

## Warm Wife 31

### [Chapter 31](#)

the republic of korea.

Huo Dongyang received the news to the south. He sat in a dark corner. No one can see him clearly at this moment.

Even Xiang Qing did not dare to make a sound, because Huo Dongyang is dangerous at the moment.

As time went by, Xiang Qing stood still in front of Huo Dongyang. The phone call to the south just now seems to have something to do with that lady. What happened in a city, will let Huo Dongyang show such a deep expression.

In the dark, the only thing you can see clearly is Huo Dongyang's blue gray eyes. Like a leopard dormant in the night, as long as the other party has a movement, he will certainly fly to the past. In serious cases, he may even bite each other to death.

Xiang Qing thought of such a picture, can not help but play a shiver. Although he has seen a lot of big scenes, but the only one who feels infiltrated is Huo Dongyang.

"Xiang Qing!"

Huo Dongyang's this sound, Xiang Qing immediately sober up. "Yes

"You go to clean up, tomorrow after mother's worship, we will go back to a city."

"Boss, are you sure you want to leave so soon?" Xiang Qing knows that Huo Dongyang has other things to do, so it is not considered to rush to a city.

Huo Dongyang closed his eyes, Xiang Qing's words are reasonable. However, he was worried that Qiao Wei could not cope with the next thing on his own. And now Yun Yiyan has begun to investigate, although it is not clear how much he will find out. If it is found, many things will come to the surface, and the more you want to cover up, the more you can't cover it up.

"Boss, I hope you think twice. After all, we have been waiting for 20 years, and the more time we have to calm down. " Xiang Qing frowned to remind them that it was hard for them to have a second chance.

Huo Dongyang shook his hand. In the quiet room, he clearly heard the sound of Huo Dongyang's moving hand joints. The sound of each hand joint was so clear.

Xiang Qing hesitated for a while, or risked taboo to speak. "Boss, you are anxious to return to city A. is there something wrong with the young lady?"

"Well!" Huo Dongyang opened his eyes again, but there was no worry in his eyes.

"Boss, I believe the young lady can handle it. After all, she is the one you like. " Xiang Qing doesn't want Huo Dongyang to lose everything because of a woman. The woman can look for it if she is gone, but their plan can't be suspended because of this.

There is not only Huo Jiang's hatred, but also Huo Dongyang's hatred, and the last hope of the whole family.

Or because of Xiang Qing's words, Huo Dongyang's eyes turned. Or do you trust Jovi once? If she really can't cope with it, then she will personally help her!

"As planned."

"Yes Knowing that Huo Dongyang listened to his words, Xiang Qing was also a little relieved.

It's morning.

Huo Dongyang started today's trip, and Qiao Wei also started today's work.

Back in the office, Qiao Wei closed his eyes and prepared to prepare for the board of directors.

Amy knocked at the door. "Joe, it's almost time."

Jovi opened his eyes and said, "Hmm!"

Amy is worried about seeing Qiao Wei. This time, Qiao Wei is fighting alone, and his chance of winning is certainly not very good.

Qiao Wei knew that Amy was worried about herself. She said with a smile, "Amy, don't worry! If I really fail, then I will keep you! "

Amy frowned. She has been fighting with Qiao Wei since she entered the company. How did Qiao Wei get to this day? She is the best witness.

Unfortunately, in senjoli, her efforts were always taken for granted, and her father used her to achieve her goals. Amy saw all kinds of injustice!

This time, it is not easy for Qiao Wei to get support from those directors of the board of directors. Although those people have been favored by their wives before, they can see that it is money in front of money!

Amy really loves Qiao Wei. Why did she leave in such a situation? It is not too late for a gentleman to take revenge. Qiao Wei's ability is still too weak. It's not easy to fight with so many people alone.

"Amy, let's go!"

Hearing Qiao Wei's words, Amy nodded. "Mr. Qiao, I'm ready to advance and retreat with you."

"Thank you for supporting me in such a situation." Said Joe, smiling. "I've prepared for the worst."

Entering the conference room, many directors have arrived.

Chen Jiansheng saw Qiao Wei come in and immediately came over. "Wei Wei, are you really ready to fight with your father to the end?"

"Uncle Chen, now he wants to deny me." Joe spoke. "In fact, I also know the reason why he did this. I just want to force me to persuade you to let Qiao Xin be the vice president."

"Slightly, you should be soft." Chen Jiansheng is worried about Qiao Wei.

Qiao Qingdong clearly gave Qiao Wei a problem this time. Now everyone knows that the land in the east of the city is a hot cake, many big enterprises are staring at it, and now the winner is Yunshi. As a result, Qiao Qingdong asked Qiao Wei to make a plan to compete for the land. People who know about senqiao real estate know that this is an impossible task, but Qiao Qingdong also wants Qiao Wei to complete the plan with the shortest time and the least capital planning.

People with a clear eye all know that this is an impossible task. As a result, this silly girl is determined to follow. Today, when Qiao Qingdong held this board of directors, it was a Hongmen banquet.

At this time, Qiao Qingdong took Qiao Xin into the conference room.

Chen Jiansheng felt uncomfortable when he saw this situation. The world has changed. Qiao Qingdong betrayed his promise to Su Lirong and walked in with a third daughter.

After Qiao Qingdong coughed a few times, many people also sat down.

Qiao Wei faintly looked at Qiao Qingdong and sat down in his own position.

"Shareholders, the purpose of today's meeting is mainly about the land in the east of the city." Qiao Qingdong said. "Mr. Qiao also took over this task before. Today, Mr. Qiao will introduce the implementation of the plan for us."

As soon as Qiao Qingdong finished, all the people's eyes fell on Qiao Wei. This is a hot potato, Qiao Qingdong really easy to say, directly throw to Qiao Wei this girl. Now even Yunshi doesn't dare to compete for this land.

Qiao Wei stood up, she bowed to everyone, then went to the stage and began her speech.

Qiao Wei's plan is really good, in a few days, can make such a level has been very good.

Qiao Qing Dong's ability is very fast! In this case, she is quite outstanding!

"What about the budget?" Qiao Qingdong asked.

Qiao Wei shook his head, "my plan is here, to complete such a planning layout, even if senqiao gets a bank loan, it is impossible to achieve. To be bold, this is just a preliminary layout. I have calculated that there is no way to use the whole senjo as collateral! "

## [Chapter 32](#)

Qiao Wei's words made everyone quiet.

Yes, Jovi was right. Such a big project, Yunshi now dare not act rashly. What's more, it is a developing senqiao real estate?

Now senqiao has several projects that really make money. As a shareholder, as long as you get money, other things are really not suitable for taking risks.

"Mr. Qiao, listen to you, your task is not completed this time?" Qiao Xin's voice is proud of Xiao Xu.

Qiao Wei looked at Qiao Xin flatly in his eyes, but in his heart he said Qiao Xin was stupid.

It was her turn to speak on such an occasion.

Sure enough, there are already shareholders. "Miss Joe, do you understand the rules? You are not a director of the company or a department head. What qualifications do you have to speak here? "

Qiao Xin's face was red and her head was low and she did not dare to speak.

Qiao Qingdong took a look at his little daughter and then opened his mouth. "Xinxin is a bit impatient and quick to speak."

So partial, also let people see Qiao Qingdong's purpose.

"Chairman, don't bring in some irrelevant people in future meetings."

"Xinxin has already worked in the company, and she is a part of the company." Qiao Qingdong explained.

Chen Jiansheng went on to say: "it's also straightforward for the chairman to appoint a position now. It's really a one-man monopoly. This temporary airborne vice president, the people below have their own opinions. "

"Chen Dong, Xinxin also wants to work for the company. Of course, companies need to absorb talent. "

"What kind of talent is Miss Qiao?" Chen Jiansheng then asked. "If it's really talent, it's better for you to talk about what needs to be improved in the planning of General Manager qiao just now?"

Qiao Xin blushed. She didn't understand those things. Today she came to see Qiao Wei make a fool of herself!

Hearing Chen Jiansheng's suggestion, several directors echoed.

Qiao Xin looked at Qiao Qingdong nervously and called out in a low voice, "Dad!"

Qiao Qingdong's face is not good, "everybody, today we are mainly discussing the general plan of Qiao."

I just want to change the topic. All the people present can see it. Qiao Wei's heart is even colder, and he clenched his hand.

