

Warm Wife 191

[Chapter 191](#)

Jiangwan villa.

Huo Dongyang looked at the video he had just received, and after watching it, he showed a satisfied smile. Xiang Qing looks at Huo Dongyang, a little puzzled. "Boss, what are you laughing at?"

Huo Dongyang put down his mobile phone. "Nothing. I just think that moling's combat effectiveness is really good! It's so easy to beat my shrewd sister-in-law. "

Who was Fu Qing? This time she was so careless that she was defeated in the hands of moling. I think this is also her shame!

"Boss, what are you going to do next?"

"No hurry." Huo Dongyang replied. He is waiting to give Mo Ling and Yun Yiming a heavy blow.

Xiang Qing looks at Huo Dongyang. His line this time is really too long. If you want to pull it back, I don't know if there will be any accident.

Huo Dongyang takes a look at Xiang Qing. "Are you worried about accidents?"

"Well!" Xiang Qing nodded. "The woman, Mo Ling, won't admit defeat so easily. If she goes crazy, we can't be on guard. "

Huo Dongyang after listening to give Xiang Qing a positive look, this of course he knows, he wants this kind of result. There is an accident, there is a surprise!

"Qiao Wei and grandmother have not come back yet?" Huo Dongyang looked at the time, it should be almost right!

Xiang Qing replied: "boss, don't worry! With the protection of southward and others, it will be fine. I heard that the production inspection is not so fast, and the waiting time is long. "

Huo Dongyang picks eyebrow, he looks at Xiang Qing, "you seem to be very clear?"

"Boss, this I'm not... " Xiang Qing faltered and did not say a word. He was also embarrassed to say that he had been with others.

Seeing Xiang Qing's expression, Huo Dongyang showed a look of inquiry, "have you been there?"

"No!"

Huo Dongyang stood up. "There is no silver here

At this time, there was a sound coming up downstairs. Huo Dongyang immediately stood up, it should be Qiao Wei and they came back.

When she got downstairs, she could not close her mouth.

"Back?" Huo Dongyang asked.

Mary nodded. "Yes, I'm back. Everything is fine."

Hearing Mary's words, Huo Dongyang was relieved. He went to Qiao Wei and sat down, "tired or not?"

"Not tired." Qiao Wei is also in a good mood. "The doctor said both babies were fine."

"I'll go with you next time." Huo Dongyang continued. This time, grandma didn't let him go with him, so he could only bear it.

Mary followed. "Weiwei, if you have a good appetite now, you must eat more. Both children need nutrition. "

"I know."

Mary could not hide her excitement. When the doctor said it was a dragon and Phoenix fetus, she was stunned. It was really a gift from God to satisfy all her wishes at once. Next, she is going to prepare clothes and supplies for the children. Now she really needs to prepare two different ones. One child and one woman is a good word!

"Grandma, you seem really happy?"

"Of course! I'm not going to be a grandmother. You say Gao is not happy. " Mary also shows off to Huo Dongyang. Anyway, he doesn't feel bad. His son and daughter are the same.

Mary looked around and didn't see Huo Jiang. "Where's old Huo?"

"Grandfather's room!" Huo Dongyang replied.

Since Qiao Wei replaced him with an iPad, he has been holding the iPad to play games and watch news all day. Because the screen is large, it is comfortable to watch.

After a while, Huo Jiang also came out excitedly. "Weiwei, it's really great."

Qiao Wei smile, "well, the children are very good."

"Pay more attention." Huo Jiang stares at Qiao Wei's stomach, this time is really complete, this Qiao Wei is really the lucky star of Huo family.

Huo Dongyang felt that something was wrong. Was the reaction of his grandfather and grandmother too much? Didn't you know last time that Joe was pregnant with twins? How can I still be so excited this time.

Also see Huo Jiang that tightly against the eyes of Qiao Wei stomach, as if she has something strange in the stomach like.

"Grandfather, pay attention to your eyes." Huo Dongyang can't help it.

Qiao Wei touched his stomach, as if it was really a little big, the babies grew very fast.

Huo Jiang didn't pay attention to Huo Dongyang, "Weiwei, grandfather thinks you still don't go to work, it's too tired. You hand over the work to Dong Yang, you will rest at home, and my grandfather and grandmother will take care of you later. "

"Now, my health is fine. And Dongyang has a lot to do. "

"That's what men should do." Huo Jiang replied. "What else would a man do?"

Mary heard Huo Jiang, "you can say it easily. I remember you once said, why don't women shoulder responsibility? Sometimes, this woman is also the subject of responsibility. "

Huo Jiang was said by Mary, and her face was also a little bit unable to hang. "In front of the children, give me face.""You want face, too? You've lost face a long time ago. "

Qiao Wei looks at the grandparent and the grandmother quarrel, the life actually should be like this. She looked up at Huo Dongyang. "Dongyang, will we fight like my grandparents in the future?"

Huo Dongyang holds Qiao Wei's hand. "No! Because I think my wife is doing everything right. "

Qiao Wei showed a bright smile. "Well, I'll listen to you!"

The whole family was in a good mood, and the laughter came out. This makes YUNZHUO feel envious standing outside the villa, and he also wants to have such a happy life. But these are extravagant hopes in the cloud family, and they are impossible to achieve.

The people of the cloud family are too selfish. They will do anything for the sake of property. He came to Huo Dongyang today for the purpose of a will. He already knew that Huo Dongyang handed the will to Yunzhou through Yun Muxin, and Yunzhou also went to revise the will.

YUNZHUO reached out and rang the doorbell.

"Hello! Who is it? " Mary's voice came.

"I'm YUNZHUO."

Suddenly, YUNZHUO heard that the walkie talkie was hung up.

Mary hung up the microphone and immediately pressed the surveillance video at the door. Sure enough, I saw YUNZHUO standing at the door. How did he come?

Mary frowned as the doorbell rang again. What is this man doing!

Huo Jiang came out. "Who's here? Why don't you open the door? "

"YUNZHUO."

Huo Jiang a listen, the smile on the face all stopped, "what does he come to do?"

YUNZHUO at the door has been waiting. Today he has made up his mind to see Huo Dongyang as well.

"What are you doing here?" Huo Jiang's voice came from the walkie talkie.

"I want to see Dong Yang." YUNZHUO is back.

Originally, I wanted to explain why I came here, but the door suddenly opened with a knock.

YUNZHUO was a little surprised that he opened the door. He held the door handle and opened the door.

Looking at the villa door not far away, YUNZHUO took a deep breath, as if also in his own cheer.

He walked in step by step on crutches, though he didn't know what was waiting for him. After all, opportunities are rare.

[Chapter 192](#)

in the house.

Huo Dongyang stood behind Huo Jiang. He just pressed the door open button.

"What do you do?" Huo Jiang looked at Huo Dongyang angrily, "why let him in."

"Don't let him in, want others to see our jokes?" Huo Dongyang asked Huo Jiang.

Mary also said, "yes, old Huo! We can't let other people see our jokes. "

After a while, YUNZHUO came in.

Huo Jiang directly threw a cold eye, hummed and walked into the living room. Mary said nothing and followed Huo Jiang into the living room.

Huo Dongyang looked at YUNZHUO, "come in!"

Seeing Huo Dongyang's attitude, YUNZHUO felt happy. Is he no longer rejecting himself? If so, that would be great.

Huo Dongyang finished, first step into the living room, YUNZHUO immediately followed Huo Dongyang.

After entering the living room, he saw several people sitting in the living room. After he hesitated for a moment, he still walked over.

Qiao Wei saw several other people are silent, in order to avoid embarrassment, Qiao Wei first opened his mouth. "Sit down, please."

YUNZHUO looked at Qiao Wei, then nodded his head and then went to Qiao Wei's side and sat down.

Huo Jiang was not satisfied with the situation. "Weiwei, come here and sit down."

Qiao Wei took a look at the three people sitting on the opposite side. They acted as judges, and YUNZHUO was the prisoner.

If you have passed, it will be even more embarrassing. Is this a joint trial of the fourth division? But Qiao Wei can also understand Huo Dongyang's mood. At that time, her mother had an accident in YUNZHUO's car.

Qiao Yun Zhuo didn't know the truth when she saw it? This is not clear. But now I see YUNZHUO's condition, I think he is also very poor.

