

Valkyrie 4791

[Chapter 4791: Can't stand still](#)

At this time, Qin Chen was full of murderous aura, really like a demon god.

In his eyes, a divine rainbow burst out, as if the stars were ruining, the sun and the moon were turning around, a heavy coercion soared into the sky and swept across the world.

Facing the Linyuan stone gate, Qin Chen was not afraid, and moved forward step by step. With each step, the world was shaking. Qin Chen stared at the ancient Xuye and said coldly: "Anyone who dares to provoke this young man, You can't escape death."

Boom!

Qin Chen reached out with his big hand, it was really the sun and the moon, and the heavens and the earth were pale.

Layers of coercion poured out, and before that Gu Xuye was hit, his whole person was already trembling. Under such a terrifying coercion, his mind trembled, and his body felt like he was about to collapse.

"Master, save me."

Gu Xuye looked frightened, hysterical, and roared in fear.

He was really scared. He never expected that Qin Chen could be so fierce that he could be injured by a snap of his finger, and in front of the master of the gate, in this Linyuan Sacred Gate, everything If you don't converge, how can there be such a lawless person in this world.

He is simply an extrajudicial fanatic.

"stop."

When Linyuan Supreme saw this, he suddenly roared, frowning deeply, and his eyes were displeased.

Because Qin Chen was too mad, he was so good at talking, who knew that Qin Chen was still so arrogant, this simply didn't put him in the eyes of Linyuan Supreme.

With a bang, the Linyuan stone gate in front of Linyuan Supreme suddenly exploded with a heavy void of power, and the great magical powers began to urge, and between the heaven and the earth, it seemed to hear the Sanskrit singing from the kingdom of God.

When the guardian Huangdi saw this, he also roared, "Everyone has seen that this person is too arrogant, so presumptuous, and he does not follow the master of the door, suppress this person, and strengthen my reputation at the Sacred Gate of Linyuan."

As he spoke, the guardian Huangdi rose into the sky with a bang, and the supreme power in his body was roaring out, and he was about to launch a powerful attack on Qin Chen.

Beside him, a famous protector and elder, such as the Xiuyi protector and the thousand-eyed elder, were all moved by it, and a heavy breath erupted from them.

"You all stop me."

Lin Yuan Supreme continued to change his color and roar and bang, and a terrifying force rose up, actually blocking the elder Qianyan and the others, preventing them from taking action.

Because, until now, he still doesn't want to make matters worse, he just wants to save Gu Xuye.

Once the trouble is big, with the strength that Qin Chen has shown before, and Sikongzhen join forces, even if they can suppress these two people, his Linyuan Sacred Sect will inevitably flow in blood.

Boom boom boom!

The power of the heavy stone gate was permeated, and the elder Qianyan and others retreated one after another, stopping to shoot.

Upon seeing this, Sikong Zhen, who was urging Kun Demon Palace, sneered. The terrorist attack that he wanted to strike out at any time was deeply restrained and motionless.

It was as if a dragon had condensed its breath, not moving like a mountain.

Hum!

The huge Linyuan Sacred Gate instantly hovered in front of Qin Chen, exuding astonishing pressure, while Linyuan Supreme said in a deep voice, "Your Excellency, if you have something to discuss, please stop. After all, this is my Linyuan Sacred Gate, Gu Xuye was also the former deputy master of my Linyuan Sacred Gate. Your Excellency's move is to completely be an enemy of my Linyuan Sacred Gate. I Linyuan Supreme can guarantee that, the main sir, this seat will give you an explanation. "

There was a divine light on Linyuan Supreme's head, and his expression was stern.

"Explain, this young master does not need any explanation. This young man has already said that this person dared to provoke him, and he will undoubtedly die. This young man's majesty is not to be profaned, and he can quickly go away. Ben young may not be blamed, otherwise, you There is no need for Yuan Shengmen to exist in this world."

Qin Chen's domineering is extraordinary, like a **** or devil, his palm sticks out, and with a bang, the world is gone.

A layer of void, shattered layer by layer, there is no match at all, ignoring the Linyuan Supreme Sacred Gate, but also punishing Gu Xuye.

"presumptuous."

Lin Yuan Supreme finally couldn't help it, and was so angry that he displayed great magical powers with both hands, a heavy source of darkness, turned into a torrent, and instantly entered the Lin Yuan stone gate.

Hum!

At the end of the stone gate, there seemed to be a majestic figure, eternally reaching the sky, like a **** who hit Qin Chen with a punch.

Under that punch, everything in the world turned into a torrent of silence, rumbling and covering all directions, the world changed color, and Qin Chen's attack was completely exploded.

At this moment, under the blessing of the Linyuan Sacred Gate, Linyuan Supreme's momentum soared to the sky, and the mighty mess, compared to the previous Ancestral Wufeng, is more than several times stronger?

"The master of the gate is angry. This is the real killer move of the Ten Thousand Heavy Stone Shadow, the stone **** descended from the Linyuan Stone Gate."

"That kid is too arrogant. The master sect master has given him a chance. He doesn't know the rareness. Does he really think the master sect master is afraid of him?"

"Hmph, whether he is a tiger or a dragon, at my Linyuan Sacred Gate, I have to recognize my own situation and don't do anything to seek death."

"Everyone is ready, as long as the master of the door gives an order, I will all take action and kill the kid."

The divine thoughts are constantly intertwined in the void. It is the many guardians and elders of the Linyuan Sacred Gate. They are talking with each other, their eyes flickering, the body is surging, and they are ready to spur the large array and send out thunder attacks at any time.

Aside, Si Kongzhen narrowed his eyes slightly, feeling a trace of fear.

The strength of Linyuan Supreme is no small thing, at least between him.

Therefore, he was secretly awe-inspiring, ready to help Qin Chen at any time.

Faced with such a terrifying blow from Linyuan Supreme, Qin Chen was not afraid, laughing out loud, with a cold expression on his face.

"Hahaha, the stone **** is coming? What kind of stone god? In front of Ben Shao, the gods would lower their heads and look up at Ben Shao's prosperous prestige."

The rampant thunder screamed loudly, resounding through the world, and a strange light flashed in Qin Chen's eyes.

In his body, the power of the Dark King's blood was quietly aroused by him, and it quietly merged into his big hand, facing the ten thousand heavy stone shadow, the stone **** virtual shadow blasted out with a punch.

There was a boom.

He heard a thunderous roar from the sky. Under Qin Chen's fist, the withering glory of the world and the cycle of years were all revealed, and no words could describe the terrifying fist.

Everyone only saw Qin Chen blast out with a fist, the crackling sound of crackling sounds, the sky full of stone shadows displayed by the Linyuan Supreme, burst into pieces in an instant, as if it was rotten and rotten, split into pieces, and exploded in an instant.

boom!

The towering stone gate of Linyuan was blown out in an instant, shattering the void.

"What? The master's Linyuan stone gate was blown away?"

"How is it possible? What happened?"

"How can this kid be so strong!"

Many people made a sound of horror. They couldn't believe their eyes, and they couldn't stand on their legs.

[Chapter 4792: Can't live tomorrow](#)

They never expected that Qin Chen would be so strong that even Supreme Master Linyuan would be unmatched in one punch.

And at this moment, Lin Yuan Supreme had also fallen into deep fear.

Because, at the moment Qin Chenzhen retreated to Yuanshimen, an invisible force penetrated and poured into his body.

Although this power is extremely subtle, it gives Linyuan Supreme the feeling that the ant has a sense of fear from the depths of his heart when facing the Shenlong.

"this is..."

Supreme Lin Yuan was horrified and trembling all over, he faintly guessed the possibility of this power, but he couldn't believe it.

"Impossible, it is absolutely impossible."

His heart trembled, and there was endless fear in his eyes.

On the other side, Qin Chen blasted back to Linyuan Shimen with a fist, his big hand had already fallen again, and with a bang, it instantly covered Gu Xuye.

"Do not!"

Gu Xuye let out a screaming roar, her figure hiding in the void, trying to escape from here, but she couldn't break free from Qin Chen's shackles at all. With a snap, Qin Chen was caught in his hand, like a dead fish. , Constantly rolling his eyes.

"Sir, save me!"

Gu Xuye screamed in horror.

"My lord, take action quickly, otherwise Gu Xuye's deputy door is mainly in danger."

Xu Di's guardian also screamed anxiously.

However, Linyuan Supreme seemed to be stupid, his eyes were frightened, his body trembled, and there was no reaction at all.

In the end, with a puff, Gu Xuye was caught by Qin Chen, and in a scream, he directly squeezed, rumbling, and the world roared. The supreme power was madly refined by Qin Chen and merged into himself.

