

Warm Wife 211

[Chapter 211](#)

Hearing that it was Mo Ling who ran away just now, the others were nervous.

Jovi pulled Huo Dongyang's hand. "Dongyang, doesn't it matter?"

Huo Dongyang shakes his head. "If you see what you want to do, you will not be able to do it." He didn't know what Mo Ling would do next.

Qiao Wei still looked at Huo Dongyang with some worry, but he was thinking about what would happen next.

YUNZHUO dropped his eyes and had his own ideas in his heart. This Mo Ling must go back and tell Yun Yiming. Next, Yunzhou and Yunyiming will surely come to find themselves.

Huo Dongyang and Qiao Wei left soon. On the way back, Qiao Wei asked Huo Dongyang. "Is that what you'd like to see if it's a big sacrifice this time?"

Huo Dongyang looked at Qiao Wei with a smile, but this smile seemed helpless. "There's always sacrifice, it's just how we look at it."

"You seem to be ready." When Qiao Wei heard Huo Dongyang's words, he knew that he must have thought well. Thinking of this, Qiao Wei was more and more uneasy. "Dongyang, if you lose more than you get, do you feel a pity?"

"Qiao Wei, there are many things that can not be perfect." Huo Dongyang replied, "some people are also ready for sacrifice."

At this time, Qiao Wei did not go deep into the meaning of Huo Dongyang's words, until the later event happened.

After sending Qiao Wei back to Jiangwan villa, Huo Dongyang went out again. Huo Dongyang goes to Yun Yiyang to discuss the next thing.

Wynn.

Yun Yiming is faced with multiple pressures. Due to the scandal, several major clients of Yunshi have interrupted their cooperation, and there are problems in the operation of Yunshi's working capital, so he can only do so. The previous public funds have not been fully paid, so it is not enough for turnover. He stopped Yunzhou and Fuqing all the cards, but took out part of the money.

At this time, Mo Ling calls Yun Yiming. Originally, I didn't want to answer, but for the sake of her calling several times in a row, Yun Yiming still answers the phone.

"Yun Yiming, I have a strong news in my hand. Do you want to know?"

"Mo Ling, do you think I will still believe you now?" Yun Yiming said coldly. He knew that Mo Ling did this to return to the cloud family.

"Yun Yiming, then you must regret it." Mo Ling hung up the phone directly.

After Yun Yiming hummed, he received a small video from Mo Ling. After reading it, Yun Yiming can't do it any more. He immediately calls back to Mo Ling, but Mo Ling doesn't answer the phone.

Yun Yiming angrily takes his mobile phone out and drives to where Mo Ling lives. He pressed the doorbell of Mo Ling's house. The doorbell rang for a long time, and Mo Ling came to open the door.

Seeing a plain face, pale face, Mo Ling with no light in his eyes, Yun Yiming is stunned for a moment. "What's the matter with you?"

"Come in!" Mo Ling's voice was also hoarse.

Entering the room, Yun Yiming looks at Mo Ling, who is weak in limbs in front of him. He frowns and goes forward to pick her up. *nOVELus&.com*

Touching the heat of Mo Ling's skin, Yun Yiming knows that she has a fever.

"You have a fever?" Yun Yiming speaks. Then he put her on the sofa and said, "have you taken your medicine?"

Mo Ling closed her eyes and said, "yes. Today, I went to the hospital to find out the secret. "

"Is grandfather really awake?" Yun Yiming still feels incredible. Didn't the doctor say he couldn't wake up last time? Why did you wake up all of a sudden? What's the meaning of meeting Huo Dongyang and Qiao Wei alone?

Mo Ling opened her eyes in pain. "I heard them say there's still a final will, so the one your father has in his hand is useless."

After hearing Mo Ling's words, Yun Yiming nervously asked, "where is the real will?"

"It seems to be where Lawyer Chen is." Mo Ling replied. "I didn't hear you very well."

After hearing this, Yun Yiming still doesn't believe what Mo Ling said. He has been cheated by her once, so he won't trust her so easily now. Trust is like an eraser. The more you rub, the less you wipe.

Mo Ling saw Yun Yiming's expression and knew that he would not believe himself. "There's a video on your phone. Watch it yourself."

With that, Mo Ling closed her eyes and went to sleep. In addition, she fell asleep soon after taking medicine.

Yun Yiming picked up Mo Ling's mobile phone and saw her talking about the video. Because of shaking hands, some pictures are blurred, but the dialogue is clearly heard.

Originally, Huo Dongyang acquired YUNZHUO. Although it was only a few minutes, the amount of information was amazing. He didn't even expect that the shares of Dong Yi Yang and his grandfather Yun had not been arranged well. It's too much. Those outsiders are really so good!

Cloud Yiming sends the video from Mo Ling's mobile phone to his mobile phone, which is also the evidence he needs. It will be late if he doesn't do it again. At that time, I'm really a man of two sleeves.

Looking back, I still want to say something to moling, but I find that she is asleep. There are so many intolerance in his heart, he still can't accept that she used to be Huo Dongyang's person, even if she does now can't heal the hurt in his heart. After pulling the blanket for moling, Yun Yiming also gets up and leaves.

After Yun Yiming leaves, Xiang Qing who follows Yun Yiming immediately reports the situation to Huo Dongyang.

"Keep watching." Huo Dongyang is on the phone.

"Good!"

A teahouse.

Huo Dongyang put down his mobile phone and took a sip of his tea cup. "The tea in this house is good."

"I chose it on purpose." Yun Yiyan replied.

Thank you Huo Dongyang really felt good about himself and took a look at the surrounding environment.

Yun Yiyan laughed, and then said, "you just like it. What are you looking for today

Huo Dongyang put down the teacup and said, "do you have a 10% stake in Yunshi?"

Yunyiyan frowned after hearing this. How could he know? Only he and grandfather knew about it, and no one else would know. Where did Huo Dongyang get the news from?

"I heard from YUNZHUO." Huo Dongyang replied. "You don't have to be so nervous and defensive."

"What did grandfather say?"

"Yes, I went to him before I came to you." Huo Dongyang explained.

After hearing Huo Dongyang's words, Yun Yiyan also roughly understood some things. When he thought of his grandfather's shares, he once said that the shares would be taken out when necessary. Now he finally understood that the man in his grandfather's mouth was Huo Dongyang.

My grandfather arranged it early in the morning, so the cooperation between him and Huo Dongyang may also be contributed by his grandfather. It seems that he had thought of all these things long ago, but what he should not have thought about was that Yunzhou and yunyiming were so indifferent to him.

Huo Dongyang looks at Yun Yiyan's thoughts floating far away. He reaches out and knocks on the table. Yun Yiyan raised his head at this meeting, "eh?"

"What are you thinking?"

"I was thinking about my grandfather or I thought about it long ago. I really admire him." Yun Yiyan replied.

"Otherwise, how do you think he is able to sit firmly in the position of the handle? Without a bit of wisdom and ability, he can easily fall off the chair." Huo Dongyang commented.

"You'll learn more from now on." Huo Dongyang continued. "This position is not difficult to hold."

Yun Yiyan suddenly felt under pressure. "Shall I give you my shares now?"

[Chapter 212](#)

Huo Dongyang shakes his head after hearing Yun Yiyan's words.

"You take it by yourself. That's what your grandfather wants." Huo Dongyang said.

Yun Yiyan didn't seem to think that Huo Dongyang would say, "my grandfather told me that this is to help you."

"Not yet. Now you can keep it." Huo Dongyang continued. "It's just that they'll probably force you to do it next."

Huo Dongyang actually has a little worry in his heart, that is to return the real identity of Yun Yiyan. If Yunzhou and yunyiming really do something to the old man, then the next one will be Yun Yiyan. At that time, they will certainly take his identity to say something.

Yun Yiyan also saw his worry from Huo Dongyang's blue gray eyes, "are you worried about me?"

"Well!" Huo Dongyang did not deny it.

Yun Yiyan's worry about Huo Dongyang is really flattered. "I have nothing to worry about."

Huo Dongyang did not answer. It is not the time to tell him. He put all his emotions away. "The elder should worry about the younger as well."

When Yun Yiyan heard this sentence, he really rejected it. "I'm not the same as Mu Xin. I feel like I'm your generation."

