[Chapter 4951: Walk freely](#)

At this moment, Qin Chen blasted a fist, a terrifying aura surging, and there was a powerful aura of the demon of ten thousand demons in the entire world.

Terrible, terrible.

Suddenly, the whole demon realm powerhouse was shocked, and everyone was stunned.

Above the sky, Xiaoyao Supreme and Shengong Supreme also saw this scene, their eyes condensed.

It's Qin Chen.

They recognized Qin Chen at a glance, but they never expected that Qin Chen would be so powerful. A light burst of breath would be able to stun the ages and arouse the power of the entire demon world.

"Master Xiaoyao, what trick is this?"

Even the Supreme Master of God Workers screamed hysterically. He had a feeling that if he were to take this punch instead, he would be blasted into powder in an instant.

"This is the Fist of Ten Thousand Demons, the trick of the demon **** in rumors."

Xiaoyao Supreme also looked shocked: "However, Qin Chen's punch should not be completely inherited from the Demon God, to a large extent, it should be inspired by the Ten Thousand Realm Demon Tree and Demon Soul Source Tool."

What a vision of Xiaoyao Supreme, he could see Qin Chen's clues at a glance.

At this moment, between heaven and earth, billowing demon energy surged, and the entire demon world was in violent shaking.

Some are happy and some are sad.

The people of the Demon Race looked frightened, and when they were angry, those Mo Li and others looked ecstatic and excited.

There is hope.

"Master Luohu Demon Ancestor, seize the opportunity, you see, as long as this kid comes out, I will definitely have a chance to escape."

Mo Li hurriedly communicated to Luohu Demon Ancestor to accumulate strength and prepare to kill him.

Just see the endless sky above.

Qin Chen shrieked, his hair spread out, his body was burly, tall, and he propped up his towering body like a demon god. The supreme power surged all over his body. With a slight movement, the power of the entire demon world oscillated. Walking a little, the demon world With a radius of hundreds of millions of miles, there is no place that does not follow the agitation.

That fist condensed and blasted out with one punch, and countless devilish energy in the world surged, and finally gathered on Qin Chen's right fist and blasted out fiercely.

Boom!

The billowing divine might immediately swallowed the Huanggu Supreme, vast and mighty, like a sea wave, instantly submerging the Huanggu Supreme.

"No, the Great Boundary Array."

Huanggu Supreme roared, and the moment Qin Chen punched him, he felt a strong sense of crisis. He had a faint feeling. If he let this punch hit him, his life would be in danger, so in Qin Chen At the moment when this fist enveloped him, he immediately spurred the Great Boundary Formation to block and protect himself for an instant.

Click!

I heard the piercing blasts constantly resounding, the billowing devilish energy almost drowned the Huanggu Supreme. The Huanggu Supreme was in it, and there was almost no room for resistance. The entire body's ban continued to collapse. He tried his best to operate the Ancient Divine Art, but as soon as the Primordial Profound Truth became operational, it exploded immediately.

He is like a candle in the wind, extinguishing at any time.

too strong.

As a veteran pinnacle supreme master, although he is no longer in peak state due to his low lifespan, he is by no means an ordinary powerhouse that can kill him. Except for a few masters in the world, he has almost no fear of anything. people.

But at this moment, in front of Qin Chen's punch, he actually appeared extremely weak.

This is the power of the Demon Tree of the Ten Thousand Realms and the Demon Soul Source Tool, especially in the Demon Realm.

And the Demon Soul Source Device is the top treasure in charge of the origin of the Demon Realm.

The combination of the two gods and fetishes was powerful. Qin Chen could feel that almost all the demon energy in the demon world converged towards him and was controlled by him at the moment he was casting the fist of ten thousand demons.

At this moment, he seems to have become the master of the demon world.

Suddenly, Huanggu Supreme will be ruined under this fist.

Sudden!

Sudden change!

When Qin Chen punched out, above the vast sky, at the highest point of the Demon Realm, a whirlpool appeared, almost tearing the ancient power, and it came here.

Hum!

A dark rainbow light poured down, with the power of destroying the sky and the earth, flooding the ages. When this power came, all the time and space around, the void, were retreating, unable to withstand this power.

It was the ancestor of the Abyss Demon who made the shot.

When Qin Chen slayed out of the Twelve Capital Heavenly Demons Array, the ancestor of Yuanmo felt it for the first time, but he didn't do anything, because in his opinion, it was enough to have the lonely ancient supreme.

But he never imagined that Qin Chen's strength was so strong that even Huanggu Supreme could not resist, and even fell on the spot, and immediately displayed his magical powers with his divine thoughts.

Qin Chen made this world-opening punch, like an ocean, but when this terrifying dark rainbow light descended, it immediately exploded.

As soon as he saw the scroll of the dark rainbow light, he immediately involved the Wild Ancient Supreme and protected it in the center of the rainbow light.

Then, the dark rainbow light changed again and swept towards Qin Chen. Every brilliance had a destructive aura, and any one seemed to be able to destroy a small world.

"It's the ancestor who made the shot..."

Many masters of the Demon Race only reacted at this time, and they suddenly exclaimed, all of them excited.

And above the sky, the human experts such as Xiaoyao Zhizun changed their expressions.

When Qin Chen saw the dark rainbow light swept over him, he didn't even think about it. He stepped on and showed the origin of time. With a buzzing sound, a weird time lapsed. The world seemed to have fallen into stillness for an instant, while Qin Chen was on his own. The shape flickered, and the moment when time was still, he immediately left the place and disappeared without a trace.

He knew that this was the ancestor of the Abyssal Demon, and this was a power that surpassed the pinnacle of supremacy.

He ran right away, because he knew very well that he was not the opponent of the ancestor of the abyss.

Although he wanted to fight the deep demon ancestor very much to see if the other party could kill him, but now is not the time. He has just rescued Sisi and must not fall into this demon world and fall into danger again.

And now the situation is critical. Although he has the Devil Tree of the Ten Thousand Worlds and the Source Tool of the Demon Soul, the Demon Realm has been managed by the ancestor of the Abyss for many years, and no one knows what kind of successor the ancestor of the Abyss will have.

In an instant, Qin Chen urged the power of his whole body to its maximum!

Huh!

Qin Chen passed through the forbidden methods of the demon world enclosing formation almost instantly, and swept away from the demon world.

In front of Qin Chen, the enclosing formation that blocked Luohu Demon Ancestor and other powerful people did not have much hindrance, because the Ten Thousand World Demon Tree and Demon Soul Source Tool possessed by Qin Chen were enough to allow him to stay in the Demon World. Walk freely anywhere.

[Chapter 4952: Too much](#)

However, when Qin Chen used the origin of time to restrain time and space.

Suddenly, the body of Yuanmo ancestor shook suddenly.

"The origin of time, boy, it was you who broke the plan of the ancestor in the lower realm back then. If you want to escape, how can it be so easy?"

The ancestor of Yuanmo sneered, and his big hand jerked out again.

Boom!

The entire Demon Realm Void boiled fiercely, and those giant hands, almost like the sky, suppressed Qin Chen fiercely.

With a bang, the time and space restriction caused by Qin Chen was blown away in an instant, and a strong force suppressed Qin Chen.

Qin Chen's expression changed, and he accelerated again, turning into a shadow that did not exist in the world, rushing straight out of the Demon Realm.

However, in the depths of the endless time and space, the huge phantom of the ancestor of Yuanmo appeared, and he directly pressed down on Qin Chen with a palm.

The huge palm completely covered the sky, time and space condensed, and instantly closed the Demon Realm, and even Qin Chen was enveloped and captured by this big hand.

Boom boom boom!

Qin Chen's whole body of the Demon Realm was emptied, layer by layer, and a terrifying force suppressed him like an ocean.

Qin Chen felt that all the power in his body had been imprisoned, the original power of the Demon Realm was evasive frantically, and the ancestor of the Abyss Demon was fighting for his control over the Demon Realm.

Although the Demon Soul Source Tool was lost, the ancestors of the Abyssal Demon still had an extremely terrifying control over the Demon Realm. After the shot, the entire Demon Realm was boiling frantically.

A strong sense of crisis came to Qin Chen's mind instantly.

"So strong."

Qin Chen looked up. At this moment, he felt a strong sense of crisis.

Life and death crisis!

A power above this universe enveloped Qin Chen.

Qin Chen's gaze condensed, and at the moment of the moment, the mysterious rust sword in his hand suddenly appeared. Boom, a breath of heaven exploded from the mysterious rust sword, and the giant hand facing the sky was severely chopped off.

boom!

A sword light that pierced the sky violently slashed instantly, and the billowing six reincarnation sword intent rose into the sky, like a Tianzhu violently surged.