The deputy master of the dignified Linyuan Sacred Gate, a strong man who had just entered the mid-term supreme realm, was killed so easily. Such a scene and such a method made people creepy, and endless fear emerged in his heart.

"Gluck!"

At this moment, in the hearts of many Linyuan Saint Sect experts present, in addition to anger, there is also fear.

That kind of fear from the heart.

Madman, Qin Chen in front of him is a madman.

"My lord, give an alarm quickly and urge the guardian formation to punish this dog."

Not far away, the guardian Huangdi roared hysterically with a panic expression.

He couldn't help but fear, because he was the first person to challenge Qin Chen, just like Gu Xuye, among the many powerhouses present.

Once Protector Mikong gains power, he will lose power completely.

Of course, the most is from the fear of Qin Chen.

However, as soon as he spoke, he was pinched by someone's throat. It was not Qin Chen, but Linyuan Supreme, the master of Linyuan Sacred Sect.

"Door!"

The guardian Huangdi who was pinched by his throat looked unbelievable.

"Shut up, don't you think you have caused trouble enough?"

Lin Yuan Supreme looked annoyed, and there was deep fear in his eyes when he looked at Qin Chen, and he sternly shouted at everyone: "This person has already been merciful. The door goes up and down, killing clean, no chickens and dogs left. Everything is because you provoked the death of this adult, Gu Xuye deputy master, all of you are responsible. If you don't provoke each other, I How could Linyuan Saint Gate end up in the current field?"

Supreme Linyuan slammed Huangdi's guardian to the ground, and then he said to Qin Chen: "Your Excellency, no, my lord, I used to be the Linyuan Sacred Sect who didn't understand the rules and angered the lord. I am Linyuan. The Sacred Sect Master, ask the adults for atonement, and hope that the adults will not be offended."

"Big...sir?"

"What's the matter with the sect master? Why are you so respectful to that kid?!"

"Even if that kid is extraordinary, but my Linyuan Sacred Sect is somehow a powerful force on the Dark Continent. Now that the deputy master Gu Xuye is killed, shouldn't you fight to the death? With the master's strength, plus me. When everyone joins hands and mobilizes the sect's great formation, it may not be impossible to trap the opponent and beheaded."

"Why is the sect master so respectful to him?"

"My master's temper has always been soft on the outside and strong on the inside. I have never seen him in this posture. What happened before?"

A strong man named Linyuan Sacred Sect was stunned and unbelievable.

They had never seen the appearance of Linyuan Supreme at this moment.

"Oh?" Qin Chen looked at Linyuan Supreme, squinting his eyes and said, "My lord? Did you recognize Ben Shao's identity? Ha ha, that's interesting."

Lin Yuan Supreme's body trembled.

He instantly heard the meaning of Qin Chen's words, could it be said that his guess turned out to be true.

At this moment, Linyuan Supreme's gaze fell on Sikong Zhen who was beside Qin Chen, and he saw this Sagong Holy Land Holy Master, who was as famous as him, standing next to Qin Chen respectfully. That posture would be more pious. How pious.

Lin Yuan's supreme heart was hairy. Although he was extremely unbelievable of his own guesses, all of this told him that his guesses were very likely to be true.

Suddenly, Linyuan Supreme shook his legs and wiped the sweat from his forehead: "My lord, you are joking... I dare not try to figure out your identity, my lord, please forgive me."

"what?"

Lin Yuan Supreme's expression made the many guardians and elders present even more shocked, unable to believe their eyes.

What's the matter with the master?

For an instant, the eyes of these guardians and elders flickered, as if countless thoughts were surging in their minds.

No one who can achieve supremacy is an idiot. Although they don't understand why the master sect is in such a posture, they also know that there must be a reason.

Otherwise, the master sect master would never be such a gesture.

At the moment, one of the law protectors yelled: "My lord, this Xu Di law protector does not know what is good or bad. He dared to attack Sikongzhen and this adult again and again. The crime is unpardonable and he must be punished severely. I hope that Sikongzhen and this An adult can calm down his anger."

"Yes." Linyuan Supreme nodded and issued an order: "Everyone, first take this sinful guardian Huangdi down."

"Yes!"

When a few strong guys come up, they have to do it.

The face of Xundi's face was as gray as death, and he could not move, and he dared not move anymore, but shivered and couldn't speak.

"Wait!"

Qin Chen waved his hand.

"What? Your lord? Do you still have to deal with this evil obstacle?" Lin Yuan Supreme's body was shaken, he was now afraid that Qin Chen's anger would not calm down.

"No one who offends me has anything to end. This Huangdi guardian has been targeted at Ben Shao over and over again. How can he be held down so easily? Ben Shao said that if he died today, he will never live tomorrow."

Qin Chen showed a sneer on his face, and suddenly grabbed it!

Boom!

The terrifying power enveloped Huangdi's protector for an instant.

"No, my master, guardians and elders, save me."

The guardian Huangdi screamed in horror.

"grown ups..."

Lin Yuan Supreme looked terrified and wanted to ask for love, but he didn't dare at all.

puff!

Watching Qin Chen's palm, he directly squeezed Huangdi's guardian, the amazing supreme aura and origin, and madly dissipated.

[Chapter 4793: Any advice](#)

Giggle!

Many guardians and elders watched Huangdi's guardian squeeze and exploded, all of them were extremely frightened.

"Ben Shao kills you one supreme, so it will also bring you a little more hope for the Linyuan Sacred Sect. You, are you called the old man Tianweng?"

Qin Chen looked at the old man Tianweng.

"You are very good. You know the current affairs and the overall situation. However, your roots are rotten, and your life will be exhausted. In this way, Ben Shao will give you a good luck."

The voice fell.

boom!

The origin of the squeezed Huangdi's guardian body was suddenly captured by Qin Chen in the void, and a series of dark flames burned. In this flame, there was an astonishing breath of life, and a dark origin aura rolled from it. reveal.

This is Qin Chen's operation of the power of the Dark King's blood in his body, extracting the lifespan of Huangdi's guardian.

However, no one can see this method. If you see it, I am afraid that everyone will be scared to death.

"go!"

Qin Chen waved his hand and roared, the origin of Huangdi's guardian turned into a roaring real dragon, and instantly penetrated into the body of the old man Tianweng.

"what!"

The old man Tianweng roared, and his whole body was suspended in the void, and the source of his body soared into the sky.

In his entire body, the original source shot, roared and concussed, the original silver and white hair turned into pitch black a little bit, originally full of wrinkles, and his old face was instantly ruddy, as if he was rejuvenated.

A lot of terrible aura surging out from his body, the power of the world is overwhelming, as if the second spring is glowing.

After a while, the old man Tianweng fell from the void, and the decadent and decayed aura in his body disappeared cleanly, but instead there was a kind of endless vitality, ascending, naturally revealing.

"My birthday."

Elder Tianweng felt the power in his body and couldn't believe his eyes.

Originally, he was already regarded as a figure with half of his foot in the coffin. The source of his body has been lost due to the consumption of these years. He has been in a state of retreat for these years, and he can only move out occasionally.

Because only in a state of retreat, can he slow down his body's origin from entering the five decays of heaven and man, and let himself live a few more years.

But now...

Boom boom boom boom!

The breath of time surging in his body, he seemed to be countless years younger in an instant, with endless energy all over his body.

Such a method is simply unheard of.

Not to mention him, Lin Yuan Zhizun and others on the side were also shocked, unable to believe what they saw.

What kind of method is this for a person whose life is about to be exhausted, can he be added back to his life?

If it were spread out, it would shock the world.

"Thank you, sir."

boom!

The old man Tianweng knelt directly on one knee, bowing his hands, his expression was excited, tears filled his eyes.

He was so excited.

Because what Qin Chen gave him was not only a life span, but also a future.

Originally, with his remaining lifespan, it might not be long before he would sit down and fall on this Heiyu continent, but now...

His future has become bright again, and he may not have the opportunity to return to the dark continent and return to his homeland.

What Qin Chen gave him was a kind of new life.

"You don't need to be polite, it's a friend, Ben Shao has always been stingy, but Ben Shao is not merciful when it comes to enemies."

Qin Chen said lightly, raising his hand and directly supporting the old man Tianweng up.

Seeing Qin Chen's method, all the people of the Linyuan Sacred Sect trembled and shuddered, and the thousand-eyed elder and Xiuyi protector were even more frightened, and their hearts were full of panic.

Because they had also followed Huangdi's protector before and they shook their hands at Sikong.

