was instantly shocked.

The aura of the strong above the throne of the starry sky is extremely terrifying, like gods and demons, and no one's cultivation base is under the devil's elder, even the weakest one has the cultivation base of the devil's elder level, all are Above the mid-term supremacy.

This made Qin Chen's gaze condensed.

The Abyss Demon Race is really terrifying.

There are so many mid-term supreme in this penalty hall alone, so how many supreme powerhouses will there be in the entire Abyss Demon Race?

I am afraid that no one except the ancestor of the deep demon can really know.

Controlling the universe for hundreds of millions of years, cooperating with the Dark Clan, and annexing the 10,000 Clan, the Abyss Demon Clan has expanded to an extremely terrifying stage and turned into a hidden behemoth.

The huge void was empty and silent, and several towering figures stood high in the discussion void.

When the Lord of Abyss Demon and Qin Chen stepped in, a few sharp eyes fell on them, scrutinizing and marveling.

They also saw the scene of the previous Ten Thousand Demon Array, and the shock in the heart of the Lord of the Abyss was no less than that of the elder Demon Heart.

One of the figures sitting on the east side stood up, walked down step by step, and the silent magical power bloomed.

This is an old man, wearing a cloak, shrouded in endless darkness, his steps are slow and uniform, his eyes are cold and waveless, and his breath is strong, even suppressing other punishment elders present.

boom!

The endless terrifying magic power erupted in an instant, and it was instantly suppressed on the body of the Abyss Demon Lord and Qin Chen. The magic power like a vast ocean surged in an instant, and the entire sky of heaven was roaring and shaking.

His gaze fell on the Lord of Abyss Demon and Qin Chen, the two of them were a little weak to him, but under his magic power, they were like a dead pool forever, without turmoil.

The old man frowned slightly, and he finally saw this legendary mysterious member of the Abyssal Demon Race, but it was completely different from what he had expected. The corner of his mouth moved, and he faintly said: "Who is your excellency? I said it was from the Abyssal Demon clan, but why did he encourage outsiders to kill my clan?"

#### [Chapter 4602: Elder Ancient Demon](#)

Facing the coercion of the people in front of him, the Lord of Abyss Demon looked calm, unmoved, and said with a light smile: "Outsiders, where are outsiders from here?"

"Is this person an outsider?"

The old man's eyes fell on Qin Chen, and a terrifying coercion instantly suppressed Qin Chen.

Boom!

Qin Chen instantly felt as if a huge mountain was suppressed on him, and the endless power of the entire void and stars was surging over, as if he wanted Qin Chen to be killed here.

A cold glow suddenly flashed across Qin Chen's eyes, and his right hand instantly caught the mysterious rust sword in his left hand.

With a bang, the next moment a terrifying sword light burst out of Qin Chen's hands.

In this sword, Qin Chen directly urged the power of the sword demon contained in the mysterious rust sword, and a terrifying cold breath rose into the sky.

Boom!

In the void, a terrifying sword light with suffocating power came to the old man in an instant.

"Bold!"

"presumptuous!"

All the experts of the Deep Demon Race were shocked, and their eyes showed incredible light, and they shouted.

They obviously couldn't believe that Qin Chen dared to take the initiative in the whole place.

But the old man was even more shocked. He snorted and suddenly patted Qin Chen with a palm, and a huge palm suddenly appeared in the sky.

"The mighty demon!"

The old man could perceive Qin Chen's aura, which was not strong, so he just shot at will, trying to directly explode the sword aura Qin Chen had cut out.

But when his condensed palm of the devil source touched the sword aura Qin Chen slashed out, the old man's expression instantly changed.

With a bang, an endless icy breath of death suddenly burst out of the sword light, tearing the palm of the old man's blast to an instant.

call out!

Jianguang violently cut, and instantly came to the old man.

boom!

The old man hurriedly put his arm in front of him, and in the next moment, his whole person was slashed out for hundreds of meters, and with a bang, the void behind him was directly annihilated.

The emptiness of this conference hall could not bear this terrifying sword power.

What shocked the old man even more was that in the power of this sword, a powerful breath of coldness and death rushed directly into his body, trying to wreak havoc in his body.

The old man shouted angrily, and immediately suppressed this force in his body, but his face was a little pale.

Careless.

He became angry from embarrassment in his heart.

Because he didn't expect Qin Chen's strength to be so terrifying, Qin Chen immediately took the upper hand with one move.

It's just that the scene where the old man was instantly smashed into flight still shocked the rest of the penalty elders present.

Boom boom boom!

A figure of a respected figure stood up suddenly, exuding a cold killing intent, and suppressed Qin Chen severely.

Qin Chen coldly glanced at everyone present, but instead let go of the hilt of the sword, and said lightly: "Dare to touch my hair, I want you to exterminate the Abyssal Demon Clan."

As soon as this statement was made, the expressions of everyone present changed drastically.

What a courage.

His Abyss Demon Clan is the top race in this universe. Ten thousand races come to the dynasty, and countless races are shivering under the power of his Abyss Demon. When has he been threatened like this.

Not waiting for them to take action, the old man shouted in a low voice: "Stop!"

However, his gaze stared at Qin Chen coldly, with an astonishing light flickering in his pupils, and he said solemnly, "The breath of death?"

Qin Chen said indifferently: "You have a bit of perspective."

hiss!

Suddenly, the audience heard bursts of air-conditioning.

The breath of death?

Is the opponent from the underworld?

No wonder this person is so daring. Although the underworld is only a realm in the universe, it is the same as the demon world and other races, but at the level of the demon heart elder, everyone knows that the underworld is actually a top force in the universe outside the universe.

And the underworld in this universe is just a division of the underworld in the universe in this universe.

It's just that a strong man in the underworld can't enter this universe at all. How did this person enter?

"You are from the underworld, how did you enter this universe?" the old man said solemnly.

Qin Chen sneered: "What's so difficult? Even the dark people can enter this universe. I want to enter the underworld. It's not whether I can or not, it's just a question of whether I want to enter."

"However, this seat is very curious. Your Abyssal Demon race is deliberately working with my underworld, but you are always against my underworld. Who gave you the courage? The ancestor of the abyss? Let that guy get out of me."

Qin Chen drank coldly, his eyes cold.

"Bold!"

Elder Devil Heart and others on the scene yelled together.

Dare to scold the ancestors like this, this person is so bold.

"Enough." At this moment, the Lord of Abyss Demon snorted coldly: "Are you still not making enough noise? Everyone without vision, do you have to destroy all the plans of the ancestors, and you are happy. Do you know how much energy the ancestors spent,

Only then got in touch with the Immortal Emperor of the Underworld and formed a cooperation. It's good for you. You can do it to our guests indiscriminately. If the ancestor is there, see how to clean up you. "

"He is an immortal emperor?"

The old man's eyes narrowed.

As a high-level member of the Abyssal Demon Clan, he naturally knew about the cooperation between the ancestor and the undead emperor. Although he didn't know much about it, he knew a little about the general situation.

"Otherwise?" The Lord of Abyss Demon snorted coldly, "This seat has already said that there are no outsiders here."

"Who is your excellency?"

The old man looked over attentively. The Lord of the Abyss snorted: "The identity of this seat is top secret. If you don't have the ancestor's order, you can't easily inform others. However, now the situation is urgent and the ancestor has suddenly left. The seat can only be exposed

."

"However, the identity of this seat can only be told to the ancient demon elder alone, and the ancient demon elder is also invited to come forward."

The Lord of Abyss Demon said to the old man in front of him.

"Do you... know this seat?"

The old man in the cloak looked surprised and looked over in amazement. "Why don't you know this?" The Lord of Abyss Demon said coldly: "Elder Ancient Demon, you used to serve as an ancestor's entourage. As the punishment hall of my Abyss Demon clan, to patrol ten thousand realms on behalf of the ancestor, you will definitely need your ancestor's cronies. To assume the core position, you follow

The ancestors have not known each other for many years. "

"It's not just the elders of the ancient demon, but you guys like Yan Xing Zhizun and Kupu Zhizun present here have all fought with the ancestors. Who do you know?"

As soon as this remark came out, the audience shook.

