

## Warm Wife 291

### [Chapter 291](#)

After entering the room, Huo Dongyang sees Nicole first.

Nicole is back before Jovi gets home. "Boss, are you back?"

Huo Dongyang nods. "And Jovi?"

"Madame went back to her room to rest." Nicole replied.

After listening, Huo Dongyang immediately went to the room. As soon as I entered the door, I saw Qiao Wei in her clothes.

Qiao Wei didn't seem to expect that someone would push the door in, so he looked flustered. She quickly pulled her clothes to cover herself. She was relieved when she saw that the person who came in was Huo Dongyang.

"Dongyang?"

Huo Dongyang's eyes are also closely staring at Qiao Wei, he seems to have not expected such a situation. Then he closed the door of the room.

Jovi also relaxed. "How did you come back?"

Answer Qiao Wei is Huo Dongyang's embrace, he put Qiao Wei into his arms, the heart is also at the moment to settle down.

Qiao Wei was Huo Dongyang suddenly how to embrace, the whole person is a little confused, and Huo Dongyang hugs himself very tight. "Dongyang, what's the matter?"

"Jovi, I'll hide you later." Huo Dongyang opened his mouth and said something Qiao Wei couldn't understand. Mike's provocation today also let him know a little. That is, Qiao Wei's body of those flash points are finally found by others, these originally only belong to their own, after all are not their own exclusive!

As she comes into contact with others, someone will find out about her qualities. For example, Qin Hao, John and Jason are very good to Qiao Wei, and they often mention Qiao Wei. Huo Dongyang knows that they have a good feeling for Qiao Wei, but they will not have any special idea for Qiao Wei, because they are called Mrs. Qiao Wei.

Today's Mike said that, he knew that most of them wanted to anger himself, but he was worried about the future. If Mike and Joe are in contact with each other, it's hard to make sure. Mike has a number right. They do have a lot of similarities. So people's eyes will not be bad there!

Qiao Wei also felt the mood change of Huo Dongyang and asked again, "what's the matter with you?"

"Jovi, don't go out alone to see other men in the future."

"Do you know?" Qiao Wei was a little surprised, but after thinking about it, she also felt that it was not difficult for Huo Dongyang to know.

Huo Dongyang tightened his arm. "Promise me Because I'm worried about you being robbed by other men!

"Well!"

Hear Qiao Wei's reply, Huo Dongyang just slightly let go of Qiao Wei.

Qiao Wei saw Huo Dongyang's eyes and knew that he was worried about himself. "Dongyang, did you just see Mike?"

In terms of time, this is only possible. Otherwise Huo Dongyang would not have said those words.

"Yes." Huo Dongyang nods. "He said he would compete with me on a level playing field."

This let Qiao Wei not hold back for a while, puff Chi a smile. "What? To compete fairly with you? " Isn't he competing with himself, Huo Dongyang?

Seeing Joe smile, Huo Dongyang didn't understand why she did. "What do you mean by that smile?"

"No. It's just funny. " Replied Jovi. "Don't worry, Mike won't like me."

"What did he say to you today?" This is what Huo Dongyang wants to know.

Qiao Wei didn't answer immediately, thinking about Mike's feelings for Huo Dongyang. If you tell Huo Dongyang, they may not even be friends. After all, these things will only embarrass them. That's why Mike kept it in his mind.

Qiao Wei still decided not to say, which is also a respect for Mike. "He asked about moling today."

"That's it?"

"Well!" Joe nodded. "Actually, Mike is a reasonable man. There are some things that he can see better than us. "

Huo Dongyang looked at Qiao Wei, always felt that she did not say all. "That's all?"

Qiao Wei smile, "of course, at the beginning, he still advised me to leave you." Replied Jovi.

"How do you solve it?"

"I said it was you who forced me to get married, and now that I'm pregnant, I won't leave like this." Said Jovi. "Then he said I was greedy."

Huo Dongyang frowned. Under such circumstances, how could Mike say that to himself? "And then?"

"Then I said you wouldn't let me go. Then, as if he wanted to understand, he asked about Mo Ling Joe was smiling.

When Huo Dongyang heard this, he did not think too much. Mike is a man who knows that if he wants to understand, he won't hold on to it all the time.

"Don't get in touch with him in the future." Huo Dongyang did not forget to explain.

"Good."

But things didn't go as they thought. In the next few days, Mike seems to be cashing in on what he said, sending flowers and gifts to Qiao Wei every day. What's more, Mike sent flowers to his home and sent gifts to the company! This makes Huo Dongyang very angry! Jason stood in front of Huo Dongyang, and did not dare to say anything. He waited for Huo Dongyang to speak. Looking at the gifts on Huo Dongyang's desk, it's really a headache. Mike doesn't know which tendon is wrong. Actually, the gifts are all lovers' styles. What's going on like this!

Thinking of this, Jason thinks IQ is not enough. Mike is crazy. Looking at Huo Dongyang, who is on the verge of outbreak, Jason dare not breathe. He sneaks out when Huo Dongyang is not paying attention.

As soon as they came out, they met Qin Hao and John. They also wanted to gossip.

"What's the situation?"

"Not good!" Jason comes back. "Boss is about to explode."

John nodded again and again. "Of course, Mike, isn't that a distraction?"

Qin Hao didn't say anything. He didn't know anything about Mike's actions. How many meanings does he mean? This is to send flowers and gifts.

At this time, Huo Dongyang came out of the office.

"I'm going out. All afternoon trips have been cancelled. "

Watching Huo Dongyang go out in a gust of wind, John answers, "if this is Mike's rhythm?"

Mike's behavior has also attracted the attention of those competitors. Recently, there are rumors that Mike is married and his wife is pregnant.

This, of course, goes to Mike's current competitor Bob, who has a picture in his hand. Seeing the picture of Mike holding Qiao Wei in the car, he raised the corner of his mouth and said with a smile, "Mike has such a gentle and considerate side."

I've always been a cruel role in the market. I've been treating my wife like this at home. Interesting! Really interesting!

Bob touches his chin and seems to think of a way to deal with Mike. And it's absolutely effective. I really want to thank Mike for his high profile this time.

## [Chapter 292](#)

Dr office.

Mike looks at Huo Dongyang, who is sitting opposite him. He really thinks this is a rare picture.

"William, a real guest." Mike said with a smile.

Huo Dongyang looked at Mike with a cold face, "what do you mean?"

Mike knows what Huo Dongyang is referring to, but he pretends to be stupid. "What?"

Huo Dongyang knew that Mike would pretend to be stupid, and then Huo Dongyang put his gift on the table. Then he reached out and pointed, "that's all."

Mike opens it and smiles. "This gift is not good?" This is a set of coffee cups he has chosen for a long time, and it is a limited edition.

"I've quit coffee. It doesn't work for me" Huo Dongyang replied.

The news surprised Mike. The man who had been relying on coffee said he had quit. It was really surprising. But Mike knows that Huo Dongyang should also do it for Qiao Weijie. "Because it's tiny?"

This kind of address makes Huo Dongyang's cold face more stiff like ice. "Weiwei, did you call it?"

"That's not what you call it?" Mike asked. He knew that Huo Dongyang was even surnamed Qiao Wei.

"Don't get close to her!"

Mike takes a look at Huo Dongyang. "William, do you have to do something about it?"

"Yes" Huo Dongyang nods.

Mike looks at Huo Dongyang in silence. In fact, when he comes back this time, he finds that he has changed a lot. I think all these changes have something to do with Qiao Wei, and my heart is not comfortable.