"Okay, Linyuan Supreme, the **** people are already dead, and the evil head has been punishable. As for the others, this young master is no longer going to pursue it. Now, this young master can have a good talk with you Linyuan Sacred Sect? "

Qin Chen said lightly.

"Yes, of course."

Boom.

When Lin Yuan Supreme raised his hand, a magnificent throne appeared. Lin Yuan Supreme arched his hand to Qin Chen and said, "My lord, please come to your seat."

At the same time, Linyuan Supreme raised his hand again, and the other two smaller thrones came down and separated on both sides. Linyuan Supreme waved his hand to Sikong Zhen and said, "Brother Sikong, please."

Sikong Zhen narrowed his gaze and had to say that this Linyuan Supreme, really has the foresight, and can change his attitude so quickly, from being hostile to Qin Chen to being extremely respectful to Qin Chen, but just a little while.

After Qin Chen sat down, Linyuan Supreme immediately reverently said: "I don't know what advice you have when you come to my Linyuan Sacred Gate."

"I can't talk about advice. I originally came to Heiyu Continent to enter the depths of the Dark Ancestral Land. However, I heard that if you want to enter the depths of the Dark Ancestral Land, you must have a Dark Token. I heard that the Dark Token is coming. Yuan Zhizun, you have a piece of this, and this young master came here to borrow it."

Qin Chen is straight to the point.

"Dark token?"

Hearing this, everyone changed their colors.

The Dark Token is what the top forces on the Dark Continent gave to the three powers of Linyuan Sacred Gate, Sagong Sacred Land, and Stone Mark Emperor Gate to show their identities. With this token, they can control the countless dark races of the entire Heiyu Continent. The strong are the core things of the three major forces.

But now, Qin Chen came here for the purpose of borrowing dark tokens from Master Sect Master. Is that dark token so easy to borrow?

"It turns out to be the Dark Token, your lord, don't you say it earlier."

Unexpectedly, as soon as Qin Chen's words fell, Linyuan Supreme had already laughed. Boom, he raised his hand, and a token had already appeared in his hand.

It is the dark token.

"My lord, this token will be temporarily handed over to my lord for your custody."

Lin Yuan Supreme respectfully said, and when he raised his hand, the token had already fallen into Qin Chen's hand.

Below, all the powerhouses of the Linyuan Sacred Gate are dumbfounded, the master of the gate actually handed over the Dark Token at once? What is this crazy?

"Hehe, you're not afraid that this young man won't pay it back?"

Qin Chen held the dark token, a special dark power poured into his body, forming a special resonance with the dark token given by Sikong Zhen on his body.

This thing is indeed one of the three dark tokens.

"Hahaha, my lord is joking, my lord, you have an extraordinary status and superior strength. If you want, you can rob you forcibly, but my lord, you don't bully others. You just borrow from the next, and there is no reason to not borrow from the next."

Linyuan Supreme's eyes flashed, and then he said: "Since the lord wants to enter the depths of the dark ancestral land through the dark token, then we must gather three tokens, and this third token is in the stone. The stone mark supreme body of Emperor Hen's Gate. If the adults don't dislike it, Xia Xia is willing to bring the many powerhouses of the Linyuan Sacred Door to work for the adults, and go to the stone Emperor Gate to ask for this third token, which can be regarded as Linyuan for me. You don't apologize to the adults before the Holy Gate, please grant your permission."

[Chapter 4794: Bet](#)

Lin Yuan Zhizun stood up respectfully, arched his hands, and his fighting spirit soared to the sky.

This is obviously the rhythm of fighting for Qin Chen and Shihen Emperor.

There was a moment of silence on the field.

The powerhouses of Linyuan Sacred Sect were all dumbfounded, and I don't know why Linyuan Supreme would do this.

Qin Chen squinted his eyes at Lin Yuan Supreme, looking straight at the other party with cold sweat and panic.

Afterwards, Qin Chen smiled: "Since you take the initiative to invite you, the young man will allow me. I will go to the Shihen Emperor Gate next, and give you an hour to prepare, go."

"Thank you, sir."

Lin Yuan Zhizun was overjoyed.

"Guardian Mikong, immediately take the adults to the reception room to rest." Lin Yuan Zhizun said.

"Yes."

Protector Mikong nodded and led the way.

"Let's go."

Qin Chen said to Sikongzhen, the palm of his hand was torn in the air, the hard void, like a curtain, was torn apart by him, and a huge black hole portal appeared. In the black hole portal, it was the darkness that made the supreme's heart palpitating. storm.

Qin Chen disagreed, and He Sikongzhen stepped into it, his aura dissipated, the space closed at once, and countless aftermaths swept across the entire square of the Linyuan Sacred Gate, causing some strong men to retreat again and again.

After a long time, these talents came back to their senses.

"Door!"

Many guardians and elders surrounded him.

Linyuan Supreme said in a deep voice: "Everyone is in your place, and the news is sealed tightly, so that the Shihen emperor's gate cannot be aware of the slightest. If anyone leaks the news, this seat will destroy his ten clans!"

Everyone: "..."

Linyuan Supreme continued: "Immediately listen to my orders, mobilize all the strong of Linyuan Sacred Gate, half a step above the Supreme level, all set off, and no one left." Everyone was shocked, and the thousand-eyed elder continued, "Sir, true Do you want to follow the other party against the Shihen Emperor Gate? That Shihen Supreme, with extraordinary cultivation base, if you encounter it outside, it may not be a problem, but if you attack the Shihen Emperor Gate headquarters, we will inevitably lose money.

Heavy, Shihen Emperor Sect is by no means that easy to deal with. "

"Yes, since the other party wants to borrow the Dark Token, I will just lend it to him, why should I offend the Shihen Emperor."

"The Shihen Emperor Sect is in the Dark Continent, and it is not a weak force. As long as we act, regardless of whether we win or lose, we will offend the other party and cause trouble for our Holy Sect headquarters in the Dark Continent."

Others said one after another.

Although the Linyuan Sacred Gate and Sagong Sacred Land have joined forces to far outweigh the Shimark Emperor Sect, it is still difficult to break through the base camp of the Stone Mark Emperor Sect. Moreover, it will inevitably lead to heavy losses and blood flow. "Huh, shut up, a group of short-sighted guys." Lin Yuan Supreme looked at these guys with an ugly expression and a look of hatred for iron and steel: "What do you guys know, this time, it is most likely that I will Once the opportunity of Yuanshengmen is completed

Gong, my Linyuan Sacred Gate is very likely to be improved as never before. By then, what is the Shihen Emperor Sect? "

Everyone's faces were unbelievable.

When Linyuan Supreme saw this, he continued: "From now on, you have to be polite to the adults. As long as they are ordered by the adults, you will implement them all and treat him as your own father!"

The faces of everyone were incomprehensible. Linyuan Supreme said angrily: "Don't ask why, just do it, for your own good, go back, and quickly mobilize all the powerhouses of our Linyuan Sacred Sect, don't waste a little time. Although the adults gave us an hour, but at most Half an hour

Chen, I want you to mobilize all the army, if anyone does not listen to the order, he will be put to death!
"

Many guardians and elders didn't dare to say anything, and retreated with a dazed expression.

In the void, Lin Yuan Supreme leaned on the throne behind him, his body trembling.

He was not worried, but excited.

Because he felt that his guess about Qin Chen was very likely to be true.

If so, this will be the biggest opportunity he has encountered in his life, and once caught, it can even change the entire holy gate.

"I'm betting on this one."

Lin Yuan Supreme's eyes beamed lightly.

If the bet is lost, he may not die, but if the bet is won, the future will be bright.

At this time, Protector Mikong was taking Qin Chen to the reception room.

On the way, Qin Chen said lightly: "Mikong, you should have a place to practice at Linyuan Sacred Gate, find a place for me to practice, and Master Ben will retreat for a while."

Sikong Zhenlian said: "My lord, my subordinates remember that Linyuan Sacred Gate also has a place of origin, which contains an astonishing source of darkness. Mi Kong, let the adults go to that place."

Protector Mikong was taken aback: "This..."

"What? Don't you want to?" Sikong Zhen frowned.

"No, no." Mi Kong smiled bitterly, that place was the most critical place of Linyuan Sacred Gate, but at this time, he didn't even have the idea of asking Linyuan Supreme for instructions, and hurriedly took the two of them there.

Not long after, the Mikong Guardian brought Qin Chen and Sikongzhen into an unknown starry sky.