"Mr. Qiao, so according to your opinion, senjo really has no ability to compete?" Qiao Qingdong asked.

Qiao Wei nodded, "yes, or is the chairman willing to sell senqiao?"

Qiao Qingdong got angry and said, "what are you talking about? In front of the directors, pay attention to the propriety of speech. "

"Or you are willing to take out senqiao shares in exchange for this competitive cooperation opportunity. I know that Yunshi wants to join the public bidding of QA group recently. "

Qiao Wei's words let Qiao Qingdong down, and his eyes glared at Qiao Wei. "Is that your attitude to work?"

"Chairman, that's all I can do with this cooperation plan." Added Jovi.

"It also proves that your ability is limited. You promised me before that if you didn't finish the project, you would accept any punishment."

Qiao Wei was cold in the heart, and finally came to the theme after such a long time.

"Yes. That's what I said Joe nodded.

Qiao Qingdong stood up and said, "since Joe has not finished this task, he will be removed from the position of general manager."

As soon as the announcement came out, the audience was quiet. Qiao Qingdong, this is his own daughter to kill quickly, not left behind!

When Qiao Wei heard the announcement, although she was prepared in her heart, she still felt uncomfortable. She still didn't help her mother keep the company.

"Chairman, is your decision too hasty? To dismiss Mr. Qiao just because of an impossible plan? Does the chairman of the board not want to think about it? Is Mr. Qiao taking over all the profitable projects of the company now? " Chen Jiansheng is not convinced.

Qiao Qingdong looked at Chen Jiansheng and said, "this is what Qiao Wei promised before, and I also do things according to the agreement."

"So dare to ask the chairman, if you, what kind of plan can you make?" Chen Jiansheng continued to ask questions.

"Chen Jiansheng, you should be careful."

Chen Jian snorted, "I don't think I need to continue sitting here. Because I feel that the company will soon fall into the hands of other people. "

After that, Chen Jiansheng walked out of the meeting room with a look of anger. Several directors and shareholders left the meeting room one after another.

Jin Yun, sitting next to Qiao Qingdong, opened his mouth. "Old Joe, don't bring your family to the company in the future. Is it worth it? Don't let the gain outweigh the loss. You can see who is the Pearl and who is the straw bag

Jin Yun stood up on crutches. He took a look at Qiao Wei. "Mr. Qiao, it's good for young people to exercise more."

With that, he went out on crutches.

There were three people left in the conference room, the three father and daughter of the Qiao family.

Qiao Wei began to pack up his things, "Chairman, if it's OK, I'll go first."

Qiao Xin finally seized the opportunity to speak, "Qiao Wei, remember to pack up your things.""Good!" Qiao Wei agreed unexpectedly. "But I still want to say one thing, you should not be happy too early. The workplace is also changing. I don't know what to do tomorrow. "

Qiao wei walked out of the meeting room and was suddenly frustrated. Her legs were a little weak, and she walked step by step with her hands on the wall.

Just back at the door of her office, Amy came to help her.

How are you, Joe

"I'm fine."

Amy holds Qiao Wei. In fact, she has received the news just now. Now Qiao Wei must be very sad, she also dare not say much.

"Mr. Qiao, the second youth is here."

Qiao Wei heard, the corner of his mouth showed a self mockery, "he is to come to see my embarrassed appearance."

Amy did not answer. She helped Qiao Wei to her seat and sat down.

"Amy, please pour me a glass of water."

"Good!"

After receiving the water from Amy, Qiao Wei raised his head and drank it.

After putting the cup down, Jovi stood up.

Amy watched Qiao Wei push the door into her office, hoping that Qiao Wei and Yun Yiyan could have a good talk. After all, they are husband and wife, and they can discuss everything.

"Why did you come?" Qiao Wei spoke first.

Yun Yiyan raised his head from the mobile game and saw that Qiao Wei's spirit was OK.

"It looks like it's not as weak as I thought. It's good!" Yun Yiyan said with a smile.

Qiao Wei went to his position, "let you down."

"No. For me, it's not surprising. " Yun Yiyan said frankly.

Jovi nodded. "Then, if you are satisfied with my present situation, you can go."

Yun Yiyan put the mobile phone away, put one hand in his pocket and went to Qiao Wei, "I'm waiting for you to pack up and go together!"

Qiao Wei wrung his eyebrows, and did not expect that Yun Yiyan would say such a thing. And today's he seems not as arrogant as in the past, as if there is a little more humanity.

### [Chapter 33](#)

After Qiao Wei sat down, he really began to pack up his things.

Yun Yiyan walked to the desk with long legs, and stood leaning on one side, watching Qiao Wei clean up his things.

"Qiao Wei, how could you take on this impossible task?" Yun Yiyan heard about it this morning, so he came here temporarily.

Joe still can't imagine that the company can't change the result.

Qiao Wei stops the movement in the hand. "Er Shao, is this about me?"

"Qiao Wei, there is no one else here, and you don't need to be brave." Yun Yiyan frowned and took advantage of a handsome face.

Qiao Wei continues the action in the hand, "or I am tired."

Cloud Yiyan looks at Qiao Wei, can't help but smile. "What? Don't want to be a workaholic? "

"Yes Joe nodded. "And there's nothing to be nostalgic about now."

Although Qiao Wei's face was relaxed, his heart was miserable to death. After all, she broke faith with her mother.

Yun Yiyan did not continue to speak. In fact, he had many questions to ask her, but it was not suitable to ask her now.

Qiao Wei doesn't have many things, so he will pack up soon.

Yun Yiyan looked at Qiao Wei holding a box and wanted to reach out to help her, but in the end he didn't.

Qiao Xin was excited to see Qiao Wei's mess. Seeing that Qiao Wei had been cleaned up, she immediately blocked up at the door and said, "Qiao Wei, dad asked me to see if you have taken away the company's confidential documents."

Qiao Wei looked at Qiao Xin, "then you come in to check."

"Of course

Qiao Xin stepped into the high-heeled shoes, and just wanted to start to look through the box that Qiao Wei had packed. Yu Guanggang saw someone in the room.

When you see who it is, Qiao Xin is very nervous. Did he see his attitude towards Qiao Wei just now?

"Yi Yan, I You..." Qiao Xin goes forward to explain with Yun Yiyan.

But cloud Yiyan gave her a cold eye, let Qiao Xin in situ take back his own pace, very reluctantly called a brother-in-law.

But her eyes are full of tears and grievances. Yun Yiyan has not come to find her for some time.

Qiao Wei also saw some clues from their movements and expressions. Although she was slow to respond to emotional matters, the present situation seemed to be obvious. She's not blind. She can't miss their relationship.

Jovi picked up his box again. "I'll leave the time and place for you to chat."

Cloud Yi Yan frowns, Qiao Wei is really generous! At this time, I could say such a thing.

Qiao Wei did not pay attention to cloud Yi Yan cast eyes, "I left first."

"Jovi, grandfather said let me take you back." Yun Yiyan just found an excuse.

Jovi stopped. "Then I'll wait for you. Take your time. "

Cloud Yiyan saw Qiao Wei really left, his whole person is not good. What is her attitude now.

"Yi Yan, she's gone." Qiao Xin said sadly.

Cloud Yiyan bypassed Qiao Xin and said in a cold voice, "what are you going to do?"

"Yi Yan, don't you really understand? I'm sincere to you. Since you have divorced Qiao Wei, why haven't you made it public yet? " Qiao Xin cried. "I really don't know what to do with you?"

At this time, Yun Yiyan was really tired of Qiao Xin, "Qiao Xin, these things were originally very common things. You love me! Why be so serious? "

"What do you say?" Qiao Xin's face turned white, "do you love me?"

"Isn't it?" Yun Yiyan laughed. "Is that not the case with men and women? You don't think I'll give you a place, do you? If every woman needs me to be in charge like you, do you think it's fun? "

Qiao Xin's face is even whiter. She is one of the many women in Yun Yiyan's life. So he didn't divorce Jovi for his own sake?

Still do not give up, Qiao Xin continued to ask: "then why do you want to divorce Qiao Wei?"

"I can divorce her and, of course, remarry with her." Yun Yiyan said it with ease.

"So you don't do it just because you love me?"

"Qiao Xin, where are you confident that I love you? All we have is a physical trade. So, physiological needs. "

Qiao Xin clenched his hand, "Yun Yiyan, you are an asshole!"

