

## Valkyrie 4641

### [Chapter 4641: Prince Kirin](#)

"Do you want to use this broken scroll to frighten me?" Qin Chen huffed about the source of darkness, opened his eyes, and said coldly: "This is your last chance, Ben Shao advises you not to make mistakes."

"My lord, be careful, this is not a broken scroll, but a dark decree of the Tianzun level!" Fei evil quickly reminded.

The breath on this scroll made him feel a slight threat, absolutely extraordinary.

Qin Chen couldn't help being speechless, did he really think he was ignorant?

Prince Qilin sneered: "Yes, this is a dark decree of the Heavenly Sovereign level, which can kill ordinary Heavenly Sovereign powers. Your Excellency will hand over the remaining dark sacred fruit, and there is still a way to survive. Otherwise, the prince will be rude. ."

"Why do some people want to die?"

Qin Chen sighed, couldn't help but shook his head, his eyes pitying: "Give you one last chance, get out, I want you to practice endlessly, and you are the arrogant of my dark clan, I won't kill you, get out!"

Qin Chen disdain.

His eyes were squinting, looking at Prince Qilin as if looking at an ant.

"you..."

Prince Qilin was completely enraged.

"If you have to die, then I will fulfill you!"

He turned into anger, thinking that he was the overbearing master in the Qilin Kingdom, where he was ridiculed one after another, and he was so despised, which made him murderous.

He immediately opened the scroll, and a black light spread out and condensed into dark characters, but no one could be recognized.

This is a avenue symbol, a text that belongs to heaven and earth.

Every character seems to be able to crush the world and suppress Taikoo.

When the scroll was fully opened, all the characters shattered one after another, and then condensed into a black unicorn, flowing dark and divine light all over.

The unicorn was originally an auspicious beast, but the unicorn condensed by these characters was extremely ferocious and fierce. The dark unicorn roared ferociously, and the surrounding space was suddenly shattered.

boom!

The dark unicorn roared down.

"Go to hell!"

The prince Qilin roared.

"My lord, be careful."

When I saw it, my color changed instantly.

Hum!

With his hands folded together, a dark barrier appeared on his body instantly.

"Dark Guardian."

Non-evil roar.

boom!

This dark unicorn directly hit the dark barrier, and for an instant, the sound of the surrounding space shattering sounded, and Feiye was directly hit into the sound of cracks in the pitch black space.

Not only that, but countless cracks appeared in the dark barrier around him!

Seeing this scene, Feiye's face suddenly became dignified. The power of this dark decree was so terrible that even his defense was somewhat unstoppable.

"Crack, click."

At this moment, the cracks in the dark barrier on his body spread instantly, as if to shatter at any time.

"not good!"

He was not shocked, just when he couldn't resist, he could only grit his teeth and try to activate the special life-saving thing that Lord Sagong gave them.

boom!

Qin Chen shot suddenly, and a terrifying big hand directly rose into the sky.

Hum! Dark rays of light bloomed, and masses of flames appeared in the sky and the earth. It was the fire of darkness. The flames of darkness burst out with blazing rays of light, soaring into the sky, and shining on the body of the dark unicorn, causing the dark unicorn to begin to disintegrate, as if snow

Encountered a flame.

"What!" Prince Qilin was shocked.

The Dark Decree was his strongest and last resort, but he was about to be killed before his power was exerted, which caused his heart to burst.

Who is this kid?

Was he able to repel the dark unicorn, could it be that this person was actually a powerful Heavenly Lord?

No...impossible!

Prince Qilin's inner superiority was instantly shattered. If the other party was really a powerful Heavenly Venerable, then he really kicked an iron plate and didn't know how he died.

Such a strong man is definitely a top king.

"I admit defeat!" he yelled quickly.

The dark decree is his last card. Once the dark decree cannot be resisted, then he will be completely out of action, and he will be slaughtered at that time.

He doesn't want to die!

"Do you give up if you want to give up!" Qin Chen's eyes were cold and his hands opened.

At this moment, he urged the origin of darkness in his body, and the aura of darkness origin formed by many refining dark sacred fruits soared, blasting the dark unicorn instantly.

call!

In the void, the dark decree burned directly into ashes.

With a buzzing sound, Fei E walked out of the void in an instant, his face turned pale, and at the same time he glanced at Qin Chen in horror.

The adult is worthy of being an adult, and as soon as he shot, he directly suppressed the opponent.

At this moment, Fei evil admired and respected Qin Chen incomparably.

With Qin Chen's strength, it is entirely possible to directly kill this prince Qilin, but the emissary of the dark royal family, in order to reserve a genius for the dark family, has never been a killer.

Who can have such feelings and mind?

boom!

Qin Chen's dark hand squeezed the scroll, and the next moment, Qin Chen's whole person had disappeared, and immediately, a figure appeared in front of Prince Qilin.

It's Qin Chen.

He grabbed the prince Qilin and picked him up. The power in Prince Qilin was instantly imprisoned. He clearly possessed supreme power, but he fell into Qin Chen's hands but was like a little chicken, completely losing his power. He couldn't help being shocked, how much difference he had with the other party, it was so embarrassing

one strike.

Seeing Qin Chen's murderous aura, the Qilin prince was erected all over his body, and he was shocked and said: "I am the prince of the Qilin Kingdom, the King of God, if you kill me, my Qilin Kingdom will definitely not let you go."

"Furthermore, my eldest brother is the Prince Qilin, a true emperor, and now he is a strong man with invincible power."

Prince Qilin shouted, because he knew he was in danger and hurriedly looked for a chance.

"Prince Kirin, is it strong?"

Qin Chen sneered. At this time, the fairy phoenix spoke, and said: "Your Excellency, Prince Kylin, is the heir of the Kylin Kingdom, the descendant of the ancestors of the Kylin, and is a true emperor-level figure. This person is not only influenced by the elders of the Kylin Kingdom. My ancestors, I also get other

Some of the olive branches handed out by the ancestors want to accept him as a disciple, because this person really has the supreme potential, so if you can, please be merciful. "

Qin Chen glanced at Fairy Divine Phoenix lightly. He didn't expect this person to dare to speak in front of him at this time.

"Ben Shao has given him many opportunities, so, does this Shao have to give him another chance?" Qin Chen said lightly.

"Your Excellency, why should you fight for a moment?" Fairy Divine Phoenix persuaded, "With your talent, you must not be an ordinary person, so there is no need to inexplicably cause this disaster."

She didn't have any feelings for Prince Qilin, but she was very jealous of Prince Qilin. This was a real arrogant, with the appearance of an emperor.

The main reason why Prince Qilin came here this time was because she, once Prince Qilin died, she was afraid that Prince Qilin would add the criminals of Prince Qilin's death to her. Not only will she have a crisis herself, but it will also bring a lot of trouble to the Divine Phoenix family.

#### [Chapter 4642: Mysterious place](#)

"Since Fairy Divine Phoenix has spoken, then I will think about it."

Qin Chen smiled suddenly at Fairy Divine Phoenix and said.

Fairy Divine Phoenix breathed a sigh of relief. The other party was obviously still reasonable, so that would be easy.

She smiled confidently, it seemed that she still had some charm.

The other warriors on the scene also all looked at Fairy Divine Phoenix one after another, and they didn't think that Fairy Divine Phoenix had such a face, such a fierce god, was actually moved by her.

A beauty is a beauty.

But Prince Qilin was ecstatic. He didn't think that Qin Chen was moved by Fairy Divine Phoenix, but was afraid of his elder brother, so he changed his mind.

Thinking of this, he couldn't help but snorted proudly, "Hurry up and let me go, or let my elder brother know about today's affairs, and you will not escape death."

Although being carried by Qin Chen, Prince Qilin suddenly became proud.

"Okay, I'll consider it." Qin Chen ignored Prince Qilin and smiled slightly.

Fairy Divine Phoenix chuckled and said, "I wonder what do you think of my opinion?"

"Not so."

Qin Chen said lightly, and then looked at Prince Qilin with a sneer, twisting his right hand and snapping, the prince Qilin's neck was broken, and his body began to collapse.

"you..."

As soon as this action occurred, everyone present was stunned.

"You...My eldest brother is Prince Qilin. If you kill me, you will die in heaven and on earth." Prince Qilin was terrified. This guy is a lunatic. He roared in anger and screamed frantically.

boom!

However, Qin Chen ignored his roar at all, and the terrifying dark origin dissipated directly, annihilating his physical body instantly.

A pristine source of darkness escaped and was directly captured by Qin Chen and swallowed directly.

The source of billowing darkness poured into Qin Chen's body and became part of Qin Chen's power.