That piece of void, like a milky white ocean, billowing dark aura surging, and the magic is that these dark auras are all milky white. Sikong Zhen glanced around, and then said: "My lord, this is the core place of the Linyuan Sacred Gate. It is very quiet and the source of darkness is the most abundant. The milky white ocean in front of you is the special holy liquid of the Linyuan Sacred Gate. The power is the temporary

The treasure of Yuan Shengmen. "

Sikong Zhen said with a smile.

Qin Chen nodded.

Protector Mikong saluted slightly: "If you have any needs, please give me an order at any time."

Sikongzhen also arched his hands and said, "My lord, I will guard you outside."

With that said, he and Mi Kong's protector slowly retreated.

After Mikong Law Protector and Sikong Zhen retreated, Qin Chen glanced around and quickly entered the ocean, a strong mid-term supreme power permeated his body.

It is the mid-term supreme power of Zu Wufeng and Gu Xuye.

Qin Chen today, although refining the mid-term supreme power of the two, has never fully realized it, and these two forces are not strong enough.

Now, Qin Chen wants to use this special training place of Linyuan Sacred Gate to strengthen himself.

Qin Chen immediately ran the blood of the Dark King.

boom!

In an instant, countless dark powers crazily poured into Qin Chen's body.

An astonishing aura permeated Qin Chen's body instantly. This dark power was indeed special. It could be perfectly integrated with the mid-term supreme origins left by Zu Wufeng and Gu Xuye, and became Qin Chen's own power.

"good."

Qin Chen's heart was instantly excited.

This dark king blood is really awesome.

In this way, although he has never broken through the Supreme Realm, he can use the Dark King's blood, Zu Wufeng, and Gu Xuye's mid-term supreme origins to continuously strengthen the mid-term supreme power in his body and enhance his strength. Not supreme, better than supreme.

[Chapter 4795: Enter the dark universe](#)

Next, Qin Chen began to devour the origin of this piece of heaven and earth.

If you want to strengthen yourself, this source of darkness is indispensable.

And among the three forces of Sagong Holy Land, Linyuan Holy Gate, and Shihen Emperor Gate, the source used to cultivate for their disciples must be the strongest.

boom!

Heavy darkness has continuously entered Qin Chen's body, strengthening his strength.

Soon, Qin Chen discovered that the Dark King Blood in his body had once again been moisturized.

It seems that if you want to improve the blood of the Dark King, you must obtain the purest source of darkness, even if it is not even a trace.

This dark king blood is really picky!

But Qin Chen couldn't control that much anymore. Without breaking through the Supreme, the Blood of the Dark King was his most powerful trump card, and he had to use the most powerful means to improve.

But soon, Qin Chen showed a wry smile.

Because he discovered that in order to really promote the blood of the Dark King, it needs a lot of dark origins, and it is the purest kind from the Dark Continent.

How much does this dark source need?

He had just swallowed one percent of the original power of the Linyuan Sacred Gate, however, just like a stone sinking into the sea, there was no movement at all, but there were slight fluctuations.

Not enough.

Depend on!

Qin Chen was stunned directly!

Wouldn't it be too difficult to improve the blood of the Dark King?

Qin Chen closed his eyes and continued to absorb the source of darkness. He sat cross-legged, his eyes closed slightly, the blood of the Dark King in his body was energized to the extreme, and around him, countless sources of darkness burned crazily.

Five percent!

Ten percent!

Twenty percent!

Thirty percent!

When it swallowed up to 50%, that is, swallowed the source of the darkness of the Profound Sacred Gate, the Dark King's blood in his body suddenly trembled slightly.

Something happened!

Qin Chen was overjoyed and quickly merged himself with the blood of the King of Darkness. Soon, dark mysteries appeared all over his body, and at this moment, all the dark origins he had swallowed were absorbed by the blood of the King of Darkness. net!

Qin Chen hurriedly continued to devour the source of darkness!

At this time, he couldn't take care of so much anymore, he just wanted to try how far he could raise the Blood of the Dark King.

Qin Chen frantically swallowed the power of the dark origin!

Supported by a large amount of dark origin power, the Dark King's blood in Qin Chen's body trembled violently. At the same time, numerous small blood streaks appeared on his body suddenly, these blood streaks were like blood vessels!

Qin Chen suddenly raised his hand. At this moment, those small blood patterns suddenly gathered towards his arm. Soon, countless small blood patterns followed his arm and came to his fist.

At this time, the source of darkness needed is even more!

Without any hesitation, Qin Chen continued to devour the source of darkness crazily!

After a while, Qin Chen suddenly raised his head, rose into the sky, blasted into the sky, and roared, "Go!"

boom!

With a punch, the void in front of him suddenly split.

An extremely terrifying and powerful force instantly impacted Qin Chen. This force was extremely powerful. With a click, Qin Chen's body was shocked and almost collapsed directly. It was the infinite power of the Infinite Demon Prison.

The world outside the Heiyu Continent was filled with terrifying power. The power of Infinity is extremely terrifying. Even a supreme-level powerhouse cannot easily resist it. Qin Chen's location is the core of Heiyu Continent. The power of Infinity in it is also the purest. Dust owns ten thousand

The magic tree of the world is immortal in flesh.

Otherwise, just that moment alone would be enough to make a mid-term supreme instantly collapse and lose his soul.

receive!

Qin Chen swallowed the billowing power of Infinity, and his punch directly penetrated the void where the power of Infinity was located.

boom!

The world split again.

Qin Chen was involuntarily sucked into it. The next moment, he appeared in a void space, Qin Chen was startled!

The space he is now in is completely dark, not the Heiyu Continent, nor the Infinite Demon Prison, it seems to be independent of the Infinite Demon Prison! Moreover, he could see the void he came in. Not only that, but from this position, the place where Heiyu Continent is located is transparent and illusory, as if his place is above Heiyu Continent, detached. This world

generally.

boom!

A terrible breath of darkness directly suppressed him.

"Dark Universe."

Honghuang Zulong said in astonishment: "Your kid has entered the dark universe directly."

"Dark Universe?"

Qin Chen was stunned, thinking of the black market in the land of the gods hidden in Vientiane. That black market seemed to be in the dark universe.

However, if you want to enter the dark universe, you need a unique channel. How could you suddenly enter the dark universe? "The dark universe is the other side of this universe, and it has a gap with this universe. This diaphragm is extremely powerful. Unless it is the power of the pinnacle supreme level and masters special means, it is possible to directly tear the two worlds. Diaphragm between

Enter into it, otherwise other strong people can only enter through some weak space between the dark universe and the real universe. How did your kid do it? "

Honghuang Zulong was a little dazed at the moment.

This dark universe is no small thing, with Qin Chen's current strength, it should be far from it.

Qin Chen himself was stunned, he looked at his palm, the power of the Dark King's blood was too abnormal, and he actually entered the dark universe directly.

But soon, he focused his attention on the blood of the Dark King in his body.

His eyes slowly closed, and the next moment, a mysterious rust sword suddenly appeared in Qin Chen's hand, and then he slashed out with a sharp sword.

boom!

The power of the Dark King's blood was blessed on the mysterious rust sword, causing the mysterious rust sword to burst out with a dazzling black light, and then, a dark sword light violently slashed out from the mysterious rust sword.

Boom! In an instant, the dark universe void in front of Qin Chen instantly annihilated. This is not the most terrifying. The most terrifying thing is that Qin Chen's sword aura is too strong and strong. The powerful sword aura instantly swept through the endless void and penetrated the dark universe. , Infernal Demon Prison and Hei Yu

In the three major worlds of the mainland, the entire sky above the Linyuan Sacred Gate was directly wiped out in an instant.

Thousands of miles of emptiness, extinguished with a sword!

Only a huge hole was left, as if the aura of extinction was pouring out from it.

Moreover, the remaining dark sword energy continued to diffuse out, and the surrounding void in the roar continued to collapse.

With a bang, the Linyuan Sacred Gate vibrated violently, and the Supreme Array ascended, making a clicking sound, as if it was about to break apart in an instant.

Qin Chen's sword almost smashed the entire Linyuan Sacred Gate with one sword.

At this moment, countless experts in Linyuan Sacred Gate were shocked!

Which expert is making the shot? All were horrified and inexplicable.

Chapter 4796 Black Market Expert

In the Linyuan Sacred Gate, countless people looked up at the sky, shocked.

They have displayed their powerful spiritual knowledge to investigate, wanting to see what is going on, why suddenly the sky of their Linyuan Sacred Gate split directly, and the Zongmen almost got bombed.

However, no matter how they probed, they found nothing.

In the dark universe.

Qin Chen was also dumbfounded, his sword directly extinguished the triple void and shocked the power in the dark universe. Vaguely, he seemed to see the vast Nether Galaxy in the depths of the dark universe.

