

Valkyrie 4661

[Chapter 4661: No one can stop](#)

"Fairy Divine Phoenix, please get rid of the relationship with this person. This person killed Prince Qilin. Now Prince Qilin is on this Tongtian Peak. He and many strong talents want to welcome Sikong Venerable Girl. If you know that this person has come to Tongtian. On the peak, he will definitely cut him off

Kill, if you stand with him, you may not escape the wrath of Prince Qilin. "

In the end, someone coveted the beauty of Fairy Divine Phoenix and couldn't help but remind.

"What? Senior female Sikong?"

Hearing that, everyone on the scene shook violently. This is a name with a reputation, and almost no one in the entire Heiyu Continent was overwhelmed by it.

What also shocked Tianhe Shengzi and others was the news of Prince Qilin, who was actually on the Tongtian Peak.

Everyone looked at each other, and there was a look of horror in their eyes.

The prince of Kylin, the prince of the Kylin Kingdom, the heir to a supreme Kingdom of God, such a figure is definitely not something they can fight against. If they dare to fight against each other, once the other party becomes angry, I am afraid that they don't know how they died.

Even their family did not dare to target the Kylin Kingdom at all.

For a while, everyone looked at Qin Chen, in order to make friends with this person, offending Prince Qilin, is it really worth it?

Everyone hesitated in their hearts.

Qin Chen ignored everyone's hesitation and anxiety, but walked straight up the mountain, as long as he didn't make a mistake.

Regarding the arrival of the female Sikong Zun, Prince Qilin, he didn't care at all. He came to Tongtianfeng to observe the world, locate the dark ancestors, and lock the position of the demon soul source device.

Other people, what to do with him?

"Stop, Prince Qilin, Ming Ye Shizi and others are waiting for the distinguished guests on Tongtian Peak. You can't go up here."

Before Qin Chen walked up to Tongtian Peak, the few Tianjiao glanced at each other and drank hurriedly, with a ferocious expression.

They had offended Prince Qilin before, and if they wanted to survive, they had to perform, and blocking Qin Chen was undoubtedly the best performance.

Qin Chen glanced at a few people lightly: "Get out!"

boom!

A terrible breath rushed on several people, and they all flew out immediately, kicking to the ground one by one, with a frightened expression.

"If you stop again, kill without mercy."

Qin Chen snorted coldly, ignoring several people.

Only then did a few people react, this guy in front of him, but the fierce **** who killed Prince Qilin not long ago, they dare to go up and stop him, isn't this looking for death?

Not far away, Fairy Divine Phoenix and others were struggling and hesitating. Seeing that Qin Chen was still so arrogant at Tongtian Peak, they couldn't help gritting their teeth. Fairy Divine Phoenix, Holy Child Tianhe and the empty space, hurriedly followed Qin. dust.

"My lord, go slowly."

The three of Fairy Divine Phoenix came to Qin Chen's side instantly, saying: "Let's lead the way for adults!"

Talking and walking in front of Qin Chen.

"Oh? You are not afraid of Prince Qilin?"

Qin Chen smiled, looking at the three with a smile. At this moment, these three did not take the initiative to escape, so they dare to come up? The fairy phoenix smiled slightly and said: "My lord is joking. Prince Qilin is the prince of the Kingdom of God, the heir to the Supreme Land. How will I not be afraid? However, in the dark tree before, it was the Prince Qilin who chattered endlessly. Guilty

Yes, there is no reason for Prince Kirin to retaliate. "

"What's more, I am waiting to voluntarily come to this dark ancestral land with the adults. Even if I encounter danger, I can't abandon the adults and leave alone. Adults, do you think?"

Fairy Divine Phoenix smiled, but her heart was uneasy.

Because she knew that she was betting that Qin Chen could fight Prince Qilin, otherwise, she was afraid it would be in danger.

Prince Kirin will definitely not let go of anyone related to Qin Chen.

But she couldn't help it. If she left now, everything she had invested in Qin Chen before would have been given up. The most important thing is that Prince Qilin's death actually has something to do with her. If it weren't for her, Prince Qilin would come to the dark stone platform, so even if she left Qin Chen, Prince Qilin would most likely find her trouble. That being the case, why

Don't you continue to hold Qin Chen's thigh tightly?

"is it?"

Qin Chen smiled.

These three people really dare to gamble.

However, he didn't say much, just said indifferently: "Then go."

"Yes, my lord."

Fairy Divine Phoenix smiled, and the three of Tianhe Shengzi and Huaikong walked ahead to lead Qin Chen.

The three were worried, but they also knew that this was their only opportunity, and they became more determined in their hearts.

It's a big deal.

Behind, Feiyao glanced at the backs of the three Divine Phoenix Fairies, and couldn't help sighing slightly.

These three guys are really lucky, and they bet right.

Prince Qilin, although his status is noble, comes from the kingdom of Qilin, the supreme land, but how can he be compared with the lord of the emperor, the lord of the emperor is the royal family of the ethnic group, even if the Lord Sikong sees it, he dare not neglect, how can he allow the prince of Qilin act wildly?

Fei evil glanced at the back. The rest of the many Tianjiao who had followed Qin Chen all the way, after learning about the situation of Tongtian Peak, gave up following Qin Chen, can only say that these people have narrowed their paths.

Since it is an investment, you must be decisive and resolute. If you hesitate and get off the bus halfway, you will not only give up your previous efforts, but you will also be unable to achieve anything in the future.

Adversity, isn't it the time to see the true heart?

A group of people walked forward all the way.

Gradually, a few people saw some sights on the top of the mountain peaks in the distance.

Moreover, some Tianjiao figures actually walked down from the top in embarrassment, seeming to be driven away.

"How many people, what happened to this?"

Fairy Divine Phoenix immediately stepped forward and asked, these few Tianjiao are just ordinary Tianjiao, and their cultivation bases are not very strong.

"Are you... Fairy Divine Phoenix?"

The man glanced at Fairy Divine Phoenix and couldn't help being surprised. He had to say that Fairy Divine Phoenix was very famous and many people knew her. This person hurriedly bowed his hand in a salute, and then said bitterly: "Fairy Divine Phoenix doesn't know something, because Venerable Sikong

is about to come, Ming Ye Shizi and the kings and arrogances have already begun to clear the scene. I and other common forces' tianjiao, there are some Weaker

The strong man drove down Tongtian Peak. "

It is not surprising that Ming Ye Shizi, Prince Qilin and the others want to clear the field, but they want to welcome the arrival of Sigong Venerable Girl, so naturally they don't want some miscellaneous fish to come in.

What's more, for many top power experts in Heiyu Continent, it is not an ordinary thing to see her boss Kongzun female once, and no one wants to be robbed of the limelight.

Precisely because of this, even if Ming Ye Shizi and Prince Qilin had no such plans, these top powers of Heavenly Venerable powerhouses would drive down the small power Tianjiao on Tongtian Peak.

"grown ups?"

Fairy Divine Phoenix and others turned their heads to look at Qin Chen.

At this moment, those people noticed Qin Chen behind and couldn't help but startled, who is this person? Qin Chen smiled faintly, and said, "Where I want to go, no one can stop me yet."

[Chapter 4662: Fear no one](#)

As soon as Qin Chen said these words, he immediately shocked the other people present. Who is this guy, and he said so?

Fairy Divine Phoenix is also a little bit in her heart, she vaguely feels that something big is about to happen.

"Let's go."

Without waiting for others to speak, Qin Chen immediately walked towards Tongtian Peak.

Below the top of Tongtian Peak, there have long been Tianjiao strong guards, not to mention ordinary small forces Tianjiao, ordinary Tianjiao and strong, if they have no reputation and status, they are not allowed to climb the Tianjiao Peak, they will be stopped. .

"Stop, who made you come up? Don't get out yet."

Seeing Qin Chen and others coming up, the guard standing at the door immediately shouted. On the top of this mountain, there is only one guard, because the people on the mountain know very well that the so-called guard is just a gesture. In fact, they are driven off. How can those geniuses who do not meet the standard dare to challenge them, even if no one is watching

Shou, no one will come up.

As soon as the man opened his mouth to scold him, he suddenly shot out with a palm.

boom!

A palm print was instantly imprinted on the person's chest, and the person flew out.

"My lord, please."

Fei evil said respectfully to Qin Chen.

The rest of the Tianjiao and the strong behind were stunned. What a fierce man, is this?