"Qiao Xin, how old are you? Can you understand these things? Your sister is smarter than you. She knows how to pretend to be stupid Yun Yiyan said and left directly.

Qiao Xin turned to Yun Yiyan's back and said, "that's because she is a fool! I won't fight for it at all

Yun Yiyan stopped his own pace, "in this case, I don't want to hear it again!"

Yun Yiyan came to the parking lot, but did not see Qiao Wei. Take out the mobile phone to call Qiao Wei, but she turned off.

Yun Yi drives his own car to leave.Ten minutes ago, South had already taken Qiao Wei away.

Qiao Wei originally refused to get on the bus, but later he received a call from Huo Dongyang and then went south.

In the car, Qiao Wei had already gone to sleep because he stayed up late last night.

Send Qiao Wei back to the villa.

"Madame, it's here."

Jovi heard the sound and opened his eyes. Make sure you're home. "Thank you."

See Qiao Wei want to get off the car, handed his mobile phone to the south, "madam, Mr. Huo's phone."

Qiao Wei reached for the south of the mobile phone, nodded to him. Then he picked it up and said, "hello..."

"Home?"

"Well!" Joe nodded. "Why don't you call my cell phone?"

"Your phone is off."

After hearing Huo Dongyang's words, Qiao Wei turned out his mobile phone and turned it off as expected. "There's no electricity."

"Take a good rest at home and leave everything to yourself." Huo Dongyang tells us. "I'll be back soon."

"Well!" Jovi was warm in his heart.

"I'll deal with the rest when I get back."

"Good!" Huo Dongyang's words made Qiao Wei calm down.

After the end of the call, Qiao Wei returned the phone to the south, "thank you!"

"You are welcome, madam." South face also a little embarrassed.

Qiao Wei came home, took a bath, and then went to bed. She didn't know what was going on outside.

Qiao Wei was expelled from qiaoqingdong. I don't know who burst out. Many partners in the industry have to terminate the contract with senqiao because of this.

Many people choose to cooperate with senqiao, which is the ability of Qiao Wei. Now Qiao Wei is not in, so there is no need for cooperation.

Qiao Qingdong did not expect that the consequence of the dismissal of Qiao Wei was like this. When he was in trouble, news of Qiao Xin's suicide at home also came.

When Qiao Qingdong arrived at the hospital, Qiao Xin had just been rescued.

Hear Qiao Xin is OK, Qiao Qingdong also just gave a breath. He looked at Liu Su and asked, "what's going on?"

Liu Su cried and said, "because of yunyiyan."

### [Chapter 34](#)

Qiao Qingdong frowned when he heard this.

He walked to one side and sat down with helpless eyes.

Liu Su sat beside Qiao Qingdong with tears on her face, "Qingdong, please think of a way. We have only one daughter

Qiao Qingdong raised his head and looked at Liu Su, "who can blame for such a thing now? There are also your problems. "

Hearing Qiao Qingdong's accusation, Liu Su was at a loss and her tears stopped.

Liu Su saw Qiao Qingdong with his eyes closed and his head against the wall. He was at a loss.

"Qingdong, are you blaming me?"

Qiao Qingdong opened his eyes and looked at Liu Su, "Su Su, do you still want to hide from me?"

Liu Su's eyes twinkled, seeing her flustered, thinking that Qiao Qingdong would not know anything? Her voice also became unnatural. "I don't know what you're talking about?"

"What do you think is the relationship between Xinxin's suicide and Yun Yiyan?"

"It is..." Liu Su said two words and suddenly stopped.

Qiao Qingdong saw her white face, "have you been asking Xinxin to pester Yun Yiyan? Let Yun Yiyan and Weiwei divorce so that she can replace Wei Wei and become the second young grandmother of the cloud family? "

Liu Su's mouth trembled. She couldn't say a word. He already knew it!

"Susu, you really did something wrong." Qiao Qingdong said.

Liu Su lowered her head and clenched her hand. "Why can Qiao Wei marry Yun Yiyan? Can't my daughter? Xinxin is my daughter. Is my daughter worse than Joe? "

Qiao Qingdong is now startled, the original in Liusu's heart is so treat Qiao Wei. Then she usually shows concern for Qiao Wei in front of her own face, all of which are false.

"Liu Su, it's time to stop now." Qiao Qingdong frowned. "The cloud family is really not suitable for Xinxin!"

Liu Su's face was not satisfied. Since she could not hide it, she simply said, "so Qiao Wei is suitable? Qiao Qingdong, are you too partial? "

"You are wrong! Yunjia is more complicated than the shopping mall outside. If it wasn't for the financing problems of senqiao and YUNZHUO, you thought I would marry my daughter? The cloud family is not as beautiful as it looks on the surface. We really don't know how many lives and blood have passed in that family. Have you not heard all those rumors? "

Qiaqingdong's words let Liusu be stunned. She looked at Qiao Qingdong doubtlessly, "is this true?"

"What am I lying to you for?" Qiao Qingdong replied. "But now you are pushing your voice into the fire. What do you think it is now? "

"Qingdong, me too..."

Qiao Qingdong sighed. "I married Weiwei to Yun Yiyan just for the financing of the cloud family. Weiwei basically controlled Yun Yiyan! It's only a matter of time before they get divorced, but it's definitely not the time. Now I've dismissed Wei Wei for Xinxin's sake. Today, many partners have terminated the

contract with us. If the news of their divorce comes out, then senqiao may be really finished! You have to understand the power of this! "

Liu Su didn't expect things to be so serious, "how could it be like this?"

"Their cooperation with us also depends on the face of the cloud family." Qiao Qingdong looks helpless and sighs deeply. "The old man YUNZHUO wants to know these things, maybe we really want to roll the floor and walk away!"

Liu Su really felt that she had made a mistake. It seems that this matter should be considered for a long time. Otherwise, it's really a waste of money!

"Xinxin and Yun Yiyan's business, let's call it a day! You advise her. " Qiao Qingdong said again.

Liu Su lowered her head, and she wanted to persuade her. "But now Xinxin is in love with Yun Yiyan, what should I do?"

Qiao Qingdong put his hand on his head, "we need a little help."

Liu Su's face was twisted when she heard this. She bit her lips. At the end of the day, we still have to ask Qiao Wei! Thinking of this, she felt uncomfortable. Why should the bitch dominate everything now! no way! She and her daughter have not had a good life!

At this time, the doctor came out.

Who's the family, please

Liusu stood up immediately. "I'm her mother."

"Miss Joe's condition has stabilized, but she's pregnant." Open your mouth, doctor.

Liu Su was surprised. "Pregnant?"

"But this child, we don't recommend staying. We didn't know at first, so we used a lot of antibiotics. It's very likely that the child will be deformed The doctor went on. "You'd better discuss it and make a decision as soon as possible."

Liu Su had just lit up a little hope and was broken again. How could this happen!

Qiao Qingdong also shook his head. It's really a crime! How did it happen? In his mind, Yun Yiyan and Qiao Xin were in the parking lot that day.

But he didn't seem to expect such a thing to happen. Headache!

"Qingdong, what should I do?" Liu Su had no idea at all and looked flustered. Qiao Qingdong also felt bad, his two daughters were destroyed in the hands of Yun Yiyan!

Qiao Xin was more excited when she learned of the situation. "I don't want to take the child away!"

Liu Su cried and begged, "Xinxin, you are obedient! This child really can't stay

Qiaoxin, regardless of the injury on her hand, tugged at Liu Su's hand. Her action was too fierce and the wound was cracked. The blood dyed the gauze red again.

Liu Su saw Qiao Xin's hand bleeding, she was more heartache. "Xinxin, don't get excited!"

"Mom, I want to see Yi Yan. This is his child." Qiao Xin grabs Liu Su's hand and asks her to contact Yun Yiyan.

Qiao Qingdong can't bear to see his daughter crying like this. He went to the ward and called Yun Yiyan.

Yun Yiyan happened to be in a meeting in the company, so he didn't answer Qiao Qingdong's phone call.

Yun Yiming walks into Yun Yiyan's office to get a document, but sees that Yun Yiyan's mobile phone has been shaking.

Seeing the name on the caller ID, his serious face had a trace of movement. This Qiao Qingdong made such a call, it seems that there is something urgent. It's not about firing Qiao Wei for his own impulse?

Yun Yiming originally wanted to take the call with the mentality of watching the drama, but he heard the explosive news.