At the same time, the soul of this prince Qilin was also directly killed by Qin Chen.

"It's finally quiet now."

With a wave of Qin Chen's hand, a terrifying flame appeared out of thin air, burning Prince Qilin into nothingness and disappearing in smoke.

The opponent has the potential to become supreme, so he can't be allowed to live, otherwise, wouldn't it mean that the human race will have one more powerful enemy in the future.

"By the way, who else is going to trouble Ben Shao, who wants to kill Ben Shao and plunder Ben Shao's dark sacred fruit, even if you do it, Ben Shao will accompany him."

Qin Chen said with a light smile, but this expression fell into the eyes of everyone present, but it was like a devil.

Now Qingjing is quiet, but Prince Qilin is dead, and everyone else is stunned by the shock, where they dare to come forward and ask Qin Chen for trouble.

This person even dared to kill Prince Qilin. They went up, but it was not the same to look for death.

"you..."

Fairy Divine Phoenix looked frightened and was almost crazy.

A king, and also the younger brother of the prince of the Qilin Kingdom of God, actually died like this!

This is the arrogant talent who has the opportunity to become the supreme in the future.

They tried their best to refine the dark sacred fruit in order to be able to become kings like Prince Qilin in the future.

But now?

What if you become the king? It's basically just for being killed by a single move, so what's the point of diligence?

Qin Chen smiled, and said, "If you want the Dark Sacred Fruit, you continue, and you have your own abilities."

Qin Chen smiled lightly and came to the stone platform again.

This time, everyone stepped aside and never dared to provoke them.

boom!

Qin Chen swallowed the dark sacred fruit while stimulating the dark sacred tree. The dark sacred tree continued to bloom with divine rainbows, lingering rules in the sky, forming an astonishing scene.

Boom boom boom!

Pieces of dark sacred fruit continued to fly by, and Qin Chen got it under the guidance of Qin Chen.

With Qin Chen, almost no one of the other Tianjiao present could obtain the Dark Sacred Fruit, they all looked at all this stupidly, speechless.

Completely reduced to a background board.

In the end, after Qin Chen plundered the 81st dark sacred fruit, the dark sacred tree suddenly glowed, and the entire stone platform bloomed with palpable rules, and the supreme-level aura filled the dark sacred tree.

I saw the eighteen dark sacred fruits remaining on the dark tree, decayed at a speed visible to the naked eye, and finally filled the sky, completely absorbed by the dark tree.

The entire dark sacred tree was directly shrouded by the sky-shaking formations, and was no longer perceived by everyone.

Time is up.

The dark sacred tree has entered a rest period, and the next time it will bear the dark sacred fruit, and mature, it is not known how many years later.

"Eighty-one, just so-so."

Qin Chen sighed.

Originally, he wanted to get all the ninety-nine dark sacred fruits, but to inspire the dark sacred fruits, the rules of the same attribute must be outlined. Qin Chen could get eighty-one, which was already at the limit.

Such an expression fell in the eyes of everyone, making everyone even more speechless, and each of them looked ugly, but no one dared to provoke Qin Chen.

This time the Dark Divine Tree was mature, except for Qin Chen, the rest of the many Tianjiao present at the scene did not get a sacred fruit.

"Everyone, who else wants to plunder the dark sacred fruit from this young man, even if he comes up, I will leave if I don't come again."

Since the Dark God Tree had entered dormancy, Qin Chen didn't need to stay here any longer.

In fact, he really wanted to be able to deal with the many Tianjiao present. After all, they were members of the Dark Clan. As long as they acted, Qin Chen would naturally have a reason to kill these Tianjiao and reduce a lot of enemies to the Human Race.

But if they didn't take the initiative, there was something evil, Qin Chen wouldn't be embarrassed to take it directly.

So as not to cause the other party's suspicion.

In the Dark Clan, although there are a lot of fights, being offended as a member of the royal family, there is no problem with directly beheading people, but if you kill indiscriminately, it will inevitably not arouse suspicion.

However, now that a king has died in his hands, who would dare to come up and do it?

"Boring?"

Seeing no one came forward, Qin Chen felt unhappy and turned around and wanted to leave.

"Wait!" Fairy Divine Phoenix said quickly.

"Do you want to plunder the dark sacred fruit from me?"

Qin Chen's eyes lit up.

"boom!"

There is a terrible breath blooming in his body, and he wants to shoot directly.

Fairy Divine Phoenix's face suddenly changed, and he hurriedly said, "Hold on, you have misunderstood."

"Misunderstood?"

"Yes." Fairy Divine Phoenix was speechless, this guy, can you let people speak well and just do it when he doesn't move, he is simply a lunatic.

Fairy Divine Phoenix smiled and seemed to have forgotten Prince Qilin's affairs, "Can you sell me a dark sacred fruit?"

"Not for sale!" Qin Chen replied simply, this guy actually had this idea.

Fairy Divine Phoenix suffocated slightly. Not only did she have amazing martial arts talents, she was also an outstanding beauty. Being rejected by Qin Chen so swiftly and neatly, she had the urge to bite Qin Chen severely. She squeezed a smile and said, "Your Excellency, I know that there is a mysterious place, which contains special opportunities, which is enough for your Excellency to get amazing benefits, and I am willing to exchange it with your Excellency."

#### [Chapter 4643: Dark Ancestral Land](#)

Is there a big advantage in a mysterious place?

"Not interested in."

Qin Chen refused directly.

What a mysterious place, he didn't come here to experience it.

"Your Excellency, don't rush to refuse."

Fairy Divine Phoenix had an ugly face and was speechless to Qin Chen. Could this guy listen to her to finish.

"You are the top arrogant of my dark race, at least a king-level powerhouse, you should have heard of the dark ancestral land?"

Fairy Divine Phoenix said.

Dark Ancestral Land.

As soon as this statement came out, all the Tianjiao present changed color, and that day, the eyes of He Shengzi and others changed. There was a terrifying light in the pupils, and many people were shocked.

Not only them, but even the non-evil expression on the side changed color, and their bodies were shocked.

"what?"

Qin Chen is now in his interest. Where is this dark ancestral land? Can you actually attract such a shocked expression to everyone?

It should be noted that although the talents present here are far inferior to Qin Chen in terms of strength, they can be regarded as the world's arrogant talents who have entered this Heiyu Continent anyway.

Moreover, Fei E is the inspector under the command of several top controllers in Heiyu Continent. Although it is only Tianzun's cultivation base, his knowledge is extraordinary. This is the first time that Qin Chen can see such a surprised look in his eyes.

Dark Ancestral Land, this name sounds a bit extraordinary.

When Fairy Divine Phoenix spoke, he looked at Qin Chen proudly, and wanted to see Qin Chen's shocked expression. Who knows, Qin Chen didn't react at all.

hiss!

This guy, the Dark Ancestral Land can't attract him?

Fairy Divine Phoenix was speechless.

How did she know that Qin Chen hadn't even heard of this dark ancestral land, how could he react?

"What happened to the Dark Ancestral Land?"

Qin Chen said calmly, with a hint of curiosity in his heart.

"You are the king of my dark race. You must have heard of the Dark Ancestral Land. This place is the core of the Heiyu Continent and the core of this abyssal demon clan infinite demon hell. It contains the most powerful power of this heaven and earth. "Back then, in order to invade this universe, my dark clan had several top ancestors forcibly entering this universe. Later, some of them were seriously injured by the evil creatures in this universe, but they could not return to my dark clan. Homeland, eventually

Can only fall into this universe. "

"Their corpses and origins sank into this dark ancestral land and turned into the most solid world of Heiyu Continent. Their core will has become the heavenly way of my dark people in Heiyu Continent..."

Qin Chen's expression was still, but he was secretly surprised.

The Heavenly Dao and Heiyu Continent of this dark clan were actually formed in this way.

Back then, the Dark Clan collaborated with the Abyssal Demon Clan to destroy many of the human race's top powers. Those who could be called the top ancestors were at least the pinnacle supreme powerhouses, or even half-step detachment.

And their bodies were actually decayed in this so-called dark ancestral land, no wonder they would arouse the excitement of many arrogances around them.

Think about it, if the human race has the remains of ancient craftsmen and the ancestors of the Tongtian sword pavilion, it will also attract the coveting of many top powers of the human race.

This is also the reason why so many top forces tried to break into it after the restoration of the heavens.

How can it be simple to be the source of the pinnacle, even the half-step transcendence?

Qin Chen was shocked, but his face was calm, calm, and said lightly: "What then?"

"then?"