It's up to the owner to beat the dog. As soon as this guy came up, he left the Prince Qilin and the others here to guard the celestial arrogant. This is simply not a face.

When everyone came, they didn't leave. They came together one by one.

Fairy Divine Phoenix smiled bitterly, seemingly afraid that he could no longer be kind.

But since she had decided to bond with Qin Chen, she naturally couldn't shrink back.

A group of people came to the top of the mountain in an instant, and even the cleaning Tianjiao secretly followed.

"Who is making noise on Tongtian Peak, looking for death?"

The mighty scene here instantly attracted the attention of many people present, and Ming Ye Shizi suddenly screamed and walked up.

"Ming Ye Shizi, this person is ignoring the rules and forcibly going to the Tongtian Peak."

The disciple who was flew out by the non-evil shock said angrily. "What? What a courage? Huh? Fairy Divine Phoenix? Holy Son of Tianhe, a conceited son? How many of you? Who gave you the courage to come up, is this a place where you can come? Roll down for this son, Or kneel here obediently, begging Prince Kirin's forgiveness, otherwise it is impossible to escape punishment. "

When Ming Ye Shizi looked over, he could not help but sneered coldly when he saw that it was a few people from the Divine Phoenix Fairy.

Tianhe Shengzi and others are just ordinary Tianjiao, he naturally ignores it. As for the Divine Phoenix Fairy, although he is beautiful, he is also famous in Heiyu Continent. There are even many kings Tianjiao who are interested in her, and Mingye Shizi is naturally no exception. .

However, today is the day when the female Sikong Zun arrives, and there is Prince Qilin in charge, so naturally he will not spoil his image in the eyes of Prince Qilin and Zun Sikong because of a little beauty.

"People around this young man, when is it your turn to yell."

Just when the Son of Tianhe and the others were afraid to speak, Qin Chen's leisurely voice sounded.

At this moment Qin Chen walked up and glanced around lightly.

"who are you?"

Ming Ye Shizi frowned and snorted coldly.

At this time, Ming Ye Shizi saw the few Tianjiao behind Qin Chen who were assigned to clean up the dust on the Tongtian Peak, and suddenly became furious, "You guys, who made you come up?"

"Sir, this person is the one who killed Prince Qilin on the dark stone platform..."

One of Tianjiao hurriedly spoke.

"A good dog doesn't stand in the way, go away."

Naturally, Qin Chen didn't bother to pay attention to their conversation, and gave a cold shout to Ming Ye Shizi. At this time, his eyes fell on the cliff on the top of the mountain, which was the best place to observe the Dark Ancestral Land.

"What? He killed Prince Qilin?"

Ming Ye Shizi was taken aback and looked at Qin Chen in amazement.

"Don't get out yet?"

Qin Chen didn't bother to look at each other.

"You... are looking for death! There are things that don't know whether you live or die. Today, the strong gather and the arrogance gathers. How can you be presumptuous!"

Ming Ye Shizi was still a little frightened when Qin Chen killed Prince Qilin. At this moment, Qin Chen scolded him like this, and his heart suddenly became furious.

He is also the eldest son of the Mingye family anyway, when has he been scolded like this? Coupled with the fact that Qin Chen is so young, the evil in his heart suddenly grows out of courage.

boom!

Ming Ye Shizi suddenly raised his brows and grabbed Qin Chen with a big hand.

Now that Prince Kirin is here, if he can capture the opponent, he will not only increase his prestige, but also win the attention of Prince Kirin, and win the favor of Prince Kirin, killing two birds with one stone and killing two birds with one stone.

Of course, he didn't care about it either. Although he shot, he came up with full strength, rumbling, the sky and the earth shook, as if thunder was surging, the stars were falling, and a scene of doomsday coming.

In his opinion, even if Qin Chen really killed the existence of Prince Qilin, under his attack, he would temporarily avoid the edge.

Qin Chen frowned, but didn't make a move, just glanced at Feiye.

If he didn't say anything about evil, he shot directly, and with a bang, a huge palm came out.

boom!

The terrifying attack performed by the Ming Ye Shizi was directly shattered, and the whole person was flew out in an instant, with a shocked expression on his face.

how come...

He couldn't believe it, his expression was frightened, and his figure hurriedly backed away, but it was no evil that a huge palm rumbling over came.

"Are you Tianzun?"

Ming Ye Shizi yelled and banged, and a terrible breath rose in his body. With a hum, he saw terrible runes lingering around his body, forming a black shield.

The **** hand fell, squeezing the black shield directly into the air.

With a bang, Ming Ye Shizi was flew out, spouting a mouthful of blood, his breath instantly wilted, and the big hands of non-evil continue to crush him.

This person dared to do something to the emperor's lord, the crime deserves death.

Seeing that the big hand of non-evil was about to capture Ming Ye Shizi, suddenly, a black streamer shot from a distance, with a bang, directly exploded the big hand of non-evil, and disappeared in smoke.

"His Royal Highness Prince Qilin."

With blood on the corners of Ming Ye Shizi's mouth, he hurriedly backed away.

Behind him, a group of extraordinary people walked out slowly, and the leader was Prince Qilin.

The non-evil eyes condensed, this Prince Qilin is indeed an emperor's arrogant, a mighty man, and at a young age, he is actually a Tianzun.

"grown ups."

No evil face retreated to Qin Chen's side with an ugly face, he was naturally upset in his heart because he could not win the opponent.

"Tianzun?"

Prince Kirin's gaze fell on Fei'e, and a cold light flashed in his eyes.

It can be seen that a Tianzun can be an entourage, and the origin of the other party is also extraordinary. However, Prince Qilin was not afraid, because he had enough confidence to fear no one in this Heiyu Continent.

[Chapter 4663: Inspector](#)

"It's just a little Tianzun, so I dare to be wild at my Tongtian Peak, so courageous, do you really think Tianzun is very strong?"

Prince Kirin snorted coldly, looking at the non-evil face with disdain.

"Humph."

Feiye snorted and took a step forward, his eyes cold and not afraid.

Tianzun is strong in the eyes of ordinary people, but in the eyes of a royal-level arrogant such as Prince Qilin, it is nothing. However, he is not evil, not an ordinary Tianzun, but an inspector of Sagong Holy Land.

Sagong Holy Land is one of the masters of this Heiyu Continent, and it is not evil that it has such confidence.

Prince Kirin frowned, this person is not afraid of himself, so bold.

Prince Qilin looked at Ming Ye Shizi: "Why do you conflict with this person."

"His Royal Highness Prince Qilin, this person is the murderer who killed Prince Qilin. The subordinates have seen the enemy of the Prince Qilin. They can't wait to get ahead and capture this scorpion. But who knows that this person is protected by a master, so..."

Ming Ye Shizi hurriedly spoke.

what?

As soon as this remark came out, the audience was shocked, and everyone looked at Qin Chen in shock.

Was he the one who killed Prince Qilin?

He killed Prince Qilin and dare to come to Tongtian Peak. Isn't he too courageous?

"You killed the eighteenth brother?"

Prince Kirin's eyes instantly became cold, a fierce breath surged, and the world changed color instantly: "Your Excellency kills wantonly in Heiyu Continent. Are you afraid of being punished and punished?"

He was murderous and powerful.

Fairy Divine Phoenix took a step forward and hurriedly said in a solemn voice: "Prince Qilin, Prince Qilin insisted on doing something with adults. The adults have already tolerated so much that they can only do it in desperation!"

"Without any choice?"

Prince Qilin looked at Fairy Divine Phoenix coldly: "You are the Fairy Divine Phoenix, remember that the eighteenth brother admires you quite a bit. His purpose in going to the dark stone platform is to find you? He is dead, why are you? Don't die?"

Prince Kirin walked out step by step, and a terrible breath rose from his body, with a bang, and the rolling power was like a vast ocean, instantly spreading out and swept towards Qin Chen.

This breath was just spreading, and the oppressed Fairy Divine Phoenix and others couldn't breathe before it completely arrived.

"Om."

Non-evil shines on his body and moves forward.

"Prince Kirin, pay attention to your attitude, and please don't make mistakes."

Fei evil frowned and said.

Prince Kylin, the descendant of the Kylin Kingdom, the true emperor Tianjiao, is also considered to be extremely famous under the command of Sagong Holy Land.

Even, Fei Ei had heard that the ancestor of the Kylin Kingdom deliberately brought the Prince Qilin to Sagong Holy Land. Such characters, Fei Ei naturally did not want him to conflict with Qin Chen, so he deliberately stepped forward to dissuade him.