"Slightly, come here quickly." Huo Jiang urged again. "You are a member of our Huo family now."

Qiao Wei felt embarrassed, so she took a look at Huo Dongyang, hoping that he could come to the rescue. As a result, Huo Dongyang sat still. Qiao Wei thought for a while and understood that he didn't want to make his grandfather and grandmother suffer.

Qiao Wei also saw Huo Dongyang's slightly apologetic eyes. Qiao Wei understood his meaning.

Just when Qiao Wei just wanted to raise his butt, Yun Muxin came back. People want to hear her voice before they come in. "I'm back! Are there any guests at home? "

Yun Muxin carried several bags into the living room. When she saw YUNZHUO, the bags in her hands fell to the ground. I really didn't expect to see my grandfather in the Huo family.

After the shock, Yun Muxin called. "Grandfather..."

YUNZHUO also nodded to me. "Back."

Qiao Wei see cloud Mu Xin back, the heart is also a sigh of relief, this atmosphere should be relaxed. Qiao Wei didn't want to embarrass himself, so he made an excuse, "I'm a little tired, I want to go up and have a rest."

Huo Dongyang immediately answered, "Mu Xin supports Qiao Wei to have a rest."

"Oh Cloud Mu Xin immediately to help Qiao Wei, "Auntie, you slow down."

Cloud Mu Xin helped Qiao Wei go upstairs, but when she was going to help her into the room, she was stopped by Qiao Wei. Although she knows eavesdropping is not good, she also wants to know the truth. YUNZHUO should have come with the truth of that year.

See Qiao Wei stop, cloud Mu Xin also stand at one side accompany her. She also hoped that both her grandfather and the Huo family could untie the knot.

Looking at the two people upstairs, Huo Dongyang looked at YUNZHUO and asked, "what are you doing here today?"

YUNZHUO answers quickly. "I already know that you give your will to Yunzhou."

"And then?"

"It's for you. How can you do that?" YUNZHUO really wants to know what Huo Dongyang means.

Huo Dongyang said, "I said I would not accept your things."

YUNZHUO frowned. "You deserve it."

Hearing this, Huo Jiang spoke discontentedly. "Dongyang's HD combined assets are several times your property. Do you think we will? In your eyes, there will always be Yunshi. "

Huo Jiang said that the heart, YUNZHUO guilty to bow his head.

"Hum!" Huo Jiang snorted coldly. "Dare you say you don't?"

YUNZHUO's voice was very small, "I have! I've been living with guilt all these years. If I had appeared for the first time, or tragedy would not have happened, and so would sue. It's all about me. "

Huo Jiang clenched his hand. "At last you admit it. You knew from the beginning that there was a bomb in the car, but you let sue in. YUNZHUO, what is your purpose! For your career, so sacrifice my daughter? "

"I'm sorry!" YUNZHUO said three words. These are the only words he can say now.

It was really my fault. At that time, Hawthorne took Huo Dongyang to see him for the last time. She also knew that she could not give them a promise, so she was ready to leave. At that time, although he had been sitting on the throne, he was not stable. He had to make some sacrifices to keep his place. But he didn't expect to sacrifice Hawthorne to complete his career.

Huo Su'en with Huo Dongyang came to a city to find himself, which happened to be known by his wife Xu Fan. They were married in accordance with the orders of their parents and the matchmaker's words. The two families had an interest relationship and their feelings were very common, so they made do with it.

Xu Fan is worried that Huo Suen and Huo Dongyang will threaten her and Yunzhou's position, so she wants to do this. She uses Huo Dongyang to threaten YUNZHUO. She wants Huo Suen and Huo Dongyang. At the time of YUNZHUO's choice, Xu Fan also forced Huosuen to get on the car with a bomb.

YUNZHUO thinks that Hawthorne will take Huo Dongyang to leave, so he chooses Yunshi, and will take them back when he really controls the real power. That's what happened to Hawthorne.

When Xu Fan told himself everything, it was too late. When he arrived at the scene, nothing could be undone. Later, Xu Fan also suffered too much pressure on his mind and body because he did something wrong, and he died soon.

In recent years, YUNZHUO has been supporting the Yunjia and Yunshi by himself because it was Huo Suen who bought it with his own life. He is also determined to leave what he has to Huo Dongyang.

Huo Jiang thought of his daughter, and his heart was angry. "YUNZHUO, you really killed my daughter! You knew from the beginning that there was something wrong with the car, because you were worried that the existence of Su'en and Dong Yang would threaten you, so you made this decision ruthlessly. You're not a fuckin' man

YUNZHUO didn't explain for himself. In fact, he was one of the killers who killed Hawthorne. If it wasn't for her relationship, she wouldn't have an accident.

Huo Jiang angrily grabbed YUNZHUO's clothes. "YUNZHUO, it's all because of you! You not only destroyed Su'en's life, but also destroyed most of the Huo family's life. You have the face to sit here now

"Grandfather, calm down." Huo Dongyang is worried that Huo Jiang is too excited. He pulls Huo Jiang forward.

Mary shed tears when she knew the truth. Her poor daughter, why did she insist on bringing Huo Dongyang back!

[Chapter 193](#)

Qiao Wei and Yun Mu Xin, standing at the foot of the stairs, shed their own tears.

The truth is really cruel, YUNZHUO really can't help.

Cloud Mu Xin takes Qiao Wei's hand, it seems that some can't believe this is the truth. My grandfather is such a selfish person? A woman who sacrificed herself for the sake of Yun.

Are men like this? In order to their own future, they can leave behind the people who once swore to each other.

Qiao Wei wiped away his tears. "Mu Xin, let's go back to the room." At this moment, Qiao Wei can experience the most real feelings of Huo Dongyang and his grandparents.

Qiao Wei also remembers a sentence that Yun Yiyan once said. At that time, Yun Yiyan said that YUNZHUO had been waiting for death. Or he is waiting to make atonement for his mother. Huo Dongyang is the only one who has supported him in these years.

He has been waiting for Huo Dongyang to return, and then give it all to Huo Dongyang. In this way, he can also find his mother at ease. But YUNZHUO didn't think that he would leave Huo Dongyang with these properties, which Huo Dongyang would not accept. Because it's all in exchange for my mother's life.

Just walked to the door of the room, heard a loud noise downstairs. Qiao Wei and Yun Mu Xin all stopped.

"Mu Xin, go down and have a look first." Jovi immediately ordered.

Although Yun Muxin was afraid, she still rushed down. Yun Muxin saw that the living room was a mess, and the glass coffee table was broken.

Huo Dongyang hugs his grandfather, and the latter looks at his grandfather angrily. In the middle of the broken coffee table is the bronze statue of the animal in the living room.

Cloud mu heart facial expression one white, this is how to return a responsibility? Is it my grandfather who wants to beat my grandfather? And at the moment, YUNZHUO's face seems to be a little shaken.

Mary was on the side, too, with a worry on her face.

"This..." Yun Muxin really doesn't know what's going on.

Huo Dongyang looks down at the cloud Mu Xin. "Mu Xin, take your grandfather back first."

"Oh Cloud Mu Xin nods. She went to YUNZHUO immediately. "Grandfather, let's go back first."

But YUNZHUO didn't move. He just didn't want to go. After stabilizing his mood, YUNZHUO said: "this is also my compensation for Dongyang. I hope you can accept it. In this way, I can explain to sue

Huo Dongyang's eyes are cold. "YUNZHUO, we appreciate your kindness. I don't need anything from you. What I want from Huo Dongyang depends on my own strength. The property of the cloud family is not rare to me at all. You'll leave it to those who need it! "

"YUNZHUO, are you going? It's very good for me to let you in. How dare you say let Dongyang go back to the cloud family? Why are you so thick skinned? You've never acknowledged Sue's identity. Why! And your stinky money. We don't want it at all, because it's dirty! "

With sadness, YUNZHUO said, "my feelings for Sue have always been true. It's just

"Shut up Huo Jiang looks at YUNZHUO excitedly. "You don't deserve to mention my daughter. Get out of here! Otherwise, I won't let you go. As you saw just now, I can't help myself. "

Yun Muxin knows Huo Jiang will really do what he says. At this time, Huo Jiang is not the same as usual. It seems that his grandfather really stimulated him.