Fairy Divine Phoenix was speechless, this guy really couldn't get in. The fairy phoenix took a deep breath and said, "Today's dark ancestors not only have the relics of my dark clan's many ancestors and many original auras, but it is also the core place of this deep demon clan infinite demon hell. The strongest in the clan

The holy thing is also located in the dark ancestral land. "The dark ancestral land, although I am not rigorous, I will wait for Tianjiao to enter, but there are many dangers in it, rushing in, and there is no doubt that he will die, but not long ago, this fairy just got an opportunity to enter the dark ancestral land deeply, if you give me four Ten dark

Holy Fruit, how about I will take you into the depths of this dark ancestral land? "

Fairy Divine Phoenix looked at Qin Chen with a smile, with a confident expression on his face.

She is very clear about the attraction of the Dark Ancestral Land to the Dark Clan.

"Master, what this person said is the strongest sacred item of my Abyss Demon Race, it is most likely the Demon Soul Source Tool."

In the chaotic world, the Lord of the Abyss suddenly spoke.

Qin Chen's pupils condensed, his purpose in coming to the Infinite Demon Prison was to find the Demon Soul Source Tool.

His first reaction was this dark ancestral land, and he must go further.

However, even though he thought so in his heart, the expression on Qin Chen's face was very calm. He sneered and said, "Forty dark sacred fruits?"

"Not bad." Fairy Divine Phoenix said proudly.

"Sorry, I'm not interested."

Qin Chen's voice fell, and he turned and left.

"you..."

Fairy Divine Phoenix was stunned, and everyone else on the side also looked dull.

Qin Chen had no interest at all in the Dark Ancestral Land, it was a \*\*\*\* of a ghost.

"Thirty Dark Sacred Fruits."

Fairy Divine Phoenix hurriedly shouted.

Qin Chen kept walking.

"Twenty Dark Sacred Fruits."

Qin Chen still kept walking.

"Ten dark sacred fruits." Fairy Divine Phoenix shouted again.

Qin Chen was about to leave here.

"I don't believe it, this guy will have no interest in the Dark Ancestral Land at all."

Fairy Divine Phoenix gritted his teeth.

Qin Chen had obtained 81 dark sacred fruits before. Except for the ones he took, there were at least dozens of them on his body. Isn't he not willing to take out even ten?

She didn't believe it.

Qin Chen must be lustful.

Therefore, she stopped bidding, and believed that Qin Chen would definitely look back.

But under the gaze of everyone, they saw Qin Chen walking straight down the mountain without stopping.

Down the mountain...

Fairy Divine Phoenix is going crazy.

This is the Dark Ancestral Land, is this guy really not interested at all?

The other Tianjiao were also speechless and hard to understand.

Seeing that Qin Chen was really going to disappear, Fairy Divine Phoenix panicked instantly.

Whoosh!

She flew straight forward, caught up with Qin Chen directly, and shouted from a distance: "Then you make a price yourself."

Ahead, Qin Chen paused.

Turn around slightly.

"A dark sacred fruit, Shao Ben can consider and go to the Dark Ancestral Land to take a look." Qin Chen smiled.

"puff!"

Fairy Divine Phoenix was so angry that he was about to vomit blood.

"A dark sacred fruit, do you send a beggar?"

Fairy Divine Phoenix was speechless and stomped with anger.

This...too little.

What is enough for one?

The others are also speechless.

One, the price is too cruel, right?

Although the Dark Sacred Fruit is very extraordinary, compared to the secrets of the Dark Ancestral Land, one piece is definitely more than this price.

Qin Chen shook his head: "You have the secret of the dark ancestral land, don't you have it?"

Everyone was stunned when he said this.

"To tell you the truth, Ben Shao promised to give you one, just curious about your so-called secret, what is it, if you just enter the dark ancestral land, Ben Shao has a way, do you believe it or not?" Qin Chen chuckled. .

[Chapter 4644: gentleman](#)

On the side, Feiye could not help but nodded secretly.

Indeed, the Dark Ancestral Land is very dangerous, and the depths are listed as a forbidden land.

Normally Tianjiao cannot enter easily, but who is the emperor? It is the members of the royal family of their dark clan, with terrible inheritance in their bodies, and the dark ancestral land that others cannot enter, is absolutely not difficult for the emperor.

And Qin Chen's so determined words also made Fairy Divine Phoenix and the others stunned.

Can't help frowning.

It really is.

The person in front of him didn't seem to be very old, and he was also at the level of Tianjiao, but his cultivation base was extremely terrifying, and even kings such as Prince Qilin were easily defeated by him.

In addition, Qin Chen dared to kill even Prince Qilin, everyone, no matter how idiots, knew that Qin Chen was definitely a descendant of some of the top powers of their dark clan.

Only in this way can there be no fear of the Kylin Kingdom.

Such Tianjiao, if one said he had a way to enter the depths of the Dark Ancestral Land, it might not be impossible.

"No wonder this person has no interest in the way he enters the Dark Ancestral Land."

Fairy Divine Phoenix felt that she had grasped the key point in an instant, and her heart sank completely.

Thinking of the treasure that he thought could move the opponent, it was just a dispensable thing in the opponent's eyes, and Fairy Divine Phoenix was extremely lost in an instant.

Especially the look in his eyes with Feiye from the side made Fairy Divine Phoenix sure of his own thoughts.

Qin Chen smiled faintly: "A dark sacred fruit, it's just because Ben Shao wants to know what your so-called secret is. It's a curiosity. If you don't want to, Ben Shao can't say it. Goodbye."

"However, if you call back Ben Shao again, don't blame me for being rude."

Qin Chen's voice fell, and turned around to leave again.

"Okay, I promised."

Fairy Divine Phoenix said bitterly, one is better than nothing.

"Okay!" Qin Chen nodded, and he took out a dark sacred fruit at random and wanted to throw it there.

"Please give me a dark sacred fruit with fire attributes." Fairy Divine Phoenix hurriedly said more specific requirements.

If the attributes do not correspond, she will not be able to maximize the effect after eating it.

Qin Chen picked it up, threw a dark sacred fruit again, and said, "Okay, let's go now."

His attitude was free and easy, and he threw the dark sacred fruit casually, not worrying that Fairy Divine Phoenix might be ignorant of his own things.

This look made Fairy Divine Phoenix dazzled.

"Wait for me to refine this sacred fruit before setting off, so please wait a few days for me." Fairy Divine Phoenix continued.

"Ben Shao doesn't have time to waste with you, don't you have a Luan Cha? You can refine it directly in the Luan Cha." Qin Chen said lightly.

"Never mind!" Fairy Divine Phoenix hesitated and nodded.

Suddenly, a Luan car pulled by a dark phoenix drove up in an instant.

The one carrying Luan's cart was Heiye, the servant of Fairy Divine Phoenix.

"I have delicious food in my Luan car, precious fruit and wine, you might as well sit in it first."

"Okay." Qin Chen reluctantly agreed.

Everyone was almost upset. This was the invitation of Fairy Divine Phoenix. No man should be ecstatic to enter her incense car, but Qin Chen was still very disgusted, how not annoying?

"Let your people go, my people go."

Qin Chen spoke to Fairy Divine Phoenix, and then glanced at Fei evil.

Fei evil flew up in an instant, blocked the Luan car, and flew the black leaf off at the same time.

"Lord Fairy." Hei Ye hurriedly called.

"Retreat."

Fairy Divine Phoenix said lightly.

The two got into the Luan car, and sure enough, it was very spacious inside, like an independent space, with chairs, a soft couch, and a table in front of it, and the table was full of exotic fruits. Qin Chen lay down on the bed unceremoniously, picked up a precious fruit, and ate it. This precious fruit tasted very good, sweet and healthy, and contained a trace of regularity. Swallow it, regular Keep circulating in the body,

There are amazing benefits.

Fairy Divine Phoenix originally raised her hand with a smile, but when she saw Qin Chen lying directly on her incense couch, her pretty face suddenly turned black. This guy was really shameless and even dared to desecrate her incense couch. Who gave him the courage?

"Your Mightiness..."

She said speechlessly, her face flushed: "This is my bed, and it's also where I want to practice."

Ignoring the other party, Qin Chen faintly pointed to the opposite chair and said, "It's the same for you to practice on that chair."

"you..."

Fairy Divine Phoenix jumped angrily, this guy didn't have any gentlemanly demeanor at all.

She gritted her teeth and looked at Qin Chen bitterly, and found that Qin Chen had no intention of giving way at all. In the end, she had no choice but to sit on a chair beside her and said, "Go."

But there was no movement outside.

