[Chapter 4891: The origin of the devil](#)

Suspended Supreme even looked over, "My lord..."

He looked a little lingering, but also a little lost.

As a member of the Righteous Army, he was completely unbelievable before, which made his heart bitter. If it were not for Qin Chen, he was afraid that he would be dead and disabled.

Although Supreme Sword Demon believed their identities, it was because of Qin Chen, which made him extremely embarrassed.

"Let's go in together!"

Qin Chen looked calm, stepped directly out and entered the small world of the headquarters.

boom!

An invisible film barrier passed over Qin Chen's body, and Qin Chen had already arrived between the world in the next moment.

"Everyone, this is the headquarters of my righteous army."

Sword Demon Supreme said with a smile.

Qin Chen raised his head and saw the scene in front of him, his pupils shrank.

What appeared before Qin Chen at this moment was an extremely vast and magnificent world. Between the heaven and the earth, stars appeared, and these stars floated in the sky, presenting a special charm.

Every star is extremely huge, blooming with a vast divine rainbow, which makes the heart palpitating.

And behind these stars, there is a vast black river like a huge magic belt. This vast river is pitch black, extremely deep, constantly changing and surging, just like a devil roaring.

boom!

Qin Chen just glanced at it, and he felt an extremely huge vibration in his mind. Vaguely, the origin in Qin Chen's body trembled slightly, as if he was about to be aroused.

This long, pitch-black river seemed to contain the top dark rules in this world, affecting the power of the rules in Qin Chen's body, causing Qin Chen to indulge in it.

Such a scene was too amazing. At this moment, Qin Chen seemed to feel that he had returned to the Nether Galaxy in the Dark Universe, and it seemed that he had returned to the Chaos Galaxy in the Vientiane God's Treasure, which was a special and supreme place.

"This place is extraordinary!"

Qin Chen murmured.

If we say that the nether galaxy represents the deathly gloom, and the silence for ten thousand years; the chaotic galaxy represents the chaos and the cosmos, which began in the ancient times; then this dark river represents the origin of demons, and everything is demons.

Compared with the Infinite Demon Prison in the realm of Abyssal Demon before, there is a special Demon Dao rule appearing here.

"Kid Qin Chen, this place is unusual, so be careful."

Honghuang Ancestral Dragon said in a deep voice at this time, the ancient Chaos God and Demon like him also felt something extraordinary and perceived the danger.

"Wusheng Demon Realm, in my Demon Realm legend, there is a saying that it is called the real origin of demon."

At this time, the Lord of the Abyss also trembled and said.

Powerful people such as Skyfire Supreme and Wanling Mozun also trembled.

Especially the Lord of Abyss Demon and the Venerable Demon of All Souls, they are the top powerhouses of the Demon Race, and they naturally feel more from them.

Looking at the dark devil river in front of them, for an instant, they seemed to see the origin of the devil world.

"Oh? The place where the devil originated? There is still such a saying?"

Qin Chen whispered.

"Not bad." The Lord of Abyss Demon hurriedly said: "Because in ancient legends, although the establishment of my Demon Realm is related to the Ten Thousand Realms Demon Tree, in fact, the Demon Realm is actually created by the ancient Demon God, and the Demon God is the true Demon God of my Demon Realm. The creator of ."

"Compared to the Infinite Demon Prison, this Inanimate Demon Realm is actually the true origin of my Demon Realm."

"Of course, the birth of the Ten Thousand Realms Demon Tree actually precedes the Lord Demon God. The Demon Realm was founded that year. If the Ten Thousand Realms Demon Tree was not stable, it would have collapsed long ago."

The Lord of Abyss Demon said: "If I guessed right, the long river in front of me is the origin of my demon clan, the Demon River."

"Origin Magic River?"

Qin Chen thoughtfully.

"Two, please come with me!"

Seeing Qin Chen staring at the long dark river in the distance, Sword Demon Supreme chuckled, without explaining, just leading the way.

Whizzing.

Several people flew in this void.

"Huh? An outsider is here."

"Who are these two people led by Master Sword Demon?"

"My Wusheng Demon Realm unexpectedly has an outsider entering? Wouldn't it be the spies of the Abyssal Demon Clan again?"

"What the **** is going on? Sovereign Sword Demon even brought these two outsiders in. Don't you know that it will cause danger?"

When Qin Chen and his party traversed the void, from among the stars, a series of divine consciousness suddenly swept.

Boom boom boom!

Qin Chen felt it, a powerful aura permeated out, among these stars, there were actually many powerful people living in them, and a series of tyrannical divine thoughts swept across and shook the surroundings.

Supreme, there are actually many Supreme Powers.

"The strength of this righteous army is so strong?"

Qin Chen was shocked. For a long time, in the rumors of the Demon Realm, the Righteous Dao Army has been suppressed and fought by the ancestors of the Abyssal Demon. This made Qin Chen think that the Righteous Dao Army should not be too strong, but at this moment, it is only from the perspective of the supreme powerhouse that he has realized. The strength of this righteous army is definitely not

Where.

It should be noted that supreme-level powerhouses are extremely rare. For example, on the Heiyu Continent in the Infinite Demon Prison, the Dark Clan only has the Supreme-level powerhouses in the three sacred sites such as the Shihen Emperor Gate.

And on the list of the ten thousand races in the universe, the race with the supreme-level powerhouse is definitely in the forefront of the ten thousand races.

But at the headquarters of the Righteous Army, Qin Chen felt the supreme aura of a dozen or so in an instant, which made Qin Chen quite surprised.

The strength of this righteous army is by no means as weak as he thought.

"But that's right, if it's too weak, I'm afraid it would have been destroyed by the ancestor of the deep demon long ago."

Qin Chen thoughtfully.

A force that can entangle with the ancestors of the Abyssal Demon for hundreds of millions of years, naturally cannot be weak. Sword Demon Supreme smiled and said: "Little friends, these are all members

of my righteous army. Each star here represents a righteous army tribe, like the empty demon clan where Suspension Supreme is. They live here. Never left

NS. "

Speaking of this, Sword Demon Supreme suddenly raised his head and smiled: "Here."

What appeared before Qin Chen at this moment was an extremely huge planet.

This planet is grand and ancient, slowly rotating in the starry sky, coercing everywhere.

It is full of strong devilish energy as a whole, and it is difficult for warriors at the saint master level on this planet to fly. This is the suppression of the law, and only the venerable can fly. "This planet is where the headquarters of the Righteous Army is now. Various meetings will also be held here. Although I believe in my little friends, the Righteous Army is not an old man. No matter what happened to my righteous army on this trip, I want to unite me and wait

Anything else has to be discussed by my righteous army. "

Sword Demon Supreme said, and then quickly fell to the stars.

Qin Chen immediately followed and fell. Above the stars, there is a magnificent palace, with demonic energy lingering and domineering extraordinary, towering above the endless stars, giving people a strong sense of shock.

[Chapter 4892: So good-tempered](#)

Especially the most central palace complex, magnificent and domineering, just like a magic mountain towering over the sky, just a glance gives people a strong sense of shock.

Standing in front of this righteous army's magic temple, Qin Chen once again realized the difference of this ancient planet. Although his cultivation is only the early peak supreme, he is still one step away from the mid-term supreme, but in terms of strength, it is equivalent to Pinnacle supreme level, extremely keen perception.

In particular, he possesses the origin of the Abyssal Demon in his body and controls the Demon Tree of the Ten Thousand Realms.

He could feel the extraordinariness of this star, even said it was extraordinary, there were chains of order gods hanging down in the void, extending over.

Most people can't see or perceive it. Only the strong can feel it. The law is perfect, permeating the entire planet, suppressing the weak and fleeing into the sky.

Ahead, the ancient Taikoo Demon Mountain one after another, constantly winding, surrounded by dark magic clouds, looks very simple and vicissitudes, but when you look closely, you can feel a unique charm.

These magic mountains formed an ancient formation, pierced by Qin Chen's eye of creation, and saw the trend of heaven, earth, mountains and rivers.

This formation contains the highest profound meaning, and it is not weaker than the Great Envelope of the Demon Realm of the Abyss.

Some Primordial Demon Mountains are majestic, with devil qi transpiring, and some large mountains are devil rivers, and oppressors will suffocate, they are all entangled with law fragments and so on.

And these are just a corner of the place that the headquarters of the Righteous Path Army can see. Deeper, the black gas emerging from the depths of the stars turns into darkness. The dragon heads up, roaring, exuding terror pressure, and the law of order, the chain of gods is constantly spilling. , For people to comprehend.