"Hahaha, what are you? Need this prince to pay attention to his attitude?"

Prince Kirin snorted coldly.

Non-evil brows wrinkled, and the power of Heavenly Sovereign pervaded his body.

"Huh?" He dared to stand in front of him when he saw that he was not evil, and Prince Qilin's face suddenly sank, and a terrible breath filled his body.

There was a boom.

Hearing the sky trembling, countless unicorn divine light surged between the world and the earth, with murderous aura. This terrifying divine light instantly attacked and smashed towards the non-evil.

At this moment, the Prince Kirin just stood there, and there was an astonishing aura shock, the imperial aura, and the domineering power between his behaviors, as the descendant of the Supreme Divine Kingdom, he had an aura that matched his status.

When he snorts coldly, it gives people a sense of coercion, as if the emperor descends, the emperor is mighty. The non-evil yelled, boomed, and put out his big hands. In an instant, countless heaven-shaking powers of Heavenly Sovereign swept out in an instant, trying to explode the divine light of the unicorn, but the astonishing roar continued to resound. Non-evil stature is even relentless

Back.

"It deserves to be Prince Kirin, too strong." "These guys, who don't know where they are idiots, dare to make trouble with Prince Kirin, don't he know that Prince Kirin is a figure of the emperor, and, long ago? Has broken through to the realm of Tianzun

Zun, is not the opponent of Prince Kirin at all. "

"Don't say it is an ordinary Tianzun, even if it is a veteran Tianzun, Prince Qilin is a descendant of the Supreme God Kingdom. He has the supreme teaching and can go against the sky. Against him, it is tantamount to seeking a dead end."

Around, many Tianjiao and strong people were amazed and sighed with emotion.

Boom boom boom.

On the Tongtian Peak, the non-evil retreated again and again, and it was difficult to parry under the light of the Qilin Prince's Qilin.

It should be understood that this unicorn divine light was condensed by the supreme ancestor of the unicorn kingdom of the gods, the prince Qilin did not need to be urged, just the coercion escaping at will, can kill the general god.

As the captain of the patrol envoy, Fei Yi had extraordinary strength, but in the face of such arrogance, he was still a little incapable and supported.

This made the Divine Phoenix Fairy, Tianhe Shengzi and others clenched their fists and looked nervous.

It should be understood that now they have all their lives pressed on Qin Chen, and if Qin Chen is defeated, they may not escape death.

"Prince Kirin, please don't make mistakes."

Non-evil roared, extremely angry in his heart.

He was finally in favor of the emperor, but he was provoked again and again, first the prince Qilin, then the young master, and now what kind of prince Qilin.

In addition, Qin Chen never took the initiative in the whole process, and every time it was someone else who came up to provoke him.

These bastards, what madness?

Even the emperor is so low-key, what are these bastards?

He also made himself lose face in front of the emperor's lord, which is simply hateful.

"It's self-defeating? It depends on you?"

Prince Kylin snorted, his eyes narrowed, and he waved his hand violently and banged, and the power of blood was integrated into the divine light of the unicorn. Suddenly the power of the divine light of the unicorn soared, and the non-evil violent earthquake flew out.

boom!

The robes of the non-evil body shattered, and blood spurted out of his mouth, embarrassed.

"Huh, but so."

Prince Kirin stepped forward, his eyes cold: "Tianzun is nothing more than that, is it amazing? The Tianzun killed by this prince is not one or two.

As the Prince Kirin said, his big hand reached out, the Qi of the Kirin flooded the world and shook the ages.

"You are looking for death."

Fei evil was completely angry, he roared, and a piece of armor appeared on his body in an instant, and he slammed a punch against the giant hand.

With a bang, Feiye's whole person was blown out again, and the void behind him burst directly, but the big hand was also exploded by his punch.

However, the armor on his body glowed, blocking the blow instantly, making his body stable.

"Huh? Inspector?"

When everyone saw the armor on Feiye's body, their pupils suddenly shrank. Even Prince Kylin's eyes were fixed.

[Chapter 4664: Too kind](#)

Inspectors, from the three top powers, patrolled the Heiyu Continent, the real power is in the sky, and the masters of ordinary forces dare not fight against the inspectors at all.

Because offending the inspector is equivalent to offending the three top powers.

Therefore, most people don't dare to fight with inspectors at all.

"My lord, you are here at ease, and the subordinates will settle this matter for you today."

Fei evil wiped the blood from the corner of his mouth, and said fiercely.

Suffocated, too suffocated.

Really anyone dared to run wild on his head.

If you don't solve this problem for Qin Chen today, how will the emperor trust him in the future? As a big man, everyone hopes that the subordinates they find are masters who can be on their own, not just a waste.

boom!

The law of Dao and Dao is inspired by the non-evil body, and the heaven and the earth appear like dark stars, each falling down.

On the side, Fairy Divine Phoenix and the others all took a breath of air at this moment, looking at it in disbelief.

The servant who had been following that guy turned out to be the inspector of Heiyu Continent.

hiss!

Ombudsman, that is the ancestors of their family and they all have to respectfully exist.

Who is this guy in front of me? Is it one of the three top powers?

But when everyone was breathing in the air, Prince Qilin snorted coldly, squinting at Feiye.

"You want to settle things here?" Prince Qilin sneered, and deep in his eyes, there was a trace of contempt: "Looking at the armor system on your body, you should be an inspector under Sagong Holy Land? It's just an early peak Celestial Venerable, top Oh my god, it's just a small captain,

You said, what qualifications do you have to settle things here? "

Prince Kirin stepped out step by step, and a stream of light rose up above the ground, setting off him incomparably majestic.

Every time he walked out, there were shocking runes and auras rising into the sky, covering the non-evil and binding him firmly.

Everyone was shocked when they heard this.

How dare Prince Kirin challenge the inspectors of Heiyu Mainland?

But when I thought about it, everyone was stunned again.

Prince Kirin did have such confidence to speak.

The Kylin Kingdom is the supreme Kingdom of God, and it has a very close relationship with the Holy Land of Sagong. It is said that the ancestor of the Kingdom of Kylin was a mount under the ancestor of the Holy Land of Sagong.

Don't underestimate the identity of the mount. It seems that the bottom is the closest person to the ancestor of Sagong Holy Land. Therefore, after the ancestor of Sagon Holy Land let him go, the reason why the ancestor of the Kylin Kingdom of God was able to establish a huge kingdom of God.

It is also because of the help of the ancestors of Sagong Holy Land.

Although the inspector in front of him was also under the command of Sagong Holy Land, representing the majesty of Sagong Holy Land, if the other party was just an ordinary person, Prince Qilin would naturally be fearless.

After all, Kylin ancestor, that is also the existence that can communicate with the high level of Sagong Holy Land.

"Your Excellency killed my prince of the Kylin Kingdom of God. Even if it hits Sagong Holy Land, this prince is not afraid. Who do you think you are?"

Prince Qilin snorted coldly, stepping forward step by step, his body is getting more and more vigorous, he has a unicorn divine light blooming in his body, every step down, there is a unicorn roaring to the sky, exuding aura, shocking non-evil keep backing back and forth again and again .

Feiye's face was ugly, but he never said Qin Chen's identity, because if he had said Qin Chen's identity, he would have taken advantage of it, and he was afraid that it would arouse Qin Chen's dissatisfaction.

"Fairy Divine Phoenix, are you still obsessed with not enlightening? What benefits can there be by following this person? If you abandon the dark and turn to the bright, perhaps Prince Qilin will spare you a way out."

Beside that Prince Qilin, there was a strong man with extraordinary aura. His aura was stronger or not weaker than that of non-evil. He was definitely a master of heaven, he said with a sneer.

"Yes, Fairy Divine Phoenix, your ancestor and this seat have some connections. Don't be obsessed with understanding."

"There is also the Son of Tianhe, against the Prince Qilin, what are the consequences for you? For this kid, do you want to put your people in danger?"

At this moment, there were loud shouts, all of them were the strong Tianjiao around Prince Qilin, high above them, and yelled at them.

"What are you talking nonsense with them?" Ming Ye Shizi sneered and said to Prince Qilin: "Your Royal Highness, just destroy them."

Prince Qilin glanced at Ming Ye Shizi coldly, "Does this prince do something, do you need your instructions?"

"This..."

Ming Ye Shizi was startled, his expression instantly panicked: "This is not what I mean."