All the strong looked at the Lord of Abyss Demon in shock, really surprised.

As the elders of the penalty hall, their identities are very secretive. Not only are foreigners, even ordinary Abyssal Demon Clan disciples, do not know their true identities. They patrol the world secretly, but who knows that the person in front of them actually treats them like this. To understanding. Combining the previous dark barrier and the Ten Thousand Demon Array, everyone was suddenly shocked, and they all faintly believed that the other party might really have the special identity of his Abyss Demon Clan.

#### [Chapter 4603: Never laugh](#)

"Who is your Excellency?"

Many people shook violently and said solemnly. "As I said, I can only tell Elder Ancient Demon what he heard. Are you all deaf? The identity of this seat is top secret, and even the Supreme Eclipse is not clear. Elder Ancient Demon was the old ancestor. Who is in an emergency now, let him know

It is helpless. "

"If you want to know, it's okay, but in the future, the ancestors will punish you. I am afraid that you will not be able to bear it.

The Lord of Abyss Demon said proudly, that momentum made everyone's complexion change.

For a time, everyone's eyes fell on the ancient demon elder one after another.

Today, in the penalty hall, it is true that the ancient demon elders are the main ones, and they have the deepest qualifications.

In the absence of the ancestors and patriarchs, unless the super elders who are in retreat are awakened, the ancient demon elders are already the top leaders in the abyssal demon clan in terms of cultivation and status.

Elder Gumo flashed his eyes and said, "Since it was arranged by the ancestor, this elder shouldn't have inquired about your identity, but for the safety of my race, this elder has to come forward."

The ancient demon elder said, and went straight to the main body of the abyss demon.

"Brother Necromancer, please step back. I have something to talk to the elder of the ancient demon." The Lord of the Abyss said to Qin Chen.

Qin Chen glanced lightly, not caring, just walked aside. The Lord of the Abyssal Demon looked at the elder of the Ancient Demon, and the voice passed: "Elder Ancient Demon, the Supreme Heavenly Abyss, is the descendant of the Abyssal Demon Clan determined by the ancestor. Once the ancestor breaks through the transcendence realm, he will definitely enter the universe. In, someone will definitely be needed by then

Come in charge of the Yuanmo clan inheritance, and this seat is the true heir of the ancestor. "

The voice of the Lord of the Abyss contains special magic power and enters the ears of the elders of the Ancient Demon.

"Are you an ancestor? Impossible..."

When the ancient demon elder heard this, his expression changed slightly, his voice transmission screamed, and his eyes were unbelievable. With a thud, a terrible aura rose from his body.

"Sir, are you joking?"

Elder Ancient Demon's expression became cold and severe.

Heir of the ancestors, how is this possible? What are you kidding about, everyone knows that the descendant of the ancestor of the Yuanmo clan is the Supreme Eclipse, that is, the patriarch of the Yuanmo clan?

Seeing the actions of the ancient demon elders, the other elders present changed their colors.

boom!

Elder Demon Heart and other strong men suddenly moved forward, with a bang, and the terrifying devil energy swept across in an instant, and the entire starry sky turned into a dark night.

"Elder Ancient Demon, are you okay?"

Many powerful men said in a deep voice, their expressions alert, staring at the Lord of Abyss Demon and Qin Chen.

"All retreat!"

Elder Ancient Demon snorted coldly, waved his hand, and looked cold and stern.

Several elders glanced at each other, hesitated for a moment, and all walked back slightly.

"Just kidding? I never make a joke."

The Lord of the Abyss was calm, very calm, and did not change his color at all because of the actions of the elders of the ancient demons. Elder Ancient Demon has already recovered from the shock at this moment. He stared at the Lord of Abyss Demon with a sneer and said with a sneer, "You said you are the descendant of the ancestors, then how can I believe you? Now I The ancestral descendant of the Yuanmo clan is obviously the eclipse

Supreme, Supreme Eclipse Yuan is already the patriarch of our clan. "

"Extreme Eclipse?"

The Lord of Abyss Demon laughed: "It is normal that others can't see it. Elder Ancient Demon, you are an old man next to the ancestor. How can you not see that the Supreme Master of Erosion is just a blinding technique for the ancestor."

"Zhuyuan Supreme's cultivation base is not weak, but it is too stupid, an idiot. Do you think the ancestor would really choose his successor, and with the ancestor's means, would he not leave behind? And this seat is the ancestor's. Back hand."

The eyes of the ancient demon elder flickered. Indeed, although the Supreme Eclipse Yuan had an amazing cultivation level, he was not intelligent. At least some of the things that the elder Eclipse Yuan did not pleasing to his eyes.

However, Lu Yuan Zhizun is after all the confidant of the ancestor, and is now the patriarch of his Abyss Demon Clan, how can he doubt the other party because of a word from the person in front of him.

"Not enough, there is no proof. Now the ancestors have gone to the battlefield of the Ten Thousand Races to fight against the Xiaoyao Supreme of the Human Race. How do you want this seat to trust you? What's more, the Supreme Patriarch of the Erosion Yuan is not in the clan."

Elder Ancient Demon said coldly. The Lord of the Abyss moved slightly in his heart. He finally knew that the ancestor of the Abyss suddenly left from the abyss. Why did he go to the battlefield of ten thousand races to fight Xiaoyao Supreme? There is no doubt that Xiaoyao Supreme discovered something and deliberately took action to contain the ancestors

went. The Lord of Abyss Demon thought in his heart, but there was a faint ridicule on his face: "Zhu Yuan Zhizun? What does that idiot know? The identity of this seat, except for the ancestor, no one knows the entire Yuan Demon Clan. The supreme nature is the same, now you

It's the second one. If the news goes out, you are the culprit. "

The Lord of Abyss Demon continued: "As for the evidence, the methods used by this seat outside the Penalty Hall, and the scene of controlling the Ten Thousand Demon Array, Elder Ancient Demon, as the current power of the Penalty Hall, shouldn't you not be aware of it? "

"These are not enough."

Elder Ancient Demon shook his head.

If it is an ordinary status, these are enough, but the Lord of the Abyss said that he is the descendant of his Abyss, and these are naturally not enough. The Lord of Abyss Demon's face was slightly ugly, and he sighed: "Well, now that the ancestors colluded with the underworld, the information that led the dark race into the demon world has most likely been leaked. In order to investigate the truth, this seat can only reveal some. , Watched

This, you will definitely believe in the identity of this seat. "

Listening to the words of the Lord of the Abyss, Elder Ancient Demon's complexion changed slightly. In fact, he now faintly believes in the Lord of the Abyss. Because the ancestors colluded with the underworld and suppressed the demon world so that the dark clan can enter the demon world, it is top secret. Even some supreme and elders in the abyss demon clan may not know it. The master of the abyss demon can say it casually, and it has already shown it. Extraordinary

.

However, the matter of the ancestor's successor is of great importance after all. Before he had consulted the ancestor, he would never dare to make a decision based on only a few words from the other party.

boom!

The Lord of the Abyssal Demon waved his hand, and in an instant, the power of the invisible Abyssal Demon rose up, covering the elders of the Ancient Demon in a world of heaven and earth, forming an isolation barrier.

"Elder Ancient Demon!"

The Elder Moxin and others changed their colors upon seeing this, and they stepped forward with murderous aura.

"All retreat."

Elder Ancient Demon waved his hand to stop everyone from coming forward.

He was also very curious, what exactly the Lord of Abyss Demon was talking about, as long as he saw it, he would definitely believe the identity of the other party.

"Elder Ancient Demon, please see!"

The Lord of the Abyss used the power of the Abyss to isolate the four directions, raised his right hand, and gently took off his mask, revealing a familiar face.

"you..."

Ding Ding Ding Ding Ding Ding Ding Ding!

Seeing the scene in front of him, the expression of the ancient demon elder suddenly revealed endless horror. He kept backing away, looking at the master of the abyss in disbelief, as if a stormy sea was rolled up in his heart. There was no more shock.

## [Chapter 4604: Little Lord](#)

"How can you...you..."

Ding Ding Ding Ding Ding Ding Ding!