Huo Dongyang smiles. "Facts are facts, why exclude them?" However, Yun Yiyan's words are not wrong. Apart from everything now, he and Yun Yiyan are really the same generation.

"By the way, Huo Dongyang. What do you think they're going to do next? " Yun Yiyan really wants to know what Huo Dongyang thinks.

Huo Dongyang raised his eyes and looked at Yun Yiyan. "To YUNZHUO."

Hearing this news, Yun Yiyan is not calm at all. "How? Do they want to... " Thinking of such a result, Yun Yiyan is still afraid that they should not do so. They are all relatives.

"Yun Yiyan, human nature has an ugly side." Huo Dongyang replied.

"Then we have to protect granddad." Yun Yiyan thinks that this is also the safest way. Since he knows their actions, he must do so.

Huo Dongyang shook his head, "no need."

"Why?" Yun Yiyan looks at Huo Dongyang with a puzzled face. "Why not."

Perhaps because of the relationship between father and son, Huo Dongyang felt that YUNZHUO would certainly make such a sacrifice.

Yun Yiyan has no idea what kind of psychology Huo Dongyang is out of. But soon Yun Yiyan also got a reply from YUNZHUO.

That night.

Yun Yiyan goes to see YUNZHUO with a lot of questions.

Seeing Yun Yiyan coming, Yun Zhuo is very happy. His spirit looks good, but he can't get up.

"Yi Yan is here."

"Well, grandfather, what do you think?" Yun Yiyan asked.

YUNZHUO nodded. "I'm fine. what about you? I heard you worked with your uncle? Follow him more and he will teach you a lot. Now, grandfather, there is no way to teach you more. Everything depends on yourself. "

"Well!" When Yun Yiyan heard these words, he felt uncomfortable. He always felt that he was giving his last words.

Yun Yiyan hesitated for a moment, but still said his heart. "Grandfather, Huo Dongyang said that dad and brother would attack you, but he said they would not protect you. He did this... "

YUNZHUO showed a smile. "He knows me, really. Yi Yan, my grandfather is at this age and his life is almost the same. It's time to let go of my obsession. It's time for me to go there and make atonement. "

YUNZHUO felt that after he left, some things would be easy to carry out. "Yi Yan, you must support your uncle! Later, you and he support the cloud family together! This is my grandfather's last wish. Promise me

"Grandfather..." Hearing these words, Yun Yiyan felt hard to say. "You'll be fine."

YUNZHUO a smile, "and you don't always know that grandfather is actually waiting for such a day."

Hearing this, Yun Yiyan felt even more miserable because he had said it. When I really want to face the time, I really feel uncomfortable. Or their mood is different.

YUNZHUO reached out and held Yun Yiyan's hand, "Yi Yan, grandfather has one more thing to ask you! Mu Xin's future must be more for her. Be sure to find a reliable man for her. I'll let you have her meet me tomorrow

Yun Yiyan nodded, with tears in his eyes. The feeling and atmosphere seemed too heavy. But he agreed to YUNZHUO, "OK!"

The next morning.

Before YUNZHUO wakes up, Yunmu Xin comes over and brings him some nutritious soup.

Yun Muxin has been sitting on the side waiting for YUNZHUO to wake up. He also has a feeling that this is the last time to meet his grandfather.

YUNZHUO moved, then opened his eyes. Seeing Yun Muxin sitting beside him, he showed a smile. "Here comes the admiration?"

"Yes, grandfather

"Mu Xin, how are you doing now?" YUNZHUO heard something about Yun Muxin from Qiao Wei.

"I'm fine." Cloud Mu Xin answers. "Uncle, they are very kind to me." YUNZHUO nodded. "In the future, you should take good care of the two old people of Huo family instead of grandfather."

Yun Muxin's tears immediately came out, "grandfather, it's strange that you don't want these words!"

"I'll listen to your uncle in the future, understand?" YUNZHUO continued. "You are a kind child and will be happy in the future."

Yun Muxin has been crying, grandfather this is obviously in the last words. "Grandfather, I've got a job now, which I like. Although I'm tired, I think it's good. When I get paid, I'll buy you presents. "

YUNZHUO was glad to hear that. "Good! When you grow up, grandfather feels happy

"Grandfather, you must wait for me." Yun Muxin did not forget to add a sentence.

YUNZHUO just smiles and doesn't answer.

Yun Muxin accompanied YUNZHUO to say some other things, so with a heavy atmosphere to disperse. But because of his work, Yun Muxin has to leave first.

Another day passed. Yunzhou and yunyiming have come to the hospital.

This time they went to see YUNZHUO.

As soon as they entered the door, they were very sad.

"Dad Yunzhou called out. "Why don't you tell me when you wake up?"

"Grandfather, you should tell us when you wake up. Recently, there are many things in the company. I'm so busy and dizzy that I come to see you now. " Yun Yiming said with apology.

YUNZHUO looked at them faintly, "the play is enough. Although I'm lying here, I still know what's going on outside

After hearing this, Yunzhou and yunyiming's faces changed.

"In that case, let's get straight to the point." Yunzhou's eyes are fierce. "Why let Huo Dongyang buy Yun? Dad, you're too partial, aren't you? I'm your son too! What do you mean by giving him all the property of the Yuns and the Yuns? "

[Chapter 213](#)

YUNZHUO looks at Yunzhou, his eyes become deep.

"You know why I did it." Said YUNZHUO.

Yunzhou frowned. "What?"

"How many opportunities have I given you over the years, but what have you done to satisfy me?" Said YUNZHUO angrily. "You did all those money losing cases before. Later, I said I would personally supervise each case. It's not that I don't let go, it's what you do that makes people uneasy. "

Yunzhou looked at YUNZHUO in disbelief. He knew all those things. He thought he covered it up very well.

"Son, my father wants to enjoy the happiness. Who would like to work so hard in his old age?" YUNZHUO continued. "But you let me down again and again."

Hearing these words, Yun Yiming immediately asked, "grandfather, since you think Dad can't do it, why don't you give it to me. I am the eldest grandson of the cloud family, and I have every reason to inherit this. "

YUNZHUO looks at Yun Yiming. "Yi Ming, you are good. But you do things thoughtless, impulsive. This time, I feel very disappointed about your transfer of public funds. It's not in ancient times. The way the eldest son and his grandson did not work. What we want now is for those who can do it. "

Yun Yiyan laughed out loud and was not polite to YUNZHUO. "So you think Yun Yiyan and Huo Dongyang are qualified? Grandfather, are you really naive? How can you be sure they're not outsiders? To say the least, Huo Dongyang is related to you by blood. It's ok if you want to give him property. But why do you give everything to him? What about us

YUNZHUO sees the expression changes of yunyiming and Yunzhou, both of which seem to be about to explode. Good. He's waiting for such a chance. It's just that his only heartache is that his son and grandson want to die by himself.

"Dad, I won't agree with you to give the Yuns and the Yuns to Huo Dongyang." Yunzhou went on.

Originally thought that got Huo Dongyang's will, he was half successful, but now came a startling reversal. There's still a final will?! If Yun Yiming hadn't shown him the video, he would have been in the dark!

Yun Yiming's heart is on fire. Now it is obvious that Huo Dongyang and Yun Yiyan have joined hands. Once Huo Dongyang doesn't want everything from the cloud family, then all this will be in the hands of Yun Yiyan. How could he see all this fall into the hands of an outsider! Yun Yiming clenched his fist. He tried so hard for so long that he could not fail!

Yun Yiming glares at YUNZHUO. "Grandfather, I also want to tell you one thing today, that is, Yun Yiyan is not a member of the cloud family at all. He has no blood relationship with our cloud family at all!"

Hearing Yun Yiming's words, Yunzhou didn't have time to press him, so he just called out, "Yiming, don't say any more!"

When YUNZHUO heard this, his eyes widened and he didn't believe it. "What did you just say?"

Yun Yiming shook off YUNZHUO's hand and said, "Dad, why don't you let me say it! How can I let my grandfather know that the grandson he has been cherishing is actually a child from another family. Then why should he take a cent of the cloud family? "

YUNZHUO suddenly felt his heart contract, but his breath was relieved. "Make it clear to me."

