

## Warm Wife 171

### [Chapter 171](#)

Hearing the sound, Yun Muxin looked back.

The man seemed to have met somewhere, but he didn't think of it.

Xia yueqian went to Yun Muxin's face and soon smelled the wine on her body.

A slight frown. "Drink?"

Cloud Mu Xin pushed away Xia yueqian, "are you a dog? You know, it's rude. "

Xia yueqian stood up straight. "I'm dizzy. I'm more modest in summer. I'm really kind-hearted and I'm not rewarded."

After hearing this, Yun Mu Xin deeply despised Xia yueqian, "do I want you to manage it?"

Xia yueqian was completely speechless. Right, too! Who would care for a big lady like her. I'm really nosy.

Forget it, go back to have a rest early! Xia yueqian took a step, and the people of their cloud family were better to be less in charge. Otherwise, when the time comes, I'll catch up with everything and stay away.

No longer to the cloud Mu Xin, Xia yueqian straight forward. After walking a few steps, I heard a man's voice behind him. Their conversation made Xia yueqian stop again. The man wanted to take Yun Muxin away. He saw that he was going to do something like that.

"Ah! I really owe you! " Xia yueqian closed his eyes and opened them again. When saving a life is better than building a seven level butcher, he is a doctor himself, which is also a proper thing. He should be treated as a patient.

Xia yueqian walks to the man. "This woman is mine!"

"What you say is yours is yours?" The man looked scornful.

Xia yueqian ignored the man's words and stretched out his hand to pull Yun Muxin into his arms. At this time, Yun Mu Xin's consciousness gradually became blurred. Or feel Xia yueqian's arms have a sense of security, she stretched out his hand to pull his clothes.

The man saw to also feel bored, turned around and left.

Xia yueqian looks at the woman in his arms and sighs. He can only recognize the plant when he meets her. "I'll take you back."

Yun Muxin shakes his head. "I don't want to go home. The people in my family are so terrible."

"I'll call your second brother to pick you up." Xia yueqian takes out his mobile phone.

Cloud Mu Xin reaches out and presses Xia yueqian. "Don't fight. Second brother is busy."

Xia yueqian frowned, he can't take her home! "Do you have any relatives or friends? I'll take you there. "

"I didn't..."

This answer really let Xia yueqian head big, just should not pay attention to her. "Really not?"

Cloud Mu Xin's eyes some free, "in fact, I have uncle."

"Where does your uncle live? I'll take you there. " Xia yueqian then asked.

Yun Muxin's eyes widened instantly. "Jovi, go to Jovi."

Xia yueqian really doesn't want to get into trouble with Qiao Wei. The people of the cloud family really don't bother her. "Change places."

Cloud Mu Xin also seems to be determined to find Qiao Wei, "I want to go there, I want to go there!"

"No! People now have their own homes. What did you do in the past? " Xia yueqian said.

Cloud Mu Xin pushes away Xia yueqian, she shakes a few times before standing still. "If I go to my uncle, he's with Jovi."

Xia yueqian felt that Yun Muxin was really drunk and said such a thing. "Huo Dongyang is your uncle? Who are you cheating on? The temperament of your cloud family doesn't match people at all. "

Yunmu held out his hand and pointed to Xia yueqian. "Xia yueqian, you don't think it's possible, but it's a fact. If you don't believe it, you can call and ask. "

Cloud Mu Xin giggled and then reached out to stop a car. "Go! I'll prove it to you! "

Xia yueqian really recognized the planting. He sent the Buddha to the West. He followed Yun Muxin to get on the bus.

When the car stops at JiangWan villa, Xia yueqian helps Yun Muxin to get off. "Are you sure it's here?"

"Well! That's what my mom said Cloud Mu Xin answers.

Xia yueqian couldn't help but call Qiao Wei to explain the situation.

After a while, Jovi came out.

She was also surprised to see such a combination in front of her. "Schoolmaster, you..."

"She said she came to you and said Huo Dongyang was her uncle." Xia yueqian replied. "Slightly, I have no way but to bring her."

"Drinking?" Qiao Wei looks at the cloud that flushes cheek Mu Xin to ask.

Cloud Mu Xin opened his eyes and looked at Qiao Wei. "Qiao Wei?"

"Well, what do you think?" Qiao Wei is concerned.

"Second sister-in-law." Yun Muxin called and shook his head. "No, I should call you aunt now."

Huo Dongyang also came out, he looked at the drunk cloud Mu Xin, frowned. "Why did you come?"

Cloud Mu Xin is not afraid, she giggles a few times. "In fact, I have a good feeling for you. I'm also handsome!"

Xia yueqian obviously feels that Yun Muxin is teasing Huo Dongyang. He also sees that Huo Dongyang's face has changed.

"I'll take her away at once." Xia yueqian said.

Cloud Mu Xin broke away from Xia yueqian and staggered to Huo Dongyang. "Uncle, can you take me in tonight?" As soon as the uncle came out, all the people were stunned.

It seems that the whole cloud family know the identity of Huo Dongyang, Qiao Wei looks back at Huo Dongyang. He didn't seem to respond.

Xia yueqian looks surprised and looks at the three people in front of him. How is this going on? What's the relationship between them, uncle? Huo Dongyang is Yun Muxin's uncle, so is Huo Dongyang a member of the cloud family?

Oh, my God! Who will save my world view. Xia yueqian called in his heart, too Lei people!

"She was drunk. I'll take her right away Xia yueqian quickly goes forward to pull Yun Mu Xin.

Huo Dongyang reaches out to interrupt Xia yueqian. "No more."

Uncle Joe knew that. She went up and helped Yun Muxin. "Mu Xin, we are in."

Cloud Mu Xin obediently followed Qiao Wei to go in, even did not look back.

Thank you Huo Dongyang said to Xia yueqian. There was no other word. He turned around and went into the room.

Xia yueqian stood alone at the door, looking embarrassed and speechless. What is the situation now? Huo Dongyang also acquiesces in his own identity?

Xia yueqian has no image, holding his hair with his hand, "OMG! It's unbelievable! "

Inside.

Qiao Wei gave Yun Muxin a cup of honey water.

"Muxin, drink this first." Qiao Wei handed the honey water to Yun Muxin.

Cloud Mu Xin stares at Qiao Wei, she sees care from Qiao Wei's eyes. She or did not dream that it would be like this, and the person who finally cared about himself was Qiao Wei.

Thank you Yunmuxin took it.

Joe gave a slight smile. "You're welcome."

Or it's about the environment. Yun Muxin is much more sober. Cloud Mu Xin again saw Huo Dongyang come over, suddenly nervous.

"I..." Yun Muxin didn't know what to say.

Huo Dongyang looks at Yun Muxin faintly. "How did you come here?"

## [Chapter 172](#)

Cloud Mu Xin holds the hand of cup also shiver, falter for a long time still did not say a word.

Qiao Wei opened his mouth to help. "Dongyang, you go to work first! I will sit with Mu Xin for a while

Huo Dongyang looked at the time. "It's getting late." He also reminded Jovi to go to bed.

Joe nodded. "I'm quick!"

Huo Dongyang looked at Yun Mu Xin and said, "have a good sleep today."

With that, Huo Dongyang went upstairs.

Yun Muxin's tension also disappeared. "I'm sorry to disturb you, Qiao Wei."

"It doesn't matter." Replied Jovi. "When sister Juan has cleaned up her room, you can go and have a rest."

Cloud Mu Xin looks at Qiao Wei. "Don't you ask why I came here?"

"You don't want to say it. I won't force you." Replied Jovi. "By the way, don't be too big for a while. My grandfather and grandmother are already asleep."

Yun Muxin's tears come out, she has too many complex emotions. She reached for Jovi's hand. "Sorry! I did that to you

"It's OK. I don't blame you." Replied Jovi.

