

## Warm Wife 231

### [Chapter 231](#)

Huo Dongyang said, also feel funny. There are such jokes. It's just a lie with your eyes open.

Xia yueqian listened and seemed to have understood who was in charge. "It should be made by Yun Yiming."

Huo Dongyang took a look at Xia yueqian. It seems that they want to go together. I just didn't think that yunyiming and Yunzhou still had some means.

Huo Dongyang immediately sent people to check the relationship between Yun Yiming and Gao Hao. He didn't believe that any clues could be found.

At this time, in a city's highest private club.

Yunzhou and yunyiming are greeting a person, and this person is what Huo Dongyang said Gao Hao.

"Secretary Gao, I really appreciate your help this time." Yun Yiming is busy helping Gao Hao pour wine. "This one, I must offer you!"

Gao Hao said with a smile, "Yunshao is welcome. This is what I should do."

"As soon as Xia Mingde steps down, Secretary Gao's voice is very high now. Don't forget to take care of us in the future." Yun Yiming said with a smile.

Gao Hao holds up his glass. "By your word."

This time, they found Gao Hao by accident. That day, when Xia Mingde made an excuse, Yunzhou just met Gao Hao. Gao Hao is borrowing money everywhere because of gambling debts.

In this way to give Yunzhou a chance, he has heard of the secret fight between Xia Mingde and Gao Hao. So he took the opportunity to help Gao Hao, which made it easier to trip Xia Mingde.

Yun Yiming wanted to give Xia Mingde a chance, but he didn't know how to cherish it. Therefore, just because of this, he took Gao Hao's hand to integrate Xia Mingde, so that they had less obstacles and more support.

Yunyiming and Yunzhou take a look at each other, and then nod their heads with satisfaction. It's really worth the money!

After returning to the mansion of the cloud family, Yun Yiming immediately goes to find Mo Ling. As soon as I entered the room, I saw her sleeping. I haven't seen her for a few days, but Yun Yiming sees her face lose a circle. A little frown, these two days of injustice to her.

Next, he must give Mo Ling a good body repair, after all, she is pregnant now. Be sure to keep your body well, or it will be too late to give birth.

Fu Qing was also assigned to this task, serving the daily life and diet of moling every time.

"Mom, if you don't want to, let someone else come." Mo Ling looks at Fu Qing's face reluctantly.

Fu Qing looked at Mo Ling lightly in his eyes and said it honestly. "I really don't want to serve you. But for the sake of my grandson, I can only bear it

When Mo Ling heard Fu Qing's words, she felt her stomach with her hand. Whether there were any children in it, she knew. Now it's not, and she'll turn it into something.

Fu Qing stood aside also pay attention to the changes in the eyes of Tao moling. What is the meaning of her eyes? She won't have anything to hide from you, will she?

Think of here, Fu Qing's vigilance also rises, she quietly looks at Mo Ling's stomach. Although there is only one month to see nothing at all, in a few days we should be able to see everything.

These days passed quietly for two days.

On this day, moling was basking in the yard. The warm winter sun was really comfortable. Comfortable enough to make people want to sleep, Mo Ling slowly closed his eyes. As a result, within a while, there was a noise coming from the door.

Mo Ling frowned, who is so uninteresting to disturb others. She put on her shoes and went to the door and saw a line of decoration teams, cars and people had entered the yard.

"Who are you? Do you know where this is? How dare you break in Mo Ling's words are so powerful, just like her own hostess.

"We are from XX decoration company. Mr. Huo asked us to start construction today."

Mo Ling felt puzzled. "What do you mean by that? This is the cloud family. There is no Mr. Huo. "

Xiang Qing's car also drove in afterwards. Today, he came to moling in front of him in black. "We meet again."

See the item Qing came, moling directly back a few steps, "how did you come?"

Xiang Qing said with a smile, "the boss asked me to supervise the work. By the way, why are you still here? Have you been informed to move out? "

Mo Ling brow is locked, also hear some key points from Xiang Qing's words. Huo Dongyang is the owner of the house. When he was taken away that day, he really heard nothing wrong. Yun Zhuo really gave the house to Huo Dongyang.

Xiang Qing ignored the surprise of moling, and he visited the house with his back. "It's a nice house."

"Xiang Qing, there is no one at home now. I can't believe your words, so please come again next time

Xiang Qing looks at Mo Ling with a smile. "Mo Ling, how long do you think you can be a young grandmother of the cloud family?" With that, Xiang Qing's eyes fell on Mo Ling's stomach, "this belly must be striving for strength."

Mo Ling's face turned white and her eyes were flustered. How do they know that?

"Tell your husband they'll come back and help with things." Xiang Qing also showed a serious expression. After receiving the news, yunyiming hurriedly came back.

"Mo Ling, are you ok?" Yunyiming rushed to Mo Ling immediately.

Mo Ling is uneasy to look at Xiangqing, on the one hand, worried about his disorderly talk, while also afraid of his own carelessness on the open filling. If she was discovered by yunyiming, she really had no way back this time.

Yun Yiming saw Mo Ling white with a face, and he thought he must have been scared by these people just now. He spoke to comfort. "Don't be afraid!"

Mo Ling nestled in the arms of yunyiming, and she reached for her clothes.

Yunyiming saw her feel a little bit heartache like this, "it's OK. I'm back. Isn't mom here? "

"Mom said she went out and went shopping, and hasn't come back yet." Mo Ling's voice is soft.

Hearing these words, yunyiming was angry. Actually throw a Mo Ling at home, go shopping by oneself. If these people do, then Mo Ling and the child are all in trouble.

Xiangqing stands on the side and looks at the love of jianplaice in the performance of yunyiming and Mo Ling, and feels very disgusting.

"There are few clouds. Today we will start to officially decorate. Please leave here as soon as you have packed up your stuff. "

"Huodongyang said last time that the design drawing would inform us, but I have never received any news. Are you trustworthy in this way? "

"Little cloud, you really wronged us. The boss has sent you an email as soon as he receives the design draft. Don't you see it? "

"Definitely not!" Yunyiming will bite at a bite. He only read the email in the morning, and he didn't have a letter from huodongyang at all.

"Item prime also is not anxious," so cloud less open mailbox again, look carefully. "

## [Chapter 232](#)

When Mo Ling hears Xiang Qing's words, he also asks Yun Yiming to take out his mobile phone and have a look.

Yun Yiming whispered to Mo Ling: "I checked it in the morning. There was no mail from Huo Dongyang. They lied."

Xiang Qing a face calm, "cloud less, or see for real."

Yun Yiming snorted coldly. "What if not?"

"Why don't you think so?" Xiang Qing replied.

Yun Yiming takes out his mobile phone and logs in to his email address. He looked at it carefully. He didn't see Huo Dongyang's email in his mailbox. When he was about to speak, Yun Yiming's eyes flashed. He actually found Huo Dongyang's email in the spam column, and the time of sending it was really two days ago.

Yun Yiming immediately opens the email and quickly browses the content on it. Huo Dongyang really said that today the decoration team came. However, they seem to be overjoyed these two days, because they have removed Xia Mingde from power and rescued Mo Ling. They have completely forgotten about the house.

Xiang Qing looked at Yun Yiming and said, "Yunshao, I'll give you another hour to clean up. You see, my people have been here for more than two hours, which is quite a lot in terms of working hours. If we delay further, we may have to pay for the delay by Yunshao. "

Yun Yiming glares at Xiang Qing angrily, and then pulls Mo Ling in to pack up his things. After receiving the news, Yunzhou and Fuqing who came back to see the battle at the gate were also surprised.

Entering the room, several people's things to clean up almost.

"Mom, you can clean up your valuables by yourself." Yun Yiming orders.

"I have nothing valuable. Just tidy up your clothes

Hearing Fu Qing's words, Yun Yiming frowns. "What does that mean?" He remembered that Fu Qing had a lot of private money. How could he say that he didn't?

Yunzhou has the same question. "Where are the jewels? If we buy them, we can buy a villa

Fu Qinghong looks at Yunzhou. "Do you want to ask me? What you did to Liu Su, Qiao Xin and Qiao Qingdong at the beginning is clear to you. "

Yunzhou immediately understood what Fu Qing meant. "Did Liusu threaten you with that?"