"Don't be angry, grandfather. I'm sorry for Grandpa Yun Muxin said quickly. "Grandfather, he also wants his uncle to go back, so he is in such a hurry. Please wait a little longer. "

Huo Jiang swept cloud Mu Xin one eye, "he is your grandfather, of course you have to help him speak. But your grandfather is a very mean man

Yun Muxin bit his lip, and didn't seem to know how to say it.

"Take this man away at once, or I'm afraid I can't help killing him." Huo Jiang said aloud.

Yun Muxin pulls YUNZHUO up. "Grandfather, let's go back today! These things really can't come in a hurry. "

YUNZHUO looks at Yun Muxin. He looks at other people again, but he still says something. "Sorry! But I'm serious

"You Huo Jiang just wanted to move, or was Huo Dongyang holding. "Grandfather, calm down."

Qiao Wei has also stood at the foot of the stairs for a while, and she frowns. The situation is much worse than expected! Looking at Huo Dongyang's back, Qiao Wei thinks he is the most difficult one in the end. Heartache Huo Dongyang, he is really too difficult, what can he do for him?

"Mr. Yun, may I talk to you?" Qiao Wei's voice broke the atmosphere.

Qiao Wei's words are undoubtedly easing the current situation.

Huo Dongyang looks at Qiao Wei and shakes his head. He doesn't want Qiao Wei to block in front of him. He can deal with these things by himself, but Qiao Wei gives him a stable look and reassures him.

"Weiwei, you don't have to talk to this scum." Huo Jiang opens his mouth to stop Qiao Wei.

Mary also came forward, "slightly, really not needed."

Jovi took Mary's hand. "Grandma, I'm a member of the Huo family, and I want to contribute to this family."

Mary really thinks that Jovi is a good boy, "Wei..." "Don't worry." Joe nodded to Mary.

Qiao Wei then looked at YUNZHUO and said. "Mr. Yun, let's go out and talk."

Hear Qiao Wei to go out to chat with YUNZHUO, Huo Jiang is not at ease. Finally, the Huo family has Qiaowei this lucky star, he just does not want to let Qiao Wei and YUNZHUO more contact.

Huo Dongyang also does not want to let Qiao Wei go out, "can only chat in the yard."

"Well!" Qiao Wei knew that they were worried about themselves, so he agreed.

Watching Qiao Wei and YUNZHUO go to the yard, although the French window has been closed, Huo Dongyang still stands there and pays attention to Qiao Wei's every move.

In the living room.

Lin Juan and Yun Muxin are cleaning up. Huo Jiang and Mary are sitting on the sofa, their eyes are also looking at the other side of the yard.

Cloud Mu Xin carefully looked at Huo Jiang, "grandfather, I know my grandfather did a big mistake. I dare not ask you to forgive him, but I hope you can see the relationship between uncle and grandfather, not angry, OK? It's not good for your health. You were a little bit scary just now

Huo Jiang heard cloud Mu Xin's words, "I didn't have to drive you out of it."

"Grandfather..." Hearing this, Yun Muxin's tears fell out. "Grandfather, don't drive me away. I have no place to go."

Mary patted Huo Jiang's hand. "What are you talking about?"

"I didn't say I would drive you away. Cry what! It is estimated that you are the only one left Huo Jiang's Qi returns to Qi, but he will not target others. And his anger is fading now.

Thank you, grandfather

At this time, they saw Huo Dongyang open the French window and went out. Huo Jiang and Mary also stood up.

After a while, Huo Dongyang helped Qiao Wei in.

"Weiwei, he didn't embarrass you, did he?"

"No, no, no," he said

Qiao Wei looked at Yun Mu Xin and said, "Mu Xin, you send your grandfather back first. I think he's tired, too

"OK." Yun Muxin nodded and walked out of the yard.

[Chapter 194](#)

In the car.

Yun Muxin sits next to YUNZHUO.

"Grandfather, are you ok?" Asked Yun Mu Xin. Although it is not clear what Qiao Wei and he said, but see grandfather's expression seems to be quiet down.

YUNZHUO closed his eyes, "Mu Xin, do you think grandfather is a merciless person?"

"No, everyone has their own helplessness. It's been a long time since my grandfather chose Yun's family. " Yun Muxin doesn't want to compare his grandfather with those who are heartless.

YUNZHUO shakes his head. "No! I'm not entangled. Think that everything can be achieved according to their own ideas, but it is wrong! So you don't want to be like me. You must keep what you want. Because if you lose, you won't come back. "

Yun Muxin can tell that YUNZHUO is very sorry. "Grandfather, may I ask you a question?"

"You ask."

"Do you really love your uncle's mother?"

YUNZHUO opened his eyes, but some of them were ethereal. "Love! When I met her, I felt that I couldn't do with some things. At that time, I really felt that I was not worthy of her. My world is too complicated, and her world is beautiful. I still broke it. "

Yun Muxin knows that it's easy to love and difficult to get along with. There are many things between my grandfather and my uncle's mother, and there are too many obstacles.

Unknowingly, the car has stopped at the gate of Yunjia mansion.

Yun Muxin takes a look outside the car. "Here comes grandfather."

YUNZHUO also seems to respond from some kind of thought. "Go back first! I went in myself. Mu Xin, you are a warm child. You can get along well with your uncle and them in the future. This home is not suitable for you. There are too many fights in it. "

Yun Muxin didn't expect that his grandfather would follow him to say such a thing. "Grandfather..."

"I'm fine. After chatting with Joe, I also want to understand a lot. "

Looking at YUNZHUO getting off, looking at his lonely and miserable back, yunmu still gets off the car with him. "Grandfather, let me help you in."

YUNZHUO takes a look at yunmu Xin, who is holding his hand. He has changed a lot. Now he will care about and take care of people. His heart is also kind. So the cloud house is really not suitable for her.

After entering the door.

The whole family seems to precipitate in a layer of thick haze, which makes people breathless.

Walking into the living room, you can see Fu Qing sitting on the sofa with a black face, and her opposite is Yun Yiming and Yunzhou. At first glance, this situation seems to be a confrontation between the two sides.

Hearing the sound, Fu Qing turned his head and saw Yun Mu Xin holding Yun Zhuo not far away. "Are you back?"

Yun Muxin nods. She doesn't want to know what happened to them, and then she wants to help YUNZHUO go back to her room.

"Dad Fu Qing called.

Although YUNZHUO felt tired, he still stopped. "What's the matter?"

"It is..." Fu Qinggang wanted to speak, but was interrupted by Yunzhou. "Dad, you're tired, too. Just go and have a rest. In fact, it's nothing. "

Fu Qing was discontented and quarreled loudly. "It's nothing. You men are selfish! Do you think that the woman looks a little bit beautiful and has some working ability, that she is sincere. Such a woman is the most dangerous

Yun Yiming stands up. "Mom, this time it's clear that you go to find Mo Ling and even threaten her. In the past, I can not investigate those things, but this time I decided to stay with her

Fu Qingzhen felt that his son was enchanted by that Mo Ling and quarreled for her coming back. "Yi Ming, that woman belongs to Huo Dongyang. How many times do you want to believe it! I asked her today, and she acquiesced. But why can't you see clearly? "

"Mom, I have investigated Mo Ling before. She has nothing to do with Huo Dongyang." Yun Yiming replied. "Is your information wrong?"

Fu Qingzhen was angry, but he said, "I'm absolutely right. When that woman arrived at the company, she was very suspicious. She came to work as an undercover and provided Huo Dongyang with first-hand information. "

Yun Yiming doesn't believe Fu Qing at all. "Mom, that's all I have to say. If you harass Mo Ling again, I won't be polite

"Yi Ming!" Fu Qingzhen couldn't believe that Yun Yiming would talk to himself like this. "You've become unlike yourself for that woman."

"Mom, I just said I was after her." Yun Yiming returns. "So I hope mom won't say anything more. If you don't agree, I'll move out and live with her

Fu Qing a few steps back in a row, this is their own hard work to raise up, has been worrying about him, but now it is in this way to repay himself.

YUNZHUO's head ached when he heard them quarrel like this. "Well, don't argue. When the child is old, he knows what to choose! "

"Dad, that woman really has a purpose. Why don't you believe me? " Fu Qing felt helpless.