After Qiao Wei went upstairs, Yun Muxin sat quietly on the sofa, as if thinking about something.

"Miss Yun, your room is ready." Lin Juan said to Yun Muxin. "Here are your pajamas."

Yun Muxin raised his head and wanted to speak, but he only said thank you.

After Lin Juan leaves, Yun Muxin still sits in her position, and she feels the warmth of her home here. One is that she was once the object of ridicule, the other is her strange uncle.

"It's really strange." Yun Mu Xin shook his head. *Novelusb.cOM*

Huo Dongyang appeared in front of Yun Muxin again an hour later. He looked at cloud Mu Xin curled up on the sofa, and seemed to see that helpless self.

"Why don't you go to rest?"

Cloud Mu Xin heard the voice, looked up at Huo Dongyang, suddenly did not know how to call him.

"Huo Uncle... "

Huo Dongyang sat down opposite her. "How comfortable to call, the name is just a code, let alone a title."

Cloud Mu Xin looks at Huo Dongyang, or calls "Uncle..."

Huo Dongyang once again heard the sound of uncle, but it was really strange. For the first time, he was called uncle, "I am so old?"

Yun Muxin shakes his head. "It's just your seniority here."

The corner of Huo Dongyang's mouth is raised. A few days ago, it seems that Qiao Wei said that this person over ten years old seems to be an uncle.

"Why do you want to come here today?"

"I have no place to go." Yun Muxin answered truthfully. "The only person I know is Qiao Wei, so..."

Huo Dongyang knew that Yun Muxin had something on his mind, "don't think about it, go to sleep! It's one o'clock in the morning. "

"Uncle!" See Huo Dongyang to go, cloud Mu Xin immediately called him. "Can I stay here for a few days?"

Yun Muxin really doesn't want to go back to the cloud family. The people in that family are too terrible.

Huo Dongyang raised one eyebrow, "if your family doesn't mind."

Yun Muxin said to himself, "they probably don't care about me. Now they are all busy with other things. " In fact, they are busy with you! Yun Muxin can't say the last sentence.

Huo Dongyang then said very frankly: "they are busy to deal with me." This is an obvious thing. Yun Muxin knows it without saying it.

"Rest early."

Yun Muxin, who did not return overnight, did not really attract the attention of the cloud family.

Until the third day, Yun Yiyan returned home. He went to find Yun Muxin, but found her room empty, it seems that no one has lived in a few days.

When Fu Qing saw Yun Yiyan come back, his eyes were full of hate. "You still have the face to come back?"

"Mom

Fu Qing did not respond to Yun Yiyan, "now in charge of the cloud family, it should be very beautiful! Especially, brother, are you excited? "

"Mom, I never thought about it. I don't covet the position of successor. "

"Who believes it?" Fu Qing said coldly that he didn't pay attention to Yun Yiyan at all. He is just an outsider who can be used now.

Fu qinglue goes to Yun Yiyan and sees the room of Yun Muxin.

"What are you doing in Mu Xin's room?"

Yun Yiyan was used to indifference, and he told himself not to mind. So he had a calm face. "It seems that Mu Xin is not here for a few days."

"What do you say?" This time, Fu Qingcai was nervous.

Immediately asked the rest of the family, they said that they had not seen Yun Muxin for three days.

Yun Yiming looked impatient, "Mom, don't be nervous. Maybe she just ran out to play."

Fu Qingxin is still worried. Although Yun Muxin's phone is connected, it has not been answered.

"One call." Said YUNZHUO.

Fu Qing called Yun Muxin again, but he didn't answer. "Locate the Muxin mobile phone." Yun Yiyan proposed.

But the mobile phone signal seems to be interfered, there is no way to determine the exact location.

At this time, Yun Yiyan's mobile phone rings.

"Hello

"Second brother, don't look for me. Leave me alone." The call is from Yun Muxin.

Yun Yiyan immediately asked, "where are you?"

"I'm in a safe place, you don't have to worry about me." The phone hung up immediately.

Cloud Yi Yan eyebrows tight wrinkling, just now he seems to hear the voice of Qiao Wei from the other end of the phone. Is Yun Muxin there? What happened?

Fu Qing looked at Yun Yiyan, "do you admire me?"

"Well!" Yun Yiyan nods. "She said let's not worry about her. She went out for a walk

Yun Yiming speaks as soon as he hears it. "I said she was OK. She was really a headstrong third lady of the cloud family."

After that, Yun Yiyan thought about it and still felt uneasy. He took the car key and went out.

Fu Qing felt that something was wrong, and she immediately went out.

Yun Yiyan drove to Jiangwan villa. As soon as the car stopped, Yun Yiyan got out of the car. Hearing a sound in the yard, Yun Yiyan walked around.

As a result, I saw that Yun Muxin and Qiao Wei were in the yard, and there were two elders beside them. The four people got along well. It seemed that they were doing something together!

"Weiwei, you have a look. Am I doing this right?" Yun Muxin picked up the dumplings in his hand.

Mary shook her head with a smile, and then taught Yun Mu Xin with her hands. "No, you should."

"Oh Yun Muxin saw a dumpling in his hand forming, his face also showed a smile.

"A few more will."

Yun nodded excitedly. "OK."

Seeing such a picture, Yun Yiyan can't bear to disturb. It's a rare thing that Yun Muxin can actually make dumplings.

Forget it, see that she's OK, I'm at ease, and the Huo family are good to her, so let her stay here for a few days!

As soon as Yun Yiyan turns around, he sees a discontented Fu Qing. "Fortunately, I came with you!"

With that, Fu Qing stepped forward and called out to the courtyard. "Yun Mu Xin!"

### [Chapter 173](#)

This sound will break the warmth and peace of the yard.

Fu Qing was so called, Yun Muxin's dumplings also fell on the ground.

Qiao Wei saw Fu Qing and Yun Yiyan standing outside the railing. How did they come?

Huo Jiang and Mary also saw the situation outside the railing, but they also took a quiet look. Huo Jiang reached out to pick up the dumplings that Yun Muxin had fallen on the ground. "One wasted."

Yun Muxin just felt sorry. "I'm sorry!"

"Silly girl, I'm sorry!" Mary comforted. "Now that the family is here, have a good talk."

"Grandma, I don't want to talk to them." Cloud murmured in a low voice. She really likes living here these days. She didn't want to go back to that cold mansion. There is only fighting, there is no warmth of home.

Fu Qing looked at his daughter sitting there motionless, and his heart was suddenly angry. "Yun Muxin, what is your last name?"

In the face of Fu Qing's reprimand, Yun Muxin stood up and walked into the room. She didn't want to talk to her mother.

Seeing his daughter running in like this, Fu Qing's voice is also high. "Yun Muxin, your wings are hard, aren't you! Come to this place! Do you know where this is?" *novelusb.com*

Huo Jiang couldn't stop. He stood up and walked slowly to the fence, but he didn't get close to it.

"Are you the daughter-in-law of the guy YUNZHUO? There seems to be no cultivation. " Huo Jiang directly poked at Fu Qing's key point. "Where was the tutor of the cloud family? There won't be double standards, will there? "

"What do you mean?"

Huo Jiang sneered: "see clearly where this is, don't be wild in my territory, get out of here!"

"I'm going to take my daughter with me." Fu Qing has been humiliated by Huo Jiang and has no face.

Huo Jiang nods. "I haven't heard from my daughter for a few days. Are you looking for it now? What did you do before? As a mother, don't worry too much, or think about the children more. Don't know what happened to the children outside, you don't know at all! "

Fu Qing didn't expect that he would be reprimanded by Huo Jiang. He was even more unconvinced. "What else do you have in charge of me?"

