

Valkyrie 4781

[Chapter 4781: Zu Wufeng](#)

Boom!

Sikong Zhen urged Kun Demon Palace, the whole person was like a demon god, majestic and invincible, under the blessing of Kun Demon Palace, he slammed out with a punch.

puff! Gu Xuye spurted out a mouthful of blood, and the peerless array he displayed was constantly crunching and bursting with roars. At the same time, the countless shadows of kings behind him were also suddenly shattered. , The whole person is like a cannonball

The same flew out.

"Lost!"

Many of the Linyuan Sacred Sect powerhouses present suddenly mentioned in their hearts, especially Elder Thousand Eyes, Elder Star Destroyer, and Protector Xiuyi. "Huh! What do you have to say now, you are here today to discuss the matter of dealing with our Sagong Holy Land, this seat is just going to listen to it, and you are repeatedly attacked, so it seems that your Linyuan Sacred Gate is against our Sagong Holy Land. The holy land is very hostile, and I am afraid that we are going to discuss a plan against our Sagong Holy Land! Not to mention, today I will take your Gu Xuye, the master of the Linyuan Holy Gate, as a hostage, so that you can know that our Sagong Holy Land is also It's not so easy to calculate. Kun Demon Palace , The power of the sky! "

Sikong Zhen urged Kun Demon Palace again, with a bang, and the devouring power erupted from Kun Demon Palace, covering Gu Xuye, trying to capture the deputy master of the Linyuan Sacred Gate.

With blood on the corner of Gu Xuye's mouth, his face showed a desperate look.

at this time!

"Stop!" A strong voice was suddenly delivered, and then a stone portal suddenly jumped out of nothingness. The portal opened wide, and the glow of the sun was shining, and a shadow of the strong came out. Ying Yi punched out, seven or seven years

Forty-nine fist shadows rose into the sky, blasting towards Sikong Zhen instantly. Boom, all the devouring power was dissipated. The stone portal phantom gradually condensed and turned into a middle-aged man with a golden crown and elegant temperament. With a big hand, he grabbed Gu Xuye. Live, delivered directly behind me

.

"The holy master of Sagong Holy Land, Sikong Zhen, drove to my Linyuan Sacred Gate, why don't you treat the guests like this instead of entertaining them?"

After the elegant middle-aged man protected Gu Xuye, he glanced at everyone present, screamed coldly, and spoke unhappy.

Sikong Zhen was going to make another shot, but he stopped when he heard this voice.

"Door!"

"Please refer to the Sect Master..."

"The guardian of Huangdi, see the master..."

Seeing the appearance of this stone portal, all the supreme figures, protectors and elders, immediately stood up, see this elegant middle-aged man.

Obviously, this elegant middle-aged man is the master of the great power of the Linyuan Sacred Gate, the peerless powerhouse rumored to have the Linyuan Gate, and the supreme figure of the past.

"Sect Master! This person rioted at my Linyuan Sacred Gate, forcibly broke into my Holy Land headquarters, and was also arrogant and overbearing, hurting several people in my Sacred Gate, and must be completely suppressed to maintain my reputation of Linyuan Sacred Gate."

Elder Thousand Eyes hurriedly said, pointing at Sikong Zhen and condemning him.

"Yes, Master Sect Master, and Protector Mikong. He colluded with outsiders and led Sikong Zhen into our Sacred Sect Headquarters. He was very rebellious and should be put to death."

Xu Di's guardian also hurriedly shouted. Protector Mikong hurriedly explained: "The sect master, this is not the case. It was Sikong Zhen who found his subordinates and asked to see the sect master to discuss the major events of Sagong Holy Land and Linyuan Holy Gate. The subordinates thought that the other party was also the master of the Holy Land. This will bring the other party

When the headquarters discussed, it was not that there was a rebellious heart, but that the guardian of Huangdi was aggressive, forcing the other party, angering this person, and asking the master of the door for advice. "

As soon as the sect master came, Protector Mikong explained immediately.

Because as long as the sect master is willing to protect him, he can definitely be kept.

"Protector Mikong, you still quibble, our Sagong Holy Land Supreme Array has been opened, and no one can break in. If you hadn't broken the rules of the door and deliberately brought the other party in, how could this Sikong Zhen enter my holy gate? ..."

The guardian Huangdi screamed, and the corners of his mouth outlined the murderous intent.

"Okay, enough, don't talk about them one by one." Linyuan Supreme snorted, his face unhappy, "No matter how Brother Sikong enters my Linyuan Sacred Gate, the other party is also the lord of the holy land. It's the day when I discussed how to get along with Sagong Holy Land in Linyuan Sacred Gate. The other party would like to know more about it

It should be." Linyuan Supreme snorted coldly, and then he handed over to Sikong Zhen: "Brother Sikong, I have roughly understood the previous incident. Your Sikong Holy Land has always been in harmony with my Linyuan Holy Gate, and the water in the well does not offend the river, so it can be regarded as respectful as guests. Brother Sikong personally today

When I came here, I didn't give a good reception at the Linyuan Sacred Gate, but it was my negligence of the Linyuan Sacred Gate. Come, bring the Void Throne here and give Brother Sikong a place! "

As Linyuan Supreme spoke, the rumbling and earth-shaking voice resounded, and three huge thrones made of void spar rose up in the void at the same time. As soon as Linyuan Supreme moved his body, he sat on it and pointed to another giant throne and said, "Brother Sikong, please sit down. I will discuss the previous matter later. Today I am Linyuan Sacred Gate and there are other guests. Rong Laogu first greeted me

. "

"Other guests?"

Sikong frowned and remained calm.

But seeing Linyuan Supreme's voice fall, he arched his hands towards the endless void: "Guests of the Shihen Emperor, please come in."

"Hahaha, thank you Linyuan Supreme for hosting, Linyuan Sacred Gate is worthy of being one of the top forces in the Heiyu Continent. It is indeed majestic and admirable by the old."

Just when Linyuan Supreme's voice fell, from the endless void, suddenly there was a sound of laughter, as if it was ringing in his ears.

Immediately afterwards, from the endless void, several figures suddenly appeared. These figures, all exuding a terrible aura, instantly entered this world.

"Linyuan Supreme, don't be unharmed. The last time you and I met, I still don't know how many tens of thousands of years ago. At that time, you were just a genius of the Linyuan Sacred Sect. , Gratifying." Among these people, the leader is an old man. As soon as he appeared, he laughed and said, magnificently: "The old ancestor Wufeng, today is also by the order of my Shihen Emperor gate master. , Visiting Linyuan Sacred Gate, hoping to discuss one thing, but also looking at Linyuan

Supreme can take care of it a lot. "

With a bang, several powerful men appeared, and the terrifying supreme aura immediately rose to the sky, covering the sky and the sun.

"Stone Mark Emperor Gate? Zu Wufeng?"

Sikong Zhen's pupils shrank, revealing a look of surprise. Because he had heard of this name, he was an old strongman in the Shihen Emperor Sect, and he was considered to be a figure of their elders, but he hadn't heard of it for many years, and he didn't expect to be in the Heiyu Continent.

[Chapter 4782: Little brother](#)

On this Ancestral Wufeng, the billowing supreme aura surged, with a smell of ruining the world, it turned out to be a mid-term supreme.

It's just that the breath is rotten, obviously, there are not many years to live.

I saw that Zu Wufeng appeared in the void, and behind him, there were some supreme masters, a group of people filed in, their eyes were radiant and powerful, like an unrivaled god.

Everyone is a giant master of the Shihen Emperor Sect, a supreme tycoon who disdains the crowd, and possesses infinite majesty.

As soon as these people came in, they shot at the people of the Linyuan Sacred Sect. After seeing many guardians and elders, their expressions became a little less, and they were no longer an aftertaste of arrogance.

"Hahaha, it turned out to be Senior Zu Wufeng. Indeed, when the senior met the junior last time, the junior was just an inexperienced tianjiao. I didn't expect that the senior would come to my Linyuan Sacred Gate in person today. It is indeed my Linyuan Sacred Gate. The blessing. As soon as I saw it today, the predecessor's style is still the same. Come, the junior has specially prepared the Void Throne for the predecessor, and the seat is waiting for you, and the predecessor is invited to accept it."

Lin Yuan Supreme waved his hand again, and thrones rose up, exactly corresponding to the Supreme Master of the Shihen Dimen.

He greeted everyone at the Shihen Emperor Gate, seated them one by one, hospitality, and a person like a spring breeze. He did not feel the majesty of the master of the Linyuan Sacred Gate, but everyone was convinced by him.