"Good!" Yun Yiming said triumphantly. "Yun Yiyan is the illegitimate son of Xia Mingde and a ballroom singer. At that time, the child born by my mother died, but Xia Mingde could not expose this matter for the sake of his future, so he discussed this matter with my father. We helped him raise a son, and he served as the backup of our cloud family. Otherwise, how do you think the government officials have been so polite to us these years? Yunshi is really so powerful that they can do it. In fact, all these are attributed to Xia Mingde. He wants to repay us for raising his son all these years. "

Not only did YUNZHUO feel shocked after hearing this, but also Xia yueqian, who was outside the door. When he found out that Yunzhou and yunyiming were coming, he wanted to come and see the situation. He didn't expect to hear such a shocking news.

Yun Yiyan is actually his brother?! Dad is hiding such a big secret! So when I saw Yun Yiyan for the first time, I felt the sense of familiarity. It turned out to be blood relationship.

Xia yueqian seems to want to understand something. No wonder Yun Yiming has been hostile to Yun Yiyan because of this. My father has been taboo about the cloud family, which is also because of this. After so many years, the secret was suddenly exposed at this time, which made people really unprepared.

Xia yueqian's mood has not yet calmed down, the machine in the ward makes a sound.

Yunzhou and yunyiming seem to be so scared that they rush out. When they meet Xia yueqian at the door, they dare not look at him.

Xia yueqian took a look at them, did not speak, and quickly walked into the ward.

"Dad, are we going?" Yun Yiming asked nervously. Just now he saw his grandfather spit blood. He won't die like this!

Yunzhou is very calm at this time. "What are you afraid of! He's all about to die! So we can get the will. "

After a while, several doctors came to rescue YUNZHUO.

Yunzhou is walking back and forth in the corridor, and seems to be trying to find a way. The old man really hoped that he would report to the local government as soon as possible. After rescue, YUNZHUO's condition seems to be stable.

Xia yueqian came out and gave them a cold look. "The patient is stable for the time being. Please go back."

As soon as Yun Yiming wanted to say something, he was pulled away by Yunzhou. But instead of leaving the hospital, they found a place to sit down.

"Dad, what are we going to do here?"

"Wait for the opportunity." Yunzhou said.

Yunzhou also checked the shift time of nurses on the fifth floor before coming to Yunzhou. During that time, there was no one on the floor, which was also the best time to start. Now it's not the time to be soft hearted. Let's do it one by one!

It was nine o'clock in the evening.

Yunzhou stood up. "In ten minutes, those people upstairs will change shifts. We take advantage of this time to enter the ward. "

"Dad, are you really going to kill granddad?" Yun Yiming doesn't believe it.

Yunzhou glared at Yun Yiming and said, "shut up."

Two people feel the time to go up to the fifth floor, really no one. Sure enough, it was a good time to start, but they did not find a figure behind them, close to the ward with them.

Yunzhou and yunyiming push the door of the ward open and look at YUNZHUO with an oxygen mask.

Yunzhou looked at the oxygen bottle next door, and he walked over. Yun Yiming's eyes are wide open. "Dad, really want to..."

"If you don't start at this time, are you waiting for him to change his mind?" Yunzhou asked back.

Cloud Yiming's eyes twinkle, yes! Grandfather doesn't change his mind easily.

"Yi Ming, sometimes you can't be hesitant for a long time, you know?" Yunzhou said.

With that, Yunzhou express turned off the oxygen cylinder switch, and all this was recorded by a mobile phone

[Chapter 214](#)

The next second after Yunzhou turned off the oxygen bottle, YUNZHUO opened his eyes.

This frightens cloud Yi Ming in one side Leng a face to retreat a few steps. "Ye..."

Yunzhou was also shocked when he saw it, but he soon recovered, "Dad, you forced me to do this. You are eccentric. Why do you have to choose Huo Dongyang? "

YUNZHUO looked back. There were many complicated emotions in his eyes, including hatred, resentment and pity. He opened his mouth as if to say a word.

Seeing this, Yun Yiming retreats to the wall and thinks what to do?

YUNZHUO wanted to reach out to catch Yunzhou, but he threw him away. YUNZHUO finally blinked and shook his head gently. Then YUNZHUO closed his eyes slightly and put down his hand.

The next thing I heard was the long, piercing sound on the heart rate testing instrument

Yunzhou and yunyiming both watched the heartbeat curve above gradually return to a horizontal line, and they were silly.

"Dad, this grandfather..." Yun Yiming's nervousness can't say a complete word.

Cloud State's head is also a blank, "go, go now."

Yun Yiming gave a quick response and went out in a hurry. After the two left, a figure came out of the dark, his hands shaking and put the mobile phone away.

Soon, Xia yueqian received the news and arrived to find that YUNZHUO had passed away. He closed his eyes, then went out of the ward to call Huo Dongyang and tell him the situation. But Huo Dongyang didn't say anything on the phone, just answered. Then Xia yueqian also called Yun Yiyan to inform him to come.

Jiangwan villa.

Huo Dongyang put down his mobile phone and walked quietly to the window. At this time, he felt uncomfortable in his heart, and finally he ended the curtain with such a result. His own son and grandson sent him on the road in this way.

Although he had once hated and resented him, those gratitude and resentment disappeared with his departure. His whole life has finally come to an end. I wish he had a good life. At this time, I hope my mother has come to pick him up. Go there and live their lives!

Qiao Wei into the study, see Huo Dongyang standing in front of the window, that figure is sad to see. She frowned and walked over. She reached out and held Huo Dongyang from behind, "Dongyang..."

Huo Dongyang grabs Qiao Wei's hand, and turns around to take Qiao Wei into his arms. "Jovi, he's gone."

In fact, some guessed, but really heard, heart trembled, cloud Zhuo really left like this. That day's meeting was actually the last time.

Huo Dongyang hugged Qiao Wei, and he didn't say a word. Qiao Wei knew that he must be very sad, "Dongyang, you and me."

Huo Dongyang hears this sentence, the arm tightens again, yes, he still has Qiao Wei!

Yun Muxin cried and knocked on the door of the study, "Uncle Grandfather, he..." The mobile phone still holds the mobile phone. It seems that Yun Yiyan called her.

Huo Dongyang let go of Qiao Wei, his eyes are also some red, looking at the cloud Mu Xin nodded. "Well..."

"That day, I felt that my grandfather and I said those words as if they were telling the last words. I didn't expect that he really..."

Qiao Wei wiped away the tears from the corner of his eyes. "Let's go to the hospital."

When they arrived, Yun Yiyan had already arrived. Yun Muxin rushed up and held him, "second brother!"

Yun Yiyan hugged Yun Mu Xin and comforted him, "don't cry."

"Grandfather, it's a sudden walk." Cloud Mu Xin answers. "He was fine when I came to see him yesterday."

Yun Yiyan looked up at Huo Dongyang and saw that Huo Dongyang was at the door of the ward. The bad ideas he had had for him now also disappeared. After that, he was the one who led the family and the family forward.

Qiao Wei tightly followed Huo Dongyang's side, she clenched Huo Dongyang's hand. At this time, Huo Dongyang had nothing on the surface, but Qiao Wei felt that his heart was oppressed with sadness, and he did not allow himself to show it.

At this time, Fu Qing also came. Her look a little flustered, see the person standing at the door, she quickly came over. It can be seen that she came in a hurry, her hair was not cleaned up, and her clothes were also casually put on a coat.

After Fu Qing saw everyone's expression, he also had a bottom in his heart. By this time, YUNZHUO has gone.

Fu Qing looked around and didn't see Yunzhou and yunyiming. She frowned, and the two of them didn't come.

"Mrs. Yun, what are you going to do with the affairs of Mr. Yun?" Xia yueqian went to ask Fu Qing.

Fu Qingquan was a little confused, "do you want me to deal with this matter?"

"Now Mr. Yun's son is not in. The hospital is waiting for you to deal with it."

Fu Qing heard this sentence, immediately looked up at Huo Dongyang standing at the door of the ward. She held out her finger. "That man is also the son of the old man. You can ask him. What can I do as a woman?" All the people present heard that Fu Qing was shirking responsibility. After a while, all the people looked at her, and Fu Qing seemed to realize that she had said something wrong. His face awkwardly bowed his head and did not say another word.