"I'm not qualified, but I can let YUNZHUO take care of you later!" Huo Jiang replied. "Your father is always lower than me, let alone you!"

Fu Qing can't refute a word, because this is also a fact.

Yun Yiyan stood up to speak. "Huo Lao, we have no malice today, just come to pick up my sister."

Huo Jiang also looked at Yun Yiyan, but he also felt that all kinds of things were not right. Qiao Wei was forced to marry such a person. It's really unworthy!

"We are not a shelter either. If you want to go with you, please take it." Huo Jiang replied. "Be a mother, be a brother, care more. Next time we won't be so kind to rescue stray cats from the bar. "

Fu Qing's face turned white. "What do you mean by that?"

Huo Jiang did not answer. He went back to the table. Mary and Qiao Wei were already cleaning up.

"Grandfather, do you want to call Dongyang?"

Huo Jiang shakes his head. "He should be on his way back."

As expected, Huo Jiang said, five minutes later, Huo Dongyang came back.

Huo Dongyang stands at the gate and faces Yun Yiyan and Fu Qing.

"Huo Dongyang hands over my daughter!"

Huo Dongyang nods. "Yes, if you can take it, please."

Fu Qing finally understood the meaning of Huo Jiang and Huo Dongyang. What they meant was that Yun Mu Xin refused to leave.

"Open the door and I'll go in."

Without saying a word, Huo Dongyang opened the door and let Fu Qing go in.

Yun Yiyan takes a look at Huo Dongyang, and his feelings about this man are also complicated. He's Jovi's husband now, and he's his uncle. This kind of relationship and seniority is absolutely out of the question.

"You're not going in?" Huo Dongyang looks at Yun Yiyan and asks.

Yun Yiyan suddenly wanted to ask, "Huo Dongyang, what is your purpose?"

"You have always asked me what purpose I have. Then I would like to say that this purpose seems to have been imposed on me by the cloud family."

Yun Yiyan thinks he is not Huo Dongyang's opponent. "You have no purpose? That's really hard to believe. "

Huo Dongyang nodded, and he raised the corner of his mouth. "Well, speaking of this, I really have a purpose. That will prevent you from approaching Jovi. You are the one to let go of Yunyiyan. You can't argue about this! "

Yun Yi is holding his fist in anger. "How much of you and Qiao Wei are real? Does she really mind your relationship with us?"

Huo Dongyang raised the corners of his mouth. If he had not been confident a few days ago, he was now full of confidence.

"Dongyang!" Qiao Wei stood at the door and called.

Something must have happened. Huo Dongyang quickened his pace.

"What's the matter?"

Joe pointed to the room and let him in.

As soon as Huo Dongyang entered the door, he saw Fu Qing start to beat Yun Mu Xin, and scolded his unfilial daughter. Huo Dongyang couldn't listen to them. He went up and grabbed Fu Qing's hand. "Mrs. cloud, if you keep on making trouble like this, you won't do any good. Don't forget this is the Huo family. "

"I want you to interfere with my daughter Fu Qing said angrily. This cloud Mu Xin is really not long-term, so many places can go, but he chose to go to Huo Dongyang. It's really irritating.

What's more, the Huo family didn't know what kind of overpowering drug they had given her. They even said that they would not leave and that they wanted to live here. Fu Qingqi, however, reached out and slapped his daughter. Cloud Mu Xin also don't know where to come stubborn, just make up with oneself.

Looking at Huo Dongyang holding Fu Qing's hand, Mary comes forward to help Yun Muxin up. "Child, are you all right?"

Yun Mu Xin's face was aggrieved. She didn't cry, but Mary asked softly, and her tears fell. Mary couldn't bear to look at it. She reached out to help Yun Muxin wipe her tears. "Don't cry, don't cry, it's OK!"

Cloud Mu Xin suddenly cried out loud, she put the backlog of emotions these days all play out.

Huo Dongyang heard the cry and threw Fu Qing away. Fu Qing stepped back a few steps, and Yun Yiyan rushed forward to support her.

Qiao Wei also went forward to comfort Yun Mu Xin, "it's OK, it's OK."

If Huo Jiang is not unable to beat a woman, he still wants to slap Fu Qing. In my own home, I'm doing this.

"Mrs. Yun, this admirer doesn't want to go with you, so please go back!" Huo Dongyang said coldly.

"Huo Dongyang, why do you manage my family affairs?" Fu Qing asked in turn.

Huo Dongyang looks at Fu Qing and seems to have a smile on his face. "For her calling me uncle!"

Fu Qing's face was calm, and she looked at what happened in front of her in disbelief. "What do you say?"

"I said that it's for uncle's sake that Yun Muxin calls me. Then I have the qualification." Huo Dongyang repeated again.

#### [Chapter 174](#)

Fuqing shook his head all the time, which is impossible. How can Yunmuring know Huodongyang's identity, she has never said it before her daughter.

"It's impossible!"

Huodongyang sneered, "how can't it be. Isn't this a secret that has been open in your cloud home long ago? And your actions and words are so obvious that unless you don't have a brain, you won't know. I'm right! "It is a cloud."

Fuqing looks back at Yunyiyan. "You know that?"

Yun Yiyan nodded, "yes."

Fuqing still really feel funny, thought can hide, the result actually all knew. She laughed. "It seems that only I am a fool."

"Please come back!" Huodongyang is already catching up.

Fuqing still does not die, "cloud murun, you can not go?"

Yunmuring shook his head. "I'm going to stay with my uncle."

"Good. Yunmuring, I never thought my daughter would be like this." Fu Qing said in disappointment.

Huojiang then opened. "It's easy to be a man, and let the clouds come."

Yunyiyan supported Fu Qing. "Mom, let's go back first!"

After the two left, Yunmuring was not crying, but sobbing beside them.

"Silly boy, don't cry. You are absolutely safe here with your grandfather, they dare not break in. "

Joe Wei was comforted. "Moo, it's OK."

"I'm sorry, because I made it like this at home." Said Yun murun in a whisper.

Qiao Wei thinks that the original pepper like cloud murun is actually a disguise, her heart desire is actually a warm. "I still like the kind of wayward cloud murmuring."

"The cloud murun is dead. The title of the third Miss cloud family is not good at all. No one in the family cares. There is no sincere friend outside. I hate her like that! "

It seems that it's really an environmental problem, and it's changing a person. Joe Wei hopes Yunmuring can go out early.

Huo Dongyang didn't speak. He stood up and prepared to go upstairs. Seeing such a cloud murun, he seems to see that young self, often laughed at the children without father, no one would like to make friends with him.

At that time, he had rebellious, fortunately he also had grandfather and grandmother, now there are friends, also have a person of deep love. There are too many pursuits in life. First, we should set a goal that can be achieved. For example, what do you want to do at this stage? Make money or love, so that there is a motivation for struggle.

Thinking of this, huodongyang said, "set a small goal for yourself! There is always a certain pursuit of life."  
"

Yunmuring heard this sentence, and it was stiff. Never said that to yourself. Yes, that's right! Life must always have the pursuit!

Joe smiled, huodongyang really got more and more grounded, and he would also show people a way so kindly. She was really happy in her heart.

"Moxin, think about it. Your uncle has given such a kind advice this time."

Cloud murun nodded in succession. "Well!"

But the cloud family is not peaceful.

Because of the matter of yunmuring, no one here is happy.

"I really didn't think my sister was eating anything else," yunyiming said angrily. Now they help outsiders deal with their own people! "

He said as he looked at yunyiyan, "can't there be a undercover with a connector in his home?"

Yun Yiyan knew his big brother was saying himself. Since he took over his work, he has been targeting himself in this way. The family also seems to be fragmented.

"I'll go up first." Yunyiyan went upstairs and went back to his room.

Fu Qing looked at the closed door, the old man was completely ignored, right?

