

Valkyrie 4881

[Chapter 4881: Destroy Jieyun](#)

boom!

The terrifying dark aura dissipated. At this moment, the ancestor of the Abyssal Demon didn't look like a demon clan at all, but like a powerful man descended from the dark continent, with an astonishing dark aura lingering all over his body.

Boom, boom, boom!

Countless dark auras descended heavily, quickly entangled the Demon Ancestor Luohu, and blocked the energy in his body.

"Well, this dark power is really easy to use."

The ancestor of the Abyss could not help but sigh.

In order to cooperate with him, the dark people did not come up with good things, and the ancestors of the deep demons have been comprehending the power of darkness over the years, and their perception of the power of darkness is definitely not inferior to this universe. anyone.

But I didn't expect that at this time, it would have a magical effect immediately.

As the chaos **** and demon of the era when the universe opened up, the Demon Ancestor Luohu can hardly hurt him because of the origin of the Demon Race.

In addition to being temporarily ahead of Luohu Demon Ancestor in the realm, the ancestor of the deep demon is not much ahead of the opponent in other aspects of the demon clan.

But now, as soon as the power of darkness was displayed, the ancestor of the deep demon immediately gained the upper hand.

A series of terrifying dark powers quickly blocked Luohu Demon Ancestor.

"hateful."

Boom boom boom!

Demon ancestor Luohu was furious, he struggled frantically, trying to break free from the **** of the ancestor of Abyss Demon.

However, before he could break free, countless dark spears appeared in front of the ancestor of the deep demon again, and with a bang, countless dark spears burst out again.

Bang bang bang!

The dark spears were directly exploded by the six god-like arms of Demon Rahu, but there were still some dark spears penetrating the defense, directly piercing Demon Rahu's body.

The body of these dark spears naturally cannot bring much injury to the chaotic gods and demons like Demon Ancestor Rahu, but the dark origin contained in them is powerfully suppressing the magical chaos in Demon Ancestor Rahu.

"Hahaha, your Excellency, don't struggle anymore. Before the power of darkness of the ancestor, no one can break free from the shackles of the ancestor."

The ancestor of Yuanmo sneered.

And accompanied by the dark breath on his body dissipated.

Sudden-

Boom!

Between heaven and earth, the origin of the universe emerges, and a series of amazing origin rules emerge, which is the origin of this universe.

The origin of the universe was attracted by the dark atmosphere of the ancestor of the deep demon, and immediately felt the invasion of the heresy, and it instantly turned into a terrible thunder, and a wave of thunder blasted down frantically, to punish the ancestor of the deep demon.

However, the ancestor of the Abyssal Demon didn't have the slightest fear. When he reached his realm, the ordinary punishment from the origin of the universe could no longer suppress him.

"The origin of the universe, the ancestor is now half-step detached, and, with the power of the dark clan, when you reach the end of the origin, you also want to sanction the ancestor?" The ancestor of the Yuanmo looked up at the sky, his eyes disdainful: "You Since it is going to be destroyed, why not give me the power of the original source, to you people in this world, as long as I wait to break through the transcendence realm, I can pass on your civilization, but you,

Too selfish, if you have to linger, it's no wonder the ancestor. "

"Exit!"

The ancestor of the deep demon shouted angrily and blasted out a punch. In an instant, a huge, pitch-black palm burst into the sky, squeezing countless thunders that fell down in an instant.

Immediately after that, the huge palm instantly penetrated into the countless tribulation clouds above the demon world, and with a bang, the big hand was like the palm of the demon god, squeezing the endless tribulation cloud directly, and completely annihilated the will of the origin of the universe.

Rumble!

The origin of the universe seemed to be provoked, trembling violently, and everyone could feel the anger of the will of the origin of the universe.

The ancestor of Yuanmo blasted the Jieyun transformed by the origin of the universe with a punch, and did not continue to provoke the origin will of the universe, because he knew that once angering the origin will of the universe is not a simple matter, he immediately turned his head and looked down. Luohu Demon Ancestor. "Since you are the Chaos God and Demon, you should also know that this

universe has come to an end. Only detachment can lead this universe to a more glorious future. What our ancestor lacks most now is the most primitive of this universe. Strength, your body

For the chaos gods and demons, it is better to make contributions to the creatures of this universe, give the source of chaos in your body to the ancestor, and obediently become the power of the ancestor. "

The ancestor of the deep demon grinned, and suddenly an infinite chain burst out of his body. The chain burst into black light, and quickly merged into the many black spears that pierced the body of the demon ancestor Luohu, and began to frantically devour the power of the demon ancestor Luohu.

The Demon Ancestor Luo Hu understood the purpose of the ancestor of the deep demon, and instantly roared up to the sky, "The ancestor Luo Hu is the leader of the ancient Chaos God and Demon. It is not so easy to refine the ancestor."

boom!

In Luohu Demon Ancestor's body, the most terrifying chaotic magic power rose up, forming a terrible magic light, and madly confronted the Yuanmo Ancestor.

On his body, ancient magic lines bloomed out, forming a unique defensive force.

The two sides are swiftly confronting each other.

At this moment, outside the demon world.

Shen Gong Zhizun and other human experts also rushed there, seeing the scene in front of them, and couldn't help but breathe in air-conditioning.

They originally guarded the battlefield of the ten thousand races, but after learning the news of the Demon Realm, they came as soon as possible.

Because they all know well that the confrontation between the Demon Alliance and the Human Alliance is not in a specific area like the Battlefield of Ten Thousand Races, but between the ancestors of the Abyss Demon and Xiaoyao Supreme.

Who can win, who can achieve detachment, who is the real winner.

At this moment, a figure appeared beside Shengong Supreme, exuding a heart-palpitating breath.

It is Xiaoyao Supreme.

"I'll wait, I've seen Master Xiaoyao."

Suddenly, many supreme powerhouses in the Human Race Council around them saluted and looked respectful.

Shen Gong Zhizun also stepped forward and solemnly said: "Xiaoyao Zhizun, what should we do now?"

He looked slightly anxious.

Once the ancestors of the deep demon refine this chaotic **** and demon, once the realm of transcendence is truly achieved, then the human alliance will be dangerous. "Don't worry." Xiaoyao Supreme squinted his eyes, "Luohu Demon Ancestor, I have heard of this name. It is one of the top

existences among the three thousand ancient Chaos Gods and Demons. If such a character is caught by the Abyss Demon If the ancestor swallows it, it will indeed make the deep monster old

There is an extraordinary change in Zu's strength. "

"But..." Xiaoyao Supreme said calmly: "Such a Chaos God and Demon can't be refined by the ancestors of the Abyss Demon casually. The ancient Chaos God and Demon can't live up to the present. Yes, which is not a trivial matter, if it is so easy

It was refined, I am afraid it would have been annihilated in the long river of years. "Then are we just looking at it like this..." Shen Gong Xingzun was taken aback?

[Chapter 4882: Know this place](#)

Xiaoyao Supreme said indifferently: "Let's wait and see, it's not time to make a move yet."

"this..."

Divine Work Supreme was stunned.

This is not like the style of Xiaoyao Supreme.

Xiaoyao Zhizun glanced at Shen Gong Zhizun, and said faintly: "The reason why I waited and watched was not to wait for the ancestor of the deep demon to refine the ancestor of Luohu, but to perceive something interesting before, don't forget, that kid Qin Chen Still in the demon world."

"By the way, Qin Chen is still in the Demon Realm."

Only then did God work supreme wake up.

But, how about Qin Chen people?

They had deliberately made a lot of noise on the battlefield of Ten Thousand Races before, just to attract the attention of the Demon Realm for Qin Chen and to draw away the ancestors of the Abyss Demon.

Now, their goal has been achieved, but Qin Chen is still missing, leaving Shen Gong Xingzun with some doubts in his heart.

It stands to reason that they created such a good opportunity for Qin Chen, and the other party should have escaped from the devil world. "Don't worry, this kid, he should have done a great deal in this Demon Realm before. When I was fighting with the ancestor of the Abyss Demon, I inquired about the Demon Realm, but I did not find any trace of this person. The kid should be hiding in the devil world

Some hidden place, even escaped my perception. "

"Hidden your perception?" Shengong Supreme was astonished: "In the Devil Realm, can there be places where you can't perceive the Lord Xiaoyao?"

"That's nature, how vast the universe is, and what can this seat be in it? It's just dusty."

Xiaoyao Zhizun sighed, and then he glanced at Shen Gong Zhizun.

This master of workmanship was the guy who followed the craftsman as the ancestor at any rate back then, and is also the master who works today. How can he be like a sycophant?

