At the gate of Qiao's villa.

Jovi stood all the time, never going in.

The family had countless complex feelings for her. Since her mother died, she has no place in this family.

Dad, who is busy working all day, never cares about himself. And stepmother will not. Since Liu Su came into the house, everything has changed.

Liu Su is a powerful two-sided faction, which is a good thing to her father. She also likes to wear a mask of hypocrisy to others and win over people's hearts all day long. But it's a different face to treat yourself. And that half sister, who is of the same father and half mother, is very beautiful, but also a kind-hearted person.

Joe sighed softly. She's been away from home since college. I just didn't expect that two years ago, I was suddenly called back. As a result, I married Yun Yiyan. I was called back again today. It must be for the sake of Yun Yiyan.

"Miss, are you back?"

Qiao Wei looks back, just saw Zhang Ma who bought vegetables.

Zhang Ma walked up to Qiao Wei with some doubts on her face. "Why don't you go in?"

Qiao Wei followed her mother and walked in.

As soon as he entered the door, Qiao Wei saw a pair of brand-name leather shoes customized by men at the door. Joe frowned and he came.

"Miss, are you ok?"

Qiao Wei shakes her head, she tries hard to give herself a psychological construction. She had a headache imagining what she would have to face.

Reaching out and pressing his temple, Qiao Wei changed his shoes and went in.

Sitting in the living room are my father, sister, Liu Su and Yun Yiyan.

Seeing Qiao Wei come in, everyone's face changed.

Qiao Wei called out to Qiao Qingdong, "Dad." She also called out to Liusu, "Auntie."

Qiao Qingdong nodded his head. Liu Su saw the situation, quickly forward, a pair of hot pull Qiao Wei. "Weiwei, come back! Sit down quickly. Everyone has been waiting for you for a long time. "

Only Qiao Wei felt that Liu Su took her hand so hard, as if she was warning herself.

Although Qiao Xin didn't want to, she called her sister.

Yun Yiyan raised his head and gave Qiao Wei a cold look in his eyes.

Although Liu Su is unwilling, she still pulls Qiao Wei down beside Yun Yiyan and sits down.

Qiao Qingdong looked at her pale daughter and finally spoke. "Uncomfortable?"

"There's something wrong with the stomach." Said Joe in a low voice.

After hearing this, yunyiyan also expressed his concern. "Are you all right?"

Qiao Wei nodded, "much better."

This kind of drama has been performed many times in the past two years. But I don't know why I feel sick today.

In the face of Qiao Wei's attitude, Yun Yiyan narrowed his eyes. Seems to know how to resist?

Qiao Xin see cloud Yiyan's eyes have been falling on Qiao Wei's body, she clenched her hand, she bit her lips. Obviously, I want to wait for Qiao Wei's good play, but now there is nothing.

With anger in my heart, I waited for so long until they got divorced. She can't give up all her previous achievements. Yunyiyan should be her own.

Just about to open her mouth, Liu Su quickly pressed Qiao Xin's hand and indicated with her eyes that she should not be troubled.

Qiao Xin looks puzzled. What's the matter today? Everyone's attitude has changed.

"Sister, you don't feel well. Do you want to go to the doctor? " Helpless to the bottom, she is not good to expose herself, turned to say a word of concern.

Qiao Wei looked at Qiao Xin one eye, but in the heart is in the abdomen to discuss: "still can install good girl really."

Qiao Qingdong also noticed that his daughter was a little different today, "Wei, what's the matter with you?"

"I'm fine." Jovi couldn't sit down. She just wants to leave now.

Yun Yiyan suddenly laughed, and he also played his usual trick. "I think I'm a little angry with me."

Qiao Wei looks back at Yun Yiyan's impeccable face. Her pressure is in her heart.

"Just now Yiyan and Xinxin have explained clearly. They just happened to meet in the restaurant. I didn't expect to be photographed by some good reporters. They wrote all the news carelessly. " Qiao Qingdong explained. "So don't think about it."

"I didn't think much about it." Replied Jovi. "Dad, if there's nothing else, I want to go back first. I have a business trip report to sort out. "

Hear Qiao Wei's words, Qiao Qingdong has such a moment of astonishment. His daughter will say such words, but he is still satisfied, at least her heart is toward the company.

"After dinner."

"No

"Then I'll ask the driver to take you back to the company?" Qiao Qingdong knows that senqiao real estate has today, and also has Qiao Wei's credit.

Yun Yiyan stood up and said, "Dad, I'm on my way, so I'll send Weiwei to the company."

Qiao Qingdong nodded with satisfaction, "OK! You are husband and wife, so be more tolerant of everything

"I see." Out of the gate, Qiao Wei looked at Yun Yiyan, "I'll go first."

Cloud Yiyan put on sunglasses, "Qiao Wei, are you in a temper now?"

"....." Don't want to explain too much with Yun Yiyan, Qiao Wei keeps silent.

"But I tell you, you'd better keep your mouth shut!" Yun Yiyan brings up a sneering smile. "If our divorce is known to our elders, the good days of your Qiao family will come to an end."

Looking at cloud Yiyan still walk so natural and unrestrained figure, Qiao Wei clenched his hand.
