

Warm Wife 27

[Chapter 27](#)

In YUNZHUO's room.

YUNZHUO looked at Qiao Wei and held her hand.

"Weiwei, you've been working hard for two years."

Joe shook his head. "It's not hard."

YUNZHUO shook his head, "you don't cheat grandfather, you and Yi Yan's matter, grandfather how much will still hear point."

"Grandfather, we're fine." Qiao Wei didn't want YUNZHUO to worry about his own affairs, so he chose to hide it.

YUNZHUO looked kind. He sighed softly, "although my grandfather is old, he is not completely confused. You hide your mind. That's really hard for you

Qiao Wei did not speak, she drooped her eyes, do not want to let YUNZHUO see their emotions, do not want to let YUNZHUO worry.

For more than two years in the cloud family, only YUNZHUO is really good to her.

YUNZHUO leaned on the rocking chair, his eyes fell on Qiao Wei's body, "tiny! If you can, leave the cloud home! "

Hearing YUNZHUO's words, Qiao Weimeng raised his head and his eyes kept flashing. I didn't expect YUNZHUO, the big parent, would say such a thing.

YUNZHUO saw Qiao Wei's nervousness and surprise. He looked up at the ceiling, and his thoughts seemed to drift a little far away.

At this time, if only he was there! It's just a pity that these are my extravagant hopes.

"Grandfather..."

After hearing the voice, YUNZHUO also collected his thoughts. He let go of Qiao Wei's hand, "Wei Wei, you are a good boy. My grandfather can see that although you and Yi Yan are married, they are not doing well. "

Qiao Wei was stunned. He didn't expect YUNZHUO to know about himself and Yun Yiyan.

"Yi Yan's child is not bad in nature, but it has not been determined yet." YUNZHUO continued. "And you are not fit. End such a wrong marriage as soon as you are young. Don't end up with regrets like my grandfather. "

YUNZHUO's words let Qiao Wei listen to the clouds. Isn't his marriage to grandma very happy? How could you say that? Is there any other story.

YUNZHUO didn't know whether he was tired or really confused. Unexpectedly, he said to Qiao Wei, "Wei, in fact, my grandfather is selfish. If he can come back, grandfather wants you to marry him

"Well? Who is it Asked Jovi.

YUNZHUO heard Qiao Wei ask back, his face with consternation. What did you just say!

See cloud Zhuo do not make a sound, Qiao Wei some uneasy, "grandfather, what did you just say?"

YUNZHUO suddenly woke up and said, "it's OK! Grandfather is a little tired

Qiao Wei took one side and put a blanket on YUNZHUO. "Grandfather, you should have a rest first."

"Well!" YUNZHUO nodded.

After seeing Qiao Wei go out, YUNZHUO secretly takes out an old photo from his pocket. The photo is a baby.

YUNZHUO gently fumbles for the photo, then presses the photo in the heart. There was a whisper in his mouth, "I'm sorry..."

Qiao Wei just went to the living room and saw Yun Yiyan sitting on the sofa with his legs up.

"Grandfather is asleep?"

"Well!" Joe nodded. "I don't think grandfather's spirit is very good."

"My grandfather's life is just waiting for death!" said Yun Yiyan

Hearing such treacherous words, Joe's eyes were frightened. How could he curse grandfather like that?

"Yi Yan, you..."

Yun Yiyan looked scornful, "this is what the whole cloud family knows. Of course, you outsider won't know. My grandfather wanted to die before grandma died. It's just a stick to the present. "

Qiao Wei is really confused by YUNZHUO and yunyiyan. YUNZHUO wants to die?!

"Qiao Wei, if you want to live in the cloud family with your skill, you can't do it!" Yun Yiyan said with a laugh. "So you should thank me for letting you go."

Qiao Wei wrung his eyebrows, and Yun Yiyan is strange today.

At dinner in the evening, Qiao Wei found that all the people in the cloud family were strange.

After dinner, Fu Qing also asked Qiao Wei to go back.

"Mom, your birthday party will not be held tomorrow?"

"Well! Not this year. " Fu Qing said coldly to Qiao. "You go

Of course Jovi knows what you mean!

"Yes. I'll come back to see you next time

Fu Qing looks at Qiao Wei. Although he doesn't like Qiao Wei, Fu Qing doesn't show any kind of acerbity to Qiao Wei like the evil mother-in-law.

She took an indifferent attitude and didn't even regard Qiao Wei as her daughter-in-law.

Qiao Wei didn't talk much and took his bag to leave the cloud home.

After Yunzhou's study, Qiao Wei heard the dialogue between Yunying and Yunzhou.

"Dad, what's going on with grandfather's will?" Yun Ying asked aloud.

Yunzhou quickly let Yun Ying be quiet, so as not to have ears in the walls. And this time Qiao Wei just had that ear. Joe frowned and heard what they were saying.

"I think my grandfather must be a fool, otherwise he will leave the legacy of the cloud family to an outsider!" Yun Ying said angrily. "I'm the eldest grandson of the cloud family. Why don't I?"

"Yi Ming, keep your voice down." Yunzhou quickly let Yun Ying shut up.

When Qiao Wei heard the footsteps, she quickly walked away. In order to avoid being found eavesdropping, the consequences will be very serious.

Qiao Wei went to the door to change shoes, and behind him came the voice of Yun Yiyan.

"Are you going back?"

"Well!"

Yun Yiyan walks to Qiao Wei's side. "Where do you live now?"

"Live where I should live." Replied Jovi.

Yun Yiyan frowned lightly. "I'll see you off?"

Joe shook his head. "No, I don't want you."

Yun Yiyan suddenly feels that Qiao Wei has such a small temperament and feels good.

"Jovi, I find you have learned to resist now? How did he finally decide to put down his false mask?" Yun Yiyan then asked.

Qiao Wei didn't pay attention to Yun Yiyan and walked out of the door with his shoes on.

Cloud Yi Yan in the back to keep up, and then put out his arm around Qiao Wei's shoulder.

Qiao Wei frowns. She doesn't like the intimate contact of Yun Yiyan. "What are you doing?"

"My mother is staring at us upstairs." Yun Yiyan whispered in Qiao Wei's ear.

Qiao Wei took a look back with her spare light. Sure enough, a figure stood in front of the window of a room on the second floor. As for who it is, it is not clear.

Yun Yiyan forcibly hugs Qiao Wei and gets on his car. All the way, Yun Yiyan feels that Qiao Wei has been resisting himself.

"Get in the car."

Qiao Wei has no way. After all, this is the cloud family, so he has to follow the meaning of Yun Yiyan.

The car soon left the cloud house.

Qiao Wei quietly looked out of the window, did not pay attention to yunyiyan.

Yun Yiyan is driving, and he will peek at Qiao Wei from time to time. In fact, if you look carefully, Qiao Wei is not very beautiful, but his facial features are also pretty.

It's a pity that this woman is devoted to senjo's work. It's just a waste. If she has Qiao Xin as soft as a little bit, or she may not reject her.

"Stop ahead."

Qiao Wei's words, let Yun Yiyan immediately stop the car.