But Qin Chen waved his hand and said, "Let's go."

Fei evil then drove the Luan car, fluttered its wings, and disappeared into the sky.

"Go, let's go too."

Tianhe Shengzi and the others looked at the dark sacred tree that had no chance at all, and they were speechless, and they had to start heading towards the dark ancestral land.

Luan in the car.

Qin Chen stopped talking, and in the following days, he was not idle either, but continued to absorb the dark sacred fruit, one by one.

Although he had swallowed more than thirty of them, there was still a certain distance from the source of darkness in his body.

Finally, three days later.

After swallowing nearly sixty dark sacred fruits.

boom!

In Qin Chen's body, the endless source of darkness surged, and Qin Chen finally raised the source of darkness in his body to the extreme.

At this moment, Qin Chenguang, based on the source of the dark sacred fruit absorbed in his body, was enough to confront the half-step supreme powerhouse of the dark clan.

This time, the trip to the Dark God Tree was a real profit.

At this point, Qin Chen finally didn't have to worry about revealing his identity.

His body, soul, and origin can be perfectly combined with the power of darkness, and most people can't see that he is a human race.

On the second day of departure, Fairy Divine Phoenix had already absorbed his dark sacred fruit, and possessed a trace of the origin of the universe in his body.

For the next two days, she watched Qin Chen continuously swallowing the dark sacred fruit, and continued to practice.

My teeth are itchy.

I feel more and more uncomfortable. Naturally, she has many pursuers, even so many that she doesn't care, but when she sees a man who sees herself as nothing, and, there are so many dark sacred fruits on her body, but she only wants to swallow them one by one. Willing to give yourself one

When it was time, there was a strong anger in his heart.

This guy... why didn't he die?

It's so irritating.

And just when Qin Chen and the others went to the Dark Ancestral Land.

In the center of Heiyu Continent, in the dark ancestral land, there seemed to be a light flashing in the depths of the endless darkness. This ray of light, as if pop piercing the sky, soon disappeared.

#### [Chapter 4645: Lord Stone Mark](#)

The Dark Ancestral Land is the most central place in Heiyu Continent. The meteor light that suddenly drew across attracted the attention of countless people from the Dark Clan near the Dark Ancestral Land, and even big figures noticed this light.

The Dark Ancestor Land was the place where several top ancestors of the Dark Clan fell. Such a scene will naturally arouse the attention of many people.

The news broke that many Tianjiao with status and status in Heiyu Continent were all heartened and went to the Dark Ancestral Land one after another.

At this moment, in the vast starry sky above the Heiyu Continent, there was a dark tide that was as black as ink.

The ink-like starry sky tide is constantly tumbling and surging. This starry sky tide contains a terrifying dark atmosphere, just like the darkest and most evil thing in the world.

boom!

The tide is surging, ups and downs, and wherever it passes, the void shatters, and the bright stars collapse directly under the tide, decompose into countless energy particles, and are directly swallowed.

These energy particles contain amazing magic energy, but they are perfectly integrated with the power of darkness, and they do not distinguish each other.

And these stars are all local stars in this Infinite Demon Prison.

The stars that can be born in the Infinite Demon Prison must contain terrible demon energy. They are by no means ordinary demon stars, but under this dark tide, they collapse and collapse like bubbles, and then annihilate into nothingness.

Such a scene makes people have to be shocked.

boom!

This dark tide covers the starry sky like a sky curtain, with a diameter of millions of kilometers, surging like a rhythm, forming a horrible scene of heart-palpitations.

Whoosh! Suddenly, a dark tribe man exuding a terrifying aura suddenly came to this world. This man was wearing a black robe, and his eyes were like endless magic stars, full of deep and deep meaning. On his robe, there were many words. The dark stream

The light surges and the breath is extraordinary.

However, as soon as this dark tribe man came to the dark tide, he knelt down on one knee and saluted respectfully.

"Master Stone Mark."

This dark tribe man arched his hands and looked respectful, not daring to be disrespectful.

"call!"

In the next moment, I saw this dark tide shrinking continuously, shrinking instantly from millions of kilometers, and finally, it turned into countless air currents and entered the body of a humanoid creature with dark scales.

If you let other people see this scene, they will definitely be shocked.

The previous dark tide of millions of miles turned out to be the breath of energy swallowed from the nose of this humanoid creature.

And as the boundless tide entered this person's body, a supreme breath suddenly burst out.

boom!

The stars swayed, and the dark magic stars suddenly burst into nothingness in the distant starry sky.

"Well."

"Not bad!"

The humanoid creature opened its eyes, and there seemed to be hundreds of millions of stars in the pupils of the eyes that were dying out, constantly dying out.

Wow!

The humanoid creature took a step forward, and the black pupils looked at the dark tribe in front of him coldly, and said lightly: "Is there any news about Gu Yi's whereabouts?"

This person is exactly one of the giants arranged by the dark clan in this Heiyu Continent, Stone Mark.

The body of the Dark Race was trembling, and the head dropped lower, "Master Hui Shihen, there is no news about Gu Yi's disappearance, but according to my investigation, Gu Yi's disappearance is not that simple, it is very likely to be with Na Yuan. The demons are related."

"According to the people of my clan, outside of the place where Gu Yi disappeared, the ancient demon elders of the Abyss Demon Clan were on the scene at that time. It is impossible for them not to perceive some clues. People don't want to tell."

"and so..."

The Dark Race people were a little trembling.

"A member of the Yuanmo tribe?" This dark creature stretched out his right hand, booming, and a terrifying aura bloomed in his hand. It turned out to be an extremely pure demon energy, compatible with the universe and heaven, without being suppressed.

"Congratulations, sir, on top of understanding the origin of this universe, go further."

This dark race person said excitedly. "Haha." The dark creatures squeezed their right hand and banged. The dark demon energy burst directly. His eyes flickered and looked into the distance: "It's still too weak. Now this seat is just a simple act of urging. Use this so-called The magic energy can only be exerted from

The strength of less than one-third of the body, once the power of darkness is urged, it will still be targeted by the heavens of this world. "

"My lord has taken a different path and found a new way for our race. It is already immortal and magical." Shihen said with his hands on his back and coldly said: "This seat is just the power to swallow the stars in this Abyssal Demon Race's Infinite Demon Prison, it's rumored. This Infinite Demon Prison was formed after the disappearance of the demon tree, the holy item of the demon clan, and contains the core of the universe demon world.

Breath, so the stars here also contain the essential power of this universe. "

"If you can control the power in this Infinite Demon Prison, you can be in this universe without fear of being suppressed by any heaven."

Shihen smiled.

"I believe that the adults will succeed." The Dark Race people even flattered.

"I know about this, is there anything else?" Shi Hen said lightly.

"My lord, that member of the Abyssal Demon..." The Dark Tribe said in succession: "Although this Abyssal Demon is cooperating with our clan, secretly, I am afraid that it might have other ideas..." "Be calm and restless." The dark creatures turned directly and hit. Cut off his words, and looked at him coldly: "Now that my clan and the abyss demon clan are still working together, what idea did the ancestor of the abyss demon make? You don't think the superiors know? Everything is nothing but profit.

Up. Now I am waiting for both sides to be beneficial to each other, and continue to cooperate for the time being, and when my clan can fully integrate into this universe, then...huh! "

Shi Hen sneered, and a hint of sarcasm was outlined at the corner of his mouth.

"My lord Mingjian, there is one more thing here for my subordinates."

"Say!"

"It is rumored that outside the Dark Ancestral Land, there was a flash of light not long ago."

"Dark Ancestral Land?"

Shi Hen frowned: "That place, but the place where the ancestors of my dark clan have died, has there been any change?"

"You, go ahead and inquire for this seat."

"Yes..."

"Also, Sikong Zhenna, what's your move?"

"Return to Sir, Sir Sikong, there is no movement."

"Hmph, this person took a different path from this one, and he actually made the remnants of those remnants back then. It's a pity that although those remnants are strong, they can be compared to the power of this demon race's Infinite Demon Prison."

Shihen smiled coldly: "However, his remnants all need to absorb the power of the Dark Ancestral Land. Therefore, if there is any change in the Dark Ancestral Land this time, it will definitely attract his attention. You should investigate quickly to find out whether this matter. It's about it."

"Yes, my lord is wise."

"Okay, let's go." Shi Hen said, booming, a terrible dark tide burst out directly in his body, filling the endless void, instantly enveloping the endless void, constantly vomiting, and annihilating the stars.

#### [Chapter 4646: Graves everywhere](#)

At this time, Qin Chen and their Luan Chariot finally came outside the Dark Ancestral Land.

