

## Warm Wife 311

### [Chapter 311](#)

ten minutes later.

Huo Dongyang brings the milk.

Yun Muxin takes the bottle. She thinks it's very hot. "Uncle, do you have a thermometer for this milk?"

Hear cloud Mu Xin's words, Huo Dongyang obviously Leng for a while. It seems that he was using hot water. He also thinks the bottle is hot now.

"I'll do it again."

"Warm water, then milk powder." Yun Muxin said to Huo Dongyang.

Qin Hao didn't stop laughing again. "It's really the first time I've seen Huo Dongyang like this. I really want to take a picture and send it to John and Jason. They certainly haven't seen it."

Yun Muxin looks at Qin Hao, "are you not afraid to be fired?"

"How dare Huo Dongyang fire me?" Qin Hao said with a smile. "Even if he's fired, I'm a HD shareholder. It makes me more comfortable. "

With that, Qin Hao teases his sister in his arms. "Sister, are you right?"

My sister really smiles at Qin Hao and seems to be responding to Qin Hao's words.

Yun Muxin hugged his brother and sat down, "brother Qin Hao, I think my sister really likes you."

"Of course, I'm so handsome. She was right to like me Qin Hao said confidently.

Cloud Mu Xin shook his head, these men are really beautiful, every time will seize the opportunity to say that he is handsome.

"Are you really going to call me brother and sister all the time? The name should also be decided. " Qin Hao said.

It has been nearly three months since Yun Muxin agreed with Qin Hao. His uncle and aunt didn't seem to have the same idea. His brother and sister always called him.

Huo Dongyang again brought the good milk, this time is finally qualified. Looking at his brother and sister drinking very fragrant, Huo Dongyang was relieved. It seems that there are a lot of things to pay attention to, even such a simple thing as milk can be mistaken.

After drinking milk, the two children are in good spirits. Yun Muxin plays with them in the room. Huo Dongyang and Qin Hao go to the study to talk about things.

Because he was worried that Yun Muxin could not make a decision on his own, Huo Dongyang and Qin Hao didn't talk about it for a long time. However, his worry seems to be really superfluous. Yun Muxin and the children really get along well.

Seeing Huo Dongyang standing at the door, Yun Muxin stopped his action, "uncle, you and brother Qin Hao have talked so quickly?"

"Well!" Huo Dongyang nodded and walked into the room.

Huo Dongyang took a look at the two children and sat down beside them. "It's going to school soon. Is everything ready?"

Cloud Mu Xin nods, "almost."

"Relax and study hard. I'm here!"

Yun Muxin understood what Huo Dongyang said, "uncle, I will study hard and make progress every day."

At this time, Yun Muxin suddenly smelled a stink. She stood up to check and found that her brother smelled.

"Uncle, go get that diaper."

Move to Mu Yang, and give the diaper to Huo immediately. But Yun Muxin didn't answer, "uncle, you should come!"

"I'll come?" Huo Dongyang is surprised.

"Well, my brother is a man. I can't see all of him, can I

Huo Dongyang frowned. "And this one?"

Yun Mu Xin nodded his head seriously. "You're dad. You're the diaper changer, of course."

Some were driven to the shelves, Huo Dongyang stood in front of the crib, carefully looking at the instructions for the use of diapers.

Yun Muxin holds his sister and looks at Huo Dongyang with a serious face. It seems that he has encountered a big problem. Cloud mu heart see Huo Dongyang for a long time, and then she said: "uncle, you want to take off your brother's clothes, and then wipe his ass, and then put on the new one for him."

Fortunately, my brother didn't cry. He just looked at his father who was embarrassed.

Huo Dongyang finally started. His movements were very stiff. On the one hand, he was afraid that he would get the children. On the other hand, he was afraid that he was the first time. He didn't know where to start.

Cloud Muxin takes advantage of Huo Dongyang's inattention, secretly takes a small video and sends it to Qiao Wei. After playing, Yun Muxin attached a sentence, "our president is really not omnipotent. Please have a look at this stiff novice father!"

Soon, Qiao Wei's side replied. Of course, I have to protect my husband. "He is my God! Don't say that about him. Everyone changes diapers for the first time. "

Cloud Mu Xin see Qiao Wei's answer, really don't know how to answer. Simply did not say to speak, anyway Qiao Wei is to protect their husband. Soon, Qiao Wei sent another wechat. "I'll be back soon."

Brother Mu Yang looks up and puts on his cell phone. And look at the way it looks, it seems pretty good.

Huo Dongyang wiped his hands and picked up his brother. "Are you comfortable now?" The elder brother looked at his father as if he was also looking at what he wanted to say. Then he reached out to grab Huo Dongyang's clothes, and the relationship between father and son seemed to be closer.

Yun Muxin feels comfortable to see this scene. The father son relationship is not obvious, but it still exists. "Uncle, my aunt said she would be back soon."

Huo Dongyang nodded, "Hmm!" Then he walked out of the room with his son in his arms.

It was half an hour after Qiao Wei's return. When they came back, their brother and sister were asleep.

"Is everything ok?" Qiao Wei has been worried about Huo Dongyang. Because usually she is difficult to cope with a person, fortunately has the grandmother to help, otherwise really tired to death.

Qiao Wei also knows that his children always make a scene together and cry together. It's really difficult to do it. So Qiao Wei is very worried about Huo Dongyang.

Yun Muxin certainly won't let go of such a good opportunity to reveal, and even she gave Qiao Wei and Huo Jiang a new performance. Seeing Yun Mu Xin's imitation, several people all burst into laughter.

"Is William so embarrassed?" Mary asked with a smile. "When I think of the action you just imitated, I find it very funny."

Huo Jiang laughs very loud. "This is not the same as being a father and being a president. You can't do without patience. "

"Did my grandfather do well in those days?" Huo Dongyang asked unconvinced.

Mary didn't mention it. "Your grandfather was mad and went straight to the company."

Qiao Wei looked at Huo Dongyang with a smile and said, "it's hard for you today! The two of them are very good when they are good, and it's hard to make a scene if they make trouble. "

Huo Dongyang turned to Qiao Wei and said, "you are the hardest. I will do well in the future."

## [Chapter 312](#)

Huo Dongyang showed his love again, and others seemed immune.

"By the way, uncle, brother Qin Hao also said a question today. It's that the names of my brother and sister should be decided. "

As for the question raised by Yun Muxin, it seems that everyone is aware of this problem. The children were born nearly three months ago, and they have been ignoring this problem.

"Well, Mu Xin is right!" Huo Jiang nods. "It's not a careless name. I'll look it up in the dictionary later

"The Chinese name must be a nice and meaningful one." Said Mary.

Huo Dongyang looked at Qiao Wei, "do you have an idea?"

Qiao Wei shakes her head, she is the elder brother and the younger sister call the habit, therefore also did not pay attention to this question.

"Let's talk about it later. I'll go to the dictionary first." With that, Huo Jiang acted immediately.

Jovi and Mary had been thinking about it all the time at dinner. What's the name? It is also a great learning to name.

"Weiwei, what are you doing? This dish is going to be battered. "

"Oh Jovi soon recovered. Sure enough, I saw some scorching in the pot.

At night.

After we have finished our work, we will start our discussion tonight. Huo Jiang wrote a full sheet of paper, "see if there is a suitable one."