An aura swept across nine heavens and ten earth madly.

"Small bugs."

The ancestor of Yuanmo sneered, and his big hand slammed down.

With a bang, that big hand was unmatched, and it was crushed directly on the sword light that Qin Chen displayed. Kakaka, Qin Chen's sword energy was continuously annihilated.

"Not good, Ten Thousand Realms Demon Tree, Demon Soul Source Tool."

Qin Chen yelled, the power of the Ten Thousand Realms Demon Tree and the Demon Soul Source Artifact in his body was urged to the extreme, and a terrifying force of the Demon Race instantly poured into the mysterious Rust Sword.

boom!

Sword Qi surged.

But the big hands of the ancestors of the deep demons continued to crush down like a giant mountain. The sword light from Qin Chen's violent slash instantly collapsed, and a distance blasted Qin Chen's body instantly, blasting his whole body out suddenly, like the sound of cracking porcelain, countless cracks appeared on Qin Chen's body in an instant. one

Blood splattered out.

Qin Chen stabilized his figure, and with a boom, the emptiness of millions of miles behind him was directly annihilated.

Qin Chen squinted his eyes and looked at the ancestor of Yuanmo in shock.

The strength of the ancestor of the abyss is really terrifying.

"Kid Qin Chen, be careful, this is the power of the Demon Ancestor of the Abyss Demon Ancestor."

In the storage ring, Hong Huang Zulong said solemnly.

"The power of the demon ancestor?"

Qin Chen's face was ugly. If it weren't for the critical moment, he had directly aroused the Ten Thousand Realm Demon Tree and the Demon Soul Generator, and he was afraid that the blow would be dangerous.

This is the case, Qin Chen was still secretly frightened at this time.

And even more surprised was the ancestor of the Abyssal Demon.

"This son, actually blocked this seat's blow?"

The ancestor of Yuanmo condensed his eyes, Qin Chen's growth far exceeded his imagination.

Can't stay here!

In the distance, Huanggu Zhizun, Luohu Demon Ancestor and others were already dumbfounded.

Especially Luohu Demon Ancestor, who had been in contact with Qin Chen not long ago, and even fought against the Supreme Eclipse Yuan together. At this time, seeing Qin Chen blocking the blow of the Yuan Demon Ancestor, he was instantly stunned.

Did this kid grow up so fast?

"Master Luohu Demon Ancestor, what are you waiting for? While the ancestor of Abyss Demon is not there, don't break free."

Seeing Luohu Mozu's face stunned, Moli hurriedly shouted, anxious in his heart.

Master Luohu Demon Ancestor is so fussed, he has never seen the world.

If it was someone else, Mo Li would be surprised, but who is Qin Chen, after so many experiences, he would not be surprised at what happened to Qin Chen.

This is a guy who just hangs up.

"Oh oh..."

Only then did the Demon Ancestor Luohu slow down, and an astonishing Chaos Demon Qi burst out of his body instantly, booming, a figure of ten thousand feet floating in the sky, and suddenly tore the dark chains around him.

Beng Beng Beng.

Losing the **** of the ancestor of the deep demon, the dark chain that trapped the ancestor of Luohu was instantly stretched and pulled tightly.

The ancestor of Yuanmo turned his head and snorted coldly when he saw this: "Stop him."

"Yes!"

A powerful demon clan rushed towards the demon ancestor Luohu in an instant, and the dark air combined with the power of the demon clan crazily wound around the demon ancestor Luohu.

"Only you?"

Luohu Demon Ancestor roared, three heads and six arms exploded, propping up the heaven and the earth.

And Mo Li and Chi Yan Demon Lord also quickly shot, constantly devouring this power of darkness.

"go!"

On the other side, upon seeing this, the high priest shook his figure and swept straight out of the demon world.

"Huh, want to go?" The ancestor of the deep demon sneered, raised his hands, and banged. In the entire Demon Realm, a series of obscure and complicated runes instantly rose into the sky, and a series of rune cultures acted as a dark barrier. Wrap quickly towards the high priest

Away.

"boom!"

An invisible barrier emerged, enveloping the high priest in an instant.

The high priest urged the scepter in his hand and shot again and again, only to see the dark barrier constantly oscillating, but he couldn't break the dark barrier at all.

"Today, no one wants to escape from here."

The ancestor of Yuanmo coldly snorted and attacked Qin Chen again.

boom!

He stepped forward and came to Qin Chen in an instant. The distance of tens of millions of miles was leaped in an instant, and his big hand came to Qin Chen again. The five fingers of the ancestor of the deep demon spread out and suppressed like a curtain of sky, blocking everything in the four directions, and the power of rolling darkness rises. All the power of this void is imprisoned, whether it is time, space, rules, or origin.

Lost the space for operation.

Qin Chen was like a fish out of the water, and his breathing became difficult for an instant.

"not good."

Qin Chen hurriedly urged the Demon Tree of the Ten Thousand Realms, and boomed, a sword aura exploded from the mysterious rust sword in his hand, trying to tear the **** of the ancestor of the abyss demon.

The sword aura cut open the surrounding void layers, but the big hand of the ancestor of the Yuanmo swept invincible, and he came to Qin Chen in an instant.

boom!

At this moment, a terrifying streamer struck, and was severely suppressed on the big hand of the ancestor of the deep demon.

With a bang, the big hand of the ancestor of the deep demon burst open instantly.

"Yuanmo ancestor, bullying a junior, is it too much?" A figure laughed, and it was Xiaoyao Supreme who descended into the Demon Realm.

[Chapter 4953: Decree out](#)

boom!

at this time.

Xiaoyao Supreme is full of terrible aura, walking in this world like a god.

On his body, a series of divine rainbows bloomed, unmatched, as if he had crossed the distance of countless epochs, and came to the Demon Realm in an instant, and displayed his most powerful attack on the ancestor of the Abyss Demon.

Boom!

The surrounding world was boiling, and under the terrifying aura of Xiaoyao Supreme, the entire demon world was surging, and the rolling power annihilated everything, enough to destroy the world.

"Xiaoyao Supreme Master."

Qin Chen looked at Xiaoyao Supreme with excitement.

"Hahaha, kid, I didn't expect you to have grown to this level in such a short period of time. It really makes me admire you."

Xiaoyao Supreme admired the undisguised exclamation in his eyes when he looked at Qin Chen.

I have to say that Qin Chen's transformation was too great, so big that it shocked and delighted him.

With a future star like Qin Chen coming, I am afraid that in the near future, the Other Race may restart the battle, directly suppress the Demon Race, and return the universe to a bright future.

"Xiaoyao Supreme, do you really dare to break into my demon world?"

On the other side, the ancestor of Yuanmo stared at Xiaoyao Supreme, not at all angry that his attack was blocked by the opponent, but a trace of hideous coldness was revealed in the depths of his eyes.

"It's just a small devil world, why can't you enter? Qin Chen kid, leave this to me, you leave this place first."

Xiaoyao Supreme glanced at Qin Chen and said lightly.

Qin Chen's eyes flashed as he was about to say something, but Xiaoyao Supreme waved his hand. "Don't say anything, I know that you are in this Demon Realm, and you have gained a lot, but this ancestor of the Abyss Demon is by no means as simple as you think. With your current strength, I am afraid that you will not be able to fight with him. Listen to me first. Leave the devil, from

Long-term planning. "

"Yes."

Qin Chen hesitated, gritted his teeth, turned and left suddenly.

He wants to send Sisi out of the Demon Realm first, and then come to help Xiaoyao Supreme.

"Want to go?"

The ancestor of Yuanmo sneered, his body shook, and with a bang, his whole body was about to be suppressed by Qin Chen.

However, without waiting for him to make a move, Xiaoyao Supreme had already shaken his figure and stopped the ancestor of the Yuanmo, "Ancestor of the Yuanmo, your opponent is me."

"Hahaha."

The ancestor of the deep demon looked up to the sky and laughed: "Xiaoyao Supreme, do you think that this kid can escape by stopping this seat? Now that you have come to my Demon Realm, none of you want to escape today."

"Stop him."

With the voice of the ancestor of the deep demon falling, a powerful demon clan furiously killed Qin Chen.

At the same time, a decree suddenly appeared in the hands of the ancestor of the deep demon, boom, this decree was devilish, and instantly flew across the endless horizon of the demon world, and a series of terrible magic lights instantly spread out, sweeping the corners of the entire demon world.

"Listen to my orders and block the Demon Realm. Today is the day when the human race will be destroyed."

The ancestor of the deep demon looked up to the sky and roared.

boom!