The master behind Prince Qilin glanced at Ming Ye Shizi, and reprimanded: "Ming Ye Shizi, your Royal Highness must follow his heart in doing things. How can you not allow you to put your beak."

Ming Ye Shizi's face suddenly turned pale and red. After this person scolded him, he looked at no evil again, and said coldly: "Your Excellency, you are not only a person of Sagong Holy Land, but you also know the identity of Prince Qilin. The relationship between the kingdom of Qilin God and Sagong Holy Land is irreversible. If you disobey Prince Qilin, you are not afraid of suffering. Are you punished? Not happy yet

Back to the shore? "

Feiye's face is stern, "It's you who should turn back to the shore? I warn you, don't bring disaster to the Kylin Kingdom."

"You have a big tone." Ming Ye Shizi instantly became angry, "Prince Qilin, listen, this person is too arrogant."

"Huh." Prince Qilin snorted coldly, with a murderous look.

"Shut up." The strong man behind Prince Qilin yelled coldly: "Ming Ye Shizi, how can you speak here."

When the voice fell, the person suddenly stopped Prince Qilin.

"His Royal Highness stays at ease."

This old man had an extraordinary momentum. He stared at Qin Chen with deep eyes, but saw that Qin Chen just stood there lightly from beginning to end, as if the conflict here had nothing to do with him. At this time, the old man stared at Qin Chen and Feiyi, and then slowly said to Prince Qilin: "His Royal Highness, today is the visitor of Sikong Zun. It's a rare event. It's a big event. Don't destroy it because of a few ants. Event, not as good as, for the time being

Sparing a few of them, and after the lady is gone, it is not too late to teach this person again. "

"His Royal Highness Prince Kirin, what Elder Mo said is right, welcome the respected woman and kill these ants, but it's just a matter of fingertips, why rush for a while."

"Now that the lady is about to come, Your Highness, it's better to prepare for life, don't start the killing ring."

There are also others around to discourage.

"Huh, nothing."

Seeing so many people around him speaking, Prince Qilin's eyes flickered several times, and finally he just snorted coldly, and said to Qin Chen coldly: "Boy, you have to be careful, you kill my eighteenth brother. This matter is absolutely endless."

When the voice fell, Prince Kirin condensed his breath, turned and left, ignoring Qin Chen and his party.

This sudden scene made Fairy Divine Phoenix and even Ming Ye Shizi and others look stunned.

What is going on...

His Royal Highness Prince Kirin actually stopped? Is this too kind?

[Chapter 4665: Guess location](#)

At this moment, everyone was shocked.

Especially the people of Fairy Divine Phoenix, they all looked dumbfounded.

Before, their nervous heart was about to hang in their throats, but who knows, the peaks turned, and in a blink of an eye, Prince Kirin actually let them go.

This made a few people feel relieved inexplicably.

At the same time, after regaining his senses, I realized that I was chilly, and my back was soaked in cold sweat.

The dignified Tianjiao characters would actually be so scared that they would spread out in a cold sweat, fearing that they would lose face, but the Divine Phoenix Fairy did not feel the slightest embarrassment.

It is extremely difficult to survive.

"My lord, my subordinates are incompetent, and the adults are frightened. If this Prince Qilin makes a move, the subordinates desperately die, and the adults won't be hurt at all."

Fei Ye returned to Qin Chen's side at this time, with a respectful look and lingering fears.

He couldn't help but breathe a sigh of relief. Fortunately, Prince Qilin had stopped, otherwise, once the battle started, he was afraid it would be difficult to resist.

"Don't worry, this Prince Kirin will never make a move."

Qin Chen suddenly smiled faintly.

He was stunned, and he looked at the puzzle: "My lord, why do you say that?"

Fairy Divine Phoenix and the others also looked over in doubt, and didn't understand the reason for Qin Chen's words.

Qin Chen smiled without explaining.

Because he had already noticed that people like Prince Kirin seemed reckless, but in fact they were extremely cautious, and liked to make decisions.

Although with the status of the Kylin Kingdom of God, it is indeed possible not to be afraid of evil.

But it's not evil at all, he is the inspector of Sagong Holy Land, and he is so respectful to himself, before he can figure out his own details, Prince Qilin will never do it easily.

Only after you thoroughly understand your threat, will you decide how to deal with it. He reprimanded him repeatedly before, and his purpose was to panic them and expose their identities. It's a pity that Fairy Divine Phoenix didn't even know their identities, and even he did not dare to say their identities.

The child's means fell through.

Such a person, Qin Chen had already seen through.

Not only Qin Chen, but the few people behind Prince Kirin had already seen through, so they spoke to Prince Kirin in this way, in order to get him down a step.

With a calm expression, Qin Chen ignored Prince Qilin and others, and walked straight to the cliff on the side of Tongtian Peak, which was the best place to observe the entire dark ancestral land.

"Humph."

On the other side, Prince Qilin looked at Qin Chen with gloomy eyes.

As Qin Chen expected, Prince Qilin appeared restrained. Apart from the fact that he managed to organize such a ceremony to greet the lady of Sikong and didn't want to mess it up before it started, the bigger reason was that he was a little bit unable to see what was in front of him. Qin Chen.

Under his gaze, Qin Chen came to the cliff on the side of Tongtian Peak and looked up at the dark ancestral land in the distance.

In front of him, the entire dark ancestral land was shrouded in darkness, hazy and indistinct, but because of the towering Tongtian Peak, Qin Chen was able to observe more than half of the dark ancestral land.

In the dark ancestral land, ancient blood tombs stand up, and each blood tomb exudes a palpable aura, standing like stars in this dark ancestral land.

Looking along the line of sight, you can see the depths of the dark ancestral land in the distance. There is a terrible source of darkness surging like an abyss, which makes your heart palpating.

Qin Chen was concentrating, his eyes seemed to be able to see through endless vain, and his heart was awe-inspiring.

He faintly felt that in the depths of this dark ancestral land, there was definitely something extraordinary, even a taboo-like existence.

Even Qin Chen seemed to see a palace from the endless darkness, looming.

Is it the palace of Sagong Zhen?

Qin Chen frowned, that palace was suspended above a sacred mountain, because the distance was so far that people couldn't tell the clues.

But it can be seen that the location of this palace and the blood tomb that will be ruined in the distance below are obviously on the same line, and there is a special aura lingering.

In a short period of time, Qin Chen could not see the connection between the two for the time being, but Qin Chen was certain that this ruined blood tomb was here, definitely not occasionally, but for some special reason.

Qin Chen's eyes gradually became serious. He looked up and saw that the end of the dark ancestral land merged with this piece of heaven and earth, and even formed a special existence with this Infinite Demon Prison.

"What is the purpose of the dark race?"

Qin Chen muttered in his heart, his face gloomy.

At this time, beside Qin Chen, Feiye's eyes widened and looked out, trying to follow Qin Chen's gaze.

However, they couldn't see through the mist in front of them at all, they were all confused, and they didn't understand what Qin Chen was looking at.

Although Tongtian Peak is said to be the highest mountain in the Dark Ancestral Land, most of the Dark Ancestral Land can be seen, but for hundreds of millions of years, countless powerful men of the Dark Clan have come here to try to find out some secrets in the Dark Ancestral Land. All came back in vain.

"Lord of the Deep Demon, can you perceive the location of the Demon Soul Source Tool?"

Qin Chen looked at it for a long time, and said to the Lord of Abyss Demon in the Chaos World.

"Master, give me some time, absolutely no problem." The Lord of the Abyss vowed, "Here, you can perceive most of the dark ancestral land, and the Demon Soul Generator, as the treasure of my Abyss Demon Clan, is definitely not anywhere. Can be preserved, only some special places can accommodate the existence of the Demon Soul Source Device and give it to subordinates

In a little while, the subordinates will be able to locate the approximate location of the Demon Soul Source Device. "

"well."

Qin Chen nodded, with a glimmer of expectation in his heart.

His expression was indifferent, he began to comprehend the structure of the entire dark ancestral land, and calculated Zhou Tianxingyan.

At this time, in the reception area on the other side, Prince Qilin and others looked at Qin Chen with cold eyes from time to time.

At the side of Prince Qilin, Ming Ye Shizi was indignant.

He didn't understand why Prince Qilin didn't kill the kid.

On the contrary, the old Mo and others who had spoken before were very clear about Prince Qilin's thoughts, and were a little confused about Qin Chen's background.

Because, they are considered to be the veteran powerhouses in Heiyu Continent, and there are a few that are also related to Sagong Holy Land, but they have never heard of such a character in Sagong Holy Land.