"Dad, mom, what are they going to do now?" Yunyiming opens.

Yunzhou thought for a while, "I have a way."

"Yunzhou, I tell you, how can I help, that is my daughter."

"Rest assured, I know of course." Yunzhou nodded.

A few days later, YUNZHUO's birthday arrived.

This day, cloud home can be said to be a colorful.

YUNZHUO is in a good mood. He hopes huodongyang and Joe Wei will come back. Then he will be a perfect person in his life. It is also the best birthday gift.

YUNZHUO has been put on a suit of Tang Dynasty today, and he is energetic.

The Yunzhou family is very interested in nothing, which is also in contrast with YUNZHUO. On this birthday, YUNZHUO didn't entertain others, just wanted to have a good meal for his family.

Yunyiyan also came back from work in advance today. He brought back gifts to YUNZHUO.

"Happy birthday, grandpa!"

"Well!" YUNZHUO nodded.

He has been waiting for Huo Dongyang, and once there is movement at the door, he is looking forward to it, but he has not seen Huo Dongyang at night.

Yunzhou is calm, his father, is really bold enough, now it is a little taboo has not. What kind of mood would it be if she was seen by her dead mother. "Dad, when did you get rid of Grandpa?"

Yunzhou stares at Yun Yiming. "Watch out! Walls have ears."

"I'm not afraid of him. He is now regarded as the public identity of Huo Dongyang. We have nothing to fear." Yi Ming is no longer sitting.

Yunzhou took a drink from his glass. "Be careful, you can sail for thousands of years."

"Dad, we have to make a quick decision."

"Soon." Yunzhou replied. "Your assistant, Mo Ling, let her watch Yun Yiyan."

Yun Yiming nodded, "moling will report to me every day now."

"Good! You're a good assistant"

Hearing Yunzhou's praise, Yun Yiming feels his face is bright.

"Dad, if Huo Dongyang does come later, what should we do?" In fact, Yun Yiming is looking forward to waiting for the picture.

Yunzhou is not very interested. "That will not be known until he comes." He didn't think Huo Dongyang would come back.

Soon there was a commotion at the door.

Yunzhou and yunyiyan look downstairs at the same time. Unexpectedly, Huo Dongyang has come, and he also brings Qiao Wei and Yun Muxin back together.

"Well, it seems that some people can't sit still and are ready to take the initiative." Yunzhou clenched his glass.

Yun Yiming is also a face of hate, Huo Dongyang seems to really intend to return to the cloud home.

YUNZHUO downstairs is very excited to see Huo Dongyang. "You're here at last."

Huo Dongyang did not have any expression, "I just brought Mu Xin back."

"Grandfather, this is a gift I gave you." Yunmuxin handed YUNZHUO a gift in his hand.

YUNZHUO reaches for it. "Just come back, just come back!"

Joe nodded to YUNZHUO. "Happy Birthday to Chairman Yun! This is our gift. "

With a smile on his face, YUNZHUO immediately said, "people come as gifts."

"Now that the present has been delivered, Jovi and I will go first."

"Dongyang, since you are here, let's have a meal together and then go." YUNZHUO's eyes are full of longing and pleading.

## [Chapter 175](#)

As everyone waited for the result, the doorbell broke the atmosphere.

Huo Dongyang's eyes glanced over the crowd and then replied, "no, my grandfather and grandmother are waiting for us to go back to dinner."

"Uncle..." Yun Muxin also wants Huo Dongyang to stay for dinner. However, she also understood that the things of the previous generation can not be forgotten.

These days, she lived with them, but her grandfather and grandmother did not treat them differently, but were very kind to themselves. Yun Muxin remembers that when he saw them on the first day, they were a little worried. Later, uncle's words made them accept themselves.

These days, they all live together and feel the warmth of home. Although the cloud family has a big family and great career, it has no taste of home. The Huo family has experienced so much, which makes them cherish it more.

Yun Yiming immediately said sarcastically, "how long have you been away from home? Even my uncle has called on me. Who in the world was born to you? Remember who your parents are? My uncle is still very smooth

Huo Dongyang takes a look at Yun Yiming. "There's nothing wrong with her saying that."

YUNZHUO was also very happy to hear such a sentence. So he has been willing to accept this identity, for so many years, he has been waiting for this moment. "Dongyang, you I... "

Seeing YUNZHUO's incoherent manner, Qiao Wei also felt sorry for him. However, in those years, the pain of the two families could not be erased. Qiao Wei took Huo Dongyang's hand to tighten. If it was herself, she would never stand here.

Think of just out of the door, grandfather and grandmother that do not give up the expression, they are not worried about it! The loss of their daughter is a heavy blow to them. They are now old, and of course they hope to have family to take care of them. They certainly don't want Huo to leave.

Qiao Wei also believes that Huo Dongyang will not leave his grandfather and grandmother and return to the cloud family. The Huo family has experienced too much in recent years. Their hearts are very fragile, and what they want is just peace of mind.

Huo Dongyang felt Qiao Wei's mood, he put his hand on Qiao Wei's hand, but also wanted her not to worry.

"I'll go with Jovi first." Huo Dongyang continued. "And we're here, and we should have no appetite."

"Dongyang, you really don't think about it?" YUNZHUO's heart sank. He didn't really want to come back.

At this point.

Someone came in with moling.

Moling did not expect to see such a scene as soon as she came in. She also quickly returned to normal after micro Zheng.

"Chairman, I brought a gift for president Yun." Mo Ling said. How can Huo Dongyang and Qiao Wei be here? And the atmosphere here is a little strange.

Yun Yiming came forward to take the gift in moling's hand, "please go."

Seeing that Yun Yiming shakes her head, Mo Ling also knows that this is not something she can ask more about. She nods.

Fu Qing looks at the interaction between Mo Ling and her son. She feels that the woman's mind is not simple, and there seems to be something between her and Yun Yiming. Although she conceals very well, she just saw a trace of unusual from her changes. She seems to know Huo Dongyang.

Huo Dongyang did not expect that moling would come here, but it was not a bad thing for him. He looked at Mo Ling as if he were greeting her.

Mo Ling was surprised. What does Huo Dongyang mean? And she also saw Huo Dongyang's smile.

"Since you have guests, we won't stay much." Huo Dongyang said.

YUNZHUO calls Huo Dongyang, and he doesn't want to take into account the occasion and the people present. He just wanted to know the result, "when will you be back?"

Yunzhou heard such a sentence, the heart suddenly angry, now clearly is to Huo Dongyang back, then he this authentic son is what!

"Granddad, you are so partial!" Yun Yiming did not resist. "Are outsiders really that good? You let an outsider take charge of the company. Now at home, do you want to let an outsider manage it? Grandfather, what kind of reason are you? "

Yun Muxin looks at his elder brother in an incredible way. "Big brother, why do you talk like that? The second brother and uncle are our relatives

"Who are you from? Don't think that after a few days of other people's food, you can talk a lot here. It's not your turn to talk. You'll be somebody else's family in the future Yun Yiming glared at Yun Mu Xin.

Mo Ling stands behind Yun Yiming, and she quickly analyzes a result from their words. Finally, she looked at Huo Dongyang in surprise. He was actually a member of the cloud family? He's YUNZHUO's son? Yun Yiming's uncle?

Therefore, at the beginning, Huo Dongyang's aim was not to gain a firm foothold in city a, but because of his relationship with the cloud family. He came back to avenge the cloud family?! The amount of information is so amazing that Mo Ling also aggravates her breathing.

Huo Dongyang saw people's attitude, he also gave a clear answer. "I have my own home."

"Dongyang!" YUNZHUO called again.

Huo Dongyang glanced at YUNZHUO. "If you are free some other day, I will send you my will." A word came out, everyone's face changed again.

