

Billionaire's Beloved Warm Wife #Chapter 11 - Read Billionaire's Beloved Warm Wife Chapter 11

The news is about Yun Yiyan and his sister.

Joe looked at the pictures on the news without blinking. In the photo, both Yun Yiyan and Qiao Xin are smiling, and they are in a good mood.

Qiao Xin took Yun Yiyan's arm affectionately, with a happy smile on her face.

Yun Yiyan's face is also with a smile, can't see what his smile represents. But Jovi had never seen him smile at himself like this. Qiao Wei clenched the spoon in his hand and listened to the news about them. It seems that they were photographed by the paparazzi while they were eating out.

Yes, Jovi didn't forget a thing. That is to say, in addition to being a vice president of the cloud family, Yun Yiyan is also a graceful young man of the cloud family. Such an identity, how many women are flocking to him, want to have a little intersection with him, so how many will make an affair. Later, they used the influence of Yunshi or the fact that they were married to suppress the scandal.

In the past two years, Qiao Wei has seen all these things. But this time, what she never thought was that Yun Yiyan's target of scandal would be her sister.

Suddenly, Jovi thought of one thing. It was last month when Qiao Xin came to find herself. At that time, I said a few words that I didn't quite understand. But now, Jovi understood it all.

"Sister, you and Yun Yiyan will not have a result! Because Yun Yiyan's heart hides a deep love woman. You'd better get a divorce as soon as possible. When it comes to publicity, it's you who gets hurt again! "

Qiao Wei remembers Qiao Xin's expression at that time. It turned out that it was not ridicule, but she was determined to get it! So she is the woman that Yun Yiyan loves in her heart?

Huo Dongyang saw Qiao Wei's changing expression, and his eyes glanced at the TV. Pick up the remote control and turn off the TV.

Yes, he admitted that he was upset. "What? Still thinking about your ex husband? "

When Qiao Wei heard Huo Dongyang's words, she looked back at him, and she could tell that Huo Dongyang was angry because he bit the words of his ex husband very heavily.

"Are you angry?" Qiao Wei's voice is very small, and also with some small trial.

Huo Dongyang takes back his sight and takes a bite.

In such a situation, Qiao Wei suddenly did not know how to deal with it, "I didn't mean that."

"What do you mean Huo Dongyang answered this time.

"I'm sorry!" Qiao Wei thought of nothing but apology.

Huo Dongyang put down his chopsticks, "Why say I'm sorry? So I'm talking about what's on your mind? Yes, there's nothing wrong with thinking about your ex husband. After all, he was your husband yesterday

Qiao Wei heard Huo Dongyang's words and felt inexplicable pain. It seems that he is really angry, all said that women's heart needle, in fact, the man's mind is more difficult to guess.

Yun Yiyan is like this, and now even Huo Dongyang is the same.

Looking at the depressed Qiao Wei, Huo Dongyang, even if he is angry in his heart, can't bear to speak out in front of Qiao Wei at the moment.

"Eat!" Huo Dongyang continued.

"I don't really know how to get along with men." Qiao Wei's voice is as fine as the sound of mosquitoes. But Huo Dongyang, who has a good ear, hears it.

He looked at Qiao Wei who looked inferior to him and sighed. What kind of life did this silly woman live in the past. Huo Dongyang also has an impulse to understand her past.

"Qiao Wei, we are husband and wife. Our position is equal. You don't have to feel inferior all the time, just say what you have Huo Dongyang opens his mouth. "I'm different from Yun Yiyan. Do you understand? "

Qiao Wei stares at Huo Dongyang, who is the first person to say such a thing to himself. In the heart a warm current emerges, the eye socket also slightly some moist.

"Well, I see."

Huo Dongyang is a little bit comforted to see Qiao Wei picking up chopsticks again. Just as he raised his chopsticks, Qiao Wei's voice came, "I didn't think about Yun Yiyan just now."

It can be regarded as an explanation to Huo Dongyang, and his mood is much better.

Huo Dongyang nodded, "have a meal!" He didn't want to continue this topic about Yun Yiyan. Or he's really jealous.

After dinner, Huo Dongyang helped Qiao Wei out for a walk.

"It's a beautiful day." Qiao Wei saw the stars in the night sky.

Huo Dongyang raised his head and looked at it. Suddenly, he said, "do you know which place in the world is the most beautiful place to see the stars?"

"I don't know."

"Want to see it?"

"Yes

"Next time I have a chance to take you." Huo Dongyang holds Qiao Wei to sit down.

Qiao Wei looked up at the sky, "it seems that it is popular to go to Finland to see the aurora recently. The couple who can see the aurora together will always be together

Huo Dongyang raised the corner of his mouth, "now the TV program is really good."

Joe winked. "You know?" It's really strange that he should know why.

"All the women in the company are talking about it."

"Whether it's true or not, it's always a yearning." Joe was smiling and his eyes were flashing.

Huo Dongyang saw Qiao Wei's eyes and moved in his heart. Her eyes are really beautiful. They are talking eyes. They nestled on the bench.

"Tired?"

"Not tired." Replied Jovi.

"If we're tired, we'll go back."

Qiao Wei didn't want to go back to the ward so soon. She didn't like the smell of medicine in the ward.

"Let's sit down for a while."

Unfortunately, a burst of cell phone ringing interrupted the atmosphere.

Qiao Wei looked at the caller ID on her mobile phone, and her eyebrows wrinkled.