Huo Dongyang looked at these names and felt that they were not suitable. They were either too difficult to remember or too vulgar.

Watching Huo Dongyang frown. "Dongyang, are you not satisfied with any of them?"

"Well!"

"I'll let you choose it later." Huo Jiang brings the list back.

Qiao Wei came out of the room only after the children fell asleep. Seeing that everyone seemed to be waiting for him, she walked quickly.

"What's up? Have you got any results? " Asked Jovi as soon as he sat down.

Mary shook her head. "William and Hodgson didn't agree on a proper name."

Jovi took the list from Mary, and she scanned it quickly.

"Is there any fit?" Mary asked Jovi, because she didn't have a good idea about these things. Anyway, the name was just a symbol. In fact, it didn't matter what it was called.

Qiao Wei did not reject these names, but put forward two of them himself, "what do you think is Huo yunxun and Huo yunnuan?" In fact, the two names of Qiao Wei suddenly occurred to her when she was nursing.

Huo Dongyang was more moved when he heard Qiao Wei say these two names. In fact, her family name is very special.

"I think these two names are good." Mary sounds good.

Huo Jiang is not happy, why do you want to put the cloud word of the cloud family up, so he has been silent.

Qiao Wei also noticed Huo Jiang's unhappiness, "grandfather, do you think it's not good? If so, choose one from your list. "

Although I don't quite admit it, the two names of Qiao Wei are really good. Huo Jiang's Qi returns to Qi, but he remains rational. This YUNZHUO has been gone for such a long time, it is also time to put down his prejudice.

Of course, other people did not force Huo Jiang to make a decision. Huo Dongyang said, "choose! It's getting late. Let's go to bed early

Huo Jiang immediately stood up and went back to his room. Mary saw him go in.

Qiao Wei looks at Huo Dongyang. "Grandfather is really angry."

"It'll be fine tomorrow." Huo Dongyang is aware of his grandfather's temper. He comes and goes quickly.

Cloud Mu Xin looked at Qiao Wei and said, "aunt, I think these two names are very good."

"I think it's good, actually." Huo Dongyang echoed.

Qiao Wei smile, she looked at the children's room. It's good. Now I'm waiting for my grandfather's advice.

The next morning.

Huo Jiang, who has never appeared, appeared in the baby room.

Looking at Qiao Wei in feeding, Huo Jiang coughed. Qiao Wei immediately raised his head and saw that Huo Jiang had come in.

"Grandfather..."

"Well, I've thought about that. You can say two names last night. You and Dongyang go to report your account! "

Qiao Wei saw that Huo Jiang's face was somewhat reluctant, but he still agreed, which proved that he had put down those things in the past of the cloud family.

"Grandfather, it's very kind of you."

Huo Jiang sighed. "I'm luckier than YUNZHUO. At least I saw two babies born. Forget it. I don't want to worry too much. Children and grandchildren have their own good fortune. "

Hearing Huo Jiang's words, Qiao Wei knew that he had forgiven YUNZHUO for what he had done in the past.

Qiao Wei also told Huo Dongyang the news. Huo Dongyang just laughed and seemed to have known that Huo Jiang would agree.

Qiao Wei held the children and said to them, "brother, you will be called Huo yunxun later, and your sister will be Huo yunnuan after that, OK?"

The two children seem to be very satisfied with the two names. They both look at Qiao Wei with a smile.

"If you laugh like this, you are satisfied." Jovi looked at the two children gently. So the name of the child is settled. As for years later, these two names became popular throughout a city and the American fashion circle. Of course, these are also later.

Day by day, the day passed, and in a twinkling of an eye, the child was also full of a hundred days.

On this day, both Huo Jiang and Mary felt that they would hold a small party for their children. The place of the party was set at home, and only some familiar friends were invited.

Early in the morning, Mary and Jovi were busy. The child was naturally handed over to Huo Dongyang and Huo Jiang.

"Dongyang, hold your brother. I'm going to the bathroom."

Huo Dongyang knows that Huo Jiang's excuse to go to the toilet is actually to avoid the task of taking care of children. "Well..."

Huo Jiang put his brother down. "Taigong, go to the bathroom. You have to listen to Dad."

Huo Dongyang simply put the two children on the pram, and he watched. Although the child is not heavy, but holding for a long time will be tired.

"You two have to be good" Huo Dongyang ordered.

After a while, Huo Jiang came out of the bathroom. It seemed that he didn't want to evade his responsibility. His face turned pale, "grandfather, are you ok?"

"It's OK. It should be diarrhea." Huo Jiang replied.

"Do you want some medicine?" Huo Dongyang went to the front and asked.

Huo Jiang shakes his head. "No, it's much more comfortable now. Don't talk to grandma, or she'll be in a hurry again

Later, Huo Dongyang still poured a cup of warm boiled water to Huo Jiang, "drink a cup of water!"

Huo river while teasing children, while receiving Huo Dongyang to warm water.

At this moment, the doorbell rings.

Huo Dongyang looked at the time. No one should come at this time, because the party time is at night.

"Dongyang, go and see who is coming?" Huo Jiang opens its mouth.

Huo Dongyang nods and goes to the porch.

Jiangwan villa welcomes three unexpected guests. Huo Dongyang looked at the monitoring screen and was really surprised. How did they come? There have been a lot of things recently, and I have forgotten them.

There seems to be some formality in their appearance. Huo Dongyang presses the call button.

"Hello

### [Chapter 313](#)

In the kitchen.

Jovi and Mary were busy preparing dinner for the evening, hardly knowing what was going on outside.

At this time, Huo Dongyang came to call Qiao Wei.

"Qiao Wei..."

Qiao Wei heard Huo Dongyang's voice and immediately turned back, "what's the matter?"

"You have guests." Huo Dongyang replied.

Qiao Wei a Leng, did not seem to think that he will have guests. "I have guests? Who's here? "

"Qiao Qingdong, they are here."

Hearing the name, Qiao Wei blinked his eyes and seemed to believe it was true? So she asked again.

"Dongyang, who did you say came?"

"Qiao Qingdong and Liu Su are here. They are already in the living room." Huo Dongyang replied.

Qiao Wei heard these names were really unexpected. How could they come? She thought she would never meet them in her life. In an instant, a lot of thoughts flooded into Qiao Wei's mind, and those bad memories in the past were clearly replayed in the mind.

"Weiwei, since people are here, you can go and have a look." Mary took over the job from Jovi.

Huo Dongyang went to Qiao Wei and said, "don't worry! There is me

Qiao Wei's eyebrows wrinkled up, only one thought in his heart, that is, they should be watching the news. Because the wedding of her and Huo Dongyang was reported by the media a few days ago. Although the reporters could not enter the interview, they still got the photos and videos of the scene through some channels. So it's normal for Qiao Qingdong to see it.

At the same time, this is also the last thing Qiao Wei wants to see. In the past, they have thrown themselves into the cloud family, and then continue to get benefits from the cloud family. Now the whole a city people know HD, and Yunshi has become a company under HD. This sweet cake can be much stronger than the cloud family in the past.

Huo Dongyang saw Qiao Wei's uneasy expression and knew that she must have remembered the unhappy memories in the past. Huo Dongyang held Qiao Wei's hand. "Don't think too much. Things are not so bad."

Qiao Wei raised his head and looked at Huo Dongyang. Seeing his calm eyes, those anxieties in Qiao Wei's heart disappeared. It's just that she's still worried. "Dongyang, you must promise me that you will never compromise with them because of me."