"William, you must love her very much."

Huo Dongyang nodded, "so please don't do these boring things."

Mike heard his favorite person admit to love another person in front of himself. To be honest, it's really hurt! At this point, Mike doesn't seem to want to keep his feelings hidden. "William, you're really out of line! In front of me, do you not think what kind of mood I am

When Huo Dongyang saw the emotion hidden in Mike's eyes, he almost refreshed his cognition of Mike at that moment. So this is the same thing! It seems that Qiao Wei knows, so she and Mike have reached some agreement?

But Huo Dongyang is still quiet, because only in this way can we not break the original balance. "Am I wrong?"

"No!" Mike shakes his head. "But I will not stop sending flowers to Wei Wei. As a pregnant woman, or to maintain a happy mood. You must have forgotten that! Women like flowers, but don't worry, I don't do any harm to her health

Huo Dongyang really ignored Qiao Wei's mood, from her pregnancy to now, has been under a lot of things and pressure. And he also promised to take her out for a walk after the general meeting of shareholders, but it was shelved because of a temporary cooperation case.

Think about yourself also ignore a lot of these details, and Qiao Wei also has not said anything. Huo Dongyang also has some self reproach on his face. As a husband, it seems that he really shouldn't.

At this point, Mike's cell phone rings.

"hello!"

"hello, Mike!"

Mike's brows frown at the unpleasant sound. How did Bob call himself?

Bob laughed and said, "Mike, I heard you're married and you're going to be a dad. So I just want to call you and say congratulations

Mike has always been on guard with Bob. From his phone call today, it seems that something must have happened.

"What are you going to say?"

"I want to tell you that I have invited my wife to my house." Bob said with a smile. "I think you should know what to do?"

Mike stands up at once when he hears Bob. He looked at Huo Dongyang nervously, "Bob, don't mess around!"

"Wait a minute. I'll ask my wife to tell you about it."

Mike's eyebrows all wrinkled up. Sure enough, he really heard Qiao Wei's voice, "Mike..."

"Wei Wei, how are you?" Mike asked nervously.

Hearing Mike's words, Huo Dongyang also stood up. It seems that the situation is not good. What happened to Qiao Wei!?

Mike frowned. "Mike, don't be nervous. This Mr. Bob is very kind to me

"I know what he wants! You put him on the phone. " Mike said immediately.

"Mike, don't compromise because of me."

"Weiwei, it was originally about Bob and me. Sorry to trouble you... " Mike also said that as he went on, Bob had already picked up the phone. "Mike, do you know what to do now?"

Mike snorted. "Bob, you put a little bit of it now. Everything is easy to discuss. Otherwise you will not be able to get along in this place" It's very loud." Bob laughs and says, "I'm not afraid unless you and William unite! And now I have a trump card. What am I afraid of? "

"You

"Mike, do you think the bidding is important or is the life of your wife and children important?"

"Mean!"

"I learned from you, too! I'll give you an hour to think about it. " With that, Bob hung up.

Huo Dongyang saw Mike finish, he came forward to grab Mike's clothes, "what's wrong with Qiao Wei?"

"Bob took Weiwei away. He wants me to give up this bid. "

Huo Dongyang let go of Mike, and he has heard of the bidding. If successful, Dr will be able to get admission tickets for tomorrow's fashion show, and Dr's clothing will also be officially unveiled in several major fashion shows. That's what Mike has been working on over the years. Therefore, he also used some means to crack down on competitors. Just this time, it was hit in reverse.

But Huo Dongyang doesn't blame Mike too much. He knows the reason why people can't help themselves in the world!

"William, I'm sorry!" Mike lowers his head. He doesn't know that his move actually puts Qiao Wei in danger.

Huo Dongyang didn't talk to Mike. He called Jason directly and asked him to check Bob's location.

And then he called Nicole, and she couldn't have contacted herself. But Nicole's cell phone has been blocked. Something seems to have happened.

"William, where are you going?"

"I'll go home and have a look."

"Don't worry, I'll get Weiwei back."

Huo Dongyang said coldly, "Qiao Wei is my wife, of course, I saved myself."

"I'll go with you, or I won't be at ease." Mike picks up his cell phone and goes out with Huo Dongyang.

On the way home, Huo Dongyang also received a call from Jason.

"Boss, I've found out the location of Bob. I'll send you the address later. And Nicole's injured. I'll take her to the hospital

"Well!"

After a while, Huo Dongyang received the address, he immediately turned the direction of the car.

### [Chapter 293](#)

In a villa on the outskirts.

Qiao Wei looks at Bob sitting opposite him and remembers what happened before. He still has some uneasiness in his heart.

At ten o'clock in the morning, I sat on the sofa and read a book. A group of people like bodyguards broke in directly, and then I caught myself.

When she was in shock, she saw that they shot Nicole who rushed in. Qiao Wei only saw Nicole cover her stomach and squat down. Then she saw the blood drop on the ground. Qiao Wei's pupil was constantly enlarged because she saw such a scene for the first time. There was no reaction at all, just watching things happen in front of you.

Qiao Wei was taken away when she said something. She didn't even have time to say a word to Nicole. After being forced into a car, he was taken here.

Bob looked at Qiao Wei, who was silent all the time. He lit a cigarette and said, "madam, I'm going to hurt you this time. If Mike's willing to cooperate, you can relax. If he doesn't want to cooperate, then I have no way

Qiao Wei didn't speak. She knew Huo Dongyang would come to save herself, so she just had to wait.

Bob looked at Qiao Wei so calm, and he was really a bit unaccustomed. If you change to other women, I'm afraid it's already faded, or desperate for help. Why is she so calm? Mike didn't say anything just now, or was that a secret signal between them?

Bob quickly shook his head. He didn't believe that women would be so smart to set a code. And people like Mike wouldn't do it. What's wrong with it?

At lunch time, Bob had someone bring food to Qiao Wei. But Qiao Wei didn't eat it. On the one hand, he was worried that there was something wrong with the meal. Secondly, he didn't like to eat these things.

She looked at the clock on the wall. It was already two o'clock in the afternoon. Huo Dongyang hasn't come, doesn't he know? Gradually, the loss in my heart also spread little by little. It seems that Mike didn't tell Huo Dongyang, otherwise Huo Dongyang would not be absent.

Qiao Wei felt his stomach, and the child was probably hungry. But when she saw the food in front of her, she had no appetite at all. "Babies, you must be good. Dad may come soon."

At this time, the door seems to be moving.

Jo was a little more energetic, and she looked nervously at the door of the room.

After a while, the door of the room was pushed open. Joe Wei saw the man coming in, "Mike?"

"Weiwei, are you ok?" Mike asked nervously, holding Qiao Wei's hand.

Joe blinked, as if he couldn't believe it was Mike. "Why are you here?"

Mike whispers in Jovi's ear. "Don't worry about it. I've discussed it with William. You're going to play a play with me later. Bob is a tough guy to deal with. If he knew you were William's wife, he would come directly to William. After all, he'll get more from William. "

Jovi soon understood what Mike meant, and she nodded. "OK, I see."

As soon as Bob came in, he saw this kind of conversation, which made him feel that they were kissing. He said with a smile, "Mike hasn't seen you for hours. Can't wait? It's true love

Mike turns and looks at Bob. "I've given you what you want. I'll put it a little bit."

Bob laughed. "Mike, I didn't think you cared so much for your woman. As expected, he is a good man. For her, she is really willing to put down the achievements of the past three years, which is really great! In fact, this is also true, because as a man, a husband and a father should have such awareness

Mike looked at Bob coldly and said, "that's also because you're threatening me with such trivialities."