"This is a holy land, not weaker than the Chaos Dragon Nest of the ancestor, the Chaos Blood Cave of the old thing in the Blood River."

Honghuang Zulong said, making an evaluation.

The ancestor of the blood river was speechless: "You are not dead, you can just use your own metaphor, it is rude to mention Laozi."

The ancestor of the blood river rubbed the teeth.

"Master, the origin of the demon path contained here is probably richer than the forbidden land of my abyssal demon ancestor land. If the strong demon clan can feel here, the cultivation base may be able to advance by leaps and bounds."

The Lord of the Abyss also sighed.

Sword Demon Supreme took Qin Chen and his group and landed on the most magnificent palace square.

At this moment, a large group of people appeared outside the palace in front, all staring at him. Most of them were masters of the righteous army, and they were all venerable figures. There were also a lot of earth and heavens, staring at him, looking at Qin. Dust and hanging in the sky supreme.

"Why is there another outsider here this time?"

"Master Sword Demon also brought them to the headquarters palace. What are you kidding? Have you forgotten something not long ago?"

"Hmph, the last time someone broke into the Inanimate Demon Territory, it was the powerhouse of my righteous army who stayed outside. Unexpectedly, these guys are all concealing evil intentions. All of them are deliberately arranged by the ancestors of the deep demon. The first time, even the order I have to destroy the headquarters of the Righteous Army. Who is this time?"

"Sovereign Sword Demon is the top powerhouse of my righteous army, he brought these two people, there must be their reasons."

Many masters of the righteous army have discussed.

It should be known that the Wusheng Demon Realm has been around for quite a while, and no outsiders have arrived.

In the previous few visits of outsiders, it was unpleasant in the end and a lot of things happened.

This is also the reason why the two black-clothed young men shot up as soon as they came up.

As a result, this group of people look bad, and they are naturally hostile to outsiders.

"Two of you, here are some young strong men in my righteous army, the mainstay."

Sword Demon Supreme landed on the main hall and introduced to Qin Chen and Xuankong Supreme.

Qin Chen felt so keenly that the conversations of these people were naturally caught by him. Thoughtfully, it seemed that the righteous army was in the non-life demon realm, but it was not peaceful.

The hostility is very strong.

Qin Chen glanced around and watched carefully, but he was secretly surprised.

This group of people are very young. Some of the power of time is only tens of thousands of years, and most of them are millions of years. They can be called young arrogances, but many of them are venerables, as well as elders and celestials.

Even half-step supreme is not in the minority, which is surprising.

This is definitely a very powerful new army.

In the outside world, it can be regarded as abnormal.

"Two, many masters of my Righteous Dao Army are still in retreat. The little friends are special envoys of the human race. It is better for you to live in the headquarters of the Righteous Dao Army. Two."

Sword Demon Supreme turned his head to look at Qin Chen, smiled, and then said to the two young men in black: "Luo Yin and Mo Wu, you two take you two to the rest area, don't neglect the guests."

"Yes."

The two supreme men in black immediately stepped forward and said, "You two, please follow me."

Qin Chen frowned. Although Sword Demon Supreme had a polite tone, this was not what he wanted. He didn't have much time to waste here.

"Just rest. I heard that the righteous army is supported by the three leaders. I also ask the sword demon supreme to inform the three leaders. This young man is here to visit and discuss important matters. Please see the three leaders as soon as possible. The matter is urgent and not neglected. ."

Qin Chen said.

"Damn, who is this?"

"So good-tempered?"

"Sir, Sword Demon Supreme told the high priest to come forward, huh, the high priest is him, this young man can get his opinion?"

"The high priest and them are in retreat, working hard for my righteous army, and I have not seen it for many years. Why does this kid let the Supreme Dao Devil destroy the high priest and their retreat?"

"Hmph, didn't you hear the Supreme Master Dao Demon say that this kid is a special envoy of the human race? That is the human race among the cosmic races that my demons directly exploded the heavens and almost wiped out the race?"

Qin Chen's words immediately aroused the dissatisfaction of these young powerhouses, and they discussed each other one by one, with indifferent eyes.

In the Righteous Army, the three leaders are the real gods, and everyone admires the existence. A fellow like Qin Chen dares to let the Sword Demon Supreme directly wake the three leaders from the deadlock. This makes all the strong men of the Righteous Army feel the offense and were dissatisfied.

"this..."

Sword Demon Supreme hesitated.

Qin Chen didn't take it seriously, saying: "This young man has important information to inform the righteous army. Besides, this young man has come to this non-life demon realm, and there is one important thing. Only the three leaders are qualified to decide on this matter. , So be sure to notify the three of them."

Qin Chen's tone was very determined.

As the descendant of Lianxinluo, only the three leading figures can reach Sisi, so no matter what the high priest is doing, Qin Chen must notify them.

Because Qin Chen used the eye of creation to explore the world the first time he entered this place, and did not perceive the trace of Sisi.

[Chapter 4893: Her Royal Highness](#)

But the hosta in the chaotic world trembles faintly.

It can be seen that Sisi must be in a special place in this non-life demon realm, and this special place can avoid the eyes of his creation, and it is by no means accessible to the high-level members of the ordinary righteous army.

Sword Demon Supreme smiled and said: "It's not that the old man doesn't serve the little friends, but the high priest and others retreat is related to the future of my righteous army. If there is nothing important, even the old man will not dare to talk easily, so as not to destroy the high priest. Their practice, so..."

The meaning of Sword Demon Supreme is also very clear, if there is not enough reason, he obviously can't give Qin Chen information.

After all, retreat is different from others. Once disturbed, it is very likely that years of penance will fall short.

"Yes, Senior Sword Demon Supreme, the High Priest and others have worked hard for my righteous army. How can someone say that they can be seen if they want to. This young man is too arrogant."

"Since Senior Sword Demon brought these two people to my righteous army headquarters, I must have his own reasons, but if he wants to meet the high priest, this person has to have a statement."

At this time, many Tianjiao on the side also spoke.

The look was very unhappy.

The high priest and others are in the righteous army. It has supreme authority. These arrogants are young and energetic. Seeing that Qin Chen is so young, they actually said that the high priest and them came to meet, and the anger in their hearts can be imagined. .

Also interrupt the high priest and their retreat, ridiculous, who does this guy think he is?

If it weren't for Qin Chen and the others, the Sword Demon Supreme had personally led them, and they would have entered this place as other outsiders, and would dare to say such words, I am afraid they would have been taught by others.

Qin Chen frowned, pondered for a while, looked at the Sword Demon Supreme, and said: "If this is the case, the young man will just say it. This young man is here to see my wife for thinking. In your lifeless demon realm."

As soon as this remark came out, the audience was stunned.

Came to find a wife?

Everyone was a little dumbfounded. Luo Yin and Mo Wu, those beautiful women in black, also glanced at Qin Chen, with expressions of astonishment.

Even Sword Demon Supreme was stunned.

Earlier, I heard Qin Chen said that the Wusheng Demon Realm had important things, but they never expected that Qin Chen came to the Wusheng Demon Realm to find his wife.

Isn't the other party funny?

But looking at Qin Chen's serious expression, everyone was puzzled, and it didn't seem to be funny.

It's just that the Wusheng Demon Realm is the base camp of their righteous army. After being blocked by the deep demon ancestors, they have not had contact with the outside world for many years. How could this guy's wife be in the Wusheng Demon Realm?

The sword demon supreme wondered: "Your wife Sisi?"

Qin Chen nodded, "Not bad."

Sword Demon Supreme frowned and said: "Little friend, your wife is in my lifeless demon for some reason? It should be noted that my lifeless demon has not been in contact with the outside world for many years, and the name you said seems to have never been in contact with the outside world. heard about it."

As he said, he looked at Luo Yin and Mo Wu, "Have you ever heard of it?"

He guessed in his mind that Qin Chen was so young, and maybe his wife was a member of the younger generation, then he hadn't heard of it, and it was normal.

Luo Yin and Mowu shook their heads: "Master Hui Dao Demon Supreme, I have never heard of it."

At this time, Na Luoyin hesitated and said: "Your Excellency, I have not been in contact with the outside world for many years since I was blocked by the ancestors of the Abyssal Demon in the Unborn Demon Realm. Only some people have entered from the outside world, but There has never been a person named Sisi. Couldn't you be the one who made a mistake?"

