

## Warm Wife 341

### [Chapter 341](#)

Xia family.

When Yun Yiyan was changing clothes, he received a call from Yun Muxin.

"Hello

"Second brother, are you all right there? My uncle and I have already set out. " Yun Muxin asked on the phone.

Yun Yiyan hit hands-free and said while changing clothes. "So early? It's not 12 o'clock. Don't worry, I'll be there on time

"Uncle said we'd better arrive early."

"I'll start in a minute." Yun Yiyan replied. "Hang up."

After hanging up the phone, Yun Yiyan looked up and saw Xia yueqian standing at the door. "Did you hear that just now?"

Xia yueqian nodded, "she seems to be in a hurry. Don't be too late." Xia yueqian turns around, but in his heart, he is so miserable that he finally wants to see her parents today. So, will the news that she and Tang Yuze get married next.

Xia yueqian felt heartache. He supported the wall with one hand and pressed it on his heart. His face turned pale and he was panting. This time the pain is more serious than before.

Seeing Xia yueqian's appearance, Yun Yiyan hurried forward to support him. "Brother, are you ok? Why do I think you are more serious than before? Do you want to have an examination? "

Xia yueqian shook his head, "my body, I know myself." He is a doctor and he knows his physical condition very well. The only problem is the heart. I don't know what's going on. In recent days, especially strange.

Now Xia yueqian thinks that the only explanation is because Yun Mu Xin. She came back, her own mood swings affecting her heart. As long as you think that Yun Muxin will marry Tang Yuze, the whole heart can't bear it.

Yun Yiyan frowned, and he couldn't help saying, "brother, you can't go on like this! If you really still love admiring heart, you should go and grab her back, rather than blindly retreat. In this way, you will not be happy, nor will your admiration be happy. "

Xia yueqian held Yun Yiyan in his hand, "aren't you going to talk about marriage today?"

"Just a meal, not so fast! I don't think Huo Dongyang would agree to this marriage at this time. He certainly will not push his admiration into the fire This is also what Yun Yiyan and Huo Dongyang have known about him since they were on business together. Because he has never done anything uncertain, he also dares not to talk about marriage today.

Xia yueqian looked at Yun Yiyan's expression, his eyes also had some look, "really?"

Yun Yiyan nods. "Brother, I don't think admiring is merciless to you. Didn't you dare before? Be brave for yourself again! At least there will be no regrets, right? "

Xia yueqian also wavered after hearing Yun Yiyan's words. Yes, why can't I be as handsome and cheeky as before?

"Brother, there are not many opportunities. We must grasp it! " Yun Yiyan replied. At least don't wait for the opportunity to pass like him. Now it's too late to regret, because he and she have been separated from each other.

Xia yueqian stood against the wall, "Yi Yan, you go! I'm all right. "

"Well!" Yun Yiyan turns to get his coat and is ready to meet Huo Dongyang.

After Yun Yiyan walked a few steps, Xia yueqian said, "try to stop this marriage!"

When Yun Yiyan heard this, he stopped immediately. He raised the corner of his mouth. It seemed that his brother was finally going to fight. He turned his head and looked at Xia yueqian with a smile on his face. "This is Xia yueqian I know."

TC Chinese restaurant.

This time, it was the place where Tang Yuze planned to eat. He didn't go back to Jiangwan villa yesterday. It's about staying in a hotel with my parents, which is more formal.

Tang Yichen and Gong Yuxi also came early, because this was the first time that the two families met, so they did not dare to neglect.

"Yuze, they should not have arrived so early. Sit down and wait." Tang Yichen opens his mouth.

"It doesn't matter. I can stand." Tang Yuze replied.

Gong Yuxi said with a smile: "I guess my son is nervous. Ozawa, don't worry! My father and I will certainly do a good job, and we will let you take our admiration home. "

"Thank you, mom." Tang Yuze replied.

Tang Yichen looked at the time, and there was still an hour to go before the appointed time. The woman always has to dress up. I don't think she will come here so early. This is Tang Yichen's idea, but Tang Yichen did not expect Huo Dongyang to appear soon.

At the door of the Chinese restaurant, Huo Dongyang helped Qiao Wei get out of the car. He looked up at the Chinese restaurant in front of him. Here, it should mean something special!

Qiao Wei knows about this Chinese restaurant, which is very famous. It is also a collection of the major dishes of the country, known as the most complete Chinese restaurant. And the store has several branches across the country. City a opened its business at the end of last year, and immediately attracted a lot of people's attention.

To be honest, she and Huo Dongyang are both here for the first time. I heard that it was very difficult to book a place in this shop. I didn't expect that Tang Yuze actually got a seat. Qiao Wei looks back to see Yun Muxin calling Yun Yiyan. Huo Dongyang took Qiao Wei's hand and asked, "did you just wonder why Tang Yuze was here?"

Qiao Wei a smile, "as expected, what can't hide from you."

"Because I have the same idea." Huo Dongyang replied. The name of this restaurant is familiar to him. He seems to have seen it there. The name TC is really familiar.

Yun Muxin called back, "uncle, second brother said there are five minutes to come, let's wait for him."

Huo Dongyang nodded, "well, we stand over there and wait."

Yun Muxin looks at the door of the restaurant and really wants to come here. Last time I passed by, I told Tang Yuze that I wanted to try the dishes in it, because many food websites on the Internet recommended this restaurant. I didn't expect that Tang Yuze really set the meeting place here.

Yun Muxin follows Huo Dongyang and they wait at the door. Because they are the combination of high looks, they also attract some people's attention. Yun Muxin also noticed that she said to Huo Dongyang with a smile: "uncle's beauty is high, and those little sisters are secretly taking photos. At that time, they will certainly say in microblog or circle of friends that they ran into handsome men and beautiful women at the gate of the Tang Dynasty today. "

Hear cloud Mu Xin's words, Huo Dongyang immediately captured the key information. "Tang Dynasty?"

"Well?" Cloud Mu Xin nodded, "TC is the abbreviation of the Tang Dynasty, this shop is very popular on the Internet! I really admire Kevin for being able to book a place. This place is hard to find. "

Huo Dongyang's mind quickly searched the name TC in his head. Last time he remembered that when he saw the introduction of Tang Yichen, he really wanted to see the name. Ty group has involved in the catering industry, one of the chain restaurants, the name seems to be TC. If it's really TC, then this store is their Tang family's industry.

Qiao Wei saw Huo Dongyang's face changed, and she called out. "Dongyang, what's the matter with you?"

## [Chapter 342](#)

Hearing Qiao Wei's voice, Huo Dongyang looked at her.

Just want to talk, but hear cloud Mu Xin but exclaim. "Here comes the second brother."

Qiao Wei's eyes soon followed the voice of Yun Muxin and saw the car of Yun Yiyan coming.

Huo Dongyang also took a look and suppressed what he just wanted to say. Forget it, or don't tell Qiao Wei, he will see the situation later, so Huo Dongyang is ready not to look. He watched Yun Yiyan come out of the car. He was dressed very formally today. It seems that he was prepared.

Yun Yiyan came over and looked at the three people in front of him. "Are you dressed in family clothes? I haven't prepared a suit with me. It looks like I'm so out of place

"We all have sponsorship for this dress." Cloud Mu Xin answers.

Yun Yiyan took a look, "Oh, that Mike, isn't he?"

"Let's go in!" Huo Dongyang opens his mouth.

Yun Yiyan soon exchanged a look with Huo Dongyang. He also told Huo Dongyang the purpose of his coming today. I didn't expect that Huo Dongyang also nodded his head, so what he meant was that he agreed?! This is really an accident, but Huo Dongyang's mind has always been difficult to guess.

Yun Yiyan follows Huo Dongyang and walks in behind them. It's very powerful to decorate such a Chinese restaurant. See the intention of the boss, almost every dynasty's symbolic representatives have, and at most is the thing of the Tang Dynasty.

Huo Dongyang also saw the furnishings of the specific dynasties, which should have cost a lot of money. At this time, Huo Dongyang had to admire the Tang family's wealth, which cost a lot of money.