Huo Dongyang nodded, and he clenched Qiao Wei's hand. "Good!"

Huo Dongyang pulls Qiao Wei to the living room. As a result, Qiao Qingdong's eyes have been staring at the two children, which Qiao Wei also found. She broke away from Huo Dongyang's hand and quickly walked to the child, blocking Qiao Qingdong's sight.

Seeing the sudden appearance of Qiao Wei, Qiao Qingdong smiles at Qiao Wei. "Weiwei, you are here."

Qiao Wei looked at Qiao Qingdong and nodded his head. Then she also looked at Liu Su and Qiao Xin. Liu Su also looked at Qiao Wei, some embarrassed to lower his head.

Qiao Xin looked at Qiao Wei and called her sister. Now she is a little bit of a normal daughter. The hair is straightened and dyed black, and there is no makeup on the face. It looks clear and refreshing, and it's really pleasing to the eye.

Joe spoke. "Why are you here?"

When Qiao Qingdong heard Qiao Wei's words, he immediately replied: "we only went back to a city yesterday. We only knew that you and Mr. Huo got married after watching the news. So we had the cheek to come and have a look. We didn't expect that the children were so old."

Qiao Wei's attitude is also a little cold. "Well!"

"How many months?" Qiao Qingdong is actually eager to have two grandchildren. Just now I saw that the two jade pendants that I had bought were taken by two children. I was also excited. At that time, I really bought the right one. A man and a woman, really too coincidental, Qiao Wei really gave birth to a dragon and Phoenix fetus.

Liu Su is envious of Qiao Wei's good life. After her marriage with Yun Yiyan, she can meet a good man like Huo Dongyang. Now she is so lucky that she still has twins! How many people can't think of it!

Qiao Xin see now Qiao Wei, in the heart more envy. But I have been unable to have such a life!

Huo Dongyang has a panoramic view of the psychological activities of several people, and he walks over. "Sit down and talk."

Qiao Wei ignored Huo Dongyang's appearance and turned to pick up her daughter. "Grandfather, my brother also gave it to me."

Huo Jiang knows what Qiao Wei is going to do. "I'll take it in."

Qiao Wei nodded and went to the room with her daughter in her arms. Huo Jiang followed her and walked in.

Qiao Qingdong looks at Qiao Wei's back eagerly. In fact, he just wants to be close to his two grandchildren. However, he can understand Qiao Wei's practice. After all, I have done such a stupid thing in the past.

Huo Dongyang opens his mouth. "Qiao Wei is too fond of children."

Qiao Qingdong nodded. "Every mother is like this. I can understand. After all, I have a lot of criminal record. She'll do that, I understand. "

Huo Dongyang felt at ease when he heard these words. It seems that in this period of time, he did change some. "What are you doing today?"

Hear Huo Dongyang's words, Qiao Qing East with difficult color. In fact, he took Liu Su and Qiao Xin to other cities to make a living. But they are old, Liu Su and Qiao Xin have no work experience at all, so they can't go on. That's why they plan to go back to city A. after all, it's more convenient to find a foothold here."No money?" Huo Dongyang said. It seems that he has spent all the money he gave Qiao Qingdong. He was originally the budget, but now Liu Su and Qiao Xin are not enough, and they are not frugal.

When Qiao Qingdong has not spoken, Qiao Wei's voice interposes. "We won't give you money!"

Huo Dongyang raised his head and saw Qiaowei, who was very angry. He reached out to pull Qiao Wei and let her sit down.

Qiao Wei said angrily, "I knew that you'd come here for sure. It's because of money! Not a cent

See Qiao Wei that can't discuss the tone, Qiao Qingdong also dare not say. Originally is not what bright thing, originally Qiao Wei let oneself once, now oneself still thick skinned come really shouldn't. But he had to. After all, they had to live.

Liu Su couldn't help speaking. "Jovi, is there anything you said to dad like that?"

"How old are you to talk to me like that!" Since Qiao Wei became a mother, she has become a lot stronger. Maybe this is the nature of her mother!

Liu Su A Leng, as if also did not expect Qiao Wei to refute oneself like this. "I..."

"Qiao Qingdong, you should remember what you said to me last time?" Qiao Wei asked Qiao Qingdong.

Qiao Qingdong nodded, of course he remembered. Qiao Wei snorted, "you come to me for both of them now, isn't it?"

"Weiwei, actually I...."

#### [Chapter 314](#)

Qiao Wei looked at Qiao Qingdong angrily. He was really vomiting blood. Every time he met Liu Su and Qiao Xin, he would become so irrational.

Qiao Qingdong's face was ashamed, "slightly, I'm sorry!"

Liu Su can't stand it, so she speaks again. "Weiwei, I don't blame your father for these things!"

"Of course, I can't blame my father. If it wasn't for you, would the Qiao family be like this?" Said Qiao Wei, narrowing his eyes. "I said last time it was the last time, and I won't help you any more. You owe a lot of gambling debts. Dongyang helped you solve them. Qiao Xin, do you think it will be so easy to get out of that place? That is also Dongyang spent a lot of manpower and material resources to pull Qiao Xin out of that ghost place. "

The more he said, the more angry Qiao Wei glared at the three people on the opposite side. "Don't be so brazen! Dad, the last time you sold senqiao's shares, Dongyang has already paid you half of the extra money. It will be enough for you to save some money! How long has it been, and it's gone? "

"Slightly, I'm sorry!" Qiao Qingdong said sorry again.

"It's no use being so sorry." Qiao Wei's attitude is also tough. "We're not banks. I've done everything I have to do. You want money. You can do it yourself. If there are hands and feet in this world, you can't die of hunger! Only those who want to get something for nothing will die soon

Huo Dongyang pressed the excited Qiao Wei, "don't be excited."

"Dongyang, let them go." Jovi got up and went into the room.

Huo Dongyang felt that she was pretending to be calm. Although her words were angry, they were also for the truth. You get what you don't work. You die fast.

Huo Dongyang saw Qiao Wei slamming the door, he just looked back at Qiao Qingdong. "Qiao Wei's meaning is clear."

"Mr. Huo, you really can't let the dead die!" Said Liu Su. "It's your father-in-law, anyway. Are you just watching and not doing anything? "

Huo Dongyang smiles. "Mrs. Joe, you seem to have made a mistake. Since you drove Qiao Wei out of the Qiao family, she has nothing to do with your family. I never seem to have any father-in-law. To help you before, that's what Qiao Wei meant. In fact, my heart is harder than Qiao Wei. And I won't do anything she doesn't like. "

Huo Dongyang's words make Qiao Qingdong several people pale, which is also a cruel word.

"Qiao Wei has been selfless in doing this. You should not force her like this. Do you understand? "

"Mr. Huo, please help us for the last time." Qiao Qingdong said.

Huo Dongyang's eyes glanced over them, "how can I help you? I don't want money. "

When Qiao Qingdong saw Huo Dongyang relax, he immediately said, "Mr. Huo, we only need three meals to eat and eat."

Huo Dongyang thought for a moment. "Three meals, food and clothing, this requirement is a little high."

"Mr. Huo, please help us for the last time." Qiao Qingdong pleaded again.

Huo Dongyang thought for a moment, and he also had an idea in his heart, "if you are willing to work with your hands, I may think about it."