Finally, she also cast her eyes on Yun Mu Xin, "Mu Xin, what about you? You don't think it makes sense for mom to say that? ""Mom, you should ask a traitor of the cloud family. She only knows the Huo family now. We are all outsiders." Yun Yiming said sarcastically. "Last time, dad and I have said that since you chose Huo Dongyang, you should not go back to the cloud house."

Yun Muxin really thinks that this is her family, such a disgusting face. "Don't worry, I'm just going to send my grandfather back

"You've got the seed." Yun Yiming replied. "Don't think you can be so arrogant if Huo Dongyang supports you. At that time, you chose to leave the cloud home by yourself! "

"Arrogant? Why do I think cloud is more arrogant than I am now? Love and career double harvest! But when you do those dirty things behind your back, do you think others don't know? " Yun Muxin counterattacks.

Yun Muxin took a look at Yunzhou and said, "general manager Yun, and I have completed the task assigned by you. The will is in the hands of Mr. Yun. "

"Dad, is that true?" Yun Yiming immediately asked Yunzhou, but he didn't even say it!

Yunzhou's eyes are floating. "No No

Yun Muxin suddenly laughed, "it's really a greedy beast. No, animals insult the word. I don't want to worry about the cloud family any more! "

"Grandfather, I'll go first." With that, Yun Muxin turned around and left.

YUNZHUO's heart has been dripping blood, this home is no longer home. Everyone is selfish.

"Yunzhou, hand in your will. It's not yours." YUNZHUO said.

Yunzhou quibbled. "Dad, don't listen to that girl. What kind of person is Huo Dongyang? It's not easy to get it! "

Hearing this, Yun Muxin immediately stopped and scolded loudly. "You are shameless

Just about to talk, YUNZHUO suddenly felt his heart contract for a while. He didn't lift it at one breath, so he fell down

[Chapter 195](#)

hospital.

YUNZHUO was sent to the emergency room for a preliminary examination. The others were waiting in the corridor.

Yunmuxin is afraid of YUNZHUO's accident, so she called Huo Dongyang and told him the details.

"Uncle, what do you want to do now? Will grandfather be all right? " Yun Muxin is really worried.

Huo Dongyang is also on the phone to tell Yun Muxin to be calm and give him a call if there is any situation.

After hearing Huo Dongyang's voice, Yun Muxin also calms down a little, and then according to Huo Dongyang's order and other news.

Seeing Yun Muxin call back, Yun Yiming immediately says, "what? The tip is back? "

Yun Muxin felt bad when he heard these words. She ignored Yun Yiming's sarcasm and sat down.

Yunzhou is smoking a cigarette at the other end of the corridor. He looks at the door of the emergency room from time to time, but he is secretly happy. It seems that the old man is also fast. I didn't expect that my plan was going to succeed so soon. It took no effort, and the will was in my hands. Thinking of what will happen next, Yunzhou has some difficulties in suppressing his inner excitement.

At this time, Yun Yiyan also came.

"How are you, grandfather?" Yun Yiyan asked anxiously. Since his dismissal, he has been living in his former apartment, where he has not returned to the cloud home. Before receiving cloud Mu Xin's news, he came in a hurry.

As a result, Yun Muxin was the only one to talk to him. "Second brother, grandfather is still in the emergency room for examination, and the doctor said there might be an operation."

Yun Yiyan takes a look at the others. Fu Qing sat on the opposite chair with a dignified look, but it didn't seem to be worried. While Yun Yiming is standing by the window with Fu Qing at a distance. He looks indifferent and looks down at his mobile phone. As for Yunzhou smoking at the other end of the corridor, the smoke covered him, so he couldn't see what he was like at the moment.

Only cloud Mu Xin, sitting next to him, is worried and afraid. She clenched her cell phone and looked at the door of the emergency room from time to time. When Yun Yiyan saw this situation, he felt sad. Or they don't care about their grandfather at all, even say they are waiting for his death.

After receiving the news from Qiao Wei, Xia yueqian came over.

"Yun Mu Xin!"

Seeing Xia yueqian in his doctor's robe coming, Yun Muxin quickly stood up. The first time I saw him dressed like this, at this time, he was not the same as he had seen several times before. It looks very professional at first, and it looks mature and steady.

Yun Muxin realized that she wanted to be crooked, so she quickly shook her head. "Xia yueqian, would you go in and help me see my grandfather? It's been a long time. "

Xia yueqian nodded, "I'll go to have a look first."

Thank you Cloud Mu Xin nods.

Seeing Xia yueqian go in, Yun Yiming takes a look at Yun Muxin. "Yun Muxin, it doesn't look bad when you look for such a man."

Yun Muxin looks at Yun Yiming coldly, but doesn't answer.

"Yes! Now with Huo Dongyang, I know what silence is golden. I am proud and have a wide range of contacts. " Yun Yiming ridiculed him.

Yun Yiyan really can't listen. "Big brother, this is not the time to fight. We should wait for the news from grandfather first."

"Hum, Yun Yiyan, you don't have to be so kind here. You don't get a cent of the property of the cloud family! "

Yun Yiyan looks at Yun Yiming, "not everyone's heart is thinking of money."

"Pretend to be forced."

Ten minutes later, Xia yueqian came out.

Yun Muxin immediately stepped forward. "How's granddad?"

Xia yueqian's face was heavy. "It's not very good. I want to know if he's taking medicine

"Yes. Grandfather has been taking some heart medicine because he has some heart problems. Before the doctor said that take some medicine to prevent it Cloud Mu Xin answers. "And some health medicine."

Xia yueqian thinks about it. Judging from the examination results he saw just now, YUNZHUO is taking some drugs to stimulate the heart.

"Do you know the exact name of the drug?" Xia yueqian continued to ask.

Cloud Mu Xin shakes his head, a face of guilt. "I don't know very well."

Xia yueqian took a look at the other people and didn't seem to know. What kind of family members are these? Actually, no one knows the detailed drug name. It seems that Qiao Wei is right. They all wait for the old man to die, and then divide the property.

Qiao Wei called again to inquire about the situation. Xia yueqian took his mobile phone and went to a quiet place to pick it up.

"Slightly!"

"Schoolmaster, how is the situation?" Qiao Wei asks anxiously.

Xia yueqian replied: "it's not very good. The heart is stimulated. I asked the people of the cloud family just now what kind of medicine YUNZHUO took. None of them knew. I had to know what medicine he was taking to deal with it. "

"I know." Qiao Wei had taken care of YUNZHUO before, so she wrote down the names of those medicines a little.

Xia yueqian carefully remembers, "is there anything else?"

"No Replied Jovi. "The old man has a physical examination every month. You can transfer his medical records and files from the private hospital. There are also specific records on the medical records. "Xia yueqian smiles. "Weiwei, you are still reliable when it comes to the key."

"Schoolmaster, it's up to you." Asked Jovi. "Dongyang and I are not going to get over it now."

"I understand. Don't worry. I'll discuss the operation with several other doctors

"Let me know if you have any news."

"OK."

After the end of obedience, Xia yueqian immediately sent people to transfer YUNZHUO's medical records.

Back to the emergency room again, yunmuxin again to come over. "Xia yueqian, what's going on with my grandfather?"

"It's dangerous. We need to transfer to the operating room immediately."

"You must save my grandfather." Yun Muxin grabs Xia yueqian's arm.

Xia yueqian nodded. "Don't worry! Just now, he gave me the name of the medicine he took. "

"Professor Xia, the medical records have been received." One of the nurses came and said.

"Good. Get ready for the operating room."

At this time, Yunzhou came over. "Doctor, what about my dad? Is it impossible? If so, let him walk more comfortable, and don't do the surgery. In order to avoid him in the last part of his life still so hard to toss

As soon as Yunzhou said this, all the people were stunned. I didn't expect that Yunzhou would say such a thing in front of so many people!

"Dad! How can you say that?" Yun Yiyan can't believe it.

Yun Muxin is also surprised. "Dad, your heart is so cruel! Before my grandfather's heart is gone, you want to divide the property?"

Fu Qing also thinks that Yunzhou must be crazy. Even if the will is in hand, he should not speak out on such an occasion.