Look around.

The Dark Ancestral Land is a pitch-black world, containing endless dark aura, lifeless everywhere, blooming with palpitating power.

Although this is not a forbidden area, anyone from the Dark Race can enter, but it is dangerous, and without two brushes, the average Dark Race person does not dare to go deep.

Only some self-proclaimed Dark Race Tianjiao, received some secret information, and knew some safe paths, before they dared to enter it.

"My lord, we are here."

Outside the Dark Ancestral Land, Feiye respectfully said.

In Luan's car, Qin Chen stretched lazily.

Comfortable!

Along the way, Qin Chen raised his dark source power to the extreme, and took a good rest on the bed in the car, he couldn't help but feel refreshed.

This made the fairy Divine Phoenix on the side his teeth tickled with anger.

This bed was originally her boudoir bed.

Whoosh!

Qin Chen came to the carriage and stared at the dark ancestral land in the distance.

The Dark Ancestral Land was pitch black and deep, and when he looked around, he couldn't help but shook slightly.

Dense tombs!

Looking at the entire dark ancestral land from near to far, at the end of the line of sight, there are tombs, and there is no tomb at the end!

"My lord, these tombs were the burial places of my dark clan who invaded this universe." Fei evil respectfully said, his eyes were pious and fanatical.

In the eyes of all races in this universe, all the dark races are enemies who invade their homeland, and their sins are monstrous.

But for the dark people, those who fell here are their heroes. "In order to invade this universe, my clan masters led an army to invade, together with the demons of this universe, to slaughter the many resistance races in this universe, but I never thought that there are many strong people in this universe, and some of them are even extraordinary. half

Detached. "

"This has led to the fall of many of our dark clan. Although those buried here are all ordinary soldier-level characters, they are still the heroes of my dark clan."

He looked respectful.

"Hangman."

Qin Chen looked at the tomb in front of him with cold eyes. In his opinion, these dark people who died here were all executioners.

There is nothing respectable.

Qin Chen raised his hand and stared into the distance.

The dark origin contained in this dark ancestral land is extremely terrifying, faintly fused with the heavens of the entire Heiyu continent, no wonder it is called the core of this dark clan.

Hum!

A trace of Qin Chen's strength instantly entered this dark ancestral land.

A deep breath came in instantly.

"Lord of Abyss Demon, did you feel it?"

Qin Chen said through sound transmission.

"Master, yes." There was excitement in the master of the abyss: "It is the aura of the demon soul source device, the holy thing of my abyss demon clan, the demon soul source device, is in this dark ancestral land, but the demon The power of the Horcrux seems to be obscured by some kind of aura, very weak, must

You must be close to perceive the specific location, but there is no doubt that the Demon Soul Source Device is in this dark ancestral land. "

"it is good!"

Excitement also emerged in Qin Chen's heart.

His purpose of coming to the Deep Demon Clan Eternal Dark Demon Realm this time and entering the Infinite Demon Prison was to find the Demon Soul Source Tool, and now he is finally approaching his destination.

"Shangguan Wan'er, will she be here?"

Qin Chen whispered in his heart.

After Shangguan Wan'er was transformed by the deep demon ancestor, she has already become a member of the dark race, but her body needs constant transformation of the Demon Soul Source Device, so she is very likely to be here.

"Let's go!"

Qin Chen said, hurry up.

Fairy Divine Phoenix pretended to be surprised: "Where to go?"

Qin Chen frowned and looked over, then suddenly smiled and said, "Are you trying to go wrong? The promised dark sacred fruit can be exchanged for the chance to enter the depths of the dark ancestral land? Fairy Divine Phoenix will not forget it, right?"

boom!

A trace of murderous intent filled Qin Chen's body.

Fairy Divine Phoenix's face turned pale, a trace of blood spilled from the corner of her mouth, and she stepped back two steps.

Her face instantly turned green.

Does this guy have no mercy? Don't you know that standing in front of him is a big beauty?

Biting her teeth, Fairy Divine Phoenix said bitterly, "I said that I can take you into the forbidden land deep in the dark ancestral land, but this does not include the road outside, and you forgot that my coachman was also driven away by you? "

"Your conditions are also divided into the depths of this dark ancestral land and the outside?" Qin Chen frowned. "Otherwise? You dignified king, Tianjiao, don't you even know this?" Fairy Divine Phoenix gritted his teeth: "The Dark Ancestral Land is not a forbidden land. Anyone can enter, but the deepest part is the forbidden land. Certain conditions. You will not be the first

Come to this dark ancestral land again, don't you know the way? "

Fairy Divine Phoenix was shocked.

Tianjiao, a magnificent king, actually entered this dark ancestral land for the first time, which made her wonder.

"No evil, lead the way."

Qin Chen didn't bother to pay attention to her, and said directly into the car.

"drive!"

Feiye raised the avenue whip, spurred the Luan car, and drove straight into the dark ancestral land.

While on the road earlier, Qin Chen had also inquired about a lot of information about the Dark Ancestral Land, and learned some information. Sikong Zhen, who is not evil, had a palace in this Dark Ancestral Land.

Fei E, as the inspector of Heiyu Continent, naturally knew a lot about the Dark Ancestral Land.

It's just a way, there won't be any problems.

Luan car all the way in.

Suddenly, Fairy Divine Phoenix couldn't help but frowned: "No, why has this dark ancestral land suddenly increased so many people recently?"

After entering the dark ancestral land, Fairy Divine Phoenix was a bit stunned to find that there seemed to be a lot of dark people in this dark ancestral land, they were searching for something and kept going inside.

Qin Chen also discovered this.

This surprised Fairy Divine Phoenix. Although a place like the Dark Ancestral Land was powerful, ordinary Dark Clan people would not come here if nothing happened, because the place was so dangerous that there might be a risk of falling.

In doubt.

"Fairy Divine Phoenix."

Suddenly, someone in the distance saw the Phoenix Luan car, and quickly approached while shouting loudly.

After a while, a group of people arrived in front of Fairy Divine Phoenix's Luan car.

This group of people are not others, it is the Tianhe Shengzi and others who have attracted the dark sacred fruit together in front of the dark \*\*\*\* tree.

Qin Chen and the others drove slowly along the way, not in a hurry, but were met again by the Tianhe Shengzi and the others who set out together.

"Everyone, why are you here?"

Fairy Divine Phoenix appeared in front of Luan's car and frowned.

"Didn't Fairy Divine Phoenix hear about it?"

The leader Tianhe Shengzi was a little surprised.

"What did you hear?"

At this time, Qin Chen also walked out of Luan's car and said lightly.

"I have seen the lord."

Suddenly, Tianhe Shengzi and others changed their colors and hurriedly saluted Qin Chen. This is a demon that even Prince Qilin dared to kill, how dare a few of them neglect.

#### [Chapter 4647: Shengjin to quench thirst](#)

Seeing Qin Chen looking over, Tianhe Shengzi hurriedly said: "Not long ago, there have been some abnormal changes in the dark ancestral land. It seems that a terrible streamer cut through the sky and disappeared in the depths of the dark ancestral land."

"Therefore, many young Tianjiaos from the dark races in Heiyu Continent are here and want to get some opportunities here."

Tianhe Shengzi and the others didn't dare to neglect, so they said it.

"What? There is a stream of light in the depths of the dark ancestral land piercing the sky, and there is an abnormal change?"

Fairy Divine Phoenix also changed color.

This is a big deal.

It is important to know that buried deep in the Dark Ancestral Land are the top ancestors of their Dark Clan, and many changes are likely to appear by chance. Such an opportunity is very likely to make them ascend to the sky in one step.

Regardless of these people present, they are known as Tianjiao figures.

But their family is also somewhat famous in the Heiyu Continent. Among the Dark Clan, they are actually only lower-level families, so they were sent here to open up wasteland.

It is also a king-level prince like Qilin Prince, who has a background like the Qilin Kingdom of God, who will come here on the initiative. The purpose should be to get some opportunities. As for the other Tianhe Saints, many of them are sent here.

Therefore, they are all eager to get the chance to change their destiny.

With the ability, who wants to leave their hometown?

Unless it is a few people with big ambitions who want to make great achievements in this universe and take a higher position.

"Fairy Divine Phoenix, when I meet again, I don't know if I will be lucky enough to be able to move forward with Fairy Divine Phoenix and this adult."

At this time, Tianhe Shengzi and others looked at Qin Chen blankly, with anticipation and longing on their faces, obviously hoping that Qin Chen would be able to satisfy their wishes.