Qin Chen frowned slightly when he heard this. Didn't Sisi tell her real name?

At this moment, the other members of the Righteous Army around him couldn't help but sneered.

"It's ridiculous, this person is looking for his wife to find me in the Unborn Demon Realm."

"Hmph, my Wusheng Demon Realm is the headquarters of the Righteous Dao Army. I heard that this person is a special envoy of the Human Race. My Righteous Dao Army is in the Demon Realm. How could there be a Human Race coming. If you want me to see, he simply makes an excuse. , I want the high priest to come forward."

"Damn it, then this kid doesn't take me too seriously, right? Even if it's an excuse, he won't find a better one. Doesn't this treat me as an idiot?"

"It's just too arrogant."

A group of people are all angry.

In their opinion, Qin Chen was simply an excuse he had just found.

The face of Supreme Sword Demon was also slightly unsightly, because what Qin Chen said was indeed too sensational.

Qin Chen said affirmatively: "My wife is definitely in the immortal demon realm. She is the descendant of the demon princess Lianxinluo, and there is nothing wrong with it."

"what?"

"The descendant of the Devil Princess?"

"Could it be His Royal Highness?"

As soon as this statement came out, the audience was shocked, and everyone was in an uproar.

Seeing Qin Chen's gaze instantly became extremely unkind, and even a series of murderous auras lingered.

If they were dissatisfied with Qin Chen before, then now, they are absolutely killing.

In their view, the saint is a high existence, and it can even be said that she is like a goddess in the minds of many younger warriors.

Now that Qin Chen actually said that the goddess in their hearts was his wife, this immediately made many young warriors angry.

boom!

Immediately, many people stepped forward, and one by one broke out a terrifying murderous intent, and even tried to directly teach Qin Chen.

The name of the saint should not be desecrated.

"All retreat."

Sword Demon Supreme screamed, raised his hand abruptly, and burst out a breath to stop everyone from coming forward, but looked at Qin Chen solemnly.

"You mean, the wife you are looking for, Sisi, is the saint of my righteous army?"

Sword Demon Supreme has a serious look and sharp eyes.

"I don't know if she is a saint. All I know is that she was taken away by Princess Lianxinluo as a descendant, so she must be in this lifeless demon realm."

Qin Chen's eyes were firm.

"presumptuous."

"Dare to desecrate His Royal Highness and look for death."

The other warriors were angry.

"Hmph, you are so courageous, you dare to desecrate my righteous army saint, Sword Demon Supreme, have you verified the identity of the other party? I am afraid that this person is not a spy sent by the ancestor of the abyss?"

There was a boom.

And at this moment, the roaring sound resounded, and one could see that a terrifying aura appeared in the void. From among the many stars outside the headquarters, a wave of tyrannical auras suddenly came over. breath.

This is a well-known supreme master, each body blooms with majestic aura, there are the early supreme, there are also the supreme of the mid-term and mid-term peaks, the cultivation base is extraordinary, and the momentum is amazing.

As soon as this group of people fell, terrible auras crisscrossed the entire square, and the tyrannical aura turned into a net of heaven and earth, blocking the world and confining the void.

[Chapter 4894: Devil Supreme](#)

These people are the supreme masters of the various ethnic groups of the Righteous Dao Army, and they are also the mainstay of the Righteous Dao Army in resisting the invasion of the Abyssal Demon Clan over the years.

The person who opened his mouth was a supreme at the peak of the mid-term, with a cultivation base, extremely powerful, not weaker than the ancient demon elders of the Law Enforcement Hall, and his body exuded a decadent and ancient aura.

As soon as this person fell, he looked at Qin Chen with gloomy eyes, and a palpable killing intent emerged.

"boom!"

He stared at Qin Chen, without saying a word, his big hand slammed out and came directly towards Qin Chen to suppress it, actually trying to capture Qin Chen directly.

"grown ups."

Suspense Supreme's expression changed, and he immediately appeared in front of Qin Chen, and a terrifying spatial aura surged out.

"The ghost is supreme, stop!"

Suspense Supreme shouted sharply, with a bang, the space barrier he displayed firmly resisted the person who shot it, but it was only blocked for a moment, and the space barrier displayed by the Suspense Supreme made a cracking sound, and then With a bang, his space barrier shattered directly.

The big hand continued to fall, and at the critical moment, the sword demon supreme suddenly raised his hand and instantly blocked the demon supreme attack.

"Stop it all."

Sword Demon Supreme said solemnly.

"Suspended Supreme?"

But the Ghost Supreme was staring at the Xuankong Supreme with his eyes narrowed at this moment.

Not only him, there are other Supreme Masters around, and they all looked at Xuankong Supreme with surprise in their eyes.

The younger generation of Tianjiao don't know Xuankong Supreme, but how can they, the older generation of Righteous Army Supreme, do not know Xuankong Supreme?

After all, they were all comrades who had resisted from the ancient times.

"Quinan supreme, Yinfeng supreme, Yan Ming supreme, it's me, you have not seen me for a long time."

Xuan Kong Zhizun couldn't help being excited when he saw a familiar friend.

"Supreme Suspended, did you think you weren't dead?"

One of the Supremes was surprised and surprised: "Back then, you were chased by the Abyss Demon Clan. I waited for luck to hide in the Inanimate Demon Realm and escaped the chase. I thought you had been killed by the Abyss Demon ancestor, and I did not think of you. It's great to be alive."

Suspense Supreme smiled bitterly and said: "I was lucky enough to survive, and I was lucky to see you all."

Xuankong Zhizun turned and said to Qin Chen: "Sir, these are my righteous Dao Army's comrades who resisted the Abyssal Demon ancestors, and were the first to establish the Righteous Dao Army."

As he said, Xuankong Supreme hurriedly said to the Ghost Supreme and the others: "Everyone, believe me, Lord Qin Chen is definitely not the spy of the ancestor of the Abyssal Demon, this person is the patriarch of the human race, the descendant of the Tongtian sword pavilion, come here this time Wusheng Demon Realm is indeed looking for his wife, so please don't do anything."

"Oh? Are you so sure?" Yinfeng Supreme said solemnly, seemingly moved in his heart.

The ghost supreme on the side snorted coldly: "Hmph, Xuankong supreme, if you say that this person is not a spy, you must not be a spy? Are you very clear about this person?"

Xuankong Supreme hurriedly said: "Naturally knows, in fact, I have known Master Qin Chen for quite a while. Back then, I was chased by the ancestors of the Abyssal Demon, so I could only hide in the abyss, thinking that I had escaped the pursuit of the Abyssal Demon Clan. , Hidden well. Actually, it has been discovered by the Abyssal Demon Clan. The Abyssal Demon Clan sent the Void Demon Clan to monitor me. I thought I was safe. In the end, Master Qin Chen took the initiative and killed the Void Demon Clan master directly. , Rescued my empty demon clan, and even the patriarch of the empty demon clan died in the hands of adults, otherwise, my empty demon clan would have been wiped out, and no one will remain."

"In addition, the Lord also broke the plan of the Dark Clan before, causing the Dark Clan to directly collapse in the Heiyu Continent in the Infinite Demon Prison of my Demon Realm, causing the Abyssal Demon Clan to suffer heavy losses. Therefore, I dare to use my life as a guarantee. It may be a spy."

Suspense Supreme hurriedly explained, frightened.

He was not worried about Qin Chen, but about the righteous army.

Xuan Kong Supreme knew very well Qin Chen's personality, don't look at Qin Chen's good talk now, it was because the other party was looking for his wife and didn't want to make matters worse.

In fact, with Qin Chen's means, even the ancestors of the Abyssal Demon dared to fight, and the Dark Clan was destroyed by Qin Chen in the base camp of the Abyssal Demon. How could he fear the righteous army in front of him.

Once Qin Chen became fierce, even in the Wusheng Demon Realm, the Righteous Army would suffer.

After all, Xuankong Supreme knew very well that Qin Chen possessed the two great artifacts of the Ten Thousand World Devil Tree and the Demon Soul Source Device. With these two great artifacts, he could go anywhere in the Demon World without fear of danger.

The words of Suspended Supreme immediately made the hearts of many of the Supreme Powers of the Right Path Army move.

Suspended Supreme was the first group to join the Righteous Army and rise up against the Abyssal Demon Race.

There is an endorsement by Xuankong Supreme, which makes everyone's sense of Qin Chen slightly changed.