Yun Yiming frowns and sees his father like this. It is estimated that the medicine has worked. My grandfather is in a state of waiting to die, but my father's expression is not quite right. What is the content of that will?

[Chapter 196](#)

After Xia yueqian looked at the people, he looked down upon these people even more in his heart. Everyone had his own mind.

When Yun Yiyan saw Xia yueqian going away, he quickly said, "grandfather, please."

Xia yueqian nods. It seems that only Yun Yiyan and Yun Muxin are normal people in the whole cloud family. Other people hardly care about YUNZHUO's life and death.

"Don't worry." Xia yueqian nodded.

Fu Qing looked at Xia yueqian and Yun Yiyan. They were standing together and looked a little similar. The two looked at the past, almost the same. An idea suddenly came into my mind. Will they just

After Xia yueqian left, Fu Qing asked Yun Muxin: "Muxin, who was the doctor just now?"

"He was a senior at his former school." Answer Fu Qing is Yun Yiyan.

Cloud Mu Xin nods. "Well, Jovi asked him to come."

Fu Qing did not continue to ask. She had a preliminary guess in her heart that Xia yueqian should be Xia Mingde's eldest son and Yun Yiyan's brother.

This is what strange fate, brothers stand together unexpectedly do not know. If this incident comes to light, how should they face such a situation? It should be fun.

Seeing that Fu Qingcong had been looking at himself, Yun Yiyan opened his mouth. "I have something on my face?"

"No Fu Qing shakes his head. Now he looks at Yun Yiyan and seems to see some shadow of Xia Mingde. We should be able to use it for a thousand days.

A few hours later, the operation was over.

Seeing Xia yueqian come out, Yun Muxin and Yun Yiyan immediately come forward. "How's it going?"

"The operation was a success." Xia yueqian replied. "But now it depends on how he wakes up."

"Is grandfather really OK?" Yun Muxin doesn't quite understand Xia yueqian's meaning.

Xia yueqian looked at Yun Muxin and said, "I mean, life is saved. It depends on him to wake up."

"If you don't wake up, then..."

"Dangerous." Xia yueqian said two words.

Yun Yiyan supports Yun Muxin, who is about to fall. "What's the chance that grandfather will wake up?"

"It depends on his will." Xia yueqian replied. "I'll take them to the ward. The family members are going to go through the admission procedures. "

Hearing the news, Yunzhou turned around and left. Unexpectedly, he was hanged by him for half his life. I really hope that he will not wake up and report directly to the local government.

Yun Yiming sees that Yunzhou is gone, so he follows him. Because he still has a will to ask.

Fu Qing also went home after YUNZHUO's placement.

The ward is left with yunyiyan and yunmu. Cloud Mu Xin looked at Yun Yiyan and asked, "second brother, do you think grandfather will wake up?"

"I don't know." Yun Yiyan replied. No one can tell the situation clearly.

After a while, yunmuxin just remembered to call Huo Dongyang.

"Uncle, grandfather has finished the operation."

"I already know. Just now Xia yueqian called and told Qiao Wei. "

Yun Muxin holds the mobile phone and looks at YUNZHUO. "Uncle, come and see my grandfather! I think grandfather should want you to come

"Hang up." Huo Dongyang did not answer and ended the call directly.

Yun Yiyan looked at Yun Muxin and asked, "is Huo Dongyang coming?"

"It should not come." Cloud Mu Xin sighs. "Today, my grandfather went to Huo's house and said some excessive things. My grandfather was very angry."

The story of Yun Muxin tells Yun Yiyan. "That's what happened. Then I sent my grandfather back. But the home is also a mess, big brother for the woman named moling and her mother. He said he was going to marry that woman. When mom disagreed, several people quarreled. It's so noisy that I see my grandfather fall down. "

Yun Yiyan finally understood that he would be stimulated by double stimulation. Grandfather's life or really is waiting for the Huo family's forgiveness, but also waiting for relief, so he can not worry about the cloud family. If you change to yourself, you may also make such a decision. The future is the pursuit of most men.

Yun Yiyan stood up and said, "Mu Xin, look here. I'll get you something to eat. "

"Thank you, second brother."

Yun Yiyan walked out of the ward and saw Xia yueqian leaning against the wall. He stood up straight after he saw himself coming out. "I want to talk to you."

"Well!" Yun Yiyan follows Xia yueqian and approaches his office.

Seeing Xia yueqian's face a little dignified, Yun Yiyan also feels that the situation is not good.

"Grandfather is not in good condition?"

"Yes, there's a high probability that you won't wake up." Xia yueqian nodded. "But now there is a way to stimulate your grandfather to have a sense of survival."

Yun Yiyan wanted to come for a while, and then said: "now can stimulate grandfather's estimation is to let Huo Dongyang."

"In fact, during the operation, your grandfather had no sense of survival. Later, Huo Dongyang called. It was also because he heard Huo Dongyang's voice that your grandfather pulled back from the edge of danger. " Xia yueqian tells Yun Yiyan the situation. Yun Yiyan understood that the key to his grandfather's survival was Huo Dongyang. In fact, he repented all his life, hoping that Huo Dongyang could forgive him.

"Is it all right when you wake up? If so, I'll go to Huo Dongyang immediately. "

Xia yueqian interrupts Yun Yiyan. "Huo Dongyang will come. I think Wei Wei will bring him. We can not worry about this. Now I'm going to tell you something else

"What's the matter, you say." Yun Yiyan is also worried.

Xia yueqian handed YUNZHUO's medical record to Yun Yiyan. "It's estimated that you and Yun Muxin will be left as individuals in the cloud family, so I gave this to you. Your grandfather's medicine has been changed, which is the main cause of the disease. The stimulation he received is only an external cause. "

"What?" Yun Yiyan can't believe it. "Do you mean someone wants granddad to die?"

"Yes." Xia yueqian looks serious. "I think it's your father, in that case."

Yun Yiyan felt that his back was suddenly blown by a cold wind, which made people shiver. If it's true, it's so chilling and terrifying! Dad actually wants grandfather to die, so that he can inherit everything of the cloud family. But he's not afraid that things will come to light. It's murder. He's going to be sentenced!

"You go home and look for the medicine your grandfather is taking. I'll take it and test it." Xia yueqian confessed.

Yun Yiyan is still hesitant. He still can't believe his father would do such a thing.

"Yun Yiyan, this is what Huo Dongyang explained. Go back and get it, or there will be no evidence. " Xia yueqian urged.

Yunyiyan heard that it was Huo Dongyang, so he drove back to the cloud house and drove all the way. Now the more he thinks about it, the more scared he is. They can think of killing people. What else do they dare not?

[Chapter 197](#)

As soon as you enter the door.

It was a surprise that no one was at home. Don't they really worry about being discovered?

Yun Yiyan didn't think about it. He went straight to YUNZHUO's room and took all the medicine he was taking. Just as she left, Yun Yiyan met Fu Qing who had just come back. She was carrying two bags of famous brand goods in her hand.

At this time, she was still in the mood to go shopping. Yun Yiyan called her, ready to leave.

"Yun Yiyan, wait a minute." Fu Qing has a rare and pleasant face.

"Anything else?" Yun Yiyan asked.

Fu Qing handed over two bags to Yun Yiyan. "This time, thank you for your help. This is also a little bit of my heart. If you take it to Dr. Xia, it's also a little bit of the heart of our cloud family. "

Yun Yiyan didn't think much about it, so he took it. "OK."

"I'm tired and want to have a rest." Fu Qing then went back to his room.

Yun Yiyan is a little surprised. Fu Qing has not spoken with him in such a tone for a long time. Seeing her back just now, I was really sad. She has been worrying about her brother all her life, and now he doesn't need her. She should be very sad.

Yun Yiyan sighed. He looked around the house. If his grandfather really left, the family would break up.

Without making too much stay, Yun Yiyan returned to the hospital with his medicine.

"These are all the medicine that grandfather is taking." Yun Yiyan put those medicines on the table. "In addition, these are my mother's orders to transfer to you. Thank you for your help this time."

Xia yueqian took a look at it. "The things of this brand are not cheap. Mrs. Yun is really generous. Thank you

"I'll go out and see my grandfather first."

"OK, I'll take these drugs and I'll tell you the results."