Sagong Holy Land is controlled by Lord Sikongzhen. Although it is one of the three powers in charge of Heiyu Continent, Sagong Holy Land has not actually sent many young disciples to Heiyu Continent.

Furthermore, they racked their brains and couldn't think of when there was such an arrogant in front of Sagong Holy Land.

However, the identity of the non-evil Sikong sacred land inspector, coupled with Qin Chen's method of killing Prince Qilin not long ago, makes people wonder that such a young man is really too arrogant. In addition, Qin Chen didn't have the slightest fear in front of Prince Qilin.

[Chapter 4666: Old cunning](#)

This has made some powerful people secretly guess that the young man in front of him may be the illegitimate child of a big man. Behind him is a force that is not weaker than the Kylin Kingdom, so he is so arrogant and domineering.

And the big figure behind him is likely to be related to Sagong Holy Land, so the inspector of Sagong Holy Land will follow him.

Many people think about it and think that only this kind of guess is the most reasonable and reliable.

It's a pity that everyone present didn't know the inspector in front of him, otherwise, they might know some clues.

In front of the cliff clearing.

Qin Chen stood there for a long time, suddenly waved, a chair appeared, Qin Chen just sat down and stared at the abyss in front of him.

At the same time, Qin Chen gave an order to Fairy Divine Phoenix, and Fairy Divine Phoenix hurriedly stood by, took out the charcoal stove, lit the fire, and began to make tea for Qin Chen with warm water.

After a while, the tea mist curled up, and Fairy Divine Phoenix offered Qin Chen a cup of fragrant tea.

Qin Chen sat quietly on the edge of the cliff, his gaze locked in the sky, and he gently sipped the fragrant tea, calculating something.

In his mind, the original void above the Dark Ancestral Land, all kinds of special general trends surged.

His eyes flashed with brilliance, as if everything was reincarnation, the sun and the moon were revolving.

Under his observation, Qin Chen had already discovered that the blood tomb of the dark ancestral land had a special connection with the general situation in the sky.

As long as it is based on the general trend of the dark origin in this void and the direction of the blood grave below, the trend of the entire dark ancestral land can be evolved.

At this moment, many strong Tianjiao were present, but Qin Chen was sitting alone on the edge of the cliff. He looked down upon the crowd and drank fragrant tea alone, as if he was the only one present on the entire Tianjiao Peak, which made all the strong Tianjiao present could not help but look at each other.

All the Tianjiao powerhouses present have never seen such an arrogant and high-profile person, and this guy in front of him doesn't put the people present in his eyes!

Seeing Qin Chen drinking by himself and drinking alone made many of the strong people present uncomfortable. Among the strong Tianjiao present, there were some powerful elders, high-level leaders, and even ancestors.

In their own forces, they are all beings who live above the ground in their own power on weekdays.

If it wasn't for welcoming the female Sikong, why would they need to be so condescending and humble. Fortunately, Sikongzun hasn't seen her yet, but she has a young man pretending to be in front of her, and she is still so arrogant, she simply ignores them, and doesn't treat them as people present at all. let them

How can I feel comfortable in my heart.

Especially the postures of Fairy Divine Phoenix and others made many people around them uncomfortable.

It should be understood that although the Divine Phoenix Fairy, Tianhe Saint Child, etc., do not belong to the King Tianjiao, they are also the top existences under the King Tianjiao. Even figures like Ming Ye Shizi have had dreams of the Divine Phoenix Fairy.

But the Fairy Divine Phoenix has always been arrogant and easy to look like a human face. Many of the heavenly arrogant kings on the Heiyu Continent have eaten the deflation of the Fairy Divine Phoenix.

But now, the fairy goddess of the gods and phoenix in everyone's minds is actually like a maid, making tea for Qin Chen, which makes everyone feel very uncomfortable.

They don't know.

In fact, the Divine Phoenix Fairy waiting by Qin Chen's heart all trembled at this moment.

Although they are Tianjiao figures, in front of real big figures, they are not into the stream, and they have seen any big scenes.

It's better today, ignoring everyone in the presence of many powerful talents in Heiyu Continent, Prince Qilin.

This caused Fairy Divine Phoenix to feel a little soft, and their legs were a little unsupported.

Such feelings and scenes are both tense and exciting for Tianhe Shengzi and others. But for them, it was also an unprecedented time to show their faces. When they returned to the territory of the Dark Clan, they could brag in front of many people that one day they were in the prince of Qilin and other emperors and talents, and many others.

In front of the master, everyone was calm and composed, letting everyone look at him.

What a pretending scene.

"Huh, what an arrogant guy, he doesn't know who is behind this person, so he dares to ignore me and wait."

Someone could not help but snorted coldly, staring at Qin Chen who was drinking alone and was very dissatisfied.

"No matter what big person behind him, this person will be finished sooner or later." There was also a master who sneered and said slowly: "Killing Prince Qilin will not end well, just wait to be cleaned up."

Many people secretly nodded in agreement with this strong man's words.

Prince Kirin hadn't done anything before, just for some reason. After welcoming the Sikong lady and figuring out the origin of the other party, he was afraid that he would immediately take action.

Prince Qilin is an emperor Tianjiao who wants to enter the sacred place of Zuosikong. My brother with the same father and mother was killed. If there is no indication that this is not bloody, he will definitely be looked down upon by Sagong Holy Land. Even if Sagong Holy Land needs a goddess, he never likes someone who is not bloody. I know that he is not bloody.

The brother was killed, and the son-in-law was indifferent. Ming Ye Shizi looked at the gloomy Prince Kirin, and could not help but stepped forward and said: "His Prince Kirin is too generous. If I am replaced by me, how can such a villain be arrogant here. Even if the other party has a profound background, Never let the other person be there

Here is wild. "

After thinking about it, Ming Ye Shizi was not an idiot. At this moment, he had already vaguely understood the reason why Prince Qilin had not done anything before. Prince Qilin glanced at Ming Ye Shizi, and smiled faintly: "If it weren't for welcoming the lady of Sikong, the prince would have done it a long time ago, but since this person is accompanied by people from the Holy Land of Sikong, when the lady of Sikong arrives, he will see the inspector under his command. Follow it like this

The arrogant of his power, I am afraid it will be very unhappy. "

The corner of Prince Qilin's mouth outlines a sneer: "Anyone has his use. This person is so arrogant, or in this Heiyu Continent, he will definitely anger the female Sikong. Then..."

"What does your Royal Highness mean?"

Ming Ye Shi Zi was startled, His Highness Prince Qilin seemed to have other intentions.

On the side, Elder Mo and others also heard the words of Prince Qilin, and couldn't help being surprised by.

His Royal Highness Prince Kirin even made this idea.

Old treacherous and cunning.

Although Prince Kirin's voice was very soft, it was heard by everyone, with two eyes shining brightly.

Imagine that Sikong Zun's daughter is the daughter of Sagong Holy Land. In the future, Sagong Holy Land's heir will be high above.

Such a person, once the female Sikong Zun came here, she would allow others to be presumptuous here, especially when she saw her own patrol envoy, who would actually indulge in other forces, Tianjiao, and she would feel unhappy in her heart. Regardless of the origin of this son, it is nothing compared to a respected woman!

[Chapter 4667: The respected girl is here](#)

Coupled with this person's attitude, it will inevitably provoke the respected female adult, and provoke the displeasure of the respected female adult, but as a respectable female adult, he will definitely not care about this guy, so as not to lose his identity.

At that time, who can maintain the dignity of the respected women and others is a great achievement, and will surely be favored by the respected women.

Thinking of this, the eyes of Mo Lao, Ming Ye Shi Zi and others present all glowed.

Good means.

At this moment, everyone looked at Prince Kirin and admired him.

This double-edged method is not what most people can think of. Prince Kirin was clearly in the anger of his brother being killed, but he was able to restrain the anger. He thought of this method.

Not only can it punish the other party, but also make Sikong Zun's daughter look at her with admiration, which is definitely not what ordinary people can think of.

This son, extraordinary, Qiliner.

When everyone looked at Prince Qilin, their colors changed.

Many powerhouses only respected Prince Kirin's identity before, but at this moment, they were completely convinced by Prince Kirin.

"Gao, really clever, compared with Prince Kirin, I'm just rubbish."

Ming Ye Shizi sighed, only feeling inferior to sigh.