Huo Dongyang really thinks that the rest of the cloud family are too selfish! He stares at Fu Qing coldly. "Mrs. cloud, are you willing to admit that I am the cloud family? Why didn't the good things come to me? "

Fu Qing did not speak, just stood there quietly. See such Fu Qing, Huo Dongyang's eyes become more cold. "Mrs. Yun, when the old man's affairs are well handled, it's time to deal with the affairs of the Yuns and the Yuns."

When Fu Qing heard this sentence, he immediately raised his head and looked at Huo Dongyang. Did he mean to sweep them out of the house?

Yun Yiyan and Yun Muxin stand on one side and look at Fu Qing with incredible eyes.

"Mom, you let me down." Yun Muxin said with heartache.

Fu Qing opened his mouth and said to Yun Muxin, "what do you know?"

"I don't understand?" Hearing these words, Yun Muxin felt very sad.

Yun Yiyan takes Yun Muxin's hand and tells her not to continue. It's no use saying more. "Stop it."

Fu Qing looked at Yun Yiyan and said, "yunyiyan, you should not worry about the affairs of the cloud family."

This sentence has no clear explanation, but it clearly expresses a meaning that he is not a member of the cloud family!

Hearing Fu Qing's words, Xia yueqian also took a deep look at Yun Yiyan. In fact, he also suffered too much because of his father's decision, which made him suffer a lot in the cloud family these years.

Xia yueqian felt uncomfortable when he thought about it. His younger brother was so bullied that he just wanted to talk, but he heard Huo Dongyang's voice, "the future affairs of the cloud family will be in charge of by Yun Yiyan!"

[Chapter 215](#)

Huo Dongyang's words let the present people are stunned.

Xia yueqian looks at Huo Dongyang with surprise in his eyes. Huo Dongyang must know the real identity of Yun Yiyan? Or are there other things you don't know about. If you know that he should not do so, what is the meaning of his decision now?

After hearing Huo Dongyang's words, Fu Qing immediately went to Huo Dongyang and said, "what did you say just now?"

"What did I say? Didn't Mrs. Yun hear me clearly?" Huo Dongyang asked.

"I don't agree." Fu Qing said immediately. "Yun Yiyan, he is..."

Fu Qing's words came to an abrupt end. Does this secret really need to be made public now? Yes, she hesitated. Now the old man is not here. If Yun Yiyan's identity is disclosed, he will come back to the Xia family and join Xia Mingde to deal with them. Then they will have no power to parry. And she also knew that Huo Dongyang would not help. You can tell what he meant by his words.

At this time, Yun Yiyan said, "this is not the time to discuss these things. We have to deal with the aftermath of my grandfather."

Huo Dongyang looked at Yun Yiyan and nodded, indicating that he would deal with the matter. After all, Yunzhou and yunyiming are not here now.

Then, Yun Yiyan and Xia yueqian go through the formalities.

Huo Dongyang holds Qiao Wei to sit down. "Tired? If I'm tired, I'll send you back to the south. "

Joe shook his head slightly. "I want to stay here a little longer."

Huo Dongyang sat with Qiao Wei, his eyes did not go to see Fu Qing.

Cloud Mu Xin looked at her mother, and then went to the other side of Qiao Wei and sat down.

Fu Qing is really uncomfortable to see such a situation. "Mu Xin, you are..."

"Mom, this is the hospital. Let's be quiet." Cloud Mu Xin answers. As soon as my grandfather left, they quarreled with him for the sake of the cloud family.

After Yun Yiyan and Xia yueqian have completed the procedures, Huo Dongyang and Yun Yiyan discuss the following arrangements.

Qiao Wei and Yun Muxin are sitting on one side, while Fu Qing is sitting on the opposite side. It's a strange combination.

Fu Qing looked at Qiao Wei, "Qiao Wei, you are quite capable! After divorce, I found such a man, but you still entered the door of the cloud family. Do you feel good? "

Qiao Wei heard Fu Qing's words, and did not feel much. In fact, she has ignored these, she just wants to be with Huo Dongyang, other things are not important.

"Mrs. Yun, I think that's what love is like. Why mind too much! " Replied Jovi.

"Your heart is wide. Don't you feel embarrassed to see Yun Yiyan now? " Fu Qing asked in turn. "My ex husband is now a nephew."

Qiao Wei raised his head and took a look at Fu Qing. "Ma'am, are you sure it is?"

Fu Qing's eyes flashed. Did she know the real identity of Yun Yiyan? This shouldn't be possible! Only she, Yunzhou and yunyiming knew about it. Other people don't know at all.

Yun Muxin can't stand these provocations from his mother. "Mom, that's enough! Is it really necessary? At the end of the day, we are also relatives

At this time, Yunzhou and yunyiming rushed to the hospital pretending nothing had happened.

Yunzhou's voice choked, "Dad, how could it be so sudden..."

Yun Yiming also followed his eyes wet, "didn't my grandfather say it was good? What happened all of a sudden? "

"Why are you here now?" Fu Qing immediately stood up. "The old man has just been pushed away."

"Dad! I'm sorry I didn't have time to see you for the last time Yunzhou gave a sad cry.

Qiaowei and yunmu are looking at Yunzhou with almost pompous expression. It's too much of a play! People are gone, now to sad, who to show!

Seeing no response, Yunzhou wiped away his tears. He sat down on one side and looked at it carefully. His eyes were still flustered, and he did not settle down at all.

Yun Yiming leans against the wall and lowers his head. Since they escaped, they have been driving around the hospital several times. He didn't return to the hospital until he calmed down.

Yun Yiyan goes back to the fifth floor and sees that Yunzhou and yunyiming have already arrived. There was fire in his heart, and they had the face to appear here.

Seeing Yun Yiyan here, Yun Yiming stands up straight. "Why did you come?"

"I shouldn't have come?" Yun Yiyan also said without ceremony.

"Yun Yiyan, I said you are an outsider. What qualifications do you have to be here?" Yun Yiming continued.

Yun Yiyan completely ignored them, he went to Qiao Wei and Yun Mu Xin's side. "You go back first."

Qiao Wei nodded, just now they were so noisy, head really a little dizzy.

"Mu Xin, take good care of Qiao Wei." Yun Yiyan then explained.

Cloud Mu Xin nods. "Auntie, let's go!"

When YUNZHUO was pushed out just now, she saw the last time. And I have met with my grandfather before. Although my grandfather didn't wait for the appointment with myself, she felt that it was enough. Yun Yiyan sends Qiao Wei and Yun Mu Xin downstairs. Originally Huo Dongyang came back together, but Xia yueqian stops. Two people seem to have something to say, so Huo Dongyang asked himself to send a message to let Qiao Wei and Yun Mu Xin go back first. There is no need to stay in this place now.

Yun Yiming looks at the three people who have left. He is really angry. Really enough character, now all stand in Huo Dongyang's side. One day, he will show them who is the real successor of the cloud family!

After Fu Qing saw Yun Yiyan and their departure, "Huo Dongyang said just now that yunyiyan will be responsible for the cloud family."

Yun Yiming immediately responded. "Mom, what are you talking about? Let Yun Yiyan be in charge? "

"Well!" Fu Qing nodded. "Huo Dongyang just said it in front of everyone. Where the hell are you father and son going? I've called you several times and never answered "

Yun Yiming made an excuse. "Dad and I went to talk about a cooperation. Recently, not a few clients have proposed to terminate the contract. The company also had losses, so my father and I went to find someone to talk about cooperation. How could I have known that my grandfather would have died so suddenly

Fu Qing was skeptical, but she didn't ask. Instead, he looked at Yunzhou and said, "Yunzhou, what should we do next?"

Yunzhou has a lot of ideas in mind, but the most important thing at present is the final will. They don't know anything about it. It's really not easy to arrange.

Now that the old man is dead, I believe there should be news from Lawyer Chen. At that time, we must find a way to get that will. Before listening to the old man's meaning should be that both the cloud family and the cloud family should be handed over to Huo Dongyang. As for the specific allocation of their several people, it is not clear.

"Yunzhou, what would you do if Huo Dongyang went back to the cloud family and recognized his ancestors?" Fu Qing said his final plan.

Yunzhou snorted coldly. "Now I am the eldest parent of the cloud family. What can I do with him, Huo Dongyang. Even if he comes back and the elder brother is the father, he should know it too! "

Yunzhou also believes that Huo Dongyang will not return to the cloud home.