"Yes!" Qiao Qingdong nodded.

Liu Su heard Qiao Qingdong's promise and felt that he was impulsive. She didn't ask clearly about it! Who knows if this is a pit!

"Mrs. Joe, if you don't want to, just think I didn't say it." Huo Dongyang continued.

Liu Su looked at Huo Dongyang, "what kind of labor did you just say? Qingdong is old and can't accept high-intensity work. "

Huo Dongyang looks at Liu Su coldly. "Mrs. Joe, the horse is dead. You don't seem to understand this sentence! You have to be clear. Now it's you who come to ask me. Do you think there is still a chance to make conditions? "

Qiao Xin grabs Liusu's arm and hopes she won't talk much. "Brother in law, my mother is also worried that my father is old. So it's a little heavy. "

"You are quite mature." Huo Dongyang takes a look at Qiao Xin. "If Mrs. Joe has any opinion, there's nothing I can do about it!"

"Mr. Huo, I can do it."

Huo Dongyang nods. "OK! Tomorrow morning, you go to hd-qh, and someone will arrange for you. "

Hearing that they were working in HD, the faces of the three people became energetic and said thank you again and again.

"Don't thank you." Huo Dongyang replied.

After seeing off Qiao Qingdong, Qiao Wei also came out of the room. She looked at Huo Dongyang, why help them?

Huo Dongyang came forward and hugged Qiao Wei, "angry?"

"You shouldn't have helped them!" Qiao Wei knew that they were very difficult to deal with.

"Don't worry, Jovi. I know that in my mind. " Huo Dongyang replied.

Qiao Wei still can't help worrying, Qiao Qingdong or nothing, but Liu Su and Qiao Xin are very difficult to guarantee.

Huo Dongyang saw Qiao Wei's worried appearance, or told him his arrangement. Huo Dongyang actually asked them to work as a janitor in hd-qh. Just these days, Qin Hao asked this question. Now the company is big and needs manpower. Let them have at least one meal in the past. Qiao Wei listen to play Huo Dongyang's words, five flavor miscellaneous whole, "Dongyang, really not necessary."

"They rely on their own hands. If you don't do it well, you'll be fired. " Huo Dongyang replied. "I just offer an opportunity to cherish or not to see their own creation."

Although Huo Dongyang said so, Qiao Wei still felt that Huo Dongyang did it because of himself. Her heart is still guilty, she seems to let Huo Dongyang into a bottomless pit.

"All right! It's not much. Get busy! We'll all be here later. " Huo Dongyang changed a topic, in fact, he didn't want to make Qiao Wei so miserable all the time.

Qiao Wei raises his head, stands on tiptoe, and kisses Huo Dongyang. "Thank you, husband."

Then he walked away. Huo Dongyang sighs, every time he starts a fire and runs away.

In the afternoon, the guests came one after another.

First came Qin Hao and Jian LAN. They also brought gifts.

Qiao Wei saw their gifts and put them away. Because it's diapers, it's the most practical.

"I'll take it as a gift Said Joe, smiling.

"Weiwei, where is the child?" Jane LAN asked.

Qiao Wei looked at the time and replied, "room, I don't know if I wake up."

Since Qin Hao saw Huo Dongyang's embarrassing appearance last time, he will always associate himself with that day's events whenever he sees Huo Dongyang.

Huo Dongyang gave Qin Hao a cold eye, "isn't it boring?"

"Certainly not boring." Qin Hao said with a smile. It's hard to see Huo Dongyang's black history. How can it be a boring thing?

Just wanted to talk, the baby's cry came from the room.

"Dongyang, go and have a look." Said Joe, smiling.

Qin Hao really admire Qiao Wei, who dare to let Huo Dongyang go to see the children. "Weiwei, you dare to let Dongyang go in. He couldn't decide his son last time."

"It's not the same now." Replied Jovi. Since then, Huo Dongyang has worked hard to study many ways to deal with sudden situations, and he is now fully familiar with it.

Seeing Qin Hao's disbelief, Qiao Wei asked him to go in and have a look.

### [Chapter 316](#)

What fell on the ground just now are some children's toys bought by Yun Yiyan and Xia yueqian.

Jovi stood up immediately. "Are you here?"

Yun Yiyan looked at the low head of Jian LAN, and then answered Qiao Wei. "I'm sorry, I slipped my hand just now."

Huo Dongyang is speechless when he hears the funny answer from Yun Yiyan. It can be seen that he must have heard what Qin Hao said to Jian LAN just now, and these words just stimulated him, so there was the hand skating incident he said.

Qiao Wei put away those small toys on the ground. "This is for brother and sister?"

"Well!" Yun Yiyan replied. "I bought it with my brother."

Said Joe, smiling. Thank you

Xia yueqian took a look at Huo Dongyang and quickly withdrew his own eyes. Since the last time I went to talk to him about Yun Mu Xin, he interrupted him before he got to the point. That's how Huo Dongyang would answer himself. "Mu Xin needs not a man now!"

This meaning is also obvious. Huo Dongyang is not satisfied with himself, and he also knows his mind to Yun Mu Xin, so he made every effort to send her to the United States to study. The excuse is very good, in order to help Yun Yiyan manage the new Yunshi together.

Huo Dongyang didn't pay attention to Xia yueqian's eyes. He looked down at his son. He didn't want to interfere in their affairs, and he didn't want to take too much care of them.

Qiao Wei once again feels that the atmosphere is not right. Yun Yiyan and Jian LAN must have something to do. As for Xia yueqian's anger at Huo Dongyang, it is because of Yun Mu Xin. These two brothers are now involved in emotional affairs?!

"Schoolmaster, grandma said if you come, I'll let you go to the kitchen to find her." Qiao Wei started with Xia yueqian.

Huo Dongyang saw Qiao Wei a person to support also to hand, "Qin Hao, Jian LAN, you come to the study, I just told you about tomorrow."

"Good!"

"Take the baby, too." Huo Dongyang said to Jian LAN. This also makes time and space available to Qiao Wei and Yun Yiyan.

Jian LAN nodded, wrapped up Huo Yun warm and went upstairs to study through Huo Dongyang.

Yun Yiyan's eyes also follow Jian LAN to move, until he can't see, he takes his eyes back. Just received back, just also on the Qiao Wei, looking at their own eyes.

The whole living room is quiet now. Qiao pushes Yun Yiyan forward a little. Then Qiao Wei sat down opposite Yun Yiyan. "What's the matter with you and Xiao Lan?"

"Nothing." Yun Yiyan replied.

Qiao Wei knows that Yun Yiyan doesn't want to say that. In this case, she will not force him. "Well! Today, you'd like to have a look at me and Dongyang. Don't be so rigid. "

Yun Yiyan's lips moved. "What happened to Qin Hao and Jian LAN?"

"You can't see it when you propose?" Qiao Wei answers intentionally. She knows that Yun Yiyan is pretending to be cool. In fact, she really cares, otherwise the hand skating incident just now will not happen.

Cloud Yi Yan's eyebrows wrinkled, "do you women like to make do with it?"

"Who wants to make do with it? When she does, she has lost her hope Replied Jovi.

Yun Yiyan did not answer Qiao Wei's words. He was also a failure of feelings, so he did not express his opinions.

