C20 The World Is so Big That There Is Always Someone You Can't Afford to Offend

Lin Feng stood up, he changed into a kind face, as though he was an elder talking about home.

"Thank you for your concern, Boss Lin. My father is well." Jiang Muwan said in a neither humble nor arrogant manner.

"Haha, that's good!" Your father and I are old chess friends, so I've often heard him talk about you! "

Lin Feng laughed, he did not think that Jiang Muwan was also in the ranks of "invitations".

Although he was not afraid of Jiang Wenhao's power, he did not dare touch her gold. Jiang Wenhao's identity was too sensitive. If he dared to act recklessly, it was equivalent to

offending a group. At that time, he would not be able to bear the consequences.

"The one leading you is called Zhao Wenbo, right?"

"Tell me, what should I do?"

After Lin Feng exchanged greetings, the topic of conversation changed to a different face.

"Peak..." Brother Feng ... You... "How much do you want?"

Zhao Wenbo had always felt that he was very outstanding. That's right, he came from a family of

billions, and was truly a rich second generation.

But now, he was truly a bit panicked.

There were too many legends about Lin Feng. In the short span of more than ten years, he had

gone from nothing to having one of the top Jiangdong City s status, relying on cruel methods that

caused his enemies to feel fear from the wind!

He really had no confidence in dealing with such a person!

"Haha ..." "Hahaha ..." Lin Feng laughed.

"You little rascal, you actually dare to talk about money with me? You... Forget it, junior, I won't

lower myself to your level. "

"Brother Wang, tell me, what kind of result do you want?"

The fatty finally had the chance to speak. He had already made his choice.

"This... "And this, stay with me!" The fatty pointed to Young Master Ji's girlfriend and He Si Rui.

One of the two girls was plump and the other slim. Together, they complemented each other. This

fatty's eyes were indeed sharp!

"Haha, good!" "Then I'll choose one as well. We won't leave until we're drunk tonight!"

Lin Feng waved his hand and actually held Sun Xiaoling in his arms. His taste was quite unique, and the unique temperament from Sun Xiaoling attracted him even more.

"Let me go! I told my friends to come and catch you!" Sun Xiaoling was quite valiant, but she could not change her arms and legs.

"Humph!" I'll just call you guys, and no one will come get me. "

"Alright, I won't go back until I'm drunk, hehe!"

After Fatty said this, he also went to pull Tian You's girlfriend and He Si Rui.

"Wenbo, Wenbo, save me! Wenbo!"

He Si Rui struggled desperately. She didn't want to accompany this greasy middle-aged man. If

this matter were to be spread out, how could she still have the face to marry into a rich family and

become a rich wife!

"Kid, I advise you to be more sensible. My Brother Feng has already let you go. Don't not cherish

this opportunity!"

The fatty was now completely relying on his power and influence to force his way through.

Zhao Wenbo was so angry that he stood there, his face trembled as he considered it over and over

again. In the end, he opened his mouth and said: "Brother Feng, then I'll go back first."

He was well aware of what kind of a person He Si Rui was. Relying on his youth and looks, he

climbed into bed to call himself his future wife.

Actually, even if this matter didn't happen, he would still kick He Si Rui away when he got tired of

it.

There were too many of these women, he could have as many of them as he wanted.

The main

reason for his anger was because he lost face.

"Alright, the rest of you can go! Today's matter shall end here!" Lin Feng waved his hands in

disdain.

"Boss Lin, Sun Xiaoling is a friend that I grew up with. Please let her go!"

Suddenly, a female voice made Lin Feng's body stiffen, and his face darkened.

"Miss Jiang Family, everything has to be done according to the rules."

"If you interfere again, that would be breaking the rules."

Lin Feng flipped his face faster than a book, the upper class only played with their reputation.

If a silly little girl could take someone from his hands, then what qualifications did he have to

become a Jiangdong City leader?

Jiang Muwan stubbornly stood at her original spot, she did not know what to do. If she turned

around and left, the next thing she would see tomorrow would be a corpse.

"Jiang Muwan, you don't need to care about me, just leave!"

"Get lost!"

Tears flowed out of Sun Xiaoling's eyes. She also did not want to involve her best friend.

"..."

"Sigh!" I, as a person, am unable to stand this drama of heartache! "

Shen Qingfeng sighed, he had no choice but to step forward, he did not want the women beside

him to suffer.

"I said, let me bring the people here, let's forget about today's matter, how about it?"

He blocked in front of Jiang Muwan and said.

Silence.

Everyone in the entire Emperor Hall was stunned, and Zhao Wenbo looked at him with a terrified

gaze.

"Are you crazy?"

What was he doing? He finally managed to pick up a life, was it going to end like this?

"Hahaha ..." Sure enough, a young hero had appeared! Kid, what did you say just now?

"

Even Lin Feng was stunned for a moment before realizing that the other party was talking to him.

"Qing Feng ..."

Jiang Muwan subconsciously pulled on Shen Qingfeng's sleeves. She also didn't expect Shen

Qingfeng to stand up for her on an impulse.

She knew that Shen Qingfeng was very good at fighting, but for Lin Feng to be able to sit steadily

in the second position for so long in the Jiangdong City, it was obvious that he was not an existence

that could be settled by relying solely on force.

Lin Feng patted her hand and gave her a warm look.

Don't worry, I'll take care of everything!

"There will be a day when I come out to mess around."

"You should know that the world is very big, and there will always be people you can't afford to

offend."