"Huh, it sounds nice, do you use your life as a guarantee? Do you have this qualification?"

And at this moment, the ghost of the devil suddenly snorted. He took a step forward and said: "Everyone, although the Xuankong Master was once a member of my righteous army, please don't forget, my lifeless demon domain has long been exposed. NS."

"In the past few years, some former Righteous Army partners have returned to the Inanimate Demon Realm, claiming to have escaped, but in fact they have all been bought by the ancestors of the Abyssal Demon and become traitors who want to hide in my Righteous Army. The ancestor's conspiracy was seen through by the guardian and the high priest, and they suppressed these traitors forcefully. I am afraid that my righteous army has already been wiped out, but even so, the original headquarters of my righteous army has been turned into ruins during the enemy's sneak attack. , Have you all forgotten?"

As soon as this remark came out, everyone frowned again.

Indeed, in recent years, there have also been some righteous army alliances that have returned to the Inanimate Demon Realm, claiming to have escaped from the pursuit of the Abyss Demon Clan, but in fact, they were spies sent by the ancestors of the Abyss Demon.

Even not long ago, it happened again.

Fortunately, these spies were discovered by the high priest and they directly suppressed them, otherwise they were afraid that the righteous army would no longer exist.

Speaking of this, the ghost demon supreme handed his hand to the sword demon supreme: "Of course, these two people are brought by the sword demon supreme. Obviously the sword demon supreme believes that they are not spies, but what about the sword demon supreme master? Determine the identity of the two?"

Hearing this, everyone looked at the Sword Demon Supreme.

Sword Demon Supreme frowned, and said solemnly: "This person has cultivated the secrets of the predecessors of the Heavenly Sword Pavilion Sword Ancestor. It is certain that this person has a great relationship with the Heavenly Sword Pavilion and should not be a spy."

"Oh?"

Hearing that, some young Tianjiao people are all dumbfounded, but Yan Ming Zhizun and other veteran Supremes all looked at Qin Chen one after another, quite surprised.

They are all veteran supreme, born in ancient times, and naturally know the extraordinary of the Tongtian sword pavilion, that is the top power of the human race, and the most powerful force in this universe against the abyssal demon race.

It is absolutely impossible for the person of the Heavenly Sword Pavilion to be the spy of the ancestor of the Abyss Demon.

[Chapter 4895: A bit late](#)

But at this time, the ghost demon supreme suddenly sneered: "What method did I use to judge when I became the sword demon supreme, it turned out to be only based on my own guess."

Sword Demon Supreme frowned: "Ghost, what do you mean? Don't you think that people from the Human Race Tongtian Sword Pavilion will become the agents of the Abyss Demon Race?"

Although the Righteous Army made concerted efforts to fight the Abyssal Demon Clan, they were not monolithic inside.

There is a fight where there are people.

The many powerful men of the Righteous Dao Army have been trapped in this non-life demon realm for hundreds of millions of years, and they have naturally separated some factions from each other, but the Supreme Demon and the Supreme Dao are not the same.

"What do you mean? Sovereign Sword Demon, what do you mean?"

Ghost Supreme sneered: "If it were the Ancient Human Race Tongtian Sword Pavilion, naturally it would not have been a spy of the Abyssal Demon Race, but now it is not the ancient times, but modern times."

"For hundreds of millions of years, I have been trapped in this inanimate Demon Realm. What happened to the outside world, how much do you and I know? It is what happened in this Demon Realm in recent years. I don't even know what happened in that human race. How much do you know about the matter?"

"You can guarantee that the human race has not been conquered by the ancestor of the deep demon?"

"You can guarantee that this Tongtian sword pavilion still stands among the human race?"

"You can also guarantee that the descendants of the Heavenly Sword Pavilion will not be subdued by the ancestor of the Abyss Demon?"

"What's more, as far as I know, in order to suppress the Dark Clan, including the sword ancestors, the entire Tongtian sword pavilion was transformed into the Dao. Where did the heir come from? What this person said, can't there be a half sentence? False words?"

"Can you guarantee it?"

The ghost demon supreme said step by step, sentence by sentence, staring at Qin Chen, but he was asking the sword demon supreme.

Hearing this, everyone's hearts were startled, and all kinds of thoughts emerged.

Indeed, in the ancient times, the human race opposed the demons and had justice in their hearts, and even in order to fight the dark race, the Tongtian sword pavilion was willing to sacrifice itself.

How great is it?

However, now is not ancient after all. Hundreds of thousands of years have passed. Today, the situation of the human race and the universe and all races is completely unknown in the non-life demon realm. Who can guarantee that the descendants of the Tongtian sword pavilion must not be traitors?

What if the human race fell, the Tongtian sword pavilion sect was destroyed, and countless inheritances were acquired by the ancestors of the deep demons, and such a person was created?

This is not impossible.

Those traitors before, which one is not excellently packaged? Otherwise, they won't be fooled, and eventually they will bring huge losses to the righteous army.

How can you be more careful?

Even the face of Sword Demon Supreme became difficult to look.

Because, indeed, he couldn't be like the Ghost Demon Supreme questioned, so he must guarantee that Qin Chen is not a spy.

"Haha, interesting."

Qin Chen smiled under everyone's eyes, but the smile made people feel a bit cold.

After being here for so long, Qin Chen has also noticed that this righteous army is a bit interesting, it is just a lingering organization that has been hunted down, and there is still party disputes in it?

This dialogue between the Supreme Demon and the Supreme Dao is not like a dialogue between the high-levels of normal forces, but more like a kind of party dispute.

No wonder it was chased and killed by the ancestor of the deep demon like this.

At this time, Xuankong Supreme saw the smile on Qin Chen's face and hurriedly said: "Ghost Supreme, everyone, Master Qin Chen will never be a spy, I can promise."

His heart was pounding, if he angered Qin Chen, he was afraid that the consequences would be unpredictable.

"Kid Qin Chen, just talk nonsense with them, just release my ancestor and I, and capture all these guys, aren't you afraid that a few old things from the righteous army won't come out?"

At this time, the great ancestor dragon roared in the chaotic world, and almost couldn't help it.

The Blood River Saint Ancestor also said uncomfortably: "Hong Huang, the old undead, is right. I am waiting, afraid of him being a bird, and dare to beep, let me swallow them directly."

Qin Chen laughed, "Don't worry, let's see what they say."

But seeing the ghost and devil supreme disdain to glance at Xuankong Supreme, coldly said: "Xuankong Supreme, your own suspicions have not been cleared, so what guarantee?"

"Okay, then I will ask the simplest one."

Ghost Supreme sneered: "Senior Sword Demon Supreme, now my lifeless Demon Realm has been enveloped by the Great Demon Array of the Twelve Heavens of the Abyss Demon Ancestor, and outsiders cannot enter at all. If these two people are not from the Abyss Demon Ancestor, how did I enter my lifeless demon realm?"

As soon as this remark came out, the audience was shocked.

right.

This is the biggest problem.

The entire righteous army knew that today's Inanimate Demon Realm had been enveloped by the Twelve Capital Heavenly Demon Slayer Formation of the Abyss Demon ancestor, and it was precisely because of this that they could not leave the Inanimate Demon Realm.

But how did these two people enter?

Sword Demon Supreme heard this, and also showed doubts, and looked at Qin Chen and Xuankong Supreme: "Second, at this point, Ghost Demon Supreme said rightly, don't blame me for waiting. The ancestor is scared. The two may not know that, not long ago, the ancestors of the abyss also sent some righteous soldiers from outside, pretending to be the masters of the righteous army who forcibly broke through the twelve days of the evil evil formation. Unexpectedly, all of these people have actually been instigated by the ancestors of the deep demon, which has caused huge losses to my righteous army, so... please also explain how you smashed through the twelve capital heavenly demons."

Ghost Supreme sneered and said, "Sovereign Blade Demon, you have brought people into my righteous army headquarters, so I asked this, is it a bit late?"

Sword Demon Supreme had an ugly face, just staring at Qin Chen.

Qin Chen's face was calm and did not speak.

Suspense Supreme hurriedly said: "Master Qin Chen has treasures on his body, which can shield the perception of the ancestors of the deep demon and escape the blockade of the twelve capital sky demon evil formation."

"Oh? Hahaha!"

The ghost supreme laughed suddenly: "Use the treasure to escape the blockade of the twelve capitals of the evil spirits? Are you an idiot?"

"boom!"