"Yes Fu Qing, who hasn't shed tears for many years, can't stop. What are these evils? At this time, they all broke out. No money, no home.

People say that the first half of life is hard, the second half is waiting for happiness. But my life is just the opposite.

Yunzhou is also the first time to see such a fragile Fu Qing, he came forward to embrace Fu Qing. "Don't worry, madam. We'll get them back. Now I can only ask you to bear with it. "

Mo Ling looked at Fu Qing and felt no sense of security. She seems to see her own future. Is the cloud family really exhausted?! No, she has to do something.

"Let's get out of here first." Yun Yiming goes out with his luggage.

When they came to the door, they looked back at the cloud house where they lived. They were really reluctant to give up. Yun Yiming secretly vowed that he would take back the house and everything of Yunshi.

After they left the house, they went to stay in the hotel.

The next day.

Yunzhou and yunyiming both go out to work, and then plan to find a house nearby to live first. After all, it is impossible to stay in a hotel for a long time.

Fu Qing and Mo Ling both stay in the hotel. Seeing that Mo Ling didn't get up, Fu Qing went out for a walk alone. There was no fresh air in the hotel.

After seeing Fu Qing go out, Mo Ling immediately sat up. She picked up her cell phone and broadcast a number.

"Has the man been found?" Mo Ling asked directly.

"Good. Give me the address."

Looking at the address on the mobile phone, Mo Ling raised the corner of her mouth. She changed her clothes, put on her make-up and went out with her bag.

According to the address on the mobile phone, Mo Ling found Liu Su and Qiao Xin to live in. Looking at the small house they are living in, Mo Ling is not happy. They've been kicked out of the house, and it's really unfair that they both live here.

Mo Ling rang the doorbell directly, and soon someone opened the door.

"You are..." To open the door is Liu Su.

"Mrs. Joe, you're all right." Mo Ling said with a smile.

Liu Su felt that Mo Ling's face was familiar, but she could not remember her name. "You are..."

"I'm Yun Yiming's wife." Mo Ling introduced herself. "I'm looking for Qiao Xin today. Is she there?"

Liu Su heard Mo Ling introduce herself, she also seems to have some reaction. A few days ago, I also saw the news of Yun Yiming's marriage. "What do you want Xinxin for?"

"I want to ask if she needs to work now? I want to introduce her to a job. " Mo Ling made an excuse. If you start from Liu Su directly, you can't take back the money. If you start with Qiao Xin, it's another matter. At least Qiao Xin that woman's brain is not so flexible.

Liu Su nodded. "She's still sleeping. You come in and wait for her

"No, I'll wait for her in the coffee shop ahead." Mo Ling pointed to the cafe not far away. Half an hour later.

The coffee ordered by Mo Ling is cold, but Qiao Xin still doesn't come. As expected, they are still holding the airs of a young lady. It is very difficult for these people to succeed.

Time passed by for a while, Qiao Xin finally came, with a sleepy face.

Qiao Xin can't help laughing when she sees Mo Ling. "It's you." Qiao Xin to now still remember that day she was driven out of the situation, it is because of the woman in front of her.

Qiao Xin sat down carelessly and said, "what do you want from me? People like you should disdain to sit with me. If you want anything, I'll go back to bed. "

Mo Ling inquired about Qiao Xin's life before she came. She spent all day in bars and nightclubs, changing men every day. Really enjoy it!

"Give you a chance to make money." Mo Ling said.

Qiao Xin raised one eye lazily. "Would you be so kind? Mo Ling, I still remember how you designed to get me away. Now that you're sitting in the position of the young grandmother of the cloud family, you should be so superior that you can't fight with people like me. How can you say that you can give me a chance to make money? "

"Do you want it?"

Qiao Xin shakes her head. "I'm not short of money at all. Now I have a bunch of men who give me money. Why do I have to work so hard to make money on my own. "

"I remember you learned to design. Recently, there happened to be a fashion design competition held in a city, where there were just a few models missing. I think you're a good fit, so I want to ask what you mean? "

Qiao Xin is really excited when she hears these things, which is what she has always wanted to do.

Moling saw Qiao Xin moved, she laughed, "by the way, I heard my sister-in-law has also been selected."

This unintentionally aroused Qiao Xin's heart that group of fire, think of the previous cloud Mu Xin humiliated those two times, Qiao Xin or hate teeth itching! If Yun Muxin is selected, then he must not lose.

"What should I do?" Qiao Xin asked immediately.

### [Chapter 233](#)

Moling took out a contract from her bag.

She put it on the table and pushed the contract in front of Qiao Xin. "It's an employment contract. If you think it's OK, you can sign it. "

Qiao Xin opened the contract and glanced at it casually. Due to lack of sleep, she didn't look very carefully. I didn't notice a clause in the contract at all. If you break the contract, you should pay 5 million yuan.

Qiao Xin only pays attention to those benefits that can be enjoyed in front of her. These look good, the others don't notice. "Do you have a pen?"

Mo Ling nodded. "Yes. Do you see it all? "

"Isn't that what comes and goes in the contract? Unless you want to pit me? " Qiao Xin takes a look at Mo Ling. "Even if I don't do it, I will be killed by you. But I also tell you the truth, I Qiao Xin's other skills are useless, but the ability to seduce men is still a little bit. I hope you can keep your master Yun

Mo Ling face a change, this Qiao Xin intelligence quotient is not very online, but this mouth is fierce. What she said was believed by moling! According to her now a day to change a man, and the man is still so determined to follow her, you know her ability. As for what she said just now to seduce Yun Yiming, Mo Ling is really worried.

Mo Ling hands the pen to Qiao Xin. "Here's the pen. After you sign it, we'll be on the same boat."

"Moling, I hope that your words count."

After signing the contract, Qiao Xin threw the pen on the desk. "I'll wait for the exact time. I'll go back to bed."

"OK."

Seeing Qiao Xin leave, Mo Ling smiles and takes the contract away. She gave a satisfied smile. "I want just the five million."

The money is also important to her.

When Mo Ling returned to the hotel, Fu Qing also came back.

"Are you out?" Fu Qing asked.

Mo Ling nodded. "I'm going out for a walk."

Fu Qing looked at Mo Ling's dress and high-heeled shoes, she felt dissatisfied. "You want to be a mother. How can you make up and wear high-heeled shoes? Are you worried that this is not good for children?"

Moling couldn't stand the traditional way. When she was pregnant, she had to wear the clothes of her aunt and flat shoes. She even had to pay attention to these things. She thought it was troublesome.

"Mom, what does that matter? Can't a woman be free to be a woman? Pregnancy should not affect other living habits. As long as I pay more attention to it myself. "

Fu Qing was angry when he heard what Mo Ling said. "Mo Ling, you are not alone now. The elder said that for your good."

"Mom, I've consulted the doctor. I don't have a problem like this. Those stars who are pregnant, who are not making up or walking on high heels to attend the activities, and then do not give birth to the same children. " Mo Ling was upset when she heard those words.

Without continuing to discuss this issue with Fu Qing, Mo Ling went straight back to her room to have a rest.

Jiangwan villa.

Huo Dongyang did not feel surprised when listening to Xiang Qing's report. They are people who can do something. If you live in a hotel, you can live in a hotel. You can't starve them because you still have some money.

"Boss, that moling must be on guard." Xiang Qing continued. And she also went to Qiao Xin, not sure what she wanted to do.

Huo Dongyang nodded, "Hmm!"

"In addition, John came to the news that Xia Mingde's business might not be easy to handle." It's John's message.

"That Gao Hao must have been preparing for a long time. This time he was just given a chance." Huo Dongyang replied. "Keep your eyes on that side and let me know if he has any news."

"OK."

Huo Dongyang looked a little tired. He supported his head with his hands. "You go out first."

Xiang Qing just met Qiao Wei, "madam."

"Are you all ready?" Asked Qiao Wei.

"Yes, ma'am." Xiang Qing nodded. "You're going up to the boss?"

Qiao Wei nodded, and then took the afternoon tea just made upstairs. Huo Dongyang's appetite has not been very good in recent days. She knew it was due to pressure, so she wanted to prepare afternoon tea for Huo Dongyang.

