

## Valkyrie 4761

### [Chapter 4761: Legs are a bit soft](#)

indeed.

From the perspective of the universe, the power of darkness and the power of this universe are both types of power.

But that is from the perspective of the universe.

And this group of people, who have not even been to the Universe Sea, think about such a long-term matter, that is, they are looking for death.

It's like telling a demon clan when he was weak, that the power of the human race and the demon race are the power of this universe, and you can practice whatever you want.

The truth is this truth, but if he is really stupid to cultivate the power of the human race, I am afraid that even the holy master will not be able to become.

At any height, consider what kind of things.

Qin Chen shook his head, "I didn't say that I will directly use the power of darkness to break through to the Supreme. I just said that if you can hear it, just listen. It doesn't matter if you don't."

Qin Chen smiled.

He just said.

For the great ancestors, or other powerful people, the power of this universe is still the main force at the moment, and there is no need to change the door.

Although the Lords of Abyssal Demon are also absorbing the power of darkness, they are only auxiliary, so that they can have the power of darkness in their bodies, and will not be suppressed by the darkness, but they will not regard it as the core.

But Qin Chen is different.

Among other things, the mysterious totem that Qin Chen saw in the void and tide sea of the heavens back then was definitely not the power of this universe.

In addition, the mysterious stone stele that Qin Chen fished in the Nether Star River, the power of the dark sky he cultivated, is definitely not the power of this universe.

Do not overwhelm your debts.

Qin Chen had already let go.

Whatever you want to do, just improve your strength.

"Hurry up."

Qin Chen didn't talk any more nonsense, but directly urged the power of darkness to absorb the source of darkness around him.

boom!

The billowing darkness originated crazily, and the entire Sagong Holy Land rumbled under this breath, and then trembled.

The source of darkness here is the transfer of Sagong Holy Land from the Dark Continent, and it is the foundation of Sagong Holy Land.

I have to say that Sikong Holy Land can be regarded as a powerful force, and it is not simple in itself to bring such a profound source of darkness from the Dark Continent.

Today, it has become Qin Chen's greatest gain.

The strands of the purest power of darkness were quickly absorbed by Qin Chen, and continuously integrated into his body.

The law of darkness, all the way, quickly condensed.

Boom boom boom!

In Qin Chen's body, there seemed to be a shocking roar and explosion.

The essence of this dark power is extremely vigorous, as strong as Qin Chen, and it is extremely difficult to thoroughly refine it.

"too slow."

Qin Chen raised his head and looked around.

If the source of darkness in front of him is a sea, then the power of darkness in Qin Chen's body is a big river.

Wanting to swallow a vast ocean through a big river is naturally not that simple.

After all, the source of darkness here is enough to provide the entire Sagong Sacred Land for countless years of operation. The many Sagong Sacred Land masters in Heiyu Continent have been absorbing the power of this source of darkness to strengthen themselves over the years.

This is a vast ocean.

"I don't have so much time, I have to hurry up."

A cold light flashed in Qin Chen's eyes.

In his body, the blood of the Dark King quietly surged.

boom!

When the power of this king's blood was urged.

In an instant, the origin of the entire holy land boiled, as if a tsunami was coming, the sky collapsed and the earth broke, and the billowing darkness originated into waves, overwhelming the sky.

In an instant, Qin Chen felt that the speed at which he absorbed this source of darkness had increased a hundred times, a thousand times, or even ten thousand times.

"This dark king blood..."

Qin Chen sucked in air.

No wonder the royal family has such a high status in the dark clan.

When running the blood of the Dark King, Qin Chen felt that the dark source in front of him was as if the courtier had met the emperor and was surrendering.

At this moment.

In a secret place in Sagong Holy Land. This hidden place is also located deep in the endless void of Sagong Holy Land. It looks like a solid kingdom. All four sides are densely connected by the Supreme Law. It merges with the entire Sagong Holy Land, and can perceive anything in Sagong Holy Land.

One place.

Here, there are only three supreme ones: Sikongzhen, Luo Wen, and Guhe.

"Master Sikongzhen, why did you treat that young man so respectfully..."

Elder Luo Wen, who was full of blood before, had already healed, and he was no longer embarrassed, so he hurriedly asked.

On the side, Elder Furukawa also looked puzzled.

They are puzzled.

But they all know that there must be a reason for Sikong Zhen.

"Do you know what the identity of that young man is?" Sikong said in a solemn voice.

"identity?"

Elder Luo Wen and Elder Furukawa glanced at each other, and gleams burst out of their eyes, "Could it be the young master of some top power on the Dark Continent?"

Although Sagong Holy Land is not very strong in the Dark Continent, it is still a medium-level power at any rate. Is it a top-level power that can make Lord Sagong Zhen look like this?

"Top power?"

Sikong shook his head, his eyes were solemn, "If I didn't read it wrong before, then the origin of this son is probably far more terrifying than the top power."

Elder Luo Wen and Elder Guhe glanced at each other, frowning in doubt.

It's much more terrifying than the top power. Is this... a bit exaggerated?

The top powers are all detached powers. They are giant-level existences on the real dark continent. What powers are more terrifying than those top powers?

unless...

hiss!

Thinking of a possibility, Elders Luo Wen and Elder Guhe couldn't help but breathe in air-conditioning.

"My lord, you mean..."

"That's impossible, right?"

Suddenly, both of them had soft legs.

"Not sure, it's just a guess of mine." Sikong Zhen said, "but if the guess is true, then it's not evil for their actions, and everything is explained."

"My lord, we know what you mean, but is this possible?"

Elder Luo Wen and the others shook their heads, still feeling unbelievable, "If this is the case, with that person's dignity, why did you come to this Heiyu continent?"

Heiyu Continent can be said to be a place of exile.

"Then I don't know, but if it is true, then the other party must have come with a purpose, but this purpose, we don't know it."

Sikong Zhen said.

"My lord, I still think..."

Elder Luo Wen shook his head.

The voice did not fall.

suddenly.

Boom!

The entire Sikong Holy Land trembled crazily at this moment.

"what happened?"

In an instant, Elder Luo Wen and the others turned their heads and hurriedly looked at the place where the fluctuations were coming from.

In the distant void, the boundless source of darkness was like a volcanic eruption, surging crazily.

"This is where the origin of the Holy Land is." Elder Furukawa was surprised.

[Chapter 4762: Let me think](#)

At this moment, the origin of the entire Holy Land was boiling, and an endless aura of horror erupted, causing everyone to change color.

Sikong Zhen stood up suddenly.

"That is..."

In his pupils, one could vaguely see that there was an astonishing aura permeating the origin of the Holy Land.

This breath is not obvious, but as soon as I feel it, there is a feeling of being completely suppressed all over the body.

It seems that there is a supreme god, coming to this Sagong Holy Land, eternally blue.

"The power of the king's blood is definitely the power of the king's blood."

Sikong shook inhaling air-conditioning.

At this moment, he finally affirmed that it was the power of the king's blood of the dark royal family that made the origin of the holy land boil.

That young man is really a member of the royal family.

On the side, Elder Luo Wen and Elder Furuhe's eyes suddenly rounded.

Because they also felt the force that suffocated them, directly suppressing them from the soul level.

The soul was shattered, trembling, and fearful.

"The power of the king's blood?"

At this moment, both Elder Luo Wen and Elder Guhe had the illusion that their souls were about to collapse.

The legs became soft.

Flop!

The two knelt on the ground together.

Before, they had some doubts about Sikongzhen's guess, but now, they completely believe it.

No longer dare to have any doubts.

royal!

That is the absolute ruler of the dark continent.

Perhaps some top powers still have the qualifications to communicate with the royal family, but their Sagong Holy Land, even the ancestors, are afraid to offend the dark royal family.

The other party wanted to destroy their dark clan, it was definitely a matter of one sentence.

Thinking that he had almost offended Qin Chen before, Elder Luo Wen was in a cold sweat and his hair was horrified.

"My lord, what shall we do now?" Elder Luo Wen trembled.

He was almost crying.

Fortunately, after discovering Master Sikongzhen's attitude, he immediately sensed something and did not continue to offend him.

otherwise...

Elder Luo Wen was sweating coldly. If he provokes dissatisfaction with the royal family, he does not need to do anything. For fear of Lord Sikongzhen, the ancestors and the others will also be eager to kill themselves, so as not to bring harm to the entire Sagong Holy Land.

"Don't worry, calm down, let me think about it, think about it."