The terrifying murderous aura on Ghost Supreme boiled instantly, staring at Qin Chen and Xuankong Supreme, and said coldly: "It seems that these two people are spies."

"You... nonsense."

Suspended Supreme is frightened.

Is this ghost supreme an idiot?

The Sword Demon Supreme also frowned.

But I heard the ghostly supreme voice: "Everyone, after the last incident, the high priest has studied and discussed carefully, and came to a conclusion that they want to escape these ten without the ancestors of the deep demon. The blockade of the Erdu Heavenly Demon Slayer's Great Formation, safely broke

through, and the entire universe, only one treasure can do it, and that is the most precious demon soul source tool of my Demon Realm."

Ghost Supreme walked towards Qin Chen step by step, and said sharply, "Don't tell me, this guy will have a Demon Soul Source Device on his body, right?"

For a moment, everyone looked at Qin Chen and Xuankong Zhizun's expressions.

They also understand the problem.

[Chapter 4896: Don't be reckless](#)

"Does this person have a magic soul generator?"

"Is it impossible?"

"The Demon Soul Source Device is the treasure of my Demon Realm. It has been under the control of the ancestor of the Abyss Demon. No one can plunder it. How can it fall on a human race."

"Yes, and even if the Demon Soul Source Tool is obtained by this human race, with the human body, this person is afraid that he can't control it."

"In that case, how did the other party get through the twelve days of the evil spirit? Isn't the master of the ghosts wrong? The other party is really a spy?"

boom!

One stone stirred up a thousand waves.

For an instant, there was an uproar in the audience, and everyone stared at Qin Chen, showing an expression of anger.

If the other party is slender, what is Qin Chen's purpose?

"His Royal Highness?"

Thinking of Qin Chen's previous request, everyone changed their colors.

"The ancestor of the abyssal demon really knows the news of His Royal Highness. Is this going to do something to His Royal Highness?"

"His Royal Highness is the hope of my righteous army in the future, how can people hurt Your Highness?"

Everyone yelled, filled with righteous indignation.

Sword Demon Supreme changed color at this moment, his eyes were uncertain.

Ghost Supreme sneered: "What else do you have to say?"

Xuankong Zhizun hurriedly changed his color and said: "Everyone, I am not a spy, you do have a magic soul generator..."

"Hahaha, do you think we will believe it?"

Without waiting for the Xuankong Supreme to finish speaking, the Ghost Supreme interrupted it directly.

"grown ups?"

Suspended Supreme even looked at Qin Chen.

For today's plan, only Qin Chen can display the Demon Soul Source Tool to convince the other party.

It's just the corner of Qin Chen's mouth that sketched out a sneer.

"Suspended Supreme, don't talk about it."

Qin Chen sneered: "If others must doubt you, no matter how they explain, they will not be able to change their inner ideas."

Qin Chen knew very well that if the demon soul generator was displayed, the other party would definitely have other excuses, such as doubting whether the demon soul generator was genuine or not, or suspecting that he was sent by the ancestor of the deep demon and deliberately Loan the Demon Soul Source Device to him temporarily.

As long as the other party wants to doubt, no explanation will be useful.

"Oh? Are you too lazy to argue? Or, knowing that the defense is useless? I can only admit it?"

The devil supreme came step by step.

Qin Chen ignored the Supreme Demon, but said lightly: "Whether it is a spy or not, I have a final conclusion, you are not worthy of me to explain."

As he said, Qin Chen looked at Sword Demon Supreme: "Sword Demon Supreme, please also inform you the high level of the Righteous Army, I have important matters to discuss, and give you time to stick an incense, otherwise, I will have to meet in person."

Sword Demon Supreme shook his heart. He knew Qin Chen's strength best, and even his late-stage Supreme could hardly stop him. If the opponent was really a spy, he was afraid that only the high priest could stop him.

only...

Sword Demon Supreme couldn't help but glance at everyone present.

Qin Chen said lightly: "Don't worry, I won't do anything to them."

"Well, since your Excellency said so, I believe you for a while, and immediately inform them of the high priest."

When the voice fell, Sword Demon Supreme suddenly raised his hand.

Boom!

A terrifying burst of light enveloped the stars of the headquarters in an instant.

It is the defensive formation on the stars of the Righteous Army Headquarters.

An astonishing inanimate force haunts the world, extremely terrifying.

Qin Chen glanced, and immediately sensed that this large formation was extremely powerful, fearing that it could withstand the impact of the pinnacle supreme level.

Sword Demon Supreme said to Qin Chen, "Your Excellency, I'm sorry, let me offend, please wait a moment in this big formation."

"It's okay."

Qin Chen also knew that Sword Demon Supreme was not at ease, after all, no one could stop him from the righteous army here.

"Knife Demon Supreme, what are you doing? These two clearly have a problem, so they don't take this person." Ghost Demon Supreme frowned and said, "Will you tell the high priest, isn't it troublesome for the high priest?"

The Sword Demon Supreme looked at the Ghost Demon Supreme with disdain, and said coldly: "I'm an idiot." When the words fell, he looked at the many righteous army powerhouses present, and said solemnly: "Everyone, I will report this matter to the high priest immediately. It's up to the high priests to decide. During the time I leave, please don't rush into conflicts, so as not to cause unnecessary

The fate of this person, the strength of this person, is by no means as simple as you think. "

After speaking, Sword Demon Supreme looked at the two Supreme Men in black, Luo Yin and Mo Wu.

"Luo Yin, Mo Wu, you two entertain the little friends."

"Yes!"

Luo Yin and Mowu nodded, and the figure of the sword demon supreme shook, and suddenly disappeared, obviously it was arranged.

"You two, why don't you just let me enter the hall and take a break?" Luo Yin and Mowu looked at Qin Chen, hesitated for a moment, but still respectfully said.

Qin Chen's previous strength was far above them, and they were respectful to Qin Chen, and they naturally didn't feel uncomfortable.

"No, just wait here!"

Qin Chen shook his head, standing on the square in front of the hall, his divine sense diffused out.

Boom!

Immediately, the many auras of the Wusheng Demon Realm Headquarters appeared one by one under Qin Chen's perception.

And the defensive formation above this head, also in Qin Chen's mind, gradually became clear.

It has to be said that this defensive formation is extremely powerful and has already reached the peak supreme level. To a certain extent, it can indeed cause some obstacles and threats to Qin Chen.

"Hmph, the idiot of Sword Demon Supreme, knowing that there is a problem with these two people, he actually went to inform the high priest of them. It is speechless, everyone, it is better to catch these two people with me."

Guimo Zhizun had an ugly face, looked at Yan Yan Zhizun and others on the side, agitated.

Luo Yin and Mo hadn't seen it, their expressions changed slightly, and he immediately took a step forward: "Master Ghost, Master Dao Demon has already gone to notify the high priest. Please wait a moment and don't be reckless."

"Hmph, you two guys are so respectful to these two people, I'm afraid that they have also been bought by these two people?"

The Ghost Supreme snorted coldly, but when he saw that Yan Ming Zhizun and others did not agree with him, he did not act rashly. He just looked at the young Tianjiao on the side, and instantly thought about it. He laughed and said, "Since the Supreme Sword Demon has notified the high priest, this seat will naturally not take it rashly. However, this person previously said that the saint of my righteous army is his wife. I'm afraid I can't bear it

. "Is there no one in the younger generation of my righteous army?" I don't know anyone who has the courage to discuss with this person. Since this person says that he is the husband of the saint, he must be extraordinary in strength and capable of reaching the sky.

Ordinary people, do you say yes or no? "

Mo Wu and Luo Yin's face changed slightly, and Gui Mo Zhi Zun actually used this method.

Said it was a discussion, but in fact it was still aimed at Qin Chen. Xuankong Zhizun's face also changed slightly, and he couldn't help but glance at Qin Chen, frightened.

[Chapter 4897: Purple and Gold Tomahawk](#)

After listening to the words of the ghost supreme, many young talents on the court were suddenly ready to move.