For the first time, Qiao Wei saw such an unsophisticated yunyiyan, "yunyiyan, I'm actually quite like the one you used to hold up and put down. Now you're a little dull about this one. "

Yun Yiyan looks at Qiao Wei. "My name is no longer Yun Yiyan."

"I know your name is Xia Yiyan, but you have not officially announced it to the public, so you are still Yun Yiyan now!"

"Qiao Wei, I suddenly found you and Huo Dongyang together, this mouth is much more powerful."

Qiao Wei just laughed, "I'll make you a cup of tea."

After a few steps, Qiao Wei looked back at Yun Yiyan again. "Yi Yan, don't miss the happiness around you! And why do people who can walk continue to sit in wheelchairs? Think about this reason for yourself

Cloud Yi Yan a Leng, Qiao Wei actually see through oneself. At the beginning, Qiao Wei, who was like wood, didn't expect to have such a delicate mind.

Dinner started on time.

This time Mary set the table in the yard so that everyone could sit more comfortably. This time, we are going to barbecue and prepare all kinds of dishes. We can say that there are all kinds of flavors. It is like a buffet outside.

Mary poured a glass of wine for everyone except Jovi. Mary raised her glass and said to everyone, "thank you for coming today. In fact, today I am also under the name of brother and sister to let everyone come to get together. Although not all the people are here, thank you all. When my brother and sister are one year old, I will make a request now, and all the staff will be there. "

"Grandma, you've been busy all day, so sit down and eat!" Said Qiao Wei.

"It's been a long time since so many people have eaten together." Mary said with emotion. "The girl Mu Xin went to America. I don't know how she is there?"Huo Dongyang pinched the drumsticks for Mary. "Don't worry! There's Jason over there. It's going to be OK. "

Xia yueqian raised his eyelids and took a look at Huo Dongyang. This time, Huo Dongyang wants to push Yun Muxin to that Jason. Last time it was Xiang Qing. Now it's Jason. Xia yueqian really can't understand what medicine Huo Dongyang is selling in the gourd!

"You can eat as much as you like, and you are not allowed to stay. Wei Wei and I have been preparing all day. " Mary also issued orders.

Qin Hao once again and again gave Jian LAN vegetables, "Xiaolan, this is delicious! Eat more! "

Jane LAN nodded, "well, thank you."

But sitting opposite them, Yun Yiyan felt a little tasteless. This Qin Hao won't come, really? Yun Yiyan suddenly got angry in his heart and hit his fork on the table.

Seeing such a situation, Qiao Wei and Huo Dongyang looked at each other, but Huo Dongyang shook his head at Qiao Wei and asked her not to be fussy.

Mary immediately noticed that the atmosphere was not right. It seemed that there was a story between the children. She laughed, and then began her auxiliary work without trace. "Xiao Lan, this spareribs are my best. You must eat more. Qin Hao is a little closer and gives Xiao Lan more pinch points. "

"Good." Qin Hao certainly did.

Qiao Wei and Huo Dongyang know Mary's routine, and other people who don't know follow Mary's routine. Huo Jiang looked at his wife and was silent, then bowed his head to eat his own.

Mary saw that Huo Dongyang and they did not stop him, but knew that they were acquiescing in their own behavior. So she was ready to do a lot of work.

"Qin Hao, how do I think you are interested in Xiaolan?" Mary said, pretending to know nothing.

Qin Hao smiles, "yes! I proposed to her in the afternoon and she thought I was joking. It's really sad to say that. "

### [Chapter 317](#)

As soon as the dinner table was quiet.

Mary was surprised to hear that. "What? Have you proposed? "

Qin Hao nods. "Yes! Xiao Lan thinks I'm not good, so she never agrees. "

After Mary heard that, she looked at Jane LAN with disbelief. "why? Xiaolan! I think Qin Hao is very good. This is the first choice for a husband

Jane Lan's face with a little embarrassment, this word is not to pick up also is not, really some chagrin. "Grandma, I didn't mean that!"

"What does that mean?"

"It is..." Jane LAN is really embarrassed.

Qin Hao knew that Mary was a man of two minds, and she was very efficient. So she is also very good at pressing people. At this time, he must come forward. After all, he picked up the topic just now.

"Grandma, Xiao Lan's face is thin. Don't force her. You should also let her have a time and space for consideration." Qin Hao answers immediately.

Mary looked at Qin Hao and laughed. "Well! Yes, I'm worried about it. I'm also worried about your marriage! You are all very old. You should be the father of two children in a city at this age. "

"Grandma, not everyone is as lucky as William, and she will get a good wife all at once."

Qin Hao's words made the faces of Yun Yiyan and Xia yueqian sink. Qin Hao must have done it on purpose. Yun Yiyan glares at Qin Hao, first Jian LAN. Now he talks about Qiao Wei. Does he just want to find fault?

After Qin Hao saw Yun Yiyan's eyes, he seemed to realize that he had just said something wrong. "sorry! I seem to have said something wrong

Mary said with a smile, "eat quickly, there are so many things! You must eat with your stomach open. "

Jane LAN tries to calm herself down. She reaches out to pick up the fried egg. At the same time, there is another pair of chopsticks on the same piece. Jane LAN raised her head and saw the owner of the chopsticks. Then she quickly took back her chopsticks. She didn't want to argue with Yun Yiyan.

Qin Hao, sitting next to Jian LAN, reaches for another piece. "Your hands are not long enough. You can call me."

Looking at the fried eggs in her bowl, Jian Lan said thank you to Qin Hao and ate it with her head down.

"Slow down." Qin Hao said with a smile.

Mary saw these, and immediately secretly looked at Yun Yiyan. It seems that the relationship is a little complicated. Qin Hao likes Jian LAN, and Jian LAN seems to have some unspeakable feelings for Yun Yiyan. From the reaction of Yun Yiyan just now, we can see that he seems to have a little interest in Jian LAN.

It's really interesting. People on this table seem to have constant relationships. Mary finally took a look at Huo Dongyang and found that he was really out of the way and wanted to pay attention to it.

Huo Jiang hit Mary's arm with his elbow, which also meant that she could stop. Because several people's faces have changed.

Mary immediately understood what Huo Jiang meant. She immediately clipped a chicken leg to Huo Jiang. "This is delicious."

Finally, the meal, which had lost its original meaning, was finally over. Although Mary tried her best to save the atmosphere, even if everyone cooperated, there was still a trace of embarrassment.

Kitchen.

Qiao Wei and Jian LAN are washing dishes and dishes. Qiao Wei also took advantage of no one, quietly asked Jian LAN. "Xiao Lan, is it really impossible for you and brother Qin hao?"

"Really not." Jian LAN almost certainly answered. "He's always been the boss I respect."

Qiao Wei stops washing dishes. "What about you and Yun Yiyan?"

Sure enough to hear this sensitive topic, Jane Lan also stopped her own action. "Weiwei, you..."

"In fact, when I was in the United States, I called Yun Yiyan. At that time, you answered the phone Qiao Wei uses a declarative tone. "Later, Yun Yiyan called back, but he didn't say a word to you. At that time point, how could you still be with Yun Yiyan? "

Jane Lan's face turned white, originally Qiao Wei already knew, she thought she forgot that matter, or thought it was other woman. I didn't expect Qiao Wei just hid it.

"I..." Jane LAN did not know how to explain.

