

Warm Wife 141

[Chapter 141](#)

Watching Qiao Qingdong close the door, Liu Su's face is full of despair.

Qiao Xin really does not know what makes her father like this.

"Mom, you get up first." Qiao Xin wants to help Liu Su up.

But Liu Su sat on the ground and refused to get up. "Why do you do this to me?"

"Mom, Dad, what's going on?" Qiao Xin asked.

Liu Su looked down at the indictment. She angrily tore it to pieces. It must have been Qiao Wei who gave it to Qiao Qingdong. Now she has found a big supporter, so her style of work is different.

Liu Su is not convinced. She lost to Su Lirong 20 years ago, and now her daughter is losing to her daughter. It's really unfair. How can her daughter fly to the branch and become a phoenix!

Qiao Xin also found her mother a little strange. Who can tell her what is going on? When he arrived at the court, Qiao Wei suddenly withdrew the case. Now back home, Dad actually wants to divorce his mother. Is this Qiao Wei's offer?

Liu Su calmed down, and she really felt that she and Qiao Xin had no way out. She must now find a new way out for herself and her daughter, otherwise she really has nothing.

"Mom..."

Liu Su looked at the closed real door again and felt a chill in her heart. In fact, everyone was selfish.

"Qiao Qingdong, you will regret your decision today!"

"Xinxin goes back to the room to pack up, we leave here."

"Mom, what are you talking about?" Qiao Xin felt incredible.

"Didn't you hear that your father said he was going to divorce me and let us leave Qiao's house?"

Qiao Xin was very angry. "I don't go. This is my home. Why should I go?"

"Be obedient! We need to get out of here now. " Liu Su said with a loud look at Qiao Xin.

Qiao Xin saw such a mother for the first time, "Mom You... "

Liu Su got up from the ground, her eyes fixed on the door of the room, and made a decision in her heart.

Qiao Xin is very unwilling, but still go back to his room to pack things. She likes everything in this room, and she wants to take everything away.

Liu Su followed Qiao Xin to the room, "take the valuable away, and don't want anything else."

"Mom, everything in this room is valuable."

"Then pick the most expensive."

An hour later, Qiao Xin shuffled out of her room.

Liu Su frowned as she came down with two suitcases. "What are you doing? With so much? "

"Mom, these are all valuable." Qiao Xin's suitcase has a box of cosmetics, a box of famous brand clothes and jewelry. There are some bank cards and cash in the backpack.

Liu Su took her handbag and didn't take anything else.

"Let's go."

Mother and daughter walked out of Qiao's house and stood at the door looking back on the home that had lived for many years. Heart is really too much unwilling, but now they have to bow their heads, at least do not have to squat in prison.

After they left, Qiao Qingdong came out of the room. Looking at the empty house, he felt very sad. This is the only thing he can do for Liu Su and Qiao Xin, at least so that they can live.

Liu Su and Qiao Xin left Qiao's home, or to Huo Dongyang here.

"I really didn't expect Qiao Qingdong to drive Liu Su and Qiao Xin away in such a way." Xiang Qing said.

Huo Dongyang is also an accident in fact, but think carefully, he still chose Liu Su and Qiao Xin, he did so to save them. This is really unfair to Qiao Wei.

Huo Dongyang or decided to tell this matter to Qiao Wei, but Qiao Wei did not have much reaction. Since last night, she has been dead of heart, so now everything in the Qiao family has not been able to lift a little waves.

Qiao Wei stretched out his hand and held Huo Dongyang's hand, "Dongyang, I know you are worried about me, but now I don't mind. Because I have you, grandfather and grandmother, and our baby in the future, I have been satisfied

Huo Dongyang is really in love with Qiao Wei, he also made a decision in his heart, that is to be good to Qiao Wei.

"Jovi, we'll have a better tomorrow." Huo Dongyang is also looking forward to the future.

The next day.

Jo Wei went shopping with Mary.

"Grandma, look at the clothes." Qiao Wei points to a nice dress.

"This is too old for you. You're still young. Choose some bright colors. " Said Mary, frowning.

Qiao Wei smile, this if by grandmother see oneself before wear clothes, that is not more old-fashioned.

Since Mary has good eyes, she has a high eye for picking things and pays special attention to the quality of life. These are what Qiao Wei doesn't have. She doesn't pay attention to life all the time. She just thinks that she has to go.

Mary also took Qiao Wei out today to give her a good demonstration of the quality of life. Seeing a chain of gold jewelry stores, Mary took Joe Wei in. Once inside, Mary went straight to see the gold bracelet.

"Grandma, do you want to buy something?"

"Well!" Mary nodded. "Yes."

"Then let's sit down and choose slowly." Jovi helped Mary sit down.

Mary's eyes were fixed on the delicate dragon and Phoenix bracelets. She knows something about the traditional Chinese customs. The elder will prepare some gold rings and dragon and Phoenix bracelets for the newly married younger generation.

This time, she also came in a hurry, and her family didn't bring the ring. It happened to be such an opportunity today that she wanted to prepare one for Qiao Wei. Because of her, the Huo family is like a home. So she can't treat Qiao Wei badly.

"Show me the innermost pair." Mary has a really good eye for the best couple in the room.

The clerk also brought it out to Mary, "Ma'am, you really choose. This is our store. "

Mary laughed. "Yes

"Slightly, stretch out your hand and body." Said Mary with a smile.

Qiao Wei thought it was just a try, so he put out his hand.

Mary looked at the two gold bracelets on Joey's hands. "Well, not bad!"

"Slightly, what do you think?"

Qiao Wei replied: "grandma, you like it

"Whatever I like. I bought it for you Mary replied. "If you don't think it's good, we'll choose again."

"For me?" Joe blinked, as if he had not expected it.

Qiao Wei took a look at the price of the bracelets. It's really expensive. She can't afford such a valuable gift. "Grandma, this is too expensive."

"I still have the money." Said Mary domineering. "If you don't like this style, choose another one."

Finally, when there was no way out, Joe chose a moderately priced one.

Just after paying, Fu Qing went into the store and said, "is my ring ready?"

At the sound, Jovi and Mary raised their heads at the same time, and the three stood face to face.

[Chapter 142](#)

The three looked at each other for a while.

Qiao Wei didn't expect to meet Fu Qing here. Similarly, Fu Qing did not expect to meet Qiao Wei here.

Mary saw that Qiao Wei stopped. She knew that the one in front of her should be Qiao Wei's acquaintance, but she saw surprise in their eyes.

"Yes?" Mary spoke first.

Jovi regained consciousness and looked at Mary and nodded. "Well!"

On hearing this, Mary nodded to Fu Qing.

When Fu Qing saw Mary, he also guessed who she was? Because she and Huo Dongyang have a pair of similar eyes, this person should be Huo Dongyang's grandmother, a real Englishman.

"Grandma, this is Mrs. Yun." Qiao Wei introduced.

Hearing Qiao Wei's introduction, Mary's eyes changed. It turned out to be from the cloud family, so she would not be polite.

Fu Qing also saw the change in Mary's eyes. She could see that she hated the cloud family.

"Mrs. cloud, let's go first." Qiao Wei also felt that the atmosphere was not right. She thought it was Mary's sudden silence because they met Fu Qing, who was her mother-in-law.

So in order to avoid conflict, Qiao Wei still thought it was better to leave.

Mary tried to suppress the anger in her heart. Now Qiao Wei doesn't know the relationship between Huo Dongyang and the cloud family, so she can't talk nonsense. This also avoids Qiao Wei difficult life.

Qiao Wei helped Mary out of the goldsmith shop. "Grandma, shall we go and have something to eat?"

Mary nodded to Joe. "Good!"

Two people have not gone far, Fu Qing chased out.

"Wait a minute." Fu Qing opened his mouth.

Qiao Wei saw Fu Qing come quickly, "Madame Huo, can we have a chat?"

Mary had a cold face. "I don't think we have much to talk about." As soon as she had finished, Mary added. "And please call me Mrs. Huo. This is Mrs. Huo."