Yun Yiyan returns to YUNZHUO's ward. Yun Muxin lies on one side and sleeps. It seems that he is tired. He set aside the lunch box he had bought. He himself sat down on one side, and grandfather still showed no sign of waking up.

Eight o'clock in the evening.

Yun Yiyan and Yun Muxin are ready to leave the hospital. The hospital stipulates that family members can not stay in the ward.

"Where are you going? I'll see you off. " Yun Yiyan asked Yun Muxin.

Cloud Mu Xin raised his head to look at the night sky, "I can only go back to my uncle now, other places seem not suitable for me."

"Then I'll take you back?"

Yun Muxin looked at Yun Yiyan and said, "second brother, don't use it. I'll take a taxi

After a pause, Yun Muxin said: "second brother, you can find a person who loves you, and then live a good life. You and Joe have really missed it. I don't think she and uncle will be separated by anything. "

Yun Yiyan looked up at the night sky. "You want to be a lobbyist? Or Huo Dongyang asked you to tell me that? "

"No! This is my recent experience of life. " Cloud Mu Xin answers. "My uncle once told me that there is always something to pursue in life. During this period of time, I lived with them and gradually understood something. Plain light is true! There is a person in love, there is a caring family, three meals a day, life is simple. It's not bad. "

Yun Yiyan reached out and gently patted her sister's head, "you've grown up. You are more mature than the second brother. "

"Second brother, will we become strangers in the future?" Yun Muxin sees that today's cloud family is really indifferent. She doesn't want her relationship with Yun Yiyan to change like this.

"No

After they left the hospital, a black car stopped at the door of the hospital.

"Boss, here we are." The neck is open.

Huo Dongyang opened his eyes and took a look outside the car.

"Miss, they're gone?"

"Yes, just got the news, they all went back first." Xiang Qing replied.

Huo Dongyang pushed open the door, "you wait here, I will come out in a minute."

"Yes."

Huo Dongyang closed the door and stepped in. The mood is also becoming more and more complicated with YUNZHUO's ward.

In fact, Qiao Wei asked him to come over this time. Although he didn't want to admit it, he was still bleeding YUNZHUO's blood. Qiao Wei has a saying right, YUNZHUO once did something unforgivable, but they can't be as heartless as he is. Avoiding and ignoring is not the only way to solve the problem.

Huo Dongyang with one hand in his trouser pocket looks at YUNZHUO lying on the hospital bed. It's good to get a life back. It's best to wake up. During the operation, that phone call was the meaning of Qiao Wei. I didn't expect to save his life.

If you wake up, Huo YUNZHUO says to me immediately. Use the rest of your time to repent to your mother, or I will consider calling you

When Huo Dongyang turns around, he just sees Xia yueqian.

"You're here. Let me come and have a look."

"Well!"

Xia yueqian came over. "Mr. Huo's words are still so few." Huo Dongyang nods. "Look at people."

Hearing this, Xia yueqian understood his meaning, and then he was a little angry. "OK, you are good! I came here to tell you that the test results of those drugs have come out. One bottle of anti-pressure medicine has been replaced. The package has not been changed, but the medicine inside is different. The two medicines look very similar, and it's hard to distinguish them if you don't look at them carefully. "

Hearing Xia yueqian's words, Huo Dongyang's eyebrows wrinkled. They are bold enough to do such things.

"In fact, this kind of medicine is a kind of chronic poison. Eating more will do great harm to the body. Plus the old man's heart problems, once excited, this drug will directly stimulate the heart. If you don't make it through, you'll be gone. "

Xia yueqian said, he looked at Huo Dongyang, "this time, I'm very lucky to find a life. Or in his heart, you are more important than anything else. So during the operation, he will respond to your voice

Huo Dongyang looks at YUNZHUO in the ward again. "What is the probability that he will wake up?"

"Less than 20%, this medicine is too much for the body, he can hold this tone is very good." Xia yueqian replied.

Huo Dongyang's eyes darkened. "If it's true, I think he should want to find my mother more."

"Mr. Huo, why do you pretend to be so ruthless?" Xia yueqian exposed Huo Dongyang. "Some people are hot, others are cold. You're not such a ruthless person. "

Huo Dongyang collected his eyes. "Doctor Xia doesn't need to pry my heart with the vision of a psychologist."

"Is it?" Xia yueqian smiles. "It's a pity that I didn't see it." In fact, Qiao Wei just told him that Huo Dongyang was worried about YUNZHUO.

"Well?"

Xia yueqian deliberately hung Huo Dongyang's appetite. "Mr. Huo, it's late. You can go back too!"

Huo Dongyang stepped forward and heard the equipment in the ward suddenly called.

[Chapter 198](#)

Hearing the sound, Xia yueqian rushed in immediately.

He quickly examined YUNZHUO's condition, and then he called other doctors.

Seeing that the whole room was filled with doctors and nurses, Huo Dongyang stood in front of the glass window and looked at it. His hand tightened involuntarily and trembled a little, and he kept a close eye on it.

Time passed very slowly. Huo Dongyang saw doctors and nurses coming in and out all the time, but he didn't ask a word. As a result, he was a little repelled.

Yueqian took off his mask an hour later. Although it is a face of fatigue, but he nodded to Huo Dongyang. "Miracles."

Huo Dongyang's eyes flashed. He didn't quite understand what Xia yueqian's miracle meant? Is YUNZHUO's life saved or is he awake?

Xia yueqian goes to Huo Dongyang. "You're really his lifesaver. Wake up."

"Are you really awake?" Huo Dongyang is also a little unbelievable.

Xia yueqian nodded, "a moment you go in to see him, he has something to say to you."

Seeing Huo Dongyang's hesitation, Xia yueqian patted him on the shoulder. "Mr. Huo, you also want to be a father. You should understand the mood of being a father. Parents are all for their children

Xia yueqian said and left, but also wanted to leave space and time for them.

Huo Dongyang is standing at the door of the ward. Is this a step to go out? What will happen after you step out? Huo Dongyang suddenly felt that he was hesitant. It was really rare.

Seeing the cloud Zhuo on the hospital bed moved for a while, Huo Dongyang let go of his hand and walked in with his feet.

YUNZHUO opened his eyes and seemed to be waiting for Huo Dongyang to come in. He had no way to speak out loud with his oxygen mask. He could only blink, hoping that Huo Dongyang could understand what he meant.

Huo Dongyang knows his difficulty, "what do you want to say?"

YUNZHUO's voice is very light. If you don't listen carefully, you can't hear what he is saying. So Huo Dongyang also bent down a little.

"Dongyang, thank you for coming." YUNZHUO took a lot of effort to say this.

Huo Dongyang nods. "Jovi asked me to see you."

YUNZHUO continued: "she is a very good girl, and I'm very happy that you can be together."

"Stop talking." Huo Dongyang looks at YUNZHUO so hard, so he doesn't want to keep talking.

YUNZHUO shakes his head. "No! I must finish. I'm afraid I won't have a chance to say it

Huo Dongyang is really stubborn when he sees YUNZHUO like this. "Well! What else do you have to say. Except to let me go back to the cloud house. "

"Save the cloud family." YUNZHUO spoke again. "There is still a document in Yun Yiyan's hand that can help you."

After that, YUNZHUO closed his eyes.

Huo Dongyang suddenly nervous, just want to call the doctor, the results found that he is asleep. Now all the indexes on the machine are the same, and Huo Dongyang is relieved.

After staying for a while, Huo Dongyang closes the door of the ward and goes to find Xia yueqian.

The next day.

Yun Muxin and Yun Yiyan come to the hospital to see YUNZHUO again, but as soon as they enter the ward, they find that YUNZHUO is not there.

Yun Muxin grabs Yun Yiyan's arm, "second brother!"

"Don't worry!" Cloud Yi Yan's face is also some ugly, can't really what matter?!

Yun Yiyan takes Yun Muxin's hand out of the ward, and immediately goes to ask Xia yueqian. But Xia yueqian is not in his office, saying that there is an operation in progress.

Yunmu looks at Yun Yiyan flustered. "Second brother, is there anything wrong with my grandfather?"

"Don't be nervous! If something happens, they will certainly let us know. " Yun Yiyan replied, but he did not have a moment of peace.