Qiao Wei doesn't want to force Jian LAN, "Xiao Lan, I have only one word. Don't give up the right to pursue happiness. "

"Little, thank you!" Jane Lan also a sigh of relief, Qiao Wei did not force himself, she is also very grateful to her.

Or what happened to her and Yun Yiyan, she won't mention it to others, but when it really cools down, she will still tell Qiao Wei, but not now.

"You're welcome. We are good friends." Joe answered with a smile.

After Qiao Wei came out of the bathroom, he was pulled by Qin Hao.

"Wei Wei, did you and Xiao Lan talk about something just now?"

"No, what she doesn't want to say, and I won't force her."

Qin Hao seemed to be a little disappointed after hearing this. "Ah..." "Brother Qin Hao, what do you want from Xiaolan?" Even if Qiao Wei is a fool, he can see Qin Hao's concern for Jian LAN.

Qin Hao leaned against the wall with a little helplessness on his face. "The person she likes should be Yun Yiyan."

Qiao Wei was stunned. Qin Hao knew that. If so, everyone else should know. Now, only Jian LAN and Yun Yiyan, the insiders, can't see clearly.

Qin Hao tells Qiao Wei what he knows. In fact, he also felt that there was something wrong with Jian LAN since she frequently went to the hospital to take care of Yun Yiyan. And Yun Yiyan's later rehabilitation process is also accompanied by Jian LAN. During that time, they contacted frequently and got along well. But since the wedding, the two of them seem to have deliberately avoided each other.

"Xiao Lan will come today for your honor. Didn't you see that she was embarrassed when she faced Yun Yiyan?"

Qiao Wei frowned, "Xiao Lan and Yun Yiyan must have something."

Qin Hao stood up straight. "Slightly, if she wants to tell you, comfort her more."

"In fact, Xiao Lan likes to keep her mind in a deep way. She won't say it until it's necessary." Qiao Wei to Jian LAN understand, before the divorce, she is forced, there is no way to say it.

Qin Hao reached out and patted Qiao Wei on the shoulder. "Xiao Lan must come out, or she will affect herself."

"Brother Qin Hao, you are so kind!"

"All right? But no one wants it." Qin Hao felt speechless.

Qiao Wei blinked, "do you really want to marry Xiao Lan?" Qiao Wei always thought that Qin Hao was cooperating with everyone. It was not the same thing at all. But now it seems that it is not what I think.

Qin Hao was really helpless, "do you all think I mean fake? I'm so sad! I need to find a place to calm down."

Qiao Wei saw Qin Hao go out to the yard, she is a face of complexity, this is exactly what the situation.

"Don't worry so much about their affairs. Let them solve it by themselves."

Qiao Wei looked back and saw Huo Dongyang, "did you hear that just now?"

### [Chapter 318](#)

Huo Dongyang went to Qiao Wei, and he held her hand.

"Don't make things so complicated for you."

"So let them go with it?"

"Well!" Huo Dongyang nods. "Go and have a rest, too."

"Well, I'll go and see the children."

Later, because it was very late, Qiao Wei didn't trust to let Jian LAN drive back alone, so he let Jian LAN stay overnight.

Xia yueqian and Yun Yiyan left Jiangwan villa.

On the way, Xia yueqian looks at Yun Yiyan who has been silent.

"Is it really impossible for you and Jane LAN?"

"Brother, concentrate on driving." Yun Yiyan didn't want to answer this question at all, but his hand slowly tightened.

Xia yueqian knows that Yun Yiyan has no feelings for Jian LAN. What is the reason that makes him unable to make this decision?

"That Qin Hao now lives in the villa next to Qiao Wei."

Obviously, after hearing this, Yun Yiyan's body was a little stiff. He seemed to really forget this and frowned.

"As the old saying goes," the moon comes first when you are near the water. " Xia yueqian said.

Yun Yiyan snorted, "what about you? You and Mu Xin's affair, also have no follow-up? "

Speaking of this, Xia yueqian has resentment, "can we have a follow-up now? You also know that Huo Dongyang decided that I could not apply to go abroad now, so he sent Yun Muxin away! "

"Brother, have you ever thought about one thing?" Yun Yiyan opens his mouth.

"What?"

"Actually, Mu Xin chose to go abroad because she didn't want to have more contact with you." Yun Yiyan thinks Huo Dongyang is not the kind of person who forces Yun Muxin to make a decision.

Xia yueqian was stunned and didn't think of this reason. "What?"

"Complex things that Mu Xin didn't like since childhood. With my relationship with you, she hesitated and hesitated

"My relationship with you?"

"Mu Xin calls me second brother, but I call you brother. If you are really together, if she calls me second brother or brother-in-law, then I call her sister-in-law or sister-in-law? And you, should you call me brother or uncle? "

Xia yueqian completely ignored such a point, "in fact, you are not related by blood. This is just a title."

"You think so, but that's not what Mu Xin thinks. She has called me my brother for more than 20 years, so it's hard for her to change it immediately. "

The two brothers were silent and seemed to be thinking about their own affairs.

The next day.

Huo Dongyang and Qiao Wei got up early because today is the time of hd-qw regular meeting. So as the person in charge of QW, they will definitely appear.

Because Huo Dongyang is going to get things from hd-qh, the car goes to Qin Hao first.

Qiao Wei gets off with Huo Dongyang. She doesn't follow him but waits downstairs.

At this time, Qiao Wei saw three familiar figures. I was still surprised to see that they all changed into cleaners' clothes. So this is what Huo Dongyang said.

Jovi stepped aside and stood. She didn't want them to find out. Qiao Wei looked at them through the glass, and saw that their movements were somewhat awkward. Yes, who would have thought that the three people who once enjoyed a good time would be cleaners one day.

Qiao Wei looked at Qiao Qingdong that curved back, really a little sad. When he got older, it was a time to be happy, but he was so busy. It's really great for your wife and daughter.

Liu Su was obviously unwilling to do it. Seeing her mopping so casually, we can know her mood at the moment. Yes, Mrs. Qiao, who was once so powerful, was actually reduced to mopping the floor here. I feel oppressed when I think about it.

Qiao Wei looked at the thin back, Qiao Xin also experienced the ups and downs of life. Once such a beautiful young lady, but become this way today. Once in a place like that, where is there a chance to turn over? It can be seen that she is very hard to adapt to the present life.

Qiao Wei sighs and shakes his head, sighs the change of life.

"Jovi, let's go!"

Listen to Huo Dongyang's voice, Qiao Wei turns around. "Good!"

When Qiao Wei and Huo Dongyang turn around, Qiao Qingdong looks back to see Huo Dongyang and Qiao Wei leave. In the heart suddenly feel uncomfortable, but he will not blame Qiao Wei and Huo Dongyang, in the past, it is his fault.

All the way, Qiao Wei didn't speak. Maybe he saw that picture just now.

"Still thinking about them?"

"Dongyang, are these retribution?"

Huo Dongyang did not answer, but quietly held Qiao Wei's hand. In fact, there is no standard definition of retribution or retribution.

The car soon reached the hd-qw downstairs.

"Cheer up." Huo Dongyang said.

"Well!" Joe nodded.

In the middle of the meeting, Huo Dongyang got a call and went out first. After that, he didn't come back, which also worried Qiao Wei. Just now I saw Huo Dongyang look dignified. After the meeting, Qiao Wei went to find Huo Dongyang. But he didn't see Huo Dongyang everywhere, so he could only call him in the end.