"Do you have a reservation, sir?"

Huo Dongyang looked back at Yun Muxin and asked, "Mu Xin, which room was reserved by Tang Yuze?"

Hearing Huo Dongyang's words, the waiter immediately knew that the guests in front of him were today's distinguished guests. It's half an hour ahead of schedule.

"This way, please." The waiter made a please gesture and then led the way ahead.

Qiao Wei and Yun Mu Xin are attracted by the decoration and decoration here, and do not pay attention to these.

"Let them go!" Yun Yiyan said. "If we don't leave, this lady is afraid to move."

Huo Dongyang took a look at the waiter just now, "Hmm!"

Looking at the long corridor in front of him, Yun Yiyan walked to Huo Dongyang and said jokingly, "how do I feel like we are going to meet the emperor?"

"I don't understand history." Huo Dongyang threw out a sentence. In fact, he also has such a feeling, just did not say it.

Yun Yiyan laughed, "OK! You are half a foreigner. It's understandable if you don't understand it. " With that, he deliberately lowered his voice and said in Huo Dongyang's ear. "This is the property of the Tang family."

Huo Dongyang looked at Yun Yiyan's sudden serious expression, and he also gave a look to confirm that he also knew. Yun Yiyan said in a low voice, "we should be vigilant when we wait. This is the territory of others."

Yun Yiyan always remembers Xia yueqian's mission to stop the marriage. But today, when I stepped into other people's territory, if I said these things, would they be dragged out and beheaded?!

Finally, they stopped at the door of a room called Yaxuan Pavilion.

"This is the room Mr. Tang ordered." The waiter said and turned away.

Huo Dongyang ready to knock on the door, the door has been opened from the inside, Tang Yuze also appeared in their real line of sight.

"Uncle, second brother, are you here so soon?" Tang Yuze looks surprised and stands at the door Huo Dongyang and Yun Yiyan. He just wanted to wait at the door, but he didn't expect to see them as soon as he opened the door.

The tone of Yun Yiyan's defense against Tang Yuze is not very good. "Well, of course we arrived early. How to say that we are all the owners of city a and how to make the guests wait. "

Tang Yuze just laughed and said, "what about admiration?"

"She and Qiao Wei went to see the fish and come back later." Huo Dongyang replied.

At this time, Tang Yichen's voice came. "Yuze, please bring the distinguished guests in quickly!"

"Uncle, please come in." Tang Yuze immediately flanked Huo Dongyang and Yun Yiyan. "My parents are here, too."

After entering the door, I found that the room was completely imitating the ancient architecture. As soon as I entered the door, I saw a huge screen. And the screen is also with fresh and elegant plum orchid, bamboo and chrysanthemum, the whole room is also full of antique flavor.

However, such an atmosphere makes modern people like Huo Dongyang and Yun Yiyan feel a little depressed. They also saw two people sitting behind the screen. They should be Tang Yuze's parents!

Tang Yuze took Huo Dongyang and Yun Yiyan around the screen, "Mom and Dad, this is mu Xin's uncle and second brother."

Tang Yichen and Gong Yuxi also stood up, "Hello

Tang Yichen and Gong Yuxi also specially dressed up today, and they were formally dressed. Tang Yichen was wearing a simple dark Tang suit, while Gong Yuxi was wearing a light cheongsam. Their identity can be seen from their clothes. They are not ordinary families. Huo Dongyang can see from their clothes that there should be a lot of rules in their family. It's just eating a meal and dressing like that. And their own dress is more casual, so contrast, it seems that really is not a world person.

Cloud Yiyan also felt out, "Huo Dongyang, we lost in the clothing." People's posture is really like that of a TV play. One is to bring up the feeling of intimacy.

"Hello Huo Dongyang opens his mouth.

After sitting down, Tang Yichen immediately poured a cup of tea for Huo Dongyang and Yun Yiyan, "please have tea!"

Thank you Huo Dongyang nods.

The scene is also a little awkward, both sides in addition to a few polite greetings, almost nothing. Gong Yuxi bumps Tang Yichen with his hand and asks him to speak. Otherwise, the atmosphere will be really cold.

Tang Yichen immediately answered, "I didn't expect my admiring uncle to be so young."

"My grandfather is old, so of course he is young." Yun Yiyan answered. "But compared with your Tang family, our cloud family is really not enough."

Yun Yiyan's words make Tang Yichen smile. "We are just ordinary families. Maybe we pay more attention to it."

Huo Dongyang stretched out his hand and pressed Yun Yiyan, telling him not to speak any more, but also to calm down. Huo Dongyang then also opened his mouth, "Yi Yan, if you want to speak like this, please don't be surprised!"

"No! Young people are like this, understandably. " Tang Yichen replied.

Huo Dongyang can see that Tang Yichen is not a simple person. Come in till now, he has always kept a smiling face, which seems to be different from the legend. It seems that it should be hidden well.

Mr. Huo seems to be interested in Mr. Huo's family? If you are interested, I can answer the question now. "

"Then I really have a question to ask." Huo Dongyang nods.

### [Chapter 343](#)

As soon as Huo Dongyang's words came out, the whole an room was quiet.

The faces of the three people in the Tang family are also some wrong, and they seem to have guessed what Huo Dongyang wants to ask.

Yun Yiyan looks at Huo Dongyang and is surprised. If Huo Dongyang really stopped the marriage this time, he might really consider calling him uncle. Because he is an elder, the elder has the weight to say such words.

Huo Dongyang also saw the Tang family's face changed, taking advantage of cloud Mu Xin did not come in, he was not afraid to get to the point. "Don't you mind my being so abrupt?"

Tang Yichen had to admire Huo Dongyang. This time he really dug a hole for himself. I guess this question is so easy to answer. But in this case, he can only follow. "No

"How many children did the Tang family have in Tang Yuze's generation?" Huo Dongyang asked directly.

Yun Yiyan looked at the three people in the opposite side, Huo Dongyang did a good job! This is the way to do it. Otherwise, the Tang family thinks that they can dominate in C City. This is a city, how are their home. This momentum is absolutely necessary.

Tang Yichen looked at Huo Dongyang, and he was as direct as the rumor. This is exactly what they don't want to talk about. Now it's really a bit like riding a tiger. "Mr. Huo, why do you ask?"

Huo Dongyang smiles. "I did investigate your Tang family, but I found that they were all rumors. So I want to prove that this should not be too much. The cloud family has only one daughter, Muxin. She's our little princess. If I don't know about her future husband's family, it's hard for me to be the master. "

At this time, Yun Yiyan and Huo Dongyang cooperated in tacit agreement: "my uncle is right. My grandfather and father have made an account before their death. We must find a good family for mu

Xin. As a little princess of the cloud family, we never dare to be careless. Now that she's grown up, she has a man she likes and brings it back to us. As a result, we don't know your family at all, so we can rest assured that Mu Xin will come to your house? "

Tang Yuze heard the meaning of Huo Dongyang and Yun Yiyan. They questioned their identity and might not agree to his marriage with Yun Muxin because of this. He felt sick at the thought of it. His hand under the table unconsciously became a fist.

Tang Yichen and his wife also understand what Huo Dongyang means. This time, they are really in trouble. It seems that the things they are worried about are still happening. He looked up at his son, and of course he saw his anger. Really stuck here, how hard his heart will be!

When Yun Yiyan saw this scene, he knew that they had questions. If he could not answer them, it proved that there were many problems. It's not so easy to get married. They can't pass this hurdle and think about other things. It's just wishful thinking.

Huo Dongyang also has a decision in mind. It seems that there is a real problem with the Tang family. Although he also hated the matchmaker's words ordered by his parents, for the sake of Yun Muxin, he didn't mind coming back. Instead of looking at Yun Muxin's pain in the future, he might as well cut the mess with a knife now!

"How about it? That's not an easy question to answer? " Huo Dongyang spoke again.

