

Warm Wife 241

[Chapter 241](#)

Xia yueqian sent Yun Yiyan back to hd-xy.

"I'll go back first." Seeing that Yun Yiyan wants to get off the bus, Xia yueqian says.

Yun Yiyan nods. Thank you

Xia yueqian said with a smile, "you're welcome."

"Come and eat at home next time you have time." Xia yueqian added another sentence.

Hearing this, Yun Yiyan hesitated. After all, Xia yueqian still has his mother at home. It seems that it is not good to rush there. After all, identity is a little awkward.

Xia yueqian said with a smile, "my mother is not at home. She was separated from my dad years ago. But because of my father's identity, it has not been released

This is what Yun Yiyan didn't think of

In the evening, Yun Yiyan still worked overtime in the office to finish the unfinished work today.

By the time he finished all his work, it was already more than eight o'clock in the evening. After a stretch, Yun Yiyan sorted out his things and prepared to go back from work.

Without a car, Yun Yiyan can only stand on the side of the road waiting for the car. He called a car to come over just now.

In the process of waiting for the car, an economical car stopped in front of him. Yun Yiyan took out his mobile phone and looked at the information on the mobile phone. It seemed that he didn't call the car.

The window came down and a familiar face appeared in front of Yun Yiyan. Yun Yiyan really didn't expect to see her here.

"Yun Yiyan, are you waiting for the bus?" Jane LAN asked.

Yun Yiyan nodded, then he looked at Jian Lan's car. "Is this your car?"

"Well, I just got it the other day." Jane LAN comes back. "I'm still familiar with it. I haven't driven for a long time, and I've been very nervous."

Hearing Jian Lan's words, Yun Yiyan also understands the novice's mood. "Practice more."

Yun Yiyan never thought that he would ride in a rookie's car, but still a novice. Most of the women are road killers. Just now, there was a mistake. She even cancelled the taxi order and took it.

Cloud Yiyan looked at the side of the cautious to can't Jian LAN, heart is also very uneasy.

At an intersection, Yun Yiyan immediately asked Jian LAN to stop.

"What's the matter? You haven't arrived yet. " Just now I volunteered to send Yun Yiyan home. What I didn't expect was that Yun Yiyan really got on the bus.

Yun Yiyan sighs. "I'll drive. At your speed, you really don't know what time it will be. "

When Jian LAN heard Yun Yiyan's words, she knew that she was despised. She also offered to let the driver's seat out.

Their identities changed immediately. Yun Yiyan drives the car in person and explains some suspicious points to Jian LAN while driving. Yun Yiyan has to say that although this is an economical car, its various performances are good and suitable for women to drive.

"Why suddenly want to drive to work?" Yun Yiyan doesn't want the atmosphere in the car to be too stuffy.

With a little embarrassment on her face, "almost all people who work in HD drive to work. And my home is far away from the company, so it's much more convenient to buy a car. "

After hearing this, Yun Yiyan also felt that she had a point. "That seems to be the case. Looks like you're making a lot of money now. Isn't this a cheap car for you

Jian LAN nodded again and again. This is really not cheap. I have saved some money in this period of time. In addition, when I got divorced before, the Zhong family gave those compensations and pooled together to buy this car.

In fact, Jian LAN has no research on cars. In fact, Qin Hao bought this car with himself. Anyway, she didn't understand the introduction, the performance and so on. So Qin Hao gave a lot of advice, and finally he made up his mind to buy it.

"No. This is the company's concern for its employees. " Jian Lan said.

When Yun Yiyan hears Jian Lan's words, he can't help thinking of Huo Dongyang. "It seems that Huo Dongyang is very good to you."

Jane LAN smiles. "Huo is always a good leader. But the manager picked the car for me

"Qin hao?"

"Do you know?" Jane LAN has some accidents.

Yun Yiyan nods. "He's a shareholder in HD, of course. And now I work at HD. But I'm a notch below him and John. "

"Qin Hao and John get along very well." Jian Lan said as a person who came here. "Mr. Huo is more serious. When he's not serious, he's probably looking at pico. "

Yun Yiyan has no expression on his face. Huo Dongyang is good to Qiao Wei. Anyone with eyes can see that Qiao Wei can make him gentle.

Jane LAN finished only to realize that he said some should not have said, "sorry."

Yun Yiyan doesn't mind these things any more. "I'm sorry, it's true."

With that, he went to the place where Yun Yiyan lived. Yun Yiyan stops the car on the side of the road, and he unfastens his seat belt. "Well, here I am. You'll follow this road to the intersection, then turn left

to go back to where you live. There are not many cars here. You can drive slowly. ""OK." Jane LAN nods. Thank you for today

Yun Yiyan explained that he got off the bus, "be careful."

"OK."

After Yun Yiyan walked into the community, Jian LAN started the car. She drove down the road. As expected, there were not many cars on the road. Soon she got home. Next time, she could drive this way, faster and smoother than before.

Jane LAN cleaned up to get off, but saw the black U disk on the seat. She picked it up and looked at it. It was written with the name of Yun Yiyan. This should be what he just missed.

Jian LAN holds the U disk in her hand and then calls Yun Yiyan to explain the situation.

"Hold it for me first. I'll get it tomorrow

"I'll send it to you before I go to work tomorrow." Jian Lan said.

But Yun Yiyan said, "I won't be in the company tomorrow morning."

"Well! Or do I send it to your company and you ask someone else to take it? " Jian LAN asked. There should be very important information in this USB flash disk. If it is delayed, it will be bad.

Yun Yiyan seems to know Jian Lan's mind. "I'll get it from you tomorrow, and I'll call you then."

"Good!"

The next day.

Jian LAN takes the U disk on her body, waiting for Yun Yiyan to take it. Just returned to the company, I saw Huo Dongyang and Qiao Wei.

"Wei Wei, how did you come here today?" Jian Lan also did not see Qiao Wei for a period of time.

Joe gave a slight smile. "I happened to have something to do today, so I came with Dong Yang."

Jane Lan's smile froze. She had heard of those things before. "A lot of things have happened recently. Are you all right?"

Qiao Wei nodded, "you see we are all OK, we know we are OK!"

"The Yuns must be careful." Jian Lan said seriously.

"Don't worry."

At this time, Qin Hao comes out of the office. "Xiao Lan, let's have a meeting."

"OK."

This meeting mainly discusses the design of hd-qw single apartment. This is also the main purpose of Huo Dongyang and Qiao Wei coming together today.

[Chapter 242](#)

Several people were sitting in the conference room.

Huo Dongyang told Qin Hao and Jian LAN the basic information. Hd-qw designers will participate in the design together, but Huo Dongyang handed over the main planning and planning to Jian LAN.

"Jane LAN, is this OK with you?" Huo Dongyang asked Jian LAN for her opinion.

Jane LAN nods. "Yes! I can go over to QW to help with my current work assignment. "

"Good!"

Qiao Wei is not very satisfied with the design style of the original designer of QW. This single apartment project is very important, so she thinks of Jian LAN. The success of the project in the east of the city last time is inseparable from Jian Lan's design. I believe that this time, she can make a surprising work out.

Qin Hao looks at Huo Dongyang and seems to have something to say, but Huo Dongyang should pay attention to it.

"Qiao Wei, you and Jian LAN will discuss it first. I'll talk to Qin Hao about something." Huo Dongyang opens his mouth.

"OK." Qiao Wei answers and then goes out with Jian LAN.

Qin Hao and Huo Dongyang were left in the conference room.

Qin Hao smiles at Huo Dongyang, "you are still like this. So obviously, what does this do? "

"I've always been. Say it

Qin Hao nods. "Now that you have taken Jane LAN away, what should I do with my affairs?"

After hearing this, Huo Dongyang looked at Qin Hao with a critical eye, and asked directly, "do you want to keep people doing things, or are you just people?"

As soon as Qin Hao obeyed, he knew that Huo Dongyang had misunderstood him. "Boss, you misunderstood me. I also have several projects to prepare. Now you've poached my designers. What can I do about these things? You should not forget that this is HD's branch in city a? "

After returning to a city for almost a year, Huo Dongyang successively took senqiao and Yunshi. Although he expanded the business scope of HD on the original basis, hd-qh was originally a new company in a city. Now Huo Dongyang has taken senqiao and Yunshi, and he has hardly paid attention to it!