From the Nether Star River, there seemed to be a breath, which was approaching quickly.

These auras are extremely thick, although they are far apart, they exude a heart-palpitating aura.

"Qin Chen, a supreme and powerful person is here."

The voice of Honghuang Zulong came immediately.

"In the Nether Galaxy, there is a Supreme?"

Qin Chen felt these strengths too, and couldn't help frowning.

He once entered the black market on the battlefield of ten thousand races, but in that black market, although the strong are like clouds, some powerful ones are nothing but human respect, earth respect cultivation base, and heavenly respect are rare.

In Qin Chen's original understanding, the black market should be a special underground market for the ten thousand races, located in the dark universe, but there are not too many real powerhouses.

But at this moment, after he felt a few supreme auras that rushed from a distance, Qin Chen instantly understood that he absolutely underestimated the terrifyingness of this dark universe.

Because, when these supreme powerhouses quickly approached, for some reason, Qin Chen suddenly felt a palpitating feeling in his heart.

This palpitation was something he couldn't feel when facing a mid-term supreme master.

"Strange, I actually feel a little danger, is there some danger in this dark universe that can threaten me?"

Qin Chen glanced around. The power of the sword he had cleaved was slowly dissipating, the void of the dark universe was slowly repairing, and the cracks were being repaired little by little.

"The noise is really too big. Leave here first, otherwise the gap will be repaired, and I don't know if it can be split again."

The previous sword was cleaved by him after he had integrated into the many origins of the Linyuan Sacred Gate, and continued to stay in the Dark Universe. Once the gap was healed, Qin Chen didn't know whether he could reopen the gap in the Dark Universe.

Even if he could split it, Qin Chen didn't know if he could return to the Linyuan Sacred Gate again. If he couldn't, it would be troublesome.

"go!"

Qin Chen glanced around, not considering too much, his figure shook, and suddenly disappeared here.

Boom!

As soon as Qin Chen left, the power in this dark universe surged, instantly repairing the gap Qin Chen had split, as if nothing had happened.

And not long after Qin Chen left.

Whoosh whoosh.

Several figures suddenly descended here, and if Qin Chen could stay, they would find that these figures were very strange, and they were so lifeless as if they had been dead for many years.

However, the aura on them is extremely terrifying, one by one bursts out amazing power, each is the supreme strong, even the leader, not weaker than the mid-term supreme such as Linyuan supreme, and is also the outstanding one among the mid-term supreme. .

As soon as these people appeared, their eyes scanned the surroundings and quickly probed, and a sharp breath burst out of their eyes.

"What happened here just now?"

"The power of the supreme class? Could it be that which supreme of the ten thousand races broke into this place?"

"This power is very peculiar, not like an ordinary supreme power, and even if there are supreme-level powerhouses in the ten thousand races into the dark universe, it will definitely be monitored by me and will not appear here for no reason."

"Then where did this power come from? Ten thousand races have an agreement with me. Without my permission, they can't easily break into the depths of my dark universe. Do they dare to tear the agreement?"

These people spoke one after another, as if they were extremely familiar with this place.

However, no matter how they searched, they couldn't see anything, because the power Qin Chen displayed had completely disappeared.

And just when a few people got nothing, suddenly.

Hum!

Between the heavens and the earth, there seemed to be an invisible force coming faintly.

"That is..."

Several people raised their heads, their expressions changed drastically, and they knelt down on one knee, their heads drooping, and they didn't even dare to raise them.

next moment.

call!

An invisible phantom condenses in this space.

As soon as this figure appeared, the void within a radius of hundreds of millions of miles seemed to be shrouded by an invisible force, and the void was imprisoned for an instant.

"Owner."

These few supreme powerhouses exuding a frightening atmosphere, at this moment, are like quail, respectful, and dare not even lift their heads.

This invisible shadow is the master of the black market in this dark universe.

"What happened here just now?"

This phantom stood here, his expression indifferent.

Several supreme trembling, the leader tremblingly said: "Master, when I rushed here, the movement of this place had already subsided. I don't know what happened. I suspect that there should be people of all races. Broke into here."

"People of ten thousand races?"

The phantom murmured, and suddenly stretched out his hand, feeling it for a moment.

Suddenly, Xuying opened his pupils, booming... in his pair of pupils, it seemed that there was yin and yang in reincarnation.

"Well, this is someone who broke through the barrier of the real universe and broke into my dark universe. Interesting."

Xu Ying murmured.

Hearing that, several strong people present were all shocked.

Break the barrier of the real universe and break into the dark universe?

"My lord, is it the ancestor of the Abyss Demon? Or is it that Xiaoyao Supreme?"

The leader blurted out.

"These two giants, what do they break into my dark universe like this?"

A breath after another is stirring, dissipating, communicating with each other.

Among the ten thousand races, if it is said that the universe can enter the dark universe directly, there are very few, but the leaders of the demons and human races can definitely do it, and they can think of it for the first time.

"Not the two of them."

The black market owner frowned and felt thoughtful.

The supreme powerhouses present were all shocked, who were they not the ancestor of the deep monster and the supreme Xiaoyao? Among the ten thousand races, there are only a handful of people who can break through the barrier of the real universe.

The black market owner lifted his eyebrows and looked up into the distance, as if he could see through all the falsehoods between the world and the earth.

He chuckled softly: "It should be someone who has never seen it before. This power...interesting, really interesting."

"Let's go, this person has already left. The coordinates of the dark universe are changing all the time. It is extremely difficult to trace back. This matter does not need to be investigated anymore, it's all gone."

boom!

When the words fell, this phantom collapsed suddenly and disappeared.

The invisible power between heaven and earth also disappeared.

[Chapter 4797: Exaggerated](#)

Several figures raised their heads, they all breathed a sigh of relief and turned and left.

at this time.

Qin Chen has already returned to the origin of Linyuan Sacred Gate.

When he returned here, he felt a sense of weakness throughout his body.

Almost collapsed.

The strength of the previous sword was too strong, and the blood of the Dark King in his body could not be fully endured.

At this time, Protector Mikong and Sikongzhen came here. When they saw Qin Chen and felt the void on Qin Chen's head, they couldn't help being shocked, and they trembled: "My lord, it was you just now..."

Qin Chen said lightly: "Don't ask if you shouldn't ask, you just step aside, this young master will continue to practice."

"Yes!"

Protector Mikong and Sikongzhen quickly shut up, not daring to ask any more.

After Qin Chen finished speaking, he just continued to practice.

His body was very weak when he used the sword before, and his physical strength would soon be restored, but if the source of darkness wants to recover, he must absorb the source here.

Immediately, countless sources of darkness entered Qin Chen's body once again, quickly supplementing the sources of darkness in his body.

On the side, Mi Kong Law Protector and Si Kong Zhen looked at Qin Chen with horror on their faces.

Because Qin Chen absorbed the source of darkness too fast.

The dark origin of Linyuan Sacred Gate was like a raging wave, which was continuously swallowed by Qin Chen into his body.

But when Protector Mikong carefully felt the origin dissipating here, he suddenly felt a little dizzy. The origin of their Linyuan Sacred Gate had disappeared about half, and the others had disappeared. sky!

How did you do it?

Are they all just absorbed by adults?

But this is the source of darkness that they have preserved for countless years of cultivation at the Linyuan Saint Sect?

Protector Mikong was a little dizzy in his mind, and he was about to stand unstable.

Shocking news!

But he dared not say a word, just looked at Qin Chen in amazement.

He now seriously suspects that this piece of void was suddenly wiped out, and their Linyuan Sacred Gate was almost exploded. It was the adult in front of him who did it!

What kind of strength is this to form such a terrifying power?

Is the late supreme?

But the adult in front of him is so young, how could he be the late supreme?

Protector Mikong was puzzled.

After about a stick of incense, Qin Chen opened his eyes again. His weakness has completely dissipated, and his body strength has returned to its peak again, but the price is that the origin of the Linyuan Sacred Gate is only one-fifth of what he had before entering. NS.

Qin Chen's practice within this short period of time directly consumed hundreds of millions of years of storage at the Linyuan Sacred Gate.

Qin Chen stood up, perceiving the disappearing source of darkness around him, and couldn't help but smile.

I have to say that the sword just now was really terrifying.

However, the consumption is also too large.

Almost 40% of the previous five cost sources were consumed by Qin Chen's Transformed Dark King's blood, but that sword also directly consumed 10% of the source here.

One sword, one cost source.

This made Qin Chen feel a little speechless.

Although it is very powerful, it can't stand up and consumes too much.

Moreover, under a sword, oneself will fall into weakness, it seems that such a sword can only be used under special circumstances.