"However, since I can't feel the existence of that kid, the ancestor of the deep demons should not be able to sense it either. Wait, maybe there are some surprises."

Xiaoyao Supreme said with a smile.

Having said that, his gaze is firmly locked on the Abyss Demon Ancestor and Luohu Demon Ancestor, as long as Luohu Demon Ancestor can't hold on, he will naturally take action no matter what.

Just as Xiaoyao Supreme had expected, Luohu Demon Ancestor was not a fuel-efficient lamp. On his body, a series of terrifying ancient magic talisman bloomed, and for a while, he suddenly carried the refining and transformation of the Abyss Demon Ancestor.

"Want to refine the original ancestor? It's fantastic. If the original ancestor is so good in refining, how can he live to the present?"

Luohu Demon Ancestor said with a grinning, domineering imposing manner. In fact, he was anxious in his heart. The power of darkness was so weird that even he was accidentally caught. He couldn't help but secretly anxious about Sound Transmission Demon Li and Chiyan Demon Lord: "You two, don't hurry to refine this darkness for your ancestors. Power, especially your kid, body

It possesses the power of Demon Gu, which can swallow the power of all things, otherwise if the ancestor can't hold on, the two of you will not be able to escape. "

"Yes, my lord."

There is no need for Demon Ancestor Luohu to remind him, Demon Li and Demon Chiyan have already madly absorbed the power of the dark magic spear that penetrated Demon Ancestor Luohu.

With a bang, the devil gu aura bloomed on Moli's body, and the strands of dark power were quickly absorbed into his body. On the body, dark lines slowly climbed up.

Opposite, the ancestor of Yuanmo condensed his eyes.

"Huh? This guy can really persist, and there seems to be a special force in this person that is absorbing the dark power of the ancestor, huh, but the ancestor has to see how long this person can persist."

boom!

In the body of the ancestor of the deep demon, the dark aura continued to surge, crazily infiltrating the body of the ancestor of Luohu.

A certain balance was quickly reached between the two.

And when the ancestor of the deep demon and the demon ancestor of Luohu were facing each other firmly.

Unborn Demon Realm.

Qin Chen has already arrived in this piece of heaven and earth.

"Little Qin Chen, this world is weird."

Hong Huang Zulong suddenly said in a deep voice.

Qin Chen nodded, he naturally understood the meaning of the great ancestral dragon, and looked up to the front.

What appeared before his eyes was a world without survivorship. Here, even the original laws of the Demon Realm could not be controlled, and everything in front of him seemed to be a world of nothingness.

And between this world, there is a special coercive force. This force is extremely terrifying. Although it is extremely subtle, it should give Qin Chen the feeling that such a coercive force seems to be in the ancestors of the deep demon. superior.

Such a coercion suppressed Qin Chen's body, and Qin Chen immediately felt that the power of the deep demon in his body seemed to be completely suppressed, and could not be activated at all.

"this..."

Qin Chen changed color instantly.

He has now broken through to the realm of supreme, and even the supreme can be killed in the later stage, but this force can completely suppress the power of the monster in his body with only coercion, so how can he not be surprised?

"It is rumored that the Inanimate Demon Realm was the place where the Demon God of the Demon Realm fell. Isn't it any wonder that this power was the force born after the Demon God's fall?" Qin Chen's eyes were shocked: "No wonder the ancestors of the Abyss Demon could not enter this Inanimate Demon Realm. In the middle, this kind of coercion, I am afraid that the power of the ancestors of the abyss will be much restricted, I am afraid that it is much more terrible than the land of the abyss.

What kind of power is the demon **** of the world? "

Qin Chen was shocked.

And at this moment, Qin Chen suddenly felt that a treasure in his body throbbed slightly.

"Huh!"

A treasure appeared in his hand instantly.

This is a hosta.

As soon as this hosta appeared, it immediately seemed to resonate with something in the Inanimate Demon Realm, and it vibrated slightly.

It's just that the breath is very weak.

"It is the origin of the dreamy charm and the ten-tailed magic fox predecessors, Sisi must be in this non-life demon realm."

Qin Chen became excited instantly.

This hosta is exactly what he used to use the origin of a tail of the fantasy charm and the ten-tailed magic fox in the real dragon territory.

That origin is the tail of a fundamental source left by the ten-tailed phantom fox of the ancient chaos **** and demon, and it should have nothing to do with the demon clan, but Sisi happened to be inherited by the nine-tailed phantom fox clan.

And this family of nine-tailed phantom foxes is exactly the bloodline left behind by the ten-tailed phantom foxes.

Nowadays, when the hosta entered the Inanimate Demon Realm, there was a certain kind of fluctuation, which is very likely to indicate that Sisi was in this Inanimate Demon Realm.

"Sisi is really here."

At this moment, Qin Chen's excited hands were shaking.

He broke into the demon world and experienced countless hardships, and finally he was about to meet Sisi.

Qin Chen didn't waste time. He put away the hosta and raised his hand, the Suspense Supreme in the chaotic world instantly appeared in front of him.

"grown ups."

Suspended Supreme hurriedly saluted.

Qin Chen nodded and said, "Do you know this place?"

Suspense Supreme looked around in shock, seeing the surrounding scenes, and feeling the power around, Suspension Supreme couldn't help being surprised.

"This is... the Unborn Demon Realm?"

He was taken aback, his expression shocked, he didn't expect Qin Chen to actually bring him to the Inanimate Demon Realm.

Qin Chen nodded: "Yes, this is the Wusheng Demon Realm. The headquarters of your Demon Race Righteous Army is here. As a member of the Righteous Army, you should know where the headquarters is? Take me directly." Qin Chen said directly.

[Chapter 4883: Headquarters](#)

"My lord, please come with me."

Suspense Supreme turned directly, and then led Qin Chen towards the depths of this lifeless demon realm.

Qin Chen followed the Xuankong Supreme, step by step towards the endless void.

"Kid Qin Chen, you have to be more careful, this Wusheng Demon Realm is very unusual."

Honghuang Zulong looked around, then said in a deep voice.

With his strength, he can naturally perceive a lot.

Qin Chen nodded: "I know."

Needless to say about the great ancestor dragon, Qin Chen could also feel the extraordinariness of this non-life demon realm.

In this Inanimate Demon Realm, there is always a special force lingering around, this force is everywhere, and even gives Qin Chen the feeling that it is even more terrifying than the Infinite Magic Power in the Infinite Demon Prison.

It's just that this force has been ignited and never shot Qin Chen.

Although Qin Chen had long known that this Inanimate Demon Realm was extraordinary, he did not expect that this Inanimate Demon Realm would make the predecessors of the Primordial Ancestral Dragon so nervous.

It should be understood that the Primordial Ancestral Dragon is the top chaos **** and demon in ancient times, and a master at the peak and extreme limit. What makes him feel unusual is absolutely no small thing.

However, what surprised Qin Chen was that there seemed to be a special power in the Suspended Supreme, which could make the pressure of this non-life demon realm not cause him the slightest harm.

Qin Chen came to Xuankong Supreme and said in doubt: "You don't seem to be afraid of the power in this lifeless demon realm?"

Xuankong Supreme nodded and said, "My Lord, this is the headquarters of my Righteous Dao Army. Our Righteous Dao Army comes here as if we have returned home. Naturally, we won't be afraid of the breath here. It's like, would you be afraid of home?"

"Family?"

Qin Chen thoughtfully.

Xuankong Zhizun continued with a smile: "Actually, it's not that mysterious. The biggest reason is that our righteous army has been recognized by the three major leaders such as the high priest."

"The three big leaders?" Qin Chen was puzzled. "Yes, in my righteous army, there are three leaders, the high priest, the high elder, and the great protector. Among them, the high priest and the great protector were rumored to be the two servants of Princess Lianxinluo. Although they were servants, they practiced After Princess Xin Luo died, they

He became the leader of our righteous army and has always inherited the legacy of Princess Lianxinluo.

"Xuankong Zhizun nodded: "The great elder is not Princess Lianxinluo's subordinate, but a top master in my demon world. Because I couldn't understand the collusion between the ancestors of the abyss demon and the dark clan, and lost to the ancestors of the abyss demon. After the hand, I resolutely joined me.

