

## Warm Wife 131

### [Chapter 131](#)

Jovi got the results and went to Helen.

"Everything is fine." Helen said. "Still pay attention to rest and nutrition, and if you have a good appetite, eat more."

Jovi was relieved to hear Helen's words.

"Ma'am, you are in the early stage of pregnancy, and you will not adapt to it. Come to me when you feel uncomfortable

"Thank you, Helen."

"This is also my job. Mr. Huo is also very nervous and called me just now. I told him in general

Qiao Wei smile, "still want to thank you!"

"I'll give you a B-scan when I come to check next month."

Jovi noted down all the points Helen said, because now she is not alone.

When Qiao Wei left the hospital, Huo Dongyang came to meet her.

"Are you all right?"

"Nothing. Everything is good. "

Huo Dongyang touched Qiao Wei's head, "I will accompany you next time."

On the way back, Qiao Wei also told Huo Dongyang about Xia yueqian.

"Really?"

Joe nodded. "Give him a call when he says so."

Huo Dongyang has been silent, Qiao Wei does not know his mind. Or maybe it was a bit of a rash decision.

After a while, Huo Dongyang spoke. "Go back and ask grandma what she means."

"Good!" Joe nodded.

When he got home, Jovi went and told Mary about it. I thought Mary would reject her, but she didn't.

"Weiwei, grandma has been used to it for so many years, so it doesn't matter." Said Mary, holding Jovi's hand.

"Grandma, I know it's me who is in trouble. Or can we really take a chance? Just go and have a look, will you? "

Mary became silent. In fact, after all these years, she also gave up. It's no use seeing so many doctors before and after, and she doesn't hope. But now, for the sake of this granddaughter-in-law, she also had a heart, so she finally nodded.

Huo Jiang also felt surprised after knowing that Qiao Wei actually advised Mary, which is not an easy thing.

When Qiao Wei passed the living room, Huo Jiang stopped her.

"Grandfather

"Sit down. I have something to say to you."

Qiao Wei nodded and saw that the tea in Huo Jiang's cup was finished. Qiao Wei immediately poured another cup to Huo Jiang.

"It's quite eye-catching." Huo Jiang took a sip of his tea cup. "You should also know why I don't like you?"

Qiao Wei nods, "know."

See such Qiao Wei, Huo Jiang really can't say heavy words. "It's OK to look at your work and conduct yourself these two days! But I don't feel comfortable with your previous identity. "

Although Huo Dongyang also explained to himself, when he thought about Qiao Wei's relationship with the cloud family before, the fire in his heart came out again. YUNZHUO that old thing can survive so many years, is really unreasonable.

"Grandfather, I know my past identity. You don't like me. But I don't want to be in love with each other for the sake of money and fame

Qiao Wei said it sincerely, but her hands were still tightly clasped, just worried that she would say something wrong.

Huo Jiang also saw Qiao Wei's action. "If you could get Mary into a new treatment, I might consider accepting you."

"Really?" Qiao Wei's eyes brightened.

"I'm Huo Jiang's word."

Qiao Wei nods, "I will try my best!"

Two days later, Qiao Wei takes Mary to find Xia yueqian. Because of the good connection, they also avoid a lot of troublesome procedures.

Xia yueqian's efficiency was very high, and soon invited all the ophthalmic authorities of a city to consult Mary.

Jovi was always by Mary's side, and she held Mary's hand tightly.

Several doctors gave Mary a preliminary examination and inquiry, and then went aside to discuss the plan.

"Weiwei, I want to go to the bathroom."

"Well, I'll go with you." Qiao Wei Mary helped up and said hello to Xia yueqian.

At this time, a car stopped at the gate of the hospital.

Yun Yiming takes Yun Zhuo to the hospital for a routine examination, and Mo Ling also comes with him this time.

Yunyiming and moling help YUNZHUO into the elevator together. YUNZHUO takes a look at them. Although he hasn't been to the company recently, he has heard something. Yun Yiming has hired a very capable assistant, which should be the one in front of him.

At first glance, I found that they were well matched, but I didn't know whether they meant it or not.

The moment the elevator door opened, YUNZHUO saw Qiaowei, and Qiaowei helped an old lady walk past.

Similarly, Yun Yiming and Mo Ling also saw it. Mo Ling was very nervous. How could Qiao Wei and Mary be here? The relationship between them looks good. What's going on? Mo Ling is a little uneasy. Is Mary on the same front as Qiao Wei now? That's not a good thing. She had to find a way.

"How did Qiao Wei come to the hospital?" Yun Yiming doesn't know Mary at all. I've heard that Qiao Wei will volunteer in the old people's home when he has time. Today, is he bringing the elderly for examination?

"Let's go!" YUNZHUO said.

Each of the three was silent, but they were thinking about their own affairs.

While Yun Yiming takes YUNZHUO for an inspection, Mo Ling takes an excuse to go to the bathroom and goes out.

Mo Ling followed the place where Qiao Wei and they passed just now, and found out that they were in the Department of Ophthalmology. Did Jovi bring Mary to the doctor? And Huo Dongyang and Huo Jiang did not follow. Mo Ling's eyes narrowed, and she raised the corners of her mouth.

This is a good opportunity. Moling thinks it's heaven's help to me. She walked quickly past, and then looked for them in the clinic, hoping to find them, but she looked around in vain.

Just when Mo Ling was about to go home disappointed, she saw that the door of a room in front of her suddenly opened and several doctors came out of it.

Mo Ling touched the wall and walked forward a few steps, hoping to hear what they said clearly. As soon as I approached, I heard Jovi and a man's voice.

"Schoolmaster, thank you very much this time!"

"You're welcome. It's hard for you to ask me for help. I'm sure I'll do well. "

Seeing them coming out, Mo Ling quickly hid in the next room.

Mo Ling peeps at them, Xia yueqian and they say a few words and then separate. Seeing them go on, she came out and followed Jovi and Mary.

Because there were so many people in the elevator, Qiao Wei also asked Mary what she meant, so they chose to go down the stairs.

When Mo Ling saw it, she raised the corner of her mouth. The opportunity really came.

Seeing them walking into the stairs, Mo Ling followed them. A blind man and a Qiao Wei are definitely not his opponents.

When Qiao Wei helped Mary to go down the stairs, Mo Ling called them.

"Qiao Wei!"

### [Chapter 132](#)

Qiao Wei also turned back immediately after hearing the voice.

When she saw Mo Ling, she was also slightly stunned. Why was Mo Ling here?

"Who is it?" Mary thought the voice was familiar, but she asked in English.

Mo Ling stepped on high-heeled shoes and came over, "so coincidentally, I can see you here too!"

When Qiao Wei saw the expression of Mo Ling, her heart was tight. What on earth does she want to do?

"Weiwei, who is it?"

Mo Ling met Mary once. She met Huo Jiang a few days ago. At that time, she knew that Huo Dongyang's grandmother was still alive. However, she heard that she and Huo Jiang communicated in English all the time, so she took it for granted that Mary could not speak Chinese.

Mo Ling stood in front of Qiao Wei, smiling. "Who is it today?"

Qiao Wei was a little surprised. Mo Ling didn't know who her grandmother was? Pretending not to know her.

"You don't know?"

Mo Ling said with a smile, "how can I know a blind man?"

Qiao Wei just wanted to retort, but Mary grasped her hand. She wants to see what this Mo Ling wants to do! The last time I saw her, she also deliberately communicated with Huo Jiang in English because she didn't want to talk to her.

"Mo Ling, don't go too far!" Qiao Wei still can't help saying a word.

Mo Ling's hands around the chest, appears to be somewhat condescending. Looking at Qiao Wei, who is shorter than himself, she shows a winner's smile.

"Qiao Wei, I know grandfather Huo has arrived here. I told him about you and William, too. He was very angry when he knew. Have you had a good time these days? A woman like you is not worthy of entering the Huo family. "

When Qiao Wei heard this, his eyes were cold. It seems to be with Huo Dongyang for a long time, the momentum between her eyebrows is really similar to Huo Dongyang.