When Fu Qing heard Mary's words, his eyes suddenly enlarged. She looked at Qiao Wei: "are you really married to Huo Dongyang?"

"Mrs. Yun seems surprised?" Said Mary with a smile. "They love each other, and of course they get married. I think you just saw what we were buying in it? "

Fu Qing frowned, "Qiao Wei, I really didn't expect you and Huo Dongyang to get married. It's just that the relationship seems to be a bit messy now. "

"Where is the mess?" Mary retorted at once. "Weiwei has nothing to do with your cloud family! It's your cloud family who gave up a treasure, so we Huo family are lucky to get it. "

Fu Qing stares at Qiao Wei, and then he says to Mary: "you Huo family really don't mind a second married woman? And this woman was once the daughter-in-law of the cloud family. "

Mary knew that this was Fu Qing's encouragement, and she did not waver at all. "What do you mind! My education is different from yours, and I don't have that kind of restrictions. "

Fu Qing looked at Mary. She didn't get the upper hand in the first fight. This old lady is also a difficult master.

Fu Qing glanced at Qiao Wei, "Qiao Wei, I have a word to give you. I hope you won't regret your decision today. Don't think you got rid of the cloud family. In fact, you have been in this bureau all the time. If the truth is revealed in the future, I hope you can be as calm as this. "

Qiao Wei heard Fu Qing's words, but also heard her words.

Mary narrowed her eyes. The woman seemed to know a lot. "There are mad dogs in the world that bark everywhere."

"You Fu Qing knew that Mary was scolding herself.

Mary sneered, "I'm not talking about you. Or do you think you're a mad dog

Fu Qing did not expect that Mary's Chinese was so good that she could still chew words.

"Weiwei, we're home."

Mary took Jovi by the hand and said go. The air here is really not comfortable at all.

Qiao Wei followed Mary to the side of the road, but saw Huo Dongyang.

"Why did you come?" Qiao Wei was surprised.

Huo Dongyang laughed, "just passing by here, so I'll pick you up by the way."

As a matter of fact, when Qiao Wei and Mary met Fu Qing, they had already informed him to the south. It happened that he was really passing this way, so he stopped by to have a look.

Mary took a deep look at Huo Dongyang. Of course, she knew that Huo Dongyang was not telling the truth. But she also did not expose, directly give Huo Dongyang a look, and then get on the bus.

Joe Wei saw Mary get in the car first and thought she was still angry. She reached for Huo Dongyang.

"What's the matter?"

Qiao Wei asked Huo Dongyang to lower his head and whispered in his ear. "My grandmother and I just met Fu Qing."

Huo Dongyang didn't say anything, just showed a smile and put his hand around Qiao Wei. "It's OK. Let's go back first."

"Well!"

After seeing Qiao Wei get on the bus, close the door. But the eyes also became cold, Fu Qing must have said some bad things. Of course, it has something to do with myself. In fact, as long as these words are carefully studied, Qiao Wei will understand. But now she doesn't think that way. Or it's not far from the truth. It seems that he has to speed up some things.

After sending Qiao Wei and Mary back, Huo Dongyang also went to the company.

"Dongyang, you're just in time." Qin Hao said.

"What's the matter?"

Qin Hao said with a smile, "there is good news."

"Say it

"I heard that Yun Yiming is going to sign an agent for a foreign brand." Qin Hao replied. "And this brand just happened to be the end of last year outside the Feiyang international shares."

"He wants to represent the digital products of Feiyang?"

Qin Hao nods. "This is also our chance. It seems that Yun Yiming is determined to win. It was decided directly by the old man. "

Huo Dongyang touched his chin with his hand, as if he was lost in meditation.

"Do you mean YUNZHUO has been elevated?"

Qin Hao nods. "Yunzhou took the old man's health as an excuse to sit in his position. Now, it is almost Yun Yiming who is in charge of it. What's more, Yun Yiming sent Yun Yiyan away and sent him to other places. This posture may mean taking power. "

It seems that Yunzhou and yunyiming have already started to take action. After enduring these years, they will finally break out.

Qin Hao said, "Dongyang, it's better to take it from you than to let them take it. In this way, Yunshi will not be destroyed! "

Huo Dongyang pursed his mouth and said after a while, "inform Jason and let him talk to Feiyang's people."

"OK."

Since YUNZHUO is not a director, it is really an opportunity to start. Huo Dongyang's eyes also showed a touch of firmness. Next, Wynn estimates that it will soon be overturned, and it will be closer and closer to his goal.

Jason's speed is very fast. He talked with Feiyang and everything went according to Huo Dongyang's plan.

Huo Dongyang is also waiting for this time, everything is ready, only the east wind. Now look at the power of this east wind.

[Chapter 143](#)

Wynn.

Mo Ling goes to Yun Yiming with the latest information.

"General manager Yun, this is the quotation just sent by Feiyang international. They suddenly raised the price. " Said Mo Ling.

Hearing this news, Yun Yiming stops his action.

"Why?" This is what Yun Yiming didn't expect. "Didn't we all talk about it before? How could they suddenly raise the price? "

Mo Ling's face was not very good either. "I just went to inquire about it. It seems that another company is also trying to get an agent for this product."

"Do you know who it is?" Yun Yiming's brows are frowning. How could such a thing happen suddenly.

This capital budget was not enough, but now they have to start from the ground. They really take advantage of the fire.

Yun Yiming holds his head with his hand. He must find a way.

"Mr. Yun, are you ok?" Mo Ling sees Yun Yiming's impatience. In fact, she thinks the best way to do it now is to step back.

The price offered by Feiyang is twice that of the original one. This price has far exceeded the original budget. Although it is a good thing to win the agency, the agency fee is too unreasonable, which also makes people feel that there is something wrong with it.

Yun Yiming puts his hand down. "I'm fine. Mo Ling, you go to find out which company is trying to get this agent. "

Mo Ling nodded. "I've got someone to check."

"Well, I don't worry about your work."

Mo Ling still thinks he should remind Yun Yiming. "Mr. Yun, I think we should quit."

"What? Do you think I can't take this agent? " Yun Yiming asked Mo Ling. The last thing he likes is being questioned.

Mo Ling shook his head. "I just think there's something wrong with it. It's not easy for us to take risks

"Moling, you should know that this agent is very important to me."

"I know. It's just our money... "

Yun Yiming is also a headache. "I'll do something about it. You go to work

Seeing that Yun Yiming is determined, Mo Ling is hard to say anything. I hope it's OK.

It was only very soon that Mo Ling got the news. It was hd-qh that prepared to bid together.

Mo Ling clenched his mobile phone, it seems that Huo Dongyang has already started. But she did not expect that Huo Dongyang would take the initiative to attack head-on this time, and still compete with the cloud business.

However, this is also reasonable. Only when there is competition can we know the details of each other. Huo Dongyang's moves are really high. Is Yun Yiming the opponent of Huo Dongyang?

Yun Yiming is easy to be impatient, and he is also relatively aggressive in his work. In such an analysis, he is not Huo Dongyang's opponent. And Huo Dongyang is more unpredictable.

Even I don't know much about him, so I have no chance of winning against him in the mall.

Sure enough, when Mo Ling told Yun Yiming the news, Yun Yiming was really worried. Huo Dongyang would actually compete with himself this time. This is unexpected, but it is not difficult to guess.

Huo Dongyang is now trying to crack down on Yunshi. He wants to prove his ability. Yun Yiming knows this very well. But he didn't want Huo Dongyang to succeed, and he didn't want to lose to Huo Dongyang.

Now it seems that there is only that way. Yun Yiming really has to bite his teeth and take a risk this time.

"Moling, if you contact Feiyang international, we will pay the price they said."

Mo Ling was surprised and she frowned. "Mr. Yun, have you really decided?"

"Yes, you don't have to worry about the money. I'll try to deal with it." Yun Yiming replied.

"Mr. Yun, shall we consider it or discuss it with Mr. Yun?"

Yun Yiming waves. "No, you can reply."

"This..." Moling's heart is really not at all, always feel that something is wrong.