Tang Yuze couldn't sit still. "Uncle, I really like admiring, and I hope to be with her all my life. Why do we have to use these rules to stop us? Is this really important? The future life is also me and Mu Xin, these and my family do not conflict at all. If you agree, I can take root in city a, too. "

Huo Dongyang looks at Tang Yuze and knows that he is very excited now. "If you have a daughter in your family, you will understand our intentions. We hope that Mu Xin will have someone who really loves her to take care of her. If she still doesn't know her husband after marriage, what will she think? "

"We only have Yuze." Tang Yichen interrupted Huo Dongyang's words.

"Then he will inherit everything from the Tang family in the future?" Huo Dongyang narrowed his eyes.

"Yes Tang Yichen replied. "Of course, it depends on his will."

Yun Yiyan then asked, "where is your eldest son? A traditional family like yours is generally inherited by the eldest son. "

Tang Yichen looks at Yun Yiyan and answers again. "We have only one son, Yuze."

This is really different from the results of the investigation, so the Tang family is really too mysterious. Yun Yiyan will definitely not agree with Yun Muxin and Tang Yuze's marriage. He looked at Huo Dongyang and waited for him to speak.

"Uncle, so now you are against my marriage to Mu Xin?" Tang Yuze asked.

Huo Dongyang did not nod or shake his head. "My starting point is to hope that Muxin will be happy. I also thought about letting Muxin stay in the cloud home before..."

Huo Dongyang deliberately did not finish the sentence or make it clear, but the meaning of his sentence is not difficult to understand. Huo Yun's future husband wants to stay at home. This is impossible for Tang Yuze, who is the future successor of the Tang family. It is also a difficult problem for the Tang family.

When Yun Yiyan heard this, he wanted to clap his hands! Huo Dongyang is really powerful, this method is good! People like Tang Yuze can't do this. Few men are willing to accept this. The Tang family has a great cause. Will they agree to let a future successor move into a family that is not as good as the Tang family? It's also an insult to them. Huo Dongyang took a sip of his tea cup. It was obvious that the tea was cold. So he frowned slightly, and the tea lost its original flavor. It's really a pity. I knew I should have had it first.

"Uncle, are you serious?" Tang Yuze asked.

"What words?" Huo Dongyang asked.

"To be a burden."

Huo Dongyang smiles. He looks at the time of his watch. Qiao Wei and Yun Mu Xin also come quickly. He almost stepped on time to answer. "I didn't seem to have said these two words just now."

"Is Mr. Huo opposed to the marriage?" Tang Yichen asked.

At this time, cloud Mu Xin and Qiao Wei are just good at pushing the door in, and Tang Yichen's words are just heard by them. Yun Muxin and Qiao Wei immediately stop, they look at each other, what is the situation.

Then they heard Huo Dongyang's voice. "Today, we didn't want to talk about marriage. We just had dinner for the two families. So I hope you can understand. "

Qiao Wei looked at the side of the silent cloud Mu Xin, worried that she had other ideas.

"Adoration!"

Hearing Qiao Wei's voice, all people's eyes fall on the cloud mu heart behind the screen. It seems that she heard all the conversation just now.

Tang Yuze immediately stood up, his heart is more nervous.

#### [Chapter 344](#)

Standing at the door of yunmuxin, actually only heard Huo Dongyang's words.

Seeing Tang Yuze suddenly appearing in front of him, Yun Mu Xin called out in a low voice. "Kevin....."

Tang Yuze reached for Yun Muxin's hand and said, "things are not what you think. I can explain it to you!"

Yun Muxin heard something in the clouds and didn't seem to understand Tang Yuze's meaning. She blinked.

"What..." Yun Muxin's words, not finished, her hand was pulled by another person.

Yun Muxin raised his head and looked at it, and saw Xia yueqian's pale face. "Xia yueqian, you..."

Xia yueqian breathes and looks at Yun Mu Xin. It seems that he is coming to catch up. After Yun Yiyan went out, the more he thought about it, the more worried he felt. So he decided to come by himself. No matter what happened, he didn't want to give up the last chance.

"Don't you have something to say to me? Then go now." Xia yueqian gasped and could see that he was not in a good condition.

Qiao Wei worried about Xia yueqian's situation, "schoolmaster, are you ok?"

"I can't die." Xia yueqian's voice has no strength to say.

Cloud Mu Xin looked at such a Xia yueqian, really distressed. She frowned at Xia yueqian. "You really don't want to die!"

"My life is here." Xia yueqian looks at Yunmu and squeezes out a smile.

Cloud Mu Xin looks at Xia yueqian, tears fall out directly, "you this pervert!" Cloud Mu Xin also felt that Xia yueqian was shaking his hand. He seemed to want to use a lot of strength to hold himself, but he was obviously unable to do so. Yun Muxin immediately held Xia yueqian's hand. His hand was cold and not as warm as before.

"Adoration!" Tang Yuze immediately called cloud Mu Xin, his heart is also flustered. He also grabbed Yun Muxin's other hand.

Cloud Mu Xin turns around and looks at Tang Yuze with tears in his eyes. "Kevin....."

"Don't go!" For the first time, Tang Yuze was domineering in front of Yun Muxin. He knew that Xia yueqian was the man who came here after a long journey. He had thought about many kinds of special scenes to meet him, but it was definitely not the scene like today.

Cloud Mu Xin's tears continue to flow, who can tell her exactly what happened, how can suddenly become like this! She looked at Tang Yuze and looked back at Xia yueqian.

At this time, whether she wants to go left or right, who can give her an answer. Cloud Mu Xin also saw other people in the blurred sight, all of them gathered at the door.

Looking at the embarrassed cloud Mu Xin, Huo Dongyang is also a little worried. Xia yueqian's sudden appearance seems to have changed the whole situation today. He looked at Yun Yiyan next to him and asked in the voice only two people heard: "is this your arrangement?"

Yun Yiyan shakes his head. He encourages his brother not to give up Yun Mu Xin and asks him to be brave once. However, he did not expect that he would really come to the scene. It seemed that he had recovered, which proved that he had taken this step bravely.

Tang Yichen and Gong Yuxi see the scene, suddenly confused. What is the situation now! The man who came out of the blue and Yun Muxin also had a story. When they had an idea, they heard Tang Yuze saying, "Mu Xin, you can't go with him! Do you forget the past? "

Cloud Mu Xin a Leng, did not expect Tang Yuze will say such words. Is he forcing himself to make a choice now?

Xia yueqian sees Yun Muxin's dilemma. His heart aches again. He can't use his strength. He immediately releases Yun Muxin's hand and presses his hand on his heart.

Yun Muxin was suddenly let go by Xia yueqian, and lost his balance. He was pulled by Tang Yuze. Yun Muxin directly pours into Tang Yuze's arms, and Tang Yuze reaches out to hold Yun Muxin. But his eyes do fall on Xia yueqian, he seems to be really painful.

Cloud Mu Xin heard Qiao Wei and Yun Yiyan's voice, they seemed very anxious. Yun Muxin reaches out and pushes Tang Yuze away. She looks back and looks at Xia yueqian who has been supported by Yun Yiyan.

"Xia yueqian, are you ok?" Yun Muxin immediately arrives in front of Xia yueqian. Cloud mu heart sees so weak Xia yueqian, in the heart feels uncomfortable to die. "Xia yueqian, don't scare me!"

Xia yueqian shows a weak smile to Yun Muxin. "Mu Xin, I have something to say to you."

"Well, you say it!" Cloud Mu Xin nods. "I'm listening!"

Xia yueqian takes a look at Tang Yuze behind Yunmu's heart and says that he is mean or shameless. He will be thick skinned. Xia yueqian reaches out to grab Yun Muxin's hand. Yun Muxin immediately understands Xia yueqian's meaning, and immediately holds his hand, tears streaming down.

"Mu Xin, don't cry! I'll feel worse if you do this. " Xia yueqian said with difficulty that he was struggling.

Yun Muxin's whole heart was shaking, as if he felt that Xia yueqian seemed to be explaining later. She's had it twice, but she doesn't want to go through a third. "Xia yueqian, if you dare to die, I will hate you all my life.""Well, good! That's how you hate me all my life. " Xia yueqian replied. "So at least you won't forget me."