[Chapter 216](#)

Xia yueqian's office.

Huo Dongyang sat down for a while, but Xia yueqian still didn't say a word.

"Don't you want to talk to me?" Huo Dongyang asked.

Xia yueqian seems to have organized the language for a long time, and then he began to speak: "I have a question to ask you."

Huo Dongyang saw Xia yueqian's tangled expression and seemed to guess what he was going to ask, "do you want to ask about Yun Yiyan?"

Xia yueqian's eyes flashed, "you really know."

Huo Dongyang nods. "If you are asking about the identity of Yun Yiyan."

"Yes Xia yueqian is eager to prove this. Because it's important to him.

Huo Dongyang did not rush to answer, but first asked a question. "Do you know that can change this situation? Will the Xia family accept it? "

"Huo Dongyang, why can't you accept it? It's not his fault. " Xia yueqian replied.

Hearing this, Huo Dongyang thinks that Xia yueqian should be a good elder brother. He should not mind Yun Yiyan's identity. "I didn't know about it until a few minutes ago."

"So..." Xia yueqian is waiting for Huo Dongyang's final reply.

Huo Dongyang nods. "Yes, Yun Yiyan is your half brother."

Xia yueqian's face was excited and his words seemed incoherent. "The first time I met him, I had a sense of intimacy. Although he was a little bit of a jerk to Wei before, he couldn't hate it. He turned out to be my brother

Huo Dongyang saw Xia yueqian like that, but he really couldn't laugh or cry. What kind of expression is he! "Yun Yiyan, I don't know about it yet. I still hope you are the same as in peacetime."

Hearing this, Xia yueqian is somewhat reluctant. "By the way, since you know the identity of Yun Yiyan, why do you want him to shoulder the responsibility of the cloud family?"

"Because he is the cloud family. This is also YUNZHUO's choice. " Huo Dongyang replied. "After so much experience, Yun Yiyan has grown up, and the cloud family needs people like him!"

Xia yueqian shakes his head and tells Huo Dongyang what he heard and saw before.

After listening, Huo Dongyang was silent. It seems that Zhuo Yunzhou and Yiyun are dead. Using Yun Yiyan's identity to stimulate him, this move is really cruel!

Xia yueqian can't see Huo Dongyang. "What are you thinking? Do you want to change your mind? "

"No!" Huo Dongyang shakes his head. "I still think this is the best arrangement."

Xia yueqian frowned. "If you really want Yun Yiyan to be the successor of the cloud family, Yun Yiming will be the first to let him go! Huo Dongyang, this is about my brother's life safety. "

Huo Dongyang looks at Xia yueqian, showing a satisfied arc. "You're a good brother, so he won't let you down."

When Xia yueqian wants to continue, Huo Dongyang stands up. "I'll go back first, and I'll leave the rest to you."

Watching Huo Dongyang leave, Xia yueqian leans on his chair. He's really worried. Yunzhou and yunyiming can even attack YUNZHUO, so he won't be soft on Yun Yiyan.

Although they have no direct evidence to prove that YUNZHUO was killed by Yunzhou and yunyiming, the fact is already in front of them. Huo Dongyang must have other plans. Xia yueqian feels that he is also involved in the war of the cloud family.

A few days later.

At YUNZHUO's funeral, only family members attended, and no one else attended.

Yunzhou and yunyiming were in charge of the funeral affairs, and everything was handled in a simple way.

The funeral hall was black and white, and many people sent wreaths of condolence.

Today, all the people present are dressed in black, and in the middle of the auditorium are photos of YUNZHUO. Although it is said that they come from their own families, there are still some other staff members. Therefore, Yunzhou and yunyiming did not express their dissatisfaction with the presence of Yun Yiyan and Yun Muxin.

Yun Yiyan and Yun Muxin bow to the photos of YUNZHUO, and then they stand aside as family members.

Huo Dongyang came with Qiao Wei. Huo Dongyang is wearing a black suit and Qiao Wei is wearing a black skirt. They went to the front and bowed to the picture.

Yunzhou stares at Huo Dongyang, but he really comes.

"Mr. Huo, are you here today?"

Huo Dongyang nodded and did not answer, and took Qiao Wei to the rest area.

"Dongyang, we don't stay here?" Asked jo in a low voice.

Huo Dongyang nods. "People will not let outsiders stay here."

Qiao Wei understood what Huo Dongyang meant and followed him to the rest area.

It was unexpected that Xia Mingde and Xia yueqian also came. They were also wearing black suits today.

"Here comes the mayor." Yunzhou was also surprised.

Xia Mingde nodded. "I'm sorry."

Yunzhou nodded, "thank you!"

Xia yueqian follows Xia Mingde. He looks back and stands on the side of Yun Yiyan. It can be said that it is quite complicated, but at present, this is the only way. Fu Qing felt uneasy when he saw this situation. Xia Mingde suddenly came here today. He didn't want to take Yun Yiyan back, did he? In this 28 years,

he has been indifferent, and it is meaningful to come here today. It seems that she needs to remind Yunzhou of this, otherwise they will get nothing.

In the lounge area, Xia Mingde saw Huo Dongyang for the first time.

"Mr. Huo, I've heard a lot about you."

"Hello, Mayor Xia!" Huo Dongyang politely said hello.

Qiao Wei looked at Xia Mingde and called, "Uncle Xia."

Xia Mingde nodded. "Little, long time no see."

"Well, how are you?" Asked Qiao Wei.

"I'm fine." Replied Xia Mingde. For Qiao Wei's current identity, Xia Mingde also heard from Xia yueqian that the children's world should be left to their own toss!

Xia yueqian also nodded to Huo Dongyang, and then sat on one side.

Qiao Wei feels that the mood of the three people seems to be somewhat complicated. In addition to the last journey to send YUNZHUO today, they also seem to come with their own worries. But this is not something she can worry about, so let them solve it by themselves!

After the funeral.

Lawyer Chen brought Yun Zhuo's instructions to the scene of the funeral.

Seeing Lawyer Chen bowing to YUNZHUO's picture, he goes to Yunzhou. "Mr. Yun, I have come with the will that Mr. Yun made before he died."

Hearing the word will, Yunzhou's eyes shine. "Well, let's go inside and talk about it."

After arriving at another lounge, Yunzhou couldn't wait to ask, "what did my father leave behind?"

Lawyer Chen looked around. "Mr. Yun has explained that this will must be made public only when all members are due."

Helpless, Yunzhou called the rest of the people to the rest room.

When everyone sat down, Lawyer Chen found that Huo Dongyang and Qiao Wei were not there. "Mr. and Mrs. Huo are not here?"

Hearing this, Yunzhou was very angry, "what does this have to do with them? They don't have a surname of Yun!"

"If the number is not equal, the will can only be announced next time." Lawyer Chen's attitude is also firm.

Fu Qing reached out and pressed Yunzhou, and then let Yun Muxin call Huo Dongyang and Qiao Wei.

[Chapter 217](#)

Fifteen minutes later.

Huo Dongyang and Qiao Wei came over and were swept by people's eyes as soon as they entered the door.

Huo Dongyang helped Qiao Wei sit down, and then he also sat on one side.

Lawyer Chen saw Huo Dongyang and Qiao Wei coming, and also said, "Hello, Mr. and Mrs. Huo."

"Hello!" Huo Dongyang nods.

"Here I have a document for Mr. Huo to sign for. This is what Mr. Yun ordered before. " With that, Lawyer Chen took out a document from his briefcase and handed it to Huo Dongyang.

Yunzhou craned his neck to see what the document was. But the document has been sealed, there is no way to see what it is.

Huo Dongyang reached out and took it. He didn't open it and put it on the table like that.

Cloud State see Huo Dongyang has got, immediately urged Lawyer Chen. "Lawyer Chen, your time is precious. Please announce it as soon as possible! "

Lawyer Chen took out another document from his bag and then took a look at the people present. Then he said, "I'm going to read to you today a letter left by Mr. Yun's lawyer."