"My lord, this Linyuan Supreme is really a good method. I used to say that I was retreating and not seeing guests. Now I am even entertaining the people from the Shihen Emperor Sect. This person is afraid that he has some ideas." Sikong Zhen saw this, his eyes condensed. Said to Qin Chen Transmission.

Although Linyuan Supreme also expressed enough respect for himself, from the perspective of the other party's methods, he knew that he was definitely not an idle generation, and he was able to do well between the two major forces.

"Hmph, it's okay, no matter what the person's mind is, as long as I achieve my goal, if he is acquainted, it is okay, if he is not acquainted, I will not blame me for waiting."

Qin Chen snorted coldly.

At this time, everyone's eyes were already on Sikong Zhen's body, because there were only three Void Thrones here, and now the Void Throne next to Sikong Zhen, Sikong Zhen has not yet sat down.

I saw that after Linyuan Supreme hosted the Zuwufeng people, he looked at Sikongzhen in doubt and smiled: "Brother Sikongzhen, why don't you sit down? Today, I'm shining in Linyuan Shengmenpeng, you Sikong Both the Holy Land and the Shihen Emperor Gate have come to my Linyuan Sacred Gate, and my Linyuan Sacred Gate is really worth celebrating."

"Sikong Zhen? The Holy Master of Sagong Holy Land?"

Lin Yuan Zhizun's words fell. On the opposite side, Zu Wufeng and the others stared at him. The atmosphere on the court instantly became extremely solemn, like a gunpowder barrel before the explosion.

"boom!"

There were even the supreme powerhouses of the Shihen Emperor Sect, whose eyes suddenly burst out with strong killing intent, staring at Sikongzhen.

Between the two sides, there is a sense of tension.

Because Shihen Emperor was killed by someone from Sagong Holy Land, Shihen Supreme, the master of the Shihen Emperor Gate, was furious. He had already recalled all the powerful people of the Shihen Emperor Gate, and even the Zu Wufeng who was shutting down. The elders wake up just to target Sagong Holy Land.

Who knows, they actually met the people of Sagong Holy Land at Linyuan Sacred Gate, how could they not be angry?

boom!

The billowing murderous aura soared into the sky, forming a terrible storm and suppressing it.

Opposite, Si Kongzhen just sneered, not afraid.

Between each other, there may be a fight at any time.

Seeing that the atmosphere on both sides was extremely dignified, like a tensioned string, Lin Yuan Supreme suddenly stood up, and a soft force burst out of his body, breaking the tension between the two sides at once.

Linyuan Supreme smiled and said: "Everyone, this is my Linyuan Sacred Gate. Everyone who comes here is all the guests of my Linyuan Sacred Gate. Why are they so arrogant? At my Linyuan Sacred Gate, what can you say? You can sit down and talk."

He smiled and said, the rolling supreme power surged over him, suppressing the world in all directions.

"Humph, let's just forget about Linyuan Supreme's face." Zu Wufeng snorted and sat down.

"Brother Sikong, why don't you sit down? It's better to sit down together, it's also considered to give this seat a face." Lin Yuan Supreme saw that Sikong Zhen still didn't sit down, and immediately said with a smile.

Sikong Zhen said lightly: "How can I have a seat in front of the adults?"

When the voice fell, Si Kongzhen bowed to Qin Chen and said, "My lord, please come to your seat."

"grown ups?"

Everyone was startled, they all looked in the direction of Sikong Zhen's bow, only to find that it was just a young boy who looked rather young.

Who is Sikong Zhen talking to? Is it the boy?

But that young man, isn't he a disciple of Mikong's protector? Why is it called an adult?

Everyone watched, trying to find the object Si Kongzhen said, but no matter how they searched, there was no one in that direction except Qin Chen.

"Well, I've wasted too much time waiting here, so this young man will go out in person and make a quick decision."

Under the eyes of everyone, Qin Chen said lightly, walked straight up, and then slowly sat down on the throne, calmly.

Now that Linyuan Supreme has come forward, Qin Chen naturally didn't want to waste time.

Everyone on the side was stunned.

Because Qin Chen is so eye-catching, such a young guy, who has never been seen by everyone, is called an adult by Sikongzhen, and sits so casually on the Void Throne, but his cultivation is not a mid-term supreme giant. What is the identity?

At a glance, Qin Chen was highlighted to the most prominent, yet most intense, center of sight.

"I don't know how to call this little brother?" Lin Yuan Zhizun was surprised when he saw this, and said slightly.

Qin Chen said indifferently: "This little name taboo, can you know what you want to know?"

"Bold!"

"presumptuous."

"It's too arrogant, how do you talk to the master of the door?"

As soon as Qin Chen said this, everyone in the Linyuan Sacred Sect was furious, and they spoke one after another.

Linyuan Supreme frowned first, and a gleam of doubt appeared in his pupils, but then he smiled again: "Hahaha, my little brother really has a personality, Linyuan Supreme, I don't know what the identity of this one next to you is? Something."

Sikongzhen's eyes were cold, and he said coldly: "Linyuan Supreme, I'm fine with you before, but I advise you not to call a little brother, a little brother, this distinguished identity, how can you be called a little brother, don't you? It's unpredictable!"

"What an arrogant tone."

"Who does Si Kongzhen think the person in front of him is? He even said that to the master sect master."

"I don't know what it is."

The people of Linyuan Sacred Sect were furious.

[Chapter 4783: Indifferent](#)

Lin Yuan Zhizun's eyes were cold when he heard the words, but he didn't say much.

He smiled and waved his hand: "Everyone is quiet, today I have honorable guests at the Linyuan Sacred Gate, don't lose the majesty of my Linyuan Sacred Gate."

The other elders stopped talking, but their expressions were still angry.

When the voice fell, Linyuan Supreme turned his hands to Qin Chen and Sikong Zhen: "Since the two are reluctant to say more, then this seat won't be too much. The so-called visitors are all guests. It is abrupt before going down."

This Lin Yuan Supreme smiled and said, his attitude was free and easy, which made many people around him secretly applauded.

Qin Chen smiled faintly, but didn't say much.

This Linyuan Supreme wanted to continue to pretend to be a good person, so he would continue to pretend to be, and Qin Chen only wanted to do what he wanted to do.

I saw Lin Yuan Zhizun turning around and looking at the Zu Wufeng people on the side.

"Senior Zu Wufeng, today you led many masters from the Shihen Emperor Sect to visit our Linyuan Sacred Gate. It really makes me shine, but I don't know it, Zu Wufeng personally Come to my Linyuan Sacred Gate, what is going on?"

Lin Yuan Zhizun smiled and asked.

"Of course it was for the death of my Shihen Emperor Son." Zu Wufeng glanced at Sikong and his eyes were cold: "My Shihen Emperor Son was killed by a wicked man in the Dark Ancestor not long ago. In the land, not only that, but many of the leaders and others of the law enforcement team of the Shihen Emperormen were also brutally killed by traitors. The master of the Shihen Emperormen was furious and personally asked the old man to come to discuss this matter. "

"Oh? The Shihen Emperor was actually killed in the Dark Ancestral Land? It is said that the Shihen Emperor is the most outstanding genius of the Shihen Emperor in recent years. At a young age, he is already a half-step supreme master. , Geshi Tianjiao, and even expected to inherit the mantle of the Shihen Emperor, would have suffered such a tragic situation, who is it? How dare to do such things to the Shihen Emperor?"

Supreme Lin Yuan was shocked, showing an 'unbelievable' color.

On the side, Sikongzhen sneered, this Linyuan Supreme would be too special to pretend, as one of the three major forces in the Heiyu Continent, how could this Linyuan Supreme not know about the Emperor Shishen?

"Not bad." Zu Wufeng nodded and glanced at Linyuan Supreme.

Anyone with a discerning eye knows that it is impossible for Linyuan Supreme to not know what happened in the Dark Ancestral Land.

But he didn't say much, just continued to hand his hand: "I, Heiyu Continent, is the outpost of the dark race set up in this universe. It has always been peaceful and is jointly controlled by our three major forces. Now some people have torn their skins. I broke my promise and fought in the dark ancestral land

to kill the stone-marked emperor of my stone-marked emperor gate. That's all. The old man heard that some people were doing things in the dark ancestral land and wreaking havoc on the blood tomb. Land, even broke into the forbidden land in the deepest part of the Dark Ancestral Land."

Zu Wufeng said coldly: "Lin Yuan Supreme, as one of the leaders of my three major forces, how can you allow such people who break the rules to exist."