The vast decree was powerful, and suddenly, from the countless deep mysteries of the Demon Realm, an ancient aura rose up. This decree appeared, and the vast aura stunned nine heavens and ten places. A wild aura that seemed to have penetrated the ancient era rushed out and filled the entire demon world. In a flash, everyone seemed to have returned to the ancient era and felt the ancient

The reincarnation of the old years.

"This is the strong man of many demons in ancient times."

Xiaoyao Zhizun even looked at Qin Chen with an unprecedented dignified expression: "Go, leave this place immediately."

At this time, Qin Chen also felt something was wrong.

When this decree appeared, a rotten breath surged crazily between heaven and earth.

"Follow the decree of the ancestors."

"Follow the decree of the ancestors."

"Follow the decree of the ancestors."

Loud voices resounded throughout the world, from countless ancient places in the Demon Realm, resounding like an old monster that had been sleeping for many years, awakening, the breath was creepy, and the whole body got goose bumps.

boom!

At this time, from some hidden places of the Demon Race, a series of ancient figures continued to emerge. The aura on these figures was very decadent, but each cultivation base was extremely terrifying, and the devilish energy seemed to be able to traverse the eternity.

This kind of aura is too terrifying, Shen Gong Zhizun and the others just took a look, and felt a strong panic in their hearts. They weren't their opponents at all.

"This is, some ancient powerhouses of the Demon Race..."

"Hi, this is the entire Demon Race dispatched."

"That is, the ancestor of the demon clan, didn't he have fallen a million years ago? He is still alive."

The figure of this deity appeared in the world, and many powerful humans in the human race inhaled air-conditioning, and each one looked horrified.

"Xiaoyao Supreme, if you break into my demon world today, I will let you come back and forth."

"boom!"

The ancestor of Yuanmo shot directly, his figure was like electricity, like an ancient demon god, walked out of the void directly, and struck towards Xiaoyao Supreme with a punch.

Under this punch, the power of the entire Demon Realm boiled, and the billowing demon energy swept across the world, and instantly descended in front of Xiaoyao Supreme.

With a bang, the two figures collided fiercely, like a meteorite hitting the planet, exploding with terrifying power from the past.

On the other side, the terrifying figures of those demons rushed towards Qin Chen.

The leader was a decayed, lifeless old woman, with a heart-palpating demonic energy surging in her body, and it was a vicious attack against Qin Chen.

"Boy, the ancestor asked me to kill a young man like you. Your strength is too weak. It's better to kneel in front of the ancestor, and the ancestor can leave you a whole body."

This figure awoke from its deep sleep and looked at Qin Chen with disdain.

Qin Chen's face was cold.

boom!

He didn't say much, the Ten Thousand Realms Demon Tree and the Demon Soul Source Artifact merged into one. In an instant, the breath soared, and the supreme blood was surging, and the earth was shaking, causing the mountains and rivers to tremble.

Qin Chen slapped forward, covering the arrogant old woman.

At this time, a dense ocean of demonic energy appeared on the sky, covering the world, and hitting the old woman.

"Dare to do something to the ancestor? Tired of life!" the old woman shouted.

But the next moment, the old woman changed color.

boom!

Qin Chen's power suppressed her body, and for an instant, she felt that her own void was directly imprisoned, and her whole body could not move at all, as if she had fallen into a quagmire.

"This is..."

She changed color and wanted to resist.

But all of this happened in a flash, and after the old woman said these words, Qin Chen's power had already come, and she couldn't avoid it at all.

Just because everything happened so fast!

She can only shake it hard and rise into the sky.

However, Qin Chen's devilish hand was too terrifying, covering the mid-air, accompanied by countless devilish qi surges, the aura of destruction was mighty.

boom! She couldn't avoid it, in the sky, being slapped by Qin Chen, the whole person flew out, and was pressed against the collapsed world by a big devilish hand!

[Chapter 4954: Trapped](#)

4954-Sorcerer

"The old thing, should have died long ago, something is rampant in front of me!" Qin Chen said coldly, his eyes squinting.

Facing the ancestor of the deep demon, he was a little shocked, but how dare other demons arrogant in front of him and didn't want to live anymore?

Not far away, many people opened their mouths wide, dumbfounded, and completely petrified. They felt extremely shocked. But that was an ancient supreme, who was just slapped by Qin Chen?

Many people can't believe their eyes.

Many powerful demons were terrified and felt a strong aura of danger. Such an inconspicuous young man actually possessed such terrifying strength.

They have been asleep for so many years, has such a big change occurred in the universe?

Can an ordinary teenager be so strong? Suppressing one of them, such a scene, is too horrible.

They can naturally see that Qin Chen's cultivation is the late supreme, but the late supreme is the ancestor level in today's universe, and the supreme existence can become the ancestor of the top ten races in the ten thousand race list.

But in the countless epochs of the entire universe, a powerful person like the late supreme is nothing.

For hundreds of millions of years, in every epoch of the universe, many strong men will be born. Although most of these strong men have fallen in the long river of years, there is still a small part of them, sleeping in the forbidden places of the universe, lingering on their lives, and wanting to transcend the destiny. Relive the second life.

Such strong people are not in the minority.

Apart from anything else, the era of chaos that opened up the universe alone contained terrifying three thousand chaotic gods and demons. Each of these three thousand chaotic gods and demons was a master of the pinnacle supreme level, and this was only an era of chaos.

How many masters have accumulated in countless epochs?

That's why they despised Qin Chen so much.

Unexpectedly, Qin Chen was far more powerful than they thought.

"cough!"

There was a violent coughing sound, and the old woman stood up with difficulty amidst the shattered void fragments. She was not lightly wounded, her whole body was scarred, and she was extremely embarrassed, and her eyes showed endless anger.

It was too shameful that she was slapped and slapped like this by someone who was dignified in ancient times. Her face was covered with blood, and she was suppressed so hard.

The bottom of her eyes was cold, looking at Qin Chen, the other party dared to insult her like this.

"Young man, it's no wonder that you just broke into the land of my demon world, and you have such a method, but you are still too young to think you are invincible like this?"

The old woman was crackling all over, the terrible demonic energy surged, and the physical body was recovering quickly, returning to the peak state little by little.

This is a certain kind of magic repairing magical power of the Demon Race. It is extremely terrifying.

"Still pretending to be forced to die."

Qin Chen sneered, sticking out his big hand.

Boom, the big dark hands intertwined in the sky, poked out, and slapped at the old woman without leaving a back hand.

Qin Chen moved again, very strong, too lazy to listen to the nonsense of the other party, and slammed the old woman directly with his big hand, naturally carrying a terrible blow.

"You... deceive people so much, do you really think you are invincible!"

The old woman was angry and roared, not because she was furious by Qin Chen's attack, but because of the other person's demeanor. She ignored herself too much. The expression was very disdainful, high above her, as if she was looking at an ant.

When he was so despised as the top supreme of the demon clan.

"Invincible is not invincible, I don't know, it's more than enough to kill you."

Qin Chen sneered and said, his eyes were cold, his palms glowed, and the black magic patterns on his palms were intertwined, and the strong blood was permeated. It made its own rules and performed the terrifying power of the demon god, with terrifying power.

boom!

Qin Chen mobilized the power of the Ten Thousand Realm Demon Tree and Demon Soul Source Artifact, and did not give the opponent a chance to resist.

The old woman roared, and the whole body burst out with dark magic light, and went all out to fight. This time she was prepared and used some kind of peerless secret technique of the Demon Race.

For a moment, behind her, a huge dark halo appeared. In that halo, there seemed to be a magnificent figure floating and sinking, and Brahman sang terrible magical sounds throughout everything.

With a bang, as she confronted, the magnificent dark halo behind her quickly swelled, and the emptiness figure opened its pupils, and the dark eyes seemed to penetrate eternity and tear the heavens, and suddenly shot forward. A palm.

This is an extremely terrifying masterpiece of the Demon Race where the old woman belongs. It can summon the power of the distant ancestors to suppress powerful enemies.

Even across the Demon Realm, Shen Gong Zhizun and others were shocked. Such a blow was terrifying, showing the outline of the Supreme Demon Ancestor. The cold and majestic figure made people daunting.

This old woman was definitely a powerful and invincible existence in her own time, and now, with all his vitality and blood, he must slay a powerful enemy like Qin Chen.

This blow was too terrifying and intimidating, and it was so powerful that it shook the entire demon world, as if to blast through all the enemies of the heavens.

It's a pity that she met Qin Chen, even if this move could suppress many supreme ones, but when facing Qin Chen, this blow had no effect.

With a bang, Qin Chen's palm was accompanied by black magic power, and the dark runes in his palm soared to the sky, unstoppable, and directly defeated the big hand of the demon ancestor that the old woman displayed.

