

Warm Wife 261

[Chapter 261](#)

Look at the name in the phone book for a while.

Fu Qing tried to move out several times, but at the last moment, her hand stopped again. But when Yi thought of Yun Yiming, Fu Qing could only dial the phone with his eyes closed.

Waiting for a long time, the phone is still not picked up, Fu Qing's heart really feel desperate. But she still can't give up and continue to call. Just after the nth dial, it finally picked up.

"Hello..."

"I'm Fu Qing."

"Well, something?"

"I want you to do me a favor." Fu Qing opened his mouth.

"Mrs. cloud, I can only say sorry to you. I can't help you. "

Fu Qing heard the reply, in the heart of the last little hope completely disappeared. "Qiao Wei, can you let me talk to Huo Dongyang in person?"

Fu Qing originally wanted to start from Qiao Wei's body, and then let her go to dredge up for himself, but now this move is not going to work. Fu Qinggang just promised Yun Yiming to save him, but he seems to have broken his promise.

Qiao Wei there was quiet for a while, just when Fu Qing thought she was going to hang up the phone, Huo Dongyang's voice rang out. "What can I do for you, madam Yun?"

"Huo Dongyang, please help Yi Ming." Fu Qing opened his mouth. Now even if she was asked to kneel down and beg Huo Dongyang, she would do so.

Huo Dongyang suddenly did not have a voice, this matter said that no one is willing to help. What's more, they are Huo Dongyang and Qiao Wei. But as long as there is a little hope, Fu Qing will not give up.

Huo Dongyang's tone is cold. "Mrs. Yun, what Yun Yiming has done is a big crime. You can't solve it with a few polite words! Now all the blame is on him

Of course, Fu Qing knows what Huo Dongyang said, and she also understands this truth. However, she still can't let Yun Yiming suffer. She will take the blame. Her life has been more than half of her life. But Yun Yiming's life has just begun, and everything can be started again.

"Huo Dongyang, please save him for his nephew's sake!" Fu Qing spoke again.

"Sorry! I can't do that! " Huo Dongyang also immediately refused.

Fu Qing frowned, "are you really not willing to help?"

"Yes." Huo Dongyang gives his own answer. "You have to be clear that all the things that Yun Yiming did are based on evidence, and the police will not deliberately find fault!"

Fuqing powerless to put down the phone, these so-called big truth, she is clear, but she can not continue to dally. She must save her son.

HD-QW。

Qiao Wei looked at Huo Dongyang and put down her mobile phone. She said, "what did Fu Qing say?"

"Let me save Yun Yiming." Huo Dongyang replied. "It's impossible. I'm not going to do it."

Qiao Wei knows what Huo Dongyang thinks. Yun Yiming and Yunzhou have done so many wrong things before. Huo Dongyang will not let them go easily. This is also a confession to YUNZHUO.

Huo Dongyang walks in front of Qiao Wei. "The signing ceremony is over here. Let's go back! "

"Well!" Qiao Wei took Huo Dongyang's arm and said, "Dongyang, let's go!"

See Qiao Wei small bird like to follow in his side, Huo Dongyang also showed a smile. He liked how Jovi depended on himself.

After leaving the office, Qiao Wei explained to Amy again and went home with Huo Dongyang.

Just got on the car for a while, Xiang Qing handed Huo Dongyang his mobile phone, but he didn't say a word. The mobile phone screen is actually the whereabouts of moling. I didn't expect that her action was so big that she bought a ticket back to America.

Huo Dongyang thinks that moling should not stay for a long time. That city is the last place she wants to go back to. However, she is forced to have no way to make the decision to return to the United States.

Qiao Wei put his head in the past and saw the flight information on the mobile phone screen, "is this from moling?"

"Well!" Huo Dongyang nods.

Qiao Wei saw that the flight information showed take-off, so she is now on her way to the United States. So it's not easy to catch her.

Huo Dongyang then called Jason and told him about the situation here. Huo Dongyang asks Jason to inform the police there and ask them to help. He must catch Mo Ling!

"Boss, don't worry! I know what to do! " Jason said on the phone.

“good!”

This time, Huo Dongyang is not going to let Mo Ling go. In the past few times, he said that he had deliberately let her go, or that she was lucky, or that she had a bad luck. This time, he would never let Mo Ling run again!

Qiao Wei knows what Huo Dongyang has decided, so he will not change it easily. So she didn't have much to say. She left all this to Huo Dongyang.

Just back home, Huo Dongyang continued to do other things in his study. And Jovi accompanied Mary in the kitchen studying recipes.

Days seem to return to calm gradually, but the quiet life is also easy to be broken. Look, isn't this coming? In the evening, Fu Qing still had the cheek to come to Huo Dongyang. She saw all the people she could think of, but no one was willing to help her. So we can only ask Huo Dongyang again in the end.

Huo Dongyang didn't let Fu Qing in at all. Fu Qing was stopped outside.

Qiao Wei stood in the room on the second floor, and the vision just saw where Fu Qing stood. In fact, I really admire her for her perseverance. She really goes out for Yun Yiming! Such a mother in other people's eyes, is a great mother, but this mother also gives others a lot of pressure.

"Madame, it's time to eat." Lin Juan came to ask Qiao Wei to have dinner.

Qiao Wei put down his book and said, "OK, I'll be right there."

Lin Juan nodded, then turned and left first.

Jovi cleaned up for a moment and then was ready to leave the room. At this time, Qiao Wei heard Fu Qing's voice. It seems that her patience has been polished, so she began to curse.

Go to the dining room, Fu Qing's voice is also growing.

"Slightly, sit down!" Mary asked Jovi to sit down.

Qiao Wei did not see Huo Dongyang after sitting down. Her eyes were searching for Huo Dongyang's figure, but could not see anything. She looked at Mary and asked, "where's Dongyang?"

"Call in the yard." Mary replied. "Weiwei, eat first! Don't wait for him. "

Qiao Wei thinks this is not very good, "I still wait for Dongyang to come in and eat together."

At this time, there was a noise at the door. But Qiao Wei only heard Fu Qing's voice. It seems that the security guard and Fu Qing had a quarrel. Vaguely also know what happened, security asked Fu Qing to leave, but Fu Qing did not want to.

So at the beginning, the security guard tried to persuade him, but later, Fu Qing seemed to be throwing his weight on it! How can not persuade, so the security guard's voice is also a bit loud, and become serious.

Fu Qing continued to scold Huo Dongyang, regardless of his own image this time.

Huo Dongyang came in from the yard, or heard Fu Qing's voice, his brow frowned for a moment, it was a shame here!

Then he calmed down. Huo Dongyang felt a little strange, so he went out.

As soon as he went out, he saw Fu Qing kneeling at the door.

[Chapter 262](#)

Huo Dongyang frowned and walked over. What did Fu Qing want to do.

Seeing Huo Dongyang come out, Fu Qing immediately becomes energetic. "Mr. Huo, please save my son for the sake of our relatives."

"Fu Qing, how many times do I have to say before you understand." Huo Dongyang frowned.

Fu Qing two lines of clear tears hanging on his face, "I beg you to save my son."

"I will not save him!" Huo Dongyang also made clear his attitude.

"Why not save him?" Fu Qing asked. "If you can save Yun Yiyan, why can't you save Yun Yiming?"

Huo Dongyang really felt that Fu Qing's head was not clear, which was not the logic of the whole person! "Fu Qing, you should know why I saved Yun Yiyan, because I know he is not the cloud family! And there are many differences between Yun Yiyan and Yun Yiming. Yun Yiming has done so many wrong things, so he deserves it! "

Fu Qing said with some confusion. "Yes, Yun Yiyan is good in your eyes, and my son is good in everything."

Huo Dongyang doesn't want to waste words with Fu Qing, so he signals the security guard to take Fu Qing away. Finally, Fu Qing was dragged out by several security guards.

"Huo Dongyang, why don't you help?" Fu Qing called again.

Huo Dongyang turns to walk into the house and sees cloud Muxin there.

"Why don't you go to dinner?" Huo Dongyang spoke first. What happened just now, it is estimated that Yun Muxin must feel uncomfortable.