Huo Dongyang smiles gently. "Qin Hao, are you jealous?"

"Go!" Qin Hao answered immediately. "I'm just reminding you to keep the rain and dew in balance."

Huo Dongyang thought for a moment. "Well! Then after hd-qw that side of the matter to you to be responsible for, anyway Qiao Wei's body also does not allow her so tired. Now that you have raised it, I will leave it to you to deal with it. "

Qin Hao was stunned. He didn't expect that things would become like this. He just gave Huo Dongyang an opinion and didn't want to work part-time.

"Boss, just think I didn't say what I said."

Huo Dongyang shakes his head. "Isn't that what you said you wanted the rain and the dew all together? Since you think you have nothing to do, this arrangement is the best. I'm sure you and John will work well together. "

"John and I were born out of each other." Qin Hao said with disgust. "And I'm going to move the office recently."

Huo Dongyang then threw out another sentence. "The new office is near senjo. It's killing two birds with one stone!"

"You Qin Hao really regrets what he said. Instead of being taken seriously, they are trapped. Huo Dongyang really loves his wife like his life. In order to make Qiao Wei feel at ease in raising a baby at home, he throws such a thing to himself. You know I'm busy too, OK? He's not John's kind of person. He does things with money.

Huo Dongyang can see Qin Hao's bad mood, but he just doesn't make a sound. Anyway, it's all like this. Originally Huo Dongyang didn't think of such an arrangement. When he heard Qin Hao put it forward in person, he came to push the boat. All of a sudden, he felt that this arrangement was good. Qin Hao made a good decision to sit in hd-qw.

Huo Dongyang looked at the time. "Qiao Wei and I are going to the hospital to meet Mu Xin. I'll talk about it later. "

"Hum! With a good job assignment, you can, of course, grease your feet, pat your butt and go. It's all our little shrimps. "

Huo Dongyang glared at Qin Hao. "Qin Hao, you and I have been good friends for many years. You are the only one I can trust."

Qin Hao was in a different mood when he heard Huo Dongyang's words. Although he didn't want to admit it, Qin Hao had to say it was very useful.

"Yes, less sensationalism. Take your wife and go at once

Thank you

This is what Huo Dongyang said when he left the conference room.

After leaving hd-qh, Huo Dongyang and Qiao Wei went to the hospital to meet Yun Muxin.

"By the way, Xiao Lan said that she could not go there until tomorrow." Qiao Wei reports to Huo Dongyang.

Huo Dongyang looked at Qiao Wei and said, "why?"

"She said she had other plans for the day. So I changed the meeting time over there to tomorrow
Replied Jovi.

Huo Dongyang thought for a moment and didn't say anything. "Well! You can do it yourself. "

"Well!" Joe nodded.

"Next, I'll let Qin Hao take charge of your affairs, so you don't have to work so hard." Huo Dongyang added later.

Qiao Wei also seems to be a little surprised at Huo Dongyang. "Is that really good?" Huo Dongyang nodded and solemnly said: "he applied voluntarily. And he has no work arrangement recently, so I made this decision. What do you think? "

Qiao Wei of course thought it was good. Qin Hao's ability was there. "Of course I'll be happy if he wants to!"

"Of course he would. He's just a man who can't afford to be idle." Huo Dongyang then said that in fact, it was more to make Qiao Wei believe in himself more. But Qin Hao has been sneezing.

Qiao Wei really didn't think of the people around Huo Dongyang. Almost no one was idle. Everyone had multiple responsibilities.

First of all, Qin Hao had hd-qh issues to deal with, and sometimes had to contact the headquarters to deal with some emergencies. Now Qin Hao will be more busy with hd-qw.

John, vice president of HD, was called to city a by Huo Dongyang. Now she has to take care of hd-qw and help Xia Mingde with the lawsuit. She has not seen him for several days. Or because of this, Huo Dongyang asked Qin Hao to help.

As for Jason, who is far away in the United States, I heard that he is also a workaholic. In addition to the affairs of the headquarters, he is also responsible for the affairs of other branches. There is really no time to relax.

Qiao Wei looks at Huo Dongyang sitting beside him. In fact, he is the same. Several major events are now pressing on him, so the pressure can be imagined. Qiao Wei reached out and held Huo Dongyang's hand tightly. She was distressed!

"What's the matter?" Huo Dongyang asked.

"Nothing, just want to hold your hand." Said Joe, smiling.

Huo Dongyang also smiles at Qiao Wei. "That's to hold on for a lifetime."

"Good!" Joe nodded.

Looking at Huo Dongyang and looking at the mobile phone, Qiao Wei quietly accompanied him. He has been sheltering himself from the wind and rain, and now she wants to accompany him quietly.

[Chapter 243](#)

After sneezing n times in hd-qh's office, Qin Hao finally stops.

Jian LAN is handing over the next work with Qin Hao. Seeing his appearance, Jian LAN quickly hands Qin Hao a tissue.

"Manager Qin, are you ok?"

"I'm fine." Qin Hao replied, but his expression was not very good. Because he knew it must be Huo Dongyang who said himself behind his back.

Jian LAN saw Qin Hao didn't seem to be sneezing, so she went on to the topic just now.

After hearing this, Qin Hao also said, "OK, don't tell me. We will continue to work together

Jane LAN smiles. "Good!"

After Qin Hao signed the document, "why don't you go to QW today?"

Jian LAN didn't expect Qin Hao to ask this question. She didn't respond for a while. "I have something to do today." Jian LAN didn't tell Qin Hao the truth. In fact, she was waiting for Yun Yiyan to come over.

Qin Hao takes a look at Jian LAN. She must have something to hide. For personal privacy, he is not easy to say and ask.

At this time, Yun Yiyan calls Jian LAN.

Qin Hao was surprised to find his name on the phone. Yun Yiyan calls Jian LAN? What is the relationship between the two?

After Jane Lan said sorry, she picked up the phone. "Hello

"I'll go downstairs to your company. I may have to trouble you to take down the USB flash drive and give it to me. "

"Good! You wait for me Jane LAN replied.

After Jane LAN hung up the phone, she immediately faced Qin Hao and had to go downstairs. Qin Hao nods. "OK!"

Jane LAN returned to her position to take the U disk, and then went downstairs in a hurry.

After arriving downstairs, Jian LAN sees Yun Yiyan already standing on the roadside.

"Sorry, just waiting for the elevator." Jian LAN immediately handed the U disk to Yun Yiyan.

Yun Yiyan takes over. "I just arrived."

"Aren't you going out in the morning?" Jian Lan thought Yun Yiyan would come this afternoon.

Yun Yiyan put the U disk in his pocket, and then he answered Jian Lan's question. "I've driven in here and I'll pick it up by the way."

Jian LAN takes a look at a famous sports car behind Yun Yiyan. "Got the car back?"

"Well!" Yun Yiyan nods. "You go to work! I'll go first. "

Jian LAN stands on the roadside and looks at Yun Yiyan getting on the bus. She waves goodbye to Yun Yiyan. In my heart, Yun Yiyan and before really become a lot, become calm and mature. Or men really have to go through something to change. If he is now, he is also a good man.

Jian LAN looks at Yun Yiyan's car driving out. When she is ready to turn around, she hears the sound of the car's tire slipping. Looking back, I saw that Yun Yiyan's sports car didn't seem to be right. The car was walking in a serpentine way.

Jane Lan's heart a tight, she immediately chased the past. But before walking a few steps, I saw that Yun Yiyan's car had already crossed the next lane, and the car was really out of control.

Yun Yiyan clenched the steering wheel. There should be something wrong with the brake! And the tires seem to be moving forward uncontrollably. Yun Yiyan wants to change direction, but the car has already slid into the opposite lane.

At this time, a large truck just came in front of him. When Yun Yiyan saw the huge front of the car getting closer and closer, the whole person was in a panic. I can't brake the car at all, but I'm praying for the truck on the ground to brake in time.