As soon as the phone was connected, Qiao Qingdong said, "yunyiyan, you are coming to the hospital right now!"

Yun Yiming feels strange. Is it Qiao Wei who has something wrong? But according to reason, although Qiao Wei treats the sentiment to be a bit slow, but is not short-sighted. How did she hold up senjo before she was allowed to.

"Yun Yiyan, don't try to shirk your responsibility. You and Xinxin have to give me an explanation Qiao Qingdong said angrily on the phone.

When Yun Yiming heard this, he raised one eyebrow. Did Yun Yiyan get together with Qiao Xin? As for such a hunger, two sisters eat all!

"I don't care what you're doing now? Come to the central hospital immediately. Xinxin is pregnant Qiao Qingdong finally added a sentence.

This time, Yun Yiming widened his eyes and said, "pregnant?"

## [Chapter 35](#)

Yun Yiyan, who just entered the door, also heard this sentence.

Seeing Yun Yiming holding his mobile phone, he immediately frowned. "Brother, how do you press my phone?"

With that, he grabbed the cell phone right away. A look at the phone is Qiao Qingdong, his face sank.

Yun Yiming seems to have responded, and he has a meaningful smile. "My good brother, you are good!"

"I don't know what you're saying!"

"Just now your father-in-law called and said angrily that he wanted you to go to the hospital immediately." Yun Yiming said with a smile.

Yun Yi explains the meaning of Bai Yun Yi Ming's smile, which is a capital irony.

Yun Yiyan sits down with his mobile phone. It seems that he doesn't want to continue talking with Yun Yiming.

"What? Are you not going yet? " When Yun Yiming sees that Yun Yiyan has nothing to do, he has more fun watching the opera. "Or do you need big brother and I'll go with you?"

Yun Yiyan takes a look at Yun Yiming. "Elder brother should not be a person who likes to join in the fun."

"Yes, but for the sake of being a father, I really don't mind going there."

Yun Yiyan was stunned, and his eyes became dull. "What did you say?"

"Oh? I forgot to say that, didn't I? Your father-in-law said his daughter was pregnant and asked you to go to the hospital What Yun Yiming said is very relaxed, but he looks like watching a good play.

Yunyiyan just wants to refute that he and Qiao Wei have never been children. However, with the smiling face of Yun Yiming, his heart sank and he immediately grabbed the car key and rushed out.

Qiao Xin is pregnant? Yun Yiyan's eyes are full of murderous spirit. It seems that Liu Su and Qiao Xin planned this, waiting for themselves to jump inside.

Seeing Yun Yiyan leave in a hurry, Yun Yiming can be said to be relaxed. He took out his mobile phone and called Fu Qing.

"Mom, I have a message to tell you!"

Yun Yiyan rushed to the hospital, and before he got to the ward, he heard Qiao Xin's cry.

He clenched his own, frowning, and angry.

Pushing open the door of the ward, Yun Yiyan looked at the ward with a sinister look.

Qiao Qingdong in the room saw the person who appeared at the door, he immediately stood up. "You are here at last."

Liu Su lets go of her daughter's hand and walks to Yun Yiyan in front of her. "Yi Yan, you have to give me an account today."

Cloud Yi Yan's eyes are very cold, "how do you need us to explain?"

"Xinxin is pregnant with your child, what do you say to do?" Liu Su stares at Yun Yiyan.

Since the matter has developed to such a degree, she has to give an account of everything she says. She can't let her daughter be so wasted!

Yun Yiyan snorted coldly and walked to Qiao Xin. "You're a child, you're mine, and I believe it? You don't mess with other men and stay? It's naive to try to tie me up with a child

When Qiao Xin heard this, her heart was dripping with blood. "Yi Yan, I'm not such a person. I really love you

"Love me?" Yun Yiyan looked heartless, "do you love me? You're going to design me that night and that night with your mother? "

Qiao Xin's face became whiter and she was shaking all over. It turns out that he is such a person in Yun Yiyan's heart. "Yi Yan, you are really cruel!"

Cloud Yiyan's indifferent eyes skip Qiao Xin. Before, he even compared her with Qiao Wei. Now I think it's really wrong. Although they are sisters, they are not born by one mother.

"Yun Yiyan, what are you going to do now?" Liu Su didn't expect that Yun Yiyan would be so cruel.

Yun Yiyan takes a look at Liu Su. "I don't know if this is my seed! What do you want to do? "

"You Liu Su was really dizzy.

Qiao Qingdong comes forward to support Liu Su. He looks at Yun Yiyan angrily. Unexpectedly, Yun Yiyan is such a shameless person.

Qiao Xin came down from the hospital bed. She slowly walked to Yun Yiyan and said, "Yi Yan, this is really your child."

"Qiao Xin, I told you very clearly before. This child must be knocked out! "

Qiao Xin incredibly back a few steps, "yunyiyan, you are really cruel enough!"

"Qiao Xin, I said it too! All these things are your wishes. If you can't afford to play, don't play. "

Qiao Qingdong helped Liu Su to one side to have a rest. He went forward and punched Yun Yiyan.

Yun Yiyan covers his face, but he doesn't fight back.

Qiao Xin saw cloud Yiyan's face hanging color, she immediately rushed to Yun Yiyan's front. "Dad, don't hit him!"

"Xinxin, such a man is really not worth it!"

Qiao Xin's face is full of tears, if you let other men see it will feel heartache. Just for Yun Yiyan, the only thing left is nausea.

Qiao Qingdong see Qiao Xin block in front of Yun Yiyan can only give up. What a crime!

"Yun Yiyan, why do you have to give us an account of Qiao's family today?" Yun Yiyan rubbed his face with his hand, and Qiao Qingdong's fist was really full of strength. "What are you going to tell me?"

"You have to give Xinxin a place." Qiao Qingdong said. The matter has come to this point, he can not take into account so much.

Yun Yiyan has not made a sound, but there is a cold female voice coming from the door.

"Chairman Qiao, you have a good idea!"

People turn around and see Fu Qing, dressed in a dignified cheongsam, standing at the door. Next to her is Yun Yiming.

Yun Yiyan looked at them, and he lowered his head. It seems that the eldest brother informed his mother.

When Qiao Qingdong saw the two people suddenly appeared, he didn't dare to make a mistake.

Fu Qing takes a look at Yun Yiyan. Although she doesn't like it in her heart, she must protect her family in front of outsiders.

"What did Yiyan of our family do to let you do this?"

Qiao Qingdong for his daughter also go out, "Xinxin pregnant with cloud Yiyan's child."

"Is it?" Fu Qing took a look at Qiao Xin who had already cried into tears. "Miss Qiao, are you sure the baby in your stomach belongs to Yiyan of our family?"

Qiao Xin saw Fu Qing's eyes, she felt afraid! Yun Yiyan's mother is really terrible. Although she was not angry, her eyes were more terrible at the moment.

Fu Qing has been staring at Qiao Xin, "why not answer?"

Liu Su has also recovered, "Mrs. Yun, Xin Xin's belly is really Yun Yiyan's!"

"I just want to hear from her." Fu Qing's voice is more sharp.

Qiao Xin's heart trembled, and then nodded.

Fu Qing said with a sneer: "will this be dumb? Where has the momentum gone? "

"This is Yi Yan's child." Qiao Xin said in a low voice.

Fu Qing nodded, "if this is really Yiyan's child, then the cloud family will certainly be responsible. But I heard from the doctor just now that the child can't be kept, so we can't wait for DNA identification

Qiao Xin a listen, she stepped back a few steps, and then fell to sit on the hospital bed.

Liu Su comes forward to support Qiao Xin. "Xinxin, are you ok?"

### [Chapter 36](#)

Liu Su comforted Qiao Xin with a few words, and she went directly to discuss with Fu Qing.

"Mrs. cloud, do you have to say that?"

Fu Qing did not put Liu Su in the eye at all, "is it difficult for me to say something wrong?"

"I think you are partial! If today this is a child, it is Qiao Wei's, you certainly will not be like this! "

Fu Qing nodded with a smile! At least one thing is different. Qiao Wei was married by Yi Yanming. She is the second young grandmother of the cloud family. What is your daughter? He knew that his brother-in-law was going to climb into his bed. Isn't this more shameful? Or what kind of mother, what kind of daughter. "

"You Liu Su's face was red and white.