"Don't talk nonsense." Yun Muxin hates this feeling.

Xia yueqian's situation seems to be really bad, and Yun Yiyan who supports him obviously also feels it. "No more, brother. I'll take you to the hospital right away

Hearing Yun Yiyan's words, Huo Dongyang immediately said, "Xia yueqian, go to the hospital first! Jovi will call an ambulance immediately. " Think of the past, see Xia yueqian several times into danger Huo Dongyang can not help but admire him in playing with his life, actually drag such a body over. Really don't want to live?

Qiao Wei will call an ambulance immediately. After the call, Qiao Wei went to check the situation of Xia yueqian.

"Captain, the ambulance will be here soon. Hold on

Yun Muxin heard the words of several of them, even more helpless. Xia yueqian seems to be really ready to leave at any time. She clenches Xia yueqian's hand. "Xia yueqian, you must persist."

"I've been holding on for a long time. I'm really tired now. I want to have a rest." Xia yueqian replied.  
"Mu Xin, I beg you not to get married! This is what I want to say to you. Will you promise me

When Yun Yiyan saw his brother like this, he felt very sad, "Mu Xin, you promise! He's been waiting for you to come back. He's even fighting death several times with the last hope. This time, it's also a second brother. Please promise

Yun Muxin closes his eyes. "Xia yueqian, if you dare to die, I will get married!"

Xia yueqian lost consciousness with a smile when he heard Yun Muxin's words

#### [Chapter 345](#)

hospital.

Xia yueqian was sent to the operating room, and others were waiting at the door of the operating room. Yun Muxin lies on Qiao Wei's shoulder and cries to no avail. She dare not look at someone to leave beside her.

Qiao Wei is also worried, she gently patted the back of cloud Mu Xin, "it's OK, don't cry." Qiao Wei looked at the opposite sitting Huo Dongyang and yunyiyan, saw their faces dignified, her heart also followed heavy up. In the previous rescue, Qiao Wei heard Huo Dongyang say several times that the process was very dangerous. What about this one?

Yun Yiyan lowered his head, and when he saw Xia yueqian like this, he seemed to have some regrets. In the morning, he should not encourage Xia yueqian to do so, or he is still ok now.

Huo Dongyang looks at Yun Yiyan's appearance. He reaches out and presses Yun Yiyan's shoulder, as if to comfort him. He looked at the door of the operating room, hoping that Xia yueqian could survive.

"Xia yueqian, you have survived this year. Now it's hard to wait. Are you sure you want to rest?" Huo Dongyang said to Xia yueqian in his heart.

The corridor thought of the sound of faltering feet, Xia Mingde also rushed to receive the news. When he saw the man in the corridor, he speeded up his feet. "Yi Yan..."

Yun Yiyan raised his head and saw Xia Mingde running over anxiously. He went up to support Xia Ming, "Dad, slow down."

"The more modest, what's the matter?" Xia Mingde reaches out and grabs Yun Yiyan and asks.

Yun Yiyan replied. "I don't know yet." Then he sat down with Xia Mingde. And Xia Mingde's mouth murmured, "I shouldn't let him go out, I should have stopped him at that time! I know he's uncomfortable. Why didn't I stop him? "

"Dad, it's not your fault." Yun Yiyan replied. "This is my brother's choice."

"It's all my fault." Yun Mu Xin opens his mouth. If it wasn't for Xia yueqian that day, he would not be like this. Xia yueqian became like this because of himself.

Xia Mingde looked at Yun Muxin and said, "yes. You are to blame for all this! A year ago, it was because of you that the more humble you became. A year later, because of you, he went into the operating room again. If you are going to marry someone else, why do you want to provoke my son? "

"I'm sorry!" Yun Muxin did not expect that things would become like this.

Xia Mingde closed his eyes, as if he were not looking at the net. But what he then said made Yun Muxin burst into tears again. "You are sorry to leave it to Yue Qian. He didn't even want his life for you. You are his life! Even if I want to blame you, I can't bear it. Because the more modest I am, the more angry I will be. "

Yun Muxin's tears burst the dike again. She knew that she owed Xia yueqian a lot. If she could, she would pay back Xia yueqian little by little. How she wished God could hear her heart, not so cruel! Her grandfather and dad have already left. She doesn't want Xia yueqian to leave like this. If so, she will be upset all her life.

The operation didn't last long, it was even shorter than expected and ended in three hours.

"Dean, how is the situation?" This time for Xia yueqian, he was the Dean, and he was also Xia yueqian's mentor.

All the people almost hold their breath waiting for the president's words, cloud Mu Xin's heart is also nervous to can't. But the next second, Yun Mu Xin saw the Dean shaking his head at everyone.

Yun Muxin didn't come up and fell to the ground and fainted. Qiao Wei immediately called out, "Mu Xin!"

Seeing this, Huo Dongyang wants to go up and pick up yunmuxin, but there is a figure who is ahead of Huo Dongyang to hold Yun Muxin up. "Doctor, someone fainted!"

For the sudden appearance of Tang Yuze, everyone was a little surprised. Tang Yuze hugs Yun Mu Xin and goes to the doctor, ignoring others. Tang Yuze did not dare to breathe a sigh of relief until he had settled down.

Thank you Said Qiao Wei.

"What's to thank for that? I'm still a admiring boyfriend, all of which I should do." Tang Yuze replied.

Huo Dongyang takes a look at Tang Yuze. "I'm really sorry to let your parents see this today." Because Xia yueqian's sudden appearance interrupted all the arrangements today. After Xia yueqian lost consciousness, they also rushed to send Xia yueqian to the hospital, completely ignoring Tang Yuze's parents. So Huo Dongyang felt that he should say sorry.

"It doesn't matter. My parents can understand. After all, it's a human life." Tang Yuze replied.

One night passed.

Tang Yuze has been in the ward guard cloud Mu Xin, but she has not woken up. Tang Yuze looks at Yun Muxin and frowns and feels heartache. "Mu Xin, you still like him, don't you?"

In the end is how a feeling, let Xia yueqian say such words. Tang Yuze still remembers Xia yueqian said, "my life is here." At that time, the expression, are saying a fact, that is, Yun Mu Xin is everything to him. If there is no cloud Mu Xin, then his life is meaningless.

In this case, why didn't he go to Yun Muxin this year? Since we have decided not to look for it, why did it appear in the situation like yesterday? Even a promise from Yun Muxin. For this promise, he almost risked his life. In the face of Xia yueqian's love for Yun Mu Xin, Tang Yuze feels that he can't really compare with him. How he wants to live in this world, people's life is really too precious, so from small to large, see too many joys and sorrows, he is very cherish life, he also very cherish every minute. Every time he sees such a person who seeks death for love, he will not sympathize. Because they do not know how to cherish life, such people die without feeling pity.

But this time, Tang Yuze also pinched a sweat for Xia yueqian. If he really died, he and Yun Mu Xin would never have been able to do so in their lifetime. Because it is impossible for him to argue with a dead man, which is immoral. Fortunately, he was in danger again. This also let Tang Yuze see the greatness of life again. Because of this, Xia yueqian will be a powerful rival in love.

It's already light, but Yun Muxin hasn't woken up yet. Tang Yuze got up and wanted to go to the bathroom to wash his face and wake up. After the ward next door, Tang Yuze takes a look at Xia yueqian on the bed.

There was no one in the ward, so he stepped in. Tang Yuze looks at Xia yueqian with an oxygen mask. What magic does he have? Do you really want to be free for the sake of Yun Mu Xin?

Tang Yuze suddenly narrowed his eyes. He reached out to take off Xia yueqian's oxygen mask. Because he wants to see Xia yueqian's life is tenacious!

#### [Chapter 346](#)

When Tang Yuze's hand just touched Xia yueqian's oxygen mask, Xia yueqian's eyes suddenly opened.

Tang Yuze was not frightened. Instead, he raised the corner of his mouth. He looked at Xia yueqian and said, "if you want to take off the oxygen mask now, what will you become?"