The speed of the sports car is very fast. You can hear a bang while you are still thinking about it. Yun Yiyan's car has already hit the truck, and the truck has pushed the sports car forward for a certain distance because of the impact. After the sports car rotated in place for a week, it was hit by another car. In this way, the whole sports car was sandwiched between two cars, and the car was seriously deformed.

Yun Yiyan's head hit the car window several times because of the impact force, which made him dizzy for a moment. Then he felt that the car had been hit and was spinning in place. Then it seemed that another car had hit, and the air bag had popped out. The whole front of the car was flat. Yun Yiyan felt very painful all over, and his legs were stuck, so he couldn't move at all.

And the whole carriage is full of blood smell. Yun Yiyan feels that there is a warm thing flowing down from his forehead. Is this blood?

He seemed to hear a lot of people's voices. When he was about to close his eyes, he seemed to see a familiar face beating the glass, but he had no strength to speak. Finally, Yun Yiyan's eyes were dark, and he couldn't see anything or know anything.

Jane LAN with a white face, hard to beat the window. She saw through the glass that Yun Yiyan's head was covered with blood, and people had lost consciousness. I don't know what he is like, "yunyiyang, wake up! Never fall asleep

But no matter what he called it, Yun Yiyan didn't react at all. Jane LAN hands shaking to take out the mobile phone, this time she would like to call. She didn't know which phone she pressed and dialed directly.

"Xiao Lan, what's the matter?" Qin Hao's voice came from the other end of the phone.

Jian Lan's voice was shaking, and her voice was also intermittent, "traffic accident I It happened here. What should I do? Yun Yiyan, he... ""Xiao Lan, calm down. Where are you now? " Qin Hao knew something was wrong when he heard Jian LAN.

"Downstairs."

"Wait for me!"

As soon as Qin Hao rushed out of the office, he heard many people saying that there was a car accident downstairs. When Qin Hao came downstairs, there were already many onlookers. Qin Hao pushed aside the crowd and saw the situation on the road.

One of the two cars is seriously deformed. The further he went, the more heavy he felt. It seems that the car belongs to Yun Yiyao.

Qin Hao immediately ran up, he ran to the center of the incident, and saw that Jian LAN had been pulled to the side of the road.

"Jane LAN!" Qin Hao called.

Hearing someone call herself, Jian LAN looks back and sees Qin Hao come to her side.

"Manager Qin, Yun Yiyao..." Jian LAN reached out and pointed to the car in the middle and said something intermittently.

Qin Hao probably understood what was going on. Something happened to Yun Yiyao!

Jian LAN stretched out her hand and tightened Qin Hao's clothes. "Manager Qin, will he be ok?"

Qin Hao looks at Jian Lan's appearance. He reaches out to take her into his arms. "Don't be afraid, don't worry!"

Jane Lan's tears did not flow out for a while. How could she not worry? How could she not be afraid? The whole car is deformed! What's more, Yun Yiyao's head is full of blood. He was pulled to the roadside by several people just now. I don't know what the situation is now!

Although Qin Hao comforts Jian LAN, he also feels that the situation is very bad. Maybe something happened to Yun Yiyao. He took out his mobile phone to call Huo Dongyang, and he could only inform Huo Dongyang at this time.

There was a lot of noise around him, and Qin Hao was worried. He kept saying, "answer the phone quickly!"

"Hello..."

[Chapter 244](#)

Police cars and ambulances rang through the street.

Qin Hao looked at what happened in front of him. Even Huo Dongyang called himself several times without answering.

"Qin Hao!" Huo Dongyang called again.

"Well!" Qin Hao answered.

"It's noisy over there!" Huo Dongyang continued.

Qin Hao holds his mobile phone and looks at the doctors and nurses who have already started rescue operations. "Dongyang, something happened to Yun Yiyao!"

Huo Dongyang there suddenly no sound, Qin Hao also put down the mobile phone.

Jian LAN grabs Qin Hao's clothes and rushes to the fire truck. It seems that the rescue work is not as simple as expected. Everyone is worried about Yun Yiyang's situation.

Hospitals.

Huo Dongyang just arrived at the door, and then heard such news, there was no reaction for a moment. Just now he heard that there was a lot of noise from Qin Hao, and there were all kinds of voices. Moreover, he still heard someone say that the people in the sports car should be very dangerous!

Qiao Wei looked at Huo Dongyang's suddenly changed face, she said: "Dongyang, what's the matter? What did Qin Hao say just now

Huo Dongyang mechanically looked back at Qiao Wei, and he was already afraid. "Qiao Wei, something must have happened to Yun Yiyang."

Hear this news, Qiao Wei heart tremble for a while, hear a long cry in the ear, can't hear any sound.

Huo Dongyang looks at Qiao Wei's appearance, he reaches out to take her into the arms, worried that she will be excited, even think about other things.

After a while, Qiao Wei slowly recovered. She moved, then pushed Huo Dongyang away.

First YUNZHUO, then yunmuxin, and now yunyiyan. How many more accidents will happen? Qiaowei's eyes were full of sadness, and his voice trembled and asked, "are they?"

Huo Dongyang is not sure. Everything is unknown now. "It's not clear yet."

Qiao Wei endured his tears. Now is not the time to cry. They have to face a lot of things now. Qiao Wei looked at Huo Dongyang and said, "Dongyang, you should go to the scene first."

"Then you..." Huo Dongyang still does not trust Qiao Wei to act alone.

Qiao Wei knew Huo Dongyang was worried, but now she had to hold on. "There's a senior student here. You can go there quickly! I'll ask Mu Xin and me to come south. Yunyiyan over there, you hurry to have a look! Time is urgent. Don't delay

Huo Dongyang frowned, "be careful!"

"Well, you too!" Joe nodded slightly. She didn't want to see anyone else in trouble again.

Huo Dongyang kisses Qiao Wei's forehead. "Call me later!"

Qiao Wei pushed open the door, "Dongyang, go!"

Huo Dongyang had to leave even though he didn't give up in his heart. "Xiang Qing, drive."

"Yes, boss!" The engine backed out at once.

Qiao Wei stood at the door and watched Huo Dongyang's car drive out. She pressed her heart with her hands. There are so many unknowns in the future! Now that you have chosen, you should stick to it.

Qiao Wei came to Yunmuxin's ward and saw that the nurse was dealing with glass fragments on the ground.

"Auntie, you're here." Cloud Mu Xin looks uneasily at Qiao Wei who comes in.

Joe nodded. "What's the matter?"

"I felt so upset just now that my hand slipped and broke the cup!" Yun Muxin said anxiously. "Why didn't uncle come with you?"

Qiao Wei pursed his mouth and didn't know what to say.

Cloud Mu Xin sees Qiao Wei's appearance, she quickly grasps Qiao Wei's hand. "Something happened to uncle?"

Cloud Mu Xin is excited, the result pulled the wound on the arm, the wound opened again, blood instantly dyed red white gauze. "Auntie, talk to me!"

"Something happened to Yun Yiyan." Said Qiao Wei, closing his eyes. "Dongyang rushed to the scene."

At this time, there was a sound behind him, as if something had fallen on the ground.

Yun Muxin saw Xia yueqian rush in, and then heard him anxiously ask, "what's wrong with Yun Yiyan?"

Qiao Wei opened her eyes, she looked at Xia yueqian. "I don't know yet. Dongyang passed. Qin Hao called just now. "

Xia yueqian immediately took out his mobile phone to call Huo Dongyang, but Huo Dongyang's mobile phone has been on the phone. This time, Xia yueqian is even more anxious. Did Yun Yiming start with Yun Yiyan?!

After a while, Huo Dongyang called back.

Xia yueqian immediately asked, "how is the situation now?"

Qiao Wei and Yun Mu Xin look at Xia yueqian's ever-changing face and guess that things are serious.

"Has the man been saved?" Xia yueqian then asked.

"Well, I'll go there."

At the end of the call, Xia yueqian looked at Qiao Wei and Yun Muxin and said, "don't leave here! I'll go and see the scene. "

Yun Muxin reaches out and grabs Xia yueqian's hand. "What happened to the second brother?"

