Billionaire's Beloved Warm Wife Chapter 21

Qiao Qingdong's words, no doubt in Qiao Wei's wound sprinkle salt.

"Dad, I want to ask you something." Joe closed his eyes. She also knew that once she asked, everything would change.

Qiao Qingdong looks at his daughter's expression, his heart also has faint uneasiness.

Joe opened his eyes slightly, but his eyes were full of tears. "Dad, are mom and I just your tools?"

When Qiao Qingdong heard this, his expression changed. From embarrassment to anger, he interpreted it very well.

Qiao Qingdong saw the questioning in Qiao Wei's eyes. He clapped his hands on the table in front of him.

"Qiao Wei, are you wings hard now? How dare you talk to me like that

Qiao Wei closed his eyes, tears directly from the corner of his eyes, in fact, the answer is not very obvious?

After Qiao Qingdong patted the table, he was in a trance. What happened to myself just now?

"Weiwei, Dad..." Qiao Qingdong suddenly did not know what he was going to say.

Joe shook his head. "I already know."

But now, she won't give in. The truth that people are good at being cheated is really understood by Qiao Wei.

Although Qiao Qingdong felt a little guilty, he still carried his face. "Weiwei, Dad, this is for your good. You see, you and Yi Yan have been married for two years, and it's time to have children. It's good for both of you. Yi Yan will certainly be restrained when he has a child. He won't go out to play all the time. "

Qiao Wei reached out and wiped away his tears. "Dad, in fact, you know he's messing around outside. That's how it's been tolerated? "

Qiao Qingdong frowned, "slightly, you must catch Yun Yiyan. No matter how you say it, the Qiao family is inseparable from the support of the cloud family. Do you understand?"

"Or for the Qiao family." Joe whispered. "What am I in your heart?"

Qiao Qingdong also became speechless, that sentence "you are my daughter" is like a fish bone in the throat.

Qiao Wei tightened his hands on his thighs. What if they knew the hidden secrets of the cloud family? Or they won't care. After all, she's just a tool to be used.

"Dad, I'm tired. I want to go back first." Qiao Wei doesn't want to continue talking with Qiao Qingdong.

Qiao Qingdong was also aware of his own problems, so he didn't say much and let Qiao Wei leave work early.

Out of the door of the company, Joe really did not know where he was going? It seems that the whole a city has no place to go.

After a while, Joe began to walk.

Until she woke up, she had arrived at the door of the house, and came to Huo Dongyang's house accurately.

After leaving the company, Qiao Wei didn't know how long he had been hanging around outside. He saw that the lights were burning all over the place.

When I opened the door, I found that the door was just closed, not locked at all. She clearly remembered that when she went out in the morning, it was locked. Is it

Qiao Wei opened the door carefully, and she looked for a moment. I took a deep breath in my hand. If anything happens, she will call the police immediately.

Qiao Wei still felt afraid in her heart. She walked slowly into the door. The whole person is bent over, dare not make a sound.

She took off her shoes and walked carefully into the room on her toes.

When we got to the living room, we didn't hear anything. This meeting, Qiao Wei stopped his own step. There seems to be no change at home. It's not like there are thieves.

When she saw the mobile phone on the tea table, her eyes lit up. Is it

"Are you back?"

Voice is from upstairs, Qiao Wei raised his head just on Huo Dongyang's gaze.

Four eyes opposite, the air gradually filled with pink breath.

Qiao Wei was excited. He didn't say a word completely, "you What are you doing? " In fact, she was trying to say, how do you come back?

Huo Dongyang raised the corner of his mouth, "very unexpected?"

Qiao Wei quickly nodded, and then saw Huo Dongyang go to his front. "Didn't you say you would come back a few days later?"

"The work ended early." Huo Dongyang's understatement.

Huo Dongyang's eyes flashed, which was what Qiao Wei saw. Her heart leaped with it.

She knew it was the feeling of a heartbeat, and it was speeding up every time.

When he is still wandering, Huo Dongyang's hand has gently stroked Qiao Wei's face. He looked down at Jovi carefully.

After a while, his brows were frowning. "Did you cry?"

Qiao Wei a Leng, and then reached out to push Huo Dongyang away, but Huo Dongyang easily grasped his hand and pulled himself directly into his arms.

Qiao Wei's body is stiff, so intimate contact is the first time, which makes her blush and heart beat fast.

"Who bullied you?" Huo Dongyang's voice is very clear. If you listen carefully, you will find that he has a kind tone. Today, the negative energy of the whole day has been released at this moment, Qiao Wei feels the security from Huo Dongyang. She would hold him in her hand and bury her head in his arms.

"Can I stay like this for a while?" Qiao Wei's voice is very light.

But she felt Huo Dongyang holding himself more forcefully. Qiao Wei put his head on his chest and listened to his steady and powerful heartbeat.

Gradually, Joe closed his eyes slightly. "I'm not happy today. But now it's all right. " Because of you!

Huo Dongyang sighed softly, "Qiao Wei, if you are tired, please tell me at any time!"

"Well!" Joe answered.

See Qiao Wei is really tired, Huo Dongyang holds Qiao Wei directly.

Qiao Wei exclaimed. He didn't expect Huo Dongyang to suddenly do this. Her clear eyes looked at the man in front of her, and this man was her husband. Thinking of this, Qiao Wei's heart is sweet. Is he a bright color in his sad life?

In the face of Qiao Wei's straight eyes, Huo Dongyang's larynx can't help moving, his voice is a little hoarse. "If you look at me like this again, I can't control it."

Qiao Wei obviously did not understand. "Well?"

"I want you." Huo Dongyang leaned over Qiao Wei's ear and whispered.

Qiao slightly nervous, she also saw Huo Dongyang's blue gray eyes refracted out of the light. Also see the eyes of their own eyes, this face with a shy woman is really their own?

Huo Dongyang carries Qiao Wei directly into the room and gently puts her on the bed.

Qiao Wei immediately said, "that..." She wanted to say she wasn't ready.

Huo Dongyang left a kiss on Qiao Wei's forehead, "I'll take a bath first."

Watching Huo Dongyang walk into the bathroom with his clothes, Qiao Wei feels that his whole body is very hot. But she liked Huo Dongyang's gentlemen.

But later, Qiao Wei realized how simple his idea was. Of course, it's also later.

Huo Dongyang came out of the bath and saw a set of men's pajamas folded on the bed.

Corner of the mouth showed a smile, looking around a week did not find Qiao Wei. Huo Dongyang put on his clothes first and then walked out of the room.

"Qiao Wei..."

"I'm in the kitchen." Replied Jovi.

Huo Dongyang came to the kitchen door and looked at the busy figure in the kitchen. His mind was puzzled! He never thought that there would be a woman willing to wash her hands and make soup.