Sikong Zhen walked back and forth in this void, his face pale.

But at this moment...

"My lord, we should be happy, why should we be so flustered?"

A voice sounded.

Sikongzhen and Elder Luo Wen were taken aback, turned their heads hurriedly, and saw that the speaker was Elder Furukawa.

"Elder Furukawa, what do you mean?" Elder Luo Wen couldn't help but said.

I just offended the lord of the dark royal family and almost died. What's so good about it?

"Everyone, apart from rashly imprisoning them in Sagong Holy Land, did we really offend this adult?"

Sikongzhen and Luo Wen shook their bodies.

Yes!

Have it?

no! Elder Furukawa groaned: "My lord, according to the information I'm waiting for, the reason why Feiye and the Divine Phoenix Fairy and others came to our Sagong Holy Land was arranged by this adult. I heard that this person was in the Dark Ancestral Land and killed He also killed many powerful members of the Shihen Emperor's law enforcement team, and even killed the Qilin ancestors in front of us. It can be seen that if this person is really hostile to our Sikong Holy Land, use this The temper of an adult, I am afraid that he had already started with Elder Luo Wen, how could he easily let him go?

old? "

Everyone was taken aback.

"Now, he only asked Master Sikongzhen to remove the position of Elder Luo Wen, but let Feiye continue to stay in the Holy Land. Even An Yun is following this person. It can be seen that this adult is still extremely friendly to our Sagong Holy Land. ."

Hearing this, Elder Luo Wen instantly let go of his heart.

It really is.

How could such a character care about his thoughts, fearing that they could be easily wiped out.

Now that I haven't done anything, it is clear that the hostility towards them is not strong.

Indulge for a moment.

Elder Furukawa's eyes flashed, and a hint of excitement suddenly surged in his eyes, "My lord, I feel that this is even an opportunity for our Sagong Holy Land."

"opportunity?"

Elder Luo Wen and Si Kongzhen looked over.

"Yes, the Dark Royal Clan is the most precious race of my Dark Clan. How can such a noble person easily come to a place of exile like Heiyu Continent? This person must have his purpose in coming here."

Elder Furukawa looked excited, "If we can exert a little effort when this adult needs it, maybe we can get this one's favor. If we can use this to climb this adult, I'm afraid it will be the Sacred Holy Land. ..."

When this statement fell, Sikong was shocked, and Elder Luo Wen's heart was shocked.

Looking at each other, excitement emerged in my heart.

If you say so, it is really an opportunity.

Elder Furukawa continued: "Master Sikongzhen, what do you think?"

"Let me think about it!" Sikong tremblingly said.

"My lord, what else are you thinking about?" Elder Furukawa said anxiously.

"But I waited because of the Qilin ancestors... I'm afraid that I have already a little offended the other party."

Sikongzhen regretted it very much. If he had known that the other party was a member of the royal family, how could he let the Qilin ancestor do it, fearing that he would have done a good job long ago.

"That's simple." Elder Furukawa rolled his eyes and laughed, "My lord, I have an idea."

Sikongzhen and Elder Luo Wen looked over, "Oh?"

Elder Furukawa smiled, "His Royal Highness An Yun..."

The eyes of Elder Sikongzhen and Luo Wen both lit up.

After a while.

An Yun was brought here.

"Father, two elders, are you looking for something to do with me?" Sikong Anyun asked in doubt.

Sikongzhen hesitated, and then said: "An Yun, isn't that little friend your young master? He is cultivating at the origin of the Holy Land. Why don't you know what it is to wait outside and run around in the Holy Land." Luo Elder Wen hurriedly agreed, "Yes, the young master has a great temperament, and the old man had no intention of offending before. Although I had some misunderstandings with the young master, the young master is a person with great ability. Generous, he is willing

Will not care about our Sagong Holy Land. As his maid, you represent our Sagong Holy Land. It is best to be personally accompanied by twelve hours a day. As for other things in the Holy Land, you don't need to worry about it. "

Sagong Anyun glanced at the three of them, and then said: "Didn't I help you settle down and they are not evil?" "Oh, it's all my fault." Elder Luo Wen smiled bitterly and shook his head: "I don't know how high the world is. An Yun , I know, you are very disgusted with our behaviors and think we are very realistic, but we can't do anything about it. After all, the ancestors of Qilin are ancestors.

Mount, we always have to give some face to you and say no. "Sikong Zhen also said: "An Yun, you can't blame Elder Luo Wen, after all, this adult didn't explain his identity at the beginning, so how can we know his origin?" "

### [Chapter 4763: Guess the origin](#)

Sikong glanced at Sikongzhen, "Do you know his origin now?"

Sikongzhen hesitated, and then said: "Slightly guessing, it is certain that this person's origin must be unusual."

Sikong Anyun shook his head slightly and sighed in a low voice. Sikong Zhen said in a deep voice: "An Yun, we saw that the young master treated you well, although you are only his maid now, but there are also maids in the maid, don't be afraid, let's start at a low level. A little bit, but it doesn't mean

Come and be a maid for a lifetime. "

"Father, what nonsense are you talking about." Sikong Anyun's face flushed red.

What kind of girl? "An Yun, there is nothing to be embarrassed about, Master Sikongzhen is right." At this time, Elder Furukawa also hurried forward: "Your father and I are both here, do you love men and women? It is right and right. And we all know you. Is someone who dares to love and hate

Girl, dare to be bold, otherwise you won't want you to inherit the mantle of the Holy Land.

"Yes, yes, yes." Elder Luo Wen also nodded again and again, "An Yun, if you like it, you have to go. If you don't take the initiative, you will never have a chance. As long as you take the initiative, you may not fail. Such a good man, around him There are definitely not fewer women, if you don't be decisive,

Be brave, he is about to be snatched away by other women! Sikong Zhen also nodded and said, "An Yun, my father thinks so too. You see how good the young master is. Not only is he strong, his background is definitely not ordinary, but he is also a capable person, even if you are not for the family. , You think about it,

With him, do you feel at ease? "

Peace of mind?

Sikong Anyun frowned slightly.

Thinking about it carefully, it seems to be really at ease.

With the other party there, it seems that there is no problem that can't be solved. The other party will always have a tolerance that can subdue oneself.

Thinking of this, Sikong Anyun was startled, and shook his head quickly, abandoning the messy thoughts in his mind.

At this time, Si Kongzhen hurriedly said again: "An Yun, this person is definitely a good son-in-law who is hard to find in a lifetime. If you miss it, you will regret it for the rest of your life."

Sikong Anyun interrupted: "Father, let alone, Master is not that kind of person, and he doesn't feel that way for his daughter. What's more, Master is so good, how can his daughter He De be his wife..." Sagong Zhen immediately said: "An Yun, you must not think so...you are also very good. What's more, being a father doesn't mean that you will be the other party's wife. There are people who are capable, and there are certainly no shortage of women around you. , There are not many three wives and four concubines

. "

Sikong Anyun: "....."

Sikong Anyun was completely speechless, ignoring Sikong Zhen and them directly, and turned and left.

Seeing this scene, Sikong Zhen and the two elders were in a hurry, but they were helpless. They knew Sikong Anyun's temper, and it was undoubtedly difficult to persuade her to take the initiative!

This girl is too strong!

The two looked at each other, both regretful, regretting that they didn't have a good relationship with Qin Chen earlier!

Qin Chen naturally didn't know what was happening here.

The origin of the Holy Land lies.

The billowing darkness poured into Qin Chen's body continuously, and I don't know how long it took, Boom, Qin Chen's body suddenly filled with a terrible aura.

Qin Chen opened his eyes.

His practice in the origin of this holy land this time has benefited a lot. He has completely swallowed the origin power of the Qilin ancestor, and in his body, a surging supreme power surges like a \*\*\*\* or devil.

Qin Chen raised his hand.

boom!

A terrifying supreme aura surged crazily above his palm, this power, containing endless supreme power, seemed to be able to blast through the world.

"Supreme power?"

Looking at the supreme power in his hand, Qin Chen couldn't help but shook his head slightly.

This is not the supreme power born by himself.

Qin Chen's current strength had reached the half-step Supreme pinnacle realm, and he was only one step away from the Supreme, but even this step away, he was unable to break through for a long time.

And this power, although it contains a powerful supreme aura, it actually evolved from his own dark origin, combined with the power of the Qilin ancestor he felt, and the most pure dark origin in this holy land origin.