Dao Army, became one of the leaders of my righteous Dao Army. "

He went on to say: "These three leaders can control part of the non-life demon realm. As long as they are recognized by the three leaders, they can walk freely in this non-life demon realm without worrying about the oppression of the non-life demon realm." At this point, Xuankong Zhizun looked at Qin Chen, "In addition, there are two other possibilities. The Inanimate Demon Realm can be prevented from suppressing it. One is that people who enter the Inanimate Demon Realm have no hostility to this place. Rumors here are It's the seat of the demon god

The earth is the ownership of all the people of the demon race, as long as people who are not hostile to the demon **** come here, they will not be attacked by the power here. "The other is the blood of the Demon God. People who have the blood of the Demon God will not be oppressed by the Inanimate Demon Realm when they come here. Suppressed by this world.

"

"My lord, you should be the first one."

Suspended Supreme respectfully said.

Qin Chen was able to enter this place without appearing before, which obviously meant that Qin Chen was not hostile to this place.

Qin Chen's face changed slightly.

Honghuang Zulong also snorted coldly: "Boy, you dare to conceal such an important thing, don't you want to be a member of the tens of thousands of the empty demons in the chaotic world?"

If Qin Chen is hostile to the land of demon gods, he is afraid that he has already been attacked by the forces in this lifeless demon realm. A trace of shame flashed in the expression of Xuankong Supreme, he respectfully saluted Qin Chen: "I'm sorry, my lord, I didn't make it clear, please forgive my recklessness, but I don't want any hostility to the land of the devil. The person, enter me

In the headquarters of the Righteous Army. "Although Xuankong Zhizun looks guilty, his eyes are extremely determined: "If an adult falls, I will naturally not survive in the chaotic world, and my countless people will be buried with the adults, but this is my duty. Where,

It is incumbent. "

Obviously, Xuankong Supreme didn't fully believe in Qin Chen, and he also had a trace of his thoughts that he would die with Qin Chen.

He cannot bring external dangers into the inanimate demon realm.

Even if there is only a slight possibility.

"It's okay!"

Qin Chen said lightly.

This lifeless demon realm is really magical.

"How can I say, the ancestor of Yuanmo will be suppressed by the Wusheng Demon Territory after entering this place?" Qin Chen asked.

"Yes." Xuankong Supreme nodded and said: "What the ancestor of the deep demon has violated the purpose of my demon clan. He colluded with outsiders to destroy the demon world and this universe. Princess Lianxinluo was to stop the dark clan. Invasion, Caihuadao fills the darkness

The abyss, so once the ancestor of the deep demon entered the inanimate demon realm, he was suppressed by this world. "Back then, my Righteous Dao Army designed and tried to ambush the ancestors of the Abyssal Demon in the Inanimate Demon Realm, but the ancestors of the Abyssal Demon were extraordinary. After a fight, he finally escaped. From then on, the ancestors of the Abyssal Demon Twelve were placed outside the Wusheng Demon Realm

The Dutian Demon smashed a large array to prevent my righteous army from entering and leaving. "

Speaking of this, Xuan Kong Supreme sighed slightly: "I haven't been here for many years."

Hundreds of thousands of years have passed, and the vicissitudes of life have left only a few hundred thousand people in the empty Demon Race. They are lingering in the outside world. If it weren't for the appearance of Qin Chen, they would have been killed by the masters of the Nether Demon Race.

Returning to the Wusheng Demon Realm again, his heart was naturally equally excited.

There is nothing in the Unborn Demon Realm, and there is no end in sight.

Qin Chen followed the Xuankong Supreme for an unknown amount of time. Suddenly, a star field appeared in front of him. There were many buildings floating in this star field, which was very messy.

Qin Chen glanced around: "Here is it?"

Suspense Supreme pointed to the ruins in the distance, "The Taoist place where Princess Lianxinluo used to be is, and it is also the place where I waited for the righteous army and the ancestor of the deep demon to fight."

Qin Chen looked at the ruins in the distance. In the ruins, a dilapidated hall was faintly visible. In addition, dozens of stone pillars that were tens of thousands of feet long stood around.

Although these stone pillars are as high as ten thousand feet long, in the endless starry sky, they also appear a little insignificant. Suddenly Xuankong Supreme said: "My lord, have you seen that hall? At the end of that hall is the headquarters of my righteous army."

[Chapter 4884: The running dog of the Yuanmo tribe](#)

Qin Chen said: "Then go over."

Now that the outside world doesn't know what the situation is, Qin Chen naturally needs to race against time, because he can't guarantee that the ancestor of the abyss will not be able to find here, and once the ancestor of the abyss stays outside, they will be finished.

Qin Chen must hurry up.

With that, the two walked not far away.

In the process of entering the hall, Qin Chen also secretly urged the Demon Tree of Ten Thousand Realms. In an instant, Qin Chen felt the special pressure suppressed on him, and it was reduced by more than half in an instant.

If at first, it seemed to be walking in the mud, then Qin Chen now seemed to be walking on a flat bottom, very comfortable.

"Hey, I can't think that the Demon Tree of Ten Thousand Realms has such a great effect on the special power in this non-life demon realm."

Qin Chen was surprised.

Before in the Infinite Demon Prison, the Ten Thousand World Demon Tree was able to shield all the power of the Infinite World. This is because the Infinite Demon Prison itself was the place where the Ten Thousand World Demon Tree grew in the ancient times.

But this lifeless demon domain... made Qin Chen a little surprised.

"It is rumored that the Demon God who created the Demon Realm back then enlightened the Dao under the Demon Tree of the Ten Thousand Realms. Is it because of this reason?"

Qin Chen thoughtfully.

No matter what, this is a good thing for Qin Chen. He doesn't want to pin his safety on the so-called vanity and no hostility.

While comprehending the special power in this lifeless demon realm, Qin Chen moved forward.

Not long after, Qin Chen and the others had already approached the hall.

"Is there no one guarding your headquarters?"

Qin Chen frowned.

The surrounding area of this hall was extremely empty, and there was no one to guard it.

And, along the way, they didn't see anyone else. Suspense Supreme frowned: "My lord, I don't know this. According to the truth, as long as I wait to enter this headquarters area, the members of the Righteous Army will find our traces... Moreover, the power of the Inanimate Demon Realm here seems to be weakened. A lot

."

Qin Chen also felt that the special power in this area was not as strong as he had imagined, even if the Suspended Supreme was not sheltered, he would not be suppressed by this special power.

Could it be that the closer to the headquarters of the Righteous Army in this non-life demon realm, the stronger this special force?

Xuankong Zhizun stepped forward, before arriving at the hall, and said: "My lord, let me find out first."

The words just fell.

boom! Suddenly, an extremely terrifying coercion suddenly broke out from the hall. The next moment, two figures suddenly appeared in front of the suspended supreme. The two men were wearing jet-black robes with masks on their faces and a "Positive" word, muddy

The body exudes an aura of terror.

Obviously a member of the righteous army.

Seeing these two people, Xuan Kong Zhizun's face suddenly showed joy.

Finally saw people.

Along the way, there were no members of the Right Path Army, and the Xuankong Supreme almost thought that the Right Path soldiers in the Inanimate Demon Realm had completely disappeared.

He immediately arched his hand and said: "Two, I am the empty demons..."

"Traitor, dare to trespass into the Inanimate Demon Realm and dare to deceive me and wait for death!"

The two of them didn't wait for Xuankong Zhizun to finish speaking, one of them suddenly made a move.

Suddenly a magic sword appeared in the hand of this black man, and the magic sword was cut out. Well, a terrible magic light was like a supreme strength, cutting through the sky, and instantly came to the Hanging Supreme.

boom! When this sword aura came in front of the Xuankong Supreme, the Xuankong Supreme instantly felt an extremely sharp sword aura rushing towards his face. The hair on his forehead was directly cut in half, and at the same time the sword aura was almost ingested. His eyebrows penetrate his

Skull.

"Block it."

Suspense Supreme screamed immediately, and in the midst of the crisis, he hurriedly displayed his strongest law.

Hum! In front of him, the void was misty, and the whole person seemed to have escaped into another void. The terrible magic light sword aura entered into this void and snorted, as if the light was folded by a mirror, directly exploding from the other void. Shot out, no

Into the endless void.

There was also a trace of blood on the face of Xuankong Supreme, which was left by the sword aura before.

"so close."

The pupils of Xuankong Supreme contracted, and cold sweat broke out all over his body. He almost died just now.

He had a feeling that if he was directly hit by the sword aura before, he was afraid that he would be divided into two in an instant.

Fortunately, after following Qin Chen for so long, he has also absorbed a lot of devil energy in the Chaos World, especially under the nourishment of the Ten Thousand Realms Demon Tree, his cultivation is already close to the mid-term supreme level, and he has escaped the one just now. hit.

"what."

Seeing that Xuankong Supreme had escaped his own blow, the man in black who took the shot showed a look of surprise.