"Where are you?" As soon as the phone was connected, Qiao Wei immediately asked.

"Hospitals."

Hearing the hospital, Qiao Wei was even more nervous. "Are you not feeling well?"

"No!" Huo Dongyang replied. "Yunzhou wakes up. I'll come and have a look."

Qiao Wei heard the news and exclaimed, "really?"

"Well!" Huo Dongyang answered. "I'll talk to you later."

"Good."

Qiao Wei holds the mobile phone, in the heart is still some excited, in the coma nearly a year time, Yunzhou actually woke up. It's really a miracle.

But the situation in Yunzhou is not as good as Qiao Wei thought. Huo Dongyang in the hospital is frowning to listen to Xia yueqian.

"The situation in Yunzhou should be regarded as a reflection. Every function of his body had been exhausted, and the most serious injury was his head. It's impossible for him to wake up, which is why I make such a judgment

Huo Dongyang looks at Yunzhou, who is being examined in the ward. It seems that he is really the same as ordinary people. "How long does he have?"

"I'm not sure. Maybe a few hours, maybe one day, even a few days." Xia yueqian replied. "I think he should have something he wants to do, because this will wakes him up."

Huo Dongyang thinks Xia yueqian's words are reasonable. "He is thinking about Yun Yiming and Fu Qing!"

The doctor came out and said, "Professor Xia, it has been checked."

"How is it going?"

"No, it's really supported by a will."

Xia yueqian nodded and asked them to leave first. Xia yueqian looked at Huo Dongyang and said, "it seems that I have a similar judgment. Go in and see him

Huo Dongyang into the ward, Yunzhou heard the voice, also slowly turned back.

Huo Dongyang looks at Yunzhou and asks. "Do you still remember me?"

"Are you Huo Dongyang?" Yunzhou also seems to have some uncertainty.

[Chapter 319](#)

Huo Dongyang sat down on one side and felt that some places in Yunzhou were different.

"Why am I here?" Yunzhou looks at a loss.

"You don't remember what happened before?" It can be seen from Yunzhou's movements and expressions that he seems to have forgotten something.

Yunzhou frowned, "did I forget something?"

Huo Dongyang heard the meaning of Yunzhou, it seems that his memory really has problems. "What do you remember?"

Yunzhou looks a little dull, after hearing Huo Dongyang's words, it seems that he is also lost in meditation. The memory in the head hesitates the fragment like, intermittent also seems to have some incoherence.

"I remember you went back to the cloud house and took Qiao Wei away." Yunzhou said.

Huo Dongyang heard Yunzhou's words, really do not know where to start to pick up his words. "Any more?"

Yunzhou hugged his head in tears. "What's more, are you driving us out of the cloud family? Yes, you took away the cloud house. "

Huo Dongyang doesn't know what Yunzhou remembers in the end and doesn't want to pursue these things. He just wants to know what Yunzhou has not accomplished. What kind of willpower made him wake up.

"Do you remember what else you wish for?" Huo Dongyang continued to ask.

Hearing this, Yunzhou's eyes are even more at a loss, even at a loss. "Why am I here?"

"You're hurt." Huo Dongyang replied.

After hearing Huo Dongyang's words, two people suddenly appeared in Yunzhou's mind. "What about Yi Ming and Fu Qing? Where are they? "

As expected, it is because of Yun Yiyan and Fu Qing. Huo Dongyang is in a dilemma about whether to tell him the truth.

"Is something wrong with them? What did you do to them? " Yunzhou was suddenly excited.

Huo Dongyang stood up. "If you want to see them, I can take you to see him. But you have to be mentally prepared. "

Yunzhou stares at Huo Dongyang. He calmly looks at Huo Dongyang. In fact, he has thought of some, but it is not complete. He vaguely remembered that he seemed to roll down the stairs, and what happened after that, he really couldn't remember. In addition, Huo Dongyang just said that we should have a psychological preparation. They must also have a bad life.

Huo Dongyang leaves the hospital with Yunzhou, and Xia yueqian also lets a doctor follow him to cope with the sudden situation at any time.

Just walking to the door, he happened to meet Yun Yiyan for rehabilitation. Today, he is not in a wheelchair, but holding a crutch. When he saw Huo Dongyang, he was a little surprised. Then he saw the people who followed Huo Dongyang. He was completely shocked.

"Dad..." Yun Yiyan called.

When Yunzhou heard this, he came back from a trance. Yunzhou looks at Yun Yiyan with no light. Seeing him on crutches, "what's the matter with you?"

Hearing Yunzhou's words, Yun Yiyan looks at Huo Dongyang with a puzzled look on his face. He seems to be asking what is going on in the end?

"We're going out for a while. You go and ask your brother." Huo Dongyang replied and then left with Yunzhou.

Yun Yiyan looked at the car that left, and there were really a lot of question marks. What the hell is going on here? Have you become a vegetable? How can you wake up? And he seems to have forgotten something.

Yun Yiyan has too many questions. He has to ask Xia yueqian what is going on!

Xiang Qing drove Huo Dongyang and Yunzhou to a mental hospital.

After Yunzhou got off the bus, he felt creepy. This place has always been a place that normal people reject. He reached for Huo Dongyang's clothes like a child. "Who is here?"

"Fu Qing." Huo Dongyang replied. "She drove herself crazy after all of your accidents."

Huo Dongyang takes Yunzhou to see Fu Qing. Fu Qing was alone in the room, sitting on the bed in disorder and humming.

"Fu Qing..." Seeing such a picture, Yunzhou held back a burst of pain.

Fu Qing heard someone call herself, she slowly turned back. She was a lot older, with wrinkles on her face, no flesh on her face, sunken cheeks, listless eyes, and wearing loose clothes, she looked very thin. The whole person has really changed a lot.

When Fu Qing saw Yunzhou, his eyes seemed to get a little focus. She stares at Yunzhou, then opens her mouth, her voice is very dumb. "Cloud State?"

"It's me!" Yunzhou nodded.

Fu Qing became excited when he heard the name. She quickly got out of bed and walked to Yunzhou.

"Why are you here at this time? Do you know how I spend these days? "

Seeing Fu Qing in this way, Yunzhou shed tears. "I'm sorry I'm late."

"Yunzhou, you are really late. Our child is dead. The doctor said it couldn't be saved. He died as soon as he was born. What do you say I should do? "

Huo Dongyang stood aside and listened to their conversation. It seems that Fu Qing still remembers something old in the past 20 years. He retreated in silence to let them talk.

"Don't be afraid, we'll have children." Yunzhou hugs Fu Qing and comforts him. It seems that in Fu Qing's heart, still care about this matter."Really?" Fu Qing asked in disbelief.

"Really, we will have sons and daughters."

Fu Qing listened to Yunzhou's words. "Well, you are right! We will have sons and daughters. "

Later, Yunzhou accompanied Fu Qing in her room until she fell asleep.

Huo Dongyang, waiting in the corridor, saw the cloud state coming out and stood up. "Is she asleep?"

"Yes." Yunzhou nodded.

After getting on the bus, Yunzhou was still silent and said nothing. I don't know what he's thinking, or he's still thinking about Fu Qing.

"Where is Yiming?"

"XX prison."

Hearing Huo Dongyang's words, Yunzhou finally had a big response. "What did you say?"

"He was also the price he paid for what he had done wrong." Huo Dongyang replied.