Knock on the door of the study, Huo Dongyang raised his head.

"Why are you carrying so many things?" Huo Dongyang quickly forward to pick up.

Qiao Wei said with a smile, "I'm afraid you're hungry. So prepare for you. I made it today. You must try it. "

Huo Dongyang smiles. "Thank you, wife. Don't do it yourself next time. "

"It doesn't matter. I think I can do it myself."

Huo Dongyang put the tray on the table, then came over and held Qiao Wei's hand. "Hands are so cold!"

"Didn't you wash things just now?" Replied Jovi.

"Don't do it next time." Huo Dongyang frowned.

Qiao Wei knew that he couldn't resist him and nodded. "Good."

Qiao Wei accompanied Huo Dongyang, watching him finish his food before leaving the study.

"Dongyang, don't be too tired." Qiao Wei wants to help Huo Dongyang very much. After all, there are several major events pressing on him now. But he didn't want to let himself too tired, so he didn't let himself interfere. And now the only thing I can do is to make him something to eat and support him!

Huo Dongyang nods. "Don't worry."

At night.

Cloud Mu Xin also dragged a body tired to come back.

"Mu Xin is back."

"Yes, grandmother. I'm back. " Yun Muxin collapsed directly on the sofa.

Mary laughed. "Have you eaten yet?"

"No

"I'll ask Lin Juan to prepare some for you?"

Yun Muxin sat up and said, "no! I want to lose weight. "

Hearing Yun Muxin say to lose weight, Mary has an opinion. "You can't do that! Weight loss is not like this, grandma think your body is very good, do not need to reduce. Be obedient

Later, at Mary's request, Yun Muxin still ate a bowl of porridge.

The competition was also held two days later. On this day, Yun Muxin got up early to prepare.

Seeing Yun Muxin ready to go out, Huo Dongyang said to her, "come on!"

"OK." Cloud Mu Xin nods. "Uncle, I'm out."

Xiang Qing sent Yun Muxin to the scene, "Miss Muxin, after you finish here, I'll come to pick you up."

"Well, good."

Xiang Qing just left, moping with Qiao Xin came to the scene.

Qiao Xin looked at the stage not far away, but really yearned for it. At the beginning, for the sake of Yun Yiyang, she gave up all this. In the end, she got nothing and left a bad name.

Mo Ling also from Qiao Xin's eyes to see the yearning, she draws up the corner of her mouth. "Are you in the stands?"

Qiao Xin heard what Mo Ling said and immediately saw the stage. As a result, we saw Yun Muxin and a designer come to talk on the stage.

Qiao Xin secretly swore in his heart. "Yunmuxin, I will compare you today."

Mo Ling patted Qiao Xin on the shoulder. "Let's go. I'll take you to the designer."

Seven o'clock in the evening. This so-called the biggest fashion show in a city also started on time.

When Yun Muxin was waiting, she saw another designer with her model. At this time, cloud Mu Xin saw a familiar face.

## [Chapter 234](#)

For a moment, Yun Muxin was stunned.

Why is Qiao Xin here? This is the only thing that Yun Muxin is surprised about.

Qiao Xin of course also saw cloud Mu Xin, looking at the clothes she was wearing, she knew that she should be the last one.

Cloud Mu Xin inexplicably some uneasiness, how can Qiao Xin be here? This is too surprising.

Qiao Xin goes to Yun Muxin. "You seem surprised to see me?"

"A little bit." Cloud Mu Xin answers.

"There will be a best model award tonight, and the prize seems to be good. Are you interested?" Qiao Xin first asked Yun Muxin.

Yun Muxin shakes his head. "I just want to do my job well. I don't think much about anything else. "

The director came to urge the opening immediately and let all the models get ready for the stage. The series Qiao Xin wore went on the stage first, so they all went on stage.

"Mu Xin, did you know that one just now?" Asked a model nearby.

"I know it."

"I think she's a little tricky and hostile to you. Be careful."

Cloud Mu Xin nods. "Yes, I know."

After thinking about it, Yun Muxin still felt that she should talk to Qiao Wei. She picked up her mobile phone and sent a wechat to Qiao Wei, telling her that Qiao Xin was also here tonight.

"Group C ready."

After hearing the instructions, Yun Muxin put the mobile phone ready for the stage.

The fashion show was a success, and in the end, the designers of Yun Muxin won. Then the organizers will choose a best model performance award from the winning group, with a prize of 200000.

Later, after a unanimous decision of the judges, the award was finally won. No matter from the performance or serious attitude, they think that Yun Mu Xin is the best.

When the results were announced, Qiao Xin clenched her hand backstage. This time, I still lost! Heart pressure a breath, unable to resolve!

Seeing the appearance of Yun Muxin on stage to receive the prize, Qiao Xin is even more jealous. In the past, the third lady of the cloud family, who could not do anything before, has been transformed. Standing on the stage, she has a star like light. These are what I don't have. Qiao Xin bit her lips.

Suddenly, an idea jumped into his heart, Qiao Xin raised the corner of his mouth. "Good! Yun Muxin, you've asked for all this. "

On the other side, Qiao Wei also felt uneasy after seeing the wechat sent by Yun Muxin. In the end, she couldn't sit still and was ready to take a look. Qiao Wei is worried that Qiao Xin will do harm to Yun Mu Xin. This strong feeling is especially strong after seeing wechat.

"Grandfather, grandmother, I'll pick up Mu Xin." Replied Jovi. Don't want Huo Jiang and Mary to worry, Qiao Wei didn't tell the truth.

Huo Jiang heard Qiao Wei's words, "isn't it said that Xiang Qing would pick it up?"

"Mu Xin's side seems to have ended ahead of time. I'll let you go south with me."

"Let's go south. You don't want to run. " Huo Jiang continued.

Qiao Wei thought for a moment, and then opened his mouth: "in fact, I want to secretly look at the admirer in secret love."

When Huo Jiang still wanted to talk, he was held by Mary. "It's better to go a little bit. I'll prepare a snack for you."

"Thank you, grandma. I'm going out."

"Well, be careful. Remember to call when you have something. "

Driving to the South with Qiao Wei set out to the scene, just out of the door of the community met Xia yueqian.

"Schoolmaster." Joe lowered the window slightly.

Xia yueqian looks at Qiao Wei. "Are you going out?"

"Schoolmaster, I just need your help. Get in the car."

"Good!" Xia yueqian gets on the bus immediately.

Joe said to the south, "go south faster."

"Yes, ma'am." It's also speeding up in the south.

Xia yueqian saw Qiao Wei there worried, "what's the matter?"

Qiao Wei told Xia yueqian all his worries. After listening to Xia yueqian, his face sank. He thought that Qiao Wei was worried too much. It should not be so serious.

On the other side.

Yun Muxin and his party went to a club to celebrate their success. Many people went over to admire Yun Muxin and congratulated her on winning the grand prize today.

Yun Muxin can't shirk, can only be forced to drink. Originally, the amount of wine was not particularly good, so after drinking so much, Yun Muxin was already drunk.

Qiao Xin drinking while looking at cloud Mu Xin, the corners of the mouth hook up. "Don't wait for you to laugh."

Qiao Xin left a did not go to worship cloud Mu Xin, she picked up the cup of wine that would have been good. "Congratulations!"

Cloud Mu Xin looked at Qiao Xin and replied, "thank you!"

"Here's to you." Qiao Xin hands the glass to Yun Muxin. "For the sake of our meeting in the past, how can you give me face for this cup?"

Although Yun Muxin is dizzy, he still takes over the wine that Qiao Xin handed over. Thank you

Looking at the cloud Mu Xin is very straightforward, Yang head to drink that cup of wine, Qiao Xin's face is showing a brilliant smile. Then, she gave herself a glass, and drank it in one sip. Cloud Mu Xin finished drinking Qiao Xin Jing that glass of wine, suddenly feel a little hot, all over become a little hot. Realizing something was wrong, she picked up her bag and went to the bathroom.

See cloud Mu Xin go to the bathroom, Qiao Xin also follow out. She stood in the corridor and watched Yun Muxin, who was holding the wall to the bathroom. She took out her mobile phone and made a call.