"Tut, that's not right. Compared with what you've done in the past, I'm just a child. "

"Hum! At least I won't threaten other people's wives and children. " Mike's right answer, too.

Joey grabs Mike's arm because she can feel the impending war between the two sides.

Mike feels Qiao Wei's tension. He puts his hand over Qiao Wei's hand, and seems to be pacifying her. As long as they go out from here, everything outside Huo Dongyang has already finished.

Mike looked at Bob and said, "now you can let us out?"

Bob smiles and shakes his head. In view of the fact that he has suffered many times before in front of Mike, this time it's not easy for them to let go of their husband and wife.

"Mike, I think the insurance policy makes you and your wife stay here. When the bidding is over, I will let you go

Mike was furious. "Bob, don't go too far!" "Who makes you so dangerous?" Bob answers.

Mike lets Joe micro loose, and immediately rushes up to give Bob a punch. Fortunately, I learned some fighting with Huo Dongyang.

This punch is also ready to hit the corner of Bob's mouth. Bob stepped back several steps in a row. He wiped the corner of his mouth with pain on his face. As expected, he was bleeding. So how hard was Mike's punch.

"Dai Yang, you dare to hit me!" Bob got angry and called out Mike's Chinese name.

Mike rubbed his hand. "Yeah! Bob, who do you think you are? In my eyes, you are nothing

"shit!" Bob swore.

Mike's attitude hardened. "Am I wrong? If you have the ability, you will compete with me on a fair basis. How can you get a foothold here after spreading it out in such a way? Don't forget that if I told William, what would you think of your ending? "

Bob laughed at Mike's words. "Dai Yang, people in this circle all know that you and William fell out over your cousin. You haven't been in touch with William in the last few years. I also heard that your cousin died. If William had accepted your sister, you would not be like this now. Unfortunately, William is married now. He seems to have come back with his wife recently

"Bob, you're not very well informed." Mike said sarcastically. "William and I have settled down, and I attended HD's shareholders' meeting in person the other day."

Sure enough, Bob's face changed after hearing this. I didn't expect Mike and William to make up!

"So I advise you to let us go while we are still in a good position to discuss."

Bob snapped his fingers. A few minutes later, several men in black rushed into the room, and they raised their guns at Mike at the same time.

## [Chapter 294](#)

Qiao Wei sees such words face, immediately all stunned. These scenes, which only appear in TV series, now appear in front of themselves.

She looks at Mike worried. What should I do? And she didn't want Mike to be involved. She called out to Mike and found that her voice was shaking.

Hearing Qiao Wei calling himself, he ignored the muzzle and went directly to Qiao Wei. "Don't be afraid, it's OK!"

"But..." Joe looked at Mike pale and frowned.

Mike knew that these pictures would certainly scare Qiao Wei. He reached out and took Qiao Wei into his arms. "I will take you out safely."

Jovi reaches out and grabs Mike's clothes and just shouts. "Mike....." At this time, she did not know what to say!

Bob takes one of the men's guns and walks into Mike and Jovi. "What a warm talk, really moving!"

With that, Bob put his gun on Mike's head and said, "Mike, you'd better be obedient, or you'll end up in a terrible situation."

"What if I don't?" Mike said calmly.

Bob laughed. "If you're sayNo, I'll take care of your wife and children first." With that, Bob pointed the gun at Qiao Wei.

Mike put one hand on Qiao Wei's head. He didn't want her to see such a picture. He held Qiao Wei tightly with one hand. Because he felt Jovi's body trembling, and her hands clung to her clothes. It seems that this is the first time she has come across such a situation.

Bob was even more proud of what they looked like. He put the muzzle of the gun directly on Qiao Wei's head. "Mike, what will happen to your wife if you take this shot down?"

Qiao Wei also because of this action, the whole person body is stiff. She didn't dare to move, but her heart beat fast! All I think about is Huo Dongyang.

"Bob, don't take it too far. There will be retribution sooner or later! " Mike was really pissed off. He also vowed that if he went out of here, he would take off Bob's hands.

Bob knew that he was winning, so he took the gun in his hand and deliberately knocked on Qiao Wei's head. "Mike, I hope you don't challenge my patience. You know I'm not very good tempered

Mike keeps an eye on Bob's moving gun, which is really dangerous. He must want a way, otherwise he and Qiao Wei didn't go to this room and hang up.

Now the most helpless is that he can not get in touch with Huo Dongyang, so he can only hope that Huo Dongyang can act quickly. Now he can only use the procrastination policy to buy more time for Huo Dongyang.

"I can stay, and I can do what you say. You let your men put down their guns! " Mike said.

After hearing Mike's words, Bob looks satisfied and asks several men in black to put down their guns.

"Isn't it good to be obedient at first?" Bob put down his gun, too.

Qiao Wei also felt that her legs were soft. She slipped down. Fortunately, Mike held Qiao Wei tightly. "Weiwei, are you ok?"

Qiao Wei was shaking all over her body. She looked at Mike pale, then her mouth trembled and said, "I'm fine. "

Mike helped Jovi sit down. "It's all right. Don't worry

"Then please stay here with your wife for a few days."

"If we want us to stay, we can have people come and serve us. At home, Wei Wei doesn't have to do anything! " Mike asked. "By the way, send for a doctor. If Wei Wei has something to do with the child, I will shoot you directly. "

Bob knew that Mike would really do it, so he had to do it and send for a doctor and a nanny. Tell everything well, let a few people in black stay, Bob left the room.

Outside the villa, not far away, were two black cars.

Huo Dongyang and Jason are in the car to observe the situation of the villa, the car behind is their people.

"Boss, Mike has been in for an hour and hasn't seen him and his wife come out yet." Jason said.

Huo Dongyang's eyes have been staring at the door of the villa. Mike did go in for a long time. It hasn't come out yet. There's only one reason, and that's Mike's under Bob's control. "John hasn't collected the evidence yet?"

"There is no news yet. It should be in progress."

"Let him hurry up." Huo Dongyang can't sit still. Time has passed so long, can't see Qiao Wei heart still can't be at ease.

Just finished, Huo Dongyang saw a car stop at the door of the villa, and a doctor came down from the car. Huo Dongyang suddenly nervous, can't be Qiao Wei what matter! Thinking of this possibility, Huo Dongyang pushed the door directly.

Jason immediately pressed Huo Dongyang, "boss, what are you going to do?" "It must be Joe Wei, or Bob won't call the doctor!" "Said huodongyang loudly.

Jason knows that Huo Dong Yang is worried about Joe Wei, but it is really useless to rush in now, which may be even worse. "Boss, Mike is in it. He will take care of his wife! Madam should be OK. If something comes, it's an ambulance! "

Huo Dong Yang stops his movements, and Jason makes sense. If he goes in, he may have an impact on Joe Wei, so he can only wait!

"Keep pushing John!"

"OK!"

Fifteen years later, they finally received John's message that it had been processed. Seeing the news, Huo Tung Yang and Jason are also ready to start their operations.

Just after getting off, Bob came out of the villa in a hurry. He should have received news that the company had something wrong, so he had to go back and see.

Bob was surprised to see huodongyang suddenly appear. In fact, this is also the second time he saw Huo Dongyang himself, although he can not remember clearly, but huodongyang's temperament is not ordinary people have.

"William?"

Huo Dong Yang has a cold face. "Mike is here for you?"

I didn't expect Huo Dong Yang to ask so directly, but Bob was not very strong. "No Yes. "

"Is it or not?"