Huo Dongyang soon received a message from Jason.

"Boss, they have already replied. Agree to take the agency at twice the price. "

Huo Dongyang raised the corner of his mouth. "Good!" The fish got hooked.

"Tell Feiyang to ask for full payment."

"OK!" Jason compared a gesture in the video.

Huo Dongyang just wants to see how yunyiming takes out the money. Yunshi's working capital should not be so much. And he should have taken the risk to get the money together.

Huo Dongyang shows a satisfied smile. This time, he really thanks Yun Yiming for giving him such a chance.

Jason saw Huo Dongyang's smile, and then he said something unrelated to his work. "Boss, I think you have changed a lot recently. It seems that the young lady is the credit. When can I see the young lady, too? I really envy John and Qin! "

"There will be a chance." Huo Dongyang was in a good mood and really agreed to Jason's request.

"It's a deal! You'll come back to America with your wife Jason added." Huo Dongyang nods. "Work done first."

"Yes!"

After Jason's video conference, Huo Dongyang closed his computer and walked out of the study.

As soon as I went downstairs, I saw Qiao Wei playing chess with Huo Jiang. He walked past, did not expect Qiao Wei to play go.

He also sat down on one side and saw Qiao Wei's face attentive and calm. Because it was the first time he saw it, he felt very fresh.

Huo Jiang, on the other hand, looks a little impetuous. This is the first time Huo Dongyang has seen him like this.

When we look at the whole chess game, we can only say that Qiao Wei almost surrounded Huojian sunspots, and cleverly, Qiao Wei only won one.

"Grandfather, you lost."

Hearing Huo Dongyang's words, Huo Jiang was angry. "Do you understand the rules? Watch the chess without saying a word! And where did I lose? "

Huo Dongyang pointed out, "here. Give up

"Go, go away." Huo Jiang also taught Qiao Wei to play chess at the beginning, but he didn't expect this girl to have such attainments.

Qiao Wei smile, "grandfather, I suddenly want to go to the bathroom, next time you teach me?"

Obviously know that Qiao Wei is under the steps for himself, Huo Jiang nods. "Let's go!"

Qiao Wei put down the white boy in his hand and got up to go to the bathroom.

Huo Dongyang picked up the white one with temperature and put it on the chessboard immediately.

"Grandfather, did you see that?" Huo Dongyang smiles.

Huo Jiang is a face unconvinced, "if Qiao Wei doesn't want to come here?"

"Anyone who knows will choose here." Huo Dongyang said with a smile. "She's been hesitating. She's just trying to get you."

Huo Jiang sighed. "Qiao Wei, a girl, is really smart. I didn't expect her to play go. It's not bad!"

"There seems to be too much in her for us to discover." Huo Dongyang's eyes fall in the direction of the bathroom.

Then he withdrew his eyes and landed on the chessboard.

Does this chess game also represent the end of the game?

[Chapter 144](#)

The next few days.

Huo Dongyang has been paying attention to the situation of Yun Yiming, but he seems to be quiet these days.

"Boss, yunyiming has promised to give money tomorrow at the latest." Jason brings the news to Huo Dongyang.

Huo Dongyang smiles. "Good! As soon as the money was received, it was announced that we would withdraw from this competition. After they get the agency, we will have our reserve price released. "

"OK!"

Huo Dongyang immediately hung up with Jason. Yun Yiming can't hold his breath. Give him a little bit of stimulation, and he'll come on. This time, he wanted to see how Yun Yiming filled the vacancy.

Xiang Qing comes in. "Boss, the young lady has gone to the company."

Huo Dongyang knew that she was going to hand in the planning case today, "OK, let's take care of her in the south!"

"Yes Xiang Qing nodded and went out.

Huo Dongyang recalled the period of Huo Jiang and Qiao Wei a few days ago. He showed a smile. If only life was so comfortable every day. But for him, such things don't happen very often.

Hd-qh's office.

Qiao Wei shows Qin Hao his plan. Then wait for his opinion.

Qin Hao looked at it carefully. It was obvious that this case was better than before.

"Has Dongyang seen this plan?"

"Not yet. He said I'll report directly to you. " Replied Jovi. "Is there a problem?"

Qin Hao shakes his head. "No big problem."

Qiao Wei hears Qin Hao's meaning. There is no big problem, but there is a small problem. "Manager Qin, what do you think is not good?"

"Look here." Qin Hao also pointed out to Qiao Wei a few places to be modified.

Jovi listened carefully and recorded it. It seems that some of our own have not been paid attention to. We must pay attention to this issue.

"These, you go back and change them."

"Yes. I'll fix it as soon as possible. "

Qin Hao smiles. "Take your time! Dongyang said that this project is based on your time. "

Qiao Wei was surprised to hear that. It's not a joke. It's based on your own time. Isn't that a lame duck?

"Isn't that good?"

"Why not? You're the president's wife. What's wrong with that. " Qin Hao replied. "And our big boss is capricious."

Qiao Wei really didn't know how to thank Huo Dongyang. No matter in work or life, he always supported himself silently. It's nice to have him.

In the afternoon, the official news of HD was issued. First of all, a modern white-collar apartment is suitable for living.

As soon as the news came out, it attracted wide attention. This HD seems to be coming fiercely. It is really ready to compete with Yunshi for the position of the boss.

Everyone knows that Yunshi has just invested in Senqiao real estate, ready to do a lot of work in real estate. But now HD suddenly comes out to compete. I heard that the single apartment project has been prepared by Yunshi, but it has not been announced. Now HD is the first to announce that the smell of gunpowder is obviously very heavy.

When Yun Yiming received the news, he was very angry. Huo Dongyang put forward to his own, is really too shameless.

Moling knocked on the door and came in, "general manager Yun, the capital has been done according to what you said."

"Good!"

Mo Ling really thinks that Yun Yiming is desperate and dare to embezzle public funds. And if this account is not made up in a short period of time, it will surely be found. The agent of this digital product in China also has similar, can stand firm is unknown.

Mo Ling is worried that this time, it will be a little bit more simple than it seems.

"Mo Ling, don't worry! Even if something happens, my father won't say anything. In the future, Yunshi will be mine. I'll fill in the money as soon as possible. " Yun Yiming sees Mo Ling's face worried, so he comforts her in turn.

At this time, Mo Ling's mobile phone rings.

"Hello

Within a second, her face changed.

When Yun Yiming saw the appearance of Mo Ling, he immediately paid attention to it. "What's the matter?"

Mo Ling powerless to put down the phone, "cloud general manager, HD side to give up this agency."

Hearing this, Yun Yiming immediately became happy. "I said Huo Dongyang was not willing to spend money. So I said, as long as we promise first, there will be no problem! "

Moling's heart sank, bad! They should have been caught. This bureau clearly said that Huo Dongyang designed it, waiting for Yun Yiming to jump inside.

Hearing the good news, Yun Yiming can say that his morale has been greatly improved. "I'm going to look at this single apartment project now. What will he do about it?"

Mo Ling looks at Yun Yiming. Her mood is complicated. Should she attack him or follow him? But in the end, she went out without saying anything. Yun Yiming is not the kind of person who can be persuaded by himself. He won't wake up if he doesn't plant it once!

In fact, it has nothing to do with herself. Why should she worry so much? She just needs to get paid.

The next day, when Yun Yiming got the agency right of Feiyang international, he was very excited.

But another news also came, someone announced the bottom price of HD to participate in the competition, which was even lower than the first bid of Wynn.

This news undoubtedly gives Yun Yiming a heavy blow, which will wake him up. Huo Dongyang is really cruel. He dug such a big pit for himself! And I really jumped in.

Yun Yiming instantly fell from the cloud to hell, and his panic increased. What should he do now? How can I fill in this number?

"Hello The phone rings.

Yunzhou called Yun Yiming to inquire about it. "What happened to Feiyang international

"Dad, this time, we're in a trap." Yun Yiming has to accept this fact.

Yunzhou sighed heavily at the other end of the phone. "Have you seen the latest news? Feiyang released it in a minute. Their company's latest product is also released today. "

Yun Yiming looks flustered and opens the official website of Feiyang international. He really sees the latest news. I actually got an old model agent at the highest price.