"Traffic accident!" Xia yueqian replied, and then told Yun Muxin and Qiao Wei what he had heard. Qiao Wei a Leng, two cars with Yun Yiyan's car, the car seriously deformed! What about people? Anyone here? Qiao Wei had experienced a car accident before, but also saw that the person disappeared in a moment.

Last time, the feeling of helplessness and panic, even seeing death come, swept the whole people again. She stepped back a few steps unsteadily, and when her legs were weak, she unconsciously grasped the edge of the bed so as not to fall.

Muyun's feeling of helplessness came from the sickbed. She looked at Qiao Wei's appearance and immediately called out. "Auntie!"

Xia yueqian comes forward to support Qiao Wei. "Are you all right?"

Qiao Wei's heart beat very fast. She opened her mouth and made a hard voice, "he..."

Xia yueqian did not continue to say, worried that the two Qiao Wei and Yun Mu Xin could not accept. Yun Yiyun has not been rescued yet. He has fainted and should be seriously injured. The specific situation is not clear, if the time is longer, the situation is not optimistic!

"You stay here. I'll go and have a look." Xia yueqian is also worried. This is the brother he just met. He doesn't want to be separated by Yin and Yang when he meets his brother!

Xia yueqian helped Qiao Wei to one side and sat down, "Wei, you need to calm down. You can't get too excited now! "

Jo frowned slightly, and her face turned pale. She touched her bulging stomach with her hand, and her expression was painful. Just now, it seems that I have moved my breath.

"Schoolmaster, I have a stomachache Jovi spoke intermittently.

Xia yueqian heard Qiao Wei's words, and immediately became nervous. "Take a deep breath and take it easy!"

Xia yueqian called the nurse to call the doctor of Obstetrics and gynecology to check Qiao Wei.

Cloud Mu Xin see the situation in front of her, she is also very flustered, tears have been falling down. What's going on here? The second elder brother had a car accident. His aunt had a stomachache. I don't know how the child is? Uncle is on his way to the scene

This situation really makes people feel broken! Why can't we live a good life? Must we? Cloud Mu Xin asked God, why must this be so!

"Jovi, hold on!" Xia yueqian called at the side.

[Chapter 245](#)

Fender Bender.

Firemen finally pry open the deformed door, and then they want to move Yun Yiyun out slowly. But Yun Yiyun's legs are stuck, which makes it difficult to move.

"Slow down! His leg is stuck. " One of the firefighters said.

As soon as this sentence came out, doctors and nurses came forward to discuss the way of rescue. Yun Yiyun has only a faint breath because he has been in a coma for a long time. If you don't give first aid, it's really dangerous.

Huo Dongyang arrived at the scene, just saw this scene. He walked over and saw what happened to Yun Yiyan. The whole person was stunned! Watching the fireman move half of his body out, but his whole head is covered with blood, even can not see the original appearance.

Huo Dongyang felt a pain in his heart inexplicably. He watched the doctor and nurse help Yun Yiyan's upper body begin preliminary examination and dressing. He stepped forward and said to Yun Yiyan, "yunyiyan, you must persist!"

This situation, not everyone is willing to see! Huo Dongyang suddenly felt that his decisions were correct. From YUNZHUO to yunyiyan now, how many people should have an accident to prevent the tragedy from happening again and again.

Huo Dongyang prayed in his heart for the first time that YUNZHUO must protect Yun Yiyan, and this is what their cloud family owes him. In fact, he was completely out of the way, but he pulled him into the whirlpool again.

Thinking of this, Huo Dongyang clenched his hand and kept praying for Yun Yiyan to be OK. At this time, with the efforts of all, Yun Yiyan's legs were successfully pulled out.

The doctor and nurse immediately put Yun Yiyan gently on the stretcher, and then immediately sent to the ambulance. Huo Dongyang wants to follow him. Qin Hao pulls him up and says, "Dongyang, wait a minute!"

"What's the matter?"

Qin haobi has calmed down before. "There's something wrong with Yun Yiyan's car!"

Huo Dongyang's eyes suddenly became chilly. "So this is the main reason?"

"Almost so. Just now I heard Xiao Lan say that Yun Yiyan's car is out of control after starting, and can't brake. "

Huo Dongyang was very angry when he heard these things. It seems that someone has been tampering with Yun Yiyan's car. Huo Dongyang just wanted to ask Qin Hao to investigate, Qin Hao said first. "I've already sent people to check, so that no one will destroy the body first."

"Well!" Huo Dongyang nods. "I'll take a look at Yun Yiyan, and I'll leave the rest to you."

"Good!"

Huo Dongyang walked to the ambulance and saw that doctors and nurses were carrying out various examinations and preliminary treatment for Yun Yiyan.

"How is it going?" Huo Dongyang asked.

"Not good!" One of the doctors replied. "The breath is weak." Although he has put on the oxygen mask, his own index has been lower than the average.

Huo Dongyang was very heavy when he got such news. "Yun Yiyan, you must hold on!"

Huo Dongyang has been unable to wait for Xia yueqian to come over. He is worried. The ambulance also left at this time. What Yun Yiyan needs now is to race against the clock.

Huo Dongyang calls Xia yueqian and tells him that Yun Yiyan has been sent to the hospital and let him wait in the hospital. Xia yueqian at the end of the well, after nothing said, quiet some strange.

Huo Dongyang held the mobile phone, and felt something was wrong in his heart. When Xia yueqian was ready to hang up, Huo Dongyang grasped the time and said, "where is Qiao Wei?"

"....." Xia yueqian did not answer.

Huo Dongyang's heart is inexplicably swept by a kind of uneasiness. "Qiao Wei, what's the matter?"

"It's OK. I just went to the bathroom." Xia yueqian replied.

Although Xia yueqian said so, he still couldn't make Huo Dongyang feel at ease. "I'll pick them up now!"

"Well!"

After hanging up the phone, Xia yueqian looks at the door of the examination room tightly, and his heart is even more confused. When Qiao Wei went in to check, he told Xia yueqian not to tell Huo Dongyang. It seems that everything is piled up together. When is the beginning?

Yun Muxin sits nervously in the chair and rubs her hands. Her eyes are floating. From time to time, she looks back at the door of the examination room. Her legs tremble slightly and her heart jumps disorderly.

The only spiritual consolation I can get now is to pray to my grandfather to protect Yun Yiyan and Qiao Wei.

At this time, Huo Jiang and Mary, who came in a hurry after receiving the news, looked flustered. The two of them could see Yun Muxin sitting in front of him in his sick clothes.

"Adoration Mary gave a cry.

Hear the voice, cloud mu heart a turn around to see Huo Jiang pull Mary's hand already to own in front of.

Mary immediately took Yun Mu Xin's hand. "How about it?"

"My aunt is in there to check." Cloud Mu Xin see familiar people, tears again can not stop.

Mary looked up at the door of the examination room. She sat down beside Yun Mu Xin. "Don't worry! Weiwei should be OK. A good man has a good reward

"Grandma, why did this happen?" On the way to here, Huo Jiang and Mary have heard about Yun Yiyan. Now, the news is almost all the headlines in a city.

Xia yueqian saw that Huo Jiang and Mary were with him, so he felt relieved. "Grandfather, grandmother, you wait here slightly. I want to go and see Yun Yiyan. The ambulance should arrive soon."

Huo Jiang nods. "Come on! You're needed over there! Give it to us on this side. "

Xia yueqian looked at the time again, and then walked away. He is going to save his brother now, which is what he must do now!

Huo Jiang can see that Xia yueqian also sits on one side after leaving. "Ah Things are changeable! This is just the case with my brother. I wish everything had a good result

Cloud Mu Xin heard Huo Jiang's words, completely stunned. "Grandfather, what do you mean by that?"

"Yun Yiyao is doctor Xia's brother." Mary replied. "We knew that two days ago."

Cloud Mu Xin's eyes stare very big, how can be like this? Her second brother is Xia yueqian's younger brother? This is too fantastic! Yun Muxin is more confused at this time. He can't find any exit at all. He still doesn't want to believe it. "Grandmother, is that true?"

"It's true. That's what William told us." Mary replied. They are also very surprised when they know! Yun Yiyao is not a member of the cloud family. It's no wonder that the Yuns are so ruthless to him.

Five minutes later, the door to the examination room opened.