"Why is it so difficult to break through to the Supreme? Even the origin of this Sagong Holy Land is not enough for me to cultivate?"

Qin Chen was speechless.

This time, he refined his supernatural powers, and with the help of the power of the Holy Land Origins, he accumulated a large amount of Dark Origins, which he would use to break through to the Supreme in the future.

It's a pity that the source of darkness in the source of this holy land is not strong enough.

If he could go to the dark continent and cultivate hard in the rich source of darkness, Qin Chen believed that he would be able to reach the supreme after cultivating for a period of time. Unfortunately, there were not enough sources of darkness in the Sacred Holy Land.

"Supreme! Must be promoted to the supreme!"

Without reaching supremacy, Qin Chen's heart is always full of crisis.

"Can't waste time, it's time to find that Sagong shake."

With a thought, Qin Chen's figure shook, and suddenly disappeared here.

After a while, Qin Chen had already arrived at the place of the previous void meeting.

Many masters of Sagong Holy Land gathered here.

"Haha, congratulations on leaving, little friend, please sit down." Sikong Zhen hurriedly stepped forward and arched his hands, but his body shook suddenly.

It's been a long time since I saw Qin Chen's body, the aura escaping from Qin Chen's body was much more terrifying than before, and even he felt a sense of shock.

I saw Sagong Zhen's respectful attitude, as well as the aura of fear and fear from many Sagong Holy Land powerhouses present.

Qin Chen knew in his heart that the effect of quietly releasing a trace of the blood of the Dark King was finally achieved.

"Okay, I won't talk too much gossip, Sikong Supreme, I have something to discuss with you." Qin Chen sat down on the front throne, upright, very natural, showing a noble and invincible temperament. .

Seeing this, the other elders couldn't help being speechless.

Isn't this too bad for you to be an outsider? He actually sat down directly in the seat of Lord Sikong.

"Little friends..."

Sikong Zhen stepped forward to talk, but was interrupted by Qin Chen.

"Sikong Supreme, you already know the identity of Ben Shao, right?" Qin Chen said lightly.

"This..."

Sikong Zhen was taken aback. He didn't expect Qin Chen to ask this question. He didn't dare to lie, but bowed his head and said, "Slightly guessed."

Qin Chen glanced at him, "Whether you are really guessing or fake, these are not important, and I won't say more about it. I can give you another chance because of the proposal I gave you before, but this is the last one. a chance."

"You mean..." Sikongzhen looked startled and hurriedly raised his head.

"Yes, I want your Sagong Holy Land to surrender to me, how about it?" When this statement came out, Sagong was shocked.

#### [Chapter 4764: Dark Lord](#)

It was so sudden that Sikong Zhen was not prepared at all.

"Ben Shao is not interested in going around with you. You have some guesses about Ben Shao's identity, but it doesn't matter." Qin Chen said lightly, "This Shao came to this Heiyu Continent with a special mission. Can't reveal his true identity. Originally, a power like Sagong Holy Land, Ben Shao didn't look good at all, but because in this Heiyu Continent, Ben Shao just needed

Ask some people to do things for me, and you are An Yun's elder, so this young man will give you another chance. "

"It's also the last chance."

"Give you ten breaths, think about it."

After speaking, Qin Chen closed his eyes and rested.

It's straightforward.

Upon hearing this, Sikong Zhen's eyes instantly became complicated.

"My lord, what opportunity is it?"

Elders Luo Wen and Elder Guhe hurriedly spoke.

The other elders were also dumbfounded, but there was no place for them to speak at all, so they could only look at them in confusion.

Sikongzhen's expression was complicated: "This one, I said before, let me be his entourage, but I didn't agree at that time!"

Entourage?

The bodies of all the elders present were shocked.

Elder Luo Wen and Elder Furukawa were also surprised.

Is this to conquer them Sagong Holy Land? But is this too sloppy?

Just before, the three of them were still discussing. This was an opportunity to indulge in the royal family, but when this opportunity appeared in front of them, they hesitated in their hearts.

After all, they are not representing individuals, but Sagong Holy Land. If Sagong Zhen really surrendered to Qin Chen, then this is not just about Sikongzhen alone, but also about their entire Sagong Holy Land.

What's more, Sikong Zhen is also a supreme powerhouse at any rate. The master of Sagong Holy Land in Heiyu Continent, but to be Qin Chen's entourage, the gap between the two is really too big.

Of course, these are not important.

The most important thing is Qin Chen's identity. So far, they don't know Qin Chen's identity and origin. Everything is just a guess.

Who can guarantee that they will not be wrong?

"Two, what do you guys say?" Sikongzhen transmitted to the two elders.

The two elders hesitated.

Because the relationship is too great to give them time to react, and they dare not make a decision rashly.

"Such a thing, should I be informed of the ancestors? No ancestors to make a decision... we..."

Some elders were anxious, but Elder Luo Wen glared at him and said nothing.

"Everything is subject to the arrangements of the adults."

Elder Luo Wen turned his head and said solemnly with Elder Gu He.

They believe in Sikongzhen's vision.

Si Kongzhen was conflicted inside. At this moment, he was not like a mid-term supreme at all, but like a child suffering from gains and losses.

Because he was also very hesitant, after all, this was related to the future of the entire Sagong Holy Land.

Breathe!

Five breaths!

Eight breaths!

As time passed, Si Kongzhen's forehead gradually oozes sweat.

There was silence in the void.

Sikong Zhen raised his head and looked at Qin Chen, as if he wanted to see some clues from Qin Chen's face.

But Qin Chen's expression was very calm, and he couldn't see anything.

Seeing time will pass.

"Father."

On the side, Sikong Anyun suddenly spoke a word.

Sikongzhen looked at Sikong Anyun's eyes, made a decision in his heart, suddenly knelt down on one knee, and respectfully said to Qin Chen: "Subordinates, I have seen adults."

The voice is firm.

Because he saw his daughter, the future heir to Sagong Holy Land, he believed in his daughter's vision and the decision that even his daughter could make. Why did he hesitate all the time?

And when he said these words, Si Kongzhen's heart suddenly became relaxed, as if a stone fell to the ground.

silence.

There was silence.

Although he had already prepared, when he saw Sikong Zhen kneeling towards Qin Chen, all the elders present were all dumbfounded.

Your lord...choose to surrender?

"My lord, you..."

Some elders couldn't help but speak.

Without waiting for his voice to fall, Sikong turned his head violently, looked at everyone present, and said in a low voice: "Everyone, believe me once! Our Sikongzhen will not let me go to the sacred place!"

Elder Luo Wen and Elder Guhe glanced at each other. They had somehow discussed with Sikongzhen, and they had some guesses about Qin Chen's identity, but the other elders were at a loss.

Their eyes are very complicated and difficult to understand.

But immediately, they were shocked.

I saw Elder Luo Wen and Elder Guhe knelt on one knee following Sikongzhen.

"Luo Wen, Furukawa, pay homage to the adults."

The two arched their hands and made noises.

All the elders present were shocked, why did Elder Luo Wen and Elder Guhe...

Everyone looked at each other and looked at each other.

But in the end, many elders slowly knelt down one knee, with some unwillingness, some helplessness, and some heaviness.

They didn't understand what Sikongzhen did, but Sikongzhen was the master of Sagong Holy Land, and Elder Luo Wen and Elder Guhe were even more powerful than their core elders.

But these three chose to surrender, and they finally chose to trust the three.

"Sikong Holy Land, meet your lord!"

Many elders bowed their heads and knelt down, with some confusion about the future.

On the throne, Qin Chen smiled. "I think you will be grateful to Sikong Zhen! Ben Shao came to Heiyu Continent this time as your opportunity to Sagong Holy Land. Of course, I will accept you because Ben Shao values An Yun. As for Sikong Zhen, you are so-so. ,other people

To put it bluntly, it's just incidental! "

Below, Si Kongzhen raised his head. At this moment, he was not as solemn as before, and said with a dry smile: "I am flattered by the grown-ups looking at the little girl!"

"Get up!"

Qin Chen said casually.

"Thank you, sir!"

Sikongzhen and others stood up one after another!

"There is something I want to ask your sir..." Sikong Zhen said.

Qin Chen nodded, "Go ahead."

Sikongzhen smiled bitterly: "I don't know the name of the adult yet, I wonder if the adult can tell..."

Sikong Anyun also looked over.

Because even she didn't know Qin Chen's name.