Xia yueqian blinked after hearing Tang Yuze's words. Then he raised the other hand without infusion, pressed it on Tang Yuze's, and took off the oxygen mask. Xia yueqian has not recovered, so he has no strength to speak. "You know I'm awake."

Tang Yuze takes back his hand. Xia yueqian is right. He just saw Xia yueqian's eyes moving. That's why he made that move. He also wanted to confirm his judgment.

"Xia yueqian, don't you worry that I really want to kill you?" Tang Yuze asked.

Xia yueqian nodded. "I'm worried. But I don't think you're going to do that. "

"Why do you think so?" Tang Yuze asked.

"First, there are monitors at the door of the ward. It is very clear who comes in and who goes out. You don't do such a stupid thing. Second, killing me won't do you any good. Because you won't make your heart hurt. Third, you are not a fool. Killing people is not good for you. The Tang family should not allow the heirs to do such stupid things. "

Tang Yuze heard these, can not help but some doubt that Xia yueqian is really out of the operating room? Actually, he can still analyze these calmly. In fact, he is right. This is his own idea. "Xia yueqian, I find you are a strong opponent!"

"It's my pleasure to be your opponent." Xia yueqian replied that although he was weak, his momentum was not weak at all.

Tang Yuze's face with some disdain, "Xia yueqian, this move is really used right. But I won't let go of my admiring hand so easily. I still want her to get married. "

Xia yueqian frowned, "so this is the meaning of the next war?"

"You can understand that, too." Tang Yuze replied. "I'll try to get my uncle to promise me my marriage to Mu Xin."

"I won't let you take her away!" Xia yueqian really competed with Tang Yuze. "This time, I won't shrink back! A year ago, I had missed it once, this time I don't want to and won't miss it! "

Tang Yuze snorted coldly, "with you now this appearance also deserve to contend with me?"

Yuxia said with a smile. The bitter meat plan is really easy to use! This is the most unbearable thing for mu Xin. She will stay with me

Tang Yuze brows locked, it seems that Xia yueqian is really ready to carry out the bitter meat plan to the end. "Are you sure what to do? Don't you think you're moral kidnapping?! It's mean and shameless! Mu Xin has already blamed herself because of you. She is still in the hospital bed

Xia yueqian did not speak. Although such a way is mean and shameless, he will use his life to love Yun Mu Xin, which is also his commitment to Yun Mu Xin.

"No more words?" Tang Yuze then asked.

"It's disgraceful to you, but I can tell you that when there's no way out, one will fight to the death. And I don't think it's bad for my sweetheart

Tang Yuze got angry and walked out of the ward. He just met Yun Yiyan. Yun Yiyan stares at Tang Yuze in a serious tone. "What did you do in my brother's ward?"

"I'm not as mean as you are." With that, Tang Yuze bypasses Yun Yiyan and leaves.

Yun Yiyan walks into the ward with a thermos bottle. In fact, he has heard the conversation between Xia yueqian and Tang Yuze just now. He pulled up a chair and sat down. "It looks good."

"Mu Xin, how are you?" Xia yueqian immediately asked.

"Don't worry! The Dean personally checked it and said it was OK. Let her have a good sleep. " Yun Yiyan replied.

Hearing that Yun Muxin is OK, Xia yueqian is also relieved. "Scared her this time?"

"Hum! This time you scared everyone and dad almost fainted! The dean is the same. He shakes his head when he comes out of the operating room. Our hearts are all raised to the throat. Dad stepped back

several steps in a row, and his admiration passed out directly. Huo Dongyang and Qiao Wei are also scared to speechless. I was also ignorant at that time, but the dean said, "it's OK!"

Xia yueqian smiles, "sorry! You're worried

"Brother, I found out now that you are playing with your life. What if you don't get over it? " On this point, Yun Yiyan also felt that he had some opinions!

Xia yueqian lowered his eyes. In fact, he had just stimulated Tang Yuze. He also followed his words. If he did not slow down, then there is no regret, at least he knows that Tang Yuze will give Yun Mu Xin happiness. But now he lives again, then he can not live up to God's beauty, he will also strive for his own happiness!

Yun Yiyan also looked at Xia yueqian seriously and said, "brother, you are really brave." If Xia yueqian succeeds this time, he also wants to make himself brave to go to her once!

"You can do the same." Xia yueqian seems to have seen through Yun Yiyan's mind. "In fact, we should all learn from Huo Dongyang. Even if we feel uncomfortable or injured, we should try our best to keep the person who is most important to us, even though the means are tough and disgraceful! That's how he kept Qiao Wei. How good they are now Yun Yiyan's expression is not so serious, "Huo Dongyang is now our example?"

With that, the two brothers looked at each other and laughed.

Near noon, Yun Muxin finally wakes up. When she opened her eyes, she sat up and saw her ward, her heart pounding. She also remembered that terrible dream.

Tang Yuze pushed the door in, saw cloud Mu Xin wake up, he immediately walked over. "Awake?"

Yun Muxin immediately grabs Tang Yuze's hand. "What about Xia yueqian? What's the matter with him?"

"Don't get excited, Mu Xin!" Tang Yuze hands on Yun Mu Xin's shoulder, "he's OK. He's in the next ward."

After hearing this, Yun Muxin immediately pushed Tang Yuze away and rushed out regardless of his shoes. She held the doorknob of the next room, and suddenly there was stage fright code. She was afraid to open the door.

Push in the door with a deep breath. After opening the door, she soon saw Xia yueqian leaning on the head of the bed. The nurse was changing the hanging bottle to continue the infusion.

Xia yueqian sees the cloud Mu Xin that breaks in suddenly, on the face also has some surprise! I wanted to see her after infusion, but she came in unexpectedly. Xia yueqian's eyes looked at Yun Muxin from the beginning, and finally saw that she did not wear shoes.

"Why don't you wear shoes?" Xia yueqian opened his mouth.

Hearing Xia yueqian's voice, cloud Mu Xin's eyes blurred again. "It's really you, isn't it?"

[Chapter 347](#)

Xia yueqian heard the voice of Xiang Yuqing, and felt guilty. It seemed that she was really scared.

Cloud Mu Xin didn't wait for Xia yueqian's answer. Did she feel that she was really in the dream? Cloud Mu Xin stares at Xia yueqian, afraid that he will disappear in the next second.

The nurse helped Xia yueqian adjust the speed of every drop. Of course, she also knew to get out of the room. It seems that this person at the door is the person that Professor Xia likes. She explained:

"Professor Xia, the Dean has told you to really pay attention to it. Not every time

"Well!" Xia yueqian nodded. "I know."

The nurse also saw Xia yueqian's eyes that let him go quickly, she still did not forget to explain, "something rings, I am busy first."

Yun Muxin saw the nurse coming to her and nodded her head. The nurse also nodded to her, "Professor Xia can't be stimulated any more."

"Well!" Cloud Mu Xin answered.

Xia yueqian showed a smile, he stretched out another hand without injection, but you can still see that he is a little hard. Cloud Mu Xin see such summer yueqian really feel heartache. She can't help but run over and hold Xia yueqian. "You really scared me!"

Or happiness came too suddenly. Xia yueqian didn't expect Yun Muxin to hold himself like this. His face was full of surprise and surprise. When he reacts, he feels warm on his shoulder, and Yun Muxin's body also trembles slightly.

Xia yueqian gently patted Yun Muxin's back with a hand, and his face was distressed. "Why are you crying? Don't cry, I'm not all right! "

Yun Muxin reaches out and grabs Xia yueqian's clothes. She also knows that Xia yueqian doesn't have the strength to hold him now, but it doesn't matter. This time she will hold him by herself! Cloud Mu Xin reached out to hold Xia yueqian. She put her head on Xia yueqian's shoulder. "Xia yueqian, next time you scare me like this, I'll die first to show you!"

Xia yueqian's face suddenly changed. He didn't dare to think about this problem. He also knew that Yun Mu Xin was the kind of person who would really do what he said. "Don't talk nonsense."

"You know I'm not talking nonsense." Cloud Mu Xin answers.