Mary stood up first. "Doctor, how's it going?"

Huo Jiang and Yun Muxin also stand up, they are waiting for the doctor's words.

But before the doctor spoke, he shook his head at them. The three men turned pale when they saw this.

Mary was obviously unstable. She stepped back a few steps, and Huo Jiang quickly stepped forward to support her.

"Weiwei, she and the child..." Mary's voice became trembling.

[Chapter 246](#)

After the doctor saw several people's expressions changed, he quickly took off his mask.

"Don't be nervous first." Said the doctor. "There's nothing wrong with people and children."

As soon as this word came out, the surroundings suddenly became quiet, as if nothing but the sound of the wind.

Huo Jiang said angrily. "Why do you shake your head?"

Mary asked again, trembling. "Are you sure it's ok?"

"Yes, it's OK. Mrs. Huo will be out in a moment The doctor saw the expressions of the three men in front of him and left in a hurry. If you stay a little longer, you'll be beaten.

Qiao Wei came out in a short time, but she was a little pale.

"Weiwei, I was scared to death just now." Mary helped Jovi sit down.

Qiao Wei touches his stomach, these two children are really strong enough, and they must be great in the future.

Know Qiao Wei is OK, a few people also just relaxed a big gas. Qiao Wei didn't see Xia yueqian, "where's the schoolmaster?"

"It is said that Yun Yi has arrived." Huo Jiang replied.

Jovi took Mary's hand and stood up. "Let's go and have a look too!"

At this time, they should focus on the situation of Yun Yiyan. Qiao Wei prayed constantly in his heart, hoping that Yun Yiyan could cross over!

Mary and cloud Mu Xin support Qiao Wei to go over, Huo Jiang with the side also went to the operating room side.

"Slightly, you slow down."

They just arrived in the corridor of the operating room and saw Yun Yiyan pushed by a group of people.

Yun Muxin saw the appearance of Yun Yiyan and quickly covered his mouth with his hand! Is the man who was covered with blood just now really the second brother? If it wasn't for recognizing that he had a watch on his wrist, Yun Muxin couldn't believe it was him.

Qiao Wei stops, Yun Yiyan is really more serious than he imagined. She clutched Mary's hand with her hand, as if looking for a support.

Mary looked at Yun Yiyan so quickly pushed past, her heart also can't bear, is really pitiful this child. Huo Jiang also felt that the child was really killed.

At this time, a figure rushed to Qiao Wei's face, and he grasped Qiao Wei's shoulder.

"Are you all right?"

When Qiao Wei reacts to come over, see clearly Huo Dongyang standing in front of him. "It's OK."

Huo Dongyang looked at Qiao Wei again, and seemed to confirm whether she was really OK. Besides a little pale, it seemed that there was nothing really wrong.

"It's OK." Huo Dongyang said this more to himself.

Qiao Wei held Huo Dongyang's hand, "don't worry!"

Along with Huo Dongyang, there are Jian LAN and Qin Hao who come to the hospital together. They also walk quickly.

A group of people quickly moved to the door of the operating room. Xia yueqian had changed his clothes and was ready to enter the operating room. This time, he volunteered to apply for the operation for Yun Yiyan.

"Xia yueqian, we must save him!" Huo Dongyang said.

Xia yueqian saw these people who really came for their brother and nodded their heads. "I'll get my brother back!"

"Schoolmaster, definitely!" Qiao Wei added another sentence.

Xia yueqian nodded. "I'm sure he won't just leave like this!" Yun Yiyan is only 28 years old, and his new life has just begun. So he will not give up so easily. The people of Xia family will be strong.

The assistant put the gloves on Xia yueqian, "Professor, the operation is about to start!"

Xia yueqian said, then put on his mask and turned into the operating room.

Cloud Mu Xin is still a little uneasy, "Xia yueqian, please!"

Xia yueqian nods at Yun Mu Xin, and his eyes are also firm. As if he had learned all his life to save his brother today.

The door of the operating room slowly closed and the red light came on. Recently, we seem to have a special affinity with the hospital. One by one, we come here.

Huo Dongyang holds Qiao Wei to sit down. The operation is not expected to end so soon.

An hour later, everyone sat and waited. Two hours later, everyone's nerves have been tense. Three hours later, people seemed to be restless, and their spirits were not so good.

Four hours later, everyone's heart became heavier and heavier. Five hours later, Yun Muxin couldn't sit still, stood up and walked, and other people's spirits were also a little tired, but did not leave. Six hours later, Qiao Wei fell asleep on Huo Dongyang's shoulder, and Mary and Huo Jiang nestled in a nap.

Seven hours later, everyone couldn't hold on. Xiang Qing bought lunch boxes for everyone, and only Qiao Wei ate a few. Other people can't eat at all. Jian LAN and Qin Hao sat a little far away from everyone. They were in low spirits. As a witness, Jane LAN has not really eased up to now. Qin Hao is also looking at the operating door, has been seven hours, or no news.

Huo Dongyang looks down at his watch. It will be eight hours soon. As if aware of Huo Dongyang's emotional reaction, Qiao Wei opened her eyes, she looked up at the operating room, the red light is still on. "It's not over yet?" Said Joe in a soft voice.

Huo Dongyang hugged her, "well, it's not over."

Yun Muxin put his hands together and prayed silently, "grandfather, you must protect the second brother!"

Suddenly, the red light in the operating room went out.

Huo Dongyang moved when he saw the light go out. Qiao Wei with his action, also look at the door of the operating room.

At this point, the operating room door opens.

Huo Dongyang let go of Qiao Wei and stood up. Then he saw several nurses and doctors come out.

With Huo Dongyang standing up, others also become energetic, waiting for Xia yueqian to come out.

After waiting for a while, Xia yueqian came out slowly. He saw Huo Dongyang come over and take off his mask.

"How is it going?" Huo Dongyang immediately asked.

Xia yueqian's face was not relaxed, and her eyebrows were frowning. He looked at Huo Dongyang and others, but he didn't know how to organize the language.

Yun Muxin rushes to Xia yueqian. "What happened to my second brother? You speak

Xia yueqian pursed his mouth, with a trace of sadness in his eyes. "Life is saved."

Hear Xia yueqian's words, just want to say a sigh of relief, but then hear Xia yueqian's next sentence. "A broken leg, a broken leg nerve, and a lifetime in a wheelchair."

This news lets cloud Mu Xin not stand firm for a while, had not Xia yueqian hold on, estimate she falls on the ground.

Huo Dongyang was very nervous when he heard the news. "So Yun Yiyan's leg is broken?"

Xia yueqian nodded. "So to speak. I've tried my best! "

"How could that happen?" Yun Muxin can't believe it.

"Aren't you a doctor? Is it true that there is no way to do it? " Yun Muxin can't accept this time. How naive you are!

Cloud murmured in the heart's mouth. "Second brother likes sports very much. What should he do in the future?"

Huo Dongyang frowned. "No chance of recovery?"

Xia yueqian did not dare to make such a promise. "It depends on the individual's situation. It's hard to do without a strong will! Leg rehabilitation is really hard! "

"Or there will be a miracle." Qiao Wei's voice is not big, but the voice is penetrating.

Everyone was her words, as if also see new hope! Sometimes human beings can really create impossible possibilities, which is called miracle!

[Chapter 247](#)

XX hotel.

Yun Yiming and Mo Ling are watching the news on TV.

Yun Yiming is happy to see the news of Yun Yiyan's car accident. He also has today. It's really God's eye opener.

Mo Ling secretly takes a glance at Yun Yiming. "Did you do it?" Apart from this reason, Mo Ling can't think of anything else that would make Yun Yiming so happy.

Yun Yiming turns to look at Mo Ling. "You think it's me?"

"I can't think of any other reason to make you so happy." Mo Ling replied.

Yun Yiming did not deny or acquiesce. He looked at the TV with a smile in his mouth. Look at the traffic accident. If Yun Yiyan doesn't die, he should be paraplegic. So a world-famous sports car has become such that this person is almost dead!

Now that Yun Yiyan has fallen, Huo Dongyang has no time to deal with him recently. This is really convenient for him.

"Yi Ming, do you want to go to the hospital to see Yun Yiyan?"