Mo Ling was so flustered for a moment. Her expression at the moment was really similar to Huo Dongyang. She was also afraid, but her face remained calm.

"Jovi, am I right?"

Qiao Wei looked at Mo Ling and said, "in fact, I think you are very poor!"

"Shut up Said Mo Ling in a loud voice. "It's because of you that I was expelled by William. Jovi, it's all because of you."

Mary frowned as she listened to these words. This Mo Ling is also too paranoid! Even such a thing should be blamed on Qiao Wei's head, which is unreasonable.

Qiao Wei also felt that she and Mo Ling could not communicate, and she seemed to be a little abnormal.

"Grandma, let's go!" Jovi helped Mary down.

"Qiao Wei, you and William can't pretend to be noble. You are so different from him. " Mo Ling continued. "And grandpa Huo won't let you be together."

Mary is more and more angry, this moling head is OK!?

Mo Ling walked closer with a smile, "I think you can only please this blind man now. Maybe she will help you say something nice! Even in that case, Grandpa Huo would not agree! Grandfather Huo and the cloud family have a festival, but they are enemies. How do you deal with your identity at this time? You can't be! "

Qiao Wei was angry, "Mo Ling, I hope you leave some words for yourself."

Mo Ling laughed. "Why should a woman like you stand by William's side. You see you this a plain face, is a man will not want you! Therefore, it is justifiable for Yun Yiyan to cheat! "

Mary couldn't see it, but she turned around. "William is not with you, is he with you?"

When she heard that Mary spoke Chinese, she felt bad. "You..."

"Why didn't you think of it?" Mary replied, although she could not see it, she could also imagine the expression of mauling at the moment.

Mo Ling looks panic, she really did not expect that there will be such a reversal.

"Grandma, I am..."

Mary looked cold. "Miss Mo, please don't yell. I'm not your grandmother. Don't pretend to be kind to me. People like you don't deserve to be around William. William needs a woman like you

Mo Ling is really speechless. How should we deal with the situation now? Moling tried hard to calm herself down!

"Mo Ling, William and Wei Wei are married with certificates. I advise you not to daydream

"What!"

"Why don't you understand people?" Mary sneered.

Mo Ling stepped back two steps. She couldn't accept the fact. How could Huo Dongyang marry Qiao Wei? Why on earth is Huo Dongyang exchanging his marriage?

Mo Ling shook his head, "it can't! William won't marry you! I don't believe it's true! I don't believe it! "

Mary snorted, "moling, why do you deceive yourself! You and William will never be! As you said just now, Huo Jiang will not agree with William and Qiao Wei together, so I will not agree with you and William! I also want to tell you one thing. Lao Huo listens to me. I have already nodded and agreed to William and Weiwei's marriage. Then Lao Huo will not have any other opinions! "Mo Ling has been shaking her head, this is really a big blow to her, she also does not want to believe!

"Weiwei, let's go!" Mary put her hand on Jovi's arm.

Joe nodded slightly and carefully helped Mary down the stairs. "Grandma, slow down."

"Well!" Mary followed in Jovi's footsteps.

They went down a few stairs like this. Jovi kept an eye on Mary's steps, so she didn't pay attention to her back.

At this time, suddenly behind a pair of hands, suddenly Qiao Wei and Mary forced down the stairs.

"You go to hell!" Jovi heard such a sentence in his ear.

Qiao Wei was so pushed, her foot also stepped on empty, she fell forward, the other hand also took Mary's hand.

At this critical moment, Jovi reached out and pulled Mary into his arms. They held each other and rolled down the stairs.

All the way down, Qiao Wei hugged Mary tightly, hoping that she would not be hurt. But if you roll down the stairs, you'll bump into it.

Mary's head banged on the stairs, and Jovi's whole back hurt so much that she couldn't open her eyes.

Soon two people rolled to the platform, Qiao Wei's back also hit the wall, "Oh!" Qiao Wei made a dull noise.

But Jovi still held Mary tightly, and there was no sign of letting go.

Mary was hit on the head. She was dizzy. But she still heard Qiao Wei Gang's pain.

"Weiwei, are you ok?"

Qiao Wei's consciousness is also a little fuzzy, "grandma, I have a stomachache..."

### [Chapter 133](#)

Mary was nervous when she heard Jovi say she had a stomachache.

She reached out to touch Qiao Wei. As a result, she touched something sticky. It should be blood!

"Tiny, hold on. I'll find someone right away

Although Qiao Wei was not feeling well, she tried to endure the pain and was still concerned about Mary's situation. "What do you think, grandma?"

Mary was dizzy, and as soon as she was about to speak, she heard a flurry of footsteps, and then heard the door of the stairs closed.

It must be moling running away. Mary wants to hold up her body. She wants to see Qiao Wei, but her eyes can't see it. She really hates herself now. She can't help at all.

"Weiwei, grandma is looking for someone now." Mary was in a panic.

Qiao Wei let go of Mary, all over pain, the whole person is also confused. I don't know who the phone is.

Then it was put to Mary's ear. The voice was very low and weak. "Grandma, help..."

Then her hand fell, and the whole person lost consciousness.

Mary immediately held Qiao Wei's mobile phone, regardless of the situation, she called out: "help..."

Mary also realized that the situation was not right. "Weiwei, don't scare grandma!"

But Jovi had not reflected, and Mary's heart was shaking. "Lord! Please don't be so cruel

If anything happened to Qiao Wei, she didn't want to live. If you didn't come to the hospital today, none of this would have happened.

Mary's tears came out. She really hated that she couldn't see. Now everything is not clear.

After a while, the door of the stairs was opened.

Mary gave a loud cry. "Help

Xia yueqian looked at the situation in front of him and was stunned for a moment. After a while, this happened. He dashed down the stairs. Just now, Qiao Wei called him on the phone. When he heard Mary's call for help, he came immediately.

"Grandma, are you ok?" Xia yueqian saw the blood on Mary's forehead.

Mary tightly grasped Xia yueqian's hand, "doctor Xia, save Wei first! She and the children are the most important! "

Summer Yue Qian immediately checked Qiao Wei's condition, forehead and hands and feet were abraded. Xia yueqian immediately made a phone call and then picked up Qiao Wei. "Grandma, wait a minute! I'll take Jovi out first. "

"Good, good! Hurry up

Xia yueqian goes out first with Qiao Wei, and Mary sits in the same place. Once it's released, the whole head will be dizzy. After a few shakes, she fell to the ground.

Mo Ling went to the bathroom in a hurry. She was in a panic. She sat on the toilet, trying to calm herself down.

I can't blame myself just now. They forced me. Originally, Mo Ling just wanted to give Qiao Wei a slap to get discouraged. She didn't really think about their death. At that moment, she was really dazzled to push them down.

At this time, Mo Ling's mobile phone rings.

She was startled and her face was even whiter. She tried to take out the mobile phone from her bag in a panic. As a result, she didn't hold it and dropped it on the ground.

Mo Ling's hands were shaking. She bent down to pick up the phone. Seeing Yun Yiming's phone call, she tries to calm herself down.

"Hello Mo Ling's voice trembled badly.

Yun Yiming seems to have heard something wrong with Mo Ling. "Mo Ling, what's the matter with you?"  
**novelUsb.c0m**

"I'm fine." Mo Ling replied.

"Where are you? Good, Grandpa. We're going back. "

Mo Ling gave a hard reply.

After taking a few deep breaths, Mo Ling helped the wall to stand up. She sorted out her image, and then kept telling herself to be calm and calm. It was OK.

Standing in front of the mirror, Mo Ling saw himself at this time. "Mo Ling, don't be afraid. It's OK."

Mo Ling quickly found Yun Yiming and YUNZHUO, and said, "I'm sorry!"

Cloud Yiming saw Mo Ling's face a little pale, "what's the matter? You look so bad. "

Mo Ling looks up at Yun Yiming. It's rare for someone to care about himself like this. Mo Ling reaches out and hugs Yun Yiming.