"Hmph, I didn't think that your traitor's cultivation level is not weak, and you can escape the ultimate move of this seat, but since you dare to come to the Inanimate Demon Realm, you will not escape to death."

boom! As the voice fell, the aura on the black man's body suddenly boiled, and the next moment, above the magic sword in his hand, the power of a simple magic talisman rose up, and the moment this power appeared, the heart of Suspended Supreme immediately surged. Strong

Crisis.

Master!

This was the first thought in his mind. The two men in black in front of him were definitely not waiting.

boom!

Without waiting for the thoughts in Xuankong Supreme's mind, the figure of the black-clothed man appeared in front of Xuankong Supreme, with a bang, and the magic sword pierced towards the Xuankong Supreme.

Above the sword light, countless magic patterns vibrated, and the void where the tip of the sword was located was all imprisoned and unavoidable.

The expression of Xuankong Supreme changed drastically, "Two, I am the Xuankong Supreme of the Kong Demon Race, I am a member of the Righteous Army, you should have misunderstood..."

"Misunderstanding, huh, the running dog of the Yuanmo clan, do you think I'm waiting?"

boom!

The sword light flickered, and suddenly appeared in front of the suspended supreme.

"Oh shit."

Xuankong Zhizun was so angry that he vomited blood, he couldn't help screaming. He never expected that he would be treated like this after returning to the Inanimate Demon Realm.

At the critical moment, he had to look at Qin Chen for help and hurriedly said, "My lord."

But Qin Chen just frowned and looked at the two men in black in front of him, without any intention of making a move.

Suspense Supreme felt bitter in his heart, so he roared, his hands slammed, and he shouted angrily: "Escape!"

Hum!

Suspense Supreme's whole person suddenly shook, and the whole person became illusory, and for an instant it seemed to be trapped in a special space.

This is the innate magical power of his Kong Demon Race, which can form a space barrier in the void where he is in his control.

However, he had just escaped into the void.

With a click.

The sharp sword of the man in black suddenly tore the void barrier in front of him and suddenly came to him. Suspense Supreme didn't think much about it, and his hands were directly in front of him.

[Chapter 4885: Power of the Demon God](#)

With a bang, Jianguang severely slashed on the body of Xingkong Supreme, and he heard a sound that resembled a crack of porcelain, and the whole body of Xuankong Supreme was instantly smashed out, and his hands exploded in an instant. Shattered and turned into

And his whole person was also directly shocked from this void, flying upside down by tens of thousands of meters.

boom!

He stopped, and the void behind his back exploded directly, looking at his empty hands, Suspense Supreme was a little confused.

This guy is too abnormal.

A sword smashed his hands.

What the hell?

After a while, the man in black cut off the arms of the Suspended Supreme with a single sword, and his figure shook and suddenly disappeared into the void.

A strong sense of crisis permeated the mind of Xuankong Supreme.

Obviously, he wanted to take another shot against Xuankong Supreme.

"grown ups."

At this time, Xuan Kong Zhizun panicked and hurriedly looked at Qin Chen.

"Hehe, kid Qin Chen, let this guy cheat you just now." Honghuang Zulong said with a smile.

Seeing that Qin Chen didn't respond, Xuan Kong Supreme panicked completely.

The opponent's strength is far above him, and the shot is extremely weird, he can't resist it at all.

laugh!

At this moment, a sword light suddenly flashed across the void, exploding towards the Suspense Supreme.

The sword light was extremely terrifying, drew countless forces around it, and quickly stirred up an astonishing coercion.

I have to say that the power of this sword aura is indeed very fierce!

Not only the entire body of the Suspended Supreme, but the entire ruined area of the endless city of tens of millions of miles in the star field has been greatly affected, countless time and space are cracked, and it is still spreading towards the surrounding void at an extremely terrifying speed! Qin Chen frowned. As a matter of fact, he didn't save the Xuankong Supreme before, not to punish the Xuankong

Die here.

It's just that he just moved.

"Your opponent is me."

Suddenly, a dark shadow flashed by, and another black-clothed man suddenly appeared in front of Qin Chen, then gave a grinning grin, and suddenly punched Qin Chen.

"The running dog of the Deep Demon Race, go to death."

boom! This punch blasted out, the void trembles, and an astonishing supreme power bombarded the heavens and the earth. Qin Chen instantly felt that after the opponent punched out, the special power in the inanimate demon realm seemed to have been aroused by the opponent. , Quickly gathered to him

On top of his fist, he suddenly came in front of him.

Qin Chen's eyes flashed, his right hand was raised, and the same punch was blasted out.

This time, Qin Chen only used the power of the supreme level, but did not fully release the power in his body.

boom! When the two fists collided, Qin Chen felt an extremely terrifying force sweeping over, and this force also contained a special corrosive force, which seemed to be combined with the void of this inanimate demon realm, uniting nothing. The emptiness of the demon realm confronts oneself together

The same has been suppressed.

"No wonder."

Qin Chen thoughtfully.

The aura on the opponent's body clearly didn't seem to be very powerful, but it could explode with power far surpassing the ordinary supreme. It turned out to be such a thing.

The opponent's attack can mobilize the special power in this non-life demon realm.

It's a pity that this little power still doesn't have the slightest influence on Qin Chen.

With a movement in his heart, Qin Chen's body strength shook suddenly, and with a thud, the opponent's fist was directly shattered in an instant, and the whole person was directly blasted out, and the void behind him vibrated.

"you..."

The opponent was shocked, his attack was actually blocked?

But Qin Chen didn't entangle him, his figure shook, and suddenly disappeared.

On the other side, Xuan Kong Supreme felt the sharp sword hit in front of him, and his whole body collapsed.

After finally returning to the Inanimate Demon Realm, is this going to die?

Seeing this sharp sword is about to pierce the center of his eyebrows.

Sudden.

A figure suddenly appeared in front of him. It was Qin Chen. He raised his fingers and suddenly clamped the sharp sword pierced by the opponent between two fingers.

"boom!"

A series of terrifying sword auras came in continuously, submerged in Qin Chen's body, but it was like a stone sinking into the ocean, without any fluctuations.

The infinite sword energy was directly swallowed and absorbed by Qin Chen. With Qin Chen's current strength, even a pinnacle supreme level master can fight. Although the person in front of him has a strong cultivation base, he is no more than an ordinary supreme level. How can I hurt Qin Chen?

Harmful?

boom!

Qin Chen's arm shook, and the other party was directly shocked and flew out, looking at Qin Chen with a shocked expression on his face.

"grown ups."

The Xuankong Supreme looked at Qin Chen excitedly. At this moment, in his eyes, Qin Chen seemed to be covered with a glow of light, which was extremely dazzling.

"Ideas get involved."

The two men in black gathered together, frowning at Qin Chen, with solemn expressions in their eyes: "Unexpectedly, the ancestor of the Abyss Demon would send such a master this time."

Qin Chen frowned and said lightly: "The two have misunderstood, I am not sent by the ancestor of the Abyss Demon." He is also a member of the Righteous Path Army. Several epochs ago, he came to the Inanimate Demon Realm. You can report to the three of them to the High Priest to verify the old man's body.

share. "

Suspended Supreme will also step forward.

Being misunderstood by his own people, he almost vomited blood in his heart.

"Hmph, it's because you outside the righteous army became the running dogs of the ancestors of the Abyssal Demon, that caused the high priest to be seriously injured. You dare to deceive me and wait. Do you think I will believe it later?"

"The high priest was seriously injured?"

Qin Chen frowned. There was a lot of information in it.

Xuankong Zhizun hurriedly said: "This must be a misunderstanding. I am waiting for this time to discuss important matters with the three leaders of the Righteous Army. Please also report."

"Huh, do you want to trick me into waiting?" The two shouted angrily, "Set up an array."

The two squeezed the Jue Yin, and a token appeared in their hands at the same time, urging them directly.

boom!

The entire ruin area was filled with terrifying arrays of light. These arrays of light exuded a breath of suffocation, quickly enveloped the world, and then quickly wrapped towards Qin Chen and Xuankong Zhizun.

Hum!

In the entire world, countless terrible powers rose up, and within a tens of thousands of miles around the void, all the special powers seemed to have been mobilized for an instant, directly suppressing Qin Chen.

As soon as this power came, the Suspense Supreme beside Qin Chen instantly felt like facing the **** of death, and the whole person seemed to be fascinated anytime and anywhere.

"The power of the Demon God? This is the Supreme Demon God Array?" Suspense Supreme panicked for a moment: "My lord, this Supreme Demon God Array is one of the strongest formations in the Right Path Army. , Under the big formation, the power of shelter on my body can't be resisted at all, this is over."