In addition, Qin Chen's palm prints blasted in, the black halo instantly collapsed, and the old woman bleeds out of her seven orifices.

boom!

The void behind her exploded, and the old woman felt a sharp pain in her face, because Qin Chen made her face almost explode in an instant, causing her face to almost explode, and half of her face collapsed, like a ghost, with blood flowing torrentially.

In an instant, Qin Chen gave her several slaps.

"Do you dare to insult my demons like this?!"

The old woman gritted her teeth and rushed into the crown, but unfortunately, she could only roar, and under Qin Chen's strong suppression, she was embarrassed and small.

She knew that Qin Chen had deliberately slapped her mouth in public and humiliated her.

"Moza, what about it? It's just trash that betrays the universe."

Qin Chen said so, eyes cold and sharp.

"What are you waiting for? Watching the show? Haven't you taken down this kid together?"

The old woman yelled, yelling at the other strong ancient demons behind her, hysterical.

There is no need for her to speak, the surrounding ancient demons have already killed one after another.

boom! boom! boom!

In an instant, several terrifying figures approached, and they were all the aura of the pinnacle supreme class, with decay and death, and they were powerfully killed.

"kill!"

Then, the old woman also roared, her silver hair danced wildly, her eyes were spiteful, and her whole body burst out with a special brilliance, which was burnt, causing the void to be distorted.

She wanted to take advantage of the situation to kill Qin Chen, shamelessly.

For a time, the towering figures of many demons were overwhelmed by the world, and they were suppressed strongly, which was terrifying and shocking, making Shen Gong Zhizun and others anxious.

However, this kind of battle is too terrifying, with their supernatural power, they can't intervene at all, and they have to guard against strong men such as Bone Race.

In an instant, Qin Chen was caught in the siege of many top supreme masters, which made people think about it, and the hair was horrified.

[Chapter 4955: Who are they](#)

"Haha, kid, how arrogant you look this time?"

The old woman laughed grimly, and just killed it so forcefully, very domineering and arrogant, she wanted to kill Qin Chen and wash her shame in blood.

And around Qin Chen, an ancient figure appeared, with decay and death, both of whom were strong in the ancient times of the Demon Race, and they just killed him directly.

Such a scene is terrible. Each of these powerful men has extremely terrifying strength, and the aura is so strong that it can catch the stars and the moon.

And so many ancient powerhouses shot together, how can people not be shocked.

At this moment, the entire Demon Realm's void was boiling, and the demon energy poured out like a vast ocean, covering the sky and the sun, covering Qin Chen's surroundings, and sealing off everything in the world.

They are very powerful, their various auras are like rainbows, and they look at Qin Chen with disdain.

Because they have such confidence and strength.

On the opposite side, the ancestor of the Abyssal Demon who stopped Xiaoyao Supreme smiled coldly and said: "Xiaoyao Supreme, this is the kid you have been guarding outside the demon world and want to save? It seems that today my demon world is his burial place. "

"Yes?"

Xiaoyao Supreme glanced at Qin Chen, and he didn't feel a little flustered, but said indifferently: "Boy, at this time, what are you still hiding and tucking? Do you really think these ancient powerhouses of the demons are rubbish? Not so fast? Kill it out."

Everyone was stunned when he said this.

What's the meaning?

Everyone looked at Qin Chen in amazement, including the countless powerhouses of the Demon Race, with a look of doubt.

Could it be that this kid has any hole cards?

Otherwise, how could Xiaoyao Supreme be so calm.

Qin Chen smiled and said, "Since Senior Xiaoyao said so, then I won't hide it."

Qin Chen raised his head and looked at the many ancient powerhouses of the Demon Race who had been killed.

I don't know why, at this moment, including the old woman, the hearts of all the strong demon clan surging up with a little bit of evil.

It seemed that something terrible was being targeted.

But Qin Chen smiled slightly and said, "Everyone, come out. Since this ancestor of the Abyss Demon wants to keep me and wait, let the other party see when I wait, and how much it will cost to keep me and wait."

Words fall.

Qin Chen suddenly raised his hand.

boom!

A terrifying aura suddenly rose from Qin Chen's body. As soon as this aura appeared, it immediately poured into the entire demon world like a vast ocean.

"Hahaha, kid Qin Chen, it's time to let me out."

At this moment, it was the Primordial Ancestral Dragon who roared up to the sky and roared between the sky and the earth, turning into a dragon body that hovered for hundreds of millions of miles, covering the sky and the sun, bursting out an aura of chaos that shocked the sky.

The majestic dragon, standing tall in the sky, standing proudly in the universe, burst out an unprecedented terrorist killing intent, and the peak supreme level of cultivation was instantly revealed.

"what is that?"

"Is the true dragon ancestor of the true dragon tribe?"

"No, that chaotic aura is definitely a strong man in the ancient chaos era."

"Is it the ancient Chaos God and Demon? This breath is too terrifying, I am afraid it is not weaker than that of Luohu Demon Ancestor?"

Feeling the aura of the prehistoric Ancestral Dragon, countless powerful people staring in the universe were dumbfounded and shocked one by one.

They never expected that there would be such a strong person in Qin Chen.

The ancient top chaos **** and demon, this is definitely the top existence in the pinnacle supreme.

The old woman and others also shrank their pupils, "Boy, I don't think you still have such a strong person, no wonder you dare to be so arrogant."

"Such a statue?"

Qin Chen smiled and continued to raise his hand.

"Everyone, all came out."

Accompanied by Qin Chen's voice fell.

Boom boom boom...

A series of terrifying auras rushed out, and under the eyes of everyone, a series of peak supreme-level powerhouses who were not weaker than the prehistoric ancestor dragon rose in full swing.

"Hahaha, sir, I finally have a good time in the **** river, hahaha."

boom!

The endless ocean fills and turns into a monstrous sea of blood, covering the world. This is the ancestor of the blood river.

"The ancestor of the deep demon, do you still remember the old man?"

Beside Blood River Saint Ancestor, a magnificent figure stood proudly, surrounded by the aura of destiny, it was Wuji Supreme.

At the same time, the great elder and the great protector, two powerhouses, also appeared together, towering over the world.

And beside the Great Elder and the Great Protector, a phantom fox with a height of hundreds of millions of feet appeared in the world. With ten phantom tails surging, the entire demon world was shrouded in an illusion.

And Sisi and Shangguan Wan'er also appeared beside Qin Chen in an instant.

In an instant, so many strong men appeared, making the entire universe and the demon strong men discolored, shocked.

"Who are these...?"

"Isn't that the ten-tailed phantom fox, one of the three thousand ancient Chaos Gods and Demons?"

"And those two, aren't they the Meteorite Supreme of the Fallen Demon Race and the Shadow Demon Supreme of the Shadow Demon Race? They were both with Shura back then. Like the saints of the Demon Race, she followed Princess Lianxinluo and became a high-ranking member of the Righteous Army.

All appeared next to this person. "

"Could it be that the Righteous Army has already taken refuge in this person?"

In the entire universe, countless strong men all showed horror.

At this time, the powerhouses who appeared beside Qin Chen, any one of them had shocked the universe for countless years, and it was unbelievable that they appeared together like this.

"Everyone, stop these guys."

Qin Chen coldly ordered.

"Hahaha, kid Qin Chen, just watch it."

boom!

The primordial ancestor dragon roared, laughed loudly, and was the first to kill the ancient top masters of the Demon Race.

And after the Honghuang Ancestral Dragon took the shot, the Blood River Saint Ancestor and others also shot instantly, killing forward one after another, blocking the many peak and supreme demon masters ahead.

But Qin Chen's gaze fell on the old woman.

"hateful."

The old woman looked at Qin Chen with anger in her eyes, a sharp shuttle suddenly appeared in her hand, and her right hand swerved.

boom!

A terrifying aura directly crushed towards Qin Chen!

In the distance, Qin Chen urged the demonic energy in his body and waved his hand violently.

Boom!

That momentum vanished in an instant!

But at this moment, the old woman suddenly disappeared in place, and the next moment, a bit of cold light appeared in front of Qin Chen.

laugh!

At this moment, time and space are directly torn apart!

This old woman had already revealed her lore, because she knew deeply that if she didn't take Qin Chen as soon as possible, she would be in danger.

Facing this blow, Qin Chen did not evade, the Haotian Divine Armor appeared on his body, allowing the attack to stab him.

Bang!

Qin Chen retreated tens of thousands of miles, but he was not severely injured, but the old woman directly retreated tens of thousands of miles away!