Supreme Linyuan nodded and said: "If these things are true, this seat will naturally be punished severely, but in recent days, this seat has been in retreat. This is the first time I heard such news. I also invite Senior Zu Wufeng and Shihen Emperor. Shaoan, don't worry, after this seat has ascertained the truth, he will express his opinion."

Yes, it means nothing is said.

Zu Wufeng smiled, "Of course, this is only one of the purposes of the old man's coming, and the old man's coming this time has a second purpose."

"Please tell me more." Lin Yuan Supreme said with a smile.

Zu Wufeng looked at Linyuan Supreme and said: "I heard that Linyuan Supreme has a son with extraordinary strength and amazing talent. He is now in the half-step Supreme Realm and is practicing in the Dark Continent. This person has gained a lot of elders in the Linyuan Sacred Gate. The ancestor's pro-gaze, imparting skills, reversing time and space, are impacting the supreme realm."

"My Shihen Emperor's son was slaughtered by a traitor. After the master of the sect learned about it, he had an idea, hoping to accept Yuan Zhizun's beloved son as a righteous son. Originally, this matter should have been my Shihen Emperor's sect. , But because of cultivation, and because of my Shihen Emperor's important business, I cannot be cloned, so I specifically ordered me to come. Now I am holding the Shihen Emperor's Emperor Gate token, which represents the entire Shihen Emperor, hope Able to form a family with Linyuan Sacred Gate, but also a strategic alliance."

Zu Wufeng raised his hand: "In order to show my sincerity, my Shihen Emperor also prepared a generous gift for the Linyuan Saint Child. Part of this gift is half of the site and income of the entire Heiyu Continent. ."

"As long as our two major forces form relatives, half of the site and income of my Shihen Emperor Sect in Heiyu Continent will belong to the Linyuan Sacred Sect. Of course, this is only a small part of the gift, and we will return to the Dark Continent. , The master of the gate will personally report to the head, let the emperor of the Shihen Emperor Sect enter the Zonglinyuan Sacred Sect, and the two sides will form a true marriage."

"By then, there will be many treasures, medicines, magical powers, exercises and other secrets. I don't know what Linyuan supreme wishes?"

Zu Wufeng said slowly.

"What? The Shihen Dimen's general territory and benefits in Heiyu Continent? There are many pills and magical powers?"

"Such a generous gift, is it a waste of money?"

"Furthermore, I don't need to pay anything at the Linyuan Sacred Sect. I only need the son of the sect master to recognize a foster father. By then, the emperor of the Shihen Emperor Sect will also enter my Linyuan Sacred Sect. How could there be such a good thing?"

"This, this... incredible."

Many of the guardians and elders of the Linyuan Sacred Gate heard them all whispering, but then they all looked at Sikongzhen, because they all knew the purpose of the Shihen Emperor Gate. This was to unite with the Linyuan Sacred Gate and target the Sagong Holy Land. Sikong Holy Land rushed to exterminate.

If the Shihen Emperor Sect and Linyuan Sacred Sect really unite, the two top powers will be enough to completely crush Sagong Holy Land, making it difficult to move on this Heiyu Continent.

Therefore, everyone looked at Sagong Zhen, and looked at the Holy Land Holy Master Sagong who had just shown his might. I don't know if the Shihen Emperor Sect directly said something like this in front of the other party. Will he be furious, directly Hands on.

However, unexpectedly, Sikong Zhen remained motionless, his expression was as usual, but he looked at Qin Chen respectfully, as if he did not notice.

Everyone was curious about the origin of Qin Chen's identity.

"Sovereign Linyuan, I don't know what your intentions are? Can adult beauty? Complete the friendship of the master of the door? Master master of his beloved son, if the son of Linyuan can really become the righteous son of the master of the door, The master of the sect will do his best to give the best things of my Shihen Emperor Sect to the Saint Child of Linyuan."

After Zu Wufeng finished speaking, he looked at Linyuan Supreme's face and spoke again.

"This, I have already understood the matter. I am really grateful to the Shihen Sect Master for his intentions. However, this matter is related to the distribution of Heiyu Continent. Now the Sigong Holy Master of Sagong Holy Land is also here. I am afraid I have to ask about this matter. He is right now."

[Chapter 4784: Heaven and Earth](#)

Supreme Lin Yuan stood up from the Void Throne, "Holy Master Sagong, you are the Holy Master of Sagong Holy Land, and one of the three major forces in the Heiyu Continent. Regarding this matter, I don't know how your Sagong Holy Land considers? The Lord has a beloved daughter

Sagong Anyun is the world-famous Tianjiao and heir to Sagong Holy Land. He is as famous as Xiaoer and Emperor Shihen. I didn't expect to leave the customs today and heard the bad news of the fall of Emperor Shihen. It really hurts my heart! "

Hearing that, many of the elders of the Linyuan Sacred Gate looked at the Supreme Linyuan, and their faces were amazed.

Master, this...

Good means.

Now idiots know that the death of the emperor of the Shihen Emperor Sect is absolutely related to the Sigong Sovereign Girl in the Sacred Holy Land, and it is even possible that he died in the hands of Sagong Sovereign.

Now that the Shihen Emperor Sect has set such an example in order to unite with the Linyuan Sacred Sect, the master of the gate obviously wants to hand over the problem to Sagong Sacred Land, so that Sagong Sacred Land can benefit from both sides.

This method is simply invincible.

The corners of the lips of some guardians and elders are all outlines of smiles.

Now Linyuan Sacred Gate is sitting and watching the fire on the shore, and it is completely possible to reap the benefits of the fisherman and maximize the benefits.

"grown ups!"

Sikongzhen did not answer Linyuan Supreme, but looked at Qin Chen.

This makes everyone wonder, what is the identity of this kid? Sikong Zhen actually entrusted such a thing to this kid to deal with?

Can this person represent Sagong Holy Land?

In fact, many people had previously suspected that Qin Chen was a puppet that Sikongzhen deliberately brought over and used it to put on the stage as a pretender. But at the moment, the pretend is too similar, right? Qin Chen smiled: "How do you think about Sagong Holy Land? It's ridiculous, that Shihen Emperor was killed by Ben Shao, how can Ben Shao think about it? Shihen Emperor Sect did whatever he wanted in the Dark Ancestral Land. I'm going to see it less, the whole stone

Hendimen must be erased from Heiyu Continent. "Qin Chen said, looking at Linyuan Supreme, and said lightly: "Also, you Linyuan Supreme, you have the same source, do you have good means?" Perhaps such a method can yield some gains at other times, but sometimes it is not good to be too shrewd. Ben Shao give away

In your word, cleverness is mistaken by cleverness. "

"what?"

As soon as Qin Chen said these words, the audience was shocked and everyone was dumbfounded.

What did that kid say? Did he kill Emperor Shihen?

Not only did he kill the Emperor Stone Mark, but also destroy the entire Stone Mark Emperor Gate? Even talking to the master of the door like this? Is this too courageous?

Are you not afraid to provoke public anger?

Boom! Sure enough, Qin Chen's understatement opened his murderous aura immediately. All the masters of the Shihen Emperor Sect cast their eyes on Qin Chen, causing the space around Qin Chen to ripple. ,Even

Cracks began to appear in his Void Throne.

"So you kid killed Emperor Shihen?"

"I've long heard that in the dark ancestral land, the female Sikong from the Holy Land of Sagong is following a young man, and I didn't expect it to be the person in front of me."

"Hmph, this person killed my Shihen Emperor Sect disciple, and he wanted to erase my Shihen Emperor Sect. It was a big tone."

A master of the Shihen Emperor Sect, all roared with murderous aura. The eyes of everyone in the Shihen Emperor Sect can kill a supreme, but Qin Chen still doesn't move, just sneered: "Also, I wanted to go to the Shihen Emperor Sect to do something, but I didn't expect you to personally. Delivered to your door, very good, very good

, Sikong Zhen, come and kill these people from the Stone Mark Emperor Sect in front of you, so that they can know Ben Shao's determination. "

"Yes, my lord." Upon hearing this, Sikongzhen stood up instantly. Before speaking, his body shook, and he directly shattered the eyes of many people, showing his tyrannical strength: "I was here in Linyuan just now. In the Sacred Gate, I have already fought against many guardians and elders.

However, because of the face of Linyuan Supreme, this seat only used a few percent of its power. Now, this seat will let you know what is called invincible posture! "The breath was rising, Sikong Zhen completely unlocked his power of darkness, even stimulating the aura of the origin, Kun Demon Palace was completely shaken, with a bang, Sikong Zhen revealed a sing like a **** or a demon. Power and breath

Come.

"God! He is more than twice as powerful as before!"