"If that's the case, I'd rather you marry someone else, at least I can look at you from a distance." Xia yueqian replied. If Yun Muxin is not there, what's the point of his living!

Yun Muxin hugs Xia yueqian. She has only one requirement for Xia yueqian, that is to make him better. "Xia yueqian, you should get better soon. Because everyone is worried about you! "

"And you?" Xia yueqian doesn't care about others. He just wants to know what Yun Muxin thinks. He wants to know clearly now, know her mind. Xia yueqian is holding a kind of hope, waiting for the reply of Yun Mu Xin.

Cloud Mu Xin suddenly let go, Xia yueqian, eyes are full of tears. "I'm worried, too."

Xia yueqian frowned. This is not the answer he wants to hear. What he wants to know is whether Yun Muxin will marry Tang Yuze. This is the key, and the rest is also virtual to yourself.

"Adoration!" Tang Yuze's voice interposed, and all the atmosphere was gone.

Yun Muxin turns back and sees Tang Yuze standing at the door. He raises a pair of slippers in his hand and hears his voice. "You forgot your shoes."

After hearing Tang Yuze's words, Yun Muxin paid attention to this problem. He ran out without shoes. She showed an embarrassed expression to Tang Yuze, and she was very embarrassed to answer. "Oh..."

Tang Yuze saw Yun Muxin's appearance. He went over and bent down to put down his slippers. "The doctor has come to examine you. Let's go."

Yun Muxin looks at the slippers in front of him. Tang Yuze is too kind to himself! Even after all this, he didn't say a word of blame, and he took care of himself as he did in the past. She really felt that she was too much and hurt two men at the same time.

Yun Muxin put on her slippers. She looked back at Xia yueqian and said, "you have a good rest. Get better as soon as possible!"

Xia yueqian's heart was tight, and he knew that Yun Mu Xin was going to leave. He immediately reached out and grabbed Yun Muxin's hand, "don't go!"

Yun Muxin felt a chill in his hand. Xia yueqian's hand did not have a trace of temperature. "I don't go. I just went to do a check."

"Really?" Xia yueqian, like a child, is waiting for the next sentence of Yun Muxin. Seeing the look in his eyes, yunmu nodded. "Really, I'll come back to see you later."

Hearing a satisfactory answer, Xia yueqian's face only slightly showed a relaxed smile, "then I wait for you!"

Yun Muxin stood up and looked at Tang Yuze and said, "I can go by myself." Then he went out first.

Tang Yuze looked at Xia yueqian at this time. He didn't expect that Xia yueqian would use these childish tricks. "Xia yueqian, you have a thick skin."

"Of course you have to be thick skinned, or how can I get my woman back?" Xia yueqian replied.

Tang Yuze really thinks that Xia yueqian's character has changed after an operation, or is this the original one? So for a year, he's been pretending? Tang Yuze didn't understand. "If you love her so much, why not go to her when you are better?" Xia yueqian heard Tang Yuze's words, and only serious was left on his face. "I want to go, but my body can't load it."

"Xia yueqian, I also want to tell you a respect for the heart, I will not let go easily." Tang Yuze replied. "Since you have your way to keep her, I do."

Xia yueqian looked at tangyuze's eyes and became persistent. "She is really worth doing this!"

Xia yueqian recalled the past and continued: "when I met her, I felt that she was very willful. Later, you will find that she is actually using willfulness to cover up her inner vulnerability. I think when you met her, she had removed the mask of the past, and she began a new life with a full of vigor. "

Tang Yuze didn't answer, because Xia yueqian said it correctly. When he saw yunmuring, she really broke into his sight with a beautiful and lively body. Maybe it was that brilliant smile that made her heart ripple like water. How was yunmuring in the past? He didn't know! But what he wants is the present and future of yunmuring.

Xia yueqian saw Tang Yuze not speaking, and he went on to say, "how is she doing in the United States?"

"Great!" Tang Yuze replied. "Every day is very full."

"Thank you for your care for her in the past year, Tang Yuze. I think she should have become the former one without you!" Xia yueqian looks dark, although they will make themselves uncomfortable in the past, but he still want to thank tangyuze.

Tang Yuze looked at Xia yueqian coldly, "thank you for this! It's also a strange thing to hear! "

#### [Chapter 348](#)

afternoon.

Huo Dongyang came to pick up Yun Muxin and went home. The doctor checked the situation and said that he had no problems and could be discharged.

"Huo Dongyang!" Xia yueqian saw Huo Dongyang go by and immediately stopped him. Huo Dongyang stopped, he looked at the ward summer yueqian, "something?"

"Well!" Xia yueqian.

Huo Dongyang walked into Xia yueqian's ward with long legs. He stopped again when he came to the bedside. "Say it

Xia yueqian thought for a moment and seemed to be organizing language. "Huo Dongyang, I want to be with Yun Muxin!"

Huo Dongyang did not have any expression on his face, as if he had already known what Xia yueqian was going to say. His blue gray eyes looked at Xia yueqian, "did you think about it this time?"

"Yes, I think so!" Xia yueqian nodded.

Huo Dongyang slightly nodded his head, "then you refuel! Tang Yuze will be your strong opponent. However, as far as your current state is concerned, there seems to be no chance of winning. In fact, I think it's good for Tang Yuze to be the son-in-law of the cloud family. " The only thing that bothers Huo Dongyang is his family background. If you remove these, Tang Yuze is really good. But he would rather let Yun Muxin lead a dull life, rather than want her to experience so many twists and turns.

Xia yueqian frowned, and he was really Huo Dongyang! It's always exciting to talk. "Don't worry, I'll get better as soon as possible! I will give Mu Xin a guaranteed life. "

"Anything else? If not, I'll go first. They're all waiting for me downstairs. Huo Dongyang was discharged from the hospital for Yunmuxin. Tang Yuze takes Yun Muxin to the parking lot first.

Xia yueqian shook his head, "no more! I just want to tell you

"OK! I'm going." Huo Dongyang came to the door and stopped suddenly. He turned his back to Xia yueqian and said, "Xia yueqian, I hope you can succeed this time. It's not in vain that you have survived so many times."

Huo Dongyang's words made Xia yueqian excited instantly. He understood what Huo Dongyang meant, and this sentence also had a great inspiring significance for himself. "Huo Dongyang, thank you very much!"

"Gone."

A few days went by like this.

Yun Muxin sees Xia yueqian in the hospital every day and brings him some food. Xia yueqian's body also recovered very quickly. This time, it seems that he took good care of him very quickly. The nurse who took care of Xia yueqian at his side also joked that Xia yueqian was taken care of by his beloved. He was radiant every day, and the whole person was in a lot of spirit. He seemed to have returned to the state he was in a year ago before there was no accident.

On this day, Xia yueqian saw that the time had come, and Yun Muxin did not come to the hospital. Whenever someone passed by, Xia yueqian would stretch his neck to see if she was coming. But looking at the people who come and go, they don't have the familiar figure, which makes Xia yueqian worried.

At this time, the corridor thought of the sound of footsteps, Xia yueqian again spirit up. This time he really stopped at the door of his ward, but it was not Yun Muxin who came, but Yun Yiyan. But Yun Yiyan is holding the thermos that Yun Muxin uses every day.

Yun Yiyan walked into the ward. He put the thermos bottle on the table. "Brother, you seem very disappointed. It's me who comes in?"

"Well! It's a bit disappointing." Xia yueqian answered truthfully. "What about admiration? Why are you here?"

"She can't come today because of something." Yun Yiyan sat down in a chair beside him. "So let me come here. I haven't seen you for a few days. I look much better. Sure enough, someone takes special care of it, but it's not the same."

Xia yueqian doesn't want to talk to Yun Yiyan. "What is mu Xin going to do today? Why didn't you come?"

"Ah..." Yun Yiyan sighed. "My brother! You may have forgotten one thing. Tang Yuze's parents went to Jiangwan villa today."

Yuexia, get nervous. "What do they do at Huo Dongyang's house?"

"Who knows!" Yun Yiyan replied. "This time even I'm out of it. Guess what they're going to do?"