Qin Chen shook his head, "My name is taboo, don't mention it lightly, you just call me dark."

dark?

Everyone looked at each other, and there was light flashing in their eyes.

Obviously, this is a code name.

"I've seen Master An." Sikong Zhen hurriedly saluted.

Qin Chen waved his hand: "Since you have all surrendered to me, the young man will be ready to go. I am here in Heiyu Continent because of important things, but for the time being, I need you to avoid it. Except for the Supreme, the rest will retreat first. Go out."

"Yes."

The other elders left one after another.

Qin Chen looked at the three of Sikongzhen, "You three, shouldn't you be very worried now?"

"Don't dare."

Sikongzhen and the three hurriedly said.

"Human nature, there is nothing to be afraid of."

Qin Chen said, "Well, since you have already surrendered to me, let you feel at ease."

boom! A breath suddenly bloomed from Qin Chen's body.

#### [Chapter 4765: Sorrow from the heart](#)

Qin Chen directly released the king's blood aura on his body. People used to talk so much. After all, his identity as the Emperor of Darkness was fake. It is naturally inconvenient to release him directly. But now that Sikongzhen and others have surrendered to themselves, it is time to reassure them so as not to them.

There are too many guesses.

"this is..."

When the king's blood aura burst out from Qin Chen's body, Sikong Zhen's trio instantly became sluggish, and their excitement couldn't be further increased.

royal.

It's really the dark royal family.

At this moment, the excitement of the three Sikongzhens could hardly be expressed in words.

Although they had guessed Qin Chen's identity before, and vaguely perceived some, they were all guesses after all, and they had not directly felt it, so other possibilities cannot be ruled out.

But now, the three Sikongzhen completely let go of their hearts, their expressions were extremely excited and shocked.

Right bet.

It's really a right bet.

How can we become stronger these years? Break through your limits?

Practice?

talent?

These are all right, but there is one of the most important factors, and that is to follow the right person.

If you follow the right person, you can easily break through your own shackles, but if you don't follow the right person, you can only sink into your own limits for the rest of your life.

"Meet your lord."

Sikongzhen and the others knelt down again, this time, kneeling convincingly, kneeling in full bloom.

Aside, Sikong Anyun also stayed. At this moment, the aura on Qin Chen's body was shocked, his complexion changed and his heart shook.

She has imagined many possibilities, but never thought of this one.

royal?

It's too high, it's not something she can touch at all.

And for some reason, after knowing that Qin Chen turned out to be a member of the royal family, Sikong Anyun did not have joy or excitement in his heart, but a trace of loss emerged.

She didn't know what the reason was, but she was a little lost in her heart.

"Get up all!"

Qin Chen put away his breath and said lightly.

Sikongzhen and others stood up respectfully, "I don't know why Master An came to Heiyu Continent this time? Is there anything I need to wait for."

Sikongzhen took the initiative to ask, and he took his own identity very well.

Qin Chen smiled and said, "Well, this young man will tell you that the purpose of my visit to Heiyu Continent this time is in the depths of the Dark Ancestral Land."

Sikongzhen and the others were startled, "Deep in the Dark Ancestral Land? Sir, do you mean... the core of the Demon Race Infernal Demon Prison?"

Qin Chen nodded, "Yes, it seems that you also know it." "Subordinates guarding this Heiyu Continent, naturally know some. Deep in this dark ancestral land, it was the core of the Demon Race back then. The rumors contained one thing. The top treasures, the reason why the ancestors such as the Throne are guarding the depths of the dark ancestral land is for

After breaking the prohibition of the ancestor of the Abyss Demon, he obtained the treasure in it. "

"My lord, is it the top treasure in the depths of this dark ancestral land?"

Sikongzhen and the others looked at each other and couldn't help but secretly startled.

What kind of treasure is that that actually attracted the people of the dark royal family to come in person? Qin Chen smiled and said: "It is easier to talk to smart people. That's right, the top treasure of the Demon Race is the purpose of this young master this time. You should also know the effect of that treasure. If you can get that treasure, yes. My dark people will be of great benefit

beneficial. "

Sikong Zhen smiled bitterly and shook his head: "My lord, what exactly is that treasure, but I don't know what it is."

"You don't know?"

Qin Chen frowned.

This is unlikely, right?

This is something he didn't expect. Sikongzhen and others are one of the three powerful forces guarding the Heiyu Continent. Wouldn't they know the treasures in the depths of the Dark Ancestral Land?

However, from the looks of it, Sikongzhen and others did not seem to be lying. Seeing Qin Chen's puzzled expression, Sikong Zhen said bitterly: "Don't hide from you, the Dark Ancestral Land is the place guarded by Lord Throne. Although the subordinates visit the Dark Ancestral Land and know the Dark Ancestral Land very well, Just the periphery, as for

The core place is easily inaccessible to me. "

"Moreover, even though I followed Lord Shitian back then, I was only a pioneer under Lord Shitian. Compared with Lord Throne, I still have a worse status..."

Qin Chen shook his head, "So that's it, nothing else, I won't hide it from you. In that dark ancestral land, it is a top treasure of this universe, called the Demon Soul Source Tool."

"Devil Soul Source Device?"

Sikongzhen and the others looked over.

"Not bad." Qin Chen picked up his teacup, took a sip, and said lightly: "The Demon Soul Source Artifact is a treasure formed when the Abyss Demon Race was born, and it is also the core that controls this Abyss Demon Race Infinite Demon Prison. , As long as you can get this thing, you can easily control the entire abyssal demon clan and control it, and if you can't control it, even if this Infinite Demon Prison is now controlled by my dark clan, as long as the demon clan's people control the demon soul generator , You can easily take back the control of this Infinite Demon Prison from my hands

."

No wonder.

Sikongzhen and others shook their bodies.

It's no wonder that the ancestor of the Abyssal Demon gave the Infernal Demon Prison to their dark clan without caring. Unexpectedly, there was such a reason.

"But what if I wait to completely turn the Infinite Demon Prison where the Heiyu Continent is located into the territory of my dark clan?" Sikong Zhen and the others said again.

"Turn into the territory of the Dark Clan?"

Qin Chen smiled, "Today, your approach is to turn this heaven and earth into two different heavens, darkness and demons, so that the two powers merge. In this way, those who merge heaven and earth

here will not be immune to this universe. Suppression of the origin of the universe." "But no matter how you grow the origin of darkness, in order to be able to integrate with this universe and not be suppressed by the origin of this universe, you will not be able to completely turn this Heiyu continent into the world where the dark heavens are located, then, Even if there is only a trace of magic

Clan Tiandao, the ancestors of the Abyss Demon can use the Demon Soul Source Device to control this world. "

This is not Qin Chen talking nonsense, but the information he got from the master of the abyss.

Upon hearing this, Sikongzhen's hearts sank.

Is that right?

The three of Sikongzhen were silent at first, and gradually, the corners of their mouths could not help but draw a bit of bitter smile. "It turned out to be like this. So, no matter how hard we work over the years, it is just some superficial effort, and the throne and the others guarding that piece of heaven and earth over the years are the real core, in order to crack the old monster of the abyss. Ancestor's prohibition

System, want to get that magic soul generator! "

At this moment, the hearts of the three Sikongzhen were full of bitterness.

If what Qin Chen said is true, then for countless years, their three major forces have been guarding here, but it is just a display.

The real key lies in Yuzuo and others.

sad!

sorrow! Suddenly, Si Kongzhen and the others felt sad.

#### [Chapter 4766: Don't waste time](#)

Their three major forces guarded the Heiyu Continent, and for hundreds of millions of years, they have been trying to completely transform the Heiyu Continent into a place where the Dark Clan can stand.

How much effort has been made and how much has been sacrificed?

But who ever thought that what they did was so trivial, not even important.

In fact, they also have some understanding of the status of their own forces. Knowing that their status may not be able to get the most attention.

Otherwise, they will not be sent to redeem their sins.

But they never expected that they would be kept in the dark for so long, completely ignorant of the truth about Heiyu Continent.

Are they so insignificant in the eyes of the upper echelons of the dark race?

For a while, the sorrow and sorrow in the hearts of the three Sikongzhen was beyond words.

Qin Chen said lightly: "These are not important, Ben Shao just wants to know, how can I enter the depths of this dark ancestral land without being stopped by the thrones?"

"My lord, as long as you show your identity, the throne and others will definitely let you in. How dare you stop you?"