After the old woman stopped, she raised her head to look at Qin Chen, her eyes full of solemnity! At this moment, her sharp shuttle has split. Not only that, there is also a sword mark on her chest, left by Qin Chen just now, but most of her strength is blocked by a piece of her secret technique armor. Otherwise, Qin Chen just had that sword,

It's enough to kill her!

Because of this, the old woman's blood surged and spit out another mouthful of blood.

"That's it?"

Qin Chen showed contempt.

laugh! In the next moment, Qin Chen's figure suddenly disappeared, and he took the initiative to attack.

[Chapter 4956: New leader](#)

boom!

When Qin Chen disappeared, the entire Demon Realm void instantly boiled.

A terrible coercion instantly suppressed the old woman, like a tarsal maggot, lingering around, all the time.

The old woman's face suddenly changed.

"boom!"

The old woman's body was instantly filled with a dark magic light, and the runes turned into a dark net to shroud the emptiness. These dark nets continued to spread and penetrate, sealing all the emptiness in the radius.

However, this dark web was floating in the void, but she hadn't touched anything at all, no matter how she perceived it, she couldn't perceive Qin Chen's location.

"impossible!"

The old woman's expression changed. Suddenly, she seemed to have sensed something. She turned around abruptly, and a terrible black glow burst out of her body. Boom, the void in front of her burst into pieces, and the void was penetrated.

But there was no one.

The old woman's face changed drastically, and a figure suddenly appeared on top of her head in the next moment, and Qin Chen slashed down with a mysterious rust sword in his hand.

cut!

A fierce sword light slashed the old woman straight, and the endless sword energy gathered and turned into a pitch-black giant sword that reached the sky, and fell abruptly.

The old woman has a hideous face, and at this time she can no longer show anything, even in front of her crossarm.

"Wall of Darkness!"

An invisible dark light curtain appeared in front of her.

In the next moment, Qin Chen's mysterious rust sword and the wall of darkness abruptly collided with each other.

boom!

The wall of darkness was suddenly exploded, and the next moment, the old woman was blown out in an instant, smashing layers of void.

In the process of flying backwards, a sharp sword light suddenly appeared and came to her quickly.

This sword light is too fast, with endless killing intent, the old woman has no time to resist.

"It's not that easy to kill me!"

The old woman roared, her eyes sullen, and the source of her body burned directly.

boom!

In the surrounding world, the billowing dark power and demon energy quickly converged, turning into an astonishing dark vortex, and a world-destroying aura erupted from the dark vortex.

"The running dog of the dark race."

Qin Chen squinted his eyes, his eyes became fierce, and the Dark King Blood in his body instantly moved.

boom!

A powerful dark aura erupted from the mysterious rust sword, and in an instant, countless dark forces all around retreated crazily, like avoiding snakes and scorpions, as if a courtier had encountered an emperor.

Immediately afterwards, Qin Chen's sharp sword pierced the old woman's eyebrows.

boom!

The old woman's body was instantly nailed into the void, and the body began to annihilate little by little.

"you....."

The old woman was dumbfounded for an instant. Boom, a wave of power surged in her body, trying to break free from Qin Chen's shackles, and terrible power erupted like a volcano.

Qin Chen sneered, and immediately urged the Ten Thousand Realms Demon Tree and the Demon Soul Source Device, and the terrifying Demon Origin Power quickly suppressed the old woman.

boom!

The old woman's physical body exploded on the spot, turned into countless pure devil energy sources, absorbed and swallowed by the magic tree of the world.

boom!

The body of the old woman was only the soul left in an instant.

"How is it possible for you? I am the Supreme Supreme, how could you kill me?"

The old woman stared in anger and said angrily.

Buzz!

The old woman's soul instantly burned, and an amazing soul breath burst out, overwhelming the ages.

"Even if I only have one soul left, it is enough to kill you."

The old woman growled.

Although she only has a soul left, she is immortal as long as the soul is immortal, and with her pinnacle supreme soul, she does not believe that Qin Chen can kill herself.

"An idiot."

Qin Chen snorted coldly, and said lightly to the mysterious Rusty Sword: "Senior Sword Demon, this soul is for you."

The mysterious rust sword trembled slightly, and instantly became excited, and a strange black light suddenly appeared on the sword body, constantly circulating.

boom!

An astonishing force of swallowing was suddenly born from the mysterious rust sword, and began to devour the soul of the old woman crazily.

"What's this?"

The old woman's face changed drastically, and she hurriedly wanted to resist the engulfing of the mysterious rust sword, but the engulfing power on the mysterious rust sword was extremely terrifying, even her soul strength could not be resisted. In her mind, a Dawson sounded faintly. The sound of cold laughter.

"Jie Jie Jie."

"Quack."

"Hehehe!"

The sound of cold laughter constantly seeped into her soul, making her look terrified, but she couldn't resist it. She could only watch her own soul being swallowed little by little into the dark sword body.

"No!"

A terrible scream echoed in the void of the Demon Realm, and then stopped abruptly. An ancient peak supreme master was swallowed in an instant and turned into nothingness.

"idiot."

Not far away, at the big festival, his face was ugly when he saw this scene.

Does the old woman think she is strong? A lingering, old-fashioned trash with a short lifespan, even if he was beheaded by the kid and fled in embarrassment with his soul, what right does that guy have to be rampant.

And the scene here also fell in the eyes of the rest of the strong on the scene, all of them were shocked.

"Human race, there is another peak powerhouse like Xiaoyao Supreme, the man of destiny in this universe."

"Why is the human race so lucky? In every era, there are such strong people appearing?"

Bone tribes, ghost tribes, zerg tribes and other powerhouses all looked shocked.

At this moment, they looked at Qin Chen as if they had seen Xiaoyao Supreme from a million years ago.

Back then, the Human Race Alliance retreated steadily, lingering under the power of the ancestor of the Abyssal Demon, and was almost annihilated.

However, at a critical moment, Xiaoyao Supreme, who soared from the lower realm, was born. In just a few short years, he rose to become the top powerhouse of the human race, blocking the demon alliance's offensive pace.

Now, in Qin Chen, they vaguely saw the demeanor of Xiaoyao.

No.....

Even more terrifying than Xiaoyao Supreme.

After all, the Xiaoyao Supreme was only rising by one person, but now? Everyone looked into the Demon Realm one after another.

A series of terrifying figures cover the sky and the sun, and the Honghuang Zulong and others are fighting frantically against many powerful demons, and they are not letting go.

So many powerful people all appeared with Qin Chen, the leader of an era, I am afraid that he will appear again.

Devildom.

Xiaoyao Supreme also glanced at Qin Chen in surprise.

"This kid..." A gratified smile appeared at the corner of Xiaoyao's mouth.

"Damn it."

The ancestor of Yuanmo had an ugly face, and he did not expect that Qin Chen's strength would have risen to this level.

"Yuanmo ancestor, how are you feeling now?" Xiaoyao Supreme said with a smile.

"Think about yourself first."

The ancestor of the Yuanmo roared and boomed, and the dark tide swept across, instantly suppressing Xiaoyao Supreme.

"Afraid you won't make it?"

Xiaoyao Zhizun laughed, head on, and bang, and the two immediately collided with each other.

"Dust, what shall we do now?"

Sisi and Wan'er suddenly appeared beside Qin Chen.

"Exterminate these demons first."

Qin Chen looked at the battlefield of Honghuang Zulong.

[Chapter 4957: Strong plan](#)

Qin Chen looked at the battlefield not far away.

At this time, on the battlefield, countless powerful men are fighting frantically, and an ancient giant of the demon race is fighting with the ancestor dragon and others, and under the attack of the ancestor dragon and others, they are constantly parrying each other.

"Hahaha, cool, it's so cool."

The primordial ancestor dragon laughed loudly and looked excited. He shook the dragon body, and the terrifying chaotic dragon energy shook the heaven and the earth, turning into real dragon energy, roaring between the heaven and the earth.

Boom boom boom boom!

The aura of true dragons swept through, forcing a demon's peak supreme to retreat again and again.

On the other side, under the joint efforts of several masters, many masters in the Demon Realm also struggled to resist and retreated frequently.

"Damn, where are so many powerful people?"

Lu Yuan Zhizun and other masters of the demon clan looked frightened, especially after seeing the old woman die at the hands of Qin Chen, all of them were shocked.

"Huh!"

At this moment, the three Qin Chen suddenly appeared.

"Hahaha, kid Qin Chen, are you here? Look at the strength of the original ancestor?" Honghuang Zulong laughed. His opponent is a strong demon with a burly stature. The size of a meter, between raising your hand, is enough to blast the stars, but under the pressure of the prehistoric ancestor dragon, it is even

Even backed up and resisted with difficulty.