"You can come here." Yun Muxin said with a smile. "The food is ready for you."

After hanging up the phone, Qiao Xin followed to the bathroom.

Yun Muxin put her hands on the hand washing table. She felt powerless. Looking at herself in the mirror, her red cheeks and her blurred eyes, Yun Muxin even felt that this was not herself. The head is not clear, cloud Mu Xin's heart sank, it seems to reflect what happened!

The door of the bathroom was pushed open, and Qiao Xin came in with several men.

Cloud Mu Xin looked back at Qiao Xin, also saw several men behind her. She held the washstand and stepped back in fear.

Qiao Xin with a winner's smile went to Yun Mu Xin, "Yun Mu Xin, how do you feel now? It's like being burned all over. "

"Did you prescribe the medicine?" Yun Muxin's voice is hoarse.

Qiao Xin nodded with a smile. "Yes. But don't worry, I've specially prepared free service for you. If these men are not enough, I will help you to continue to call more

With that, Qiao Xin stepped back a few steps. "Next, I'll give you a few."

A few men reached out and wiped the saliva on his mouth. He couldn't help it. The woman was tender.

"Don't worry, Miss Joe! We will serve you well. "

Qiao Xin nodded with satisfaction, "very good! Take off her clothes first. " Finish saying, Qiao Xin immediately takes out the mobile phone to prepare to shoot.

A few men came forward with a dirty face, and their eyes were full of hunger and thirst.

Yun Muxin's heart beat faster, and she kept retreating until she reached the edge of the wall. She called out, "don't come here!"

Several men reached out to grab Yun Muxin, and soon heard the sound of clothes being torn off

## [Chapter 235](#)

Because of this sound, Yun Muxin instantly recovered a little consciousness.

She began to struggle for a chance for herself. She couldn't let anything happen to her. At this time, she can only choose to save herself.

Unfortunately, their own strength is too thin, three men directly put themselves on the wall. I can't move at all. Don't say that I can't use a little strength all over my body. Even if I have strength, I'm not the opponent of three men.

Yun Muxin takes a look at Qiao Xin, who is shooting a video. There was something wrong with that glass of wine just now. She was deliberately digging a hole for herself. She felt that she had no defense at all. She also blamed herself for her carelessness.

Feeling a pair of rough hands on his body, Yun Muxin felt nauseous, and all kinds of body reactions came out. But she couldn't earn it at all. Her hands were firmly fixed on the wall.

"No!" Yun Muxin said two words with difficulty.

As a result, the two words came out with a different flavor, which made three people more excited. A man said with a smile: "women say no, that is to say, we all know that."

With that, the man bent down to take off Yun Mu Xin's pants. Yun Muxin is wearing a pair of tight jeans, which is not easy to take off. The man frowned a little, then pulled hard.

Mu Yun can't believe that she can't even control her body's voice.

"No, no, please, you." Cloud murmured in the heart's mouth.

But those men became more and more fierce. A man stretched out his hand to tear off yunmuxin's bra, then lowered his head and sniffed at her neck, and uttered a satisfied exclamation, "how fragrant Then he opened his mouth and took a bite on Yun Muxin's neck.

Cloud mu heart eats painful ground to call out, "ache!"

"Soon you'll have no pain. You will only feel happy! " The man laughs obstinately, and then stoops to gnaw at the neck of Yun Mu Xin.

Cloud Mu Xin opened her eyes, she did not want to yield, she looked at Qiao Xin.

Qiao Xin looked at Yun Muxin and said with a smile, "what are you looking at! You should enjoy it now! The more you struggle, the more miserable you will be. "

"Qiao Xin, you can't die easily!" Said Yun Mu Xin, biting his teeth.

Qiao Xin laughed. "You won't say that after a while. You'll accept it happily."

Yun Muxin's hands curled up. If she had weapons in her hands, she would have killed these people. And she will never let go of Qiao Xin!

Qiao Xin saw the hatred in the eyes of Yun Mu Xin, "what kind of eyes are you looking at? Yunmuxin, you can find your own today. You can't blame others. I told you to return the slap

"Qiao Xin, you are so shameless." Cloud Mu Xin looks at Qiao Xin to say.

Qiao Xin hates cloud Mu Xin's expression at the moment. "Don't waste your time. Foreplay can be avoided. Finish it and get out. This is not a safe place after all. "

"Miss Qiao, this beauty is too much for her appetite. She really won't give up eating it."

Qiao Xin immediately issued an order, "finish it quickly! Don't talk so much nonsense

"Miss Joe, let's change places! This place is too small for the three of us

Qiao Xin was even more angry after hearing this, "you're really asking for more fuckin 'demands. Just give me a good job. I don't have time to spend with you. If you can't, give me a cent. "

Hearing Qiao Xin's words, the three men let go of Yun Mu Xin, and Qiao Xin theorized. After all, the question of money must be made clear. Three men surround Qiao Xin, just blocking her sight.

Muyun also ignored the issue of money.

Cloud mu heart lost support, soft prone down the wall to sit on the ground. She wanted to reach for the torn sweater to cover herself, but the tears blurred her vision. She felt as if she had touched the corner of her scarf.

But her hand had no strength at all, so she could only climb over to get it. Tears have been falling down desperately, almost nothing can cover her body. Hands hard to reach the scarf, cloud mu heart but see a piece of broken glass not far away. In such a dead corner, it is estimated that no one saw it, so they didn't clean it up.

Yun Muxin clenched her lips and even bit bleeding. She told herself to hold on. She crawled over slowly, reaching out her hand for the glass fragment. She watched TV as if she would be invigorated by bloodletting.

Still close to, still close to, cloud Mu Xin continues to climb forward, stretch out his hand to reach that glass fragment. All of a sudden, cloud Muxin caught the glass fragment. She clenched, the glass fragment directly embedded in the palm of Yun Mu Xin, and the blood came out in an instant. It hurts! Cloud Mu Xin frowns, but he really has become a little bit of spirit.

Yun Muxin changed the glass fragment to her right hand. She lay down on the ground, gritted her teeth, and cut directly at her left hand.

"Pain!" Cloud Mu Xin exclaimed. But cloud Mu Xin's heart a horizontal, to the left hand again. She thought that as long as she let the blood out, she would surely be a little more sober. With the pain, Yun Muxin felt his consciousness became clear. It looks like it really works. Cloud Mu Xin closed his eyes, this time directly cut in the palm.

Smell the smell of blood, in the quarrel of several people back to see such a scene. Cloud Mu Xin's hands have been bleeding out, and she is lying in the pool of blood at the moment.

Qiao Xin was shocked to see everything in front of her. She had the symptoms of blood fainting. She suddenly felt dizzy. "Yun Mu Xin, do you need to hurt yourself?"

"Damn it, there was blood." One of the men swore in a low voice.

Qiao Xin didn't want to stay any longer, "you have to solve it quickly. You can't make a cent of it

Hearing Qiao Xin's words, the three men stepped forward again. But when they smell the smell of blood, they are not interested in it at all, but they feel disgusted. One of the men, grabbing Yun Muxin's hair, said angrily. "Dame, you are such a terrible sight

Cloud Mu Xin sneer way, right hand still holds that piece of glass. "I'd rather die than follow you!"

The man grabbed Yun Muxin's head angrily and hit her head on the floor directly. "If you want to die, then I'll help you!"

The man continued to grasp Yun Mu Xin's hair and hit her head on the floor. It seems that a lot of strength has been exerted on them.

Yun Muxin felt dizzy and dizzy. When the man let her go, Yun Muxin was lying in the pool of blood.

"Uncle, help me..." This is Yun Muxin's last words.

## [Chapter 236](#)

At this time, the door of the bathroom was kicked open.

There were two men standing at the door. They were stunned when they saw what was going on in the bathroom. A smell of blood came out of the air.

Xia yueqian and southward saw the cloud that fell in the pool of blood and almost red fruit. His eyes were shocked to see the eyes of others bursting out to kill people.

"What are you doing?" Xia yueqian cried out and rushed in.

South also followed forward, quickly subdued a few men.

Xia yueqian took off his coat and gently put it on Yun Muxin's body, and then held her in his arms.