Sikongzhen and the others were shocked. They didn't expect Qin Chen's demands to be so simple.

"not that simple."

Qin Chen shook his head and said with a sneer: "If it could be that simple, wouldn't this young man have done it long ago? Would he come to ask you? Young young man needs to enter the depths of the dark ancestral land, but he can't let the royal seat and the others know The identity of this young man."

"Why is this?"

Sikongzhen and others were puzzled.

"The reason for this is very complicated, and I won't explain it much. Don't forget the reason why you were staying here. The Emperor Shitian back then..."

Speaking of this, Qin Chen stopped abruptly and stopped speaking.

"My lord, do you mean that there is a problem with the throne and others?"

Sikong Zhen was shocked, and his entire body was erected.

This...

It must be so.

Otherwise, as an adult, why would you care about the thrones? Just tell your identity, how dare the thrones and others stop them?

But now, the adults are entering in a curve instead, which shows that the adults clearly have a reason why they can't tell the other party.

In combination with Lord Shitian who seemed to have been framed by other people in those days, he fell into this world, which made Sikongzhen and the others shocked.

Could it be that...

In an instant, Sikongzhen and the others stood up, as if they knew some secrets they shouldn't know.

"My lord, I'll see it later."

Sikongzhen was shocked and excited again.

What was shocking was that he actually intervened in the secrets of the royal family, fearing that if he was not careful, he would be broken into pieces and annihilated in ashes.

And what was excited was that he was actually blended into the grievances of the royal family in his own capacity, and there was an indescribable strong sense of mission.

"My lord, if you want to go directly into the depths of the Dark Ancestral Land without telling the Throne and the others, there is indeed a way." Sikong Zhen frowned and thought, "I and the three major forces, although they are kept in the dark, I don't know. The truth, but according to the agreement of the year, the three major forces I and I are the masters of Heiyu Continent on the bright side, and I wait for everyone, there is a piece of darkness.

Part of the token, once the three major tokens are assembled, they can enter the depths of the dark ancestors with freedom, even the Throne and others cannot stop it. "

"Dark token?" Qin Chen asked in confusion.

"Exactly."

Sikong Zhen raised his hand and boomed, a black triangle token appeared in his hand instantly, blooming with a strong dark atmosphere, flew forward, and instantly fell into Qin Chen's hand.

"My lord, this is the dark token. There is one piece on the subordinates, and the other two pieces are in the hands of Supreme Linyuan and Supreme Stone Mark."

Qin Chen took the dark token, carefully sensed it, and boomed, a terrifying dark aura surged in an instant, arousing the power in Qin Chen's body.

This token is indeed extraordinary.

Qin Chen held the token and said in deep thought, "In other words, as long as Ben Shao gets two other tokens and the three cards are combined into one, he can directly enter the deepest part of the Dark Ancestral Land?"

Sikongzhen nodded and said: "That's the case. However, it is extremely difficult to get the three tokens together." "Because these three tokens are divided into three forces, it is difficult to gather them together, except for that. In addition, the Shihen Emperor's Gate has always been at odds with our Sagong Holy Land. What's more, your lord, you also killed the Shihen Emperor of the Shihen Emperor.

The card gives us..."

Sikong Zhen sighed and shook his head.

"he?"

Qin Chen snorted, "This person doesn't need to care. The token on his body has been booked by the young master. Let me talk about the Linyuan Sacred Gate first?"

Qin Chen's eyes flickered: "How is the relationship between the Linyuan Sacred Gate and your Sagong Sacred Land?" Sikong Zhen continued: "My lord, the relationship between the Linyuan Sacred Gate and our Sagong Sacred Land and the Shimark Emperor Sect is normal. , That Linyuan supreme, has always paid no attention to external affairs and devoted himself to cultivating. Although he is not at odds with our Sikong Holy Land, he wants to get

The token on him..."

"Then go to Linyuan Sacred Gate first."

Qin Chen stood up suddenly, and said coldly: "Does this young man want him a token, does he dare not give it?"

"Sikong Zhen."

Qin Chen drank coldly.

"Subordinates are here." Sikong Zhen hurriedly saluted.

"Take me to the Linyuan Sacred Gate immediately. Since the Linyuan Sacred Gate and your Sagong Holy Land are not hostile, the young man will fight for it first. If you can't get it, then..."

A fierce killing intent spread out from Qin Chen.

"Subordinates go to do it right away." Sikong Zhen was excited, "Subordinates immediately mobilized all the powerhouses in the Holy Land to go to the Linyuan Sacred Gate."

"To mobilize all the strong? Why is it so complicated, it's enough for you and me to go." Qin Chen said lightly.

"That's not right..." Sikong Zhen was startled, and said: "My lord, you don't know, the strength of the Linyuan Sacred Gate is not trivial. You and I will go alone. If the Linyuan Supreme has evil intentions, the subordinate will fall It's okay, but if you have something, sir, let your subordinates wait like

What is good..."

"Yes, my lord, it's better to let me wait to mobilize the holy land powerhouse and follow the lord together."

Elder Luo Wen and others also hurriedly said. "Okay, no need to say more." Qin Chen waved his hand:

"It's just going to the Linyuan Sacred Gate. It's not a sea of swords and flames. Isn't that Linyuan Supreme, dare to do anything to this young master? What's more, this place needs you to guard it. One that the stone scar supreme leads people

Come here, with you here, there can be resistance here, not to mention that, in the future, Ben Shao will go to the Shihen Emperor Gate, you can prepare well in advance. "

"Okay, Sikongzhen, don't waste time, let's go."

Qin Chen stood up, booming, with a terrifying aura rising to the sky.

When Qin Chen spoke like this, Si Kongzhen naturally did not dare to refute.

"My lord, then please follow me."

When the voice fell, Sikong Zhen's body shook, and instantly he escaped into the endless void and swept towards the Linyuan Sacred Gate.

Behind him, Qin Chen's body space flickered, and in an instant, it disappeared.

Seeing Qin Chen and Sikongzhen leave, Elder Luo Wen and others were all excited. Unexpectedly, they actually fell in love with the royal family in Sagong Holy Land, it is simply unimaginable.

## [Chapter 4767: Retreat](#)

Qin Chen and Sikong Zhen left, and soon all the masters of Sagong Holy Land were operating and mobilized one after another. In particular, Elder Luo Wen and Elder Guhe were extremely positive, because they all knew that Qin Chen killed the disciples of the Shihen Emperor Sect, and the next step would definitely attract the siege of the Shihen Emperor. Do well all the time

Prepare.

In the endless void.

Qin Chen and Si Kongzhen shuttled through the void layer after layer, constantly flying by.

The strength of both of them is sky-reaching, and those who travel above Heiyu Continent do not know how many voids and endless worlds they have traveled through, and this Heiyu Continent's boundless worlds are all in Qin Chen's perception.

Hundreds of millions of years of development, on the Heiyu Continent, countless kingdoms have been built, empires, and dangerous sects lined up, showing a warm scene.

All these are the credit of Sikong Zhen and them for hundreds of millions of years. To build such a continent, nurture countless disciples of the dark race and the people of the universe, and integrate the heavens, making this Fang Tiandi a bridgehead for their dark race.

But now, seeing these sky full of prosperous countries, countless sects, Sikong felt more and more cold in his heart. Because he didn't know from Qin Chen not long ago that all the contributions they made were nothing more than perfunctory efforts by the great figures of the dark clan, and what they did was indeed able to make the Heiyu Continent a viable for their dark clan.

A special place is not suppressed by the origin of this universe.

However, it was not the real plan of the Dark Clan, because no matter how well they built this place, the Demon Clan had the ability to take them away from the Heiyu Continent in an instant.

The real key is the Demon Soul Source Tool mentioned by Master An.

Thinking of the high-levels on the Dark Continent, they have completely kept him in the dark over the years, not telling them the truth at all, but instead let the throne and others continue to refine the demon restraint for hundreds of thousands of years.

Whenever he thought of this, Sikong felt anger.

Too much deception!

Whoosh whoosh!

The two of them flew constantly in the void, did not stay in these countries and regions, and flew far away. Their goal was the Linyuan Sacred Gate.

The Linyuan Sacred Gate is one of the three major forces in the Heiyu Continent, and it also has a forbidden area, which is no less inferior than the Sagong Sacred Land.

"My lord, in front of you is the sphere of influence of the Linyuan Sacred Gate."