Yun Yiming is stunned, as if he didn't expect that Mo Ling would suddenly be like this. "What's the matter with you?"

"That's it. Let me hold it!" Mo Ling said.

Feeling that Mo Ling is shaking, Yun Yiming does not continue to ask. Put out his hand to hold Mo Ling, and gently patted her on the back.

YUNZHUO felt comforted when he saw this scene. These two people look really good.

Seeing that Mo Ling calmed down, Yun Yiming began to ask, "how?"

"When I went to the bathroom just now, I saw a man dead before I entered the operating room. It's really... "

Yun Yiming comforts Mo Ling, "it's OK, these are normal."

Mo Ling let go of Yun Yiming, "Mr. Yun, I'm sorry! I lost my temper. ""You're just too kind to be frightened by these things. The birth, death and death are normal. " Yun Yiming reaches for Mo Ling's hair.

YUNZHUO feels comforted. The grandson finally finds out. This moling looks good in every aspect.

For the first time, Mo Ling was so intimate with a man that her face was rarely red.

"Well, we're going back." YUNZHUO said.

By YUNZHUO so said, two people some embarrassed separated.

Yun Yiming turns his head to the other side, "grandfather!"

YUNZHUO smile, "you are old, it's time to get married."

After hearing this, she felt that the situation seemed to have deviated. How could she and Yun Yiming be!

At this time, not far away came a sound of anxious footsteps.

Three people raised their heads at the same time to look at the position of the door, the results of the three people were stunned.

The people who came are Huo Dongyang and Huo Jiang, they received a call from Xia yueqian and rushed over in a hurry.

A few people didn't expect to face each other in such a way, and everyone's expression was different.

When YUNZHUO saw Huo Dongyang and Huo Jiang, he was only shocked. Unexpectedly, Huo Jiang also came!

Huo Jiang in Huo river when, in the heart several fire is burning! Shameless thing!

Yun Yiming looks at the situation in front of him. How can Huo Dongyang come here because of Qiao Wei?

Huo Dongyang looked at them indifferently, and finally his eyes fell on the low head of Mo Ling. He seemed to understand what was going on in his heart!

When Mo Ling saw Huo Dongyang and Huo Jiang, she immediately lowered her head. They must have come because of Jovi and Mary.

She took a step back, somewhat like hiding behind Yun Yiming. Yun Yiming also reaches out and holds the hand of Mo Ling.

Huo Dongyang narrowed his eyes, these two people are now in a situation!

"You..." Cloud Zhuo just want to speak, was Huo Dongyang's cold eyes swept.

Huo Jiang just wanted to go forward and YUNZHUO theory, but was pulled by Huo Dongyang.

"Grandfather

Huo Jiang wakes up in an instant. Yes, it's not the time to get angry. He needs to calm down. Then he also sees Mo Ling hiding behind Yun Yiming.

The fist also instantly clenched up, if the old woman and Qiao Wei have anything to do, he must have them buried with him!

"Let's go first!" Huo Dongyang added.

#### [Chapter 134](#)

Seeing their hurry, YUNZHUO felt a little strange.

What happened to Joe Wei? When he went upstairs just now, he did see Qiao Wei.

"Grandfather, let's go!"

YUNZHUO returns to his mind, and he also sees the exploration in Yun Yiming's eyes. Yes, it's not the time, and he can't be too obvious.

"Well!" YUNZHUO nodded.

Yun Yiming takes Mo Ling's hand. "Are you ok?"

Mo Ling looks unnatural. She shakes her head at Yun Yiming. Just now Huo Dongyang and Huo Jiang's eyes were really terrible.

"That was..." Pretending not to know each other, Mo Ling also changed a topic.

"Whatever they are, let's go back."

Mo Ling nodded, "Hmm!"

Ready to get on the bus, mulling or can not help looking back at the door of the hospital.

"Mo Ling, get in the car."

After looking at the car left, has been staring at the top of the car out of the car. He looked down at the USB flash drive in his hand.

After knowing that Qiao Wei and Mary had an accident, Huo Dongyang told him to go to the south to check the scene and take the monitoring video in the stairs to his hand.

"Master!" South has been low head, this time he did not do his duty.

Xiang Qing took a look to the south. "Don't blame yourself. This time, we didn't think of it. "

When Qiao Wei and Mary wanted to leave, they called South and asked him to drive the car to the door. However, they didn't expect an accident in this period of time.

Xiang Qing patted the South shoulder, "you can take this to John first."

"I want to hear from Madame." Answer to the south, if you can't confirm Qiao Wei's situation, he will also feel uneasy.

Xiang Qing looks back at Huo Dongyang, who walks back and forth in front of the operating room at the other end of the corridor. It can be seen that he is also worried at this time.

"All right." Xiang Qing also nodded.

Before the operating room, Huo Dongyang has no idea how many times he has walked back and forth, and his heart still can't be recovered.

If Qiao Wei is in trouble, what should he do? Huo Dongyang raised his head and kept staring at the door of the operation. He also murmured: "Qiao Wei, I don't want you to do anything. Do you hear me?"

Huo Jiang is sitting on the chair, he is also worried. How could this happen?

At this time, the ward door next to him opened.

When the doctor came out of the room, Huo Jiang immediately stood up. "How's it going?"

"The old lady's wound has been treated. I hit my head, I have some slight brain tremor, and I have applied medicine to other abrasions

"Any sequelae?" Huo Jiang immediately asked.

"Because the old lady can't see, we can't do a detailed examination until she wakes up!"

Huo Jiang nodded. Thank you

Huo Dongyang also heard what the doctor said just now. He said to Huo Jiang, "grandfather, you go in to accompany grandma."

"Good!" Huo Jiang is also aware of Huo Dongyang's mood.

Huo Jiang looked at the operating room, the mood is also some heavy, I hope that girl is OK.

Mary's ward.

Huo Jiang sat by the bed, looking at Mary with bandages on her forehead. His brows were frowning.

"Mary, I'm sorry! You've suffered over the years. " Huo Jiang is really guilty and self reproach. If you stay in Korea, it won't happen.

"Mary, when you wake up, I'll listen to you." Huo Jiang said, holding Mary's hand. "I don't care about anything. We live quietly. How about that?" *novelusb.Com*

Mary moved her hand and her eyelids moved.

Huo Jiang saw immediately and asked nervously, "Mary, are you awake?"

Hearing Huo Jiang's voice, Mary slowly opened her eyes. All of a sudden, a light came into my eyes.

She did not adapt for a while, and then closed her eyes, which was really dazzling.

"What do you think, Mary?" Huo Jiang thought Mary was a little strange.

Mary frowned, her head still a little dizzy, "Lao Huo..."

"Well?" Marijo reached up. "Where am I?"

Mary closed her eyes and asked, "where am I?"

"The ward of the hospital." Huo Jiang replied.

After hearing Huo Jiang's reply, Mary also remembered what happened! She grabbed Huo Jiang's hand nervously. "Slightly?"

"She..." Huo Jiang didn't know what to say.

Huo Jiang's silence made Mary open her eyes, but some of the scene in front of her seemed to see clearly from the blur.

Mary was surprised. She seemed to see it?! She held out her hand. She was staring at her hands. All her fingers could see it.

"What's the matter with you, Mary?" There is something wrong with Huo jiangjue Mary.

Mary slowly looked back at Huo Jiang and saw that his gray hair was still his wrinkled face. "Lao Huo..."

"Well!" Huo Jiang took Mary's hand.

"I'm here! What's the matter with you? Is there something wrong? Do you remember what happened? "

Huo Jiang asked several questions nervously.

Mary reached out and touched Huo Jiang's face. In memory, he was not like this. At that time, he was so high spirited.

"You're old..."

"Of course, I'm already 70." Huo Jiang said with emotion.

Mary's tears came out. "Yes, we're all old."

Huo Jiang felt something was wrong when he heard this. He looked into Mary's eyes. The tears were no longer empty, but emotions.