"No!" Bob denied it. He will not admit it at such a critical time. Otherwise his plan would be all in trouble!

Huo looked at the time on his watch and said, "give you two more minutes to think about it. Is there any? "

Bob was held down by huodongyang's air field. "William, actually It's not really. "

Seeing Bob always denied that huodongyang was obviously impatient, "Bob, I just gave you the opportunity, you don't cherish it. Now that's the case, we'll calculate the account. "

"Calculate?"

## [Chapter 295](#)

Huo Dongyang took another step forward, his blue gray eyes reflected a very different light.

When Bob saw this, Huo Dongyang was afraid. He had heard of Huo Dongyang's deeds in the past. At this time, he stood in front of himself like a god of war, which made people afraid and awed.

"William, you and I There seems to be no account to be reckoned with! " Bob stammered. He used to keep a distance with Huo Dongyang. He didn't get any money. It's got to be. It's also with Mike.

Huo Dongyang looked at the time, two minutes have passed. Huo Dongyang didn't intend to be polite. He took a lunge, stretched out his hand, pinched Bob's neck, and then slowly tightened it.

Jason, standing behind Huo Dongyang, can only hope to pray silently for Bob. Huo Dongyang will certainly not be polite. Who let Bob, who has no eyesight, will tie people up without investigating clearly. It's like looking for death.

Bob feels the smell of death. He feels difficult to breathe. "William, if you want to let me go. I can't breathe with you like this. "

"Let go Mike and Jovi!" Huo Dongyang ignored Bob's call for help.

Bob nods hard. "OK!"

"If they lose a hair, then you're not losing a company." Huo Dongyang threatened.

Bob's face turned pale. He understood what Huo Dongyang meant. It turned out that his company was investigated because of Huo Dongyang.

Huo Dongyang releases Bob, and Bob falls to the ground. He gasps and gasps with fear in his eyes.

"Let go!" Huo Dongyang opens his mouth.

Bob nodded again and again. "OK, I'll put it right away."

"Bob, I gave you a chance just now, because you don't cherish it, so don't try to play tricks with me. Otherwise, the precious son who has been hidden by you will die

Hearing Huo Dongyang's words, Bob widened his eyes with fear in his eyes. How could he have known about it. No one else knows about it. What does Huo Dongyang know!

"Jason, show him the video." Huo Dongyang said coldly.

Jason steps forward and hands the phone to Bob. The video shows a boy crying for help. Bob immediately climbed to Huo Dongyang's feet, his voice shaking. "William, the children are innocent."

Huo Dongyang was completely unmoved. "Your child is innocent. What about other people's children? What do you mean by your shameless binding of a pregnant woman here? "

"William, I was wrong. I released Mike and the woman immediately. " Then I saw Bob take out his cell phone and make a phone call. Although the heart some unwilling, but now the company and son are in the hands of Huo Dongyang, he had to bow his head. I didn't expect that Mike's statement was true. He and Huo Dongyang have really reconciled.

He should have believed Mike's words before. If he provoked Huo Dongyang, he was just looking for death.

Huo Dongyang turned to Jason and asked him to take people with him. Jason's on the move.

After a while, Huo Dongyang sees Mike half embracing Qiao Wei. He didn't seem to be very well when he saw Qiao Wei. The heart suddenly a tight, it seems that she is really scared.

Mike was so happy to see Bob sitting on the ground! Later, he must take revenge on what he has just suffered.

"William, give it back to you." Mike brings Qiao Wei to Huo Dongyang.

Huo Dongyang took Qiao Wei's hand and immediately checked her condition. Her voice became soft. "Are you all right?"

Qiao Wei looked at Huo Dongyang and shook his head, "I'm ok. Don't worry."

Huo Dongyang reached out and took Qiao Wei into his arms. "I'm sorry to put you through this." Qiao Wei did not speak, closed his eyes and quietly nestled in this warm and safe embrace for her.

When Bob saw this scene, he was really confused. Does Huo Dongyang and Mike share the same woman?!

Mike looked at Bob, who was surprised. "I told you just now that you should let go. The result is not listening! "

"Who is she?" Bob had a lot of questions to ask, but in the end he said only one.

Mike laughs and says, "blind? Haven't you seen it clearly yet? This is the president's wife of our HD. Bob, you can't even read the news clearly. You don't know who lives in that villa! "

Bob suddenly realized that something was wrong. It turned out that Huo Dongyang lived in that villa, not Mike. Mike's home is on the west side!

"William, I..." Bob was really panicked. Thinking about Mike and Jovi, he looks at Mike, "so you were in there?"

The smile on Mike's face was even brighter. "That's to show you the play!" Bob completely lowered his head. How could he be so impulsive! Unexpectedly did not see clearly on the trade rashly arrest people, now really is carrying the stone to hit own foot, repents at the beginning!

"William, I was wrong." Bob's all on the ground.

Mike certainly won't let him go. He takes a small silver pistol out of his body and puts it directly against Bob's head, and his eyes become fierce. "Didn't you feel proud of being in it before? You dare to point the gun at me and Weiwei. I think you are looking for death

Huo Dongyang's eyes changed when he heard Mike's words. "What did Mike say?"

"He just pointed the muzzle of the gun to the slight head, and knocked her on the head." Mike answers out loud. "Now I'm going to pay for it! How dare you to do this to Wei Wei? I can't be forgiven! "

Huo Dongyang glared at Bob, really unforgivable! Huo Dongyang hugged Qiao Wei, but he said, "Mike, you're welcome!"

"OK!" Mike is waiting for Huo Dongyang's words.

When Qiao Wei heard their conversation, his body became stiff again. This picture is too bloody! Qiao Wei reached for Huo Dongyang's clothes. "Dongyang, don't!"

She didn't want Huo Dongyang to do such a thing for herself, "Dongyang, don't do this!"

But Huo Dongyang didn't listen to Qiao Wei this time, as long as he thought about the picture Mike said. He has no way to calm down, he absolutely does not allow anyone to hurt his baby.

"Mike, do it!" Huo Dongyang's words have no temperature at all.

Qiao Wei is also the first time to see such Huo Dongyang, completely strange and cold-blooded ruthless.

Then she really heard a bang, then a scream, and then her eyes were dark, nothing could be heard

hospital.

The smell of disinfectant water filled the room, which also made people in it uncomfortable.

Huo Dongyang's eyes have been fixed on the bed of Qiao Wei. Joe closed his eyes and frowned all the time. She was in a coma because she was scared. Fortunately, everything else was OK.

Jason and Mike walk into the ward together.

"Boss, it's all settled." Jason said it first.

Huo Dongyang nods. "Well!"

Mike ignores Huo Dongyang directly. He goes to the hospital bed and sits down with worry in his eyes. This time, because of her own affairs, she was implicated. Fortunately, she was OK. Otherwise Huo Dongyang will not easily let go of himself!

"Mike, you'd better get up! This position is for boss. " Jason said, because he has seen Huo Dongyang's face is not good.

Mike doesn't pay attention. Anyway, he's sitting here waiting for Jovi to wake up. This time, he completely ignored Huo Dongyang's bad face. He himself came in for so long and didn't see him sit down, which proved that he didn't want to sit down.

Time goes by a little bit.

Mike felt the atmosphere in the room was a little oppressive, and he said, "William, I'll take care of this time."

"No need." Huo Dongyang finally spoke. "You'll stay away from Joe."

Mike takes a look at Qiao Wei. He really wants to make friends with Qiao Wei, so how can he stay away from him!