The demon didn't see it, and he even stepped forward and said in a deep voice, "Master Ghost, please don't make trouble here, so as not to cause unnecessary trouble. Please don't forget Master Dao Demon's words, this person's strength is absolutely amazing. It's not as simple as you think." "Hahaha, I naturally know that this person's strength is not simple, if it is simple, how can he be worthy of my righteous army saint, but the saint is the future of my righteous army, I wait It can be regarded as the saint's maiden, not to mention whether this person's words are true or not

Yes, even if this person really has something to do with Her Royal Highness, when I wait for some advice, I am also checking it out for Her Royal Highness. What's the problem?" Gui Mo Zhizun looked at Mo Wu with disdain: "Mo Wu, you are also one of the great arrogances of my righteous army. The Supreme-level powerhouse can also be regarded as a high-level figure. How can you raise the ambition of others like this? I don't know who is there. Tianjiao, willing to give this little friend of Qin Chen

Asking for advice? "

Under the encouragement of the Supreme Devil, a Tianjiao suddenly came up.

boom!

On him, a strong and supreme aura rose to the sky.

"A supreme again?"

Qin Chen frowned.

How come there are so many Supreme Beings of the Righteous Army? It really exceeded Qin Chen's expectations. If this person is a veteran supreme, it's fine. After all, the righteous army has been passed on for hundreds of millions of years and has been closed here. It is not impossible to give birth to some supreme. But the person in front of you is quite young, but a million Years only

, Actually reached the supreme realm.

If it is outside, it will inevitably cause some uproar.

"There must be something special about where the Unborn Demon Realm is."

Qin Chen raised his head, staring slightly, thoughtfully.

As soon as this young man stepped forward, Mo Wu immediately changed his color, and said, "Xuan Zhong, don't be reckless." This young man, known as Xuan Zhong, has a majestic aura, disdainfully glanced at Mo Wu, and said coldly. "Mowu, if you're afraid, just go away, Your Majesty, honorable and sacred, is the goddess in my heart, how can we allow outsiders to blaspheme. Since this kid

I just said that I am the husband of His Royal Highness Saintess. I came up to challenge him. What's the matter? "

"Boy, do you dare to accept my Xuanzhong challenge?"

The young man shouted angrily.

"Since you are Sisi's subordinate, kneel down and ask for advice, it's not impossible for Ben Shao to give you some advice."

Qin Chen said lightly.

When the words fell, the older and younger generations of the righteous Dao army who were present had their eyes cold and faint, and they really wanted to hold Qin Chen here and give them a severe lesson.

"Hmph, what are you special, let me kneel down to ask for advice, hahaha, are you worthy?"

The young man had a fierce temper, and could still press Nai, but now he couldn't hold Nai completely. He was murderous, and a purple-gold battle axe appeared in his hand.

boom!

A shocking supreme aura burst out instantly on the battle axe.

He is the top master of the entire young generation of the Righteous Dao Army, at the same level as Luo Yin, Mo Wu and others.

At this moment, he shouted angrily, banged, and suddenly threw a purple-golden battle axe. For a while, this supreme treasure gleamed, and the purple radiance soared into the sky, exuding a suffocating coercion.

In the dazzling brilliance, the purple battle axe rose up against the wind, and instantly became bigger. In an instant, it skyrocketed from half a meter to a thousand feet high. The dust fell down fiercely.

There was a boom.

The huge purple-golden battle axe slammed down, like a sky pillar collapsed. The power was too amazing, like a myth reappearing.

Who can resist this supernatural power? It is not weak in the supreme, because this person is very young and full of vitality. It is a period of vigor and vitality, and the breath that bursts out is enough to suppress the eternal age. It can be seen that even if the space above the stars of the headquarters of the Righteous Army is hard, there are countless laws and chains in the void, locked in the void, and there is a large array enveloped, but at this moment, it is also distorted by the violent purple-gold battle axe. Energy billowing,

The world seems to be splitting apart.

If it weren't for this place to be covered by a large array, the earth would crack and collapse.

Such a blow caused many people to exclaim, many Tianjiao sucked in air, and the ghost supreme sneered even more.

If the other party is a spy, if you kill it directly, you will kill it.

If the opponent is not, then the opponent can't resist being hacked to death on the spot like this.

boom!

Seeing that this battle axe came to Qin Chen in an instant, everyone could even imagine the scene where Qin Chen was chopped into pieces by this axe.

However, the next moment, everyone was stunned.

One by one was stunned, looking at him in disbelief.

"How can this be?"

Under the gaze of everyone's eyes, this huge battle axe flew at a high speed with an astonishing speed, enough to smash the sun, moon and stars. When it slammed down in front of Qin Chen with a violent aura, it was suddenly held by a pair of hands.

This is a pair of very ordinary palms, just sticking out so casually, directly pinching the axe blade of the purple gold battle axe, firmly imprisoned it in the void, unable to move.

It was Qin Chen.

At the moment when the battle axe was cut, he squeezed the battle axe casually, as if holding a chopstick in his hand. Such a freehand gesture made everyone's hair horrified.

"What? This is impossible!"

Young Xuanzhong roared, unable to believe his eyes, he roared, and a terrible force was instilled on the battle axe.

Hum!

In an instant, the purple and gold battle axe burst out with a more flaming light, like the scorching sun, a series of mysterious runes rose up, suppressing the eternal blue sky.

"Roar!"

Xuan Zhong roared, pressing the battle axe hard, trying to split Qin Chen a little bit.

However, Qin Chen is still very calm, his expression is indifferent, just standing there, very calm and casual, smiled slightly, and said: "This is your strength? Too weak?"

As he said, Qin Chen lightly tapped with his hand, and with a bang, the purple gold battle axe, which was as huge as a mountain, flew upside down in an instant. It was faster and more fierce than before, bursting out with purple thunder light, which was given more power by Qin Chen. energy of.

"not good."

"Hurry up!"

Whoosh whoosh...

The many righteous army Tianjiao present were more agile than rabbits, and all jumped up in an instant, their faces turned pale with fright, and they hurriedly backed away.

It's too scary. The magic axe bounced back with a finger. What kind of perversion is this?

And that Xuan Zhong also changed color, the mob with blue veins on his forehead, let him run away directly, it was even more uncomfortable than killing him. He thought he was so high, how could he just run away like this, and immediately roared, with dark mysteries blooming on his body, and he resisted. Tomahawk.

However, his face changed when he first came into contact with the battle axe.

Click! His arm was fragile and vulnerable, and it was broken in an instant, and the stubble appeared, dripping with blood.

[Chapter 4898: A snap](#)

boom!

He flew upside down, his body was about to split, his expression frightened.

The terrifying power contained in this battle axe was simply not something he could resist.

Immediately, he didn't dare to do it, he roared, and suddenly a rune burst into his body, resisting the huge battle axe for a moment, and then, this supreme-level young master turned around and rushed, dare not say a word of cruelty. Say.

boom!

The battle axe fell and smashed directly on the ground of the square, smashing the ground at a speed visible to the naked eye. A huge deep pit was smashed out, and the earth and rocks splashed, like the end of the world.

If it weren't for the terrifying large array covering this star, in the void outside, just this blow would be enough to explode this star directly.

"It's so cruel, too."

Everyone was stunned, open their mouths, they were all frightened.

"Is that human being?"

"A single finger shattered Xuanzhong's attack and almost killed Xuanzhong, my God."

"Why is this kid so cruel? It's not very big depending on his age, how did he achieve his cultivation?"

For an instant, everyone breathed in cold air, their eyes were solemn, and they stared at Qin Chen. They couldn't help but feel hairy and goose bumps all over.

Because this is horrible.

The Supreme Master is also the top master in the Righteous Dao Army, and it is also the basis for the Righteous Dao Army to resist the ancestors of the Abyssal Demon.

And this Xuanzhong, Luo Yin and Mo Wu, are all outstanding among the younger generation of the Righteous Dao Army. It seems that there are a lot of them, but in fact, only so few have been born in hundreds of millions of years.

But such a master was repelled by Qin Chen, who seemed to be equally young, and only with a finger.

Who is not afraid of such terrible destructive power?

"a bunch of idiots."

Aside, Luo Yin and Mowu shook their heads. They knew Qin Chen's strength a long time ago, so naturally they were not surprised. Are these guys really the Sword Demon Supreme and the two of them idiots? Did you let the other party come to the headquarters base without thoroughly verifying the identity of the other party? And don't take any responsibility

What are the mandatory measures?

It's not that they don't want to, but they can't. Even Sword Demon Supreme Lord may not be the opponent of this person, and that Xuan Zhong must come up to die, it is enough. Of course, Luo Yin and Mo Wu would definitely not say this. In fact, even if they said it, they would not believe it. If the two of them had not fought Qin Chen personally, they would not believe it. One looks so young

The guy, the strength could be so terrible.