Huo Jiang felt incredible. He reached out his hand and waved it in front of Mary. As a result, he saw her blink.

Huo Jiang became excited and his voice trembled, "Mary, your eyes..."

"Old Huo, I think I saw it." Mary reached for Huo Jiang and began to cry.

Huo Jiang was held by Mary like this. It was like ten thousand years. She had not held herself in this way for a long time. Their own tears also flow out.

"Wife, is that true?" Huo Jiang couldn't help being excited. He was also worried that it was a flash in the pan. He hugged Mary hard and tightly.

Mary was also very excited. She seemed to vent her pent up emotions over the years. She really wants to thank God for making her light again. God should hear his prayer!

Mary thought of what had happened before and immediately said, "what about it? What happened to her? I remember her saying she had a stomachache. "

Huo Jiang let go of Mary. "She's still in the operating room."

Hearing this, Mary immediately lifted the quilt and got out of bed. Mary could hardly stand because of dizziness and lack of physical strength.

Huo Jiang quickly helped her, "don't worry!"

"I'm going to see Wei Wei. If she hadn't been holding me all the time, it would have been me!"

Huo Jiang frowned. "What happened? How did you roll down the stairs? "

Mary's eyes were full of anger. "It's moling! She pushed me and me down slightly! This woman is so vicious! If there is something slightly, I will not let her go! "

Hearing Mary's words, Huo Jiang was angry. It was really her!

"Lao Huo, I'm going to see Wei Wei!"

#### [Chapter 135](#)

it's dawn.

Qiao Wei opened his eyes, the sun was a little dazzling.

She closed her eyes again, and then she opened them again.

My eyes are a little dull looking at the white ceiling, smell a smell of disinfectant. She did it by hand and found a needle in the back of her hand and was in the process of infusion.

Qiao Wei blinked his eyes, this will have a consciousness into his mind. She's in the ward, so what is she lying here for?

Suddenly remembered what happened before, Qiao Wei immediately touched his stomach with another hand.

"It's like..."

The door of the room was suddenly pushed open, and Joe looked at the people coming in.

See Qiao Wei wake up, Huo Dongyang immediately went to the bedside. His appearance is very haggard, the eye is full of bloodshot, a look is not good rest.

"Jovi, are you awake?"

Qiao Wei felt the temperature from Huo Dongyang holding his hand. She looked at Huo Dongyang, "Dongyang, where is the child?"

Hearing Qiao Wei's words, Huo Dongyang immediately turned his eyes away. Qiao Wei can see that his expression is uncomfortable, so his feeling is right, "the child is gone, right?"

Huo Dongyang seems to adjust his mood, he clenched Qiao Wei's hand and said, "Qiao Wei, don't think too much now."

Qiao Wei's tears soon flow out, she just felt, the stomach seems to have no vitality, she knew that the child did not. She's really an irresponsible mother, so she doesn't have children.

Hear Qiao Wei in cry, Huo Dongyang is also a face of pain. "Don't cry. It's not your fault."

"Dongyang, I'm sorry, I didn't take good care of our children." Qiao Wei cried and said that her voice was too dumb. "I shouldn't have taken my grandmother up the stairs."

Qiao Wei full of self blame, is because of their own mistakes will lead to no children.

Huo Dongyang reached for Qiao Wei and comforted him in a low voice. "Qiao Wei, don't do this, the child will have again! You need to get well now

Qiao Wei tears a DC, she really feel very sad, originally is a happy thing, the result turned out to be like this!

Huo Dongyang has been comforting Qiao Wei, until she really vent. Qiao Wei sobbed and asked, "grandmother, how is it?"

"Grandma hit her forehead. She'll rest next door." Huo Dongyang replied.

"Is grandma serious?"

"It's just a little bit of a concussion. Nothing else

There was a knock on the door.

Xia yueqian came in wearing a white doctor's robe. He was relieved to see Jovi wake up. "Slightly, are you awake?"

"Schoolmaster..."

"How wonderful! You sleep for two days Xia yueqian continued. "How does your body feel?"

Joe shook his head slightly. "I..."

Xia yueqian seemed to know what Qiao Wei was going to say, and he also said, "the doctors have tried their best. You roll down the stairs and the impact, and the child doesn't survive. Don't be sad, take care of yourself first

Qiao Wei's tears can't help falling down again. Is this the feeling of separation of bone and flesh? Qiao Wei felt that his heart hurt as if he had been strangled by a knife. He blamed himself for not taking good care of the child.

Xia yueqian winked at Huo Dongyang, "Mr. Huo, there is a document here that needs your signature."

Huo Dongyang stood up and said, "OK!"

Qiao Wei is very sensitive. She feels that Xia yueqian and Huo Dongyang have other things to hide from themselves. She reached for Huo Dongyang by the corner of his coat. "What are you going to say? Why avoid me? "

Huo Dongyang reached for Qiao Wei's hand. "It's really OK. Don't think about it. You have a rest, I just go to the hospital

"Really?"

"Really." Huo Dongyang nods.

Get Huo Dongyang's assurance, Qiao Wei just let go of Huo Dongyang. Let him and Xia yueqian go out.

All of a sudden the ward was quiet, and Joe closed his eyes. But as soon as she closed her eyes, her mind kept coming back to the stairs with her grandmother in her arms. She could even feel the pain from that body.

At this time, there was a lot of noise outside the ward.

Jovi opened her eyes immediately. She seemed to hear her name. It seems to be the voice of Huo Dongyang and grandfather. Qiao Wei is worried about what they are fighting about. She is holding her own body up.

The noise outside is getting louder and louder. Joe frowned, pulled out the needle from the back of his hand, and dragged his weak body slowly to the door.

Though there was a door, she now heard the conversation outside.

"Dongyang, I know this is an accident. But do you really plan to spend your life with Qiao Wei? " Huo Jiang's voice also dropped, not as strong as just now.

Huo Dongyang replied. "Grandfather, even if Qiao Wei and I have no children in our lives, I would like to!" "Huo Dongyang, the Huo family depends on you to open branches and scatter leaves. How can you do this! Qiao Wei has been sentenced to death, why are you so persistent? Although she saved your grandmother this time, she is like this now... "

Huo Jiang's words were not finished by Huo Dongyang. "Grandfather, Qiao Wei has lost too much, I will not leave her!"

"And the burden on you? You don't want it? " Huo Jiang asked in turn, "don't forget what you promised me at the beginning."

"Grandfather, you didn't abandon her when she couldn't see it. Now the same, I will not abandon Qiao Wei! She's my wife, Huo Dongyang. She's not a tool for giving birth to children! "

When Qiao Wei heard this, he was already in tears. Why should God be so cruel to himself? Do you have to erase your happiness like this? The child is gone, and he can't be reborn!

Jovi closed her eyes in despair. After a while, she opened them, and then she opened the door.

Huo Dongyang and Huo Jiang stopped talking because of the sound of opening the door!

"Qiao Wei..." Huo Dongyang see Qiao Wei, eyes are panic.

Huo Jiang was also stunned. It seemed that he did not expect such a situation to happen.

Qiao Wei An slowly walked to Huo Dongyang, "Dongyang, I already know."

"Jovi, what are you going to do?" Huo Dongyang asked nervously.

"Let's get divorced!" Qiao Wei used all his strength to say such a sentence.

Huo Dongyang was stunned, "what do you say?"

Qiao Wei didn't repeat. She knew Huo Dongyang had heard it. With that, she tried to endure the pain in her body and heart and turned around.

However, she did not go two steps. She was in the dark and fell forward. Soon she was unconscious.

"Qiao Wei!"

Qiao Wei heard Huo Dongyang's voice, which was worried and worried.

"Qiao Wei!"

"Qiao Wei!"

Qiao Wei felt that the voice was getting closer and closer, as if in the ear.

She struggled to open her eyes, and the first thing she saw was a worried Huo Dongyang.

### [Chapter 136](#)

Qiao Wei saw Huo Dongyang's worried eyes and blinked.

"Slightly, are you awake?"