"Sorry, I can't. I really like her

Huo Dongyang opened the silence mode again, without saying a word. No one really knows what he's thinking.

At this time, Qiao Wei's finger moved. Mike just saw it, and he immediately said, "slightly..."

Hearing Mike's voice, Qiao Wei really opened his eyes. "I want water..."

"Good!" Mike immediately pours water for Qiao Wei. When he wants to help Qiao Wei up, he pushes Huo Dongyang away.

This time, Mike really stepped back several steps and saw Huo Dongyang carefully holding Qiao Wei to sit up. Mike shook his head helplessly and went to the sofa to sit down.

"Come on, slow down." Huo Dongyang let Qiao Wei lean on his body, and then put the cup against Qiao Wei's lips.

Qiao Wei will just see clearly the person in front of her. She stares at Huo Dongyang, as if she is also confirming whether he is.

"What's the matter?" Huo Dongyang asked. "Don't you want water?"

Joe nodded slightly, then lowered his head to drink. "Any more?"

"No more." Replied Jovi. Then she looked around. "This is..." It's like a hospital ward.

Huo Dongyang said directly about the hospital. Hear Huo Dongyang's words, Qiao Wei is almost conditioned to feel his stomach. "Children..."

"The child is OK." Huo Dongyang replied. "I'm sorry to make you suffer this time."

Joe breathed a sigh of relief. I wish the child was OK. Then Qiao Wei seemed to think of something. She remembers that before she was in a coma, Huo Dongyang seemed to ask Mike to shoot, and she also heard the shots.

"You killed him?" Asked jo in a low voice.

Huo Dongyang immediately understood what Qiao Wei asked, "he should have died! If you do something like that, you'll be safe? "

Qiao Wei heard immediately pushed Huo Dongyang away, "Dongyang, you are a crime like this!"

"Weiwei, William is also for you." Mike broke in. "You don't say that about him. Who's the clean hand in this place. If you don't, others will treat you like this! So we protect ourselves, and we're not killers. "

Qiao Wei looks at Huo Dongyang and Mike in disbelief. She really doesn't understand why they can face a life so calmly! "You can't do that either! This is killing people

Qiao Wei still can't understand their world, so he always takes out such weapons to hurt others. Do you have to fight like this?

Huo Dongyang saw the repulsion in Qiao Wei's eyes, and his eyebrows wrinkled. He also knew that it was possible for Qiao Wei to accept it all at once! But he didn't want Jovi to escape.

"Qiao Wei, this is the world I come into contact with." Huo Dongyang said such a sentence.

This sentence is cruel to Qiao Wei. She thinks Huo Dongyang wants to force her to accept it. "It's not right of you to do this!"

Mike looks at Huo Dongyang and Qiao Wei. Their situation seems to be bad. Qiao Wei is such a simple and simple person. It's really difficult for her to accept these people who are almost in such a complex environment.

"Weiwei, we didn't kill Bob." Mike says, "he just lost his hands. William said you might not be able to accept such a result, so I kept his dog alive. "

Qiao Wei a Leng, after a while reaction. "Not dead?"

"Not dead. He's in the next room." Mike answers. "Don't think too much, or have any burden. Bob, those people really don't die enough. How dare you to tie you up so openly! So he had this ending, and

he asked for it. It's a pity that you don't have to. That's how we people live. If you are not cruel, others will be cruel to you! William has the most say in this respect. "When Qiao Wei heard Mike's words, he seemed to be calm. What has Huo Dongyang experienced? This place is too terrible. How did he come step by step. Today she also saw Huo Dongyang's cold-blooded side, or his gentleness only to himself.

Huo Dongyang reached out and hugged Qiao Wei, "don't think about it."

Qiao Wei reached out to hold Huo Dongyang's hand, "Dongyang, I want to go home."

Huo Dongyang nods. "Good! Let's go home. "

Mike watched Huo Dongyang holding Qiao Wei into the car. He also felt that he should put down the past and put down his feelings for Huo Dongyang. And only in Qiao Wei's side will become another person.

Mike sighs, "William, I wish you all the best! I will be happy. " In this way, their own give up will become meaningful.

Watching Huo Dongyang leave, Mike turns around.

A few days later.

Qiao Wei saw the news and said that Dr successfully won the bidding of the fashion show. Watching the energetic Mike on TV, Qiao Wei was also very happy for him, and he finally did it.

"Jovi, it's time to eat." Huo Dongyang called.

"Good!"

These days, Huo Dongyang has been at home with Qiao Wei. On the one hand, she is really worried that she is at home alone. On the other hand, she really wants to accompany Qiao Wei. From marriage to now, he has been busy, and he really does not have much time with her.

Just as he was about to move the chopsticks, the doorbell rang.

## [Chapter 297](#)

Hearing the doorbell, Huo Dongyang stood up.

"You eat first. I'll open the door. "

Qiao Wei nodded, and she wondered who was coming. At this time, everyone went to work.

After a while, Qiao Wei saw Huo Dongyang's voice and said, "why did you come here without notice?"

"Because I miss you." Qiao Wei heard the voice of Yun Mu Xin.

She immediately put down her chopsticks and went to the living room. Really see and Huo Dongyang walk into the living room of Yun Mu Xin.

"Auntie!" See Qiao Wei, cloud Mu Xin warmly embrace Qiao Wei, "I miss you so much."

"Mu Xin, why are you here?" Qiao Wei was really surprised.

Cloud Mu Xin let go of Qiao Wei, she said with a smile: "uncle let me come, by the way, take the entrance examination of this school."

"Examination?" Qiao Wei thought for a moment, she seems to remember Huo Dongyang said to let Yun Muxin study abroad. "So are you sure you're coming here now?"

Cloud Mu Xin nods. "I've been preparing for a while, but there must be more pressure. Because it's uncle Kao's school. "

Huo Dongyang looked at the two people standing in the middle of the living room, he said: "eat first. I'll talk about it later. "

"Well, I'm hungry, too." Finish saying, cloud Mu Xin holds Qiao Wei to go to the dining room to eat.

After dinner, Qiao Wei also learned about the situation of a city from Yun Muxin.

Huo Jiang and Mary went on a tour and continued the last unfinished journey. And Xiang Qing and south to follow together, so people feel at ease.

Yun Yiyan is busy working and rechecking every day. Cloud Mu Xin also happily told Qiao Wei, "second brother can stand up now."

Qiao Wei was also happy to hear the news. "I can believe it!"

"This also wants to thank the small LAN elder sister, has been encouraging the second elder brother in the side." Yun Muxin continued.

Qiao Wei heard the news, but also remembered that call. "Yun Yiyan and Xiao Lan are really together?"

"No!" Yun Muxin shakes his head. She did not see any change between them. "But I think Xiao Lan and second brother get along well, should just be good friends."

Qiao Wei is contradictory in his heart, but at this stage, let's be a good friend first! Later things will be decided later!

"How are your big brother and your parents?"

Yun Muxin sighed, "they are still the same. I didn't go to see the elder brother. I heard from the second elder brother. He still thinks he is innocent and will come out soon, but his spirit is not very good. That's what my dad was like, lying still and knowing nothing. It's also a relief to him

Speaking of this, Yun Muxin stops. "As for my mother, things seem to get worse. I want to see her, but Xia yueqian says it's better not to go now. "

"Why?" Neither did Jovi.

"Or he didn't want me to see my mother go crazy and worry that I had a shadow."

Qiao Wei thinks that Xia yueqian must have his reason to do so. "Then you and him..."