Yun Muxin then said, "uncle, I think my mother's situation is a little strange."

"Well!" Huo Dongyang also felt that Fu Qing seemed to have some mental problems, which should have been stimulated! In fact, everything that happened recently has been a great blow to her, but she is still working hard for Yun Yiming.

Fu Qing, who was driven out by the security guard, kept whispering: "my son is innocent. Why don't you save him! You'll get something back! "

After saying that, Fu Qing squatted in the main gate of Jiangwan villa, she was waiting here. She doesn't believe Huo Dongyang can't come out!

Huo Dongyang heard the reply from the security room. For the first time, he felt that Fu Qing, who had been so proud, would be so shameless.

There is more than one door in and out of Jiangwan villa. Is this really good? He was also speechless at the thought of it. Yun Yiming really has a great mother! It's a pity that they all made a mistake.

In the evening, Huo Dongyang receives a phone call from John, saying that because of Yun Yiyan's affair, Gao Hao's affair has also been blown out. That would be a good thing for Hammond.

After listening to Huo Dongyang, he also looked happy, "OK! John, you follow up. "

"Boss, don't worry! The problem should not be big now. "

Qiao Wei to Huo Dongyang brought good tea, a door to see Huo Dongyang put the mobile phone down.
"Whose call."

"John。 "

"Is there any progress in Uncle Xia's affairs?" Qiao Wei a listen, immediately follow the reaction. If it is, then it should be a happy thing.

"Yes. It should be found out soon. " Huo Dongyang replied.

Qiao Wei is also happy to hear such an answer. "If so, it would be great! In this way, senior students don't have to worry so much! "

It seems that everything is going in a good direction, so that all people will be much more relaxed.

At more than nine o'clock in the evening, the news came from the gate post that Fu Qing was in a coma because of his lack of physical strength. Huo Dongyang frowned at the news. Finally, Huo Dongyang or sent Fu Qing to the hospital.

Cloud Mu Xin can only follow along, because there is no one around Fu Qing. In the end, only Yun Muxin can take care of her.

Yun Muxin accompanied by Fu Qing's side, she looked at her pale mother, as if she had become very old all at once, and her eyebrows had been frowning. It seemed that she felt uneasy in her dream.

Yun Muxin reached out and adjusted Fu Qing's situation, and then sat down again. She sighed a little, "Mom, why do you make yourself like this for big brother?"

As soon as Yun Muxin's words fell, Fu Qing immediately opened her eyes, but her eyes were empty and did not have a look. "Yi Ming, don't be afraid! Mother will save you! "

Then Yun Mu Xin saw Fu Qing sitting up. She reached out and pulled out the needle on the back of her hand. Then she wanted to get out of bed.

Yun Muxin quickly pressed Fu Qing with his hand, "Ma! What are you going to do? "

"I'm going to save my son!" Fu Qing said anxiously.

"Mom, when are you going to wake up?" The voice of Yun Mu Xin is very high.

Fu Qing was frightened by the voice of Yun Muxin. "Who are you?! Why stop me from saving my son

Yun Muxin was asked by Fu Qing, and his heart became uncomfortable. "Mom, you don't remember who I am?"Fu Qing looked flustered. She pushed away the cloud and said, "who are you? Why are you here! "

"Mom..." Yun Muxin saw such Fu Qing, she realized that the situation was not right.

Fu Qing heard Yun Mu Xin calling her mother, and her eyes suddenly became fierce. "I remember, you are the slut of moling! You still have the face to show up in front of me. Do you know my son was killed by you? You're here to kill me, aren't you? "

Yunmu wants to reach out and pull Fu Qing, but in turn, Fu Qing grabs him. "What are you going to do! You want to kill me, don't you? "

Facing a strange Fu Qing, Yun Muxin really doesn't know how to deal with it. "Mom, I'm a admirer."

Fu Qing listened to Yun Mu Xin's words, there was a moment of hesitation. "Admiration?"

"Yes, I am admiring!"

Just when Yun Muxin wants to free her hand, Fu Qing doesn't know where she comes from. She pulls Yun Muxin over and reaches out to give her a loud slap!

Yun Muxin was not defensive at all. She just felt a buzz in her ears, and then felt the burning pain on her face.

Fu Qing said with a smile, "Mo Ling, you dare to cheat me! But Fu Qing is not a vegetarian! I won't be cheated by you Finish saying, she directly pinches cloud Mu Xin's neck, "Mo Ling, you kill my son, I will let you die!"

Yun Muxin felt that she was suffocating. She patted Fu Qing's hand with her hand and said very hard, "Mom I am admirer

Fu Qing has lost her mind, her eyes are full of hate, that is, the kind of hate to drink your blood dig your heart. "Mo Ling, you cunt, you want to cheat me. I won't let you succeed! Go to hell

Yun Muxin looks at Fu Qing, who has already shown madness. Her tears fall from the corner of her eyes, and her consciousness becomes a little fuzzy.

"Mom..."

[Chapter 263](#)

Yunmuring slowly closed his eyes, Fuqing forcefully pinched yunmuring's neck, and wanted her to die.

Just as yunmuring was losing consciousness, she suddenly felt her hand was released by her neck. Cloud muring eyes slightly open a little, vaguely as if to see a familiar figure.

I was so upset that she was in a coma

Xia yueqian saw cloud muring past, he hurriedly pushed Fu Qing away, and then quickly held yunmuring. Fu Qing was pushed by Xia yueqian, and the whole man fell on the ground.

"Moose, are you ok?" Xia yueqian reached out and patted the face of yunmuring gently.

Seeing that yunmuring did not respond, Xia yueqian immediately picked up her. He looked back at Fu Qing, who was lying on the floor, and gave her a look of disgust.

"Fu Qing, I think you are really crazy! My daughter and enemy are not clear! " Xia yueqian was angry.

Just now he heard that yunfuqing was sent to the hospital, and yunmuring was taking care of her. So I want to come and see it. I don't think I see this picture. Fuqing actually wanted to strangle yunmuring, and also heard her mouth say those words. Fu Qingzhen is not clear, she even Mo Ling and yunmuring have not clearly, it seems that the real disease is not light!

Xia yueqian walked out of the ward holding yunmurin and arranged other nurses to watch Fu Qing.

In the morning.

Yunmurin opens his eyes and looks at the snow white ceiling.

"Wake up?"

Hearing the voice, yunmuring turned her head, she saw Xia yueqian sitting beside herself.

"What do you think?" Xia yueqian asked.

"What's wrong with me?" Asked Yun murmuring softly.

Xia yueqian looked at her gently. "You don't remember?"

Yunmurin closed her eyes and flashed through some fragments in her mind. She opened her eyes again and looked at Xia yueqian and asked, "my mother, she..."

Xia yueqian nodded. "Well, there's a problem with her spirit."

Hearing Xia yueqian's words, yunmuring struggles to rise. Xia yueqian quickly reached out to help her. "You slow down."

"How's my mother doing now?" Cloud murxin grabbed Xia yueqian's hand and asked.

"I had her sedatives given, and it would have been sleeping." Xia yueqian replied.

Cloud mu heart thought of Fu Qing that almost distorted appearance, she still felt afraid! I heard that the mental patients are crazy, there is no bottom line!

Xia yueqian clenched the hand of yunmurin. "Fortunately I happened to pass by, or your life would be gone."

Cloud murxin looked at Xia yueqian, and she saw that he had those lights in his eyes. The heart of yunmurin trembled and immediately took his hand back. "I want to call my uncle."

Seeing the reaction of yunmuring, Xia yueqian's eyes darkened. Her response was not good for herself. He went on to say, "I've informed him."

Just after that, huodongyang and Xiangqing entered the ward.

"Uncle!"

Huodongyang nodded, "what do you think?"

"I'm fine." Answered yunmurin. "My mother, she..."

Huodongyang interrupted yunmurin, "I already know, look at her situation tomorrow, I will arrange."

Yunmuring is full of gratitude when he hears huodongyang. Fortunately, he is, or I really don't know what to do! "Uncle, thank you!"