The ancient demon elder backed back again and again, his heart was shocked, and the void under his feet was constantly shaking. The whole person seemed to be hit by a great ancient mountain, and he couldn't restrain the shock in his heart.

The look in his eyes was like hell.

"Elder Ancient Demon, don't come here unharmed."

The Lord of the Abyss said with a chuckle, that face was so familiar, it made the elders of the ancient demons dazed and sweating all over.

"Elder Ancient Demon, are you okay?"

Seeing the actions of the ancient demon elders, their expressions changed drastically, and they stepped forward one by one.

They were incredibly suspicious, it was hard to imagine what Elder Ancient Demon saw? He, who has always been calm, would show such an expression.

It should be understood that the ancient demon elders had followed their ancestors for many years when they were young, and they were also very knowledgeable.

"Everyone stopped, stepped back, all stepped back for me."

Elder Ancient Demon suddenly turned around and shouted sharply at the Elder Demon Heart and others who were trying to come forward, with a cold voice with endless murderous intent.

"Elder Ancient Demon!"

"Have you all stepped back?"

Elder Ancient Demon roared, his heart was shocked, and he couldn't calm down for a long time.

Elder Moxin and the others hesitated, but they still backed off one after another.

"Young Master, is it really you?"

Elder Ancient Demon trembled and transmitted.

The Lord of the Abyss, the person in front of him, turned out to be the Lord of the Abyss.

"Otherwise? Elder Ancient Demon, long time no see!"

The Lord of the Deep Demon smiled slightly and put on the mask again, covering the face that shocked the elder of the Ancient Demon.

"Elder Ancient Demon, do you believe in your identity now?"

"Young Master, your subordinates... believe it!"

Elder Ancient Demon trembled.

The Lord of the Deep Demon, when he followed the ancestor back then, was the heir of the ancestor and the true heir of the Deep Demon clan.

However, in an operation in the lower realm that year, the lord of the deep demon disappeared mysteriously, and the ancestors spent countless energy never found it, and coupled with the complete separation of the heavens and the lower realms, this matter gradually faded away.

Later, the ancestors again began to cultivate the Supreme Abyss of the Abyss, and promoted the Supreme to the position of the patriarch. Gradually, the entire Demon Clan regarded the Supreme as the descendants of the ancestor.

But as long as some elders who followed the ancestors knew that the true heir of the ancestors was actually the lord of the abyss.

"Young Master, after you were in the lower realm, didn't you already..." Elder Ancient Demon trembled.

The dignified elder of the Demon Clan, the supreme mid-term peak, was trembling when speaking, showing the shock in his heart.

"Is it already fallen?" The Lord of the Abyss laughed, "With the strength of this seat, does the elder of the ancient demon think that this seat will fall easily?"

A trace of indifference appeared in the eyes of the Lord of the Abyss: "In fact, this seat has already returned to the heavens, but in order to cover people's eyes, the ancestors and this seat have always adhered to this secret."

"Even Eclipse Supreme doesn't even know."

"This time, if it weren't for something important to do, and you are an old man next to your ancestors, I won't be exposed."

"Yes, I am reckless." Elder Gu Mo smiled bitterly, but he was moved in his heart. The Young Master regarded him as his own.

"Also, you are not allowed to tell any news about this seat, including the Supreme Eclipse." The master of the abyss warned: "Best, don't even tell the ancestors."

"Why is this?" Ancient Demon Elder was shocked.

"You know, since I have returned to the Demon Realm a long time ago, why hasn't it been shown up all the time? This is not only my request, but also the request of the ancestor. Because the ancestor suspected that this seat was framed in the lower realm back then and someone deliberately did it Of the game."

"What?" Elder Ancient Demon looked horrified.

The Lord of Abyss Demon's eyes were cold, "The whereabouts of this seat was a secret back then, but it was discovered as soon as this seat entered the lower realm, so the ancestors and I suspected that there might be something in my clan..."

"There are spies!"

Elder Ancient Demon inhaled air-conditioning.

"Not bad." The Lord of the Abyssal Demon nodded. This ancient demon elder is very active, he continued: "So after I returned to the Demon Realm, the ancestor kept me hidden in the dark, also to protect me."

"No wonder."

Elder Ancient Demon suddenly came across. At this moment, he had completely understood it, and couldn't help but sigh, the ancestor still cares about Young Master the most.

Although the Supreme Eclipse is now the patriarch, that is only the face, but in fact, the young master is the real inheritor.

While the Supreme Eclipse Yuan was on the bright side, but did not tell, it was actually a target.

The status of the two of them instantly compared with each other.

Think about it, too, with the eclipse Yuan supreme mind, it is not like being a patriarch, this is the consensus of the entire Yuanmo clan powerhouse, but no one dared to say it.

The Lord of Abyss Demon continued: "As for not letting you tell the ancestors, it is actually to protect you."

Elder Ancient Demon was shocked.

protect me?

why?

The Lord of Abyss Demon sighed: "Don't you understand? In order to hide my identity, the ancestor has not told to the public, and even has to hide it from the Supreme Supreme."

"But you insist on revealing my identity."

"In other words, only I, you, and the ancestors know the identity of the Yuanmo Race today."

"First of all, the ancestors will be furious when they know this, because the identity of this seat is top secret, and one more person knows, the more risk."

"Secondly, if your identity is leaked out in the future, if something really goes wrong, you will be the first to be punished by your ancestors."

"You are also an old man next to your ancestors, and I don't want to see you in such a crisis."

The Lord of the Abyss looked caring.

The ancient demon elder was grateful for an instant.

The young master is really kind. Under his own compulsion, he can only reveal his identity and still speak for himself. Where can I find such a young master.

"Thank you Young Master for your concern, Ancient Demon, I understand."

Compared to the Supreme Eclipse Yuan, the young master in front of him is really too comfortable.

"Then I don't know what mission the Young Master wants to perform after this exposure?"

The Lord of Abyss Demon raised his head and glanced at Qin Chen not far away, and said, "Do you know the identity of this person?"

"People of the Underworld?"

"Yes." The Lord of the Abyssal Demon nodded, "This person is a direct descendant of the Immortal Emperor of the Underworld, and you can know why the ancestor and the Supreme Eclipse left suddenly?"

"This... I don't know."

"That's because there is something wrong with the Chaos God Demon Sea, and there are dark people attacking the undead emperor's death underworld in the Chaos Demon Sea."

"what?"

The ancient demon elder's mind was trembling. He knew the layout of the chaos and demon sea, and he also knew that the dead earth is important to their demon world, which is almost the key place for their demon race to win the universe.

What frightened him most was the words that the Dark Race people attacked.

"The Dark Race people attack the Death Underworld? How is this possible?" Ancient Demon Elder murmured. The dark people and they belong to the same camp.

#### [Chapter 4605: Conviction](#)

The ancestor of the deep demon shook his head and said: "The ancestor also thought this matter was strange, so I sent me to investigate."

"And if only the Dark Clan has a situation, the ancestors also found clues to the Righteous Army in the land of chaos and demon seas and the abyss."

Elder Gu Mo was surprised: "The Righteous Army?"

The Lord of the Abyssal Demon nodded: "Yes, besides that, you also said earlier, in the battlefield of Ten Thousand Races, Human Race Xiaoyao Supreme is suddenly starting a hand, right?" "Yes, Jiu Yao Master of Human Race Supreme Hall suddenly made a move and descended on Ten Thousand Races. On the battlefield, we slaughtered the powerhouses of our demon alliance, which caused the blood moon supreme of my demon supreme palace to arrive in an instant, but at this moment, the human race Xiaoyao supreme suddenly shot and killed the blood."

Yue Zhizun, it's my demonic alliance that is in chaos on the battlefield of ten thousand races. "

"The ancestor should have received this news and rushed to the battlefield of ten thousand races in the first time."

Elder Gu Mo said with an ugly face.

The Lord of Abyss Demon nodded, "So, you can see the seriousness of the matter, right?"

"Severity?"

Elder Ancient Demon was startled.

Suddenly, he woke up abruptly, "You mean, the matter of Chaos God and Demon Sea has something to do with Human Race Xiaoyao Supreme."

The Lord of Yuanmo smiled in his heart.