Huo Dongyang left such a word to stir up a thousand layer waves, he left with Qiao Wei. After a few steps, he stopped again, looked back at Yun Mu and said, "Mu Xin, you stay and have a meal. I'll go back with your aunt first. If you don't want to stay, I'll have someone pick you up

"Uncle..." Yun Muxin looks grateful, and she nods quickly. "Well!"

Huo Dongyang and Qiao Wei left the cloud family mansion under the public's gaze.

See Huo Dongyang and Qiao Wei leave, YUNZHUO a face lost, he turned to take Huo Dongyang and Qiao Wei sent gifts back to the room.

"Dad, what are you going to do now?" Yunzhou can't bear it any more.

YUNZHUO takes a look at Yunzhou. "Don't you all know that? Why should I keep hiding! "

"Dad, it's too much! Don't you think about us? "

"All these years, I've done it for you. If you want to stay or not, you can eat in five minutes With that, YUNZHUO enters the room.

In the car.

Qiao Wei looked at Huo Dongyang who was a little depressed. She knew he wanted to be quiet, so she didn't speak.

"Jovi, do you think I'm terrible?" Huo Dongyang suddenly opened his mouth.

Joe shook his head and laughed. "No! You have always been perfect in my eyes, and your impression score has always been full. "

"You can't be perfect." Huo Dongyang eyes a dark, "in fact, I just played a trick."

Qiao Wei smiles, "you mean the will thing? I can't understand how I feel

"Do you see that?" Huo Dongyang holds Qiao Wei's hand.

"Well! But I'm afraid they're going to take action against you. " Replied Jovi. "I don't want you to be busy."

## [Chapter 176](#)

A few days later.

What Joe was worried about still happened.

HD single apartment project is about to officially start, and Joe Wei is busy restructuring senjo these days. Everything else is ready, and Joe Wei wants to talk to qiaoqingdong about the next question.

When he was going out in the morning, huodongyang asked if he would like to go with Joe Wei.

"No more." Joe answered.

Although he has experienced so many things, Joe Wei has taken a lot of things lightly. But no matter how bad the man is, the blood relationship cannot be cut off. So there are some things, Joe Wei wants to face it by himself.

"I'm called for something."

"OK!"

Driving south to Joe Wei to Qiao's house, standing at the door of this home again, it is really like a passing day.

Qiao Wei reached out to ring the doorbell, and someone would come to open the door in a short time. When Butler Chen saw Qiao Wei, he became very excited.

"Miss, are you back?"

Joe nodded. "Is my dad there?"

"Yes, miss. You come in quickly."

Joe Wei entered the house, the family was not angry, she frowned, thinking that the home was only once scenery.

Qiaoqingdong came out of the room and saw Joe Wei standing in the living room.

"Why don't you sit down?" Again, Qiao Wei, qiaoqingdong is very emotional.

Qiao Wei looks at qiaoqingdong, he seems to be much older than he was when he met last time.

Qiaoqingdong is not very good in spirit. He sits down beside him. "What's the matter with you coming to me today?"

Joe Wei went to qiaoqingdong and sat down opposite. "About senjo."

When qiaoqingdong heard this, he couldn't help but feel funny. "Senjo? Are you interested? So you're going to talk to yunyiming. I'm not qualified to talk to you. "

After Joe Wei Qiao Wei listened, she looked back at qiaoqingdong. Seeing his face dazzled, it seems that he really doesn't know these things.

Butler Chen immediately spoke for qiaoqingdong. "Mr. police, my master has not been out for a long time. Recently, I have been in a bad health and have been at home to rest and really didn't go out. All of us in the family can testify. "

"But we have made it clear that it is indeed qiaoqingdong's private seal." The police replied. "If you have any new evidence, you will go to the Bureau."

After that, two policemen escorted qiaoqingdong out.

Joe gave a cry. "Wait a minute! It may have been done on purpose. "

"Are you?" The police looked at Joe and asked.

"This woman is coming to me to talk about things. She has nothing to do with Joe's family," qiaoqingdong immediately interrupted the police

It was a real surprise that Qiao Wei heard Qiao Qingdong. Qiaoqingdong has left his relationship with himself this time.

The police nodded, "if anything, go to the police station. Man, we have to take it. "

Before and after the wind and fire less than 10 minutes, qiaoqingdong was taken away.

Then the sealed man followed in, and immediately valued and recorded the things at home.

"What should I do, miss?" Asked the housekeeper Chen. "This is certainly not done by the master. How can a person who doesn't go out do this. "

Joe Wei thought of a man soon, Liu Su. It should be her! Maybe she left home and took all these important things away. If she was really her, she was a vicious woman.

"Butler Chen, you and others leave first."

Housekeeper Chen looked at Joe Wei and asked. "Miss, you must save the master. He is your father in any way!"

Joe nodded, "I know."

Qiao Wei stood at the door of Qiao's house, looked at the door of Qiao family closed, and saw that the door was sealed.

There are also many people watching the lively around, many people point to find Joe Wei, as if it is said that Joe Wei takes the police to grab qiaoqingdong.

The voices of the discussion were all over, and Joe didn't care. Sometimes, even if you are full marks, you will still have a thorn to pick you. The more you explain, the more charges you are charged with.

Go south and forward. "Madam, let's go back first!"

Joe nodded. "Well, let's go!"

Looking at the moment when the seal was pasted, Qiao Wei was really a pity, even if it was not the original Qiao family.

On the car.

Huodongyang called Joe Wei, and the magnetic voice came. "Are you ok?"

"I'm fine. I'm almost home." Joe answered.

"OK, that meeting."

Joe Wei held her cell phone in her hand, her eyes were outside the car.

It seems that what she worried about happened, but she didn't think of it. The first person would be qiaoqingdong.

### [Chapter 177](#)

The car stopped in front of Jiangwan villa.

South just want to turn back to call Qiao Wei get off, but found that she fell asleep. He took out his mobile phone and called Huo Dongyang.

Soon Huo Dongyang came out, he bent down and held Qiao Wei out.

Mary and Yun Muxin are waiting at the door. They are worried.

Looking at Huo Dongyang holding Qiao Wei to come in, Mary wants to come forward, but Huo Dongyang shakes his head to her.

Huo Dongyang directly to Qiao Wei upstairs, cloud Mu Xin helped Mary back to the living room.

"Grandma, I think it should be OK. I guess I fell asleep only when I was tired." Cloud Mu Xin comforts, she is also one hears the news to rush to come.

It's really incredible that Qiao Qingdong was arrested for committing crimes.

After a while, Huo Dongyang went downstairs.

"Weiwei, what's up?" Asked Mary.

Huo Dongyang sits down. "I must be tired. There is no problem with her mood. "

Huo Jiang shook his head. "This Qiao Qingdong also has today. At the beginning, he treated Wei Wei like that, which is also his retribution."

Huo Dongyang closed his eyes. He thought it was not so simple. Qiao Qingdong should not be able to do such a thing, if he himself, it should be signed by hand, not by private seal.

Seeing Huo Dongyang pondering, Huo Jiang then asked, "Dongyang, did you think of something?"

"There are many doubts about this matter. Qiao Qingdong should have been set up." Huo Dongyang gives his own conclusion.

"Do you know who it is?"

Huo Dongyang nodded slightly. "It's not hard to guess who can get Qiao Qingdong's personal belongings."

"Only two. One is Liu Su and the other is Qiao Xin. "

However, Huo Dongyang in think carefully, the target is on Liu Su, this woman's means are really many.

Cloud Mu Xin heard Huo Dongyang's words, she immediately thought of that day in the bar to see Qiao Xin. She looked at Huo Dongyang and didn't know whether to say it or not.

Huo Dongyang also noticed Yun Muxin's expression, "what do you want to say?"