"No thanks." Huodongyang replied. He thought that Fu Qing had some situations earlier, but he didn't expect that there was a problem.

Huodongyang looked at Xia yueqian. "Thank you for saving your heart today."

"No thanks!" Xia yueqian said he was staring at yunmuring. But yunmuring missed his eyes and ignored it.

Huodongyang also noticed the problem between the two people. He thought about it and asked Xia yueqian, "you can leave hospital, moxin?"

Xia yueqian looks at huodongyang, and he knows what huodongyang means. "I suggest staying in the hospital."

"Uncle, I'm fine!" Yunmuring said in a hurry that she didn't want to stay in the hospital.

Huodongyang nodded. "Then I'll take my heart back."

Xia yueqian can not find an excuse to stop it now, but he can only be silent. If he chooses the words clearly, he estimates that yunmuring will certainly avoid himself, which is not conducive to the future development. After thinking about it, Xia yueqian can only bear it.

Huo Dong Yang certainly will not give Xia yueqian the opportunity to speak, "prime, embrace the heart to go."

"He didn't expect huodongyang to come to this place suddenly," ah? "

"I don't understand?" Huodongyang looks at Xiangqing with eyebrows.

Xiangqing shook his head and answered directly. "Yes!"

Xiangqing held yunmuring up before, and yunmuring buried his head on his shoulder.

See this scene of Xia yueqian, the heart has been acid. He looked at Xiangqing jealously holding yunmuring, and his eyes were staring at him.

Xiang Qing also felt Xia yueqian's strong eyes, even if he knew how to know what happened. This summer Yue Qian likes yunmuring! The item prime eyes look at huodongyang bitterly, why must regard oneself as the target! Huo Dongyang didn't pay attention to Xiang Qing. He looked at Xia yueqian and said, "Mu Xin, I'll take it back first. If Fu Qing's report comes out, please let me know! "

"Huo Dongyang, you mean it

"I don't know what you're talking about!" Huo Dongyang replied and turned out of the ward.

On the way back to Jiangwan villa, Yun Muxin has been leaning against the window, looking at the outside with some empty eyes.

After Huo Dongyang dealt with the documents, he looked at Yun Muxin and asked, "what are you thinking?"

Yun Mu Xin took back her eyes, and then she looked at Huo Dongyang and said, "uncle, do you think that once people lose their senses, will they really do some crazy things?"

"Yes Huo Dongyang replied. "Are you scared by your mother today?"

Cloud mu heart nodded, at that moment, when Fu Qing pinched her neck, she really felt the breath of death! If not Xia yueqian appeared in time, he really died like this.

Huo Dongyang knew that cloud Mu Xin must be scared, "you don't want to think about it again."

"Uncle, my mother regards me as moling and wants me to die!" Yun Muxin continued. "She didn't seem to know who was who, and it seemed to be more serious than we wanted to be."

Huo Dongyang did not make a sound again, Fu Qing was stimulated and beaten one after another, or in her heart had completely collapsed.

"Uncle, I think moling is very exciting to my mother." Yun Muxin really felt Fu Qing's hatred for moling.

Huo Dongyang nods. "Mo Ling destroyed Yun Yiming. Your mother must hate her very much!"

Cloud Mu Xin nodded repeatedly. "Well! It's really the feeling that you want to tear up moling! "

"Or she'll wake up only when she sees the real mulling."

Cloud Mu Xin or heart palpitation, "Mo Ling has not found it?"

Huo Dongyang nodded, "it should be fast."

Just finish saying, Huo Dongyang's mobile phone rings, see is Jason's number. He picked it up immediately.

"hello!"

"Boss, Mo Ling has news."

But then, Huo Dongyang's face suddenly changed after hearing Jason's words.

[Chapter 264](#)

See Huo Dongyang put the mobile phone down, cloud Mu Xin's voice also dare not big.

"Uncle, what's the matter?"

Huo Dongyang looks at cloud Mu Xin, just a sigh, but this sigh, let a person feel that he has some small willingly.

Xiang Qing also heard that, and he asked, "boss, what's the matter? Is it moling who ran away again

Huo Dongyang shakes his head. He looks at Jason's detailed information. He looks down at the specific situation.

Cloud Mu Xin see Huo Dongyang's appearance, guess should be what happened to moling. Otherwise, uncle will not appear such helpless and unwilling expression.

"She's dead." Finally, Huo Dongyang said three words.

Hearing this news, Yun Mu Xin and Xiang Qing are both stunned and asked again: "dead?" Two people don't believe that Mo Ling, who has been lucky to escape for three times and four times, is so dead this time?! If this is the case, then it is still a little speechless. Moreover, it's too cheap. Moling, if a person as

cruel as she was put in ancient times, she would have been subjected to torture. Then she would either be dismembered or put to death!

It's too cheap for her to die in silence! They all felt that such a death was really unacceptable.

Xiang Qing continued to speak. "Boss, I think it's too cheap for her. I knew that we should have caught Mo Ling and tortured her severely. Otherwise, it would be very hard for us to get rid of it! "

Cloud Mu Xin heard such words, suddenly a smile. "Brother Xiang Qing, you are in the back of the horse."

"I am not! I would have done it if the boss hadn't stopped me Xiang Qing retorted.

Cloud Mu Xin looked at Huo Dongyang and then asked, "uncle, how did she die?"

Huo Dongyang handed the mobile phone to Yun Muxin, "look at it yourself. But it's really a pity that everything I've prepared is useless. "

Yun Muxin takes Huo Dongyang's mobile phone and looks at it carefully.

There was a sudden problem in the flight of moling to the United States. As a result, the plane had to make a forced landing. Flying and landing on a tourist island which is still some time away from the United States. Just waiting for the rescue time, moling did not listen to the arrangements, a person left privately. I'm afraid I'll be caught in the United States, and I'll drag my suitcase when I'm not paying attention.

In the local tourist shopping center, the result is very rare Gang fighting. And then she just ran into the camp of the two sides, and directly became the target of both sides. Standing in the middle of the street, he was shot by both sides for many times, and he fell to the ground and died.

After Mo Ling died, her money and valuable things were divided up, and she could only lie in the cold street with her eyes open.

Later, the local police arrived and found her passport on her. Only in this way did she inform her family in the United States that Jason knew about Mo Ling.

In the end, moling ended up with a tragic death in a foreign land, but it was also her own sin that she could not live! Can not blame others!

"Uncle, moling's death is really beyond everyone's expectation." Yun Muxin said.

Huo Dongyang did not answer. He looked out of the window. In fact, the world is fair. It's not that we don't report, but it's not time.

Back to Jiangwan villa, Huo Dongyang let Yun Muxin have a rest. He went upstairs to see Qiao Wei. He opened the door of the room. He saw Qiao Wei sitting on the bed, his head resting on the head of the bed, asleep, with a book beside him. It seems that I want to wait for myself to come back, but I still can't support myself to fall asleep.

Huo Dongyang went up and helped Qiao Wei lie down. When he just wanted to make a good quilt for her, Qiao Wei suddenly opened his eyes.

"Dongyang, are you back?" Asked Qiao Wei.

Huo Dongyang nodded, "Hmm!"

Qiao Wei struggles to get up, but Huo Dongyang reaches out and presses. "Sleep, don't get up."

"How's Mu Xin? I wanted to wait for you, but I fell asleep again Qiao Wei said with some remorse.

Huo Dongyang then replied: "Muxin is OK, I have brought her back."

Hearing that Yun Muxin is OK, Qiao Wei is also relieved. "It's OK. What about Fu Qing? "

"Xia yueqian gave a preliminary diagnosis that she was stimulated and had some mental symptoms."
Huo Dongyang replied.

When Qiao Wei heard this, he blinked in disbelief. "Mental problems?"

"Well, now I want to see the detailed report from Xia yueqian."

Qiao Wei also seems to be able to imagine Fu Qing's appearance, can not help but also hit the spirit. She can even imagine Fu Qing pinching Yun Mu Xin's neck.

"Mu Xin, are you scared?"