I don't know how long it took. Suddenly, Qin Chen and the two stopped in a strange starry sky. Qin Chen felt that in this starry sky, the auras began to be different. The dark planets floating in the sky, like divine eyes, looked at the sky and the earth. A sacred atmosphere lingered around the sky and formed. A pair of and

The dark magic power flowing on the Heiyu Continent was completely different from the fairy spirit air. It seemed that he had come to the kingdom of the gods in an instant.

"Look, sir, those are the ancient sacred mountains, these places are the territory of the Linyuan Sacred Gate!" Sikong Zhen suddenly said, pointing to the depths of the starry sky. Qin Chen looked out from a distance, and saw that in the depths of the infinite stars, there were many ancient sacred mountains floating, and every ancient sacred mountain was almost the size of a continent. Floating in the air like this, running on a certain trajectory

, Countless strong men live on these sacred mountains.

In the depths of the sacred mountain, in a more secret space, there are countless tyrannical auras hidden.

This is the location of Linyuan Holy Gate.

"Go, sir, I'll take you there."

Sikong Zhen's voice fell, his body shook, and with a bang, he descended towards the place of the Linyuan Sacred Gate.

Qin Chen and the others came through discussions, so they came directly.

"Sacred Gate of Linyuan, our Sikong Holy Land is here to visit."

Sikong Zhen looked up to the sky and spoke, and the voice rumbling, passed out.

The basic etiquette must still be in place, otherwise the Linyuan Sacred Gate will mistakenly have a strong person to attack, then it will be troublesome.

Boom!

However, as soon as these words fell, before Qin Chen and the others arrived, all of a sudden, a terrifying array rose from the sky to the earth.

Above the countless large formations, a terrifying aura surged, and an astonishing restraining light bloomed, instantly intercepting Sikong Zhen and Qin Chen, and stopping the two of them.

This is the guardian array of Linyuan Holy Gate, the supreme-level array.

Suddenly excited at this moment.

"Um?"

Sikong frowned.

He had already reported his family, but Linyuan Sacred Gate had directly opened the guardian formation of Sacred Gate, but he was a little surprised.

This Lin Yuan Sacred Sect is a little too fussy, right?

However, he remained silent, since the great formation was opened, it was certain that the people of Linyuan Sacred Gate had already sensed the clues.

Not long after, with a swish, a figure flew out from the Linyuan Sacred Gate.

This is a young man who looks extremely young, and his cultivation is just the cultivation of the Venerable.

"Two, I am the gatekeeper of the Linyuan Sacred Gate. My Linyuan Sacred Gate is currently closed. I will not see guests for the time being. Please forgive me."

As soon as the young man came up, he folded his hands and said. Sikong frowned suddenly, this Linyuan Holy Sect was too arrogant, he was the master of Sagong Holy Land, a mid-term supreme giant, this Linyuan Sect was only sending a boy to talk, and he said he was sealing up. Among the mountains, this is

Make it clear that you are not seeing guests?

"I'm waiting for the earthquake in the sacred place of Sikong, and please tell you the high-level officials of the sacred gate of Linyuan quickly and say that this seat will come and see you."

Sikong Zhen said coldly.

With the posture that the opponent directly opened the Supreme Formation, it would be strange if the high-level Linyuan Sacred Sect didn't know that he was coming.

"The two are really sorry, I, the sacred gate of Linyuan, are in retreat, so please come back."

The boy continued.

"presumptuous."

Sikong Zhen was furious and blasted, and the terrifying supreme aura on his body soared into the sky, suddenly bombarding the supreme array in front of him.

There was a boom.

The entire supreme array continuously spewed out the power of the sky, and the continuous flickering fluctuations of the above array patterns and restraints evolved into heavy phantoms, resisting the power of Sikong Zhen.

"Don't go ahead and report it?"

Sikong shouted violently.

In this Linyuan Sacred Gate, there are still things that adults want, otherwise, would he be angry here?

The young man was still stunned by the breath of Sikong Zhen and unable to move across the supreme array, but still respectfully said: "Please don't be embarrassed by the next person, I, all the high-level officials of the Linyuan Sacred Gate are indeed there. In retreat."

"Yes?"

Sikong Zhen raised his head, looked at the ancient sacred mountain in the distance, and shouted coldly: "Linyuan Supreme, Sikong Zhen is here, please come out for a comment."

The rumbling voice echoed above the Linyuan Sacred Gate, like the roar of sky thunder, and passed out.

However, there was still no movement in Linyuan Sacred Gate.

Si Kongzhen's face suddenly sank, and murderous aura emerged in his heart. The man in charge of his dignified Sikong Holy Land had actually eaten such a deflated situation, and in front of Qin Chen, how could he not be angry?

[Chapter 4768: Got angry](#)

boom!

The billowing aura on Sikong Zhen surged out, bombarding the supreme array.

Wow!

Just saw the terrifying aura surging above the supreme array, the rolling power was permeating, exuding palpating power, and the terrible prohibition runes bloomed.

These forbidden runes, each with words like a big fight, mysterious and complicated, seem to contain the most supreme truth in this world, blooming with glory and withered power.

Even Sikong Zhen faintly felt a trace of fear.

This is the guardian supreme array of the Linyuan Sacred Gate, and its power is naturally extraordinary. Even if it is as strong as Sikong Zhen, I am afraid that I am afraid to force it. There is also danger.

"hateful."

Sikongzhen was jealous, but he didn't dare to lose face in front of Qin Chen.

On the side, between Qin Chen's eyebrows, an invisible eye pupil bloomed, no one knew, it was the eye of creation.

Under the eyes of Qin Chen's creation, the many powers in the Linyuan Sacred Gate were undoubtedly revealed under his observation.

"Haha." Qin Chen suddenly chuckled and saw something.

On the side, Sikong Zhen couldn't bear it, he was about to make a move, but was stopped by Qin Chen.

"My lord." Sikong Zhen hurriedly turned his head.

"Hehe, let's go."

Qin Chen said with a smile.

"But, the token is still..." Sikong Zhen hurriedly said.

Qin Chen waved his hand, "Don't worry, since the other party is in such a posture, obviously he doesn't want to see me waiting. If you forcibly break in, you will make things worse, just follow me."

The voice fell, his figure shook, he turned and left, disappearing.

"Huh." Sikong Zhen glanced at the Linyuan Sacred Gate, waved his sleeves, followed Qin Chen angrily and left.

The master of the dignified Sikong Holy Land, this is the first time he has been humiliated like this.

But after Qin Chen and the others left, the venerable guard stood up frightened, turned around and went back to his life.

A vast void outside the Saint Gate of Linyuan.

The figures of Qin Chen and Sikongzhen suddenly appeared. "My lord, although the Linyuan Sacred Gate has a normal relationship with our Sagong Sacred Land, there is no contact between them, but this time it is very weird, this seat is also the power of Sagong Sacred Land, no matter what Linyuan Supreme, at least I can see. Me one

See. "

"But this time, when the subordinates spoke like this before, none of the high-ranking members of the Linyuan Sacred Sect had ever come. This must be weird."

As soon as Sikong Zhen appeared, he said anxiously: "What kind of retreat? Huh, when I wait for my cultivation base, I can't easily break through. Even if I am in retreat, I can wake up at any time. There is something strange."

Sikong Zhen spoke again and again, this time, he was really angry. Qin Chen's eyes flashed, and he said lightly: "Sikong Zhen, don't worry, do you think this young man doesn't know this? However, since the other party doesn't want to see you, even if you keep calling, you may not have a good result, even if it's the other party. Send someone to see you, again

What can we talk about? "

"My lord, what do you mean?"

"Instead of arguing here, it's better to go directly in and see what the \*\*\*\* is going on with this Linyuan Sacred Gate!"

The dark token on Linyuan Supreme's body is something Qin Chen must get.

"Go straight in? But there is a supreme array outside the Linyuan Sacred Gate, I'm afraid..." Sikong Zhen shook his head bitterly.

"Don't worry about this, do you have any high-level acquaintances at Linyuan Sacred Gate? The one with a good relationship?" Qin Chen's words changed.

"High-level?" Sikong Zhen narrowed his eyes, "Yes, yes, there are four guardians under the supreme in the Linyuan Sacred Gate, and each of them is a supreme master. One of them has a good relationship with our Sagong Holy Land."