Fu Qing raised the corner of his mouth. "Am I wrong? How did Su Lirong die in those years? I think you know better than us

When Liu Su sees Fu Qing's expression, she panics. Does she know what happened then? No, it's impossible. She's done it so well that she can't even know it!

Fu Qing narrowed her eyes. Although she didn't like to go to Qiao Wei, she didn't like Liu Su's mother and daughter even more. The mother and daughter were insatiable, and only Su Lirong could stand them at that time! But he ended up in such a miserable end.

Liu Su clenched her hand. "Mrs. cloud, how can this matter be explained to the Qiao family?"

"That's a big voice." Fu Qing said with a smile, "what do you want to explain?"

"Let Yun Yiyan divorce Qiao Wei, and then marry Xinxin."

Fu Qing was not angry. After turning around the room, she went to a chair and sat down. Then she took out her mobile phone and put it on her desk, which was in recording mode.

"I didn't hear you. You're saying it again."

Liu Su went to Fu Qing and said it aloud.

After hearing this, Fu Qing nodded, "this is not impossible. But once they get divorced, we'll help you Qiao family. You should think clearly about such a business. What's more, I heard that Chairman Qiao dismissed Qiao Wei with great prestige, and now many partners have asked to terminate the contract. Are you sure you want to do it under such circumstances? "

Qiao Qingdong frowned and Fu Qing was right. Now senjo is besieged on all sides and can't stand any trouble. Fu Qing is really a powerful woman. She catches all the weak points at once.

After watching for a long time, Yun Yiming also spoke. "Chairman Qiao is a smart man and should know how to do it!"

"It's hard to say!" Fu Qing replied.

Liu Su took Qiao Qingdong's hand and said, "Qingdong, do you really ignore Xin Xin?"

Qiao Qingdong clenched his hand and turned his head to the other side. He is also in a dilemma.

"Let us know when you've agreed." Fu Qing opened his mouth.

Then Fu Qing looked at Yun Yiyan and said, "let's go home first. My grandfather is still waiting for us."

Yun Yiyan closed his eyes. As expected, all the people knew.

Follow Fu Qing out of the ward, Yun Yiming says. "Second brother, have you figured out how to explain to dad and grandfather? I advise you to take it home with you

Fu Qing took a cold look at Yun Yiyan. "You did something wrong this time. Which woman is not easy to do, actually chose Qiao Xin such goods. She and her mother are just one virtue, insatiable

"Sorry, I was wrong."

"Explain yourself to your father and grandfather." Fu Qing said. "No matter whether you and Qiao Wei divorce or not, you can't marry Qiao Xin! The cloud family can't afford to lose this man! "

Yun Yiyan nodded, "I know."

Yun Yiming takes Fu Qingxian out of the hospital, and Yun Yiyan follows.

In the car.

Looking at her worried mother, Yun Yiming asked, "Mom, what are you thinking? It's a good thing for us!"

Fu sighed. "It's too early to say good things."

"Yun Yiyan made such a big mistake for himself this time. Do you think grandfather and dad won't be angry?"

Fu Qing narrowed his eyes. "Yi Ming, your grandfather is not like your father. He is not a good fool. Over the years, he has been holding on to the Yun family. He doesn't want to hand over the property of the Yun family to your father or your hand. He must have his intention."

Yun Yiming said angrily, "is he still thinking about the outsider of property?"

Fu Qing clenched his hand, and the old man estimated that he was so thoughtful.

"Don't worry, mom! The property of the cloud family must be ours!" Yun Yiyan has a fierce face.

"Yi Ming, we should be careful in everything. Yun Yiyan is just cannon fodder." Fu Qing said.

Yun Yiming nods. "Mom, I know all that."

Fu Qing looked out of the car and felt that things would not go so smoothly.

That night.

The whole cloud family is upset because of Yun Yiyan.

YUNZHUO can't see anyone. Yunzhou looked at the voiceless yunyiyan, "you can handle this matter yourself." "Well!" Then he went back to the room.

Cloud Mu Xin looked at the dejected second brother and said in a low voice, "second brother, are you ok?"

"I'm fine."

"Although Qiao Wei is not very good, she is your wife. You made a mistake this time. I don't like that Qiao Xin!"

Yun Yiyan sighed. "You go to rest and I'll sit alone for a while."

"Oh

Cloud Yiyan pulls his mobile phone tightly, Qiao Wei has not been turned on, I don't know how it is now!

Huo Dongyang received the news, the first time concerned about Qiao Wei's situation.

"Boss, Madame doesn't know about this yet." Xiang Qing replied.

Huo Dongyang thought for a moment. Since they want to deal with this matter in a low-key way, he wants them to keep a high profile.

"Xiang Qing, tell the news to the media!"

Xiang Qing looked at Huo Dongyang and immediately understood. "Yes

"Then get ready. It's time for us to go back."

"Yes

The next morning.

A big event is being discussed in a city.

It has been reported that the second youth of the cloud family and Qiao's little daughter secretly colluded with each other, and the girl was even exposed to be pregnant. Along with the Qiao family's many years of past events have been dug out.

Qiao Qingdong marries Yun Yiyan with his daughter as a bargaining chip for the Qiao family, and then gets capital injection from the cloud family. Now also for the younger daughter to work hard to expel the older daughter, let senjo into a crisis.

This kind of scandal broke out in the early morning, and the real estate of senqiao is really finished now, and the stock of Yunshi also began to fall sharply today!

It was noon when Qiao Wei saw the news. She listened to Huo Dongyang's words yesterday and had a good night's rest. As a result, I wake up to find that the world has changed.

Senqiao faces crisis, Qiao family and cloud family are exposed to such scandals. What's more, Qiao Xin was pregnant with Yun Yiyan's child. It turned out that they had been entangled in each other for a long time, and finally knew that they were themselves.

This time, they're going to end like this? Qiao Wei frowned on his brow. It's really a big deal!

Just when Qiao Wei sighed, the doorbell rang.

### [Chapter 37](#)

Qiao Wei put down the remote control and went to open the door.

Qiao Wei was surprised to see the man standing at the door.

"Why did you come?" Asked Qiao Wei.

Cloud Yi Yan's eyes burst with cold light, "of course you don't want me to come."

"I don't know what you mean?" Replied Jovi.

Yun Yiyan looks angry. He reaches out and grabs Qiao Wei's hand and tries hard.

Joe frowned with pain. "Yun Yiyan, what are you going to do

"Qiao Wei, I really despise you! It's already turned upside down outside. You'd better hide here and enjoy yourself. Are you in the care of a man? I think this man should be very capable, otherwise you will not live here! "

Hearing Yun Yiyan's words, Qiao Wei was angry. She didn't want to be slandered like this.

"I don't have one."

"No?" Yun Yiyan's face was angry.

Qiao Wei breaks away from Yun Yiyan's hand and sees a circle of strangulation marks on the back of his hand. It can be seen how hard Yun Yiyan has been just now.

Yun Yiyan narrowed his eyes, "very good, now know how to resist."

Qiao Wei stepped back and opened the distance between himself and Yun Yiyan. "Aren't you supposed to be in the hospital now?"

"Where do I need your care?"

"What are you doing to me? To be honest, we are divorced. " Jovi replied. "And you should go with Qiao Xin now."

Yun Yiyan sneered, "Qiao Wei, your heart is really big. You can say such words calmly at this time. You Qiao's people are cheap, otherwise, how can you be greedy

Qiao Wei heard Yun Yiyan's words, she clenched her hand, "Yun Yiyan, what do you say?"

"Isn't it?" Yun Yiyan's tone is contemptuous. "Two years ago, Qiao Qingdong went to the cloud home to ask us for capital injection. At that time, what did he say? He said that I had a relationship with you. He said that you like me, even if I don't marry, I must marry you! Later, my grandfather nodded for our childhood sweetheart. In this way, senjo got financing, but he wronged me! "

Joe turned pale. She had no idea about it. "It's not like that!"

"Not so?" Yun Yiyan's eyes are full of disdain. "Qiaowei, why do you pretend today! You and other men go to hang out late at night. I am put on such a hat, and I want to eat Coptis to marry you! That's why I dislike you

Qiao Wei stares at Yun Yiyan. Now she finally understands. Why does Yun Yiyan's attitude towards himself become like this.

"I don't know about it." Qiao Wei wants to explain for himself once.

"And who's the man you're going out with? What do you go out for at night? " Yun Yiyan asked.