Yun Yiming leaned back on the chair powerlessly. What should I do now?

"Dad, what should I do?"

"Try to fill in the public funds first. You have to know that finance is the man of the old man, and we can't move him now. "

Yun Yiming hangs up the phone powerlessly and really feels that he has no way out. Huo Dongyang, you are really cruel!

Yun Yiming couldn't think of a solution, so he called Fu Qing.

"Mom, what do you say I should do?"

"Yi Ming, don't worry. Mom will find a way now." Fu Qing immediately comforted his son on the phone, "you are busy with other things first."

[Chapter 145](#)

Yunjia.

After receiving the call, Fu Qing walked back and forth in the room. She clenched her hand, and the whole person was a little disoriented.

"Madame

Hearing someone knock at the door, Fu Qing was also scared.

"What's the matter?" Fu Qing's tone is not very good.

"Dinner." The visitor was obviously stunned by Fu Qing's tone.

Fu Qing frowned. "I see."

She must think of a way, or her son will be ruined. Although these days, the old man did not go to the company, but he also had an eye liner in the company. If he knew that Yun Yi Ming misappropriated public funds, he would drive Yun Yi out of the cloud.

These things are his taboo, if so, then he has more excuse to let Huo Dongyang come back! No, she can't let these things happen, or all her years of hard work will be in vain.

Fu Qing walked back and forth in the room, showing such a flustered expression for the first time.

Has not been waiting for Fu Qing to come down to dinner, cloud Mu Xin also went upstairs to call her.

"Mom, grandfather is waiting for you to eat." Yun Muxin stood at the door and looked at Fu Qing.

Fu Qing was not in a good mood at this time, and he also reprimanded Yun Muxin. "I see! Don't disturb me. Go down first

Yun Muxin is not happy to hear such words. I always feel that I am superfluous in this family. In everyone's eyes, there is elder brother. My second brother also went on a business trip recently. There is really no one at home who cares about himself.

Yun Muxin lost her face on the ground floor. If she could, she would rather leave this home.

Seeing Yun Muxin return to the dining table, YUNZHUO takes a look at her back, but still doesn't see Fu Qing.

"Won't your mother eat?"

Yun Mu Xin looks at YUNZHUO with loss. "Grandfather, do you think I picked it up? No one seems to like me

YUNZHUO also felt uncomfortable when he heard this. Yeah! At that time, the little admirer had grown up. Time passed so quickly that she would come out to work in the twinkling of an eye.

"No, grandfather likes you."

"Grandfather, don't comfort me." Yun Muxin knows YUNZHUO's mind. **Novelusb.coM**

YUNZHUO shakes his head. "My grandfather didn't comfort you. He wanted to see you get married." It's just that he doesn't have much time.

Cloud Mu Xin also sensitive to listen to, grandfather seems to be in the last words. "You'll see it, grandfather."

"Muxin, you should make a boyfriend and bring it back to my grandfather."

"It's not so easy." Cloud Mu Xin says in a low voice. As soon as the men knew that she was the eldest lady of the Mu family, they all ran away.

YUNZHUO laughed, "there will be. Grandfather believes it

At this time, Fu Qing also came down from upstairs.

She seemed to have adjusted her mood and said to YUNZHUO, "Dad, I just answered a phone call and got down late."

"Eat!" YUNZHUO said.

The three also began to eat.

While eating, Yun Muxin suddenly remembered one thing.

"Mom, I have something to tell you."

"What's the matter?"

"Don't I have a classmate who lives next to Qiao Xin? She told me yesterday that Qiao Xin and Liu Su were expelled from Qiao's house a few days ago. "

Fu Qing's eyes lit up when he heard this. "Really?"

"Well!" Cloud Mu Xin nods. "My classmates saw with their own eyes that their mother and daughter packed and left that day and never came back. Later, I found out that Qiao Qingdong had driven them away and said he would divorce Liu Su! "

Fu Qing moved his eyelids, Qiao Qingdong suddenly enlightened? This time I finally hardened my heart! What is the reason?

YUNZHUO was surprised to hear the news. He still remembers the last time Liu sucai came to the house and begged himself to save Qiao Xin. Why did this happen all at once.

"Do you know why?" Fu Qing then asked.

Yun Muxin shakes his head. "I don't know, but they all guess it should be Qiao Xin's drunk driving."

Fu Qing thinks that it won't be the reason. Qiao Qingdong will divorce Liu Su, but it's a big deal. She needs to find out.

Thinking of Qiao Qingdong, Fu Qing immediately thought of a way to help Yun Yiming. They still have most of senqiao's shares. As long as these shares are sold out, they can fill in part of the public funds.

If it is not enough, try to get senqiao down and then give up the management right. Senjo has some foundation, so someone should want to buy it.

After eating, Fu Qing immediately called Yun Yiming and told him the idea.

"Mom, I know."

Fu Qing is thinking about how to get the remaining shares in Qiao Qingdong's hands, which should be barely enough. She had to find a way.

Soon, Yun Yiming put his own senqiao shares out for sale.

When Huo Dongyang knew it, he was really surprised. I think it's very clear to clap his head with Gongming. John looked at Huo Dongyang. "Boss, do you want to do it?"

Huo Dong raised his eyelids and said, "what do you think?"

John smiles, "of course. In this way, senqiao will also be in your hands, and we are ready to enter the real estate industry now. It is definitely a good thing to take senqiao. "

Huo Dongyang nodded, originally he was thinking that when he took down the cloud's family, he could also take back senqiao. I didn't expect that Yun Yiming made trouble for himself and let senqiao out. It was really a surprise. And this is also good news for Qiao Wei!

"John used the lowest price to collect all the shares in yunyiming's hands."

"Yes John was excited, too. This time, it's a great chance.

With senjo under the HD name, many problems will be much simpler in the future. I thought I was going to find a real estate company, but now it's a pie in the sky. Good!

After packing up his things, John is ready to invest in the acquisition. "Boss, I'll be busy."

"Well!" Huo Dongyang nods. "Double the bonus this month."

"OK!" John was full of strength and energy when he heard such good things.

Back home, Huo Dongyang also told Qiao Wei about it.

"Really?" Qiao Wei was also surprised. "How could Yun Yiming do this all of a sudden?" According to reason, he tried every means to take senjo's shares. He should not have done so.

Huo Dongyang reached out and touched Qiao Wei's hair. "He seems to be in some trouble recently and needs a lot of money."

Qiaowei nodded after hearing this, which makes sense. "Well, it seems that he is in a bit of trouble."

"Yes Huo Dongyang is in a good mood. "Jovi, if I take senjo down, do you have any problem?"

Qiao Wei widened his eyes and didn't seem to think that Huo Dongyang would do this. She also felt excited in her heart, "Dongyang, is that true?"

"Well!" Huo Dongyang nods. "Senjo, didn't you and your mother want to guard?"

Qiao Wei's eyes are moist, she reaches out to hold Huo Dongyang. Thank you, husband

[Chapter 146](#)

the second day.

Yun Yiming has received news that someone is going to bid for the shares of senqiao. But the price offered by this buyer is not high.

This also makes Yun Yiming dissatisfied, did not expect that the shares of senqiao are so low.

Yun Yiming frowns at the price. It's strange that no one else has inquired about it since yesterday. Except for the mysterious buyer who suddenly appeared today.

Mo Ling pushed the door in, "general manager Yun, do you want me?"

"Moling, you help me to find out who this mysterious buyer is?"

Mo Ling takes the information from Yun Yiming, and she takes a look. "This is the only one who offered to buy senjo shares?"

Yun Yiming nods. "Yes, you can check it."

"Good!" Mo Ling replied.

Seeing that Mo Ling is going out, Yun Yiming also starts to stop her, "Mo Ling, are you free at night?"

Mo Ling looks at Yun Yiming strangely. "Mr. Yun, what are you doing?"