This ancient demon elder really knows how to replenish his brain, but he also saves himself the trouble of talking.

The Lord of Abyss Demon suddenly said coldly: "It is possible, isn't it?" He stared at the elder of the Ancient Demon: "Now, the ancestor has gone to the battlefield of ten thousand races, and the Supreme Master of Erosion is still investigating the matter of the Chaos God Demon Sea. , In fact, this person was also deliberately transferred by the ancestor, and this seat is a hidden card of the ancestor, and I deliberately took this opportunity

Yes, specially to investigate the dark race secretly. "

"Investigate the Dark Clan?" "Yes, I have been ordered by our ancestors to go to the Infinite Demon Prison. The Infinite Demon Prison is a forbidden place for my Abyssal Demon Clan, but it is the most suitable place for the Dark Clan to survive. I remember, Back then, the Dark Clan passed through the Infernal Demon Prison and joined our Abyssal Demon Clan.

Tied up. "

Only then did Elder Ancient Demon understand the mission of the Lord of Abyss.

The Lord of Abyss Demon said: "Although this seat has told you this, this seat still hopes that you can continue to conceal this secret and don't let anyone other than you know it."

"understood."

Elder Ancient Demon looked at Qin Chen, "What about him?" The Lord of Abyss Demon said, "This person is called the Lord of the Necromancers. He has an extraordinary background. He is the world's arrogant \*\*\*\* of the underworld. Because of the death of the underworld, the Immortal Zun is furious. , He was sent by the underworld to conduct a joint investigation with this seat. His identity is very special.

, Must be respectful. "

"How is it possible to come from the underworld? Why can the people of the underworld enter this universe?" The ancient demon elder said in disbelief.

Both the underworld and the dark clan are forces of the universe, and it is almost impossible to enter this universe.

"What's impossible, the Dark Clan has entered my Demon Realm differently!" The Lord of Abyss Demon said lightly.

"This is not the same. The Dark Clan entered this universe through the Infinite Demon Prison of my Demon Realm in the early stage. In the early stage, the top powerhouses cannot enter, but this underworld person..."

The Lord of the Abyssal Demon laughed, "The top powerhouse among the people of the underworld, such as the supreme-level powerhouse, will naturally not be able to enter. Can the elders of the ancient demon know the cultivation level of the Lord of the dead?"

"His cultivation base?"

Elder Ancient Demon looked at Qin Chen for an instant, his eyes suddenly shrinking: "You mean, this person is not the supreme?"

"Not bad."

The Lord of Abyss Demon nodded.

"how can that be?"

The shock in the heart of the ancient demon elder at this moment is simply more than that of seeing the Lord of the Abyss before.

The person in the underworld in front of him is not the supreme?

day!

According to the information he had obtained, this person had almost beheaded the Magic Eye Supreme before when he was outside, and before that, he had even blocked his blow.

Such a guy is not even the Supreme, what kind of cosmic joke?

The ancient demon elder stared at Qin Chen intently, banging, and the spirit within his body was energized to the extreme. Upon closer inspection, this time, he sensed that the aura on Qin Chen's body was as strong as the ocean, but the essence seemed to be really not supreme. level.

hiss!

Elder Gu Mo suddenly inhaled air-conditioning, and his heart shook wildly. The Lord of the Abyssal Demon said coldly: "So, do you know why this person is so polite to this person? This kind of arrogance, my Demon Race can't be cultivated, no, not only my Demon Race, but even this universe. Very difficult to be born, this person's position in the underworld

, Of course it's extraordinary. "

The ancient demon elder shook his mind wildly and couldn't help but nod his head.

boom!

After the explanation, the Lord of the Abyss instantly waved his hand, the surrounding barrier disappeared, and the two were exposed.

The ancient demon elder glanced at the Lord of Abyss Demon who put on the mask again, then looked at Qin Chen deeply, swished, and instantly retreated.

Here, the Lord of Yuanmo returned to Qin Chen's side.

"Master, it's already done." The master of the deep demon secretly transmitted a voice.

"You did a good job." Qin Chen said.

The Lord of Abyss Demon laughed: "Hehe, if this little thing can't be done, how am I worthy to be the master's servant?"

Both the Wanling Demon Lord and the Skyfire Lord looked at the Lord of Abyss Demon with weird faces.

Oh shit.

It is really unexpected that the Lord of the Dignified Abyss will become a licking dog.

On the other side, after Elder Ancient Demon returned.

Yan Gong Zhizun, Kupu Zhizun and others stepped forward and asked, "Elder Ancient Demon, who is this person?"

They are very curious in their hearts, as if countless ants are scratching.

It was really the previous performance of the ancient demon elder, which was too weird.

"Don't ask any more."

Elder Ancient Demon looked solemn: "I have verified the identity of this person. I am indeed a member of the Deep Demon tribe, but for some reason, I can't tell the true identity."

"The matter of the Supreme Demon Eye before that..." Elder Demon Heart replied.

"What Demon Eye Supreme?" Elder Ancient Demon glanced at Elder Demon Heart, and snorted coldly: "The Demon Eye Supreme is looking for death by himself. Who can blame it? Remember, from now on, no one of my Abyss Demon Clan can offend This person."

"If anyone dares to offend this person, don't blame my ancient demons for being rude and punishing them as treason."

hiss!

As soon as the ancient demon elder said this, the rest of the elders on the field immediately sucked in air-conditioning.

Treason?

Who is this person?

However, the ancient demon elders said so, and other elders naturally did not dare to offend.

At this moment, in the endless void, Qin Chen suddenly said indifferently: "Brother Tianyuan, Elder Ancient Demon, have you finished talking about the affairs of the Abyssal Demon Clan? Can you stop wasting time here and just set off?"

"presumptuous."

Elder Demon Heart screamed, and just before he could speak, he was interrupted by Elder Ancient Demon. "Shut up." Elder Ancient Demon glanced coldly at Elder Demon Heart, then smiled and said to Qin Chen: "The purpose of Brother Necromancer coming to my Yuan Demon Clan this time, this elder already knows this elder Just lead the way."

#### [Chapter 4606: Abyssal Forbidden Land](#)

The voice fell.

The ancient demon elder immediately shook his figure and rose directly into the sky.

"You guys, all come with me."

Elder Ancient Demon gave a cold cry, his figure resembling electricity, and behind him, Elder Demon Heart and others looked at each other, and they all followed closely behind him.

"Master, let's go too."

The Lord of Abyss Demon said to Qin Chen, Qin Chen nodded, and the two of them rose to the sky in an instant and followed.

"Elder Ancient Demon, where are we going now?"

On the way, Elder Moxin and them asked one after another.

"This direction seems to be where the Infinite Demon Prison is located. Elder Ancient Demon, shall we go to the Infinite Demon Prison?"

"Impossible, the Infinite Demon Prison is a forbidden place for my Abyss Demon Race. Even if I wait, I can't enter it rashly, otherwise I will be punished by the ancestors. It should be just a coincidence."

Elder Yan Gong, Supremacy Supreme and others all speculated.

"What we are going to is the Infinite Demon Prison." Unexpectedly, the ancient demon elder suddenly said indifferently.

"what?"

The faces of the other elders present changed drastically.

"Elder Ancient Demon, this..."

Elder Ancient Demon glanced at these guys lightly: "Don't say anything, just follow, I have my own reasons for doing this."

Elder Moxin and their hearts were stirring, and they couldn't help but look back at the Lord of Abyss Demon and Qin Chen who were following, and they couldn't help but palpitations secretly. Who are

these two people, they can make Elder Ancient Demon take them to the Infinite Demon Prison. You must know that making such a decision is not an easy task for Elder Ancient Demon. Once the ancestor returns, let him know that Elder Ancient Demon actually brought outsiders

Going to the Infinite Devil Prison will inevitably be punished by the ancestor.

Even if you will directly enter the magic cave, it is not necessarily true.

However, Elder Demon Heart and they all knew that since Elder Ancient Demon made this decision, it must have been groundless, and there was a reason for the matter.

And this reason inevitably came from these two mysterious people in front of them.

Everyone flew all the way, guessing in their hearts.