They had all heard it before that Fairy Divine Phoenix had the opportunity to enter the forbidden area deep in the Dark Ancestral Land. Although it might not be able to take them in, it would save a lot of trouble if they moved forward together in the outer area.

More importantly, with the great power of Qin Chen, they will be much safer, and the probability of finding treasures will definitely increase several times.

After all, this is a terrifying existence that can spur 81 dark sacred fruits with one person's power. Such a guy's perception of treasures is probably far above them.

"Follow Ben Shao?"

Qin Chen glanced at Tianhe Shengzi and the others.

These guys knowing that they killed Prince Kirin, they dare to follow them. Isn't it a brain show? "Yes, the majesty of the lord is overwhelming. I wait for my admiration and think about it along the way. The admiration for the adults cannot be calmed down. It is an honor for me to meet the adults again this time. I am willing to follow the adults. For adults

."

Tianhe Shengzi and others even respectfully said.

Qin Chen took a deep look at a group of people, and said lightly: "If you are willing to follow along, but the ugly words are in the front, if you make Ben Shao unhappy, then don't blame Ben Shao Xin for being cruel."

After Qin Chen finished speaking, he turned and went back to Luan's car.

Fairy Divine Phoenix also took a deep look at Shengzi Tianhe and the others, and hurried back to the car, vaguely, she already understood the purpose of Shengzi Tianhe and theirs.

Luan Che moved forward again, cutting through the sky, Tianhe Shengzi and others hurriedly followed.

"Brother Tianhe, do we really want to go with this one?"

On the way, someone cautiously spread the voice.

"With that person's temper, even if you encounter a treasure, I am afraid that it is not our share."

This person thought of the previous dark sacred tree, Qin Chen alone enjoyed eighty-one dark sacred fruits, but they had nothing.

"Brother Huaikong, if you want to go, then you can go. This son is determined to follow this adult. Do you think we can get treasures without this adult?"

The Son of Tianhe smiled coldly.

"This..."

The other person was startled. "The dark ancestral land move this time has already aroused the entire Heiyu Continent. Do you know how many Tianjiao came here? Not only the Tianjiao, but even the underlings of the adults will come to investigate. With us, you can get treasures

? Are you dreaming? "

Tianhe Shengzi sneered.

The Huaikong was startled, and immediately smiled bitterly.

Indeed, this time of change, I am afraid that Prince Qilin will gather a lot of king-level arrogances. The Dark Ancestral Land is not like the dark sacred fruit. After absorbing it once, the top arrogances will not think about it.

The Dark Ancestral Land is a forbidden area that even the adults who cover the sky with one hand are also concerned.

Even if there are treasures, which round will come to them.

"Let's follow this one, although we can't get the real treasure, but this one, even the prince Qilin dare to kill, is definitely an incredible figure, even if it is not a treasure, it is worthy of our friendship, no, it is flattering. "

"Furthermore, this one is not unkind. Didn't you see that Fairy Divine Phoenix took advantage of the dark ancestral land forbidden land to exchange for a dark sacred fruit?" Speaking of this, Tianhe The holy son's eyes beamed: "What's more, if this adult can really get the treasures of the dark ancestral land, I will wait to follow, maybe I can drink some soup, this one will leak a little from the fingers, Enough to keep me full

Isn't it ten times, a hundred times stronger than our own. "

"So, if you want to leave, then leave, this Saint Child is determined to follow."

While talking, Tianhe Shengzi quickly caught up.

The Huaikong smiled bitterly, and even followed, not only them, but other Tianjiao also followed closely.

Because they know very well that with their identity and strength, this time the dark ancestral treasures, it would be difficult for them to turn to them.

Especially some top treasures, they didn't have their share, so what's the difference between following Qin Chen?

Rather than running for a while, it's better to make friends with Qin Chen, maybe you can drink some soup.

Feiyao glanced at the Tianhe Saints behind him, and said in his heart: "These guys, the road is wider."

Along the way, Qin Chen really felt the aura of a lot of dark people on the way.

I don't know how long it took, Luan's car suddenly stopped somewhere and didn't dare to move forward.

"My lord, there is a special aura in the depths of the Dark Ancestral Land. This black phoenix mount cannot withstand the pressure of the special aura and cannot move forward."

Fei evil walked down the Luan lane.

Qin Chen walked out of Luan's car after hearing the words.

"My lord, are you tired of riding in the car? There is Milky Way Floating Tea here, which can produce fluid to quench thirst. Would you like to come here?"

At this time, the son of Tianhe hurriedly stepped forward and said respectfully, holding a cup of steaming tea in his hand, and his expression was a little flattering.

by!

Aside, many people looked stupid.

When did this guy make the tea?

Qin Chen glanced at him lightly, did not speak, took the tea, took a sip, and sure enough, there was pure dark power surging, nourishing the flesh. Seeing that Qin Chen didn't scold Tianhe Shengzi, all the other Tianjiao around came up.

#### [Chapter 4648: Blood grave](#)

"My lord, I have Youlanguo here. I've been in the car for so long, and I should be hungry too, so I can fill my hunger."

"My lord, I have smoked meat secretly made by Dark Linlong Dragon Meat. It is delicious, my lord, can you taste it?"

A group of Tianjiao stepped forward one after another, each with doglegs.

"Stay away."

boom!

Fei E snorted coldly, and Tianzun's breath exploded, shaking away these Tianjiao one after another, causing many Tianjiao to change their colors, thinking that it was Qin Chen who was about to get angry.

But after seeing the non-evil shook the crowd, he hurriedly took out a piece of preserved fruit from his body and respectfully said: "My lord, this is a secret preserved fruit made from the sacred fruit of the dark sky. It tastes sweet and fragrant after going through seven or seventy-nine processes. ."

While talking, he glanced at Tianhe Shengzi and others.

Mad, dare to slap the emperor's flattery in front of him? Too much.

On the side, Fairy Divine Phoenix watched this scene speechlessly, and his mind was a little awkward.

Are these the arrogances she knows?

"Don't waste time, let's go."

Qin Chen said lightly.

A group of people, keep going.

However, in the future, Tianhe Shengzi and others all learned well, even if they wanted to please Qin Chen, they would pass non-evil.

All Tianjiao suddenly became servants, thinking of ways to please Qin Chen.

At first, Fairy Divine Phoenix was a little funny, but gradually, her heart became bored.

Because she suddenly discovered that once the son of Tianhe was favored by Qin Chen, wouldn't she be behind if she was the first to climb?

However, letting her learn from those fellows of Saint Son of Tianhe to please Qin Chen, it was more uncomfortable than killing her.

She is the Divine Phoenix Fairy, a figure pursued by countless arrogances of the Dark Clan. Didn't you see that even the Qilin princes of the Qilin Kingdom are enthusiastic about her?

For a while, she was extremely contradictory in her heart, constantly swinging her figure in front of Qin Chen, trying to attract Qin Chen.

But Qin Chen just ignored her diligence as if she couldn't see it, making her depressed that she was about to vomit blood.

She didn't know that Qin Chen had no time to pay attention to this, his mind was completely immersed in this dark ancestral land.

This place is indeed extraordinary.

And, the deeper, the more Qin Chen could feel the terrifying world.

Next, everyone went on.

Gradually, Qin Chen and the others had approached the depths of the Dark Ancestral Land.

At this moment, everyone suddenly turned around and looked around. Not far away, an old man and a young man came quickly!

Seeing the visitor, Fairy Divine Phoenix and the others were slightly shocked.

Qin Chen wondered, "Know?" Tianhe Shengzi hurriedly said, "My lord, I will know this person. This young man is also a Tianjiao, the young master of the Xuanyin Sect. He has an extraordinary status. He is

called the young master of Yin, and the old man is an elder of the Xuanyin Sect, the master of the Yin Young Master is as his name, and his character

Taihang, so I generally don't want to play with him. I didn't expect him to come too! "

Young Master Yin led the old man to the crowd. He clasped his fists and said with a smile: "Everyone, it's a coincidence that you can actually meet in this dark ancestral land. Fairy Divine Phoenix, come here uninvited, you won't find it welcome?"

Fairy Divine Phoenix smiled and said, "How come? It's an honor for me to see Young Master Yin!"

This young master, in terms of identity, is still a bit taller than the Tianhe Saints. After all, the Xuanyin Sect is also a large sect, and it is only a little weaker than the Qilin Prince.

Young Master Yin smiled at the Divine Phoenix Fairy, then looked at the Tianhe Saint Child and the others, and said with a smile: "Tianhe, pregnant, you have invited so many people to go with you, but you only did not invite me. Do you look down on me? ?"