"What a terrible aura? Mid-term peak supreme? Has this Sikong Zhen touched the mid-term peak supreme realm?"

"It's too strong, how is this possible? This person just fought against Gu Xuye's deputy sect master, didn't he show his full strength yet?!"

The Linyuan Sacred Sect expert who had just seen Sikong Zhen's horror completely felt the horror of Sikong Zhen.

The existence of this kind of horror is simply unimaginable. "Sikong Zhen! You are so arrogant. This time we have nowhere to look for our iron shoes. We originally wanted to join forces with Linyuan Sect to target your Sagong Holy Land. I didn't expect you to be alone. Come here, no matter what,

This seat killed you today. As long as it can kill you, your Sagong Holy Land will completely disintegrate and become the nourishment for my Stone Mark Emperor Sect. "

Hearing the voice of Sikongzhen, I saw Zu Wufeng of the Shihen Emperor Sect stood up all of a sudden. Although he was an old man, he was a burly figure, but as soon as he stood, a rolling power emerged from his body. .

"Two..."

Supreme Lin Yuan spoke, trying to dissuade him. "Linyuan Sect Master, stop talking. The old man has given you face before, but the people of Sagong Holy Land are too arrogant and won't be beheaded today. How will my Stone Mark Emperor Sect gain a foothold in the Dark Continent in the future? , This is my Shihen Emperor Gate and

Sagong Holy Land's own affairs will never involve your Linyuan Holy Sect. "

Zu Wufeng said rumblingly, murderously.

He stepped out in one step, clenched fists with both hands, and suddenly struck Sikong. In an instant, it was Shihen Dimen's masterful ultimate move-Heaven and Earth Faxiang.

The method of Heaven and Earth Faxiang is the ultimate move of the Shihen Emperor Sect. It is extremely powerful and cannot be practiced by the general supreme. Only the old antiques and the old strong in the Shihen Emperor are qualified to practice.

But there are very few people who can cultivate to the realm of Zu Wufeng. I saw Zu Wufeng blasting out with a punch, and the world collapsed in an instant, and the void shook. There was a wave of warfare between the world and the earth, rolling and oppressing, and the shadows of countless war gods appeared, performing tens of thousands of martial arts, and then condensed into one. Shares, formed a terrible

The shadow of the gods, the world of Dharma.

Zu Wufeng's move was to kill Sikong Zhen, killing him in his palm, displaying all his strength. Moreover, he shot suddenly, without any signs. In the moment of eruption, the thunder was too fast to cover his ears, like thunder, meteorites falling, and the rain and wind fell sharply.

[Chapter 4785: Connect into one piece](#)

"So strong!"

Many people in the Linyuan Sacred Sect sucked in air, and looked shocked.

Zu Wufeng's punch was too terrifying. The wind, thunder and lightning, and the power was astonishing. It was actually much stronger than Master Gu Xuye, their deputy master of the Linyuan Sacred Gate. With a punch, the world changed color, as if everything was everywhere. To die.

This person is definitely a master at the mid-term supreme level.

Unexpectedly, there is such an old antique hidden in the stone trace emperor gate. No wonder it is unmatched to dare to come on behalf of the stone trace supreme.

"Hahaha, good coming." Sikong Zhen laughed, facing Zu Wufeng's sudden attack, his expression remained unchanged, when the move of Heaven and Earth Law came down, he directly took a palm and shot it out of the sky. With a bang, the rolling power in the Kun Demon Palace descended and merged into

In his body, under this fist, the terrifying energy rushed to the sky, making the attack of the world and the law of the world all wiped out.

It's a long story, but it's only in an instant.

Everyone only saw that Zu Wufeng suddenly broke out, using the method of lore to kill Sikong Zhen, but Sikong trembling motionless, waiting for the ultimate move to come, counterattack again and again, instantly breaking the world.

"The Dhamma descends, God and I are one!"

Zu Wufeng showed the heroic posture of a peerless powerhouse. At the moment when the world was broken, his momentum suddenly rose again, changing his moves, squeezing his big hands, his fists were like ancient stars and the mountains of darkness, directly bombarding him.

boom!

The void exploded directly, unable to withstand this force, his big hands were like gods and demons, and he instantly came to Sikongzhen, as if he could explode a piece of heaven and earth.

This move is earth-shattering and supernatural.

However, Sikong Zhen laughed, and his body shook, as if a **** or demon reached his waist, he also punched out.

Wow!

His left hand was like the sky and the earth, directly blasting out, and the Kun Demon Palace revolved, condensed on his palm, and was beaten out by him all at once.

With a bang, Zu Wufeng's fist was shattered, and Sikong Zhen took Zu Wufeng's heart with his big hand, and all his attacks locked him, the billowing Kun Demon's power covered the sky and the sun. Zu Wufeng yelled badly, and forced Sikong to shook his fist, snorted, his body shook wildly, back again, and blood was flowing from the seven orifices. When the blood came out, it burned instantly. At first glance, Zu Wu Feng is bathing all over

Blood, entangled in karmic fire.

"Death!" Behind that Zu Wufeng, there are at least four great figures, supreme-level masters. Seeing this at this moment, Qi Qi roared. These people are all the supreme elders in the stone trace emperor gate. Out of a shocking formation, directly block this

Fang Tiandi surrounded Sikong Zhen.

The four big hands joined together to form a terrible burst of light, directly hitting Sikong Zhen, preventing him from continuing to chase Zu Wufeng.

This combination is fundamentally invincible, and the sudden, apparently long preparations are waiting for this final strong blow.

"Hahaha."

However, Sikong Zhen was not afraid of it. He laughed wildly without a trace of panic. Facing such a dangerous situation, his figure shook, and he threw a punch directly, with a bang, and the shadows of the fists shot into the sky.

In the shadow of the fist, palaces hovered, directly resisting the sudden attacks of these four supreme princes, and then flew away in a violent earthquake.

puff!

The four supreme powerhouses all vomited blood and flew upside down.

"You guys, be careful, this Sikongzhen is handed over to the old man." At this time, Zu Wufeng had already recovered his breath, and once again showed his might. A huge dharma deity shot out from his body and stood on top of his head. He was covered in pitch-black armor, with a hideous mask, combined with his own breath, raging

In the burning black flames, Zu Wufeng unfolded a set of peerless magical powers.

"The gods are invincible in battle."

With a series of moves, the ultimate move fell out, and the gods and demons were unstoppable. The palaces all over the sky were destroyed under the fist of Zu Wufeng. Zu Wufeng turned into a world-destroying storm and swept across Sikong.

At the same time, among the remaining four supreme sacred places in Sagong Holy Land, the three sacred sages shouted together, displaying a series of talismans.

Above these talisman, all contained the mid-term supreme aura, which turned into a net of heaven and earth, which was instantly suppressed against Sikong Zhen.

"It's the top talisman."

"The top talisman containing the mid-term supreme attack, this stone-marked emperor gate came prepared."

"It's no wonder that facing a brutal person like Sikongzhen, they don't worry, it turns out that they still have such a hole card."

The many masters present in the Linyuan Sacred Gate made shocked sounds one by one, and even the Linyuan Supreme had their eyes condensed.

The Shihen Emperor Sect had been prepared for a long time. Under this method, I was afraid that even if he wanted to leave Zu Wufeng and others, he could not easily do it.

"Zu Wufeng, do you think you can kill me if you join forces?"

Sikong Zhen was burly in shape, sneered, and suddenly shot Kun Demon Palace.

With a bang, Kun Demon Palace instantly became bigger and turned into a towering palace, and it collided with the attacks of the Zuwu Peak group, and collided with each other.

"what?"

Was actually blocked?

Everyone who saw this scene had incredible expressions in their eyes.

Zu Wufeng and other masters' combined forceful blow was actually blocked by Sikong Zhen?

Even Zu Wufeng and others were shocked.

This Sikong Zhen's blow was really powerful.

However, Zu Wufeng's eyes flashed with a stern look, and he laughed and said, "Hahaha, Sikong Zhen, since you can't kill it in a short time, then kill your people in Sagong Holy Land first and do it."

As his voice fell, there was a bang, and suddenly, a terrifying figure suddenly appeared behind Qin Chen.

It was actually another supreme of the Shihen Emperor Sect. He did not know when he had come behind Qin Chen and blasted Qin Chen directly.

"not good."

"The people at the Shihen Emperor's door turned out to be vocal."

"Their goal is that kid!"

Seeing this scene, many masters jumped up in shock.

They never expected that the supreme of Shihen Dimen would actually do something to Qin Chen, and it was the situation where Zu Wufeng and others had stopped Sikongzhen.