"The relationship is good? This person is reliable? Will you tell me the information in the Linyuan Sacred Gate?" Qin Chen asked. "Sir, don't worry." Sikong Zhen smiled slightly, "That person has the handle to fall into the hands of his subordinates. As long as the subordinate speaks, he dare not disobey. Of course, the subordinates dare not press too much, because the other party will admit their mistakes. Although it will be

Yuan Shengmen's punishment, but it will not be killed, but it will lose the position of the law protector, and fall into the cloud from then on. "

"This is enough."

Qin Chen nodded: "Let's go, take me to see this person."

"But that person is in the Linyuan Sacred Gate, and now the big formation has closed the door, I'll wait..." Sikong Zhen said hurriedly.

"It's just a supreme array, so what a mess."

When the voice fell, Qin Chen's figure shook and disappeared.

Sikong Zhen was stunned, and hurriedly followed.

After a while, in a corner of the Linyuan Sacred Gate, two figures quietly appeared, it was Qin Chen and Sikong Zhen.

In front of them, there are a series of supreme runes circulating. "My lord, this formation is called the Nine Saint Xuantian Reincarnation Formation. It is rumored that it was established by an ancestor in the Linyuan Sacred Gate that year. It possesses supreme power. Possibly. Moreover, once it is shot, it will definitely be

The strong man in Linyuan Sacred Gate who controls this formation has discovered that when the time comes..."

Sikong Zhen perceives the large formation in front of him, revealing a solemn color, and speaks vigilantly.

However, before he finished his words, he saw Qin Chen suddenly with one hand, already on top of this supreme array.

"Om!"

Inside Qin Chen, an invisible power of the king's blood quietly released. With a buzzing sound, he saw the runes on this large formation, continuously rotating, and suddenly, it cracked on Qin Chen's palm, revealing it. A gap.

"Let's go."

Qin Chen put away his palm, and said lightly: "Hurry up, otherwise this big battle will be closed."

When the voice fell, Qin Chen's figure shook, and he entered the big formation.

With Qin Chen's current understanding of the power of darkness, coupled with the power of the king's blood in his body, this vast array couldn't stop him at all.

Behind him, Sikong Zhen was stunned, and he couldn't recover for a long time. It was not until Qin Chen entered the big formation that his figure shook and followed him.

After entering the Linyuan Sacred Gate, Qin Chen hid in the void and said, "Which mountain is your guardian?"

In the void in front of him, countless ancient sacred mountains suspended, so vast that they could not be found easily.

"This... the subordinates don't know, but the subordinates have a way."

While talking, Sikongzhen glanced around, and immediately saw a Tianzun-level expert flying in the void ahead. Look at the clothing on this person, it should be a middle-level member of the Linyuan Sacred Gate.

"come over."

Si Kongzhen concealed the void, and when the other party approached, he suddenly raised his hand and buzzed, the middle-level man had already been picked up by him, knocked and fainted.

The two came to a secret place, placed a restriction, and awakened the middle class all at once.

"Who are you? This is my Linyuan Sacred Sect. I'm so brave to dare to be in me..." The middle-aged Tianzun just woke up and said sternly, half-talking, Sikongzhen's trace of coercion has been suppressed in his body.

#### [Chapter 4769: Mikong Dharma](#)

boom!

The powerful supreme coercion suppressed the person for an instant, making the person's eyes frightened and unable to speak a word.

"This seat Sikong is shaking, what do you want to do with this seat?"

Sikong Zhen sneered coldly.

"Are you... Sikong Zhen?"

The middle-aged Tianzun was suddenly stunned, and his whole body was trembling.

He didn't expect that the other party turned out to be the master of Sagong Holy Land. Originally, such words are generally believed by no one, but before the opening of the Linyuan Sacred Gate, it seemed that it had been invaded by a powerful enemy, and the sound of Sikong's rumbling sound also spread to everyone in the Linyuan Sacred Gate. , Naturally made this person

Some believe in the identity of Sikongzhen.

This is a master at the same level as their Linyuan Saint Sect Master.

"Senior, this is my Linyuan Sacred Sect. If you act on me, you will surely provoke my Sacred Sect Master. I am the Sacred Deacon, and I can also be regarded as a high-level Sacred Sect..."

This person hurriedly spoke, for fear that Sikong Zhen would do anything to him.

Hearing this, Qin Chen smiled softly, "Sacred Sect high-ranking? Is it possible that you have a high-ranking Shihen emperor in your identity?"

Hearing this, the middle-aged Tianzun's expression suddenly changed. "Senior joked, I don't know what Senior wants to do, as long as he can do it in the next, he will not refuse." This person said in a panic: "However, there are some rules, which are set by the above, and there is nothing that I can do. After all, why is the sect master? Not seen before

Gen, the next little deacon can't be the master of the sect master. "

Qin Chen narrowed his eyes, and it seemed that the people of the Linyuan Sacred Sect were afraid that they all knew about the Sagong Sacred Land and the Shihen Emperor Sect.

Could it be that the sect master of the Linyuan Sacred Gate stayed away and was united with the Shihen Emperor Gate?

"Okay, there is no need for you to go." Sikong Zhen said indifferently: "Our Sikong Holy Land does not want to be an enemy of Linyuan Holy Sect and the whole Sage Sect, so I will find you. Don't worry, we will not kill you. , On the contrary, I want to give you a great opportunity.

He's a good person, you help me pass it through, and I want to see him. See what happened. "

Sikong Zhen waved his hand, "I'm afraid that your sect master of Linyuan Sacred Gate was deceived by the wicked, and that would be bad. Can you do it?"

"Makong Protector?"

This person was startled, "This is no problem. Mikong's protector is under Master. The younger generation can take two to my master's immortal residence, and the two seniors will come with me."

The man glanced at Sikong Zhen and Qin Chen, and found the killing intent on the two of them, and he shuddered. He knew that the other party's tone could not be rejected by himself.

Once he refused, he would die immediately. The opponent could ignore their guardian formation of the Linyuan Sacred Gate, and even the Emperor Shihen dared to kill him, and he didn't care if he was a small Sacred Deacon.

No matter how high his status is, he can't compare to the emperor of Shihen Emperor Sect, who is the son of Shihen Supreme.

"That's good." Qin Chen nodded, a little surprised. He didn't expect to shoot at will, and he actually trapped Mikong's disciple of the law.

Immediately, this person was leading the way, not daring to have the slightest moth.

At this moment, this person has only one thought in his mind, and that is to quickly bring these two evil stars to Master Mikong's Protector, and let Master handle this matter.

The three of them shuttled through the void, Qin Chen opened the eye of creation and observed the surroundings. As long as there is a wind and grass around, he will take a shot.

I saw the emptiness around him, constantly passing by, and time and space restrictions were everywhere, but Qin Chen's divine mind was aware of Qiu hao and was in control of everything at any time. This middle-aged Tianzun took a peek at Qin Chen and Sikong, and found that they were calm and comfortable. They walked on the ground wherever they were. They couldn't help but secretly admired: "This is the temperament of a big man. It exists on the same level as the owner, even if it is. In him pro

Among the mountain gates of Yuanshengmen, it was also extremely calm. But I want to have the strength of the other party, I am afraid it is the same, strength is the root of everything. "

Boom!

After a while, the three of them stopped to travel through the void, and saw a magnificent ancient sacred mountain towering in front of them.

This sacred mountain, suspended in the void of the Linyuan Sacred Gate, has a majestic aura. Compared with the surrounding sacred mountains, it is a circle larger. Obviously, this place is the place where the real supreme ancestor lives.

In this ancient sacred mountain, there is an inexplicable masculinity, which is extracted from the dark atmosphere, but the most pure, majestic, mighty, and very pure.

Obviously, there is a generation of supernatural powers who directly refine the pure aura in the dark aura, and disperse it into this ancient sacred mountain, so that the disciples in the sacred mountain can absorb it, so that the disciples here can improve their cultivation.

This person led the way, and after entering this sacred mountain, it was unimpeded. Obviously, he was indeed a disciple in this sacred mountain. Otherwise, a deacon would not be able to pass unimpeded in any of the sacred mountains of the holy gate.

"The void of the stone platform is where the master practiced." The middle-aged Tianzun pointed at a void stone platform from a distance. Qin Chen had discovered the stone platform long ago. It was as straight as a knife, and the whole body was smooth, above the stone platform. A small pavilion was built, and inside the pavilion, an old man was sitting. It was very simple, but slightly

With a few breaths, an infinite dark aura descends, purifying it into pure dark power.

"Let the disciple go and report first."