"What can he and I have?" Yun Mu Xin evades this question.

Huo Dongyang also talked to Yun Muxin about this issue last time. Since you still don't know what you want, you might as well put it down and have a look at the outside world. So that's why Yun Muxin came to the United States.

Qiao Wei knew that Yun Muxin didn't want to talk about it, so he continued the topic. "When is the exam?"

"Three days later." After changing a topic, Yun Mu Xin also became happy.

"Are you sure?"

Yun Muxin shakes his head truthfully. "No. But my uncle said he found a teacher for me

"Teacher?" Qiao Wei really did not expect Huo Dongyang to make such an arrangement.

Cloud Mu Xin nods. "Say take me tomorrow. Then let me follow him to study hard. If I'm lucky, there should be no problem in the exam. "

"Which teacher did Dongyang arrange for you?" Qiao Wei suddenly also has a strong interest in knowing who this person is? Can you break through in three days and pass the exam?

If so, she would like to see it. Who is so sacred.

The next day.

Qiao Wei also followed Huo Dongyang and Yun Muxin to HD. Of course, they also saw the teacher in the rumor.

"Jason?" Qiao Wei really did not think it would be him!

Jason smiles. "It seems unexpected, ma'am?"

"It was a bit of a surprise."

Huo Dongyang continued. "Jason is actually a visiting professor at the school."

Qiao Wei and Yun Mu Xin stare at their eyes at the same time and look at Jason at the same time. At the same time, they also came up with Professor Du in a popular Korean drama the year before last.

But the feeling is really bad. It's not that Jason is not handsome, but that there are several identities hidden in many people's bodies.

"Madame, Miss Mu Xin, what do you mean by this look? Am I poor? " Jason defended himself, and he guessed that they must have imagined themselves with a TV host, just like everyone else. Qiao Wei and Yun Mu Xin shook their heads at the same time, "no! You are very well! "

Huo Dongyang gives Jason and Yun Muxin a small conference room. He takes Qiao Wei to the office.

After giving Qiao Wei a glass of water, Huo Dongyang sits down beside Qiao Wei. "If you have anything to ask."

"Do you want Mu Xin to learn more when she comes to America?" Qiao Wei also asked so directly.

"Well, otherwise?" Huo Dongyang nods. "Let her learn more and help Yun Yiyan share some of them in the future. Otherwise, Yun Yiyan is too tired. Now Yun Yiyan can support the company, but if he has a new family in the future, his heart will be on the family. "

Qiao Wei thinks that Huo Dongyang's words are reasonable, and it seems that he should do the same. Now there's Yunmuxin, a real cloud family. "Well! You have a point. I thought you wanted her to be separated from Xia yueqian. "

Huo Dongyang nodded, "this is the second reason."

"Dongyang, why do you have to stop both of them?" And this point, Qiao Wei always did not want to know.

"It's good to be apart for a while, and it's also a test for them. After separation, if the feelings are weak, they will forget, so there will be no harm. If there is another person in their hearts after separation, then I will not object. Mu Xin still hasn't got a clear idea of her feelings for Xia yueqian. I guess it's because of the relationship between Yun Yiyan and Xia yueqian, so she has been wavering. "

Qiao Wei really understood at this time that Huo Dongyang did this for the sake of Yun Mu Xin. Really only can stand the test of the feelings will not be so easy to give up.

Huo Dongyang held Qiao Wei's hand and said, "let them handle these things by themselves. I can only do so much."

## [Chapter 298](#)

Three days later.

Yun Muxin went to attend the entrance examination, Huo Dongyang went back to the company to deal with some problems. Qiao Wei was alone at home, reading at home.

Ready to go to the bathroom, the mobile phone rings. See is a strange phone, Qiao Wei hesitated to pick up. "Hello

"Slightly!"

"Mike?" Qiao Wei has some accidents. Mike calls himself.

"Well, it's me. I just came back from Italy and brought you a present. " Mike said with a smile. "Are you at home? I'll be there in fifteen minutes

Qiao Wei hasn't seen Mike since the last incident. I heard that he has been flying around recently, so he didn't disturb him.

"I'm at home. Come here."

Mike will be here soon, and it won't be 15 minutes. He rang the doorbell with a bunch of roses and a bag of presents.

Joe opened the door with a stiff stomach. "So soon."

"Fast speed!" Mike said with a smile. "This is for you."

Qiao Wei reached for the flowers and said, "thank you! Come in

Follow Qiao Wei into the house, Mike found Qiao Wei alone at home. Immediately frowned, "are you alone at home? What about the nanny before? "

"Still resting." Replied Jovi. "Dongyang said there were people watching around here, so don't worry."

Mike still felt uneasy. "If William is alone, I can get my bodyguard over here."

"No, I'm not comfortable." Replied Jovi. "That's good."

After a long chat between Mike and Qiao, Yun Muxin comes back.

"Auntie, I'm back."

In the living room, Jovi was sitting with a strange man. She immediately offered vigilance. "Who are you?"

Mike also stares at Yun Mu Xin. This girl has never been raised. "And who are you?"

Yun Muxin saw that there were roses and some presents on the table. She immediately walked over. "What do you want to do to my aunt?"

At this time, Mike also heard yunmu Xin calling Qiao Wei, "Wei Wei, what does she call you? Auntie? "

"Well! She is Dongyang's niece Joe nodded.

Mike looked at Yun Mu Xin in disbelief. "When did William have such a big niece. It won't be the woman outside, will it

"Go to you! What woman Yun Muxin stares at Mike like a hedgehog. "And who are you?"

"I'm a person who likes to be tiny." Mike answers.

Yun Muxin immediately cried out. "You want to pry uncle's corner? It's beyond my ability. What can you compare with my uncle? "

"William, I like it better." Mike said with a smile.

Qiao Wei stood up and comforted Yun Mu Xin. "Mu Xin, Mike is your uncle, classmate and HD's shareholder. If you are admitted to the school, you should call him a senior! "

"What!" This is what Yun Muxin didn't expect.

Mike looked at Yun Muxin with pride on his face, "but it's hard to get into my school like this."

"Hum! Those are not necessarily. " Yun Muxin replied, "I have answered today's question. My master is really good at guessing questions. "

Mike picked up some key points from Yun Muxin's words. "If Jason can't guess, he's going to lose his professorship."

Yun Muxin squints and stares at Mike. It seems that this man really has some abilities. But can and uncle become schoolmate person, certainly can't be worse where to go!

At this time, Huo Dongyang also came back.

"Why did you come?" Huo Dongyang sees Mike at a glance.

Mike winked. He looked at Jovi and said, "I came here to see Wei Wei."

"Uncle, this man is plotting against his aunt." Cloud Mu Xin immediately complains, who knows Huo Dongyang then answers, "I know."

Cloud Mu Xin a Leng, uncle unexpectedly knows, and still did not stop, this is too strange!

Mike looked at it for a while. "Weiwei, I went back in advance. I'll see you next time! " Then he reached out and took Qiao Wei's hand and gave her a low kiss on the back of her hand.

This scene let cloud Mu Xin surprised, she covered her mouth with her hand! How brave Mike is!

This scene also makes Huo Dongyang's heart jam. This Mike still turns a blind eye and intentionally does so in front of himself.

Qiao Wei began to be surprised, and then went with him. Ever since she knew Mike's feelings, she looked at him as if she were looking at a woman. Instead, she thought they would be good friends.

"Yes. See you next time

Huo Dongyang pushes Mike forward and pulls Qiao Wei into his arms. "I'll see you next time only in city A."