At this moment, Sikong Zhen couldn't free his hands to rescue Qin Chen. Protector Mikong's complexion changed, as if he was hesitant to rescue him, but not far away, Gu Xuye and Protector Huangdi took a step forward, and their breath was firmly locked in Protector Mikong, as long as he did anything, Will cast Thunder One

Hit, so that De Mikong Protector could only stop the idea of shooting.

"Hahaha, kid, die for me." At the moment of the dead, the supreme laughed fiercely, and came to Qin Chen in an instant with a punch.

[Chapter 4786: Sky fall](#)

Boom! A huge fist swept across, and the stone-marked emperor gate's supreme powerhouse opened his hands. Each finger contained the supreme power, gleaming the sky, and the runes flashed, the strong mess, like a net of heaven and earth, Qin Chen is dead

blockade.

This is what they have discussed before.

Zu Wufeng and the others joined forces to stop Sikong Zhen, while the rest of him killed Qin Chen and made a sound. Before Sikongzhen called Qin Chen an adult, it was always true or false. Qin Chen was the chief culprit in killing Emperor Shihen. Therefore, as long as he could kill Qin Chen, he would be regarded as avenging him. At the same time, you can also use Qin Chen's death

Suddenly, disturbed Sikong Zhen's mind.

Sure enough, Sikongzhen saw this and immediately showed a frightened expression: "My lord."

boom!

Sikong Zhen roared, and a billowing aura surged from his body. He wanted to break through Zu Wufeng's shackles and go to rescue Qin Chen.

"Hahaha, Sikong Zhen, don't waste your effort. With our teamwork, you don't want to break through the shackles."

Zu Wufeng laughed up to the sky with a bang, and the gods in his body were surging and suppressed Qin Chen strongly. In addition, the three supreme elders behind him also shot together, urging the runes. The runes that represent the power of the mid-term supreme are constantly surging out here. The four powerhouses have joined forces to display the Kun Demon Sagong Zhen. Gong, it was suppressed in an instant

moment.

In the distance, Linyuan Supreme's pupils shrank.

"The Zu Wufeng and others have come prepared. It seems that the Shihen Emperor Sect is also a little wary of this seat."

Linyuan Supreme murmured, under such a blow, I am afraid that even he would not be able to break it easily. Obviously, the people of the Shihen Emperor were afraid of the failure of the Chamber of Commerce, so they deliberately left behind for discussion. Cast after failure to leave Linyuan Supreme.

Shihen Emperor Gate, a deep method.

On the side, Protector Mikong was completely frightened, and hurriedly shouted: "The master of the door."

Although he is a member of the Linyuan Holy Sect, his interests have already been tied to the Sagong Holy Land. Sagong Holy Land is prospered, he will be prosperous, Sagong Holy Land is dead, he is immortal, and he will withdraw from the center of power.

However, facing the plea of Protector Mikong, Linyuan Supreme shook his head slightly, making Protector Mikong's face gray.

He understood the meaning of the sect master.

Sit on the mountain and watch the tiger fight.

Linyuan Sacred Gate is only willing to cooperate with the victor. Whoever wins, Linyuan Sacred Gate will instantly cooperate with the other party and annex the other party's forces without any risk. Why not do it?

"This kid, I am afraid that he is going to die, Sikong Zhen is a bit reckless."

Lin Yuan Zhizun shook his head lightly, but had no intention of making a move.

Boom!

Under the gaze of everyone's eyes, everyone saw that the huge palm of the Shihen Emperor Gate Supreme, instantly suppressed like a mountain, and came to Qin Chen's head in an instant.

This party was emptied, exploded directly, to be wiped out.

Qin Chen was about to fall.

Suddenly, Qin Chen, who had been sitting there cross-legged, stood up suddenly. There was no panic or nervousness on his face, only endless indifference emerged. Qin Chen raised his head to look at the sky and suddenly sneered. Don't waste here

Time is up. "

After the words fell, Qin Chen's figure suddenly stood upright, becoming extremely high in an instant, and he waved his hand at the huge palm.

There was a boom.

It was as if the stars collapsed, the sky fell, and everyone saw an unforgettable scene under everyone's eyes. Qin Chen waved his palm, and the sky-like supreme palm was instantly wiped out, and it was fragile.

Immediately afterwards, Qin Chen's palm came to the supreme's face fiercely, one hand was like picking up a chicken, and instantly pinched the supreme's neck.

What?

Such a scene shocked everyone present, hysterical, and couldn't believe their eyes, each of them stared roundly.

Giggle!

Many people inhaled air-conditioning, and there was a gurgling sound in their throats, as if they were about to suffocate on the spot.

"Impossible." The supreme roared and roared, and the power in his body poured out, trying to break Qin Chen's shackles, but it was useless, no matter how turbulent his dark power was, it was like a stormy wave. Out, but bombarded Qin Chen

Behind her body, she didn't move at all and broke directly.

"Weak, too weak, Ben Shao has already said that it is your Shihen Emperor Sect who is looking for death on your own. Not only are you unwilling to repent, but you also want to do something with Ben Shao. What's more, Ben Shao will kill you today and wait for you to come back. The Shihen Emperor Gate was uprooted."

Qin Chen's eyes were cold, everyone did not see his movements, just a light pinch, a scream, the supreme elder let out a scream, the body was directly annihilated, leaving only a void of soul.

"Do not..."

Immediately afterwards, his soul was directly squeezed by Qin Chen, and his soul flew away in an instant.

boom!

The billowing supreme source and soul rushed into Qin Chen's body in an instant, was absorbed by him in an instant, and stored.

This this this...

An early supreme elder was killed just like that, as if killing an insignificant ant, so that everyone present couldn't believe what they saw.

"evil creature."

The ancestor Wufeng roared, his expression changed drastically, his body's original source of power rose up into the sky, turned into a skynet, and enveloped Qin Chen.

Boom!

Every silk thread on this skynet contains amazing power of the great avenue, and the law of evolution of the power of the root avenue is composed of great magical powers and great mysteries.

"Huh? Mid-term supreme? No, it's just a declining mid-term supreme, but this is enough."

Qin Chen looked cold. When he came to the Heiyu Continent, he had not yet fought against the real mid-term supreme of the Dark Clan. Although this Zu Wufeng had fallen into the deadwood and half of his foot into the coffin, he had already touched the mid-term supreme realm after all, and it was considered to be true. A mid-term

The supreme strong.

It can also give some inspiration to Qin Chen. With a thought, Qin Chen sneered and blasted his fist. In an instant, he saw two terrifying dark powers swell in the void, and the threads condensed from the great magical powers into silk threads, and the sound of crunch burst out instantly. Then in an instant, fried

It splits and disappears in smoke.

The mid-term supreme power was absorbed by Qin Chen, and he felt it carefully.

At the same time, Qin Chen stepped out and sneered again and again: "This is your means. With this strength, you want to kill Ben Shao? I don't know whether to live or die. Kneel down to Ben Shao." Qin Chen patted it with a big hand, like heaven. The column collapsed and collapsed all at once, and the palm of his hand was like a sacred mountain of ancient times, and the cover was pressed on Zu Wufeng's body in an instant.

[Chapter 4787: Let's fight again](#)

Zu Wufeng uttered a roaring sound, and everyone saw that the body that looked like a **** before Zu Wufeng was suppressed a little bit, and his head became severely short.

"No, no... it's impossible, how is this possible?"

A series of exclamations sounded, and everyone at Linyuan Sacred Gate looked horrified, watching this scene in disbelief, unable to accept what was happening before them.

Zu Wufeng.

The veteran master of Shihen Emperor Sect, even the senior expert before Linyuan Supreme, was suppressed by such a young boy as Qin Chen, which makes people feel incredible just thinking about it.

"Ah, it is not so easy to suppress this seat."

Zu Wufeng roared, his eyes bloomed with multiple overlapping shadows, and the original aura rose from his body.

He was desperate, he was going to fight to the death, being suppressed by a young man like Qin Chen, made his face flushed, and he suffered an unprecedented humiliation in his heart.

"The deity's face, a powerful blow." The huge deity's face on the top of Zu Wufeng's head suddenly exploded and turned into an endless ocean. His whole person was in the ocean and turned into the king of darkness. The same existence, strikes into the sky, wants to break away from Qin Chen

Of bondage.

This is a great ultimate move.

A heavy force continuously bombarded Qin Chen's power, blasting Qin Chen's power back heavily.

"The mid-term supreme power does have some ways."