The entrance of the Infinite Demon Prison is located in the very center of the Eternal Dark Demon Realm.

Entering a gloomy starry sky, an icy devilish air spread across the face. Ahead, hundreds of millions of dark stars piled together to form a large array, and the center of the large array pointed to a dark, bottomless abyss.

The divine consciousness was released, and in the unenclosed abyss, the dark demon energy was so strong that it was astonishingly thick and whirled like a storm, accompanied by terrible sounds that sounded like demons howling and crying like ghosts.

"Here is the entrance to the Eternal Demon Prison."

The ancient demon elder stayed on his steps, with a serious expression, showing the deep demon people's devotion to the Infinite Demon Prison.

After all, it is the Infernal Demon Hell that has made the Eternal Dark Demon Realm throughout the history of the universe.

Rumor has it that this Infinite Demon Prison was once the place where the Demon Clan's sacred demon tree grew at the beginning of the birth of this universe.

Later, the Demon God enlightened the Dao under the Demon Tree of the Ten Thousand Worlds, and many people of the Demon Race were born.

Became the first leader of the demons.

And the terrifying aura formed by the Demon Tree of the Ten Thousand Worlds enveloped a world and formed a demon world suitable for the survival of the demons.

However, after a great battle in ancient times, the Demon Tree of the Ten Thousand Worlds suddenly disappeared, and the root of the Demon Tree of the Ten Thousand Worlds was directly transformed into the Infinite Demon Prison.

This is the birth of Infernal Demon Prison.

However, even though the Ten Thousand Realm Demon Tree disappeared, the terrifying aura exuded by the Infinite Demon Prison still formed the Eternal Dark Demon Realm, and it became the core place of this Demon Realm.

Before the Lord of the Abyssal Demon came to the Infinite Demon Prison, he looked at the vastness and depth in front of him, and his eyes flashed with nostalgia.

In the past, in order to train him, the ancestors often let him enter this Infinite Demon Prison for experience, and he was very familiar with this Infinite Demon Prison.

Qin Chen was also close to the Infinite Demon Prison.

boom!

I felt a dark breath that pierced the sky in this terrifying devilish ocean, and that breath was heart-palpitating, just like a roaring dark monster, howling frantically at Qin Chen.

"What a strong dark power." Qin Chen sneered at the corner of his mouth and looked at the ancient demon elder: "It is said that this Infinite Demon Prison is the forbidden place of the Abyss Demon Clan, why does this seat feel such a strong dark atmosphere from it? , When did the forbidden land of your deep demons become the dark ones

The territory? "

"Your Excellency, what are you talking nonsense?" The expressions of Elder Moxin suddenly changed. Although the Infernal Demon Prison is indeed a special place where the Dark Clan gathers, and it can be regarded as the base camp of the Dark Clan that has entered this universe, the Infernal Demon Prison is a forbidden place for the Abyssal Demon Clan after all. It is so directly broken by Qin Chen.

?

"Shut up!" Elder Ancient Demon screamed at the Elders of Demon Heart, and then looked at Qin Chen's gaze suddenly became kind: "This friend, the Infinite Demon Prison is a forbidden place for my Abyssal Demon Clan, but Since you are from that place, you should also know me

The current situation of the Yuanmo clan in this universe, we must unite with the forces in the universe before we can seize this universe. "

"This is also a helpless thing, and I asked my friends to show mercy!"

Elder Ancient Demon's posture was very low.

The peerless heavenly arrogant of the underworld, even if he could kill in his Abyss Demon Clan territory, he would not dare to kill.

Qin Chen glanced at Elder Ancient Demon with disdain, but did not continue to mock.

"Elder Ancient Demon, Brother Necromancer and I went in here."

The Lord of Abyss Demon said lightly, his figure shook, and he ran straight towards the Infinite Demon Prison in front of him.

"Elder Ancient Demon." Elder Demon Heart and the others changed their colors and looked over.

Infinite Demon Prison, but the forbidden place of their Abyss Demon Race.

"Let them go." Ancient Demon Elder said lightly.

Yan Gongzhi suddenly flashed his eyes and said with a smile: "I understand, outside of this Infinite Demon Prison, there are special restrictions by my Abyssal Demon Clan. No one can enter rashly without a special reason..."

Along with the fall of his voice, boom, in the Infinite Demon Prison in front of him, a terrifying aura rose up, and instantly turned into a ban on the sky, sealed in front of the Lord of Abyss Demon and Qin Chen.

However, before Yan Gongzhi finished speaking, his eyes widened suddenly.

I saw the Lord of the Abyssal Demon's expression calm, and suddenly he pressed a palm on the overwhelming prohibition, followed by a bang, the countless horrible demonic storms in the Infinite Demon Prison were instantly aroused, and the madness gathered to the Abyss of the Demon. In the hands of the Lord.

next moment.

With a bang, the Infinite Demon Prison in front of him instantly tore a gap and opened a door.

"what?"

The eyes of Yan Gongzhi's few people suddenly rounded.

This is the Infinite Demon Prison, the forbidden area of their Abyss Demon Clan, there is no order from the ancestors and patriarchs, even if they want to enter, it is not easy to be afraid, how can this kid in front of him, freely shot, actually opened the Infinite Demon directly The entrance to the prison?

"Brother Necromancer, let's go."

The Lord of Abyss Demon's expression was calm, without any shock, he just said lightly to Qin Chen, and at the same time stepped into it.

It was just that he had just stepped in, and suddenly, a terrifying dark aura came instantly.

"Who, dare to trespass into the territory of my dark clan."

boom! A breath of darkness across the sky, from the depths of the Infinite Demon Prison, suddenly swept across the sky and the earth.

#### [Chapter 4607: The culprit](#)

I saw a figure shrouded in darkness slowly coming out from the Infinite Demon Prison. It was a figure with an invisible face. Just standing here, the whole body exuded an order. The horrible breath of palpitations.

As soon as this person appeared, the eyes of Elder Ancient Demon and others suddenly showed a solemn color.

"Darkness?" Qin Chen frowned slightly and looked at the person in front of him.

At first, he thought that the other party was just a member of the Deep Demon Clan who had cultivated the power of darkness, but Qin Chen couldn't help but narrow his eyes when he carefully looked over.

Because he felt the power of the Dark King's blood in his body actually throbbed slightly, as if it resonated with the blood in the opponent's body.

"Master, be careful, this person is from the Dark Clan."

The Lord of Abyss Demon took a deep breath and came to Qin Chen's side and said softly.

"Dark people?"

Qin Chen's pupils shrank, and squinted at each other.

From the Dark Clan, Qin Chen listened too much.

The dangers of the entire universe are inseparable from the people of the dark race. If it hadn't been for this dark race to collude with the demons, the demons alone would not be able to destroy the many forces of the human race in a short time.

Back then, it was rumored that the Dark Race people used some special treasures to obscure the perception of the universe and heaven in a short time. Many of the Dark Race people directly broke into the Human Race, destroying the top powers of the Human Race in an instant.

When the universe Tiandao perceives the alien power of the dark race, and rejects it, the human race has been destroyed in all parts, and the demons have directly gained the upper hand in this battle.

It can be said that the dark race is one of the chief culprits in this universe.

However, in today's universe, the Dark Race people are almost invisible. Qin Chen had only seen the Dark Clan in the place where he tried in the heavens, and outside the Battlefield of Tongtian Sword Pavilion, and in the Abyss of Burial Sword. However, the Dark Clan's body was extremely astonishing, and he saw only scaled claws, never before. To the other person's body

.

Now, Qin Chen finally saw the figure of the Dark Clan in the Infinite Demon Prison of the Abyss Demon Race.

"The Dark Clan?"

A cold murderous intent appeared in Qin Chen's pupils.

This dark figure appeared at the entrance of the Infinite Demon Prison. After seeing the old demon elders, his body immediately exuded a cold breath, coldly said: "Who allowed you to trespass into the territory of my dark clan? Get out. "

This dark figure exudes an icy breath, and his eyes fall on the Lord of the Abyss and Qin Chen who have stepped into this Infinite Demon Prison, and there is a cold dark aura surging on his body.