He looked at the wound on her arm and her forehead, and his heart ached. His voice also became a little hoarse, "Yun Mu Xin, are you ok?"

Cloud Mu Xin has lost consciousness, only in the mouth of a whisper, "uncle, help me..."

Xia yueqian hugs Yun Mu's heart. "It's OK. We're here."

South also tied up Qiao Xin and threw her in front of three men. He frowned and looked at Xia yueqian holding Yun Muxin, "doctor Xia, hurry to send Miss Muxin to the hospital."

Hearing the words of the south, Xia yueqian had a response. He quickly picked up Yun Mu Xin. "Hold on, we'll take you to the hospital right away."

When Xia yueqian holds cloud Mu Xin to the door, Qiao Wei just walks to the door. She saw Xia yueqian come out with a cloud full of blood. Her eyes were wide, and she couldn't believe what happened in front of her.

"Mu Xin..." Qiao Wei's voice trembled. What did she experience.

Qiao Wei looks at the blood flowing out of Yun Mu Xin's arm. She frowns and presses her stomach. She reached out to touch Yun Mu Xin's hand. The cold was Qiao Wei's only feeling.

"Weiwei, I'm going to take her to the hospital right away. I'm afraid she'll lose too much blood. " Xia yueqian's breath is also somewhat unstable.

Jovi nodded immediately. "OK, hurry up."

At this time, Yun Muxin seems to have a little consciousness. "Uncle..."

"Mu Xin, what do you think?" Qiao Wei asks anxiously.

Cloud Mu Xin's eyes opened a little, as if also heard Qiao Wei's voice. "Auntie..."

"It's me. Don't worry. You're all right. " Qiao Wei clenched cloud Mu Xin's hand and said.

Xia yueqian saw the state of yunmu's heart. He was too anxious to do so. "Slightly, we can't drag."

"Good!" Joe nodded. "Mu Xin, we send you to the hospital now, you must hold on."

Xia yueqian walks out of the bathroom with Yun Muxin. At the other end of the corridor, Huo Dongyang came with Xiang Qing.

Huo Dongyang saw Xia yueqian holding cloud Mu Xin coming, he had such a moment of consternation, but he soon recovered. "Xiang Qing, take them to the hospital first. Come on

Xiang Qing also wrinkled his head. "Good!"

Xia yueqian holds cloud Mu Xin and points his head to Huo Dongyang, and quickly goes downstairs with Xiang Qing's back.

Huo Dongyang stepped forward to Qiao Wei, looking at her face seems not good. He walked quickly up to Jovi. "Are you ok?"

Qiao Wei is still in shock, and her eyes are a little dull, as if she was really scared by such a situation.

"Dongyang..." Qiao Wei stretched out his hand to grasp Huo Dongyang's arm.

Huo Dongyang's eyes fell on Qiao Wei's bloody hand. His eyes became scared. "What's wrong with your hand? Are you hurt? "

Joe shook his head slightly. "It's admiring." When Qiao Wei saw Huo Dongyang, his tears couldn't stop flowing out. "Dongyang, Mu Xin will be OK!"

Huo Dongyang held Qiao Wei in his arms and said firmly: "don't worry, she will be OK!"

"Really?" Qiao Wei is still worried.

At this time, Qiao Xin's words came out. "Yun Mu Xin, you can't die!"

Hear Qiao Xin's voice, Qiao Wei gently pushed Huo Dongyang away. She stared at Qiao Xin angrily. "Are you still human? To do these things! "

Qiao Xin laughed, "sister, I am your sister! What does her cloud Mu mind mean! It's all her own fault. She can't blame me! "

Qiao Wei saw Qiao Xin a face without remorse, she clenched his shaking hand. "Qiao Xin, you are wrong!"

"Qiao Wei, you are not qualified to blame me!" Qiao Xin said aloud.

Qiao Wei came to Qiao Xin, "I am not qualified to discipline you, but today I use another identity to teach you."

"Ha ha..." Qiao Xin laughed. "Qiao Wei, you look very imposing now! Yes, it's different to be the president's wife. "

Qiao Wei stretched out his hand to Qiao Xin. "Qiao Xin, this slap is for mu Xin! As an admiring aunt, I must ask for an explanation for her

Qiao Xin's hands are tied, there is no resistance. And south to see the situation to go forward to press Qiao Xin not to let her move.

Qiao Wei reached out and gave Qiao Xin a second slap, "this slap, I'm fighting for myself. You don't deserve to be such a person. I've let you go again and again in the past. This time I won't! "With that, Qiao Wei raised his hand and slapped Qiao Xin again, "this slap is for Dad. He has done so much for you that you don't cherish it at all. You can't live if you do it yourself! "

Huo Dongyang came forward to hold Qiao Wei, worried that she was too excited. "Don't get excited, Qiao Wei. It's not good for you."

Hearing Huo Dongyang's words, Qiao Wei also tried to calm himself down. She looked at Qiao Xin and said, "you'd better pray that the admiration is OK, or you really die ten times and not enough!"

Huo Dongyang looked at Qiao Xin coldly, "this time you don't escape so easily! Let someone come and deal with it in the south. "

"Yes, boss!"

Huo Dongyang hugged Qiao Wei out of the bathroom, "we go to the hospital to see the situation of Mu Xin."

"Good!"

After arriving at the hospital, Yun Muxin has entered the operating room.

Xiang Qing saw Huo Dongyang and Qiao Wei, and immediately stood up. "Boss, you're here."

"How is it going?" Huo Dongyang asked nervously.

Xiang Qing shook his head. "I don't know. Just now Dr. Xia said that Mu Xin was drugged and had too much blood loss. It is estimated that the situation is very bad! "

Hearing Xiang Qing's words, Huo Dongyang became angry. She even gave Yun Muxin medicine. She shouldn't have slapped her three times. It's too light!

Qiao Wei grabs Huo Dongyang's arm, Qiao Xin is really cruel, conscience is also eaten by the dog. In the heart unceasingly is praying, hoped cloud Mu Xin may be all right!

After receiving the news, Yun Yiyang also came in a hurry. Seeing Huo Dongyang and them in front of the operating room, he immediately ran over. "How is my sister?"

But no one answered him, because no one knew what was going on.

When Yun Yiyang saw that they didn't speak, he felt bad! He looked up at the three words with the red light on.

After a while, a nurse came out.

"May I ask which of your family members is Yun Muxin?" The nurse said.

"I am!" Yun Yiyang rushed up immediately. "How is my sister?"

"Miss Yun has lost too much blood. Dr. Xia said she would like to have a blood transfusion. Unfortunately, the blood bank of the hospital is in urgent need. Who is type O blood

"I'm her brother. I can." Yun Yiyan replied.

### [Chapter 237](#)

Huo Dongyang looks at the anxious look of Yun Yiyan, and his brows are more tight.

It seems that some things can't be concealed. Yun Yiyan's blood type is different from Yun Muxin.

"Are you type o? Then follow me Said the nurse.

Huo Dongyang goes forward and presses Yun Yiyan. "I'll go! You wait here. "

"I can do the same." Yun Yiyan replied, "this is my sister. I must save her!"

Huo Dongyang looks at Yun Yiyan with complicated eyes. "You're not type O blood."

As soon as this sentence came out, Yun Yiyan was stunned, as if he really remembered that he was not type O blood. The other day, when he was attacked, he came to the hospital for an examination. As a result of blood drawing, he saw that the blood type mark on it was not type o. But vaguely remember that the people in the cloud family seem to be type O blood, but they are not. What's the meaning of this?

Huo Dongyang patted Yun Yiyan on the shoulder. "You wait here!"

Yun Yiyan looks at Huo Dongyang with a lot of questions in his eyes. An answer is about to come out! Yun Yiyan's eyes also became shocked. "I..."

"Look here. I'll be right there." Huo Dongyang said to Yun Yiyan.

Huo Dongyang follows the nurse to draw blood. Yun Yiyan slowly looks back at Qiao Wei. And Qiao Wei's eyes seem to be the same as her own, it seems that she does not know this matter.

Qiao Wei heard some duanni from the situation just now. Yun Yiyan is not a member of the cloud family?!