Qin Chen murmured, and sneered in his heart, because under Qin Chen's perception of Zu Wufeng's mid-term supreme power, under the decomposition of his dark king's blood, its essence and its circulation have been completely mastered by Qin Chen.

The blood power of the Dark King has special effects to suppress all the powers of darkness.

It's just cheating.

"Is this the power of the mid-term supreme?" In the palm of Qin Chen's hands, the power of the mid-term supreme condenses. It is the power of the mid-term supreme that Qin Chen controlled before. Qin Chen ignited, not knowing how many times he was furious, simple and unpretentious

Hua, Qin Chen just blasted out a punch.

With a bang, the endless ocean was directly penetrated by Qin Chen, and then Zu Wufeng fell out of it, flew to the distance, and screamed.

"Today, Ben Shao said that he would kill you, and I can't save you."

Qin Chen stepped forward, shortening the distance between the two in just one step, and struck out with one palm, even though Zu Wufeng had developed a thousand changes, he could not escape this palm.

With a loud noise, his whole body seemed to be beaten flat, and blood was spattered all over!

"not good!"

Just outside, the powerful people struggling to besiege the self-control really many stone-marked emperor gates saw this scene, and they all roared.

One by one, they displayed the mid-term supreme talisman to suppress Qin Chen and rescue Zu Wufeng.

Even the three of them burned their mid-term supreme talisman together, and the origins in the body were all burning.

They have made up their minds to save Zu Wufeng, otherwise the three of them will never survive the death of Zu Wufeng.

"Hahaha, the opponent of your three little rascals is me."

Sikong Zhen laughed, Kun Demon Palace urged, and with a bang, the towering and huge palace really looked like a mountain. It was heavily suppressed, trapping the three supreme beings together.

"go!"

In the midst of the three supreme crises, they roared, one by one did not even evade the move of resisting Sikong shock. At the same time, the mid-term supreme talisman they displayed continued to rise, directly towards Qin. Dust hit the past.

Three streamers appeared in front of Qin Chen instantly.

"It's cruel."

"The three powerhouses of the Shihen Emperor Sect, regardless of themselves, they want to kill that kid."

"This is the wisest decision to encircle Wei and save Zhao, because they know that only if one person is killed first can they survive, otherwise the two masters of Sagong Holy Land will unite and they will undoubtedly die."

"Unfortunately, that kid is dying, three mid-term supreme talisman, and it is a self-detonation blow that burns the origin. Such a power, mid-term supreme can't bear, how can this kid resist?"

"Unfortunately, it would be great if he could be captured alive. This son is so young and possesses such magical powers. There must be a big secret in his body. Unfortunately, there is no way. The Shihen Emperor Sect is in crisis and can only kill him for the first time. Can't care too much."

In Linyuan Sacred Gate, a famous strong man talked a lot.

Boom!

Under the eyes of everyone, the three burning talisman entered Qin Chen's body in an instant, exploding with an aura of destruction of the world.

"bingo."

The eyes of the three supreme and Zu Wufeng all showed ecstasy.

"grown ups."

Sikong Zhen was taken aback. Although he knew Qin Chen's strength was extraordinary, his cultivation base was too weak. In case he was seriously injured by the three talisman, he could not shirk the blame, and he felt anxious for a while.

Amid the violent roar, everyone opened their eyes wide, as if they saw Qin Chen's body broken to pieces.

But the next moment, their eyes became round.

"Boom!"

Qin Chen surrounded him with the light of darkness, and the power of darkness surrounded him, as if the stars were holding the moon.

After the power of the three supreme runes bombarded him, it seemed as if the sea was sinking into the sea, completely swallowed by a special force, and there was no shock.

"What kind of monster is this kid? How is this possible?"

The three supreme powerhouses all screamed hysterically at this moment.

"Mid-term supreme power? Really strong."

On the other side, Qin Chen levitated the world, with long hair flying all over the sky, like a **** or devil.

After entering his body, the mid-stage supreme rune power of this Dao Dao was quickly refined and absorbed by him.

His blood of the Dark King can suppress all the powers of darkness. Among them, if the power of darkness in the Supreme Power is strong enough, it can cause some trouble to him, but these powers stored in the runes are easier. absorb.

"Very well, Zu Wufeng, let's fight again." Qin Chen swallowed the power of the dark runes, and only felt that his body was full of surging power, and he wanted to break through at any time, but he knew that this was just an illusion, but his body , The coercion of the mid-term supreme is indeed lingering, horizontal

Sweep everything.

Qin Chen stepped forward, his palms moved repeatedly, fist shadows, violent attacks, surrounded Zu Wufeng.

what! what! what! what! Zu Wufeng frantically fought back during Qin Chen's stormy attacks, but to no avail, under Qin Chen's attack, he retreated again and again, without any room for resistance.

[Chapter 4788: God fights in the wild](#)

Every attack of Zu Wufeng was annihilated by Qin Chen, and during the battle, Qin Chen was also quickly perceiving his power and understood the true strength of the mid-term supreme.

"grown ups."

The other three supreme beings looked frightened, and fear emerged from the bottom of their hearts.

I saw that Zu Wufeng was like a ball, being hit with fists and feet, and every palm hit was a thrilling sound of broken bones, mixed with ideas of the collapse of various laws.

"Boy, I don't share the same sky with you!"

Zu Wufeng is still fighting back, burning his life, the law of collapse, his blood turns into raging flames, and he uses supernatural powers to perform a vast killer move.

"Desperately, take me a move, God fight and wild!"

Flesh and flesh, his body collapsed, but Zu Wufeng, who still had his fighting power, fought back again.

"It's almost done, Ben Shao already understands your strength, but if you do, I will die for Ben Shao!"

After a fight, Qin Chen had a completely new understanding of the mid-term supreme. In his mind, various thoughts flickered, and he hit it straightforwardly with a palm.

The power of darkness in Qin Chen's body was fully utilized, and the whole person seemed to be transformed into a demon god, reaching out with his big hands, catching the stars and the moon, pressing the cover down, breaking all Zu Wufeng's moves in an instant, and pressing directly.

The whole situation was like a Kunpeng from the sky pounced down, swept across 90,000 miles, flew down, and held a sparrow, no matter how much the sparrow resisted, it couldn't shake a feather of Kunpeng.

At this moment, especially the many guardians and elders in the Linyuan Sacred Gate, seeing this scene, their hearts are completely cold.

This young man couldn't feel how strong his cultivation base aura was, but when he started fighting, he was like a madman, simply invincible. Even Linyuan Supreme's expression became solemn, although he was not afraid of Zu Wufeng and had the strength to defeat Zu Wufeng, but Qin Chen gave him the feeling that he was more domineering than the Lord of the Holy Sect. More mighty, more unmatched

enemy. "Where did this kind of heaven-defying character come from? I definitely can't cultivated on the Heiyu Continent? Even on the Dark Continent, I have never seen it or heard of it. Once such a character grows up, I will become the Supreme Master of Linyuan. To be in danger

Machine, who is this person? "

The thought flickered violently in Linyuan Supreme's heart, as if he was thinking about something.

His insight is naturally extraordinary. Others may only see Qin Chen's mighty power, but he has noticed a lot from Sikongzhen's attitude and the terrifying power displayed by Qin Chen.

Just when his lightning-like thoughts were spinning.

Boom!

Zu Wufeng's supreme supernatural power was finally completely detonated, and the dark air on his body instantly exploded. As soon as the power of darkness on Zu Wufeng's body surface was breached, Qin Chen's palm was completely pressed, and Zu Wufeng let out a scream that reached the extreme, which seemed to be the last call when he was dying, or I want to explode the law of supernatural powers

, Desperately with Qin Chen.

However, the screaming sound fell silent in the middle of the screaming, as if it was stuck in the throat, the flame was suddenly turned off, the body could not move, and it was firmly suppressed.

All people's hearts are sinking, knowing that Zu Wufeng has been completely suppressed, there is no suspense, and even self-destruction, a mid-term supreme level powerhouse, can't work hard, how tough is this kid?

"grown ups!"

"Save Master Zu Wufeng."

The other three Supremes, Qi Qi angry, eyes blood red, alternating hands, playing infinite supernatural powers, attacked Qin Chen, trying to rescue Zu Wufeng from Qin Chen's hands.

"Your attacks did not harm Ben Shao at all." Qin Chen stepped forward, and despite the torrent of dark magical powers bombarding him, he didn't even lose one of his hair. Instead, the rolling power was in contact with him. At the same time as his body, he was shocked by the Dark King's blood in his body for an instant, proceeding

Refining.

"At this time, I'm still obsessed with it and suppress it."