Huo Dongyang nods. "Yes, indeed. Fortunately, Xia yueqian just appeared and saved Mu Xin, otherwise the consequences would be serious. "

Qiao Wei really sighed that a good person turned out to be like this. People really can not foresee their own future, really cherish the present.

Qiao sighed and said, "this Fu Qing actually wants to let Mu Xin die. It's really unbelievable.""He took Mu Xin for Mo Ling." Huo Dongyang replied.

Qiao Wei opened his eyes wide, and seemed to be unable to believe it. "What does this mean? Fu Qing regards Mu Xin as Mo Ling? Is she insane? "

Huo Dongyang nodded, "it seems like this!"

Qiao Wei thought for a moment, as if he could figure out why Fu Qing did it. She is mark moling who destroyed Yun Yiming! That's why I hate moling so much!

Huo Dongyang's face was also tired. He didn't change his clothes and just lay down beside Qiao Wei.

Qiao Wei turned over with difficulty and saw Huo Dongyang's appearance. Qiao Wei frowned. He was really distressed that Huo Dongyang was so tired. "Dongyang, you are tired."

"I'm fine. Just sleep." Huo Dongyang said.

Qiao Wei also can see from Huo Dongyang's eyes that he has something on his mind. She frowns, "is there anything else?"

Huo Dongyang showed a smile, he reached out and took Qiao Wei into his arms. "I really can't hide anything from you!"

"What's the matter?" Qiao Wei buried his head in Huo Dongyang's arms.

"Moling is dead." Huo Dongyang said it lightly.

When Qiao Wei heard the news, he was stiff. Did Mo Ling die? How could this happen? Qiao Wei has always thought that she is a small Qiang who can't fight to death. Every time she comes to her rescue, she even makes a comeback. Knowing that she would go back to America that day, Jovi even thought she would stand up again. One day, she will appear in front of everyone in a different way. As a result, I was surprised to hear such a news.

Qiao Wei also wants to continue to ask how moling died, but Huo Dongyang's snoring has already sounded in his ear. He's asleep!

Qiao Wei adjusted his movement, changed a comfortable position, and then closed his eyes. Forget it, let Huo Dongyang have a good sleep, which is more important than anything.

[Chapter 265](#)

The next day.

Huo Dongyang received Fu Qing's examination report, and the diagnosis result really came out. Fu Qing's situation is really not optimistic.

Xia yueqian is also asking for the meaning of Huo Dongyang, "what are your plans. I hope you accept my advice. "

Huo Dongyang thought for a moment. "I'll be there later."

"Yes. Then I'll wait for you. "

Huo Dongyang understood Xia yueqian's meaning. He meant to send Fu Qing to a mental hospital. This is only the best way to ensure that the damage to others is minimized.

Huo Dongyang also agrees with this point. Fu Qing's situation really needs special care. And now no one in the cloud family can take care of her. Yunzhou is lying in the hospital. Yun Yiming has been detained, but Yun Muxin is powerless. The shadow of yesterday's incident has not gone away. If Yun Muxin also takes Fu Qing, it will be difficult to find an object in the future.

Huo Dongyang thought about it for a while, but he still felt that Xia yueqian's suggestion was good, and he should be sent to a mental hospital. It's good for everyone. Whether selfish or not, Huo Dongyang feels that we should deal with it like this!

After that, he told Yun Muxin about the decision. After hearing Huo Dongyang's words, Yun Muxin also fell into meditation. In fact, she didn't want to see her mother sent to such a place, but if the current situation does not go, I'm afraid she will hurt others. If you go to a place like that, you can't get out of it in your life.

TV dramas often have such plots. After entering places like mental hospitals, people who are not crazy will also be tortured into madmen, and madmen will only be more crazy! Thinking of this, Yun Muxin frowned. She was really worried about Fu Qing's future life.

"Uncle, do you really want this?" Cloud Mu Xin still some can't bear to ask.

Huo Dongyang looks at Yun Muxin and knows that she is in contradiction. And this girl is also kind-hearted and doesn't want to do such a cruel thing. Cloud Mu Xin frowns, seems to be waiting for Huo Dongyang's answer.

Huo Dongyang continued: "Mu Xin, out of the consideration of your life safety, I still hope to send her in."

Cloud Mu Xin pursed his mouth and knew that Huo Dongyang was so good for himself. She lowered her head as if thinking.

Huo Dongyang looked at the time, "I have something to go out."

Yun Muxin knows that Huo Dongyang's time is precious, so she can't delay Huo Dongyang's time. "Uncle, can I meet my big brother?"

"Are you going to see him?"

"I want to tell him about it if I can." Yun Muxin still thinks that he wants to talk to Yun Yiming about his mother. After all, his mother has become like this because of him.

Huo Dongyang takes a look at Yun Muxin. "Well, I'll make arrangements."

"Thank you, uncle."

That afternoon.

Xiang Qing sends Yun Muxin to meet Yun Yiming.

Along the way, they did not make a sound until they reached their destination.

"Miss Mu Xin, I'll wait for you at the door." Xiang Qing said.

Yun Mu Xin nodded, "yes."

At this time, Yun Muxin is sitting in a sealed room with a glass wall in front of it. Yun Muxin has seen this situation on TV. Now it's her turn to sit here. She feels uncomfortable.

After a while, a prison guard escorts Yun Yiyan out.

Yun Yiming looks very haggard, it seems that these days have not been very good. When he saw Yun Muxin, he became excited and even tried to open the prison guard for a time.

However, he was still held by the prison guard and forced to press him on the chair.

Cloud mu heart see such a picture, the heart is also not good. At the beginning, the scenery of the clouds was unlimited, but now it has become a prisoner. Such changes and differences make the people who look at it feel very difficult to accept, let alone himself! Only at this time, they have to accept!

After sitting down, Yun Yiming immediately asked, "where's mom? Why did you come? " Yun Yiming clearly remembers that day, Fu Qing himself said he wanted to save him, so he had been waiting.

Cloud Mu Xin's eyes are disappointed, it seems that in his heart only this belief. Maybe it's his hope to live. And now she's coming to break that hope.

"Big brother! Mom can't come. " Yun Muxin said after adjusting his mood.

Hearing this, Yun Yiming became excited. "What do you mean by that?"

Yun Muxin looks at Yun Yiming and tries to breathe deeply. "Mom I'm sick. "

"What does it mean to be ill? How can she get sick at this critical time? Doesn't she know I'm waiting for her help? " Yun Yiming is very excited at this time, and his heart is even more flustered.

In the past, Fu Qing would help himself to deal with anything. How could she not save herself now? How can she get sick at this time! She is evading her responsibility!

Thinking of this, Yun Yiming becomes impatient. "So she's going to leave me alone?"

When Yun Muxin sees the change of Yun Yiming, he feels disgusted. "Big brother, how can you say that?" "She said she would save me. Now there is no way, she deliberately pretends to be ill and doesn't come to see me? " Yun Yiming thinks differently from Yun Muxin.

Cloud Mu Xin heard here also angry, her voice rose. "Yun Yiming, you know yourself! You don't care about anyone else. It's just for you that my mother will get sick

Yun Yiming glared at Yun Mu Xin, "so what are you here for today? To laugh at me? Or look at my situation? Huo Dongyang should have asked you to come! "

"Is that all you can think of at this time?" Yun Muxin is completely angry. If she can, she really wants to give Yun Yiming a slap in the face.

"Isn't it? Huo Dongyang wants me to die now! He will certainly do everything possible to prevent anyone from saving me. "

Yun Muxin is really angry to laugh. "Yun Yiming, you have a problem with your brain! You will have today is your own cause! First you coveted grandfather's property, then you killed him. Then he went on to deal with the second brother and let people do tricks on his car, causing him to become what he is now. And now? You ask your mother to save you, and she's going to be sent to a mental hospital in the afternoon because of all this crap. Are you satisfied with all this? "

Hearing Yun Muxin's words, Yun Yiming is completely stunned and seems to be digesting Yun Muxin's words.

Seeing the appearance of Yun Yiming, Yun Muxin sighs. It's too late to wake up.

"You mean mom..."

"Yes, because you have become a mental patient!" Said Yun Muxin in a loud voice.