On the other side, when Xuankong Zhizun saw this, he sneered again and again in his heart.

As a member of the Righteous Army, it is strange that he feels refreshed after being so suspicious after coming in. "How is it? With this strength, you have to do things with Ben Shao, and don't know what you can do? Oh, yes, I forgot to ask. Since Sisi is the heir of Princess Lianxinluo, and Princess Lianxinluo is the founder and spiritual leader of the Righteous Army, so to speak

Come, Sisi is also the future leader of your righteous army? "

Qin Chen spoke lightly, looking at Luo Yin and Mo Wu.

"This..." Luo Yin and Mowu glanced at each other, hesitated, but nodded: "You can say so."

The Righteous Path Army was established by Princess Lianxinluo. If Sisi can really get the inheritance of Princess Lianxinluo, then he will surely become the leader of the Right Path Army in the future.

In fact, the high priests were also trained in this way, so Qin Chen said that Sisi was his wife before, which aroused so much anger and criticism.

"Since Sisi is the future leader of your righteous army, you are so courageous. Seeing the husband of the future leader, you can't even come to see the ceremony, so you dare to do it?" Qin Chen said lightly.

The many Tianjiao around were originally horrified, and they all looked ugly after hearing this.

God's leader husband, this guy is too shameless, right?

If it hadn't been for the brutal means and terrifying strength that Qin Chen had shown before, these young arrogances would have rushed forward to sack Qin Chen.

From the back, Xuan Zhong's face was pale.

He put away the battle axe, the light was flowing on his arm, and the broken arm began to be repaired, but he was already frightened by Qin Chen and didn't dare to do it anymore.

Qin Chen ignored the people, stepped directly, and walked forward.

He stepped out in one step, it was a distance of tens of thousands of miles, very terrifying and fast, Qin Chen walked on this terrible star and looked around.

No one can see, there is a faintly opened eye between his eyebrows. It is the eye of creation, gazing at everything in the world.

This righteous army headquarters is very extraordinary. Many Tianjiao experts have been born, which makes Qin Chen curious. There are definitely some special features here.

"Hmph, trespassing at my righteous army headquarters, recklessly."

Ghost Supreme snorted coldly.

The other young Tianjiao also followed Qin Chen, Luo Yin and Mowu hurriedly followed, and said: "My Lord, my righteous army headquarters, the formations are all over, now the great formation has been opened, please don't walk around in order to avoid triggering the formation. Wen fights back."

The two raised their hearts.

It should be known that the headquarters' large formation has already been activated, and once activated, it will definitely launch an attack on an outsider like Qin Chen. Without the presence of Sword Demon Supreme, they cannot control the large formation at all.

However, Qin Chen was very calm, did not answer, and still looked forward.

"This guy, I'm afraid he wants to die, right?"

Many Tianjiao experts are speechless, but they also sneer in their hearts. There is a top-level guard here, and they don't believe that Qin Chen can walk on the ground and dare to rush.

However, soon they couldn't rely on themselves, and Qin Chen walked among the stars of the headquarters in this way, and there was a lot of light from under his feet, and then it became more and more bright.

Countless formation patterns surround and lock Qin Chen, but no matter where Qin Chen goes? However, the murderous intention that never caused the formation pattern has never been caused, and it is safe and sound.

This makes everyone unbelievable.

How could this be?

Guarding the stars of the Righteous Army Headquarters is the top-level large formation. Even if the pinnacle Supreme breaks in, he cannot avoid being attacked, but Qin Chen walking here is very natural and unimaginable.

For a while, it was difficult for everyone to remain calm.

Could it be that the Great Array is broken?

They didn't know that Qin Chen's formation was extremely terrifying, and such a big formation was nothing to him. What's more, the formation pattern here has not been fully activated. Obviously, the sword demon supreme has not been able to fully activate the entire large array, just like the deep demon confinement array of the abyssal demon clan. Live at the top like Xiaoyao Supreme

Experts, only the ancestors of the deep demons can make such a possibility.

If you want to push the formation to the extreme, you must be the top master. Therefore, in the absence of a top master, Qin Chen could not be trapped by the formation alone.

[Chapter 4899: Young man be careful](#)

"In that case."

Qin Chen's heart moved.

He urged the Demon Soul Source Device and the Ten Thousand Realms Demon Tree in the chaotic world, and a special aura permeated.

Hum!

Qin Chen walked in the void, this special force was constantly instilled into the world by him, and merged into this large formation.

Gradually, the power of this huge formation between heaven and earth was slowly controlled by him, and his own power merged with this piece of heaven and earth.

"Hey, what's the matter? Why does the surroundings seem to be a little different?"

"You feel it too? It seems that something has changed, but you don't feel anything."

"Strange, could it be that we perceive it wrong?"

Yan Ming Zhizun and other veteran Supremes are all experienced, and vaguely feel something special.

They opened their eyes, the supreme aura surged, trying to see some clues, but no matter how they looked, they couldn't see anything.

With Qin Chen's current formation skills, if they could see anything, it would be strange.

Qin Chen couldn't help smiling as he looked at the ignorant people behind him.

Although this righteous army belongs to Luo Lianxin, what Qin Chen has seen and heard after coming here makes him always vigilant.

In this way, he controlled the righteous army's large formation a little bit in his own hands.

If any accident happens later, he can also take the initiative.

After so many experiences, Qin Chen has become extremely cautious.

boom!

He continued to advance, but he did not break into the deepest part of the star, and did not rush in unscrupulously, because he knew clearly that there could be no peak supreme in this righteous army.

To be able to persist to this level under the attack of the ancestor of the deep demon, there must be a real master in this righteous army, otherwise it is impossible to survive until now.

Therefore, he carefully arranged, using the power of the Demon Soul Source Device and the Ten Thousand Realm Demon Tree, to control this vast array of heaven and earth, and to make himself invincible.

call!

A peculiar force surrounds Qin Chen's body.

"Boy, what are you doing?"

Finally, the ghost supreme felt something was wrong, and said in a deep voice to Qin Chen.

Although he didn't know what was happening around him, he also felt something wrong in this world.

Immediately, he turned to Kuinan Supreme to the side.

"Haha, your Excellency is really extraordinary. I can't think of the talents of the outside world. They have grown to such a level. Why don't you come to the old man to ask for advice, or let the old man know about the strength of the talents of all races."

A veteran supreme suddenly laughed and stepped out. It was Quinan supreme.

This Kuinan Supreme was an old man, like a lion, with a beard all over his face. The beard was golden, very mighty, like steel needles shot out, and his body was golden.

He laughed, came volley in the air, holding a spear, and with a thud, he pierced Qin Chen directly.

This is a mid-term supreme master, I don't know how many years, but the whole body is still soaring to the sky, blooming with an amazing magical rainbow.

He pierced out with a spear, and the surrounding void roared and shook violently. If it were outside without the protection of the top-level formation, many voids would collapse and explode on the spot.

Because this old man's breath is too strong, full of energy, suppressing all directions!

He was not like an old man whose Shou Yuan had come to an end, but like a strong man who was in his prime, with blood surging, and the terrifying demonic energy in his body, as if he had never decayed.

Qin Chen looked surprised, this Wusheng Demon Realm was too weird.

He could see that this Kuinan Supreme Shou Yuan was extremely old and had entered the middle and late stages of his life, but this person felt like he was in the most vigorous stage of his life.

boom!

The spear penetrated the void and came straight to Qin Chen. Qin Chen's eyes flashed, his fingers dazzling, the Supreme Origin burst out like a sword aura, straight into the sky, and pointed out at the flaming spear, a terrifying sword intent rose into the sky, the energy was powerful and domineering, extremely blazing. , Bring the river to the sea

Like energy.

Hurry up! Qin Chen's fingers collided with the spear, making a crisp sound. After that, Qin Chen flicked the spear's tip, and with a bang, the spear was shot out in an instant, and it was instantly lifted high, terrifying and bright. The rainbow light was instantly extinguished, and that old man

The tiger's mouth broke directly, and the blood flowed long.

"Hiss...Even the attack of the Supreme Quinan was repulsed by a quick finger, how did you do it?!"

The crowd sucked in air, unable to believe their eyes.

"It's interesting, haha, no wonder you dare to break into my righteous army headquarters and come again."

This lion-like old man couldn't help but laugh. He was very shocked. He didn't know how many years he had accumulated in his cultivation level. As a result, when he met a young man like Qin Chen, he was actually at a disadvantage.