With a cold snort, Sikong Zhen urged Kun Demon Palace with a buzzing sound. Thousands of runes erupted in Kun Demon Palace, which was suppressed in an instant, like a net of heaven and earth, suppressing the three supreme all at once.

"My lord, you can't go on like this, you must take action to rescue Zu Wufeng, otherwise, when the Shihen Emperor Gate and others fall here, the Shihen Emperor Gate will definitely be blamed on me."

"Yes, the Sect Master, now the Shihen Emperor Sect is fighting against the Sacred Sacred Land. If both lose, it is okay, but now it is the Stone Mark Emperor Sect who has no power to fight back. If the Stone Mark Emperor Sect is completely defeated, how can I return the Lin Yuan Sacred Sect? Can you reap the benefits of the fisherman?"

Among the Linyuan Saint Sect crowd, Gu Xuye, Xundi Protector and others changed their expressions at this time, and they all spoke anxiously.

At the same time, a terrible aura surged from them, and they wanted to launch a thunderous attack on Qin Chen and Sikong Zhen.

Because they knew that if all the people from the Shihen Emperor Gate died here today, then their status in the Sacred Gate would also be challenged.

"Hmph, guardian Huangdi, the master sect master has already said before, neither side will help, do you want to go against the will of the master sect master?"

Seeing this, Protector Mikong took a step forward and sneered.

"What goes against the will of Master Sect Master, I will only consider it from the perspective of the Sacred Gate. If the Sagong Sacred Land people completely behead the Stone Mark Emperor Sect, then the Sacred Sect Linyuan will lose the means of negotiation. One way to the dark."

"Yes, we are really thinking for the sake of the Holy Gate."

Gu Xuye, Xundi Protector and others said repeatedly.

"Oh? Do you still want to be an enemy of Shao Ben?"

At this moment, Qin Chen suddenly turned around, a divine rainbow burst out of his pupils, and a heavy force surged out.

"Boy, don't you want to..."

Gu Xuye snorted coldly, and was about to step forward, but was stopped by Linyuan Supreme for an instant.

"Your Excellency, I said that I will not intervene in the grievances between the two major forces of Linyuan, so I will definitely not intervene, please calm down your anger."

Lin Yuan Zhizun arched his hands towards Qin Chen.

"The master..."

"Shut up!"

Lin Yuan Supreme screamed, coldly glanced at Gu Xuye and the others, Gu Xuye and the others were fierce, but they had no choice but to retreat.

"Humph."

Qin Chen snorted coldly, ignored Linyuan Supreme and the others, and looked at Zu Wufeng.

"You still want to challenge Ben Shao, so Ben Shao will let you see, this person offends Ben Shao's end."

"Rong!" Qin Chen held Zu Wufeng in one hand, and suddenly tore, tearing this mid-term supreme master's hand to pieces. Countless flesh and blood, as well as the origins of the magical powers, merged into Qin Chen's body, and then scattered. Entering all parts of Qin Chen's body, he was suppressed and refined by his Dark King's blood.

[Chapter 4789: Wrong decision](#)

Boom!

A breath of mid-term supremacy emerged from Qin Chen's body. At this moment, Qin Chen's body is full of terrifying mid-term supreme origins, and the whole body is towering, like a **** that towers over the

world, invincible. On his body, a series of mid-term supreme origins are surging, transforming into various runes and supernatural powers. ,it is good

It seems to be able to explode this world.

This is Qin Chen's use of the Dark King's blood to thoroughly refine the origin of this ancestor Wufeng's body and transform it into a kind of power of his own. This transformation is not because Qin Chen swallowed the origin of Zu Wufeng's mid-term supreme directly and became his own cultivation base, but was somewhat similar to the talisman used by the four supreme princes of the Shihen Emperor Sect. When the enemy comes, explain directly

put.

Originally, directly swallowing the origin of Zu Wufeng, it is the most affordable to turn its origin into one's own cultivation base. But Qin Chen, his cultivation has never broken through the supreme, is not completely ready, swallowed rashly, may not be able to achieve the desired effect, unless he has broken through the supreme realm, he can completely integrate the origin of the opponent's mid-term supreme into his own strength

.

Otherwise, it is most appropriate and convenient to store it directly as it is now.

In this way, Qin Chen refined a supreme, a mid-term supreme, an old monster in the Shihen Emperor gate, old senior, Zu Wufeng in an instant.

From then on, this peerless supreme no longer existed in this world. His entire cultivation base, countless adventures, hundreds of millions of years of hard practice and combat experience were all taken away by Qin Chen, leaving nothing behind.

"This...this...this..."

At this moment, the many guardians and elders of the Sacred Gate of Linyuan were hysterical, sucking in air, and couldn't believe their eyes at all.

A mid-term supreme-level powerhouse was directly refined by a young man like Qin Chen. Such a scene was so incredible that they almost lost their minds.

How could there be such a perverted person in this world?

"No, Master Zu Wufeng was actually killed. Go away."

When the three remaining supreme masters of the Shihen Emperor Gate saw this scene, endless fear emerged in their hearts.

The three of them roared, rumbling, and their eyes were blood-red, and the whole person went mad. They launched the most terrifying attack and tried to escape from here.

"Want to go, have you gone?"

Qin Chen sneered, and put his big hand out, he saw a series of dark divine rainbows, besieging the three great princes together.

The three supreme expressions were frightened and furiously resisted, and the power of the supreme one after another soared into the sky, which could really blow up the heaven and the earth.

But it's useless. In front of Qin Chen today, the early supreme-level powerhouses didn't even look at them enough, and they heard a snorting sound. The three supreme beings were directly trapped by Qin Chen, and they were instantly pulled into Qin Chen's body like a chicken. middle.

The billowing supreme source was stored in the chaotic world by Qin Chen.

After doing all this, Qin Chen stood proudly in the void, like a **** or devil.

As soon as Qin Chen took action, for a moment, Zu Wufeng, the Four Great Sovereigns and other powerful men were directly suppressed and killed by Qin Chen, and none of them survived.

"What's the origin of this kid? When did Sagong Holy Land appear such a pervert? Why have you never seen it?"

"I also use my own power to kill Zu Wufeng, the veteran powerhouse of the Shihen Emperor Sect, and kill the four supreme powerhouses. This kind of method and this kind of strength are simply horrendous and unpredictable."

"The Shihen Emperor Sect was originally coming in aggressively, but now, no one has survived, and even Zu Wufeng has been directly blown up, refining."

A strong man at the Linyuan Sacred Sect shrank his body, as if he was afraid of catching Qin Chen's breath and being targeted by this terrifying killing god.

"Yeah, it's so cruel."

Other powerhouses have also reduced their aura, as if Qin Chen is an ancient fierce beast, and being able to kill Zu Wufeng on the spot is no longer a realm that ordinary people can guess.

What is the strength of the opponent? Is the mid-term peak supreme?

But is he so young?

The strength of the years on his body is not strong. Obviously, the bone age is not long, and he is the real pride of the world. "It's no wonder that Sikong Zhen and his party dared to break into my Linyuan Sacred Gate. With such strength and such means, I am afraid that unless all the powerhouses of my Linyuan Sacred Gate are ready to fight to the death, it is possible to resist these two people. In this way, blood will inevitably flow

, The corpse is everywhere. "

"The master of the sect will definitely not do such a thing. Our Linyuan Sacred Sect and the other party have no grievances and no grudges, and the other party also specially came to my Linyuan Sacred Sect. There must be something to ask for and will not be rushed."

"At this time, Mikong's guardian is afraid that the tide will rise, after all, this person brought the other party in."

Many strong people looked at Mikong's protector, their eyes flickering.

Upon seeing this, Gu Xuye and Huangdi's guardians felt a sinking heart.

If you let Mikong's protector be favored, then they will be in trouble in the future.

Immediately, the deputy doorman of Gu Xuye took a step forward and snorted coldly: "Huh, what is going to rise, protect the law in the air, this is against the rules, privately bringing others into my Linyuan Sacred Gate, should be punished." "Yes, this The people of Sagong Holy Land are too arrogant. Not only did they hurt us before, but now they also killed the powerful people such as Zuwufeng of the Stone Mark Emperor Gate. These brutal methods, once they gain power, I am afraid that they will be attacked next. Is definitely our pro

Yuan Shengmen. "Huangdi's guardian also said grimly: "Let me say that while this person is still in my Linyuan Sacred Gate headquarters, I will directly urge the Fengtian Great Formation. All the masters of our Linyuan Sacred Gate will join hands and kill under the leadership of the sect master. Forget these two people, otherwise, the unlucky will inevitably be

We Linyuan Holy Gate. After the Shihen Emperor Sect was destroyed, the one targeted by Sikong Shengdi must be us. "Huangdi protector, you are trying to make us Linyuan Sacred Gate into a place where no one can recover." Protector Mikong changed color and hurriedly said, "Master Sect Master, you must not listen to their nonsense. Sagong Holy Land has come with kindness, and we must not treat such a master

Push to the opposite of us. ""Mikong Protector's statement is reasonable. "The lifeless elder Tianweng also spoke: "Master Sect Master, that Sagong Zhen and the young people around him have shown enough strength. It's nothing short of time.