Qiao moved her eyes slightly, and then saw Xia yueqian in the doctor's robe. She saw Xia yueqian's suddenly relaxed eyes.

Qiao Wei still did not say a word, eyes straight at the ceiling.

"What do you think, Jovi?" Huo Dongyang spoke again.

Qiao Wei still did not move, she remembered what happened before. Her children were gone, and then she heard Huo Dongyang and Huo Jiang talking, and then she fainted.

See Qiao Wei no reaction, Huo Dongyang immediately looked at Xia yueqian and asked: "how could she be like this?"

"It's not supposed to be like this?" Xia yueqian frowned. Or was she so excited just now because she had a dream?

"Little, do you hear me?" Xia yueqian asked Qiao Wei.

Qiao Wei still did not want to answer, so she opened her eyes. Xia yueqian really did not understand, and then asked, "Wei, who are we?"

As soon as Qiao Wei thought that she had no child, she began to cry bitterly.

Seeing her like this, I really scared Huo Dongyang and Xia yueqian! Xia yueqian simply can't feel the brain, the child worked hard to keep it, what is she crying for?

At this time, Huo Jiang came in with Mary.

As soon as they entered the door, they saw Qiao Wei crying. Mary immediately got rid of Huo Jiang's hand and went to the hospital bed.

"Weiwei, what's wrong with you? Why do you cry so sad Mary took Jovi's hand.

When Jovi saw Mary, his voice was even louder. "Grandma..."

"Well, here I am." Mary nodded.

"Can you hold me?" Qiao Wei suddenly wanted to find comfort in her grandmother's arms.

Mary nodded. "Silly boy, of course you can."

Jovi struggled, and she held Mary tightly. "Grandma, I'm sorry! I didn't take good care of the children, so the children will leave my irresponsible mother! "

As soon as Qiao Wei's words came out, everyone felt confused. What was she talking about? What was the meaning of a child leaving this irresponsible mother?

Huo Dongyang frowned, what's wrong with Qiao Wei?

Mary responded and she said with a smile, "silly little, what are you talking about? How could the child leave? "

When Jovi heard Mary, she let go of Mary. "Grandmother, what do you say?"

"I mean, the child is still in your stomach. This child's vitality is tenacious! It's going to make a difference in the future! " Said Mary with a smile.

Now, it's Qiao Weimeng's turn. She reached for her stomach. "My baby is still there?"

"Of course Mary reached for Jovi's head. "I really want to thank God, they have blessed us!"

"But before, I was just..." Qiao Wei wants to say that he heard Huo Dongyang and Huo Jiang. Said that the child did not have, also said that he could not have children again!

Huo Dongyang put his head in front of Qiao Wei, "did you just dream?"

Qiao Wei looks at Huo Dongyang, and she also sees herself in Huo Dongyang's eyes at this time, "I....."

Huo Dongyang reached out to buckle Qiao Wei's back of the head, he used his forehead against Qiao Wei's forehead.

"Fool!"

Qiao Wei's tears came out again. "Did I really dream? But all that is true

"What did you dream about?" Mary asked with a smile

Qiao Wei told the story, but everyone laughed.

"I'm really a fool. I can't tell the dream from the reality." Huo Dongyang rubbed Qiao Wei's head, and then let go of Qiao Wei's head.

Mary went on, "the dream is the opposite of reality. Slightly, you can rest assured

Huo Jiang, who has never had an accident, also speaks at the moment. "Even if it's true, I won't be so ruthless to let you go!"

"Grandfather..."

"Well, don't be sensational. It's good for you and your children to take good care of yourself. The Huo family also needs you to support in the future Huo Jiang seldom said these warm words.

Qiao Wei really did not expect Huo Jiang to talk to himself like this. Does this mean that he accepted himself?

"Thank you, grandfather

"Thank you. We're all family." Huo Jiang said, his face is also a little unnatural.

Although Qiao Wei has not fully responded, she still shows a brilliant smile.

"Weiwei, grandma wants to thank you too!" Mary took Jovi's hand.

At this time, Qiao Wei saw Mary's eyes, which were full of hope and tears. "Grandma, your eyes look like..."

"Grandma's eyes are fine." Huo Dongyang couldn't help sharing the good news.

After hearing this, Qiao Wei was surprised. "How do you think that after I sleep, the world has changed!" Xia yueqian saw that Qiao Wei was ok, and his heart was finally relaxed. It's a miracle.

When he walked into the operating room with Joe in his arms, his whole heart was hanging. Just worried about her and the kids. Fortunately, the child is very tenacious, in the whole rescue process, it seems that this child is supporting Qiao Wei.

Qiao Wei's back is really injured, but it's not very serious. So after the treatment of the wound, all the doctors dare to breathe a sigh of relief.

Maybe it's all right for children and adults! One good turn deserves another!

Later, Huo Jiang helped Mary go back to rest. Xia yueqian also left after explaining a few words.

Huo Dongyang stayed to take care of Qiao Wei.

"Dongyang, is there really no problem with Grandma's eyes?" Qiao Wei is still worried.

Huo Dongyang holds Qiao Wei's, "several doctors have already seen it before, saying that there is no problem."

"Really?"

Huo Dongyang stretched out his hand and held Qiao Wei's hand. "Grandma's eyes were also invisible because of stimulation. This time, she only regained her sight because of the stimulation. Or as I said before, once the psychological problem of grandma is put down, everything is so hot and natural. "

Qiao Wei also prayed silently in his heart, hoping that grandma's eyes would always be like this.

"Qiao Wei, thank you this time!" Huo Dongyang said.

Joe shook his head slightly. "This time it's really a blessing. Otherwise, there is no such good thing. The baby is still there, and grandma's eyes are better! "

Huo Dongyang's kiss fell on Qiao Wei's lips without blood. "I'm really scared this time!"

During the operation, he was really worried that Jovi would leave me like this.

Qiao Wei said with a smile: "let you worry."

"You've never let me worry!" Huo Dongyang stretched out his finger and gently touched Qiao Wei's forehead.

Qiao Wei smile, "then I may let you worry for a lifetime, are you really willing to?"

"I will!" Huo Dongyang said firmly. And he won't let anyone hurt her!

Look, he has to teach some people some lessons, otherwise they will not know the situation! I dare to do such a thing behind my back.

### [Chapter 137](#)

The next day.

Qin Hao, John and Jian LAN all come to the hospital to see Qiao Wei.

Jane LAN held Qiao Wei's hand, "how can such a thing happen? It's really scary. "

Qiao Wei opened his mouth and said, "you are worried!"

"Fortunately, there was no danger." When Jian LAN heard the news, she almost fainted. Such a thing happened.

Qiao Wei is afraid to think about it now. Almost there is no child. In the future, we should really pay attention to it, otherwise we will regret later.

Jane LAN accompanied Qiao Wei in the ward, three men standing in the corridor.

"Boss, are you going to deal with this time?"

"Did you get the surveillance video?" Huo Dongyang asked.

John nodded. "Got it. Although said that did not take the front, but still can tell that it is moling. And there is a lady and an old lady who can testify, so there is no need to worry about this. "

Qin Hao looks at Huo Dongyang. What will he do this time? Qin Hao does not understand, if according to the previous, Huo Dongyang has now captured moling.

Huo Dongyang looks at Qin Hao and seems to know what he is thinking. "Do you have a question?"

"How dare I Qin Hao replied.

Huo Dongyang looks out of the window. This time he is going to fish big fish in a long line. Now he won't do anything to moling. He will wait for an opportunity to catch them all.

John and Qin Hao also think that Huo Dongyang can be so calm this time. After all, what happened this time was Qiao Wei and his grandmother, which should not be the case.

"Boss, what are we going to do next?" John tried to ask once.

Huo Dongyang turned to John and Qin Hao and said, "Mo Ling and Yun Yiming may be together."

As soon as this word comes out, John and I Qin Hao are both stunned. Will these two people be together? What kind of feeling is it? How do you feel that you can't see it? Moling actually gave up Huo Dongyang and put himself into the arms of Yun Yiming? This is too blind!