"Uncle, I think I saw Qiao Xin in the bar that day. " Yun Muxin's voice is very low. "She's wearing a lot of make-up, and if I'm not wrong, it's her. It's just that she seems to be doing that job now... "

Huo Dongyang immediately asked, "which bar is it?"

Yun Muxin tells Huo Dongyang the name of the bar. Huo Dongyang immediately let Xiang Qing check. Now Liu Su and Qiao Xin are the key, maybe they really dig some news from them.

When Jovi woke up, it was dinner time.

As soon as she sat up, she saw Huo Dongyang sitting in his usual reading chair, holding his latest child care book in his hand. Because of his figure, it's funny to see him in such a chair.

"Dongyang..."

Huo Dongyang raised his head, "wake up?"

Huo Dongyang goes to Qiao Wei. "Now that you are awake, get up and eat."

"Well, I'm just hungry."

When Huo Dongyang and Qiao Wei go downstairs, dinner is just ready.

Qiao Wei sees cloud Mu Xin serving dishes. "Mu Xin, are you here?"

"Well! I just came out to do some shopping today, so I came here. " Cloud Mu Xin answers. "It's ready to eat."

Qiao Wei really some not used to see such cloud Mu Xin, but see her to do the real oneself, also very good. See cloud Mu Xin like this, Qiao Wei also think of another person, that is Qiao Xin.

Huo Dongyang put his hand on Qiao Wei's shoulder, "what are you thinking? It's dinner. "

Jovi came to his senses and said, "OK."

After dinner, Huo Dongyang accompanied Qiao Wei for a walk in the yard. He spoke suddenly. "Did you think of Qiao Xin before dinner?"

Joe nodded. "Well, I can't hide anything from you."

"See Mu Xin, I also think of Qiao Xin, if she can also change, that would be good." Qiao Wei has some feelings.

Huo Dongyang hugs Qiao Wei's shoulder. "Not everyone can change. It's just that the land is easy to change and the nature is hard to change. There is an essential difference between admiration and her, which cannot be confused

Qiao Wei smiles. "It's good to know how to defend your niece now."

Huo Dongyang did not speak, neither denied nor admitted. "I have asked Xiang Qing to find Liu Su and Qiao Xin. I believe there will be news soon."

"You always do everything for me in silence." Qiao Wei was moved.

Huo Dongyang doesn't think there is anything wrong with this, which is also his responsibility. "I asked John to meet Qiao Qingdong tomorrow."

"Good!" Joe nodded. Even if he didn't say anything, Huo Dongyang knew what he was thinking. Of course, he also knew that he wanted to save Qiao Qingdong this time.

After walking around the yard for a few times, they were on the chairs in the yard.

"Dongyang, what should we do next?" Qiao Wei is worried that Qiao Qingdong's incident will also have an impact on HD.

Huo Dongyang held Qiao Wei's hand, "don't worry. Tomorrow's news will be different. "Qiao Wei heard Huo Dongyang's words, still feel some do not understand.

"Don't understand?"

Joe nodded. "Now the outside world doesn't know that senjo is officially under HD, and some are just guessing. And I think only Yun Yiming knows about it. "

Suddenly Jovi understood. "So you mean that Yun Yiming is likely to have done this time. His purpose is to wipe out heisenqiao and combat HD. If that's the case, you can't announce it tomorrow. This has an impact on HD. "

Huo Dongyang reached out and smoothed Qiao's frown. "He thought I would do it, and that's why he planned it. But I don't have to follow his plan. "

"Do the opposite?"

Huo Dongyang nods. "So don't worry about it."

Qiao Wei thinks that with Huo Dongyang, he really saves time.

"It's about time. Let's go in."

After the bath, Qiao Wei contacted Amy. Amy is very happy. Qiao Wei is back in charge of senjo.

Two people on-line communication about the next thing, as soon as the result of the talk up to very late.

"Not yet asleep?" Huo Dongyang urged.

"At once." Qiao Wei replied, and then made a final conclusion with Amy.

Huo Dongyang has been waiting for Qiao Wei to chat, he handed a glass of milk to Qiao Wei, "it has been hot several times."

Qiao Wei put out his tongue, "I'm sorry, I'm sorry, I'll drink it right away!"

After taking the glass, Joe took a big gulp.

"Slow down."

After Qiao Wei finished drinking, a circle of white remained on his lips. Huo Dongyang pointed to her mouth.

Qiao Wei immediately wiped a few times casually with his hand, "OK?"

Huo Dongyang looked at her, and her eyes changed quickly. He leaned over to kiss Jovi's lips and outlined the flap of her mouth.

Qiao Wei also didn't expect Huo Dongyang to come so suddenly. As a result, he was teased again. Huo Dongyang's offensive is still strong and gentle.

Entangled between the lips and tongue, with a strong smell of milk, so that the sudden kiss like dyed color, and the surrounding air is bubbling with pink bubbles

### [Chapter 178](#)

The next day.

Huo Dongyang personally sent Qiao Wei to senqiao.

Looking at the senqiao building in front of you, Qiao Wei has too many feelings, once thought that he would not step into here again. But the wheel of fate has brought itself back again.

Huo Dongyang takes a look at Qiao Wei. "Let's go!"

"Well!" Qiao Wei looks at Huo Dongyang and nods.

When Huo Dongyang and Qiao Wei appeared in senqiao's office area, they still aroused strong concern.

For Huo Dongyang such a high-quality male god, many women's eyes with peach. Sure enough, real people are more beautiful and handsome than on camera.

Amy coughs to draw attention to the image.

Qiao Wei see everyone's reaction, smile, although not very attractive, but enough to catch people's attention. The man among them seems to be surprised by this smile. In the past, Qiao Wei almost always had a stiff face, a serious face, and often wore those very conservative suits. He was very old-fashioned and old-fashioned.

So before Yun Yiyan went out to find other women, they also felt normal. But now Qiao Wei, take off that serious face, also put on some fresh color clothes, the whole person looks like a lot of spirit, more women's charm, and people are more and more beautiful.

Huo Dongyang soon noticed the men's thoughts. He narrowed his eyes and glanced at the others with cold eyes.

His hand naturally rested on Qiao Wei's shoulder and swore sovereignty directly. He just wanted to tell the men that this woman is mine! It's not something they can touch.

Qiao Wei is really speechless to Huo Dongyang. Is he not confident in himself? Or do you have no confidence in your wife?

Then Qiao Wei also introduced in a big way. "This is William, President of HD, who is also my husband."

Hear Qiao Wei call oneself husband, the mood suddenly clear. Yes, it should be clearly identified! Huo Dongyang agreed very much.

"We also know what happened before senjo, who has been in a low ebb. From today on, senjo will be officially incorporated into HD's flag, and we will start again. I hope you can work together to complete the next challenge. " Added Jovi.

Everyone was very excited to hear such news. Originally, I wanted to resign to find a job, but I didn't expect to find another village. It was really an accident.

Then Qiao Wei also gave the right to speak to Huo Dongyang and asked him to say a few words. She wanted to step back, but Huo Dongyang took her hand and motioned to stand with him.

In fact, Huo Dongyang wants to tell everyone that Qiao Wei and his own status are the same, there is no grade difference.

"I won't go too far to change the original working mode of senjo, but I hope you will work with 100% enthusiasm and professionalism. I always pay attention to efficiency. Although I don't come often, I will be strict with you. There is no free lunch. Your ability will be reflected in your salary. You can rest assured that HD will not treat every hardworking employee badly. Today, you will also receive a bonus from HD as a gift from me

Huo Dongyang's words are undoubtedly stimulants, and everyone just wants to give full play to the difference of their own suppression. Sure enough, HD, work style is the same, this simple and crude style of direct payment, too people like.

