

## Warm Wife 24

### [Chapter 24](#)

Qiao Wei seems to have expected the reaction of Yun Yiyan.

So instead of going on the same topic, she said, "I'm going to work."

Cloud Yiyan raised his head and looked at Qiao Wei. His eyes seemed to have a little hurt, "Qiao Wei, what kind of man am I in your heart?"

When asked such questions, Joe's hand on the chair froze. Yun Yiyan, this question comes too suddenly.

In fact, this question is not difficult for her to answer, but now she can not agree to come up.

"You can't answer it either?" Yun Yiyan seems to feel that he has regained a city.

Qiao Wei raised his eyelids and looked at Yun Yiyan standing in front of him. "For me, all the good memories have been polished. One thing you're right about is that it's good for both of us to get divorced early. "

There was no lethality in this sentence, but when Yun Yiyan heard it, he felt a bit different. Once the good memory has been polished? So what she means is that she's free and no longer entangled with herself?

Yun Yiyan suddenly sneers. "Qiaowei, I really misjudged you! Two years ago, you tried your best to marry me, but now you avoid me like a beast. It seems that you have really found a new man

Qiao opened his mouth to explain, but Yun Yiyan had already slammed the door out.

"Why the fire?" Qiao Wei didn't understand, so he sat down to work.

An hour later, Yun Yiyan, who thought he had left, returned to Qiao Wei's office.

Qiao Wei looked at the tall figure standing at the door, she quickly took back his eyes, did not continue to pay attention to.

Yun Er Shao was ignored for the first time, and this man was his humble ex-wife.

In fact, he came for a while. Seeing her meticulous work, Yun Yiyan thought she was a little charming. It seems that he was angry with her, that's why he was so nervous.

Yun Yiyan stepped in. "I just came to tell you one thing. The day after tomorrow is my mother's birthday. You remember to go back early and help! "

Qiao Wei put down the pen in his hand, "isn't there a lot of people at home who can help?"

"What? Qiao Wei, you are now wings hard, so you are indifferent to the elders of the family? " Yunyi derived airway.

Jovi thought for a moment. "Then we'll be there early the day after tomorrow."

"My mother told you to go back today."

Qiao Wei frowned, "today? Are you sure? " Qiao Wei didn't forget Fu Qing's attitude towards herself. Is she turning now? Need to go back and help yourself? You won't show yourself another excuse, will you?

Cloud Yiyan saw Qiao Wei's expression, he knew she was analyzing the situation.

"Grandfather wants to see you." Yun Yiyan had no choice but to move his grandfather out.

If the cloud family is really a little bit nostalgic for themselves, then there is really the cloud family's father, YUNZHUO.

He has always been very good to himself, and sometimes he helps himself out. However, in recent years, the old man's health is not very good, and the last family gathering, Qiao Wei heard Fu Qing and Yunzhou say in the room that the old man was worried.

The cloud family has only one son, and his wife died early. So Yunzhou and Fuqing have been taking care of him.

Yunzhou and Fuqing have three children, the eldest son yunying, the second son yunyiyan, and a young daughter yunmuxin. However, Fu Qingwei only expresses his maternal love to Yun Yiming and Yun Muxin. It's strange that he doesn't care about Yun Yiyan at all.

Later Qiao Wei also heard a secret from some servants that Yun Yiyan might not be Fu Qing's own. So it makes sense that Fu Qing doesn't like Yun Yiyan.

In fact, there are too many secrets in the cloud family. This is Qiao Wei after marriage more or less aware of. On the surface, the cloud family in city a is so bright and powerful. But the internal relationship of the cloud family is very complex, and there are many secrets hidden in each person.

Yun Yiyan also seems to know his position at home, so he moved out of the Yuns mansion on the ground of marriage.

This is the only thing Qiao Wei agrees with. Knowing this, YUNZHUO gave a villa to Yun Yiyan and Qiao Wei as a wedding gift. After marriage, Yun Yiyan seldom goes home, Qiao Wei lives alone in the villa.

So to YUNZHUO, Qiao Wei can't be indifferent.

"What does grandfather mean?"

"Well! If you don't believe it, you can call directly Yun Yiyan replied.

Qiao Wei looked at the time, "I have plans today. I'll go back from work tomorrow. "

Yun Yiyan didn't speak and turned around and left.

Did not walk a few steps, met Qiao Xin.

Qiao Xin's eyes brightened at the moment when he saw Yun Yiyan. "Yi Yan, how did you come here?" he ran over on high-heeled shoes

The cry was very kind, and all the people present looked at them. Qiao Xin's voice is very loud, Qiao Wei sits in the office to hear.

Yun Yiyan noticed that he was not happy. Qiao Xin has no brain sometimes.

Yun Yiyan stares at Qiao Xin, coughs several times on purpose, and signals Qiao Xin to pay attention to the occasion. Qiao Xin understood the meaning of Yun Yiyan, and immediately put down his hand holding Yun Yiyan and called out reluctantly, "brother-in-law!"

"Well." Yun Yiyan answered.

Qiao Xin looked at Yun Yiyan's back, and it was really from Qiao Wei's office. Secretly clenched his hand, "come to find my sister?"

"Yes." Yun Yiyan replied. "I have to go ahead."

Without waiting for Qiao Xin to reply, Yun Yiyan walked away with long feet.

Qiao Xin is not willing to bite his lips, looking at the back of Yun Yiyan. When will Yun Yiyan disclose the news of his divorce from Qiao Wei.

Qiao Xin even doubts whether Yun Yiyan really likes himself? If he really likes himself, how can he treat himself like this? Or did he and Qiao Wei continue to be inseparable?

Qiao Xin is more willing to go out.

After catching up with the parking lot, Qiao Xin sees Yun Yiyan. "Yi Yan, wait a minute."

Cloud Yiyan stopped, a look back to see Qiao Xin rushed up, put his arm around his neck and directly kiss up.

A few seconds pause, cloud Yiyan just pushed away Qiao Xin, "what are you doing?"

"Yi Yan, I really love you! When will you announce your divorce from Qiao Wei Qiao Xin asked with her mouth pursed. "Don't you miss me at all? I miss you every day, thinking about how we fit that night. I know you were happy that night, and so was I. And that's what you and Jovi can't do

Cloud Yi Yan squints at Qiao Xin, "I still have something to do."

"Yi Yan, when will you marry me?" Qiao Xin asked in a low voice. "That day, we didn't take safety measures. I might..."

Yun Yiyan's eyes flash through a trace of ruthlessness. "You didn't take the medicine afterwards?"

"I I... " Qiao Xin hemmed and hawed. Of course, she didn't take the medicine, because she just wanted to be pregnant with Yun Yiyan's child.

Only in this way can she be guaranteed to marry into the cloud family.