[Chapter 4886: Why don't you listen?](#)

The power of the devil?

Qin Chen looked up at the sky, a sharp light flashed in his eyes.

"Hmph, knowing that it is the Supreme Demon God Formation, you two of the running dogs of the Abyss Demon Race should wait to die obediently."

The two men in black urged the big formation, their expressions were cold, and they controlled the big formation to suppress it strongly.

"The power of the devil? It's interesting!" Qin Chen chuckled lightly.

At the moment when this power came down.

boom!

Qin Chen rose directly into the sky, and a power that reached the sky suddenly rose in his body. The power of the Devil Tree of the Ten Thousand Realms was mobilized by him for an instant, and then turned into a pitch-black sword.

The sharp sword levitated in the void, exploded with a vast murderous intent that cut through the nine days, and slammed out with a sword towards the great formation that had descended.

Rumble!

Qin Chen's sharp sword collided with this supreme demon **** array, and the two forces swiftly collided, and one of the extremely astonishing forces directly penetrated into Qin Chen's body along the sharp sword.

It is the power of the so-called demon god. This force surged, and Qin Chen's physical body instantly felt a strong pressure. Although the power of the demon **** is not much, the essence of the power is extremely pure, like a needle, although it is not heavy, it can Perforated tofu, like dead wood

.

Qin Chen's body was subjected to a strong pressure.

"The Devil Tree of Ten Thousand Worlds."

Qin Chen directly urged the Demon Tree of the Ten Thousand Realms in the Chaos World. Boom, the breath of the Demon Tree of the Ten Thousand Realms directly emerged from Qin Chen's body, colliding with the power of this demon god.

With a puff, the two powers were instantly annihilated, and the power of this demon **** was assimilated by the power of the demon tree of the ten thousand worlds, and there was a special power in it that was actually swallowed by Qin Chen's body and then directly absorbed.

Hum!

Qin Chen's original origin of reaching the peak supreme level in the initial stage has been faintly improved.

"hiss!"

This surprised Qin Chen, this demon god's power was too strong, just a little bit of it could actually improve his cultivation.

At this moment, endless ecstasy emerged in Qin Chen's heart.

At his level, if you want to break through the mid-term supreme, you need to absorb too much energy. Although it is a lot easier to break through the mid-term supreme than to enter the supreme, it is just the accumulation of origin.

But this cumulative process is also an extremely huge test.

Now that the so-called power of the demon **** has such a huge benefit to his original power, how can Qin Chen not be excited?

"The Devil Tree of Ten Thousand Realms, swallow it."

Boom boom boom!

The power of the Ten Thousand Realms Demon Tree in Qin Chen surging wildly, the infinite magic power quickly collided with the power of this demon god, and then turned into a stream of extremely pure origin power and was swallowed by Qin Chen.

Faintly, the aura on Qin Chen's body actually increased at an astonishing speed.

And when Qin Chen swallowed the power of the Demon God.

Opposite, the expressions of the two men in black changed.

Even the Supreme Demon God Array could not suppress the opponent, who is the opponent?

The two looked at each other, a trace of determination flashed in their eyes, and they sternly shouted: "Ning!"

boom!

The origins of the two of them burned at the same time, the tokens in their hands glowed, rumbling, and the endless special power in the surrounding void was gathered, integrated into this supreme demon **** array, and frantically suppressed Qin Chen.

They didn't believe that Qin Chen could really resist the power of this supreme demon **** array.

"Hahaha, good time."

Feeling the continuous power of the Demon God, Qin Chen laughed. The more the power of the Demon God came, the faster his origin would improve.

boom!

A torrent of power continuously poured into Qin Chen's body, transforming Qin Chen's body, and raising Qin Chen's body to a more perverted level.

At the beginning, Qin Chen's physical body and origin could still be improved.

But gradually, after absorbing a large amount of the power of the demon god, the help that the power of the demon **** gave Qin Chen quickly weakened.

In the end, Qin Chen's physical body and origin seemed to have reached a limit, and the power of these tiny demon gods no longer helped his origin and physical body to improve.

"Pity."

Qin Chen couldn't help shaking his head. He could see that it was the level of this supreme demon **** array that was ancient, and the power of the demon **** absorbed could only reach such a level of purity.

If you continue, I'm afraid it's just a waste of time.

A sharp glow suddenly burst into Qin Chen's pupils.

"cut!"

Qin Chen screamed, and the sharp sword in his hand slashed out violently.

In the process of absorbing the power of the Supreme Demon God, Qin Chen had a very clear understanding of the structure of the Supreme Demon God Array, and slashed directly at the weakest place of the Supreme Demon God Array.

He heard a crackle, and a crack appeared on the Supreme Demon God's large array. Then the crack quickly spread, and instantly turned into countless fine cracks, spreading in all directions.

The sharp sword in Qin Chen's hand suddenly shook.

boom!

The Supreme Demon God Array on Qin Chen's head directly uttered a fragile roar, which was exploded by Qin Chen in an instant.

Countless bursts of light disappeared, and the two men in black snorted together, with incredible shock in their eyes, and they were directly blasted out by the bursting force of the big burst.

puff!

The two spit out a mouthful of blood, and the blood surged in their bodies, and their breath suddenly weakened.

"You... how is this possible?"

The two looked at each other and looked at Qin Chen in disbelief, with a frightened expression.

The Supreme Demon God Formation was actually broken? In their minds, it was like a fantasy. It should be noted that the Supreme Demon God Array mobilizes the power of the Demon God between the heavens and the earth. Although the range of mobilization is not large, it is definitely not the ordinary Supreme can resist. Even the late Supreme, I am afraid that it will be in the two of them. Get hit by teamwork

retreat.

But now...

"go!"

The two hurriedly turned around to leave.

However, before they retreated into the hall, a figure suddenly appeared in front of them, it was Qin Chen.

"Two, I am indeed not the ancestor of the Abyss Demon, but there is something important to enter the Inanimate Demon Realm. I want to see your three major leaders. Please also take me to see you."

Qin Chen said directly.

After all, this righteous army has something to do with Sisi, and Qin Chen didn't want to kill evil at will, so as not to make trouble.

"Do you think we will believe you?"

The two men in black yelled angrily, and they all rushed towards Qin Chen again.

boom!

Qin Chen's body shook, how come the two of them flew out.

"Perplexed."

Qin Chen shook his head, why didn't these two people listen?

Forget it, let's grab it first!

With a thought in his heart, Qin Chen spread his right hand directly, and a terrible pressure suddenly surged from Qin Chen's palm, suppressing the two in an instant.

boom! With the appearance of this coercion, the time and space around the field became illusory. At the same time, a palpable coercion filled the surroundings, and the two of them felt like they were in purgatory.

[Chapter 4887: Sword Demon Supreme](#)

The two men in black squinted their eyes and thought, and two runes appeared in front of them at the same time. The two runes shone out and turned into two black shields to block them.

Boom!

Qin Chen's coercion blasted on the rune shield in front of the two men. The rune shield trembled violently, and then was wrapped in a special force. At the same time, a series of terrifying coercion continued to move towards The two banged over.

The two were shocked, burned the source, and directly shot wildly.

In an instant, countless sword intent and fist intent gushed out of their hands, and in an instant, the world was enveloped by countless sword light and fist power.

boom!

In the field, tears resounded suddenly.

The countless sword qi and fist power displayed by these two people were directly crushed by Qin Chen. The power Qin Chen displayed was like a mountain, devastating, and suppressing the attacks displayed by these two people.

No matter how the two men acted, Qin Chen's attack steadily moved forward, motionless and invincible.

Not far away, Xuan Kong Zhizun's face was shocked, and he sucked in air-conditioning.

Even if he had been with Qin Chen for so long, he was directly shocked by Qin Chen's burst of power at this time.

And the two people on the opposite side were even more stunned.

Boom!

Accompanied by a muffled sound, the two men in black were directly shaken back tens of thousands of feet away.

After stopping, a trace of blood spilled from the corners of their mouths.

And, with a click, the masks on the faces of the two also shattered.

The person who used the sword was turned out to be a woman, who seemed not too old, but her eyes were full of fierce meaning, like a sword's edge.

And the person who used his fist was a man, who also didn't look big, his eyes staring at Qin Chen fiercely, full of anger.

"So young, has such a cultivation level?"

Qin Chen was surprised.

The youngness of these two people exceeded his expectations.

However, from astonishment to astonishment, Qin Chen kept moving in his hands.

boom!