However, Qin Chen is naturally very pleased with such a killer.

He turned around.

Whoosh whoosh!

At this time, a group of figures quickly approached, and the leader was Linyuan Supreme.

"Master of the door."

Protector Mikong hurriedly saluted.

When Linyuan Supreme saw the origin of their Linyuan Sacred Gate, his eyes were dark, his whole body was sweating, his feet softened, and he almost fell to his knees.

In front of them, the top source that originally belonged to their Linyuan Sacred Gate, now only about one-fifth is left, and the others are all gone.

Lin Yuan Zhizun's mentality almost collapsed.

This was the origin that they had spent hundreds of millions of years on from the Dark Continent for the Saint Profound Gate, and it was lost in just a few moments.

"My Master..."

Aside, the other guardians and elders were also dumbfounded, and they trembled.

"Shut up."

Without waiting for them to speak out, Lin Yuan Supreme screamed and interrupted them directly.

Then, Lin Yuan Zhizun looked forward.

Calm down, be calm.

Supreme Lin Yuan took a deep breath, so that he wouldn't be so gloomy, and his eyes fell on Protector Mikong.

Protector Mikong hurriedly said: "Sir, the master wanted to cultivate in this place with strong origin, so his subordinates took the initiative and brought him over."

Qin Chen faintly glanced at Linyuan Supreme: "I borrowed the original cultivation site of the Linyuan Sacred Sect, the Linyuan Sect Master wouldn't mind, right?"

Hear the words.

Lin Yuan Zhizun's face changed hurriedly.

"My lord, what are you talking about?" Linyuan Supreme seemed to have been insulted, his face flushed quickly: "My lord, since I have taken refuge in the sacred gate of Linyuan, my lord, when you say this, you look down on our sacred gate of Linyuan. Ah. Sir, don't say that you have borrowed the original cultivation site. Even if you ruin our entire Linyuan Sacred Gate, Sir, you won't mind anything, but you're still happy, because Sir, you don't want to. I am an outsider in Linyuan Saint Sect."

"But now..."

Lin Yuan Supreme shook his head, very angry, but suddenly seemed to react again, hurriedly panicking, bowed and said: "My lord, I'm really sorry, this subordinate is so straightforward, please don't take it seriously. "

There are countless experts in Linyuan Sacred Gate: "..."

Lord Master, is this singing?

Emotions change too quickly, right?

But I have to say that this move of Linyuan Supreme made people deeply feel his respect for Qin Chen, making the powerhouse of Linyuan Sacred Sect more awe-inspiring and respectful to Qin Chen.

"Just don't mind."

Qin Chen said lightly, too lazy to pay attention to Linyuan Supreme's performance.

Supreme Linyuan chuckled, suddenly his expression became serious again, and he said in a deep voice: "By the way, my lord, just now, an extremely terrifying force appeared in the sky above my Linyuan Sacred Gate. I shot at the Saint Gate of Linyuan, I don't know you, my lord..."

Qin Chen faintly replied: "Don't ask if you shouldn't ask."

"Yes Yes!"

Supreme Lin Yuan nodded hurriedly.

"Well, now that the Linyuan sect master is ready, let's set off at the Shihen Emperor Sect."

When the voice fell, Qin Chen walked forward.

Suddenly, Qin Chen stopped, "The matter of the Linyuan Sacred Gate just now is kept secret, you know?"

Linyuan Supreme was stunned. The next moment, his face changed drastically, and he said quickly; "Of course!"

Around, the other guardians and elders were full of disbelief. The movement just now was really caused by an adult!

Almost ruined his Linyuan Sacred Gate.

It's ridiculous!

However, at this time, no one said anything else. When Qin Chen left, everyone hurriedly turned around and followed.

When passing by Linyuan Supreme, Si Kongzhen stopped and patted him on the shoulder: "Brother Linyuan, your performance is a bit exaggerated!"

After speaking, Si Kongzhen turned and left.

[Chapter 4798: Lick a dog](#)

"Exaggerated?"

The Linyuan sect master looked at Sikong Zhen, touched his nose, and couldn't help frowning.

Is your performance very ostentatious?

Obviously not, but I was acting very sincerely.

But in case it is really exaggerated and makes adults dislike, then...

Thinking of this, the Linyuan sect master hurriedly grabbed the Mikong guardian aside, and said nervously: "Mikong, is the performance of this sect master really exaggerated?"

Protector of Mikong: "..."

A group of guardians and elders also froze, one by one speechless.

After the training was over, and the preparation was completed, Qin Chen, Sikongzhen and a group of people quickly flew by and headed to the Shihen Emperor Gate. On the way, Si Kongzhen saw the mighty line of the Linyuan Sacred Gate, and then looked at himself alone, he couldn't help coming to Qin Chen's side, and whispered: "My lord, let's go to the Shihen Emperor's Gate now? Go back to Sagong Holy Land, let your subordinates put the Holy Land in

Brought out the strong, just in case? "As soon as Sikong Zhen approached Qin Chen, the Linyuan Sect Master was already paying attention. Hearing Sikong Zhen's words, his face suddenly changed, and he hurriedly stepped forward with a flattering smile and said, "My lord, is this unnecessary?" Binggui is so fast, my Linyuan Sacred Gate has such a big movement, if it is

Go to Sikong Holy Land first, and then to the Shihen Emperor Gate. With the intelligence ability of the Shihen Emperor Gate, you will definitely notice the clues, but if you go directly to the Shihen Emperor Gate, the old Shihen Supreme will definitely not be too vigilant. "

"As for what Sikongzhen said to bring out the strong from their Holy Land, the subordinates don't think it is necessary." At this point, he patted his chest, "Don't worry, my lord, this time I belong to the whole army. Dispatched, although the subordinates are not top-notch in strength, but for the sake of you, your subordinates are willing to throw their heads and blood, even if they are crushed, they will surely complete the adults.

Your order. "

The Linyuan sect master banged his chest loudly.

Sikongzhen looked at Linyuan Supreme with a speechless expression. Is this guy really the master of the Linyuan Sacred Sect that he knows?

How is it like licking a dog?

Is this attacking the Shihen Emperor Gate? Isn't he afraid that his subordinates will be made dumplings by the Shihen Emperor?

Qin Chen glanced at Sikong and said, "It's true that the soldiers are very fast, and it's just a small stone-marked emperor gate. If it is destroyed directly, there is no need to worry about it."

"Yes."

Sikong Zhen nodded when he heard this.

Everyone continued on their way.

On the way, Si Kongzhen came to Linyuan Supreme, frowning and said: "Brother Linyuan, you don't need to be so direct if you want to flatter? It's too much!"

Supreme Master Lin Yuan showed a look of surprise, "Brother Sikong's words are wrong, why am I flattering? I'm really thinking about you, Sir and Brother Sikong."

Speaking of Linyuan Supreme, he arched his hands and sighed, "If there is anything that makes Brother Sikong misunderstand, please forgive me, Brother Sikong, I am really for the sake of adults, and I am not at all selfish."

"Okay, okay." Sikong Zhen waved his hand, "I will be exaggerated again when I perform." Linyuan Supreme's face sank, and angrily said, "Brother Sikong, if you say this again, I will be angry. We are all for you. Adult work, how can you doubt my loyalty to adults? Although you followed the adults first, but the loyalty is in no particular order,

My sincere heart for adults can be learned from the sun and the moon, and the heaven and the earth can be seen..."

Sikong Zhen didn't bother to listen to him finish what he said, then turned and left.

Before leaving, Sikongzhen glanced at Linyuan Supreme with disdain, and said, "Brother Linyuan, there is an old saying that licks the dog to kill you!"

When the voice fell, Si Kongzhen turned and left.

Lin Yuan Supreme sneered, glanced at Mikong and the others, and smiled: "Hey, have you seen it? This guy is jealous."

Protector Mikong and others: "???"

Shihen Emperor Gate is located in another core place of Heiyu Continent.

With Linyuan Supreme and Sikong Zhen leading them, everyone soon came to the vicinity of Shihen Emperor Gate.

Boom!

In the distance ahead, a billowing supreme array surging, it is the guardian array of the stone trace emperor gate.

At this moment, the guardian formation of the Shihen Emperor Gate was fully opened, and the terrifying aura stunned the world.

Obviously, many powerhouses in the Shihen Emperor's Gate have gathered under the leadership of Shihen Supreme, and they are fully guarded.

"My lord, what shall we do next?"

Staying outside the Shihen Emperor Gate, the group looked at the shining Shihen Emperor Gate in the distance.