"Well, I have a party in the evening, and I'm short of a companion. I want you to come with me. "

Hearing Yun Yiming's words, Mo Ling's heart sank. What does Yun Yiming mean? Is this simply inviting himself, or does he have other thoughts about himself.

Yun Yiming has not been waiting for Mo Ling's reply, "you are not free at night?"

"Well!" Mo Ling nodded. I asked a classmate to have dinner in the evening. "Sorry, Mr. Yun!"

Yun Yiming is not angry. "I don't have to say I'm sorry, but I asked all of a sudden. I'll ask you in advance next time

When Mo Ling heard what Yun Yiming said, he was really surprised. Yun Yiming says there will be another time. Does he mean that he wants to catch up with himself?

Thinking of this, Mo Ling's heart is a little bit pleased. If you really have something to do with Yun Yiming, it's good for him.

Mo Ling showed a brilliant smile. "OK, I'll be busy first."

One morning, moling did not find out who the mysterious buyer was. Only a little information has been found that this man is a returned overseas Chinese. It is not known whether it is a man or a woman.

Mo Ling is suspicious of a person, and this person is Huo Dongyang. He also belongs to the category of overseas Chinese. After all, it's just suspicion. She has no direct evidence.

Soon, the mysterious buyer contacted Yun Yiming to express his sincerity. Yun Yiming also thinks that this person is sincere. Although the price is a little less, he should be able to make up part of the public funds first. So Yun Yiming agreed, because he didn't have more time to wait.

The mysterious buyer also made an appointment with Yun Yiming to sign up for payment in person.

On this day, Yunyiming and Mo Ling went to see the mysterious buyer. The other side is a middle-aged woman, but it looks like someone who is out to do something important.

As soon as Yun Yiming and Mo Ling enter the door, they see that she and a lawyer are already there. It seems that they have been waiting for a long time.

"Mr. Yun, here you are." The woman speaks, but her Chinese is not very fluent, it sounds a bit lame.

Yun Yiming nodded, "yes, madam!"

"My husband's family name is Zhang. I went abroad to do business with him in the early years. This time I'm going to settle down here, so I want to set up a company here, and my husband is engaged in real estate." Mrs. Zhang explained her reasons. "At this time, I just saw that cloud always released senqiao's shares, so I made a move."

Yun Yiming nods. "I see what Mrs. Zhang means. I used to buy senjo's shares at a high price, but this time my wife made money

"Thank you for your generosity. After all, I don't have much money as a woman." Mrs. Zhang replied.

Mo Ling stands behind Yun Yiming. She always feels that this woman seems to have met somewhere, but she can't remember.

"Madam, let's sign the contract."

"Good!" Mrs. Zhang nodded and asked her lawyer to take out the relevant documents.

After that, Mrs. Zhang also handed the check to Yun Yiming. "Thank you, Mr. Yun."

"Mrs. Zhang, have a good cooperation

Mrs. Zhang nodded, with a smile on her face. "Happy cooperation!"

Seeing such a smile, Mo Ling felt that the smile was a little thought-provoking. She has been staring at this Mrs. Zhang, this woman seems not simple.

Mrs. Zhang also noticed the eyes of Mo Ling. "This lady seems to be looking at me all the time. I have something on my face?"

"No Mo Ling shook his head.

After getting the money, Yun Yiming and Mo Ling left first.

Mrs. Zhang looked at the share transfer certificate in front of her eyes. She took a leisurely sip of her tea cup.

"Let John come here!"

"OK."

After a while, John came into the room. "Thank you, sister Tracy."

"Please call me Mrs. Zhang."

"Good, Mrs. Zhang." John immediately followed Xiaolian. "Remember to charge my attendance fee to my account." "OK!"

Mrs. Zhang picked up her sunglasses and said, "hello to William for me."

John nodded. "Thank you for Mrs. Zhang's help this time. It's really natural to act like a movie queen. "

Mrs. Zhang took a look at John. "Just now that Mo Ling seems to have some doubts about me. You should pay more attention."

Thank you

"I'll go first."

John put all the information away. Knowing that Yun Yiming would definitely check the identity of the mysterious buyer, they really asked a person to play the role. Just met Tracy back home, so Huo Dongyang asked her to make a cameo. Tracy was the only Chinese movie queen in the United States at that time. After she got married, she quit the entertainment industry. She didn't like to be called her own name. She always regarded herself as Mrs. Zhang.

John left with the information, but as soon as he got to the restaurant door, he saw Mrs. Zhang stopped by moking. John immediately left from the other door, and this Mo Ling's sense was very strong.

After John left in his car, he also called Mrs. Zhang.

"Mrs. Zhang, are you ok?"

"Don't worry, I'll take care of it! Mo Ling has two sons, and reminds William to pay more attention. "

"Yes, thank you, ma'am."

"Don't forget, dinner in two days." Mrs. Zhang replied.

John smiles. "I'll tell the boss again."

"Take his wife."

"It depends on the will of the boss."

Huo Dongyang looked at the equity transfer letter brought back by John and gave a satisfied look.

"Well done."

John also conveyed Mrs. Zhang's remarks to Huo Dongyang, and then added, "she asked you to take your wife with you."

Huo Dongyang wanted to refuse, but he stopped again, or would he take her with him this time?

"I see."

When John left, he saw Huo Jiang and Mary and Qiao Wei come back.

"Granddad, grandma!"

"This is..." Mary was the first time she saw John. She had heard voices before.

John smiles. "Grandma, this is John."

"Very handsome." Mary said with a smile. "Stay and have dinner together."

For John, this is also a great temptation. If you have a meal, you should stay. Anyway, you can eat fast food alone when you go back.

"Thank you, grandma."

[Chapter 147](#)

After dinner, Huo Dongyang also gave the shares of senqiao to Qiao Wei.

"Here you are!"

Qiao Wei took the document and saw the familiar senqiao logo, but he was still a little excited. Senjo finally returned to his own hands, which is also an account for his mother.

"By the way, I have something to discuss with you." [novelUsb.coM](#)

"What's the matter?"

Huo Dongyang told Qiao Wei about Mrs. Zhang's invitation to the party. Qiao Wei was also lost in thought. She seldom attended these parties before, so she was a little repelled in her heart.

Huo Dongyang soon saw Qiao Wei's difficulty. "If you don't want to go, then we won't go."

Joe shook his head slightly. "That's not good. Didn't you say that Mrs. Zhang helped us? If you don't, it doesn't seem to make sense

"It's nothing. She knows what I'm like."

Qiao Wei said his worries. "In fact, I seldom participated in the activities that I did before. In fact, I didn't care about my own influence."

Huo Dongyang holds Qiao Wei's hand. "Fool, I told you to be yourself. You don't need to change for me."

Joe lowered her head slightly, and she felt her stomach. "And it doesn't seem convenient for me now."

After hearing Qiao Wei's words, Huo Dongyang felt that there were many people in those places. This time, he was really thoughtless. He thought that he would refuse!

Mary knew about it. She thought Huo Dongyang and Qiao Wei should go together.

"Grandma, Qiao Wei is pregnant now. It will be inconvenient to go to those places."

"Bullying me, not pregnant?" Mary replied. "When I was pregnant with your mother, I was still dressed up and went traveling with your grandfather! I'm sure it's OK. You can go without worry. After all, Tracy really wants to invite you and your husband and wife to come over this time, and the face still needs to be given! "

Huo Jiang also felt that Mary had a point. "Dongyang, you can take Qiao Wei to go and have a walk. If you don't feel good, come back early. "

"But..." Huo Dongyang also wanted to say something, Qiao Wei pressed Huo Dongyang. "Dongyang, I'll go with you."

Huo Dongyang worried that Qiao Wei did not adapt, "you do not force."

"No, I'll pay more attention." Replied Jovi. She will be exposed to these scenes one after another, and she also wants to be a person worthy of Huo Dongyang.

It was soon the day of the party.

The dress of Huo Dongyang and Qiao Wei was sent to Jiangwan villa. This dress was picked out by Mary for Joe, a long beige skirt. Qiaowei looks like a changed person. He is a goddess.