He glanced at the indifferent Qin Chen on the cliff, knowing that with that kid's temper, he would definitely bump into the lady of Sikong and anger him.

If Prince Qilin can kill the arrogant opponent like this, this will not only win the favor of Sagong Venerable Girl, it will also improve his status in Sagong Holy Land.

"Such a great achievement, His Royal Highness the Prince Angelica."

Ming Ye Shizi hit a Ji Ling and hurriedly flattered Tao.

"Hehe, if Brother Mingye also wants to make a contribution, this prince can give you this opportunity."

Prince Kirin smiled.

"No, this work belongs to His Royal Highness, how can you interact with..."

Ming Ye Shizi hurriedly refused. "It's okay." Prince Qilin smiled and said: "You are by my side, you make a move on behalf of the lady, that is equivalent to me making a move, don't you understand this truth? A small person, can it still be useful? The prince will do it himself

to make? At that time, Ming Ye Shizi has made great contributions and can also establish a relationship with Sagong Holy Land, but don't forget the opportunity given by this prince. "

"This..."

Ming Ye Shizi understood, Prince Qilin really wanted to give the opportunity to himself.

Think about it, too, His Royal Highness Prince Qilin is the person who wants to marry the Sigong Zun Nv. If he personally shoots in front of the Sigong Zun Nv, then he will lose his compulsion.

It was able to please the female Sikong, without losing the pattern.

Of course, he had to follow His Royal Highness closely, and let Sikong Zun Nv think that she was the person of Prince Qilin.

"Thank you, Your Royal Highness,"

Ming Ye Shizi was immediately excited, clasped his fist and said: "His Royal Highness is great, and Ming Ye is unforgettable. From now on, my Ming Ye family will look forward to my Royal Highness. His Royal Highness will only give orders and I will never refuse to leave."

"Hahaha, you are very good."

Prince Qilin smiled and patted Ming Ye Shizi on the shoulder, showing appreciation.

And Qin Chen didn't care about the conversation here, and was completely immersed in the calculation. Although the dark ancestral land in front of him was still dark and misty, in Qin Chen's eyes, it had become clearer and clearer.

at this time...

With a hum, suddenly, there was a wave of fluctuations in the distance, and everyone looked up.

I saw that above the endless sky, a series of bright laws raised, in the endless laws, a figure like a goddess slowly emerged, walking step by step.

With every step of her falling, the world surrendered to her feet, and even the black mist of this dark ancestral land was faintly dispersed, and the glow was shining, like a round of scorching sun in this dark ancestral land, shining on everyone.

"The respected girl is here!"

When this mighty and resplendent power of the law swept across, all the strong Tianjiao present were shocked in their hearts.

This is the arrival of the lady.

Everyone looked up and saw that a goddess came across the endless law. She was at the end of the distant void at first, but in the next moment, she directly stepped onto the Tongtian Peak, as if she appeared in front of everyone out of thin air.

The whole process was just an instant. Many Tianjiao experts present could not even see how the other party climbed the Tongtian Peak, as if the space under Sikong Zun's female feet had disappeared out of thin air.

Such a method is too frightening. This is a way of doing things above the space, to the point of surpassing everyone, and this has made many Tianjiao strong on the scene, even looking at it.

"I have seen the lady-sama."

Everyone hurriedly saluted.

The female Sikong was walking on the top of Tongtian Peak, with lotus growing step by step. Each lotus seemed to have formed the most simple dark law, which was amazing and indulged in it.

The woman in front of her was dressed in plain clothes, with a delicate appearance that made people afraid to look at her, as if she were the most beautiful in the world.

Fairy Divine Phoenix itself was already very noble and beautiful, otherwise it wouldn't make countless kings Tianjiao addicted to it, but now compared with this Sikong respected female, Fairy Divine Phoenix instantly pales, as if a pheasant has seen a phoenix.

Regardless of its temperament, momentum, and appearance, Fairy Divine Phoenix was inferior to the opponent.

This kind of extravagance can only be cultivated by a noble lineage and an amazing family status.

Such a woman, it's no wonder that many men who have met her can't forget her face and will be overwhelmed by it.

"Meet your Royal Highness."

Many Tianjiao even knelt down directly without feeling ashamed.

When they bow down in front of such a woman, a sense of pride even emerges in their hearts, as if it is a great honor to see a respected woman.

At this moment, many Tianjiao powerhouses are kneeling, and there are also some extraordinary and noble Tianjiao powerhouses who just bend over and salute, but their expressions are equally pious.

"His Royal Highness, long time no see."

Prince Kirin looked respectful, and went forward to salute, then stood up, with the most gentle smile on the corner of his mouth, the sun was shining brightly.

I have to say that Prince Kirin has a very handsome appearance and an extraordinary attitude. Facing the female Sikong, in the situation where other princes are overshadowed, Prince Kirin can always maintain a certain posture, so that he won't be crushed completely. To.

He looked kind, but looking at Zun Sikong's peerless face, his heart was fiery that could not be concealed. Since the first time I saw Sigong Zunzi, Prince Qilin has fallen in love with her deeply. It is precisely because of this that he will come to this Heiyu Continent specifically, and even give up certain opportunities and let himself Old ancestor went to Sikong Sheng with a shy old face

To propose marriage.

"Everyone is polite, please get up." Sikong Zunzi glanced at the many Tianjiao experts present, and there was a trace of unhappy in the depths of her eyes. It seemed that she was unhappy that her whereabouts was leaked, but her unhappy was It hasn't been exposed, it's hidden well, and most people can't perceive it.

[Chapter 4668: This person is...](#)

She smiled, her voice was very beautiful, and she also revealed an irresistible authority.

When many people stood up, they couldn't help but look up at the female Sikong in front of them, and then hurriedly lowered their heads, not daring to look at each other directly, as if it was a kind of blasphemy.

The female Sikongzun walked over slowly, her movements were extremely elegant, extremely noble, like a goddess who descended from the world, so that anyone could not help but sway when watching.

The female Sikongzun came slowly, glanced at Prince Qilin, and seemed to recognize him.

Although she did not express anything, it was just that expression that made Prince Qilin excited and his blood surged.

And Ming Ye Shizi, who stood by, straightened his waist with excitement, revealing his most confident and handsome side.

Although he knew that Sigong Zunzi would never see a character like herself at all, but there were always reveries deep in his heart, what if?

Not only him, but countless King Tianjiao are excited at this moment, and they are so eager to be favored by the lady Sagong at this moment, even if she can get the lady of Sikong to take a look, then this life will be no regrets.

"I waited to know that Her Royal Highness Sikongzun came, and specially prepared some divine fruits, all of which I waited for, and I hope Her Royal Highness Sikongzun will laugh at it."

Prince Kirin hurriedly stepped forward and said, trying to keep himself as humble and arrogant as possible.

The female Sikongzun faintly glanced at the tables and chairs not far away, surrounded by colorful unicorn lights, and countless treasures set off beautifully.

With this look, the people around couldn't help but hold their breath.

After all, they spent a lot of effort to complete this, if they can be favored by the ladies, then they can also be satisfied in their hearts.

But Sikongzun took a faint look, and walked forward, touching everyone's minds.

When the lady Sagong approached, Prince Qilin could not help but stand tall, trying to maintain his demeanor, maintaining his demeanor and elegance, smiling and saying: "His lady, let me lead you..."

However, when Prince Qilin greeted her with the most unrestrained posture, the female Sikong did not stop, but walked past Prince Qilin like flowing water.

Her gaze did not fall on Prince Qilin at all, but at a cliff not far from Tongtian Peak.

There, Qin Chen turned his back to everyone and looked at the dark ancestral land in the distance, completely ignoring everything behind him.

It seemed that the arrival of the female Sikong completely couldn't make him tempted at all.

This completely different posture made the faces of everyone present suddenly look ugly.

Under the gaze of everyone, she saw the female Sikong slowly walking towards Qin Chen, ignoring the diligence of everyone present, and completely ignoring the actions of Prince Qilin.

This immediately made Prince Kirin froze there. He was full of rhetoric, and he didn't use it all for a while. As soon as he spoke, he swallowed all the rhetoric back. It felt like he had swallowed one. Like flies.

Although he hoped that Qin Chen angered the female Sikong, he didn't want the female Sikong to be attracted by Qin Chen as soon as she came up.

He hoped that the female Sikong could see everything she had done and be moved by herself.

Under the eyes of everyone, Sikongzun female stepped forward slowly, looking at Qin Chen's back, her brows wrinkled slightly, and she was close to Qin Chen's place in a moment.