They went back and asked another doctor and nurse, but they didn't know. That's possible! It must be that they don't want to say it.

Yunmu wanted to come and want to go, but also felt that he wanted to find Huo Dongyang, so she immediately called Huo Dongyang.

"Uncle, my second brother and I went to the hospital, but my grandfather was gone! What should we do? " Cloud Mu Xin said anxiously. "You say nothing will happen to grandfather?"

"You come to the fifth floor."

Hearing this news, Yun Muxin immediately took Yun Yiyan to the fifth floor.

Coming out of the elevator, the whole floor was very quiet, except for the doctors and nurses, there was no one to see.

"Where is my uncle?" Cloud Mu Xin pulls a nurse to ask.

"They're all in the front ward."

Yun Yiyan and Yun Muxin come to the ward and see several doctors doing an examination for YUNZHUO.

Huo Dongyang stood at the back with his hands around his chest, his eyes also fixed on the condition of the hospital bed.

"Grandfather..." Yun Muxin couldn't help but cry.

Huo Dongyang immediately made a silence action to them, and then walked out of the ward. Yun Muxin asked anxiously, "uncle, how's your grandfather? How can suddenly change the ward, just now really scared me and my second brother. "

"YUNZHUO's situation is not stable. Xia yueqian told me the test results. There are really problems with those drugs. "

Yun Yiyan was shocked when he heard the news. "Is there a problem?"

"Well!" Huo Dongyang nodded his head.

Yun Muxin felt his goose bumps all up, "uncle, is this true? So grandfather... "

"The probability of waking up is very low. That's it." Huo Dongyang conceals the news that YUNZHUO has woken up. It's not that you don't believe them, but you have to do everything. As long as you can cheat the Yuns.

Yun Muxin stepped back a few steps and sat down with her chair.

Yun Yiyan looked at Huo Dongyang, "have you been here?" Seeing Huo Dongyang's appearance, he didn't sleep all night.

"Last night, the situation was a bit dangerous. Xia yueqian called Qiao Wei, so I came here." Huo Dongyang explained. "I want to have all of this floor covered. He can rest and prevent some unexpected situations."

Yun Yiyan takes a look at the ward. "That medicine should have been changed by my father."

"I know. I know his purpose Huo Dongyang replied.

Cloud Yiyan came to Huo Dongyang with a calm face, "what are you going to do?" He has no idea, so think about listening to Huo Dongyang. Now that my grandfather has fallen, Yunzhou and yunyiming will surely act.

Huo Dongyang saw Yun Yiyan's expression, "remember what I said to you? It's your responsibility to keep the family and the family! "

"You..." Yun Yiyan doesn't know why Huo Dongyang believes that he can do it? "Why do you believe me so much?"

Huo Dongyang raised the corner of his mouth. "Because you can't betray the cloud family."

"Then you are not more righteous. My grandfather has always wanted you to return to the cloud home." Yun Yiyan speaks his heart. "I think the cloud family needs you to take charge of the overall situation."

Huo Dongyang shook his head, "things are not as simple as you think, and I am not interested in everything in the cloud family. But I can be a good pioneer for you. "

Yun Yiyan really can't believe what he heard. Huo Dongyang actually wants to help himself in the battle?!

Two people stand face to face, the atmosphere seems a little strange, and such a picture is also unexpected.

After a moment's silence, Yun Yiyan asked, "what do I need to do?"

Huo Dongyang saw cloud Yiyan's appearance, knew that he had made up his mind. He was willing to believe that Yun Yiyan was a man who kept his promise. He should be willing to stay at home even after his identity is exposed.

Although YUNZHUO wakes up, he can't last long. It's just that some things really need to be done without him. So Huo Dongyang decided to move YUNZHUO here and hide his real situation. If he gets better, of course it's the best. If he really doesn't hold up, there will be someone to follow.

Last night, YUNZHUO also told himself that Yun Yiyan had a document in his hand. Since he can give the documents to Yun Yiyan, it proves that in YUNZHUO's heart, he is willing to be a successor.

Huo Dongyang took a long time to say a sentence: "take back the Yun family."

Cloud Yi Yan's eyes brightened, "do you have a way?"

Huo Dongyang nodded, but he did not disclose his plan too much. "There is only one way you can go back to Yunshi."

"What can I do?" Yun Yiyan asked.

"Your position is higher than that of Yun Yiming." Huo Dongyang replied.

Yun Yiyan frowns. He is higher than Yun Yiming. Isn't it the position of the chairman? But now, under the control of Yun Yiming, how can we find this breakthrough? With Mo Ling's help, Yun Yiming's combat effectiveness can't be underestimated.

Huo Dongyang saw Yun Yiyan's expression and knew what he was worrying about. "Not really. We can only wait now. I'll let you know. "

"Do you plan all that?" Huo Dongyang is so determined that he must have a specific plan to say so.

Huo Dongyang looked at the time. "It's late. I'll go back to see Qiao Wei. She's waiting for me at home."

This painting style inevitably turns too fast! Yun Yiyan is really not suitable. The first second is still so serious and serious, and the second after successfully switching to show love mode.

Yun Yiyan narrowed his eyes, and in an instant understood that he was actually speaking to himself.

"Mu Xin, do you want to go back together?"

"Grandfather, he..." Yun Muxin is still not at ease.

Huo Dongyang goes to Yun Muxin. "It's going to be ok now, as long as no one is here to hurt him."

"Uncle, can you promise?"

Huo Dongyang shook his head, "no! I can't guarantee that. "

Yun Yiyan looked at Yun Muxin and said, "you go back first. I will continue to wait here."

"Uncle, I also want to be here for a while."

"OK!" Huo Dongyang did not force them to leave alone.

Back to Jiangwan villa.

Qiao Wei has been waiting at the door, see Huo Dongyang get off the bus, she immediately walked over.

"Dongyang, you're back."

Huo Dongyang held Qiao Wei's hand, "how did you come out? The weather has turned cold. You can see your hands are so cold. Go in quickly. "

Huo Dongyang's hands are so warm, Qiao Wei smiles, "it's just that you haven't come back for one night. I'm worried. How is it going? "

"Steady, awake." Huo Dongyang pulls Qiao Wei into the room.

Hearing this news, Qiao Wei is also at ease. That is OK if you have no trouble!

In the living room, Huo Jiang and Mary were both there. They didn't seem to have a good rest.

"Isn't that man dead?" Huo Jiang asked.

Huo Dongyang nods. "Not dead."

"Hum! I said that the life of a man like him is hard! You can't stand the stimulation. " Huo Jiang continued.

Mary was also relieved when she heard that she was OK. She did not mean to forgive YUNZHUO, but that she did not want him to be responsible for the accident after he had been to the Huo family once.

Qiao Wei knew that they all said so, but he didn't want YUNZHUO to go. Over the years, if you habitually hate a person, you will feel uncomfortable if the person suddenly disappears.

"Grandfather, grandmother, I'm hungry." Qiao Wei made an excuse, and didn't want the atmosphere to be so dull.

Mary got up as soon as Jovi said she was hungry. "Hungry, right? I'll let Lin Juan cook immediately."

"Sit down and eat something first." Huo Jiang immediately also called, afraid Qiao Wei hungry.

Huo Dongyang clenched Qiao Wei's hand and found that she now has a lot of ghost ideas.

Qiao Wei felt Huo Dongyang holding his strength, she raised her head and laughed at Huo Dongyang.

"Are you hungry, too?"

That pair of crescent shaped eyes, looking at it makes people feel better! Huo Dongyang nodded with a smile and bent over Qiao Wei's forehead with a kiss.

"I'll take a shower and change my clothes." Huo Dongyang let go of Qiao Wei.

After dinner, Qin Hao brings a message to Huo Dongyang. Yunshi is ready to cooperate with ODL to open the tourism market in a city. "ODL? Who leads the line?" Huodongyang asked, suddenly went to develop the tourism market.

"There is no hope for this piece of real estate, so cloud wants to attract attention again, of course, there must be new projects. I heard that molington only found ODL after several relationships Qin Hao replied.

Huodongyang nodded after listening. "It seems that Mr. Mo is still very capable, and wants to use this cooperation as his own dowry."

"Dongyang, shall we talk to ODL?"