Lawyer Chen cleared his throat. "Mr. Yun left a will in Hengyi, but the will will not be made public until one year after his death. Before the will was made public, Mr. Huo Dongyang was in charge of the Yun family, and Mr. Huo Dongyang was responsible for the property of the Yun family. Within a year, Mr. Huo can do something about it. One year later, the will is open, and Mr. Huo Dongyang has the right to handle all affairs and carry out the will in accordance with the specific requirements of the will. "

Hearing this, Yunzhou immediately objected, "Lawyer Chen, is this really my father's request? How can you leave everything to outsiders? "

"I have a DNA identification report of Mr. Yun and Mr. Huo, and the father-child relationship between them is established. So there is no outsider to say Lawyer Chen replied.

Cloud State clenched his hand, the old man to death still thought are this illegitimate son. The property status of Yun family and Yun family are in his hands. The more you want to be, the more unconvinced you are! He has been with him for so many years, but he is not as good as a wild alien.

Yun Yiming's heart is also holding a breath, "does not grandfather have other arrangements?"

Lawyer Chen nodded. "Everything else remains the same."

"What do you mean by that?" Yun Yiming asked.

Lawyer Chen replied, "that is to say, everything here will remain the same and there will be no change. Unless Mr. Huo makes a specific move to your business, it will remain the same. "

Huo Dongyang heard this sentence, he lowered his eyes and looked at the sealed document in front of him. Is this Wynn stock? Or the distribution of property? Or is this the will?

Yun Yiming then asked, "what else does grandfather have to say?"

"That's all I'm asking for." Chen continued. "Other wills will have to wait for a year to be made public."

"Why does it take a year for my father's will to be made public?" Yunzhou really can't understand the meaning of this.

Lawyer Chen took a look at Qiao Wei. What YUNZHUO said at the beginning was to leave the property of the cloud family to the baby after Qiao Wei's baby was born. Although Huo Dongyang obviously refused, his children can still inherit.

All the people looked at Qiao Wei. Qiao Wei felt uncomfortable when he saw their eyes.

"Mrs. Huo, Mr. Yun also has a message for you." Lawyer Chen looked at Qiao Wei and said.

Joe nodded. "Please say it!"

"The cloud family has been sorry for you, I hope you can put down everything in the past and welcome a new life."

When Qiao Wei heard this sentence, he didn't understand what YUNZHUO meant? What can be tangled in the past?

Huo Dongyang reached out and held Qiao Wei's hand to let her not think much.

Qiao Wei answers to Lawyer Chen. "I will."

Lawyer Chen put everything away. "Well, today's task has been completed, I'll go back first."

Originally, Yunzhou, which was still with a trace of expectation, was defeated at this time.

Huo Dongyang picked up the documents on the desk and took a look at them. "Well, I'm off, then."

"Huo Dongyang, are you very proud now?" Yunzhou said angrily.

Huo Dongyang raised the corner of his mouth. "You think so. If I say no, you won't believe me. "

Yun Yiming looked at Huo Dongyang and said in a loud voice, "Huo Dongyang, don't be complacent too early. Grandfather also said that everything else remained the same. "

"Are you going to stay the same?" Huo Dongyang asked. "I think tomorrow, everything will change."

Finish saying, Huo Dongyang takes Qiao Wei to leave first.

In the parking lot, Huo Dongyang and Qiao Wei meet Lawyer Chen who has left.

"Lawyer Chen, do you have anything else to do?" Huo Dongyang asked.

Lawyer Chen nodded. "Yes. Mr. Huo has been waiting for my shares. But Mr. Huo did not come. "

Huo Dongyang smiles after listening. "That doesn't matter anymore. I will use my own ability to buy Wynn. ""Mr. Huo, I am also entrusted to be loyal to others. Please accept the letter of equity transfer from Yunshi. It's your business to deal with the rest. " Lawyer Chen handed the document to Huo Dongyang.

Huo Dongyang did not go to pick up, this cloud with the departure of YUNZHUO and become a bit of no meaning. Now he doesn't think it's necessary to take the shares.

Qiao Wei saw Huo Dongyang motionless, she said: "Dongyang, take it first! That's what he meant. We'll let him go with ease. "

Heard Qiao micro phone, Huo Dongyang reached for it. "OK, I'll keep it first."

Lawyer Chen looked at Huo Dongyang with two documents in his hand, "Mr. Huo, please keep these two documents properly. It's all important! "

This sentence makes Huo Dongyang feel that this sealed document is actually the final will published one year later.

On the way back, Qiao Wei looked at Huo Dongyang and was silent. "Dongyang, what are you thinking?"

"I'm thinking about YUNZHUO." Said YUNZHUO. "It's too much of him to give me everything."

Qiao Wei understood what Huo Dongyang meant. "Are you worried about us being targeted?"

Huo Dongyang said angrily. "We are already! He's good. He'll leave as soon as his eyes are closed. Why should I take care of the rest of the mess? When am I from their cloud family? "

Listening to Huo Dongyang's complaint, Qiao Wei smiles. She took Huo Dongyang's arm and put her head on his shoulder.

"Dongyang, he believed you would do it." Said Jovi. "No matter what the future of Yunjia or Yunshi is, you still have to finish these things now."

"I have no leisure." Huo Dongyang replied. "I'll take you out for a walk as soon as I've arranged the rest. Don't stay in such a dull place as city a all the time. "

Qiao Wei just listen to it. When Huo Dongyang finishes dealing with these things, her stomach is very big and she can't walk at all.

At this time, Huo Dongyang received a video. Seeing that video, Huo Dongyang and Qiao Wei's faces changed.

[Chapter 218](#)

The video Huo Dongyang received on his mobile phone happened to be the process of YUNZHUO's murder.

However, the picture is not clear enough, probably because the shooting angle is dark. But you can still see clearly that the people in the video are YUNZHUO and yunyiming.

Qiao Wei covered his mouth after reading. "Dongyang, how can they..." How can they kill? It's dad and grandfather.

YUNZHUO's sacrifice this time is really too big. Qiao Wei always thinks that their practice is a little extreme. He didn't expect that they would do such a thing.

Huo Dongyang immediately turned off the video. Although it was not a picture of blood type, it was enough to shock. This is the ugly side of human nature. Yunzhou and yunyiming have no humanity for the sake of the property of the cloud family.

Feeling Qiao Wei's trembling, Huo Dongyang took her into his arms and hugged him tightly. He was not so much comforting him as comforting each other.

Back to Jiangwan villa.

Huo Dongyang and Qiao Wei enter the door, Huo Jiang is waiting at the door.

"Are you back?"

Huo Dongyang nods. "We're back."

"Is everything going well today?" Huo Jiang knew that after YUNZHUO died, he felt a little uncomfortable. The person who has been hating suddenly disappeared like this, and I'm really not used to it.

In fact, from another perspective, maybe YUNZHUO has been suffering for more than 20 years! It's time to go over there and make atonement with Sue.

"And grandma?" Huo Dongyang asked.

"Cooking in the kitchen." Huo Jiang replied. "I'm afraid you'll be hungry when you come back. Of course, you can't be a little hungry."

Although Qiao Wei's mood has recovered some, but the interest is still not high, "grandfather, I'll go to see my grandmother."

Huo Jiang also saw that Qiao Wei was not right. "Well, go!"

After Qiao Wei left, Huo Jiang asked Huo Dongyang. "Weiwei, what's the matter?"

"Nothing, just tired." Huo Dongyang replied.

Speaking of this, Huo Jiang obviously knew that Huo Dongyang had not told the truth. "The family surnamed Yun will give you a look? Well, it's shameless

Huo Dongyang did not answer, directly went upstairs to the study, immediately opened the mobile phone to check the video to the phone number is who? What does this person mean by sending a video to himself?

And it's a little strange, that is, how can this person know that he needs this evidence? What is the reason why TA did it?

After a while, the screen shows the location of this number, which is the number of city A. Huo Dongyang then also asked people to go to the owner of this mobile phone number?

While waiting for the result, Huo Dongyang also uploaded the video to the computer and looked at the video again. See if you can see something else. Obviously, at the end of the day, the person who took

the video trembled, and the pictures and conversations behind it were not very clear. It can be seen that the person who took the video was also scared to see such a picture.

Huo Dongyang frowned, and he was still guessing about the video.

At this time, Qiao Wei appeared at the door of the study.

"Dongyang, come down to eat! Grandma prepared a lot of delicious food Joe spoke.

Huo Dongyang looks at Qiao Wei, his eyes are gentle. "OK, I'll be right there."