"No!" Yun Yiming replied. "People over there won't welcome me either!"

Mo Ling thinks that what Yun Yiming said is reasonable, and they should and do not need to do it themselves.

Yun Yiming stands up. "I'll go out for a while, and you'll have an early evening rest."

Mo Ling nodded, "Hmm!" Mo Ling won't ask about Yun Yiming. Anyway, he's thinking about taking Yun back.

At this time, Yun Yiming just opened the door of the room and saw Qiao Xin with an angry face.

"Why did you come?" Yun Yiming looks at Qiao Xin with disgust on his face. Does this woman dare to come to the door? No one else!

Qiao Xin doesn't give Yun Yiming any face. She pushes Yun Yiming aside and goes in directly.

"What do you mean, Mo Ling?" Qiao Xin roared loudly, "you really give me the yin?"

Mo Ling looks at the aggressive Qiao Xin, she is not nervous, reaches out to lift her hair. "I don't understand what you mean by that?"

Qiao Xin hums coldly. "Mo Ling, you are really cruel! Your purpose is nothing more than five million. Why dig such a hole for me Qiao Xin said aloud. "But I really think you're very good at it! I'm stupid enough to believe you

Qiao Xin also felt that he was mean. At that time, he was stimulated by moling and was cheated.

Moling stood up. "Qiao Xin, I didn't force you. You signed the contract voluntarily. You should remember me, but I have reminded you to read it clearly. Now you have broken the relevant provisions of the contract, of course you need compensation! What's more, you let some men deal with Yun Muxin. These things are not what I asked you to do. "

Mo Ling narrowed her eyes. If Qiao Xin didn't worry about the bad things that Qiao Xin said in Huo Dongyang's side, she would not have made great efforts to rescue her from Huo Dongyang. "Qiao Xin, this time without me, you will be thrown to feed the dog. I don't think you know that Huo Dongyang's grandfather used to be a gangster? Their methods are very cruel. If I didn't get through with each other this time, do you think you will be doomed? What's that five million? Don't forget that you took all the money from the cloud family. Now it's just a perfect return to Zhao. "

Qiao Xin admits that she is not Mo Ling's opponent, and the woman digs a deep hole for herself again. "Mo Ling, your eloquence is better than me, and I don't want to waste words with you. This is my own bad luck

Mo Ling showed a proud smile. "I'll wait for you to spit out five million."

"Mo Ling, don't you worry about retribution when you do so many bad things?" Qiao Xin then asked.

"What happened to Yun Yiyan should also be your idea? You really kill people without blinking an eye! "

With that, Qiao Xin turned and left.

When Yun Yiming hears their conversation, he hesitates and opens his mouth. "You asked Qiao Xin to get back five million?"

"Well, isn't that all mom's savings over the years? Of course, it can't be given to them in vain. It must be taken back! " Mo Ling took it for granted, but these are superficial words. In fact, she was going to take the five million and leave.

Yun Yiming is not a reliable supporter, so she has to do it herself to get enough food and clothing. Everything else is fake!

After hearing Mo Ling's words, Yun Yiming looks grateful, "Moling, you are so good!"

"We are all family." Mo Ling wants to say with a smile. "Didn't you say you were going out? Then go quickly. "

Yun Yiming hesitates for a moment. He comes forward and leaves a kiss on Mo Ling's forehead. "I will take back everything that belongs to me. I want you and your children to live a good life."

If these words are in the previous period of time, I think I believe it. Now she won't be so naive again! Yun Yiming really doesn't think about it. How can a cautious person like Huo Dongyang not have a backward move? I'm still a head of hot into the inside!

After Yun Yiming left, Mo Ling immediately made a phone call and asked someone to apply for her Australian visa. After she got the money and visa, she left immediately. It's hard to live such a life now.

After Qiao Xin left the hotel, she reached for a taxi. Sitting on that moment, Qiao Xin suddenly wanted to go to the hospital to see Yun Yiyan. Although they have parted ways, he is still the one he once loved. "Miss, where are you going?"

Qiao Xin opened her mouth. The word "hospital" suddenly could not be said. Finally, she reported the address of the apartment. If you go to the hospital now, you will definitely meet Huo Dongyang and Qiao Wei. If you want to go to the hospital at another time next time, you'd better avoid the wind first.

Hospitals.

Yun Yiyan has been sent to the ward, but he has not woken up.

Other people have been sent back by Huo Dongyang. Huo Dongyang and Xia Yueqian are left in the ward.

"Huo Dongyang, do you have some regrets now?" Xia Yueqian asked.

Huo Dongyang did not answer. He was more sorry than sorry.

See Huo Dongyang speechless, Xia Yueqian also did not continue to speak. Anyway, the ward also needs to be quiet, so they stand quietly in front of the hospital bed.

Looking at Yun Yiyan's legs in plaster, Huo Dongyang's heart is uncomfortable, and he can't bear the result. What's more, it's Yun Yiyan himself.

But now or should do according to Xia Yueqian's words, or to hide from Yun Yiyan first! It's also good for his recovery.

Yun Yiyan seems to have been anesthetized, and his body aches. Because he frowned, and then kept shouting pain.

Huo Dongyang heard Yun Yiyan's words, "he shouts pain."

"The next thing is more pain. Now it's up to him." Xia yueqian replied. "If he can't make it, then he doesn't have to do rehabilitation."

When Huo Dongyang just spoke, he saw Yun Yiyan's eyelids move.

"He moved."

Hearing Huo Dongyang's words, Xia yueqian immediately went to check. When the anesthetic effect is over, you should wake up.

[Chapter 248](#)

In a little while.

Yun Yiyan really opened his eyes, but his eyes were also lax.

"You are awake." Huo Dongyang leaned down to get close to Yun Yiyan.

Cloud Yi Yan blinked, pauses for a while to open a mouth to ask: "where is this?"

"Hospitals."

Yun Yiyan turned his eyes, "I thought I went to see God."

Hearing this, Huo Dongyang's worry was also put down. His mind is clear and his language ability is no problem.

Xia yueqian puts down the receiver in his hand. "You are lucky to have a life back."

Yun Yiyan looked at Xia yueqian and hesitated for a long time before saying, "thank you for saving me."

Xia yueqian shakes his head. "The doctor's job is to save the dying and heal the wounded! I save all strangers, not to mention my own brother. "

When Yun Yiyan heard Xia yueqian say "brother" so naturally, he felt a sense of warmth in his heart.

Because Yun Yiyan's body is still very weak, Xia yueqian and Huo Dongyang did not stay long before they left.

Yunyiyan wakes up is a happy event for everyone. These days in the ward in addition to familiar with a few people, but also more thin back. This person is Jane LAN.

Jian LAN always felt that if Yun Yiyan didn't come to get the U disk that day, there would be nothing wrong with her. She felt guilty, so she took care of Yun Yiyan. After all, Qiao Wei's stomach is big now, and Huo Dongyang won't let her run around like this every day.

As for Yun Muxin, her body has not been completely recovered, so Huo Dongyang also let her stay at home. Joe's company must be in his family. So when Jian LAN proposed to take care of Yun Yiyan, he raised his hand.

Today.

Huo Dongyang came to see Yun Yiyan and felt that his spirit was good, but he could not sit up yet.

"How does your body feel?"

Yun Yiyan is lying on the hospital bed. His whole body will pull the wound. It's really painful. But as a man, he wanted to show a calm look.

Jian LAN shopping back to see Huo Dongyang.

"Mr. Huo, you are here." Jane LAN first said hello.

Huo Dongyang nods. "I'll trouble you again today."

"It doesn't matter. I'm just alone after work. It's good to do something now. " Jane LAN replied.

Huo Dongyang nodded, "then it's hard for you."

Later, Jian LAN and Huo Dongyang simply talked about business in the ward. Jian LAN put forward several requirements for the specific design of single apartment.

Huo Dongyang carefully listens to Jian Lan's thoughts and occasionally nods to show his agreement. I have to say, Jian Lan's design is really with a different special. The whole person's ideas and ideas are more mature than before.

"Mr. Huo, what do you think?" After Jian LAN finished her opinion, she waited for Huo Dongyang's instructions.