Mary was also satisfied with her vision. "Very good!"

The makeup artist is also making up and combing Qiao Wei's hair. Mary has been giving advice.

Soon, with the efforts of the make-up artist and Mary, Qiao Wei was a different person. In front of her, this woman with Fairy Spirit and the ordinary one who doesn't use powder and Dai is just two looks.

Qiao Wei looked at himself in the mirror, but he couldn't believe it. Is this really yourself? Even better than the last time Huo Dongyang took himself to the store to play with.

"Weiwei, you have a good foundation." Mary couldn't help saying. "You don't dress well. You see, if you clean up a little like this, it's not the same. Grandma thinks you must have covered the whole show tonight. William must have had face, too

Qiao Wei is also a little embarrassed to be said so by Mary! "Grandma, it's not so exaggerated."

"Grandma's eyes can't be wrong."

Huo Dongyang pushes the door in. "All right? We're going to go. "

"All right." Mary took Jovi's hand and went to Huo Dongyang. "I'll give it to you."

Huo Dongyang looks at Qiao Wei in front of him, his eyes are full of amazement. I used to think that Qiao Wei who had made up last time was very beautiful, but today, with such a look, her beauty has set a new record.

Huo Dongyang seemed to hear his heartbeat, he quietly looked at Qiao Wei.

Mary is also the first time to see Huo Dongyang in such a state of disrespect. She looks at them with a smile. This picture is really wonderful. He took out his mobile phone and couldn't help taking a picture.

After shooting, they didn't move. Mary said, "if you don't go, you'll be late."

Huo Dongyang came back to his senses. "Oh, let's go!"

"Good." Qiao Wei went up and took Huo Dongyang.

Mary took them to the door, but she didn't forget to tell them. "Weiwei, if you are tired, come back early."

Qiao Wei nodded, "OK, grandma, we're going out."

After seeing off Huo Dongyang and Qiao Wei, Mary went to the living room and looked at Huo Jiang, who had been staring at her mobile phone. Since Qiao Wei gave him a software to play go on his mobile phone, now he lives with his mobile phone every day.

"Weiwei, are they out?" Huo Jiang raised his head.

Mary nodded. "Yes."

"Oh, I forgot to ask her, can this game be saved?" Mary narrowed her eyes. "Why, I feel a little better now? At the beginning, I don't know who is going crazy as soon as he hears the little thing! "

Huo Jiang knew he was in the wrong. "Isn't this a person who needs communication and understanding? Weiwei is a good boy, and Dongyang is not wrong

Mary sat down beside Huo Jiang. "Lao Huo, I think the cloud family will not let go of it. The last time that Fu Qing is like this, has been saying some let slightly waver words

Huo Jiang frowned. "They dare! I'm the first to let them go! Wei is now our Huo family, and they can't take care of it. "

Mary didn't understand such a good child. It was too much for her to think of it!

In the car.

Huo Dongyang holds Qiao Wei's hand, but Qiao Wei has been dozing off.

Seeing her like this, Huo Dongyang still felt heartache. "Lean on my shoulder and squint for a while."

Qiao Wei opened her eyes and shook her head. She didn't want to make her own makeup flowery. She could not deal with it.

Qiao Wei gently patted his face with his hand and tried to cheer up. "Dongyang, talk to me. So I won't be sleepy! "

"What do you want to say?" Huo Dongyang asked in turn.

Qiao Wei thought for a moment, "can I tell you something about my reading?"

Huo Dongyang nodded. He listened carefully to Qiao Wei's story. Seeing her talking about those interesting things, Huo Dongyang raised his mouth.

But when he heard about her and Yun Yiyan, Huo Dongyang's heart was blocked in a panic. It turns out that she and Yun Yiyan had so many memories, but she and she did not have these experiences.

"I remember once, I went out for the first time with Yun Yiyan. But how happy he is, do you know why? "

Huo Dongyang was silent, but he couldn't bear to interrupt Qiao Wei, so he could only hold his breath.

Qiao Wei continued: "because at that time, we met Xia yueqian."

"Do you know why Yun Yiyan is angry?" Huo Dongyang suddenly asked.

[Chapter 148](#)

Joe blinked slightly. "You know?"

Huo Dongyang nods. "Because he's jealous." Also like myself now, listen to their own women talk about other men, the heart is not comfortable!

Qiao Wei thinks this is not the reason. "No! He never liked me. At that time, they were all wishful thinking. "

Huo Dongyang squints his eyes and looks at Qiao Wei's mouth. Huo Dongyang reaches out to hook Qiao Wei's chin and quickly kisses him.

He did not want to hear anything about Yun Yiyan, especially from Qiao Wei's mouth. Only this idiot would think that Yun Yiyan didn't like her. People with eyes all know that Yun Yiyan wants to chase Qiao Wei back. If it hadn't been for the previous few times when he appeared in time, he would have taken Qiao Wei to remarry.

But he Huo Dongyang's woman, how can be so easily taken away by him? Qiao Wei is her own, and she can only belong to her own. Huo Dongyang never thought that he would love a woman so much. Now that he has met him, he must hold on!

Feel Huo Dongyang and usually not the same kiss, Qiao Wei's heart nervous. She pushed Huo Dongyang with her hand, but it was Huo Dongyang's more fierce offensive.

Qiao Wei simply did not dare to move, she did not understand how Huo Dongyang suddenly kisses himself.

After a while, Huo Dongyang released Qiao Wei. Seeing that the lipstick on her lips had been pasted off, he gave a light smile.

"Qiao Wei, I warn once again that you are not allowed to mention other men in front of me. If you say it again, I'll deal with you the way I did. "

When Qiao Wei heard Huo Dongyang's words, she looked at him seriously. "Are you jealous?"

However, this time, Huo Dongyang admitted it himself and announced it domineering. "Yes, you are Huo Dongyang's wife. You must be me in your eyes and heart!"

After listening to Qiao Wei, his heart was sweet. But she rarely mischievous once, "what if I didn't have you in my heart?"

At that moment, Huo Dongyang's eyes were dangerous. Joe, who can't accept this fact? If she had other men in her heart, he would not be polite, he would let that man disappear in front of Qiao Wei.

"I'll take your heart straight out!" Huo Dongyang replied.

"Take out your heart, and you die."

Huo Dongyang stretched out his hand and pointed directly at Qiao Wei's heart. "Qiaowei, I want to settle your heart, and so do you and I! You can't escape in your life! "

Qiao Wei's heart is pounding to accelerate to jump, Huo Dongyang this overbearing unreasonable words, but let oneself very heart.

"Dongyang, can I have your heart?" Qiao Wei looks at Huo Dongyang and asks.

Huo Dongyang also became very serious at this time. "Qiao Wei, do you dare to gamble with me once?"

Qiao Wei shook his head, "Dongyang, I don't bet!"

Hearing this, Huo Dongyang is really a little late to lose.

Qiao Wei looked at Huo Dongyang's frown. She stretched out her hand to smooth it. "Dongyang, you are already in my heart! So I don't want to bet with you. I just hope you are happy when you are with me

Huo Dongyang reached out to hold Qiao Wei, and was distressed by her. "Qiao Wei, you can ask for more. Do you know? "

"In fact, what I want most is to go into your heart." Qiao Wei's voice is not big, but it has strength.

"Qiao Wei, then you go to my heart bravely, OK? Be brave Huo Dongyang replied. Because only in this way, when the truth is revealed in the future, he has the courage to leave her by his side, even if it is forced to stay, he does not mind!

Qiao Wei smile, as if it is the first time to see Huo Dongyang so confident. "Why do I think you're not confident?"

"Qiao Wei, everyone is vulnerable and not confident to speak." Huo Dongyang replied.

Qiao Wei in Huo Dongyang's lips kiss, "well, I promise you!"

Before I knew it, I had arrived at the banquet.

The car stopped, Huo Dongyang helped Qiao Wei get off. Today, Qiao Wei did not wear high-heeled shoes, but a pair of flat shoes. The two also showed the most cute height difference.