Yun Yiming blinked, but he didn't want to believe it was true. In his impression, his mother is omnipotent and tenacious! She won't be like this!

Seeing Yun Yiming's appearance, Yun Muxin continued: "I want to tell you one more thing."

"Moling is dead."

[Chapter 266](#)

All of a sudden, the surrounding air seemed to solidify.

Yun Yiming seems to have lost his soul. He has no reaction for a long time. His expression is even more unbelievable than hearing that Fu Qing is crazy.

After a while, Yun Yiming began to speak. "What did you say?"

Yun Muxin can see from Yun Yiming's reaction that he has feelings for Mo Ling, otherwise he would not show such an expression. Yun Muxin repeated again, "I just said moling was dead."

This time, Yun Yiming really listened, but he still didn't believe it. "She really Dead? "

Cloud Mu Xin nods. "Yes, I heard that he died miserably. Almost all of them were warheads."

Yun Yiming glared, "warhead? So what do you mean... "

"She was strafed to death." Cloud Mu Xin answers. "Died in a foreign land. It's her retribution. "

Although Yun Yiming has also thought about Mo Ling's death, he can't help feeling uncomfortable when he hears the news of her death.

Yun Muxin looked at the time and it seemed that it was almost over. "Big brother, some things are not what you want to do! If you do something wrong, you should bear it. "

Yun Yiming frowns at Yun Mu Xin. Although his eyes are sad, his tone is still not good. "You all want to see me die! I know that very well! "

"Big brother, everyone has to pay for what they have done wrong. Do you dare to say that it has nothing to do with you

Yun Yiming's eyes were bloodshot. He said with red eyes, "I didn't participate in all these things. Dad did it by himself, and dad rolled down the stairs by himself, which has nothing to do with me! As for Yun Yiyang, I just wanted to teach him a lesson, but I didn't expect that man would cut the brake belt of the car. So I'm not guilty at all

Yun Muxin frowns. According to Yun Yiming, he is at most an accomplice. Everything else has nothing to do with him? Why doesn't he think about who will benefit from these things?

Yun Muxin stands up. Anyway, her task today has been completed, so she doesn't want to continue with Yun Yiming. If he is guilty or not, wait for the law to give him a trial!

"Are you going?" Yun Yiming looks up at Yun Mu Xin.

"Yes, my task has been completed." Cloud Mu Xin answers.

With that, Yun Muxin also hardened her heart. After going out from here, she won't pay attention to anything about Yun Yiming. In the future, she will start a new life, and her relationship with Yun Yiming is over.

Yun Muxin ignores all kinds of roars of Yun Yiming behind her. She straightens her back and goes out.

Just out of the door, Xiang Qing drove the car over.

"Brother Xiang Qing, stop at XX road later. I want to buy a cake." Yun Mu Xin opens his mouth.

"OK." Xiang Qing nodded.

When Yun Muxin walked into the room with the cake, he saw John coming.

John saw the cake in Yunmu Xin's hand. "Oh, isn't that what I like to eat?"

Yun Muxin quickly hid the cake behind him. "I bought it for my aunt."

"You're wrong, baby. I'm all guests. Shouldn't I be entertained first?"

Cloud Mu Xin shook his head seriously, "get out of here and cool off at the same time!"

John had a cry on his face. "You bully me, I'm going to tell boss!"

"I think my uncle will support me." Yun Mu Xin said definitely.

When Jovi came out of the kitchen, he heard them both fighting. "It's cold. We all sit down and have a cup of hot tea."

Yun Muxin handed the cake to Qiao Wei, "Auntie, I bought it for you."

Thank you Joe grinned and reached for it.

John's face is not happy. People in this family are almost as virtuous as boss, and they basically ignore themselves in this way. He leaned back on the sofa. "When will boss be back?"

"I don't know." Replied Jovi.

Huo Dongyang went to the hospital to discuss Fu Qing with Xia yueqian, so there was no way to estimate the time.

John came home to talk about Xia Mingde. Now is definitely a good time. While Gao Hao has a lot of things to do now, Xia Mingde's business will surely be solved smoothly.

Yun Muxin knows that Huo Dongyang went to the hospital to deal with his mother's affairs. When he thinks of what happened last night, he is still afraid. It was the first time I smelled the smell of death, and now I think of the pores will still stand up.

Half an hour later, Huo Dongyang came back with Xia yueqian.

Xia yueqian heard that John was here, so he came back with Huo Dongyang. On the one hand, he could talk about the situation of his father's case; on the other hand, he wanted to help Yun Muxin. See that low head of cloud Mu Xin, to tell the truth, Xia yueqian heart is angry!

Yun Muxin sees Huo Dongyang come in, and actually wants to ask Fu Qing about the situation. But knowing that they had something to talk about, she and Qiao Wei could only avoid it first. Qiao Wei looked at cloud Mu Xin lying on the bed. She said with a smile, "Mu Xin, do you mean to avoid summer yueqian?"

"Auntie, I don't have one." Yun Muxin immediately turned over and said.

"Really?" In fact, Qiao Wei has long wanted to ask about Yun Muxin and Xia yueqian, but has never had a suitable opportunity. Now there is just such an opportunity.

Qiao Wei looks at Yun Mu Xin. "Mu Xin, do you feel for Xia yueqian?"

Cloud Mu Xin a Zheng, have feeling again how can? It's impossible for her and him. Because of his relationship with Yun Yiyan, Yun Muxin doesn't want to make things so complicated.

"No? Or is there? "

Instead of answering this question, Yun Muxin said, "Auntie, I want to live a little more relaxed."

Qiao Wei heard Yun Mu Xin's words and knew that she didn't want to talk about the topic related to Xia yueqian, and she didn't go on. Emotional things can not be forced, is your love I wish.

"I see." Replied Jovi.

That night.

Xia yueqian actually promised to stay for dinner, which made Qiao Wei a little surprised. And Xia yueqian said that she had promised Mary to eat at home.

"Weiwei, why are you looking at me like this?" Xia yueqian asked with a smile.

Qiao Wei Duan detailed after a time, the mouth said: "I see you are drunk, the meaning is not in wine."

"Yes." Xia yueqian nodded, and he did not deny it.

Joe laughed and shook his head. "But you, the king of Xiang, have a dream and have no intention. I think it's all right."

Hearing Qiao Wei's words, Xia yueqian is also nervous. "Yun Mu Xin, she is not interested in me?"

"Well!" Joe nodded.

Xia yueqian frowns tightly, is it true that he will be wrong? "This shouldn't be!"

"Why not?" Huo Dongyang's voice came. "In my opinion, you and admirer don't match."

Xia yueqian was said by Huo Dongyang, and his heart was even more uncomfortable. "Not worthy? Who is it? "

"I don't want Mu Xin to marry to your Xia family, because it's complicated! I think Xiang Qing is very good. "

[Chapter 267](#)

Huo Dongyang gives this reply, let Xia yueqian whole person is very uncomfortable.

Qiao Wei looks at Huo Dongyang on the left and Xia yueqian on the right. Are these two people going to fight? In fact, yunmuxin has not given a clear reply so far. How can we make such a decision?

Sometimes I don't quite understand what Huo Dongyang is really for. In fact, she thinks Huo Dongyang should know Yun Muxin's mind, but what does he want to say about Xiang Qing?

Huo Dongyang saw the doubt on Qiao Wei's face. He then said, "this is what Mu Xin said. She said she would marry Xiang Qing."

As soon as this word comes out, Qiao Wei and Xia Yue Qian's eyes are staring at very big.

"Mu Xin really said that?" Qiao Wei didn't believe it. Why didn't Yun Muxin tell himself just now!

Xia yueqian's face also pulled down. Is it really the Xiang Qing that Yun Muxin likes? Or is this her cover up to blur the point?

Huo Dongyang is clear about Yun Muxin's mind. Experience last time that thing, her heart bear a lot of pressure, for looking for a boyfriend this matter has not valued. In addition, she avoids suspicion of the relationship between Xia yueqian and Yun Yiyan. Even if she has feelings for Xia yueqian, she will hide it.