"Boss, do you want to see this situation?"

"Now it seems to have developed in this direction." Huo Dongyang replied. Yesterday's scene was really unforgettable. Or YUNZHUO will make it happen. In this way, after he took down his hands, he would calculate with them one by one.

John and Qin Hao take a look at each other. Huo Dongyang seems to have a different idea this time.

In the afternoon, Mo Ling secretly came to the ward to explore Qiao Wei's situation.

She didn't sleep well all night, so she had to make sure about Jovi and Mary, or she wouldn't be at ease.

However, after looking for a circle, Mo Ling didn't see the figure of Qiao Wei and Mary. Are they not here? Or are they all right? All this seems strange. Huo Dongyang is so quiet this time, which is not like his character.

Moling came to the stairwell, and yesterday's scenes were replayed in his mind. Mo Ling closed her eyes and stood quietly at the station.

At this time, downstairs wants to ring the footstep sound.

Mo Ling became nervous and turned pale. Her heart was shaking when she saw someone coming up downstairs.

When she saw the people coming up, Mo Ling's face turned white. She stepped back a few steps.

"You..."

Xiang Qing looked at Mo Ling coldly, "Miss Mo, is this a guilty conscience?"

Mo Ling swallowed her saliva and tried to calm herself down. "I I don't know what you're saying? "

Xiang Qing raised the corner of his mouth coldly, "is it?"

"Of course Mo Ling braved herself.

Xiang Qing went to moling, "moling, you should know what happens to offend the boss!"

Mo Ling opened her mouth. She wanted to argue, but she couldn't say a word.

"I didn't do anything." Mo Ling half a day old squeezed out a word.

Xiang Qing nodded, "Mo Ling, you don't think you can speak loudly with the support of Yun Yiming."  
Xiang Qing continued.

Mo Ling's heart sank. She and Yun Yiming didn't do well? Why did he say that?

With that, Xiang Qing passed by Mo Ling, "I think I'd better stay away from you, so that the camera here can't capture me, so I can't wash it when I jump into the Yellow River. And I don't want to stand with a vicious woman like you

Xiang Qing pushes the door out. Mo Ling looks flustered and looks around. As a result, he really sees the camera in the corner.

The next second, Mo Ling is almost out of the door, she ran out, hit several people one after another. Mo Ling fell on the ground, looking like a mess.

The heel of one high-heeled shoe broke, and the other fell to one side. The hairstyle is also disordered, a head of curly hair disorderly batch on the face. Seeing such a scene, all of a sudden also caused a crowd.

Mo Ling immediately got up from the ground. She didn't care about the scratch on her feet. She dragged her high-heeled shoes aside, and limped anxiously toward the direction of the monitoring center. See moling that very embarrassed back, Xiang Qing and Huo Dongyang also walked out from the crowd.

"Boss, what do you think she'll do next?"

"Look down and you'll see." Huo Dongyang replied.

Mo Ling gasped and finally came to the door of the hospital monitoring center.

Staff saw a embarrassed Mo Ling standing at the door, "Miss, what's the matter with you?"

"I want to see the video surveillance of the North staircase yesterday, where I lost something." Said Mo Ling.

She must not let others see the surveillance first, especially Huo Dongyang.

"Why do you want to ask about the monitoring of the North staircase? The monitoring over there was just good or bad yesterday, and today only a master came to repair it!"

Hearing this, a breath of air relaxed. Mo Ling slipped down the door and she fell on the ground. After a while, she laughed

The surveillance was broken, so I didn't get anything from yesterday. So this is also the reason why Huo Dongyang did not attack himself, because he did not find evidence!

This time is really God's help, her heart big stone can finally put down.

"Miss, are you all right?" The staff are surprised to see the situation of Du moling.

Mo Ling smiles and shakes her head. "I'm ok."

With that, she stood up by the door. She didn't care how bad she was now, but she was very happy.

She limped to the door of the hospital, and she did not pay attention to the eyes of those people. He reached for a taxi and left.

Xiang Qing and Huo Dongyang are already in the car.

"Boss, shall we follow?"

Huo Dongyang shook his head, "no! Go home. "

This morning, after Qin Haotian left, Huo Dongyang sent Qiao Wei and Mary home. Let them stay in the hospital, he is really worried. The purpose of this is to prevent people like Mo Ling from looking for trouble.

### [Chapter 138](#)

Jiangwan villa.

Huo Dongyang came back from the hospital and saw Huo Jiang drinking tea alone in the courtyard.

"Grandfather, I'm back." Chapter

"MMM!" Huo Jiang nodded and let Huo Dongyang sit down.

Huo Dongyang seemed to know what Huo Jiang was going to say, so he sat down beside him.

"Grandfather, you can say it directly!"

Huo Jiang poured a cup of tea to Huo Dongyang, and he was not as anxious as before. He did not look slow.

"What are you going to do with the cloud family now?"

Hearing Huo Jiang's words, Huo Dongyang showed a smile. "How do I feel that my grandfather doesn't believe me now."

"I don't mean that. I just feel like you are slowing down. What did Mo Ling tell me? " Huo Jiang is very concerned that Huo Dongyang does not allow himself to intervene in this matter.

Huo Jiang picked up the cup in front of him and took a sip. "My grandfather, I can't come now. Mo Ling has now found Yun Yiming as a supporter. If we move her now, it's really not wise. "

Huo Jiang frowns, the woman has been bold to such a degree, but he can not take her how. This heart is really a little suffocating.

"Grandfather, Mo Ling is now in the Bureau we set up. Now it's up to her to do what she does next. " Huo Dongyang's eyes are deep.

Huo Jiang also drank a sip of tea, "you know I have no patience!"

Huo Dongyang smiles and stands up. "I'm going to see grandma and Jovi."

"Hum! You just don't want to get in my way, you don't want to tell me the plan! " Huo Jiang said loudly to Huo Dongyang's back.

Huo Dongyang raised his hand and waved, "grandfather, you said you didn't interfere."

"Stinky boy, you really can keep accounts."

Huo Jiang saw Huo Dongyang enter the room, he had no choice but to smile. Or when it's really time to let go, the purpose of going to a city has changed. In this case, he and Mary will make a good plan to walk around city A.

Now Huo Dongyang's side also has Qiao Wei. Originally did not like Qiao Wei, but after this time, his understanding of Qiao Wei changed a lot. I really can't hear some gossip, so I judge this person. It really takes contact and communication to get to know a person.

Thinking of Qiao Wei, Huo Jiang thinks of Mo Ling. This vicious woman is biting herself now. She actually pushed Mary and Joe down the stairs, which was a waste of her good leather bag, but now she only has the appearance to cheat.

He is now sitting waiting for the retribution of moling. If people like her can have no retribution, he doesn't mind making some for her.

A few days later.

Qiao Wei and Mary's health is almost recovered. The family has been talking and laughing these days, and they are happy every day.

But when you want to be comfortable, there will always be people to find fault. This is not, in the night before Huo Dongyang filed a lawsuit against Qiao Xin, Qiao Qingdong came to find Qiao Wei.

"President William, I want to ask you something today." Qiao Qingdong didn't say that.

Huo Dongyang looks at Qiao Qingdong. "You want to plead for Qiao Xin."

"Xinxin is still young. Liu Su and I have spoiled Xinxin in recent years, and her temper is a little capricious. I hope you will give her a high hand for the sake of her sister Qiao Wei. If she does go to court, her life will be over. "

For Qiao Qingdong's words, Huo Dongyang is very dissatisfied. I admire Qiao Qingdong for being able to say such words. If we changed to Qiao Wei today, would he be so humble?

The answer should be No.

"Chairman Qiao, it seems that he is really eccentric. What would you do if Qiao Wei stood in this position today?"

"I..." Qiao Qingdong still can't say.

Huo Dongyang knew that Qiao Qingdong replied, "are you so worthy of Qiao Wei's mother?"