Qin Chen suddenly raised his right hand, and then pressed it down.

With this pressure, the countless time and space above the two people in front of them suddenly swept down like a mountain collapse.

Time and space suppression.

After reaching the supreme realm, Qin Chen had completely integrated the time origin in his body into his own origin, and with a single thought, it was enough to freeze time.

The expressions of these two people were frightened, and before they had time to react, their bodies stagnated for an instant. By the time they reacted, they had been firmly imprisoned in the void by Qin Chen.

"You... let us go."

The expressions of the two changed drastically.

"It's not impossible to let you go, just take us into your righteous army headquarters."

"Don't think about it!"

The woman yelled, her eyebrows frowned.

"Seems like there is no more to talk about?"

Qin Chen shook his head and boomed, with his right hand vigorously, and the two of them were quickly captured by him.

"My lord, let me talk to them."

At this time, Void Supreme hurriedly said.

"Can."

Qin Chen nodded.

Now he can only use a dead horse as a living horse doctor. If the other party still doesn't agree, then some special methods have to be used.

"You two... listen to the old man..."

Xuankong Supreme came forward and spoke half-talking.

Suddenly Qin Chen's pupils shrank, and he waved abruptly at the place of the suspended supreme.

boom!

A terrifying sword aura slashed out. When the sword aura came in front of Xuankong Supreme, a jet of dark sword light instantly slashed out in the void in front of Xuankong Supreme, which happened to be directly slashed by Qin Chen. stop.

Boom!

The sword qi and sword qi shattered at the same time, and the suspended supreme was directly impacted by the shock wave from the bursting of two forces, spitting out a mouthful of blood.

Qin Chen raised his head and looked at the void not far away.

There, a figure wearing a black robe slowly appeared.

This is an old man.

The old man was wearing a simple black short robe, holding a long knife in his right hand, and he exuded a palpable horror.

And this breath is not weaker than the Yuan Demon Clan's Eclipse Supreme, obviously a late-stage supreme-level powerhouse.

"Senior Sword Demon Supreme."

Seeing this black-clothed old man, the two young men trapped by Qin Chen said excitedly at the same time.

"Knife Demon Supreme?"

Suspense Supreme looked at the old man in amazement. It was obvious that the other party was so famous that even he had heard of it. In the chaotic world, the Lord of the Abyssal Demon immediately said solemnly: "Master, this person is the Supreme Sword Demon, the ancestor of the Sword Demon clan in ancient times, and his cultivation is extremely terrifying. He was also an extremely terrifying existence in the Demon Realm back then. Not dead now,

Has been hiding in this lifeless demon realm. "

"The ancestor of the sword demon clan?"

Qin Chen stared at the other party, he didn't care about the other party's people, he only needed the other party to bring himself to find Sisi. The Sword Demon Supreme glanced at the two people trapped by Qin Chen, then glanced at Qin Chen, and said coldly: "Your Excellency is so bold, you dare to move my righteous army in the Inanimate Demon Realm, not happy. Let them go, otherwise, even if the ancestors of the deep demons are protecting them

You, your sir, can't escape death. "

boom!

A terrifying breath rose into the sky on this sword demon supreme. Qin Chen said lightly: "Your Excellency is afraid that I have misunderstood. I am not from the ancestor of the Abyss Demon. I have come to the Wusheng Demon Realm to do something important. This Suspension Supreme is a member of your righteous army, but your righteous army Unwilling to believe it, Ben Shao had no choice but to

Just trapped them both. "

"You weren't sent by the ancestor of the Abyss Demon?" Sword Demon Supreme stared at Qin Chen.

"nature."

"Huh, do you think the old man believes it?"

Sword Demon Supreme snorted coldly, and his body suddenly disappeared in place.

boom! At the next moment, a terrifying blade light suddenly appeared in front of Qin Chen. This blade light struck, and the tens of thousands of miles in the world seemed to be split in half in an instant, which made people feel from the depths of their hearts. It's so small that it seems to be falling

Into the endless abyss.

"Ugh."

Facing this terrifying knife light, Qin Chen couldn't help sighing.

Why doesn't anyone believe what I said?

In the void, Qin Chen slowly closed his eyes, and when the blade of light came in front of him, Qin Chen suddenly slashed with his fingers!

laugh!

Qin Chen's sword light was torn apart in an instant in the void in front of him. The sword light smashed on the terrifying sword light, and with a click, the sword light split by the Supreme Sword Demon was actually smashed by Qin Chen's sword.

At this moment, a sword suddenly slashed between the brows of Sword Demon Supreme!

The sword demon supreme horizontal sword one block!

Boom!

A crisp golden-iron cross-going sound resounded suddenly, and immediately afterwards, I saw the sword demon supreme retreating violently, and in the process of retreating, a sword with a handle slashed like a torrential rain!

Sword Demon Supreme narrowed his eyes slightly, and he suddenly slashed horizontally.

laugh!

In an instant, the time and space in front of him was directly torn and shattered into an abyss and gully by this knife!

Countless sword qi shattered! And at this moment, six sword qi suddenly appeared around the sword demon supreme, and then, six sword lights slashed towards him!

Chapter 4888 Four Extreme Magic Knife

A flash of cold light flashed in the eyes of Supreme Sword Demon, he roared and swept across with the knife suddenly, and the light of the knife was like a wave.

Boom!

The terrible light of the sword pouring out like a vast ocean, and violently collided with the surrounding six sword qi.

next moment.

boom!

Sword Demon Supreme was shocked and flew out, and instantly retreated to tens of thousands of feet away, and his robes were shattered in an instant.

On the other hand, Qin Chen didn't move at all.

Such a scene instantly made the eyes of the two black-clothed men present round.

God, what did they see?

Senior Sword Demon Supreme was smashed back by this guy in front of him?

How can this be?

You know, the Sword Demon Supreme Senior is a master of the late supreme level, inherited from ancient times, and he is a leader even in the righteous army.

It can be said that the reason why the Righteous Dao Army survived the pursuit of the ancestors of the Abyssal Demon back then, seniors like the Sword Demon Supreme absolutely paid a great role, but now...

Even the Sword Demon Supreme Senior, who is the late supreme, is not the opponent of this kid in front of him, which made the two men in black an endless awe.

"Good strength."

Sword Demon Supreme stabilized his figure, coldly staring at Qin Chen, a pair of horrible divine rainbows bloomed in his pupils.

He was also surprised.

With his strength, he can naturally feel the aura on Qin Chen's body easily. It is definitely not a late-stage supreme. However, the sword aura displayed by such a young master directly shattered his attack, making him not surprised. .

"Such talent and strength, but to be the running dog of the ancestor of the Abyss Demon."

Sword Demon Supreme yelled coldly.

"But with such strength, you can't tolerate your arrogance in my righteous army."

He saw him with his hands crossed across his chest, raising the sword in his hands high.

boom!

A terrible breath burst out from his body in an instant, and a few misty phantoms suddenly appeared between the heaven and the earth.

These are several towering figures with swords in their hands, like a projection of a god, appearing in this world, raising the swords in their hands high.

And when these masters raised their sabers at the same time.

Buzzing buzzing...

A series of misty blades aura erupted from his body. In an instant, Sword Demon Supreme became extremely majestic. With a bang, a vast river of sword intent appeared above his head, which was misty. , As if to split this piece of heaven and earth apart.

"It's the Quadruple Magic Knife..."

"The Quadruple Demon Sword Sword Technique of Master Sword Demon Supreme. It is rumored that this sword technique was created by Master Sword Demon Supreme in the ancient times when he smashed into the universe and competed with the powerhouses of various races."

"The four poles represent the most mysterious and profound meaning in the universe.

The two men in black were trembling with excitement, and their eyes widened.

The Quadruple Magic Knife, this is the highest supernatural power of the Sword Demon Supreme. It was with this magical power that he became one of the top powerhouses in the Demon Realm, and the universe traversed the universe, making the power of the ten thousand races jealous.

Now, is this trick finally reappearing?

Not far away, Xuan Kong Zhizun also showed surprise and widened his eyes.

Sword Demon Supreme's reputation in ancient times, he has naturally heard that this is a strong man far better than him, and has a huge reputation in the devil world.

And this four-pole magic knife is also a masterpiece of the sword demon supreme fame.

This trick is enough to destroy the world.

boom!

I saw the billowing sword intent madly condensing, and in the long river of sword intent between heaven and earth, various moods emerged, not only from the demons, but also from the demons and even the humans.

This is a trick that integrates the magical powers of the universe.

"Well, this trick is interesting."