Qiao Wei's eyes were full of hurt, "Xia yueqian and I went out, but we went to the hospital to save people. You can check it if you don't believe it! I think hospitals have records. "

Yun Yiyan is stunned. The man is Xia yueqian. This is what Yun Yiyan did not expect. Xia yueqian has been studying abroad for two years. It seems that he started before his wedding with Qiao Wei. He remembers Xia yueqian saying a word, you and Qiao Wei live a good life, she will be a good wife.

Now think about it. Yun Yiyan also remembers a thing Xia yueqian once said. Qiao Wei helped him a lot. Is that one time?!

Qiao Wei doesn't want to continue to say with Yun Yiyan, "you go, you and Qiao Xin's matter or solve as soon as possible."

"Qiao Wei, I'm still right. You Qiao people are mean. Do you know how Qiao Xin got into my bed? "

Unexpectedly, he saw Joe shaking his head slightly. "No!"

"You

"Yun Yiyan, please remember that we are divorced." Repeated Jovi.

Yun Yiyan was stunned. Did Qiao Wei really harden his heart this time? "So you don't care about the Qiao family? If you want to see the Qiao family destroyed, keep that attitude! "

Qiao looked at Yun Yiyan angrily. She never thought that Yun Yiyan would threaten herself like this.

"Jovi, I'll give you a day. I think you should know what to do? "

After Yun Yiyan dropped this sentence, he left.

Qiao Wei pretends to be tough in front of Yun Yiyan. At this time, she disappears and sits on the ground. Tears can't help but flow out, why throw the problem to yourself!

Hidden in the dark south, record all the things just happened, and then send it to Huo Dongyang.

Soon received Huo Dongyang's reply, "protect her! If you need to

After a big cry, Qiao Wei began to organize her mood. She took out her mobile phone and called Chen Jiansheng.

As a result, Chen Jiansheng told her that someone had begun to buy shares of other shareholders of senqiao in private.

"Uncle Chen, do you know who it is?"

"I don't know." Chen Jiansheng replied.

Qiao micro frowns, it seems that someone wants to take the opportunity to buy senqiao. Qiao Wei has some shares in her hand, which is left by her mother! This is the only thing she has. She has to hold on to what she says."Slightly, senjo can say that since yesterday, the sky has been shattered, and he is likely to face bankruptcy. If you want to keep senqiao, you can only go to the cloud family. "

Qiao Wei closed her eyes, her heart is resistance. Just now she knew the truth from Yun Yiyan, and she didn't want to do it.

"Uncle Chen, I'll hang up first."

Qiao Wei really did not have an idea, not even a person to discuss.

The cell phone rings.

Qiao Qingdong called.

"Hello."

"Weiwei, you are finally on. You should come to the hospital now. " Qiao Qingdong used the tone of command.

Qiao Wei knows something. She can't escape.

After arriving at the hospital, he has not entered the ward. I heard Qiao Xin's cry.

"Dad, mom, I want to keep this baby. This is the only thing I have Qiao Xin cried.

Qiao Wei pushed the door of the room open.

"Jovi, what are you doing here?" Liu Su reacts to come over, immediately to Qiao Wei body to rush over.

Sharp fingernails, soon in Qiao Wei's white face cut a hole, a long bloodstain appeared in Qiao Wei's face.

Joe looked at Liusu coldly. "I don't want to come."

Qiao Qingdong went to Qiao Wei, but he didn't care. He said, "you go back to the company immediately to deal with the crisis."

So cold and heartless words from Qiao Qingdong's mouth again, Qiao Wei's heart is dripping blood.

"Dad, do you think of me at this time?"

"You are still a member of the Qiao family, so you have to find a way to deal with it." Qiao Qingdong ordered.

"What if I don't?"

Qiao Qingdong's face was stunned, "are you going against it now? Do you think you can be arrogant if you are the second young grandmother of the cloud family? "

"Dad, in your eyes, I've always been your tool." Qiao Wei's sad face. "This time, I can't do it!"

"If you can't, do it!"

Qiao Wei suddenly laughed out, "Dad, you have a big voice!"

### [Chapter 38](#)

Applause came from the door.

"Chairman Qiao, it's really a big voice!"

Qiao Wei looks back and sees Fu Qing and Yun Mu Xin coming.

Fu Qing has changed a suit of clothes, "this operation has not been done yet?"

"Madam Yun, can we discuss this matter again?" Qiao Qingdong simply bent down and said.

Fu Qing shook his head, "no way! What I hate most in my life is Xiao San and illegitimate children. "

Qiao Wei stood beside Fu Qing, and she really felt the aura of Fu Qing when she said this.

Cloud Mu Xin looked at Qiao Xin, "Qiao Xin, you can't blame others like this. It can only be said that you can't live if you do evil! My mother and I came here to tell you that my grandfather is very angry! He said, you don't want to enter the cloud family's door in your life! "

Hearing Yun Mu Xin's words, Qiao Xin clenched her hand. She bit her lips, with hatred in her eyes.

"You can ask for your own good fortune." Cloud Mu Xin is disdainful. "Grandfather won't agree with my second brother's divorce!"

Hearing this, Qiao Xin laughed. "Ha ha ha, don't you agree to divorce them?"

Cloud Mu Xin saw Qiao Xin's appearance, immediately felt that this woman must be crazy. "Don't think that you are pregnant with this wild seed and say it belongs to our cloud family! This is not a prerequisite for you to marry into the cloud family! "

Qiao Xin said with a smile, "is that right? What if Yun Yiyan is divorced? "

Qiao Xin's words let Fu Qing hold on to his bag. Did Yun Yiyan actually divorce Qiao Wei from everyone? She looked at Qiao Wei, who had been standing on the edge and didn't speak.

"Qiao Wei, are you and Yun Yiyan really divorced?" Fu Qing frowned. "Why are you so stupid? Why don't you say it?"

Qiao Wei looked at Fu Qing, "yes."

Cloud Mu Xin is also a look surprised, "sister-in-law, you and second brother really divorced?"

Qiao Xin's face with pride, "Yun Yiyan and Qiao Wei divorced a month ago, so I'm not a junior at all!"

Fu Qing clenched the bag in his hand. This Yun Yiyan can really make trouble. In this way, things become more difficult. Maybe you will be turned over by Qiao Xin.

No, she can't let it happen, or all her plans will fall through.

"Qiao Wei, why do you have to bear it all the time?" Fu Qing frowned and asked.

In the eyes of outsiders, she is concerned about her daughter-in-law, but Fu Qing's heart is planning another thing.

Cloud Mu Xin see the situation has changed, immediately report to elder brother, father and grandfather.

Liu Su also began to see the needle, "Mrs. cloud, now the situation has been like this. So please take back what you said before. We Xinxin is not a junior, she and Yun Yiyan are aboveboard

Fu Qing's eyes were awe inspiring, "Liu Su, don't pretend in front of me. I know all your tricks! How big is Qiao Xin's stomach? I want to ask the doctor very clearly. Whether she is a junior is clear to you! "

"You

Yun Muxin goes to Fu Qing. "Mom, grandfather said let's all go home. Don't make a fool of yourself in the hospital

"Well!"

Hearing the voice of master Yun, Liu Su's heart faintly sees a little hope. She quickly stepped forward to support Qiao Xin. "Xinxin, let's go too. Mom will take you to judge."

Fu Qing's eyes are disdainful, but also to judge? When you get to the cloud house, you don't know how to die. You dare to speak up here!

Qiao Qingdong goes to Qiao Wei. "You, go back to the company and deal with the problem."

"My grandfather said, let the second sister-in-law go back together!" Although Yun Muxin likes to bully Qiao Wei, she can't be bullied by outsiders.

Cloud mu heart up front, holding Qiao Wei's back. "Second sister-in-law, let's go!"

See cloud Mu Xin with Qiao Wei out, Fu Qing coldly looked at Qiao Qingdong. "Qiao Qingdong, you should thank Su Lirong for leaving you such a good daughter. Didn't you fire her with a lot of bravado? Now there is a problem, I want her to go back to clean up the mess for you, your abacus is good! Two years ago, she sold her daughter for wealth and wealth. Now she has made a big mistake and let her go to the forefront of the storm. You are really good at being a father! If you sleep at night, you are not afraid that Su Lirong will come to avenge you! "

Qiao Qingdong was poked by Fu Qingdong. He gritted his teeth and couldn't say a word.

"Hum! Wait for retribution

A group of people came to the cloud house.