After a while, Fu Qing also rushed to the hospital. When she saw Jovi, she immediately jumped on it. "How is my daughter?"

Qiao Wei was Fuqing so do, she stepped back a few steps, fortunately, there is a support of the support will not fall.

"Still in the operating room." Replied Jovi.

Fu Qing heard Qiao Wei's answer, but also ignored 37 21 to Qiao Wei. "Mu Xin lives with you. How can you account for such a thing?"

Qiao Wei's face was not good at all. Fu Qing made her feel more miserable. "No one wants to see that happen."

"Qiao Wei, if there is anything wrong with Mu Xin, I must make you and Huo Dongyang responsible."

"Mrs. cloud, how are you going to make us responsible?" Huo Dongyang opens his mouth.

Qiao Wei looks back at Huo Dongyang and draws blood. She goes to Huo Dongyang. "Are you all right?"

"It's OK. It's just blood." Huo Dongyang replied.

Fu Qing also wanted to go on, but saw their expression dignified. Her heart sank, watching Huo Dongyang reach out to take his arm, it seems that he has drawn blood. So the situation of admiration is more serious than imagined.

Instead of talking, she waited like they did.

Finally, two hours later, the operation was over.

Watching the red light go dark, the door of the operating room opens. All the people stood up.

Xia yueqian came out. He looked at everyone and took off his mask. "It's all right! Thank you, Mr. Huo. "

Xia yueqian also seemed to be relieved to take a long breath of relief. He thought of the breathtaking situation just now, but he was still afraid! Fortunately, Yun Muxin survived.

Hearing that Yun Muxin was ok, everyone was relieved. Qiao Wei is finally at ease, nothing is good, nothing is good!

Huo Dongyang said to Qiao Wei, "go back to rest first."

Qiao Wei originally wanted to stay and take care of Yun Muxin, but his physical condition seemed unable. "Well, if you have any news, please let me know!"

"Well!" Huo Dongyang nods.

Take Qiao Wei to the South and leave first. The others will stay.

Fu Qing goes to Huo Dongyang. "I'm going back with admiration!"

"Mrs. cloud, are you sure you can take the admiration away now? She needs a rest now. Do you want her to stay in a hotel? "

Huo Dongyang's words made Fu Qing angry. "Huo Dongyang, this time it's all thanks to you. If it wasn't for you, we wouldn't be like this! "

Xia yueqian can't listen to it. This cloud family's ability to repay debts is really powerful. "Mrs. Yun, this time, Mr. Huo saved Yun Muxin."

"Hum! That's what he should do Fu Qing replied.

Xia yueqian feels that these people in the cloud family simply have no human nature. What should be and what should not be, they are all wrong. So they have today's situation is also their own cause, greed let them lose everything.

"Mrs. Yun, since you are here, I'd like to trouble you to deal with the operating expenses and hospitalization expenses."

Fu Qing certainly didn't want to hear that. "You should ask Huo dongyanna about these, because what happened to Mu Xin

"You should go back and ask your daughter-in-law about Mrs. Yun this time." Huo Dongyang coldly threw out a word.

Fu Qing a Leng, "what do you mean by that?"

"You should be on guard against moling, not us!" Huo Dongyang continued. "Don't end up with nothing."

Fu Qing looks at Huo Dongyang in disbelief. Does he know anything? Is there really something wrong with Mo Ling. Huo Dongyang did not let Fu Qing guess this time and told her directly. "This time, it was moling who went to find Qiao Xin and instigated this matter behind his back. Otherwise, with Qiao Xin's present ability, she can go to such an occasion. Think for yourself

As soon as Huo Dongyang's words come out, Yun Yiyan and Xia yueqian are stunned. It turns out that there is such a truth behind this, it is actually moling!

Yun Yiyan clenched his fist. He must avenge his sister. He won't let go of the woman who has done all the bad things!

Huo Dongyang looked at Fu Qing and continued to say, "moling's stomach, you'd better go and find out, don't be empty at that time."

Fu Qing frowned and heard what Huo Dongyang said. She also recalled that moling's stomach seemed to have a real problem. She doesn't have any symptoms of pregnancy, and she doesn't even feel like a mother.

So that report is fake! Mo Ling is not pregnant at all! Fu Qing wanted to be here and left the hospital in a hurry. She's going back to confirm it.

After Fu Qing left, Yun Yiyan said the questions he had been pressing in his heart.

"Huo Dongyang, I have nothing to do with the cloud family, right?" Now Yun Yiyan finally understands what they mean by outsiders. I'm not really a member of the cloud family.

Huo Dongyang looked at Yun Yiyan, "is this very important?"

"Of course Yun Yiyan has lived for 28 years. Today, he knows his life experience. Of course, it is important! "Who am I?"

The secret will be revealed after all.

Huo Dongyang took a look at Xia yueqian, and seemed to think that this matter would be better for him. Xia yueqian nodded his head. Yes, this matter is really better from his own point of view.

Seeing the expressions of Huo Dongyang and Xia yueqian, Yun Yiyan realized a little. He always felt that Xia yueqian was like a person, and this person was himself.

Huo Dongyang is not sure how Yun Yiyan will decide after he knows the truth. He looks at Yun Yiyan and says a word. "Yun Yiyan, no matter how, everything will not change now. Do you understand? "

With that, Huo Dongyang also left space for Xia yueqian and Yun Yiyan.

Yun Yiyan and Xia yueqian stood face to face, neither of them spoke. Finally, Xia yueqian first said, "yunyiyan, I didn't expect that we would recognize each other in such a way."

"Meet each other?" Yun Yiyan asked.

"You are my brother." Xia yueqian replied.

### [Chapter 238](#)

After hearing that sentence, Yun Yiyan didn't react at all.

He sat on the chair, just looked at Xia yueqian at the beginning, then kept his head down.

Xia yueqian saw that Yun Yiyan did not speak, and knew that he needed to be calm at this time. "I'll wait for you in the office."

Hearing the footsteps of Xia yueqian leaving, Yun Yiyan's head moved for a moment. He felt as if he had just heard a mirage. He heard Xia yueqian say that he was his younger brother. He was actually Xia Mingde's son.

If so, how could he become Yun Yiyan? If so, why did the Xia family ignore themselves for so many years? If so, how can the people of the cloud family tolerate today?

If Yun Muxin had not had an accident today, he might not have known his identity. Judging from the attitude of Huo Dongyang, Xia yueqian and even Fu Qing, they all know. In such a long time, only oneself are in the dark?

All of a sudden, too many questions and too many hypotheses surged into my mind, and Yun Yiyan's thoughts are now in a mess. He leaned back on the chair, his eyes a little empty, looking at the ground.

It seemed like a long time before footfalls rang out again in the corridor. Yun Yiyan turns his head and sees Huo Dongyang come over.

It was not until he stood in front of him that Yun Yiyan began to speak. "You know that, don't you?"

Huo Dongyang did not deny, "I just knew that some time ago."

"Ha ha!" Yun Yiyan laughed twice, but the two laughs were so ironic.

Yun Yiyan raised his head and looked at Huo Dongyang, "why do you know my identity and help me take down the Yun family? This is not mine

Huo Dongyang calmly looks at Yun Yiyan. He goes to his side and sits down. "No, why not? You should remember what I said, that is, you can't betray the cloud family, because you are called yunyiyan. That's what you want. "

"Huo Dongyang, you are wrong! None of this is mine. " Yun Yiyan replied. "Do you understand? I feel that I have robbed something that doesn't belong to me. Isn't it shameful for me to do so? "

Huo Dongyang understands the meaning of Yun Yiyan. After so many years of living with others, he has to rob his master's things. But this is the reality. If you don't protect yourself, others will hurt you. If you're not strong enough, someone will bully you.

Huo Dongyang did not squint, and then said: "Yun Yiyan, in fact, there is no need to tangle so much. Everything you have now is from YUNZHUO. You just have to remember that. "

Yun Yiyan became a little excited. "I can't be as calm as you are. I'm not a God. I can't help thinking about it. Now I finally understand why Yun Yiming hates me. Everything in the cloud family was his, but now he has nothing. If I were him, I would be like him

"No, you are wrong!" Huo Dongyang replied.