Huo Dongyang nodded. "I think you have a good idea. Tomorrow you will communicate with the designer of QW and give me a specific plan as soon as possible."

"OK."

Yun Yiyan lies in the hospital bed eagerly, listening to the dialogue between Huo Dongyang and Jian LAN, thinking about the company.

Yun Yiyan turned his head and looked at Huo Dongyang, "what's the situation of XY now?"

When Huo Dongyang heard Yun Yiyan's words, he immediately replied: "I will handle XY matters personally. You can take good care of yourself. "

"Yun Yiming hasn't heard anything these days?" Yun Yiyan then asked. He has become like this. Yun Yiming will definitely seize the opportunity to do it. He would not have foolishly missed such a good opportunity.

Huo Dongyang knew what Yun Yiyan was thinking. He then said, "you should put your body first. I know everything else. "

Yun Yiyan nodded, because he knew that he could not help if he wanted to help. Because now he can't use any strength. Yun Yiyan's heart is not really relaxed, and his heart also has some vague uneasiness. He always thinks his legs are strange. He seems to have no sense at all. Or is it because the legs are in plaster. It should be OK after the gypsum is disassembled!

That night.

When Jian LAN is ready to leave, she just sees Qiao Xin wandering at the door of the hospital.

"Why did she come?" Qiao Xin should come with a purpose!

Qiao Xin also saw Jian LAN, at first that and Qiao Wei is the same as the soil bag of Jian LAN, today I see as expected and before is not the same.

"How can divorced women get here?" Qiao Xin uses a sarcastic tone.

Jian LAN heard Qiao Xin's words, did not pay more attention to. Now she is no longer the submissive person in the past. "Then why are you here?"

Qiao Xin did not cover up the purpose of her coming to the hospital. "Let me see Yun Yiyan."

This time, Jian LAN finally understood why Qiao Xin was wandering at the door of the hospital. That's because she doesn't know which ward Yunyiyan is in.

Jane LAN kindly told the ward number to Qiao Xin. "You go up! The visiting time will be over. "Qiao Xin took a look at Jian LAN and didn't expect her to tell herself so generously.

Looking at Qiao Xin into the inpatient department, Jane LAN took out her mobile phone to Huo Dongyang to report this matter. Although the hospital also arranged for people to protect Yun Yiyan, Jian LAN still did not dare to rest assured. After all, Qiao Xin is also a person who has a case history. I hope she doesn't get impulsive. In case of a real fight, Yun Yiyan must be overwhelmed now.

Jane LAN put her mobile phone away, and she looked up and saw the light in Yun Yiyan's ward was still on. After confirming again, Jian LAN left.

In the ward, Qiao Xin stood at the door for a long time. I saw that Yun Yiyan seemed to be asleep. She didn't dare to go into the ward for fear of waking him up!

Seeing cloud Yiyan's appearance at the moment, Qiao Xin actually has some heartache. But when you meet people like Yun Yiming and Mo Ling, you really have to stay away from them. After all, they are still secretly planning something.

At this time, Yun Yiyan just wanted to turn over, but found that it was all pain. All of a sudden, he pulled his wound again and dyed the gauze red with blood.

Qiao Xin saw this, immediately went forward to support Yun Yiyan to turn over.

Yun Yiyan wants to say thank you, but sees Qiao Xin's uncomfortable face.

"Why did you come?"

"I just heard you had something to do, so I came to see it." Qiao Xin's voice is not big, but enough to let Yun Yiyan hear clearly.

Yun Yiyan looks at Qiao Xin. And then he went on. "This time I was lucky to get a life back."

Qiao Xin clenched her hand as if she had something to say. "Yun Yiyan, you must be careful of Yun Yiming and Mo Ling. They are full of bad water. I think they must be planning something. "

These words come out of Qiao Xin's mouth, in fact, there is no convincing force. However, Yun Yiyan is surprised that Qiao Xin will come to tell himself these things.

[Chapter 249](#)

Yun Yiyan didn't say anything to Qiao Xin, because some things can't be erased.

Qiao Xin also knows Yun Yiyan's attitude towards himself. At the beginning, he forced him to divorce Qiao Wei and made rumors about many untrue things, which made Yun Yiyan have a bad opinion. Besides, he must hate himself even more.

Qiao Xin picked up her bag. "I'll go first."

Yun Yiyan nodded and then, um, did not say another word.

After a few steps, Qiao Xin suddenly stopped, "yunyiyang, if there was no Qiao Wei, would you choose me?"

Cloud Yiyan took a look at Qiao Xin's back, so she seemed to see it for the first time. However, the fact is the fact. Yun Yiyan chooses to tell the truth. "No!"

At the beginning, he would mix with Qiao Xin, but in fact, he was also angry with Qiao Wei. As for what happened after that, it's no use saying more now. A slap can't make a sound. At that time, I was really an asshole. Because of this, today's own will suffer retribution.

When Qiao Xin heard this, she also felt that she really wanted to put down the past thoroughly. "I see. I don't think we'll see each other again, so say goodbye!"

Qiao Xin is determined to forget the man he really loved. In the future, without Yun Yiyan, she will have a better life!

Looking at Qiao Xin straightened his back to go out, Yun Yiyan's heart is still a little sad. But at this time, he did not expect to see Qiao Xin again will be such a situation. If you know, he shouldn't be so cold today.

After staying in the hospital for half a month, Yun Yiyan can finally sit up. But his lower body still didn't feel anything. He wanted to reach out to touch his leg, but because there was still a wound on his waist, his waist could not bend down, so his hands could not reach it.

Thinking of this, Yun Yiyan has more doubts. As for how he was saved, he didn't remember how he was saved. Thinking of that possibility, Yun Yiyan's heart is inexplicably flustered.

These days, they seem to cover up something intentionally or unintentionally. Cloud Yiyan narrowed his eyes. It seemed that they had something to hide from themselves. And it should have something to do with your legs.

"You are awake." Xia yueqian came to see him.

Yun Yiyan looks at Xia yueqian and asks directly. "When can I be discharged?"

Xia yueqian looks at Yun Yiyan's inquiring eyes and knows what he wants to ask. He must have sensed something, otherwise he would not have asked.

"Want to leave hospital?"

Yun Yiyan nodded and said yes. "I feel like I can leave the hospital." Yun Yiyan wants to test Xia yueqian, and then try to find out his real situation from him. There must be something wrong with his legs.

Xia yueqian sees his mind from Yun Yiyan's eyes, "you can't leave the hospital now."

"Why?" Yun Yiyan is waiting for the truth.

"Your body has not recovered." Xia yueqian's heart is not good.

Yun Yiyan suddenly laughs, but this smile also has a little powerless. "How dare you say I have a problem with my leg?"

Xia yueqian's heart sank, but it was revealed after all. "Yes, your leg is broken and your nerves are broken."

Although he has already prepared for this, he still finds it hard to accept such words, "that It's my leg now... "

"Abandoned." Xia yueqian said with his eyes closed.

Xia yueqian heard these two words and felt that he fell into a bottomless pit in an instant. His eyes were flustered. "What do you mean by disuse?"

From the trembling voice of Yun Yiyan, we can see that his heart must be very flustered, even without direction. Xia yueqian opened his eyes and looked at him, but couldn't find a suitable reason to comfort him.

"You mean I can't stand up again?" Yun Yiyan asked again.

Xia yueqian was silent. That sentence that Qiaowei said that day seemed to be echoing in his ears. "Yi Yan, everything should be good. You will stand up again

"Ha ha..." Yun Yiyan finally knows what they have been avoiding these days. It turned out that their own legs were disabled, so they did not dare to tell themselves.

When Xia yueqian saw what Yun Yiyan looked like at the moment, he knew that he could not accept such a fact. In fact, Yun Yiyan's current situation is the same as that of other patients. At first, he did not want to believe this fact. If it was serious, he would close himself up.

Yun Yiyan lowered his head, "you go out! I want to be alone for a while

"Good." Xia yueqian knows what Yun Yiyan is thinking, so he turns around and closes the door.

As soon as Xia yueqian raised his head, he saw Huo Dongyang with a bag of things in his hand, which seemed to have been given to Yun Yiyan.