Xia yueqian certainly knows what Tang Yuze's parents are doing in a city this time. My last meeting was ruined by myself. What about this one? Huo Dongyang won't agree to this marriage when his head is hot, right? Thinking of this, Xia yueqian couldn't sit still. He wants to visit Jiangwan villa, otherwise he won't be at ease.

Seeing Xia yueqian open the quilt and get ready to get out of bed, Yun Yiyan immediately stops him, "brother, what are you going to do?"

"I think in the past, I'm going to stop it." Xia yueqian replied.

Yun Yiyan reaches for Xia yueqian. "Brother, don't go! Before I came to the hospital, Huo Dongyang also told us not to go there. "

"Why?" Xia yueqian can't understand this. Why not let the past go? Is there any secret to talk about?

Yun Yiyan then said, "brother, listen to me calmly! There is certainly a reason why Huo Dongyang won't let us go. The last meeting between the two families had already ended unhappily, and the fault was on our side. This time, Tang Yuze's parents asked to meet again. Huo Dongyang was not good to refuse. We always have to clean up the mess last time! So Huo Dongyang asked me not to go there, but to deal with it. "

Xia yueqian did not make a sound, but was also in a trance. Because he was worried that there would be a change, and he felt uncomfortable again. "Yi Yan, do you think there will be variables?" Whether there are any variables, Yun Yiyan is not clear, but he will still believe that Huo Dongyang will handle it well. "How could I know that. Brother, in fact, Huo Dongyang is in front of us, the other side is the Tang family of C City. If it's not done well, maybe we'll all be crushed by them. So let's wait for the news! This time, we really can't add chaos to Huo Dongyang. "

Yun Yiyan's words also let Xia yueqian wake up completely. Yes, he's right! Huo Dongyang now faces Tang Yuze's parents alone, even the whole Tang family. I can see that he is under a lot of pressure. Everything is on him. The only thing they can do now is wait for the news.

Seeing Xia yueqian calm down, Yun Yiyan also lets go of his hand and sits down again. "Drink the soup, Huo Dongyang said that today's soup was made by Mu Xin himself."

Xia yueqian's eyes fell on the thermos bottle of the soup, "good!"

Yun Yiyan poured a bowl to Xia yueqian, "I've delayed some time on the way. Let's drink it quickly!"

At the same time, in Jiangwan villa.

Huo Dongyang and their guests are busy after noon. Huo Dongyang and Qiao Wei are busy in the kitchen. Huo Jiang looked at the two children, and Yun Muxin was also cleaning the house under the command of Mary.

"Why don't you go out and make the house quiet." Huo Jiang looks discontented.

"Lao Huo, when someone else comes, you can finally temper yourself." Mary told her at once.

"I'll leave if I don't like it. It's just a Tang family. What's so great about it. " Huo Jiang continued to complain.

Mary didn't pay attention to Huo Jiang any more and went to work again.

Ten minutes before the appointed time, the Huo family finally stopped and everything was ready.

Yun Muxin just changed a suit of clothes and came out when the doorbell rang.

"I'll open the door." Yun Muxin went up to open the door.

Qiao Wei stands beside Huo Dongyang, and seems to be worried. Huo Dongyang stretched out his arms around Qiao Wei, "don't worry, it will be OK."

#### [Chapter 349](#)

Huo Dongyang is prepared in his heart, so he is waiting for what they will do today.

Although I don't know whether they want to come home this time for marriage or other reasons. But no matter what it is, they should also receive them well, which can be regarded as making up for the last incident. After all, Huo Dongyang didn't want to owe the Tang family anything, so this time he was ready to say that he must treat well.

Qiao Wei said to Huo Dongyang, "Dongyang, are you ready?"

"Well!" Huo Dongyang nods. "So there's no need to worry, just like usual."

Qiao Wei nods, she has always believed in Huo Dongyang, she also knows that Huo Dongyang never does anything that is uncertain. In this way, Qiao Wei also relaxed a lot. It's different to have a husband.

Yun Muxin comes in with Tang Zeying, Tang Yichen and Gong Yuxi. The shoes to be changed are all ready. "Uncle, auntie, here are your shoes."

Huo Dongyang also went to the door, "Welcome! Come in, please

Tang Yuze looked at Huo Dongyang and called his uncle. Huo Dongyang nodded, "well, come in and talk about it."

"Mr. Huo is a man who can enjoy life." Tang Yichen opens his mouth.

"No, the house is in a mess. Children often do damage everywhere. " Huo Dongyang replied.

With the guests came to the living room, Mary pulled Huojian, let him stand up, but Huo Jiang is hard tempered. He just held his breath in his heart, as if he knew they were coming, but his family had been busy all morning.

Huo Dongyang knows Huo Jiang's temper, so he also introduces him. "This is my grandfather and grandmother. My grandfather's legs are not feeling well these two days."

Mary nodded at Tang Yichen. "Hello

"Mr. and Mrs. Huo, how do you do. I'm Yuze's father. " Tang Yichen said.

"Sit down, please." Mary said.

After sitting down, Tang Yichen and Gong Yuxi also took out the gifts they had prepared today. "These are all gifts we have prepared, just a little bit of care. Please accept them."

"That's very kind of you." Said Mary. And when you look at what they bring, you know it's not cheap.

Tang Yichen said with a smile: "today is also our abrupt. When it comes to sitting at home, it's not good to come empty handed. So I hope you all take it. "

When Huo Jiang saw that bottle of good wine, he knew that they didn't pay less attention. They even explored everyone's interests and hobbies. That's right. They don't have any people and things that can't be seen. Of course, they can find out. As for their Tang family, everything is a mystery, which is really shady!

Huo Jiang looks at Huo Dongyang and reminds him to pay more attention. These are all sugar coated shells. Don't be fooled by them so easily, or you will fall short.

"Eat first. The meal is ready." Said Qiao Wei.

"Yes, eat first! Uncle and aunt have been busy for hours Yun Muxin continued.

See a full table of dishes, really not worse than the restaurant outside, appearance and variety, even taste good. If you don't say, I really don't know that this is from Huo Dongyang and Qiao Wei. I really think it's the chef who asked for help.

This time at the dinner table is full of gossip, mostly about life. The Tang family didn't say anything important. Huo Dongyang guessed whether they said it after dinner or whether they came here for other purposes? Huo Dongyang couldn't understand this.

After dinner, Yun Muxin takes the initiative to wash the dishes, and Tang Yuze goes to help. The others went to the living room for tea and chat.

In the kitchen, Yun Muxin washes dishes and says to Tang Yuze, "Kevin, please say sorry to your uncle and aunt about that day's incident."

"Don't worry, I've explained it all. They won't blame you. " Tang Yuze said. "Is Xia yueqian in better health?"

"Much better. It should be discharged in a few days. " Yun Muxin said.

In fact, Tang Yuze wants to know what Yun Muxin wants to say, but he goes around the circle and doesn't get into the theme. "Mu Xin, I want to go back to the United States the day after tomorrow. There are some things that the company has to deal with."

Yun Muxin stops the action in his hand. Although the water sounds constantly, Yun Muxin still knows what Tang Yuze means. He is asking whether he wants to go back together? In fact, Tang Yuze's holiday has long been over, but he has been dragging it for himself.

"Kevin, I'm sorry!" Cloud Mu Xin dare not look at Tang Yuze said, she looked down at the dishwasher in front of her. "I'm not going back to America for the time being."

Tang Yuze's eyes darkened. Although he was prepared, he still felt uncomfortable. "Mu Xin, I will give you time to think about it. I hope you will tell me your decision when you return to the United States. "

"You can take care of Xia yueqian, but you are still my girlfriend." Tang Yuze continued.

"Kevin, it's going to be hard for you." Yun Muxin looks at Tang Yuze. "It's all because of me!"

"Mu Xin, I'm not by your side. Take good care of yourself. Don't get sick." Tang Yuze reaches out and touches Yun Muxin's face. "Please promise me that!" Yun Muxin nodded, "Hmm! You too. You must pay attention to your health. "

"Mu Xin, I suddenly regret bringing you back." Tang Yuze's eyes should be sad. If he doesn't come back, everything will not happen now. He may have married Yun Muxin.