Yun Yiyan looks at Huo Dongyang, and doesn't seem to understand the meaning of his words. "Am I wrong?"

"The current law doesn't stipulate that we must have blood relationship to inherit the inheritance! You are also a member of the cloud family. These are what YUNZHUO said to give you. Why don't you accept it? "

Yun Yiyan is stunned. Huo Dongyang's words are not wrong. Others leave their legacy to others, not to their children.

"If you really feel sorry, you can take these as gifts. YUNZHUO wants you to guard the cloud family, which is why he left the cloud family to you. In his heart, you are a member of the cloud family. " Huo Dongyang continued.

When Yun Yiyan heard Huo Dongyang's words, he became ambivalent. He is right. Over the years, he grew up in the cloud family. And grandfather has always been good to himself, which seems reasonable.

Huo Dongyang took a look at Yun Yiyan and said, "Yun Yiyan, do you think that returning Yun to Yun Yiming can solve the problem? In fact, you know that Yun Yiming can't hold him. What did they do to get Wynn? Don't you know? In the future or they will continue, you have no time to think or worry, which is what you have to bear as chairman of Wynn. "

Yun Yiyan lowered his head, and his mood was really chaotic. He hasn't come up with a clear idea of his own. It happened so suddenly that he had no psychological preparation at all.

Huo Dongyang Jiao also stood up after saying this. "Yun Yiyan, I have finished what I want to say. I hope you can get a clear idea as soon as possible. I don't think you'll let YUNZHUO down, will you? "

Huo Dongyang's words directly hit Yun Yiyan's heart. He had to admit that Huo Dongyang was really powerful. A few simple words broke down his psychological defense line. Especially the last sentence. Yes, in order to repay the cloud family's so much nurturing grace, he seems to have only such a way to go, that is, to guard everything of grandfather!

Huo Dongyang believes that Yun Yiyan will figure it out because he is not a man with a dead brain. "Mu Xin is still awake. I'll go back and arrange it. Come back later. "

"Well!" Yun Yiyan nods.

After Huo Dongyang left, the whole corridor became very quiet. Yun Yiyan thinks about what to do next. This is not a small matter. Xia yueqian closed his eyes and leaned on the chair to rest. Recalling what had happened just now, he seemed powerless. What happened to Yun Muxin was very sudden, and the exposure of Yun Yiyan's identity was also an accident.

Xia yueqian feels that pressure is great. Recently, so many things have happened, which really makes people feel caught off guard.

The door of the office was knocked.

"Come in, please."

The door was pushed open and Yun Yiyan came in.

Xia yueqian opened his eyes, "here you are." It seems that he has figured it out, faster than he thought.

Yun Yiyan nodded his head, and the man in front of him instantly changed from a schoolmaster to his brother. This feeling is also somewhat complex, he is not familiar with Xia yueqian, but he does not have the feeling of a stranger.

"Sit down and say it." Xia yueqian said.

Yun Yiyan sits down opposite Xia yueqian. "You know who I am from the beginning? I want to know the truth. "

"No, I didn't know it until I overheard the conversation between Yun Yiming and Yunzhou the other day." Xia yueqian replied. "Then I went back and asked Dad to confirm it."

Yun Yiyan frowned. "Why send me to the cloud home?"

"I don't know exactly what happened then. But I don't think Dad wants to abandon you Xia yueqian replied. He still felt that his father was not such a heartless man. There must have been a reason why he had to.

Cloud Yiyan's eyes are fixed on Xia yueqian. He doesn't seem to be lying. Yun Yiyan continued to ask, "so when did I get to the cloud house?"

### [Chapter 239](#)

Xia yueqian told Yun Yiyan everything he knew. Of course, he didn't say much about some of the transactions behind the scenes. Xia yueqian thinks that with Yun Yiyan's understanding, he will understand!

Yun Yiyan has never interrupted Xia yueqian's words, quietly listening to what happened in the past. After listening, my heart also has a bottom. At this time, he more or less understood Huo Dongyang's mood.

Similarly, as an illegitimate child, he did not bear much of his own. At least I had a happy childhood in the cloud family, and also had a good youth. In the past ten years, or after discovering the truth, Fu Qing has always been indifferent to himself, but he still has his grandfather and admiring heart to care about himself.

But Huo Dongyang did not. When I was young, my mother died, and there were only grandparents in my family. Because of his mother's death, the Huo family also scattered. Over the years, Huo Dongyang started his own business, thinking about getting justice for his mother and even taking care of the Huo family. Compared with myself, these are really too tired and hard.

Therefore, he has to bear much more than himself. In fact, he is not qualified to say anything about him. He has always been a person with a clear goal. As long as he identifies, he will do it.

He heard all these from Yun Muxin. She said that she wanted to let go of her prejudice against Huo Dongyang. Although the marriage between Huo Dongyang and Qiao Wei started a bit absurd, it seems that they are most suitable for each other. He has no qualification to fight with Huo Dongyang, his love for Qiao Wei can be more than everything, which he can't compare.

Yun Yiyan looks at Yun Muxin who hasn't woken up. Now her sister is more mature than herself. Maybe she learned a lot from Huo Dongyang. Her choice is right. Huo Dongyang really has a lot to learn from.

Cloud Mu Xin's hand, and then the eyes also followed a move, and then she slowly opened her eyes.

Yun Yiyan immediately looks at Yun Muxin. "Mu Xin, are you awake?"

Yun Muxin's eyes moved, heard Yun Yiyan's voice, and then looked at him, "second brother..."

Yun Yiyan nods. "Well, I am."

"Where am I?"

"Hospitals." Yun Yiyan replied. He didn't dare to say more. He was worried that it would stimulate Yun Mu Xin.

Cloud Mu Xin blinked an eye, then fell into silence, look at her appearance should be to think of those bad things. Tears from the corners of her eyes slipped silently, you can see that she is very sad.

Yun Yiyan frowned. At this time, he really didn't know how to comfort her. No one wants such a thing to happen. All these things depend on Yun Muxin.

"Second brother, I..." After a while, cloud Mu Xin opened his mouth again, but he said half of the break. Yun Yiyan is also upset. "What do you want to say?"

Yunmu thought for a long time, but could not say a complete sentence. She wanted to ask herself if there was anything wrong, but she was worried that the result was not what she wanted.

Yun Yiyan held Yun Mu Xin's hand, "Mu Xin, don't think about it. Nothing happened. "

Cloud mu heart powerless to hook up the corner of his mouth, those disgusting pictures reappear in front of his eyes. Thinking of this, Yun Muxin's tears fell even more.

Cloud Yiyan is simply helpless, he is really not a little way, "don't cry."

At this time, Xia yueqian just came over.

"Awake?" Xia yueqian looks at Yun Muxin and says.

Cloud Mu Xin nods, as if in his own consciousness fuzzy time saw Xia yueqian. Did he really save himself?

Xia yueqian checks Yun Muxin's condition and the wound on his arm. Fortunately, everything is developing in a good direction. "I'm afraid you will leave a scar on your arm. I really don't know how to cherish yourself before you start to be so cruel."

Cloud Mu Xin hears Xia Yue Qian's words, in the heart is also not good. At that time, she had no better choice. "I don't want to."

"The blood almost dried up." Xia yueqian added another sentence. "I really want to thank your uncle for giving you blood transfusion this time, or you will be really warped. Next time you're like this, there's no way to save it! Cherish life, you should know that saving people is not easy. "

I can see that Xia yueqian is really worried about Yun Muxin, because that look can't deceive people. Although some of the words said are not so nice, but also with sincere concern.

Cloud Mu Xin also seems to be aware of Xia yueqian's eyes, she does not trace to avoid Xia yueqian's eyes. Yun Muxin slowly held his hand, "where's uncle?"

"Back, said to come later." This is what Yun Yiyan answered.

Yun Yiyan also sees some small problems from the dialogue between Yun Muxin and Xia yueqian. How can these two people feel that there is a different atmosphere. Is this the legend of adultery?!

Yun Yiyan takes a look at Xia yueqian and Yun Muxin. If these two people really become, then the relationship will be complicated. Is this his sister-in-law or sister-in-law? Is Xia yueqian going to call himself brother or brother-in-law?