Qiao Qingdong's eyes darkened. He hesitated for a while before he said, "Qiao Wei has you to protect now. What's she worried about. Xinxin has experienced a failure, and I can't let her life be destroyed again. "

Huo Dongyang is really disappointed with Qiao Qingdong. You can't expect such a person! It's so sad.

Huo Dongyang did not speak, Huo Jiang's voice came. He couldn't listen any more. He couldn't stand it.

"Are you Qiao Qingdong?" Huo Jiang's eyes are full of anger.

Qiao Qingdong looked at the sudden Huo Jiang, slightly楞 for a moment. Who is this? His aura is similar to Huo Dongyang.

Huo Dongyang generously accepted, "this is my grandfather."

"Hello, old man."

Huo Jiang will not treat Qiao Qingdong as politely as Huo Dongyang. His eyes are really covered by Shi, and the Pearl and stone can't be distinguished. I have the courage to say that.

"Don't say anything polite. I also want to sue your daughter for deliberately injuring people Huo Jiang said angrily. This Qiaowei girl has such a father. It's really a dark life. There is no good person in this family."Old man, I'm..."

Huo Jiang went to Qiao Qingdong and said, "in the future, Qiao Wei has nothing to do with your Qiao family. In the future, she will be a member of Huo family, and she will take my surname! So please don't show up in my house. You are not welcome here! "

Qiao Qingdong's face was white and red, and his mood was complicated. Qiao Wei has been liked since she was young, and there are many people who protect her. Before there was YUNZHUO, now there is an old one and a small one in front of him. And Qiao Xin only has himself, he can't see Qiao Xin back what crime. He owes Qiao Wei these years. He can't owe Qiao Xin.

"President William, I hope you can withdraw." Qiao Qingdong put forward his own requirements. "If you agree, I won't come to see you again!"

Huo Jiang's fire burst into flames. "You really have a big voice!"

"It seems that Chairman Joe didn't listen to what I said last time." Huo Dongyang expressed disappointment.

Qiao Qingdong lowered his head. He had thought about what Huo Dongyang said last time. It's just that the matter has been going on for so many years, it seems that there is no need to investigate, and he has no evidence to prove that Liu Su killed Su Lirong.

After Huo Dongyang saw Qiao Qingdong's expression, he narrowed his eyes. As expected, human feelings are cold and warm, only see the new laugh, not hear the old cry.

"Qiao Qingdong, it seems that you are not going to investigate? I really feel wronged for Su Lirong! " Huo Dongyang said coldly: "it was Liu Su who killed Su Lirong! How can you say that with such ease, what on earth will make you feel afraid and regret? "

Huo Jiang heard these, really feel Qiao Qingdong is simply inhumane!

Qiao Qingdong's heart trembled, he staggered back a step, it seems difficult to accept what Huo Dongyang said. "It's not true."

"Is it true, do you want to see the evidence?"

Qiao Qingdong's eyes were blank, but he shook his head.

"I don't want to know!" He left only Liu Su and Qiao Xin!

Huo Dongyang gave Qiao Qingdong two words. "Coward!"

Huo Jiang one face hums a few voice, "you such a man really does not have a bit of responsibility. You don't deserve to be Qiao Wei's father, and you are in vain to be su Lirong's husband

"Dad, I didn't expect you to be like this!" Jovi came down the stairs with a look of disappointment.

### [Chapter 139](#)

Huo Dongyang saw Qiao Wei come down, he went to take Qiao Wei's hand.

"How do you get down?" Huo Dongyang did not tell Qiao Wei before, because he was worried that she would not be stimulated.

Qiao Wei gives Huo Dongyang a reassuring look, and then goes to Qiao Qingdong. It was also the first time that she met him face to face in this family.

"Dad, I have a question for you." Qiao Wei still held a glimmer of hope in his heart.

Qiao Qingdong did not dare to look at Qiao Wei. He staggered his eyes and lowered his head.

Qiao Wei saw such a scene, her brow frowned, in fact, this answer also came out, isn't it? However, people are not willing to die until the Yellow River, that is to ask for an answer.

Jovi I took my hand. "What are my mother and I in your heart?"

"Weiwei, I...." Qiao Qingdong really felt embarrassed and tangled. This question, no matter how you answer it, is a dead end.

Qiao Wei suddenly laughed out, "you are not even willing to cheat! Dad, I'm really disappointed with you. In those days, my mother was so desperate that you could start a business successfully, but now you treat her with such an attitude. Do you really have no doubt about mother's death? "

Huo Dongyang worried about Qiao Wei's excitement. He put his hand on Qiao Wei's shoulder and stood behind her.

Qiao Wei feels Huo Dongyang's strength to herself, and her clenched hand also slowly releases.

"Dad, I've been holding senjo with my teeth in the past because it's the hard work of you and mom. But you have always ignored my pay. When you need me, let me fight. When you don't need me, just kick me away Jovi cried as he spoke.

Qiao Qingdong feels embarrassed when he hears Qiao Wei's words, and he has no words to refute.

Joe looked at his father in tears. "In fact, in your heart, my mother and I are tools for your career. You've never thought of us as family. "

"Weiwei, dad is actually..."

"What are you really?" Qiao Wei asked in turn. "Did you think about my situation when you drove me out of senjo? Have you ever thought about what I'm going to meet? You don't have any. On the contrary, you even want to take my shares! Why should I give it to you? Do you ever think of me when you three get together at home on New Year's day? Have you ever called me? Even if you do it, I will feel happy! But you've saved the surface! My heart is also flesh long, I don't have a diamond heart

Qiao Qingdong listened to Qiao Wei's accusation, he was also full of tears. But he had no way out.

"I won't help you in the future!" Jovi continued. "I don't care what people think or say about me. I don't care! Over the years, I've been selfish for a while, and I want to live for myself. "

Qiao Qingdong closed his eyes, "tiny, sorry! But I hope you can spare your sister this time

Qiao Wei's heart really died, she suddenly put away his soft, eyes become sharp. "Yes!"

Hearing Qiao Wei's words, Qiao Qingdong immediately opened his eyes, eyes also with hope. "Really?"

Joe nodded, "really!"

Huo Jiang frowned, "girl, are you really going to let go of such a person?"

Huo Dongyang stretched out his hand to stop the Huo River, which he wanted to let Qiao Wei solve by himself.

Qiao Wei goes to Qiao Qingdong. "You can save your daughter, but I have one condition. If you agree, I will withdraw the case immediately! "

"Good! You say

Qiao Wei raised the corner of his mouth. "Aren't you afraid it's a trap if you promise so soon?"

This kind of Qiao Wei makes people look like, really changed a person. At this time, she seems to be a strong woman with strategy.

Qiao Qingdong was frozen and his voice was shaking. "You don't want me to be a killer, are you?"

"No

Qiao Qingdong immediately breathed a sigh of relief, "that's good!"

Joe also had a proud smile at the corner of his mouth. "My terms are simple. You get down on your knees and beg my mother to forgive you! "

Qiao Qingdong looks unbelievable. He didn't expect Qiao Wei to put forward such a condition. She wanted to insult herself! He Qiao Qingdong has never knelt down before. Today, my daughter let herself kneel in front of her. What kind of system is this!

"What? You don't want to? " Qiao Wei knew that Qiao Qingdong would not agree. His face was more important than anything.

Qiao Qingdong looked at Qiao Wei's eyes also gradually with anger. "Jovi, do you know what you're talking about now? How can anyone kneel down on his daughter? "

Joe shook his head slightly. "Why not? In ancient times, when the daughter married the emperor, the parents still knelt down to see their daughter. "

"Jovi, don't go too far!" Qiao Qingdong glared at Qiao Wei. She now seems to be really no longer the past that let people bully the sparrow, now she seems to be transformed into a Phoenix who can take charge of it alone.

Qiao Wei smile, "of course, you can choose not to kneel."Finish saying, Qiao Wei turns around, she sees Huo Dongyang's eyes with admiration.

Huo Jiang's mouth also has a trace of satisfaction smile, this is their Huo family young lady should have demeanor. pretty good! Next, she should be able to become a good wife of Huo Dongyang!