"No, first. We will not be late to do it until they are going to sign. "

After the end of the call with QinHao, huodongyang is in a good mood. It seems that the east wind is coming soon.

A few days later.

Huodongyang made an appointment with Yunyi.

"You're looking for me today, are you going to start to move?" Yunyiyang asked directly.

Huodongyang put a piece of information on the table. "Do you know this woman?"

Yunyiyang picked up the information and saw the picture of the woman on it. "It seems that this is someone my mother knows, and I have seen her come home before."

"Her name is mengyuran, and she is now the assistant of Mo Ling. If she is not mistaken, she is also the eye of Fu Qing.

Yunyiyang immediately understood huodongyang's meaning, "you mean we use her?"

"Meng Yuran is not a threat to Mo Ling, but Mo Ling is a man of great suspicion and she will be very alert to any wind and grass." Huodongyang replied.

Yun Yiyan nodded, "I know what to do."

"And you'll get in touch with ODL." Huodongyang handed a card to yunyiyang. "In the name of HD."

"You want to destroy their plan?" Yunyiyang asked in turn.

"My ultimate goal is to buy cloud."

Yunyiyang now understands that huodongyang said that sentence a few days ago is more than the position plateau of yunyiyang.

"Huodongyang, you are still aiming at cloud when you turn to such a big bend." Yunyiyang had to feel.

Huodongyang raised his cup. "I never covered up. You know, in fact, that this is just the time you are involved in this matter. "

"Don't you worry about my betrayal of you?"

"Even if you betray me, the result will not change, but your results are different." Seeing such a confident huodongyang, yunyiyan has nothing to say.

He has always been so targeted and then he tries to get what he wants.

Yunyiyan nodded, "I know."

[Chapter 200](#)

Wynn.

Mo Ling is in the office to sort out the information. She picks up her coffee cup and finds that the coffee has been finished. I'm going to the tea room to make a new cup of coffee.

Out of his office, found that Meng Yuran is not in his position. Where has this man gone? I can't find anyone every time. Kuiyun Yiming also says that she has good ability, but she has no working attitude at all.

As she walked, she thought of leaving Meng Yuran. She went to recruit an assistant herself, which was more efficient.

When you get to the door of the tea room, you can hear several people chatting. Originally, you want to push the door directly, but you hear them talking about Yun Yiming and Meng Yuran.

Mo Ling put down her hand to push the door in and stood at the door listening to their conversation.

"Just now I saw Meng Yuran enter the office of general manager Yun."

"Isn't that what she does every day? And every day she would bring tea in herself. Once she went in, she didn't know what they were doing in it for a long time

"Don't you know their relationship? Meng Yuran was temporarily parachuted to the company or approved by general manager Yun himself! And I've heard a big story. "

"What sudden news, you quickly say don't sell the key."

"I heard that Meng Yuran is the choice of Mrs. Yun's daughter-in-law. On that day, I also heard Meng Yuran and Mrs. Yun talking on the phone, calling her aunt cordially! I think there must be something wrong between them. "

"No! Now yunzong is not in love with Vice President mo. how can he be with Meng Yuran? "

"Are you stupid! Vice President Mo has a good face and body. Work up so strong, a bit of women's tenderness is not like water. Cloud always wants to use her after she is together

"Yes! This man likes to be fickle, and he must want to have the same happiness. Mr. Yun listened to Mrs. Yun very much. I think Mr. Mo will be out sooner or later. "

Hearing this, Mo Ling pushed away, and her beautiful eyes were cold.

Several women immediately stood up. "Vice President Mo!"

"No work? Come here and tell tales Moling scolded.

Hearing Mo Ling's words, all the people ran out in a hurry. Mo Ling went to the coffee machine with her cup and pressed the switch.

She was lost in thought, and what the women had just said seemed to be true. Because a lot of things are right now, so Meng Yuran and Yun Yiming are really that kind of relationship.

After thinking about it, Mo Ling still thought it was good to go and have a look. She wanted to find out something.

Yun Yiming's office is in the East, but his own is in the West. Along the way, Mo Ling saw other people's expressions and seemed to have sympathy.

Mo Ling clenched her hand and went on. Looking from a distance, she saw that the door of Yun Yiming's office was closed, and even the shutters were closed. Mo Ling narrowed her eyes and walked past, and her heart was filled with anger. It seems that Yun Yiming and Meng Yuran really have some shady relations.

"Sister Mo Ling!" Yun Yiming's new assistant is Shen Fang, who joined the company with her, and was recommended by Mo Ling himself.

Mo Ling looks at Shen Fang. "Who's in this?"

"Sister Mo Ling, inside..." Shen Fang is embarrassed. She is just an assistant and never inquires about the personal affairs of her boss.

Seeing Shen Fang's expression, Mo Ling already knew. "Meng Yuran is in it?"

Shen Fang nodded repeatedly, but did not make a sound. Mo Ling continued to ask, "how long have you been in?"

"Half an hour." Shen Fang said softly.

After hearing this, Mo Ling immediately knocked on the door. She can't stand such a vague thing. She must make it clear.

"Who!" Yun Yiming's voice is slightly sulky, as if dissatisfied with someone knocking at the door at the moment.

"Mo Ling."

Hearing that it was Mo Ling, there seemed to be chaos inside. Mo Ling held the handle and pushed the door in.

After entering, Mo Ling sees Yun Yiming's look a little flustered. Meng Yuran lowered his head and did not dare to see Mo Ling.

Mo Ling saw Meng Yuran's messy clothes. "What are you doing?"

"Mo Ling, it's not what you think." Yun Yiming stands up and immediately goes to Mo Ling. Meng Yuran also took advantage of this time to run out.

For a long time, the whole cloud family has been spreading the story that Yun Yiming and Meng Yuran are doing mischief in the office. As a result, they are caught on the spot by moling. Because of this matter, Mo Ling and Yun Yiming had a big fight, and each insisted on his or her own words. Yun Yiming denies that he has nothing to do with Meng Yuran, but Mo Ling asks Yun Yiming to explain what a lonely man and a widow do in the office!

The incident soon spread to Fu Qing. The next day, Fu Qing came to the office in person to discuss with moling.

Fu Qing sat on the opposite side of moling and said, "what do you mean, moling? Why was Meng Yuran expelled? "

Mo Ling raised the corner of his mouth. "Madame actually did not conceal, so directly admitted their relationship with Meng Yuran."

"Yes! I asked Yi Ming to arrange for her to enter the company. " Fu Qing replied. Mo Ling is very strong, "Mrs. Yun, this woman tries to seduce my fiancé. Shouldn't I deal with it? It is my biggest tolerance to dismiss her, and of course it is also in the face of my wife. After all, it's your person, and I'm not good enough to get to know that. "

Fu Qing had seen Mo Ling's ability last time and suffered losses, so this time she kept saying to herself that she must be calm.

"Mo Ling, you are a undercover. Yiming will know sooner or later. I'll see how you die! "

Mo Ling is not timid. "Is it? Then I will see it then. "

"You don't think you Yiming supports your waist, and you can do something wrong." Fuqing continued to talk.

"Madam, I'm waiting!"

I heard that Fu Qing came to Mo Ling, and yunyiming was also in a hurry. But the picture you see is different from what you think.

Fu Qing's face was very bad, but Mo Ling was smiling. "How are you coming?"

"I heard my mother came."

"Yiming, this time, my wife is here to ask Miss Meng. I think it is quite clear to you." Molling then stood up and left his office to their mother and son.

Fu Qing looks at Yun Yiming. "You and she are really settled now?"

"Yes, I will propose to moling officially. Please choose a good day, and I will take her home directly. " Answered Yun Yiming. "Mo Ling said he didn't like to be too extravagant and wasteful. We can just get it straight."

Fu Qing sneered and said, it sounds very nice. It's a trick to say that you don't like to spread and waste. "Yiming, you listen to mom's advice, this woman really can't! You choose another one. "

Yun Yiming looks at Fu Qing coldly. "Meng Yuran quit. I really didn't think that mom would let Meng Yuran watch and destroy my feelings with Mo Ling. "

Fu Qing's face was white. "How can you?"

"When I fired Meng Yuran, she told me everything." Yunyiming was disappointed.

Fuqing was in a tight heart. "Yiming, things are not that way. You listen to me for explanation!"