"He was sentenced?"

Huo Dongyang nods. "Yes, ten years."

For such a result, Yunzhou seems to be unable to accept. "He shouldn't be responsible for this. It's all my fault."

When I saw Yun Yiyang again, I found that he looked good, but his spirit was not good, and his reaction was slow. Sit down for a few seconds to reflect who is sitting in front of you!

"Dad Yun Yiming called. "Dad, is it really you?"

Yunzhou looked at his son this way, tears. "Yi Ming, are you ok?"

"I'm ok." Yun Yiming replied. "When did you wake up?"

"Morning."

When Yun Yiming wants to talk, he also finds Huo Dongyang nearby. "Why are you here? Do you want to see how I'm down

Huo Dongyang stood up and said, "whatever you want."

With that, Huo Dongyang went out because he thought they needed some time for father and son.

## [Chapter 320](#)

Huo Dongyang returned to the car and closed his eyes to rest. I really feel that I owe the cloud family. Now everyone has to deal with their own affairs. It's really tiring!

"Boss, are you ok?"

"Well!" Huo Dongyang answered.

"Boss, I find you are not really heartless." Xiang Qing said with a smile.

Huo Dongyang opened his eyes, "these are debts." A lifetime of debt, the people they die is relaxed, said a good-bye to leave, leaving such a mess. Are they really owed in previous lives?

At this time, Qiao Wei called.

"Dongyang, where are you now?"

"Yun Yiming's side."

"Did you take Yunzhou to see him?" Qiao Wei asked on the phone.

"Well, I'll be back later."

"Well, you should pay more attention."

After the meeting time, the doctor helped Yunzhou out. Yunzhou seems to be a lot less energetic than before.

Huo Dongyang opened the door and let Yunzhou go first.

Yunzhou leaned on the back of the chair, and the whole person became very weak. He reached for Huo Dongyang's hand. "I want to go to another place."

"You should go back to the hospital now." When Huo Dongyang saw the situation in Yunzhou, he knew it was serious. It is estimated that after meeting Fu Qing and Yun Yiming, the will that has been supporting him has gradually disappeared. So it is estimated that Yunzhou will not be able to survive now.

The doctor also shook his head at Huo Dongyang. It seems that the situation is really bad. Huo Dongyang looked at Yunzhou and said, "your body is not good now. We'd better go back to the hospital and wait for you to be better."

Yunzhou shook his head weakly. "If I don't go, I won't have another chance. I will not have the face to see him there

"He?"

"Take me to meet Dad."

Huo Dongyang really did not expect Yunzhou to put forward such a request. "Your body..."

"Huo Dongyang, please. I don't have much time. "

Huo Dongyang finally took Yunzhou to see YUNZHUO. Yunzhou broke away from the doctor's help, he staggered a few steps and knelt down in front of the tombstone.

"Dad, I'm sorry!" Yunzhou is guilty. "I dare not ask your forgiveness for what I have done to you. If there's an afterlife, I'm coming to pay off the debt. "

Huo Dongyang turned and walked forward a few steps. He didn't want to be affected by these emotions, but he still heard the cry of Yunzhou. Why should we have known that?

Gradually, the cry of Yunzhou disappeared. Huo Dongyang looked back, but saw the doctor came to check. Then I watched the doctor holding him down. Huo Dongyang walked quickly.

"What's the matter?" Huo Dongyang asked anxiously.

"No way." The doctor looked serious.

Yunzhou's consciousness has also become blurred. "Huo Dongyang, thank you for everything. If I see Dad, I will tell him

"No more." Huo Dongyang replied.

Yunzhou held Huo Dongyang's hand with difficulty, "Mu Xin..."

Knowing that Yunzhou wants to talk to Yun Muxin, Huo Dongyang immediately calls. It's not dawn in America, but I can't care about it now.

Yun Muxin answered the phone without waking up. "Hello, uncle, what can I do for calling so early?"

"Well, your father wants to talk to you." Huo Dongyang said quickly, he turned on the handsfree and handed the phone to Yunzhou.

Cloud Mu Xin there seems to have no idea what happened, "uncle, what do you say?"

The voice of Yunzhou is not very loud, and there is still some difficulty. "Mu Xin, I'm Dad..."

"Dad Yun Muxin wakes up immediately. "Are you awake?"

"Mu Xin, your mother and I have not taken good care of you in this life. I'm sorry! In the future, you must listen to your uncle more. You must listen to everything he says Yunzhou told.

"Dad, what's the matter with you? Why do you say that? "

"In the past, Dad forced you to do those things. I'm really sorry! Please forgive your father and your big brother. If your elder brother comes out in the future, you should take more care of it. "

Yunmuxin heard the meaning of Yunzhou, and he also cried at the end of the phone. "Dad, you'll be fine."

"Dad has done too many wrong things in his life. So now it's time to get punished. Take care of yourself

"Dad, no!" Said Yun Muxin in a loud voice.

Cloud State's eyes slowly some half closed, he motioned Huo Dongyang to put the mobile phone down. Huo Dongyang put down his mobile phone, "what else do you want to say?"

"Huo Dongyang, I still say thank you again! Thank you for everything you've done for the cloud family. "

Huo Dongyang nods. "Well!"

"If Yi Ming comes out, please take care of your uncle."

"Well!" Huo Dongyang nods.

Hearing Huo Dongyang's promise, his face also showed a smile. "That's good. I can go." With that, Yunzhou officially closed his eyes and his hands fell down. The doctor next to him also looked at the time immediately. "Time of death 4:04 p.m."

Huo Dongyang closed his eyes. He didn't want the tears in his eyes to flow down. The mobile phone is still connected to Yun Muxin. Just now, Yun Muxin can hear the words clearly. She was crying over the phone.

Huo Dongyang opened his eyes again. His eyes were red. He picked up the phone again. "Mu Xin, please come back from leave."

"Well! I see. "

At night.

Huo Dongyang only returned to Jiangwan villa after dealing with everything.

Qiao Wei saw Huo Dongyang come in and immediately stood up. "Dongyang, are you ok?"

In the evening, Huo Dongyang had already told Qiao Wei about the phone call. Qiao Wei had no choice but to take care of the children. He didn't go to the hospital.

Huo Dongyang really hates going through these scenes of life and death, which is really hurt for people.

Qiao Wei sees Huo Dongyang does not want to talk, she reaches out to hold Huo Dongyang. At this time, Huo Dongyang needs this kind of silent comfort.

Huo Dongyang also reached out to hold Qiao Wei. He buried his head in Qiao Wei's neck. Qiao Wei knew Huo Dongyang was sad, so he didn't speak. He just patted him on the back to show his comfort.

Three days later.

Huo Dongyang held a small funeral for Yunzhou. Not many, just a few familiar people.

All dressed in black, they bowed to the pictures of Yunzhou.

Yun Muxin is crying very sad. Yun Yiyan supports her all the way. If she doesn't, she may have fallen to the ground. Yun Yiyan felt some regret. If he knew that day was the last meeting in his life, he would certainly say a few more words with him. Anyway, this is my father who has been called nearly 30 years!

"Dad, go all the way!" Yun Yiyan silently read it in his heart.

At this time, a sudden sound of fetters was heard in the quiet hall.

When they turned around, they saw three policemen escorting Yun Yiming. He was wearing a black suit with handcuffs on his hands and shackles on his feet.