Qin Chen frowned and said, "Fighting for so long, hasn't a strong Demon clan beheaded?"

Honghuang Zulong was taken aback, and said angrily: "These are all peak supreme-level masters. How can they be so easy to be killed? In ancient times, they were all top giants."

Qin Chen said lightly: "Then how did I kill one?"

"This..." Honghuang Zulong's expression froze.

"Don't talk nonsense." Qin Chen raised his head and looked at the entire battlefield, his eyes exploded with Li Mang: "Everyone, listen to my orders."

Everyone was startled.

"Today, I want to slaughter the Demon Realm and return the universe to a bright and clear sky."

"Exterminate the Demon Realm?"

Honghuang Zulong widened his eyes, "Kid Qin Chen, are you serious?"

"Nature!" Qin Chen said coldly.

boom!

At this time, after the blood river ancestors and others fought each other's opponents, they retreated to Qin Chen's side.

"Damn, these guys are really hard to deal with."

Many masters of the Demon Race also stepped aside, the Demon Race Supreme, the Eclipse Supreme, and some of the Demon Race's ancient peak supreme experts, all looked solemn.

The three great chaos gods and demons, as well as the three top masters of Shadow Supreme, Meteorite Supreme, and Promise Supreme, have a total of six pinnacle supreme, giving them strong oppression and letting them be restrained. "Hmph, it's okay. Although these people have cultivated to reach the sky, there are ancestors in my demon world. As long as the ancestors kill the Xiaoyao Supreme, then these guys will not escape death. I wait, just stop They don't let him

We can escape from the devil world. "

"Yes, just stop them and wait for the ancestors to win, what else can they make up?"

"But you can't be careless. The Supreme Grievance died because of carelessness in this person's hands."

"Hmph, that's an idiot of Grim Sovereign, who wants to make meritorious deeds."

"Yes, if I wait to join hands, except for the strong like the ancestors, there is no fear in the world."

"The only thing to be careful now is not to let these human race guys escape."

"Don't worry, with me waiting, even a dragonfly can't fly out of this demon world."

Huanggu Zhizun and other peak powers of the demon clan said in a cold voice, but there was a trace of disdain and ease in the solemn eyes.

Although the Great Ancestral Dragon gave them a lot of pressure, they knew very well that they couldn't kill themselves with the strength of the opponent, and it would be extremely difficult to tell the victory or defeat in the battle of the peak supreme level under normal circumstances.

As long as the ancestors win, no one of these guys can escape.

All they need to do is to prevent Qin Chen and the others from escaping from the Demon Realm.

On the other side, Blood River Saint Ancestor and others looked at Qin Chen.

"After a while, do as I say, fight alone. It is extremely difficult to kill the pinnacle, but I only need to wait..."

Qin Chen whispered secretly, telling everyone his plan.

Hearing Qin Chen's plan, the eyes of Honghuang Zulong and the others suddenly became round.

"Good boy, your idea is too dark, right?"

Honghuang Zulong slapped his tongue, and there was a faint excitement in his eyes.

Not only him, but Blood River Saint Ancestor, Great Elder and others also showed excitement one after another.

When Qin Chen communicated with them.

Outside the devil.

Shen Gong Zhizun and others are extremely nervous.

"After Qin Chen and the others smashed out of the Demon Realm, the Bone Race and other strong clans will definitely stop them, and then it's up to us." Shengong Supreme said solemnly.

"clear."

"Don't worry, as long as the Ten Thousand Bone Supreme and others dare to do something, I will never let them succeed."

A series of calm voices sounded from behind, with coldness and determination.

Ju is the strong man gathered from the Human Race Council.

At this moment, in the endless void behind the human camp, there are still a few faint auras of horror emerging.

Some strong men of the Human Race have also secretly arrived on the scene.

Shen Gong Zhizun looked at Qin Chen in the Demon Realm, and slightly clenched his fists.

"Qin Chen, don't have anything to do, otherwise no one will inherit the work and craftsmanship."

Shen Gong Zhizun murmured.

In the devildom.

Qin Chen gathered together.

"Okay, now follow the plan and implement it immediately."

Qin Chen turned his head and glanced at the demon clan's several peak supreme experts, and said in a deep voice, "Go."

Words fall.

boom!

The people of Qin Chen soared into the sky in an instant, turning into a series of magnificent streamers, and suddenly rushed towards the distant Demon Realm.

"No, they are going to flee, don't let them go."

Upon seeing this, Huanggu Zhizun immediately shouted angrily.

"These despicable humans."

boom!

I saw that in the team of the supreme powerhouses of the Demon Race, a stream of lights rose to the sky, and one after another blocked them. At the same time, a series of formations clashed and quickly entangled Qin Chen and the others.

Among them, there are three of the pinnacle supreme, which controls the law of the origin of space, the fastest, and in an instant, they approached Qin Chen and others.

"Stop them."

boom!

When these three pinnacle sages approached Qin Chen and the others, they directly attacked Qin Chen and the others from afar.

In addition, their attacks were directed at the ten-tailed magic fox that was at the end of the crowd.

Only for one person.

Because they know very well that if the attack is scattered, it will not work at all. They can only attack one person, and as long as they stop one person, then Qin Chen and others will definitely not leave another person and leave.

Human beings are so hypocritical.

"These guys are really cunning."

Seeing this, Qin Chen instantly saw through the other party's purpose: "In that case..."

"Everyone, do it."

Qin Chen shouted sharply.

boom! In an instant, Qin Chen and the others who had been violently plundering outside the Demon Realm suddenly turned around and slashed them down.

[Chapter 4958: Where's the blood](#)

Seeing Qin Chen, they turned and killed.

The leading three-headed peak supreme-level demon expert suddenly smiled.

Sure enough, these guys will not abandon their own people.

Human race is so ignorant.

They were not attacking the human race, but the ten-tailed magic fox, an ancient chaos **** and demon.

At the beginning, when they attacked the ten-tailed phantom fox that had escaped at the end, they were worried that Qin Chen would leave the ten-tailed phantom fox behind.

But now, they all laughed, Human Race is still the same as before, so ignorant.

"These guys still want to resist, it's ridiculous, we just need to stop them."

The leader of a strong Demon Race smiled slightly, and a mocking smile was outlined at the corner of his mouth.

"Listen to my orders, don't fight against them, just keep them in the demon world."

The person ordered.

"Meteor Supreme, there is no need for you to give orders. I will wait to know what to do. We are not resenting the Supreme, we have to fight each other desperately, entangle each other, and don't give them a chance to escape."

The other two Demon Race Ancient Supremes on the side all smiled lightly, their brows full of confidence.

boom!

At the moment Qin Chen and the others came to kill, the three Demon Ancient Supremes who attacked the ten-tailed magic fox, instead of going up to fight Qin Chen and the others, they turned around and retreated. However, they did not retreat far, just a little distance from Qin Chen and the others. This way, there is no need to worry about Qin Chen and the siege, but they did not retreat far enough, only Qin Chen and the others want to escape from the devil

World, they can chase up again for the first time.

Cunning and treacherous.

Being able to live in the demon world for so long, the three of them are not idiots, and naturally know what they should do now is the right thing.

The whole process is long, but in fact it is only a moment.

boom! At this time, the previous attack of the three of them hit Qin Chen and the others who had been killed in a reversal. The terrifying flood of devil energy immediately shook the void, and the entire demon world was roaring, bringing Qin Chen and the others. Killing footsteps

Immediately fettered.

Naturally, this scene was clearly seen by the Divine Worker Supreme from outside the Demon Realm.

"No, these Demon Race Ancient Supremes are too cunning, and Qin Chen was entangled by them." Shengong Supreme looked anxious.

He could see the purpose of the other party at a glance.

Like a pack of wolves in the wild, after encountering prey, they will not directly attack, but will continue to surround themselves at a suitable distance, looking for the right time.

Such tactics are truly terrifying tactics.

The old woman's behavior of resenting the supreme was just a reckless man.

"Shen Gong, do we want to go in?"

At this time, Jiu Yao Zhizun and other human experts hurriedly stepped forward and said through the sound transmission.

They all could see that Qin Chen had already been pinched by the supreme demon clan. "No." Shengong Zhizun directly shook his head, and then glanced at the position of the Bone Race and other strong clan:

"With my strength, rushing into the Demon Realm will not help, but it will distract Master Xiaoyao. , Our work

The purpose is to stay outside the Demon Realm, to guard against the Bone Race, Zerg Race and other strong people, to respond to Qin Chen and the others, instead of going in and fighting. This is not our strong point. "

Although Shen Gong Zhizun is anxious in his heart, but his expression is firm.