"Young man, be careful!"

The supreme Quinan yelled, full of hair fluttering like a swarm of demons, the spear in his hand glowed, and dozens of blazing suns were intertwined around the spear's front. Each of them was condensed from the terrifying supreme source, bursting into a heart-palpating one. breath.

boom!

When he pierced the spear again, the sky collapsed, everything died, and various visions appeared. The supreme aura exploded, and the energy was too terrifying, swallowing all the surrounding matter.

This attack contained a special power unique to the Inanimate Demon Realm, and the escaping breath caused Qin Chen to slightly change color.

It's not that the attack is terrible, but the nature of this power is extremely detached.

"Good job!"

Qin Chen chuckled lightly, using his palm as a knife, and slashing it down. Suddenly, this place suddenly became a terrifying energy storm, and the vast ocean-like supreme power instantly boiled!

Boom!

The countless scorching sun-like aura condensed on the spear was instantly blasted out, and a few exploded on the spot, engulfing the surrounding void directly, and two of them fell directly into the Tianjiao crowd not far away.

"Be careful!" someone exclaimed, and a group of people backed away frantically.

Boom!

This terrible energy entered the crowd at sunset and exploded on the spot. Countless young arrogances retreated one after another. Many people turned pale, and the corners of their mouths that were impacted by this force were bleeding, and they were shocked.

At this moment, the onlookers knew how terrifying the power of that spear was!

You know, there are dozens of scorching suns hanging on the spear front!

However, Qin Chen was not afraid, his posture was upright, really like a god, so powerful, and he slashed past with a palm.

boom!

A terrifying roar sounded, and the terrible storm annihilated everything.

"puff!"

I saw the Supreme Cuenan coughing up blood, the spear in his hand creaked, and the whole person flew out, hitting the void, and his body seemed to be split. The supreme source in his body was surging, and was almost destroyed by Qin Chen's palm.

[Chapter 4900: Special power](#)

"Senior is really strong."

Qin Chen closed his hand and said with a smile, but that gesture was very uncomfortable, because the opponent easily defeated the Supreme Kunan, but still called the opponent amazing.

This is too slapped face.

"Hehe, where, where, old, I'm really old."

Kunan Zhizun said embarrassingly, wiping the blood from the corner of his mouth.

This feeling is not beautiful.

"Senior is polite."

Qin Chen said with a chuckle. Naquinan Supreme looked embarrassed, and immediately moved the origin of the body, with a hum, a special force rose up, and began to nourish Supreme Quinan's body, and saw that Supreme Quinan's body healed at an astonishing speed. scary

Full of blood.

"Um?"

At this moment, Qin Chen frowned suddenly and looked at Supreme Kunan.

This is...

From this power, he felt a very special breath, which made his look change slightly.

This force was very special. For an instant, the Dark King Blood hidden deep in Qin Chen's body trembled slightly.

Boom!

Qin Chen's figure shook, and he went straight to the supreme Kuinan, and his big hand directly grabbed and photographed the supreme Kuinan.

He wants to figure out the nature of this force.

"Um?"

When Kuinan Supreme saw this, his expression was astonished. Why did he say that he was so fierce all of a sudden?

"stop."

He changed color, screamed, and suddenly there were countless changes in his body. For a moment, various laws lingered, causing him to suddenly escape into the void, trying to avoid Qin Chen's capture. However, no matter what kind of magical power changes he had, he was firmly locked in by Qin Chen. At this moment, the Supreme Kunan was like a bird in a cage. He was firmly imprisoned in this void, unable to move at all, and could only keep his eyes open. Watching myself being

Qin Chen captured it.

With a hum, I saw the Supreme Kunan being directly captured by Qin Chen in his hands, struggling violently.

"Your Excellency, what is this?"

Supremacy Qui Nan said in anger. For an instant, he felt as if the power in his body was imprisoned, completely unable to operate. At the same time, a terrifying force blasted into Qin Chen's palm in an instant. His body.

boom!

A special force escaped from the body of Kuinan Supreme.

This power is hidden in the deepest part of the Quinan Supreme Origin. If it weren't for the collapse of the Kuinan Supreme Origin before it was revealed during the treatment, Qin Chen would not have noticed it at all.

And at the moment when this force dissipated, Qin Chen's body, the power of the Dark King's blood throbbed again.

As if being affected by this force.

"Sure enough, this power resonates with the power of the Dark King's blood."

Qin Chen frowned.

Before, he felt that this power could affect his Dark King Blood, and then he reacted. He wanted to check it out. Now, it is true.

"Why is there in the body of the Supreme Kunan that can resonate with the blood of the Dark King? And this power is very strange, I don't even know it, could it be the special power of the ancient demon god?"

This place was the Inanimate Demon Realm, the place where the ancient demon gods offered sacrifices. This was the first thing Qin Chen suspected.

He looked at the chaotic world.

"The Great Ancestral Dragon, the Holy Ancestor of the Blood River, and the Lord of Abyss Demon, do you know this power?"

"Little Qin Chen, this power is very special, and it is definitely not the power of this universe."

"My lord, I don't know either."

"Master, his subordinates have been in the Demon Realm for many years and have never seen it before, but can it be the power of the Dark Clan to resonate with the blood of the Dark King?"

The three said one after another.

"The power of the dark race?"

Qin Chen thoughtfully. "At the time, this lifeless Demon Territory was where the wormholes invaded by the Dark Clan. Princess Lianxinluo lost to her opponent. In this lifeless Demon Territory, she directly blocked the entrance of the Dark Clan. It can be seen that there must be the power of the Dark Clan here. Immersion, mo

Is it because of this? "

The Lord of Abyssal Demon guessed again.

Qin Chen squinted his eyes and thought slightly.

"Could it be because of this..."

And when he was puzzled.

"Boy, what are you doing? Don't let go of Quinan Supreme."

Seeing that the Supreme Kunan was captured and held by Qin Chen, the Yinfeng Supreme and others on the side were furious, with a bang, and in an instant, several Supremes encircled Qin Chen together.

"Let go of Quinan Supreme."

Yinfeng Zhizun, Yan Ming Zhizun and the others shouted sternly, looking frightened and angry.

boom!

An aura of fright broke out from them, and the astonishing supreme aura was firmly locked on Qin Chen. Upon seeing this, Qin Chen moved in his heart and couldn't help but smile: "You guys want to save the Supreme Kunan, it's better to shoot together. Before this Xuan Zhong and the Supreme Kunan also disappointed Ben Shao too much, don't you just have the righteous army? Is it so? Such strength , Even if it was a discussion, it really made Ben Shao not interested. "

"presumptuous."

"Too arrogant!"

These people were furious.

Qin Chen was simply provoking them.

On the side, Xuan Kong Supreme couldn't help frowning. Why did Master Qin Chen suddenly become so radical?

"And you, the devil supreme, your Excellency has been provoking Ben Shao before, why, don't you come up?"

Qin Chen hooked his finger at the ghost supreme.

This ghost supreme is the supreme of the mid-term peak level, and is the strongest person in the field.

Ghost Supreme has an ugly face, "If this is the case, then this seat will fulfill you."

"Ghost is coming."

The ghost supreme roared, and a shocking aura surged out of his body. A huge ghost ghost appeared behind him. This ghost ghost ghost was extremely huge, and it was huge, facing Qin Chen grabbed and photographed it strongly.

Boom!

The ghost of the ghost and the shadow of the big hand fell, and the void exploded.

At the same time, Yan Ming Zhizun and other masters also shot together all at once.

They knew Qin Chen was terrifying and powerful, so naturally they didn't dare to neglect.

In an instant, terrible coercion surged from heaven and earth to suppress Qin Chen.

boom!

Qin Chen's whole body, the endless void directly collapsed, and the whole person was plunged into darkness.

In this darkness, endless yin winds and ghost breaths swept everywhere, and every yin wind was extremely cold, just like the howling ghosts in purgatory.

It has to be said that the strengths of these great sacreds are extremely strong, and each of them should not be underestimated. When placed outside, they are all giants.

However, their opponent is Qin Chen.

Qin Chen raised his head, his eyes were calm, his right hand poked out, turned into a sword, and suddenly slashed out with a sword.

boom!

Jianguang slashed violently, and the cold world in the original itself was shattered in an instant.

In the next moment, Qin Chen's figure had already arrived in front of the Yinfeng Supreme.

"Not good!" The pupils of Yinfeng Supreme shrank, and they were all shocked.