Xia yueqian has to continue the rounds, so he left first.

"Mu Xin, you and Xia yueqian are..."

Cloud Mu Xin answers. "I have nothing to do with him." "I see a secret between you."

"No!" Yun Muxin immediately answered, "second brother, don't talk nonsense."

"He is very kind to you. This time he saved you. " Yun Yiyan said.

All these admiring feelings were felt, but she didn't want to think about it. After all, she knows that she and Xia yueqian are impossible.

Huo Dongyang went to the hospital again the next morning. This time, Mary came along.

Pushing open the door of the ward, Huo Dongyang sees Yun Yiyan leaning on the chair and sleeping. It seems that he has been guarding here all night.

Mary hurried forward, she put down the thermos in her hand, and this sound also woke up Yun Yiyan.

"Are you here?" Yun Yiyan rubbed his eyes.

Huo Dongyang nodded his head. "Go back and rest! Give it to me here. "

Yun Yiyan stretched himself and said, "I'll go to the company after I wash my face. This is not the time to rest. "

Huo Dongyang is pleased to hear Yun Yiyan's words. It seems that he has figured it out. That's all.

"I still suggest that you go back and have a rest. Do you understand? "

After hearing this, Yun Yiyan smiles. "Yes, but this is an extraordinary time and we have to guard against it."

Huo Dongyang did not persuade him, "OK! Do it yourself. "

After a few words, Yun Yiyan left the ward.

Mary said to Huo Dongyang, "William, you go to have a rest. You haven't slept all night."

Huo Dongyang nods. "Grandma, I'm fine. I'll leave it to you first. I'll go out for a moment

"Be careful yourself."

## [Chapter 240](#)

HD-XY。

When Yun Yiyan came back, he saw Yun Yiming in his office.

"You're back at last? I've been waiting for you for a long time Yun Yiming speaks.

Yun Yiyan went to his seat and sat down, "what's the matter?"

"Now I'm the chairman of the board. I have such a big shelf. You don't seem to have a good rest. " Yun Yiming asked.

Yun Yiyan looks at Yun Yiming. Doesn't he know about Yun Muxin?

Yun Yiyan nods. "Yes, I didn't sleep much all night? Didn't mom tell you what happened

Yun Yiming narrowed his eyes. "Did you tell mom that there was something wrong with Mo Ling's stomach? After her mother went back, she quarreled with Mo Ling

"And the result?" Yun Yiyan wants to know the result.

Yun Yiming smiles. "Of course I won't let you succeed. These are your conspiracies with Huo Dongyang. Now you're standing in a boat, and it's one nostril, of course

Yun Yiyan's heart was half cold. His sister had an accident. His brother didn't know anything about it. He even talked about things like Mo Ling. It was really hopeless.

"Do you know that Mo Ling asked Qiao Xin to hurt her admiration? It's almost gone. " Yun Yiyan said coldly.

After hearing the news, Yun Yiming was stunned for a moment, "Mu Xin, what's up?"

"It's a close call. It won't be any later. " Yun Yiyan replied. "I just came back from the hospital. If you still regard her as a relative, go and see her. "

Yun Yiming soon recovered. "Yun Yiyan, don't use these methods. useless! Yun Muxin chose Huo Dongyang by himself, so she has nothing to do with our cloud family. "

Yun Yiyan doesn't want to talk to Yun Yiming. He's so heartless that he can say it. Later, Yun Yiyan asked the security guard to "invite" Yun Yiming out.

Yun Yiming is driven to Yun Yiyan's office. He yelled at the closed door: "yunyiyan, don't be complacent too soon. You are the man who has the nest of the dove! "

Many of the original employees are looking at Yun Yiming, but they didn't expect that the cloud would do these things without image. Fortunately, he is not in charge of the family now, otherwise their jobs will not be preserved.

Cloud Yiming is aware of other people's eyes, and turns to leave. He secretly vowed that he would take the Yunshi back.

The next morning.

The company released a message that Yun Yiming was late and left early, and flouted the relevant regulations of the company, so the company gave him the first written warning and deducted part of his salary.

Seeing such an announcement, Yun Yiming was furious. Yun Yiyan is really a goddamn force now, and he wants to kill all of them.

After seeing the announcement, Yunzhou also came to see Yun Yiming. "Are you all right?"

"Dad, can you see me in that eye now?" Yun Yiming said impatiently that now he is not happy to see anyone.

Yunzhou frowned. "Yi Ming, be patient with everything."

"I can't bear it." Yun Yiming replied. "I will not let Yun Yiyan go!"

Yunzhou looked at the angry son in front of him, and felt a little uneasy in his heart. He seems to be about to lose his mind, but Yunzhou did not expect that later Yun Yiming would be so crazy.

In the afternoon, Yun Yiming hears the news that Yun Yiyan has gone out. But the place where Yun Yiyan went attracted his attention.

Yun Yiyan actually applied to visit Xia Mingde, which is really unheard of. Or did he know something already!? If he really knows, then it is not easy for him to hand over the Yunshi.

Yun Yiming's mouth. "Yun Yiyan, you have given me another chance!" He also thought of a way to deal with Yun Yiyan. At that time, he would not believe that Yun Yiyan would not hand over his family obediently.

Yun Yiyan's visit to Xia Mingde was proposed by Huo Dongyang. We should face it or face it! Although there is no trial yet, Xia Mingde is already in custody. It's not so easy to meet, so you can only apply in advance.

Xia yueqian is waiting for Yun Yiyan at the door. "Go in! Dad is waiting for you. "

Yun Yiyan nodded, "Hmm!" He will come to see Xia Mingde today. In fact, he wants to find out the cause and effect.

Xia Mingde is very excited to see Yun Yiyan come in. He opened his mouth but didn't know what to say. Yun Yiyan has a lot to ask, but he can't say it.

The two men were so silent that they occasionally looked up at each other.

Little by little, time went by, and they did not move until someone came to remind them that it was almost time to visit.

Xia Mingde looked at Yun Yiyan and said, "boy, I'm sorry for you!"

"If you could do it again, would you still do it?" Yun Yiyan suddenly wanted to know the answer.

Xia Mingde shakes his head. "No! I will not send you away. "

Hearing this answer, Yun Yiyan's heart can be regarded as landing. At least the Xia family will not be as cruel as the cloud family, which is enough. Thank you

"Child, you've suffered for so many years." Xia Mingde really felt guilty. This matter has been lingering in his mind for more than 20 years, and it is only today that he feels a little relieved.

Or, as Huo Dongyang said, they had their helplessness at that time. Choose to face, is the solution.

Yun Yiyan looks at Xia Mingde. "If you want to come out, you must cooperate with Huo Dongyang's lawyer."

Hearing his son's concern for himself, Xia Mingde is warm in his heart. "I will!"

It's time to visit. Yun Yiyan stood up. "I'll go back first."

"You must pay more attention. Yun Yiming is not easy to deal with. " Xia Mingde did not forget to explain.

"Well!" Yun Yiyan nods. He also knows that there will be a tough battle.

Xia Mingde looked at Yun Yiyan with some reluctance, "son, come on!"

Hearing these two words, Yun Yiyan's heart is warm. It's a strange and familiar name. Yunzhou has never called itself like this. Today, he heard from his own father that his eyes were moist.

"Come on, Dad!" A word that comes out naturally makes Yun Yiyan become aware.

Xia Mingde's face was so excited that he waited for 29 years. I didn't expect to hear it under such circumstances. "Well, let's all work together!"

Seeing Xia Mingde taken away, Yun Yiyan is still in place.

A few minutes later, Yun Yiyan turned and walked out.

Xia yueqian sees cloud Yi Yan come out, he also stands up straight body. "Time is up?"

Yun Yiyan nods. "Well!"

"Thank you for coming." Xia yueqian seems to be really grateful.

But Yun Yiyan replied, "thank you, Huo Dongyang."

Xia yueqian smiles. "It seems that each of us owes him a great debt recently. Come on, I'll see you off! "

Yun Yiyang didn't drive because his car was sent to be tested, so he didn't refuse Xia Yueqian's kindness.