Seeing Qiao Wei going away, Qiao Qingdong is also nervous.

"Wait a minute!" Qiao Qingdong stops Qiao Wei.

Qiao Wei looked back at Qiao Qingdong, did he really want to kneel down?

"What's the matter?"

"Did I kneel down, then you let go of Qiao Xin?" Qiao Qingdong confirms to Qiao Wei again.

Qiao Wei's smile disappeared. She really didn't expect Qiao Qingdong to kneel. Qiao Xin is really so important in his heart! Suddenly a little jealous of his father's love for Qiao Xin, and he lost his father's love as well as his mother's love.

Qiao Wei instantly became indifferent, she also answered Qiao Qingdong. "Of course! There is a grandfather here who can be a witness. "

Qiao Qingdong clenched his teeth and thought about the matter of closing his eyes. "Good! But please don't break your promise

Then really saw such a scene, Qiao Qingdong really knelt down.

Qiao Wei really did not expect, she stepped back a few steps. Huo Dongyang reached out and helped her. "Are you all right?"

Qiao Wei looks at Qiao Qingdong, who kneels down. She suddenly laughs. "Dad, how great you are! This is the last time that I call you that. You and I will never owe each other. "

"Don't forget what you promised me."

"You really ask your mother to be ashamed." Said Jovi in a loud voice. "If she forgives you, then I will withdraw."

Finish saying, Qiao Wei no longer go to see, Qiao Qingdong says to Huo Dongyang: "I am tired."

Huo Dongyang nodded and bent down to pick up Qiao Wei. Then he carried Qiao Wei upstairs.

Huo Jiang looks at still kneeling Qiao Qingdong, "you this father is big enough, also enough ruthless!"

Qiao Qingdong clenched his fist, "I hope you don't go back on your words!"

#### [Chapter 140](#)

A new day has begun.

The Qiao family.

Early in the morning, Liu Su walked back and forth in the hall, looking at the time on her mobile phone from time to time.

What did Qiao Qingdong do? He didn't leave the house.

"How are you, Qingdong?" Liu Su gave a loud cry.

Qiao Qingdong opens the door, but his spirit is really bad.

"We're going." Liu Su urged.

It's court day, and she doesn't want to be late. It's hard to get a lawyer to defend Qiao Xin. We can't neglect that lawyer.

Qiao Qingdong also did not want to go out, he looked like ants on the hot pot of Liusu.

"I have something to ask you."

Liu Su is thinking about Qiao Xin, and has no mind to listen to Qiao Qingdong. "What can we do when we come back from the court! If we don't go, we'll be late! "

Qiao Qingdong stares at Liu Su and thinks of the information Huo Dongyang asked people to give him when he left Jiangwan villa yesterday.

It's a legal document suing Liusu for intentional homicide, and the case is still under prosecution. The document also describes in detail what Liu Su has done to Su Lirong. Every point is clear!

Qiao Qingdong also felt shocked after reading it. He really didn't expect that Liu Su would do such a bad thing behind his back. Before he just suspected, but did not think that she actually under such a vicious hand.

When Liu Su saw Qiao Qingdong like this, she also felt some terror. "What's wrong with you? Why do you look at me like this? "

"What did you do to Su Lirong more than ten years ago?"

Liu Su heard Qiao Qingdong's words, her face changed instantly. But she remained calm. "What have you done? You agreed to let me take care of my sister

Qiao Qingdong's eyes brightened. "I told you to take care of her, I didn't ask you to kill her!"

"I didn't!" Liu Su immediately denied, "at that time, the doctor also said that my sister died because of illness, and you were there."

Qiao Qingdong nodded. "Yes, I was there. But the rest of the time, it's you who take care of her

Liu Su's heart is pounding. What's wrong with Qiao Qingdong today? How can I find out what happened so many years ago!

"Qingdong, what's the matter with you?"

"Liu Su, you killed Su Lirong!" Qiao Qingdong said directly.

Liu Su got up nervously, "Qingdong, who are you listening to! How could that be possible! "

"What's your relationship with Gao he?" Qiao Qingdong continued to ask. "Did you collude with the doctor to change Su Lirong's medicine?"

Liusu shook her head all the time. "No!"

Qiao Qingdong snorted coldly. "Liu Su, you are a big disaster! You'll just wait to get into the cell

"What do you say?"

Qiao Qingdong threw the indictment in front of Liu Su, "look at it yourself!"

Liu Su looked at the document in front of her. She didn't even have the courage to open it. She couldn't help swallowing.

Her hands trembled and picked up the document. It seemed that every second she looked, Liu Su's face turned white.

The indictment is very detailed, including the information about her collusion with Gao he and the transfer in and out of funds are recorded.

"Qingdong, I can explain." Liu Su immediately knelt in front of Qiao Qingdong.

"What are you going to explain? It's very clear. "

"I must have been framed." Liu Su didn't admit it.

Qiao Qingdong looked at Liu Su's face and felt really sick. "Liusu, do you know how these come from?"

Liu Su looked at Qiao Qingdong in a daze, and saw despair in her heart. "What are you going to say, Qingdong?"

"This is what I got after asking Qiao Wei yesterday!" Qiao Qingdong felt ashamed when he said it. "I knelt down for Qiao Xin. If I didn't kneel down, you and Qiao Xin would have gone into that place together now. "

Liu Su put down her hand, "Qingdong..."

"Don't talk, and don't call me." Qiao Qingdong said coldly to Liusu. "You should know what will happen to you if this thing is sent out?"

Liusu shook her head directly. "Qingdong, no! You and I have known each other for 20 years and married for more than ten years. Are you really going to do this? "

Qiao Qingdong looks at Liu Su with disappointment. "Liu Su, I've been turning a blind eye to everything you've done these years. But what did you do to me? You killed Su Lirong and even abused Qiao Wei. These are enough for you to spend the rest of your life in prison! "

Hearing these words, Liu Su was discouraged. "Qingdong, I was wrong. You'll forgive me once! "

"I want to divorce you. You leave Qiao Xin's house." Qiao Qingdong said to Liu Su.

When Liu Su heard this, her tears began to flow. "Qingdong, don't be so cruel.""I give you two choices. Divorce takes Joe Xin out of here, and the second one you and Joe Xin go in."

For years, qiaoqingdong has been tough again.

"Qingdong, I know it's wrong. You don't want to rush me out." Liu Su cried for qiaoqingdong.

At this time, Qiao Xin is going to enter the door. Seeing what happened in front of her, she let her go and run to Liusu.

"What's wrong with you, mom?"

Liu Su holds Qiao Xin's hand. "Xin Xin, please ask your father, let him not rush us away!"

Qiao Xin heard, eyes with consternation. "Dad, you're going to drive me and mom? Why? "

"You let your mother tell you!" Joe Qing stood up. "You leave Joe's house today. I'll let you know when I'm ready for the divorce agreement!"

Qiao Xin stared at her eyes. What happened? Dad wants to divorce her mother and drive them away?

Qiaoqingdong frowned at Liu Su and Qiao Xin, "if you do more, you will die! You should know that you should find a quiet place to live a good life, and don't be in trouble. "

This is two last advice from qiaoqingdong. If they want to listen, there is still some help. If they don't want to listen, no one can help them.

Qiaoqingdong also takes into account such a little affection. "Go!"

"Dad, why do you abandon us?" Qiao Xin looked at qiaoqingdong angrily and asked. "It's Joe Wei who asked you to do that, right? So she's going to withdraw the lawsuit temporarily, right? "

Qiaoqingdong shook his head. "I'm letting you go for your good."

"Good for us?" "Said Qiao Xin with a sneer. "It's so nice to say! Dad, it's really cruel! And he did such a thing as to throw away his wife and abandon his son for Joe Wei. "

Qiaoqingdong closed his eyes, his heart dripping blood, throwing away his wife and abandoning his son. It was a very ironic word, but he said it really! But he's not the first time. Not to see them, qiaoqingdong enters the room.