Idiots can also see that the current Shihen Emperor Sect is heavily guarded, and it is not easy to destroy it.

This must be a hard rock, and you have to break your teeth when you go up.

Sikong Zhen glanced at Linyuan Supreme and smiled: "Brother Linyuan, aren't you going to throw your head and sprinkle blood for adults? Why don't you go first? Throw a head to see?"

"you..."

Linyuan Supreme looked at Sikongzhen in irritation, then turned to look at Qin Chen, and said in a deep voice, "My lord, do you want your subordinates to do it first? The subordinates promise that no matter what the cost, they will send this stone-marked emperor gate. Break through."

Lin Yuan Supreme gritted his teeth.

He is willing to do it.

If he really wants to attack by force, the people of his Linyuan Saint Sect will definitely suffer huge damage, but at this time, he can't control that much.

"Not in a hurry."

Qin Chen smiled, and an invisible light burst out from the center of his eyebrows.

It is the eye of creation.

However, Qin Chen was already covered with a layer of dark power on the eyes of creation at this moment, and dark auras suddenly swept across.

this is...

At this moment, Linyuan Supreme and Sikongzhen suddenly felt a shock in their hearts, and there was a sense of horror all over their bodies, as if in a moment, everything in their bodies was seen through.

The eye of creation bloomed, and Qin Chen's gaze condensed in the stone trace emperor gate in front.

The next moment, Qin Chen smiled.

"Ben rarely has an idea." Qin Chen said suddenly.

Everyone looked over, and Sikong Zhen respectfully said, "My lord, please." Qin Chen looked at Linyuan Supreme and smiled: "Today's Shihen Emperor Sect, I probably don't know what happened to your Linyuan Sacred Gate. If you forcibly attack the Shihen Emperor Gate, it will inevitably be damaged, but if Linyuan Supreme, you go to the Shihen Emperor Gate.

Qj, he said that he would unite with the Shihen Emperor to target Sagong Holy Land, and that Shihen Supreme would definitely meet you in person. "

"By then, Linyuan Supreme, you only need to take advantage of the opponent's unpreparedness, suddenly make a move, and directly capture and kill the Stone Mark Supreme, and you can instantly disintegrate the Stone Mark Emperor's Gate."

Hearing this, everyone present was startled.

Immediately, all eyes were filled with excitement.

This... is really a good way.

If you forcibly break into this stone-marked emperor gate, it is inevitable that there will be no damage, but if you directly behead the stone-marked supreme, you will not be bloody.

Without Shihen Supreme, no one in the entire Shihen Emperor Gate could stop them. Supreme Linyuan said in a deep voice, "My lord, this is a good idea, but if you and Sikong Zhen enter with me, you will be spotted by the stone-marked Supreme, this..."

[Chapter 4799: Go knock](#)

This is what Linyuan Supreme is worried about.

Once a strong man like Sikongzhen followed in, he couldn't hide it at all, and would inevitably be exposed. After all, the Stonemark Supreme was not an idiot.

Qin Chen smiled and said: "There is no need to worry about this. Sikong Zhen's Kun Demon Palace can accommodate the strong and converge its breath. At that time, you only need to carry the Kun Demon Palace on your body. I will enter the Kun Demon Palace and you will bring it in. Can."

Everyone was startled.

This is also OK?

But when I think about it carefully, it seems that it is really an idea.

If everyone enters the Kun Demon Palace, led by Sikong Zhen, and then suddenly makes a move, the Stone Mark Supreme will definitely not have time to react.

However, Sikong Zhen's expression changed when he heard this, and he even looked at Qin Chen, "My lord...Kun Demon Palace is a supreme treasure. If you want Stone Mark Supreme to be unaware, Linyuan Supreme must have a certain degree of knowledge of Kun Demon Palace. You can only converge into yourself..."

Qin Chen smiled and looked at Sikong Zhen, "Then release part of your control of the Kun Devil Palace to Supreme Linyuan, or do you want to?" Sikong Zhen hurriedly explained: "My lord, it's not that your subordinates are not willing. But if Kun Demon Palace is under the control of Lin Yuan Supreme, our actions can be completely controlled by him. If we proceed as planned, it will be fine, but once we arrive at the Shihen Emperor Gate, things will change.

Change, that..."

At this point, Si Kong tremblingly said again.

What he said was so subtle that everyone was taken aback.

But whoever was an idiot at the scene quickly recovered and understood what Sikong Zhen was about to say. They looked strange and looked at Qin Chen.

It is true that Qin Chen's idea just now is very good, but it also has a drawback.

That is to let Linyuan Supreme have a certain control over Kun Demon Palace.

But that Kun Devil Palace is the supreme of Sikong Zhen, it is not that Sikong Zhen is unwilling, but once Kun Devil Palace is controlled by Lin Yuan Supreme, then the actions of the strong in Kun Demon Palace will almost be controlled by Lin Yuan Supreme. .

Once Linyuan Supreme entered the Shihen Emperor Gate and turned back, then Qin Chen and Sikong Zhen would be in danger.

It can be said that after doing this, the life and death of Qin Chen and Si Kongzhen are all related to this Supreme Linyuan.

For a moment, the audience was silent, including Lin Yuan Supreme's expression also became anxious.

Qin Chen smiled under the eyes of everyone: "What is wrong with me? It turned out to be because of this. Since Ben Shao has accepted Linyuan Supreme, he naturally believes in his character. No need to say anything, just follow Ben Shao. The previous plan was done."

Supreme Lin Yuan's heart was instantly filled with emotion, and he said excitedly: "My lord, his subordinates will fulfill their mission." Qin Chen nodded, glanced around, and said with a smile, "But there are too many people here. We will all go to Shihen Emperor. The gate, it is inevitable that you will not be suspected. In this way, Linyuan Supreme, you pick out two guardians and elders, and go to the Shihen Emperor Gate to pay a visit.

The rest of them will follow me and enter the Kun Demon Palace together, and when they are released, the whole army will be dispatched. "

Everyone present was startled.

Sikongzhen laughed, "Haha, this is a good idea."

Only Linyuan Supreme and the two strong men went forward, and the remaining strong men all entered the Kun Demon Palace, which was equivalent to taking all the remaining strong men hostage. If Linyuan Supreme dared to turn back against the water, then he and the adults can completely kill all the Linyuan Sacred Gate powerhouses trapped in Kun Demon Palace in a short time. Even if the Linyuan Supreme Traitor succeeds, he Linyuan Sheng The strong in the gate are all gone,

What's the point of having only a few of them?

High, adults are really high.

Thinking of this, Sikongzhen immediately looked at Linyuan Supreme, and said with a smile: "Brother Linyuan, you still don't let everyone under your command enter this Kun Demon Palace."

call!

Kun Demon Palace appeared, suspended in the void, and opened the entrance.

The masters of the Linyuan Sacred Sect present changed their colors one after another, and they were also very shrewd, and naturally understood what it meant to enter the Kun Demon Palace.

hostage.

Life and death will not be their own. However, they can understand Sikongzhen. After all, it is too dangerous to enter the Shihen Emperor Gate, but understanding is due to understanding. When it is their turn, they are still a little unacceptable in their hearts. They looked at Sikongzhen with resentment and cursed in their hearts. ,this

Bastard.

Lin Yuan Zhizun breathed a sigh of relief.

To be honest, Qin Chen trusted him so much just now, and he felt a little guilty in his heart.

Now it is practical.

Immediately, Linyuan Supreme looked at the many powerhouses present, "Who among you wants to go directly to the Shihen Emperor Gate with me? Go ahead and knock on the door?"

"My master, the subordinates are willing."

"Subordinates are also willing."

In an instant, a famous master stood up one after another, and almost all the law protectors and elders looked resolute, and none of them gave in.

Because now everyone doesn't know what's going on in the Shihen Emperor's Gate, the person who knocks on the door first will definitely be in danger.

But everyone did not hesitate.

"My lord, leave it to your subordinates. The subordinates followed Gu Xuye's deputy sect master to this Shihen Emperor Gate back then, and they also knew some of the masters in the Shihen Emperor Gate, and were quite familiar with the route. "

Elder Thousand Eyes looked earnestly: "The subordinate offended two adults before, and I hope that the adults can give the subordinate a chance to atone for their sins."

Qin Chen glanced at Elder Thousand Eyes, and said, "Just him."

"My lord, the subordinates are also willing to go." Protector Mikong also stepped forward.

"You... forget it." Qin Chen shook his head slightly: "You have a good relationship with Sagong Holy Land. The Shihen Emperor Sect may have already learned about it. In order to prevent being jealous, you don't need it. Let Xiuyi protector go."