The Son of Tianhe laughed, "Young Master Yin, how could it be possible, it's just that you are so fascinating, I want to find you but can't find it!"

Young Master Yin smiled slightly and glanced at Qin Chen lightly, "So it is! I thought you all look down on me, and would rather play with outsiders than with this Young Master!"

Hearing the words of Young Master Yin, the faces of Tianhe Shengzi and others changed.

Is this Young Master Shameless?

If you can't provoke someone, take the initiative to provoke that one. Isn't this looking for death? Didn't you see that Prince Qilin was killed directly by the other party? Can you be better than the unicorn prince?

At this time, Tianhe Saint Child suddenly said: "Young Master Yin, haven't you heard of what happened to the Dark God Tree?"

Young Master Yin asked in doubt: "What happened to the Dark God Tree?" He looked curious and a little proud: "This young man had some insights before, so he has been in retreat all this time! I originally wanted to communicate with you after I left the customs. Suddenly, who would have wanted to hear that everyone actually went to the dark sacred tree, alas, the dark sacred fruit

The young master got one as early as the last time he matured. Unlike you, the young master didn't use it at all, so he didn't join in the excitement. "

"In addition, I heard that this dark ancestral land has undergone an abnormal change, so I rushed to it for the first time. What, what happened to the dark sacred tree?"

Tianhe Shengzi glanced at Young Master Yin weirdly.

At this moment, Huaikong on the side suddenly glanced at the old man next to Young Master Yin, "Young Master Yin, are you still taking the elder Xuan Yin Sect when you go out?" Seeing this elder step forward, he smiled and said, "Old Master Yin. Unfortunately, the elder of the Xuanyin Sect, the young

master just made a breakthrough not long ago, and the master is concerned, the old man will \*\*\*\* the young master, you don't have to care. By the way, you all belong to the young master.

Friends, I must have come for the treasures that appeared in the Dark Ancestral Land. You can follow the old man. In this Dark Ancestral Land, the old man will definitely protect you. "

This ill-fated elder has taken a big deal and has already regarded himself as the leader.

Hearing this, everyone frowned.

"Hehe, there is also Fairy Divine Phoenix. Your relationship between Divine Phoenix Valley and my Xuanyin Sect has always been good, and Young Master Yin often talks about you. You two are also people of the same generation. Take this opportunity to communicate more."

Elder Yin Yin continued to smile. At this time, Young Master Yin suddenly glanced at Qin Chen and the non-evil who respectfully guarded Qin Chen's side: "Fairy Divine Phoenix, there are many people in this world who are not capable, but like to talk and pretend, fairy, you have to keep your eyes open. , Can be used by others

Lied? "

Everyone saw the eyes of Young Master Yin, and at the moment, everyone's expressions became weird!

Oh shit!

Can you compare with this adult?

The prince Qilin was killed directly, you count as a hairy?

Shengzi Tianhe and Huaikong glanced at each other, and then at Young Master Yin. They were a little weak and moved aside subconsciously. Intuitively they told them that this Young Master will have something to do, so it's better to stay away!

Not afraid of opponents like gods, but teammates like pigs.

This shady master, a proper pig teammate.

Fairy Divine Phoenix was also taken aback and couldn't help but glance at Qin Chen.

Seeing that Qin Chen did not act, he was relieved and hurriedly said: "Okay, it's important to hurry, do business first."

Everyone nodded. Now is not the time to care about this young master, just beg him not to provoke that adult!

#### [Chapter 4649: Don't lie](#)

The Young Master Yin glanced at Qin Chen lightly, sneered, and didn't say much.

Fairy Divine Phoenix glanced at Qin Chen with some palpitations, and then heaved a sigh of relief after discovering that Qin Chen was not unhappy.

Everyone keeps going.

Along the way, Qin Chen found that with the deepening, the tomb aura in this dark ancestral land became more and more terrifying.

And the tombs buried are getting bigger and bigger.

suddenly.

In the distance, a palpitating breath came.

Qin Chen raised his head and looked into the distance. Not far away, many graves appeared there. These graves were different from the previous ones. First of all, they were different in size. These graves were much larger than the others, just like a lot of darkness. The sacred mountain stands here.

In addition, these graves are blood red, as if they were poured out of blood! Non-evil respectfully said: "My lord, this is a blood grave, which can be buried with blood tombs. At least it is also a master of the Celestial Master of the Dark Clan. Among them, there are even the corpses of the top Celestial Experts. once

Desecration of the other party's body will attract the other party's killing spirit. "

"When you get here, you will basically enter the depths of the dark ancestral land, which belongs to the forbidden area." No evil.

Qin Chen glanced at the blood graves. Indeed, the breath of these blood graves was very extraordinary.

However, it was not enough to make his heart palpitations.

The anxiety before came from deeper in the blood grave. Fairy Divine Phoenix said at this time: "The opportunity I mentioned earlier was in the depths of this blood grave. I received an invitation. An ancient blood grave is about to be ruined. Then there will be a terrible source of breath and treasures that will dissipate. Absorbed part, wait for me

There are huge benefits. "

As soon as this statement was made, everyone present changed color.

"Blood graves are ruined? But what you said is true?"

Tianhe Shengzi and the others were shocked, and even the Yin Young Master and Yin Losing Elder changed a little.

Qin Chen looked over: "Xuhua?"

Non-Evillian explained: "Xuhua is a buried ancient top powerhouse. In the long years, the body is assimilated by the dark origin of the Heiyu Continent, and the process is directly transformed into nothingness." "In this process, The flesh of the ancient powerhouse in this blood tomb will be transformed into the purest source in his lifetime, assimilated by the dark heavenly rules of the Heiyu Continent, and in this process, ordinary dark people can perceive and absorb, if they can absorb it

Part of the origin of the other party will be a huge gain for it. "

No evil is now seen. Although Qin Chen is a member of the royal family, he seems to have just entered the Heiyu Continent and does not know much about the Heiyu Continent, so he is also very hard at explaining.

Qin Chen's eyes flashed, and he said lightly: "The people buried in this blood tomb are at least the Heavenly Venerate-level figures of my dark clan. Why is there a ruins?"

Tianzun, the flesh is immortal.

Under normal circumstances, not to mention eternal life, but it will not easily dissipate.

But this dark ancestral land actually had ruins, and as everyone knows, it was obviously an extremely common thing, which puzzled Qin Chen.

It is keenly felt that it may not be simple. At this time, the young master on the side suddenly sneered and said, "Hmph, the ruins are the ruins. Why are there so many? Maybe they are the fallen ancestors of my dark race. Their own rules resonate with the avenues, so they are assimilated to the heavens. , Ignorant

. "

Everyone's face suddenly changed slightly, and their expressions were full of horror when they looked at him.

by.

Don't pull them if you want to die.

Shengzi Tianhe and the others hurriedly looked at Qin Chen, but saw that Qin Chen only glanced at the Yin Young Master without saying anything, and said to Fairy Divine Phoenix, "Do you know where the \*\*\*\* grave is?"

Qin Chen had a feeling that the so-called ruining of the blood tomb was by no means as simple as they thought. If he could see it, he might be able to see some clues.

Fairy Divine Phoenix breathed a sigh of relief and hurriedly said, "Let's set off now."

Seeing that Qin Chen didn't even dare to refute himself, Young Master suddenly laughed, turning out to be a waste.

I don't know why Fairy Divine Phoenix values that kid so much.

The crowd continued to advance, and the more they went in, the surrounding aura became more and more terrifying, and at this time, the expressions of the crowd had become very solemn and fanatical.

They are all Tianjiao, and they know the danger of the dark ancestral land, but they also know how great the chances of the ruined blood grave will be.

Because in this blood tomb, the weakest one is also Tianzun, and in some powerful blood tombs, there are even peak Tianzun-level powerhouses buried.

According to past records, those who tend to be ruined, are generally the top figures in Tianzun. If they can absorb a trace of their origin, it will surely increase the perception of the origin of darkness among the many Tianjiao present.

Not long after they walked, everyone stopped again. In front of everyone, there was a river. The water of the river was blood red. On the opposite side of the river, there was a black mist.

Fairy Divine Phoenix suddenly changed color: "Damn it, it's the river of blood. How could this river of blood appear here this time?"

Other people around have also changed color.

Shengzi Tianhe looked ugly and said, "Fairy Divine Phoenix, the blood tomb that you mentioned before, isn't it after the blood river?"

"Exactly."

Fairy Divine Phoenix was also a little depressed, and shook his head bitterly, "It seems that we have to make a detour."

Qin Chen asked, "Why?"