Although Yun Muxin seems to have no worries on the surface, his mind is very delicate. These questions, or she had thought about them many times, just didn't say it.

And he has no bad views on Xia yueqian. If he really likes Yun Mu Xin, he also nods and agrees. Just before he agreed, he still tested Xia yueqian. Yunmuxin is now his family, and he doesn't want yunmuxin to choose the wrong person. So he pulled Xiang Qing in to test Xia yueqian's reaction and attitude. This is a consignment before the completion of YUNZHUO.

At dinner time, all the people sat together for dinner.

Xia yueqian specially chose a seat opposite to Yun Mu Xin, but when he wanted to sit down, Mary said, "doctor Xia, you are a guest, how can you sit there?"

"Grandma, it's OK! It's the same sitting there. " Xia yueqian replied.

"No, no, no, no, please come here and I'll reserve all the seats for you." Mary pointed to the position next to Huo Dongyang.

Xia yueqian took a look at Yun Mu Xin, and she really didn't react at all. In the heart is angry again, what does she want in the end?!

Huo Dongyang nodded to Mary, saying that he had done well. Mary also immediately gave Huo Dongyang a look. Of course, all of this was seen in Qiao Wei's eyes, but she did not change her voice.

Xia yueqian can only change to sit next to Huo Dongyang. His eyes are a little discontented with Huo Dongyang, as if to say that he is intentional. Huo Dongyang didn't pay any attention, and there was no expression on his face.

Xia yueqian can only bear it. Huo Dongyang's current practice is to be a father, who is trying to marry his daughter. After sitting down, Xia yueqian looked at Yun Muxin again. She seemed to have no movement at all. Is it true that you will be wrong? She really has no idea about herself.

Mary looks at all directions, and she is also happy to see Xia yueqian and Yun Muxin, but she and Huo Dongyang share the same opinion. How can Xia yueqian take good care of Yun Muxin.

At this time, Huo Dongyang sent out to buy red wine from Xiang Qing.

"Boss, the red wine you asked for has been bought back." Xiang Qing put the red wine aside and was ready to leave.

Huo Dongyang stopped Xiang Qing. "Sit down and eat together."

Xiang Qing couldn't believe it when he heard this. Seeing the meal in front of me, I feel it's a Hongmen banquet. What does the boss want! Xiang Qing suddenly felt like he was pushed to the top of the storm.

Also because of Huo Dongyang's words, all people are looking at Xiang Qing, waiting for his reply.

Xiang Qing's heart is fluffy, what is this to do! Everyone looks at their own expression is almost different, so let Xiang Qing don't know what to do?!

"Muxin, go get the chopsticks for Xiang Qing." Huo Dongyang spoke again.

"Oh Yun Muxin immediately stood up and went to the kitchen.

"Just go by yourself." Xiang Qing also followed him into the kitchen when he saw this. He was not blessed to accept such treatment.

Xia yueqian stares at the direction of the kitchen and wants to spy out what happened inside. His heart is full of jealousy.

In the kitchen.

Xiang Qingcai dares to breathe. "Miss Mu Xin, what's going on? Is the boss trying to kill me

Yun Muxin took a bowl of chopsticks and said, "uncle did this because of me."

As a matter of fact, when she came in from Xiang Qing, Yun Muxin knew what Huo Dongyang meant. She just didn't expose it, or she acquiesced in such behavior.

Xiang Qing hears cloud Mu Xin's words, also second understand. Think of things in the hospital, Xiang Qing also guessed. Xia yueqian came, and the boss pulled himself out again as a shield. Oh, how sad I am.

"Brother Xiang Qing, could you please bear with me?"

Xiang Qing looked at Yun Mu Xin, "don't you like Xia yueqian?" "Can't like it." Cloud Mu Xin answers.

"Well, for the sake of drinking with me before you, I'll help you." Xiang Qing regards Yun Muxin as his sister. Since his sister has something to ask for, he must help.

Xia yueqian looks at Xiang Qing and Yun Mu Xin coming out of the kitchen. With such a look, they are also quite matched. But think of here, his heart is the mother's pain.

Huo Dongyang took a glance, knowing that yunmuxin and Xiang Qing should talk about how to play the play, so he let them go.

At the dinner table, Xiang Qing naturally gives Yun Muxin a dish. Yun Muxin smiles and says thank you.

Mary also immediately cooperate, "Xiang Qing, you don't always give Mu Xin so much meat, she can't eat so greasy now."

"Sorry, I forgot." With that, Xiang Qing immediately put all the meat in Yun Muxin's bowl into his own bowl, and then put some vegetables for Yun Muxin.

Xia yueqian looks at that pair of chopsticks clip to clip, occupational disease also made, they do not feel so unhygienic?

In short, Xia yueqian felt that he could not digest the meal. When Huo Dongyang sent him out, Xia yueqian glared at him. "Mr. Huo, is it necessary for you to do this?"

"What's wrong with me?" Huo Dongyang asked.

"This is arranged marriage, which hinders the freedom of love." Xia yueqian said. "You don't want me and Yun Muxin to be together. Your idea is wrong. You are feudal!"

Huo Dongyang smiles when he hears it. "Ha ha, I am feudal? If I were feudal, what would Joe and I be? Xia yueqian, if you have the ability to chase me, don't chatter in front of me! Be a man if you want to do it! "

[Chapter 268](#)

A few days later.

There has also been a new development in the case of Hammond. All the things Gao Hao did were found out. Of course, the truth about Xia Mingde who was framed by him and Yunzhou and yunyiming was also revealed. It was soon confirmed that the relevant evidence had been sent to the superior for filing.

Xia Mingde was acquitted and left the place with too much emotion in his heart. He looked back at the high iron wall, and did not expect that he would enter here in his lifetime or come out of it.

Xia Mingde sighs, or is also a kind of punishment to own past!

"Dad Behind him came Xia yueqian's voice.

Xia Mingde looked back and saw Xia yueqian standing not far away, "the more modest, you come."

"Well, I'll pick you up." Xia yueqian nodded.

"Good!" Xia Mingde nodded.

Xia yueqian drove Xia Mingde home. "Dad, what do you want to eat at night?"

"All right." Xia Mingde looks out the window at the scenery. For the first time, I think the scenery of city a is so beautiful. Is this the feeling of rebirth? Always feel that everything is beautiful.

"The more modest, you let Yi Yan go home for dinner at night." Xia Mingde said.

"He's very busy today. Maybe another day." Xia yueqian replied.

Xia Mingde is a little disappointed, but he can understand. "How's his leg?"

"Everything is going for the better." Xia yueqian replied. In fact, he saw the tears of Yun Yiyan several times. Whether the tears were heart pain or physical pain, people felt unbearable.

However, Yun Yiyan still insisted, which is a good thing. Now I really hope that Yun Yiyan can get up early, and he has Jian LAN watching him, so Xia yueqian can rest assured!

Xia Mingde is sorry for Yun Yiyan, so he is relieved to hear Xia yueqian say so. "The more modest, you can help me prepare a gift after I go back. I want to thank Huo Dongyang in person. I really appreciate his lawyer's help this time. I would not have come out so soon without him. "

"Well!" Xia yueqian nodded.

"By the way, what is the situation of the cloud family now?" Xia Mingde is not very clear about the outside things. After hearing John's words that day, it seemed that there were accidents in Yunzhou and yunyiming, so he got the evidence.

Xia yueqian did not immediately answer, thinking of the once beautiful cloud home, he really did not expect to fall into such a field. Since the death of YUNZHUO, the cloud family has been ruined.

Xia Mingde saw Xia yueqian's appearance and knew that the matter was serious.

"Dad, a lot has happened this month." Xia yueqian replied. "Yunzhou became a vegetable, Fu Qing went crazy, and Yun Yiming went in."

After hearing this, Xia Mingde was stunned. "What, is it true?"

Xia yueqian nodded. "Really, I have witnessed all these things. It's their karma. And that Mo Ling, I heard that he was killed abroad

Xia Mingde shakes his head again and again, and the cloud family is completely destroyed. January is very short, but it really happened a lot of things, and even changed a lot of things.

