

Chapter 708

In actuality, Josephine did not oppose the idea of Jared being with Lizbeth. After all, she and Lizbeth were best friends. If Jared took Lizbeth as an additional companion, Josephine would always have her best friend with her.

Although Josephine could except Lizbeth, it did not mean that she could allow Jared to be with any other women. She would surely oppose if Jared were to take Melenie or Lyenne as his additional companion.

The mood in the living room became a little awkward. Suddenly, Lyenne screamed and pressed her hands tightly to her head. She seemed to be in pain.

“Lyenne... Lyenne... What's wrong?” Melenie rushed to stop Lyenne from falling.

“Godfather is calling for me. I have to speak to him.” Lyenne frowned and seemed at a loss.

She did not know what she could report to Poison King. Lyenne knew she would be in trouble if she told him the truth.

However, if she lied to him, Poison King would eventually find out the truth. After all, she could not bring Jared to him.

“Lyenne, you shouldn't return to Mepleton. We are not sure whether Poison King killed our parents. Let's investigate it first.” Melenie did not want Lyenne to return to Mepleton. If Poison King killed their parents, Lyenne would be returning to the murderer.

“No, I don't have a choice. If I don't return immediately, Godfather would activate the parasite and make me suffer. If the parasite dies, I would die too...” Lyenne shook her head. Poison King had many subordinates, and he controlled them using this method. In actuality, Josephine did not oppose the idea of Jared being with Lizbeth. After all, she and Lizbeth were best friends. If Jared took Lizbeth as an additional companion, Josephine would always have her best friend with her.

“Don't worry about that. Mr. Deragon can help you to remove the parasite. He is a renowned cultivator,” Melanie advised Lyanna.

“Don't worry about that. Mr. Deragon can help you to remove the parasite. He is a renowned cultivator,” Melenie advised Lyenne.

Lyenne shook her head. “My godfather has raised me for many years. I can't just leave him like this...”

“Lyenne, what would you do if Poison King was the one who killed our parents? Are you going to accept our parents' murderer as your kin? Furthermore, Poison King wanted you to capture Jared. Since you can't capture him, he will punish you when you return.” Melenie was worried and kept trying to get Lyenne to stay.

Lyenne remained silent before saying calmly, “I will ask Godfather about our parents. As for my failure to capture Jared, I don't think he will do anything to me. After all, he has raised me for many years.”

Lyenne insisted on returning to Mepleton. She could not bear to leave the place she grew up.

“Brody would not lie. Since he said Poison King planted the wasp venom in your parents, it must be true. You could be in danger if you insist on going there,” Reyleigh warned Lyenne.

“Don't worry about that. Mr. Deragon can help you to remove the parasite. He is a renowned cultivator,” Melanie advised Lyanna.

Lyanna shook her head. “My godfather has raised me for many years. I can't just leave him like this...”

“Don't worry about that. Mr. Deragon can help you to remove the parasite. He is a renowned cultivator,” Melanie advised Lyanna.

“Don't worry about that. Mr. Deragon can help you to remove the parasite. He is a renowned cultivator,” Malania advised Lyanna.

Lyanna shook her head. “My godfather has raised me for many years. I can't just leave him like this...”

“I don't care that it might be dangerous. I have to go back and ask Godfather.” Lyanna refused to back down.

“I don't care that it might be dangerous. I have to go back and ask Godfather.” Lyenne refused to back down.

“I will go with you,” Jared said suddenly.

“Jared, are you crazy? Are you trying to get yourself killed?” Josephine became worried when Jared proposed to go to Mepleton with Lyenne.

“Since Poison King wants to capture me, he will keep sending someone to abduct me. Therefore, I might as well go to Mepleton and meet him. Poison King is not even at Xander's level of power. Since I killed Xander, why should I be afraid of Poison King.” Jared seemed unconcerned.

Lyenne looked at Jared with an astonished expression. She did not expect him to volunteer to go to Mepleton with her.

“You should not underestimate my Godfather's abilities. Although he is only a Senior Grandmaster, he is adept with poison. Furthermore...” Lyenne hesitated but decided not to continue. It seemed that Poison King still had some secrets that Lyenne did not dare to divulge.

“Poisons don't work on me, so I have nothing to be afraid of. You can take me there,” Jared replied.

There was another reason why Jared asked Lyenne to take him to Mepleton. To Jared, the poisonous creatures in Mepleton were good resources for his cultivation.

“I don't care that it might be dangerous. I have to go back and ask Godfather.” Lyanna refused to back down.

“Jared, are you crazy? Are you trying to get yourself killed?” Josaphina became worried when Jared proposed to go to Mepleton with Lyanna.