YUNZHUO glanced at the crowd with crutches, and the last sight fell on Qiao Wei's body.

"Weiwei, grandfather will help you make the decision. Don't worry!"

Qiao Xin saw the appearance of YUNZHUO, she was afraid of shrinking in Liusu's arms.

After receiving the news, Yun Yiyan was the last one to arrive, and he was full of wine.

"Mr. Yun, what are you going to do about this?" Liu Su goes out of his way and wants to seek justice today.

YUNZHUO takes a look at Liu Su. "Mrs. Joe, I already know about it, but we should pay attention to the first come first, then come first."

"Yun Yiyan and Qiao Wei are divorced. What did we do wrong? As the saying goes, one slap can't make a sound! "YUNZHUO nodded, "yes! You're right. But it seems to me that the victims of this incident are not you! "

YUNZHUO went to Qiao Wei, "Wei, what do you want to solve?"

All of a sudden, everyone's eyes fall on Qiao Wei alone, maybe her words will change the whole person's situation!

Qiao Qingdong secretly gives Qiao Wei a wink, Qiao Wei really feels chilly.

"Grandfather, I'm divorced from Yun Yiyan. You shouldn't ask me about it. " Joe spoke.

Qiao Qingdong was relieved so that they could have a chance to judge.

"I'm actually a chip for the Qiao family. I'm tired of this life." Continued Jovi. "I don't want to be in charge of the Qiao family or the Yun family in the future."

Qiao Qingdong's face changed. "Qiao Wei, your wings are hard now, aren't you! How can you say such a thing? We don't have a daughter like you in the Qiao family! "

Although Qiao Wei is prepared in the heart, but hear this sentence, the heart still feels very painful!

"Do you think of me as a daughter? Two years ago, you framed me for the Qiao family. Yun Yiyan and I did nothing. You actually use those cheap excuses to blackmail Yun Yiyan. " Qiao Wei said as he cried.

Qiao Qingdong felt that his face could not be covered, and his face was white and red. He even stepped forward to give Qiao Wei a loud slap in the face.

With a crack, everyone was stunned.

Qiao Wei felt his face hot, tears also blurred his vision.

"Jovi, you are not my daughter!"

Qiao Wei ran out without saying a word.

Just rushed to the gate, Qiao Wei saw a tall and handsome figure standing not far away.

With handsome and fashionable sunglasses, he said, "wife, I've come to pick you up and go home."

Such a word, let Qiao Wei's tears immediately burst the dike. She ran to Huo Dongyang crying.

Huo Dongyang opens his arms and waits for Qiao Wei to come over. She can hold on to this time already enough.

Qiao Wei pours into Huo Dongyang's arms, as if looking for a safe haven, only in this way can make her cry.

Huo Dongyang tightly hugged Qiao Wei, "cry, cry out comfortable."

"Ah Qiao Wei's cry was very loud, with a heavy vent. She pulled tightly to Huo Dongyang's clothes.

Cloud Yiyan and others chase out to see such a scene, a man holding Qiao Wei, also heard Qiao Wei that almost tears crying.

Yun Yiyan clenched his hand. "Who are you? Let her go!"

Huo Dongyang through sunglasses to see out of the cloud family, his eyes are disdain.

"Since you don't want it, I'll take it." Huo Dongyang's voice is not big, but it is enough for everyone to hear.

Finish saying, then hold Qiao Wei in public.

Cloud Yiyan saw straight forward, came up to give Huo Dongyang a punch, "what qualifications do you have to take Qiao Wei?"

Huo Dongyang dodges, but the sunglasses on his face are still waved to the ground by Yun Yiyan.

After seeing Huo Dongyang's appearance, all the people were shocked!

### [Chapter 39](#)

Huo Dongyang coldly looks at Yun Yiyan, but his eyes are full of disdain.

Jo Wei closed her eyes. She didn't want to pay attention to anyone. She believed Huo Dongyang would help herself, so she just left the matter to him.

She put her hand around Huo Dongyang's neck and buried her head in his neck.

Yun Yiyan is cold and staring at Huo Dongyang with a cold face. Is this man Qiao Wei's new lover? He exudes the air of king, and also gives people a sense of oppression.

This is to see Qiao Wei so dependent on him, he will be jealous. I didn't expect her to have such a weak side. Who is this man?! I can't help her to follow.

"Who are you?" said Yun Yiyan indignantly

Huo Dongyang showed a smile. "You'll soon find out."

Huo Dongyang said, eyes lightly swept the people standing not far away, holding Qiao Wei turned to leave.

See Huo Dongyang to go, YUNZHUO walked quickly on crutches.

"Wait a minute!" YUNZHUO's heart is more excited. "Is that you?"

Huo Dongyang did not answer, holding Qiao Wei forward.

Yunzhou and Fuqing are still in shock. They look at each other and seem to confirm to each other what happened just now.

Yun Yiming is also the first time to see the expression of his parents, and even the first time to see that his grandfather would be so impolite to pursue a person.

At the thought of this, his heart also faintly had the idea. Is this man

"Injustice." Yunzhou can't help but sigh and turn into the room.

Fu Qing followed Yunzhou in, her heart is more complex, as if all things are out of control.

The three members of the Qiao family were also unable to recover for a long time. Who was that man just now? The momentum of his standing there makes him feel that he is not an ordinary person.

Liu Su's face is unconvinced. How can Qiao Wei get involved with such a person? And every time she has a relationship with the man is so good. There was Yun Yiyan before, but now there is such a mysterious man of mixed blood. This man seems to be more powerful than Yun Yiyan.

Qiao Xin felt her mother's resentment, "Mom..."

Liu Su looked back at Qiao Xin, she just relaxed. Yes, today's important matters are not finished.

"Qingdong, we have to deal with Xinxin first." Said Liu Su.

Qiao Qingdong also takes back his mind. That man is not an ordinary person. If he has a relationship with Qiao Wei, maybe he can help senqiao through difficulties in the future.

Looking back at Qiao Xin's pathetic appearance, his eyebrows wrinkled, Qiao Xin's matter is also thorny.

Cloud Yiyan standing in situ, so looking at Huo Dongyang with Qiao Wei to leave, in the heart is not reconciled!

"Master, our business is not finished yet?" Qiao Qingdong comes forward to remind YUNZHUO.

YUNZHUO was very excited from the moment he saw Huo Dongyang. Nothing else matters to him anymore. Huo Dongyang is back. It seems to be more important than anything, and he has been waiting for nothing these years.

"Go in and talk about it!" YUNZHUO's mood is not as heavy as before. As for the outcome, he doesn't care.

YUNZHUO went to Yun Yiyan and said, "go in, things still need to be solved."

Yun Yiyan's eyes fell on Yun Zhuo, "grandfather, who is that man? You seem to know him? "

YUNZHUO did not deny, "go in!"

"Who is he, grandfather? Why should he take it away? "

When YUNZHUO hears Yun Yiyan's words, he looks directly at Yun Yiyan, his eyes are all disappointed. "Yi Yan, you really made a mistake this time. Slightly so good, you actually do not know how to cherish, some people if missed, then really missed! "

Yun Yiyan's heart is smothered, the meaning of this sentence is that he did not cherish Qiao Wei? So they just miss it? But this matter is clearly Qiao Wei's problem, how to become their own problem now? And now I'm not happy with myself!

YUNZHUO shook his head disappointedly. "Solve this matter first."

In the car.

Huo Dongyang hugged Qiao Wei in his arms, lowered his head and looked at her white face. His brow still could not help wrinkling.

Fortunately, she can cry out, which is more difficult than to hold in the heart.

Holding Qiao Wei's hand again, let her get closer to himself. Jovi has been asleep since he got on the bus.

Her head was in Huo Dongyang's arms, her face was still wet with tears, and her eyelashes were stained with tears.

If you change to another woman, Huo Dongyang will feel ugly. Joe didn't think it was beautiful.

Xiang Qing, who is driving in front, occasionally peeks at Huo Dongyang and Qiao Wei. I am used to Huo Dongyang's serious and indifferent face. Now I can see the affectionate and gentle Huo Dongyang. He is really not used to, even suspect that the man in front of him is still Huo Dongyang?

Also seems to be aware of the small movements of Xiang Qing, Huo Dongyang said, "concentrate on driving." "Yes Xiang Qing corrected his attitude immediately. But surprisingly, Huo Dongyang did not criticize himself.