The next day.

Xia Mingde goes to the hospital to see Yunzhou. Everything was quiet except for the sound of the machine in the room. Looking at the head wrapped in a thick bandage, Xia Mingde frowned.

Xia Mingde sat down on one side. "Yunzhou, after 29 years, you and I are old. But I didn't think we would meet in this way. I really didn't expect that you would become like this! "

"Now think about the time when I gave you Yi Yan, it seems like yesterday. It's been 29 years since we arrived first. Before coming, I really want to curse you, but I think it's OK to see you like this. When's the time for retribution, right? "

When Xia Mingde comes out of the ward, he happens to meet Huo Dongyang, who comes to pay the medical expenses.

"Mr. Huo, why are you here?"

"I'll pay." Huo Dongyang replied.

Hear Huo Dongyang's words, xiamingde after a while to react to his meaning. It seems that Huo Dongyang is responsible for the hospitalization expenses and nursing expenses of Yunzhou.

"Mr. Huo is very broad-minded."

"No! This is what YUNZHUO left him. I won't be so kind. " Huo Dongyang replied.

Xia Mingde recognized Huo Dongyang's irony and nodded his head.

Xia Mingde and Huo Dongyang walk out of the hospital gate together.

"Mr. Huo, when are you free? I'd like to visit."

"I've been busy recently. I'll make an appointment again." Huo Dongyang replied.

"OK."

After Huo Dongyang got on the bus, he took a look at Xia Mingde who was still in place. Now he is a little thin, and people's mental state is not as good as before.

He knew that Xia Mingde wanted to visit his home just to thank himself for helping him. Then he estimated that Xia yueqian was the current lobbyist. So Huo Dongyang doesn't want to deal with these things now.

"DriveHe nodded and started the car. "Boss, where are you going?"

"Go home."

Just after the car started for a while, Huo Dongyang received a call. The call soon ended, and Huo Dongyang said a word, "OK!"

Huo Dongyang put the mobile phone down, "go to the east suburb."

Although Huo Dongyang didn't say it clearly, Xiang Qing knew where Huo Dongyang was going! On the east side of the city, he's been there a lot lately. I've just sent Yun Muxin once last time.

Huo Dongyang then called Qiao Wei and told her that she had something to do.

"Boss, was that call Yun Yiming?"

"He asked the C.O. to call me and say he wanted to see me." Huo Dongyang replied.

Huo Dongyang is also a little surprised. Yun Yiming wants to see himself. At this time, what else does he have to tell himself?

Huo Dongyang couldn't recognize Yun Yiming through the glass. His face is decorated with colors. He should have been fighting with others, and the whole person is haggard and his eyes are empty.

But when he saw Huo Dongyang, the whole person's spirit recovered.

"You did come." This is the first sentence of Yun Yiming.

Huo Dongyang nods. "I heard you wanted to see me, so I came here with curiosity. Otherwise I would not have come to these places. "

Yun Yiming heard Huo Dongyang's satire. "Then you are wronged to go this way."

"What do you want from me?"

Yun Yiming looks at Huo Dongyang, "the cloud family is now completely ruined. Are you happy? "

Huo Dongyang's eyes are very light, "not happy in imagination."

"Huo Dongyang, don't be hypocritical. There are three main things I want you to do today

"Say it."

"The first thing is, what is grandfather's will like?" Asked Yun Yiming.

Hearing Yun Yiming's words, Huo Dongyang refreshes his view on him again. At this time, he still thinks about the will. It's really hopeless.

"Doesn't it take a year for a will to be made public?" Huo Dongyang's tone also became a little cold.

Yun Yiming will not believe these words. "Huo Dongyang, I know that your grandfather's will is in your hands now."

[Chapter 269](#)

So they looked at each other.

Yun Yiming didn't calm down and quickly said, "don't try to hide it from me. The will is in your hand."

Huo Dongyang raised the corner of his mouth, he said with a smile: "yes, the will is here."

"Well, at last you admit it." When it comes to the issue of will, Yun Yiming can't hide his excitement.

Huo Dongyang looks at Yun Yiming, but he is really speechless. "Yes, but I have never denied it."

Yun Yiming knows that Huo Dongyang's mouth is very good at speaking, so he doesn't want to continue talking with him, "I just want to know what my grandfather gave me?"

Huo Dongyang is surprised to hear this. Does Yun Yiming have any other meaning? "I don't know. I'll make it public in a year's time, as he said

Yun Yiming then said, "I want to know now!"

"Why?" Huo Dongyang asked. There should be a reason for this, otherwise Yun Yiming would not say so.

With his eyes closed, Yun Yiming seems to feel that he needs some courage to speak out. "I already know about my mother."

"So..."

"Isn't it going to cost money?" Looking at Huo Dongyang, Yun Yiming said, "although my grandfather has temporarily handed over the property of the cloud family to you. But he won't leave me a cent, will he? You take that money to pay for my mother's hospitalization

"I don't see that you still care about your mother." This is also the only time Huo Dongyang feels that Yun Yiming has such a bit of humanity.

Yun Yiming is dissatisfied and turns his eyes. "Huo Dongyang, you should be clear. I just don't want to owe you. Anyway, in the end, everything in the cloud family will be mine. I'm just paying in advance. "

Huo Dongyang's just kindled good will disappeared in an instant. Just now, I still think Yun Yiming has a little bit of humanity. But now it seems that I think too much.

"What if YUNZHUO didn't leave you any money?"

"Grandfather won't be so heartless." Yun Yiming is almost sure of this. "Even if he's really that bad, he won't be saved!"

Huo Dongyang did not say anything. In fact, Fu Qing's medical expenses and hospitalization expenses had been settled at one time for a year. Yun Muxin also came to talk to him about this matter before, hoping that he could help.

How to say again, Fu Qing is still a sister-in-law in her blood relationship. This busy, even if no one said, he would do so.

Huo Dongyang nodded at Yun Yiming's appearance.

Seeing Huo Dongyang nodding, Yun Yiming relaxed a little.

"And the second thing?"

Yun Yiming is still hesitant. "Mo Ling, she..."

"Did Mu Xin tell you?" Hearing Yun Yiming mention Mo Ling, then only this reason can be explained.

Yun Yiming nods. "Where is she now?"

"Her ashes have been sent back to her parents' home." Huo Dongyang replied.

Yun Yiming's face is not very good. Hearing her situation, he is also upset. "Moling and I haven't officially divorced, so she's still my wife in terms of legal relationship. So I want to see her. "

Huo Dongyang raised his eyelids and looked at Yun Yiming with his blue gray eyes. He seemed to have some feelings for moling, but he would not accept his request.

Seeing that Huo Dongyang did not answer, Yun Yiming knew that he would not agree. Because he was afraid that he would take the opportunity to escape. "So you mean no!"

"Yes Huo Dongyang told the truth.

"In that case, I hope you will bring her ashes back." Yun Yiming continued.

Huo Dongyang looked at Yun Yiming for a long time before he spoke. "I don't see you care about her."

"If it wasn't for you, none of this would have happened." Yun Yiming sent me to blame Huo Dongyang.

Huo Dongyang was not angry this time, "if there is no me, then what do you say about this paragraph between you and moling? To tell you the truth, you and moling do not match! She's too ambitious, and she's also a insecure person. So she saw it was all material. "

"Ha ha, so you all know it!" Yun Yiming's words are also ironic. "She did it all because of you!"

Huo Dongyang shakes his head. "It has nothing to do with me."

When Yun Yiming wanted to continue, he was reminded that it was almost time to meet the guests.

Huo Dongyang takes a look at the time. "Tell me about your third thing."

"Take good care of the things of the cloud family. When I go out, I will definitely ask you to come back!"
Said Yun Yiming.

"Where are you confident? When you come out, will there be a cloud family? " Huo Dongyang said coldly. For the present situation of Yun Yiming, if he can come out, it is estimated that it will be what kind of world it will be in 20 years. If he doesn't come out, he'll die here.

Yun Yiming smiles. "Nothing in the world is absolute. I didn't do those things, and I'm not the one to investigate! So I'll still go out! "Huo Dongyang stood up. "Then we'll see."