He knows exactly what he should and should not do.

only...

Having said that, Shen Gong Zhizun waved his hand at the Demon Realm, but endless anxiety emerged in his heart.

Devildom!

Qin Chen and the others instantly resisted the attack of the three powerful masters of the Demon Race, and seeing the other side rapidly pulling the distance away, instead of worrying, a sneer smile appeared in their hearts.

At this time, although the three supreme sages were far away from Qin Chen and the others, in order to prevent Qin Chen and the others from leaving, the position of each other was a position where each other's magical powers could attack.

However, Huanggu Zhizun and another group of Demon Race Ancient Zhizun were still rushing in from a distance.

At their speed, I am afraid that it only takes a dozen breaths to get to the battlefield here.

Ten breaths?

Qin Chen narrowed his eyes.

enough.

The next moment, Qin Chen looked at the ten-tailed magic fox suddenly.

"Senior Ten-tailed Magic Fox, it's up to you!" Qin Chen said solemnly.

"Okay, leave it to me."

The ten-tailed magic fox looked excited, and there was expectation in his eyes. As Qin Chen said before, it was indeed possible that if he succeeded, then this demon world powerhouse would be really dangerous.

"kill!"

The ten-tailed magic fox's voice fell, and his figure swept forward immediately.

boom!

A huge phantom fox with a head of billions of feet high instantly appeared between the world.

This phantom fox is extremely huge, ten huge phantom tails are constantly surging, the world is majestic, like a god.

"Well, what does this ten-tailed magic fox want to do?"

At this moment, all the strong on the scene saw this scene.

Ten-tailed magic fox alone, want to fight the three supreme demons?

Think too much, right?

boom!

On the battlefield of the Demon Realm in the distance, battles continued to erupt.

The ancestor of Yuanmo naturally saw the picture here, and didn't worry about anything in his heart.

In the Demon Realm, he was not afraid of anyone, because he could feel that Xiaoyao Supreme was here, already partially suppressed by himself.

After he pulled out his hand, wouldn't it be enough to kill Qin Chen and others?

The three of Meteorite Supreme also had the same idea.

Just entangle the other party!

The ten-tailed phantom fox is here, it doesn't matter, it's just an ancient chaos **** and demon, for a while, these guys can't kill themselves, what are they afraid of?

We are all behind!

And the moment the ten-tailed magic fox arrived, it was not doing anything else, but instantly all ten tails were burning.

boom!

The entire starry sky was boiling, and at the same time, the eyes of the ten-tailed magic fox burst into colorful light in an instant, and in an instant, it covered the void of hundreds of thousands of miles.

This is the special supernatural power of the ten-tailed magic fox. It charms the enchantment and has no other effect. The only effect is to charm all creatures in the enchantment.

Charm?

The trio of Meteorite Supreme was instantly enveloped by this enchanting force, and they couldn't help but frown.

The enchantment of the ten-tailed magic fox is extremely terrifying, but at most it can only charm the late supreme. They are all veteran pinnacle supreme. If the opponent targets one person alone, it may affect some.

But now it actually charms the three of them at the same time, what do you think?

Even though he thought so in his mind, there was still a terrifying starlight in the body of the Meteorite Supreme, and he fisted out, and the nearby void was exploded. He faintly felt that it was not appropriate, and he did not want the ten-tailed magic fox to set up this enchanting enchantment.

The ten-tailed magic fox continued to set up the formation without saying anything.

At this moment, a faint trace of blood began to emerge in the surrounding space. The trio of Meteorite Supreme was stunned for an instant. Where did the blood come from?

[Chapter 4959: Next one](#)

And in this stupor.

boom!

A terrible blood burst instantly, and in an instant, within a radius of tens of thousands of miles, it was enveloped by an endless sea of blood.

This monstrous blood was vast and mighty, and in a very short period of time, it enveloped the three top supreme demon clan.

In an instant, the three of Meteorite Supreme could no longer see each other and were swallowed by an endless sea of blood.

The mighty vitality drowned everything.

Is the ancestor of the blood river.

"Damn it, what is this?!"

"Blood, where is such a strong blood?"

The hearts of the three Supreme Meteorite Supremes instantly tightened, and a faint feeling lingered in their hearts.

boom!

A terrible breath burst out from the bodies of the three of them. The Meteorite Supreme's right fist gathered the power of the terrifying magic star, and it blasted out with a bang. In an instant, the sea of blood was surging, and a huge gap was blasted open. , Within a radius of thousands of miles, the blood was swept away.

But before he was happy in his heart, these blood seas poured over again, filling up the previously bombed position, as if it were everywhere.

What a strong defense!

Meteor Supreme's heart shuddered.

The power of this sea of blood is extremely terrifying. With his strength, a small world can explode with a single punch, but in this sea of blood, he can only blast a radius of thousands of miles. How can he not shock?

But in a panic, Meteor Supreme is also an ancient powerhouse who has gone through countless battles, their main purpose is to prevent Qin Chen and the others from leaving, and they are not prepared to fight Qin Chen and the others recklessly.

"This is the opponent's trap. If you want to use the power of this sea of blood to trap us, I just need to protect myself and be invincible."

Meteorite Supreme sternly said.

The Ancient Supreme and the others are not far from here. At the speed of the Ancient Supreme, they are afraid that they can get there in about ten breaths, and they only need to hold ten breaths to get out.

Only ten breaths, they don't believe that they can't hold on for such a short time.

After all, they have three great powers, no matter where they are placed, they are a force that cannot be underestimated.

However, at this moment, a terrifying chaotic aura suddenly erupted in this enchantment and the sea of blood.

The power is far more powerful than Meteorite Supreme imagined!

boom!

A majestic dragon poured down, and the cover was pressed down instantly.

It was the prehistoric ancestor dragon, in the void, endless chaotic energy boiled, as if an ancient giant beast appeared, opening its mouth, and biting towards the meteorite supreme!

The Meteorite Supreme changed color and slammed a punch.

Boom!

The fist bursts, bursts completely.

"puff!"

A mouthful of black blood spurted out, and Meteor Supreme's face changed. This...impossible!

How could the opponent's power be so strong? !

Under the bite of this chaotic dragon, the mighty power is beyond imagination, if this chaos dragon takes a shot, he will most likely lose, let alone Qin Chen and the others.

"The chaos begins, the blood oscillates, I enlighten the Tao with the origin of blood, transform the blood into the ocean, and block all Taoism with the rules of blood..."

In the sea of blood, the magnificent voice of Blood River Saint Ancestor resounded.

At this time, a huge shadow of blood qi appeared in the void, holding the chain, only seeing the back, the chains of blood qi surging violently, locked the Meteorite Supreme, that is the avenue of the

Meteorite Supreme, the blood river ancestor's body is shaking, the meteorite The Supreme yelled, shaking the road, and didn't want to be locked!

And at this moment.

The enchantment barrier was surging, and at the same time, a figure appeared beside Meteor Supreme, Chen Sisi.

In Chen Sisi's eyes, the terrifying power of charm surged, and the road of charm was activated instantly, naturally charming.

"boom!"

Under the dual influence of the enchantment barrier and Chen Sisi's enchantment technique, the eyes of Meteorite Supreme instantly became confused.

No, I have to be sober and wake up.

But at this moment of confusion, the Meteorite Supreme roared in his heart, and the strong will in the soul sea burst out, making him forcibly awake.

As soon as he woke up, he saw a bloody, endless blood bursting out, and the chains of blood entangled in an instant, trapping the Meteorite Supreme.

"No, block it!"

The Meteorite Sovereign roared, and in an instant, 10,800 stars in his body burst out instantly, and that endless blood was stretched by him, but at this moment, the attack of the prehistoric Ancestral Dragon fell again.

boom!

A huge dragon claw seemed to protrude from the chaotic void, firmly grasping the Meteorite Supreme.

"You can't kill me."

The meteorite roars.

hold onto.

You only need to hold on for a few more breaths, and they will be able to arrive. When the time comes, none of these guys will survive.

puff!

Suddenly, a sharp sword light appeared in front of him, the sword light turned into a vast ocean, unstoppable, came to him in an instant, and pierced the center of his eyebrows.

puff!

Sword Qi surged, directly piercing the soul of Meteorite Supreme.

It's Qin Chen...

Qin Chen, who had been preparing for a long time on the side, displayed his own sword at this perfect timing.

With a bang, the body of Meteorite Supreme directly collapsed, and at the same time, a terrifying sword intent directly enveloped Meteorite Supreme's soul.

A strong swallowing force struck in an instant, swallowing his soul bit by bit.