Huo Dongyang with Qiao Wei into the scene, all of a sudden, beautiful men and women combination immediately attracted everyone's attention.

Feel everyone is looking at themselves, Qiao Wei tightly Huo Dongyang's arm.

Huo Dongyang felt the eyes of those men and gave him a cold glance. Damn it, they really dare to stare at their own women.

When Mrs. Zhang saw Huo Dongyang, she also came immediately.

"William, you are here at last."

Huo Dongyang nods. "I'm not late, am I?"

"No, No. It's my greatest pleasure to be here. " Mrs. Zhang said with a smile. Then she also saw Qiao Wei standing beside Huo Dongyang. "Is this your wife?"

Qiao Wei looked at Mrs. Zhang and nodded. "Hello, Mrs. Zhang! I'm Jovi

"Good!" Mrs. Zhang said with a smile. "No formality." "Thank you, madam."

Mrs. Zhang also likes Qiao Wei, such a real and natural woman is not common any more, and she does not know that Huo Dongyang dug such a treasure from there.

She looked at Huo Dongyang and said, "I finally understand why William doesn't want to bring you out. His wife is so beautiful!"

Huo Dongyang laughed, but did not go to pick up Mrs. Zhang's words.

"William, such a beautiful wife, I really want to keep it." Mrs. Zhang teased Huo Dongyang.

Huo Dongyang nods. "Yes

Mrs. Zhang had to entertain other guests and soon left.

"I'll get you a drink." Huo Dongyang let go of Qiao Wei's hand. "Wait for me here!"

Huo Dongyang walked away for less than a while, and several men came over.

"This beautiful lady, can you have a drink?"

Qiao Wei didn't like the way they looked at themselves. She frowned and declined, "I can't drink."

The man went on. "It's really sad."

Qiao Wei wanted to go away, but several people surrounded him, "don't go!"

"Wife, what's the matter?" Huo Dongyang's voice came.

Qiao Wei also relaxed at the moment when he saw Huo Dongyang. "Husband!"

Several men in the face of Huo Dongyang also quickly left, this man's aura is too strong.

Huo Dongyang handed Qiao Wei a glass of juice. "Call me the next time you encounter such a situation!"

"Well, I see. They came all of a sudden just now, and I was not prepared. " Qiao Wei explained that she didn't want Huo Dongyang to misunderstand.

Qiao Wei took a few mouthfuls of juice to calm down.

At this time, there was a commotion at the door.

Qiao Wei raises his head to look at the past, the result sees cloud Yi Ming and Mo Ling, two people are also talented woman. Yun Yiming is wearing a black suit, and Mo Ling is wearing a wine red dress.

Mo Ling takes Yun Yiming's arm and walks in. They are also very tacit and compatible.

What Qiao Wei didn't expect was that Mo Ling would appear with Yun Yiming. Didn't she just express her love for Huo Dongyang? This combination is really surprising.

Soon, Yun Yiming and Mo Ling also noticed Huo Dongyang and Qiao Wei standing in the corner.

[Chapter 149](#)

Four people's eyes are in contact with each other in the air.

Yun Yiming is surprised to see Huo Dongyang and Qiao Wei here. Is it not said that Huo Dongyang seldom attended such occasions? Today, he not only came, but also brought Qiao Wei with him.

At first glance, I couldn't recognize Qiao Wei. Qiao Wei was so beautiful. If it was Yun Yiyan who saw her at this time, she should have been regretful!

Mo Ling's beautiful eyes, when he saw them, held hands unconsciously. She stares at Qiao Wei now, it's like a completely new person. The whole person is shining, standing by Huo Dongyang's side is not inferior at all.

Qiao Wei's fingers holding the cup also tightened, because she also felt the hatred from Mo Ling. What does she mean now? Together with Yun Yiming, but still thinking about Huo Dongyang? Or she wouldn't be staring at herself like that.

Huo Dongyang's eyes coldly skip two people, eyes have no waves. It's no surprise that these two people will come here. When Mrs. Zhang holds a banquet, he will certainly receive news. It's normal to come here today.

"Let's go there." Huo Dongyang hugs Qiao Wei's shoulder and walks to the other side.

After seeing this, Yun Yiming also knows that Huo Dongyang doesn't want to have contact with himself, so he won't be bored.

"Mo Ling, let's go find Mrs. Zhang."

Hearing the voice of Yun Yiming, Mo Lingcai comes out of her own mood. "Oh

When Yun Yiming saw that Mo Ling was not normal, he asked in a low voice, "what's the matter with you?"

"It's OK." Mo Ling showed a smile. "Let's go and find Mrs. Zhang."

Yun Yiming takes a look at the whole audience and finally sees Mrs. Zhang chatting with a foreigner. He stepped forward and Mo Ling followed him.

"Mrs. Zhang, this is a little token of my kindness. Please accept it!"

Mrs. Zhang saw Yun Yiming and Mo Ling in her sight. She immediately said sorry to the foreigner, and then made a gesture of invitation to Yun Yiming.

The three immediately moved to the other side. "Mr. Yun, just come! I don't need the gift. "

"Just a little bit of care." Yun Yiming said with a smile.

Mrs. Zhang looks down at Yun Yiming holding that jade Ruyi in her hand. Such a heavy gift, how can you say it's careful? How much blood cost does it cost? And she is also the kind of person who doesn't receive the reward without merit. She won't accept this gift.

"Mr. Yun, you don't need to be polite." Mrs. Zhang said with a smile. "If I have something else on my side, I'll go over first. You can help yourself."

Obviously, the atmosphere is a little awkward. Yun Yiming puts Yu Ruyi back in the bag. This Mrs. Zhang is also a little strange, such a big gift can be ignored?

"Mr. Yun, look over there!"

Yun Yiming raises his head again, but sees Mrs. Zhang go to Huo Dongyang's side. They don't know what to say and they all smile. From this point of view, their relationship is not in general.

Mo Ling's eyebrows are wringing, and she is now more and more suspicious of this lady Zhang. She and Huo Dongyang know each other, and the relationship looks good. Is it possible that this time she came forward to buy senqiao's shares for Huo Dongyang?

Thinking of this, moling's heart is also a burst of cold. If it is, then they lose again.

"Mo Ling, what are you thinking?"

Mo Ling looks up at Yun Yiming. "Mr. Yun, I think the relationship between Mrs. Zhang and Huo Dongyang is extraordinary. Is it possible that Huo Dongyang deliberately let this lady Zhang appear?"

Hearing Mo Ling's analysis, Yun Yiming's heart suddenly trembles. In that case, he's in trouble again! He sent senjo out in vain

Mo Ling looked at Qiao Wei as if to the direction of the bathroom, she also followed the past.

But Mo Ling did not keep up with Qiao Wei, he was stopped to the south. "Miss Mo, please stop!"

Mo Ling is not very familiar with the south, she stepped back a step, "who are you?"

"It doesn't matter who I am." To the south, without expression.

Mo Ling frowns. Is this the bodyguard Huo Dongyang arranged for Qiao Wei? It seems that he's a real babe, Jovi.

"You're mistaken. I want to go to the bathroom." Said Mo Ling. "You can't do this to a woman like me?"

Xiang Qing didn't know where to come out, "for people like you, you can be forgiven."

Seeing Xiang Qing, Mo Ling continued to push back a few steps. She knows Xiang Qing's ability, he has been protecting Huo Dongyang.

"You look guilty."

Mo Ling raised her waist. "Where am I going to be guilty?" But this is obviously not enough.

"Last time in the hospital, don't think you can rest assured without proof."

As soon as Mo Ling's face turned white, she turned and left. But as soon as you look up, you can see Huo Dongyang.

"....." Mo Ling opened his mouth, but did not know what to say.

Huo Dongyang ignored moling directly and went straight ahead. Now he has also raised his vigilance and will never let moling contact Qiao Wei again. What happened last time was enough to give him a

lifetime of vigilance. Mo Ling was ignored by Huo Dongyang, and felt uncomfortable in his heart. "Huo Dongyang, do you really want to do this to me?"

Huo Dongyang did not stop and went directly to the bathroom.