Yun Muxin also saw his injury from Tang Yuze's eyes. She really hurt Tang Yuze this time. "Kevin, thank you!"

"I refuse your thanks!" Tang Yuze continued. "I'll take my parents back to City C tomorrow, and then I'll go straight from City C to the United States."

Yun Muxin knew that Tang Yuze didn't want to send him, so he made such a decision. "I see."

Tang Yuze came forward with cloud in his arms. "Go back to America early. I'll wait for you."

In the living room.

Tang Yichen and Huo Dongyang said the same thing. "Tomorrow we will go back to city C. Yuze said to us that he and Mu Xin's marriage should be put aside first. Now he still wants to work hard in his career. Originally, we wanted to fix the marriage or get engaged first, so that we could be at ease. But as children grow up, they think more than we do as parents, so we still respect their decisions

Such a result was not thought of by Huo Dongyang before. He did not expect Tang Yuze to step back first, which is not all people can do. It is a dangerous move for him to return to the United States at this time, which also means that he is prepared for the result.

"Mr. Huo, I have a request."

"Say it Huo Dongyang looks at Tang Yichen and nods.

"In the future, if Yuze has any difficulties, I hope you can help him once." Tang Yichen said. "In fact, our Tang family owes him the responsibility that he should not have. If there is such a day in the future, please help him for the sake of his admiration."

Huo Dongyang heard a lot of information from ye Tang Yichen's words. The relationship between Tang Yuze and the Tang family seems not as simple as imagined. Finally, Huo Dongyang agreed to Tang Yichen.

### [Chapter 350](#)

The next day.

Yun Muxin or sent Tang Yuze to the airport, which is what she thinks should be done.

When Tang Yuze and Tang Yichen went to check in their luggage, Gong Yuxi took Yun Muxin's hand and said, "Muxin, please take us to the airport today."

"It's OK. It's all I should do." This time, Yun Muxin felt very sorry for letting them go to city a in person, but this happened. It's just that they didn't have a word of complaint. Instead, they left space and time for themselves. She knew that all these were what Tang Yuze meant.

Gong Yuxi looks at Yun Muxin, but he also feels a pity. "Mu Xin, although Yuze has always said not to give you pressure, but I still want to say more. You really have to think about it. Yuze really loves you

Yun Muxin did not answer, Tang Yuze to their own good, she has always known. But now she seems to be in debt to two men. "Auntie, I'm sorry!"

"Forget it. Just think I didn't say it." Gong Yuxi understands that feelings can't be forced. That Xia yueqian all put his life away. Instead, he could not but face up to such feelings. But this is also his son can not do. His life does not belong to himself since he was born, but belongs to the Tang family!

Gong Yuxi's eyes are dark, but he still has some heart. "Mu Xin, if there was no Xia yueqian or you didn't come back to city a, would you choose Yuze?"

"Yes Cloud Mu Xin answers. "He is so good, so excellent, and he is so excellent in everything."

"Have you this sentence is enough, this does not waste jade Ze to make such a decision." Gong Yuxi said. "In fact, Yuze has a lot of things that he can't help himself. His life and life are destined to belong to the Tang family, which is where I always feel sorry for him. His wish is really simple. He wants to live a plain life with his beloved. But now it doesn't seem to work. "

"Auntie..." Cloud Mu Xin heard Gong Yuxi's words, also felt uncomfortable. Tang family things, she was not clear, but now from Gong Yuxi, she can feel some, Tang Yuze is carrying the fate of this family. Maybe that's why he never mentioned his family.

When Tang Yuze and Tang Yichen come back, they see that Yun Muxin and Gong Yuxi's expressions are not correct. Tang Yuze frowns. It seems that his mother has said something sad. Why? He was sad, but also let Yun mu heart sad.

"Mu Xin, I have something to say to you."

Hearing Tang Yuze call himself, Yun Muxin immediately stood up. Tang Yuze goes to the other side and takes Yun Muxin's hand.

"Don't pay attention to what mom said just now." Tang Yuze said.

"Kevin, I'll remember what you said." Yun Muxin looked up at me and Tang Yuze said.

Tang Yuze looked at Yun Mu Xin tenderly, "admiring heart, not everyone can choose his own life. Go back to America early, I I'll stick to it until the end of the year. "

At this time, Yun Muxin did not understand the meaning of Tang Yuze's words. "Well!"

"It's getting late. Go back!" Tang Yuze finished kissing on Yun Mu Xin's forehead.

Yun Muxin did not move, so standing in place, Tang Yuze's kiss is very light, but it makes people feel warm. "Have a good trip. Call me when you get there."

"Well!" Tang Yuze let go of Yun Mu Xin, "Mu Xin, I hope to see your smile all the time. See you in America!"

Watching the plane take off, and then slowly disappear, Yunmuxin reached out and pressed his heart. She may have a wish here that a woman who really loves Tang Yuze will appear in the future, so that he will not be lonely.

"Don't you want to go yet?" Behind him came the voice of Yun Yiyan.

Yun Muxin turns around and sees Yun Yiyan as expected. "Second brother, how can you be here?"

"I've been asked to come and watch for fear that you're running away again." Yun Yiyan walks to the side of Yun Muxin and stands.

Yun Muxin smiles. Of course, she knows who Yun Yiyan is. She stood shoulder to shoulder with Yun Yiyan and joked, "I really wanted to go with him just now."

Yun Yiyan squinted at Yun Mu Xin, "I won't convey this for you, because I don't want to see him in trouble."

"Second brother, what do you think of loving someone?" Cloud Mu Xin suddenly burst out such a sentence.

Yun Yiyan takes back the look at Yun Muxin. His eyes are on those planes not far away. "You asked me these words, the man who failed in love, right?"

"Is there a problem? Everyone's opinion is different. Tell me what you think." Yun Muxin said.

Yun Yiyan said with a wry smile, "how do I know. I think you should ask your uncle about this. He's a model for everyone now

"Cut ~ I don't think you want to say it." Yun Muxin answers, and directly pokes at the pain of Yun Yiyan, which also makes Yun Yiyan's face a little different.

After that, Yun Yiyan sent Yun Muxin back to Jiangwan villa.

Along the way, they did not talk much, but sat quietly. While waiting for the red light, Yun Yiyan said, "Mu Xin, do you know where Qin Hao is?"Hearing this question, Yun Muxin was stunned. "Why ask this all of a sudden?"

"I haven't seen him for a long time, so ask." Yun Yiyan replied. Half a year ago, Qin Hao was not in a city. It was said that he was taking Jian LAN on a business trip. However, due to face saving, Yun Yiyan did not ask Huo Dongyang.

Yun Muxin didn't know what Yun Yiyan was thinking about. "It seems to be to expand the market. Now my uncle is in charge of the work of city A. I really don't know where he is. But he should go back to the United States at the end of the year. "

"America?" Yun Yiyan repeated two words. "Really?"

"Well, my uncle will be back then! HD holds a fixed annual general meeting of shareholders, and almost all of HD's shareholders and senior executives of its companies will attend

Hearing this, Yun Yiyan's heart also kindled a little hope. If this is the case, he can apply to Huo Dongyang at the end of the year. He is also a person in charge of HD's company.

"At the end of the year, I'll go back with my uncle." Cloud Mu Xin answers. "We have to deal with things at school."

Yun Yiyan's eyes turned, and suddenly thought of a good way. Now that Yun Muxin has graduated, she should take the opportunity to have a good rest.

Yun Yiyan safely sent Yun Muxin to Jiangwan villa. "Then I'll go back first."

"Don't go in and sit down?"

"No, next time! I have to go back to the hospital to hand in the work! " Yun Yiyan replied.

"Well! Be careful on the way. " Yun Muxin waved goodbye to Yun Yiyan.

As soon as he entered the door, Yun Muxin saw Huo Dongyang sitting in the living room, as if waiting for himself. "Back? Come and sit down. "