The protector of Xiuyi was startled, and even bowed and said, "Yes, my lord."

"The rest, enter the Kun Demon Palace."

The voice fell.

Sikong Zhen urged Kun Demon Palace, and bang, a terrible swallowing force surged, Mi Kong Law Protector and other powerful people were sucked into Kun Demon Palace one after another.

Immediately afterwards, Si Kongzhen began to teach Lin Yuan Supreme how to control Kun Demon Palace, and gave him certain permissions.

"You two, go knock on the door first."

At the same time, Qin Chen said to the elder Qianyan and the protector of Xiuyi, the two nodded, glanced at the sect master who was offering sacrifices to the Kun Demon Palace, shook their body, and went straight to the stone trace emperor gate.

After a while, the two had already arrived in front of the Shihen Emperor Gate.

"who?"

As soon as the two of them approached the Shihen emperor gate, a cold shout came from the emperor gate, and then, a group of figures exuding a frightening atmosphere appeared in front of the stonemark emperor gate.

It is the powerhouse of the Shihen Emperor Gate. "Hahaha, brothers of the Shihen Emperor Sect, don't come here unharmed. I am the Xiuyi protector of the Linyuan Sacred Gate and the thousand-eyed elder. On the order of the master of the gate, come to the Shihen Emperor Sect. Hendimen discusses how to fight against the sacred land of Sikong

. "The protector of Xiu Yi said with a smile.

[Chapter 4800: This seat is here](#)

"The Xiuyi guardian and the elder Thousand Eyes of the Sacred Gate of Linyuan?"

Hearing this, the leader of the team condensed his eyes and said in a deep voice.

"Exactly, this time, Master Linyuan Supreme from the Sacred Gate of Linyuan also came here, and I also invite a few to report to the Supreme Stone Mark." Xiuyi said with a smile.

"Lin Yuan Supreme is here too?"

The leader was shocked and looked around, "Where is Linyuan Supreme?"

"I'm here."

Boom!

As the voice fell, the void in front of him suddenly split open, and the supreme Linyuan was dressed in a green robe, with long hair flying, the power of the dark avenue overflowed everywhere, and he slowly walked out of the void with a breath of majesty.

The protector of Xiuyi and the elder Thousand Eyes hurriedly saluted: "Master of the door."

Seeing Lord Sect Master alone, they instantly knew that Lord Sect Master had already taken control of the Kun Demon Palace, and Sikong Zhen and others were definitely with Lord Sect Master.

Before Lin Yuan came to the Shihen Emperor Gate, he looked forward, frowning slightly, and on his body, a terrible breath continued to rise to the sky. This majestic aura revealed that the leader of the Shihen Emperor Gate was strong. The person couldn't help but stun in his heart!

The strong!

In other words, a strong man far above himself.

The opponent is also at least a mid-term supreme, and there are not many mid-term supreme in the entire Heiyu continent, and the opponent is very likely to be the master of the Linyuan Holy Sect.

"Xiuyi, Thousand Eyes, let the two of you know Shihen Zhizun, why, this little thing can't be done well?"

As soon as Linyuan Supreme appeared, he said in a deep voice to the protector of Xiuyi and the elder Thousand Eyes, his face was displeased.

The protector of Xiuyi and the elder Qianyan hurriedly changed their colors and respectfully said: "My lord, I am waiting for the negotiation, and I would like to ask the adults to give you more time." "What is the negotiation?" "I came here this time at the invitation of the elder Wufeng Taishang of the Shihen Emperor's Gate, and came here specifically, but never thought that your Shihen Emperor's Gate was actually

With such an attitude, is that the way you Shihen Emperor Sect treats guests? When I saw the Shihen Supreme, I should ask him carefully, what the **** did you Shihen Emperor do. "

There was a boom.

As he said, Linyuan Supreme moved forward, the terrifying mid-term Supreme aura crashed onto the Supreme Array, causing the entire Stone Mark Emperor's Gate to erupt with a violent roar and shaking.

Click!

The entire mountain gate seemed to be ruptured.

This is the opportunity of Lin Yuan Supreme to use the opportunity of anger to deliberately test the strength of the guardian formation of the stone mark emperor gate.

Rumble!

The heavens and the earth roared, and the expressions of the several powerful men who spoke before changed drastically, and they didn't know what to do.

at this time.

"Hahaha, Supreme Master Linyuan is still so straight-tempered, I am waiting to welcome you, and I hope to forgive my sins." Suddenly, a loud laughter resounded, and then quickly flew from the depths of the stone-marked emperor gate. Several figures came out, each of which exuded a frightening aura. They were all supreme cultivation bases, and they were obviously the top powerhouses in the stone trace emperor gate.

"Elder Sword Dragon!"

Seeing the visitors, several strong people present even changed their colors and saluted. The visitor was an old man with gray beard and hair. He glanced at a few people with cold eyes. A terrifying aura erupted from his body. He shook the few people into the air, snorted coldly, and said, "Go away, the distinguished guest is coming, I don't know. Welcome, go back and cure your sins

. "After saying this, the expression on Linyuan Supreme's face is full of spring breeze, and he is very gentle, and he said: "Linyuan Sect Master, at Xia Shihen Emperor Sword Dragon Elder, I have already notified the Sect Master about the arrival of the adults. My lord, I want to come to the sect master right now

Coming here, please don't let the Linyuan sect master talk to a group of small insights, and please follow me to the VIP room of my Shihen Dimen. "

"It's easy to say."

Lin Yuan Supreme didn't continue to get angry, but with a move, he immediately walked into the stone mark emperor gate with the Xiuyi protector and the thousand-eyed elder.

After a while, several people had already arrived at the depths of the Shihen Emperor Gate.

Along the way, Supreme Linyuan observed the surroundings secretly, and there were waves of Supreme Formation everywhere. In that dim formation, countless strong men kept looting, and the guards were tight, just like a copper wall and an iron wall.

This made Linyuan Supreme's heart awe-inspiring, the Shihen Emperor Gate was too tightly prepared, but fortunately, he had not forcibly attacked just now, otherwise, he was afraid that Linyuan Sacred Gate would surely suffer a heavy loss.

The group of people came to the depths of the Shihen Emperor Gate.

When it reached the innermost point, there was a wave of terrifying laws surging between the heaven and the earth, and the strong aura made Linyuan Supreme unable to change his color.

The elder thousand eyes and the protector of Xiuyi also had anxiety deep in their eyes.

The security here is too strict, giving them a sense of immobility and unbreakable. Once they fight here, they are afraid that it will be more or less good.

Soon, everyone came to the depths of the Shihen Emperor Gate, a place filled with the aura of the horror formation, surrounded by terrible runes blooming around them.

Supreme Lin Yuan frowned and said, "Here?"

"Hahaha, Linyuan Sect Master doesn't need to be nervous."

Suddenly, a loud laughter resounded from heaven and earth.

Immediately afterwards, a magnificent figure slowly walked out of the endless void. Around the figure, there were a series of terrible auras, each body shape reaching the sky, like a god, it is the many supreme of Shihen Emperor Sect. The strong.

The leader is the strongest of the Shihen Emperor Sect, Shihen Supreme.

As soon as this stone-marked supreme appeared, the elder sword dragon and others present saluted: "Master of the door."

"Free gift." Shihen Supreme raised his hand, then looked at Linyuan Supreme, and said with a smile: "Brother Linyuan, you also know that my Shihen Emperor's door is already an enemy of Sagong Holy Land. Rules, kill me, the leader of many law enforcement teams at the Shihen Emperor Gate

, And also beheaded the beloved son of this seat. If this revenge is not reported, how can my Shihen Dimen gain a foothold in Heiyu Continent. "So, in order to prevent a sneak attack on the Sacred Holy Land, my Shihen Emperor Sect has recalled all the strong and opened all the guardian formations. These are just to prevent Sagong Holy Land from launching a sneak attack on my Shihen Emperor Gate. Please also Linyuan Sect Master not

Use tension. "

The words fell, Shihen Supreme had already arrived in front of Linyuan Supreme. "It's okay." Linyuan Supreme smiled slightly: "This seat also came to know this news from the predecessors of Zu Wufeng. The Sagong Holy Land is indeed too much. This time, this seat also accepted Zu Wufeng. Senior's proposal, preparation and

You Shihen Emperormen joined forces to destroy Sikong Holy Land. "

Lin Yuan Zhizun said coldly. "Oh?" Shihen Zhizun's eyes lit up, and he even laughed: "Brother Linyuan, if you can think so, this seat is really relieved, but I don't know where the elder Zu Wufeng is and why he hasn't returned. ?"