"Huo Dongyang, you haven't said these things. Are you willing or not?"

"The first two, I think I can help you to have a look. As for the third point, I will not agree. "

"Huo Dongyang, you are greedy indeed."

"Whatever you say. Goodbye

Huo Dongyang turned around and left. He didn't mean to look back.

Back to Jiangwan villa, Huo Dongyang sees Yun Muxin waiting at the door.

"Uncle, you're back." Yun Muxin called out.

Huo Dongyang saw her appearance, as if to go out. "Are you going out?"

"Yes, I'll go out and do something." Cloud Mu Xin answers.

Out of the consideration of security, Huo Dongyang or let Xiang Qing and Yun Muxin go together. In this way, he can rest assured that he has been on guard since the last incident. No matter what it is, it's always good to have someone around.

Huo Dongyang enters the study, and then turns to the sealed document bag that Lawyer Chen gave him last time. He watched for a long time before he began to open the file bag. Huo Dongyang had really planned to wait until a year before opening this one, but after meeting Yun Yiming, he still decided to open it first to see what was in it!

After tearing open the file bag, Huo Dongyang saw that it was also wrapped with a layer. After opening it again, Huo Dongyang saw several folders.

Huo Dongyang picked up the folder one by one, and each document was marked with its name.

But Huo Dongyang did not expect this. And there's no name in it. It's really strange! There's a folder that doesn't have a signature.

Huo Dongyang picked up the nameless folder and opened it. After browsing it quickly, Huo Dongyang had to say that YUNZHUO had so many tricks. He even counted his own and Qiao Wei's children's shares, knowing that he didn't want the property of the cloud family, so he did it.

This ginger is still old and spicy! Huo Dongyang really admired YUNZHUO for coming up with this move. It's really impossible to guard against leaving the property you don't want directly to your children! In this way, they really can't refuse. Before the child is born, he is already a little rich man.

Later, Huo Dongyang opened the folder of Yun Yiming. As expected, as Yun Yiming said, YUNZHUO would not be so heartless. He really left a lot of things for Yun Yiming.

next.

Huo Dong Yang SOHO opened all the people's folders to see.

What YUNZHUO left to yunying is his original shares of cloud family, plus a small villa. This is also a gift he prepared for his marriage, 10% of the property certificate of Yunjia, and some stocks and funds.

The part of yunying and yunying are almost the same, because before, YUNZHUO has given yunying 10% of the shares of cloud. Except for this part, it is less than yunying, and other distribution is the same.

As for the part of yunmuren, YUNZHUO left her a sum of money, which seems to be for her marriage, and there is also a set of jewelry of high value.

As for Yunzhou and Fu, they have removed 10% of the property of cloud family, and YUNZHUO left those real estate before.

The rest of the parts that were not mentioned were left to the children of huodongyang and Joe Wei. So the biggest part is all on huodongyang's side.

Huodongyang collected all the documents and he would take all of them out at the appointed time. It's not his thing, he won't want it. As for the decorated big house of cloud house, huodongyang also wants to leave it to yunying and yunmuren to deal with it.

"East Yang!" Joe Wei stood at the door of the study.

Huodongyang looked at Joe Wei, "come in."

Joe saw the torn paper bags on the desk. "You still open it?"

Huodongyang nodded. "This is what yunying means, so I opened it and looked."

Joe knew why Huo Dongyang did it, and she smiled and said, "well, I know."

Huodongyang's eyes fell on Joe Wei's stomach. "Joe Wei, we'll go out and walk for a while."

Thinking that Joe Wei's stomach will be bigger and bigger, it must not be convenient to move. So he wants to fulfill his promise before. When the cloud family is over, he takes Joe Wei out and walks, which is also a compensation for Joe Wei's honeymoon.

Joe Wei heard Huo Dong Yang mention this matter again, it seems that it is not really a joke. "Really going?"

"Of course! I'm talking. " Huodongyang nodded.

Joe knew that once huodongyang decided, he would not change, "OK! Then what I need to prepare. "

"Don't prepare so much." "He said. "You can bring some of your own needs. None of the others need to be prepared. "

"So where shall we go first?"

"HD headquarters." Huodongyang replied. I haven't been back to see it for a long time, so I want to go back and see!

Joe smiled. "OK! Public affairs and private affairs come together, right! "

Huodongyang reached out and hung Joe Wei's nose. "Yes."

For the next few days, Joe was preparing to go to the United States. I thought she and huodongyang went together. I didn't expect John and QinHao to go with each other.

Later, Joe knew that the end of the month was the annual HD shareholders' meeting, and everyone would have HD senior management and shareholders. It seems that they are really said, public affairs and private affairs are really together.

Just on the day Joe got the visa, she received a call. And the person who called was Liu Su.

Joe Wei first heard Liu Su in the phone to beg for himself, but also some really not used to. But when she heard Liu Su, she was not very good, and it would happen.

"Qiao Wei, please see if Xin Xin is your sister, help her! "OK?" It was heard that the whole man of Liusu had broken down.

"I don't know any of those human relations at all. How can I help you?" Joe Wei also had a bad face.

Liu Su immediately put the topic on huodongyang, hoping that he could help. Joe Wei would not dare to make this ticket at all. "I will only ask for you. I can't do anything else. "

When Joe Wei called huodongyang, huodongyang had already known. "I've heard about it."

"I want to..."

"I know what you're going to say. I'll go and get the news first. " Huodongyang is this reply to Joe Wei.

Soon, huodongyang called Joe again and told him everything he had learned. Joe Wei didn't seem to have expected things to change like this!

"Dongyang, can I go and see her?" Asked Joe.

"You can't go to that place." Huodongyang has no room for discussion. People in that place are more serious if they are mad than those with mental illness.

Qiao Wei is also out of the stability of the child, want to see Qiao Xin. It's just that she doesn't want to be sensational because of it. After all, it is still a drug treatment center. When those people come crazy, they are not really affordable. They want to go to Joe Wei or decide to listen to Huo Dongyang.

"OK, I'm not going." Joe opens his mouth.

After hearing Joe Wei, huodongyang finally relieved.

Afternoon.

Huodongyang arrived at the drug treatment center at the agreed time. Huodongyang looked at those people very strange, really lucky not to let Joe Wei together, or will be scared. After a while, Huo Dongyang looks at Qiao Xin. Now she has only bone and skin left on her cheek. She looked really haggard and had no light in her eyes. Even looking at Huo Dongyang, Qiao Xin's eyes are just changing a direction.

"How do you know that?"

"Your mother told me all about it, so I came to have a look." Huo Dongyang replied.

Qiao Xin suddenly smiles. "You come to see my joke!"

"I don't think so. And this is what Jovi asked me to do

"Huo Dongyang, you are so deep! Now you should be happy to see me like this? "

"I'm just impressed with what you've done."

When Qiao Xin heard Huo Dongyang's words, she not only laughed. It seems that he is only a name in his eyes.

Huo Dongyang's eyes are very flat, looking at Qiao Xin. "How did you get this?"

"It's my business, and you don't have to worry about it!" Qiao Xin's tone is also very bad.

Huo Dongyang knows that this is Qiao Xin's angry words. It's easy to get out of this place. "Since you don't have to worry about it, I'll save it."

"Qiao Wei let you see me, in fact, is to let you see my jokes, right?" Qiao Xin stares at Huo Dongyang. Why can't a man belong to himself?

Huo Dongyang saw Qiao Xin's attitude and stood up. Now that I've seen it, it's OK.

Qiao Xin saw that Huo Dongyang was going to leave, and she was a little nervous at the moment. "Are you going?"

"Yes Huo Dongyang nods. "I think you're fine now. So it's a good thing to live here. Don't worry about accommodation. I'll tell your mother that she doesn't have to worry

Huo Dongyang looked at Qiao Xin, who didn't speak, and then said, "Qiao Xin, in fact, you are also taking the evil consequences from yourself. You can't blame others."

Qiao Xin listened to Huo Dongyang's words, she lowered her head, "Huo Dongyang, I was framed!"