Can make wrong decisions. "The old man said solemnly: "If the other party is indeed hostile, then we will fight to the death. But now, at least we can see that the other party wants to talk to my Linyuan Sacred Sect. Kill it, but if

Let them escape, what will we face? Endless revenge! "My Linyuan Sacred Sect is in this Heiyu Continent. It is a redemption for sins. There is no need to be arrogant. Otherwise, once the opponent escapes, with the strength of Sikong Zhen and this young man, I, Linyuan Sacred Sect, except for you, Master Sect Master. I am afraid that no one will be their opponent. From now on, the disciples of the Holy Sect will be unable to move, for fear that they will die clean sooner or later. "

Chapter 4790 Lin Yuan Stone Gate

The old man Tianweng spoke again and again, with a sincere tone, completely standing from the perspective of the Linyuan Sacred Gate.

He continued: "Now, if the other party really comes here with sincerity, why don't we sincerely cooperate, it will be of great benefit to the development of our Linyuan Sacred Gate, and I would like to ask the master of the gate to learn from it."

The old man Tianweng looked at Linyuan Supreme, with sincerity in his expression.

"Elder Tianweng, don't be alarmist!" Gu Xuye yelled angrily: "My master, now is the best time to seize the opportunity. If you let the opponent go, that would be a loss."

"Alright?"

Before Lin Yuan Supreme could speak, suddenly, a cold snort sounded, and it was Qin Chen who walked over step by step.

He swallowed several supreme sacreds, the breath on his body was like a vast ocean, his eyes were like two rounds of dark scorching sun billowing, and every step of the way fell, the ground would startled with a thunderous roar, and the whole person was like a god, walking into the void.

Beside him, Si Kongzhen stood respectfully, following his steps.

"Hahaha, congratulations to the little friend, congratulations to the holy master Sagong, the old man admires the enemy."

Upon seeing this, Linyuan Supreme laughed and walked forward with a gentle gesture.

However, Qin Chen ignored Lin Yuan Supreme, a pair of eyes instantly fell on Gu Xuye's body.

For an instant, Gu Xuye seemed to be stared at by Death, his whole body erected, dense goose bumps crawling all over his body, his body froze, unable to move.

Qin Chen looked at each other coldly, and said indifferently: "It seems that Young Master Ben's previous thunder methods have not made you understand the cruelty of the matter. You think Young Master Ben is here this time, are you here to discuss with you? No, This young master came here just to see the attitude of your Linyuan Saint Sect."

"But... you Linyuan Sacred Sect disappointed Ben Shao too much. There are still people to this point who don't know the current affairs. What did you say before? Join forces to deal with Ben Shao, and kill Ben Shao here?"

"It's ridiculous, if that's the case, then I can't force you to kill you."

As the words fell, a breath of suffocation suddenly emerged from Qin Chen's body.

"You... what do you want to do?"

Gu Xuye's eyes were cold and cold like a poisonous snake, and he roared hysterically, but he was ecstatic. If the kid in front of him dared to do something to himself, then the master of the door would be forced to do it. When the time comes, the entire Linyuan Sacred Gate will stand. The opposite of each other.

Thinking of this, dark rays of light emerged from Gu Xuye's body in an instant, and the endless night came directly down.

"Boy, do you think you will be invincible if you kill the people of the Stone Mark Emperor's Gate? My Linyuan Sacred Gate is not your place to go wild."

When the voice fell, Gu Xuye shouted angrily, punched out, a huge virtual **** instantly appeared, appeared on the top of Gu Xuye's head, and attacked Qin Chen brazenly.

Boom!

The lofty figure of the Void God blasted towards Qin Chen directly.

When Linyuan Supreme saw this, his face changed slightly, and he screamed: "Gu Xuye, stop."

Gu Xuye kept screaming, "Master, what are we hesitating about? This son is so arrogant. Since he has taken the shot, he will directly kill this person to shock the majesty of the Linyuan Sacred Gate."

With a booming punch, Gu Xuye's punch burned his life and came directly in front of Qin Chen.

He knew that he was not an opponent of Qin Chen, and even Zu Wufeng died in Qin Chen's hands. His strength was still far behind his ancestor Wufeng. How could he be Qin Chen's opponent, so he could only act first.

"It seems that you have to die."

Qin Chen snorted coldly, and the murderous aura filled his body. At the moment when the Void God slammed at him, he suddenly raised his hand, and with a bang, Qin Chen slammed out the shadow of the Void God displayed by Gu Xuye. It broke directly and was exploded by Qin Chen with a punch.

At the same time, Qin Chen's fist swept across and hit Gu Xuye's chest heavily, poof, blood flew all over, Gu Xuye's whole body was blown away with a punch, lying on the ground on the spot, vomiting blood.

The deputy sect master of Linyuan Sacred Gate was severely injured by a punch like this.

Qin Chen stepped forward and continued to capture Gu Xuye with a palm. Between the heavens and the earth, the infinite vital energy was condensed by Qin Chen and turned into a huge palm, directly covering Gu Xuye.

"Your Excellency, please stop, if you have something to say."

Supreme Lin Yuan hurriedly spoke, his figure shook, and he appeared in front of Qin Chen, waving his big sleeve to stop Qin Chen.

Although Gu Xuye didn't listen to the orders, no matter what, he was also the person of the Linyuan Sacred Gate, so how could Qin Chen be killed.

"Lin Yuan Supreme, do you want to stop me?"

Qin Chen snorted coldly. Facing Linyuan Supreme's shot, his expression remained unchanged, his body shook, and a rolling mid-term supreme power had already soared into the sky from his body.

A layer of supernatural power laws continued to condense on Qin Chen's fist, and finally turned into a towering fist, sweeping out, a breath of shocking heaven and earth, oily, as if it could tear the world and transform into a sacred mountain of ancient times. Shadow, rumbling crushed.

Linyuan Supreme changed color and hurriedly said: "Your Excellency, please calm down your anger. It was the fault of my Linyuan Sacred Sect before, so I have something to discuss."

"Discuss? There is nothing to discuss, Ben Shao has said, anyone who dares to disobey this Shao will all have to die."

"boom!"

The two fist powers collided in the void, and the supernatural powers that Linyuan Supreme displayed turned into a net of heaven and earth, and the halos seemed to block the three thousand worlds, trying to tear apart all Qin Chen's attacks.

Ding Ding Ding!

Under this tremendous force, Lin Yuan Supreme had stepped back again and again, his face changed slightly, and now he knew the terrible Qin Chen deeply, and he also understood why the Ancestral Martial Summit fell into Qin Chen's hands.

He roared, "The Holy Gate is here."

Hum!

A quaint stone portal suddenly appeared, it was the Linyuan Stone Gate, the top treasure of Linyuan Supreme. It is said that this stone gate can communicate with the thirty-three heavens and the earth, and it contains endless mysteries of good fortune and is extremely extraordinary.

Sure enough, this physical portal appeared, and countless heavy Shimen phantoms appeared between heaven and earth. These Shimen phantoms seemed to be in another world, one by one, spreading to the depths of time and space.

"It's the Linyuan Stone Gate of Master Sect Master!"

"This portal can communicate the power of the 33rd layer of heaven and earth, and it can pull the enemy's attack into the 33rd layer of phantom, unmatched."

"With this door, the master of the door can be invincible."

A series of confident and ecstatic voices sounded one after another.

"Your Excellency, please stop. If you have something to discuss, I don't have any plans to be your enemy at the Sacred Gate of Linyuan. It was Gu Xuye who did it before. Don't worry, this seat will definitely punish him."

Linyuan Shimen came, Linyuan Supreme was full of confidence, and said in a deep voice, with a chic posture.

"Linyuan Stone Gate? Supreme Treasure?"

But Qin Chen didn't move, his eyes fell on the heavy stone gate, and he suddenly sneered.

"Do you think that with Shimen, you can stop Ben Shao?"

Qin Chen's body shook, and a breath of heaven suddenly bloomed.