"The territory of your Dark Clan?" The Lord of the Deep Demon suddenly sneered: "This place is the land of my Deep Demon Clan. When did it become the territory of your Dark Clan?"

This dark tribe is too arrogant.

"Elder Ancient Demon? Who is this person?"

The dark tribe member coldly looked at the ancient demon elders and his group.

The face of the ancient demon elder changed slightly, and he hurriedly stepped forward and said respectfully: "This friend, this person is also a member of my Abyssal Demon clan. Because there is something important to enter the Infinite Demon Prison, so please make it easy."

"It's convenient? Here, your Abyssal Demon ancestors have already promised me the Dark Clan to survive. Could it be that your Abyssal Demon clan wants to regret it?"

The dark figure sneered, the aura on his body was not strong, it seemed that even the Supreme had never reached it, but the look in his eyes was high, and he did not put the ancient demon elders and others in his eyes.

Such a posture naturally made Elder Ancient Demon and others look unhappy, and felt quite unhappy in their hearts.

But they could only swallow their anger, and hurriedly said: "Friends, I don't want to regret it. It's true that my clan has important things, so please be accommodating!" "Accommodating? An ant-like fellow is also worthy of this seat. Accommodating? I'm afraid you have forgotten how your demons became the top forces in this universe, right? If it weren't for my dark race, what qualifications do you demons have to go wild here and get out of here?"

A little farther. "

"you..."

In the rear, the faces of Elder Moxin were hard to look, and they were angry, but they could only swallow their anger.

This is obviously the territory of their Abyssal Demon Race, but even their Abyssal Demon Race themselves can't enter.

It's a shame.

However, the Infernal Demon Prison is indeed a place used by the ancestors to settle the people of the dark race.

"What are you doing in a daze, and retreat quickly, otherwise, I won't blame this seat for being polite."

The people of the dark clan coldly swept the eyes of the Lord of the Abyssal Demon and Qin Chen, their eyes were full of disdain, it was a kind of lofty gesture, as if, in his eyes, Qin Chen and the Lord of the Abyss were like two It's ants-like.

"Brother Tianyuan, didn't you say that this Infinite Demon Prison is the forbidden land of your Abyss Demon Clan? Why, your Abyss Demon Clan's forbidden land, people of this Dark Clan can enter at will, but your Abyss Demon Clan itself cannot."

Qin Chen smiled.

The Lord of the Abyss had an ugly face, he even looked at Elder Ancient Demon, winked at Elder Ancient Demon, faintly: "Elder Ancient Demon, please explain to Brother Necromancer."

Elder Ancient Demon understood in an instant, this was because Young Master was unwilling to put a low posture in front of people in the underworld, so he specifically let himself come forward.

He didn't think that the Lord of Abyss Demon would not know the situation in Infinite Demon Prison. The ancient demon elder even said to Qin Chen: "This...friend, the Infinite Demon Prison is indeed a forbidden place for my Abyssal Demon Race, but back then, the Dark Clan used special sources to cover the secrets and helped my Demon Race to conquer all races, even though it repelled. Human race, but also because of

After exposing themselves and being discovered by the origin of the universe, the dark race was targeted by the origin of the universe and had to retreat out of this universe. "

"But the Infinite Demon Prison of my Demon Race, under the management of my Demon Race, is extremely weakly supervised by the origin of the universe, so there are still a small number of the Dark Race people staying behind as a bridge between the Dark Race and my Demon Race. ."

Elder Gu Mo hurriedly explained.

"Then who is the strongest person left by this dark clan?" Qin Chen said lightly.

"This seat doesn't know it. All this is arranged by the ancestors. This seat only knows that the strongest group of Dark Race people was locked by the origin of the universe extremely seriously, and could not continue to stay in this universe at all. Some middle level."

Speaking of this, the ancient demon elder secretly transmitted: "Your Excellency is from the underworld, and we have cooperated with our clan and the dark clan. If you want to know the details, you can send a message to the Immortal Emperor, and the Immortal Emperor will tell you."

"Do you still use the message of the Immortal Emperor for this little matter?" Qin Chen sneered, his expression disdainful.

My mind has calmed down.

Originally, when he saw the Dark Clan in this Infinite Demon Prison, his heart was still a little gloomy, because he must enter the Infinite Demon Prison, because the Demon Soul Source Artifact was so important that he would get it. But if there is a master of the dark clan in this Infinite Demon Prison, then he will be in trouble.

[Chapter 4608: Solve it yourself](#)

But after hearing the explanation from the ancient demon elder, Qin Chen couldn't help but secretly breathed a sigh of relief.

It's just the middle level of some dark people. No wonder the aura of the dark people in front of them is not strong, it seems that they are just a half-step supreme, even the supreme has never reached it.

"Back then, the demons and the Dark Clan invaded my human race. Although they defeated my human race, they did not completely destroy my human race. According to the narratives of the Sword Ancestors, the strongest people of the dark race who invaded the universe should be only half.

Detachment

."

Qin Chen was very sure that the strongest person who entered the universe from the Dark Clan back then was only a half-step detachment. If there was an invasion by the detachment, then Senior Sword Ancestor would have fallen completely, and there was no chance to resist.

And now that all the high-levels of the Dark Clan have left, that is to say, in this Infinite Demon Prison, there will be no giant-level existence of the Dark Clan left behind.

At best, it's just a more powerful supreme.

After all, the Heavenly Dao of the Eternal Dark Demon Realm has been controlled by the Abyss Demon Race, and the Infinite Demon Prison is almost independent of this universe, but after all, it is still in this universe, and it is impossible to completely isolate the power of the origin of the universe.

If the top dark clan powerhouse stays behind, it will definitely be monitored by the origin of the universe.

"Brother Tianyuan, let's go."

Thinking of this, Qin Chen said to the Lord of Abyss Demon, and then stepped straight into the Infinite Demon Prison.

"Ok?"

Seeing Qin Chen's actions, the dark clan's face suddenly sank.

Huh!

A terrible dark power flashed, and this dark clan powerhouse appeared in front of Qin Chen. He looked directly at Qin Chen, "Didn't you hear? This place is my dark clan territory, get out."

boom!

The boundless dark aura surging, instantly enveloped Qin Chen.

"What if I have to enter?"

Qin Chen sneered.

"You can try, in this universe, no one dares to challenge my dark clan."

The dark clan powerhouse said coldly, and the terrifying murderous intention engulfed the power of the vast darkness, covering Qin Chen instantly.

"Step aside!"

Qin Chen said lightly: "If you don't let go, you will be welcome."

"Hahaha."

The dark tribe couldn't help laughing out loud. The laughter was extremely cold. He looked directly at Qin Chen and didn't mean to give up. He couldn't help but look down at him, like a human looking at ants. feel.

The boundless dark aura surging, containing terrifying murderous intent, obviously as long as Qin Chen is unwilling, he will be directly beheaded.

Qin Chen suddenly drew his sword with his right hand.

Hum!

The mysterious rust sword suddenly came out of its sheath!

The moment the sword came out, the Dark Clan people's eyes suddenly narrowed, he didn't expect Qin Chen to dare to act on him, let alone Qin Chen so decisive.

However, he reacted extremely quickly. With a light palm forward with his right hand, a horrible dark world descended in an instant. This palm seemed to be light and fluttering, but it seemed to interrupt the backbone of the world.

boom! A piece of sword light burst out suddenly, and in an instant, the boundless darkness was directly broken and annihilated, and the dark tribe was directly slashed back into the Infinite Demon Prison by Qin Chen's sword, and the space behind him was directly shattered. Not only that, he was hard. Gang Qin Chen's

The right hand was torn apart, and there was a blast of black blood.

Wound the enemy with one sword!

puff!

In the next moment, there was a rolling power pouring out from the sword light, directly annihilating the right hand of the Dark Race people.

The Dark Race master was a little confused, he didn't expect that his right hand would be so gone!

"what?"

The eyeballs of the Elder Ancient Devil and the few people on the side were also rounded. They never thought that Qin Chen would suddenly attack the Dark Clan member, and with a single sword, the opponent's palm was smashed.