Fairy Divine Phoenix was about to speak, and at this moment, the elder Yin Yin beside the Young Master Yin suddenly snorted: "Fairy Divine Phoenix, I think this brat you brought too much bullshit!"

Hearing that, everyone is looking at the elders.

Son of Tianhe subconsciously retreated to the side again, Mad, how could this idiot become the elder of Xuanyin Sect!

Even if you can't feel Qin Chen's realm, you should at least see some clues from everyone's attitude towards Qin Chen!

Doesn't this old fellow cultivate his brains?

Fairy Divine Phoenix looked at Elder Yin Defiance, frowning and said, "Elder Yin Deficiency, please don't say anything?" At this moment, Young Master Yin suddenly smiled and said: "Fairy Divine Phoenix, this Young Master felt that Elder Yin Deficiency was not wrong. The person you brought is very unruly. He has the most questions along the way, and he has to ask everything. If you are not strong enough, you should look at it honestly.

Focus on something, learn something, there are so many Tianjiao here, when will it be his turn to speak?  
"

As he said, he looked at Tianhe Shengzi and the others, "You think what I said is right?"

Tianhe Shengzi and others shook their heads immediately, "Young Master Yin, don't bring me, we are not very familiar with you, thank you!"

After speaking, everyone retreated to the side, and at the same time hurriedly looked at Qin Chen, as if explaining to Qin Chen that they were not familiar with this young master.

Made!

This idiot wants to take him to death with him, it's terrible!

Seeing the attitude of Tianhe Shengzi and others, Young Master Yin and Elder Yin Lose frowned.

At this moment, they also feel something is wrong! Qin Chen looked at Young Master Yin and Elder Yin Deficiency, and said lightly: "Two, I asked Fairy Divine Phoenix, I didn't ask you?"

Elder Yin Yi looked at Qin Chen, "Young man, don't you think you talk a lot of bullshit? You talk \*\*\*\* all the way!"

Qin Chen glanced at him and said lightly, "Is it related to you?"

Hearing this, Elder Yin Yin narrowed his eyes slightly, "Fairy Divine Phoenix, is this younger generation you brought so uneducated? I don't know where it came from. It's better to say it and let the old man teach him a lesson for this guy's elders."

A sharp light flashed in the eyes of Elder Yin Deficiency.

He was able to serve as the elder of the Xuanyin Sect, and he was naturally not an idiot. He could feel that everyone's attitude towards Qin Chen was not right, so when he said this deliberately, he wanted to find out the identity of Qin Chen from the mouth of the fairy phoenix.

In this Heiyu Continent, there were not many forces that his Profound Yin Sect could not provoke.

Everyone: "..."

Could not help but retreat more.

Fairy Divine Phoenix looked at Elder Yin Deficiency's eyes, also a little speechless, shook his head and said, "I don't know the origin of this person."

Shengzi Tianhe and the others also nodded, they really didn't know the origin of Qin Chen.

"You do not know?"

Elder Yin Yi frowned, is this guy an idiot?

How can this group of people, who are so close to this person, not know the origin of each other?

"Haha." Elder Yin loss sneered: "Is it so mysterious? That elder wants to know how extraordinary this son is."

boom!

The horrible breath of heaven suddenly filled the body of the elder Yin Deficiency.

On the side, Fei evil suddenly looked at Qin Chen, his eyes cold, with killing intent permeating, just waiting for Qin Chen to speak.

He now felt more and more that Qin Chen's temper was really good. As an emissary, he was so gentle and elegant, if other people were ridiculed so much, he would have killed him a long time ago.

Among the Dark Clan, that is extremely cruel.

"Hahaha."

At this time, the Young Master Yin who was next to Elder Yin Defeat suddenly laughed: "Elder Yin Lose, why is this person worthy of your action? It just happens that Young Master has just broken through the retreat, let me come."

As he said, Young Master Yin took a step forward and looked at Qin Chen, "This friend, everyone is a Tianjiao, why don't we discuss it?"

Qin Chen said indifferently: "Compare with me, are you worthy?"

Young Master Yin's face suddenly became gloomy and frowned, "Your Excellency, is it too much? Isn't this not giving the Young Master face?"

He also saw that Qin Chen seemed to have some problems, so he wanted to turn it around by discussing it. If Qin Chen's strength is not strong, he will kill him directly. If Qin Chen is extraordinary, then he will figure out the identity of the other party before speaking.

But who knows, Qin Chen doesn't give him face so much.

But Qin Chen glanced at him disdainfully: "face, do you have it?"

His eyes were high, a arrogance spread from his bones, directly permeating.

Ignore each other.

This made Young Master Yin's face instantly flushed.

Shengzi Tianhe and others also looked at Young Master Yin speechlessly, this guy is fine to cause any trouble, and it is boring to find himself.

"you wanna die."

The young master was angry.

He was the young master of the Xuanyin Sect, when he was so despised by others.

Suddenly, Young Master Yin sneered: "The Young Master wants to know, what courage each has to say this."

Before the words were over, the Young Master Yin suddenly disappeared in place, and went straight to Qin Chen's door with a punch!

boom!

The sky was so overcast, it turned into a dark savage beast that reached a height of ten thousand meters, and it rushed towards Qin Chen directly.

Get started first!

Countless life and death experiences made him understand that when fighting an opponent, don't talk nonsense!

A word of nonsense, you may kill yourself!

And he just found the right time for Qin Chen to speak, he knew that the man in front of him would never know that he would shoot directly!

With this punch, Young Master Yin did his best!

His purpose is very simple, one shot to kill, than to give Qin Chen any chance!

When his fist came to Qin Chen's door, Qin Chen's expression was surprisingly calm, and he didn't mean to make a move!

Seeing this scene, Young Master Yin suddenly felt panic, and instinctively told him that something was wrong, but at this moment, he had no retreat!

kill!

Young Master Yin flashed a touch of hostility in his eyes, and the dark power in his body surged wildly, doing his best!

"Roar!"

This dark savage beast uttered a terrifying roar,

Just as the dark brutal beast he blasted out was about to hit Qin Chen, the dark brutal beast suddenly roared, exploded, and disappeared in an instant.

Young Master Yin is a little confused, what happened?

His fist also stopped at the center of Qin Chen's eyebrows, and he couldn't let it down.

what happened?

Why did I stop?

The next moment, his pupils suddenly shrank.

Seeing Qin Chen suddenly raised his hand and grabbed his throat directly, Young Master Yin hurriedly wanted to avoid, but he found that no matter how he hid, the palm of the other party followed closely, always in front of his neck.

In the end, with a bang, Young Master Yin was suddenly picked up by Qin Chen, like a chicken with no power to bind a chicken.

He panicked instantly.

"Elder Yin Yin, save me."

Young Master Yin roared.

"Presumptuous, let go of Young Master Yin!"

Upon seeing the situation, the elder Yinfei roared abruptly, and the next moment, he disappeared directly in place.

Not far away, Feiye frowned, and his body suddenly disappeared.

boom!

A thunderous roar sounded, and before the Yin Deficiency Elder appeared in front of Qin Chen, he was stopped by a figure and directly flew out a thousand feet away.

Elder Yin Deficiency stabilized his figure in the void, frowning in disbelief and looking at Fei evil, "You...Tianzun?!"

Young Master Yin also looked at Qin Chen in shock: "You actually have Tianzun guards?"

Qin Chen glanced at Young Master Yin, "Are you surprised?"

The young master's face was a little ugly, "Who are you?"

It would not be an ordinary person in Heiyu Continent to be followed by a master of the Tianzun level.

The elder Yin Yi looked at the Young Master Yin being carried by Qin Chen and the non-evil who was in front of him, and said solemnly: "This is a misunderstanding, do you have something to discuss?"

"Discuss your mother!"

Fei evil suddenly yelled and blasted out a punch.

Who is the one to discuss with you, and has been pretending to be coercive in front of the emperor along the way, so that the emperor has a good temper. Let you till now, who is the one to discuss with you.

In the distance, the Yin Yin elder's face changed slightly, his eyes were slightly narrowed, and a black short spear suddenly appeared in his hand. The next moment, he slammed in front of him.

boom!

The fist was shattered, but the elder Yin Lose retreated far and wide again. Not only that, the short spear in his hand was directly smashed by the non-evil fist.

Seeing this scene, the complexion of Elder Yin Yin suddenly became difficult to look.

The guy in front of him is so terrifying in strength.

Where is the Tianzun master?

At this moment, non-evil in the distance suddenly disappeared in place.

Boom boom boom! A wave of fist light suddenly appeared from the void, pouring out like an ocean toward the Yin Deficiency Elder.