Huo Dongyang said so much and finally added a sentence. "Qiao Wei is your general manager, and there will be a vice president here this afternoon. I hope you can get along well."

Huo Dongyang finished and gave the initiative to Qiao Wei again. Qiao Wei took a look at Huo Dongyang and then said, "the meeting will be held in half an hour."

Qiao Wei took Huo Dongyang to his original office, a small room.

"You work in such a place?" Huo Dongyang shook his head. The main reason is that the small room is airtight, and there are only small windows, and Qiao Wei's physical condition is really not suitable.

Huo Dongyang said directly, "Qiao Wei, I'll have someone buy you an office again. Or you move to Qiao Qingdong's office. "

"No, it's OK here. I'm used to it." Replied Jovi. This small room has spent a lot of time with her, and she feels comfortable here.

"But your body won't allow it." Huo Dongyang replied. "If you don't agree, don't take part in the next thing."

I didn't expect Huo Dongyang to use this as a threat, "you..."

"Be obedient. One out of two is fair. " Huo Dongyang said with a raised eyebrow. "The CFO's office in your company is better than you."

Finally Qiao Wei compromised and moved directly into Qiao Qingdong's original office. She also wanted to take advantage of her own health is OK, deal with the matter. These days the situation of pregnancy and vomiting has improved, in the stomach has not shown, she should seize the time.

Afternoon.

HD released the latest news, senqiao real estate officially became a subsidiary of HD, renamed hd-qw. The new company will also take full responsibility for HD's single apartment project.

As soon as such a news came out, it also caused widespread concern. Originally thought that Yunshi would take senqiao back to his own use, but now it has become a subsidiary of HD, and even changed its face to appear in a new posture, and took over a large HD project. This also makes people more curious about the ability of the new leadership. As expected by Huo Dongyang, senqiao, who is no longer senqiao, has attracted attention again. This time, it is no longer because of the negative news. Moreover, with HD as the backing, the new hd-qw won the first battle.

At 2 p.m., John, vice president of hd-qw, also appeared in the office.

"Boss, I'm here to report." John said with a smile.

Qiao Wei felt that John had already held several positions and was worried that he would be tired.

"John, will you be too busy?"

"Ma'am, I'm all right. I look at money." John didn't hide his money buff side.

Joey really didn't know what to say to John.

Huo Dongyang looked at John and said, "how are things going?"

John picked up the mineral water, drank it, and cleared his throat. Then he handed Huo Dongyang some information.

"Boss, this is what I got." John said.

Huo Dongyang took a look, these are bank loan documents, but this amount is really some big.

"What did Qiao Qingdong say?" Huo Dongyang asked.

John shook his head. "That's what I want to report to boss. Qiao Qingdong refused me to be his lawyer. "

"What!" Jovi was surprised. Qiao Qingdong refused? What's wrong with him?

Huo Dongyang also felt surprised that Qiao Qingdong wanted to plead guilty?

"Do you know why?"

## [Chapter 179](#)

John looked at Qiao Wei and Huo Dongyang.

Huo Dongyang frowned slightly. "What is your expression?"

"I think Qiao Qingdong seems to be hiding something." John says what he thinks. "And he simply refused me!"

Huo Dongyang thought for a moment, "do you mean someone has contacted Qiao Qingdong before you?"

John nodded, "and made some kind of agreement with him."

When Qiao Wei heard what John said, he was more worried. Qiao Qingdong actually agreed to the other party's request, which should be unexpected. According to Qiao Qingdong's previous character, he would never accept such a result.

Huo Dongyang thinks that the situation is beyond expectation, and it should also be able to make Qiao Qingdong confess his guilt. But what is Qiao Qingdong's weakness now?

Jovi looked at John. "What else did he say?"

John shook his head. But I think his expression is a little tangled. "

"It seems that someone is really threatening him." Huo Dongyang gives the conclusion.

John laughed. "Boss, there are still some gains. I checked. Yesterday afternoon, Yun Yiming and Mo Ling went there. "

So, it's really the two of them threatening Qiao Qingdong, but now they have no direct evidence.

"Boss, that's all I have on my side." John replied.

"Well!" Huo Dongyang nods, next he will let Xiang Qing check.

John looked at senjo. "Where's my office?"

"There is your table."

John followed Huo Dongyang's direction and saw the small conference table in front of him. The corners of his mouth also slowly fell down, which was too much different from the expectation. "Boss, is that how you arranged me? You know I value the office environment very much, and I'm better in hd-qh. I don't expect to be the same as the one in the headquarters, but at least I should be worthy of the baby's style. "

Huo Dongyang raised his eyebrows. "Since you don't want to, you can go to the bathroom and there's also a seat available."

"Boss, you know I have a habit of cleanliness. You want me to go to the bathroom. "

"Choose one."

John finally compromised, "OK!" He can only bear it.

Qiao Wei is thinking about whether to give this office to John, but he is forced to stop by Huo Dongyang's eyes before saying it. Qiao Wei can only shake his head helplessly.

Yunjia.

Mo Ling tells Yun Yiming about John's visit to Qiao Qingdong.

"Huo Dongyang really let people go." Yun Yiming stands in front of the window holding his mobile phone. Fortunately, he has foresight. When Qiao Qingdong was taken to the police station, he first stopped Qiao Qingdong's mouth.

Yun Yiming actually said a few words with Qiao Qingdong. Liu Su and Qiao Xin are both under their control. As long as he doesn't cooperate, he will send Liu Su and Qiao Xin in.

I didn't expect that Qiao Qingdong really obeyed. It seems that the mother and daughter still exist in Qiao Qingdong's heart, but Qiao Wei saved his heartless father. It was a waste of energy. Qiao Qingdong's eccentricity is also drunk, but this is also like his grandfather, the eyes are those outsiders.

"Mr. Yun, are you listening?"

Yun Yiming responded, "I'm listening."

"What are we going to do next?" Mo Ling asked on the phone.

Yun Yiming starts to talk. "How? Moling, you are so smart that you will know

"Yun Yiyan?"

"Well!" Yun Yiming replied. "I'll find something to do for him, and then let him get out of the cloud family."

"I see."

Yun Yiming puts down his mobile phone and smiles at the corner of his mouth. This is just the beginning. He wants to remove all the stumbling blocks one by one. Huo Dongyang, you will be here soon.

In a cottage in the suburbs.

Liu Su looked at the TV while smeared nail polish. She looks good and in a good mood.

A few days ago, Yunzhou came to look for himself. She certainly won't miss such a good opportunity. They quickly exchanged terms, and Yunzhou gave her a sum of money, and she gave him what Yunzhou wanted.

However, Yunzhou didn't want to take those money from Qiao's family, just wanted Qiao Qingdong's private seal. Of course, she won't pay attention to what he wants to do with his private seal. In any case, it's OK to spend money and spend money now, whatever else.

Just in the TV news, Liu Su also heard the name of Qiao Qingdong, stopped his action. Hearing the relevant content, she was stunned and Qiao Qingdong was arrested!

Liu Su was nervous, her hands moved and nail polish painted. The nail polish bottle on the table was upset too. Looking at the red nail polish on the table, Liu Su's face turned white, as if he felt that the red nail polish was just like blood.

"Mom, what are you doing?" Qiao Xin's face was sleepy. She reached out and rubbed her long flaxen curly hair. She was wearing a silk nightdress with suspenders. One shoulder strap had slipped off, revealing half of her fragrant shoulder. With my hair raised, there are still several necks that have not subsided. Qiao Xin poured herself a glass of water and walked to the sofa. There was no light in her eyes, and her plain face saw her haggard.

Liu Su looked at Qiao Xin's appearance, and was almost speechless. "It's time to stop playing."