The lady Sagong came to the world like a goddess, which made the fairy phoenix and others who guarded Qin Chen hurriedly salute, and said tremblingly: "I have seen your lady."

Not evil also hurriedly saluted, and looked respectful.

He is the inspector of Sagong Holy Land, and Sagong Zunnu is the heir to Sagong Holy Land. Even though he is following Qin Chen now, how can he be rude to see Sigong Zunzu.

Only Qin Chen remained motionless, as if he didn't know that someone was behind him.

Such a move immediately made Ming Ye Shizi and the others sullen.

The gaze of the lady Sagong swept across the body of the goddess of Tianhe and the others, and the goddess of Tianhe and others sensed the gaze of the lady of Sikong, their bodies tightened, and their mouths were tense and dry.

At this moment, Tianhe Shengzi and others were filled with emotion.

Although they are arrogances, in front of the female Sikong, what kind of power do they belong to? It's just ants.

Facing the female Sagong, the other party only needed a word to destroy their place. Normally, let alone them, even the ancestors of their family would not be able to see the female Sikong.

But now, they were so close to see the lady Sikong, and they could even be watched by the lady Sikong, all of this was because of Qin Chen.

This is something they didn't even dare to do before.

If they went back to their family and told their ancestors that they had seen the female Sikong so close, they would think that their ancestors would have lost their minds.

The fairy phoenix saw the female Sagong, it was also incredible. In her heart, the female Sagong was not only noble and unparalleled, but she was also the number one beauty in Heiyu Continent. She couldn't help being overshadowed by seeing the true face of the female Sikong today. Although she is extraordinary, she is very confident about her beauty, and even once had some doubts and dissatisfaction with the beauty of Sagong Zun, but now, when she really saw Sigong Zun's beauty, she knew all the rumors. It's all so

The truth of the story, there is no lie, even more exaggerated than the rumors.

"Are you from the Holy Land of Sikong?"

In the end, Sikong Zun's eyes fell on Feiye.

"Yes, the captain of the eighth patrol brigade and the fifth sub-squad under the command of Sagong Holy Land is not evil, and I have seen her Royal Highness Sikongzun."

Fei evil hurriedly said respectfully.

When everyone heard this, their hearts were stunned, this guy was indeed an inspector under the command of Sagong Holy Land.

The female Sikong nodded, her gaze fell on Qin Chen in front of him: "Is this person?"

She frowned slightly and looked at Qin Chen inexplicably.

In the eyes of others, Qin Chen just sat there casually, seeming to ignore anyone.

In the eyes of the female Sagong, there was an inexplicable Qi in Qin Chen's body. This Qi even seemed to be integrated with the dark ancestral land. When she came over, Qin Chen would give it to her. Attracted.

"This..."

The non-evil look was embarrassed and embarrassed.

One is the respected daughter of Sagong Holy Land, the daughter of Lord Sagong, and the other is Lord Emperor's Envoy.

If it was someone else, Sigong Sovereign inquired like this, he would certainly answer respectfully, but the emperor's status was extraordinary, and he naturally did not dare to disclose his identity before the adult took the initiative to reveal his identity.

Therefore, he just smiled bitterly, but did not answer.

This made the female Sikongzun frowned slightly.

Not behind him, Qin Chen completely ignored Sigong's inquiries, without even turning his head. At this time, Qin Chen's gaze was still fixed on the dark Ancestral Earth Heaven and Earth in front of him, and he was calculating the rotation of the heavenly path.

[Chapter 4669: My ancestor](#)

In front of his eyes, in the void in front, the light of the avenue surged, and Qin Chen had vaguely touched the rules of the avenue of this dark ancestral land.

At this moment, he has reached an extremely critical moment. He vaguely perceives the location of the Demon Soul Source Device, and the layers of mist in front of him are being peeled away.

Therefore, he completely ignored the female Sikong, even too lazy to bother.

This made everyone present stunned and furious.

Is this a lady of Sagong?

Such an existence is an idol in the minds of countless Tianjiao experts in the entire Heiyu Continent, a goddess-level existence, and the entire Heiyu Continent, who doesn't want to kiss Fangze.

The people present are from many forces of the Dark Clan. If they were changed to them, even if they had something important, they would just put it down and come to see the female Sikong.

It can be said that in the minds of everyone present, nothing can be more important than the superior Sikong.

But where is Qin Chen in front of him?

Even ignoring the respected female Sikong, how can such a behavior not make everyone angry?

You know, such behavior is very rude.

What kind of person is Sikong Zunnu? The heirs of Sagong Holy Land, the descendants of Sagong Holy Land ancestors, how noble is such an identity, even if they are the ancestors of the Kingdom of God, the headmaster, they must have friendly exchanges when they see it. How can a young man ignore it.

From this it can be seen that the hearts of everyone present are angry, but the goddess Sikong is the goddess of countless people, she was ignored by others, this is simply unforgivable.

It was Fairy Divine Phoenix that they were dumbfounded when they saw such a scene. They never thought that Qin Chen would actually ignore the Sikong lady so much, and couldn't help but secretly become nervous for him.

My ancestors.

Anyway, please respond with the last sentence. This is the Heiyu Continent. If you offend the female Sikong, you will have no place in Heiyu Continent.

Only non-disgusting knows it.

Because he knew that as Qin Chen, he didn't need to pay special attention to the female Sikong, the dark royal family. This was the emperor of the entire dark clan. No matter which line of the royal family Qin Chen came from, he didn't need to be respectful to the female Sikong.

It is not evil to worry about the female Sagong. If she is dissatisfied with Qin Chen's behavior, if she is angry and offends Qin Chen, then she is in trouble, and will inevitably cause trouble to Master Sikong.

So he was secretly anxious, but he didn't dare to remind him clearly, for fear of being dissatisfied by Qin Chen.

Seeing the non-evil expression and Qin Chen's behavior, although the female Sikong respected her frowned and startled, she was not angry, but her eyes were full of interest.

She is so human, she has a natural vision and vaguely sees some clues.

The person in front of him was not deliberately putting on the score, but didn't notice her at all. Qin Chen's gaze had been locked on the sky of the dark ancestral land, as if he had seen through the endless void and saw the movement of the heavens in the entire Heiyu continent.

Although the female Sikong was standing behind Qin Chen, she seemed to be able to feel those hot eyes, and even the heavens and the earth could not conceal their sharpness.

That kind of invisible aura seemed to merge with heaven and earth.

This shocked her heart and couldn't help but wonder, what is there on the sky?

The female Sikong Zun also cast her gaze on the infinite sky. She looked at the vast void, and it was pitch black. In the depths of the void, there are the heavens of the Heiyu Continent, the endless rules, trying to see some clues from here.

However, she failed.

That emptiness, like an eternal abyss, swallowed all eyes.

Suddenly, both sides froze, and the whole scene suddenly became silent.

Such a weird state immediately made the atmosphere of the whole scene become weird. Some Tianjiao experts were angry, but they did not dare to speak rashly. But in their eyes, the female Sagong was obviously stunned by Qin Chen, and even ignored, so that the female Sikong was embarrassed to step off the stage, and the female Sikong was unable to scold her because of her noble status, Ling Ling Get the scene all of a sudden

It became embarrassing and stalemate.

Just when this person looked at each other and didn't know what to do, Prince Qilin suddenly winked at Ming Ye Shizi on the side.

Ming Ye Shizi instantly understood the meaning of Prince Qilin, and immediately took a step forward and sternly shouted at Qin Chen: "Presumptuous, your Excellency sees the arrival of the female Sigong, you are not quick to salute, you are so bold."

This sentence of Ming Ye Shizi instantly broke the solidified atmosphere on the scene, causing everyone to focus on Ming Ye Shizi.

Even the female Sikong was startled by these words, she retracted her gaze from above the sky, frowned slightly, and turned her head to look at Ming Ye Shizi.

This glance was an expression of dissatisfaction, but when it fell in Ming Ye Shizi's eyes, seeing the frowning brows of Sigong Zun's daughter, Ming Ye Shizi's blood was immediately surged.

The female Sikong was actually looking at herself.

boom!

The heat in his heart was suddenly ignited, and the whole person only felt that there was a buzzing roar in his mind, and there was blood billowing to the sky.

How ethical and capable he was able to get the attention of the female Sikong Zun, and the frowning brows made him think that it was the female Sikong Zun expressing his dissatisfaction with Qin Chen.