Mo Ling left angrily. She couldn't swallow it. It was too much!

Back to the scene of the party, Mo Ling's heart that tone still has no place to vent. When she heard someone talking about Huo Dongyang and Qiao Wei not far away, she had a plan in mind. She shuffled over in her long skirt and joined the discussion.

Soon, there was a story spread throughout the banquet. The girl companion Huo Dongyang brought was actually Qiao Wei, who had divorced Yun Er Shao before. With his own Kung Fu, he climbed onto Huo Dongyang's bed, so he made his appearance today.

Huo Dongyang and Qiao Wei returned to the scene and saw many people pointing at them. Some women even looked at Qiao Wei with disdain.

Qiao Wei was nervous. Everyone seemed to be talking about himself. Huo Dongyang also heard what they said about Qiao Wei and frowned.

In the crowd, Huo Dongyang saw the smile of Mo Ling's mouth, it seems that it is her again!

Mrs. Zhang went to Huo Dongyang and said, "William, what happened to you and Wei Wei? Why do they say that? You picked up a second-hand one? "

Huo Dongyang was not angry. "Some people just don't like others being better than her."

Mrs. Zhang also followed Huo Dongyang's direction, and soon she understood. "Emotional debt?"

"Madame, I am wronged. I'm just Jovi. " Huo Dongyang replied.

Mrs. Zhang said with a smile, "you still have some insight. You sent me a big gift. I'll help you once. "

Thank you

"You're welcome." Mrs. Zhang said with a smile, and then took Qiao Wei onto the stage.

Joe was slightly surprised. "What are you going to do, ma'am?"

"Help you fight back against your rival." Mrs. Zhang replied.

After they stepped onto the stage, almost all the eyes of the audience fell on them.

Is this something to announce?

[Chapter 150](#)

Mrs. Zhang quickly walked in front of the microphone.

"Welcome to my party today. Thank you very much."

"Here today, I'd like to introduce a person to you. This is my sister. " Finish saying, Mrs. Zhang pulls Qiao Wei to her side.

Qiao Wei stands on such a stage, the whole person is nervous. Her eyes were flustered in the air and Huo Dongyang. He nodded to himself and seemed to be cheering himself on.

Jovi settled down in an instant. Yes, everything she does today has something to do with Huo Dongyang, so she can't be stage fright. She tried to adjust her breathing and put her hand gently on her stomach. "Baby, would you please cheer for mom, too?"

Feeling Qiao Wei settled down, Mrs. Zhang's mouth with a satisfied smile. Huo Dongyang seems to have found a treasure this time. The more she looks at it, the more she likes it.

Mrs. Zhang held the microphone again. "My sister is a little nervous today, but I also heard some gossip just now. It makes me a little unhappy. What's wrong with my sister? How could she be so discredited? "

Huo Dongyang stands under the stage and looks at Mrs. Zhang and Qiao Wei. His eyes have been falling on Qiao Wei's body. It's really beautiful to look at her from afar.

"My sister and you are not the same person. This person is similar and normal." Mrs. Zhang continued. "My sister just signed up to marry William of HD. Today, they two came to pick up the wind for my sister. Unexpectedly, they were talked about by some people who had a heart for it! "

Mrs. Zhang's words let the present people in an uproar, did not arrive at this beautiful woman unexpectedly to have a big head. If so, some people must be jealous, so they deliberately spread rumors!

Mrs. Zhang's eyes glanced over the crowd, then fell on Mo Ling's body. "Of course, you should know what Tracy is like! I've always been a man of hatred. "

When moling heard the name, the whole person was stunned. This Mrs. Zhang is actually the famous Chinese American film queen Tracy. This situation is a little bad, Tracy has been difficult to do, really entangled with her, then he must be difficult!

Yun Yiming feels that Mo Ling's face has changed. He said in a low voice, "moling, did you pass on those words just now?"

Mo Ling looks a little flustered, and it is not clear whether to admit or deny it. After all, it is a private matter of the cloud family. When Mo Ling faltered, Yun Yiming said with a smile, "well done! Give them some color to see. Next time you do this, discuss it with me. After all, I know a lot, and that will increase credibility. "

Hearing Yun Yiming's words, Mo Ling immediately calmed down. "Mr. Yun, in fact, I can't stand the way they are affectionate! That Qiao Wei is clearly not wanted by the cloud family. Why is he here? "

"Thank you, moling." Yun Yiming is in a good mood, and finally someone is on his side.

"Mr. Yun, you are welcome. You are my boss, of course I will help you! "

Mrs. Zhang also invited Huo Dongyang to the stage. In the halo of William, the mysterious president of HD, Huo Dongyang stood beside Qiao Wei.

"Now let my brother-in-law have a word with you." Mrs. Zhang gives the microphone to Huo Dongyang.

Huo Dongyang took the microphone and said a simple sentence. "To introduce you, this is my wife!"

When people thought Huo Dongyang would continue to talk, they saw Huo Dongyang kissing Qiao Wei directly in front of everyone.

Mrs. Zhang stood beside them and was surrounded by the breath of happiness. It seems that William really found her in his heart this time!

She took the lead in clapping and silently blessed them. Looking at Huo Dongyang these years, he really needs such a gentle and considerate woman around him.

Huo Dongyang hugs Qiao Wei's waist, deepens this kiss unceasingly. "Jovi, I love you!"

Qiao Wei is totally ignorant, so Huo Dongyang takes him. Trance, she seems to hear Huo Dongyang say a word, but did not hear clearly, can I love you?

Qiao Wei didn't agree to come until he got back to the car. But what happened after that kiss was beyond her recollection.

"What's the matter?"

Qiao Wei looked back at Huo Dongyang, "are we going back?"

"Well!" Huo Dongyang nods. "It's all done, so go back."

Today, Huo Dongyang brought Qiao Wei, but in fact, he was a little selfish. Just to tell others that Jovi is his wife. As a result, I didn't expect to be announced by Mrs. Zhang. It was unexpected, but the result was satisfactory.

"Oh..." Joe answered.

At this time, they did not know that their every move on the scene had been online. Huo Dongyang and Qiao Wei are all hot topics and hot topics.

It's just that Qiao Wei, who they know, has another identity: the sister of Tracy, the Chinese American film queen. This identity simply killed everything, who will think of that and cloud Yiyan left Qiao Wei after marriage!

Congratulations to President William and his wife. I wish them a happy marriage for a hundred years! There are also people who eat dog food and are looking forward to the next generation with high looks. The news that covers the sky, some people are elated, others are envious and envious.

Mo Ling stares at the photos in her mobile phone. Huo Dongyang kisses Qiao Wei in public, which is what she didn't expect, and what's more, they actually got married! He thought Huo Jiang would stop them, but now he is standing on Qiao Wei's side.

Yun Yiyan just came back from a business trip and met such a big event. He looked at Qiao Wei's picture, it was really different from before. So shining she is really hard to catch people. But now she is Huo Dongyang's wife!

"Are you back?" Yun Yiming appeared in the office of Yun Yiyan.

"Yes, big brother. I'll report to you later. "

Yun Yiming smiles. "Are you still in the mood to report to me? How do you feel when the ex-wife remarried! I saw the whole process on the spot yesterday. "

Yun Yiyang doesn't have any answer. He just takes a look at Yun Yiming. He understood what Yun Yiming meant, but it was his own business, and he didn't need to intervene.

Seeing that the effect has been achieved, Yun Yiming turns to leave.

At the moment, the cloud home is also quiet.

When YUNZHUO saw the news, he was very pleased. Huo Dongyang publicized the news of his marriage, then the will was officially effective.

In this way, even if they want to go, they can also walk at ease. The only pity is that he may not be able to see Huo Dongyang personally take Qiao Wei back to the cloud home, but this is enough.

Fu Qing has too many worries in his heart. Huo Dongyang is now married to Qiao Wei, and his purpose seems obvious. In terms of his recent moves, his plans have been launched one by one.

It seems that they can't wait to die, how to take the initiative to attack, and now this breakthrough is Qiao Wei.