Feeling the terrifying meaning of this sword intent, Qin Chen's pupils shrank slightly, revealing a sense of interest.

In this move, he faintly felt a sense of the profound meaning of the Six Paths of Reincarnation Sword Art of the Tongtian Sword Pavilion.

However, compared to the Six Reincarnation Sword Art, it was still a little bit worse.

"Boy, let go of my righteous army, this seat can spare you your life, otherwise, with this sword, this seat will kill you."

Sword Demon Supreme rumblingly said, with sharp eyes.

He didn't want to let Qin Chen go, but with this move, even he might not be able to completely control the power in it. Once one loses control, his righteous army will inevitably be seriously injured.

"If you want to fight, you will fight."

Qin Chen sneered. He knew that if he didn't beat the opponent, this righteous army wouldn't listen to him well.

The man and the woman looked at Qin Chen in surprise.

Is this guy crazy?

"you wanna die."

The Sword Demon Supreme was furious, "Since you have to seek death, then this seat will fulfill you."

"cut!"

"cut!"

"cut!"

The screams of shouts were passed through the void, rumbling and roaring, as if the gods were roaring.
next moment.

boom!

The swords with handles madly gathered together, and the swords instantly converged into a magnificent sword that rushed straight into the sky of the universe, and slashed down against Qin Chen fiercely.

At the moment when the Heavenly Battle Knife fell, it suddenly slammed, as if the cosmic void was violently cut, and the blood-colored battle knife suddenly soared and grew bigger and bigger.

Looking up, this sword turned into tens of thousands of kilometers long, annihilating all emptiness.

"My lord, be careful."

Suspended Supreme even let out a cry of exclamation.

He urged his own space supernatural powers, but under such a terrifying attack, with his Kong Demon's talent supernatural powers, he was unable to control the void. The whole person in the void was like a sailing ship in the storm, unable to control himself at all. direction.

Under such a blow, with the strength of the Suspended Supreme, I am afraid that it will easily be seriously injured or even fall.

"Quadrupole Magic Knife?"

Qin Chen smiled: "It just so happens that I haven't used a real sword move for a long time."

"Then... give it a try."

After breaking through the Supreme Realm, in order to hide his identity, Qin Chen has never displayed a real sword technique, but in this lifeless demon realm, Qin Chen was aroused by the sword demon supreme.

Hum!

In his hand, the mysterious rust sword suddenly appeared.

Starting with the mysterious rust sword, Qin Chen immediately showed a strong fighting spirit.

From the Tianwu Continent all the way, Qin Chen has experienced many treasures, but this mysterious rust sword has followed him from the Five Kingdoms period to the present, step by step **** battle.

Naturally, there is a different perception.

boom!

The mysterious rust sword appeared, and Qin Chen suddenly shot out a sharp sword intent in his body. This sword intent reached the sky and instantly became tens of thousands of miles long...

Forcing Qin Chen's body to grow bigger.

At the supreme realm, you can use the magical powers, and you can think of the galaxy.

The tens of thousands of kilometers of sharp sword also made Qin Chen's magical powers reach tens of thousands of kilometers in an instant.

[Chapter 4889: How not to recognize](#)

boom!

Jianguang cut down, and Qin Chen directly used the six reincarnation sword arts. He did not completely explode his own strength, but only reached the initial peak and supreme point. He had to use his own swordsmanship to truly compete with the opponent.

I saw the mysterious rust sword slashing down, and the void directly produced a terrible vortex. The vortex shattered the surrounding space and shredded countless buildings on the ruins of the righteous army headquarters. A large number of broken continents and buildings began to disintegrate and shatter. .

boom!

Tens of thousands of kilometers of sword light and the sky-reaching sword intent collided, and two terrifying forces fought fiercely. In an instant, countless tangible and intangible substances were annihilated.

Boom boom boom!

The mysterious rust sword in Qin Chen's hand smashed forward a little bit, shattering the Heavenly Sword Intent displayed by the Sword Demon Supreme.

"impossible!"

The Sword Demon Supreme opened his eyes wide, and the countless gods and demons behind him smashed into the sky. He roared and tried his best to hold the magic way in his hand before his death. This one was like the wall of the universe.

Jian Guang carried the vortex that shattered the universe, and slashed directly in the middle of the magic sword, and the magic way hit the sword magic supreme chest directly.

Bang...

The Sword Demon Supreme turned directly into a streamer and flew away, the speed was terrifying, and the void behind him was directly shattered layer by layer.

"Sure enough, the Six Reincarnation Sword Art is better, but the opponent's Quadruple Magic Knife also has some merits."

Qin Chen whispered, with the previous blow, he only mobilized a part of his own power, fought the opponent with the purest swordsmanship, and immediately felt the gap between the Six Reincarnation Sword Art and the Quadruple Magic Sword.

There is an amazing gap between the two.

But think about it, the Six Paths of Reincarnation Sword Art, that is the top magical power controlled by the ancestors of the ancestor of the Tongtian sword, and the trick of the ancestor of the sword. In terms of strength, the sword of the ancient human race is naturally far superior to the so-called sword demon clan. Up.

"Suppress this sword demon supreme first."

In this battle, although Qin Chen had a deeper understanding of the Six Reincarnation Sword Art, he was not immersed in the previous fight, but quickly recovered.

"Suppress this person first, ask Sisi where he is. The most urgent thing is to find Sisi first."

In this lifeless demon realm, Qin Chen is almost fearless, because no matter how strong the righteous army is, it is impossible to be stronger than the ancestor of the deep demon, otherwise he will not continue to flee under the chasing and killing of the ancestor of the deep demon.

And now in the entire Demon Realm, if it is said that the only one who can make Qin Chen jealous is the ancestor of the Abyss Demon.

If Qin Chen is willing, he can easily confront other powerful people such as the ancient ancestor dragon if Qin Chen is willing.

Naturally fearless.

boom!

Qin Chen turned into a streamer and swept directly towards the Supreme Sword Demon.

The Sword Demon Supreme was really stunned at this moment. The mighty power carried by that extremely terrifying sword just now made him shudder. It pierced his magic knife, which hit his chest, and the endless impact instantly raged on him. The armor on his body directly reached the limit of his physical defense.

A terrible force of reincarnation is constantly impacting.

The violent impact made his huge supreme body tremble violently.

boom!

Sword Demon Supreme stopped his body, his Supreme body burned directly, there was a terrible matter dissipating, and the void behind him collapsed directly.

Sword Demon Supreme bowed his head with a look of horror.

"The blow just now annihilated one-fifth of my origin in an instant!"

The Sword Demon Supreme was really shocked, who he is, the late Supreme, and the existence of the late Supreme with endless years.

In the righteous army, in addition to the three leaders of the high priest, the great protector, and the great elder, he belongs to the top level master and leads the party.

The high priest and the three of them have been in retreat all year round. It can be said that the Sword Demon Supreme is one of the real masters in the righteous army. His physical strength is extremely terrible. A treasure.

Looking at the vast universe, one-fifth of his physical origins can be annihilated with one move, and it is very rare, and all are the most terrifying existence in the universe.

Although the boy in front of him is strong, his cultivation base aura is much worse than his late supreme, how could he be so strong?

What even shocked Sword Demon Supreme was that the opponent's previous move gave him an extremely familiar feeling, as if he had felt it somewhere before.

Where is it?

When the Sword Demon Supreme was puzzled, Qin Chen's attack had already come again, and the black sword aura swept across the void, forming a terrible whirlpool where it passed, shattering the extremely stable inanimate demon space.

Bang!

Can't resist it at all.

Sword Demon Supreme once again flew away.

boom!

The origin of his body was burning, and the power of the surrounding inanimate demon was directly attracted by him, resisting Qin Chen's attack.

If it weren't for the special power in this non-life demon realm, the Sword Demon Supreme himself would have been seriously injured, but even so, the Sword Demon Supreme's origin was still being consumed rapidly.

"How terrible his sword moves are like this."

Sword Demon Supreme was furious, "If this goes on, I will be in danger, unless the high priest is alarmed."

While the Sword Demon Supreme was frightened, the mysterious rust sword in Qin Chen's hand had already been cut down again.

boom!

This time, the power of the six reincarnations was directly induced by him and turned into an astonishing coercion, covering the Supreme Sword Demon.

"This is... the power of reincarnation?"

Just as the Sword Demon Supreme gritted his teeth to provoke the entire Righteous Dao Army headquarters and alarm the entire Righteous Dao Army, suddenly, there was a sudden excitement in the Sword Demon Supreme's mind.

In an instant, he instantly understood why he felt that Qin Chen's sword attack was so familiar.