Qiao Wei turned back to the bedroom and changed into a more relaxed clothes. When he came out, he just ran into Huo Dongyang.

Looking at Qiao Wei back to his usual clothes, Huo Dongyang's mood seems not so heavy. "Or the colors are right for you."

"You're going to change, and you're home." Replied Jovi.

Hearing this, Huo Dongyang nodded. "Wait for me, I'll be quick."

Seeing two hands holding hands downstairs, Mary said with a smile, "I've been tired for most of the day. Please sit down and have a meal."

Mary went over to help Jovi. "Little, slow down."

"Grandma, I can do it myself." Qiao Wei is not used to being treated like this. He can do it or come by himself.

Mary looked at Qiao Wei's stomach carefully, and it was really a little higher than before. The calculation date had been three months. It's going to get bigger and bigger.

"Weiwei, if you have a good appetite, you must eat more." Mary did not forget to tell.

Joe nodded. "Grandma, if you eat it, you will become a sow."

"Where is a sow? You are too thin." Mary replied, and then gave Joe a small dish, with action to prove that she must eat more.

Huo Dongyang quickly solved a late lunch, and then said to Qiao Wei, "eat slowly, I'll deal with some things first."

Back in the study, John and Qin Hao are waiting for Huo Dongyang online.

Huo Dongyang presses the video chat. "Something?"

"Boss, the Wynn acquisition plan has been completed. I have just sent it to you."

"OK, I'll check it out later." Huo Dongyang replied.

Seeing John finish, Qin Hao immediately said, "Dongyang, hd-qh's new office has been decorated."Hearing the news, Huo Dongyang nodded. "Good, you can move in when you're ready."

"OK."

Huo Dongyang looks at John. "Did you check the mobile phone number just now?"

"Boss, I've asked my assistant to check it. I believe there will be news soon." John replied.

Huo Dongyang can only wait for such news! I thought it would be easy to check, but I didn't expect it would take so much time.

After a while, John got the news. "Boss, we've got it. That number belongs to a college student. A few days ago, he lost his mobile phone when he went out to play. These days, he just changed into a new mobile phone number. I guess someone should have picked up the phone and used it. "

Huo Dongyang hears here, the clue is broken again. Who picked up the phone? And then it happened to be this person who came across such a thing.

"John, keep looking. Find this man earlier. "

"OK, boss!"

The next morning.

A piece of news makes this a city suddenly sleepless, everyone pays close attention to it. That is, HD has already acquired Wynn without any money. It's really hard for people to believe that the ambitious HD has grown up bit by bit from a small hd-qh in a city. Later, HD successfully built senjo into another bright hd-qw. Now announced the acquisition of Yunshi, such momentum is really difficult to stop.

At this time, in Yun Yiming's office, he is also watching today's news. Almost all of them are talking about the relationship between HD and Wynn, and even melon eaters are trying to name the new Wynn.

"What is there to talk about?" Said Yun Yiming, waiting for his brow. "Yunshi and HD do not match, Yun is not Huo Dongyang said to take down can be taken!"

At this time, after seeing the news, Mo Ling also called Yun Yiming.

"Why did you call me again?" Yun Yiming said impatiently.

But you can tell from the phone that Mo Ling is in a good mood. "I heard that Wynn is going to be acquired by HD."

Yun Yiming frowns. "What do you want to say?"

"Since you choose not to see me, then we don't need to say too much!" Mo Ling spoke hard. "I received a strange video today, and it was amazing after watching it."

[Chapter 219](#)

Wynn.

Mo Ling came back, but this time he didn't come to work. But to negotiate with Yun Yiming.

"What else do you want to tell me?" Yun Yiming speaks directly and doesn't want to talk to her any more.

Mo Ling is not worried, "yunyiming, you are still so calm, I admire you."

"I've always been so to a dishonest person like you." Yun Yiming replied.

Mo Ling hands his mobile phone to Yun Yiming. "Look at this."

Yun Yiming takes over Mo Ling's mobile phone, and then he is stunned to see the video in the mobile phone. It seems that the whole person is no longer so natural and unrestrained, and his face is a little pale.

After watching the video, Yun Yiming immediately asked, "where did you come from?"

"Don't ask me more about that." Mo Ling said with a smile. "If you don't want me to blow this out, make me a request."

Yun Yiming clenched his hand, but he was threatened. However, if she doesn't agree with moling, then she is really likely to explode the video. These things are simply too easy for her.

Moling reached for her mobile phone. "Yun Yiming, I didn't expect you and your father to kill your closest relatives in cold blood."

"Shut up!" Said Yun Yiming aloud. "What do you want?"

Hearing Yun Yiming's words, Mo Ling also showed a satisfied smile. "I don't want much. Now HD has announced the acquisition of Wynn. What do you think Huo Dongyang will do to you? "

"So?"

Mo Ling put up his smile and looked at Yun Yiming seriously. "I can help you."

Yun Yiming sneers. "Mo Ling, Mo Ling, are you sure you can beat Huo Dongyang? And help me? "

"Yun Yiming, there are some things to think about, not all things have not changed."

Listening to Mo Ling's words, Yun Yiming fell into meditation again. It is undeniable that Mo Ling's words did play a role. She has seen her ability before. It seems that she has a way to deal with Huo Dongyang.

Yun Yiming sits upright. "What are your terms?"

"Please honor what you said before and marry me." Mo Ling replied.

At present, only this method can temporarily save himself, although Huo Dongyang destroyed his happiness last time. But this is far from enough. Huo Dongyang should continue to deal with himself. Recently, it may have been delayed because of YUNZHUO's affairs, so when he handles these matters, he will be the next one.

Instead of standing in the dark by Huo Dongyang staring, it is better to stand in the light waiting for him. She chose to marry Yun Yiming and become his niece and daughter-in-law, so that her own identity was also protected.

Yun Yiming raised his eyelids and looked at Mo Ling. "Mo Ling, you choose to marry me at this time. Don't you think it's risky? If Yunshi is really bought by Huo Dongyang. Then I'll be nothing. "

"The cloud family always has your place!" Mo Ling replied. "But if Huo Dongyang knows you killed grandfather, it's another matter."

"You Yun Yiming really doesn't have him. Now he's caught dead by moling.

Mo Ling put away the mobile phone. "I won't force you. You can think about it. I went back first. "

Just as moling was ready to go out, Yun Yiming compromised. "Good!"

Hearing the news, Mo Ling looks back at Yun Yiming. "I'll see you tomorrow, then."

"Ten o'clock in the morning."

Mo Ling left with joy. On the way, Mo Ling took out his mobile phone and dialed a call, but there was no one to answer.

"Is Xiaomo out?" Mo Ling drove home.

This video was sent to her by a little younger sister she knew before. The relationship between the two has been good. After returning to a city, the two will get together occasionally, and Mo Ling will talk about his own affairs with Lin Xiaomo. After he was abandoned by Yun Yiming last time, Mo Ling and Yue Lin Xiaomo have a meal to complain about. So Lin Xiaomo still has some understanding of the relationship between several people. Originally wanted to ask Lin Xiaomo to come out to have a meal, but she didn't answer the phone, which can only be rescheduled.

However, at this time in Lin Xiaomo's home, Lin Xiaomo is sitting critically looking at Huo Dongyang sitting opposite.

"Was that Mo Ling's phone call just now?" Huo Dongyang opens his mouth.

Lin Xiaomo nodded. "Well!"

"So you gave her the video?"

"Well!" Lin Xiaomo nods again. Facing Huo Dongyang's aura, I dare not say a word.

Huo Dongyang then asked, "did you shoot this video? You are not the owner of this phone number. "

Lin Xiaomo to Huo Dongyang dare not say lies, and then said everything. He said how he picked up the mobile phone, and how he accidentally tracked Yunzhou and yunyiming to the ward, and then took pictures with the mobile phone he found.

"General manager Huo, this is the case." Lin Xiaomo's voice is very low.

After listening to Huo Dongyang, he took a cold look at Lin Xiaomo. "Since it was sent to moling, why did you send it to me?"

"I don't want my conscience to be condemned." Lin Xiaomo replied. "Delete all videos." Huo Dongyang looks at Lin Xiaomo and says. "Include all the backup and get out of here."

"Leave?"