"What, are you going back to city a?" Mike thought they'd stay here all the time."Yes, there are still some things to deal with." Huo Dongyang replied.

Mike frowned and finally had friends to get along with. As a result, they still had to go, and they were suddenly disappointed.

Huo Dongyang looks at Mike and says, "there is one thing I still want to thank you for!"

"You're welcome. Anyway, I owe you and my kindness." Mike answers. "When do you leave?"

"I'll take Jovi for a walk in a few days, and then I'll go back."

"Tell me before you go." After that, Mike goes straight away.

Cloud Mu Xin sees Mike that does not give up the appearance, thought that he loves Qiao Wei not to forget, so she chased out.

"Mike, right, wait a minute." Cloud Mu Xin calls out.

Mike stops and looks at Yun Muxin. "What's the matter?"

"My uncle and aunt have a good relationship. Please don't interfere. "

"I know. But I still like it. What should I do? " Mike said it frankly and didn't mind at all.

Yun Muxin angrily walks in front of Mike. "I know you're still like this."

"If you can control your feelings, where can you help yourself?"

This sentence makes Yun Muxin unable to refute, because it is not wrong.

Mike finally looks at Yun Muxin and says, "I'm going first."

At night.

Cloud Mu Xin helped Qiao Wei pack his luggage, "Auntie, what else do you want to take with you?"

"Enough, just a few days." Replied Qiao Wei. He will be back in a few days.

Clean up, cloud Mu Xin looked at Qiao Wei and asked, "Auntie, that Mike..."

"Don't worry." Said Joe, smiling. "What he said about liking is that between friends. He just likes to exaggerate." Joe Wei also wants to keep that secret for Mike.

Yun Muxin still felt strange, "really? But I can see that it's not as simple as a friend's feelings. "

"Don't worry. It will be all right."

"All right."

Qiao Wei took Yun Mu Xin's hand. "Mu Xin, you have to take care of yourself these days. If you need help, go to Jason and them. "

"OK, OK! These uncles have already explained it. " Cloud Mu Xin nods. "You and uncle can rest assured to go out to the world of two people!"

"The world of four." Qiao Wei touched his stomach and said.

## [Chapter 299](#)

A month later.

City a.

Qiao Wei and Huo Dongyang have been back for a few days, and everything here seems to be different.

This day.

Qiao Wei got up as usual, his stomach was getting bigger and bigger, and now his reaction has become dull. Mary came to ask Qiao Wei to get up. Seeing that Qiao Wei's action seemed to be difficult, she quickly went to help him up.

"Weiwei, please call me next time you encounter such a situation." Mary was also distressed by Jovi.

Qiao Wei smiles at Mary. "Grandma, I think I can do it."

"I don't think you can do it! So is William, who took you out so long. He should have brought you back earlier. " Mary's voice was full of complaints.

But Qiao Wei didn't think so. This trip to the United States made her see another Huo Dongyang. Although he had experienced bad things, he thought about himself behind Huo Dongyang's ruthlessness. He could not help but forgive those who had hurt him, and finally he let Bob go. That's enough.

This also makes Qiao Wei know more about Huo Dongyang. The United States is also an important part of him. Such a time is also good, at least she knows Huo Dongyang has been complete.

After that, Huo Dongyang took himself to travel, because of his own situation, they did not go to many places. I just went to a few places, almost all of them stop and go. In this way, each place spent a long time, so they also took a lot of photos.

Qiao Wei found a new skill of Huo Dongyang. His photography skills are really good. The effect of each photo is very good, especially the technology of taking pictures is really good. It is a master work.

Qiao Wei raised his head and looked at the photo on the bedside table, in which he was reading, but was taken by Huo Dongyang. At that time, the sun just sprinkled on his body. The whole person looked like he was bathed in the warm sun, quiet and beautiful. This artistic conception was also my favorite. So she printed this one out and put it on the table.

As for the other photos, she used a U-disk to store them. She also chose some to put in her mobile phone so that she could see them when she was free. These are the common memories of herself and Huo Dongyang, and she has to savor them slowly.

"Weiwei, what are you thinking?" Mary saw that Jovi had been staring at the picture in a daze.

Jovi looked back and said with a smile. "It's OK!"

"William went out early this morning and didn't know where to go."

Mary complains that Huo Dongyang still goes out easily. For instance, Qiao Wei's life is a matter of minutes. Of course, we should be vigilant at all times. As a result, he didn't care at all. He was busy everywhere.

"He's out on business." Qiao Wei knows that Huo Dongyang took Mo Ling to meet Yun Yiming today.

"Weiwei, you can't always protect him like that. Or he won't listen to you in the future. " Mary also wanted to instill that in Jovi.

Jovi would never do that. And she also believed that Huo Dongyang would not be like that. "Grandma, I know all that."

"Don't always say you know. You should act."

Qiao Wei just smile, and then get out of bed to wash. It's still a warm home and it's natural to do anything.

After breakfast, Jovi lay in the yard in the sun. This winter seems to be over, now the weather is not so cold.

Mary still gave Jovi a blanket. "It's not very cold, but I can't take it lightly."

"Thank you, grandma."

At noon, Huo Dongyang and Xiang Qing came back together and brought back a message. That's the verdict of Yun Yiyan. It's almost the same as John's guess. It's also a ten-year sentence for Yun Yiyan.

Qiao Wei thought that he did not immediately express his own speech, but quietly listened to Huo Dongyang's words. Think of the incomparable scenery of the cloud family before, end up with such an end, it really makes people feel sad. The dead, the sick, the mad, and the man who went into the cell because of his past mistakes. This said, no one will believe that the cloud family is defeated in their own hands.

"So what's the reaction of Yun Yiming?"

"He didn't react, he just accepted it quietly." Huo Dongyang replied, or it is because these two months have also worn away the unconvinced spirit in his heart. That's why he didn't react at all and accepted the fact.

Qiao Wei heard Huo Dongyang's words and felt a little surprised. "Did you tell him about mauling

"Yes." Huo Dongyang went with Mo Ling specially today. Or you should also let Mo Ling have a good look at what kind of results are suitable for Yun Yiming.

"That's good!" Replied Jovi. Or it's a result. It's also an explanation for YUNZHUO.

Huo Dongyang holds Qiao Wei and says. "Qiao Wei, I want to meet YUNZHUO tomorrow."

"Go Qiao Wei of course did not stop Huo Dongyang, after all, YUNZHUO is Huo Dongyang's father. He went to see YUNZHUO. Huo Dongyang leans over Qiao Wei's forehead and kisses. Thank you

"Dongyang, I will always support you!" Said Joe, smiling.

The next day.

Thinking that Huo Dongyang and Qiao Wei didn't know about Yun Yiming, Yun Yiyan went to Huo's house to say a word in person.

Seeing Qiao Wei's stomach, Yun Yiyan is staring at Qiao Wei's stomach. His stomach is so big, and this is not true at all.

"Weiwei, I remember you only a few months. Why is the stomach so exaggerated. Are you all right? "

"Two kids," Joe said with a smile

Hearing this, Yun Yiyan really thinks Huo Dongyang is too powerful. Qiao Weiwei is pregnant with twins. This life should be very good. He will be so lucky.

"You look like you're going to be born."

Qiao Wei laughed and began to tease himself, "in fact, I didn't know it would be like this at the beginning, but I really appreciate God's favor, and I have been satisfied with this life."

Yun Yiyan is also the first time to see such confident Qiao Wei, "you have changed a lot."