Qiao Xin finished the glass of water, "not enough. I think how good it is now, free and unrestrained. I can do whatever I want. How comfortable it is! I used to pretend to be a good girl in front of my father. How tired I am

Liu Su's eyes darkened, "or we won't see him."

Qiao Wei raised his lazy eyes and said, "Mom, you don't give up on my dad? That's what he did to you. "

"He's been arrested." Although Liu Su hated Qiao Qingdong's ruthlessness, she didn't love the hatred!

When she saw him at that time, she knew that she fell in love with him. After that, she just wanted to be with him. So she did everything she could.

Although Qiao Qingdong finally drove himself away mercilessly, he still worried when he looked like this. All these years, still go to such a place, this is obviously to go in to die.

Hearing Liu Su's words, Qiao Xin is also a little surprised. "What does it mean to be caught? Did you commit a crime? "

"Yes Liu Su clenched her hand. Qiao Qingdong, you should blame yourself. You can't blame others.

Qiao Xin picked up the remote control and pushed the news back to see, "private seal?"

"Mom, isn't it my father's personal seal that Yunzhou took that day?"

Qiaoxin said so, Liusu also reacted. It turns out that Yunzhou took Qiao Qingdong's private seal from himself to do these things. It's really mean, and the people of the cloud family are not so noble.

In the afternoon, Liu Su and Qiao Xin want to see Qiao Qingdong, only to find that they are controlled and their freedom of life is restricted.

Liu Su knew that she had been cheated! Yunzhou can't believe it.

## [Chapter 180](#)

They were forced back into the house.

Qiao Xin angrily threw the bag, "now it's illegal to imprison us."

Liu Su also sat down on one side. What did Yunzhou want to get when he framed Qiao Qingdong? Or is it the rest of senjo's shares?

All of a sudden, there are too many questions come out, unexpectedly to play oneself like this, Yunzhou really has you! She's not a vegetarian either. In that case, she won't be so polite, isn't she!

"Mom, what are you thinking?" Qiao Xin looks at the silent Liu Su.

Liu Su took a look at her daughter. "Xinxin, we're leaving here."

"How can I get there?" Qiao Xin asked, "there are people outside."

"Of course we have to find a way." Now they have to find a way to get out of it.

Afternoon.

Yunzhou received news that Liu Su and Qiao Xin escaped.

"How did you escape?"

"They climbed out of the dog hole in the fence of the villa."

Hearing this, Yunzhou really feels funny. Mrs. Qiao once climbed a dog hole. It's really surprising.

"Send for the chase! She should go to see Qiao Qingdong and bring them back as soon as she sees them. You're welcome. "

"Yes

After Liu Su and Qiao Xin escaped, they immediately changed their clothes. Wearing ordinary people's clothes, they are really more passers-by than passers-by, and no one will pay attention to them.

"Mom, I'm hungry." Qiao Xin stops at the door of a restaurant.

"Let's eat some bread." Liu Su replied. They should try to avoid being in public now.

While they were hiding in the park eating bread, they were suddenly surrounded by a group of people.

Two people a fear, to the mouth of bread on the ground.

"What are you going to do?"

"Come with us!"

After that, they were taken to an underground warehouse. There is nothing around, only an empty chair in front of me. It seems that there will be someone coming.

When Liu Su and Qiao Xin were worried, a man with sunglasses came in.

I saw him sitting in the empty chair. Although he was wearing sunglasses, he could feel the sharp eyes of this man.

The man asked, "do you know what was brought here?"

"I tell you, if you move us, you're going to have a hard time." Liu Su spoke hard first.

Man a smile, "good momentum, should be like this. It's still so loud. "

Liu Su tried to keep calm. "You go back and tell Yunzhou that if he pushes me in a hurry, I'll kill him."

At this point, men talk. "Go on, I'll give you a chance."

"Let us go, and you've all taken away the seal. Why don't you let us go? "

The man laughed and went out. "Mrs. Joe, you've always been smart. Don't you know that the dead are the safest. They won't resist or speak. "

Liu Su's face turned pale.

"Mom, I don't want to die yet." Qiao Xin struggled at once. How could she die when she was so young?

Liu Su knew that she was at the bottom of the mountain, and her momentum suddenly weakened.

"What are you going to do

"I just want to tell you one thing today." The man spoke. "Qiao Qingdong has pleaded guilty because of you. So where else do you want to escape? "

Liu Su widened her eyes. "What did you say just now?"

"Qiao Qingdong has taken on everything, including the one that Mrs. Qiao did more than ten years ago." The man went on. "Once convicted, he'll die in prison. It's a relief to die early in a place like that. "

Liusu shook her head. "How could that happen? Qiao Qingdong won't be like this. He hates me

"It seems that Mrs. Qiao still doesn't know the content of Qiao Qingdong's will. Although you are divorced, he still leaves all his own things to you and his daughter. It seems that he is so great."

Liu Su clenched her hand and glared at the man. "You must be threatening him with Xinxin and me, right?"

The man didn't answer. He stood up.

"Don't go, I want to see Yunzhou!" Said Liusu in a loud voice.

The man ignored Liu Su and walked out. The door of the warehouse was closed mercilessly again.

Qiao Xin took Liu Su's hand and said with fear: "Mom, I don't want to die."

"We will not die!" Said Liu Su, biting her teeth. She will go out. If Qiao Qingdong has an accident, she will not let Yunzhou go.

Outside the door.

When a man takes off his sunglasses, he is actually Xiang Qing.

Liu Su's mother and daughter went into the city and found out immediately. So Xiang Qing asked people to bring them back. It seems that in addition to looking for them, there are people looking for them in Yunzhou.

Xiang Qing reported this matter to Huo Dongyang immediately.

"Liu Su said it was Yunzhou?" Huo Dongyang always thought it was Yun Yiming. "Boss, it's not bad. They must have been on the same boat. " Xiang Qing replied.

Huo Dongyang thought for a moment. "I'll see Qiao Qingdong tomorrow."

"OK, I'll arrange it."

When Huo Dongyang sat in front of Qiao Qingdong, Qiao Qingdong was still surprised.

"Why is Mr. Huo here today?" Qiao Qingdong replied. Just now, the C.O. said it was his family. He thought it was Liu Su and Qiao Xin.

Huo Dongyang nods. "But it seems that you are a little disappointed."

Qiao Qingdong did not answer, his eyes fell on the table. "No loss, just some accidents."

Huo Dongyang certainly knows Qiao Qingdong's ideas. "Why refuse to defend?"

Qiao Qingdong looked at Huo Dongyang, "Huo always don't know."

"For Liu Su and Qiao Xin?" Huo Dongyang said directly.

Qiao Qingdong's eyes flashed. "I don't know what you're talking about?"

"Is it worth it? Do it. "

Qiao Qingdong lowers his head. Who is Huo Dongyang? How can he not know? "That's what I can do for them."

"Jovi wanted to save you, so I came here." Huo Dongyang looks at Qiao Qingdong and says. "I hope you can reconsider, and don't forget that she is your daughter, too."

Speaking of this, Qiao Qingdong closed his eyes and tears flowed from the corners of his eyes. "In my life, I can only owe Wei Wei and Su Lirong. If I have a chance in my next life, I will make it up to them. "

Qiao Qingdong opened his eyes and looked at Huo Dongyang. "I feel at ease that I can be with you. I'm not a good father. Don't let my things affect her. Mr. Huo, please take good care of her! She has lost so much since she was a child. I can't give it to her. I hope you can. "

Huo Dongyang was surprised to hear Qiao Qingdong's words, but it was reasonable that he was still Qiao Wei's father.

"I will."

Thank you Qiao Qingdong said it sincerely.

At this time, Jovi came in and she looked at her father.

Qiao Wei looked at Qiao Qingdong seriously and said, "Dad, if you really owe me, please accept the defense."