Huo Dongyang made a gesture to Xia yueqian, then turned and walked forward. Xia yueqian followed him.

They came to a little bit of space and sat down. Huo Dongyang said, "have you told him?"

Xia yueqian nodded, "he's not a fool. He'll notice and find out for a long time. He asked me just now just to prove it. ""How's the mood?"

"Not so good." Xia yueqian stands in the doctor's point of view. "He's reacting the same way as other patients now, and I'm afraid he's closing himself up. After all, to face such a cruel fact, many people will subconsciously choose to escape, so does Yun Yiyan. It is impossible for a good man to accept such a fact at once. "

Huo Dongyang understands Xia yueqian's worries. There are only two situations, one is the depression of consciousness since then, and the second is to face it positively. But now they don't know what kind of cloud Yiyan is?

"Huo Dongyang, what do you think Yun Yiyan will choose?" Xia yueqian has no idea.

Huo Dongyang shook his head. "I don't know."

"I still hope he can pull himself together." This is Xia yueqian's wish.

"Do you have a way?"

"Think about it. We have to give him a reason to stick to it. Let him have spiritual sustenance, so that he can cooperate with our doctor's work

After listening to Xia yueqian's words, Huo Dongyang actually has an idea. "What do you think is the reason why Yun Yiyan sticks to it?"

Xia yueqian knew that Huo Dongyang had understood his meaning, and he nodded to Huo Dongyang. "That's what you think."

"What if I don't agree?" Huo Dongyang's voice was also cold.

Xia yueqian knows Huo Dongyang won't agree, but he still wants to have a try. After all, it's about his brother's life. "If you don't agree, I'll go and talk to me in person."

"Yun Yiyan depends on himself, not others." Huo Dongyang frowned.

[Chapter 250](#)

That afternoon, Xia yueqian called Qiao Wei.

Although he knew that Huo Dongyang would definitely oppose it, he had to fight for his brother.

Qiao Wei also agreed after hearing Xia yueqian's words. After all, it's the most important thing to cheer up Yun Yiyan now.

In the ward.

Since he knew the truth, Yun Yiyan didn't say a word. A person sitting there, as if thinking about life, also as if in the empty. This is what Qiao Wei saw.

Qiao knocks on the door, and then waits for Yun Yiyan to respond. Cloud Yiyan raised his head and saw Qiao Wei standing at the door. His eyes blinked. Then he said, "Why are you here?"

Qiao Wei enters the ward and sits down beside Yun Yiyan. "Come and see you."

Yun Yiyan lowered his eyes, as if he didn't want to let Qiao Wei see his inner world. "I have nothing to look at."

"Yi Yan, in fact, we are all for you." Qiao Wei is not very good at saying some beautiful words, so it is more direct.

Yunyiyan heard Qiao Wei's words and knew that it was Xia yueqian who asked her to come. "You were asked to come?"

Joe nodded. "It was because we were worried about you that we chose not to talk about it."

Yun Yiyan's eyes fall on his legs, which are useless. What else can he do. "Qiaowei, what's the use of a useless man like me? I can't stand up now. What can I do with others? "

Qiao Wei knows that Yun Yiyan's heart must be very uncomfortable, but this is also nothing to blame. Everything has a process of acceptance, which Qiao Wei can understand.

"Yi Yan, it's not easy for anyone to live in the world." Added Jovi. "It's just that everyone's expression is different. Some people choose to say it, while others hold it in their hearts."

Yun Yiyan didn't answer. It's meaningless to say too much. "Jovi, don't say it."

"Yi Yan, I know you feel bad, but you are not alone. Now you have relatives and friends. We haven't given up, and you can't give up yourself

Cloud Yiyan raised his head and looked at Qiao Wei, "Qiao Wei, what angle are you standing on to say these words to me now?"

Suddenly, he was asked by Yun Yiyan. Qiao Wei couldn't answer for a moment. Ex wife or relative or friend? Think about it for a while, it seems that there is no accurate positioning of their own.

Cloud Yiyan looked at Qiao Wei carefully, "Qiao Wei, I have a question to ask you."

"What?"

"If there was no Huo Dongyang, would you choose to come back to me?" Yun Yiyan asked. Originally did not want to care about these things, but now think about how much still some unwilling.

Qiao Wei looks at Yun Yiyan and says firmly in his eyes. "Yi Yan, when I married and divorced you, I was in a passive position. If I had a choice, I wouldn't want to get married. "

Yun Yiyan understands Qiao Wei's meaning. She doesn't want to be with herself. "What if it was Huo Dongyang?"

"This assumption does not hold. I'm not in the same situation as Huo Dongyang. From acquaintance less than five minutes to getting married, I think that is a very absurd thing. But there are always accidents in life! I didn't expect that we would fall in love. Along the way, I understood a little. Love doesn't make do with it, let alone marriage? "

Qiao Wei then said: "in fact, I was just guessing the beginning. It was totally unexpected that Dongyang and I arrived today."

Some people say it's easy to fall in love with someone at first sight. Some people say that they love each other over the years, so that they can stand the test of time. But in Qiao Wei's view, the feelings that have experienced the test are the most real existence.

She and Huo Dongyang are not included in these two kinds. In the past time, Huo Dongyang would appear in front of him no matter what happened to him to protect himself from the wind and rain. After experiencing so many things, I found that his feelings for him have been virtually in-depth bone marrow.

Yun Yiyan doesn't understand or know how deep that kind of love is. He has never experienced it. Qiao Wei's words, he can only listen. He doesn't know whether he will meet such a person who really pays for himself in the future. Now he is a half disabled man. Who else will not dislike him?

"Yi Yan, your life just wants to really start, you really want to give up?" Asked Qiao Wei.

Yun Yiyan's mood also became contradictory, "what can I do if I don't give up? I have no ability to fight them now

Qiao Wei frowned. She didn't know what to say. The conversation was a failure.

"Yi Yan, miracles are created by ourselves. Your leg can stand up again, it depends on whether you are willing to accept it

This is what Qiao Wei finally said to Yun Yiyan. Whether you can listen to it depends on Yun Yiyan himself.

Seeing Qiao Wei coming out of the ward, Xia yueqian stood up. "How about it?"

"Schoolmaster, I'm sorry!" Qiao Wei didn't finish the task.

Xia yueqian shook his head, "it doesn't matter. I can't rush these things. "

After Qiao Wei, Yun Muxin also came to talk with Yun Yiyan, but the situation seems to be worse than Qiao Wei's. Yun Yiyan doesn't want to talk about it at all! After Yun Muxin, Xia yueqian goes to talk with Yun Yiyan again, and the results are almost the same. During this period, Xia Mingde also communicated with Yun Yiyan by telephone, but the result was still not good.

Finally, they put their hope on Huo Dongyang, hoping to have a good result with him.

Huo Dongyang pushes open the door of Yun Yiyan's ward and walks in.

Knowing what they were going to say, Yun Yiyan deliberately closed his eyes and pretended to be asleep. He didn't want to listen to those great truths again, saying that everyone would, but who could do it when he was on his own? It's just empty talk.

Huo Dongyang understands Yun Yiyan. He has experienced such a situation. He went to one side and sat down. He knew that Yun Yiyan was pretending to be sleeping. He thought that he was talking to the air.

"I'm not here to be a lobbyist today. Several people have come and gone in front of us. If I'm saying the same thing, I'm sure you're upset

After hearing Huo Dongyang's words, Yun Yihan opens his eyes slightly. "Now that you know it, will you come?"

Huo Dongyang looks at Yun Yihan and then shows a smile. "They pushed me in, and you know I don't like it!"

"Huo Dongyang, in fact, you are the only one who knows the most about these people. There is really no need to make such a fuss." Yun Yihan knows what Huo Dongyang is going to say next, so he also refuses to have such a nutritious dialogue.

Huo Dongyang nods. "Yes. So I didn't want to do more. I just want to share a story with you. " Huo Dongyang replied.

Yun Yihan thinks Huo Dongyang wants to do the opposite, but no matter what Huo Dongyang says, he will always be firm with his own ideas.

Huo Dongyang smiles and begins to tell a story.