To be honest, the ancient demon elder deliberately explained to Qin Chen that he did have the purpose of letting Qin Chen face the dark clan. After all, neither the underworld nor the dark clan could offend him.

Now that the ancestor is not there, he must act more cautiously.

But he never expected that the Necromancer of the underworld in front of him would have such a grumpy temper.

Elder Ancient Demon turned pale, and hurriedly stepped forward to persuade him: "Two people..."

It's just that before his words fell, the Lord of the Abyss stopped him: "Elder Ancient Demon, no matter whether it is the Dark Clan or the Underworld, it is not my Abyss Clan that can offend. It is better for them to solve this matter by themselves."

"but..."

"It's nothing." The Lord of the Abyss said to the elder of the Ancient Demon: "We, the Abyss Demon Clan, don't need to blend in, let alone, do you think you can persuade the other party?"

Elder Ancient Demon glanced at Qin Chen and the people of the Dark Clan, and couldn't help but look hard.

Indeed, these two guys are murderous, how can they sell their own face?

"The mere ants, dare to do something to this seat, you are looking for death."

The person of the dark clan looked annoyed. One arm was cut off, and the boundless dark power surged again. In an instant, the billowing dark power came to suppress Qin Chen like an ocean.

"Roar!"

This dark tribe member instantly became extremely majestic, like the same god, the power of darkness lingered on his right arm, and many dark runes flickered, crashing down towards Qin Chen.

Hum!

This fist blasted out, and the void instantly rippled, the boundless dark demon energy was madly repelled, and the world turned into a vacuum directly, and the void around Qin Chen burned directly.

Qin Chen's eyes were cold, and the mysterious rust sword in his right hand was unsheathed again.

boom!

A terrifying sword light instantly slashed out, the sword aura soared to the sky, straight for nine days, the sword aura containing the endless rules of death collided with the huge dark palm again.

Rumble!

Suddenly a terrible roar sounded through the world, and the sword energy containing the terrible power of death cut crazily with the dark palm, and with a roar, the dark palm was continuously torn open a series of terrible cracks.

"What a strong defense."

Qin Chen frowned slightly.

His sword is extremely powerful. Although he did not use his full strength, it was only a tentative shot, but it was enough to cut the general half-step supreme directly, but it fell on the body of this dark tribe, not even his palm. Cut off.

The defense of this dark race is more than several times stronger than the warriors of this universe?

"Huh, ant boy, do you want to break the defense of this seat? I don't know whether to live or die."

This dark tribe member sneered, confident in his defense, the dark hand directly suppressed it, and the broken palm instantly wrapped Qin Chen in it.

"not good."

The Elder Ancient Demon and others changed color, suddenly showing anxious color.

Qin Chen is a person from the underworld, if he died in the hands of the dark clan, it would be troublesome.

It's just that the anxiety in their hearts has not yet subsided.

boom! A sword light flashed, and you saw an endless murderous intent, as if the terrible sword energy that could cut the sky directly rose into the sky, tearing apart the huge palm of the dark clan directly.

#### [Chapter 4609: Death Sword Qi](#)

boom!

Sword light soared into the sky.

Indescribable that terrifying sword, the vast sword light raged across the world, and the billowing breath of death formed a kingdom of death.

And in the kingdom of death.

A figure rushed out from the palm of his hand in an instant.

It was Qin Chen.

The boundless hand can't cover his figure at all. His figure is like a \*\*\*\* of death, containing the overwhelming power of death, slowly stepping out of the endless void, controlling the will of the sky, controlling the life and death of the world.

At this moment, the elders of the ancient demons could not describe the feeling they felt when they saw Qin Chen. They were clearly looking at a figure, but they seemed to see the fear as if the \*\*\*\* of death descended.

It seems that if they take a few more glances, their lives will dissipate at any time.

This caused them to look away, one by one with amazement.

They are all mid-term supreme-level elders, and they have such a feeling, how terrible is the other party's attainments in the way of death?

"cut!"

In the shock of the crowd, Qin Chen broke through the palm of the dark clan with a sword, a cold light exploded in his eyes, and the sword slashed out again.

This sword was cut out, and the vast sword light instantly resembled a river of death, billowing in the void.

boom!

This sword light seemed to have turned into a true death dragon, it rushed into the endless dark void, engulfing the billowing breath of death, and impacted the dark clan powerhouse.

"Boom! Boom! Boom!" The void of Infernal Purgatory shook. As the real dragon slashed with the breath of death, the sky turned into a vast ocean. Just imagine the breath of death pouring down like a flood in the sky. This kind of scene is so terrifying, once let this

Such a breath of death is submerged, even a person with a longevity through the sky will be instantly annihilated by the endless power of death and become a living dead.

Seeing such a breath of death, the ancient demon elder and others not far away couldn't help but change their expressions.

"Good come..." Seeing the true dragon sword aura of death rises into the sky, the dark race powerhouse has no fear, with a long whistle, and a "buzz" sound, an endless dark aura surges out of his body in an instant, these darkness Chaos air is condensed in his remaining arm

Above.

Countless forces gathered, his arms became extremely thick in an instant, and the billowing dark aura seemed to burst a bank in chaos, slamming a punch in front of him.

With a loud "bang", under this punch, the void trembled, and the power of darkness skyrocketed. The incomparably pure and rich dark power seemed not to come from this world, and the madness gathered under this punch.

A punch is blasted, and there is no firmness. No one will doubt that this punch blasts out, it can definitely explode one side of the sky, and can instantly penetrate through one piece of the world!

This punch condensed the terrifying power of this dark race group.

But if an opponent of the same level does not have a top-level supreme treasure, it will not be able to withstand this invincible punch, and will be bombarded instantly, even without the power to resist. The sound of "Peng!" sounded, just as Invincible's punch came, I saw the true dragon sword aura of death shocking the sky, and instantly gathered the surging breath of death, all the death aura between the stone fire, electricity and light turned into one. Blade, the blade flashes to death

The light slammed on the huge dark fist.

With a bang, a sword shook the sky, the earth shook the sky, Qin Chen slashed out with a sword, and a sharp roar erupted from the huge dark palm, as if it were the hardest thing in the world.

But even the hardest thing in the world could not withstand such a terrifying sword from Qin Chen.

With a bang, the dark fist burst open in an instant, and was directly torn apart by the sharp sword energy.

"Impossible!" Seeing such a scene, the powerhouse of the dark clan looked furious and let out a sharp shout.

In the distance, the Supreme Master Yan Gong was shocked, their hearts shook wildly, because although the Dark Clan people were not the Supreme Power, the power of the Dark Origin that they had previously displayed was enough to penetrate the world.

As members of the Abyssal Demon Race, they are too aware that the power of darkness is terrible. This is a terrifying force from outside this universe, far above the power of the Demon Race.

Such a punch, even the supreme of the Yuanmo clan could not easily resist it, but it was cut open by Qin Chen at once, which made the strong people such as Yan Gong Zhizun and Kupu Zhizun who were present could not sit still, and their minds were shocked. A pair of eyes opened wide.

"Boom, boom, boom..."

When the True Dragon Sword Qi of Death opened the opponent's fist of darkness, the dark clan powerhouse's whole body gushed with light, and he roared, exploding his strength to the limit, instantly opened his bow from left to right, and blasted dozens of punches in one breath.

When the sharp fist that can smash the starry sky is blasted out like a violent storm, the power is unparalleled and terrifying, and this power is simply destroying the world.

One punch after another madly blasted on the sharp blade of the True Dragon Sword Qi of Death, the True Death Dragon roared, and the power of the rolling rules of death annihilated everything. The sound of "Boom, Boom, Boom" sounded, and the terrifying dark fist blasted death to death. The true dragon sword gas continued to roar, rippling with layers of ripples, and it seemed that if the bombardment continued like this, the dark race could kill death. The true dragon sword aura exploded directly, bringing

Qin Chen, who urged the sharp sword below, blasted and killed them together.

Suddenly, whether it was Elder Demon Heart and others, or Elder Ancient Demon, they were all staring at the scene before them. With such a terrifying breath of death, they had already vaguely guessed the identity of Qin Chen.