"Yes, do you think moling would let you off if she knew you did? You should know her means. " Huo Dongyang put a check on the desk. "It's for you. What kind of results do you want? I'll figure it out."

Hearing Huo Dongyang's words, Lin Xiaomo is also shaking. Yes, moling's means, she knows very well. According to Huo Dongyang said, Lin Xiaomo immediately packed and left here.

On the way back.

Xiang Qing asked Huo Dongyang, "boss, don't you worry about Lin Xiaomo betraying us?"

"If she had been smart, she would not have put herself in a dilemma." Huo Dongyang replied.

"What's the boss going to do next?"

Huo Dongyang did not answer Xiang Qing's question, and the next thing was really much better. Silent sigh, Huo Dongyang reached out and rubbed his temple.

Knowing that Huo Dongyang is very tired recently, Xiang Qing doesn't speak and drives quietly.

As soon as I returned to Jiangwan villa, I saw all the people sitting in front of the TV with surprise.

"What's the matter?" Huo Dongyang asked.

Qiao Wei looks at Huo Dongyang. "Dongyang, yunyiming and moling announced the wedding news."

Hearing the news, Huo Dongyang watched TV. Yunyiming and moling are going to get married?!

Yun Muxin worried, "uncle, how can big brother do this?"

"Or he can't help it!" Huo Dongyang replied, it seems that moling has taken the first step.

Qiao Wei looks at Huo Dongyang's expression, it seems that the whole thing is not easy to handle. Isn't Mo Ling breaking up before Yun Yiming? How could the news of marriage suddenly come out at this time. And just a few days after the grandfather died, they were anxious to get married? I don't think it's right!

See Huo Dongyang upstairs, Qiao Wei also follow up.

[Chapter 220](#)

See Huo Dongyang into the study, Qiao Wei also followed in.

"Dongyang, what's the matter with you?" Jovi walked over. See Huo Dongyang's face showing fatigue, Qiao Wei heartache. Recently, there are too many things that Huo Dongyang needs to deal with. He is not a hard hit and will certainly be tired.

Qiao Wei went to Huo Dongyang's side, and then said, "if you are tired, you should rest. Some things should be done slowly."

Huo Dongyang showed a smile. "I know, don't worry, I won't let myself down. Because I have to take care of you. "

"Dongyang, I think you should take a rest now." Qiao Wei held Huo Dongyang's hand, "promise me, will you? Only when we have a good rest can we have the spirit to deal with these things. "

Huo Dongyang stretched out his hand and pulled Qiao Wei into his arms, "just hold you."

"No! You must rest. " At this point, Qiao Wei is hardly tough once.

Huo Dongyang a smile, "my wife has finally been tough once. OK, I'll go and have a rest. "

Looking at the sleeping Huo Dongyang, Qiao Wei stretched out his hand to cover Huo Dongyang. She sat on one side and watched. Huo Dongyang guarded himself every time. This time, she was responsible for guarding Huo Dongyang.

Jovi sat down for a while, then went downstairs.

Other people see Qiao micro down, are concerned about Huo Dongyang's situation. "How are you doing, Yang Dong?"

Qiao Wei answers: "already fell asleep."

Hearing the news, everyone was relieved. It's good to sleep. He's really tired recently.

Huo Jiang couldn't help complaining. "That man is really, once he has gone 100 years, Dongyang has to work hard to help him deal with the mess."

Cloud Mu Xin looked at Qiao Wei and said in a low voice: "Auntie, just now my mother called to let me go back to have a meal, but I don't want to go back."

Qiao Wei looked at cloud Mu Xin, "Mu Xin, these things can be decided by themselves."

"She wanted to talk to me about big brother and moling." Yun Muxin can hear Fu Qing's meaning.

Yun Yiyang suddenly announced his marriage with moling. She must be the first to be hit. Now looking at the cloud family, Fu Qing has no one who can speak. So we can only let Yun Muxin go back to eat with her.

Tired of that kind of life, yunmuxin doesn't want to go back to that depressed home and go for a walk on the street alone. He walked aimlessly in the street, looking at the early lights, Yun Muxin stopped in front of a huge lighthouse.

Looking up at the Christmas tree with lights in front of her, Yun Muxin was surprised that Christmas was coming. Time flies, and the year is coming to an end.

This year, her life also changed a lot. In a few months, everything changed.

"A man here sighs."

Hear the voice, cloud mu heart turn back. As a result, I saw Xia yueqian wearing a long suit coat, which was quite handsome. "Why are you everywhere?"

"I think so." Xia yueqian took a few steps forward. "Why did you come out alone today?"

"You mean I can't come out alone?"

Xia yueqian shakes his head. "No

"I'm gone. Goodbye Yun Muxin doesn't want to have anything to do with Xia yueqian. It seems that there is a relationship between the cloud family and the Xia family, and she does not want to be involved in such a fight in the future.

Xia yueqian frowned. Did she mean to avoid herself? Aware of this, Xia yueqian is a bit upset.

"What do you mean?"

Yun Muxin did not answer and went straight ahead. But after a few steps, she suddenly stopped. She was staring at the men and women who came together in front of her eyes. It was Qiao Xin and a handsome young man, both talking and laughing. What's more, they seem to drink a lot of wine.

Qiao Xin also recognized Yun Muxin. She let go of the young man, "isn't this the third lady of Yun family who used to drag so much? Why are you hanging out on the street alone today? A person must be lonely and empty. Do you want to find a man to be happy like me

Cloud Mu Xin frowned and looked at Qiao Xin's dressing up, which was completely different from the last time. Did you find a new gold owner? This outfit costs a lot of money. According to reason, Qiao Xin and Liu Su's current situation should not be like this.

Qiao Xin also paid attention to Yun Muxin and looked at herself. She said with a smile, "your mother gave me all these things. It's in my mother's hands who let her have the handle. "

Cloud Mu Xin frowns when he hears it. "What do you say?" How can mother handle in Liu Su's hand, with her mother's work style, this shouldn't be!

"If you don't believe it, go back and ask her." Qiao Xin gave a wine burp. "By the way, you see, my head has forgotten one thing. In fact, you have been expelled from the cloud family, and my grandfather died, so you can only go to my sister. Yes? You are not interested in Huo Dongyang, are you? "

Yun Muxin quickly covered his mouth and stepped back. The wine was too smelly!

"Yun Mu Xin, won't I say it right?" Qiao Xin laughed. "Who can resist a man like Huo Dongyang. My heart always itches when I think of him! "

Cloud Mu Xin angrily scolded, "Qiao Xin, you are really disgusting." "It's normal to pretend to be pure." Qiao Xin said with a smile. "Don't tell me, you're still a virgin?"

Just when Yun Muxin didn't know how to answer, Xia yueqian, who was standing behind Yun Muxin, came forward and reached for her in his arms.

"Honey, I'll go in and buy something. Why are you missing? " Xia yueqian said with a smile.

When Qiao Xin saw Xia yueqian, because he had drunk a lot of wine, people were confused. He actually looked at Xia yueqian as Yun Yiyan. "Yi Yan?"

Looking at Qiao Xin, Xia yueqian hugs Yun Mu Xin to avoid her. The tone was cold. "You know the wrong person!"

Qiao Xin fixed his eyes on it, it seems that it is not really Yun Yiyan, but the two people are really similar. But the temperament of two people is not the same, why are excellent men and their fate. "You are..."

"I'm Yun Muxin's boyfriend." Xia yueqian replied. After hearing this, Yun Muxin looks at Xia yueqian and asks him with his eyes. "When did we have this relationship?"

Xia yueqian looked at Yun Muxin with a smile, "honey, you don't need to be shy. Sooner or later, they want to know

Qiao Xin stares at the two people who are showing their love in front of her, jealousy rising in her heart. "Sir, your girlfriend is famous for being self indulgent. Are you sure you can hold it? A lot of men have been dumped by her, she is not an ordinary role

Xia yueqian replied with a smile: "in my opinion, these are not important, as long as I like her enough, and I also like challenges! On the contrary, like some fake and dirty women, I have no interest at all

"You Qiao Xin suddenly burst into anger.

At this time, Yun Muxin chuckled. Xia yueqian's mouth was also very poisonous.

Qiao Xin stares at Yun Mu Xin and shows that smile. This humiliation, together with the slap of the last time, she will certainly redouble it!