"An arrogant person, how dare you ignore Her Royal Highness Sikong Zun, my Ming Ye Shizi will challenge you today, so that you can know the fate of no one."

At this time, Ming Ye Shizi had been completely dazzled by the blood, and two steps forward, staring at Qin Chen, endless fighting intent burst out of his eyes.

In front of the female Sagong, defeating a beaming clown who despised the female Sagong, this is what a showy thing.

The murderous aura in Ming Ye Shizi's body had been condensed into substance, swept out like a vast ocean.

"presumptuous."

Fei evil frowned and immediately blocked Qin Chen's back, and shouted at Ming Ye Shizi.

Your ambassador, don't disturb. "Huh, I think you are the one who is presumptuous." Ming Ye Shizi stared at Feiye with disdain and cold eyes: "You are the inspector of Sikong Holy Land, you are the king of food, but you don't know the worries of dividing the king, Sikong Your daughter is your master, but because of yourself

Selfish desire is actually rude to Sikongzun, and it is you who are really presumptuous. "

There was a lot of discussion from the surroundings. In the eyes of many Tianjiao experts present, Feiye was the inspector of Sagong Holy Land, but for his own selfish desires, he ignored the Sagong Venerable Girl, and it was indeed shameless.

Ming Ye Shizi moved forward step by step, and under the eyes of everyone, he felt blood boiled, and he wanted to kill Qin Chen on the spot.

"you..."

No evil is angry, his eyes are cold.

Boom, Feiye's body was filled with a surging breath of Tianzun. "Go away." Ming Ye Shizi's heart jumped. Although he couldn't wait to show his face in front of Sigong Sister at this moment, he had fought with Feiye before and knew that he was far from being a non-evil opponent.

[Chapter 4670: Dust off](#)

"If there is a kind, let that kid come out by himself and hide behind him. Ben Shao Ming Ye Shi Zi, because he is disrespectful to His Royal Highness Sikong, this Shao will challenge this person today. If there is a kind, he will come out to fight. Don't make me look down on it."

Ming Ye Shizi shouted sharply.

Fei'e's face was ugly, and as soon as he thought of making a sound, Qin Chen suddenly retracted his gaze toward the sky, and there was a gleam in his eyes.

Just before, the Lord of Abyss Demon and him had already sensed something under their joint hands. In a happy mood, Qin Chen turned his head slightly, looked at Ming Ye Shizi, and said with a faint smile: "Only you, I want to challenge. Ben Shao?"

"Huh, why, are you scared?"

Ming Ye Shizi sneered: "It's okay for you to be afraid. As long as you kneel in front of the female Sigong and me, the female prince knocks for a hundred beeps and admits mistakes. Maybe I can forgive you under the great mercy and compassion. A way to survive."

Upon hearing this, the female Sikongzun on the side frowned slightly.

But she didn't say much, she just glanced at Qin Chen curiously, her eyes twinkling, as if she wanted to see how Qin Chen would respond.

"Hahaha? Scared?"

Qin Chen smiled and showed disdain: "Just because of **** like you, this young man is sitting here today to let you kill, you can't kill Ben young."

"court death."

In front of everyone, in front of the Sigong Sister, being so despised by Qin Chen, the Ming Ye Shizi, who was full of blood and qi, couldn't swallow this breath at all.

"Smelly boy, then this young man is going to learn about it today, what are you capable of, dare to say such a thing, today I want to show you how great this young man is!" Ming Ye Shizi screamed and burst into the sky. At this moment, in his body, the billowing dark origin aura surged, the blood was released, and the dark breath gushed out. The dark breath that gushed out from him was like a waterfall.

Sky dome.

The terrifying dark breath made the world and the earth dark, as if being in an endless darkness in an instant.

In front of Sigong Venerable Girl, Ming Ye Shizi didn't hold back, the original power in the body was urged to the extreme, and even the soul and blood were directly burned.

Although he was arrogant, he also knew that Qin Chen had an extraordinary background, so naturally he didn't dare to be too careless. Once he came up, he did his best to display his strongest killer move. Suddenly, the heavens and the earth were in chaos, and the billowing dark air rushed into the sky, just like a hundred heavenly waterfalls. The roaring sound was endless. Under the dark breath of such turbulent waves, the entire Tiantong Peak seemed to sway.

The terrible darkness came, and everyone instantly became extremely small.

"Night night destroys the world."

Seeing the terrifying supernatural power displayed by Ming Ye Shizi, everyone could not help being surprised secretly, and they all recognized this trick.

This is the top supernatural power of the Mingye family, which will pull the opponents into the endless night, and they themselves will become the gods of the night, controlling the life and death of everyone in the night.

Under this blow, Ming Ye Shizi was burning his soul and blood, and he had already reached the power of the Tianzun level, shocking the ancient and the modern.

Everyone knows that Ming Ye Shizi is desperate, and he tried desperately when he came up. Obviously, everyone knew that the purpose was to show his power in front of the female Sikong.

"Smelly boy, die!"

In the shock of the crowd, Ming Ye Shizi roared, and the power of the rolling night condensed in his palm. The palm of his hand was like the arm of the night god, and he moved towards Qin Chen, with a palm to pinch Qin Chen to death.

"presumptuous."

Fei Yin yelled, and was about to step forward, but Qin Chen drew back.

"Let him take it."

Qin Chen said with a smile at the corner of his mouth.

Under all eyes, Qin Chen's expression was calm when facing Ming Ye Shizi's attack. He just smiled, his body motionless, as if indifferent.

Actually let Ming Ye Shizi attack and fall.

This kind of support made everyone unbelievable. Even Prince Kirin's pupils shrank slightly.

Boom!

Under the eyes of the crowd, they heard a sound of earth-shaking roar, Ming Ye Shizi's palm had already fallen fiercely, crashing onto Qin Chen's body.

But the next moment, everyone's expressions were frozen.

"what?"

Some Tianjiao strong were shocked, and even couldn't help exclaiming.

I saw the terrifying palm of Heavenly Venerable Ming Ye Shizi condensed. When he came to Qin Chen, he seemed to be obstructed by an invisible force, and he couldn't fall down at all.

"This is impossible!"

Ming Ye Shizi roared, his face was hideous, and his aura condensed, trying to defeat Qin Chen's obstruction.

But in the rumbling, Qin Chen's mouth was smiling, and his figure remained motionless. No matter how hard Ming Ye Shizi used his hands, the palm of his hand remained motionless, and he couldn't fall down.

"With this ability, I want Ben to beg for mercy? Ignorance, ridiculous."

Qin Chen shook his head, his eyes were flat, but with a superior temperament, full of contempt.

"you..."

Ming Ye Shizi roared and wanted to say something, but Qin Chen was too lazy to listen, just waved it casually, as if to wipe off a fly.

With a bang, a thunderous roar was heard, and the huge palm of Ming Ye Shizi burst open instantly, turning into endless darkness, surging and dissipating everywhere.

Ming Ye Shizi was shocked, with a long roar and a buzzing sound, he felt a terrible murderous intent, and a simple shield suddenly appeared in front of him.

The shield bloomed with black runes, resisting him, and at the same time his figure was about to retreat in a hurry.

However, without waiting for him to retreat far, the black shield seemed to be oppressed by an unstoppable terrible force, making a crackling sound, and then bursting open with a bang.

In the next moment, an invisible giant hand formed in the void, and it was this giant hand that squeezed the dark shield and went straight to Ming Ye Shizi.

"cut!"

Ming Ye Shizi looked frightened, and a dark long knife appeared in his hand for an instant, and the long knife shot, the light of the knife spread across the sky, sweeping across the square, trying to smash the invisible big hand shot by Qin Chen.

Ming Ye Shizi slashed out, gushing vigorously, burning the life force, and the billowing blade light stretched across the world, turning into a shadow of a thousand-zhang sword. The majestic momentum was as if a dark sword **** was shooting.

You must know that this dark sword was handed down to him by his ancestors. It was a heavenly treasured soldier with infinite power and could slash the sky and the earth.

With a "bang" sound, Ming Ye Shizi slashed on the invisible hand, and the roar sounded, and the dark aura sputtered, as if it had been slashed on the hardest thing in the world.

The sword light that opened up to the sky was unable to make an inch, instead, it was a condensed endless blade light, which burst into pieces in an instant, and vanished in an instant. When he squeezed the huge palm, he heard a click, and the Heavenly Venerable Soldier in Ming Ye Shi Zi's hand was broken alive by the invisible big hand.