The middle-aged Tianzun's figure flickered, and he couldn't wait, and instantly entered the void of the stone platform.

Qin Chen and Sikongzhen did not stop either.

When the middle-aged Tianzun entered, the old man suddenly opened his eyes and saw the person coming, and he couldn't help but frown, "Guro, you are also a veteran disciple of this seat, who will allow you to stay in this seat of retreat? , Trespassing here?"

On the face of the old man, the suffocation turned.

"Master, it is the two adults who want to see Master, and the subordinates cannot resist, so they can only come to tell me..." Gu Luo said in a hurry. "Two adults? Humph, at my Linyuan Sacred Gate, apart from the master, who can be called Senior? Is it the other three protectors? But even if the other three protectors can directly send the message to this seat, what will happen? Let you know?" The old man stood up

, A pair of eyes, uncertain.

"Guardian Mikong, I haven't seen you for some time. I don't think you are good at your skills and have such a big temper. Isn't it okay for me to want to see you?"

Suddenly, a cold snort sounded, and two figures suddenly descended on the ashtray.

It was Sikongzhen and Qin Chen.

Boom!

When the two fell, the billowing supreme aura permeated, and instantly suppressed Mikong's body, causing Mikong's look to change suddenly.

"Ah, Sikong Zhen!"

Seeing the incoming person, Protector Mikong's face changed wildly, his figure retreated violently, and he was shocked: "Why are you here?" His body was shocked, and nine supreme divine lights suddenly appeared behind him, and his breath was soaring, forming a terrible defense, covering it. The whole body is very vigilant.

#### [Chapter 4770: Not welcome](#)

"What? Protector Mikong doesn't welcome this seat?"

Sikong Zhen sneered.

"No, it's just that I, Linyuan Sacred Gate, didn't open the Supreme Array, and have closed the mountain gate."

Protector Mikong's eyes were unbelievable, and when he looked up at the sky, he saw the endless sky above the endless sky, the rolling formation surging, never closed.

How did the other party get in?

"Hehe, the Nine Saints Profound Heaven's reincarnation formation is just a mere formation, how can I stop this seat?"

Sikong Zhen said indifferently, with a proud look. Then before he came to the pavilion, he raised his hand and a throne appeared instantly. Sikongzhen bowed slightly to Qin Chen and said, "My lord, please sit down."

Qin Chen nodded and sat down at will.

Such a scene surprised De Mikong's protector.

Who is this seemingly young guy? Can Sikongzhen be called an adult? It shocked his heart. "You are the Mikong protector that Sikongzhen said? I heard that you have a good relationship with Sikongzhen. Ben Shao came here today just to know what happened in the Linyuan Sacred Gate? Actually even Sikongzhen's face Nothing? This young man has important things to do today

See you the master of the Linyuan Sacred Gate, you, as the guardian of the Linyuan Sacred Gate, should be able to see each other, take me to wait. "

Qin Chen said lightly.

"Who is your excellency?"

Protector Mikong frowned, looked at Sikong Zhen, and said angrily: "Sikong Zhen, what the \*\*\*\* are you doing? Didn't you say that you would conceal it for this seat? You actually told others about our relationship at will? You want to be with Ben Are you tearing your skin?"

Protector Mi Kong's face instantly changed color and was extremely ugly, with a bang, and a terrifying supreme aura surged from his body.

Sikong Zhen said calmly: "This adult is not someone else, but the current master of our Sagong Holy Land."

"Your master of Sagong Holy Land? Hahaha, what are you kidding? Sagong Zhen, do you think this is a three-year-old child? This person is so young that he is not even the supreme, but you say that he is the master of your Sagong Holy Land, which is extremely ridiculous. "

Protector Mikong waved his hand: "I don't care what you want to do, you don't care how you come in, leave my Linyuan Sacred Gate quickly, otherwise once the master master knows that you are in my Linyuan Sacred Gate, you will not escape. If you die, you have to hurt this seat." Qin Chen said lightly, "Why are you so excited. This trip will only benefit you, but there is no harm in Linyuan Sacred Sect. I'm just afraid that the Sect Master of Linyuan Sect will be The traitor was deceived, leading to collusion with the Shihen Emperor Sect, giving you Linyuan

The Holy Gate brings the disaster of destruction. "The catastrophe of annihilation?" It's ridiculous, junior, you are a small half-step supreme, don't talk nonsense here, leave quickly, and your Sikongzhen, if you break into my Linyuan Sacred Gate like this, not only will it cause me trouble, I will also give you Sikong Sheng

The earth brings disasters. "

Protector Mikong was impatient at hearing, and waved his hand.

A tyrannical force directly bombarded Qin Chen, to give him some warnings.

With the strength of Mikong's guardian, such a move is enough to directly kill a half-step peak supreme.

However, Qin Chen's eyes suddenly flickered with cold light, and a breath shook slightly, and behind him was the aura of the eternal heavens, and the forces that attacked him collapsed one after another.

"With your strength, you can't even see the extraordinariness of Ben Shao. Isn't it any wonder that you are just an initial supreme, you can only be a small protector? Your comprehension is too low. You think Si Kongzhen is calling Ben Shao an adult, and he is lying to you. He is from the Holy Land of Sikong

Master, is it necessary to do this? "

Qin Chen's voice spread along with his body, and the next moment, he appeared in front of Protector Mikong.

Beng! It seems that the Tianzhu supporting the heaven and the earth collapsed directly, without any suspense, the peerless master of Mikong Fa protector was hit by Qin Chen and slammed out. Blood spurted out of his mouth, his breath was scattered, even the supreme power in his body

, All of a sudden collapsed, bleak and dull.

With a bang, it flew out for thousands of miles, and then hit the barrier of the Primordial Mountain, and then it stopped!

Protector Mi Kong's hair was disheveled, his expression was frightened, blood was hanging around his mouth, he was obviously injured and his vitality was damaged.

With one move, the supreme overlord unexpectedly vomited blood and was wounded by a bombardment.

"what?"

Gu Luo, a disciple of Protector Mikong, almost jumped up, his eyes that couldn't believe it, his mouth closed, like a dead fish.

Who is his master Mikong's protector?

The true supreme powerhouse, although not as good as the mid-term supreme like Sikongzhen, is also a veteran figure in the early supreme, a well-known big man, one of the four guardians of the Linyuan Sacred Gate.

Now that he was hit by such a young man in front of him with one stroke, he was directly injured. The strength of the man in front of him was so incredible that Jane reached a point where it was impossible to believe it.

The most important thing is that between Qin Chen's shots, the aura on his body is always at the half-step supreme level, and has never broken through to the supreme.

How is this possible?

"You...this is a sneak attack." Protector Mikong jumped up suddenly, his expression furious, "Sikong Zhen, are you trying to fight the old man? Big deal, let's take two shots, as long as the old man informs

the host, the door will be The Lord urged the great formation, trapped you here, you will undoubtedly die

. And you kid, what kind of ability to secretly attack, take the old man's trick. "

The billowing power of Mi Kong's body burned, and suddenly, he roared: "Immeasurable, unparalleled."

There was a boom. The knocked-out Mikong Guardian flew up like a devil, with his hair flying, and suddenly raising his hand. Between the world and the earth, a big hand that was ecstatic and white suddenly appeared, and there were endless ways and principles flashing on it, one after another. The law carries the majesty of the world and descends

Falling down, killing the invincible existence, directly blasted towards Qin Chen.

"presumptuous."

Sikong frowned, his eyes were cold, and he was about to make a move.

However, it was stopped by Qin Chen.

"In the early days, the supreme is also rampant in front of this young man. Don't worry, I will convince him first." After the words fell, Qin Chen's face was expressionless, and his big hand swept into the air, a force of comprehension of the origin surged out, a vast expanse. The dark phantom appeared in the air, and only a shock, the huge Dao's palms were all shattered, and the wind rolled in the clouds.

So, the smoke disappeared.

Then Qin Chen slapped it. No matter how the Mikong Guardian dodges, it is of no use. The whole body is enveloped in the void, and with a snap, the Mikong Guardian is flew out, his face instantly swelled, and the corners of his mouth are bleeding.

"Come here!"

Qin Chen grabbed the void, the light of the unicorn bloomed on him, and a unicorn phantom appeared, vomiting infinite power. He only saw the power of the unicorn running, and stepped on it, slamming Mikong's Protector on the ground, no matter how this great figure changed his supernatural powers, he couldn't escape Qin Chen's control.