Joe moved a little, as if he was not sleeping well. Huo Dongyang quickly helped her adjust a position.

Xiang Qing is really curious about this young lady. To tell you the truth, she is not the kind of woman who is very beautiful and outstanding. The first eye simply can't catch a man's eyeball, even if it's long and handsome.

However, it is such people who are favored by Huo Dongyang, even spoiled. After getting off the plane and receiving the report to the south, he immediately arrived at the Yunjia mansion. You know, this place is taboo for Huo Dongyang, but for Qiao Wei, he still came.

Even more let Xiang Qing wonder that Qiao Wei is the ex-wife of Yun Yiyan. What kind of evil fate is this? Huo Dongyang actually married his own

Xiang Qing felt that everything in front of him was very chaotic, but he knew that Huo Dongyang was not a person with unclear head.

"Boss, if the president knew about this, it would be wonderful." Xiang Qing couldn't help speaking.

Huo Dongyang looked indifferent. "My grandfather knew that. I didn't do anything heinous."

"But the young lady's identity is sensitive."

Huo Dongyang's face suddenly changed when he heard this. "Her identity is not sensitive at all. She is just my wife, Huo Dongyang."

Xiang Qing didn't say much. In fact, he was also thinking whether Huo Dongyang and Qiao Wei got married to fight against the cloud family. But he seems to be too involved in the play? Or is it better to hide it?

Love is really complex, no wonder so many crazy men and women.

The car stopped steadily at the door of the villa. Xiang Qing gets out of the car and opens the door to Huo Dongyang.

Huo Dongyang holds Qiao Wei to get out of the car. His action is very gentle, for fear of waking Qiao Wei.

Looking at Huo Dongyang holding Qiao Wei in, Xiang Qing can't help sighing. I hope Qiao Wei is not a beauty.

"Master!"

Xiang Qing took a look to the south, "Hmm! It's been a good time

Got master's expression, nodded to the south.

"The young lady is really good! I don't think the boss will pick the wrong person. " Open your mouth to the south.

Xiang Qing raised the corner of his mouth and said, "OK! Now they all learn to speak for others. Your master, I have eyes to see. I don't need you to explain it. "

With that, Xiang Qing walked into the villa.

#### [Chapter 40](#)

In the villa.

Huo Dongyang settled Qiao Wei and came out of the room.

Xiang Qing and Xiang Nan are already standing in the living room waiting for him.

Huo Dongyang reached out and unbuttoned two buttons on his shirt and pulled up his cuffs. Such a simple action made him feel enchanted.

"Boss!"

After Huo Dongyang sat down, he looked at the two people standing in front of him.

"Do you have something to say?" The sound of magnetism is now majestic.

Xiang Qing nodded, "boss, today you appear in front of the Huo family. It's not good for our next action. "

Huo Dongyang leaned back on the sofa and admitted that he was really impulsive. But when he heard that Qiao Wei was taken away, he didn't seem to have time to think about it.

"Well! Today is my problem. "

"Boss, our plans will change." Xiang Qing is worried. After all, they have been waiting for nearly 20 years for this plan, so no mistakes are allowed.

Huo Dongyang understands Xiang Qing's worries, but there are inevitable accidents in his life. He and Jovi are an example.

Although the days of getting along with each other were not long, he felt that he and she had known each other for a long time.

At first, he admitted that he was with a purpose, but after contacting Qiao Wei's life, the idea seemed to have disappeared.

Huo Dongyang said such a sentence with a smile. "Where is life without challenges?" Zhang

Xiang Qing and Xiang Nan were both stunned and did not seem to understand Huo Dongyang's meaning.

"Boss, what do you mean?"

"If you have come, you will be at ease." Huo Dongyang replied. "In fact, we can wait for them to come to us. Isn't it more labor-saving?"

After hearing this, Xiang Qing thought about it for a while, and seemed to think it was reasonable.

Huo Dongyang stood up. "Today you all go to rest. I think someone will come soon."

"Yes Zhang

seeing that he was going south, Huo Dongyang stopped him.

"Boss, what else can I do for you?"

"You look good these times. You'll be responsible for the safety of your wife."

Nodding to the south, "yes!"

Xiang Qing and went south out of the door to another villa next door.

This villa is where they live. In fact, it is more of Huo Dongyang's command center. All kinds of information and information depend on the equipment in the room.

The living room is directly equipped with a variety of monitoring and computers, some connected to the headquarters, some connected to the external network, and all kinds of machines look very advanced.

At first, Huo Dongyang bought two villas, one for daily life and the other for command center. Zhang

Yunjia.

Since seeing Huo Dongyang, YUNZHUO's heart is boiling. Especially that pair of blue gray eyes, if there is no mistake, he is really back.

After so many years of waiting, he really came back. So his wish can be realized.

YUNZHUO immediately ordered his confidant to check Huo Dongyang's affairs. He had a strong feeling that he would not be wrong. It must be him! Although he looks different, his eyes can't be wrong.

It's just that he seems to have something to do with Qiao Wei. They don't look like friends. If so, is he here today for Qiao Wei? YUNZHUO really has a lot of questions to ask Huo Dongyang in person.

In the other room.

For the first time, Yunzhou and Fuqing "Xiaoqing, I also had a hard time in those years." Yunzhou said with his head down.

Fu Qing's heart caught fire, thinking of the truth she knew ten years ago, she just couldn't swallow that tone.

"Whose kind is Yun Yiyan?" Fu Qing finally put the problem out of his mind for ten years.

Yunzhou has such a moment of consternation, "Xiaoqing, how can you know?" Yunzhou always thought that she was hiding well, but she didn't expect that she still knew.

"What kind of woman is he with you?" Fu Qing did not turn outside to wipe the corner.

"I've never done anything sorry for you!" Yunzhou had to raise his hand to swear.

Fu Qing really didn't believe what Yunzhou said. "I have been raising children for your lover for 28 years! I tell you, I won't give him a cent of the property of the cloud family!" Yunzhou also explained, "of course!"

After listening, Fu Qing didn't even believe he heard it. But she adjusted herself all at once. "Are you really willing?"

"Why not?" Yunzhou replied. "The property of the cloud family must be our son's!"

"Hum!" Fu Qing of course will not believe, "you are not afraid of wronging your second son."

"Xiaoqing, I said that just now. Yun Yiyan is not my son! "

Fu Qing felt confused by Yunzhou. "Surnamed Yun, you'd better explain the cause and effect to me clearly!" Twenty eight years ago.

Fu Qing's son died in less than one day because of dystocia. At that time, Fu Qing was hit hard.

So in order to cheer her up, Yunzhou didn't know where to bring back a child. And this child is Yun Yiyan. Zhang

this is also the secret between them. Fu Qing is also very fond of this son.

Four years later, Fu Qing became pregnant again and gave birth to his daughter Yun Muxin. Eighteen years later, Fu Qing has devoted all his efforts to his three children. Fu Qing has two daughters, one of whom is admired by everyone.

But on the day of Yun Yiyan's 18th birthday, Fu Qing discovered a secret. A woman secretly came to Yunzhou and said she wanted to have a look at her son.

As a result, Yunzhou comforted her that Yun Yiyan was also his son and would not treat him unfairly!

Yunzhou a few warm words of comfort, then sent the woman. This scene happened to be seen by Fu Qing. At that time, she felt that she had been cheated for 18 years. She worked so hard to raise children for her lover in Yunzhou.

From that meeting, Fu Qing took a cold and disgusting attitude towards Yun Yiyan, and even put his face on everything he did! It's because she hates the illegitimate son of Yunzhou!

Now heard the words of Yunzhou explanation, Fu Qing is stunned. After ten years of hate, now tell her it's not the case. Dare to love this ten years is oneself with oneself cannot lead!

Yun Yiyan, who was brought back by Yunzhou, was the illegitimate son of Xia Mingde and a singer girl. Xia Mingde will be the mayor Secretary of a city, so we can't make any mistakes. But he had a relationship with a nightclub singer because he was in love for a while.

Xia Mingde because of his sensitive identity, the singer girl also did not want him to be responsible, gave birth to Yun Yiyan alone. Later, Xia Mingde could only ask Yunzhou for help. But that meeting Fu Qing lost a son, so Yunzhou directly agreed to Xia Mingde and took Yun Yiyan back.

"So Yun Yiyan is Xia Mingde's son?" Fu Qing was shocked.