It is the terrifying power that erupts from the Devil Tree of the Ten Thousand Worlds and the mysterious Rust Sword.

impossible.

Meteorite Supreme's eyes widened, with an incredible expression in his expression, and he watched his soul disappear little by little, and finally, completely disappeared.

boom!

Behind Qin Chen, the Demon Tree of the Ten Thousand Realms and the Demon Soul Source Device appeared, and the infinite power of the Meteor Star was swallowed by the Demon Tree of the Ten Thousand Realms, and was directly transformed into the purest power and stored in the Demon Tree of the Ten Thousand Realms.

at this time.

In the vast sky of the Devildom.

A terrifying vision of heaven and earth was born, the origin of the demon world emerged, revealing the color of cheering and joy, and the whole universe of heaven and earth was roaring and roaring.

It can be seen with the naked eye that on a continent in the Demon Realm, a rain of blood is pouring down, shaking the earth and the earth.

At this moment, everyone was shocked by this astonishing scene and looked at the vision between heaven and earth in amazement.

Such a vision.

It is clear that a pinnacle supreme has fallen, causing the roar of the entire demon world.

But this... how is it possible?

The Wild Ancient Supreme, who was flying fast, showed a look of anger, how long has it been?

The whole process is a long one, but in fact, it was only a few short breaths. One peak supreme in the demon world has fallen? Is it one of the three nobles such as Meteorite Supreme?

Their eyes all looked at the world surrounded by endless blood, and their expressions were frightened and angry.

"quick."

"Must go as soon as possible."

Huanggu Supreme yelled angrily.

at this time.

In a sea of blood.

Qin Chen's eyes were cold.

"One!"

Qin Chen looked up.

The Meteorite Supreme has fallen.

Everything is in his plan.

"So now, it's the next one."

boom!

Qin Chen's figure disappeared instantly in this endless sea of blood.

[Chapter 4960: Who fell](#)

Killing the Supreme Meteorite with one blow, Qin Chen and the others didn't hesitate at all, their figures suddenly disappeared, and they swept towards the next trapped Demon Clan Peak Supreme.

at this time.

The distant direction.

The void outside the demon world.

Shen Gong Zhizun and the others looked around with vigilance, guarding against strong clans such as the Bone Race.

Suddenly, the world of Demon Realm below was violently turbulent, and Shen Gong Zhizun and others who were fully prepared for it were slightly startled and dazed for a moment.

They even looked at where the Demon Realm was. At this moment, a rolling Demon Realm Origin appeared in the sky above the Demon Realm, and the Demon Realm Origin was cheering.

And around them, the original will of the universe also oscillated, seeming to be faintly supplemented.

"There is a strong pinnacle supreme level dead."

Shen Gong Zhizun's heart shuddered, revealing horror.

Such a vision definitely means that a pinnacle supreme-level master has fallen, and a pinnacle supreme-level master is already above the rules of the universe. If you want to improve yourself, you can only plunder the power of this universe with the origin of the universe.

Therefore, the fall of the pinnacle supreme master is a huge loss for a race, but it is a kind of restoration for the origin of the vast universe.

Regardless of whether the opponent is refined by other people, as long as the pinnacle supreme-level master falls, there will be some origin and rules to give back to the world, and let the origin of the universe take a breath.

who is it?

Who fell?

Divine Work Supreme was shocked in his heart.

Lian Ning looked into the devil world.

Not only the Human Race Alliance, but also the Bone Race and other powerhouses, have also looked over.

A certain continent in the Demon Realm is pouring blood. This is a world where countless vast magic stars are suspended. Each magic star hangs between the heaven and the earth, which contains special rules of heaven.

But at this moment, in the sky above this Demon Realm Continent, one after another demon stars burned and fell one after another.

The sky tore apart, the burning magic star smashed into the continent, and huge holes appeared one by one, as if the end was coming.

This Demon Continent was turbulent, natural disasters broke out in an instant, and countless demons died.

It is the supreme of the demons.

Shengong Zhizun breathed a sigh of relief. The change in the continent of the Demon Realm clearly indicated that it was a demon's top supreme who had just fallen.

That is not bad.

As long as it is not Qin Chen and the others.

He breathed a sigh of relief, but he was also puzzled in his heart, how did Qin Chen and the others kill a Demon Peak Supreme?

But he was relieved, the other side of the strong man such as Ten Thousand Bone Supreme, their pupils shrank.

I was shocked.

On the territory of the Demon Realm, the top supreme of the Demon Race actually fell first?

How can this be?

What happened before?

at this time.

Devildom.

The ancestor of the Abyssal Demon who was fighting against Xiaoyao Supreme was also taken aback.

He was really stunned, so that he didn't care if a finger was cracked by Xiaoyao Supreme's Desolate Sky Tower. He instantly retreated, even looking back at the continent where the stars had fallen.

At this time, over the continent, a faint shadow suddenly hit the starry sky and fell.

"The Demon Star Continent, that is the territory of the Demon Star Clan, is it the Meteorite Supreme that fell?"

The ancestor of the Yuanmo subconsciously glanced at the vast sea of blood. He remembered that the Meteorite Supreme had chased the boy Qin Chen before, and was enveloped by this endless sea of blood.

He had heard that the master of the sea of blood was the ancestor of the blood river in the ancient times, and it was indeed a terrifying existence among the ancient gods and demons.

However, no matter how strong the Blood River Saint Ancestor is, it is impossible to kill the Meteorite Supreme in just a few breaths.

This is an ancient peak demon supreme.

The ancestor of the deep demon was furious, looked at the billowing blood in the distance, saw the terrible murderous aura rising over there, saw the beam of energy and blood, and saw the signs of the fall of the strong...

Waste is a bunch of waste.

He couldn't help being frightened.

The war just broke out, don't look at it for a long time, in fact, from Qin Chen and the others trying to escape, Meteorite Supreme and the others chased, Huanggu Supreme and the others rushed forward, there were only dozens of breaths before and after.

From Qin Chen and the others being forced to counterattack, to the endless sea of blood enveloped, and then to the fall of the Meteorite Supreme.

There are only a few breaths.

The Meteorite Supreme actually fell.

This is not the most important thing, the most important thing is that the meteorite supreme has fallen, and there is no movement at all?

Anyway, he's also a pinnacle supreme, don't you want to fight to death?

At least make some noise, right?

From ancient times to the present, no peak supreme has been so useless, even if the evil resentment supreme has fallen, he has fought Qin Chen for a long time anyway.

And the fall of the Meteorite Supreme was simply silent.

What is there in the sea of blood?

The ancestor of the deep monster really couldn't accept it.

Meteorite Supreme is such a top powerhouse of the ancient demon race, even if it is not in the peak state, it is a real powerhouse, and it is not considered a weak person in the peak supreme. If the attack is earth-shaking and killed by someone, then the ancestor of the abyss demon can accept it.

It was so unclear, he couldn't accept this fact!

Although he was frightened and unacceptable in his heart, Xiaoyao Supreme would not give him time to react. Knowing what had happened, he violently spurred the Huangtian Pagoda and slammed it towards Meteorite Supreme.

"Xiaoyao Supreme, you are looking for death."

The ancestor of the deep demon roared and roared.

boom!

The war broke out again.

at this time.

In the endless blood.

The other two demon primates near the Meteorite Supreme—the Sovereign Demon Supreme and the Extinction Source Supreme, actually didn't know that the Meteorite Supreme had died in battle.

Until the vision of heaven and earth appeared, Dangmozhizun looked at the sky subconsciously.

It's strange that the aura of the origin of the universe descends, and a peak supreme has fallen?

who is it?

Are they the guys on the opposite side?

At this moment, I hadn't thought it would be the Meteorite Supreme.

Because he didn't feel the explosion of Meteorite Supreme at all!

How can a pinnacle supreme master fall so easily?

However, he was just in a daze, because he was facing the great elder and great protector of the righteous army, the shadow supreme and the meteorite supreme.

These two people are not weaker than his peak supreme now, in this endless sea of blood, he dare not care at all.

boom!

A terrifying magical law emerged from the body of the Supreme Demon Sovereign, guarding himself.

Hold on.

Immediately Huanggu Zhizun and the others came, and it only took a few breaths. Once the Huanggu Zhizun and them arrived, none of these guys could escape.

Was thinking about it.

suddenly.

Hum!

The void around the Supreme Demon Sovereign quaked violently.

"Who?"

Furious in his heart, Sovereign Demon Supreme turned hurriedly, and a terrifying phantom appeared. This phantom was holding a blood-colored chain, and the blood-colored chains collided with the magical laws displayed by Sovereign Demon in an instant.

Uproar!

The endless rules of blood entangled to the Supreme Demon in an instant.