"The power of reincarnation, the six swords of reincarnation, is this person from the Heavenly Sword Pavilion?"

Sword Demon Supreme was shocked in his heart, and his expression was shocked.

"Keep people under the sword."

Sword Demon Supreme hurriedly yelled.

boom!

At this time, Qin Chen's sword light had already arrived in front of Sword Demon Supreme, but he stopped abruptly in front of his eyebrows.

The cold sword's edge directly locks the sword demon supreme.

Qin Chen said lightly: "What?"

Sword Demon Supreme looked at the blade in front of him, but smiled bitterly, "Put away your weapons, I now believe that you are not the ancestor of the Abyss Demon."

"Oh?"

Qin Chen was surprised.

Why did this Sword Demon Supreme suddenly change his sex?

"Senior Sword Demon Supreme?"

The other man and woman were frightened and anxious.

How could Senior Sword Demon believe each other.

"Don't say anything." Sword Demon Supreme glanced at the two of them. "This person is definitely not the ancestor of the Abyss Demon."

When the words fell, Sword Demon Supreme looked at Qin Chen, and said, "The magical power you just displayed, if I guessed it right, it should be the Six Reincarnation Sword Art of the Tongtian Sword Pavilion."

"Do you recognize it?"

Qin Chen was surprised.

"Haha, the Six Reincarnation Sword Art is the secret of the Human Race Tongtian Sword Pavilion, and it is also the top magical power of the sword pavilion sword ancestor, how can I not recognize it."

Sword Demon Supreme smiled bitterly: "Back when this seat created this quadruple magic knife, I have visited Senior Sword Ancestor and got advice from Senior Sword Ancestor."

[Chapter 4890: Inside please](#)

Back then, in order to compete for the leader of the Demon Race, the Supreme Sword Demon walked the universe, visited the powerful of the ten thousand races, and felt magical powers.

At that time, the ancestors of the deep demons had not colluded with the dark race, nor had they led the demon world to attack the human race.

It was an era where thousands of races competed and thousands of sails raced.

In order to improve his strength, the Supreme Sword Demon walked among the various races in the universe, visited the Monster Race, Human Race, Sea Race, and almost some of the top powerhouses among the ten thousand races, he had visited.

But the masters who can really convince him are extremely rare, and the Sword Ancestor of Human Race is one of them.

At that time, he was already a late-stage supreme, but in front of Jian Ancestor, he couldn't resist even Jian Ancestor's move, and the terrible sword intent formed by the other party could shatter his flesh.

He is the truly undisputed strong man in this universe.

Later, under the guidance of Jian Ancestor, he realized the embryonic form of the Quadruple Demon Sword, and slowly became the top master of the Demon Race.

Therefore, he also has some understanding of Jianzu's Six Reincarnation Sword Art.

Now, feeling the six reincarnation sword arts displayed by Qin Chen, Sword Demon Supreme instantly understood Qin Chen's identity, and couldn't help but smile again and again.

He knows the Tongtian Sword Pavilion very well, it is the top power of the ancient human race, and it is also one of the most terrifying powers in the universe.

The Six Ways of Reincarnation Sword Art is the secret secret of the Heavenly Sword Pavilion that year. The person who can control the Six Ways of Reincarnation Sword Art must be one of the heirs of the Heavenly Sword Pavilion and the heir of the ancestor of the Heavenly Sword Pavilion.

The descendant of the Tongtian Sword Pavilion is definitely not the running dog of the ancestor of the Abyss Demon.

"Your Excellency, put away the sword in your hand. All this is a misunderstanding. I am sorry for the recklessness of my righteous army."

Sword Demon Supreme faced Qin Chen, shook his head bitterly, bowed his hands, and looked ashamed.

"Senior Sword Demon Supreme."

The two men in black were suddenly anxious: "Don't you..."

"Don't say anything, you have never left the Inanimate Demon Realm, so you don't understand." The Sword Demon Supreme interrupted the two without mercy in an instant, as if recalling something, there was a trace of admiration in his eyes, muttering. Murmured: "In this world, anyone can collude with the ancestors of the deep demons and the dark clan, but the human clan never

Possibly, Senior Sword Ancestor of Tongtian Sword Pavilion is absolutely impossible. "

He suddenly turned his head and looked at the two of them: "You know, what kind of strong was the Sword Ancestor of Human Race back then?"

The two men in black were startled.

"Half a step of detachment." Sword Demon Supreme said condensedly: "That is the powerhouse closest to the detachment level. It is also one of the most terrifying powerhouses in this universe. It is also the existence that the ancestors of the Abyssal Demon feared the most."

"You know, as the arrogant ancestor of the Abyss, why do you want to collude with the dark clan?" The Sword Demon Supreme's eyes were cold and stern. Although the ancestor suppressed the demons and the ten thousand clan, he was extremely jealous of the strong like the sword ancestor, and only joined forces with the dark clan.

Dare to attack the human race. "

"In fact, it is precisely because of this that the ancestor of the abyss demon can win the first cosmic battle. Otherwise, with the strength of the ancestor of the abyss, my demon clan would have long been defeated." "And sword The ancestors were a half-step transcendence strong back then, only one step away from transcendence. Back then, he did not fear my demons at all. Even if he was selfish and ignored the dark race, he could escape safely. The strength of this

No one in the universe can stop him, let alone the ancestors of the Abyss Demon, nor the Dark Clan. "

"But in order to protect this universe, he suppressed the dark race, just like Princess Lianxinluo, sacrificed the entire sect, and directly suppressed the most terrifying group of dark powers who invaded this universe."

"It's just to protect this universe."

"In fact, as long as Senior Sword Ancestor is willing, he can take the Tongtian Sword Pavilion beyond the world. If he can survive to the present, he will still be the top powerhouse in this universe."

"Just ask, how can such a descendant of the predecessors collude with the dark clan and the ancestor of the deep demon?"

The Sword Demon Supreme spoke again and again, his voice shook like thunder, and his expression was extremely pious.

He turned his head and looked at Qin Chen: "Little friend, I am sorry for what I have done before. Fortunately, my little friend, you are extraordinary. If you hurt your Excellency because of my misunderstanding, the old man's heart, I'm afraid it will Regret for a lifetime."

Qin Chen looked at the sincere appearance of Sword Demon Supreme, and couldn't help being astonished.

He never expected that there would be such an accident.

And although Qin Chen knew that Senior Sword Ancestor had never left the Sword Burying Abyss for hundreds of millions of years in order to suppress the Dark Clan, and was willing to sacrifice himself, but he did not expect that Senior Sword Ancestor would have such a reputation back then.

But think about it, even though the ancestors of the Abyssal Demon were powerful, they were not half-step detached, but they were only the pinnacles, how could they be the opponents of the half-step detached sword ancestors.

However, Senior Sword Ancestor was a little selfish, regardless of the safety of the universe and the safety of the human race, he could protect himself wisely, and he was still the top master of this universe, just like the current Xianyao Sovereign, leaving the ancestor of Yuanmo helpless.

But he did not do so.

What a spirit this is.

"Huh!"

Qin Chen put away the mysterious rust sword, smiled and said, "It's good to get rid of the misunderstanding."

boom!

He took back the terrifying coercion that he had displayed, and the two men in black instantly lost their **** and hurriedly came to the side of the sword demon supreme.

"You two, don't you want to thank this friend, if it weren't for this friend's mercy, you two would have long since turned into dust and fell into the void."

Sword Demon Supreme said to the two men in black.

The two of them had lingering fears, and seeing the strength of Qin Chen, they naturally would not think that the Supreme Sword Demon was talking nonsense, and hurriedly bowed to Qin Chen.

Sword Demon Supreme said: "I heard from a little friend before that something happened to my righteous army. I don't know what it is? Can you tell me something?"

Qin Chen smiled, did not answer, but looked around and said, "Is this how the Righteous Army treats friends?"

The sword demon supreme was startled.

Immediately smiled.

He opened his mouth and said: "Hahaha, I was the one who was negligent. Since the two have nothing to do with the ancestor of the deep demon, please come with me."

When the words fell, the Sword Demon Supreme came to the broken hall in an instant, and suddenly raised his hand.

Wow!

An invisible light curtain opened, and a gap suddenly opened in the stone pillars of the main hall, and in that gap, the breath of a small world permeated.

Sword Demon Supreme raised his hand and smiled, "Two, this is where the headquarters of my Righteous Dao Army is now, please go inside."

When the voice fell, the Sword Demon Supreme stepped into it first. Immediately afterwards, the two men in black also followed.