"Everyone will quickly find their own direction after experiencing things, and I have always forgotten that before." Said Jo, lowering his head and touching his stomach.

Yun Yiyan also agrees with Qiao Wei's words. "You're right!" What's wrong with him? It's just that he paid a lot.

It seems that she also feels Yun Yiyan's mood. Qiao Wei looks back at him. Although he is still in a wheelchair, she knows that Yun Yiyan has stood up and walked a few steps, which is also a great breakthrough.

"Yi Yan, everything is OK. You don't have to worry. " Said Qiao Wei.

Cloud Yiyan looked at Qiao Wei, "I'm ok, I just feel it. I didn't expect so much in the past year. "

Qiao Wei also looked back at the clock hanging on the wall, yes! A lot of things have happened in the past year, and they have completely rewritten their lives.

### [Chapter 300](#)

Back in a city for a few days, there are people coming home to visit.

Most of them are because it is not convenient for Qiao Wei to go out now, so she comes home to see her. There are all kinds of tonic and food at home.

Qiao Wei some headache looking at these piles of things, really do not know how to deal with. They are too polite. Everyone brings a lot of things, but there are a lot of things that Qiao Wei can't use. It's better to prepare some milk powder or diapers, which is also practical.

"Auntie, dinner." Yun Muxin called out.

"OK." Joe nodded.

When eating, Qiao Wei also proposed not to let everyone's gift giving, the family can't put down.

Hearing Qiao Wei's complaint, Huo Dongyang just laughed, which he really can't say. Almost all of these things were sent by some senior managers of QW and XY, and the purpose was clear.

"Dongyang, you have to deal with this matter. Don't send everything home." Huo Jiang also said.

"OK, I'll take care of it." Huo Dongyang nods.

Mary went on, "eat first! We'll deal with it later. "

When Huo Dongyang saw that almost piled up into mountains, he really felt a little exaggerated. Only now did he feel the complaints of Qiao Wei and his grandparents. He scratched his head with a little embarrassment on his face.

"Are you embarrassed, too?" Qiao Wei appears behind Huo Dongyang.

Huo Dongyang reached out and pulled Qiao Wei's hand. "Well, a little bit."

Qiao Wei leans on Huo Dongyang's side, "if you don't express it to John, they work very hard. These supplements are very good for them. "

This time, only Huo Dongyang and Qiao Wei, as well as Yun Muxin, came back to a city. Yun Muxin's exam has passed. Now I'm waiting for the time when the school starts to report. Others stay at the headquarters to continue their work, and there has been a lot of work there recently.

Huo Dongyang brought Qiao Wei back because Mary asked Qiao Wei to come back to city a to have children, so that she could take care of her, and because her body could not afford to fly to the United States for a long time. Of course, Qiao Wei also hopes to produce in a city. After all, this place is the place where she was born and grew up. Of course, she will have different feelings.

Calculating the time, they return to city a for half a month, and different people come to visit every day. But there is only one person who has not appeared up to now. This person is Xia yueqian.

Qiao Wei feels that Xia yueqian also seems to want to avoid Yun Mu Xin, so he says busy on the phone every time. Qiao Wei knows what are all excuses, so there is only one possibility, which is because Yun Mu Xin. Qiaowei looks at yunmuxin who is reading and listening in the yard. She is also actively preparing to study in the United States. Forget it, just like Huo Dongyang said, everything is up to them.

Time constantly in the fingertips across, in your casual time quietly passed.

Joe walked about the room with a very big stomach. She is now almost very slow, and occasionally her stomach is uncomfortable. This makes Qiao Wei also have some temper, sometimes always forget this, forget that.

It's like today, she has to prepare something to use after delivery, but she forgot when she went to the bathroom. She didn't react until she saw the bag. Qiao Wei heaved a heavy sigh, "forgot again."

Is this really the rhythm of three years of pregnancy? Now I can't remember anything. Qiao Wei sat down and began to pack up some clothes. Suddenly, she felt uncomfortable. She frowned and touched her stomach. The pain seems to be different from usual.

Qiao Wei's face turns white. Is he going to give birth? Qiao Wei wanted to call someone, but he couldn't make a sound. Bean big sweat from the forehead, Qiao Wei covered his stomach, looking at the mobile phone on the table.

She moved slowly, trying to call Huo Dongyang. It is not easy to touch the mobile phone, but the stomach is more and more painful. Qiao Wei leans hard to sit down on the sofa, trying to get himself up to make this call.

The phone was put through soon.

"Qiao Wei!"

"Dongyang, my stomach I have a stomachache Qiao Wei said intermittently, saying that Qiao Wei put the mobile phone on, the stomachache has become more and more big, it seems that it is really going to give birth.

After a while, Qiao Wei heard a sound of feet, as if more than one person.

Huo Dongyang rushed into the room and saw Qiao Wei sitting on the sofa. The situation was really wrong. He rushed over and said, "Jovi, what do you think?"

"I should be giving birth." Said Jovi with difficulty.

Huo Dongyang could see Qiao Wei like this and immediately called an ambulance.

Huo Jiang helped Mary to come to Qiao Wei's side immediately. Mary saw how Jovi looked. "Weiwei is going to have a baby."

Qiao Wei kept murmuring in his heart, "children, you must hold on until your mother arrives at the hospital before you can come out. Be obedient, will you? "

Looking at Qiao Wei was pushed into the delivery room, Huo Dongyang nervously walked back and forth. I didn't expect this situation to come so quickly. It really made people too late to prepare.

Several people were all waiting outside the delivery room. They were worried when they heard Qiao Wei's painful cry. After a while, Xia yueqian came with a senior obstetrician.

"Xia yueqian, please." Huo Dongyang also lost his usual calm, the whole person looked very flustered.

"Don't worry. I'm sure it's OK." Xia yueqian replied.

Huo Dongyang nodded and then watched several doctors go in together. Hear Qiao Wei's cry, Huo Dongyang wish he could for her pain. It has long been said that having children is a painful and dangerous thing.

Qiao Wei is tossing about in the delivery room, and Huo Dongyang is also suffering outside the delivery room. He walked back and forth uneasily, just worried about Qiao Wei.

Time has passed two hours, Qiaowei has not come out, the call inside seems to have no. This makes Huo Dongyang more anxious, so suddenly there is no sound, will there be anything wrong!?

At this time, I saw several nurses rush out to get things, and then went into the delivery room.

"Grandma, what did they take in just now? Will Jovi be ok?" Huo Dongyang looked back at Mary and asked.

A few nurses were so quick just now that Mary didn't see it clearly. "What did they take in? I didn't see it. "

In fact, Huo Dongyang did not see clearly, his idea is not on that, so he will be flustered.

Come for a while, a nurse will come out with the operation consent to sign for Huo Dongyang.

"Mr. Huo, please sign."

Huo Dongyang was stunned to see the operation consent letter. Why should I have the operation?!

"How's Qiao Wei?"

"Mrs. Huo is going to have a C-section now." The nurse replied.

Hearing the nurse's words, several other people all stood up, "can't have a natural birth?"

"The chance of twins giving birth naturally is low. Mrs. Huo insists on giving birth naturally, but it is not allowed now!" The nurse replied.

Huo Dongyang asked anxiously, "what does it mean that the situation is not allowed?"

"Mrs. Huo has been suffering from shock just now. The doctor suggested that a caesarean section should be carried out immediately. Mr. Huo, it's urgent. Please sign it immediately! "

The nurse's words let Huo Dongyang face back several steps, he seems to be unable to accept this fact.

"What's the matter with Qiao Wei now?"