One is the Underworld Tianjiao, and the other is a master of the dark race. Both of them are strong overseas in this universe. They both want to know who is better.

The dark clan powerhouse also felt the extraordinary of Qin Chen's breath at this moment. The billowing death breath didn't seem to come from this world, as if it came from another world.

He vaguely understood Qin Chen's identity, and his heart became even more furious, and the source of endless darkness burst out of his body in an instant.

boom!

The Heavenly Dao of the Eternal Dark Devil Realm was almost aroused.

It should be known that the Heavenly Dao of the Eternal Dark Demon Realm has been completely controlled by the Abyssal Demon Race, but at this moment when the Dark Tribe people completely broke out the most terrifying dark origin, they almost directly alarmed the origin of this universe through the Heavenly Dao of the Eternal Dark Demon Realm. The boundless power of darkness exploded in an instant, he did not hesitate to lose a large amount of the power of the source of darkness, suffocated a sigh, and blasted Qin Chen frantically with punch after punch. He wanted to blast through the opponent's attack in the shortest time. , Blasting Qin Chen directly to death

This piece of emptiness.

No matter what the purpose of the other party's coming to the Infernal Demon Prison is, they cannot desecrate the dignity of his dark race.

"Humph!"

However, Qin Chen chuckled slightly. After several confrontations, he already understood the opponent's strength. Half-step supreme, but possesses supreme-level strength, even, even among ordinary supreme, is not a weak person.

#### [Chapter 4610: Enter the magic prison](#)

Qin Chen was shocked.

This force from the universe is indeed extraordinary.

If you change to any of the ten thousand clan powerhouses, it may not be the opponent's opponent, but it is Qin Chen that the opponent encounters.

boom!

The billowing dark breath swallowed Qin Chen like a vast ocean.

That terrifying dark power crazily poured into Qin Chen's body, trying to annihilate his body.

However, for Qin Chen who possesses the blood of the Dark King, this dark power cannot harm his origin at all.

"dead!"

boom! The sword light pierced the sky, and another real death dragon roared out. This real dragon turned into a shocking breath, and opened its mouth frantically to gush out endless breath of death. Suddenly the breath of death soared wildly, and the breath of death rose to the sky. Rise,

Can instantly annihilate a party of Tianyu. "Bang!" With a sound of "Bang!", the death dragon sword aura containing endless murderous aura soared into the sky with the power of death that can annihilate the Tianyu Galaxy. This time even the Dark Race powerhouse fist and blasted furiously. , The true dragon of death is full of sword aura

Ignore it.

I saw the sound of "Boom, Boom, Boom", all the dark fist powers couldn't penetrate the defense of the true dragon sword energy of death.

When the True Dragon Sword Qi of Death struck, the dark clan powerhouse was in awe. He just attacked blindly. When the True Dragon Sword Qi of Death struck him, he couldn't escape.

A scream of "Ah..." sounded, and the Dark Race powerhouse was instantly overwhelmed by the breath of death. Under such a domineering breath of death, the Dark Race powerhouse was completely swallowed in the blink of an eye, and his flesh instantly burned and transformed. Eliminate countless dead matter

Scattered.

With a pop, visible to the naked eye, a sharp sword light directly penetrated his eyebrows and crucified his soul.

It was the mysterious rust sword, which forcibly penetrated the eyebrows of his dark clan powerhouse.

boom!

I saw the flesh of the masters of the dark clan burn directly, and the dark clan did not belong to this universe. When they died, the terrifying alien power contained in their bodies dissipated directly, leaving no bones.

Only an illusory soul is left.

The souls of the dark race are like a dark abyss, nailed to the void by the mysterious rust sword, struggling frantically.

"Let go of this seat."

This dark clan master roared and roared, and his soul was violently twisted.

He was defeated.

As a dark clan, he was actually defeated.

boom!

The billowing dark soul aura surged, he couldn't forgive himself, couldn't believe everything in front of him.

Not far away, the elders of the ancient demons were also sluggish.

Ruthless.

Too ruthless!

It actually blasted the people of the dark clan directly into the flesh, and there was no room for turning around.

"Your Excellency, this person is a member of the Dark Clan, and I hope his men will show mercy."

The Elder Ancient Demon who hadn't done anything before finally couldn't help but hurriedly stepped forward and said anxiously.

He must not let the Dark Clan die in front of him, otherwise, his Abyss Demon Clan will inevitably cause big trouble.

The soul of the master of the dark clan was pierced in the void, and his body was furious, "Let go of me, you dare to move me, no matter what your background, my dark clan will definitely not let you go..."

The dark clan powerhouse roared, trying to threaten Qin Chen.

It's just that Qin Chen sneered before his words fell, and directly urged the mysterious Rusty Sword.  
boom!

The mysterious rust sword glowed, swallowing the power of the soul of this dark clan powerhouse directly.

With a "boom", the opponent's soul was directly shattered, his soul flew away and disappeared in smoke.

"you..."

Elder Gu Mo and others saw such a scene, they all froze for an instant, and they couldn't help but shiver in their hearts.

An inexplicable chill instantly rose from the soles of their feet.

People of the dark race, are dead?

And still died in front of them?

That's it!

One of their hearts sank completely, and the endless cold surging out, they couldn't imagine the next result.

"Your Excellency, this person is a member of the Dark Clan, you killed him like this..." Elder Moxin stepped forward in an instant and said in anger.

But the voice stopped abruptly before he finished speaking, and he saw Qin Chen turning his head and looking at him coldly, and said coldly: "What about the dark clan? If you have the ability, go to the trouble of my underworld and talk nonsense. This seat kills you together."

The eye pupils with endless killing intent burst out of terrible killing intent in an instant, causing Elder Demon Heart to retreat repeatedly and dare not say a word.

The dignified mid-term supreme was scared back by Qin Chen, who was not even supreme.

It's not him, but because he knows that the other party is definitely not talking casually, but really has the courage to kill him.

With a loud sound, the mysterious rust sword flew back to Qin Chen's hands instantly, disappeared, and the breath of death in the void could not dissipate for a long time, showing the previous tragic scene.

"Let's go."

Qin Chen said to the Lord of Abyss Demon, "No one should stop me from waiting now."

"Your Excellency, you killed the people of the Dark Clan, and still dare to enter the Infinite Demon Prison? In this Infinite Demon Prison, there are many masters of the Dark Clan." Ancient Demon Elder hurriedly said.

The people of the dark clan were killed by Qin Chen, and he must not let Qin Chen be killed by others again.

"What if there are masters of the dark race? I'm still afraid that they won't succeed?"

Qin Chen said with disdain, and the Lord of Heyuan Demon instantly entered the Infinite Demon Prison and disappeared instantly.

"Ugh!"

Seeing Qin Chen and the others leaving, Elder Ancient Demon slammed his feet.

This is a lot of trouble.

"Elder Ancient Demon, do we want to call the patriarch now and let the patriarch come back?"

Elder Moxin and they were also panicked, and things were beyond their control.

"It's wrong." The elder of the ancient demon waved his hand directly. He was still calm and was not dazzled. He remembered what the Lord of the Abyss had said before, knowing that the Supreme Lord of Erosion didn't know the identity of the Lord of the Abyss, if he let the patriarch come back. , The two sides meet, I am afraid that there will inevitably be

Some conflicts.

"This matter, the patriarch will not be able to handle it when he comes back, you must wait for the return of the ancestor, and wait.

Old Demon Elder said solemnly.

"Are you sure?" Elder Moxin said suspiciously.

"Don't worry, that day Yuan Zhizun has a special status, so there should be nothing wrong with him."

Elder Ancient Demon sighed secretly looking at the darkness of the Infinite Demon Prison.

At this moment, in the Infinite Demon Prison, Qin Chen and the Lord of Yuan Demon were fast forward.

Standing outside without knowing it, as soon as I entered the Infinite Demon Prison, there was a creepy feeling permeated.

Looking around, there is darkness and silence in front of me. There is no light except darkness or darkness here. When standing outside the Infinite Demon Prison and overlooking the Infinite Demon Prison, it even makes people feel that the front is the end of the world, the end of the sun, if you cross here, you will enter the dark world, and then enter the underworld. .
